**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

Board of Selectmen,
New London, N. H.
Gentlemen:

December 10, 1954

Submitted herewith is the report of an examination and audit of the accounts of the Town of New London which was made by this Division, acting under authority of Chapter 82, Section 27, of the Revised Laws of New Hampshire, which provides in part as follows:

“Audit on Motion of Commission. The Commission may cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such. . . .”

This audit covered the fiscal year ended December 31, 1953, and the period from January 1st to October 22nd, 1954. Exhibits as hereafter listed are included as part of the report which is made up in three sections as follows:

Section I—Fiscal Year ended December 31, 1953

Section II—Period January 1st to October 22nd, 1954

Section III—Ten Year Statement of Indebtedness, Valuation and Taxes

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Municipal Court and Sewer Commission.

FINANCIAL STATEMENTS

Comparative Balance Sheets—December 31, 1952-December 31, 1953: (Exhibit A)

Comparative Balance Sheets as of December 31, 1952 and December 31, 1953, are presented in Exhibit A. As indicated therein, the Net Debt increased by \$5,445.77 during 1953.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the Town during the year 1953 is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

STATE TAX COMMISSION REPORT Continued)

Increases in Net Debt

Long Term Notes Issued	\$14,000.00	
Decrease in Accounts Receivable	359.01	
Cash Surplus Used to Reduce Tax Rate	4,000.00	
	<hr/>	\$18,359.01

Decreases in Net Debt

Net Budget Surplus	\$3,113.24	
Notes and Bonds Paid	9,800.00	
	<hr/>	12,913.24

Net Increase \$5,445.77

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1953, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net revenue surplus of \$2,114.41, plus a net unexpended balance of appropriations of \$998.83, resulted in a net budget surplus of \$3,113.24.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of the receipts and expenditures for the fiscal year ended December 31, 1953, made up in accordance with the uniform classifications of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of October 22, 1954, is indicated in Exhibit N.

Statement of Indebtedness: (Exhibit M)

A statement of long term indebtedness as of December 31, 1953, showing annual maturities of principal and annual interest requirements, is contained in Exhibit M.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

GENERAL COMMENTS

Indebtedness, Valuation and Taxes:

Table I presents a ten year statement of Indebtedness, Valuation and Taxes, covering the fiscal years 1943 to 1953, inclusive.

It is noted that the long term notes and bonds outstanding increased from \$52,400.00 to \$70,938.00, and the Net Debt from \$48,869.66 to \$54,435.93 during this period.

The assessed valuation of taxable property increased by \$903,522.00, or 42%, while the amount of the annual tax levy increased from \$56,588.00 to \$111,163.00, or 96%.

The local average tax rate increased from \$2.58 to \$3.60 per hundred, compared to an increase in the average tax rate for the State during this period of \$3.03 to \$4.48.

Appropriation for "Miscellaneous":

It is noted that an appropriation for "Miscellaneous" in the amount of \$800.00, was made in 1953. The largest expenditure item charged to this account was \$581.18 for printing town reports. The cost of printing town reports is a proper charge to the appropriation account "Town Officers' Expenses" and the other expenditure items which were charged to "Miscellaneous" could have been charged to regular appropriation accounts. It is recommended, therefore, that in the preparation of future town budgets the "Miscellaneous" appropriation be eliminated and items which have been charged to this appropriation be classified under the appropriate accounts.

Town Order-Checks:

The Town Treasurer issues separate checks in payment of the Selectmen's orders. It is recommended that instead of this procedure the Treasurer adopt the practise of countersigning the Selectmen's orders which thereby become negotiable checks. The name and number of the bank should be indicated on the order-checks.

Town History Account:

The town report of December 31, 1953, indicated a balance of \$479.13 in the "town history account." Actually this balance should have been \$279.13. as indicated herewith:

Balance—January 1, 1953		\$72.62
Received a/c Sale of Books	\$634.20	
Less Amount Included in Budget as		
Estimated Revenue		200.00
		<hr/>
		434.20
		<hr/>
		\$506.82

STATE TAX COMMISSION REPORT Continued)

Paid:

Citizens National Bank a/c Note	\$200.00	
William M. Kidder, Postage, etc.	27.69	
		<hr/>
		227.69

Balance—December 31, 1953 \$279.13

Inasmuch as an estimated revenue item of \$200.00 account of the sale of the town histories, was included in the 1953 budget, it became necessary to subtract this amount from the total amount received from sales to obtain the amount to be credited to the appropriation.

Town Treasurer's Surety Bond:

It is recommended that the surety bond of the Town Treasurer be increased from \$5,000.00 to \$10,000.00, so that the bond may be more proportionate in amount to the funds handled by the Treasurer which totaled more than \$180,000.00 in 1953.

Conclusion:

The accounts of all town officials which we examined were found to be in good condition and the accounting and financial procedure with exceptions as noted, conformed to prescribed methods and procedure.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report. This letter of transmittal should be included in its entirety but the inclusion of Exhibits is optional.

We extend our thanks to the officials of the Town of New London for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

C. David Sullivan, Auditor

Joseph W. Boulreau, Accountant

REPORT OF THE BUDGET COMMITTEE

Feb. 17, 1955

To the Voters of New London:

In accordance with the Municipal Budget Law of the State of New Hampshire, the New London Budget Committee has prepared the town budget for the current year, which is herewith submitted to you and set forth in the following pages of this report.

The Committee held two public meetings and two closed meetings on the appropriations proposed for the town budget and petitions received for the various articles. Three items are submitted without recommendation: \$400 for Blister Rust because it is the understanding of the Selectmen that the Town has done all required on this project; \$7,000 for the building of a sewer on Burpee Lane because the Sewer Commission has sufficient funds in a bank account left over from last year's project to put in this line if it is so voted; \$946.80 for additional expenditure for street lighting because at the time of the last meeting, the Budget Committee had not seen the brighter lights that the Public Service Co. proposed to install for this additional annual expenditure.

The Town Road Agent asked for an appropriation for summer maintenance in the amount of \$13,500, an increase of \$2,000 over last year's appropriation. The purchase of a new truck under this article was discussed. The Committee was told that to repair the present truck would cost \$500. It was deemed wise by the Committee to buy a new truck for approximately \$2,000 rather than spend \$500 for repairing the present truck. For this reason, the appropriation recommended for summer maintenance is \$1,500 and a separate item of \$2,000 for the purchase of a new truck was recommended.

Respectfully submitted,
1955 New London Budget Committee
WAYNE K. WHEELER, chairman

AUDITOR'S REPORT

I have examined the accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Road Agent, and Sewer Commissioners for the period October 22 to December 31, 1954 (the State Auditors examined the books of the above for the period January 1 to October 22, 1954), and the Cemetery Commissioners and Trustees of Trust Funds for the year ending December 31, 1954. I have compared their several accounts, vouchers and bank statements of funds on deposit, and find these to be in agreement, and believe these reports to be a true record to be in agreement, and believe these reports to be a true record of the conduct of the town business for the year ending December 31, 1954.

REPORT OF THE NEW LONDON PLANNING BOARD 1954

Members of the New London Planning Board have met eight times since their appointment by the Board of Selectmen in March. James E. Shepard II was elected as chairman and Mary C. Barrett as secretary. Other members of the board are A. Theodore Kirk, Laurids Lauridsen, William Lyons, Percy Thurston, and a representative from the Board of Selectmen. At the request of the Planning Board members, the Board of Selectmen appointed Ira Littlefield a lifetime honorary member in recognition of his long service to the Board.

During the year the Planning Board recommended laying out the new road leading from Everett Park to the Newport Road which has been done. We requested the School Building Committee that our Board be consulted in an advisory capacity before definite plans for the location of the new building were submitted. This offer was not accepted.

Mr. Littlefield has shown us the map on which he is working. We all feel this master map will prove of great value to all the town officials when it is completed. Some progress has been made and our immediate goal is to have completed both sides of Main Street from Bucklin's Corner to Croquette's corner. Mr. Littlefield has been paid \$100 for his work to this point. Mr. Laurids Lauridsen has worked with Mr. Littlefield helping to ink in the completed sections.

Street signs have been erected (2 four-way and 9 two way) and since we have heard no comments we assume that the townspeople approve.

A committee has been appointed to investigate the streets that need naming and to bring in a report to a future meeting.

Four members of the Board attended the State Plan-

ning and Development Conference in Portsmouth in May.

Members of the Planning Board anticipate the day when we can present to you a Master Plan for the orderly and desirable development of New London's future growth. This Plan would attempt to visualize future trends and provide for good civic design; adequate provision for traffic; safety from fire; and efficiency and economy in the process of development. New London has many natural beauties and we have an obligation to keep it unspoiled. We anticipate and welcome a growth in our population but this growth can be harmonious and orderly only if we employ intelligent foresight.

Respectfully submitted,

MARY C. BARRETT,

Secretary

1954 ACTIVITIES
NEW LONDON SERVICE ORGANIZATION, INC.

Organized for

Community and Servicemen's Projects

The New London Service Organization opened its eleventh year with the usual complimentary dinner at the New London Inn in January. The Annual Business Meeting was held at the conclusion of the dinner followed by the election of the following officers. For President Herbert D. Swift, 1st Vice President Mrs. William F. Kidder, 2nd Vice President Rev. Arlington E. Wry, Clerk Mrs. Vaughn Biggert, and for Treasurer Ernest E. Welch, Jr. These were to be assisted by three classes of Directors. The 1955 Class was Col. Edwin E. Nash, Mrs. A. Stanley Little Jr., Mrs. Rene Trudeau, M. Roy London and Mrs. Vaughn Biggert. The 1956 Class was Dr. J. Duane Squires, John Kiernan, Miss Julia Todd, Rev. Arlington E. Wry and Mrs. W. F. Kidder. The 1957 Class was proposed and accepted as Herbert D. Swift, Robert J. Livingston, Edward A. Dexter, Mrs. Charlotte Meinecke and Dr. John Ohler.

During the past year the Board held ten regular meetings and a few special meetings, with action taken on the following projects. Fifty dollars was voted towards the purchase of uniforms for the New London High School Band. A "Serviceman's Book Shelf" has been established in the Tracy Memorial Library. From time to time it is proposed to add military books on the recent wars to this Book Shelf. During the past year the following have been presented, "Battle Cry", "Away All Boats", "General Dean's Story" and "Final Secret of Pearl Harbor."

In keeping with our interest from its start, the sum of fifty dollars was voted for the use of the of the Junior

Baseball League as carried on at the New London High High School. A dance was held this year in conjunction with the New London Old Home Day Committee's celebration of New London's 175th Anniversary. To help insure the success of the 175th Anniversary Celebration we voted to underwrite the Old Home Day expenses by fifty dollars.

A new chair was purchased and presented to the Nurses Home for use in their parlor. Christmas Greeting cards, with a cash gift of two dollars enclosed, were sent to each of New London's boys who were still in the service of their country. Many replies have been received expressing their gratification at being so remembered.

We have five wooden benches which we put out along Main Street each summer for the comfort of our fellow townsmen and visitors. This year we received much favorable comment concerning these benches so it was voted to have one more built during the winter for use next summer.

No new loans to servicemen were made during the past year although two difficult decisions were made against loans. At present we have \$640 out on loan to servicemen.

ANNUAL REPORT
TRACY MEMORIAL LIBRARY

An energetic and busy year connected with the activities of the Tracy Memorial Library has been completed, and a report of the year's work is in order. A certain amount of repetition is always found in the report of any institution, but, owing to the diversity of interests during a year's time, no two annual reports of the library can ever read quite the same.

The circulation of books and magazines shows an increase over the previous year and is as follows:

Adult fiction	6705
Adult non-fiction	1753
Adult magazines	1094
Juvenile fiction	4695
Juvenile non-fiction	508
Juvenile magazines	157

There have been 11,849 visitors to the library during the year. The book purchases have been 176 books for adults and 95 books for juveniles, and our many friends have added 34 more as gifts. We also have by subscription and gifts, 52 magazines on the table in our reading room, which are available for circulation also.

All inter-library request loans have been answered promptly, and a cordial friendship maintained with the Fernald Library at Colby Junior College. The State Bookmobile still visits us on alternate months, supplementing our juvenile circulation and adding several new books to the adult shelves.

We continue to supply the New London Central School, grades and High School, with their supplementary reading material, and special reading classes, for which we have supplied a total of 226 books. During the summer months, the Camps Penacook, Hanonis, Tonawanda, and Colbytown have borrowed books for campfire stories and special projects. There has been extensive

TRACY MEMORIAL LIBRARY REPORT (Continued)

work in the reference department all the the school year, with 217 requests for special material. The Junior and Senior High School book reports have been specially shelved and circulated for convenience during the year.

The Committee Room has been available for 50 small meetings throughout the year, and the auditorium has been used for several meetings by the Woman's Club, and for exhibits.

During the second week in June, the librarians were privileged to attend the annual Librarian's Institute at Concord for one week. Both gained valuable and serviceable instruction, which has greatly benefitted them in their work.

The enrollment of new borrowers in our library shows an increase, totaling 190 new members for the year. Part of these were out-of-town students in the High School.

The Vacation Reading Club was led by "Willie," the Book Worm through the months of July and August with an enrollment of 34 children. On August 28th the annual party was held for all members, at which Mr. Herbert Swift showed reels of animal movies. Seventeen diplomas were awarded to children completing the course. Refreshments were provided by Mrs. Whitcomb, and served to the group by the librarians.

Three exhibits were well attended during the summer. The first, the Ford Motor Company Traveling Show, called "Paintings of New England Journeys" by New England artists, was made available to libraries, museums, and art groups with all shipping charges paid by them. In August, Dorothy Dey Howard opened her tenth annual display of oil paintings which attracted many visitors and friends. During the celebration of Old Home Day, Mrs. Agnes Gay exhibited local paintings done by herself.

During United Nations Week, an interesting display was arranged by the librarians in the entrance hall, showing books of many nations available for circulation.

National Book Week was observed in November with a display of new adult and juvenile books. All grades from New London Central School, Springfield Memorial School, and Mrs. Cricenti's kindergarten class visited

the exhibit during this week, making a total of 311 visitors. A display of shells, and the articles made from them, were arranged in glass cases, and a suspension bridge, made and loaned by Lewis Simonds, reminded everyone that "books are bridges, to the past, the present, and the future."

During 1954, the New London Service Organization has bought and presented to the library, four books with military backgrounds. These include "Battle Cry," Uris; "Final Secret of Pearl Harbor," Theobald; "Away All Boats," Dodson; and "General Dean's Story," Dean.

The Story Hour on Saturday afternoons shows a marked increase in attendance this fall, with 400 children present during the year. When the Hour was discontinued in June for the summer months, the children were entertained by a local group of the older girls. They presented a play, "The Fairy Hat Shop," and refreshments were served in the garden by the parents.

As Christmas time draws near, the Christmas roses bloom in the library gardens, and the Christmas lights shine out again, welcoming our friends and patrons to another year of library service.

HOSPITAL BOARD REPORT (Continued)

New London Hospital has been always aware of its obligation to those it has the opportunity of serving and constantly strives to improve standards of care. It is with pleasure, then, that this year we are able to report that your hospital has reached the long coveted goal of "FULL ACCREDITATION" by the Joint Commission of American Hospital Association, American Medical Association and American College of Surgeons. This accomplishment is a real tribute to the cooperation existing between the Board of Directors, The Medical Staff and the Hospital Personnel.

It has been said by leaders in the hospital profession that "good medical records are probably the most important single factor in the accreditation of a hospital. They are the chief evidence of the quality of patient care." We are fortunate therefore, in our small institution to have a capable and highly efficient full-time record librarian, Miss Jean Thurman, who has been with us nearly a year.

The Fund Raising campaign of the past summer was brought to a successful conclusion when over \$200,000 was subscribed in a period of less than three months an achievement which bears witness to the deep seated and unselfish community interest. This fact coupled with our A-1 priority rating for Hill-Burton funds, gives an encouraging outlook for the Building Program planned in 1955.

The surgical team, headed by the surgeon and never less than four specifically trained people, combined their efforts in performing 123 major operations. This does not include the 549 minor operations. Once again may we acknowledge the conscientious preparation and care this team put into its work as evidenced by the constant superlative post-operative results.

Dr. John Ohler has been made a permanent member of the Medical Staff. Dr. A. Seymour Thomas has also joined the Medical Staff.

The nursing staff is well organized and consists of a per-

manent staff of 13 registered nurses and three practical nurses, working on a 40 hour week schedule and covering the hospital 24 hours a day.

The patient days of 6,336 reached an all time high. There were 87 babies born. The Out Patient Department took care of 3,024 patients. The X-Ray Department had a total of 1,836 films, an increase of 248 over 1953. The Barbara Jane Baker Memorial Laboratory performed a total of 5,504 tests, an increase of 1,194 over 1953. Again, in all departments, high records were broken.

Hospital Aid continued their work in redecorating both the hospital and the Nurse's Home. Five hundred dollars was given to purchase linen. New furniture has been purchased for the reception room and the mending has been done. Hospital Aid groups have organized in the towns surrounding New London. Much work is being accomplished. We are indeed grateful.

The Women's Club annual contribution of \$50.00 was used for improvements in the Maternity Ward.

A generous gift of an oxygen tent and a patient lift has been received from Mr. and Mrs. Robert Carmichael of Winston-Salem, N. C. in honor of their mother Mrs. Bidwell.

A new Endowment Fund of \$1,000 was left in the will of Mrs. Nellie Stimson.

The Summer Residents' committee continued their untiring efforts in behalf of the Hospital. Without this group and the equipment they have provided over the years to make the hospital more efficient and up-to-date it would have been more difficult to have received Full Accreditation.

Hospital Day under the direction of General Chairman, Aaro Reivo ably assisted by the following committee, Mr.

HOSPITAL BOARD REPORT (Continued)

Vaughan Biggert, Mrs. Venita Gay, Mrs. Mildred Lamson, Mr. Benjamin Yerxa, Mr. Ernest Welch Jr., Mr. Carlton Barton, Mr. John Johnson, and Mr. Kenneth Rich, was very successful. A net of \$8,109.85 was realized. Members of the Board and Hospital administration offer their heartfelt thanks to these committees and all who contributed so generously to the success of the day.

Individual gifts of money, equipment, food, etc. too numerous to list in this report have been received. Our sincere thanks and appreciation to these and to the many benefactors of the Hospital.

Hospital costs are still rising and correspondingly so are the charges to our patients. However, our financial condition and patient costs compare very favorably with other hospitals of the area.

New London Hospital is fortunate indeed to have the selfless and intelligent devotion of Rachel Sargent, our Business Manager. Through her unusual qualities and deep interest in the hospital, she has acquired very important and necessary skills and by their constant application, a high degree of hospital efficiency is reflected.

In the passing of George O. Draper New London Hospital has lost a beloved friend and earnest worker. He had served on the Board since 1947.

Miss Amelia J. McLeod resigned her position as Superintendent January 1, 1955 after a service of almost eleven years. During those years she has given to our hospital and to our community devoted and unstinted service in the finest traditions of the nursing profession, thereby helping to raise the standards of the hospital, the while she was endearing herself to hundreds of patients. We extend to her our heartfelt thanks for her noble and sacrificial efforts in behalf of our Hospital.

Respectfully submitted,
MILDRED D. LAMSON,
Secretary.

HOSPITAL AID ASSOCIATION REPORT

October 1, 1953 - October 1, 1954

The New London Hospital Aid Association held its usual monthly meetings from October, 1953 through June, 1954, with an average attendance of 30 members. Those meetings were used for mending for the hospital and for preparation of articles to be sold on Hospital Day.

Annual activities for raising funds include a membership drive, rummage sale, donation day, luncheon fund, and rent of pillows at the Barn Playhouse during the summer.

This year has been a very special year on account of the Hospital Fund Drive. Hospital Aid started the fund rolling by an initial gift of \$500. This was soon followed by a pledge of \$2500 for the Nurses' Station. A Ways and Means Committee was appointed to undertake the raising of this large sum. Their projects included weekly food sales through July and August, a Smorgasbord Supper at the Parish House, a Style Show and Tea at the Yacht Club, and a House and Garden Tour. Thanks to this energetic and efficient committee more than \$1500 was raised this summer.

Hospital Aid gave a tea at the hospital on National Hospital Day, thus helping to acquaint about 60 people with the needs of the present hospital. Donations on that day amounted to \$34. Two suppers were provided for meetings of the committees in charge of the Hospital Fund. Donations from these amounted to \$132.30.

During the year Hospital Aid has provided the usual \$500 for new linens at the hospital and has spent several hundred dollars for general improvement and repairs at both the Hospital and the Nurses' Home. An identifying sign has been placed in front of the Nurses's Home.

Our New London Association has been represented at two meetings of The New Hampshire Hospital Auxiliary, also at the Boston meeting of the New England Hospital Assembly.

Hospital Aid is deeply grateful to the entire community for its generous cooperation in the many projects

which make possible our contribution of service and of funds to the needs of our New London Hospital. Appreciation also goes to the ladies of surrounding towns who are increasingly active in supplementing the work of our organization.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of New London:

I submit herewith my seventh annual report as Superintendent of Schools.

Enrollment

The enrollment for the school year 1954-55, as of January 1, 1955, was 243. This is broken down as follows:

Grades 1-8 142

Grades 9-12 101

Pending the completion of the new elementary building, the room in Sawyer's basement is again being used to house 16 pupils in Grade 2. The enrollment in the elementary rooms is broken down as follows:

Grades 1 and 2 38

Grade 2 (Sawyers) 16

Grades 3 and 4 29

Grades 5 and 6 28

Grades 7 and 8 31

Teachers

It continues to be very difficult to obtain good teacher replacements and I cannot see any solution to the teacher problem until salaries are high enough to attract more people into the profession.

There were five changes on the staff this year. This constituted a larger turn-over than we have had for several years. It is recommended that some tentative salary maximums be established so that staff members would have some idea of the salary range they could expect over a period of years.

Tuition Charges

The tuition rates are as follows:

School Year	High School	Elementary
1952-53	\$250	\$150
1953-54	\$275	\$175
1954-55	\$290	\$190
1955-56	\$300	\$200

Transportation

A new transportation contract was established with Edmunds Bus Line, Inc. In addition to the existing routes, a new route was provided to the Twin Lake Villa section. This year the three routes have been

handled by two busses and a station wagon. Plans have been made for next year to use a large bus on one of the routes in order to relieve over-crowded conditions.

New Equipment

The major items of new equipment include:

- Trophy Cabinet (Gift of the Classes of 1950 and 1953)
- Electric typewriter
- New liquid duplicator
- A Wet and Dry Vacuum for the custodian
- A Four-unit Woodworking Bench for the Shop
- A considerable quantity of new material for the courses in Radio and Electricity
- 10 Desk and Chair units (Primary)
- 6 Desk and Chair units (High School)
- 24 High School Chairs (replacements)
- 2 Typing tables

New Elementary Building

This has been a very active and significant year in terms of our school plant. A brief summary of the activities is as follows:

June 2, 1954—A Special Meeting of the School District authorized an expenditure of \$84,000 for the construction of an elementary building containing 3 classrooms, Activity Room and Kitchen, Nurse and Teachers' Room.

June 8, 1954—The School Board appointed a Building Committee consisting of Clarence Granger, Harold Welch, and Wayne K. Wheeler.

June 23, 1954—The School Board voted to engage Irving W. Hersey Associates of Durham, New Hampshire as the Architect for the new building.

June 23, 1954—The School Board voted to sell bonds in the amount of \$84,000 to The First New Hampshire Corporation of Concord at an interest rate of 2.4%. (This is a 16-year bond issue with \$5000 of the Principal plus interest payable from 1956 through 1967 and \$6000 of the Principal plus interest payable from 1968 through 1971.)

August 6, 1954—Land adjacent to the original lot was purchased from Mr. Forrest Loverin for \$2500.

August 11, 1954—At a public opening, six bids were received from contractors on the building plans and specifications.

August 14, 1954—The contract for the construction

REPORT OF SUPERINTENDENT (Continued)

of the elementary building was awarded James J. Viette of Keene at a price of \$70,937. (This figure does not include the electrical fixtures, grading, equipment etc.)

November 19, 1954—Cornerstone ceremonies were conducted under the direction of the School Board—Dura P. Crockett, Chairman, Frances W. Sawyer, and Anna E. Rich, Secretary.

March, 1955—The building should be substantially completed and ready for occupancy. (At this time it will be possible to operate Grades 1 and 2 as single grades. Grades 3 and 4 will occupy the third room in the new building. The two rooms vacated by elementary grades in the main building will allow for a much-needed expansion of high school classroom facilities.)

Conclusion

The expansion of school facilities, represented by the erection of a new building, marks a great step forward for the New London School System. I should like to commend the many people who worked so long and hard in the realization of the new building—School Board Members, School Staff, School Study Committee, Building Committee, Parents and Citizens.

Respectfully Submitted,

GORDON B. FLINT,
Superintendent of Schools

REPORT OF THE PRINCIPAL TO SUPERINTENDENT GORDON B. FLINT

Dear Mr. Flint:

I submit herewith my report as Principal of New London Central School.

In addition to the regular school routine of classroom activities that each student fits into with little difficulty there are many other activities in the school that play a very important part in helping the students formulate a way of life. It is difficult to pick any one activity as being the most important due to the many varied interests of the students. A student often has to make a choice between the activities due to conflicts even though the student would like to participate in both of the conflicting activities. This in itself helps to prepare them for their future.

This report will not include a complete list of the activities, but it will review enough of them to give you an idea of what goes on outside the classroom. As you go over the report you will think of some activities that we should try to have in the future, but time and faculty leaders are important controlling factors.

The School Band, under the direction of Mrs. Herwood C. Curtiss, has become one of our proudest assets. The new uniforms that were made possible by the many donations from the people of New London and the Legion Auxiliary and the uniforms that were made for the Majorettes by Mrs. Kenneth Rich and Mrs. Herwood Curtiss made it possible for the band to march in the Memorial Day Parade. The band also took part in the programs held in Springfield, Sutton and Wilmot. In October the band marched in the Centennial Parade of the New Hampshire Education Association in Manchester. Those, who saw it in person or on television, must have felt proud. A concert was given in June at the school and an outdoor concert was given in July. Three members of the band, Jerome Allyn, Nancy Rowe and Terry Rudner, were in the All State Band at the Music Festival in April.

Mrs. Alberta Fisher had her usual busy year with the choral and orchestral groups. The Glee Club presented a Christmas Cantata on the Sunday before Christ-

REPORT OF PRINCIPAL (Continued)

mas. The annual Pops Concert, which has become one of our most popular annual events of the year, was presented in April. In May our Glee Club and Orchestra joined with those from Hopkinton, Sunapee, and Warner to present a Spring Concert in Hopkinton. The groups spent a busy Saturday working on the program under the direction of Professor Carl H. Bratton from the University of New Hampshire and presented the concert in the evening. It is planned to have the next concert in New London. The school was represented in the All State Chorus at the All State Music Festival by Marguerite Granger, Sue Kidder, Gay Ellen Rich and James Squires. The elementary grades put on a musical program at the annual Open House last November. This program was based on the work done by the grades in music.

Last spring the freshman, sophomore and junior classes each put on a one-act play under the direction of Miss Eleanor C. Parker. The senior play, **Cheaper by the Dozen**, was given in November under the direction of Mr. Reginald Leighton. In addition to these plays the present freshman class put on a one-act Christmas play for the Christmas assembly.

Seven students entered the State Speech Tournament in Dover last year and five of them qualified for the next stage of the tournament in Durham. One of these, James Squires, qualified for the final round.

The seventeenth annual Heidelberg Prize Speaking Contest, which was held in March, gave the judges a real difficult time. The winners were:

Serious Declamation

First—Dianne Gessner

Second—Jerome Allyn

Third—Sally Stevens

Honorable Mention—James Squires

Humerous Declamation

First—Jacqueline Kezar

Second—Karyl Allyn

Third—Sheila Moss

The annual New London Woman's Club Essay Contest had many entries. The winners were:

First—Diane Prescott

Second—Oliver Hayward

Third—Richard Funke

Honorable Mention—Jerome Allyn

The seniors who hope to attend college, attended the High School-University Day at the University of New Hampshire in October. They gained a great deal of useful information from the discussion groups and by visiting the many departments that make up the University.

The Student Council has continued its many worthwhile activities. Some of the assemblies sponsored by them were a Talent Show, A Quiz Program, A Spelling Bee, Speakers such as Col. Ben C. Limb of Korea, Mr. Darling from Northeastern University, and Rev. MacFarlane of the New Hampshire Civic League. The Student Council also plays an important part in helping to formulate policies that will improve the school.

Last year the school was invited by the Educational Testing Service Program of Princeton to participate in a nation-wide testing program, which will not be completed until this spring. Two schools were chosen in New Hampshire. When the program is completed we will be able to make a comprehensive comparison with schools throughout the country. The preliminary reports indicate that we are above the mean for the country and many of the individual results were at the top. We also used the University of New Hampshire testing Bureau Service for freshmen and juniors to help in our guidance program. In addition to these we took part in the N. H. Education Department testing program.

Several educational trips were taken by the classes and among those that stand out was one to the Dorr Woolen Mills by a Home Economics group and one to the Machine and Foundry Shops in Windsor, Vermont by the Shop classes.

Mrs. Herwood Curtiss helped the cheerleaders make new uniforms this year and the bright colors seem to spark the girls along.

Mr. Floyd Bailey offered to coach the Junior Varsity Basketball team and the team had a very successful season last year. At the end of the season the seventh and eighth grade members entered the Invitation Junior High School Tournament at Warner and brought home the Championship. They are having a successful season again this year and the program makes it possible for a large group of boys to participate in a competitive sport.

Mr. Bailey also coached the baseball team. Baseball has become one of our important activities now that we

REPORT OF PRINCIPAL (Continued)

have our own diamond.

The boys' varsity basketball team, which was coached by Mr. Joseph Freitas, was invited to the Keene Teachers College Invitation Tournament and placed third. This year the team is coached by Mr. Carl Hill. The girls' basketball team is coached by Miss Jacquelyn Elliott.

In order to help the elementary children to learn to ski the New London Outing Club is providing instruction at the New London Ski Slope every Thursday afternoon from two to four o'clock. The children are excused from school and transported by members of the Outing Club to the ski area. The program is tied in with our physical education program. It is hoped the program will be successful enough to warrant broadening the program.

Those of us, who are closely connected with these activities, realize that the whole program would be a failure if it were not for the fine cooperation and encouragement given to us by the members of the community and the school authorities.

Respectfully submitted,

ROBERT J. LIVINGSTON,

Principal

REPORT OF THE HELPING TEACHER

The work of Helping Teacher, in the few months of its existence, has been interesting, varied, and has attempted to fulfill the duties of providing help to teachers in a variety of ways, always bearing in mind this ultimate objective—to improve the educational growth and development of children.

In the early phases of the program, the services of the Helping Teacher led to those teachers whose expressed need was indicated, or to those whose need was apparent in terms of new experiences, material needs, scheduling problems, teaching techniques, and the like.

Classroom visitations, meetings and informal chats with teachers, principals, Superintendent, parents, and in some cases the school nurse, have all contributed toward a clearer picture of immediate needs and have to some degree hinted at the needs of the future.

Briefly summarized, the work of Helping Teacher has had a share of the responsibilities in:

1. **The Testing Program**—intelligence tests, achievement tests, and individual reading tests have helped to determine the needs and abilities of children.

2. **Remedial Reading**—a temporary plan of group instruction in reading with the purpose of (a) gaining a deeper insight into the problems children face in reading; (b) developing methods of dealing with specific reading difficulties; and (c) determining ways in which such problems might be dealt with within the classroom. The extension course in REMEDIAL READING offered at Keene Teachers College on Thursday evenings proved most valuable in helping to meet these objectives.

3. **Newsletters and Bulletins**—prepared in conjunction with the Superintendent as a measure designed to bring to the attention of teachers matters relating to (a) special teaching materials; (b) audio-visual materials; (c) book lists for children of all ages; (d) Union Teachers Association items; (e) extension course and other in-service training; (f) other special and miscellaneous announcements according to needs and demands.

4. **Participation** in meetings of Union Teachers Association, P. T. A., Study committee groups, and attending meetings and conferences outside the Union designed to acquaint the Helping Teacher with more and

REPORT OF HELPING TEACHER (Continued)

effective ways of being a Helping Teacher.

5. Helping Teachers—providing materials, ideas, suggestions, techniques and other services to assist in instructional improvement.

A look to the future indicates the need for increased alertness to the needs of teachers, for as their needs change, so does the work of the Helping Teacher if it is to be effective and worthwhile. It is hoped that future weeks will bring increased services in such areas as:

1. Individual pupil testing.
2. Special meetings of teachers in common curriculum or grade levels to work together in solving common problems.
3. The recognition of the slow learner and ways of helping him.

Whether past, present, or future, the work of Helping Teacher is a cooperative undertaking. I should like to express my hearty thanks and sincere appreciation to Mr. Flint, principals, teachers, and other school personnel throughout the Union for the constant encouragement, help, and cooperation given me and the confidence placed in me. Without such cooperation and mutual understanding, the role of Helping Teacher would be impossible.

Respectfully,

ALPHONSE J. SOUCY,
Helping Teacher
