# School Report

AUGUST 31, 1918, TO AUGUST 31, 1919

---

At school meeting in April, 1919, the district voted for the year beginning September 1, 1919, \$1,104.00.

Elected L. M. Dodge to fill vacancy of two years on School Board, and Sadie O. Glover for three years. C. A. Young was elected district clerk and E. M. Cooley treasurer.

August 15, 1919, at a special meeting, it was voted to pay deficit, \$300.00. Voted to have hard wood floors, new desks and chairs, and to put a cement banking around the schoolhouse. Materials and work for all this amounted to \$425.18.

We had 36 weeks of school in No. 1 last year, and 11 weeks in No. 2. Then the schools were so small we combined the two, and transported the far away scholars. The janitor work is performed by a pupil at 50 cents a week. Our total receipts for the last school year were \$979.17, and the total expenditures were \$977.17, leaving in the treasury \$2.00, besides the \$1,104.00 for the school year beginning September 1, 1919, and due from the town the 1919 dog licenses of \$40.50. This year we have a share in a superintendent, which will add largely to our expenses. We had in September, 1919, 18 resident scholars. For the fall term of 14 weeks, we paid:

Teacher's salary	\$ 210 00
Transportation of pupils	131 20
Janitor's services	7 00
Wood	45 00

Books and supplies bought by superintendent	39 36
Total	<u>          </u> \$432 56

KATHERINE L. BOWLES,  
Chairman School Board.

## Library Report

---

Our appropriation in 1919 was all expended for books. Our town is small, so, of course is our appropriation, but our library, which now numbers 1,000 volumes of history, biography, travel and fiction, besides poetry and nature studies, is in constant use by a majority of the people. Being kept in the home of the librarian, the people can get books any day in the year, which is convenient for busy people. People realize that they are part owners of the books, and are careful to keep them clean and whole.

KATHERINE L. BOWLES, Librarian.
