THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of Marlborough in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the High School Auditorium in said Marlborough on Tuesday, the 10th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

1A. To cast your ballots for a delegate to the State Constitutional Convention.

1B. To see if the voters will approve or disapprove the sale of Sweepstake tickets as provided in the Sweepstakes Act of 1963.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see what sum of money the Town will vote to raise for the purchase of tar for the highways or act in any manner relating thereto.

4. To see if the Town will vote to accept State Aid on Class V Roads, raise and appropriate the sum of \$578.02, the State to give \$3,853.44.

5. To see what sum of money the Town will vote to raise for repairs and construction of sidewalks or act in any manner relating thereto.

6. To see if the Town will raise a sum of money for repairs, water storage, equipment, supplies and other expenses of the Fire Department.

6A. To see if the Town will vote to raise and appropriate the sum of \$3,400. to pay for the Municipal Building serial note, number one, or act in any manner relating thereto.

7. To see what sum of money the Town will raise for Electric Lights.

8. To see if the Town will raise the sum of \$2,500. to aid the Community Nursing Association or act in any manner relating thereto.

9. To see what sum of money the Town will raise for Memorial Day.

10. To see if the Town will vote to erect a suitable World War II memorial at the Library grounds, appropriate money for the same or act in any manner relating thereto.

11. To see if the Town will accept street signs for the streets of Marlborough, to be given by the Monadnock Lions Club, and to be erected by the Town Highway Department.

12. To see if the Town will vote to widen and reconstruct Jewett Street, appropriate money for the same or act in any manner relating thereto.

13. To see if the Town will vote to raise and appropriate the sum of \$303.24 (six cents per \$1,000 of the Town's equalized valuation) to the Monadnock Region Association, an agency to advertise, promote, and preserve the natural advantages and resources of the Town in cooperation with the other 37 towns of the Monadnock Region.

14. To see if the Town will vote to raise the sum of \$3,100.00 to help maintain the Frost Free Library or act in any manner relating thereto.

15. To see if the Town will authorize the Trustees of Trust Funds to pay over to the Selectmen the income from the Charles C. Ward Town Fund, said money

to be used for the purchase of chairs for the Municipal Building.

16. To see if the Town will authorize the Selectmen to negotiate with the Minnewawa Manufacturing Company for a right of way to construct a road from Granite Street to the Robinson Pasture, so-called, in order to provide more cemetery lots, or act in any manner relating thereto.

17. To see what sum of money the Town will vote to raise and appropriate to support the program sponsored by the Recreation Commission.

18. To see if the Town will vote to raise and appropriate for hydrant service, the sum of \$3,125.00, this being \$125.00 per hydrant.

19. To see if the Town will raise and appropriate the sum of \$2,510.00, \$1,000 to be used to pay the water note at the Keene National Bank, due December 15, 1964, the other \$1,510 to make up the deficit of the Water Works Department for 1963 or act in any manner relating thereto.

20. To see if the Town will raise and appropriate the sum of \$1,277.00, as its fair share of the operating cost of the Elliot Community Hospital.

21. To see if the Town will vote a sum of money to provide police protection for the school children while crossing Main Street or act in any manner relating thereto.

22. To see if the Town will vote to discontinue the old highway, beginning at the Marlborough-Swanzey Town line, thence southerly to a point opposite the Guy Higgins residence; also another section of the same road beginning opposite the Stage Coach Inn, so-called, and thence southerly to the river.

23. To see if the Town will vote to raise and appropriate the sum of \$50.00 for Civil Defense.

24. To see if the Town will vote to give the Selectmen the authority to expend not to exceed \$500, if equipment is available for the use of the Town through Civil Defense.

25. To see if the Town will vote to build a new street to the School Property, appropriate money for the same or act in any manner relating thereto.

25. To see if the Town will vote to authorize the Selectmen to construct municipal sewage collection and disposal facilities in accordance with the construction program as recommended by the Consulting Engineers, Camp, Dresser & McKee, not to exceed a total cost of \$450,000; the funds to be acquired by borrowing not in excess of \$350,000, accepting a Federal Grant under the Federal Water Pollution Control Act, together with State Aid; the Selectmen to execute in behalf of the Town, such contracts as are necessary to effectuate the same and to lay out and acquire by purchase or otherwise such property as is required and to perform such acts as are reasonably designed to complete said construction; the Town to borrow a sum not in excess of \$350,000 through the issuance of serial bonds and notes in compliance with the Municipal Finance Act (Chapter 33 of the New Hampshire Revised Statutes, Annotated) and authorize the Selectmen to issue and negotiate such bonds and notes and determine the rate of interest thereon, the time and place of payment and conditions of sale thereof, and to take such action as is necessary to effect the issuance, negotiation, sale and delivery of said bonds and notes as shall be in the best interests of the Town of Marlborough; said sum to be used in conjunction with Federal and State Grants for the construction of the municipal sewage collection and disposal facilities in Marlborough, New Hampshire.

27. To see if the Town will appropriate the sum of \$100 for the pine blister rust program.

28. To see if the Town will authorize the Selectmen to dispose of the granite steps to the old Town Hall building.

29. To see if the Town will vote to adopt the provisions of games of beano or act in any manner relating thereto.

30. To see if the Town will vote to accept the sums for perpetual care of cemetery lots received since January 1, 1963.

31. To see if the Town will authorize the Selectmen to borrow on the credit of the Town in anticipation of taxes.

32. To see if the Town will authorize the Selectmen to administer or dispose of any Real Estate acquired by the Town through Collectors' deeds.

33. To hear reports of Town Agents or Committees of other officers heretofore chosen or appointed and pass and vote relating thereto.

34. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this eleventh day of February, in the year of our Lord nineteen hundred and sixty-four.

WALTER E. BUCKMINSTER,
ALFRED S. DESPRES,
CHARLES B. KNIGHT,

Selectmen of Marlborough

A true copy of Warrant—Attest:

WALTER E. BUCKMINSTER,
ALFRED S. DESPRES,
CHARLES B. KNIGHT,

Selectmen of Marlborough

FIRE WARDS REPORT

The Marlborough Fire Department answered 12 still alarms, 5 general alarms and 6 mutual aid calls, 4 to Keene and 2 to Chesham.

We received mutual aid assistance on the Lambert barn fire.

The members of the Marlborough Fire Company painted the inside of their new quarters and then moved in in October. The Marlborough Fire Wards feel we now have ample room for housing our equipment. The fire wards and the Marlborough Fire Company wish to thank the people of Marlborough for making these new quarters possible.

In November, the Marlborough Fire Company purchased 24 home monitors with the company funds.

The fire wards wish to thank the Marlborough Fire Company, the citizens of the town, the selectmen and the police officers for their fine co-operation.

The Fire Wards,
 ROBERT O. CAPRON,
 DONALD WILCOX,
 LLOYD FRECHETTE,
 C. B. BEAUREGARD.

REPORT OF RECREATION COMMISSION

During the past summer our usual playground program was supervised by Robin Beauregard. He was assisted by Mrs. Jeanne Croteau. The members of the committee feel fortunate to be able to retain Robin as director and to have had able assistance from Mrs. Croteau.

There was an increase of about twenty per cent in the number of children registered and we feel that the added variety of activities including handicraft is probably responsible. One trip was made each week to the beach at Harrisville for swimming.

We have maintained the athletic field and the equipment there in satisfactory condition. New team benches were built this year. The trees which were set out some years ago for shade are becoming quite large and we look forward to the time when the full program can be operated at the field. The major problem to be overcome is lack of toilet facilities. This will involve a major expense.

A small share of the cost of the Red Cross Swimming Instruction was again borne by the Commission. This was to aid in transportation expense. All agree that this program is very worthwhile and much credit should go to the people responsible for the organizing and supervision.

No adult program was operated during 1963 but it will be resumed in January. This is popular with those participating and we look for an increase in the number.

Your Commission wishes to thank all people who have assisted in any way with the total program of recreation in our community. We especially mention Robin

Beauregard for his work with Little League Baseball even though it is not sponsored by the Commission.

Respectfully submitted,
 OMER M. DUMONT,
 IRVIN H. GORDON,
 CAROL B. HAMILTON,
 RAYMOND J. HUOT,
 FRANK T. ROBINSON,
 Commissioners

1963 MARLBOROUGH SUMMER PLAYGROUND REPORT

The playground was again supervised by Robin Beauregard who was assisted the first week by Mrs. Philip Nelson and by Mrs. Howard Croteau the remaining weeks. Both assistants were very helpful because of their understanding of young children.

The playground was open for six weeks, July 8, through August 16. A total of 98 children registered for the program, an increase of 17 over the previous year.

Tournaments were held in such games as horseshoes, clock-golf, checkers, badminton, and chess. The group went to Harrisville's Sunset Beach once a week for recreational swimming.

The concluding day was the highlight of playground. Games, relays, contests, and a peanut hunt were events conducted in the morning with ice cream being distributed to conclude the day.

ROBIN BEAUREGARD,
 Supervisor

Report submitted by Irvin H. Gordon, Treasurer.

REPORT OF POLICE DEPARTMENT

For the Year of 1963

The yearly report of the Police Department, released by the Chief of Police is as follows:

We investigated 43 accidents, 122 complaints, 4 D. W. I. cases, and checked 57 cars. Nine (9) arrests were made. Several times we worked with the Keene Police Dept. We also worked with the Sheriff on several cases.

There was one woman lost. There were 10 complaints on dogs biting children or barking late at night, which we investigated. We investigated 5 breaks. Juveniles were investigated for stealing gas. We investigated 17 juveniles about a gang war; these were juveniles from Keene and Massachusetts. We also had trouble with some teenagers breaking glass and making noise late at night at the Quarry.

Since we have had our two-way radios installed, we have been able to go to accidents and answer complaints quicker. Due to the radio we were able to save a woman's life by getting her to the hospital that much sooner.

We thank the people of the Town for making it possible for us to have these radios.

I want to thank everyone who helped the Police Dept., search for Mrs. Bessie Whitcomb at the time of her disappearance. We wish to thank the Red Cross for the coffee, cold drinks and lunch which they served during this time.

Respectfully submitted,

ERNEST THOIN,

Chief of Police

ANNUAL REPORT OF THE FROST FREE LIBRARY

To the president and trustees of the Frost Free Library, the librarian submits the following report for the year October 1, 1962 to October 1, 1963.

The library was open 152 days—a total of 608 hours.

The library was open 14 days for Story Time. The program was interrupted due to the installation of toilet facilities. We are indeed grateful to Mrs. Arthur Knight for her untiring interest in the program. A special word of thanks to her faithful assistants Ann Grover, Jane Richards and Marlene Nason, active members of the local Future Teachers of America organization.

Circulation of books, pamphlets and magazines:

Adult Fiction	2358
Adult Non-Fiction	1318
Mag. and Pamphlets	1578
Juvenile Fiction	3926
Juvenile Non-Fiction	820
<hr style="width: 20%; margin-left: auto;"/>	
Total	10,100
	an increase of 793

We have received 103 books from the State Library in answer to 110 special requests.

We have borrowed 1456 books from the Bookmobile which has visited our library five times during the year.

We have loaned 980 books to the school for classroom use.

There were 204 new books purchased this year plus five replacements and twenty-one gift titles. Total books processed—230.

LIBRARY EVENTS FOR THE YEAR:

1. Librarian served on a panel to discuss the State wide Library Development Bill before legislature this term.

2. Set up book exhibits at P.T.A. meetings and at town meeting.

3. Invited kindergarten to visit library in observance of National Book Week.

4. Helped arrange programs of interest for several local groups.

5. Librarian showed bird slides and reviewed several books on the subject to a local church group.

6. Librarian attended five cooperative book buying meetings.

7. Gave instruction at the library to four school classes in how to use the library.

8. Held weekly meetings with a group of elementary school children at the library to select books for classroom use.

9. Attended spring and fall Neighborhood meetings which are arranged by the State Library.

10. Librarian attended hearings for the bill before legislature to speak in favor of the program.

11. Observed National Library Week. The following program was arranged by Mr. Lawrence Conant, local chairman and his committee.

Sunday, April 21—Open House at the library 3:00-6:00
Displays:

New books on reserve.

Paper back books suitable for the home library.

Bookmarks, posters, book-character sketches, puppets, scrap books and the book worm Mrs. Hastings' class made.

Refreshments were served.

Monday—Regular Library Hours 3:00-5:00
6:15-8:15

Tuesday—Story Hour 3:00-4:00

The Girl Scouts narrated and acted out three Fairy Tales with puppets which they had made.

In the evening Marjorie Whalen Smith, president of the Cheshire County Historical Society, and columnist for the Sentinel, spoke on historical places and events in the area. She used a quilt which she had made to illustrate her talk.

After her talk the group present discussed the possibilities of forming a local historical society. Robert Bennett and Oscar Croteau were asked to make arrangements for another meeting at which time more definite plans for the organization could be made.

Wednesday—Regular library hours 3:00-5:00
6:15-8:15

The Bookmobile was on display from 12:30 until 3:00 p.m. in the downtown section of town. This was a big success. More than 100 books were borrowed by interested spectators and patrons of the library. Miss Alice Carter, Bookmobile librarian was on hand to talk about the bookmobile service.

Saturday—Regular Library hours 1:00-5:00

As a result of the committees' interest in our library we are able to offer several new services:

1. Household hint file.
2. Girl Scouts will take books to shut-ins or to any person who finds it difficult to come to the library. We call it BOOK HOP SERVICE. Just call us for this service.
3. Cards informing newcomers in our town the library hours. These to be sent by the trustees.
12. We sponsored a summer reading program. There were 20 participants. Certificates were awarded to children who had read 10 or more books. Eleven children received certificates at a party given in their honor.
13. Instructed girl scout, Cynthia Clark, in library techniques in order that she might earn a Library Aid Badge. I was honored to have the privilege of presenting this badge to her at the Awards Meeting this fall.
14. Attended the Trustees Association meeting as a guest of Mrs. Ralph Williams. This was a very interesting meeting on the subject of student use of the public library. I was real thrilled to learn that Mrs. Williams is serving on the association's executive board this year.
15. Invited teachers to a coffee hour so that we might extend our services and find out their needs for the year. This proves to be most helpful for both parties.

This has been a busy year for our library. We have mixed feelings with a change of trustees as well as library staff. We have had numerous social gatherings. Coffee hour with Mr. Emil Allen Jr., Assistant State Librarian, who met with the trustees in March to inform them of the duties of a trustee, explain how Friends of the Library could help our library and also the function of the State Trustees Assoc. Mr. Allen suggested that we talk to Mrs. George Wallace of Fitchburg who had been instrumental in organizing a fund raising campaign to build their Youth Library.

Mrs. Williams arranged to have Mrs. Wallace for luncheon and invited former trustees, Ruth Hemenway, and Mabelle Page, Mrs. Howard Croteau, Mrs. Robert Clark, who is Mrs. Wallace's sister and a trustee for the Keene library. Many library ideas were exchanged and problems were discussed. We found Mrs. Wallace a most energetic and inspiring person. Time ran short and she made us promise to visit her real soon so that we might continue our conversation and also visit the Fitchburg Youth Library. This was a delightful experience and after visiting the library and talking at length with Mrs. Wallace, we were so inspired that we were convinced our dreams might some day become a reality. We treasure our friendship with Mrs. Wallace.

In June, we took part in the party to honor Mrs. Mabelle Page, who had served 45 years for our library. The book truck the citizens of Marlborough gave to the library in honor of her service is symbolic of Mabelle's untiring interest in our library and willingness to be of service. This piece of equipment saves the librarian many steps and also serves as a beautiful display book rack. We will no doubt call on Mrs. Page to help us in making important decisions as to the future of our library. I speak for the staff when I say we feel fortunate to have her still with us as an honorary trustee.

September brought to a close another chapter in our library story. We found ourselves faced with the loss of a most dedicated and devoted library assistant. Mrs. Ona Lane's family found it necessary to move from town much to their regret as well as ours. We deeply appreciate Mrs. Lane's interest as well as her generous gifts of books. She will be long remembered.

It was our good fortune to replace Mrs. Lane with Mrs. Robert Bennett. Mrs. Bennett has worked as my assistant before and since has been doing the behind the scenes work, secretary of the board and second assistant.

It is a pleasure to work with her.

At this time, I would like to take this opportunity to thank all who have helped make this a successful year for our library. We welcome your suggestions as we are happy to be of service.

My closing thoughts are from WORDS AND POETRY.

Perhaps of all creations of man, language is the most astonishing.

Respectfully submitted,
CORINNE F. NASH,

Librarian

MARLBOROUGH COMMUNITY NURSING ASSOCIATION

Annual Report of the Town and School Nurse Year of 1963

From Jan. 1st through Dec. 31st a total was made of 535 calls. Of these 136 were at \$1.00; 16 were at \$1.75. (Keene Doctors or Clinics), 379 were at 50c, 1 was an overnight call and 3 were free calls. A total of \$466.75 was collected, leaving a total of \$89.00 uncollected.

At school all physicals with the school doctor have been completed. Defects found as listed below:

Cavaties in teeth	47	Heart murmurs—	
Tonsils enlarged	4	innocent	38
Enlarged neck glands	8	severe	2
Excess of wax—ears	11	Poor posture	6
Inflamed gums	5	Deviated Septum	5
Dermatitis of ear canal	1	Rapid heart beat	5
		Athletes' foot	1

198 pupils have been weighed, measured and have had hearing and vision tests. 7 were found to have uncorrected vision defects, 2 of which have since been corrected. 11 pupils have some hearing difficulty, 4 have a definite hearing loss in one or both ears.

124 pupils were inspected for head lice and two were treated in their homes and corrected.

It is hoped that before the end of the school year, a yearly T.B. testing program will be set up in our school. As recommended by the State T.B. Association and the Public Health Department, the children in the 1st, 4th, 8th, and 12th grades will be tested every year; in this way each child will be tested several times during his school life. I hope for your cooperation in this program. T.B. still is a menace and a killer.

In summary — this has been another quiet year in the district but it seems to be an ever growing problem at school, with more children and more tests each year.

I thank you for your cooperation this past year.

Respectfully submitted,

MARGARET A. FORD,

Town and School Nurse

PHILIP M. CLARK,

January 9, 1964

Treasurer

REPORT OF PLANNING BOARD

The past year has been primarily devoted to details relating to the Municipal Building and its dedication. This was in association with the Special Building Committee.

Projects now under consideration are the investigation of certain Town properties for possible development as recreational sites, a study of existing ordinances for updating to meet present and future needs of the community, and continuation of the project started by the Monadnock Lions Club in providing street signs for the Town so all streets and roads will be named and marked.

The Planning Board has recommended that a Building Inspector be appointed to aid in carrying out relating articles in the Ordinances of the Town. The Board is now a member of the State Planning and Zoning Association.

Respectfully submitted,

Geraldine S. Sawyer,

Chairman

SCHOOL WARRANT

To the inhabitants of the school district in the town of Marlborough qualified to vote in district affairs:

You are hereby notified to meet at the High School in said district on the 7th day of March, 1964, at 3 P.M. in the afternoon to bring in your votes for the election of the following officials:

1. A moderator for the coming year.

A clerk for the ensuing year.

A member of the school board for the ensuing two years.

A member of the school board for the ensuing three years.

A treasurer for the ensuing year.

An auditor for the ensuing year.

You are hereby further notified to meet at the High School in said district on March 7, 1964, at 8 P.M. to act upon the following subjects: (Polls will open not later than 3 P.M. nor close earlier than 9 P.M.)

2. To determine and appoint the salaries of school board members and the truant officer, and to fix the compensation of any other officer or agents of the district.

3. To hear the reports of agents, auditors, com-

mittees or officers chosen, and to pass any vote relating thereto.

4. To choose agents, auditors and committees in relation to any subject embraced in this warrant.

5. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers, auditors and agents, for the payment of statutory obligations of the district, and to authorize the application against said appropriation of any sums as are estimated to be received from the state equalization fund, together with other income, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

6. To see what sum of money the District will raise and appropriate for the purpose of erecting an addition to the present high school building, for both elementary and high school use, and for reconstructing or altering the present high school building for the same purposes, and for the further purpose of furnishing the same with equipment of a lasting character; and in order to provide funds for such purposes, to authorize the School Board to issue and sell notes or bonds in the name of and on the credit of the District under and in accordance with the provisions of the Municipal Finance Act and any amendments thereto; and to delegate to the School Board authority to fix the date, maturities, denominations, the interest rate, or discount rate in the case of notes, and to provide for the sale thereof, and to take such other action in respect thereto as may be necessary or advisable, all in accordance with the laws of the State of New Hampshire.

7. To see if the District will authorize the School Board to execute any and all contracts or agreements necessary or advisable in connection with the construction of an addition to the present high school building, and for reconstructing or altering the present high school building and in connection with furnishing the same with equipment of a lasting character, or take any action thereon.

8. To see what sum of money the District will raise and appropriate for the purpose of paying the principal and interest during the 1964-65 fiscal year of the District on notes or bonds issued for the purpose of providing funds to construct an addition to the present high school building, and to reconstruct or alter such present high school building, and to furnish the same with equipment of a lasting character, or take any action thereon.

9. To see if the District will vote to elect to have its employees become eligible to participate in the State Employees' Retirement System.

10. If the District votes in the affirmative on the preceding article, to see if the District will vote to raise and appropriate the sum of one hundred sixty-eight dollars (\$168.00) for the purpose of providing funds for the district's contribution to said retirement system for the 1964-65 fiscal year.

11. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

12. To transact any other business which may legally come before this meeting.

Given under our hands at said Marlborough on the
14th day of February, 1964.

REPORT OF PRINCIPAL OF MARLBOROUGH SCHOOLS

To Roger L. Sundstrom, Superintendent of Schools:

On the following pages I am making my annual report on the administration of the elementary school and the junior-senior high school. I shall attempt to give pertinent information on the various phases of our program and describe the status of our schools as I see it. I am assuming that you may wish to publish this report in whole or in part in the town report. In this report I shall cover activity of the past twelve months rather than to attempt to follow the fiscal year.

Comparative September Enrollments

	September 1963			September 1962			Change
	Boys	Girls	Total	Boys	Girls	Total	
Grade 12	8	18	26	15	6	21	+ 5
" 11	23	16	39	12	18	30	+ 9
" 10	17	20	37	27	15	42	— 5
" 9	15	12	27	16	18	34	— 7
	—	—	—	—	—	—	
Sr. H. S. Totals	63	66	129	70	57	127	+ 2
Grade 8	19	17	36	13	15	28	+ 8
" 7	14	14	28	21	17	38	—10
	—	—	—	—	—	—	
Jr. H. S. Totals	33	31	64	34	32	66	— 2
Grade 6	12	17	29	16	8	24	+ 5
" 5	16	18	34	13	20	33	+ 1
" 4	16	22	38	16	18	34	+ 4
" 3	22	15	37	14	20	34	+ 3
" 2	21	17	38	23	13	36	+ 2
" 1	16	15	31	23	17	40	— 9
	—	—	—	—	—	—	
Elem. Totals	103	104	207	105	96	201	+ 6
Grand Totals	199	201	400	209	185	394	+ 6

These figures show some stability at present but point out approaching problems as the present elementary enrollment moves to junior high level. Census figures indicate that the first grade will approach forty again in September.

Personnel

It is customary to print a complete directory elsewhere and I am assuming that you will do that this year, but I shall make mention here of the personnel changes since my last report. In the elementary school there were three. Mrs. Lovering asked to be released from her contract to enable her to study at Boston University and Mrs. Amelia Churchill who had recently completed requirements for her degree in education at Keene State College was hired to teach grade three. Mrs. Gemmell accepted a position nearer home and Mrs. Laura Atema, a teacher with several years of successful experience succeeded her in grade four. James Enderson was released from his contract because he could obtain an elementary principalship and Mrs. Leslie was assigned to grade six. Her position as fifth grade teacher was filled by employing Mrs. Elaine Webber. She had three years of successful experience. All of these teachers are doing creditable work.

There also have been some changes in the staff of grades seven through twelve. Mrs. Richards asked for her release in the summer because she had an opportunity to obtain a position as department head in a nearby school and Mrs. Betty DiGiulio, a 1960 graduate of Keene State College with three years experience in Massachusetts schools replaced her. In December Mrs. Malm requested her release as Home Economics teacher as her husband was to be employed in a neighboring state. The release was granted and Mrs. Margery Moore was elected to the position. Mrs. Moore is a recent graduate of Keene State College. Mr. Zax left in June to accept a position in Claremont and Michael Kerylow who completed his work at Keene State College in 1963 succeeded him as teacher of Mathematics and Physics. Mr. Nash became

school Librarian and guidance director at the beginning of school in September. This is a new position created because of changes in the minimum standards. Ernest Levesque who had had several years of industrial experience and had been teaching in Brattleboro took over the practical arts program of Mr. Nash. Mrs. Wilson, elementary music supervisor, is now directing some of the music program previously assigned to Mr. Nash.

Mrs. Lane, office secretary for four years, resigned in April and Mrs. Helen Jewett completed the school year in that position. In September Mrs. Betty Pritchard succeeded Mrs. Jewett who left to do substitute teaching. Much credit is due these people who handle a multitude of details in record keeping, correspondence and other paper work. The amount of this work that has to be done requires many hours time.

There were no changes involving custodial help, lunch workers and health staff. Dr. Paul and Mrs. Ford gave physical examinations in the fall and Mrs. Ford is continuing testing eyes and ears.

Speaking realistically, we have a staff of teachers and other workers of whom we may well be proud. This group has real interest in the boys and girls and does many things for them in addition to discharging academic responsibilities. The staff gives many evenings and much other out-of-school time in promoting many forms of extra-curricular activity.

Program and Curriculum—Grades 7-12

Our program of studies has been gradually expanded so that in fifteen years we have changed from a six teacher high school to one having a staff of fourteen. This increase has been brought about by a desire to expand the offerings to our young people to enable them to meet better the challenges of today's world both academic and otherwise. This trend is universal and is but a recognition of adult responsibility. In order to assure the fulfillment of this on a state wide basis, a set

of minimum standards has been developed by which high schools are rated. As these standards have been developed and made more rigid we have planned additions to our program so that it would exceed them. September saw another revision of these standards and when we were checked last spring our only major requirement was to provide for a trained teacher librarian and a part-time guidance counselor. This had been anticipated and a staff member had been qualified to cover these two areas. Currently we are an approved comprehensive high school as defined by the State Department of Education and we hold membership in the New England Association of Colleges and Secondary Schools.

Education on all levels is experiencing many changes and often these come rapidly. This makes it mandatory that in one way or another we keep pace with the times and provide well for our high school youth. College bound students must know more than ever before and must have been exposed to many concepts which were unheard of even a decade ago. Non-college bound students likewise must be provided with greater opportunity to explore and view some of the phases of the world which they are about to enter. It is probably unfair, however, to demand that they receive a terminal education so that no further training beyond high school is required. This is probably too great a burden to place on the high school.

The Elementary School

We are at the point where space is lacking to make it possible to properly distribute the pupils. Right at this moment we need an area where another teaching situation can be set up. We have grades that are larger than desirable and we should reduce them by employment of another teacher but no space is available. Grades four and five should be split in some manner to reduce the size of the groups under the control of one teacher. If census figure predictions are correct, grade one in September will again approach forty pupils .

The Joplin reading plan is being continued in grades four, five and six with good results. Grouping in arithmetic is done but is on a less rigid basis. At present we are making plans to institute the teaching of Modern Math in the lower grades. There are several programs available in this field and the choice needs to be made cautiously as there are wide differences of opinion among educators as to the relative merits of each. Progress is being made in training the teachers to be able to present this material effectively. We hear a great deal about Modern Math and we must face the fact that it is here to stay and we must put it into our program. However, at present only one per cent of the students of the country are being taught this material so it seems that we can afford to wait a bit and make the right choice.

Mrs. Wilson is working very hard with good results in elementary music. Her efforts are particularly gratifying with the instrumental groups which now include approximately forty pupils. Some new instruments have been purchased by the school and we should plan to acquire more of the less common ones as this program grows.

Several of the groups have taken field trips to points of interest in the area and to industrial plants. All of these are coordinated with units of work being studied. Grade six attended a week of Outdoor Education at Camp Union in Greenfield in April and plans are being made for the present sixth grade to go later this year.

Achievement test results show our pupils performing well above the norms upon which the tests are standardized.

The Athletic Program

Our athletic teams for the past several years have been a credit to our school and to the men who have coached them. They have performed well in all competition and have displayed fine sportsmanship. Soon after my last report the boys' basketball team went as far as the semi-finals in the state tournament and was

defeated by the team which went on to win the championship. In baseball last spring, the team won its third consecutive state title. Last fall's soccer team won the league championship and went into tourney play where it was eliminated in the quarter-finals. Currently the basketball team is battling for a spot in the coming play-offs. Graduation took its toll of tall boys and this year's team has been at a height disadvantage in nearly every game.

A new philosophy has gained strength in the field of girls' sport. The influence of the Women's National Committee on Athletics is being felt all the way down the line and the result is de-emphasis on girls' athletics as a spectator sport. In this area we have found it to be the same. We have heard considerable criticism and we have been confronted directly by parents who are disturbed because our girls' basketball team no longer plays the preliminary game. This is something which cannot be helped even if we wished to act in opposition to what is currently termed sound educational philosophy. The schools with whom we compete just will not schedule girls' games as part of the evening program.

In the past two years a fairly broad program of intra-mural sports has been developed here in which informal teams compete in a league within our school. This gives all interested students a chance to be a team member. Much credit is due our coach who directs this program. Further expansion of this set-up is planned to include other sports activities and still more groups.

Social Program

The facilities of the high school building gets a great deal of use by the young people of the school and community as classes and other organizations assisted by staff members sponsor frequent record hops or similar functions. In addition to these, there are three or four major events such as the Junior Prom. The trend in many places is to reduce the number of such affairs because of problems arising from misconduct of patrons. For the most part our youth are cooperative and there

has been a minimum of unpleasant episodes. Students who come to the events are expected to stay for the evening and if they leave they are not allowed to return.

Class of 1963

A fine group of nineteen students received diplomas at graduation exercises in June. The scholastic status of this class was especially high and may not be duplicated for some years. Thirteen members are enrolled in higher education — ten at four year colleges and three in two year programs. Four are employed in area industry and two are serving in the armed forces.

Members of the group who went to school fared very well in scholarship awards as up to the time of graduation they had been allotted in excess of sixteen thousand dollars. Part of this came from the newly organized Dollars For Scholars Foundation in the greater Keene area. The above amount was increased somewhat recently by the distribution of the local scholarship funds.

The Future ???

Last year I commented on the need for more space in order to have our high school program function more smoothly. The present somewhat crowded conditions in the elementary school also make the need for added space imperative. The school board and members of the special school study committee have worked long and diligently in planning for a solution to our space problems. Early study of the problem called for a look at the present needs and upon request I submitted the following list to the committee:

1. Study Hall — A room large enough to seat a minimum of 50-60 pupils where they may study during free periods and will not be seated in areas where classes are being conducted.

2. Laboratory for Biology and General Science — We have our present laboratory facilities very much over-taxed. Classes are scheduled there every period in the

week. There is no time for teachers to assemble and dismantle experimental equipment.

3. More Library Space — We need much more floor area.

4. Guidance Area — Space for counselor to talk to pupils and for storage of records and display of educational material.

5. New Shop — This will be needed if we use present area for library, study hall, corridor, etc. (Minimum size — 3,000 sq. ft.)

6. Health Room — At present there is no health facility in this building.

7. Language room — Space for language classes — equipped either as a regular language lab or to be equipped with mobile language teaching facilities.

8. New Commercial Room if present area is incorporated into new Laboratory.

9. Math Room — We need an area that can be used exclusively as a classroom for this subject and where teaching aids, etc. can all be kept together.

10. Art Room — This space could be near shop and be used for Mechanical Drawing classes as well.

11. Music Room — Present facilities in auditorium are poor — no place for storage of instruments, equipment, music, etc.

12. Provision for lockers for pupil use. Should be individual lockers sufficient in number for all pupils.

13. Space for physical education teacher and coach — office — storage room for records, uniforms, supplies, equipment, etc.

14. Space for school supplies and books — We are in need of a great deal more storage space than is presently available.

These items became a part of the over-all planning and have been incorporated into the proposals being submitted by the architects who have prepared the plans for the addition and alterations which will be presented to the voters at the annual district meeting in March.

The citizens of Marlborough have a decision to make. Some change in the physical facilities have to be made very soon if we are to continue to operate our present educational program. There are, of course, alternatives to the proposal being submitted. It is my hope that the problem will be carefully weighed and that the final decision will be one that will not be disturbing to the educational climate of the boys and girls of Marlborough. Whether they are being educated here or elsewhere they need to be involved in a program that is free of turmoil. Any educational atmosphere that makes it difficult for children to be satisfied with their environment is bound to have an unfavorable effect on their progress and is not fair to them as students. In my opinion the decision, whatever it is, should be based upon such factors as soundness of the program, comparative costs of any proposed plans, and the outlook for being able to meet future needs satisfactorily rather than upon personal feelings and reasons involving personalities. The decision of each voter should be a conscientious one.

Conclusion

In closing this report I wish to express my thanks to the very many people who have cooperated to make the past year a reasonably pleasant and successful one. As we look to the uncertainties of the future, it is with the sincere hope and confidence that whatever decisions are made will be the right ones and that all involved will benefit as a result of the decisions.

Respectfully submitted,

IRVIN H. GORDON,

Principal

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and the Citizens of Marlborough:

I hereby submit my second annual report.

At the center of the school is a learning child with his teacher. A school system is measured by what happens here, at its heart. Every provision of budget, of space, of materials, and of staff is justified by its contribution to teaching and learning. There are many forces and factors that affect teaching and learning and they inescapably require new services and resources.

In an age of changing and expanding demands on our schools, the citizens of Marlborough want, even demand, support for the challenging task of giving our children the kind of educational opportunities adequate for the times. How this can best be accomplished for Marlborough has been debated many times. In the final analysis, the edict must come from the people. It then becomes the responsibility of the Marlborough School Board and the administration to provide the best kind of learning opportunities and instructional capabilities within the available resources.

Marlborough is faced with a space problem which, if not solved, will seriously affect the quality of the educational program. This comes as no surprise, I am sure, for the problem has been identified before. However, the time for action is at hand. The Marlborough School Board and the School Planning Committee have conscientiously studied the alternatives and will make their recommendations to the citizens of Marlborough. Though the question involved has economic implications, the basic issue, will be the kind of education which will be offered to the youth of Marlborough.

As the need for additional facilities becomes greater, the answer to the question of rising costs of education is more urgently sought. Constant efforts are being made to determine sources of savings, to promote more efficiency in organization, to find other sources of revenue. It is important for each citizen to carefully examine all aspects and to attempt to distinguish between true and false economies.

Providing needed school facilities is just one of many factors vital to our ultimate goal of better education. Each of us can contribute to better schools in many ways; by attending school functions, exercising our right to vote on school issues, sponsoring scholarships, encouraging students and upgrading the teaching profession. We must remember that the sole purpose of a school building is the education of the student.

In conclusion, I wish to express my appreciation to the principal and teachers, pupils and parents, the School Planning Committee and the School Board, and all the patrons of our schools for their understanding and cooperation.

ROGER L. SUNDSTROM,
Superintendent of Schools

January 14, 1964
Winchester, N.H.

**MINUTES OF THE ANNUAL SCHOOL MEETING
OF THE MARLBOROUGH SCHOOL DISTRICT
HELD MARCH 7, 1963**

Meeting called to order at 3:00 P.M., March 7, 1963 by Moderator Ralph A. Pierce and warrant read. The election officials were qualified. The moderator declared the meeting open under Article 1 calling for the election of a moderator, a clerk, a member of the School Board for three years, a treasurer, and an auditor under the Non-partisan ballot system.

The meeting was further called to order at 8:00 P.M. by the moderator to act upon the following subjects. The moderator declared the meeting open for action on Articles 2 through 7 inclusive.

Article 2. Voted favorably on the motion of Alphonse A. Despres that we take up Article 2 with the budget.

Article 3. Voted favorably on the motion of Alphonse A. Despres that we accept the reports of agents, auditors, committees or officers chosen, as printed in the annual town report.

Article 4. Voted favorably on the motion of Wallace B. Oliver that we refer Article 4 back to Article 1.

Article 5. Voted favorably on the motion of Alphonse A. Despres that the School District raise and appropriate \$178,952.57 for the support of schools, for the salaries of school district officers, auditors and agents, for the payment of statutory obligations of the district, and to authorize the application against said appropriation of any sums as are estimated to be received from the state foundation aid fund, together with other income, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 6. Voted favorably on the motion of Alphonse A. Despres that the district authorize the school board to make application for and to accept, on behalf of the district, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

Article 7. No further business appearing under this article at 8:25 P.M., the moderator declared that the meeting would return to Article 1 to await the closing of the polls at 9:00 P.M.

The polls were declared closed at 9:00 P.M. by the moderator, the ballots were examined and counted and the votes for the various candidates were tallied by the moderator, in the presence of the district clerk and other election officers. When the counting was completed, the results of the count was declared and publicly announced by the moderator as follows:

Total number of votes cast	58	
For Moderator		
Ralph A. Pierce received	58	elected
For District Clerk		
Oliver F. Derby received	58	elected
For School Board Member (three years)		
Willis B. Pritchard received	55	elected
For District Treasurer		
Oliver F. Derby received	58	elected
For Auditor		
Rachel Ohman received	22	elected
Scattering	6	

All officers elected and present were qualified.

The meeting adjourned at 9:15 P.M.

Attest: OLIVER F. DERBY,
District Clerk

NOTES

- a. \$301.82 was added to the Ray E. Tarbox Memorial Trust Fund by the Marlboro Development Committee, Elizabeth H. Thomas, Treasurer, to make the principal total \$2,401.82. This \$301.82 was deposited in the Cheshire County Savings Bank.
- b. The CHARLES E. CARLTON AGED CITIZENS' FUND in the amount of \$3,000.00 was created July 25, 1963 under Clause 33 of his will by Howard E. Lane, Attorney; the income to be used for aged citizens of Marlboro, N. H. This principal was deposited in the Peterborough Savings Bank
- c. \$953.66 in additions or new Cemetery Funds were received during the year as follows:
- \$200.00 FRED D. HEMENWAY CEMETERY FUND: Created by the Selectmen on 12/31/62 but received by the Trustees in the 1963 year, from the sale of part of White land; one half of income to be used for care and improvement of Estey Cemetery and the other half for care and improvement of Graniteville Cemetery.
 - \$150.00 ALDEN L. HOLT & HARRY W. BEMIS CEMETERY FUND: Created June 3, 1963 by Alden L. Holt and Harry W. Bemis; the income to be used only for the perpetual care of lot #63 in Pine Grove Cemetery.
 - \$150.00 HERBERT WISWALL & TRESSIE WISWALL CEMETERY FUND: Created July 25, 1963 by Edith Wiswall Blombach, daughter; the income to be used only for the perpetual care of 1/2 lot #153 in Pine Grove Extension Cemetery.
 - \$300.00 KOSKI-KANTO CEMETERY FUND: Created July 25, 1963; the income to be used only for the perpetual care of cemetery lot #186.
 - \$150.00 CHARLES B. KNIGHT & ARTHUR H. KNIGHT CEMETERY FUND: Created July 25, 1963 by Charles B. Knight; the income to be used only for the perpetual care of lot #77 in Pine Grove Extension Cemetery.
 - \$3.66 Principal addition to BERTHA I. and FRED D. HEMENWAY CEMETERY FUND (Part) received from net proceeds of sale of 21 rights PENNICHUCK WATER WORKS.
-
- \$953.66 Total deposited in the Peterborough Savings Bank.
- c. During the year, the Trustees paid \$25,877.70 principal plus \$1,410.60 accumulated interest or a total of \$27,288.30 to the Town of Marlboro, N. H. This represented the principal and interest on the TOWN BUILDING FUND. The money was used toward payment for the new Town Municipal Building and Fire Station.

Respectfully submitted,

TRUSTEES OF TRUST FUNDS,
TOWN OF MARLBORO, N. H.
Roland A. Whitney,
Clifford E. Richardson, Sr.
Charles B. Knight

AUDITOR'S REPORT

This is to certify that I have examined the accounts of the Trustees of Trust Funds of the Town of Marlboro and find them correct and properly vouched to the best of my knowledge and belief.

RACHEL OHMAN, Auditor.

I certify the within deaths to be correct to the best of my knowledge and belief.

OSCAR F. CROTEAU,
Town Clerk.

Report of the Forest Fire Warden and Your District Chief

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and relinquishing of personal rights for the common good. It was the greatest demonstration of public co-operation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Lets all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

NUMBER OF FIRES AND BURNED AREA IN 1963
