REPORT OF THE NEW LONDON PLANNING BOARD 1955-56

The Planning Board of New London has held regular meetings during 1955-56.

At the first meeting, Mr. A. T. Kirk was elected to succeed Mr. James E. Shepard as chairman of the Board. Other members include Laurids Lauridsen, Percy Thurston, James E. Shepard, Mary C. Barrett, secretary and Ira Littlefield, honorary member. Street signs were placed last year in the following locations: Bunker Road, Elkins Road, Main Street, Burpee Lane, Seamans Road, Newport Road, County Road, Pearl Street, Everett Park, Bog Road and Old Main Street.

The following signs have been ordered but not yet put in place: Crockett's Corner, Page Road, Columbus Avenue, King Hill (at Going's Corner), Shaker St., Seamans Rd. (lower end), Cricenti's Corner (4-way sign—Country Road and Newport Road), and Lakeside Rd.

Members of the Planning Board still hope to have a master plan map and Mr. Ira Littlefield reports that he is making progress on it. In the meantime aerial photographs have been purchased which when pasted together will give us an excellent air view of the town of New London. These will be on display at the Town Hall on Town Meeting Day.

Mr. Wesley Woodward of the New London Sewer Commission met with members of the Planning Board to study and discuss the best possible method of laying out the new sewer line on Burpee Lane so that it might take care of any future building in that area.

Members of the Planning Board met with the Selectmen and representatives of the New London Outing Club to consider the best plan for laying out the town skating rink.

A speaker from the State Planning and Development Commission at an open meeting is on our agenda for the near future.

There currently exists a vacancy on the Board. We anticipate that the selectmen will make an appointment soon.

Respectfully submitted,

MARY C. BARRETT

Secretary

ANNUAL REPORT
TRACY MEMORIAL LIBRARY

Within the library the year of 1955 has been an active and rewarding one. The following figures will give some idea of the great number of people, adult and juvenile, that have been reached by library service.

Adult fiction	6513
Adult non-fiction	1844
Adult magazines	655
Juvenile fiction	4550
Juvenile non-fiction	506
Juvenile magazines	129

During the past year we have had 11,277 visitors to the library. We take pride in our homelike atmosphere and feeling of friendship in all contacts. Everyone entering the library is greeted, and most of them say a friendly farewell when leaving.

We have answered all inter-library loans with promptness, and have frequently borrowed technical books from the Fernald library. The State bookmobile supplements our circulation, on alternate months, which is a real help for extra reading in the children's room.

We have purchased 286 new books, 192 adult, 94 juvenile, and our friends have given 61 more to the library. Our magazine table is well supplied, by subscription and gifts with 52 magazines.

Among our gift books, we would like to mention two memorial books, in memory of Esther Crockett and Earl Lawler. These were given by Mildred Crockett Tunis and Florence Preston Rollins. Mrs. Elizabeth Ripley presented to the library a copy of her new juvenile biography; "Rembrandt." The New Hampshire State Department voted to supply us, free of charge, with "New Hampshire Revised Statutes" in six volumes.

A total of 186 supplementary reading books and material for special readers have been sent to the New London Central school during the year. The summer camps in

LIBRARY REPORT (Continued)

New London, and in neighboring towns, have borrowed books for special projects and reading aloud.

Book reports for the Senior and Junior High schools have been kept on special shelves and marked for their convenience. We have answered 295 requests for special material for source themes and general information.

The auditorium has been available for the Garden and Woman's clubs, while the small committee room has been used for thirty-five meetings during the year.

The record of our new borrowers shows an increase of 153 members this year. Summer guests and out-of-town students have contributed largely to this record.

The New London Service Organization has continued its gifts of military books which include, "No Time for Sergeants," "Death of Hitler's Germany," "Good Shepherd," "Run Silent, Run Deep," "Aleutians, Gilberts and Marshalls," "Struggle for Guadalcanal," "Midway," and "Sea Wolves." These are building up into an excellent reference shelf of World War II books.

In March, during the World Day of Prayer, the librarian arranged as a special feature, at the New London Baptist Church, an exhibit of books, relating to the day.

The attention of the famous author, Haydn S. Pearson, was attracted to our library in May. "It is a genuine pleasure to write about the Tracy Memorial Library in this typical, scenic Granite State town," he wrote in the Boston Herald on June 21, 1955. "The library trustees are progressive in their outlook, and to them goes credit for supporting the work and ideas of the librarians." Generously he referred to our library as one of the most outstanding in the state of New Hampshire.

From June 20-25, the State Institute for librarians was held in New London. Throughout the week, classes and lectures were held in the auditorium, and at the end of the course, eight librarians were awarded their certificates. On the first afternoon the librarians were entertained at a tea at the home of Mrs. Arthur D. Whitcomb, a trustee.

The library buildings received a complete redecoration,

inside and out, in June. The outside was painted a colonial yellow with white trim, and all inside ceilings and woodwork were done in white.

Miss Patricia Messer joined the staff in June, and substituted for the librarians during their vacations. She will also be able to help out during the fall and winter months.

A new shelf-list catalogue with fifteen drawers to hold 19,000 cards was purchased at the cost of \$165.00. This fulfills a long awaited need and adds greatly to the neatness of the office.

In July, thirty-seven children enrolled in the Vacation Reading Club, and at the completion of the course the annual party was held at the library, for all members. Mrs. Lorraine Cadoo gave a talk on native birds, showing pictures and playing records of bird calls. Pictures were taken in the garden, and Mrs. Whitcomb generously provided ice cream and cookies for all. Nineteen children were presented with their diplomas and awards for reading the required thirteen books.

The annual exhibition of the oil paintings of Mrs. Dorothy Dey Howard was held the last two weeks in August, and was well attended by summer guests and library patrons.

A new cement sidewalk was laid in front of the building, and up to the door which is a great improvement.

State Aid to libraries is provided by law in New Hampshire, so when the library wished to stock extra remedial reading material for the use of our teachers and students, we applied for the sum of \$150.00 to buy these books. In October, the money was granted to us, and the lists of books are now on order from the State Library. We hope that with co-operation and interest on our part, perhaps this plan and these books, will kindle in our slower readers a gradual improvement in reading habits and skills, and a continued use of the library.

In observance of the tenth anniversary of the founding of the United Nations, a fine and informative exhibit was presented by the librarians. A replica of the U. N. building was the highlight, with books, pamphlets, and posters on

LIBRARY REPORT (Continued)

display. The charter of the United Nations and the flags of each member country formed the background.

As a feature of Book Week, an unusual treat was offered to the children of New London, Sutton and Springfield. The children's author, Mrs. Gracye Dodge White, spoke to the assembled schools in the auditorium of the High school, telling how she obtained the material for her stories. Mrs. White held the high interest of all the children present. We considered her address one of the most successful programs we have ever attempted for Book Week observance. The usual display of new adult and juvenile books in the library auditorium was visited by over three hundred persons that week. Also on exhibit was a fine button collection, loaned by Mrs. Benjamin Coburn of Sutton. These filled the glass show cases.

Our Story Hour on Saturdays from two to four p. m. continues to be popular, especially among the pre-school children. Four hundred and twenty-two youngsters have been entertained and instructed in handicraft during the past year.

Again, the white snow and cold weather herald the return of the Christmas season, and the spirit of willing service reigns at the Tracy Memorial Library.

Librarian

Mrs. Mildred Howard, Wilmot Flat

Ex Officio:

Mrs. Harriet Kidder, President Hospital Aid

Mrs. Bradley Dewey

Miss Lillian Ward, Andover

Mr. Charles Hemenway was appointed to serve as Treasurer upon the resignation of Mr. Ernest Towne.

Appropriations were voted at Town Meetings as follows:

New London	\$5,000
Sutton	400
Wilmot	300
Bradford	200
Andover	150
Newbury	300
Springfield	200
Sunapee	200

The two most important items of business during our meetings have been the planning for our new Hospital and the appointment of the new Administrator, Miss Austin, who has taken Miss McLeod's place.

When it was ascertained that for a sum of about \$40,000 more than the amount which had been raised for an addition to the present Hospital, a new Hospital could be built, it was voted to go ahead and raise the amount needed for a completely new Hospital on a new site. A Special Committee, (Mrs. Bradley Dewey, Mr. James Cleveland, and Dr. William Clough, Jr.) was appointed to raise the additional funds needed. Mr. Harold Allen of New York very generously offered 25 acres of land and \$2,500 (this to be used for cost of development of the sewerage system for the new Hospital). When Mr. Allen was informed that his very kind offer had been accepted, he increased his check to \$3,500 and the amount of land to about 49 acres. We were very fortunate to receive a grant of \$10,000 from the Ford Foundation and \$15,000 from Harriet M. Spaulding Charitable Trust Fund, through the efforts of Mr. James Cleveland. A Star sailboat, which was given by Mr. Capper of Sunapee to the Hospital to be sold and the money used for the Building Fund, was sold for \$500, and the Hospital is most appreciative of this generous gift. On Dec. 31, 1955 the total cash gifts and pledges for the Hospital Building Fund were \$304,957.67.

We wish to express our very deepest appreciation to everyone who has worked so hard to bring this about—the Officers and Directors of the Board, who have given unstintingly of their time, Mrs. Bradley Dewey and her Summer Residents' Committee and also the Special Committee of Mrs. Dewey, Mr. Cleveland and Dr. Clough, who worked so arduously and faithfully to raise the additional funds needed, Mr. Harry B. Harris and his Building Committee, who have spent innumerable hours planning and working with the architect and the Hill-Burton Committee, Mrs. Rachel Sargent, who has so faithfully kept the records, and all others who have had a part in the planning of our new Hospital. It is hoped that the building may be started by July 1, 1956.

In appointing Miss Austin as Administrator of the Hospital it is hoped that many necessary changes and improve-

HOSPITAL BOARD REPORT (Continued)

ments can be made, so that our Hospital can be operated efficiently and economically. These changes require time and it is urged that everyone cooperate as far as possible with Miss Austin.

It was decided that it was unwise to continue the expense of running the Nurses' Home and the Finance Committee has put it on the market for sale.

The Woman's Club gave their annual contribution of \$50.00, which was used for improvements in the Maternity Ward. The Hospital Aid gave \$500.00 to buy linen for the Hospital. As in other years they have taken care of the mending throughout the year at their monthly meetings and have also worked on articles to be sold on Hospital Day. The Summer Residents' Committee has purchased much needed instruments for the Hospital. We are most grateful for all of this.

The residue of one third of the estate of Mrs. Minnie L. Cressy of Sutton, which was left to the Hospital, to the amount of \$6.000 was put in the Endowment Fund.

Miss Jean Thurman, our very efficient record librarian, has resigned to accept a position at Colby Junior College and her place has been taken by Mrs. Geraldine Maidana.

The total number of In-patient days at the Hospital was 5,770, a gain of 465 over the 1954 figure. The total number of Out-patients (all services) was 3,424. There were 953 patients treated in the emergency rooms, 179 major operations, and 95 births.

We were fortunate this year in having good weather for our Hospital Day, which was very successful under the leadership of Mr. Carlton Barton. A net sum of \$8,675.20 was realized and the Hospital is very grateful to Mr. Barton and his able committee, also to all the townspeople and the people from the surrounding towns who helped to make this day a big success.

The Hospital also wishes to express its appreciation to all its friends who so kindly gave food, money and time on

Donation Day. Without the help and cooperation of everyone our Hospital could not hope to function.

The annual financial report of the Hospital has not been completed at the time of this report, but anyone desirous of seeing it or having a copy of it may call at the Hospital office after it is completed.

Respectfully Submitted,

HAZEL KIRK,

Secretary

ANNUAL REPORT NEW LONDON HOSPITAL AID ASSOCIATION

The New London Hospital Aid Association held regular monthly meetings from late September, 1954 through June, 1955, with an average attendance of 34 members. Hospital mending was done each month and articles were prepared for the Hospital Day sale.

Money-raising activities included the usual membership drive, rummage sale, donation day, luncheon fund, and rent of pillows at the Barn Playhouse.

The three tables sponsored on Hospital Day—books, jewelry, handmade and miscellaneous articles—netted \$1000 for the hospital.

A glance at the treasurer's report will show that Hospital Aid continues to spend several hundred dollars each year on improvements and redecorating at the hospital and the Nurses' Home.

The pledge of \$2500 toward the Hospital Building Fund was nearly completed during the year.

A new portable sewing machine was purchased for the work committee, and an insurance policy was taken out as protection to cover equipment.

A farewell gift of a nest of tables was presented to Miss MacLeod upon her resignation as superintendent of the hospital.

A new Constitution was adopted at the February meeting.

A resume of the history of Hospital Aid has been written by Mrs. Frank Butler and filed in the records.

Grateful appreciation goes to all who have assisted in the work of the Hospital Aid Association. Special mention should be made of the service rendered by ladies in Andover, Bradford, Georges Mills, and Newbury.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of New London:

I submit herewith my eighth annual report as Superintendent of Schools.

School Plant

The new Elementary Building was placed in full operation with the opening of School in September. Much credit for the supervision of the landscaping and grading is due Mr. Dura P. Crockett, a member of the School Board. An Open House was held for general inspection on Oct. 16, 1955 from 3:00 to 5:00 p. m. Its three classrooms house the following grades:

	No. of Pupils
Grades 1 and 2	26
Grades 2 and 3	27
Grades 3 and 4	30

Two elementary rooms are still housed in the Central School (Grades 5 and 6—31 and Grades 7 and 8—25.)

Music classes and Glee Club rehearsals are held in the Cafetorium in addition to its use for the Hot Lunch Program. This program now operates in two shifts—first handling Grades 1 to 6 at 11:30 a. m. and then Grades 7 to 12 at 12:11 p. m.

With the added facilities of the new building, several changes were made in the Central Building. Of the two rooms vacated by elementary grades, one is now used as a Sewing Laboratory for the Home Economics Dept. and the other is used for general high school classes. The former Nurse's room has been converted into a Teachers' Room. The former School Lunch Kitchen is now used as a Mechanical Drawing room. (Mechanical Drawing benches were constructed and the lighting was improved to make it suitable for this purpose.)

New London now has a school plant of which it can and should be proud. If you have not visited the schools since the construction and renovations were completed, you are invited and urged to do so.

Insurance

With the completion of the Elementary Building, fire insurance was placed on the basis of 80% coverage of an

SUPERINTENDENT'S REPORT (Continued)

Agreed Amount. This has been set at \$55,000, with an additional \$5,000, on contents.

The present coverage on the Central School is:

Building	\$87,000
Contents	13,000

Total	\$100,000
-------	-----------

Funds have been requested in the School Board's Budget for 1956-57 to place this building also on an 80% Agreed Amount coverage. If these funds are approved, the coverage on the Central School would be:

Building	\$140,000
Contents	15,000

Total	\$155,000
-------	-----------

Boiler Insurance has been placed on the Elementary Building. (It has been carried on the Central Building for several years.)

A Theft Policy has also been taken out as a protective measure.

Rental Fees

Rental fees have been established as follows:

	Charitable Organizations	Non-Charitable Organizations
Cafetorium		
a. Without Kitchen	\$7.00	
b. With Kitchen	10.00	
Auditorium	10.00	\$15.00
(These fees include janitor service.)		

Teachers

The problem of a shortage of competent, qualified teachers should be a concern of all parents. It would appear that there are some serious weaknesses in the general structure of salaries in the teaching profession. For example—

- the general level is too low—competent people, especially men can earn far more in other fields.
- the rate of advancement is too slow—able people

can move up faster in other occupations in the first five to ten years.

- c. too often promotion is not based on performance—as the best and the mediocre move up the salary scale together.
- d. top salaries are too low—the spread from bottom to top has narrowed—there is little reward for outstanding people.

To attempt to meet this national problem with local adaptations, the following tentative salary maximums have been set up for New London :

No Degree	\$3,800
Bachelor's Degree	\$4,200
Master's Degree	\$4,500

No attempt has been made to establish the rate at which teachers will advance to these maximums. With an outlook of a continued scarcity and a general awareness that good teachers must be rewarded to be retained, it is likely to develop that these maximums may need to be revised in the not-distant future.

Conclusion

I wish to express my appreciation for the cooperation received during the past year from the school staff, together with the loyal support of the School Board, and the continued interest of the other citizens in the welfare of the schools.

Respectfully submitted,

GORDON B. FLINT,

Superintendent of Schools

REPORT OF THE PRINCIPAL TO SUPERINTENDENT GORDON B. FLINT

Dear Mr. Flint :

I submit herewith my report as Principal of New London Central School.

When the doors of the school were opened for the first day of school last September, the high school students found themselves using rooms that they had not been in since they were in the lower elementary grades. Even though the first four grades were moved into the new building last May the two rooms vacated in the main building were not converted into high school class rooms until this fall.

The room formerly occupied by the first and second grades has been made mainly into a home economics room for sewing and discussion groups. This leaves the old home economics room for foods and nutrition classes. The room formerly used by the third and fourth grades has been made into a high school home room and classroom. The addition of these two rooms has alleviated a very crowded condition in the high school program.

The shop program benefited also this fall by the acquisition of the room formerly used for a kitchen. Mechanical Drawing was added as a part of our shop program and this room has been converted into a drawing room.

The whole school program has been improved by having the new building. The first four grades are now in three rooms instead of in two as they were in the past, which makes it possible to group the pupils better. The cafetorium not only serves as a cafeteria, but it is used for part of the music program and also for some of the other school activities. The new health room is better equipped to meet the needs of our health program.

The daily time table was changed in the fall due to the two servings necessary in the lunch program. This change made it possible to close in the afternoon at 2:45 instead of at 3:00 even though the length of the actual school day in the high school was increased by about ten minutes. The earlier closing has helped in setting up the

gym schedule for basketball practices and will help even more during the baseball season.

The activities carried on by the students and teachers still remain one of the most important phases of our educational program. Each teacher is in charge of several activities and each student is given the opportunity to participate in several activities of his choice. The students are encouraged to participate in the activities because we feel they are important in preparing him for his future although time is often a limiting factor for a student. Space does not permit a detailed review of all of the activities, but in brief they have followed the same pattern as last year.

The band under the direction of Mr. Herwood C. Curtiss and the glee club directed by Mrs. Alberta C. Fisher and assisted by Mrs. Alice P. Harris had their usual busy year. Jerome Allyn, James Squires, Gay Ellen Rich, Beverly Simonds and Jane Livingston represented the glee club at the All State Music Festival. The band was represented by Nancy Rowe and Terry Rudner.

Mr. Reginald Leighton coached the seniors in the annual senior play, **The Girl Next Door**, which was presented November 4. In addition each of the lower high school classes presented one-act plays last spring. Mr. Leighton also coached the students, who entered the N. H. State Speech Tournament and those who took part in the Heidelberg Prize Speaking Contest last March. The winners of the Prize Speaking Contest were:

Serious Declamation

1. Jerome Allyn
2. Norma Merrill

Humorous Declamation

1. Jacqueline Kezar
2. Dennis Allyn
3. Judy Blanchette

Mrs. Herwood C. Curtiss supervised the varsity and junior varsity cheerleaders.

Miss Jacquelyn Elliott coached the girls' basketball team last year and this year she is in charge of the high

PRINCIPAL'S REPORT (Continued)

school ski program, which will be run similar to the elementary program.

Mr. Floyd Bailey, who has coached the baseball team since he has been here has added girls' basketball to his activities. Last spring the baseball team won the Granite League Championship and entered the New Hampshire Interscholastic Baseball Tournament for Class C schools, but lost their first game to Andover.

Mr. Carl Hill coached the boys' varsity basketball team and they were invited to the Keene Teachers' College Invitation Tournament. They lost in the final game, but came home second best. This year he has the junior varsity basketball team also.

The elementary ski program was so successful last year that it has been carried on again this year. About two-thirds of the elementary pupils take part in the program under the supervision of instructors from the New London Outing Club.

Mrs. Henrietta Ridell, Mrs. Mary Wright and Mrs. Alice Harris conducted dancing classes last year and again this year for the children in grades 5-8.

Those of us connected with the many activities know that none of them would be possible without the encouragement and help given to us by the whole community.

Respectfully submitted,

R. J. LIVINGSTON,

Principal

REPORT OF THE HELPING TEACHER

In this second year of rendering a variety of services to the schools in the five districts comprising Supervisory Union No. 43, your Helping Teacher has continued to pursue these broad objectives: (1) to work with all school personnel on matters designed to foster educational growth and development of children; (2) to give helpful assistance to teachers with problems of pupil adjustment, achievement, and promotion, as well as with problems involving teaching methods and techniques; (3) to provide resources and materials which make the teaching of all the children in the classroom more meaningful and effective.

The cooperation, understanding, and confidence placed in me by all educational personnel with whom I come in daily contact have helped to bring the work of a Helping Teacher more clearly into focus. With deep appreciation for this encouragement, the following briefly outlines some of the responsibilities I have been happy to share:

1. The Testing Program—Administering, scoring, and interpreting individual and group tests in achievement and intelligence have helped to determine the educational needs and some measure of mental abilities of pupils.

2. Visiting The Classrooms—Visits are made with an established purpose and make it possible to share the physical, emotional, and educational atmosphere of the classroom. Follow-up conference with teachers, when deemed necessary or desirable, are intended to exchange ideas and to promote instructional improvement.

3. Providing Resources and Materials—Through Newsletters, bulletins, and other memoranda, a variety of teaching aids, notices, announcements, and other pertinent items are called to the attention of teachers.

4. Participation In Meetings—Whether a formal staff meeting, an informal chat with an individual, participa-

REPORT OF HELPING TEACHER (Continued)

tion in PTA discussions or attending other educational conferences, such meetings cover a wide range of topics and are aimed at reviewing principles of teaching, improving instruction, or interpreting the school program.

5. Filmstrip Loan Plan—The preparation and maintenance of a filmstrip library is meeting with increased interest and use; it is aimed at providing enrichment in teaching through use of audio-visual aids.

This work of helping teachers is interesting, varied, and constantly on the alert for new and better ways to help teachers help children. These services are sought by teachers in varying degrees, depending upon experiences, needs, and problems they meet from day to day. The cooperative spirit displayed by all teachers and the mutual interest in the best education for all make the work of the Helping Teacher a purposeful pursuit.

Respectfully submitted,

ALPHONSE J. SOUCY,

Helping Teacher
