Meet the Current SI Interns!

WEDNESDAY, APRIL 05, 2023

As the academic year is slowly nearing the end, we're excited to share more about the work that's taken place with the Sustainability Institute! This semester, our interns have been conducting a variety of exciting projects, from mapping UNH's carbon footprint to developing a campus bike share program. We're grateful for all their hard work and are looking forward to seeing what they'll accomplish in the future!
