**Annual School Board Report**  
**By Karen Cota**

Accreditation, (NEASC); Annual Yearly Progress, (AYP); surplus, revenues, facilities, lawsuits, Monadnock Taxpayers Associations, (MTPA); Surry, MC2, budgets, contracts, early retirement, politics, fighting, having fun yet? Oh and lets not forget the students! It has been just another wonderful year at the School Board.

Our accreditation is on probation status. Most of our schools didn't make AYP, Sullivan is suing the district. The MTPA spurred on that lawsuit by attending the selectman's meeting in Sullivan and encouraging them to sue us. The Budget Committee chair, also a member of the MTPA sued us, he lost. Surry is gone, which just makes all of us pay more, and oh by the way, it doesn't look like Surry will even have their K-5 kids in Surry next year. We saved money in the budget, got more revenues, returned money to the taxpayers and still the tax rates go up. We now have in writing what we thought all along, the Middle/High School is in desperate need of repair and expansion. The final Master Plan for this school is complete, view it on our website, mrsd.org, and click on Facilities Assessment. Just \$37 million dollars ought to do the trick. MC2, the AWARD winning program has to move from Surry, to where? We will find somewhere to put them, but we will have to move around something else. Contracts did get created. Everyone agreed. School Board and Budget Committee all are moving forward now it is up to the voters. Oh, but wait, one school board member, also a member of the MTPA has gone to the attorney general and complained on the wording. He doesn't like it and complaining to the state seems to be what the MTPA does best.

Then there are the students.....They continue to amaze me. Through all of the above they continue to learn, excel, make due, and be respectful even though some adults in the district act like two year olds. Luckily, we don't have any of them in Roxbury. Again I ask the taxpayers of Roxbury to support the warrant articles this year, especially Articles 1, 3, and 4. These articles will fulfill some of our accreditation issues. Maintenance for the district is always ongoing and was scaled back this year to help with the passage of the Budget and contracts.

The next step on the Middle/High School building issues will be to get a set of conceptual drawings for a new Middle School and do renovations on the High School. Then we will have a complete picture of our options. We will have numbers on renovating and expanding the current building, \$37 Million, build new 7<sup>th</sup> through 12<sup>th</sup> school, \$45 million and soon the cost of a new Middle School and renovations of the High School. Then the Board will have to decide which way to go and then we go to the towns and see what the voters think. Stay tuned.

As always, you are all invited to the School Board meetings. Come share the fun. Call me with your thoughts.

A certificate and a monetary award is presented on behalf of all the citizens to each of Roxbury's graduating seniors at the annual Monadnock Regional High School Senior Awards Event held each June.

Anyone interested in making the presentation on behalf of the residents should contact a committee member before the event in June.

The fund's long term goal is to establish a permanent reserve to support the scholarship fund. The continuation of these goals is dependent upon \$10.00 per person membership dues and additional donations to become an "outstanding" member supporter.

## **REPORT OF THE FIRE CHIEF**

The year 2007 was a busy year!

The old Max 6-Wheeler as been sold and a new Artic Cat Prowler ATV was purchased. I would like to thank Joe Sabolevski for all his help with the purchasing and setting up of the new ATV.

The new ATV was used to rescue four people who were stranded on the backside of the river. It was also used for a truck fire off of the Middletown Road. We have assisted Keene Fire Dept. with 10 calls during 2007, which were in the Town of Roxbury.

The Deputy Warden Tim Mason and I have continued to attend various trainings for both structural firefighting and forestry.

**A REMINDER:** All outside fires require a fire permit when there is not complete snow cover and this includes all outside fireplaces, even the metal ones you can purchase. You can obtain a permit from myself, Deputy Tim Mason, Deputy Buddy Mattson and Police Chief Gary LaFreniere.

Respectfully submitted,  
Allen J. LaPlante  
Fire Chief

## **REPORT OF THE EMERGENCY MANAGEMENT DIRECTOR**

I have continued to work on the "All Hazards Preparedness Plan" in conjunction with the Cheshire Public Health Network. We are working with the City of Keene and the Town of Surry. The Town of Roxbury received their second & third phase funding. These funds are to be used for stipends and travel reimbursement for municipal official's to attend planning meetings. If you have not received a copy of the informational brochure entitled "Preparing For An Emergency: The Smart Thing to Do" which was prepared with part of the of the first phase funding please check in the town hall.

## Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdf.org](http://www.nhdf.org).

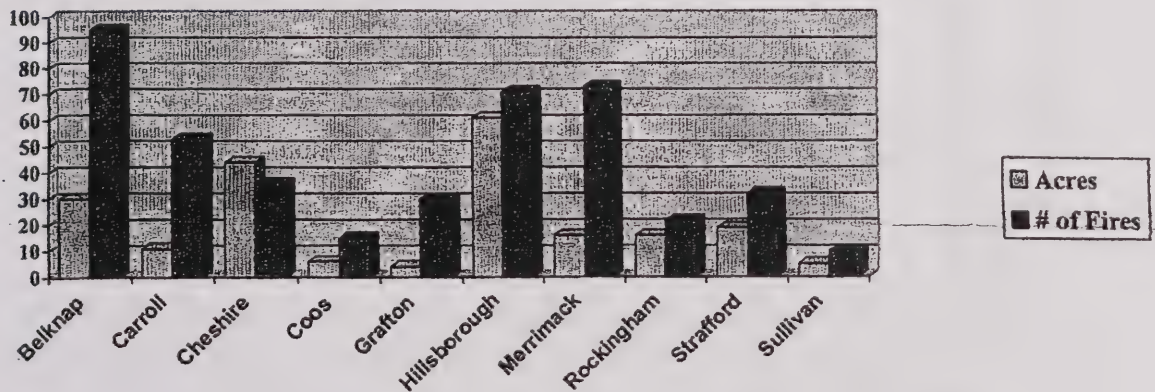

Fire activity was very busy during the spring of the 2007, particularly late April into early May. As the forests and fields greened up in later May the fire danger decreased. However, a very dry late summer created very high fire danger again from August into September with fire danger reaching very high on Labor Day weekend. Even with the dry conditions, the acreage burned was less than half that of 2006. The largest forest fire during the 2007 season burned approximately 26 acres on the side of Wantastiquet Mountain in Chesterfield during the month of May. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2007 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

# ROXBURY POLICE DEPARTMENT TOWN REPORT FOR 2007

The Roxbury Police Department had another exciting year. Normal patrolling was done off and on, as problems arose, but due to several grants, special patrols took place during most of the summer. During this special patrol, emphasis was given to Babbage Dam, Otter Brook Dam, Woodward Pond Dam, and Class six roads, Branch Road, Rte. 9 and Middletown Road. It takes a lot of planning to give the best police coverage from the budget that is passed at town meeting and the extra grant funds come in handy for needed patrols. Investigation time, court time and administration time were up slightly and normal patrol time was about average, compared to last year, with the exception of the special night patrol. Automotive complaints and civil complaints seem to be on the increase. Again I would request that if you see something suspicious to report it right away, as it may help us with something we are already working on. We are not on patrol on a full time basis, so it's hard to know if there is a problem in your area, unless you report it.

## ROXBURY POLICE OFFICERS

Chief Gary LaFreniere: serving since 2001

Sergeant Steve LaMears: serving since 2003

Corporal Richard Comerford: serving since 2007

ACO Matt Bloom: serving since 2007

Deceased Sergeant Roger Turcotte: served since 1995 until March 2007.

Roger was retired and assisted with both day and night calls. He will be missed!

He served 12 years on the Roxbury Police Department with pride and dignity. Roger was fair and did his job with perfection. He will be a hard act to follow...

The Roxbury Police Officers work different shifts, which allow more coverage day and night to handle calls. To contact an officer: **call 911 for emergencies or 355-2000 for non-emergencies.** By calling these numbers you will connect to the dispatch center, which has capabilities of paging the officers, as well as, calling them on the phone or radio. The Police Department has a new telephone number for the fax: **352-7052.**

## ROXBURY HIGHWAY SAFETY COMMITTEE

Sponsor annual DWI safety patrol for Roxbury roads.

## CRUSIER

The funds for the replacement cruiser were \$7,500.00 from capital reserve, \$2,500.00 saved from the police budget and \$5,000.00 trade in on 1999 Ford. A newer Chiefs car replaced the old sergeants patrol car. This vehicle is fully funded by the chief and used for response and details for the town. The town will register, insure and replace gasoline in it when used for the town, instead of paying mileage for its use.

## **EQUIPMENT**

Listed is new equipment that was purchased or placed in service for the Police department during the past year.

- (1) 2004 Ford Explorer cruiser (replaces 1999 Ford Explorer)
- (2) 2007 Police emergency light/siren package
- (3) 2007 Cruiser Laptop computer
- (4) 2007/2008 LAW BOOKS

## **GRANTS**

The selectman for the Town of Roxbury have asked if there were additional police grants available to the town, that the police could apply for. After much research and support from the selectman and other town officials we were able to receive some grant money, which is used for extra items, not to supplement the existing budget, and provide extra support to the town.

- (1) Fish & Game patrol grant: \$3,780.00
- (2) DWI patrol grant: \$207.00
- (3) LETN & FETN Training Dish Grant: No funds available
- (4) Car 54 cruiser package grant: \$10,000.00

Please contact the police if you run into scams that are in our area.

## 2007 ROXBURY PLANNING BOARD REPORT

There were no requests for subdivisions in 2007.

New members Andy Bueckner, Dave Shepardson and Chip Drogue (Selectman Representative) were added to the Board. Don Tardiff and Andy Bueckner served as Co-Chairmen.

At the July 5th meeting Don Tardiff resigned as Co-Chairman, and Andy Bueckner was elected Chairman

During 2007 the board worked on two projects:

1. Updating the Town Master Plan
2. Some revisions to the Town Zoning Ordinance.

The board voted in September to hold meetings on the day after a holiday or snowstorm which might prevent a regular Wednesday night meeting.

An open forum was held at the October meeting on updating the town's Master Plan. Joanne Carr from Southwest Regional Planning Commission was guest speaker.

Three revisions to the Town Zoning Ordinance were written in their final form at the December meeting, and notices published and posted for a Public hearing on January 2nd 2008.

Also at the December meeting Dave Shepardson was elected Vice-Chairman of the Board to preside over any meetings in the absence of both the Chairman and Secretary.

Report of the Trustees of Trust Funds  
2007

Headstones in the Roxbury Cemetery  
“guarded” by stately venerables  
(photo by S. R. Gilcreast, Jr.)

Trustees, Lynn Bueckner, Robin Buffum and Betsy Gilcreast met earlier this year, reviewed the cemetery map and discussed further restoration needed in the Roxbury Cemetery. The process for Cemetery Guidelines, which will include an explanation of “green” burials, was also discussed as were Trustee job descriptions. A large pine tree was successfully removed from the Cemetery as falling branches were damaging headstones. Most importantly, the process of repairing and straightening the headstones has begun. Robin Buffum and her grand- daughter placed the American Flags throughout the cemetery this year. Steve Yardley continues to oversee the overall maintenance and brush removal.

Our State required Reports of Common Trust Fund Investments were completed in timely manner, reviewed by our auditor and mailed to the Charitable Trust Division and the Municipal Services Division prior to the March 1st deadline. TDBank North funds held in CD’s for the Kingsbury, Davis, Nye, Clark, Phillips, J. & E. Davis, and C. & A. Eveleth funds presently total \$984.52. The following chart details these and the MBIA and Pool Plus Capital Reserve Funds.
