DORIS ANDREWS AWARDED BOSTON POST CANE

By Bob Longabaugh, Co-editor

On July 27, 1901, Doris McDuffee entered the world in Alton, New Hampshire. More than 101 years later at her daughter's home on Pine Street Doris (now) Andrews became the newest recipient of the Boston Post Cane. The cane is traditionally bestowed upon the town's "oldest and most worthy resident." Stephan McMahon, Chairman of the Alton Board of Selectmen, is shown presenting the cane to Mrs. Andrews at a ceremony held before family and friends on December 23.

Mrs. Andrews graduated from Alton High School and after one year at Bradford Academy went on to graduate from Boston University. At B.U. she majored in history which she taught at Abbott Academy until her marriage three years later to Boston University professor Charles T. Andrews. At one point she played violin in the MacDowell Orchestra under Arthur Fiedler. During World War II she competed with "Rosie the Riveter" for supporting the war effort by working the night shift at the Raytheon Company in the production of electron tubes.

THE TOWN HALL

Our cover photo this year brings our readers attention to a building that has stood as a center and symbol to the spirit of this community. A monument of brick and stone, the Town Hall remains central to conducting Town Business for over a hundred years. Dedicated in 1894, it has cast an impressive shadow over the village and Monument Square since its completion in 1896.

As well as a meeting hall, its offices have contained a bank, a court house, and jail, stage shows, a theatre, our library, the fire and police stations, many graduation ceremonies, and numerous recreational activities and is also commonly known as the "Opera House".

Today the Town Hall offices are staffed by the Town Clerk, Tax Collector, Finance Office, Land Use and Property Records, Supervisors of the Checklist, Town Administrator, Welfare Office and Selectmen.

On entering the village visitors are astonished at the Town Hall, they have commented on its architecture and the 4-sided clock. It is perhaps the most photographed municipal building in the area. Through the years, renovations and improvements have been made for public safety and to accommodate Town offices and to "keep up with the times".

Since 1896, the Town Hall has been lovingly cared for by several caretakers. In a secluded corner of the tower are names of custodians, preserved in wood; of those who have maintained the building and who had among their duties, the weekly chore of winding the clock, their inscriptions add another chapter to the history of the Town Hall.

In its vaults are records, statistics and photographs of our Town past and present. The reports of ghostly apparitions add to the allure and mystery of this venerable building. Many persons have reported experiencing a presence of our ghost.

The Board of Selectmen welcome tours to help students and citizens become familiar with Town offices, to meet the personnel, and have the opportunity to gain a perspective of our Town Government, to visit the old jail and ascend to the Tower for a stunning view of the countryside and our Town.

QUESTIONS	
QUESTION #1 Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board as follows: To amend Article 300, Section 352, a, 1 and 2 and to amend Article 300, Section 301, Table of Uses, Residential Uses, 2. Section 352, a, 1 and 2 would be amended by deleting the existing language, which permits a minimum lot size of one acre per one-family dwelling and all other uses and permits two dwellings per lot without subdivision approval. The deleted language would be replaced with the following language: "a. The minimum lot area shall be two acres." Section 301, Table of Uses, Residential Uses, 2 would be amended by deleting the "Y" (Yes) symbol under the column which indicates that a "Duplex or Two-Family Dwelling" is a permitted use in the Rural (RU) Zone and by replacing the "Y" (Yes) symbol with a "N" (No) symbol to indicate that a "Duplex" or Two-Family Dwelling" is not a permitted use in the Rural (RU) Zone? (Recommended by the Planning Board. Majority Vote Required.)	
QUESTION #2: Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board as follows: To amend Article 500 Definitions by deleting the existing definition of Frontage and replacing it with the following definition: "Frontage, Street - The distance along the front lot line or right-of-way line of a public or private street measured in feet. Each lot shall meet minimum frontage requirements on the street through which beneficial access is achieved. Also, see Frontage, Shoreland." (Recommended by the Planning Board. Majority Vote Required.)	
QUESTION #3: Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board as follows: To amend the definition of "Shoreland Frontage" by deleting the existing definition and by replacing it with the following definition: "Frontage, Shoreland - the average of the distances measured in feet along the natural mean high water level reference line and along a straight line drawn between the points at which the reference line intersects the side lines of the property or properties that fall within the jurisdiction of Article 300, Section 370 of the Zoning Ordinance titled Shoreland Protection Overlay District." (Recommended by the Planning Board. Majority Vote Required.)	

QUESTIONS CONTINUED	
RATIONALE: The Rural (RU) Zone covers most of the Town of Alton and contains many wetlands, forested areas and steep slopes, as well as Town roads in poor condition. By increasing the minimum lot size from one to two acres and limiting the number of dwellings per lot to one, there will be a reduced impact on the natural conditions of a site by septic systems and less new traffic on the rural roads because of the lower density.	
YES	\leftarrow \rightarrow 834
NO	\leftarrow \rightarrow 418
QUESTION #2: Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board as follows: To amend Article 500 Definitions by deleting the existing definition of Frontage and replacing it with the following definition: "Frontage, Street - The distance along the front lot line or right-of-way line of a public or private street measured in feet. Each lot shall meet minimum frontage requirements on the street through which beneficial access is achieved. Also, see Frontage, Shoreland." (Recommended by the Planning Board. Majority Vote Required.)	
YES	\leftarrow \rightarrow 864
NO	\leftarrow \rightarrow 364
QUESTION #3: Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board as follows: To amend the definition of "Shoreland Frontage" by deleting the existing definition and by replacing it with the following definition: "Frontage, Shoreland - the average of the distances measured in feet along the natural mean high water level reference line and along a straight line drawn between the points at which the reference line intersects the side lines of the property or properties that fall within the jurisdiction of Article 300, Section 370 of the Zoning Ordinance titled Shoreland Protection Overlay District." (Recommended by the Planning Board. Majority Vote Required.)	
YES	\leftarrow \rightarrow 925
NO	\leftarrow \rightarrow 274
TURN BALLOT OVER AND CONTINUE VOTING	

QUESTIONS CONTINUED

QUESTION #4: Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board as follows: To amend Article 300, Section 352 by adding a new paragraph "d" to Section 352. The amendment would read as follows: "d. A one-bedroom accessory apartment shall be allowed as a permitted use within the existing principal dwelling or an attached accessory structure, provided that the total gross floor area of the accessory apartment does not exceed 750 square feet." Article 300 is also proposed to be amended by adding "Accessory Apartment" as a permitted use in the Rural (RU) Zone under the "Residential Uses" column of the Table of Uses in Section 301 of the Zoning Ordinance. It would be indicated by a "Y" with a note to see Section 352,d? (Recommended by the Planning Board. Majority Vote Required.)

YES  899
NO   323

RATIONALE: Permitting a one-bedroom accessory apartment in the Rural (RU) Zone would allow homeowners to rent out a small portion of their residence to earn extra income or to provide housing for a relative. The size of the accessory apartment is limited to lessen the impact on the site and the septic system.

QUESTION #5: Are you in favor of the adoption of Amendment #5 as proposed by the Planning Board as follows: To amend the Zoning Ordinance by adding a new section to Article 200, which is described as follows: Section 290 Impact Fees: This proposed amendment would give the Planning Board authority to assess impact fees on new developments as a condition of approval of any subdivision or site plan and to require an applicant for a subdivision or site plan to pay an impact fee for the applicant's fair share of off-site improvements to public facilities affected by the development. The amendment provides a definition for "impact fees" and establishes an assessment methodology, an administrative and accounting procedure and an appeal procedure. The construction of single-family and duplex homes on pre-existing lots of record would not be regulated by the proposed amendment. (Recommended by the Planning Board. Majority Vote Required.)

YES  855
NO   347

RATIONALE: Because a recent New Hampshire Supreme Court ruling, planning boards can no longer assess fees for off-site impacts that are created by a new development without first having an impact fee ordinance in place. This proposed amendment would make the impact fee regulations part of the Zoning Ordinance and give the planning board authority to charge the costs of off-site improvements (i.e.-widening of a Town road) to the applicant for a new development on fair share basis. This would avoid having the taxpayers pay for the entire cost of the needed improvements. The impact fee ordinance would only apply to new subdivisions, multi-family developments, commercial developments, and industrial developments. It would not affect someone building a single-family or duplex home on a lot of record that pre-existed the impact fee regulations, if they are adopted.

MINUTES OF THE 2002 ANNUAL TOWN MEETING
MARCH 13, 2002 ALTON SCHOOL GYMNASIUM,
ALTON, NEW HAMPSHIRE

Pursuant to the foregoing Warrant, the voters met at the Alton School Gymnasium on Wednesday, March 13, 2002 at 7 o'clock in the evening to act on the balance of the Warrant Articles. The Moderator, Mark Northridge, called the 206th Annual Town Meeting to order promptly at 7:10p.m. Alton Cub Scout Pack 5, Den 2 led the audience in the Pledge of Allegiance. Moderator Northridge introduced the Board of Selectmen, Chairman, James C. Washburn, Reuben L. Wentworth, Stephan E. McMahon, William Ryan and Donald B. Irvin, Town Administrator, Pamela Arnold, Town Clerk, Lisa Waterman, Town Attorney, James Sessler and Recording Clerk, Christine Whalen. Mr. Northridge recognized the Chairman of the Budget Committee, Ruth Messier who in turn introduced committee members, R. Loring Carr, Gregory Fuller, Laurie Boyce, Scott Sweezey, Shelby Husak, Charles Westen and G. Matthew Fuller.

The Moderator read the Rules of the Meeting. All votes would be taken by show of cards or by standing count when a vote was in doubt, or a 2/3 vote when required. Articles would be read before acting upon, amendments must be in writing and articles, with all amendments will be read before final action. The Moderator will announce the decision before proceeding to the next article. The results of the Town elections held the previous day were announced and he thanked the people who volunteered to work at the polls and count the ballots in the evening. Deborah Burton, School Clerk, announced the School election results.

A vote was taken to allow non-residents to speak at the meeting. The vote passed unanimously.

Selectman Washburn thanked Reuben Wentworth for his years of service to the Town of Alton and presented him with a plaque. Selectman Wentworth thanked the voters and taxpayers of the Town of Alton for their continued support. Selectman Washburn further thanked Phyllis Draper for her many years of service to the Town and presented her with a plaque.

ARTICLE 1 To choose all necessary Town Officers for which there are vacancies, for such terms as may be permitted by law; and to elect: two selectmen for three years, one treasurer for one year, one trustee of trust funds for three years, one library trustee for three years, one fire ward for three years, one fire ward for one year, one moderator for two years, one cemetery trustee for three years, one water commissioner for three years, three budget committee members for three years, one budget committee member for two years, two planning board members for three years, one planning board member for one year, and one supervisor of the checklist for six years.

This article was voted at the election on March 12, 2002.

A motion was made by Robert Longabaugh, seconded by Paula Kelson "to revise the agenda of the 2002 Town Meeting deliberative session to place Articles 19 and 18 (in that order) before consideration of Article 2." Mr. Longabaugh explained that Articles 19 and 18 have a significant impact at a town wide level. Ruth Messier stated that she thought it was important to move the Articles as Article 19 is a ballot vote and there would be a requirement for the polls to be open for one hour.

A vote was taken on the Motion and carried with a unanimous voice vote.

ARTICLE 19 To see if the town will vote to rescind the adoption of RSA 32:14-23 relative to specific portions of the municipal budget law, thereby abolishing the budget committee. (BY PETITION)

Article 19 was moved by Robert Longabaugh and seconded by Paula Kelson. Mr. Longabaugh spoke in favor of the Article. Patricia Fuller spoke against the Article.

A motion was made by Reuben Wentworth, seconded by Charles Westen to amend Article 19 by adding "to hear reports of Committees, Boards, Trustees, Commissions and leave the remainder of Article 20 to be left at the end of the meeting."

Reuben Wentworth explained that to be fair to everyone that at the time of the printing of the Annual Report that there were still two reports being edited. He stated that ¼ of the Budget Committee's Report was printed in the Town Report and did not include their spreadsheet and that they had the right to present the report to the town.

Linda Goosens read a prepared statement in favor of abolishing the Budget Committee.

A vote was taken on the Amendment and failed with a standing count of 59 in favor and 61 against the proposed Amendment.

Discussion ensued on the original Article.

Richard Quindley and Shelby Husak spoke on behalf of the Article. Speaking against the Article were Ruth Messier, who also read a prepared statement, Elizabeth Kelley, Angela Bystrack, Charles Westen and Laurie Boyce.

Moderator Northridge closed the discussion portion of the Article and stated that the Polls would be open for a period of one hour and voters should use the white card they received when they checked in. He further advised that a YES Vote would be in favor of abolishing the Budget Committee and a NO Vote would mean not in favor of abolishing the Budget Committee. The polls were opened at 8:00p.m. and remained open until 9:00p.m. While the polls remained open the Moderator allowed the meeting to continue deliberation on the next Articles.

Article 19 FAILED with 116 NO votes and 51 YES votes.

Selectman Wentworth moved to restrict reconsideration, Selectman McMahon seconded and the motion passed. **FAILED**

ARTICLE 18 In accordance with RSA 39.3, we, the undersigned voters of the Town of Alton do hereby request that the Alton Board of Selectmen include the following question on the warrant to be submitted to the voters at the annual Town Meeting to be held March 13, 2002. That the Town provides the needed insurance for use of the Community Centers for meetings and get-togethers for non-profit organizations. (BY PETITION)

Article 18 was moved by John Brooks and seconded by Laurie Boyce.

John Brooks stated that he was speaking in favor of the Article. He stated that he was personally involved with the renovation of the building on Pearson Road. He further stated that various non-profit organizations utilize the building for functions. The Community Center is not just for seniors and it became difficult for outside organizations when they were notified that proof of liability insurance would be required by the Town before non-profit organizations could conduct meetings on Town properties. He further stated that he investigated prices to satisfy this requirement and it is a financial hardship for non-profit organizations to have the policies in place and that the Town should supply the insurance as the buildings are there for the community.

Discussion ensued. Several citizens noted a community center should be used by the people of the community. Others questioned the cost of added insurance to the Town and if the Town is all ready covered.

A vote was taken on Article 18 and overwhelmingly passed. **PASSED**

Selectman James Washburn moved to restrict reconsideration, Budget Committee Chairman Ruth Messier seconded and the motion passed.

ARTICLE 2 To see if the Town will vote to raise and appropriate the sum of twenty-six thousand dollars (\$26,000.00) to purchase a Police Patrol Vehicle. (RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE)

The Article was moved by Selectman Reuben Wentworth and seconded by Selectman Donald Irvin.

Police Chief Kevin Iwans stated this Article is the standard Article for the rotating management of the cruisers. The current vehicle being replaced is a 1997 vehicle with 140,000 miles and will be dedicated to the K9 Unit.

A vote was taken on Article 2 and passed.

Deborah Burton moved to restrict reconsideration, Selectman Irvin seconded and the motion passed. **\$26,000.00 PASSED**

ARTICLE 3 To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000.00) to purchase and upgrade the Alton Police Department's computer file server and associated network components, to include an adequate server backup system. (RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE)

The Article was moved by Selectman Washburn, seconded by Selectman Wentworth.

Police Chief Kevin Iwans stated this Article has been put off for years. The Police Department's computer system maintains and generates a multitude of reports. The current system is outdated and needs to be replaced.

A vote was taken on Article 3 and passed.

Selectman Washburn moved to restrict reconsideration, Selectman Wentworth seconded and the motion passed. **\$15,000.00 PASSED**

ARTICLE 4 To see if the Town will vote to raise and appropriate the sum of sixteen thousand eight hundred dollars (\$16,800.00) to purchase six (6) digital portable radios for the Police Department.(RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE)

The Article was moved by Selectman Irvin and seconded by Selectman Washburn.

Chief Iwans stated that this had caught the Police Department off guard as the State Police are switching to digital radios as well as the Belknap County Dispatching System. The Department has no choice but to go digital and a portion of the funds will be State and Federal funds. He further stated that the Department's old radios would be given to the Parks & Recreation Department.

A vote was taken on Article 4 and passed.

Selectman Washburn moved to restrict reconsideration, Selectman Irvin seconded and the motion passed. **\$16,800.00 PASSED**

ARTICLE 5 To see if the Town will vote to raise and appropriate the sum of seventy thousand dollars (\$70,000.00) to purchase and equip a one-ton forestry/utility vehicle for the Fire Department. (RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE)

The Article was moved by Selectman Ryan and seconded by Selectman Wentworth.

Fire Chief Russell Sample stated that the forestry/utility vehicle would be custom built and utilized on a year round basis. The truck will carry water, hardware and equipment for outside fire utilization.

A vote was taken on Article 5 and passed.

Selectman Irvin moved to restrict reconsideration, Selectman Wentworth seconded and the motion passed. **\$70,000.00 PASSED**

ARTICLE 6 To see if the Town will vote to raise and appropriate the sum of thirty-five thousand dollars (\$35,000.00) to purchase rescue/extrication tools for the Fire Department. (RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE)

The Article was moved by Selectman Ryan and seconded by Selectman Wentworth.

Fire Chief Russell Sample stated that the present piece of equipment was purchased 12 years ago and at the time it was purchased it was about 10 years old.

A vote was taken on Article 6 and passed.

Selectman Washburn moved to restrict reconsideration, Selectman Irvin seconded and the motion passed. **\$35,000.00 PASSED**

ARTICLE 7 To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (\$100,000.00) to be added to the Fire Department Equipment Capital Reserve Fund previously established. (RECOMMENDED BY THE SELECTMEN) (\$50,000.00 IS RECOMMENDED BY THE BUDGET COMMITTEE)

A motion was made by Budget Committee Member Laurie Boyce and seconded by Budget Committee Member R. Loring Carr to amend Article 7 to "move to Amend to \$50,000.00" stating that \$105,000.00 was approved in the previous Articles.

Selectman Wentworth stated that the Board of Selectmen recommended \$100,000.00 as the funds are requested based on the Capital Improvement Program for the updating of equipment over the next five to six years.

A standing vote was taken on the Amendment. Article 7 passed with 100 in favor of the amendment and 51 against.

Selectman Ryan moved to restrict reconsideration, Selectman Washburn seconded and the motion passed. **\$50,000.00 PASSED**

ARTICLE 8 To see if the Town will vote to raise and appropriate the sum of one hundred sixty thousand dollars (\$160,000.00) to purchase and equip a 10 Wheeler Dump Truck (\$133,000.00) for the Highway Department and for an additional truck driver at the Highway Department (\$27,000.00 salary and benefits). (RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE)

The Article was moved by Selectman Wentworth and seconded by Selectman Washburn.

Highway Agent Kenneth Roberts stated that as there is an increase in roads being accepted by the Town, there is also an increase in winter maintenance. Highway Agent Roberts explained that as the Town increases its roads, it also needs to increase equipment and manpower to the department. The 10 wheeler requested will cut down on time and will also be used for excavation, which will save the Town money by decreasing equipment that is contracted out.

After little discussion, a vote was taken on Article 8 and passed.

Selectman Washburn moved to restrict reconsideration, Selectman Wentworth seconded and the motion passed. **\$160,000.00 PASSED**

ARTICLE 9 To see if the Town will vote to raise and appropriate the sum of twelve thousand seven hundred twenty-five dollars (\$12,725.00) for the purpose of doing overlay on Main Street between the Village Store (at the intersection of Route 11 and Old Wolfeboro Road) and School Street. (RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE)(SPECIAL WARRANT ARTICLE)

The Article was moved by Selectman Washburn and seconded by Selectman Ryan.

Highway Agent Roberts explained that the State approached the Highway Department to resurface Route 11, raise the road another inch and drop off deterioration on the side of the road. This will be done at a minimum cost under the State contract and will enhance the center of the Town area.

A vote was taken on Article 9 and passed.

Selectman Washburn moved to restrict reconsideration, Selectman Wentworth seconded and the motion passed. **\$12,725.00 PASSED**

ARTICLE 10 To see if the Town will vote to raise and appropriate the sum of eighty-two thousand five hundred dollars (\$82,500.00) for reconfiguration for parking and traffic on School Street and Pine Street. (RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE)

The Article was moved by Selectman McMahon and seconded by Selectman Wentworth.

Highway Agent Kenneth Roberts spoke for the Article. Several citizens expressed their concern on the parking and traffic problems. Selectman Reuben Wentworth stated that last year the voters requested that this problem be addressed and that all parties believed that this is the best alternative to alleviate the problem.

A standing vote was taken on Article 10 and passed with 74 in favor and 70 opposed.

Selectman Wentworth moved to restrict reconsideration, Selectman Irvin seconded and the motion passed. **\$82,500.00 PASSED**

ARTICLE 11 To see if the Town will vote to raise and appropriate the sum of seven hundred fifty thousand dollars (\$750,000.00) to be added to the Highway Reconstruction Capital Reserve Fund previously established. Said amount is partially offset by revenues from Highway Block Grant Funds estimated to be one hundred and thirty four thousand dollars (\$134,000.00). (RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE)

The Article was moved by Selectman Washburn and seconded by Selectman Wentworth.

Highway Agent Roberts stated that the total cost of Alton Mountain Road is \$1,217,081.70, \$433,651.33 spent in 2001. This is the final phase of Alton Mountain Road and will be completed in 2002.

A vote was taken on Article 11 and passed with no discussion.

Selectman Washburn moved to restrict reconsideration, Selectman Irvin seconded and the motion passed. **\$750,000.00 PASSED**

ARTICLE 12 To see if the Town will vote to raise and appropriate the sum of one hundred twenty thousand dollars (\$120,000.00) to be added to the Highway Equipment Capital Reserve Fund previously established. (RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE) This article to be passed over if Article 8 passes.

The Article was moved by Selectman Irvin and seconded by Selectman Washburn.

Highway Agent Roberts requested that this Article be voted down.

A vote was taken on Article 12 and failed.

Selectman Washburn moved to restrict reconsideration, Selectman Irvin seconded and the motion passed. **\$120,000.00 FAILED**

ARTICLE 13 To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000.00) to be added to the Tennis Court Capital Reserve Fund previously established. (RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE)

The Article was moved by Selectman Washburn and seconded by Selectman Ryan.

Park & Recreation Director Kellie Troendle stated that in March 2000, a CIP Fund was established for the Tennis Courts, which included an appropriation of \$20,000.00 for three years, and this is the third and final installment.

A vote was taken on Article 13 and passed.

Selectman Washburn moved to restrict reconsideration, Selectman Irvin seconded and the motion passed. **\$20,000.00 PASSED**

ARTICLE 14 To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000.00) to be placed in the Benefit Pay Trust Capital Reserve Fund as previously established. Said funds are recommended by the Town Auditors to be used to pay for benefits accrued by Town employees and redeemed when they leave employment with the Town of Alton, in accordance with the Town Personnel Policy. (RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE)

The Article was moved by Selectman McMahon and seconded by Selectman Irvin.

Selectman McMahon stated that the present balance in the Capital Reserve Fund is \$27,307.13. This Article was recommended by the Auditors of the Town to cover benefits to be paid in the future.

A vote was taken on Article 14 and passed.

Selectman McMahon moved to restrict reconsideration, Selectman Irvin seconded and the motion passed. **\$25,000.00 PASSED**

ARTICLE 15 To see if the Town will raise and appropriate the sum of four million, seventy thousand eight hundred and thirty dollars (\$4,070,830.00) to defray the anticipated charges arising as part of the Town's operating budget for the current year. Said amount includes money reimbursed by the Trustees of the Trust Funds for the Gilman Museum \$30,217.00, the Heidke Fund \$30,000.00, and the Cemetery \$53,873.00. The water users will reimburse the Town for \$180,257 and the State of New Hampshire Highway Block Grant reimbursement is approximately \$134,000. Total

reimbursement is \$428,347.00. Said amount does not include any funds for individual or special Warrant Articles addressed separately. (RECOMMENDED BY THE SELECTMEN) (THE BUDGET COMMITTEE RECOMMENDS \$3,997,624.00) (MAJORITY VOTE REQUIRED)

The Article was moved by Selectman McMahon and seconded by Selectman Irvin.

A motion was made by Budget Committee Chairman Messier and seconded by Scott Sweezey to "amend Article 15 to \$3,997,623.00."

Budget Committee Chairman Messier explained that the Budget Committee columns were omitted from the Budget Worksheet pages in the 2001 Annual Report. The following omissions of account recommendations were omitted:

A lengthy discussion ensued.

A standing vote was taken on the Amended Article 15 and passed with 69 in favor of the Amended Article and 52 against the amendment to adjust the Article amount to \$3,997,623.00

A motion was made by Robert Longabaugh and seconded by Laurie Boyce to Amend Article 15 "to increase the sum shown in the "2002 Selectmen" column of Account No. 1-4130-184 (contracted services) from \$500.00 to \$1,840.00 with the specific intent of such increase being to provide funds for the videotaping of Selectmen's meetings and similar official Town events" to bring the total Amendment to \$3,998,963.00.

Discussion and review ensued. Several comments were made by voters that they were confused by the surplus which was added to the Article as it appeared as if the money is listed twice. Pam Arnold explained that the Department of Revenue mandates the wording of the Articles and that any surplus must be included in the Article.

A vote was taken on the Amended Article 15 to increase the budget amount to \$3,998,963.00 and passed.

Ruth Messier moved to restrict reconsideration, Selectman Wentworth seconded and the motion passed. **\$3,998,963.00 PASSED**

ARTICLE 16 To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be placed in the Solid Waste Center Equipment Capital Reserve Fund as previously established. (RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE)

The Article was moved by Selectman Washburn and seconded by Selectman Ryan.

Selectman McMahon stated the Article is a continuation of the present Capital Reserve Fund which currently has a balance of \$10,000.00.

A vote was taken on Article 16 and passed.

Selectman Washburn moved to restrict reconsideration, Selectman McMahon seconded and the motion passed. **\$10,000.00 PASSED**

ARTICLE 17 To raise and appropriate the sum of forty-eight thousand one hundred thirty-six thousand dollars (\$48,136.00) in support of the following community organizations:

	2002 Request
A. Alton Community Services Program	7,500.00

	\$48,136.00

(NOT RECOMMENDATION MADE BY THE SELECTMEN AND BUDGET COMMITTEE)

The Article was moved by Budget Committee Member Laurie Boyce and seconded by Selectman McMahon.

Holly DeWald spoke on behalf of the Youth Services Bureau. Alice Calvert spoke on behalf of the VNA, Lakes Region Community Services Council and Community Health & Hospice. Patricia Rockwood spoke on behalf of the Alton Community Service Program as well as asking the support of the voters for all of the other organizations.

A vote was taken on Article 17 and passed.

Selectman Wentworth moved to restrict reconsideration, Kenneth Roberts seconded and the motion passed. **\$48,136.00 PASSED**

ARTICLE 18 Voted after Article 19 and before Article 2.

ARTICLE 19 Voted before Article 18 and Article 2.

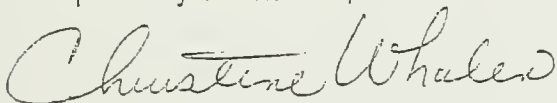

ARTICLE 20 To hear reports of any committees, boards, trustees, commissions, officials, agents or concerned voters; and vote to accept the same. Furthermore, to conduct any other business that may legally come before said meeting.

The Article was moved by Budget Committee Chairman Messier and seconded by Member Boyce.

A motion was made by Ruth Messier that Pages 84-108 of the Annual Report be amended to include the Budget Committee Recommendations as read during discussion of Article 15. Town Administrator, Pamela Arnold assured that the minutes of the Annual Meeting would be complete, correct and fair to every Committee and Board within the Town. Ruth Messier withdrew the Motion.

A motion was made by Selectman Steve McMahon and seconded by Moderator Northridge to adjourn at 11:05 p.m. The motion passed.

Respectfully submitted,

Christine Whalen, Clerk

REPORT OF THE BOARD OF SELECTMEN

Throughout the past year, the Selectmen have sought to provide the most efficient municipal services and yet keep the cost of government as low as possible. Towards this end we will continue to find the best way to deliver the services you expect.

In 2002 we witnessed administrative changes. We owe a debt of gratitude to our staff at the Town Hall. They have conducted themselves with professionalism and integrity in all areas of their responsibilities and beyond the scope of their assigned duties to ensure Town business has been carried out. We appreciate all our employees and Department Heads.

The Town is growing, change is evident and we face many issues ahead concerning zoning, building codes, road improvements, the new school, implementation of E-911 and lagoon closure and others which must be considered and addressed.

On behalf of the Alton Board of Selectmen, I would like to take this opportunity to thank the volunteers who come forward to serve on various Boards, Committees and Commissions. We are grateful to them and for the support of our citizens.

We look forward with enthusiasm to the coming year and consider it a privilege to serve you as your Board of Selectmen, thank you.

Respectfully submitted,
Stephan E. McMahon, Chairman

REPORT OF OPERATION BLESSINGS

Operation Blessings was established seven years ago to provide needy families of Alton with Thanksgiving food baskets. These baskets contain a turkey and all the "fixins" for a traditional Thanksgiving dinner. I also provided senior citizens with fruit baskets.

In 2002 we were able to help as many as 40 families and 10 senior citizens. I am still quite amazed at the generosity of the townfolks of Alton. We had 28 contributions this year.

I would like to thank the Police and Highway Departments for their time and effort they put into the Operation Blessings project. I would also like to thank the volunteers who help me make up the baskets and deliver them. Your assistance was again a big help and greatly appreciated. Hope to see you next year for another successful endeavor.

Respectfully submitted,

Paulette M. Wentworth, Chairperson

REPORT OF THE WELFARE OFFICER

In 2002, assistance was granted to over 80 welfare clients and families who were eligible for help from the Town. The Heidke Trust Fund also provided assistance to 8 elderly citizens this year.

Our department continues to work in conjunction with the Alton Community Services Program, Community Action Program, New Beginnings, Genesis, NH Municipal Welfare Association, Division of Health & Human Services, the VNA, Project Care, Operation Blessing, Mrs. Santa Fund, NH Legal Advice and Referral, Catholic Charities, St. Vincent D'Paul, Salvation Army, Prospect View Elderly Housing, the American Legion, local business and churches. Please contact us if you need assistance or information about our welfare program.

We would like to extend our thanks to everyone who has helped our clients with donations of food, gifts, furniture and clothing. You are all very generous.

REPORT OF THE TOWN CLERK

The Town Clerk's office performs many varied and diversified tasks. As well as registering and titling motor vehicles, Marie Price, Deputy Town Clerk and I accept marriage license applications, process marriage and death certificates, wetlands applications, file Federal and State Tax Liens, complete aquatherm and pole permits, file voter registration cards and are responsible for accepting absentee ballot applications and the mailing of absentee ballots. We accept the filings for Town and School Officers, prepare the town ballot and administer the Oath of Office to any newly elected or appointed town officials. The office also provides Notary Public and Justice of the Peace services.

Marie and I issue dog licenses which are due April 30th. There will be a rabies clinic, date to be announced, prior to the end of April.

If you have any questions, please call Marie or me at 875-2101, Monday through Friday, 8:30 - 4:30. We will be happy to assist you or direct your call to the appropriate department.

REPORT OF SUPERVISORS OF THE CHECKLIST

The Supervisors of the Checklist covered three ballot elections during the year; Alton Town Election in March, State Primary in September and the General Election in November. They were also at the Deliberative Session and The Alton Town Meeting.

At all three, but especially at the last two elections, we saw a large number of new people sign up to become registered voters in the Town. It is interesting to note that a good number of students reaching the age of 18 are signing up and participating in these elections.

Towards the end of the year one of the supervisors resigned due to heavy commitments in other areas. A new supervisor was appointed by the end of December, and she will fulfill the duties until March at which time she will run for the one year left in that six-year term.

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Alton
Alton, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Alton as of and for the year ended December 31, 2001 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with accounting principles generally accepted in the United States of America. As is the case with most municipal entities in the State of New Hampshire, the Town of Alton has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Alton as of December 31, 2001, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Alton taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Alton. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

BUDGET COMMITTEE 2002 REPORT

Each year brings new challenges to the Budget Committee. Accepting the responsibility of meeting these challenges while acting in the best interests of Alton can only result in increased benefits to the Town.

In addition to new challenges, there are singular issues that persist year after year, notably the need for Board of Selectmen and School Board representatives to participate in the budgeting process. The importance of this participation must be emphasized.

Prior to the annual Town Meeting, there was no representation from the Board of Selectmen nor the School Board. Following Town Meeting, newly elected Selectman Patricia Fuller was appointed representative to the Budget Committee. She has been an active member of the committee, faithfully attending the committee's monthly meetings leading up to receipt of the town budget and the two, sometime three, meetings per week during budgeting season. Information requested by the committee with answers to all questions has been diligently forthcoming. The result has been an ongoing exchange of information and cooperation between the Budget Committee and Board of Selectmen. Voters attending the upcoming annual Town Meeting will note that the elected members of these two bodies have worked together in the best interests of the Town. This is the way it should be, and it can only be so with proper representation on the Budget Committee. It can be done.

Sadly, the School Board has not yet made such a commitment. The same record of attendance and cooperation does not take place.

Early in the year, voters of Alton, by the narrowest margin, agreed to adopt a Joint Maintenance Agreement (JMA) with the neighboring town of Barnstead to build a high school. In accordance with the JMA contract, the Alton Budget Committee appointed Laurie Boyce, Cydney Johnson and Brad Smith as their three representatives to the JMA Budget Committee. Understandably, there are many wrinkles to be ironed out as the JMA is implemented. The JMA budget is now a line item in the operating budget recommended by the School Board.

Seems every year, there are vacancies on the Budget Committee. 2002 was no exception. However, there were some unique differences from prior years. When Selectmen appointed Mrs. Fuller their representative to the Budget Committee, her husband Greg, then committee Vice-Chairman, felt it necessary to resign. He stated that they, the Fullers, recognized the importance of having Board of Selectmen representation on the committee and felt his resignation was necessary to avoid any situation or vote that could be perceived as a conflict of interest. This vacancy and three others were filled mid-year with the appointment of Cydney Johnson, Brad Smith, Nina Chambers and Donald Mitchell.

The Budget Committee has attempted to keep the public informed throughout the year by submitting monthly reports for publication in MAIN STREET. We hope this has been helpful.

At the annual Town Meeting a petition warrant article to eliminate the Budget Committee was overwhelming defeated – again! Budget Committee members extend sincere and heartfelt appreciation to the voters who supported the need for a town Budget Committee. It is our fervent hope that this year's Budget Committee has honored the voters' faith and confidence in the budgeting process.

Respectfully Submitted,
Ruth A. Messier, Chairman

REPORT OF THE PLANNING BOARD

The year 2002 was a busy one for the Planning Board. There were 46 new applications received. The Board approved 18 new Subdivisions, 9 Site Plans, 13 Boundary Line Adjustments and 4 Voluntary Mergers. In addition, the Board also held a Governmental Use Hearing on the proposed new Prospect Mountain High School.

There were 70 new lots created in 2002, along with 12 new apartments. Roads are currently being constructed in the "Timbers", Stockbridge Location and Merrymeeting Estates subdivisions.

Once again, the Planning Board adopted a six year Capital Improvements Plan, which was forwarded to the Selectmen, School Board and Budget Committee as a guide for the preparation of budgets.

New Zoning Ordinance amendments have been proposed by the Planning Board, which will be put forth to the voters at Town Meeting on March 11, 2003.

By New Hampshire state statute, the Planning Board has the authority to regulate subdivisions by its approval or disapproval of plats. The Board is also charged with Site Plan Review for commercial and multi-family development, the review of Voluntary Mergers and is the regulatory authority for Gravel Excavation Sites.

The role of the Planning Board extends far beyond attending meetings once a month. The volunteer members visit sites on weekends, have attended numerous workshops to prepare the Zoning amendments and many have attended seminars to keep abreast of changes in the laws.

We regretfully accepted the resignation of Dorothy Wentworth during the latter part of 2002. She was a great asset to the Board and we appreciate her diligent efforts.

REPORT OF THE CONSERVATION COMMISSION

In April 2002, Alton's Natural Resources Inventory, sponsored by the Commission, was completed by Americorp technician, Charles Hersey. Copies of the report are available at Town Hall and the Gilman Library. The Commission also provided funding for large laminated land use maps of Alton and a tax map overlay to be used with them. The maps and overlay provide detailed information about the locations of Alton's unfragmented land areas, wetlands, protected land, aquifers and other resources. They will be a valuable tool for town planning and are available for public viewing at Town Hall.

Throughout the year, the Commission reviews, conducts site field inspections and provides comments on Alton Wetland Permit applications to the N. H. Wetlands Bureau. In 2002, we reviewed a total of 82 Applications, an increase of over 30% from last year. Applications included 52 Standard, 27 Minimum Impact Expedited and 3 Seasonal Dock Notifications. The Commission also offered comments and recommendations regarding wetlands and environmental impacts to the Alton Planning Board for applications associated with proposed subdivisions. Notable applications involving subdivisions included L&D Realty Trust (Caley), Sample, Ellis, Snell and McGregor/Tod.

The Commission is responsible for managing the Alton Town Forest and Alton's conservation land, currently totaling nearly 800 acres. In 2002 the Commission received a new conservation easement located within the Esker Investments subdivision off Stockbridge Road. This easement protects the perennial stream, which flows through the subdivision to Merrymeeting Marsh.

We owe thanks to Parks and Recreation Director, Kelly Troendle for organizing the trail maintenance for the Mike Burke Trail at the Town Forest. We also extend our special thanks and appreciation to Land Use Department Secretary, Rosemary Jeffries for her terrific support in taking our minutes, maintaining our records and tracking Alton's many wetland applications.

We invite anyone interested in serving on the Commission to attend our meetings. Three positions are currently available.

REPORT OF THE ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment received 14 new applications during 2002, along with two requests for rehearings of cases.

The Board approved six Special Exceptions and four Variances. Three applications for Special Exceptions were denied and one Equitable Waiver case was continued over to 2003.

We updated our By-Laws, along with our application instructions and the application, itself.

Board and staff members attended seminars to keep abreast of the changes in laws and recent court cases.

We, as members of the Zoning Board of Adjustment must act in accordance with the New Hampshire state laws and the terms as specified in the Alton Zoning Ordinance. While the decision-making process is not always an easy one, the volunteer Board members feel a satisfaction in our service to the community.

There are currently seats available as Alternates to the Board. If you are interested in serving as a Zoning Board member, please contact the Land Use Office at 875-5095, or complete an application form at the Town Hall.

LAKES REGION PLANNING COMMISSION

With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the Lakes Region Planning Commission (LRPC) provides a wide range of planning services to its members. Our work program is as comprehensive as it is full, with activities ranging from technical assistance, geographic information systems, transportation, land use and environmental planning, to economic development. We are funded from multiple sources including local and state government, as well as special studies. LRPC is contacted many times each week for answers to local concerns. We also continue to maintain a regular dialogue with state agencies that depend on us as a resource for the entire Lakes Region. Our goal is to provide support and leadership to the region, its governments, businesses, and citizens.

Here are some of our services performed on behalf of Alton and the region in the past fiscal year:

- ❖ Provided town officials with ordinances pertaining to wetlands/steep slopes.
- ❖ Provided circuit rider planner services to assist the planning board with subdivision applications and related land use services.
- ❖ Ordered and delivered to the Alton Planning Board twenty-five copies and one CD ROM of the 2001-2002 NH Edition Planning and Land Use Regulation books at considerable savings.
- ❖ Coordinated the 17th annual Household Hazardous Waste Collection, the largest single day, multi-site collection in New Hampshire. Over 2,000 households from twenty-seven communities brought approximately 22,000 gallons of household hazardous waste products to the collection for removal.
- ❖ Performed over 160 traffic counts and several road inventories around the region, as the result of the annual work program with the NH Department of Transportation.
- ❖ Convened four area commission meetings that focused on Workforce Housing, Community Visioning, Intermodal Transportation Plans, and the National Ground Water Institute and Environmental Education.
- ❖ Facilitated several regional meetings that led to the construction of the Lakes Region Household Hazardous Product Facility in Wolfeboro.
- ❖ Produced the Annual Report on Development Trends in the Lakes Region.
- ❖ In cooperation with the NH Community Development Finance Authority, updated zoning maps for twenty-seven municipalities, and created a database of human services.
- ❖ Co-hosted and organized with the NH Municipal Association, three public Law Lectures where practicing attorneys provide a legal perspective on local planning, zoning, and other municipal issues.
- ❖ Hosted a regional National Flood Insurance Program (NFIP) workshop in cooperation with the NH Office of State Planning and the NH Office of Emergency Management.
- ❖ Initiated cooperative, regional efforts for groundwater protection, and for effective watershed planning.

- ❖ Increased capability to work with local communities to produce All Hazard Mitigation Plans.
- ❖ Prepared and adopted regional recommendations for Transportation Enhancement Funding.
- ❖ Continued to support the Pemigewasset River Local Advisory Committee.
- ❖ Represented the region on several committees including: the NH Transportation Enhancement Advisory Committee, the Statewide steering committee to update the NH Airport System Plan, the Belknap County Economic Development Council, the Northern Rail Task Force, among others.
- ❖ Contributed to area efforts interested in forming a Lakes Region Workforce Housing Action Committee, with participants from the private, municipal, and non-profit sectors.
- ❖ Convened several meetings of the LRPC Transportation Technical Advisory Committee to improve transportation planning, project development, and communication around the region.

It has been a pleasure serving you, and we look forward to continuing our efforts to meet regional needs.

REPORT OF THE PARKS AND RECREATION DIRECTOR ☺

Mission Statement: The Alton Parks and Recreation – Grounds and Maintenance Department offers a variety of programs and activities for recreation, personal development and leisure time enjoyment.

The Alton Parks and Recreation – Grounds and Maintenance Department is responsible for organizing, planning and promoting recreational activities to improve the quality of life for members of the community. The Department is also responsible for the maintenance of all of the Town buildings and parks and recreation areas. The department completed their capital improvement project, the reconstruction of the Tennis Courts, located at Liberty Tree Park, in September with assistance from the Highway Department and plans to offer USTA Tennis Lessons and a Tennis League Program in 2003 for youth and adults.

Please take the opportunity to stop in at one of our parks or recreational areas and enjoy the simple pleasure of playing a game, swimming in the lake or hiking on a trail. I hope that you will leave the park feeling more relaxed and happy. Parks are a great place to play and be active or to be quiet and reflect. Parks provide opportunities to enjoy nature, exercise and be active and to share forever memories with family and friends. I always hear positive comments and stories about people playing at the park or swimming at the bay. Many lasting memories are made through leisure time activities.

The Department offers many programs and activities for people of all ages. Programs we sponsor help educate, socialize, teach vital life skills and provide opportunities for the community to get together. Some of the programs we offered this year included: Country Line Dancing Lessons, Town Wide Yard Sale, Swimming Lessons, Basketball Camp, Soccer Camp, Canoe Race, 5K Road Race, Concert Series, Craft Fair, Old Home Days, Senior Bingo, Pre-School Activities, Youth Afternoon Activities, Youth Full-Day Activities, Recreation Soccer League, Volleyball Tournaments, Adult Softball League, Yuletide in Alton, Egg Hunt, Teen Dance, Winter Festival and the Hiking and Biking Club.

Jay Sydow, a very active member of the Parks and Recreation Commission, resigned this year after over twelve years of volunteer service to the Town. Mr. Sydow was instrumental in designing event t-shirts; running the snow shoe obstacle course and bed race during Winter Carnival; construction of the Haunted Hayride and Haunted House held at the Town Hall and planning park projects to include: the Mike Burke Memorial Volleyball Court, reconstruction of the Tennis Courts and Basketball Courts at Liberty Tree Park and improvements at Railroad Square Park. Mr. Sydow has made a significant contribution to our community and his efforts and creativity are sincerely appreciated.

I would like to thank Ken Roberts and the Highway Department for their continued support and assistance with our park projects. The Highway crew prepared the site work for the reconstruction of the Tennis Courts and assisted with our plowing responsibilities and snow removal. I would also like to thank and recognize our department staff members, Gerald Theodora and John Bishop for their dedication and commitment to keeping the Town parks and buildings attractive and inviting. A special thank you to the Garden Club, Recreation Soccer Coaches and the Parks and Recreation Commission members: William Lionetta, Jack Bernard, James Washburn and Vic Platania who donate their time, energy and ideas to the community in order to provide valuable services, programs and facilities.

Respectfully submitted, Kellie Troendle, Certified Park and Recreation Professional
Parks and Recreation Director

REPORT OF THE LEVEY PARK TRUST

For the third consecutive year, the trustees purchased shrub and tree seedlings in the spring From the Belknap County Conservation District for planting within the park. This year's varieties consisted of arrow wood, snowberry, and grey dogwood---all of which are noted for their attractiveness to small wildlife and birds.

Wood preservative was applied to all wooden items constructed in recent years, including the three benches on the path around the kettle hole, the bench at the scenic lookout, and the fence along the back of the picnic area.

A new trail, the Merrymeeting River Trail, was laid out and cut in the northwest portion of the park. This completes the Trustees' goal of expanding the walking paths within the park.

We are once again indebted to Claire Fitzgerald for supplying and planting flowers at the park's memorial tablet on Route 11.

Levey Park is open to the public from sunrise to sunset for picnicking, hiking, X-C skiing, and snowshoeing. No motorized vehicles of any kind are permitted, nor are open fires. Municipal well water is available during the warm weather months.

Respectfully submitted,

Richard N. Jones, Chairman

ANNUAL REPORT OF THE FIRE CHIEF

Twelve months have come and gone so swiftly they go by. It's the activities that make up life in Alton that make it prominent in our minds. The lives of the men and women of your FIRE RESCUE DEPARTMENT have changed over a four year period. Year-end 1998 our calls for emergency service were a total of 225. Year- end 2002 550 calls for service were answered. As you know the addition of ambulance service by paid call personnel and now the housing of two ambulances has challenged our personnel and facility space.

Statistics presented by Lakes Region Communications Center ranks Alton the ninth busiest out of thirty seven member communities. The first eight being permanently staffed Departments. Three hundred forty of our calls for service of Five Hundred fifty were requests for Emergency Medical Service. Each and every member of your Department deserves a star in their crown for meeting this need on a call- by- call basis. We are very fortunate in this regard to have an Intern Firefighter Program that has now evolved to five students attending the N.H Community Technical College in Laconia. Four of these young men are EMT's and one is in training . Two Interns respond from Central Station and three respond from West Alton Station .

The one hundred thirty eight percent increase in calls to date from 1998 before providing ambulance service has taxed facility resources, housing two ambulances in space that was full before assuming the responsibility.

These things considered we are thankful the Board of Selectman has appointed a committee to evaluate the facility needs of the Town public safety departments and they are moving forward on this process. Central Station now houses the new American LaFrance MedicMaster Ambulance received in the early Spring of this year. Most recently we received the new forestry utility vehicle approved at last years Town Meeting. This additional equipment has required the relocation of our ladder truck to accommodate all the vehicles in Central Station. It is now completely full. Personal protective clothing has been moved to allow room for apparatus.

Considering all that has evolved in the life of the Department this year we must express our appreciation to the personnel who meet the needs 24/7. The assistance by the Alton Police and Highway Departments met many special needs and we would be hard pressed to do the things we are required to do with out their assistance Thank You to Chief Iwans and Ken Roberts for the support of their departments. Our facility support from Kellie Troendle and her maintenance staff has been terrific. One department that may be overlooked from time to time is our Town Hall staff.. They meet the needs of all departments and to them we thank you. On behalf of the Fire Wards, Officers, and staff of the department, thanks to the folks of Alton for your continued support in so many areas. In closing I am mindful of the Blessing of Guidance and safety over all personnel who serve. The commitment of those with a servants' heart has protected our Nation and our Community. As we continue through this year you may consider how you may compliment the team by committing to serve.

In service to our community,

Russ Sample Fire Chief

REPORT OF THE POLICE CHIEF

The year 2002 has ended with a snowy “bang”. Overall in the past year the calls for service to the Police Department have been fairly consistent with the previous year. The demands on our Police Officers have been just about the same, with some types of crime increasing a bit and other types decreasing a bit. On a positive note, it is good to see a decrease this year in the number of assaults and drug-related arrests. The general trend over the last five to seven years though, has been a steady increase.

Recognizing that the Town is rapidly growing, the Board of Selectmen has appointed a committee to determine what the future space needs will be for Alton’s Public Safety Agencies. The committee is comprised of the Fire Chief and Police chief as well as several citizens who are giving generously of their time and expertise. Together we are working to try to determine what each agency will need in order to best serve the Town. We hope that by looking at the problem early enough, and by considering all options, Alton’s Public Safety Agencies can be maintained with 21st century technology in the most cost effective manner possible.

The Police Department experienced a normal rate of turnover this year by the national standard, and a somewhat lower rate by the New Hampshire standard. In other words, other Departments fared worse than we did. While it is always sad to lose a valued member of the Department, it is reassuring to note that in most cases people left us to go onto other career options. We are very pleased to welcome our new members, who bring a great deal of experience with them.

The new School Resource Officer (SRO) program has proven to be very successful. The program, the first three years of which are paid for almost completely by the Federal Government, is very popular with parents, students, teachers, and staff. Recently, in conjunction with the SRPO program, we held a holiday event at the school and a lot of area kids had a chance to meet Santa. We are all very proud of the program and have high hopes for its future.

We remain dedicated to the principals of Community Policing and Customer Service. Each and every member of the community is welcome to voice his or her concerns, to ask questions, or just to stop in for a visit. Please remember our Ride-Along Program! Thank you for your help and support, it makes our job easier.

In Your Service,
Kevin D. Iwans, Police Chief

REPORT OF THE ALTON WATER WORKS

The primary goal of the Water Works is to provide safe clean drinking water in sufficient quantities to meet the current demand of our system users and to plan for future increases in the demand on the system.

Presently the Water Works operates two well/pumping stations located at Levey Park and on Route 140 near the fire station. The Levey Park station can produce approximately 300 gallons per minute (GPM) and has treatment facilities. The Route 140 station can produce approximately 160 GPM. During 2002, the well/pumping stations combined, delivered 65 million gallons of treated water into the distribution pipes of our system. The pumping station on Route 140 near the fire station is used solely as a back up if the Levey Park pump fails.

To insure safe drinking water the Water Works conduct monthly bacteria testing as required. A considerable number of other tests are also taken during the year. We are pleased to report that our drinking water is safe to drink and meets or exceeds federal and state standards as specified by the 1996 Amendments to the Safe Drinking Water Act.

The new Jones Field well is nearing completion with the constriction of the pump house scheduled for spring. We will be asking for approval of an additional \$144,000 to complete the project.

During 2002 we replaced the water main on Jewett Farm Road, extended the main to the south side of the rotary circle, replaced several hundred feet of seasonal line and numerous water services. We also continued our Meter Replacement Program replacing over 65 meters. The fire hydrant on Main Street near Ginny Douglas Park was replaced and two new hydrants, one on the rotary circle and one at the Jones Field, were added.

Some projects scheduled this year include a new line to serve the motel on Route 28 South, a new main on Old Wolfeboro Road continuing across Route 28 North and continued replacement of seasonal lines on Route 11.

In closing, the Water Works would like to thank the residents for their continued support. We would like to request your assistance by reporting water leaks and other problems as soon as possible. If you have any problems or questions, please call our office at 875-4200 or drop by on Route 140 next to the fire station.

Respectfully Submitted,

Richard Quindley, Superintendent

REPORT OF THE HIGHWAY AGENT

I wish to thank the residents of Alton for their support of the Highway Department. With out your support we would be unable to do our jobs. Your telephone calls have been appreciated from year to year to year to help us to identify problem areas, some of these problems were corrected immediately, in other areas we were required to put into long term plans due to budget constraints. Please continue to call and help us to make Alton a better place to live.

REPORT OF THE SOLID WASTE CENTER

Well, another year has come and gone. I started this job in June, so I cannot tell you much about what happened before then. July was our busiest month with 194 tons of Solid Waste, 120 tons of demolition, with a total tonnage of 314 tons. That's 5 tons less than last year. Our slowest month recorded was February with 84 tons of solid waste and 42 tons of demolition, totaling 126 tons. Plastic was up 3 tons in 2002. Solid waste and demolition was at 2467 tons compared to 2500 tons in 2001. The following figures reflect the total tonnage for 2002:

Solid Waste	1445tons
Demolition	1022 tons
Plastic	33 tons

Please remember to recycle, it is mandatory, and saves the Town money. We anticipated the cost for disposal for solid waste and demolition will go up significantly in 2003.

In closing, I would like to thank the public for recycling. Also, I want to thank my staff for keeping our facility running smoothly and clean.

Respectfully submitted,

A new era is underway in the Executive Branch of your NH State Government, headed by Governor Craig Benson. I envision that his administration will be bringing new and innovative ideas of a modernized New Hampshire State Government, by utilizing tools of the new age of technology. This will bring enhanced services to the citizens and users of NH State Government. Through the many checks and balances of power at the State Capitol, Governor Benson will not go too slow or too fast.

I encourage citizens to contact Governor Benson and offer to serve on a Board or Commission. Each biennium more than 300 citizens are appointed to these public Boards. The address is: State House, 107 North Main St. Concord, NH 03301. The phone number is: 603 271-2121. A new administration is in Concord. Let's make very sure our region is a part of the Benson era of New Hampshire! For a listing of the Boards and Commissions under the authority of the Governor and Council, please visit the Secretary of State Web site at: <http://webster.state.nh.us/sos/> or call my office at 271-3632.

As Councilor, I will be conducting official tours with Commissioners and Directors of State Agencies all summer and fall of 2003. If you have a

special event or project you would like a certain agency to visit or focus on, please let me know.

As Councilor, I will be holding official summer 2003 hearings on proposed changes to the NH Ten Year Highway Plan. All Town, Counties and Cities will be notified of this schedule of public hearings in your region. Please utilize your regional Planning Commission as a starting point for your transportation ideas and concerns. For detailed information on the Ten Year Highway Plan visit the Department of Transportation web site:

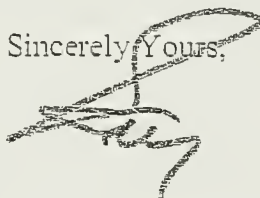

<http://webster.state.nh.us/dot/>

All citizens and public agencies should contact our NH Congressional Delegation and ask for more support from Washington, DC. New Hampshire ranks near the bottom of the list in monies returned back from the Federal budget.

For every dollar of taxation we send to Washington we get back ONLY 71 CENTS! Let's send many lists to Senators Gregg, and Sununu, and Congressmen Bass and Bradley and give them a chance to do better!

Please keep in touch with my office. I am at your service.

Sincerely Yours,

REPORT OF THE GILMAN LIBRARY

The year 2002 was a special year for us as we were busy placing bar codes on library materials as part of the first phase of library automation. Both volunteer and paid staff spent countless hours locating specific library materials for the purpose of applying bar codes that were specially created for each specific item. This is quite a challenge considering that the library receives new materials on a regular basis and that the collection continues to circulate as we are completing this process. Library users are now able to access the majority of the library collection through the automated system and may notice that most of what they borrow now contains a bar code. We also started the second phase of automation by placing new date cards in items as they were checked out of the library. We are looking forward to the year 2003 as we will be revising policies assigning new library cards to all patrons and updating our patron records while doing so.

We appreciate your patience as we undergo this process that can seem confusing at times. However, when automation is completed we will be able to provide faster service and more complete information to our patrons.

Many thanks to all of you who have displayed your "special collection" in our library either in the form of an artistic collection to decorate our walls or a collection placed under glass in our display case located near the circulation desk. New collections are always welcome. We will continue to display any special collections that you may be willing to share with the community in the year 2003.

Here at the Gilman Library we are still talking about books. The book discussion group meets on the second Monday of each month at 6:30 PM to discuss a book of their choice. Meetings are usually held in the Agnes Thompson Meeting Room at the Gilman Library. New members are always welcome.

A new service provided by the Gilman Library is the "Puzzle Swap". Those who wish to participate may borrow a puzzle from our collection and, if you would like to, leave one of your own in its place. If you are looking for a new hobby you might consider trying a puzzle. Puzzles are a great way for people of all ages to relax while keeping the mind and memory active. You can elect to take one of ours home or take some time to work on the puzzle that we have set up here for everyone to enjoy. Special thanks to the individuals who have donated puzzles to the library and allowed us to offer this new service. For more information please stop by and see us.

In addition to the "Puzzle Swap", the Gilman Library has included a "Paperback Swap" among the services provided by the library. Those who wish to participate may take a specially marked paperback book from our collection and, if you would like to, leave one in its place. If you are considering a trip in the near future and would like to have more room in your suitcase for that special souvenir or hesitate to check out a library book for fear of accidentally leaving it at your favorite vacation spot, please consider exploring our "Paperback Swap Shelf" located near the circulation desk. You are welcome to keep the books, return them to us or replace them with another book that is good condition.

another book that is good condition.

The Gilman Library adopted a new fundraiser during the year 2002. You may purchase a brass bookmark for just \$5.00. Each engraved "Gilman Library" Bookmark comes boxed and ready to wrap for gift giving. All proceeds go to the Gilman Library Building Fund and are earmarked for the library elevator. In addition, bicentennial posters, Alton Afghans, Alton Village Collectibles, commemorative bricks, canvas book bags, and t-shirts are still available for purchase and it is not too late to "Adopt a Plant, Tree, or Shrub".

Story hour for children ages 3-5 is held on Wednesday afternoons from 1:30 to 2:15 PM. Those who attend enjoy stories, songs and crafts. We commend our "story hour moms" Linda Labbe, Shay Bennett, Deborah Gagne, Suzanne Robinson, Laurie Rasbridge, Cathy Fraser, Marilee DeCoff, Rachael Fishbein, Michelle Clark, Sharon Sasserson, Michelle Whistle, Gerrie Filiogiannis and Michelle DeRoche for all they have done to help instill a love and appreciation for books, reading and learning in our little people. Many thanks to our moms for making story hour a great success.

The Friends of the Gilman Library continue to be a tremendous asset to the library. As in the past, they have continued their efforts to "make the Gilman Library the best it can be" by donating time and refreshments to various meetings, programs and events throughout the year. The following committees worked to benefit the library:

1. Decorating Comm. - to decorate the library during the holiday season.
2. Fund Raising Ideas Comm. - money was generated through the sale of calendars, t-shirts and canvas book bags, a car wash and a book, bag and bake sale.
3. Refreshment Comm. - to contact various members for donations of baked goods to be provided during sponsored programs and events.

Officers of the Friends of the Gilman Library include Co-Chairmen - MaryBee Longabaugh and Barbara Ingoldsby, Treasurer - Shirley Bishop, Secretary - Dot Folsom and Corresponding Secretary - Pat Merrill. We extend our sincere thanks to all members of the Friends of the Gilman Library for another wonderful year.

SPECIAL EVENTS

In honor of Valentine's Day, the Gilman Library "celebrated our love of books" thru the week of February 12-16. We celebrated in two ways. First, by holding a special book sale. Second, by accepting all overdue books free of late fees. This sale was a great success. Special thanks to all who took part in this event.

Gilman Library Trustees, Friends of the Gilman Library, the library staff and library patrons welcomed Sarah Sandhage to The Gilman Library as our new Library Aide.

Many of you may already know Sarah as she is a resident of Alton and a library patron. Sarah's background in secretarial skills, customer service and library experience make her a real asset to our library. Sarah is a pleasure to work with and we feel sure that you will enjoy her pleasant

smile and friendly demeanor. We are looking forward to many years of working with Sarah!!

The Gilman Library participated in the Town-Wide Yard sale by holding a "Book It, Bag It and Bake It" sale. Friends of the Gilman Library Canvas Bookbags could be purchased for five dollars and filled with books free of charge or a plastic bag could be filled for one dollar. Delicious baked goods, donated by members of the Friends of the Gilman Library and many others, were also available for a nominal fee.

Mrs. Reese's Pre-School Class from the Alton Central School visited the Gilman Library on several occasions during the school year to enjoy a story and a craft. Special thanks go to Cathy Fraser for making this program possible.

This year's summer reading program entitled "Lions, Tigers & Books, Oh My!" was a great success. A total of sixty-two children participated in this year's program. Thirty-Two Readers took part in the program by reading a grand total of 344 books within five weeks!!! Many more children took part in the program through answering weekly trivia questions, participating in guessing games, completing word search and crossword puzzles and entering the coloring contest. Participants, friends and family members celebrated summer reading with storyteller Mike Sullivan and his "Tall Tales". We look forward to another wonderful program next year!!

The Friends of the Gilman Library held their 2nd Annual Car Wash on Saturday, July 13, 2002 from 9 AM to 1 PM. As a result, the Friends received \$330.55 in donations. This amount beat last years total. So next year we will strive to do even better!!!! Special thanks go to members of The Friends of the Gilman Library who worked so hard to make this happen and to those members of the community who took part through allowing us to give their car a bath. We are forever grateful to our friends and our community for supporting us and for helping to make the Gilman Library the "Best It can Be".

Our Annual Mum Sale, held on September 21 and 22 at the Gilman Library was a great success. We wish to thank all of you who took part in this years mum sale through volunteering to help with the sale and/or through making a purchase. We are very grateful to Sunflower Gardens, Rte. 28 So., Alton, for providing the glorious mums, and for making a very generous donation to the Gilman Library Building Fund. Words alone cannot express how much we appreciate the support of the Friends of the Gilman Library, Sunflower Gardens and our community. Proceeds go toward the Gilman Library Building Fund and are used for library automation.

Once again, the Friends of the Gilman Library demonstrated their expertise and dedication to our library through hosting our fourth annual Holiday Tea which was held on Tuesday, December 10, 2002. Friends, patrons and library staff enjoyed refreshments and holiday music presented by members of the Alton Central School Band and Chorus. Our most sincere thanks go to everyone who took part in the Holiday Tea through decorating the library for the holidays, preparing for the tea, delivering refreshments, providing entertainment or for attending.

It was our pleasure to welcome Santa here as part of the new tradition we celebrate in Alton

known as “Light Up Night”. We hope to see everyone again next year!

LIBRARY PROGRAMS

The Gilman Library receive three grants through the New Hampshire Humanities Council for the year 2002. As a result, the following programs were made possible;

(Sponsored by The Friends of the Gilman Library)

“The Abenaki Indians” presented by Philip Decelle.

(Sponsored by The Friends of the Gilman Library)

GENERAL INFORMATION

Volunteerism plays a large part of what makes our wonderful library run smoothly. Without the exceptional efforts of our volunteer staff managing the library would not be possible. Regular volunteers include Nancy Jordan, Cathy Fraser, Dot Folsom, Pat Merrill, Terry Gilmore, Daryl Czech, Norman Gilbert, Janet Burton, Peg Kayser, Mary Batchelder, Beryl Dow, Linda Labbe and Betty Dadura. Other volunteers who were on hand to help with special events were Shirley Copeland, Brenda Falke and Bunny Weeden. Regular and temporary volunteers have worked a total of 1,434 hours in the year 2002. This includes hours worked by “story hour moms” mentioned earlier in this report. It does not include the time spent by Lee DiGiovanni on maintaining the Alton Village Collectable Series and the Alton Afghan funds. Also, the time spent by Cindy Miller on maintaining the poster funds.

The Agnes Thompson meeting room was used by various organizations, clubs and individuals throughout the year. Users include the Alton Garden Club, the Alton Historical Society, the Friends of the Gilman Library, the PTSA, the Book Discussion Group, the United Association, the Quilters Club, etc. The total number of meetings and programs held in the library in 2002 was 150.

In addition to regular duties associated with the library, the assistant librarian attended 4 Friends of the Gilman Library meetings and 4 Workshops offered by the New Hampshire State Library. The Librarian attended 3 RALI meetings, 5 Friends of the Gilman Library meetings, 1 Chilis meeting, 2 NHLA meetings and 3 Workshops offered by the New Hampshire State Library.

The purpose of the Gilman Library is to enrich the quality of life through nurturing the joy of reading and lifelong learning by addressing the informational, educational and recreational needs of the community.

Through the year 2003 we will continue to make the Gilman Library the best it can be and will remain eternally grateful for the support of our community.

Respectfully Submitted,

Holly Brown

REPORT OF THE HAROLD S. GILMAN MUSEUM

This year a collaboration between the Alton Historical Society, American Legion Post 72, the American Red Cross, and the Gilman Museum brought their combined resources together for the exhibit *"Honoring Brave Men – The Civil War"*. Displays on loan for this exhibit were many and varied and we appreciate all those who participated in helping us with our annual opening on Memorial Day. And, we are grateful to the Alton Historical Society members for hosting and providing refreshments during our preview night of this important exhibit. Our Memorial Day opening and our Open House for Old Home days brought families to the museum to participate in specially designed programs. Young children were given the opportunity to roll bandages, make their own American Flag and hand crank ice cream while their parents and grandparents enjoyed the exhibits.

The museum was open Wednesday and Saturday from 10:00am to 3:00pm through out the summer season concluding the exhibit with a tour of the Cocheco Inn/Savage Inn in Alton's Historic Monument Square in October.

In celebration of the Lakes Region Yuletide and Alton's Light Up Night on December 7th, a Victorian Christmas featured *"Keepsakes of Beauty and Tiny Treasures, Quilts and Buttons"*, music from a Regina upright music box, carols were played on our 1860's baby grand piano, and mulled cider and cookies were served to our guests. The exhibit featured quilts from the Museum's own textile collection along with those of local families and included the Museum's own extensive and exquisite button collection.

In order to serve the museum's public and coordinate access to the museum collection the Museum committee has undertaken the process of cataloging the extensive decorative arts collection. A computer and museum software program was installed in 2002. Currently the collection is being identified and labeled and entered into a searchable data base that will ensure good physical care and intellectual research and is under the direction of our curator/consultant Florence Davis.

The Gilman Museum Committee would like to thank our stalwart cadre of volunteers who gave generously of their time and talent acting as guides during the summer and during the installation of the special exhibits and to those who offered their advise, expertise and donations for our exhibits. We want to acknowledge The Trustees of Trust Funds, Pamela Arnold, Barbara Gilman for researching Alton families, our Curator/Consultant, Florence Davis, the Alton Highway Department, Jamie Rockwood our custodian and Joe Monasky our Master Carpenter. We appreciate our young junior helpers Morgan Council and Kazmeira Breest. Our thanks to the Carr family, Mike Currier, Armand Fillian, the Amherst Button Club, Peter and Elizabeth Varney, Linda Monasky, Raymond Maguire, Debbie Dwelly, John Fogel, Martha Clark, Corinne Brown, Shirley Lane, Estelva Rollins, Ann Hoagland, Francine and David Widerstrom, Scott Werner, Alton Garden Club, and our Alton High School co-op student; Jordan Anahonak. Our thanks is also extended to Fire Chief Russell Sample for his advise and expertise, our contractors, local businesses, the citizens of Alton and Town Officials for all your kindness and support.

William Crocker, Chairman

REPORT OF CEMETERY TRUSTEES

There were 25 burials in the year 2002. Fourteen lots were purchased. Cremation lots are still available in the New Riverside Cemetery.

Special thanks to Beulah Thayer and Ida Glidden for their generous donations, it is much appreciated.

The flags flying over the cemeteries need to be replaced.

The Cemetery department purchased the property abutting the south side of the New Riverside Cemetery located on Route 28 South, containing 5 acres. A bar gate was installed for access for maintenance of the property. Thank you to Mark Divito for donating his time to see the property was properly prepared and secured for the winter.

Please not signs, which will be posted in the Old Riverside Cemetery on Main Street. Rows A-K will be enter only. Upon reaching the rear of the cemetery, it will be right turn only with the last two rows exit only. As driving on the grass is prohibited and the roads are narrow, we hope this will alleviate further damage to the grounds. Thank you to Tammy Cornelissen for the wonderful job of constructing the signs and donating her time and the material.

At this time I would like to thank the Trustees, Mark Divito and Tammy Cornelissen for their co-operation and abundance of time spent in this busy, busy, year. I deeply appreciate the dedication and efforts of our caretakers Jack Bernard and Bob Whitham. Well done to the entire team for a successful year.

The Trustees meet the first and third Wednesday at the Town Hall.

The cemetery will open April 1 and close December 1. Ground conditions will determine when we will be able to schedule burials.

Shirley A. Lane, Chairman

ANNUAL REPORT OF ALTON COMMUNITY SERVICES PROGRAM

We are entering our fourth year serving the Alton area in aiding the distressed and the less fortunate. We are forever grateful for the continued willingness, interests and the many hours of our volunteers and to the members of our community who make this possible.

We continue to provide relief to the poor, the distressed or the underprivileged throughout our community. We strive to meet their physical and spiritual needs through our provisions of food, clothing, furniture, or referral services to other organizations; churches, federal, state and local government assistance programs.

We have increased our clients this year serving as many as 17 for many weeks. Everything is listed, the number of meals approximated and filled. Monthly inventories are faxed to the local Community Action Office in Laconia.

Elizabeth Sweeney, Pastor Robert Hett and I continue to serve on the St. Vincent de Paul Finance Committee and Elizabeth is chairman for the Salvation Army locally. The St. Vincent de Paul Society has had to drop several communities from their roster for lack of volunteers and the increased demand in the Laconia area.

The following figures represent amounts received and expenditures for 2002:

SVDP	\$ 3454.81
Community Church	3875.00
The Bay Church	undisclosed
Community Action Program	400.00

Net Income October 31, 2002	\$13,416.35
Expenses	11,541.60

Without these monies, Alton would have experienced more homeless families. We ask that you continue to remember us in your prayers that we may continue to be of service and remember to have an "attitude with gratitude", there but for the grace of God go I.

REPORT OF THE ALTON FIRE DEPARTMENT AUXILIARY

The Alton Auxiliary, known as 'The Fireflies' have been active in a variety of ways. We prepare and serve meals and snacks for various Fire Department functions to include training weekends, as well as sandwiches, sodas, coffee, and water in the event of a fire. We are also in charge of food, drinks and the manning of the Book Sale and Flea Market tables at the Annual Fire Department Auction, and we are the servers at the Annual Chicken Barbeque. This year we also sold coffee, donuts and muffins at the 10K race that was held at the Bay.

In November we start preparing and working on the Mrs. Santa Fund. This year many caring people made 70 donations of money, and many gifts were donated also. The contributions of time, energy and the enthusiasm of those who volunteer to do the coordinating, shopping, and wrapping is such a pleasure to see. Their work made the 2002 Christmas season much happier for 77 children in our area.

The generosity of our community is well-felt and appreciated by The Fireflies and the Firemen and we thank you.

REPORT OF THE ALTON GARDEN CLUB

The Alton Garden Club will celebrate 70 years in existence this year!!! How very exciting! The club was begun in 1933 under the guidance and leadership of co-founders Mrs. Bertha Damon (President 1933-1935) and Mrs. Alta MacDuffee (President 1939-1941). We have ended 2002 with a membership of 101.

The Garden Club plants and tends the fifty(50)plus barrels at the Bay and in Town. We tend the Ginny Douglas Park, the garden at the Police Station, the Shirley Ferry Memorial Park, the Gilman Library, and the Town Hall. The Club also supplies and hangs Christmas wreaths in various Town buildings, decorates the gazebo throughout the year, and donates Memorial books to the Gilman Library.

Our meetings are held monthly from April through November to include luncheons, field trips, talks, slide shows, and demonstrations. Each year brings new members, new programs, thoughts, and ideas. Each year brings more beautification to our town, thanks to the Alton Garden Club members.

The officers and Committee Chairs for 2003 are as follows:

President	Phyllis Buchanan
Vice-President	Vi Russell
Recording Secretaries	Paulette Brooks and Louise Karjanen
Corresponding Secretary	Margaret Birdsey

REPORT OF THE ALTON HISTORICAL SOCIETY

The Alton Historical Society enjoyed an eventful year, with five programs scheduled during July and August, our Annual Appraisal Day co-sponsored with the Alton Bay Christian Conference Center, a trip to Exeter where we visited the Historical Society and enjoyed lunch at a restaurant of our choice. The Society is grateful to the Gilman Library for allowing us the privilege of presenting our programs in its lovely meeting room. Finally, our Annual Meeting and Pot-Luck Supper was held at the Alton Senior Center. The nominating Committee presented its slate of officers. All present officers agreed to serve another term, and it was so voted.

Our programs in 2002 were as follows:

April – Bob Rollins and his sister Gertrude Griffin spoke about “Growing up in Alton.

May – Our featured speaker was Tom Hoopes, displaying and talking about his “Historical Post Card Collection”

June –Our program was co-sponsored with the Gilman Library. The speaker was Allan Koop recounting tales from his book, “Stark Decency: German Prisoners of War in a New England Village.”

July – Dana Philbrick regaled us with “History of Trains” and shared many facts and artifacts with us.

August – we co-hosted our “Annual Appraisal Day” , with the Alton Bay Christian Conference Center.

In September the Society visited the Exeter Historical Society and toured their building and the beautiful town. Our Annual Meeting was held in October, reports were given, and officers voted in, with the present officers serving another term.

The members of the Society also volunteer in our Museum, located in the Gilman library. The museum is open from 2-4PM on Wednesday and Friday during July and August. Two people are asked to volunteer for each afternoon. We look forward to next year, and invite anyone with an interest to come join us.

LAKES REGION
COMMUNITY
SERVICES COUNCIL

Dedicated to serving the community by promoting independence, dignity and opportunity.

REPORT OF LAKES REGION COMMUNITY SERVICES COUNCIL

Lakes Region Community Services Council provides support and services to families with children and adults who have developmental disabilities and live in Alton and the surrounding communities. Some of the supports we provide to people with disabilities includes: support to families, respite, help to find jobs, help with keeping employed, involvement with community events, assistance with personal care needs and transportation.

Last year we again used the funding requested to support a recreation position. The recreation coordinator has been working on providing recreational opportunities for individuals in the Alton area and surrounding towns. She has been collaborating with local associations that already have existing programs and providing assistance to make the programs inclusive for all to participate.

We would like to thank the citizens of Alton for your on-going and future support of making recreation opportunities available for all to participate.

New BEGINNINGS

A WOMEN'S CRISIS CENTER

Report to the Citizen's of Alton:

On behalf of New Beginnings - A Women's Crisis Center and those we serve, I would like to thank the Town of Alton for its continued support. The \$1300.00 allocation in 2001 assisted us in providing emergency services, advocacy and support to those whose lives have been affected by domestic and sexual violence.

New Beginnings offers 24-Hour Crisis Line. We operate a full time shelter for women and children and have safe homes for male victims; provide support and advocacy at courts, hospitals, police stations, and social service agencies. New Beginnings offers peer support groups for those affected by domestic or sexual violence, assists with needs assessments, case management and housing options; and does community outreach and education programs for youth, teens and adults. **All services are confidential and are provided free of charge.**

The advocacy, outreach, education and support services our agency provides represent many service hours and individuals. In 2001 our agency documented 7,982 requests for services as well as requests for educational & community outreach.

New Beginnings is one of 14 members of the statewide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic and sexual assault programs. The coalition is an evaluating body and administrator of state and federal contracts that provide subsidiary funding for member programs while advocating for legislative change that affect victims/survivors of domestic and sexual violence.

We greatly appreciate the support of the Alton community. We are dedicated to human service, social responsibility and fiscal accountability. Although, New Beginnings represents a finite portion of the Alton Town Budget the returns are immeasurable. We welcome your participation in our efforts to insure a world of safety for our children and ourselves.

Volunteers are an integral part of the work done by our agency. In 2001 there were 15,240 hours of service provided by volunteers. They are always needed and the opportunity to serve is fulfilling.

Thank you for joining us to *make a difference*.

Sincerely,

Kathy Keller, Director

VNA HOSPICE ANNUAL REPORT

VNA-Hospice is a not-for-profit, Medicare certified home health and hospice care agency that is licensed by the State of New Hampshire. We also provide Maternal Child Health services and community health services to residents of Alton and 10 other area towns. We have been providing home health services in this region for over 55 years.

During 2002, VNA-Hospice staff were privileged to provide the residents of Alton with home care, hospice care and community health services. In 2002 we purchased tele-health monitors and they have been installed in the homes of some of our sickest and most vulnerable patients. These monitors will take blood pressure, pulse, oxygen concentration and weight every day and transmit it via telephone line to the VNA office where it is monitored by a registered nurse and sent to a patient's physician if necessary. Tele-health monitoring allows us to see our patients every day, even if a nurse is not scheduled in the home every day.

We have also participated in a national project that measures your satisfaction with VNA-Hospice against other home health care agencies in our region and throughout the country. Overall we are rated in the ninety-fourth percentile, which we are very proud of, however, we know there is still some small room for improvement and that will be our goal during 2003.

In the year 2002, VNA-Hospice made a total of 6,023 visits to residents in the Town of Alton. This included 4,926 home care visits, 848 hospice care visits and 249 maternal child health visits.

Thank you for letting the VNA-Hospice provide you with home health care services.

Respectfully submitted,

Marilyn Barba, MS, RN
Executive Director

POSTING OF WARRANT

CERTIFICATE

TO: Lisa Waterman
FROM: Patricia A. Rockwood, Executive Secretary
DATE: February 20, 2003

This is to certify that I, Patricia A. Rockwood, acting in my capacity as the Town Executive Secretary, hereby affirm that as of February 20, 2003, I have posted certified copies of the 2003 Annual Town Meeting Warrant and Budget in the following locations, in accordance with the provisions of RSA 39:5, on behalf of the Board of Selectmen:

- Alton Town Hall - (a Public Place)
- Alton Central Fire Station - (a Polling Place)
- Alton Central School - (a Polling Place)

UNDER SEAL OF THE TOWN, ATTEST:

Patricia A. Rockwood

**STATE OF NEW HAMPSHIRE
COUNTY OF BELKNAP**

On this the 20th day of February, 2003, personally appeared before me the above named Patricia A. Rockwood, known to me to be the person whose name is subscribed to this certificate, and acknowledged that she has executed the same for the purposes herein contained. Before me:

Lisa Waterman

LISA WATERMAN, Notary Public
My Commission Expires October 27, 2004

QUESTION #2: Are you in favor of the adoption of **Amendment #2** as proposed by the Planning Board as follows: To amend Article 400, Section 430, a. by deleting the existing language and by adding: “*a. Denial of the variance would result in unnecessary hardship to the owner because: (1) the zoning restriction as applied to the property interferes with the reasonable use of the property, considering the unique setting of the property in its environment. (2) that no fair and substantial relationship exists between the general purposes of the zoning ordinance and the specific restriction of the property and (3) the variance would not injure the public or private rights of others?*”

(Majority Vote Required.)

Rationale: This is a housekeeping amendment to bring Alton’s Zoning Ordinance into line with the latest court cases.

YES NO

QUESTION #3: Are you in favor of the adoption of **Amendment #3** as proposed by the Planning Board as follows: To amend Article 200, Section 227 by adding new language to 3. “*For all zones, excluding the Rural Zone, 10 feet from all property lines not regulated by subsections 1 or 2 above and in the Rural Zone for all lots lawfully existing prior to March 11, 2003* , and by adding paragraph 4 that states: *For New Lots (Lots created after March 2003) in the Rural Zone, 20 feet from the property line?*”

(Majority Vote Required.)

Rationale: At the 2002 Town Meeting, the minimum size for lots in the Rural Zone was increased from one acre to two. It was felt that the increase was more in line with the character, and/or appearance of a rural zone. To further establish the rural look, it was felt that an increase in the setback for “new lots,” from 10 feet to 20 feet, was in order. A 20-foot setback would allow for a more rural appearance.

YES NO

QUESTION #4: Are you in favor of the adoption of **Amendment #4** as proposed by the Planning Board as follows: To amend the Zoning Ordinance by adding new language to Article 300, Section 370 3.0 which would read as follows: The Shoreland Protection Overlay District is defined as all land located within 250 feet of the reference line of public waters **and reference line of the waters of the Merrymeeting River/Marsh.**” The following language is also proposed to be added to Article 300, section 370 8.0 C: “Primary structures shall be set back at least 50 feet from the reference line of public waters **and the reference line of the Merrymeeting River/Marsh.**”?”

(Majority Vote Required.)

Rationale: Because the Merrymeeting River and marsh system is an important and sensitive ecological resource within the town, the Board felt that the standards provided by the Shoreland Protection section of the ordinance would provide protection and enhancement of that resource. This proposed amendment would provide the same protection to the Merrymeeting River as now is given to public waters of Alton.

YES

NO

QUESTION #5: Are you in favor of the adoption of **Amendment #5** as proposed by the Planning Board as follows: Section 301, Table of Uses, Residential Uses, 1 will be amended by deleting the "Y" (Yes) symbol under the column which indicates that "Single Family Dwelling" and "Pre-Site Built Housing" are permitted uses in the Recreation Service (RS) Zone and by replacing the "Y" (Yes) symbol with a "N" (No) symbol to indicate that a "Single Family Dwelling" and "Pre-Site Built Housing" are not permitted uses in the Residential Service (RS) Zone?

(Majority Vote Required.)

Rationale: There is a concern that the Recreation Service Zone will be become residential only and, therefore, move away from the original intent of the zone ensuring space for the marine industry.

YES

NO

QUESTION #6: Are you in favor of the adoption of **Amendment #6** as proposed by the Planning Board as follows: To amend Article 500 Definitions by adding definitions for the following?:

Antique Shop
Automobile Service Station
Automotive and Truck Repair Garage
Automotive and Truck Motor Vehicle Dealer
Automotive and Truck Used Motor Vehicle Dealer
Automotive and Truck Junk Motor Vehicle Dealer
Automotive and Truck Motor Vehicle Washing Facility
Bed and Breakfast
Boat Sales and Service
Boat Storage
Building Trade or Repair Shop
Church
Day Care, Home

QUESTION #8: Are you in favor of the adoption of **Amendment #8** as proposed by the Planning Board as follows: To amend the existing Article 200, Section 240 Sign Regulations by deleting it and replacing it with a new Article 200, Section 240 **Sign Regulations**, to update and modernize the existing Sign Regulation?

(Majority Vote Required.)

Rationale: These changes are mostly housekeeping but there are a few changes that would allow for improved enforcement.

YES NO

QUESTION #9: Are you in favor of the adoption of **Amendment #9** as proposed by the Planning Board as follows: To amend Article 300, Section 301, Table of Uses?

Table of Uses:

	Retail Business and Service	R	LR	RC	RR	RU	RS
2.	<i>Automotive and Truck Motor Vehicle Dealer</i>	N	N	E	N	E	N
	<i>Automotive and Truck Motor Vehicle Used Dealer</i>	N	N	E	N	E	N
	<i>Automotive and Truck Junk Motor Vehicle Dealer</i>	N	N	E	N	E	N
	<i>Automotive and Truck Vehicle Washing Facility</i>	N	N	E	E	E	N
	<i>Energy Facility</i>	N	N	N	E	Y	N
8.	<i>Firewood Processing</i>	N	N	E	E	E	N
34.	<i>Waste Facility</i>	N	N	N	N	E	N
	<i>Water Extraction Site and Facility</i>	E	E	E	E	E	N

(Majority Vote Required.)

Rationale: The new uses are being proposed in the interest of proper regulation and enforcement.

YES NO

Duplex
Energy Facility
Fire Wood Processing Site and/or Facility
Greenhouse – (Commercial Greenhouse)
Laundry or Dry Cleaning includes Self Service
Library
Lodge or Private Club
Lumber Yard
Medical Center, Medical Laboratory – (Medical Building)
Marina
Motel
Museum
Nursing Home
Professional Office
Restaurant
Restaurant, Fast Food
Retail Store
School
Seasonal Cabin
Small Engine Repair
Utility
Warehouse
Water Extraction Site and/or Facility
Waste
Waste Facility

(Majority Vote Required.)

Rationale: This proposed amendment provides definitions for all uses within the Article 300, Section 301 Table of Uses. At the present time the listed uses are without definitions and, therefore, it makes enforcement difficult and more work for the Zoning Board of Adjustment.

YES

NO

QUESTION #7: Are you in favor of the adoption of **Amendment #7** as proposed by the Planning Board as follows: To amend Article 200, Section 220, B, 3 by deleting the existing language, which defines the term Repair as: *shall not mean voluntary demolition beyond 75% of the structure above the foundation?* The deleted language would not be replaced.

(Majority Vote Required.)

Rationale: The existing language is impossible to define and difficult to enforce.

YES

NO

2003 TOWN MEETING DELIBERATIVE SESSION

You are hereby notified to meet at the Alton Central School Gymnasium on Wednesday the twelfth (12th) day of March in the year two thousand and three (2003), beginning at seven o'clock in the evening (7:00 pm), for the purpose of acting upon the following warrant articles:

ARTICLE 2 To see if the Town will vote to raise and appropriate the sum of **ONE HUNDRED FORTY FOUR THOUSAND THREE HUNDRED THIRTY TWO DOLLARS** (\$144,332.00) to be added to funds already appropriated for the construction, installation and equipping of a new water supply well and to authorize the long-term borrowing of no more than **ONE HUNDRED FORTY FOUR THOUSAND THREE HUNDRED THIRTY TWO DOLLARS** from the State of New Hampshire Drinking Water Revolving Loan Fund pursuant to the terms, rules and regulations administered by the New Hampshire Department of Environmental Services in accordance with RSA 486:14 and RSA 541-A; provided that repayment of the loan application and the total amount to be repaid shall be borne by water system ratepayers and not by the taxpayers of the Town.

ARTICLE 3 To see if the Town will vote to raise and appropriate the sum of **THIRTY TWO THOUSAND DOLLARS** (\$32,000.00) to purchase and equip a 4X4 Police Patrol Vehicle.

ARTICLE 4 To see if the Town will vote to raise and appropriate the sum of **TWENTY-FOUR THOUSAND FIVE HUNDRED DOLLARS** (\$24,500.00) for the purpose of purchasing and installing an emergency generator at the Police Department building.

ARTICLE 5 To see if the Town will vote to establish a Capital Reserve Fund for the purpose of constructing a Sand Shed at the Highway Department: further to vote to raise and appropriate the sum of **TEN THOUSAND DOLLARS** (\$10,000.00) to be placed in the Sand Shed Capital Reserve Fund and to designate the Board of Selectmen as agents to expend.

ARTICLE 6 To see if the Town will vote to raise and appropriate the sum of **TWO THOUSAND EIGHT HUNDRED DOLLARS** (\$2,800.00) for the purpose of purchasing and installing such equipment as will permit the cable casting of meetings of the Board of Selectmen and other official meetings of Town boards, commissions and committees, by videotape or by live cable cast, on Public Access Cablevision.

ARTICLE 7 To see if the Town will vote to raise and appropriate the sum of **ONE HUNDRED FIFTY SEVEN, FOUR HUNDRED SEVENTY EIGHT DOLLARS** (\$157,478.00) to be added to the Fire Department Equipment Capital Reserve Fund previously established.

ARTICLE 8 To see if the Town will vote to raise and appropriate the sum of **THREE HUNDRED FORTY THOUSAND DOLLARS** (\$340,000.00) for the purchase of a new fire pumper truck to replace a 1986 rescue vehicle; the sum of **TWO HUNDRED THIRTY THOUSAND DOLLARS**(\$230,000) to be raised from general taxation and the balance to be taken from fire equipment capital reserve account.

ARTICLE 9 To see if the Town will vote to create a capital reserve account for the installation of an elevator at the Gilman Library and further vote to raise and appropriate the sum of **THIRTEEN THOUSAND DOLLARS** (\$13,000.00) to be placed in said capital reserve account and to designate the Trustees of the Gilman Library as agents to expend.

ARTICLE 10 To see if the Town will vote to create a capital reserve account for Recreation/ Grounds Maintenance Equipment and further vote to raise and appropriate the sum of **TEN THOUSAND DOLLARS** (\$10,000.00) to be placed in said account and to designate the Board of Selectmen as agents to expend.

ARTICLE 11 To see if the Town will vote to raise and appropriate the sum of **TEN THOUSAND DOLLARS** (\$10,000.00) to be used for planning studies related to a public safety complex to house the police, fire, and rescue departments.

ARTICLE 12 To see if the Town will vote to raise and appropriate the sum of **TEN THOUSAND DOLLARS** (\$10,000.00) to be added to monies previously appropriated for the reconfiguration of parking and traffic on School Street and Pine Street.

ARTICLE 13 To see if the Town will vote to raise and appropriate the sum of **SEVEN HUNDRED FIFTY THOUSAND DOLLARS** (\$750,000.00) to be added to the Highway Reconstruction Capital Reserve Fund previously established; said amount is partially offset by revenues from Highway Block Grant Funds estimated to be \$145,896.16.

ARTICLE 14 To see if the Town will vote to raise and appropriate the sum of **EIGHTY SEVEN THOUSAND SEVEN HUNDRED FORTY-TWO DOLLARS** (\$87,742.00) to be added to the Highway Equipment Capital Reserve Fund previously established.

ARTICLE 15 To see if the Town would construct a sidewalk on the southerly side of Church St. (on the so called Jordan property), said sidewalk to start at the end of the Congregational Church parking lot and end at the cross walk that is already there for approximately 75 feet for approximately \$2,000. (By Petition; This is a Special Article.)

ARTICLE 16 To see if the Town will vote to raise and appropriate the sum of **TWENTY-FIVE THOUSAND DOLLARS** (\$25,000.00) to be placed in the Benefit Pay Expendable Trust Fund previously established. Said funds are recommended by the Town Auditors to be used to pay for benefits accrued by Town employees and redeemed when they leave employment with the Town of Alton in accordance with the Town Personnel Policy.

ARTICLE 17 To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Board of Selectmen and the American Federation of State, County and Municipal Employees, Local 534, which calls for actual and estimated increases in each year of the agreement as follows:

2003	\$11,231.00
2004	\$ 9,090.00
2005	\$10,254.00

and further recognizes that the sum of **TWENTY THREE THOUSAND FOUR HUNDRED FIFTY DOLLARS**(\$23,450.00) is included in the operating budget for the current year (2003).

ARTICLE 18 To see if the Town will vote to raise and appropriate the sum of **FOUR MILLION, THREE HUNDRED FORTY ONE THOUSAND, TWO HUNDRED FORTY TWO DOLLARS** (\$4,341,240.00) to defray anticipated charges arising as part of the Town's operating budget for the current year. Except for monies identified in Article 17, said amount does not include funds for individual or special warrant articles addressed separately.

ARTICLE 19 To see if the Town will vote to raise and appropriate the sum of **TWENTY THOUSAND DOLLARS** (\$20,000.00) to be placed in the Solid Waste Center Equipment Capital Reserve Fund as previously established.

ARTICLE 20 To see if the Town will vote to raise and appropriate the sum of **SEVENTY-FIVE THOUSAND DOLLARS** (\$75,000.00) for the purpose of closing the septage lagoons on Rines Road and for the disposal of solids at an approved facility.

ARTICLE 21 To see if the Town will vote to raise and appropriate the sum of **FIFTY-FIVE THOUSAND TWO HUNDRED DOLLARS** (\$55,200.00) in support of the following community organizations:

H. Community Health & Hospice.....	3,900.00
I. Lakes Region Planning Commission.....	5,349.00
J. Genesis Behavioral Health.....	4,503.00

ARTICLE 22 To see if the Town will vote to adopt a resolution submitted by Health Care New Hampshire the text of which follows:

Whereas, New Hampshire residents pay the 12th highest cost of insurance in the country; and
Whereas, the cost of health insurance premiums for families has increased by 45% over the past three years; and

Whereas, 100,000 New Hampshire residents have no health coverage and 77% of them have a full-time worker at home; and

Whereas, due to these rising costs almost half of New Hampshire's small business cannot afford coverage for their employees, therefore be it resolved

That we, the citizens of Alton, New Hampshire, call on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses, and health care providers to ensure that:

Everyone, including the self-employed, unemployed, un—and underinsured, and small business owners has access to an affordable basic health plan similar to what federal employees receive;

Everyone, including employers, consumers, and the state, local and federal government makes a responsible and fair contribution to finance the health care system;

Everyone receives high quality care that is cost efficient and medically effective; and

That these efforts help control the skyrocketing cost of health care.

(By Petition; This is a Special Article.)

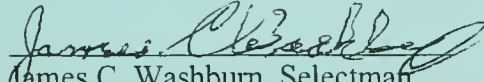

ARTICLE 23 To hear reports of any committees, boards, trustees, commissions, officials, agent or concerned voters; and vote to accept same. Furthermore, to conduct any other business that may legally come before said meeting.

ARTICLE 23 To hear reports of any committees, boards, trustees, commissions, officials, agent or concerned voters; and vote to accept same. Furthermore, to conduct any other business that may legally come before said meeting.
