THE STATE OF NEW HAMPSHIRE

TOWN WARRANT 1980

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said state, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the eleventh day of March next at seven (7:00) o'clock in the afternoon to act on the following subjects:

ARTICLE 1. to bring in your votes for the election of one Selectman for three years, one Town Clerk for three years, one Tax Collector for three years, one Town Treasurer for three years, one Fireward for three years, one Auditor for a one-year term, one Auditor for a two-year term, two members of the Budget Committee for three years, two members of the Planning Board for three years, one Cemetery Commissioner for one year, one Cemetery Commissioner for three years, one Trustee of Library for three years, one Supervisor of the checklist for two years, one Supervisor of the checklist for six years, three Commissioners of Plante Memorial Park for one year, one Moderator for two years.

ARTICLE 2. to bring in your votes for the following referendum for the adoption of R.S.A. 56:40-a: "Shall we adopt the provisions of R.S.A. 56:40-a permitting applications for changes in party affiliation to be made with the Town Clerk?"

Polls will not be open not later than 2:00 p.m. and close not earlier than 7:00 p.m., or at such later time as shall be authorized by vote of the town.

ARTICLE 3. to hear and act upon the reports of agents, committees and officers heretofore chosen.

ARTICLE 4. to see if the town will vote to appoint a committee to have charge of Memorial Day exercises, or take any action thereon.

ARTICLE 5. to see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes.

ARTICLE 6. to see if the town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and the Anti-Recession Act of 1976 for use as set-offs against budgeted appropriations for the following priority purposes in the amounts indicated, or take any other action thereon:

<u>APPROPRIATION</u>	<u>AMOUNTS</u>
Highway Department	\$10,400.00
Police Department	\$ 5,000.00
Fire Department	\$ 5,000.00
TOTAL	\$20,400.00

ARTICLE 7. to see if the town will vote to raise and appropriate the sum of \$10,000 to be spent under the direction of the Board of Selectmen for energy conservation measures in town buildings, or take any action thereon.

ARTICLE 8. to see if the town will vote to raise and appropriate the sum of \$4,000 to install a stairway lift in the Town Hall, and to authorize the selectmen to use monies from the Edwin E. Schimke Memorial Fund to help defray the cost of this project, or take any action thereon.

ARTICLE 9. to see if the town will vote to raise and appropriate the sum of \$5,500 to be added to the soil overlay map capital reserve fund adopted under Article 13 of the 1978 annual meeting of the town, or take any action thereon.

ARTICLE 10. to see if the town will vote to raise and appropriate the sum of \$7,000 for the purchase of a suitable vehicle for the use of the Police Department, or take any action thereon.

ARTICLE 11. to see if the town will vote to raise and appropriate the sum of \$1,000 for the purpose of making water holes or cleaning and refurbishing existing water holes in the town for the use of the Fire Department, said funds to be spent under the jurisdiction of the firewards, or take any action thereon.

ARTICLE 12. to see if the town will vote to raise and appropriate the sum of \$1,500 for the purchase of hose for the Fire Department, or take any action thereon.

ARTICLE 13. to see if the town will vote to raise and appropriate the sum of \$2,800 to purchase monitors for the Fire Department, or take any action thereon.

ARTICLE 14. to see if the town will vote to raise and appropriate the sum of \$1,600 for the operation of the Meadowood County Area Fire Department, or take any action thereon.

ARTICLE 15. to see if the town will vote to raise and appropriate the sum of \$15,000 for the purpose of oiling town roads, or take any action thereon.

ARTICLE 16. to see if the town will vote to raise and appropriate the sum of \$90,000 for the repair and reconstruction of the East Lake Road, such appropriation to be financed by \$30,000 being paid out of the present year's revenues, \$30,000 to be paid by the issuance of a one-year note with interest at such rate as the selectmen shall deem in the best interest of the town, and \$30,000 to be paid by the issuance of a two-year note with interest at such rate as the selectmen shall deem in the best interest of the town, with highway subsidy funds I and II and TRA funds to be used as set-offs for this appropriation during the present year and during the two succeeding years when said notes are outstanding, or take any action thereon.

ARTICLE 17. (by petition) to see if the town will vote to raise and appropriate a sum not to exceed \$500 to fund the Meals-on-Wheels program to elderly shut-in citizens of Fitzwilliam as sponsored by the Cheshire Senior Services, or take any action thereon.

ARTICLE 18. (by petition) to see if the Town of Fitzwilliam will vote to raise and appropriate the sum of \$200 for the support of the Grand Monadnock Arts Council, or take any other action relating thereto.

ARTICLE 19. to see if the town will vote to authorize the selectmen to contract with the appraisal division of the New Hampshire Department of Revenue Administration, or other approved company or firm, for the reappraisal of the property of the town, or take any action thereon.

ARTICLE 20. to hear the report of the Budget Committee and pass any vote in relation thereon.

ARTICLE 21. to see if the town will vote to have a year-round restraining order on dogs in accordance with state statutes, and authorize the selectmen to establish a reasonable fee to be paid by the owner or keeper for all dogs taken to the Monadnock Region Humane Society or other shelter, or take any action thereon.

TOWN CLERK

SELECTMEN'S REPORT 1979

The Board of Selectmen is pleased to present this annual report of the activities for the town and some recommendations for the consideration of the voters.

TOWN OFFICERS EXPENSES

This item shows an increase over last year and a substantial overdraft. This was caused by underestimating the cost of the annual audit by the State which was more than double the cost of the previous year. This was occasioned in part by the added time necessary to complete an audit satisfactory to the requirements of the Federal Government for governmental units receiving Revenue Sharing Funds. In the interest of economy the Board recommends that a State audit be made every third year.

TOWN HALL

As will be noted in other sections of the annual report the repairs to the Town Hall Steeple exceeded funds appropriated. As the work progressed in replacing several of the supporting beams of the tower structure it became evident that the damage by dry rot was more extensive than first thought. Once found and started there was no alternative but to do as thorough a job as needed. The contingency fund of \$1,5000. appropriated at the 1979 Annual Meeting was applied to the cost but this was not enough leaving an overdraft of \$2,137.24 in this account. It will also be noticed that the regular expenses of the Town Hall exceeded the amount budgeted due to higher fuel costs. The Board recommends that serious consideration be given to the Article in the Warrant which calls for an appropriation of \$4,000. to install a chair lift to the upper hall. As explained in the Article this would supplement the Edwin E. Schimke Memorial Fund of about \$800. and would be suitable use for the fund.

TRANSFER STATION

The facility is working well and generally satisfies the requirements of Pollution laws. As the volume increases some consideration should be given to recycling the paper and glass. To be successful this would require a dedicated effort on those using the facility to voluntarily separate the material.

HIGHWAYS

Substantial progress has been made on the highways this year. The two major projects being the resurfacing the Lower Troy Road and work on the West Lake Road. The appropriation of \$5.000. for the Lower Troy Road was less than half the amount needed so the balance of \$5,139.20 had to be taken from regular highway funds. It was decided to do extra work on the West Lake Road because as construction progresses on the East Lake Road the traffic will tend to be heavier on the West Lake Road. This work cost \$5,134.12 more than the balance available from the 1978 appropriation. This amount also had to be charged to the regular highway appropriation. A new supply of gravel suitable for crushing was developed off the Fullam Hill Road and a substantial amount has been placed on the Putney Road, the Sandy Hollow Road and the Turner Road. The care of town roads is vital to the interests of all the citizens of the town and require the greatest share of local tax dollar for labor and equipment.

HIGHWAY GARAGE PROJECT

This project was completed last spring and final settlement with Baybutt Construction Corp. with a refund of \$9,895. The building is working well and is much appreciated by employees of the Highway Dept. who now enjoy working conditions never before available to them.

REASSESSMENT

The final figure has been received from the State and it is estimated that the assessment ratio is now about 35%. It should be remembered that this is the Average of assessments to sales values and does not necessarily mean that an individual property can be said to be appraised at 35% of its market value. The land assessments are low in relation to sales and tend to lower the averages. Higher land assessments would increase the number of acres in the Current Use Catagory which in turn places a greater burden on the small home owner. The original appraisal was made in 1966 so the Board recommends the reassessment of the property of town by the State or other approved firm at the earliest practical time.

The Board would like to commend the officers and personnel of all the departments and committees and commissions. It is only by the dedication of these people to their department or function that we can still enjoy small town living.

Respectfully submitted,

Howard C. Holman

PLANNING BOARD REPORT 1979

In February of 1979 the Planning Board started to recruit volunteers willing to be members of the Master Planning Commission. The effort was rewarding and by April a committee of some 12 members was organized with Richard Rees as Chairman and Robert Corrette as Secretary. The members of the Committee comprise citizens from all areas of the Town. Under the guidance of the Southwestern New Hampshire Regional Planning Commission, the Master Planning Committee has accomplished a large part of the work toward the formation of the Master Plan. Virtually all the leg-work and preliminary details were gathered before the end of 1979. It is the goal of the Committee to have a Master Plan ready to submit to the citizens of Fitzwilliam by early summer of 1980. Presently there is a need for additional members in order to expand the Committee into sections to specialize in various areas of development, i.e.: Commercial, Agricultural, Residential, Etc. We hope that many interested citizens will join the group to implement the good work that so far has been accomplished. Please contact the Chairman or Secretary and come to a meeting - they are held on the third Thursday of each month at 7:30 P.M. at the Fire House in the Depot.

The Woodbrook Camp property plans as formed by a Boston, Massachusetts group of developers is a cause of considerable concern. The proposal is for 400 campsites for RVs and tents - 4 sites to the acre with service buildings and common recreation areas surrounding Sip Pond. The campsites are to be individually owned which constitutes a condominium. According to the laws of the State of New Hampshire a condominium is a sub-division and is subject to local rules and ordinances. Jaffrey is faced with the same situation by the same group, but on a smaller scale.

During the year 1979 - nine sub-divisions were approved
one sub-division was denied
eighteen preliminary requests for sub-divisions were presented.

FIREWARDS REPORT

1979 CALLS

After a brief drop in calls for 1978 (108) the fire department responded to a record 125 calls in 1979, exceeding by four the previous high of 121 calls set in 1977. Although the rescue and medical emergency calls continued at the same pace as 1978 (62 for 1979, 63 for 1978) this is the first time in several years that the number of fire calls has exceeded the number of rescue or medical emergency calls. There were a few substantial structure fires, and an ever increasing number of chimney fires.

The firewards extend special thanks to the members of the Fitzwilliam Fire Department for their continued devotion and hard work not only for responding to the substantial number of calls that we have for a small town, but for their continued training to improve their skills in firefighting and rescue work.

VEHICLE ROSTER

The present status of our vehicles is as follows:

1. 1936 Stewart - presently inactive. Condition: fair.
2. 1954 Ford Hose Reel-pumper with 500 gallon per minute front end pump, 500 gallons of water and 1700 feet of large diameter hose. Condition: good.
3. 1956 GMC 1200 gallon tanker with 500 gallon per minute rear mount pump. The renovation work on the tank and pump mentioned in last year's firewards report has proceeded, although slightly behind schedule. We hope to have this vehicle back in full service in the late winter or early spring of 1980. Condition: good.
4. 1965 International pumper with 750 gallon per minute midship pump and 750 gallons of water. The renovation of this truck as mentioned in last year's firewards report has been started and is proceeding as noted elsewhere in this report. Condition: good-excellent.
5. 1967 Jeep 1 1/4 ton all-wheel drive pickup truck - equipped and used for brush and forestry purposes. The firewards hope to improve the brush fire fighting capability of this truck during the present year. Condition: good.
6. 1977 Chevrolet one-ton rescue truck with emergency first aid and auto extrication equipment. Condition: excellent.
7. 1978 Ford pumper with 750 per gallon per minute front end pump and 1,000 gallons of water. Condition: excellent.

VEHICLE REPAIRS

As noted in the vehicle roster, work has proceeded on both the tanker and the International pumper. A replacement tank and plumbing have been installed on the tanker and finishing work is presently being done to get the vehicle back in service. We also hope to have the vehicle repainted.

The International pumper has been worked on during the winter to remove rust and have compartments replaced. Due to the fact that the work is being done on a volunteer basis, there has been very little time that the truck has been out-of-service, and the cost to the town has been a small fraction of what it would have been had the job been done other than on an in-house basis.

Although the work done now will save the body and the chassis for many more years of service, it does appear that we will have to replace the tank on the International within the next year or two. The firewards will most likely have to ask for an appropriation for this item in 1981.

The firewards wish to extend special thanks to Richard Holman for his guidance and long hours in the work done on the International.

FOREST FIRE PERMITS

A reminder that a permit is necessary for any open burning (including outdoor fireplaces and cooking fires, except charcoal grills). For information concerning burning, inquiries should be directed to Forest Fire Warden Edwin O. Mattson, Jr.

1980 WARRANT ARTICLES

The firewards call your attention to Articles 11 through 14 on the 1980 warrant. As a result of money appropriated during 1979 several water holes were either dug or cleaned. The money to be appropriated under Article 11 will allow us to continue with this important work. The firewards feel the passage of Article 12 is necessary due to our low inventory of 2 1/2 inch hose, and the need to have our vehicles fully equipped.

As many citizens know, most firemen are alerted to fire calls by the use of either home or pocket monitors. The town has never spent any money for these items since they were originally purchased by the fire department itself. These older units are now beyond the point where they can be economically repaired, and the department does not have the funds to replace them. Article 13 proposes an appropriation to purchase 10 so called pocket monitors which members can carry with them, and which can also be plugged into chargers for home use.

The firewards also support the passage of Article 14 to assist the Meadowood County Area Fire Department in its continued operation. The training and firefighting resources of Meadowood continue to be of great benefit to the town.

GOALS AND OBJECTIVES

Some of the residents of the town may recall the firewards ten-year goals for the 1970's concerning purchase of vehicles, equipping of firefighters, etc. The one remaining item that the town will probably have to consider on the original goals will be some type of fire station or sub-station to allow quicker response to the State Line area, one of our faster growing areas.

In addition to the past ten-year plan, the firewards will be working on a new set of goals and objectives for the coming decade in an attempt to keep the town's fire and rescue service up to date.

TROY EMERGENCY AMBULANCE SERVICE, INC.

TO THE CITIZENS OF FITZWILLIAM:

THANK YOU - once again your support and faith has kept our Corporation a success. April of 1980, will close our fifth year of service to you. We have now reached over the 800 call mark - and thanks to you, our supporting public, we are still operating without tax dollars. Thru your generosity, we are maintaining our ambulance, our crew's education, and the high quality medical aid each community desperately needs.

Our ambulance is in service for emergency calls 24 hours a day, seven days a week and for scheduled transfers on a twenty-four hour notice. We also maintain a crew of approximately 25 volunteer members, both from Fitzwilliam and Troy. Here I would like to mention a very sincere thanks to all these members who volunteer all the time, education and devotion that goes into making the excellent service that they offer. Without them, TEASI would have little to offer the public.

Our past history is proof of the sincerity of our original pledge to you and our future consist of the same faithful service you have always received. Altho distant future plans include replacement of our ambulance, our present vehicle is still in top condition.

Again, Thank-you for your support and faith, and remember, we are only a phone call away - 352-1100.

FITZWILLIAM POLICE DEPARTMENT
ANNUAL REPORT 1979

The Fitzwilliam Police Department began the year with a strength of three full time officers, two part time officers, and a part time clerk. We ended the year with the same strength, though with different personnel. Our primary vehicle was a 1978 Plymouth, and a 1976 Plymouth served as a spare vehicle.

A total of 1,155 calls for police service - or incidents were handled by the department requiring police action. This averages to 3+ incidents per day. Approximately 51 500 miles were traveled by our police vehicles.

One hundred ninety-seven (197) criminal cases calling for investigations were handled of which 125 were cleared by arrests or other means. Eighty-seven (87) persons were taken into custody for a variety of offenses.

Traffic accidents were especially minimal in 1979. A large cause was the lack of snow and rain which usually results in many accidents. A federal 55 National Maximum Speed Limit enforcement program was funded 100% by the N.H. Highway Safety Agency at Summer's end forcing compliance with the 55 MPH speed limit minimizing accidents as well. Twenty-three (23) reportable (over \$300 property damage or personal injury) accidents occurred of which 13 resulted in personal injury. This was the first year in recent years that we did not have a fatal accident in Fitzwilliam.

Property inspections numbered 4,718 for the year. A record 72 burglar alarms were all unfounded, or no conclusive evidence was found indicating criminal acts. New legislation concerning alarms has required permission from public agencies for telephone alarms to be connected to their telephones. Unless those residents with these alarms has obtained the approval of the local Sheriff, N.H. State Police, and Mutual Aid they may not have them programmed to their telephones. All residents have the permission of Fitzwilliam Police for their alarms to be connected to 585-6565 until such time as we have prepared policy pursuant to this legislation.

In 1980 we hope to re-emphasize crime prevention. Additionally, a means to inform the community about police activities is being sought that will better identify the police function in Fitzwilliam. Other than increased attention to animal control if the restraining law article is passed, no changes from our operations of 1979 are planned.

The budget that was presented to the Municipal Budget Committee for this year did not provide for any growth. Unfortunately costs have increased which are reflected in the requested budget of \$57,341, which is almost \$10,000. more than our operating budget of \$47,600. in 1979. The majority of this increase is in fuel and salaries.

As in the last 2 years, the third full time officer's position is at issue. In order to comply with the Budget Committee's recommendation of \$45,041, the layoff of a full time officer together with significant reductions in other areas is necessary. It is not possible to operate at the present level with a budget decrease when costs are increasing.

It has come to my attention that the annual statistics left out of this report for two years are popular. Though misleading they are listed at the end of this report. Only the more serious of two or more offenses are counted from each incident. Thorough statistics are available on request.

We sincerely appreciate the excellent relationships we have enjoyed with agencies throughout the area and wish to extend our thanks to them and to local citizens for their considerations.

Respectfully submitted.

ROAD AGENT REPORT
1979

The regular summer and winter work was done. We replaced 540 feet of culvert pipe and cleaned many more.

West Lake Road was oiled. Old Troy Road was scurified in preparation for resurfacing in 1980. Bridge repair work was done. Throughout the town we did patching, shoulderering, cutting of brush and chipping. A gradall was hired for a portion of the ditch work which was done this summer.

Approximately \$12,000 was spent on the resurfacing of Lower Troy Road of which \$5,000. was appropriated, leaving a balance of approximately \$7,000. to be taken out of the general fund. The budget was also set back \$10,000. because of an error that was made. The \$10,000. was supposed to be for crushed gravel which had to be taken from the general fund.
