TOWN OF WARREN NEW HAMPSHIRE

For the Fiscal Year Ending
December 31, 2005

2006 Town Meeting
March 14, 2006

DEDICATION

This year the Annual Report is dedicated to:
Bertha Keysar

"Let me sit in the house by the side of the road and be a friend to man," read a poem hanging in Bertha Keysar's living room. Bertha loved the town of Warren. Given the chance to continue living in Florida, or returning to New Hampshire in 1947, Bertha told her husband Myles that she missed the four seasons of the year and wanted to move back up north.

For fifty-nine years, Bertha lived in Warren "by the side of the road" and gave generously of her money, food, and fresh vegetables and flowers from the garden that gave her much pride. She loved dancing and theater, and took advantage of both whenever possible. She was a member of the Knights of Pythian Sisters for fifty-eight years, and enjoyed the friendships she made there. Bertha loved a good laugh and had a keen sense of humor. She was a cook for the Warren Village School in the 50's. It was a job she loved, and long after it ended, students often asked for her recipes. One of their favorites was Peanut Butter Pudding.

PEANUT BUTTER PUDDING

1 quart of milk in double boiler with
½ cup brown sugar

4 tablespoons peanut butter
heat to scalding

Beat: 2 eggs and ½ cup white sugar

4 tablespoons flour (or cornstarch)

Stir into hot milk and cook until thick

Add 2 teaspoons vanilla

**ANNUAL TOWN MEETING MINUTES
TOWN OF WARREN MARCH 8, 2005**

Moderator Peter Faletra called the Meeting to order and opened Town Meeting at 9:00 a.m. by reading the Warrant as follows:

TO THE INHABITANTS OF THE TOWN OF WARREN, County of Grafton, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Warren Town Hall in said Warren on Tuesday, the 8th day of March 2005. The polls will open at 9:00 am and will close no earlier than 7:00 pm for voting on Article 1 and anything else that may be on your ballot.

You are also hereby notified to meet at the Warren Town Hall in said Warren on Tuesday, the 8th day of March 2005 at 9:00 am for the deliberative session for the transaction of other business.

Moderator Faletra then led the Townspeople in the Pledge of Allegiance.

Richard Clogston led the meeting in prayer.

Leona Foote announced that the Pythian Sisters will be holding a welcome home party for our returning soldiers on March 19th at Town Hall. The Historical Society will hold a chicken and biscuit supper at the Church the same evening.

Moderator Faletra made some preliminary announcements then displayed the ballot box, locked it in front of those present, and opened the polls.

Article 1: By Official Ballot

To elect all town officers which appear on the official ballot for the ensuing year, as follows:

Selectman	3 year term
Moderator	2 year term
Treasurer	1 year term
Police Chief	1 year term
Road Agent	1 year term
Planning Board Member	3 year term
Planning Board Member	3 year term
Trustee of Trust Funds	3 year term
Library Trustee	3 year term
Cemetery Trustee	3 year term
Highway Commissioner	3 year term
Overseer of Public Welfare	1 year term

Moved by: Michael Clark

Seconded: Charles Sackett

Discussion: none

Disposition: Passed by voice vote and so declared.

Article 2:

To hear and accept the report of the Selectmen and other Town Officers and to vote on any subject relating thereto.

Moved by: Michael Clark

Seconded: Anthony Mincu

Discussion: none

Disposition: Passed by voice vote and so declared.

Article 3:

To see if the Town will vote to raise and appropriate the sum of one hundred and forty eight thousand, seven hundred and thirty dollars (\$148,730) for the following. (Selectmen: Yes 3 No 0)

GENERAL GOVERNMENT

Executive	\$43,900
Elections/Registration.....	12,145
Financial Administration	10,869
Tax Collector	11,810
Revaluation Property	6,900
Legal Expenses	3,000
Personnel Administration.....	10,001
Planning Board	600
Buildings & Grounds.....	13,845
Cemeteries	9,500
Insurance	23,910
Town Clock.....	250
Contingency Fund	2,000

Moved by: Michael Clark

Seconded: Anthony Mincu

Discussion: none

Disposition: Passed by voice vote and so declared.

Article 4:

To see if the Town will vote to raise and appropriate the sum of two thousand six hundred and three (\$2,603) for the following. (Selectmen: Yes 3 No 0)

ADVERTISING & REGIONAL ASSOC.

Advertising	\$250
NHMA	534
North Country Council	746
Pemi-Baker Solid Waste	888
Baker River Watershed Assoc.	100
NH Assoc. of Assessing Officials	20
NH Tax Collector's Assoc.....	20
NH Town Clerk's Assoc.....	20
NH Govt. Finance Officer's Assoc.....	25

Moved by: Michael Clark

Seconded: Anthony Mincu

Discussion: Moderator Faletra requested that any abbreviations be spelled out in future Warrants and then subsequently abbreviated. Michael Clark noted that these are boiler-plate items.

Disposition: Passed by voice vote and so declared.

Article 5:

To see if the Town will vote to raise and appropriate the sum of fifty four thousand one hundred and seventy nine dollars (\$54,179) for the following.
(Selectmen: Yes 2 No 1)

PUBLIC SAFETY

Police Department	\$29,014
Fire Department.....	23,663
Emergency Management	500
Animal Control	\$1,000
E-911	1
Other	1

Moved by: Michael Clark

Seconded: Anthony Mincu

Discussion: Michael Clark noted that the budgeted items speak for themselves. Gerald Evans questioned why one Selectman voted "No". Charles Sackett responded. Chief Davis discussed that OHRV money should be decreased from our budget because the State will pay for that out of the State budget. Fire Chief Riel had no comments. Sharon Washburn thinks that the police budget is a low figure compared to such other budgets such as sanitation. Chief Davis explained his budget by referring to pages 26-27 in the Town Report, discussing wages for himself and his Deputy; noting other monies are available through OHRV.

Disposition: Passed by voice vote and so declared.

Article 6:

To see if the Town will vote to raise and appropriate sum of one hundred nineteen thousand one hundred and twenty dollars (\$119,120) for the following.
(Selectmen: Yes 1 No 2)

HIGHWAYS and STREETS

Administration	\$63,120
Highways & Streets	43,950
Bridges	2,000
Street Lights	10,000
Other	50

Moved by: Michael Clark

Seconded: Anthony Mincu

Discussion: Selectman Mincu discussed the two Selectmen votes against this article. He noted that Les Wright's Highway Department expenditures generally come under budget, but that the job is not done completely, most

notably in the summer times—e.g. ditches, sweeping roads of sand, brush trimming. Susan Spencer queried how much money remained in the roads federal Block Grant. The Town Administrator noted that the Town Auditor hasn't come back on those figures yet. Grover Libby discussed the hours of the Road Agent and the irregularity of hours being worked, and the deplorable conditions of the road. Lewis Bancroft noted that the Road Agent is not paid for overtime and takes that time as comp time. Michael Clark said overtime has never been an issue and that the Board has never declined to pay the Road Agent overtime. Tom Barr asked for an alternative proposal if they are not in agreement on this Article. Michael Clark noted that this was really a vote of no confidence. Bob Giuda asked whether this budget is required to do the job right. Michael Clark responded that yes, it's the right amount of money, but that it's just not being spent. Grover Libby discussed fuel and oil filter budget items and how he feels the trucks are not being adequately used. **Disposition: Passed by voice vote and so declared.**

Article 7:

To see if the Town will vote to raise and appropriate the sum of forty five thousand nine hundred seventy dollars (\$54,970) for the following. **(as amended)**

(Selectmen: Yes 3 No 0)

SANITATION

Transfer Station Admin.....	\$15,420
Recycling	2,250
Solid Waste Disposal.....	31,600
Solid Waste Collection (C&D)	3,500
Solid Waste Cleanup.....	2,200

Moved by: Michael Clark
Seconded: Anthony Mincu
Discussion:

AMENDMENT: Michael Clark moved to amend this article as follows: adjusting the total appropriation of \$54,970.00, changing Solid Waste Disposal to \$31,600. Charles Sackett Seconded the amendment. Michael Clark discussed an agreement with Chris Whitcher to obtain a compactor at the Transfer Station, which would allow Chris Whitcher to make fewer trips to empty the dumpsters. Although additional cost would be incurred this year, we would experience future savings. The cost will include setting up the compactor. **Amendment passed and so declared.**

Disposition of Article 8 as amended : passed by voice vote and so declared.

Motion to change the order of the day. Moved by Brian Clark.

Seconded by Gerald Evans.
The Moderator noted that this is a debatable issue.

Discussion of Motion: Brian stated he would like to move to Article 17 so we can amend Article 17 and put the appropriation into Article 8. Sandra Hair noted that Article 17 should remain as is. Arthur Heath noted that we were just trying to address Article 17 the article between Articles 7 and 8.

Disposition of Motion : Passed by voice vote and so declared.

We then discussed Article 17.

Article 8:

To see if the Town will vote to raise and appropriate the sum of twenty-two thousand nine hundred sixty-one dollars and sixty cents (plus interest) (\$22,961.60) for the following, to be paid by June 15th in this and in all future years. **(as amended)**(Selectmen: Yes 3 No 0)

HEALTH

Health Agencies:

Mt. Mooselaukee Health Center	\$4,500
WWAS	11,039.60 + interest
Senior Citizens Council	1,650
Voices Against Violence.....	682
Tri-County CAP	1,050
VT/NH Visiting Nurse	2,940
White Mountain Mental Health.....	1,100

Moved by: Michael Clark
Seconded: Anthony Mincu

AMENDMENT: Nelson Kennedy introduced an amendment from the floor to increase the WWAS appropriation from \$8,500 to \$11,039.60 (funded by the \$2,539.60 remainder from defunct Ambulance Capital Reserve Fund in Article 17). Seconded by Richard Clogston. Donald Bagley noticed that the interest amount accrued on the discontinued Ambulance Capital Reserve Fund is noted in the Trustee of Trust Fund Report. Pat Wilson noted that we don't need a separate line item to allocate this extra amount to the new ambulance specifically. Leona Foote trusts the ambulance service to put the money towards the purchase of a new ambulance. Question called.

Disposition of Amendment: Passed by voice vote and so declared.

AMENDMENT: Susan Spencer offered amendment to add the following text: "to be paid by June 15 in this and in all future years." Seconded: Nelson Kennedy.

Discussion: Discussion ensued regarding the reasoning for adding the language.

Disposition of Amendment: Passed by voice vote and so declared.

Question called.

Disposition of Article as amended: Passed by voice vote and so declared.

Article 9:

To see if the Town will vote to raise and appropriate the sum of three thousand five hundred and one dollars (\$3,501) for the following. (Selectmen: Yes 3 No 0)

WELFARE

Direct Assistance	\$1
Vendor Payments	3,500

Moved by: Michael Clark

Seconded: Anthony Mincu

Discussion: Annual request for welfare services.

Disposition: Passed by voice vote and so declared.

Article 10:

To see if the Town will vote to raise and appropriate the sum of twenty eight thousand four hundred eighteen dollars (\$28,418) for the following. (Selectmen: Yes 3 No 0)

CULTURE and RECREATION

Parks and Recreation	\$5,472
Library	17,246
Patriotic Purposes:	
Old Home Day	5,500
Flags	200

Moved by: Michael Clark

Seconded: Richard Johnson

Discussion: none

Disposition: Passed by voice vote and so declared.

Article 11:

To see if the Town will vote to raise and appropriate the sum of one hundred and two dollars (\$102) for the following. (Selectmen: Yes 3 No 0)

CONSERVATION

Care of Trees	\$100
---------------------	-------

DEBT SERVICE

Interest on TAN	1
Other Debt Service	1

Moved by: Michael Clark

Seconded: Charles Sackett

Discussion: "TAN" = Tax Anticipation Note.

Disposition: Passed by voice vote and so declared.

Article 12:

To see if the Town will vote to raise and appropriate the sum of forty seven thousand six hundred dollars (\$47,600) to be placed into the following Capital

Reserve Funds, to be paid to the Trustees of Trust Fund on or before June 15th in this and all future years. **(as amended)** (Selectmen: Yes 3 No 0)

Highway Equipment CRF	19,000
Police Cruiser CRF	5,000
Fire Truck.....	15,000
Bridge CRF	5,000
Revaluation CRF	2,500
Library Improvement CRF	500
Highway Building CRF.....	3,000
Missile CRF	100

Moved by: Michael Clark
Seconded: Charles Sackett

AMENDMENT: Amendment by Michael Clark to increase Police Cruiser CRF by \$2,500 to \$5,000. Seconded by Sharon Washburn. Lewis Barcroft asked intent to double the Police CRF amount. Michael Clark said it was to buy a new police car within the next 3 years. Currently \$2,500 exists in the CRF. Cars cost between \$15-20,000 and allocating this amount for the next few years will provide enough funds for the new cruiser in the future.

Discussion: none

Disposition of Amendment: Passed by voice vote and so declared.

AMENDMENT: Amendment by Bob Giuda to reduce Bridge CRF by \$2,500 and increase Police CRF to \$2,500. There is currently \$21,500 in Bridge CRF, which is more than enough to cover bridge contingencies. Seconded by Sandra Hair. Gerald Evans disagreed with the proposed Amendment. Richard Johnson would also like to see the money kept in the Bridge CRF. **Bob Giuda withdrew the Amendment.**

AMENDMENT: Amendment by Susan Spencer to pay funds to Trustee of Trust Funds by April 15th. Seconded by Arthur Heath.

Discussion: Bob Giuda feels that this would not be a prudent amendment.

Disposition of Amendment: Amended failed to pass by voice vote and so declared.

AMENDMENT: Amendment made by Susan Spencer to pay funds to Trustee of Trust Funds by June 15th this year and in all future years. Seconded by Arthur Heath.

Discussion: Susan Spencer notes that if left in General Fund, it doesn't earn as much interest as it would in the Trust Fund. Tom Barr noted that this date is before the tax bills are due.

Disposition of Amendment: By Hand Vote (For: 31, Against: 19): Amendment passed and so declared.

Disposition of Article as amended: Passed by voice vote and so declared.

Article 13:

To see if the Town will vote to raise and appropriate the sum of two thousand nine hundred seventy one dollars (\$2,971) and to place these funds in the Transfer Station Expendable Trust Fund and to authorize the acceptance of this amount from the Pemi-Baker Solid Waste District. *The Pemi-Baker Solid Waste District is returning principal and interest from a capital reserve fund they had established with contributions from member towns. The above amount represents Warren's share of this fund. No money will be raised by taxation.*

(Selectmen: Yes 3 No 0)

Moved by: Michael Clark

Seconded: Charles Sackett

Discussion: Michael Clark noted that Pemi-Baker Solid Waste CD discontinued and returned to respective towns. This is merely a housekeeping issue.

Disposition: Passed by voice vote and so declared.

Article 14:

To see if the Town will vote to raise and appropriate the sum of twenty seven thousand dollars (\$27,000) to purchase and equip a fire apparatus vehicle and to authorize the withdrawal of twenty seven thousand dollars (\$27,000) from the Fire Department Capital Reserve Fund. This article is non-lapsing. **(as amended)** (Selectmen: Yes 3 No 0)

Moved by: Donald Bagley, Sr.

Seconded: Bob Giuda

Discussion: Sandra Hair questioned the figure in the Town Report. Don Bagley noted the \$15,000 raised in a previous article + \$12,000 = \$27,000.

AMENDMENT: Donald Bagley moves to amend article to make it non-lapsing. Seconded by Bob Giuda.

Discussion: Dave Riel noted that they are trying to replace the old dodge and replace with a utility truck to pull the new trailer. Discussion ensued regarding the name of the Fire Truck CRF. The Town Administrator noted that the DRA reviewed this Article with no problems. Richard Clogston thinks we need to think of the legal meaning of "fire truck" and perhaps we should change the CRF name so that it is not specific to Fire Truck. Norman Roulx noted that we don't have a Fire Department Capital Reserve Fund, but a Fire Truck Capital Reserve Fund. Vote to cut off debate and vote on amendment.

Disposition of Amendment: Passed by voice vote and so declared.

AMENDMENT: Arthur Heath made moved to amend this article to read rather than "Fire Department Capital Reserve Fund" rather than "Fire Truck Capital Reserve Fund" Seconded by Donald Bagley.

Discussion: no further discussion.

Disposition of Amendment: Passed by voice vote and so declared.

Disposition of Article as amended: Passed by voice vote and so declared.

Article 15:

To see if the Town will vote to raise and appropriate five hundred dollars (\$500) to upgrade the electrical system on the common. (Selectmen: Yes 3 No 0)

Moved by: Michael Clark

Seconded: Charles Sackett

Discussion: Julie Sforza noted that we had trouble with electrical outlets during old home days this past summer on the Common.

Disposition: Passed by voice vote and so declared.

Article 16:

To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000), to be placed in the Reappraisal Capital Reserve Fund. (**as amended**). (Selectmen: Yes 3 No 0)

Moved by: Michael Clark

Seconded: Charles Sackett.

Discussion: Gerald Evans questions that we raised money for reappraisals and then didn't like the reappraisal entity. Michael Clark noted that due to circumstances beyond our control with the appraisal firms, and based on increased market values, our equalization ratio is at 75% (and should be at 100%). We have to start getting the appraisals equalized. Sandra Hair questioned what types of properties are throwing us off. The Selectmen have no specific types of properties. It was noted that this is not a complete reevaluation. We do a certain number of properties every year to keep close to actual values. Vicki Swan asked how the assessors decide who gets re-assessed. The Town Administrator will look at properties sold and then determine what properties in Town that appear out of whack as compared to current sales. Bob Giuda asked whether we have a plan to appraise a certain number of properties each year. It was answered that the Appraiser has a plan, but the BOS has no specifics. Bob Giuda does not recommend passing this Article. Would offer amendment to place funds in a capital reserve for such reappraisals. Michael Clark noted that DRA has told us they can force our reevaluation and if we refuse, they will force it at our cost. This gives us the opportunity to keep up with no surprises. Sara Lester does not understand how our coefficient of dispersion can be so out of whack in three years. It was responded that property value changes have changed dramatically in the last three years. Bob Giuda noted that constant reappraisals can affect our donor amounts from State School Aid.

AMENDMENT: Bob Giuda moved to amend this article to read: To see if the Town will vote to raise and appropriate the sum of \$10,000 to be placed in the Reappraisal Capital Reserve Fund. Seconded by Tom Barr.

Discussion: Roger Van Winkle supports delaying the reappraisals as long as possible because it really hurts the funding received by the School.

Disposition of Amendment: Passed by voice vote and so declared.

Disposition of Article as Amended: Passed by voice vote and so declared.

At 11:00 am, Donald Bagley made a motion from the floor to recess Town Meeting until after School Board Meeting.

Seconded: Michael Clark.

Article 17:

To see if the Town will vote to discontinue the Ambulance Capital Reserve Fund and to transfer the balance of two thousand five hundred and sixty four dollars and ninety cents (\$2,564.90) plus any interest into the General Fund. (Selectmen Yes 3 No 0)

Moved by: Brian Clark

Seconded: Arthur Heath

Discussion: Michael Clark noted the Capital Reserve Fund originally set up to provide funds for Ambulance Service when it was controlled by the Town. Since the Service is no longer a public agency, DRA does not allow the Town to appropriate funds for a private agency. Nelson Kennedy asked why this money can't be moved out and appropriated to the Ambulance Fund.

AMENDMENT: Brian Clark offered a written amendment from the floor to this Article to discontinue this Fund and add the balance of this discontinued Fund to the Warren-Wentworth Ambulance Service appropriation in Article 8 for the purpose of purchasing an ambulance. Seconded by Nelson Kennedy. Brian Clark noted that the WWAS was looking to buy a new ambulance next year. Bob Giuda suggested we vote the article into the General Fund and then appropriate it into the WWAS budget. Brian Clark noted that DRA asked us to do it this way. Peter Faletra then read the letter from DRA regarding this fund. The letter recommends moving the funds to the General Fund.

Brian Clark withdrew the amendment.

Discussion of Article: Bob Giuda recommended working on Article 17 as written, and then move to amend Article 8 for the amount of the discontinued Fund in Article 17. It was noted that the italicized text following the Article is not part of the official Article, but simply constitutes explanatory text. The Moderator asked the Town Clerk and Town Administrator to make sure that any text printing under the Article text is not part of the official Article. Vicky Swan asked who put the text there? The Selectmen added the text. Richard Clogston noted that we have a public meeting to discuss intent of articles. The Question was then called.

Disposition of Article: Passed by voice vote and so declared.

Article 18:

To see if the Town will vote to raise and appropriate the sum of two thousand five hundred and sixty four dollars and ninety cents (\$2,564.90) plus any interest from fund balance for the Police Capital Reserve Fund. *This money is to come from the general fund and no amount is to be raised by taxation.* (Selectmen Yes 3 No 0)

Motion by Michael Clark to postpone indefinitely. Seconded by Anthony Mincu.

Question called.

Disposition of Motion: Passed by voice vote and so declared.

Article 19: (by petition)

To see if the Town will vote to permanently grant two easements to cross the old railroad bed presently owned by the Town of Warren to the Mica Mine property (Map 007 Lot 019). *These crossings are on the railroad map and were deeded in perpetuity. These easements give access to this property.*

Moved by: Sarah Lester

Seconded: Kim Bancroft

Discussion: Sarah Lester spoke of property purchased by her and John Lester. When the State transferred the land to the Town, the language of the easements was not included in the language of the deed upon transfer. The Lesters are seeking the town to grant them these easements. Mrs. Lester stated this has nothing to do with Short's Lane being or not being a town road. Question called. By hand vote of 35 for 17 against, debate was ended.

Disposition: Passed by voice vote and so declared.

Article 20: (by petition)

To see if the Town of Warren will vote to enter into a lot line adjustment with KEDOMA (former VFW property) on which the former VFW building is situated (Map 010 Lot 130) and the property of the Town adjacent to the VFW property (Map 010 Lot 232). All expenses will be paid by KEDOMA including, but not limited to, a survey, Planning Board fees and recording fees. No costs will be incurred by the Town. KEDOMA would allow the Town to plow snow from the Mt. Mooselauke Health Center Road on to the parcel so long as it doesn't obstruct the entrance to or exit from the KEDOMA building. **(as amended).**

Moved by: Randy Whitcher

Seconded: Jeanne Erickson

Discussion: Merve Newton discussed the property in question and the deed he received when purchasing the property. The deed he received included land now currently owned by the Town. When Mr. Newton had the parcel surveyed, the survey didn't include a portion of the property that the Town currently owns, and which Mr. Newton believed he purchased. Mr. Newton would like the Town to convey to him a portion of this Town owned parcel. The parcel is a small piece that goes to the sidewalk. Leona Foote noted that she would like the land sold, not given. Donald Bagley noted same. Bob Giuda asked if non-passing of the article preclude usefulness of the building? Mr. Newton responded that the curfew precludes him from using that portion of his property. Michael Clark responded that the spirit of the curfew was to prevent children from vandalizing town properties. Mrs. Lester asked if the BOS and Mr. Newton discussed purchase and sale of the piece of land. Randy Whitcher and Mr. Clogston noted that it would be beneficial for the

Town to see Mr. Newton have that piece so that he may beautify the property much as he has already done in other properties within the Town.

AMENDMENT: Lewis Bancroft moved to amend article to allow the Town to plow snow from the Mt. Mooselauke Health Center Road on to the parcel so long as it doesn't obstruct the entrance to or exit from the building. Seconded: Jeff Howard.

Disposition of Amendment: Passed by hand vote and so declared.

AMENDMENT: Sandra Hair introduced an amendment requiring payment of \$2000 for the said parcel. Seconded: Donald Bagley.

Discussion: Mr. Giuda noted that we made a lot line adjustment last year relating to Calamity Jane's restaurant and that we did not request any fee. Question called.

Disposition of Amendment: Amendment fails by voice vote and so declared.

Question called on the main Article.

Disposition of Article as amended: Passed by voice vote and so declared.

Article 21: (by petition)

To see if the town will vote to establish the hours of the Town Administrator to be limited to 24 hours per week @ \$19.50 per hour, without the benefit of Health and Dental Insurance and the Town Office is to be opened the same 24 hours per week.

Motion by Donald Bagley to postpone indefinitely.

Seconded by Bob Giuda.

Question called.

Disposition: Motion to postpone article indefinitely passed by voice vote and so declared.

Article 22: (by petition)

To see if the town will vote to pay the former Town Clerk/Tax Collector, Sharon L. Pushee, her salaries and fees for the year 2002 which are legally due her in accordance to RSA 31:9B which states: "All elected and appointed officials of a municipal corporation shall be paid monies due them for services rendered as approved by a vote of the municipality from the time of election, or appointment, to the expiration of the term of office for which they are elected or appointed. Said monies shall be paid after the services have been rendered either weekly, bi-weekly, monthly, quarterly or semi-annually as agreed upon between the governing board and the officials involved. As used in this section the words "municipal corporation" shall mean a town, a village district or a school district, but shall not include a city or county." and shall be paid to her within 30 days of the passing of this article. Salaries and fees total \$12,000.00. (Selectmen: Yes 0 No 3)

Motion to postpone this Article indefinitely by Randy Whitcher. Seconded by Arthur Heath.

Question called to cut off debate: For: 43 Against: 18. Debate cut-off with a 2/3 majority vote.

Disposition: Motion to postpone Article indefinitely passed by voice vote and so declared.

Article 23:

To see if the Town will vote to authorize the Selectmen to borrow funds in anticipation of taxes.

Moved by: Michael Clark

Seconded: Charles Sackett

Discussion: none

Disposition: Passed by voice vote and so declared.

Article 24:

To transact any other business that may legally come before said meeting.

Moved by: Michael Clark

Seconded: Anthony Mincu

Leona Foote proposed that we use a microphone so folks at the back of the hall can hear. Donald Bagley said the school is willing to lend us their system.

Mr. Evans asked about barring off the railroad tracks. Charles Sackett noted that the State wants to bar their section of the railroad track by Weeks Crossing, which would bar cars and trucks from driving up there. The State asked if we were interested in barring the Town section. The Town said no.

Sandra Hair wondered if the easement of the Lester property affected the snow mobile trail on Corridor # 5. Chuck Sackett responded that the snow mobile club may need to post a stop or caution sign, otherwise, it will have no effect.

Chuck Sackett discussed problems with the So. Main Water District well. The State is requiring covering of salt and sand piles. So. Main Water District has obtained a grant to help out, but we still need money for an asphalt pad, retaining wall. We need \$9,900 more to move the salt pile. Donald Bagley suggested that we try to tap Road Agent budget funds to help in the project. Bob Giuda suggested that the Board of Selectmen the authority to allocate funds based on needs of the town. Casey Bisson noted that this is an issue of moving the salt pile whether or not the well is there. Bob Giuda asked for a show of hands to see who is in favor of the salt pile being cover. There was almost an unanimous show of hands.

Donald Bagley moved to adjourn the meeting. Seconded by Michael Clark.

The Moderator then adjourned Town Meeting at 3:00 pm.

BOARD OF SELECTMEN

2005 was another good year for our community. Your Board of Selectmen worked diligently to manage the finances of our town while providing the services that we need. Our Highway Department has undergone some changes, to include the purchase of our new truck as well as moving our salt and sand pile to a new building up at the Transfer Station. With this change some of the equipment has been moved to the transfer station as well. We also took delivery of our new trash compactor, which has reduced the cost of trash disposal.

We have also been working on the river restoration project. Over the summer we had two public meetings to discuss this important project. We remain hopeful that with state and federal grants we will be able to do a considerable amount of restoration at a minimal expense to the town. More information will be available in the coming months.

This year once again we have an important issue regarding our property values and assessment. Last year the Board of Selectmen proposed (through Warrant Article 16) funding an assessment update of properties. The purpose of which was to bring our property values into a range that is acceptable under Department of Revenue Administration standards. We suggested that this was necessary in order to avoid the possibility of the DRA forcing a complete revaluation. The warrant article was amended to place funds in capital reserve for a complete revaluation at a later date. Although the amended article passed, the DRA disallowed the article because the amendment changed the scope of the article from funding the quarterly update to placing funds in capital reserve. Recently the Board of Selectmen met with Commissioner Blatsos of the NH Department of Revenue Administration. Commissioner Blatsos explained to the board that our current property values are way out of proportion and that we are in a situation where we have to correct this without any further delay. DRA is currently filing papers with the Bureau of Tax and Land Appraisal to ask them to order a complete revaluation of our properties. Should the BTLA make this order, we as a community will have no say in who will do the revaluation, someone will be hired by DRA and we will be required to pay for it.

DRA has agreed to hold this action until after our 2006 deliberative session, because the Board of Selectmen has once again proposed a warrant article to deal with this issue. Warrant Article 14 proposes funding for a statistical update, this process is recommended by the DRA as the first step in resolving this issue. This along with quarterly assessment will, at the end of a 5 year period, bring us in line with state requirements. If we choose not to do this, the next step will undoubtedly be an order from the state BTLA to do a complete revaluation this year. The Board of Selectmen strongly recommends that this article be approved.

Finally, we would like to thank all of our town employees, volunteers and especially all of you who participate in the effort to make our community a great place to live. We look forward to another year of progress and we encourage everyone to be involved.

CEMETERY TRUSTEES REPORT 2005

At the Warren Cemetery we started off in the spring with the cutting of brush. The brush grows as fast as grass so if we don't keep at it every year it would take over. Brush was cut at the top, back and half of the new section along with the banks.

At the East Warren Cemetery we worked on filling in the sink holes and removing brush.

At the Clough Cemetery we worked on clearing brush.

At the Glenclyff Cemetery we cleared brush and filled in sink holes. We also loamed and seeded the back right corner.

We over spent the budget this year by nearly \$1,000.00. We took the amount we went over out of the trust funds. The budget request for 2006 is the same amount requested in 2005. If it is necessary to over spend that budget again this year we will increase the amount of the budget request for the following year.

We plan to remove two large trees from the Warren Cemetery and fix the roads. We will be looking for someone to do this work in the spring. We plan to fix up the old stone fence at the Glenclyff Cemetery as well.

Mowing takes up most of our time and budget. We want to thank the Heath's, Davis's and the Bagley's for all the work that goes into keeping the cemeteries looking so good.

Donald B. Bagley
Marie Spencer
Marlene Washburn

EMERGENCY MANAGEMENT

It has been a very busy year. I have attended five two-day seminars on subjects that need to be included in our town emergency plan. I found them to be very interesting. The topics were; Warning Coordination, Hazardous Weather & Flooding, Evacuation & Re-entry, Effective Communication, and Disaster Resistant Jobs. The seminars were held in Laconia, North Conway, Lincoln, Concord and Portsmouth. I also attended two grant meetings, one in Lincoln and the other in Plymouth.

In April we had our own little emergency with high water and some washouts. I had to monitor the situation and keep Emergency Management informed. Bryan Flagg and I took pictures and forwarded them to the authorities. I also submitted the estimated cost figures for hours, equipment and labor John Corso provided. Unfortunately my regional person was transferred in the middle of the transaction and our Town Administrator was also leaving so somehow things got lost in the shuffle. I am trying to track down all the paperwork to see if we are still eligible for some federal money. It could be that it is still being processed. I do want to thank Bryan Flagg and John Corso for their cooperation on that project.

I am working on the Town Emergency Plan, as it needs to be updated. The government now requires that it be in a different format which will take more time than I had originally planned. I have found the seminars that I have attended will come in handy for some of the annexes that need to go into the plan.

I find this project interesting, informative and sometimes overwhelming, but I will do my best to complete the project and bring the Town of Warren into compliance.

Respectfully submitted,

Janice M. Sackett, Emergency Manager

2005 WARREN VOLUNTEER FIRE DEPARTMENT REPORT

We are pleased to say that the Warren Fire Department is getting stronger and more experienced in serving the community with the growing needs of the town. Our membership is around 15 – 16 strong and many of the men have been on the department for enough years to have some good experience and training. This helps me as chief to be able to do a better job tackling the incident facing us.

Your Fire Department personnel are constantly training for all kinds of situations, from building fires, car, ATV and snowmobile accidents to lost hikers, hunters, children and even elderly people. There is always something new to learn and train on. Today's new cars are being built with air bags -some even have side and roof air bags. Personnel on the scene of an accident can be seriously injured if these air bags deploy after the accident. The hydraulic pistons used in the hatchback doors of many of today's vehicles can explode during a fire and fly thru the air like spears. And don't forget the 20 gallons of gasoline in the tank as well as the many other hazardous products people carry in their cars and trucks. We have personnel that are trained in heavy equipment rescue and cold water rescue. We will continue to train monthly on our trucks and equipment. If you would like to give to the community, the fire department is always looking for new members; it is a big commitment but very satisfying. We meet the 2nd and 4th Thursdays of the month at 7:00PM at the station.

This year we have asked for only \$10,000.00 to be put into capital reserve instead of \$15,000.00 because we need to update some very old fire hose. Some of the hose was donated to us because it was old. We took it because we needed it. Insurance companies require hose testing for safety reasons. We may request only \$10,000 again next year to ease the burden on taxpayers. It is important to have good safe hose on the trucks for the safety of our firefighters. It is also important to have an ample amount of hose because the water supply can be quite a distance from the fire. Please support this article. Thank you.

Every year it is the chief's job to select a fireman of the year. Fireman of the year is a man or woman that has performed their duties above and beyond normal expectations; a person that shows great love for what we do and stand for, a person that will do whatever it takes to get the job done. This year two members stood out of the crowd and they are Captain David Heath and Captain Ron Sprague. These two men have proven that they have what it takes to be a true volunteer firefighter. They are a huge asset to the department. Congratulations Dave and Ron!

Last year the town voted to release money for a new, used utility truck to replace our old one. We are still looking for a certain type of truck. So far the trucks we found are either too expensive or were already sold. The committee is still looking to get the best buy for the dollar.

In closing I would like to thank the members of the Warren Volunteer Fire Department for their commitment and dedication to serve and protect the people of this community. I would also like to thank the citizens of Warren for their support and funding which makes our job easier to do.

Please check the batteries in your smoke detector and do a fire drill with your children. It could save a life!

Respectfully,
Fire Chief David Riel

Warren Volunteer Fire Department

FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden of Fire Department to determine if a permit is required before doing any outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local Fire Department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2217 or online at www.mhdf.org.

Fire activity was high during the first several weeks of the 2005 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in the southern and central portion of the state. This period of increased initial attack activity prompted a 5-day ban on open burning; the first such ban in several years. Despite the dry conditions, the state's largest wildland fire was contained at 29 acres. Our statewide system of fire lookout towers is credited with keeping the fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 10 structures, a constant reminder that forest fires harm more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe.

JOSEPH PATCH LIBRARY

This year we saw the completion of the handicap ramp held up somewhat by the road construction. The finishing touch of the railings will be added in the spring. We would like to note that this ramp will be for handicap access only.

In May we had a generous donation from George Stanley allowing for the purchase of over 75 new research books for the children's section. These books include books about history, animals and beginning foreign language.

The circulation was good with 3,255 borrowed items and 1,158 total borrowers. These figures are broken down as follows: 1329 adult books, 593 children's books, 367 magazines, and 975 audiovisual items.

The interlibrary loan service continues to be helpful to our patrons. We borrowed 141 items from other libraries. We were able to share 48 of our own books with other libraries in the state.

Acquisitions were high with a total of 244 books and 92 audiovisual items added to our collection. Of these a generous 202 were received as gifts and 143 purchased.

We are glad that so many are enjoying our services and look forward to the coming year.

Respectfully submitted,

Emily Evans, Chairman
Joan Bloom, Secretary
Marlene Wright, Treasurer
Juli Noury, Librarian
Joanne Hansen, Assistant Librarian

OLD HOME DAYS

Old Home Days proved to be successful again this year in spite of a little rainy weather. Everyone seemed to enjoy themselves, seeing old friends and meeting some new ones. There are several people who work to make this annual event a success each year and we want to thank each one of them! If you are interested in becoming a part of this great team of volunteers, we meet the second Tuesday of the month at 7PM at the Town Office.

WARREN PARKS & RECREATION

It has been a busy year in the parks & Recreation department. With mostly new commissioners, we are still doing a lot of learning. We have many fresh ideas and great plans for the year to come, and as always, we are looking for new recruits.

We started out the year writing a new set of by-laws for the commission to run by. The board of selectmen and the town attorneys have checked everything over and it all looks good. We are now able to expend funds that have been donated to the town in the name of Parks & Recreation, upon approval of the commission and board of selectmen. This basically means that we can fundraise.

We have taken over the community calendar fundraiser for 2006. Our first issue is already out and we promise to have it out on time next year. Look for us next July at Old Home Days to give us your listings and place your orders. This is a great fundraiser but it takes a lot of work, so your help is greatly appreciated.

Our other big fundraiser was Hogstock, a family BBQ competition and festival. People paid a fee to enter their favorite BBQ chicken, beef brisket ribs, chili or whole hog recipe. They set up shop on the common and cooked everything on site. Our panel of judges tasted and graded each entry, leaving all contestants with a number score. Those with the highest score in each category were given a plaque and some cash prizes. We sold food passes to the public for a minimal fee. The pass included four side dishes and strawberry shortcake for dessert. Pass holders were also able to sample entries from all categories from chicken to whole hog. The ambulance service sold beverages and helped serve food, a huge thanks to them. Live music and great weather made it a perfect day to spend with your family on the common.

Next year it is our hope that all of the organizations in town can join in helping with the food, holding a bake sale or a fifty-fifty raffle and be part of this fundraiser. We have already had a big response to this year's date, August 26th. We have decided to hold Hogstock in conjunction with heritage Days, hoping that we all will have a better turn-out. Look for a letter from us in the spring asking for you contributions.

Our summer camp program did not have as great of a turn-out as we had hoped. We had to cut our six week program to a four week program due to lack of participation. We plan to offer a couple of day trips and day long activities in town for school aged children next summer.

We continue to host Tae Kwon Doe twice a week at the town hall. The Brochus do a great job with this. It is one of our most successful programs.

As a commission, we would truly like to continue to offer a diverse schedule of intergenerational activities for the entire community to enjoy. In order to do this, we need your input, your ideas, and your time. We meet the first Monday of each month at the Warren Town Office building. We hope to see you there!

Thank you for your support!

Harry Wright, Director

Traci Sackett

Beth Rugar

Rebeca Foren

Lynn Clogston

PLANNING BOARD

The Planning Board meets at 7:00PM on the first Thursday of every month at the Town Office. All meetings are open to the public. Any subdivision of land in Warren requires the approval of the Planning Board in accordance with the 'Subdivision Regulations of the Town of Warren' adopted on February 5, 1997.

SUBDIVISION REGULATIONS:

Revisions are being made to the Subdivision Regulations

1. to clarify definitions and procedures to ensure fair and equal treatment to the whole community.
2. to ensure that the Subdivision Regulations are consistent with and supportive of the newly adopted Master Plan.

SUBDIVISIONS:

There were four subdivisions in 2005 by Eugene Whitcher, Jean Paul Downs, Vintage Lands (off Ore Hill Road) and William and Therese Moulton.

LOT LINE ADJUSTMENTS:

There were three lot line adjustments in 2005 by Richards and James French, Brian Ball and Philip Belyea.

BUDGET:

The Board spent \$401.11 in 2005. This is 66% of the budgeted \$600.00. The Board voted to maintain the same budget for next year.

MEMBERSHIP:

Lloyd Bixby filled one of the two positions available at the 2005 town meeting. The Board voted to appoint alternate Irving Cushing to the vacant position. Pat Wilson volunteered and was accepted by the Board to serve as an alternate. Robert Newton resigned from the position as alternate. Jennifer Butler volunteered and was accepted by the Board to serve as an alternate in his place. As provided in the by-laws, these alternates shall serve for three years.

GOALS FOR 2006:

The Board wants to review gravel pit regulations to ensure activity with environmental and community impact conforms to State requirements and the Master Plan.

Respectfully Submitted,

Paul Vonverde, Chairman

Tom Toomey, Secretary

Charles Sackett, Ex-officio

Irving Cushing

Lloyd Bixby

Thanks to alternates Pat Wilson and Jennifer Butler for their time and efforts.

WARREN POLICE DEPARTMENT ACTIVITY REPORT JAN – DEC 2005

Warren continues to grow, with new residents moving to our location for its country life. Welcome to all.

This department continues to provide services from traffic monitoring with the use of radar, to assisting individuals in need. Again, without your support, we would not be able to accomplish a lot. Thank you to everyone.

Road construction on NHRT 25 did seem to cause delays and confusion, but bear with them with patience, and use common sense. After all the work is done, it will be a much nicer road. Please keep in mind that speed limits will stay the same.

The cruiser is in fair shape for a 1998. It is our rolling office. It needed some big repairs this last year, but should last for one more year. I have asked for a bigger amount for capital reserve, in hopes of replacing the vehicle in 2007.

OHRV riders were very careful this last year with only one accident. My thanks to OHRV patrols and folks being more safety minded.

Animal control is still an active area. Pets are still being allowed to run loose and not kept on owner's property. I have used much discretion on this, but enforcement will get tougher. Please register your pets and keep them safe.

The department remains committed to serve the residents of the town. In an emergency, dial 911. To leave a message, dial 787-2003. You may also call my phone if necessary.

Sincerely,

Warren Davis, Chief of Police

ROAD AGENT

This past year went along well despite the snowstorm on Town meeting day and the big flood later in March, which washed out most of Clement Hill and Robbs Lane along with many other smaller washouts. It was a very wet spring and half of the summer we had heavy rains that caused washouts many times over. There were plugged culverts that carried no water causing it to go over the roads. Over time we got most of the culverts cleaned out and had that problem solved. We replaced the culvert on Robbs Lane and also on Stimson Road with a much larger one where the header had given way during the March flood. We built a 42 x 60ft sand shed at the transfer station. It has been nice loading sand that is not frozen solid and it much easier on the equipment. We have the yard at the town garage cleaned up and looking good. A lighted sand shed is there for your use. We kept up the equipment with repairs; oil changes and grease even on the backhoe that needs to be replaced. The backhoe is in need of many repairs, including the brakes and new bushings. The approximate cost for these repairs is \$10,500. It is also going to need a new front bucket and shaft in rear end. We currently do not have estimates on these repairs. Both the new truck and the one ton have been lettered. General maintenance to the town's roads has also been done as needed throughout the year.

As the end of the budget year arrived, we had approximately \$10,000 left in our budget. Even though these funds could have easily been used, we elected to turn this money back to the town to keep the town within its budget.

Overview of the budget for the last five years:

2001	\$150,270	2004	\$122,500
2002	\$127,471	2005	\$119,120
2003	\$122,900		

The budget has been going down while the price of material, parts and labor has been going up! The budget request for this year is \$138,314. Warrant Article 13 includes \$11,225 for the first year's payment on the lease/purchase of a new backhoe.

During the upcoming year we still have lots of ditching to do and need to gravel most of the roads. I would like to get Beech Hill paved up to the old school house, along with Red Oak Hill Rd from Rte 25 to the Wentworth town line. In the long term I would like to see most of the more traveled roads paved, but we will do what we can when we can. We started trimming trees along roadsides and hope to finish in the spring. We are planning to build a small shed next to the sand shed at the transfer station for road salt.

I would like to thank the following people:

Randy Whitcher- We can't thank him enough for all the hours he spent helping with the construction of the salt shed.

Ronnie Whitcher- He helped with his loader after the March flood and he helped with his excavator during the construction of the salt shed.

Tim Ruff- He donated the wood for the salt shed at the Town garage and for another salt shed to be built at the transfer station next year.

I would also like to thank all of you that gave me the opportunity to serve this great town.
Respectfully submitted,

John Corso

TOWN CLERK REPORT

We have had a very productive year in the Town Clerk's office. We underwent some renovations last summer and have a new counter and workstations so that we can serve you more efficiently. We are very happy with the set up, as it allows us to share the office and equipment with the Tax Collector, which will save the town money in the long run. Our carpenter kindly donated the paint we used so that we could save money. Thank you to Mark & Theresa Evans of Wentworth for their generosity. We hope to install new flooring this year.

Vital Records: We have requested funds in our budget this year to begin restoring old vital record books. Please help us by approving this expenditure. Our plan is to restore one book per year. Once the books are restored, residents will be able to examine the books themselves. We received new computer equipment (CPU, printer, and flat panel monitor) from Vital Records for free so we passed our computer (new two years ago) to the Supervisors of the Checklist. Both Suzanne and I were trained on the new Vital Records system (NHVRIN) this year and we can now process vital record copies and marriage licenses using this state-wide vital records system. Once a record is processed using the system, it is available from any Town Clerk in the state that is on the NHVRIN system. Currently, Vital Records is working on getting every town in the state on this system. We offer certified copies of birth, death, and marriage certificates, and also have wallet birth cards.

Privacy: We attended Privacy Act Training in Concord and want to assure all our patrons and residents that personal information is kept confidential. Please know that if you are requesting registrations on another person's behalf you need to present a written note from the person granting you their permission.

Motor Vehicles: You can process registration renewals on the internet at www.egov.nh.gov/Compass using a credit or debit card. You will need your old registration handy and cannot have any changes to your registration. Once you pay with your credit card, you will receive a confirmation and the registration and stickers will be mailed to you.

Dogs: And a reminder, to please license your dogs yearly by April 30th.

TRANSFER STATION

The year 2005 saw the town purchase a compactor. We have pretty much ironed out the flaws to make this work properly. We are trying to keep all the recycling materials in dumpsters and off the ground. We thank the town for their cooperation. We are realizing some improvement in recycling and hope it continues in 2006. Many thanks to Pete, Maggie, Kathy and Jon for their hard work at the Transfer Station.

Jim Price
Transfer Station Manager

COTTAGE HOSPITAL

90 Swiftwater Road, PO Box 2001, Woodsville, NH 03785-2001

Tel: 603-747-9000

Fax: 603-747-3310

It has been another very exciting year at Cottage Hospital. Over the past year we have seen growth in many areas of the hospital. We are looking forward to an exciting new building project beginning next year, which will make space for the expansion of clinical services such as Pain Management, Day Surgery, Radiology and Laboratory.

Our fiscal year was a close one; however, we managed to end the fiscal year with a small positive bottom line for the fourth year in a row for 2004-2005.

At Cottage Hospital we are all very proud of the personal care that we are able to give to our patients. Time and time again, we hear about the outstanding care that patients and family members have received while with us.

We know our communities are supportive of our institution, and we are extremely grateful for the financial support that our area towns have provided over the years. Although funds are always needed and welcomed at Cottage Hospital, we know there are many worthy organizations also asking for money this year. Therefore, the Cottage Hospital Board of Trustees had decided NOT to ask the Town of Warren for financial support for the twelfth consecutive year.

We thank you for your continued support and pledge to continue to do our best to provide you and your families with the highest quality of healthcare possible.

Reginald J. Lavoie
Administrator

STATE OF NEW HAMPSHIRE EXECUTIVE COUNCIL

Raymond S. Burton

Report to the People of District One

As one of your elected public servants, I am honored to report to you in my role as Executive Councilor for District One.

My Constitutional and legal responsibilities while serving in this position parallel those of a Board of Directors. We administer state law and budgets passed by the NH House and Senate. We also must comply with federal laws and regulations when we accept federal programs, projects and grants.

One responsibility of the Governor and Council is to see citizens willing to serve on the state volunteer boards and commissions. It is important that your region be well represented. If you are interested in serving on a board or commission, please send your letter of interest and resume to my office or directly to Kathy Goode, Director of Appointments/Liaison to the Council, Governor's Office, State House, 107 North Main Street, Concord, NH 03301, Tel. (603) 271-2121. Visit the Secretary of State's website to see what is available / open at www.sos.nh.gov/redbood/index.htm

Sources of information from my office to you include:

The New Hampshire Constitution

Official NH Highway Map

Organizational Chart of NH State Government

NH Political Calendar 2006-2007

NH Executive Council Brochure

Listing of toll-free phone numbers for resources and information.

Effective email/website source includes:

www.nh.gov for all state agencies; executive , legislative, state personnel, licensing boards and much more.

www.nh.gov/council includes duties, minutes of meetings, agendas for upcoming meetings and the history of the Executive Council

bcheney@nheom.state.nh.us Bruce Cheney, Bureau Chief of all emergency management matters.

www.gencourt.state.nh.us/house/members All NH House Members

www.gencourt.state.nh.us/senate/members All NH Senate Members

I am always available to assist you and your region in solving issues and concerns of importance to you. It is a pleasure to serve District One

Ray S. Burton, Executive Councilor District #1

GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC.

PO Box 433, Lebanon, NH 03766-0433

Tel: 603-448-4897 Fax: 603-448-3906 Email: gcscc@gcscc.org

Grafton County Senior Citizens Council, Inc. is a private nonprofit organization that provides programs and services to support the health and well-being of our older citizens. The Council's programs enable elderly individuals to remain independent in their own homes and communities for as long as possible.

The Council operates eight senior centers in Plymouth, Littleton, Canaan, Lebanon, Bristol, Orford, Haverhill, and North Woodstock, the information and assistance program Grafton County ServiceLink; and the Retired and Senior Volunteer Program and Volunteer Center. Through the centers, ServiceLink and RSVP, older adults and their families take part in a range of community-based long-term services including home-delivered meals, congregate dining programs, transportation, adult day care, home repair services, recreational and educational programs, and volunteer opportunities.

During 2005, 55 older residents of Warren were served by one or more of the Council's programs offered through the Plymouth Regional Senior Center:

- Older adults from Warren enjoyed 473 balanced meals in the company of friends in the Plymouth center's dining room.
- They received 2,119 hot, nourishing meals delivered to their homes by caring volunteers.
- Warren residents were transported to health care providers or other community resources on 363 occasions by our lift-equipped buses.
- They received assistance with problems, crises, or issues of long-term care through 2 visits by a trained social worker or contacts with ServiceLink.
- Warren's citizens also volunteered to put their talents and skills to work for a better community through 745 hours of volunteer service.

The cost to provide Council services for Warren residents in 2005 was \$20,264.52.

Such services can be critical to elderly individuals who want to remain in their own homes and out of institutional care in spite of chronic health problems and increasing physical frailty, saving tax dollars that would otherwise be expended for nursing home care. They also contribute to a higher quality of life for our older friends and neighbors. As our population grows older, supportive services such as those offered by the Council become even more critical.

Grafton County Senior Citizens Council very much appreciates Warren's support for our programs that enhance the independence and dignity of older citizens and enable them to meet the challenges of aging in the security and comfort of their own communities and homes.

Roberta Berner, Executive Director

GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC.

Statistics for the Town of Warren

GRAFTON COUNTY COOPERATIVE EXTENSION
3855 DCH, Box 5, North Haverhill, NH 03774-4909

Phone: (603) 787-6944

Fax: (603) 787-2009

Email: graffton@ceunh.unh.edu

UNH Cooperative Extension provides New Hampshire citizens with research-based education and information, enhancing their ability to make informed decisions that strengthen youth, families, and communities; sustain natural resources; and improve the economy. Funded through the federal, state, and county governments, and competitive grants, educational programs are designed to respond to the local needs of citizens through the direction and support of an elected volunteer advisory council.

Education programs and assistance are objective, informal, and practical in nature; most are at no direct cost to participants. Clients' needs are met through phone calls, letters and printed materials, hands-on workshops, on-site visits, seminars and conferences, and up-to-date web sites. Our staff is able to respond quickly with needed information via electronic mail, keeps up-to-date on the latest research and information, and works collaboratively with many agencies and organizations.

A professional staff of five educators and one specialist work out of the Extension Office located in the Grafton County Administrative Offices in North Haverhill. Two additional staff members work in Plymouth and Littleton to provide educational programs for limited-resource families. Additional support is provided through trained volunteers who assist with Extension programs and increase our outreach capabilities.

Educational Programs in Grafton County, FY05

To strengthen NH=s communities: Community Conservation Assistance Prog.; Preserving Rural Character through Agriculture; Urban and Community Forestry; Comm.Youth Development; Volunteer Training (Master Gardeners, Coverts Cooperators, Community Tree Stewards, and 4-H Leaders); Community Profiles.

To strengthen NH=s family and youth: After-School Programs; Family Resource Management; 4-H Youth Development: Family Lifeskills Program; Nutrition and Food Safety Education; Parenting Education; Cradle/Crier/Toddler Tale Newsletters; and Volunteer Leader Training Programs.

To sustain NH=s natural resources: Dairy Management; Agroecology; Forest Resources Stewardship Program; Fruit Production and Management; GIS Training; Lakes Lay Monitoring Program; Integrated Pest Management; Ornamental Horticulture, Insect and Disease Control; Vegetable Crop Production; Wildlife Habitat Improvement; Water Quality/Nutrient Management Programs, Estate Planning and Conservation Easement Education Programs; Estate Planning and Conservation Easement Education Programs.

Respectfully Submitted,

Northam D. Parr, County Office Administrator

MT MOOSELAUKEE HEALTH CENTER 2005 ANNUAL REPORT

The Mount Mooselaukee Health Center (MMHC) a division of Ammonoosuc Community Health Services, Inc. (ACHS) is a non-profit agency offering a network of affordable primary health care services and information throughout the communities of Warren, Wentworth, and Rumney. MMHC emphasizes preventive care and encourages active participation in one's own health. MMHC's programs promote and support the well being of individuals and their families.

MMHC offers a variety of health care services to the local communities including primary care, maternity care, family planning, and mental health care, which include counseling and drug and alcohol treatments. Dr. David Nelson, D.O. has been the full time primary care physician since July of 2002. Dr. Nelson is also on staff at Cottage Hospital in Woodsville, N.H. MMHC has a variety of health care providers who practice in Warren on a part-time basis. This allows MMHC to bring a wide range of services to the communities. Jessica Thibodeau, ARNP provides adult and adolescent services, specializing in prenatal care and woman's health issues. MMHC participates with Dartmouth-Hitchcock Nurse Midwifery Program for deliveries and high-risk referrals. Steven Noyes LICSW, LADC is a mental health, and drug addiction counselor.

The Advisory Board for MMHC consists of community members that are dedicated to the continuation of health care services in the local area. They meet six times a year to discuss fundraising and plan special events. Those interested in joining the Advisory Board are invited to contact the site manager at MMHC (764-5704).

The Warren/Wentworth Ambulance Service has generously allowed the food pantry to use its basement. We are happy to provide this service to the community. Many donations were received this year, and were greatly appreciated. The food pantry serves an average of 39 households or 671 meals per month. Commodity foods are delivered every other month on the first Friday. MMHC would like to thank Bill Hall and all of the volunteers for their efforts to feed the hungry.

The food pantry is but one of the communities needs that MMHC supports. The WIC program comes to MMHC the first Monday for every month. MMHC offers a home visiting program for families with young children through Family Connections, a program for chronically ill children and their families through Partners in Health, dental health referrals, and community health education.

As a federally qualified health center, patients who do not have insurance and qualify for the sliding fee program receive quality health care at affordable prices¹. Total savings for those patients was \$44,150 for the fiscal year ending June 30, 2005. MMHC also has a drug formulary program to provide qualifying patients with affordable prescription medication. The staff at MMHC diligently works to assist patients with applications for the indigent drug program. In fiscal year 2005 MMHC provided community residents with \$122,414 in free prescription medication, which is an increase of 13.5% from fiscal year 2004.

The staff at MMHC would like to thank the town, and the many organizations and community members who have supported the health center through out the past year. Your generous donations of time and money have been greatly appreciated.

Respectfully submitted,

Holly Young
Site Manager

¹ Ammonoosuc Community Health Services, Inc. is a recipient of the U.S. Department of Health and Human Services Administration Bureau of Primary Health Care Section 330 Funds as a designated Federally Qualified Community Health Center

NORTH COUNTRY COUNCIL

I would like to thank all of you for your support of the council this past year. We have made a number of positive changes and completed a number of projects throughout the region. Once again we reaffirmed the Council's commitment to serve community and regional needs.

Over the past year we have continued to deliver planning services throughout the region. We have and we will continue to adjust our capacities to respond to the needs of the communities and you will see this in the programs we will be introducing in the coming year. We continued our strong relationship with the Department of Commerce and the Economic Development Administration (EDA) in bringing funding and project development to the region. The Mount Washington Valley Technology Village and the Dartmouth Region Technology Center are two projects that are being implemented with funding provided by EDA. We have begun a Community Outreach program targeted at helping our planning boards in the difficult tasks of managing the planning activities in their communities. We have entered into an agreement with the Environmental Protection Agency (EPA) to do site assessments in our communities under the National Brownfields program. We are also very hopeful that the region will receive technical assistance for a Rural Development Heritage Initiative program from the National Trust for Historic Preservation to promote Heritage Tourism in our region. These programs, as well as all the traditional programs, in master planning, solid waste management, grant writing, natural resource planning and transportation planning, will continue to be the focus of the North Country Council.

Thank you for all of your continued support for the council and I hope that my staff and myself can continue to be of service to your community. The Council is here to serve you. Our staff and Board are committed to responding to community needs. If there is a project or a need in your town, please call us. We are dedicated to both supporting our individual towns and promoting regional unity in the North Country.

Michael King, Executive Director

PEMI-BAKER SOLID WASTE DISTRICT

The Pemi-Baker Solid Waste District met seven times during 2005. Once again, District programs provided residents access for proper disposal of their household hazardous wastes (HHW), paint, fluorescent light bulbs, antifreeze and rechargeable batteries. The District also worked diligently on securing long term disposal and hauling contracts for its member communities.

The District's one-day HHW collection program consisted of three collections held in the towns of Littleton, Plymouth, and Thornton. An estimated 502 residents were served by the collections – 43% of which had never participated in a collection event before. The total costs for the three collections were slightly less than \$22,500, which is comparable to the costs associated with the 2003 and 2004 one-day collection program. The District received \$11,196 in grant funds from the State of NH's HHW grant program to help offset a portion of the program's costs. The 2005 program saw the District collect slightly more than 33,090 pounds of wastes, again comparable to the amounts collected in 2003 and 2004. The average amount of waste disposed of by individual participants was approximately 66 pounds. Flammable liquids and oil-based paints accounted for nearly half of the waste collected. In 2006, the District plans to hold two (2) collections in the spring (Littleton and Rumney) and one (1) in the fall (Plymouth).

In addition to the one-day HHW collections, individual District towns continued to collect leftover/unused household paint. This material is accepted at most facilities April through September. Our selected contractor sorts the material by color and then processes it into a recycled paint product for commercial sale. Over 2,000 gallons of paint was collected in 2005, almost identical to the amount collected in 2004. At the same time the District decreased the amount of non-acceptable materials collected by nearly 50%, which saved over \$900 in charges.

The District also recycled over 27,200 feet of fluorescent light bulbs and 1,100 gallons of antifreeze. These materials, much like the paint, were collected at individual transfer stations throughout the year. In the spring and fall pickups were coordinated with our recycling vendors. The ongoing collections not only provide less expensive recycling options for wastes typically collected at HHW collections, but they also allow District residents greater access to disposal opportunities, in turn minimizing the potential for improper disposal. All of the District's collection programs were coordinated with the assistance of North Country Council.

Finally, after a comprehensive request for proposal process the District's sub-committee assigned for handling the contract process recommended to the full District Board a waste disposal contract offered by North Country Environmental Services and a waste hauling contract offered by Waste Management, Inc. At the District's November meeting, the Board voted to accept the proposals submitted by both companies. Pending final negotiations, both contracts will be for seven years, commencing on May 1, 2006. These contracts will not only provide District communities with competitive pricing but also provide long-term stability.

Citizens interested in participating in the development of the District's programs are welcome to attend the District meetings. Information regarding the place and time of the meetings is available at all municipal offices.

Respectfully submitted,

Robert Berti
PBSWD Chairman

VISITING NURSE ALLIANCE OF VERMONT ad NEW HAMPSHIRE

The VNA and Hospice is like the local police and fire departments a strategic part of the community's safety net with services that must be continuously available to anyone in need. The town's support continues to be crucial to patients. Surrounded by memories, familiar furnishings, and family photographs, people almost always wish to confront the issues of illness, accident or aging, and dying in the comfort of their homes.

Town funding ensures that the following medically necessary and supportive services are provided to all patients, including the uninsured and under-insured:

1. Skilled clinical care and support during times of injury, short-term or chronic illness, or recovery from surgery of accidents. The most common conditions under our care are congestive heart failure, emphysema, diabetes, vascular disease, muscle disorders, and joint replacement.
2. Nursing and physician care for pain and symptom management during terminal illness. Also addresses the psychosocial, emotional, spiritual, and financial concerns for patients, their families and their caregivers.
3. Assistance to young families at risk. We help fathers, and/or mothers who want to be more effective parents and care for newborns and children who have chronic illnesses requiring long-term support and care.
4. Community wellness clinics including blood pressure, foot care, and flu vaccines.

The VNA provided the following services this past year (07/01/04 –06/30/05):

Hospice Program:	3 Patient Families Served
Maternal Child Health Program:	1 Child Served
Home Care Program:	18 Patients Served
	905 Home Visits

On behalf of the people we serve in your community, thank you for your continued confidence.

Susan H. Larman, BSN, MBA
President and CEO
VNA & Hospice of VT and NH

WARREN-WENTWORTH AMBULANCE SERVICE

Well here we are - another year has flown by. Over the year many changes have come to EMS and to our ambulance service. Never mind our call volume increasing by almost 25%.

We have purchased a new ambulance and have been able to fully equip it. We were hoping to trade in one of the older ambulances, but due to the small amount offered to us for a trade-in we decided it would be better to keep all three.

We have increased our level of care in the field by having Warren-Wentworth Ambulance's first Paramedic on our service. Three other Paramedics have joined the service on a per-diem status. They are not always available, but we are trying to fill in the spaces needed.

Over the year the members of Warren-Wentworth Ambulance have spent many hours helping to raise money to assist in the support of the ambulance service. Members also spend time helping to cover at racetracks in Rumney and Canaan at the Pines Speedway, Canaan Speedway and at the Lions Club Motocross. It is becoming increasingly difficult to fundraise and keep up with the training needed for the level of care expected in the field.

Townpeople have expressed the opinion that they would like to see the Warren-Wentworth Ambulance Service become a full time service. We are striving in this direction, but feel it is more of an expense than Warren or Wentworth can afford at this time. We are exploring other avenues to help fund a full time service for our towns, but this is not something we can do overnight. This year we are not raising our requested appropriation from either town, but next year we will probably have no choice but to ask for an increase.

In closing I would like to thank all the Warren-Wentworth Ambulance members for giving their time and energy to come forward in a time of need without expecting anything in return. You all make me proud of what we can accomplish. Also I would like to thank the Warren and Wentworth Fire Departments for their help when and wherever needed. A special thanks to the Warren and Wentworth Police Departments as they are always there for us offering any assistance needed. Feel free at any time to call if you have any questions or wish to join our service.

Sincerely,

Brian Clark, President
Warren-Wentworth Ambulance Service

WARREN HISTORICAL SOCIETY

We have had a fairly good year with our fundraisers and programs. In March Ted and Sheila Asselin showed slides and did a lecture of their trip to Vietnam. We enjoyed a hot dog roast in April with our clean-up day. The annual "Spring Fling" took place in May and we presented our oldest resident, Clifford Ball, with a replica of the Boston Post Cane.

In July we had a booth at Old Home Day and a buffet supper on July 30th. Heritage Days took place in August. The Chase Taylor Militia Encampment, Tae Kwon Do exhibition and music by the Blake Mt. Band and Bud Curtis with friends John and Jeff were all part of making it a success.

We hosted the first potluck meeting of the Pemi-Baker Valley Historical groups in October and plan to attend the area meeting in Holderness on April 22, 2006.

The annual memory bulb gathering included 128 names this year. This event is held in December but if anyone is interested they can be purchased at any time of the year.

We plan on having some very interesting programs and field trips this year. If anyone is interested, we invite you to watch for postings and perhaps join us on the excursions.

We have the on-going sale of bricks for the Memorial Walk in front of our building. We are always interested in gaining new members and welcome any ideas that you might have.

A picnic table was made and donated by Herman Ball. Many people have enjoyed the use of it as they sit and admire the common area and visit the missile.

Officers elected this year are: Grover A. Libby, President; Philip Morse, Vice President; Harriet Libby, Treasurer and Janice Sackett, Secretary.

I want to thank everyone for their dedication in working and helping with our projects. A special thank you to Dick and Carol Martin for their behind the scenes work cleaning the museum, mowing and setting up and cleaning up for all our events. We also have a booklet on the history of the town roads and would like to express thanks and appreciation to Francis Muzzey and Lyle Moody for the hours of work they put into getting that done.

Respectfully,

Grover A. Libby, President
Warren Historical Society

**WHITE MOUNTAIN MENTAL HEALTH
NORTHERN HUMAN SERVICES**

This has been an active and exciting year for our agency. New programs have been established and existing services have been improved. Some changes have been visible to the public and others have involved strengthening our infrastructure “behind the scenes” to serve you better.

Perhaps the most important change during 2005 has been the change in name of our parent organization. Previously Northern New Hampshire Mental Health and Developmental Services, we are now Northern Human Services. This decision we made after years of consideration by our board of directors, local advisory councils and management. This change reflects the fact that we are a major provider of human services in seventy-two towns in northern New Hampshire. The new name is also much shorter and will, hopefully, be easier to identify and remember. You will notice from the title of this report that our local program names have remained the same. We are the same agency, with the same staff, providing the same quality mental health, substance abuse and developmental services that have been essential parts of your community for the past 35 years. We have always been a part of a larger entity, but, as always, your support will go to residents of your town.

Our service continues to expand as residents of the towns we serve are increasingly in need of support. Services that were once provided by families and neighbors are now often unavailable from these over-burdened sources. This means that people in need turn to us for help. Families with children who are struggling to function in their schools and communities are especially grateful that our staff are able to go into schools and homes to provide “on the spot” assistance when needed. Some of the other services available to residents of Warren include:

- § 24-hour crisis intervention and assessment service for mental health emergencies
- § Individual, marriage and family counseling, offered by highly trained mental health professionals with a variety of specialties
- § Medication consultations to local physicians by board certified psychiatrists
- § “Full-life” supports for persons with serious and persistent mental illness, including housing, vocational and case management services
- § Individualized home placements for fifty persons with developmental disabilities
- § Life-enriching jobs and social connections for people with mental illness and developmental disabilities
- § Substance abuse prevention and treatment by our staff of licensed alcohol and drug abuse counselors

This year 8 residents received 211 hours of service at a discounted rate or at no cost. This was made possible by the town contribution. Thank you for your generous support.

Jane C. McKay, LICSW, Area Director

**WARREN SCHOOL DISTRICT
2006 SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District of Warren, County of Grafton, State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in Warren, New Hampshire the 14th day of March 2006, polls to be open for the election of Officers at 9:00 o'clock in the morning and to close not earlier than 7:00 o'clock in the afternoon.

ARTICLE 1: To choose, by non-partisan ballot, a Moderator for the ensuing year.

ARTICLE 2: To choose, by non-partisan ballot, a School District Clerk for the ensuing year.

ARTICLE 3: To choose, by non-partisan ballot, a Treasurer for the ensuing year.

ARTICLE 4: To choose, by non-partisan ballot, one School Board Member for a term of three years, expiring in 2009.

Given under our hands at said Warren this ____ day of February 2006.

Donald Bagley, Chairperson
Roger Van Winkle
Sheri Ball

WARREN SCHOOL BOARD

**WARREN SCHOOL DISTRICT
2006 SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District of Warren, County of Grafton, State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in Warren, New Hampshire on the 14th day of March 2006 for action on the articles in this warrant to be taken commencing at 11:00 in the morning.

ARTICLE 1: To hear reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.

ARTICLE 2: To see if the district will vote to raise and appropriate the sum of nine hundred fifty-nine thousand, sixty-five dollars (\$959,065) for the purpose of paying direct school costs (grades 7 – 12), including tuition and other appropriate expenses, so that Warren middle and high school students may choose to only attend the following schools with signed tuition contracts: Woodsville High School, Haverhill Cooperative Middle School, Rivendell Middle and High School, and for students currently attending Plymouth High School grades 10-12, effective the 2006-2007 school year. (The school board recommends this article.)

ARTICLE 3: To see if the district will raise and appropriate one million, one hundred one thousand, one hundred and thirty-eight dollars (\$1,101,138) for the support of the Warren Village School, for payment of the salaries of school district officials and agents, and for the payment of statutory obligations of the district. This article is exclusive of any other article on this warrant. (The school board recommends this article.)

ARTICLE 4: To see if the district will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000) toward the Special Education and Tuition Expendable Trust. (The school board recommends this article) 2/3 vote required.

ARTICLE 5: To transact any other business that may legally come before said meeting.

Given under our hands at said Warren this _____ day of February 2006.

Donald Bagley, Chairperson
Roger Van Winkle
Sheri Ball

WARREN SCHOOL BOARD

**WARREN VILLAGE SCHOOL DISTRICT
MEETING MINUTES
MARCH 8, 2005**

Meeting was held at the Town Hall and called to order at 11:06 PM by Moderator Peter Faletra.

School Administrators present: Donald Bagley, Sr., School Board Chair, Roger Van Winkle, School Board Member, and Michael Horton, School Board Member, Warren Village School Principal, Rose Darrow, SAU #23 Superintendent, Bruce Labs, and SAU Financial Manager, Pat Amsden.

Moderator Faletra read the warrants.

ARTICLE 1: To hear reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.

Moved by Roger Van Winkle, seconded by Donald Bagley Sr. to accept Article 1.

Motioned carried by voice vote and was so declared by the moderator.

ARTICLE 2: To see if the district will vote to raise and appropriate the sum if nine hundred sixty-seven thousand one hundred seventy-three dollars (\$967,173.00) for the purpose of paying direct school costs (grades 7-12), including tuition and other appropriate expenses, so that Warren middle and high school students may choose to only attend the following schools with signed tuition contracts: Woodsville High School, Haverhill Cooperative Middle School, Rivendell Middle and High School, Plymouth Middle and High School, effective the 2005-2006 school year. (The school board recommends this article.)

Moved by Donald Bagley Sr., seconded by Michael Horton to accept Article 2.

Tom Barr asked the school board if there was any room for cutting the budget. Donald Bagley Sr. responded to the questions advising that the transportation cost have been decreased. Roger Van Winkle referred to a handout showing a break down of the expenses. He advised that the items that have increased we have no control over. These included tuition costs, and Special Education. The tuition costs for each school were discussed. A motion from Irving Cushing for an amendment was to eliminate the choice of schools and send the students to one school. A question from the floor regarding the status of 7th and 8th grade project. The board advised at the current time the project was tabled. One of the reasons is due to increase in construction cost. At this time the project could not be done without raising taxes.

Disposition of Amendment: Amendment failed and so declared.

The Moderator re-read the article as written

Motioned carried by voice vote and was so declared by the moderator.

ARTICLE 3: To see if the district will raise and appropriate one million sixty four thousand two hundred and six dollars (\$1,064,206.00) for the support of the Warren Village School, for payment of the salaries of the school district officials and agents, and for the payment of statutory obligations of the district. This article is exclusive of any other article on this warrant. (The school board recommends this article.)

Moved by Donald Bagley Sr., seconded by Roger Van Winkle to accept Article 3.

Sandra Hair voiced concerns regarding full day kindergarten and the Reading First Grant. A motion was made by Sandra Hair to reduce the article by \$118,498, eliminating the Reading First Grant. This was seconded by Tom Barr. There was a discussion regarding the amendment. Mr. Donnell advised his daughter is the full day kindergarten and part of the Reading First program and has benefited greatly. Mrs. Wurtz also spoke in favor of both the full day kindergarten and reading first program. Vicki Swan and Robert Guida also spoke about the importance of getting children to love to read by the third grade.

Question has been called.

2/3 vote was achieved to cut off debate and vote on the amendment.

Disposition of Amendment: Amendment failed and so declared.

The Moderator re-read the article as written

Question was called. No objections to the question.

Motioned carried by voice vote and was so declared by the moderator.

ARTICLE 4: To see if the district will vote to change the name of the previously named Special Education Expendable Trust to the Special Education and Tuition Expendable Trust, keeping the School Board as agents to expend the trust. Furthermore, to see if the district will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000) toward the purpose. (The school board recommends this article.) 2/3 vote required.

Moved by Donald Bagley Sr., seconded by Michael Horton to accept Article 4.

Donald Bagley explained the reason to for changing the name of the trust would allow the board to use the monies if there is an influx of tuition students as there was this year to help off set the cost

Motioned carried by voice vote and was so declared by the moderator.

ARTICLE 5: To see if the district will vote to transport all high school students to designated connections to assigned high schools effective the 2005-2006 school year, and further to raise and appropriate the sum of six thousand dollars (\$6,000) for this purpose. (The school board does not recommend this article.)

Donald Bagley Sr. moved to pass over this article indefinitely, seconded by Roger Van Winkle.

2/3 vote was achieved to pass over this article indefinitely. No objections to the show of hands.

ARTICLE 6: To transact any other business that may legally come before said meeting.

Moved by Roger Van Winkle, seconded by Donald Bagley Sr. to accept Article 6.

Donald Bagley Sr. wanted to take a moment to thank Mr. Horton for his past two years of service. Michael Horton's last meeting will be April 5th. If anyone is interested in filling the position they should send a letter of expectations to the School Board c/o of the school.

Donald Bagley moved to adjourn the meeting, seconded by Roger Van Winkle.

Meeting adjourned at 12:25.

Respectfully Submitted,

Denise Corso, School District Clerk

ELECTION RESULTS (Ballot)

School District Moderator, one year term expiring 2006, vote for one:
Peter Faletra, 32 write in votes.

School District Treasurer, one year term expiring 2006, vote for one:
Susan Spencer, 214 votes.

School District Clerk, one year term expiring 2006, vote for one:
Denise Corso, 233 votes.

School Board Member, three year term expiring 2008, vote for one:
Donald Bagley Sr., 228 votes.

Respectfully Submitted,

Denise Corso, School District Clerk

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

It gives me a great sense of pride to communicate to you the progress we are making in our school system. I believe we have taken meaningful steps which will show in the future progress of our students.

Work continues in each of our schools to improve students' writing skills with the help of our Writing Consultant, Diana Leddy. Now in our third year of this work, we are seeing positive results in the confidence our teachers have gained as well as the performance of our students in all activities that involve writing.

We have implemented the Northwest Evaluation Association (NWEA) Testing Program which we believe will give us a better understanding of the progress of our students in math and reading. Our students are using computer technology to take these tests, and the teaching staff is able to see the results the next day. Pre and post testing will be done in the fall and the spring so we can monitor progress made during the year. These tests should help us to identify areas of student weaknesses and strengths which will allow us to more personalize learning for our students.

Technology has significantly improved in all of the SAU schools. It is our intent to use technology to support instruction and help promote higher order thinking skills. The staff is working hard to improve their skills in order to make classroom work differentiated, dynamic, and in line with students' needs.

All of the schools continue to work on School Improvement Plans in the interest of our students; using staff development time to keep these improvement plans active in each school.

This year brought a new bussing contract, bringing together all of the SAU #23 school districts and BMU. This contract saves money for all of the school districts and I believe it will benefit us over our five-year contract.

On behalf of the school board I want to thank Mike Horton for his service on the school board over the last couple of years. Being a school board member is very often a thankless job and Mike worked very hard on behalf of all the citizens of Warren, and especially the students of the Warren Village School.

I will continue to make decisions in the interest of the students while working to improve our schools. It is only with the help of a very competent staff that I am able to be effective as your superintendent. I look forward to your continued support; it is something I will never take for granted.

Respectfully submitted,

Bruce C. Labs
Superintendent of Schools

WARREN VILLAGE SCHOOL ANNUAL PRINCIPAL'S REPORT

A number of new staff members have joined the Warren Village School this year. They include: Stephanie King - Kindergarten, Alyson Gordon – Special Education, Jane Weber – Title I, Katy King – Student Assistant, Kimberly French – Guidance, Judith Wilcox – Art, and Steven Eastman – Custodian.

All of our staff has met the requirements of HQT, highly qualified teacher, as stipulated by the No Child Left Behind regulations.

Currently we have 82 students enrolled in the Warren Village School.

This year the school has been reviewing emergency plans and procedures, as well as the prevention of emergency and crisis situations. To that end, a Risk Management Committee has been created. The purpose of the committee is to promote a cooperative effort to insure safety and health, and to assist and make recommendations for change.

A second new committee which has been meeting regularly is our Wellness Committee. The WVS Wellness Committee consists of staff and students. The purpose of this committee is to promote health and wellness throughout the school whether that is through healthier lunches and snacks, or through the development of exercise programs. Some activities sponsored by the WVS Wellness Committee include a Taste Testing of healthy foods, Walk New Hampshire to encourage exercise, and mini nutrition lessons for individual classrooms.

We continue to promote technology in Warren by adding to our available online computers. We currently have a computer lab and computers in every classroom. Each professional staff member now has a laptop computer to use. In January, a grant of \$5,000.00 was given to WVS from the North Country Educational Services to purchase a set of Alpha Smarts, an excellent technology tool for the children.

This year we have also adopted a computerized student assessment. The Northwest Evaluation Assessment (NWEA), tests students in grades two through six in the areas of language arts, reading, and mathematics. The test will be given as a pretest in the fall and a post test in the spring. The data collected from this testing helps us plan ways to better address individual instructional needs by indicating the student's weaknesses, as well as their areas of strength.

One of the biggest missions this year is to begin improving the playground. The PTO has been fund raising for this effort, as has been the school. The wooden structure is scheduled to be removed in June. Our hope is to replace that structure with a new piece of equipment. Currently, the principal's

account has approximately \$4,000 to be used towards the playground, with a recent \$1,000 Wal Mart Grant helping to improve that balance. The PTO has also worked on several grants, to fund this effort. We are optimistic that with grants and fund raising we will be able to raise enough funds to support this worthwhile, but expensive, venture.

We are in year three of our Reading First implementation. Reading First has made a vast difference in our kindergarten through grade three program, and now is also impacting our older students. Our Reading First project included support for a full day kindergarten, a librarian, and a reading specialist. In addition, Reading First has purchased a scientifically based core reading program. These services, included with a ninety minute uninterrupted reading block, high quality teacher trainings, and intervention programs for the children who need additional support, have helped us make considerable progress in the goal of each child reading on or beyond grade level by the end of grade three. Last year we were the only Reading First Kindergarten in the state to have all of the kindergarten children reading at benchmark level. We know that the Reading First Project will benefit the students of Warren for years to come. This grant is being rewritten and hopefully we will receive Reading First funding for another three years.

Students in grades three through six are required to participate in the New England Common Assessment Program. This is the new state test which is now administered in October. Each year students are tested in reading and mathematics. In addition, grade five students are also tested in writing. The New England Common Assessment Program will be used to determine adequate yearly progress (AYP). As of this writing, we are awaiting the results for the 2005 – 2006 school year.

We are always looking for quality extra-curricular programs to offer to our students. Currently, there is an after school instrumental instruction for trumpet, clarinet, flute, and trombone, available through a volunteer effort. We also offer basketball and a homework club / after school program.

In the fall, we had a school-wide field trip to the Christa MacAuliffe Planetarium, which will be followed in June by a school-wide field trip to the Boston Aquarium and the Franklin Park Zoo. As we have done in the past, we will have a bus available for families and their guests to join the children. We have received good feedback on this and offer the trip to Warren residents for a minimal cost to cover the rental of a coach bus.

We work to continually improve the school environment. The center hall and gym have been painted this year and all lighting has been replaced with cost efficient bulbs and fixtures. The school building and grounds require on-going repairs and maintenance.

Our family and community partnerships continue to grow and help us to improve. We are all very proud of the Warren Village School and welcome you to come in for a tour, to visit a class, or to volunteer.

Our ultimate goal here at the Warren Village School is to continuously build a sense of community pride and respect in the children, and to stress the importance of what an education can mean to their future, their country, and to those they love.

On behalf of everyone here at Warren Village School, I say thank you for allowing us to educate your children.

Respectfully submitted,

Rose Darrow, Principal

**SCHOOL ADMINISTRATIVE UNIT #23
REPORT OF THE SUPERINTENDENT'S
SALARY**

One-half of the School Administrative Unit expenses are prorated among the school districts on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of SAU #23, during the 2005-2006 school year, will receive a salary of \$82,268. There is no Assistant Superintendent or Business Administrator position at SAU 23 at this time.

The table below shows the pro-ration of the salary to each school district:

Superintendent Salary		
Bath	\$9,641.81	11.72%
Benton	\$1,579.54	1.92%
Haverhill Cooperative	\$55,127.79	67.01%
Piermont	\$8,712.18	10.59%
Warren	\$7206.68	8.76%
TOTAL	\$82,268.00	100%
