WILBUR H. GILMAN, } Selectmen of
FRED E. HERSEY, } Wolfeboro.

A true copy of warrant. Attest:

WILBUR H. GILMAN, } Selectmen of
FRED E. HERSEY, } Wolfeboro.

TO THE INHABITANTS OF THE TOWN OF WOLFEBORO:

Your Selectmen, in submitting their report for the year ending February 15, 1905, desire to bring the affairs of the town, as plainly as possible, before you for examination.

The finances of the town at the beginning of the fiscal year just ended, so far as working capital was concerned, were in a depleted condition.

There was no money in the treasury. There were unpaid bills from last year to the amount of \$860, and the necessary bills contracted in the early part of this year, which had to be paid before any taxes could be collected.

To meet these demands your Selectmen borrowed on the credit of the town \$2,000 until such time as the taxes could be collected in sufficient amounts to meet the running expenses.

Your present Treasurer in displaying his usual good judgment selected a bank in which to deposit the town's money that enabled him to get interest enough on the deposits to a little more than pay the interest on the money borrowed at the beginning of the year.

In nearly every case the town's expenses have exceeded the appropriations.

Under the head of town expenses you raised \$3,000. Under that head \$3,170.54 have been paid out. The larger part of the deficit was caused by expenses on the case of the Town vs. Whitton and Clow, bondsmen for your former Treasurer. As there will be additional expenses on the same case the coming year, your Selectmen would suggest that you raise the sum of \$3,500 for the town's expenses.

Your appropriation for breaking the roads for the winter of 1903 and 1904 was, as you will see by the following report, insufficient for that purpose by about \$250.

The breaking of the roads in the winter is absolutely necessary and must be done.

In the judgment of your Selectmen, it will be necessary, in order to make up this deficit, and to pay for breaking the roads this present winter, to raise \$3,000.

During the past summer there have been extensive and permanent improvements made on our highways, which the Selectmen deemed necessary for the best interests of the town.

To obtain these good results it was necessary to greatly exceed the appropriation for the summer highways.

In order that the permanent improvements be continued it will be necessary to raise more money. For this purpose \$1,500 in addition to what is required by law is recommended.

You raised \$1,500 for the purpose of raising and rebuilding the Twombly and Whitton bridges, which has been done in a most satisfactory manner. The cost did not exceed the appropriation.

Your Selectmen have made it a point to have every outstanding bill against the town brought in and paid as far as possible.

Inasmuch as there were not sufficient funds in the hands of the Treasurer to pay all of the bills presented, an order on the Treasurer was drawn and the bills left in his hands to be paid as soon as there was money enough.

You will find in the report of the Treasurer a summary of all orders in his hands unpaid, which will show the condition of the town's finances, February 15, 1905.

In regard to the case of the Town vs. Whitton and Clow, bondsmen for your former Treasurer, we will say that owing to the somewhat complicated circumstances attending this case there has been as much progress made as your Selectmen could reasonably expect.

Respectfully submitted.
