REPORT OF THE SUPERINTENDENT OF SCHOOLS.

To the School Board and Citizens of Chatham:

I have the honor and pleasure to submit my first report of the condition of the schools of Chatham.

As a State officer it was my duty to inspect and report the condition of your schoolhouses. I have reported to the School Board that considerable repairs and remodeling will be necessary in order to pass the minimum requirements of the State. The house at North Chatham, and the one at Green Hill will need the most altering. The Center house, with small outlay, will pass the requirements.

We found it impossible to get a teacher for all of the schools, and decided to close the house at District No. 5, and convey the pupils, and this has worked well. It is not my policy to close schools, when it is possible to continue, that are up to the State requirement, as each district has a pride and affection for its school, and this is a feeling to be commended and fostered.

The three schools now in operation are doing good work, and you are fortunate to have qualified teachers living in your community who are willing to remain, and at a salary less than they could command in other places.

Thanking you all for your kind help in the work I have undertaken in your midst, I am

Yours respectfully,

L. M. FELCH.
