## THE COVER

We are grateful to Maureen Morey for this pen sketch of one of the several granite block arch culverts or bridges that now stand as monuments along the abandoned Cheshire Branch of the Boston and Maine Railroad right of way.

The removal of the rails, the ties, and the dismantling of the bridges this past year brought to an end the era of passenger and freight service through the town.

Our Town History tells that the service started in May of 1848, and contributed greatly to the development of the town, probably reaching its peak in the early 1900s. To quote from the 1888 history, "The number of passengers leaving Fitzwilliam annually by this road is more than six thousand, while each year nearly five thousand enter it on tickets sold in other places. The road brings into town about two thousand tons of freight annually and carries away each year more than ten thousand tons." The five passenger trains each way daily regulated the flow of life in the community.

Some will remember waiting for the train  
at the old Railroad Station.  
Watching the engine come round the bend,  
puffing black smoke,  
hearing the engineer's whistle  
and the ringing of the bell.  
The train is on time  
and all is well.

1983, the end of the line.

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT 1984

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said state, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the thirteenth day of March next at seven (7:00) o'clock in the afternoon to act on the following subjects:

ARTICLE 1. to bring in your votes for the election of one Selectman for three years, one Moderator for two years, one Supervisor of the Checklist for six years, one Fireward for three years, two members of the Budget Committee for three years, one member of the Budget Committee for one year, two members of the Planning Board for three years, one member of the Planning Board for one year, one Cemetery Commissioner for three years, one Trustee of Trust Funds for three years, one Trustee of the Library for three years, and three Commissioners of Plante Memorial Park for one year.

Polls will be open not later than 2:00 p.m. and close not earlier than 7:00 p.m., or at such later time as shall be authorized by vote of the town.

ARTICLE 2. to hear and act upon the reports of agents, committees and officers heretofore chosen.

ARTICLE 3. to see if the town will vote to appoint a committee to have charge of Memorial Day exercises, or take any action thereon.

ARTICLE 4. to see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 5. to see if the town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, and the Anti-recession Act of 1976, for use as set-offs against budgeted appropriations for the following priority purposes in the amounts indicated, or take any other action thereon:

<u>APPROPRIATION</u>	<u>AMOUNTS</u>
Highway Department	\$16,800.00
Police Department	\$ 5,000.00
Fire Department	\$ 5,000.00
TOTAL	<u>\$26,800.00</u>

ARTICLE 6. to see if the town will vote to raise and appropriate the sum of \$25,000 for the resurfacing of town roads (asphalt and grits), or take any action thereon.

ARTICLE 7. to see if the town will vote to raise and appropriate the sum of \$10,000 for the purpose of crushing gravel, or take any action thereon.

ARTICLE 8. to see if the town will vote to raise and appropriate the sum of \$1,600 to purchase two self-contained breathing apparatus units for the use of the Fire Department, or take any action thereon.

ARTICLE 9. to see if the town will vote to raise and appropriate the sum of \$1,000 to purchase protective equipment (clothing) for the use of the Fire Department, or take any action thereon.

ARTICLE 10. to see if the town will vote to raise and appropriate the sum of \$1,600 for the operation of the Meadowood County Area Fire Department, or take any action thereon.

ARTICLE 11. to see if the town will vote to raise and appropriate the sum of \$1,000 to fund the Home Health Care and Community Services and Meals on Wheels program to elderly shut-in citizens of Fitzwilliam as sponsored by the Cheshire Senior Services, or take any action thereon.

ARTICLE 12. to see if the town will vote to raise and appropriate the sum of \$1,326 for the support of the Monadnock Family Services, or take any action thereon.

ARTICLE 13. to see if the town will vote to raise and appropriate the sum of \$10,000 for the purpose of purchasing a suitable vehicle for the use of the Police Department, or take any action thereon.

ARTICLE 14. to see if the town will vote to raise and appropriate the sum of \$12,500 for the purpose of purchasing a 3/4 ton four-wheel drive pickup truck for the use of the Highway Department, or take any action thereon.

ARTICLE 15. to see if the town will vote to raise and appropriate the sum of \$1,350 for the purpose of building a new road in the Pine Grove Cemetery and repairing other roads at that location, or take any action thereon.

ARTICLE 16. to see if the town will vote to create a committee of five individuals to be appointed by the Selectmen for the purpose of studying and making recommendations for obtaining an athletic field or making improvements to the existing athletic field, said committee to report back to the annual meeting of the town in 1985, with any proposals for such improvements, and to raise and appropriate the sum of \$500 for the use of the committee in securing adequate plans for suggested improvements, or take any action thereon.

ARTICLE 17. to see if the town will vote to raise and appropriate the sum of \$5,000 to establish a capital reserve fund for the purpose of laying out a new town athletic field and/or improving the existing town athletic field, or take any action thereon.

ARTICLE 18. to see if the town will vote to raise and appropriate the sum of \$10,000 to design and construct a sewage system to service the town hall, the village fire-police station and the town library buildings, or take any action thereon.

ARTICLE 19. to see if the town will vote to withdraw from the Soil Overlay Map Capital Reserve Fund the sum of \$15,652 plus any accrued interest, said sum to be transferred to the general fund of the town for reimbursement to the general fund for payment of the expenses of the Soil Overlay Map paid out of the general fund by the town during 1983, or take any action thereon.

ARTICLE 20. to see if the town will vote to raise and appropriate the sum of \$15,091 for the publication of 1,000 copies of Volume II of the Fitzwilliam town history, such appropriation to be financed by the withdrawal of \$2,000 plus any accumulated interest from the town history capital reserve fund, and the balance to be paid out of the present year's revenues, or take any action thereon.

ARTICLE 21. to see if the town will vote to authorize the town history committee to contract, on behalf of the town, for the printing of Volume II of the Fitzwilliam town history, and to authorize the town history committee to arrange for the distribution of this publication when printed, or take any action thereon.

ARTICLE 22. to hear the report of the Budget Committee and pass any vote in relation thereto.

ARTICLE 23. to see if the town will vote to grant site plan review authority to the Planning Board in accordance with the provisions of R.S.A. 674:43 and 44 in order to maintain control over non-residential and multi-family (more than two [2] dwelling units) development. Upon passage of this article it shall be the duty of the Town Clerk to file with the Cheshire County Registry of Deeds a certificate showing that the Planning Board has been so authorized, giving the date of such authorization.

ARTICLE 24. to see if the town will vote to authorize the Board of Selectmen to trade, sell or otherwise dispose of any unusable vehicles or equipment of any of the departments of the town or take any action thereon.

ARTICLE 25. to see if the town will vote to authorize the Selectmen to sell tax deeded property, or take any action thereon.

ARTICLE 26. to see if the town will vote to authorize the selectmen to apply for, to accept and expend on behalf of the town or any department thereof, any and all grants or other funds for municipal purposes which may now or hereafter be forthcoming over and above the total appropriation voted by the town, or take any action thereon.

ARTICLE 27. (by petition) to see if the Town of Fitzwilliam shall call upon the Governor and Executive Council, its State Representative(s) and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on its citizens, businesses, schools and agencies in the Town of Fitzwilliam, and to direct the Selectmen to promptly notify our above listed elected officials of the town's desire.

ARTICLE 28. to see if the town will vote to authorize the Selectmen to sell to Harold E. Plante for the sum of \$500 plus any expenses incurred by the town, a certain parcel of land known as the 5 acre Bowker lot located on the Richmond Road, said tract being a portion of the land given to the town by the heirs of Marshall P. Whitcomb by deeds recorded June 6, 1977, in Vol. 931, Pages 25, 29, 33, 37, 41 and 45 of the Cheshire County Registry of Deeds, or take any action thereon.

Given under our hands and seals this 20th day of February, in the year of our Lord nineteen hundred eighty-four.

## SELECTMEN'S REPORT 1983

We would like to extend our thanks and appreciation to the many people who have donated their time and energy this past year to the operation of our town.

Once again, we have closed out the year in good financial shape. Town accounts have by and large remained within budgeted parameters with only one project running significantly over budget. Outstanding long term debt consists of one year notes which will be paid off during 1984, leaving the town debt free.

During 1983, the town experienced an increase in tax base of approximately \$1,000,000.00. This had a net positive effect on the tax rate, holding it down by about 2½%. The other bright point in the revenue picture has been the automobile tax which rose almost 25% over 1982 levels, from \$55,946.00 in 1982, to \$65,509.00 in 1983.

We have experienced changes in the manner in which revenues are received from the state. In the area of highways--Highway Subsidy I and II along with TRA funds have been combined into one highway block grant. There appears to be little or no change in the total funds we will receive. The state has also combined the Room and Meals Tax, Savings Bank Tax, Interest and Dividend Tax and Business Profits Tax payments into one State Revenue Sharing Block Grant. Here it appears that we can expect a small decrease in the total amount received. It is difficult to know exactly how much less, since we can only estimate what we would have received under the former system, perhaps in the area of 3%.

Several projects have been completed this year in the Town Hall. The first floor side walls have been insulated. The lower hallway, from entrance and stairwells were painted. The brook out back has been cleaned. During 1984, we intend to continue interior repainting and redecorating. In particular, we would repaint the restrooms, kitchen, and stage area. In the restrooms we plan to repair fixtures and install new floor coverings. We are also considering a new carpet in the hallway.

The Jaffrey Road project has been completed and the Board is very pleased with the finished product. Unfortunately, we ran into unexpected expenses resulting in a cost overrun. These expenses included the purchase and installation of underdrain to handle a water problem, the purchase and installation of a new culvert at the Route 12 end, and the extension of the large diameter culvert at Scott Pond. The state engineer, hadn't included these items in their estimate. This year we will pay off the notes on this project and will be looking forward to a new project in 1985. Our tentative thoughts are to do sections of the Royalston Road, however, the final decision will not be made until we have had more public input.

The Board took action this year to better regulate the traffic pattern around the Village Common. Many drivers were in the habit of trying to "beat the traffic" by racing around the back side of the Common. We have extended the Common effectively blocking off this traffic flow. It appears this has been highly successful in holding down speed in this area.

Following action at the 1983 town meeting, we have accepted on behalf of the town, a deed from the Korjeff family for a strip of land at the south end of Laurel Lake. Following transfer of the property, we established hours of operation, limited parking of vehicles in the area and limited use of this property to Fitzwilliam residents, property owners and guests. We have instructed the police department to enforce these rules. The results to date are excellent. More townspeople appear to have an opportunity to use the facility and complaints in the area are down. We will continue to monitor the situation and make changes as necessary. Our sincere thanks to the Korjeff family for their most generous gift to the town.

Respectfully submitted,

## AUDITORS REPORT

February 3, 1984

Board of Selectmen  
Fitzwilliam, New Hampshire

We have examined the financial statements of the various funds and account groups of the Town of Fitzwilliam, New Hampshire for the year ended December 31, 1983 and have issued our report thereon, dated January 20, 1984. As part of our examination, we reviewed and tested the town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing, and extent of other such auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgement by management.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures errors can result from misunderstanding of instructions, mistakes of judgement, carelessness, or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management with respect to the estimates and judgements required in the preparation of financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in condition and that the degree of compliance with the procedures may deteriorate.

Our study and evaluation of the town's system of internal accounting control for the year would not necessarily disclose all weaknesses in the system. Such study and evaluation did not disclose any material weaknesses. However, the recommendations on administration and operational matters not directly related to internal accounting control as listed below, were developed from our observation of the town's operations. They are not the result of a special study.

## FEDERAL INFORMATION RETURNS

As stated in our 1983 management letter, payments to unincorporated service providers in excess of \$600. must receive a Form 1099 Information Return with name, address, taxpayer identification number, and the total amount of remuneration. In addition, if the town anticipates making payments to a business in this category and does not have the business's tax identification number, it must withhold twenty percent of the payment.

We recommend that the town identify all unincorporated service providers and insure that it is in compliance with federal requirements.

## TAX COLLECTOR AND TOWN CLERK CHECKING ACCOUNTS

We again recommend that the Tax Collector and Town Clerk checking accounts be discontinued and that deposits be made directly to the General Fund. This will maximize the amount of investment income and should simplify accounting procedures for all town officials.

## TRUST FUND REPORTING

The Trustees of Trust Funds operate under the common trust approach to investments. Reporting for common trust funds requires the preparation of Form MS-9 which details the individual funds, and Form MS-10 which details the nature of the investment and reconciles total investments with total principal and income of the individual funds. As of January 20, 1984, Form MS-10 had not been prepared by the Trustees. We were able to reconcile the Trust Fund Report and investments with much difficulty. We believe the Trustees' duties would be considerably simplified if they adhered to state reporting requirements.

## CAPITAL IMPROVEMENTS PROGRAM

We noted that the budget for capital items experienced a significant increase in 1983 over 1982. We believe that the town should develop a long term plan for capital expenditures to smooth the impact of financing and undertaking such projects.

By its nature, a letter of this type is critical of town operations. We found many areas of sound business practices during our examination. We wish to thank town officials for their consideration and assistance during our fieldwork.

Sincerely,

CAREY, VACHON & GLUKAY

## FIREWARDS REPORT

### 1983 CALLS

The Fitzwilliam Fire Department responded to 139 calls in 1983, an increase of 7 over 1982. The calls included 4 structure fires, 5 vehicle fires, 8 brush fires, 3 smoke investigations, 4 chimney fires, 8 automatic fire alarms, 9 Mutual Aid calls and 98 rescue calls. Our most substantial fire of the year was at Tommila's Mill in September. As most of our citizens are aware, the 98 rescue calls were made at no cost to the town and no cost to the individuals involved.

### TRAINING

Various members of the department are continuing with certification or recertification under emergency medical technician programs or Red Cross programs. Many of the members are also pursuing various courses toward obtaining their fire-fighter I certificate from the State of New Hampshire. Aside from the courses taken by individual members on their own, the department also has monthly drills throughout the year.

### TANKER PROJECT

At the 1983 town meeting we requested \$30,000 to replace our tanker. This project was completed shortly after the beginning of 1984. In the spring of 1983 a 1978 Mack chassis was secured. A new tank was installed by Kingsbury Machine Tool Corporation. Unfortunately, due to problems with a pump manufacturer, the pump was not installed until the late fall of 1983. However, due to a tremendous output of volunteer labor during the Christmas season, the vehicle was put in final shape, painted, and put in service. The firewards are extremely pleased with the final result of this project, and are very appreciative of those members who participated in getting the truck on the road. We feel that the final result, as anticipated, gives the town a frontline over the road tanker for approximately one-third what it would have cost to purchase such a vehicle from a manufacturer.

### EQUIPMENT

As noted above, the department is extremely pleased with its new tanker. In addition to this units, our two first line pumpers, the 1978 Ford and the 1965 International continue to be in good to excellent condition. The rescue truck and forestry truck are in good condition, and the old tanker is available for service if necessary. The Village pumper/reel truck continues in service, however, it is in need of work, and the chassis, at age 30, will soon need replacing.

## 1984 WARRANT ARTICLES

Again this year, the firewards have asked for money to continue to update our protective equipment and breathing apparatus. We ask your support for these articles so that the members can be properly equipped.

### VILLAGE STATION

Last year we asked your support for the appointment of a committee and the appropriation of \$2,500 to review the status of the Village fire/police station. A committee was appointed and a tremendous number of hours were spent in reviewing various sites and facility needs for each department for the foreseeable future. Although the committee had hoped to come in with a final recommendation for the town's vote at the 1984 meeting, the size of the project and the time necessary to refine construction costs did not allow this to be the case. However, the firewards believe that the committee should continue its work, put the project presentation in final form and make a recommendation to the 1985 annual meeting of the town.

### MEADOWWOOD

As usual, the firewards wish to thank the Meadowood County Area Fire Department for its continued assistance and cooperation. We usually urge that the citizens of the town continue to support Meadowood both through the town appropriation that goes to the membership and individual contributions which go to the directors supporting fund to purchase capital improvements. This year, Meadowood will be going out to the public for Phase 3 of a six-phase project to update the entire drill yard and training center. We also urge whatever support you can give this capital improvement project.

Respectfully submitted,

Edwin O. Mattson, Chief  
William N. Prigge, Assistant Chief  
Winston A. Wright, Deputy Chief

## POLICE DEPARTMENT REPORT FOR 1983

1983 was a year of contrast, in that we experienced a reduction in crime and demand, but were confronted with the most serious incident in many years.

In September, the Tommila Brothers Saw Mill burned necessitating a lengthy investigation. The Police Department contributed its resources to fire officials' investigation, which was both comprehensive and lengthy.

Then in October, an escaped prisoner was charged with the attempted murder of a Keene man. The crime took place in Fitzwilliam and it too required an exhaustive investigation with the help of the New Hampshire State Police.

I'm proud of our work in these and other cases. The ability of the officers and the capability of the department have enabled us to bring proper attention to an incident immediately rather than prolonging the attention it deserves. Lack of skilled and immediate attention results too often in unsolved crimes.

Last year I announced we would make investigations our #1 work priority after answering calls for service, and it has been very successful. Of our 104 cases for 1983, 83 were actual crimes, and we cleared 69%. 22% were felonies and 59% were misdemeanors. We received reports of 7 crimes against persons and cleared all 7. 55% of the reported felonies and 63% of the reported misdemeanors were cleared. Property crimes continue to be our main problem (49%) and of those, 27% were cleared.

Approximately 1,150 calls for service were received during the year. We traveled over 44,500 miles in department vehicles and made 2,889 property inspections in our continuing Crime Prevention Program.

Another year without a traffic fatality has gone by. As you know, alcohol is a major factor in fatal accidents. Increased public awareness must be significant in this statistic, and we're there to arrest those who are DWI inspite of our mutual concern. 12 such persons were arrested in 1983.

Of our 41 arrests, 46% were traffic related, 10% were felonies and 44% were misdemeanors. 17% involved juvenile or other matters. Each year more than 50% (54% in '83) of our arrests involve liquor or drugs at the time of arrest.

The alarm program has reduced the number of alarms we received by almost 50%! We tallied 43 for the year. The regulations have not proven prohibitive. In fact, a burglary was cleared because of a properly functioning alarm. We'll be finishing the permit function soon if you have not yet heard from us.

Article 27 of the last Town Meeting saw us restricting the use of the Town Beach at Laurel Lake to town persons only. Our actions have been upheld in District Court and we'll continue the efforts with the help of more official signs. Please do what you can to help us too.

We're seeking the replacement of our main police car this year. I previously sought to do this after 3 years, but was unable to curb its use to meet that goal due to patrol requirements of more than 4,000 miles per month. Your support of this warrant article is urged.

The people of Fitzwilliam help us make this a great place to live by your participation and cooperation. Our neighbor police agencies, the Cheshire County Sheriff's Department and the New Hampshire State Police all contribute to our work and we appreciate their efforts. Our sincere thanks and best wishes to you all for 1984.

Respectfully submitted,

KURT F. SCHIMKE  
Chief of Police

## FIRE AND POLICE DEPARTMENT BUILDING COMMITTEE REPORT

At the 1983 Town Meeting, the Town called for a committee to study the problems of our Town Police Station and Village Fire Station and make a proposal to be presented at the 1984 Town Meeting. The following is a summary of the committee findings:

The Committee consisted of the following people: Katie Metzger, Charles Kenison, Ed Saari, Ray Townsend, Brian Gill, Kurt Schimke, Charles Massin and Tom Parker. We all regret the untimely death of Ray Townsend and his presence was missed by the committee.

The present police station facility was described as inadequate by Kurt Schimke. The steep stairs are inaccessible to the handicapped, also a possible liability to the town if someone fell down them. There is no privacy or area for confidential interviews or a separate evidence room or office for the Chief.

The present village fire station was described as inadequate by Charles Kenison because of limited space for a full size modern engine. Presently, the Eagle building can only fit a thirty year old truck with limited fire fighting capacity. Due to the growth of the areas in town that are more than five miles from the Depot Station, along with the historical significance of the village buildings, the committee recognized the need for locating two modern pieces of equipment in the village area.

Many possible solutions were discussed in depth. The committee explored the possibility of rebuilding the old Depot Train Station for a Police Department Building and adding onto the Eagle Building for capacity for two engines. In addition, the possibility of purchasing property on Route 12 next to the Clinic Building and constructing a fire barn was discussed. The committee also investigated several existing buildings in the village area for possible use as a fire barn.

Along with investigating existing buildings, the committee did research on buying land on Route 12, next to the Keene Clinic Building, and constructing a new fire barn. Finally, after much debate, the Eagle Building site was chosen as the ideal location for the Village Fire Station because of its close proximity to many volunteer firefighters. Also, the Eagle Building site is very convenient for the Police Department because it is so close to the Town Hall.

During July 1983, the committee spent \$1,800 of the \$2,500 allotted at Town Meeting to employ Charles Roy to assist the committee with drawings, renderings, and some specifications for a new building in the same location as the Eagle Building. The committee was in agreement with the Fire Department and Police Department on the ideal location of the present Eagle Building and that a new building in its place would be the most compromising proposal available. Since the present Eagle Building

needed so much work, it was suggested that it should be removed and replaced with a new building. Essentially, a Fire Department Garage could be located in the cellar area of this building, along with a ground floor Police Station that would greatly improve access to the facility. The proposed building would not be much more complex than building a large house and would be styled to be in keeping with the surrounding historical buildings. Mr. Roy's renderings show how the proposed building would look from the front and side, showing the Fire Department in the cellar.

In conclusion, this proposed building could be built for approximately \$160,000 with the town doing some of its own contracting work. This proposal would satisfy the needs of the town for the present and in the opinion of the committee, for at least 15 to 20 years.

Respectfully submitted,

TOWN HISTORY  
COMMITTEE REPORT

It has been nearly 100 years since the last official Town History was printed. Over the years several committees have worked on this project. In 1982, the town voted to have the selectmen appoint a committee to again work on the update of a new Town History. Since then, the committee, with pencil and paper in hand, has searched dusty attics, dug in town records, pounded the pavements and spent countless hours in research gathering information.

The Phoenix Publishing Co. (who specialize in town histories) has given the committee help and assistance in the set-up and the writing of a town history.

We as a committee feel that a new Town History can be completed and published in 1985, that 1,000 copies of 250 pages each be printed and sold at \$15.00 per copy, the monies received to be returned back to the town.

In working with Phoenix Publishing Co., we feel that they can best meet our needs in the publication of this book. We, therefore, have placed an article in the Town Warrant for your consideration to see if the town will vote to raise and appropriate the sum of \$15,000., to be offset by the sum of \$3,800. now in a Town History Capital Reserve Fund, making the sum of only \$11,200 to be raised.

The committee would like to thank all those who have thus far helped with information, photographs and research material. Anyone else wishing to contribute with material or work with the committee, please contact the History Committee.

Respectfully,

ROBERT CORRETTE

## LIBRARIAN'S REPORT 1983

Library circulation in 1983 totaled 8,943 (up from the previous year). We acquired 330 new books and discarded 80. This brings the total number of volumes to 12,852.

Gifts in memory of Mary Gartner purchased 5 books and a final 2 books were added in memory of C. Boyd Allen. The family of Mamie Roche has established a memorial fund in her name which should purchase about 8 books a year. We are now purchasing all of our non-fiction and most of the fiction and juvenile books out of our trust funds.

The generous income provided us by the 1982 Alice Cleveland Fund (which purchased 104 new books in 1983) has allowed the Friends of the Fitzwilliam Library to aid us in some other (non-book) ways. This past summer the Friends paid for the painting of the main rooms of the library as well as the new shelving for the juvenile room. In addition, the Friends sponsored the August month of juvenile films, the puppet show during National Library Week, the Christmas musical tea and aided the librarian with the reorganizing of the juvenile and reference rooms. Thanks again to the Friends!

Unfortunately, the State Library has now discontinued all extension services due to budget cuts. This means no more bookmobile/van services. I made one last trip to Concord this past summer for a final selection and now we're on our own! We will try to fill any gaps in our collection with special requests to both the State Library and with inter-library loans from surrounding libraries. So if you don't see what you're looking for, please ask at the desk.

Other events held in 1983 included summertime story hour for the younger children and a dramatic play for the older ones. Throughout the academic year a story hour is also held for Fitzwilliam Preschool every other week. In addition, we celebrated Children's Library Week and National Library Week with special activities for the children.

We hosted several local artisan exhibits and would be interested in having more.

Volunteers who have been of help to me this year are Paula Baldwin (whom we welcomed on board this year as a Library Trustee) for her summer work with the older children as well as substitution, Judy Hancock for covering the books, substitution and overall assistance, Harriet Underwood for her magazine organization and Mary Thompson for book selection.

FITZWILLIAM DISTRICT NURSING ASSOCIATION, INC.

Fitzwilliam, New Hampshire 03447

The Fitzwilliam District Nursing Association is a volunteer organization of Fitzwilliam townspeople interested in supporting nursing and health care in our community for residents of all ages, all income levels, all areas of the town. With funds voted for at town meeting we contract for the following services:

PROFESSIONAL SERVICES are contracted through the Monadnock Community Visiting Nurse Association whose office is on the Jaffrey-Peterborough town line. Call 532-8353 for information and help for any of the services listed.

VISITING NURSE: Mrs. Marie Talbott, R.N., is the visiting nurse who makes most of the calls in Fitzwilliam. The nurse responds to every new call. She continues with the care of the case only in conjunction with the physician in attendance. The nurse can give medications, injections, treatments, change dressings and irrigate wounds- instruct family members to care for you in your home- offer guidance and support to you in the care of your baby-teach you to care for a mentally ill, retarded or handicapped family member - help you make financial arrangements to deal with your needs. There is a fee for her service based on ability to pay. Medicare, Medicaid, Blue Cross and other insurance usually cover these costs.

PHYSICAL, OCCUPATIONAL AND SPEECH THERAPISTS are available to assist you at home if your doctor recommends it.

CARE FOR THE TERMINALLY ILL is a program providing round-the-clock support for patients and their families at home.

HOMEMAKER/HOME HEALTH AIDES do light housework, laundry, shopping and cooking- provide personal care, such as bathing and dressing - help you carry out the plan set by the nurses and therapists.

CHILD HEALTH MAINTENANCE CLINICS are held at the Peterborough office for children from birth to age six - immunizations, physical examinations, as well as counseling for parents.

COMMUNITY SERVICES offered include:

FRIENDLY BUS provides rides between Fitzwilliam and Keene for elderly or handicapped people every Wednesday for shopping or appointments. Call the office of Home Health Care & Community Services at 352-8494.

In addition to contracting for the above programs the FDNA provides the following services to Fitzwilliam residents:

DENTAL CLINIC held annually in cooperation with the Monadnock Dental Hygiene Association for children through elementary school age.

BLOOD PRESSURE CLINICS held the second Wednesday of each month at the Town Hall by a nurse assisted by two FDNA volunteers.

TRANSPORTATION provided by volunteer drivers to take people to doctors appointments in Fitzwilliam or Keene.

MEDICAL EQUIPMENT CLOSET. Hospital beds, walkers, canes, crutches, commodes, and wheelchairs are given without charge to any Fitzwilliam resident in need of them.

CHRISTMAS BASKET PROGRAM. In 1983 food and fruit baskets and plants were distributed to 76 townspeople with the help of many volunteers and friends.

TOWN OF FITZWILLIAM  
PLANNING BOARD REPORT 1983

In 1983, the Planning Board approved five subdivisions, and referred one request to the Board of Adjustment. The Board heard three requests for three more subdivisions that have not been resolved.

The members of the Board attended the law lectures sponsored by the New Hampshire Municipal Association, and the Board spent many hours this year reviewing the reorganization of the R.S.A.s and the Fitzwilliam subdivision regulations.

The Board Chairman, Tom McCulla, resigned in July and Bob Brown was appointed to fill the vacancy. Two alternates, Dick Bateman and Sue Wood were also appointed.

The Townspeople are welcome to attend any Planning Board meeting. The meetings are held the third Monday night of the month in the Town Hall, at 7:00 P.M.

We encourage the residents to become more involved in the processes of town growth and land development.

Respectfully submitted,

KATIE METZGER,  
CHAIRMAN

CEMETERY COMMISSIONERS' REPORT  
1983

In accordance with the prescribed duties of this commission, the two town cemeteries, Village and Pine Grove, were mowed, trimmed and graves needing special attention cared for.

Special preparations were made to have the cemeteries in proper order for Memorial Day and special flower arrangements in place.

The new storage building at Pine Grove Cemetery was erected, painted, and makes more efficient means of caring for that property.

These duties were accomplished with the specific budget.

Respectfully submitted,
