Planning Board Report

Your planning board has devoted most of the past year studying and debating subdivision regulations most beneficial to our town. Our suggestions will be presented to the people of Randolph at a public meeting to be held in the town hall on March 19, 1974 at 7:30 P.M. Your planning board will also be available on April 2, 1974 to discuss the matter with anyone unable to be present at the earlier meeting.

There have been some changes in the membership on the board this past year. The members now are: Wayne Shepard, Craig Malic, Richard Ayer, Almon Farrar and Rev. Philip Scott. W. Allen Jones and Floyd Harris are advisory members.

We had expected to publish a new map of Randolph by mid 1973, however numerous inaccuracies were found, and the map is now being redrawn by Mr. Allen Jones. We are greatly indebted to him for his generous donation of time required for this project. Our efforts to date have in fact been supported entirely by donations.

We would like to express our thanks for your vote of confidence at the last town meeting. You may be sure that we will continue to contribute all that we are able to for the welfare of our town.

Sincerely,
Randolph Planning Board

Report of Librarian

For reasons unknown library attendance and book circulation declined in 1973. The weather was normal, the number of new books (including 120 or more borrowed from the State Library via the Coos Co. Bookmobile) was adequate, and the usual professional services were cheerfully rendered. That people were doing other things than reading was apparent early in the summer.

The Home Economics Extension Group, lovingly known as the 'Home Dem', donated 21 adult books and 52 children's books, over 50% of all the new titles added.

Memorial gifts were made by Mr. Homer T. Gregory in memory of his father and Clifton T. Edgerly; by Miss Marion Stevens in memory of Miss Helen Skofield; by Bishop Robert M. Hatch in memory of his father; and by Mr. and Mrs. Richard M. Wiker in memory of Miss Miriam Sanders.

Gifts were also received from the following: The Appalachian Mountain Club, Mr. Norman I. Adams, Miss Louise Burdett, Mrs. John C. Cairns, Mrs. Lloyd W. Carpenter, Mrs. Clifton Edgerly, Miss Anne Furness, Mary Greene, Mr. and Mrs. Floyd Harris, Bishop and Mrs. Robert M. Hatch, Dr. Ira V. Hiscock, Mrs. Douglas Horton, the estate of Miss Nicea Howard, Mrs. Alfred Joensson, the Malik children, Mr. Edson L. Merrill, Mrs. J. H. Nichols, Mr. and Mrs. Purcell, Mrs. H. G. Stever, Mrs. Margaret Taylor, Mrs. Lena B. Watson, Mr. and Mrs. B. F. Willcox, and the estate of Mrs. Richard G. Wood.

To all of these people the Trustees and Librarian express here-with their gratitude.

The library was officially open 50 hours for a total circulation of 566 volumes, about one half of last year's total. Five families borrowed 80 books for winter reading, an average of 16 books per family.

Subject: Report of Activity in Civil Defense Unit

The writer has filed all required reports and has kept the activities of the Civil Defense Unit as current as possible. Two old surplus vehicles were acquired in order to keep on the active list of Units seeking surplus vehicles and due to our activity we are now on list for a surplus 4 by 4 truck to be utilized, when acquired as a fire fighting unit. Attempts were made to utilize some of the material from the old surplus vehicles and said vehicles were then posted for re-sale with permission of State Civil Defense Headquarters. Units were posted as required by law and old truck was sold for \$160.00; which was turned over to Town. Cost of truck was \$25.00.

The Old Fire Engine has been examined and its tank which was to be utilized for fire fighting is in such a condition that repairs are out of the question; this vehicle was donated free of charge to the Town and towed in gratis by Lowe's Garage. It will again be posted for sale to acquire Civil Defense funds.

The writer traveled a total of 272 miles and spent 33 hours in logged time in the course of Civil Defense activity. Additional miles and time were spent in many facets of C. D. activity which are not claimed.

Our standing in C. D. places us in an excellent position to acquire a surplus, good condition 4 by 4 truck to utilize as Fire Fighting equipment.

Report of Superintendent

To the Citizens of the Town of Randolph:

The purpose of my report is to keep you, the citizens of Randolph, well informed of the events which took place during the past year and to appraise you of coming problems which you and the community will have to face in coming years. I only hope my report meets these two prerequisites and provides you with enough information to help you make your decisions.

Warrant

Your school warrant for the March meeting contains two articles which may raise some questions. These are Articles No. 3 and No. 5.

Article 3 was made possible by recent action of the legislature. Its purpose is to protect any individual who may wish to hold a town or school office from personal legal suits which may result in having their personal assets attached until the suit is settled.

The history behind the law dates back several years and involves what appeared to be a rash of law suits against members of school boards and town selectmen for actions they may have taken as agents of the town on behalf of the town. In some cases there was personal loss due to legal fees and out of court settlements. The result of these actions brought about a crisis in the state as many people refused to hold town or school offices because they had little if any protection. The result of these fears generated a change in the law.

It perhaps should be made clear that Article 3 does not protect an individual from suit for an illegal act or when he might act as an individual and not as a member of a legally organized group. On the other hand it does protect a town or school officer from a personal suit when he does represent the town and acts on its behalf. Should a suit be filed because of some action which was taken the legal fees and other costs would be borne by the district and not by the individual himself.

The next article which may concern you is Article 5. In this article the amount to be raised has been increased from \$2,000.00 to \$3,000.00. The reason for the increase is simply that the cost of busses has continued to climb and the amount raised by a \$2,000.00 appropriation would not be adequate.

Enrollment

Below the chart will illustrate the enrollment changes as we see them for the 1974-75 school year as compared to the current year:

	1973-74	1974-75
Kindergarten	3	0
Elementary	18	15
Jr. High School	9	6
Sr. High School	12	14
Child Benefit Services:	0	2
Contingency:		
Elementary	1	1
Jr. High School	1	1
Sr. High School	1	1
	<hr/> 45	<hr/> 40

Though there are some 5 fewer students in the budget the actual tuition budget remains nearly the same. This is due to increased tuition rates for the coming year. A comparison appears below:

Grades	1973-74	1974-75
Kindergarten	330.00	410.00
Elementary	661.00	820.00
Jr. High School	920.00	1,005.00
Sr. High School	1,050.00	1,170.00

Budget

The 1974-75 budget will exceed the present budget by \$2,176.53. Most of the increases may be found in several areas. The largest increase is in the bus capital reserve fund. Others are in the Supervisory Union No. 20 expenses, repairs on the bus as it becomes older, increased gasoline cost, salaries, etc.

The net budget for the coming year, the amount to be raised by local taxation, will actually be reduced by some \$2,000.00. The reduction is based on a higher June 30 surplus because of fewer tuition students than expected this year. The difference is illustrated below:

	1973-74	1974-75
Budget	\$ 45,750.40	\$ 47,926.93
Receipts	4,912.23	8,996.00
	<hr/> \$ 40,838.17	<hr/> \$ 38,930.93

In closing I wish to take the opportunity to thank the members of the school board, the school district officers, and the voters of the community for their support during the past year.

Respectfully submitted,

ROBERT BELLAVANCE
Superintendent of Schools

Selectmen's Report

Our thanks to William DeCamp for the cover picture on this year's Town Report. Taken near his home on Randolph Hill it shows the ice storm of December 1973. An unusual storm for Randolph, beautiful to look at, but disastrous to many trees.

1974 WARRANT

Article 25 has been included at the suggestion of the Governor's office. This would eliminate the necessity of a Special Town Meeting in the event of disaster. Both time and the expense of a meeting would be saved.

Articles 26 and 27 have been put in at the request of our Planning Board.

Articles 28 and 29 have been included by petition of the necessary number of legal voters of the town.

NEW BUILDING AND IMPROVEMENTS

At the west end of town a new home has been built by Jonathan C. Lingel. Ralph and Alma Melvin have added a large dining room, dance floor and rooms for parties and banquets to the main building at Mt. Jefferson Motel. On Durand Rd. a summer home has been constructed by Arthur and Thelma Bowen; a trailer has been installed by Gerard Laverdiere and garages built by Wendell MacDonald and Lloyd Carpenter.

Larry Martin has completed his home near the Gorham town line. On Randolph Hill a new summer home has been built by Louis Pollak; Thomas Sappington added two wings to his recently constructed home and Bertram Willcox is constructing a summer home. Charlotte Saunders added a large open deck to the Folsom cottage.

CHANGES IN OWNERSHIP

Michael and Charlotte Vella to Stuart and Kathy Goldman
 Richard and Phyllis Deangelis to Robert and Jane Gilligan
 Betty Neidhardt to Richard and Evelyn Wagner
 Lena Watson to Patricia E. Scott

On behalf of the Town we welcome our new year round and summer residents. Congratulations to all those who have made extensive additions and improvements to their properties.
