School Superintendent's Report

Shelburne, N. H., February 1, 1932

To the School Board and Citizens of Shelburne:

Your School this year has an enrollment of 31 pupils. The present year opened with a new teacher, Miss Emeline Heath, graduate of Farmington Normal School and Boston University and a teacher of some experience in the Schools of Auburn, Me.

The works seems to be progressing very satisfactorily.

Graduating exercises were held for the two pupils who completed the Eighth grade last June and these two pupils are now continuing their work in high school with good success.

This year we will have to graduate an eighth grade of four pupils and some of these pupils are of ability above the average.

During the last school year, your superintendent made 17 visits of inspection and supervision at your school. Standardized tests were given and the work was checked up with that of the same grades in other schools.

The enrollment for the last complete school year ending June 30, 1932 follows:

Grades	Boys	Girls	Totals
First	2	0	2
Second	2	3	5
Third	3	3	6
Fourth	3	2	5
Fifth	1	2	3
Sixth	1	3	4
Seventh	2	2	4
Eighth	1	1	2

The average membership for the year was 29.55 and the percent of attendance was 95%.

Respectfully submitted,

W. S. ADAMS.
