LIN-WOOD HOME HEALTH AGENCY

This past year the Lin-Wood Home Health Agency officially became part of a regionalized program which consists of 13 towns and covers 662 square miles.

The expansion of our program enables us to provide the added services of a social worker, speech therapist, and a physio-therapist.

This year 1783 nursing visits were made; 1,038 visits were made to Lincoln and 745 visits were to Woodstock.

Referrals were made as follows:

Portsmouth Rehabilitation Center	2
Family Planning Service	21
Town Aid	6
Surplus Food Program	4
Nursing Home	4
Cancer Commission	1
Cancer Society	2
State Hospital	2
Salvation Army	2
Catholic Charities	1
Sight Conservation	3
New Eyes For The Needy	1
Tri-County Legal Aid	4
State Welfare	29
White Mt. Community Center	24
Alcoholics Anonymous	1

My sincere thanks to all those who graciously contributed their time and money to the welfare of our citizens.

Respectfully submitted,

NANCY MEIER,
Public Health Nurse

REPORT OF FOREST FIRE WARDEN

LEST WE FORGET — IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar-holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947; nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fires at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand — a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them *dead out* when leaving.
4. *Most important* — Instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year, 1971, was a favorable year for fire control. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned — 1971 season:

WOODSTOCK CONSERVATION COMMISSION

Accomplishments of Woodstock Conservation Commission for 1971 were an attempt to beautify Cascade Park. Mrs. Willey, McGoldrick and Lee prepared and seeded two beds with various flower seeds; area was grass seeded and several new steps to river were laid by Mr. Gordon Willey. Without town water line in park it was difficult to care for park but a good attempt was made by the group and town employees mowed the lawn.

Mr. Brown and Mrs. Willey attended a summer meeting with two representatives from Grafton County Soil Conservation to discuss soil conservation maps and survey relative to a suitable re-location of town's land-fill dump.

The Woodstock Conservation Commission will purchase with its funds a Soil Map from the County.

Ford Foundation will make a gift of \$750.00 to any town Conservation Group's project meeting the Foundation's requirements for the gift.

In November Mrs. Willey resigned as chairman of the Conservation Commission and Mr. Brown assumed the chairman's duties.

LUCIE B. LEE, Sec.
