Dedicated to Becky McVetty

This town report is dedicated to the memory of Becky McVetty. A life-long resident, she devoted much time and energy to her volunteer work for the town. She also worked for the town for several years as administrative assistant to the selectboard. She served on the Conservation Commission, the Friends of the Dalton Town Hall, and as the treasurer and secretary of the Dalton Historical Society. She took great pride in her community, and enjoyed sharing her knowledge of town history with others.

CONCORD, NH

DALTON TOWN WARRANT

You are hereby notified to meet at the Municipal Building in Dalton, NH on Tuesday, the 8th day of March to act upon the itemized subjects to follow. The polls will be open at 8 a.m. in the forenoon and close at 7 p.m. The business meeting will be held in the gymnasium and will be opened at 7 o'clock in the evening.

1. To elect all necessary officers for the year.
2. To see if the town will vote to raise and appropriate the sum of Seven Hundred Forty-Nine Thousand Three Hundred Twenty-Three dollars (\$749,323) for the General Town Operations. Select-Board recommends this article.
3. To see if the town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the Fire Department Vehicle Equipment Capital Reserve Fund. Select-Board recommends this article.

4. To see if the town will vote to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000) to be added to the Highway Department Heavy Equipment Capital Reserve Fund. Select-Board recommends this article.

5. To see if the town will vote to raise and appropriate the sum of Seventy-five Thousand Dollars (\$75,000) to be added to the Paving Capital Reserve Fund. Select-Board recommends this article.

6. To see if the town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000) to be added to the Sewer Pump Renovation and Replacement Capital Reserve Fund. Select-Board recommends this article.

7. To see if the town will vote to rescind the Recreation Revolving Fund created in 2012 pursuant to RSA 35-B:2 II. Any monies accumulated in said fund shall become part of the general fund accumulated surplus. The Select-Board recommends this article.

8. To see if the Town will vote to terminate the Inter-Municipal Agreement with the Mount Washington Regional Airport Authority. Select-Board recommends this article.

9. To see if the Town will vote to raise and appropriate the sum of Three Thousand Five Hundred Dollars (\$3500.00) to be placed in the Fire Department Vehicle Equipment Capital Reserve Fund. Such funds to come from the sale of the 1978 Dodge W200 pickup. Select-Board Recommends this article.

10. To see if the town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) to be added to the Pay Per Bag Replacement Expendable Trust Fund previously established for the purchase of bags for the "Pay Per Bag" system. The source of these funds will be 25 cents from each bag sold. No taxes will be raised with this appropriation. Select-Board recommends this article.

11. To transact any other business that may legally come before the meeting.

Requirements for Semi-Annual Billing

Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Fund Balance Retention

Enterprise Funds	\$0
General Fund Operating Expenses	\$2,405,325
Final Overlay	\$23,356

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

2015 RSA 198:4-b II School Fund Balance Retention Guidelines: Dalton

If a school district has adopted RSA 198:4-b II by a vote of the legislative body, the school district may retain year-end unassigned general funds in an amount not to exceed, in any fiscal year, 2.5 percent of the current fiscal year's net assessment pursuant to RSA 198:5, for the purpose of having funds on hand to use as a revenue source for emergency expenditures and overexpenditures under RSA 32:11, or to be used as a revenue source to reduce the tax rate. This retained fund balance is not cumulative. The maximum allowed fund balance retention has been calculated as:

Select-Board Report

Another year has come and gone since we last reported to you on the financial affairs for the town of Dalton. As you will see when you read through this report, we have done some tightening up of some line items and have worked hard to save money for the taxpayers. We have tried very hard to do this without disrupting any services which are needed by our townspeople.

We continue to refine our work and streamline our duties, so that the town works as a team in the most efficient manner possible for the lowest cost.

Next year will bring new challenges, as the school tax rate is projected to take a large jump for Dalton taxpayers. This board has positioned itself financially to make the impact on the bottom line tax rate as low as is possible. In the upcoming year, it is the hope of this board to set up some joint meetings between the select-boards of all the towns involved in our co-operative school district to see if there is anything which we can do collectively to even up the highs and lows that occur now with the school portion of our town tax rates. We will be reaching out to the other town boards as soon as the March elections are over.

This board continues to work in the best interest of the residents and the taxpayers of Dalton. We are always open for your suggestions and comments. We are always looking for volunteers to step forward for various boards and volunteer opportunities. Please feel free to

contact the office or to come to one or all of our meetings on Monday nights.

Respectfully Submitted,
Dalton Selectboard

DALTON FIRE RESCUE

756 Dalton Road Dalton, N.H. 03598
Emergency 911 Non-Emergency 837-2092

Dalton Fire Rescue responded to 217 calls for service in 2015. The dedication of members made it possible to answer every call for service. We would like to thank Whitefield Fire Rescue who transports Dalton patients for there dedication and service. Dalton Fire Rescue and Whitefield Fire Rescue work well together for the benefit of Dalton residents.

Dalton Fire Rescue placed a new Rescue Vehicle in service in 2015. The new truck was largely funded by the former Dalton Auxiliary. The truck is 4 wheel drive, carrying extrication equipment and tools. The new Rescue Truck will serve the town for many years.

Dalton Fire Rescue would like to thank the residents of Dalton for there continued support. We would especially like to thank the people who saw the need and supported the First Responder Service. Emergency medical calls continue to be the highest call volume for the department. Fire Department EMS personal have made a real difference in the outcome of patients needing this service by providing quick response, scene stabilization and advance life support. We would like to thank Weeks Paramedic Program and Lancaster Fire EMS for providing service to Dalton.

Dalton Fire Rescue would like to thank the mutual aid systems that provide help during large emergencies, we could not survive without their help. The town department heads and employees that assist with calls and vehicle maintenance.

2015 DALTON HIGHWAY DEPARTMENT REPORT

Plans for road work in 2015 include shimming Harriman Road as well as culvert replacement on French Road and cross trench paving.

The amount requested in the Paving Trust Account warrant article has been increased. With what we normally put aside for paving, we average 500 ton in place per year. The increase will bring that up to the 800 ton in place per year.

Many thanks to my crew, Reg McLain and Robert Blanchette. I would also like to thank the Selectboard, Nancy McVetty, Jay McCusker and Kathy Barden. Thanks also to the always dependable Dalton Fire Department and Chief Sheltry.

We are always grateful for the calls to let us know of issues on the roads. It is a great help in doing our job. Calls to my cell are welcome, 603-631-5224, as well as to the highway garage, 603-837-9821 and you can also email at road.agent@townofdalton.com.

Respectfully submitted,

2015 DALTON POLICE DEPARTMENT REPORT

2015 has been a difficult year for the police department. We have had a very limited success in finding part-time officers. Eion Stapleton was hired in June and shortly thereafter became employed full time for the Whitefield Police Department. Due to his full-time work schedule, he was only certified in firearms in late November. He then was enrolled in the full-time Police Academy in Concord (a class that lasts three months) in January. Officer Chris St. Cyr was only able to work four hour shifts of which he completed several.

The police department made two arrests for Felony theft from a residence on Dalton Road and one arrest for theft on White Road. There were numerous calls for services in two accidents investigated by the department.

On a positive note, Fran Gleason was hired to staff the police department for two days a week from 4:30 to 8:00 PM. The problems with unreturned calls and other issues have been corrected with pistol permits issued on time and other routine tasks handled in a timely manner.

2015 LIBRARIAN REPORT

The Dalton Public Library has downloadable books, audio, and video for our patrons. We have public access computers and wireless internet which are used whenever we are open. We also offer FAX and copying service during our open hours.

During the summer reading program, EVERY HERO HAS A STORY, children enjoyed weekly story times and events. Awards and prizes were given to the children at the close of the program. We have started craft times for children during the fall and winter seasons. Monthly projects donated by patrons are available for children to complete here or to take home.

Throughout the year the library offers times when our books for sale can be purchased at the Town Hall. We maintain a collection of adult and children's books as well as puzzles and movies for sale. We use this money to purchase more books. Our programming and seasonal storage is also at the Town Hall Building as there is no storage in the current location.

The library hosts a quilt/sewing group that meets at the Town Hall Building. This is a free program for participants to learn from each other and to bring their own projects in to be completed.

I attended local and regional library conferences throughout the year. The local library meetings provide guidance and collaboration and continue to provide our patrons materials that are not in our own collection.

The activities and happenings here are accomplished with the help of the many volunteers that provide time, assistance and money. We thank all who have been so generous with their donations and gifts to the library.

Respectfully submitted,
Doris Mitton, Librarian

Trustees: Helen Delage, Cathleen Fountain, Nancy Smith

The library hours are: Monday & Wednesday 2-6 and Saturday 10-noon.
Winter: Monday and Wednesday 1- 5 and Saturday 10-noon.

Hello Everyone and Happy New Year

We the members of the Friends of the Dalton Town Hall were saddened in the past year by the loss of one of our key members Becky McVetty. Becky was a true friend and supporter of our cause as well as other organizations and committees in town. She was an honest, hardworking and caring person dedicated to friends and family. She has been and will be greatly missed.

It has been a good year for us otherwise with successful fundraising efforts mainly through our annual dinners held in February, August and October. Many thanks to all who came to enjoy the evening or day with us at these events, and to the volunteers who helped put them on. Because of your support the Old Town Hall can be kept open tax free.

The Old Town Hall has a kitchen and bathrooms and makes a nice place for social events and gatherings. The Historical Society has a very nice display in the down stairs portion of the building. It is very interesting to check out the historic artifacts and pictures from the town.

Anyone interested in using the building or possibly joining the F.D.T.H. can contact me, John Bean @ 616-3735, Doris Mitton at the town Library, Jean Abbott, or Teri Parks.

Respectfully submitted John Bean

ANNUAL REPORT

OF

DALTON HISTORICAL SOCIETY

Dalton Historical Society is a nonprofit organization, currently comprised of six active members.

Terri Parks, Gary Boyle, Jean Abbott, Sue Bean, Doris Mitton and Connie Russell. October 2015 was a very sad day for us, with the passing of Becky McVetty, a very active member of Dalton Historical Society. Her energy and expertise will be missed. Our goal is to research, record, and preserve history of Dalton for current, as well as future generations. Some of the members of the Dalton Historical Society are available to research preserved records for anyone looking for their ancestors. We have many resources available, such as databases containing town vital records, church records and censuses, cemetery transcriptions, maps and more.

Dalton Historical Society's newsletter is available to view on line at: daltonhistoricalsociety.org

The newsletter is filled with a brief history of Dalton, as well as many local pictures, fund raising T-Shirts ready to buy for a very low cost, and links to our local cemeteries, as well as other web sites. We welcome your comments and suggestions for future newsletters.

Dalton, NH has three town maintained cemeteries. Cushman Cemetery located on Route 135, Johns River Cemetery is located on the corner of Route 135 and Route 142, and Ladd Cemetery is located on Faraway Rd. These three cemeteries have been cataloged, and pictures taken of every stone available. This information is available at no charge on line at Findagrave.com.

In July of 2013 Dalton Historical Society funded the cost of replacing the signs at all three cemeteries, as well as the sign for the Town Pound. Many thanks to the Littleton Sign Company.

We are fortunate to have received many generous contributions of artifacts. They can be viewed downstairs at the Old Town Hall. If you have articles of interest that you'd like to donate to DHS, please contact one of the members to schedule a pickup, or the items can be dropped off.

DHS would like to encourage new members and we welcome all visitors. Our membership dues are a mere \$5.00 a year. Our organization meets on the second Thursday of every month (weather and holidays permitting), at the old Dalton Town Hall Route 135 at 7:00 PM. Please come join us.

DALTON PLANNING BOARD

At the beginning of 2015, the Planning Board chose to table the draft Zoning Ordinance, and remove it from the Town's Website. While the first half of 2015 was relatively quiet, the second half of the year was productive. The Planning Board processed and held hearings for 1 subdivision and 4 lot line adjustments.

Applications for Subdivisions and Lot line Adjustments were adjusted to include the increased costs in mailings and payment changes registering with Coos County Registry of Deeds. The appropriate application forms can be found on the Town's Website, www.townofdalton.com/Planning.html.

The Master Plan and Subdivision Regulations are also available on this page. If you have any questions or need to appear before the Planning Board, an online form is available for your convenience.

As always, the Planning Board welcomes public input. Join us at our meetings which are the first Wednesday of every month at 7pm.

ACCOUNTANTS' COMPILATION REPORT

To the Board of Selectmen,
Town of Dalton:

We have compiled the balance sheet of Town of Dalton as of December 31, 2014, and the related statement of revenues, expenditures and fund balance for the year then ended, included in the accompanying form MS-535. We have not audited or reviewed the accompanying financial statements included in the accompanying form MS-535 and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with the form prescribed by New Hampshire Department of Revenue Administration.

Management of the Town of Dalton is responsible for the preparation and fair presentation of the MS-535 in accordance with requirements prescribed by New Hampshire Department of Revenue Administration and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the MS-535.

Our responsibility is to conduct the compilation in accordance with *Statements on Standards for Accounting and Review Services* issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

The financial statements included in the accompanying MS-535 are presented in accordance with the requirements of New Hampshire Department of Revenue Administration, and are not intended to be a presentation in accordance with accounting principles generally accepted in the United States of America.

This report is intended solely for the information and use of management of Town of Dalton and the New Hampshire Department of Revenue Administration and is not intended to be and should not be used by anyone other than this specified party.

ANNUAL REPORT FROM EXECUTIVE COUNCILOR JOSEPH KENNEY, DISTRICT ONE

January 2016

As I start my 3rd year of service to you and the State of New Hampshire in Council District 1, I am grateful and honored to serve you.

I continue to work with the Governor, Council and Legislature on the important issues impacting the State. The Heroin and Opioid epidemic has been the number one issue. The Governor and Council called for a Special Legislative Session on November 18th to address the statewide heroin and opioid crisis. A Joint Legislative Task Force on Heroin and Opioid Epidemic was formed and will make recommendations to the Governor and Legislature in the upcoming session.

Economic development is still my top priority for the Northern most Council District and I will work with community and business leaders to assist in the creation of jobs and economic opportunity. I am committed to the Balsams project in Dixville Notch and I will continue to work with the various public and private partners to move this project forward. Additionally, I continue to work with the county and regional economic development councils and executive directors on present and future economic opportunities to grow businesses in the District.

I join with the NH Congressional Delegation - Senator Jeanne Shaheen, Senator Kelly Ayotte, Congresswoman Annie Kuster and Congressman Frank Guinta in working with other New England states and our northern Canadian friends to seek economic opportunities and relationships.

The Ten Year Transportation Improvement Plan process working with the Department of Transportation and the Regional Planning Commissions has been completed. The Executive Council approved the final draft and submitted it to the Governor on December 16th. The plan focuses on preservation, maintenance and safety of existing pavement and bridge infrastructure throughout the State. The US Congress passed the Fixing America's Surface Transportation (FAST) Act, which provides increased federal funding to the State of New Hampshire over the next five years. Contact William Watson at NH DOT for any additional details at 271-3344 or bwatson@dot.state.nh.us.

The 2016 session of the NH House and Senate will address legislation that deals with the heroin and opioid crisis, Medicaid expansion, and maintaining a good business climate. Again, be watchful of proposed legislation passing costs on to the county and local levels of government. Stay close to your local state senator and house members.

The Governor and Council are always looking for volunteers to serve on the dozens of boards and commissions. If you are interested, please send your resume to Governor Maggie Hassan, State House, 107 North Main Street, Concord, NH 03301 attention Jennifer Kuzma Director of Appointments/Liaison or at (603) 271-2121. A complete list is available at the NH Secretary of State website at www.sos.nh.gov/redbook/index.htm.

My office has available informational items: NH Constitutions, tourist maps, consumer handbooks, etc. I periodically send, via email, a list of my schedule for the week. Send me your email address if you'd like to be added to the list at Joseph.Kenney@nh.gov.

Contact my office any time I can be of assistance to you.

Serving you,

Joe

2016 Town Report

Report from Your North Country Senator Jeff Woodburn

Dear Constituent,

It is an honor to serve as your State Senator representing District 1, which includes 58-rural, northern communities, encompassing 27 percent of the state's landmass. It is a region larger than two states and 17 foreign countries and containing fewer than twenty people per square mile.

The North Country, including the White Mountains region, has a uniquely different culture, landscape, economy and history than the rest of the state. It is my focus to ensure that State government understands this and doesn't forget us. Our needs, challenges and opportunities are different. At the top of my priority list is stabilizing our fragile economy while improving the quality of life for all our people. First and foremost, this means advocating for policies and projects that expand business and entrepreneurial opportunities that will raise stagnant wages. I'm proud to have been the prime sponsor of the law that extends the same economic development opportunities available to all communities to our unincorporated towns. The so-called Balsams bill is an essential part of the redevelopment of the former grand resort in Dixville.

We've made important bipartisan investments that disproportionately benefited our region in the previous sessions and I will fight efforts to repeal them. I support our continued efforts to expand access to health care, reduce the burden of uncompensated care at local hospitals, invest in local road and broadband infrastructure and build a budget that reflects the needs of rural areas.

In the Senate, my goal has been to be practical and to work with everyone to get results for our region. But voting is only a part of my work, I have been accessible and available to my constituents, holding town hall meetings, office hours and tours for state leaders. I have tried when possible and appropriate to bend state government to meet the needs of rural people and rural communities. Over the course of my time in office, I have assisted thousands of individuals with issues large and small. I consider it a great compliment when someone feels comfortable enough to contact me and trust that I will intercede on their behalf when they are in a time of need.

I love being the voice for the North Country and am constantly inspired by our people and places that make our beloved home so special.

Be in touch, if I can be of assistance to you or your community.

Regards,

Jeff Woodburn
North Country Senator

2015 Annual Report

As the regional planning commission serving the 51 municipalities and 25 Unincorporated Places of northern New Hampshire, North County Council (NCC) continued to provide a wide range of services in 2015. Some of the highlights:

- Drop-in office hours around the region increased opportunities to provide assistance.
- Revolving loan fund helped several area businesses keep their doors open and workers employed.
- Traffic count program enabled municipalities, businesses, and NHDOT to monitor trends and evaluate future needs.
- Administration of payments for volunteer driver program enabled many residents to access medical appointments and other basic needs.
- Assistance with day-to-day planning and zoning questions, master plans, zoning and regulation updates, and review of development proposals such as the Balsams redevelopment gave local officials and volunteer boards access to professional planning expertise.
- Staff support for the Connecticut River Joint Commission Local River Subcommittees enabled review and input on proposals such as the future plans of the Conte Refuge and Northern Pass.
- Assistance to businesses with disaster preparedness won a NADO Innovation Award.
- Advocacy on behalf of North Country communities resulted in inclusion of the region's top highway needs in the Ten Year Plan being presented to the Legislature.
- Development of plans for the region's scenic byways ensured continued designation of these important tourism resources under the state program.
- Training for transfer station operators increased efficiency and compliance with state rules.
- Collection of household hazardous wastes meant fewer toxic materials entering the region's groundwater.

The Council is comprised of Representatives from each member community. We look forward to hearing from your community's Representatives about emerging issues and needs that our staff should be focusing on in the coming years.

12. To see if the town will vote to designate the following described road as a scenic road under the provisions of RSA 231:157: Faraway Road from its origin at the Forest Lake Road to its junction with Ridge Road; for the purpose of allowing public input on maintaining the aesthetics, historic values and rural character of the road. Article by Petition.

Nancy Comeau spoke to article, explaining the petition process, and town clerk notification to land owners. Much discussion ensued. Out of town people, Mary Sweeney and Marcia Nataly were voted by body to be allowed to speak. Both questioned landowner rights to remove trees, stone walls as they see fit for driveways.

Jeff Woodburn asked Bob Wentworth Road Agent if the town owned any trees on Faraway. Bob responded, not to his knowledge. Bob also explained Driveway Permits required in Dalton. Christine Ordinetz spoke to more infringement on tax payers rights. Julia Simonds questioned right restrictions in the case of disaster and what benefits there to do this. Nancy

Dalton Town Warrant

Comeau assured absolutely no restrictions in regard to a disaster, and that day to day maintenance would not be restricted. The benefit is to maintain aesthetics of the town road.

Jay McCusker commended Christine Ordinetz on her sentiments. He also questioned adding RSA 231:157 to warrant as that RSA has all the controlling mechanisms. Nancy Comeau amended the article to include RSA 231:157. Amendment to Article 12 **PASSED**

Ann Craxton, moderator decided enough discussion and called the vote.
