2014 ANNUAL REPORT

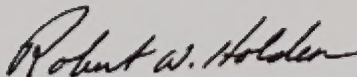

2014 TOWN REPORT COVER

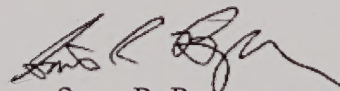

The pung or “horse drawn sleigh” featured on the cover of the 2014 Northwood Annual Report was the focus of an “Open Garage” event hosted by the Bailey family in April at their farm on Catamount Road. The pung, similar to the one depicted on the town seal, was donated to the Northwood Historical Society this year by Carl Wallman; the large replica of the Northwood Town Seal shown on the pung was donated to the society by Donald Fellows. To learn more about the pung in this photo and to find the answer to “What does a pung have to do with Northwood history?” you are invited to read more about it at: <http://www.suncookvalleysun.com/northwood/2014> and then go to the 4/16/2014 link.

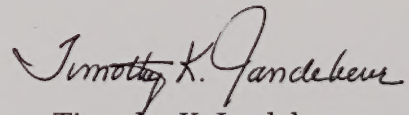

We extend our sincere thanks to Don McMurchy of Nottingham who allowed his photo of the pung to be featured on the cover of this year’s annual town report. You may view more of Don’s photography of Northwood and surrounding areas at his website: <http://dirtdummyracing.zenfolio.com/f57062641>

For many years, the Town of Northwood and Coe-Brown Northwood Academy have worked together to provide a forum for students to showcase their art in the annual report. Several student photos are presented within this year’s report. We personally thank each student who contributed their time and talent by submitting a work for consideration this year.

**Town of Northwood
2014 Town Meeting Deliberative Session
Minutes
February 1, 2014**

Moderator Hal Kreider called the meeting to order at **Coe Brown Northwood Academy**, 907 First NH Turnpike, in said Northwood on **Saturday, February 1, 2014 at 9:03 AM** to participate in the **First Session** of the 2014 Annual Town Meeting.

The Moderator acknowledged the veterans as being responsible for us being able to be at the meeting. He then led the audience in the pledge of allegiance.

The Moderator explained that this session would consist of explanation, discussion and deliberation of the Warrant Articles numbered Two (2) through Twenty (20), and that the Warrant Articles could be amended subject to the following limitations: (a) Warrant Articles whose wording is prescribed by law shall not be amended, and (b) Warrant Articles that are amended shall be placed on the official ballot for a final vote on the main motion as amended.

The Moderator went on to explain that the Voting Session to act on all Warrant Articles, as amended, including the proposed budget, as a result of the action of the "*First Session*" would be held at the **Parish Center at St. Joseph's Church**, 844 First NH Turnpike, in said Northwood on **Tuesday, March 11, 2014**. The polls will be open from **7:00 AM to 7:00 PM**.

The Moderator announced that candidates' night would be held at town hall at 7:00 pm on February 19, 2014.

Selectman Scott Bryer and Kevin Murphy recognized Joann Bailey for her service as Trustee of Trust Funds for 30 years. Selectman Bryer presented her a plaque. Ms. Bailey said it was her pleasure to serve and she thanked everyone.

Moderator then went on with the warrant.

Article 2: 2014 OPERATING BUDGET

Ginger Dole moved and Dan McNally seconded to see if the Town would raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$3,347,837**. Should this article be defeated, the default budget shall be **\$3,433,194** which is the same as last year, with certain adjustments required by previous action of the town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. **(Recommended by the Budget Committee 14-0) (Estimated tax impact: \$.09)**

Mike Faiella stated he wondered why there was a tax impact if the budget is lower than last years'. Town Administrator Brent Lemire explained that it was not lower, that it was higher due to mandated increases.

Seeing no more discussion, and by a show of ballots, it was voted unanimously to place Article 2 on the ballot as written.

Article 3: AMBULANCE PAYMENT

Selectman Bryer moved and Selectman Holden seconded to see if the Town would raise and appropriate the sum of **Forty-eight thousand six hundred seventeen dollars (\$48,617)** for the second of five annual payments on a five year lease on Ambulance 1 and to fund this appropriation by authorizing the withdrawal of **Forty-eight thousand six hundred seventeen dollars (\$48,617)** from the Fire/Rescue Vehicle Replacement Special Revenue Fund. This lease agreement was approved at the 2013 Town Meeting and does not contain an escape clause. **(Majority vote required) (Recommended by the Board of Selectmen 2-0) (Recommended by the Budget Committee 14-0) (No impact on the tax rate)**

There was no discussion, so with a show of cards, it was voted unanimously to place Article 3 on the ballot as written.

Article 4: HIGHWAY EQUIPMENT CAPITAL RESERVE DEPOSIT

Selectman Bryer moved and Selectman Holden seconded to see if the Town would vote to raise and appropriate the sum of **Fifteen Thousand dollars (\$15,000)** to be deposited into the previously established Highway Equipment Capital Reserve Fund. **(Majority vote required) (Recommended by the Board of Selectmen 2-0) (Recommended by the Budget Committee 13-1) (Estimated tax impact: \$.03)**

There was no discussion, and by a show of cards, it was voted unanimously to place Article 4 on the ballot as written.

Article 5: CONSTRUCTION OF HIGHWAY MAINTENANCE BUILDING

Selectman Holden moved and Selectman Bryer seconded to see if the Town would vote to raise and appropriate a sum not to exceed **One hundred forty-five thousand dollars (\$145,000)** for the purpose of constructing a one-story, two bay maintenance facility for the Highway vehicles. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the highway facility is completed or by December 31, 2015, whichever is sooner. **(Recommended by the Board of Selectmen 2-0) (Recommended by the Budget Committee 11-3) (Estimated tax impact: \$.30)**

Joe McCaffrey asked for details about what this \$145,000 was for, stating that it seems only to be an estimate. He asked whether this was just for the building, or were other things, like landscaping, electrical, etc. included in that figure. Selectman Holden explained that the Highway Department is currently housed in the Recycling Building. He stated that the Recycling Committee wants to do a better job of recycling. Approximately 1-1/2 years ago a letter was sent from the Committee requesting to take back the building. He stated that if this article does not pass, the building will continue to house the Highway Department, but in the future the Town will need to do something to revert it back to the Recycling Committee. Administrator Lemire stated they researched the matter and contacted a company that does prefab buildings. A quote was received for an 1800 sq. ft. building. The proposed location near the salt shed has been checked out by Code Enforcement Officer. Mr. McCaffrey stressed that there needs to be good overall facts of what is proposed. Selectman Holden stated that they are looking for a shell to give the highway department a place for repairs, etc. Bob Bailey noted that there is a Highway Advisory Committee and that they were not aware of this requested article until just now. He went on to say that they would need water and septic, which would be a lot more than the \$145,000. He stated that you can't even build an outhouse for that money. Also that the market is not good for glass or plastic and that we have a smooth running operation in recycling currently. Selectman Holden stated that there is a well on site, and that there could be a holding tank at a minimum for septic. He went on to emphasize that the Recycling Committee has asked for their building back.

Rick Wolf stated that not much money was currently being made in recycling, that \$25,000 would be good. Ginger Dole quoted the figure of \$22,605. Administrator Lemire stated that Steve Preston had obtained a grant for half of the cost of a bailer and fork lift. Mr. Wolf went on to say that it would cost more money to keep recycling inside. Mr. Faiella asked who supplied the money for the grant, was it federal or State. Administrator Lemire said he was not sure. Tom Chase commented that recycled materials will bring more money with the improvements in economy. He stated he supports this article. Mr. McCaffrey asked whether having the materials in the building would make up the amount of money that this building would cost. He stated there would probably need to be an additional part time or full time employee. Mr. Bailey moved, Ms. Dole seconded to move the question. By show of cards, the vote was 20 in favor, 13 opposed. Mr. Faiella asked what happens if he voted no. Moderator Kreider stated they could just change the dollar amount, but it would still go on the ballot. Mr. Chase said they could change the amount either up or down, or change the date of completion.

Town Meeting Deliberative Session February 1, 2014

Ann Bailey asked to move to limit participation to one person one time per article for 3 minutes. Mr. Bailey seconded. Linda Smith moved to amend to add one minute for a redirect. Ms. Dole seconded. Much discussion continued. Ms. Smith removed her amendment, and Ms. Dole removed her second. Mr. Faiella stated there were already too many rules, and that we should have freedom of speech, and that he always votes against moving the question. Motion defeated. At this point, with a show of cards it was voted to place the article on the ballot as read.

Article 6: PUBLIC SAFETY DIGITAL RADIO REPEATER SYSTEM

Selectman Holden moved and Selectman Bryer seconded to see if the Town would raise and appropriate the sum of **Sixteen thousand five hundred seventy three dollars (\$16,573.00)** for the purchase of a radio repeater system for use by the Police, Fire, Emergency Management and Highway Departments. **(Majority vote required). (Recommended by the Board of Selectmen 2-0) (Recommended by the Budget Committee 14-0) (Estimated tax impact: \$.03)**

Mr. McCaffrey asked for the Fire Chief to speak. Chief Jim Lindquist explained that a repeater system allows for more communication within the town. Kurt Schreiber asked if there would be a separate tower and Chief stated no. By a show of cards, the article was approved to be placed on the ballot as read.

Article 7: TOWN HALL HVAC SYSTEM UPGRADE

Selectman Holden moved and Selectman Bryer seconded to see if the Town would vote to raise and appropriate the sum of **Forty-four thousand dollars (\$44,000)** for the purpose of upgrading the heating/cooling systems of the Northwood Town Hall, and to approve the withdrawal of **Forty-four thousand dollars (\$44,000)** from the previously established Town Hall Improvement Capital Reserve Fund to fund this article. **(Majority vote required) (Recommended by the Board of Selectmen 2-0) (Recommended by the Budget Committee 14-0) (No impact on the tax rate)**

Administrator Lemire explained that there are currently two separate systems and they are very costly. He stated there was money in Capital Reserve Fund for this upgrade, and that it would save money. Mr. McCaffrey asked where the money came from in the Fund and Administrator Lemire replied that it had been from tax payer money in the past. Mr. McCaffrey asked if it had been specified for any particular purpose and Selectman Bryer stated it was for general use for town hall. By a show of cards, it was voted to put the article on the ballot.

Article 8: LAGOON MAINTENANCE AND REPAIR EXPENDABLE TRUST FUND

Selectman Bryer moved and Selectman Holden seconded to see if the Town would vote to raise and appropriate the sum of **Thirteen thousand, four hundred thirty eight dollars (\$13,438.00)**, to be placed in the Lagoon Maintenance and Repair Expendable Trust Fund and to fund this appropriation by authorizing the withdrawal of that amount

Town Meeting Deliberative Session February 1, 2014

from the Lagoon Special Revenue Fund held by the Northwood Treasurer. **(Majority vote required) (Recommended by the Board of Selectmen 2-0) (Recommended by Budget Committee 12-0) (No impact on the tax rate)**

Robbie Robertson asked Selectman Bryer to explain the article. Selectman Bryer stated money is received for dumping services and then this money is used for repairs to the lagoon. By a show of cards it was voted to place the article on the ballot as written.

Article 9: GRANT MATCH EXPENDABLE TRUST

Selectman Bryer moved and Selectman Holden seconded to see if the town would vote to raise and appropriate the sum of **Fifteen Thousand dollars (\$15,000)** to be placed in the previously established Grant Match Expendable Trust for town grants and local matching funds to enable the Town of Northwood departments to apply for and receive State and Federal Grant money. **(Majority vote required) (Recommended by the Board of Selectmen 2-0) (Recommended by the Budget Committee 14-0) (Estimated tax impact: \$.03)**

Mr. McCaffrey asked how much money was currently in this fund and Administrator Lemire replied there was \$18,352. By a show of cards it was approved to place the article on the ballot as written.

Article 10: FACILITIES COMMITTEE EXPENDABLE TRUST

Selectman Bryer moved and Selectman Holden seconded to see if the Town would vote to raise and appropriate the sum of **Fifteen Thousand Dollars (\$15,000)** to be deposited into the Facilities Committee Expendable Trust Fund previously established for the maintenance, improvement, repairs and replacement of general government buildings. **(Majority vote required) (Recommended by the Board of Selectmen 2-0) (Recommended by the Budget Committee 14-0) (Estimated tax impact: \$.03)**

Mr. McCaffrey asked how much was in the fund, and was told there was \$17,458. He was advised that the Ridge fire station project was earmarked for this money, and that the money currently in fund was set for improvements to Community Center. With a show of cards, the article passed to be placed on the ballot as written.

Article 11: TRANSFER STATION EXPENDABLE TRUST DEPOSIT

Selectman Holden moved and Selectman Bryer seconded to see if the Town would vote to raise and appropriate the sum of **Twenty-two thousand, six hundred five dollars (\$22,605.00)** to be placed in the existing Transfer Station Expendable Trust Fund previously established for the purpose of purchasing transfer station equipment and repairing and maintaining the transfer station buildings and to fund this appropriation by authorizing the transfer of that amount from the unreserved fund balance as of December 31, 2013. This amount is the equivalent of the amount received from the sale of recyclable materials in 2013. **(Majority vote required) (Recommended by the Board of**

Town Meeting Deliberative Session February 1, 2014

Selectmen 2-0) (Recommended by Budget Committee 12-0) (No impact on the tax rate)

Selectman Bryer explained that the funds received at the Transfer Station were deposited into the fund. By a show of cards the article passed to be placed on the ballot as read.

Article 12: MILFOIL TREATMENT AND CONTROL PROGRAM EXPENDABLE TRUST

Selectman Holden moved and Selectman Bryer seconded to see if the Town would vote to raise and appropriate the sum of **Five Thousand dollars (\$5,000)** to be deposited into the previously established Milfoil Treatment and Control Program Expendable Trust Fund. **(Majority vote required) (Recommended by the Board of Selectmen 2-0) (Recommended by the Budget Committee 14-0) (Estimated tax impact: \$.01)**

Selectman Holden explained that there was a milfoil problem, and that money in this Trust was being used at Northwood Lake and Jenness Pond. Mr. Chase stated that the Trust should be expanded to include other invasive species. Administrator Lemire said they could change the name for next year. Mary Faiella asked why could it not be changed this year. Selectman Holden stated that it could be viewed as changing the intent of the article. Ms. Faiella stated she thought this was the purpose of this meeting, and that there needs to be a better understanding of what can be done at the meeting. Selectman Holden stated he would leave it up to the moderator. Moderator Kreider stated that he would put it out to the audience. He suggested someone amend the article, adding that it “can be used for other invasive species.” If it proved to be illegal, then the article would go back to its original wording. Ms. Smith suggested not doing so this year because it puts the funds in jeopardy. Bob Young suggested waiting until next year. Ellen Schreiber stated that we should have legal representatives at the meeting to settle these issues. More discussion followed. Ms. Dole then asked to end discussion. Mr. Chase seconded, and her motion carried. By a show of cards, it was voted to place the article on ballot as written.

Article 13: BENEFIT PAY VESTED TIME EXPENDABLE TRUST FUND

Selectman Bryer moved and Selectman Holden seconded to see if the town would vote to raise and appropriate the sum of **Fifteen Thousand dollars (\$15,000)** to be added to the Benefit Vested Time Expendable Trust Fund previously established. **(Majority vote required) (Recommended by the Board of Selectmen 2-0) (Recommended by the Budget Committee 14-0) (Estimated tax impact: \$.03)**

Selectman Holden explained that there is an estimated future liability of \$165,000, and that the fund has approximately \$45,000 in it currently. By a show of cards, the article passed to be placed on the ballot as written.

Article 14: CABLE EXPENDABLE TRUST FUND

Selectman Holden moved and Selectman Bryer seconded to see if the Town would vote to raise and appropriate the sum of **Thirty-Three thousand, six hundred ninety-two**

Town Meeting Deliberative Session February 1, 2014

dollars (\$33,692.00) to be deposited into the previously established Cable Expendable Trust Fund and to fund this appropriation by authorizing the transfer of that amount from the unreserved fund balance as of December 31, 2013. This amount is equivalent to the amount received as cable TV franchise fees in the year 2013. **(Majority vote required) (Recommended by the Board of Selectmen 2-0) (Recommended by Budget Committee 12-0) (No impact on the tax rate)**

With no discussion and by a show of cards, the article passed to be placed on the ballot as written.

Article 15: APPOINTMENT OF TOWN HIGHWAY (ROAD) AGENT

Selectman Holden moved and Selectman Bryer seconded to see if the Town would authorize the selectmen to appoint the town highway (road) agent in accordance with RSA 231:62, rather than electing a highway agent. **(Majority vote required) (Recommended by the Board of Selectmen 2-0)**

There being no discussing, with a show of cards, the article passed to be placed on ballot as written.

Article 16: NORTHWOOD'S 250TH ANNIVERSARY EXPENDABLE TRUST

Selectman Bryer moved and Selectman Holden seconded to see if the Town would vote to establish an expendable trust fund to be named: *Northwood's 250th Anniversary Expendable Trust Fund*, for the purpose of expenses incurred for events in relation to the anniversary celebration, and to raise and appropriate the sum of **Five hundred (\$500) dollars** to go into this fund and further to name the Board of Selectmen as agents to expend. **(Majority vote required) (Recommended by the Board of Selectmen 2-0) (Recommended by the Budget Committee 14-0) (Estimated tax impact: less than \$.01)**

Joann Bailey explained that a pung, similar to the one on our town seal, has been donated to the Historical Society. It is in need of repair and once those repairs have been completed, it will be put on display for the 250th celebration. Mr. Faiella asked when that would be and was told 2025. By a show of cards, the article passed to be placed on the ballot as written.

Article 17: DEFIBRILLATOR LEASE/PURCHASE

Selectman Holden moved and Selectman Bryer seconded to see if the town would vote to authorize the selectmen to enter into a five year lease/purchase agreement for **Sixty-seven thousand, one hundred five dollars (\$67,105)** for the purpose of lease/purchasing two LifePak15 Monitor/Defibrillator Units for use by the Northwood Fire-Rescue Department on emergency medical incidents, and to raise and appropriate the sum of **Thirteen thousand, three hundred eighty-four dollars (\$13,384)** for the first year's payment for that purpose; and to fund this appropriation by authorizing the

withdrawal of said sum from the unexpended fund balance as of December 31, 2013. This lease agreement contains an escape clause.

**(Majority vote required) (Recommended by the Board of Selectmen 2-0)
(Recommended by the Budget Committee 12-0) (No additional tax impact)**

Fire Chief Lindquist introduced Peter Landry from Physio Control who stated these new defibrillators were ten times better and quicker than the current ones. He stated that they can be updated reducing the need to replace as often and that they are manufactured in the United States. Ms. Faiella asked if they would be retiring the current one or would they then have three. The Chief stated that they would still use the old one on the engine. Selectman Holden stated the need for it. Ms. Dole stated that the current one is at its life expectancy now, and that she supported the article. Mr. Schreiber asked if it came with a training package. Chief Lindquist said it did. Ms. Faiella asked if this would be an article that we could amend. Diane Kizirian stated she was in favor. Mr. Chase asked if we could amend to have the funds come from taxation rather than surplus. Mr. Bailey asked to move the question and it was seconded. By a show of cards, his motion passed. By another show of cards, the vote on the question passed to have the article placed on the ballot as read.

Article 18: RECREATION FACILITY CAPITAL RESERVE FUND

Selectman Bryer moved and Selectman Holden seconded to see if the town would vote to raise and appropriate the balance of **Fifty-three thousand, five dollars and seventy-nine cents (\$53,005.79)** remaining in the Recreation Facility Capital Reserve Fund as of December 31, 2013, for the purpose of continuing construction of the new athletic fields and to fund this appropriation by authorizing the withdrawal of that sum from the Recreation Facility Capital Reserve Fund previously established for this purpose. This is to be a non-lapsing appropriation per RSA 32:7, and will not lapse until the project is complete or December 31, 2016, whichever is sooner. **(Majority vote required) (Recommended by the Board of Selectmen 2-0) (Recommended by the Budget Committee 15-0) (No additional impact on the tax rate)**

With little discussion and by a show of cards the article passed to be placed on the ballot as written.

Article 19: (By Petition) NH RESOLUTION TO GET MONEY OUT OF POLITICS

This Article was moved and seconded.

RESOLVED, the People of Northwood, New Hampshire, stand with communities across the country to defend democracy from the corrupting effects of undue corporate power by amending the United States Constitution to establish that:

1. Only human beings, not corporations, are endowed with constitutional rights, and
2. Money is not speech, and therefore regulating political contributions and spending is not equivalent to limiting political speech.

Town Meeting Deliberative Session February 1, 2014

BE IT FURTHER RESOLVED, that the People of Northwood, New Hampshire, hereby instruct our state and federal representatives to enact resolutions and legislation to advance this effort.

Ms. Smith stated she had questions about the article but the original petitioner was not present. She said we should know what we are voting on. Ms. Faiella concurred with Linda, stating she was not clear where the language is coming from and what it would actually mean. Mr. Faiella stated that the petitioner should be here to explain. He stated the article came from Democratic 2012 platform, and that it was an attempt to eliminate the First Amendment. Tim Jandebeur said it was an attempt to shut up one side of the aisle by the other side. Joann Bailey stated that Ms. Edwards would have been here probably if her husband was not ill. Ms. Schreiber stated, that although she was a democrat, she thought someone needed to be here to represent it. On a motion to move the question, by a show of cards the motion passed. By another show of cards it was voted to place the article on the ballot as written.

Article 20: (By Petition) RECLASSIFY FINAL SECTION OF WELSH ROAD

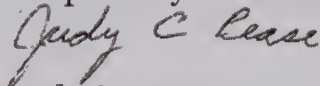

Mr. Jandebeur moved and Mr. McCaffrey seconded to see if the town would vote to reclassify the last section of Welsh Road as completely discontinued thereby returning the land to the present landowners in accordance with NH RSA 231:43. This section starts at the edge of tax map 243 lot 22 and extends 550 feet to the old Ebenezer Knowlton foundation, staying entirely within lot 22. This would eliminate any town responsibility.

Mr. Jandebeur asked to amend the article to read "map 242, lot 17 and entirely within lot 17". Mr. Wolf seconded. The amendment passed. Mr. Jandebeur stated the reason for this article was that it had been under discussion for the past few years as to whether it is a town road. This would eliminate this concern. He went on to explain details. With no further discussion and by a show of cards the article passed to be placed on the ballot with the amendment.

Article 21: OTHER BUSINESS

There was no other business brought before this meeting, so it was moved and seconded to adjourn at 11:10 A.M. Motion passed.

Respectfully submitted,

Board of Selectmen Report

It is our pleasure to submit the annual report of the board of selectmen for the year 2014.

During the year, the board members worked closely with our town administrator on several projects and continued to serve as liaisons for numerous boards and committees in town including but not limited to the budget committee, planning board, recreation commission, recycling, economic development, cable advisory, highway advisory and facilities committees.

During 2014 we were able to upgrade the aluminum/tin can deposit area by having a new concrete pad and retaining wall constructed at the transfer station/recycling facility. In addition, we were able to re-roof the Ridge Fire Station, replace the water filtration system and repair the main entrance at the library, reconstruct and pave the parking and driveway areas of the town hall complex, and complete needed internal painting of office areas at the town hall utilizing in-house staff.

In addition, we were able to negotiate a new ten (10) year cable franchise agreement with MetroCast, and renew our partnerships with PRIMEX and HealthTrust for various insurance services.

The board appointed members to a public safety complex committee and they have met diligently to formulate plans for the acquisition of land, conceptual design and construction of a new facility. You will see a warrant article this year reflecting their efforts.

The fire department was able to purchase two new defibrillators for the ambulances and, through the efforts of Fire Chief Lindquist and Police Chief Drolet, a new radio repeater system was installed to increase the capabilities of our emergency response communications.

Paving was completed on Lucas Pond and Jenness Pond Roads and repairs were made to Sherburne Hill Road and the entrance to the transfer station.

The Bean Hole Bash was held once again and was a tremendous success. The board thanks the committee and all of the volunteers who worked tirelessly to put on this event

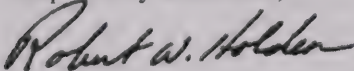

The recreation commission attempted to sponsor another Thanksgiving Turkey Trot, but that proved to be futile with about 10 inches of snow that day!

Police Chief Glen Drolet continued to hold and chair quarterly meetings of the Joint Loss Management Committee. Mr. Lemire, along with Finance Administrator Sandy Garrett, has also been working closely with the board and the budget committee in the preparation and presentation of the 2015 budget. The process was started in August of 2014 with the departments preparing budget requests and documentation for presentation. The board of selectmen reviewed budgets during September, October, and November and were successful in submitting its request to the budget committee by November 18.

As always, the members of the board of selectmen would like to express its gratitude to the town employees and also to the volunteers of the many boards and commissions for their invaluable contribution in the governance of Northwood.

We wish you a happy, healthy and prosperous New Year!

Respectfully submitted,

Robert W. Holden, Chairman

Timothy K. Jandebour, Vice Chairman

Scott R. Bryer, Selectman

Town Administrator Report

I am pleased to present my fourth annual report as town administrator of Northwood, and remain grateful for the opportunity to serve you.

During the year we were able to re-roof the Ridge Fire Station and provide upgrades to the water system and front door of the library building. We have also petitioned the NH Department of Transportation to conduct and monitor testing of the well at the Narrows Fire Station. The chloride levels have been elevated and it may be eligible for replacement at no cost to the town.

We were also able to sign a ten-year cable franchise agreement with MetroCast after months of protracted negotiations as a consortium.

In addition, we contracted with the Busby, Wolcott and Docko companies to rehabilitate and repave the drives and parking spaces at the town hall complex. Maintenance shim coats of asphalt were put down on Lucas Pond and Jenness Pond roads and preliminary work was completed on parts of Sherburne Hill Road.

The fire department was authorized to purchase two new defibrillators and the town's new radio repeater system was purchased, installed and successfully tested.

The unfortunate and untimely loss of our Human Services Director Susan Holden in March deeply affected many in Northwood, especially our town hall staff. Thanks to the board of selectmen, the lower conference room at the town hall was dedicated in her name to honor her memory.

Our Code Enforcement/Building departments continue to address the increased activity in town and are working on streamlining the permit and fee systems. The Land Use and Community Development staff has been working closely with them and received a boost with our hiring of a new contract planner through Strafford Regional Planning Commission. He has been a valuable asset to the staff, the planning board and the economic development committee as a resource.

A new concrete pad and retaining wall was completed at the transfer station by Waterview Construction and we will be looking at additional improvements in 2015.

As always, we encourage you to visit the town offices and hope that your experience with us is pleasant and productive.

You have a tremendous asset in your town staff that performs their tasks on a daily basis with professionalism and dedication. Kudos to them for their efforts on your behalf!

Please feel free to call or drop in!

Respectfully submitted,

Brent T. Lemire, MPA
Northwood Town Administrator

Assessor's Report

The cyclical inspection of properties will continue through early summer of 2015. **The goal is to conduct a town wide reassessment of all properties as of 2015.** We plan on providing all owners with an estimate of current values in late summer with an opportunity to have an informal hearing with the assessor to discuss your property characteristics and current value. More information will be provided as the revaluation progresses.

Inspections of any new construction will be conducted in the spring. Individuals making the inspection will have identification, however if you have any questions please call the Town Hall (942-5586)

If you believe we have incorrect information, you may request an inspection at any time. We will be happy to review your property and try to correct any errors. Simply call the town hall and leave a message.

Exemptions are available for the elderly, veterans, the blind, the handicapped, improvements made to assist the handicapped, solar, wood heat, and wind power. Qualification requirements and applications are available from the Town, or can be found on the State's web site. The deadline to request an exemption or credit is April 15.

Current Use - Eligible property owners wishing to enroll their land in the current use program beginning in 2015 must submit their application by April 15.

Abatement applications are available at the town offices and on the town's website at <http://www.northwoodnh.org>, under the main menu on the left side of the screen. Any taxpayer who believes their property is overvalued for 2013 may request an abatement. Abatement requests for tax year 2014 must be submitted, or postmarked, by March 1st 2015. Abatements are allowable to correct the physical description of the property, adjust to a reasonable approximation of market value, and in special circumstances for taxpayer's hardship. Be sure to explain the reason you believe the assessment is incorrect. A statement about the amount of taxes, town services or your use of the property may be informative, but remember we are trying to estimate the value of the property – what could you sell it for?

If you have any questions regarding qualification for exemptions, current use, or any issue regarding the assessment of your property, please call the assessor's office at (603) 942-5586 Ext. 207. Your call will be returned as quickly as possible. An assessing agent is available each Thursday at the town hall.

Respectfully submitted,

Fred H. Smith, Assessor
Brett S. Purvis & Associates

***** **NOTICE** *****

Restoration of Involuntarily Merged Lots

Pursuant to RSA 674:39-aa Restoration of Involuntarily Merged Lots, you are hereby notified that any involuntary merged lots may be restored to pre-merger status upon the owner's request. "Involuntary merger" and "involuntarily merged" mean lots merged by municipal action for zoning, assessing, or taxation purposes **without the consent of the owner**. Your property may qualify if two or more lots were merged if during your ownership, without your consent; or prior to your ownership, if no previous owner consented to the merger. This request must be submitted to the governing body prior to December 31, 2016. The restoration of the lots to their pre-merger status shall not be deemed to cure any non-conformity with existing local land use ordinance.

Building Department and Code Enforcement Report

Building, Code Enforcement and Health Department Report

Northwood is a diverse and interesting community and I continue to discover hidden resources around town. Lakes and streams surrounded by rolling hills and country settings. Northwood Meadows State Park is ideal for a quiet walk through the forest and along Meadow Lake. (Watch out for the rogue red squirrel demanding you leave his territory.)

Another year has come and gone in the building department.

During the year we have reviewed many zoning and code issues. We also are reviewing the different processes needed to resolve issues and increase our communication with other departments.

A new permit application form will be in place and hopefully will be more user-friendly while reducing the amount of hardcopy storage.

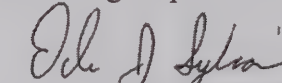

The department reviewed 37 septic designs.

Cemetery Trustees Report

The six town-owned and maintained cemeteries are Pine Grove, East Northwood, Ridge, Old Canterbury, Harvey Lake and Fairview. The cemetery trustees oversee the care of these burial grounds with the assistance of caretaker Sherman Elliot, and our town secretary Marcia Severance.

Again this year, more dead trees were removed from Harvey Lake. Some trimming was done at the Ridge and East End. Live trees were planted at Fairview to replace the trees that were removed. Thank you to Robert Bailey for his help.

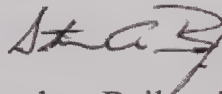

The mowing and trimming were again done by Ben Edwards and Barry LaValley. Steve Bailey and Marcia Severance worked on some deed changes and transfers. Sherm Elliott handled burials.

Bill Bushnell has moved to Concord, but he and Sherm Elliott still do the records. Sherm and Joann Bailey have updated his book of Northwood's Grave Records Everlasting.

Janet Delfuoco continues to direct the volunteers with clean-up projects and Jim Wilson and Charlie Pease clean up piles of brush generated by the volunteers. John Schlang continues to work with the veterans, who keep the memorial markers and flags in good shape.

Thanks to all of you that help, but did not get mentioned. It takes a village to care for the grounds. Thanks also to those who care for the private cemeteries and make them accessible to all.

Conservation Commission Report

The conservation commission was established in 1971 by the Town of Northwood, pursuant to RSA 36-A:2, for two primary reasons:

1. To provide guidance for the protection and proper utilization of the town's natural resources (woodlands, wetlands, lakes, and ponds);
2. To review and provide input on applications to dredge or fill wetlands for development projects in town; and,
3. To maintain maps of the town's natural features, and promote and sponsor events and activities that raise awareness of the value of natural resources.

Other activities in 2014 included:

- Working with the town forester to initiate and complete a harvest of timber on the Giles Town Forest lot per the forest management plan for the property; and
- Initiating a natural resource inventory on a 58-acre conservation lot owned by the town.

The commission and town staff continually coordinate with other town commissions and community organization to expand and improve the Northwood Meadows SP, Forest Peters WMA and the greater Saddleback Mountain/Lamprey River headwater areas. This natural area is an exceptional resource for the town and is a model for a truly unique relationship between public and private neighbors that work together to achieve common goals, and exemplifies community commitment to natural areas. It is a privilege for the town to work collaboratively with other groups on these natural resource preservation efforts that benefit both the town and the region as a whole.

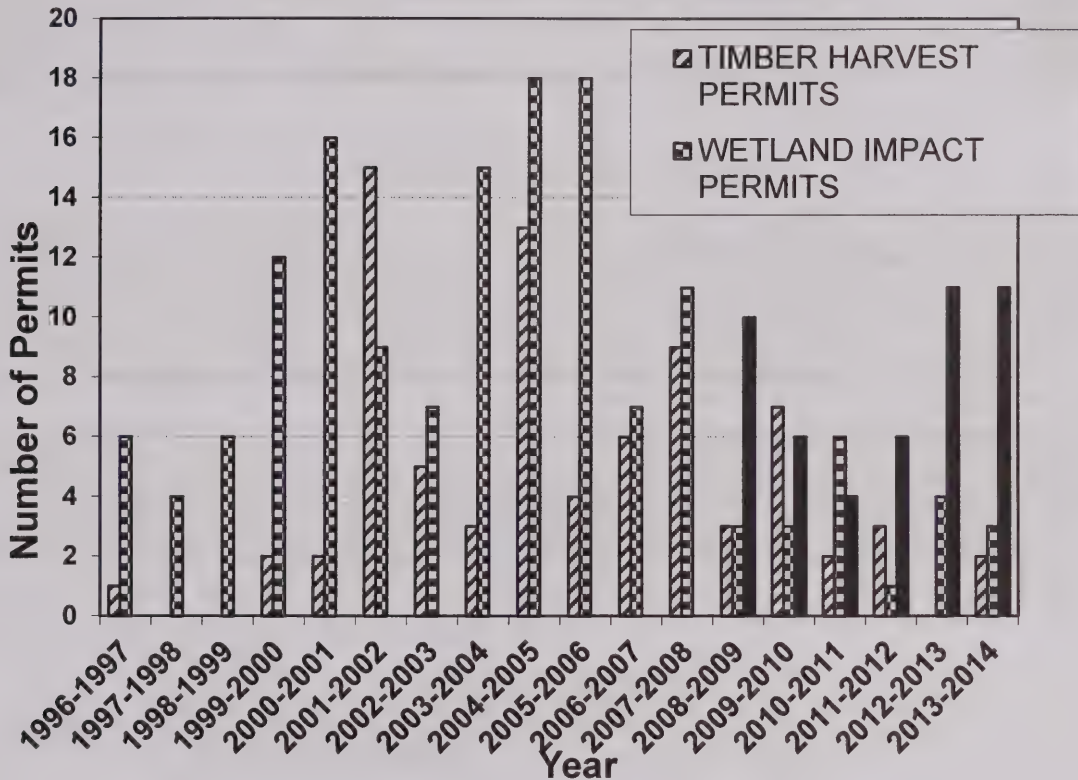

The conservation commission continues to work with the citizens and land owners of Northwood to protect the Town's land, water and natural resources. The commission encourages constructive input, by residents, on conservation matters and encourages everyone to participate.

Conservation Commission Report

Shown below is the number of natural resource impact permits in the Town issued over the last fifteen years:

The commission was saddened to learn of the passing of Arthur C. Slade III in October. Art served as chairman of the commission for many years and led numerous efforts to preserve the natural resources of our community and promote conservation practices. He is remembered by those who worked with him during his tenure.

The Northwood Conservation Commission meets in the Northwood Town Hall at 7:00 p.m. on the first Tuesday of every month. Please join us, as an interested party or possibly as a future member. Our strength in being effective depends on you.

2014 DEPARTMENT REPORT

This past year, the department responded to 618 calls for service, which are displayed below and do not include fire inspections. Many members of the department have taken advantage of classes made available by the New Hampshire Fire Academy. Many have also kept up their skills and level of preparedness by attending monthly in-house meetings and trainings as well as attending trainings offered throughout the area. These trainings include Firefighter Level I, II and III certification courses, Fire Inspector I and II, Swift Water Operations and Technician, Ice Rescue Technician, Rope Rescue Operations and Technician, Hazardous Materials Operations, Hazardous Materials Decontamination, Hazardous Materials Technician, both basic and advanced Emergency Medical Technician courses, Wildland Fire Fighter and Wilderness Search and Rescue.

This department also maintains an active role with the Capitol Area Fire Mutual Aid Compact, Central NH Hazardous Materials Response Team, Lakes Region Mutual Fire Aid Association, New Hampshire State Fireman's Association, New Hampshire Association of Fire Chiefs and Seacoast area fire departments. These relationships assure resources will be available should there be a large scale incident during which other assistance is needed.

In closing, I wish to thank all the members of the Northwood Fire-Rescue Department for their dedicated and professional service to this community and for routinely putting their lives on hold with their families to help the citizens and visitors of Northwood. Also, to our members' families, who without their support we would not have such a dedicated group that serves our great town. Without the hard work and perseverance of our members, the fire department would not be where it is today and headed into the future.

Thank you to the residents of Northwood for your continued support and we wish you all a happy and fire safe 2015.

Forest Fire Warden & State Forest Ranger Report

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

This past fire season started in early April with the first reported fire on April 7th. April, which is the traditional start to our spring fire season, began very dry with unseasonably dry conditions continuing through the entire month. This dry pattern continued through the first half of May. 80% of our reported fires this season occurred during this six week period. The largest fire was 24 acres, occurring in the town of Tamworth. From mid-May through early September, above average rainfall kept our total acreage burned statewide at 72 acres. This is the smallest amount of acreage burned statewide in several years. Late August through late September though brought a dry trend to northern areas, resulting in several deep-burning remote fires. Our fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2014 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

2014 ANNUAL REPORT TO BOARD OF DIRECTORS

The 2014 annual report is prepared for the Board of Directors of the Capital Area Mutual Aid Fire Compact as a summary of general activities and events occurring through December 31, 2014. It is also provided to the Town offices of the Compact's member communities for information and distribution as desired.

The Compact provides 24/7 emergency dispatch service to its twenty-two member communities. This service is contracted with the City of Concord Fire Department's Communications Center. Dispatched calls totaled 21,889 in 2014, an increase of 5.2% from the previous year. The detailed activity report by town/agency is attached.

The 2014 Compact operating budget was \$ 1,083,930. Funding of all Compact operations is provided by the member communities. We continue to apply for State and Federal Grant Funds when available. During 2014 we were awarded a grant of \$25,124 to improve care to bariatric patients. This grant provided for a cache of equipment to be deployed to assist our member communities in transporting patients who are too big for conventional equipment. We also received a grant of \$499,403 for communication system improvements. Work funded by this grant will begin during 2015. Work is still ongoing on a \$19,500 grant for a continuity of operations plan to formalize our backup operations with the Lakes Region Mutual Fire Aid. The Compact has received a total of \$1,332,741.54 in grant funding since 2007.

Two radio transmitter sites were added during 2014 to improve communications for the communities in our coverage area. One site is on South Bow Road in Bow near the Hooksett town line and the other is on Craney Hill in Henniker. We now have transmitter sites in seven locations with more improvements planned for the upcoming year. These changes will result in better radio communications and greater reliability.

The Chief Coordinator responded to 560 incidents throughout the system in 2014, and provided command post assistance on those mutual aid incidents. He also aids all departments with response planning, updating addressing information, and represents the Compact with several organizations related to public safety.

Compact officers serving during 2014 were:

President, Chief Ray Fisher, Boscawen
Vice President, Chief Jon Wiggin, Dunbarton
Secretary, Chief Alan Quimby, Chichester
Treasurer, Assistant Chief Dick Pistey, Bow

The Training Committee chaired by Assistant Chief Dick Pistey, with members Chief Peter Angwin, Deputy Chief Matt Cole and Deputy Chief Jon France assisted departments with

mutual aid exercises. These combined drills provide valuable training in the delivery of mutual aid services.

The Central New Hampshire HazMat Team represents 58 Capital Area and Lakes Region area communities and is ready to assist or respond to hazardous materials incidents in our combined area. Hazardous Materials Team Chief Bill Weinhold encourages all communities to participate in the Regional Emergency Response Commission (REPC) planning programs and to take advantage of hazardous materials training for local departments.

A major storm event occurred during November that resulted in record call volumes for the dispatch center. The storm impacts began at 3:00 PM on November 26th and continued until midnight on November 29th. During this time period Fire alarm handled 1,825 telephone calls and dispatched 727 incidents. An additional 144 incidents were handled by Compact departments and reported to Fire Alarm after the storm was over.

Chief Dick Wright retired from the Compact in June of 2014. Chief Wright served as Chief Coordinator of the Compact for 41 years, 16 of them as a volunteer, and 25 years as a full time employee. Dick was a knowledgeable and dedicated leader. In addition to his extraordinary service to the Compact, he served on countless boards and committees that have shaped the fire service in New Hampshire. Chief Wright continues to be an important asset to the Compact and I appreciate his efforts to make the transition as easy as possible for me.

All departments are encouraged to send representation to all Compact meetings. Your input is needed. The Compact was created for the mutual benefit of member communities and active participation is a necessity to ensure the needs of all are being met.

I am pleased to have been selected as the Chief Coordinator. I invite anyone with questions or comments to contact me. I thank all departments for their cooperation. Please contact any Compact officer or the Chief Coordinator if we may be of assistance.

Facilities Committee & Athletic Fields Committee Report

The committee's main project for 2014 was the repairs and re-shingling of the Ridge Fire Station building. The project was put out for bids and three bids were received. The final committee recommendation was submitted to the selectmen who met with the bidders and arrived at their choice of bidder. The work was completed during the summer months.

The committee participated in the preparations for the repaving of the town hall driveway and parking areas, however, this project was overseen by the selectmen and road agent, with funding allocated from the highway budget.

Committee meetings, listed on the yearly schedule of meetings, were not always held. However, members did research on situations that might become town responsibilities, which included household water problems in the Narrows and also at the Chesley Library. The selectmen's decision on the library situation was to use funds remaining in the Facility Committee Expendable Trust Fund to replace the water system at the library. The state was contacted relative to the water problems at the Narrows and at this time no water sampling results have been provided to the town by the state. Several properties on Main Street, including the Narrows Fire Station, are affected by the water problems.

During 2014 the resignation of Peter Blinn as a committee member was received. The committee chose Jeff Adams to fill this position, and he was appointed by the selectmen. Jeff is also a member of the recreation commission.

The 2015 committee budget includes \$10,000 for repairs inside and outside the town hall. The building department personnel did an inspection of the entire building and arrived at a listing of 21 items that need attention. Some of the items come under the town facilities committee's responsibility, and some will require investigation and/or input from former board members. The 2015 budget also includes repair work to the side entrance of the Chesley Library and a concrete foundation slab for the library's shed.

NEW ATHLETIC FIELDS REPORT

Last fall a meeting of the facilities committee, athletic fields committee, recreation commission and the board of selectmen was held to clarify the responsibilities of each committee, including the maintenance and funding of the new fields now in use. It was agreed by all that once a field is completed, the maintenance becomes the responsibility of the recreation commission. Therefore, the 2015 recreation budget will include additional funds for the maintenance of the two completed fields, and once the large field is completed it also will be part of the recreation budget.

Site walks were held in the fall to determine the exact location of the parking area for vehicles, and to inspect the two completed fields with contractor Bruce Hodgdon to determine the type of maintenance that is required on those fields. Donations of time and talent have been given by Northwood contractors: Lance Benson, Bruce Hodgdon, David Docko, and Robert Bailey, which has allowed money to be saved for completing the large, final field.

The entire town facilities committee realizes this project has taken longer than planned. It is the hope of the committee to have the large field finished, grassed, etc. so it can be used in 2015. The committee's desire was to complete the project without asking for money from the taxpayers. The money remaining may not be enough to finish the large field. An article will appear in the 2015

Facilities Committee & Athletic Fields Committee Report

Town Meeting Warrant requesting the raising of \$25,000 for the completion of the ball fields. The committee feels that amount will be sufficient to finish this project.

The committee meets at the community hall on a monthly basis, when necessary, and a listing of the proposed meeting dates is posted at the post office, town hall and the town's website. The public is invited to attend the meetings; however, it is best to check to make sure that a meeting is scheduled by calling one of the members, before leaving your home.

Friends of Northwood Meadows State Park Report

2014 was another busy year for the Friends of Northwood Meadows State Park. If you have visited the park lately you may have noticed the new or relocated kiosks and the new, professionally made trail maps posted on them. These improvements were made possible through the NH Division of Parks and Recreation's Recreational Trails Program grant we received in 2013, along with nearly \$2,000 worth of Friends volunteer labor and over \$600 of in-kind donations from Waterview Construction, Heritage Hardware, and

Barton Lumber. You can download a copy of the trail map from the state's park website here http://www.nhstateparks.org/uploads/pdf/Northwood-Meadows_Trail-Map_NALMC.pdf. Sadly, one small kiosk and map located at the junction of Old Mountain Road and the park's White Trail disappeared shortly after installation. We plan to replace that kiosk in 2015.

You may also have noticed the new dog waste station located near the front of the park. The station was installed to help reduce the amount of dog waste in the park. It has a waste bag dispenser and a waste container, so if you are a dog walker, please make sure to grab a bag on your way into the park, pick up after your dog (a state park requirement), and deposit the waste in the station on your way out. The station was provided by NH Parks and Recreation, and is maintained and cleaned out weekly by some very dedicated Friends. Regular trash should be carried out of the park, not deposited in the dog waste station.

In late 2014, the Friends discovered that the Meadow Lake dam appeared to be seeping water. The state was notified and they acted quickly in December to draw down the water level in the dam and make emergency repairs. The lake will remain drawn down until natural inflow refills it in the spring.

We also held our regular spring and fall work days when we cleared brush and trails, painted structures, hung signs and performed general maintenance. And, we gained a few new members who were in the park those days and pitched in to help. If you are interested in getting involved with the Friends, call Maryalice at 664-5097 or email us at friendsofnmsp@gmail.com. We meet the second Thursday of each month at 7 pm at the Northwood Community Hall (135 Main Street) and we always welcome new members.

Highway Advisory Committee Report

Not all of the scheduled meetings were held during 2014. The weather required the committee to cancel meetings in January and February as the snow, sleet, etc. prohibited many committee members from leaving their warm homes! By spring the committee learned about the damage the storms caused to several roads, and some of the funds raised for scheduled work were used to abate the damages.

One well-traveled road and driveway were added to the “must do” list – part of the town hall driveway was in need of immediate attention. This work was scheduled and also included enlarging the parking area between the Center School and the town garage. Many thanks to those involved in having this paving done before the Bean Hole Bash!

The other major project, after the winter damaged roads and town hall were completed was to get prepared to pave Lucas Pond Road, which included replacing several culverts, and also paving two sections of Jenness Pond Road. This paving was completed in October.

The committee met in October and set the work for year 2015. This work includes: the bridge on Bow Lake Road, paving Bow Lake Road to Strafford town line, plus making state required improvements to the drainage problem at Mary Waldron Beach, will bring the town to where it should be on the accepted Road Plan of 2012. It is hoped that the addition of the \$100,000 in the highway budget will provide all the required funds to complete each year’s Road Plan work.

As words spoken spread good news and sometimes, news that we prefer not to hear, the members of the highway advisory committee wish to state they are very sorry Jim Wilson is not running for the road agent position in March 2015. Jim has been a faithful member of HAC for as many years as the committee has been active. His knowledge and experience and his willingness to be present at our meetings, and at any “incident”- good or bad – on any town road, shows his dedication to the Town of Northwood and its residents.

Jim, we wish you well as you “plow” through the winter of 2014-2015, and we wish you success and all the best wishes possible for your new life adventures.

Human Services Report

The mission of the Town of Northwood's Human Services Department is to help those whose circumstances do not allow them to meet their basic needs. The town's guidelines state that assistance will be provided when allowable expenses are greater than the income available to meet those needs. Emergency needs are met whenever possible and clients are provided with information to direct them to additional resources to assist them towards self-sufficiency. The State Statute requires that the town provide basic needs to those who request and qualify for services even if it means exceeding the budgeted amount.

Welfare vouchers were given out to families and individuals who were facing eviction, foreclosure, homelessness, utility shutoff and fuel assistance. Other individuals either called or stopped by the welfare office and were assisted with information and support to find the services in our community that could help them.

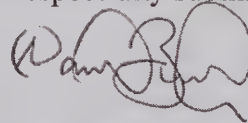

It remains important to continue to recognize the work done by some of the social service groups of Northwood such as the Northwood Food Pantry, under the direction of Pat Jacobsmeyer, the Santa's Helpers Program sponsored by the Northwood Fire-Rescue Association, and the local churches for their continuous involvement in our Holiday Food Basket Program. Over fifty four households were assisted with Thanksgiving and Winter Holiday food baskets this year, and 22 families including 46 children served by the Santa's Helpers program this year.

A sincere thank you to all the individuals and organizations for their generosity, caring and support. Northwood is truly a community of caring.

The town was saddened by the passing of Human Services Director Susan Holden in March of 2014. She served as director for the past four years.

Those in need of services can call for an appointment at 942-5586 extension 208 and/or go to the town's website under Forms and Documents to access an Application for General Assistance.

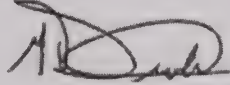

Respectfully submitted,

David Balian, Human Services Director.

Joint Loss Management Committee Report

The Joint Loss Management Committee met periodically to address accidents involving town employees and safety related issues that could be a liability to the town. The committee met four times throughout 2014 and will continue to do so throughout 2015. The committee currently includes the following people:

Chief Glendon Drolet, Chairman

Charles Pease

Donna Bunker

Lt. David Wakeman

Firefighter/EMT Matt Woodbury

Library Report

The Chesley Memorial Library is a place for many citizens to visit on a daily or weekly basis and of course many of those visits involve checking out books and movies...but the library is much more than its physical collection. It is a community center that provides a wide variety of services and resources to meet the needs of the Northwood community. Some residents come in for regular programs like story times and book discussions. Some residents come in to use online databases like Ancestry Library Edition provided by the Friends of the Northwood Libraries or to take advantage of library discount passes to local attractions. Some residents come in for special programs like health care workshops or tax assistance. For some residents, the library is the only place to

access the internet so they can check their email, search for jobs, or complete homework assignments. Some residents even come in just to say hello to library staff and visit with other library patrons. Whatever the reason you visit the library, we know that the library is as important to you as it is to us. Annual reports provide the opportunity to look back and see what has been accomplished, but they also provide the opportunity to look ahead and plan for the future. With that in mind, the Chesley Memorial Library Staff and Trustees would like to provide the following information.

MISSION STATEMENT

It is the mission of the Chesley Memorial Library to assemble, preserve, and administer, in organized collections, books and related educational, recreational, and informational material in order to promote learning, inform citizens, and to enrich personal lives.

2015 AND BEYOND: FUTURE GOALS

Based on Five Year Plan (adopted by the Chesley Memorial Library Trustees on September 10, 2013)

GOAL: To improve library programs based on community needs

FIRST OBJECTIVE: Provide new programs for youth

SECOND OBJECTIVE: Provide new programs for adults

THIRD OBJECTIVE: Provide new programs for seniors

In 2014: The library started showing movies for kids and teens, worked with the recreation department to provide programs for youth and adults, and started a Senior Café.

GOAL: To improve technology services for the community

FIRST OBJECTIVE: Increase collection by purchasing a variety of technology devices

SECOND OBJECTIVE: Provide training for staff members on all technology devices

THIRD OBJECTIVE: Provide training to library patrons on technology devices

In 2014: Library trustees purchased several different devices to begin the training process

Library Report

GOAL: To create an area to maintain confidentiality when conducting official business

OBJECTIVE: Build an office

GOAL: To optimize space

OBJECTIVE: Use wall space to build shelves

In 2014: New bookshelves were installed in the teen area

GOAL: To create dry, accessible storage area

OBJECTIVE: Build a library annex

In 2014: Library trustees purchased a storage shed.

Northwood Area Land Management Collaborative Report

Building Land-Based Relationships and Community through NALMC

The Northwood Area Land Management Collaborative (NALMC) is an informal group of private and public* neighbors in Northwood and surrounding towns that work together across property boundaries to maintain and enhance the ecological, social, recreational, and economic resources of the local landscape for today's and future generations.

NALMC provides a unique experience for Northwood and surrounding towns. We believe we have played some small role in creating a deeper land ethic as defined by Aldo Leopold and a sense of cooperative use and broader outcomes to:

- Create community connections and relationships
- Deepen ecological thinking and acting
- Broaden landowner beliefs and attitudes towards stewardship across boundaries
- Provide a place for people to create deeper relationships to the land

Over the past several years, NALMC has undertaken an expansive project, 'Connecting People and the Natural Resources' (CPN) which will connect the two foundational components of the NALMC neighborhood, ecological and social values. This report has conducted deep ecological and natural resource inventories. While the basis of connecting the landscape is founded on an ecological foundation – the upper Lamprey watershed – the success of the project is that it has operated on relationship-based principal that people within the ecosystem are critical players.

NALMC rings in a Happy New Year with a delicious Pot Luck Dinner at the Harmony Hill Farm kitchen (above). An outdoor bonfire was enjoyed by those willing to brave the cold outdoor temperatures (right)

Planning Board Report

The Northwood Planning Board in 2014 experienced a relatively slow year for review of new development applications, with some bright notes.

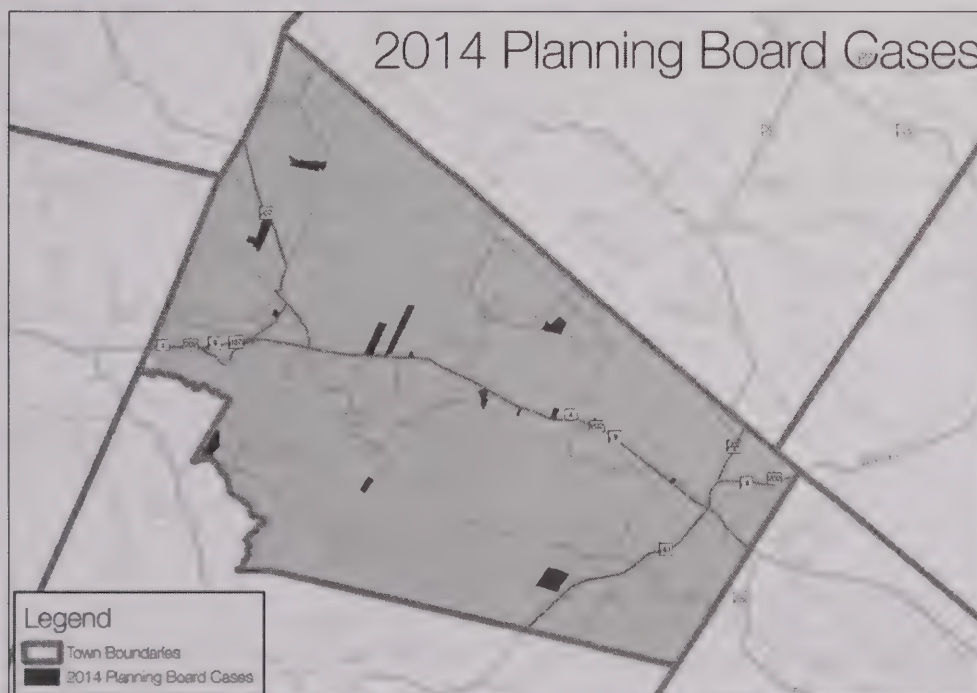

We welcomed new members Richard Bojko and Lucy Edwards in March with Alternate Ken Rick joining in May. Joseph McCaffrey was appointed for the year to fill the vacancy of Timothy Jandebaur who was elected to the board of selectmen. Robert Strobel was elected by members as chairman with Lee Baldwin as vice chair. Rick Wolf and Alternate Victoria Parmele continue their terms, while Alternate Adam Sprague resigned in November.

Northwood said goodbye to Town Planner Elaine Planchet in May. She moved on to other ventures, and we wish her well. We welcomed Planner Matt Sullivan in August. Matt brings lots of experience with him as his day job is as a planner for Strafford Regional Planning Commission (SRPC), and he is contracted with us for planning services. We look forward to working with Matt in the future.

The planning board continues to pursue the Master Plan update. While we have agreed on a draft Vision section, (the guiding principal of the Master Plan) and drafted sections on the topics of land use, transportation, economic development, natural resources, housing, transportation, and agriculture we are having difficulty incorporating the diverse topics into a cohesive document. The path forward may be to present smaller pieces of the MPU to the town over time. Note the MPU is recommended to be done every 8-10 years; the last one was completed in 2004.

The Capital Improvement Program (CIP) has been shelved for the year, and the committee has been dissolved. We will revisit implementing the CIP in the future.

The Water Resources subcommittee was tasked to supply a section of the MPU dealing with that natural resource. That standing committee is in need of members who are interested in the future of our lakes, streams and groundwater. Please contact Northwood Land Use staff if you are interested in serving. This subcommittee works for the planning board to research issues affecting water, best management practices on water resource management, and other tasks as appointed by the planning board.

Planning Board Report

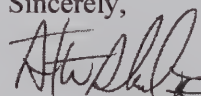

The economic downturn has been apparent with only one major development project coming before us along with 12 other applications reviewed (4 more were withdrawn or ruled incomplete) compared to 19 last year. We reviewed and approved a major site plan for Mary's Dogs Inn into the former location of Northwood Veterinary Hospital, which moved east on First NH Turnpike several years ago. Similarly, an automobile repair garage operated by Paul Burgess was relocated to First NH Turnpike from Bow Lake Road. Most of the other site plans the board acted on were minor amendments to existing businesses. There were also several small subdivisions and adjustments to boundary lines. The entire list of applications follows.

Police Commission Report

Commission Chairman Richard Cummings

Commissioner John Schlang

Commissioner Richard Wolf

The Northwood Police Commission held regular monthly meetings on the third Tuesday of the month during 2014. The commission has been meeting at 11 am at the police station for many years. At our July meeting, the commission voted to change the meeting location, and the time to early evening meetings. We now meet at the town hall in the Susan C. Holden Conference Room at 5 pm. The move allows a more accessible time and location for the public and assists the commissioners to not have to take time from their employment.

During the year, the commission reviewed policies and procedures, held budget reviews, approved purchase orders, and was kept advised of department activity through the monthly chief's report. Anyone who would like to be on the agenda to speak directly to the commission regarding a particular matter may request in advance by contacting the board administrator at 942-5586, ext. 205 or lsmith@northwoodnh.org

The police commission continues our commitment to the goal of insuring a professional police department that serves and protects the citizens of Northwood. We applaud and respect Chief Drolet and his officers for their efforts in working every day to meet this objective.

During 2014, several members of the public who attended our meetings expressed concern over an increase in speeding, particularly on our town roads. Chief Drolet has implemented an increase in speed enforcement into the department schedule including tracking the specific areas of town where the enforcement is held.

If you would like to know more about the police department, we recommend you view the department's website at www.northwoodpolice.org which contains information on our personnel, vehicle fleet and monthly police logs. A Facebook page has been set up where the most up to date information on department matters and local traffic problems are posted.

We would like to thank the Northwood Board of Selectmen for keeping the lines of communication open, and a cooperative spirit in working together on matters of mutual interest or concern.

The commission, consisting of John Schlang, Richard Wolf and myself, would like to thank all of the townspeople for their continued support of the police commission.

Respectfully submitted,

A handwritten signature in cursive script that reads "Richard Cummings".

Richard Cummings, Chairman
John Schlang, Commissioner
Richard Wolf, Commissioner

Police Department Report

During 2014 the Northwood Police Department responded to 2,834 calls for service. Officers made 216 arrests for the year and multiple felony indictments were handled through the Rockingham County Attorney's Office. Officers conducted 1761 motor vehicle stops and handled 138 motor vehicle collisions.

Early in 2014 K9 Luna had to be retired from service due to health issues. A few months later we were able to secure another bloodhound and K9 Thor joined the department. In late November, Officer Preve and K9 Thor completed their certification training and became a certified search team.

Officer Preve and K9 Thor

Approximately \$6,000 in grants was awarded to the Northwood Police Department from the New Hampshire Highway Safety Agency to conduct Safe Commute Patrols, and Speed Enforcement Patrols. We anticipate applying for and receiving these grants again in 2015.

The Northwood Police Department welcomed Officer Spencer Aube to the force. Officer Aube was hired to fill an open full-time position. Officer Aube will attend the New Hampshire Police Academy in early 2015.

The members of the Northwood Police Department would like to express their sincere appreciation for the support of the residents and once again ask for your support in keeping Northwood a safe community to live and work in. We also encourage everyone to like our Facebook page, www.facebook.com/NorthwoodPolice, to keep up to date with what is occurring in Northwood.

Respectfully submitted,

Glendon L. Drolet, Chief of Police

Recreation Department & Recreation Commission Report

In 2014, the mission of the Northwood Parks and Recreation Department and Recreation Commission focuses efforts on all residents of the community. Our goal is to provide safe, fun, and affordable activities for the residents of the Town of Northwood. Our hope is that the community enjoyed the activities that were offered!

Programs for adults continued to be a focus of department and commission. The recreation department offered a variety of programs for adults of many ages; athletic opportunities, events, and classes. Athletic opportunities included skiing, kayaking, biking, and softball. There were also trips to the Boston Red Sox game as well as classes in cake decorating that the community was able to take advantage of.

Children of all ages continued to be a very important focus of the recreation department and commission in 2014. We offered a number of programs including playgroup, Candy Bar Bingo, swimming lessons, summer & fall soccer, soccer camps, baseball camps, and basketball. Lacrosse was a new addition to our program as well.

We also offered many events and trips that children were able to enjoy with the participation of family members. Those programs included the Ski & Board program at Gunstock, Easter egg hunt and flashlight Easter egg hunt, ice fishing derby, Tailgate Trunk-r-Treat, and a tree lighting & holiday party with crafts. In 2014 the recreation department partnered with the Chesley Memorial Library to be able to offer Touch-a-Truck, cake decorating, and reading programs.

Many programs continue to be popular including; soccer, youth basketball, skiing, Easter egg hunt. The annual tree lighting and holiday party was a great success and are growing into a community tradition with memories that will last a lifetime. The recreation department and commission is constantly reviewing the success of the programs offered to best target the interest of the community.

Thank you to the dedicated volunteers who have helped make the programs of the recreation department a success.

We are always looking for volunteers that are willing to give their time to help our program grow.

Road Agent Report

The winter was pretty much a normal one with lots of snow. This required many hours to take care of. We also had many hours of salting and sanding to keep the roads safe. We had several large storms that left a lot of snow that required the use of extra equipment to clear snowbanks.

Spring was not as bad as we have had in the past as we had few mud problems and no major wash-outs. The culverts that we have put in, in the past few years, seem to make a difference. As more and more new houses have been built it changes the drainage problems that we face.

All roads were graded this spring and gravel added where needed. Roads were graded in the fall also. Roadside mowing was done this fall after the growing season had ended.

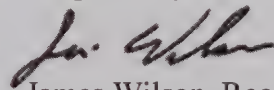

The town hall drive and parking areas were rebuilt and paved. We had to do than was originally thought after we found clay that had to be removed so that the pavement will last longer.

After meeting with highway advisory committee, it was decided that we would do a maintenance shim on Lucas Pond Road, Jenness Pond Road and Town Works Way to keep them from breaking up completely and having to be rebuilt. We also shimmed several bad areas on Lower Deerfield Road and Sherburne Hill Road. These roads were also ditched using town equipment. We also did mowing of the town properties and ball fields.

Bow Lake Road is going to require a new box culvert and repairs to drainage issues at Mary Waldron Beach. These will be done next year if funding is made available.

Again I would like to thank everyone for their patience and understanding during the delays.

Respectfully submitted,

James Wilson, Road Agent

Strafford Regional Planning Commission 2014 Report

Strafford Regional Planning Commission (SRPC) has been active in regional planning for over 40 years as one of nine regional planning commissions established by the New Hampshire Legislature. SRPC strives to create strong community connections to accurately reflect municipal priorities and values. SRPC's planning staff use collaborative processes with our eighteen municipalities and partner agencies contributing to the successful development of plans and projects that preserve and enhance the quality of life in the region.

SRPC ensures the region is responsive to the needs of its residents and municipalities. This process is guided, not only by staff knowledge, but with able assistance from Commissioners, appointed volunteers who provide support and guidance to the overall organization. With this range of expertise and advice, SRPC is able to provide effective planning and facilitation services in transportation, broadband, master plans, demographics, economic development, land use, housing, natural resources, water resources, data collection and analysis, mapping and GIS, hazard mitigation, and climate change adaptation.

2014 Specific Accomplishments in Northwood:

- Provided contract technical assistance to the Planning Board, which included:
 - ◆ Site-plan, subdivision and home-business application reviews
 - ◆ Technical assistance to the Land Use Administrator
 - ◆ Attended planning board work sessions and meetings
 - ◆ Assessed and reviewed the master plan
 - ◆ Coordination with planning board applications
- Provided technical assistance to the Economic Development Committee, which included:
 - ◆ Attended monthly meetings
 - ◆ Assisted with the business directory
 - ◆ Assisted with website visioning
 - ◆ Assisted with prioritization
- Completed the Northwood Hazard Mitigation Plan, which was approved by FEMA
- Worked with Northwood citizens in partnership with Southern Regional Planning Commission to propose sections of Route 4 as a designated byway in the NH Scenic and Cultural Byway program; the Upper Lamprey Byway was officially designated into the program on May 8, 2014
- Updated map sets: crash data, conservation lands, water resources, transportation, community features, land use
- Met with Town officials to provide transportation planning and technical assistance on Route 4
- Conducted six traffic counts to support local planning efforts
- Distributed *New Hampshire Planning and Land Use Regulation* books to local land use boards

Goals for 2015 for the Region:

- Adoption of the Regional Master Plan – **Local Solutions for the Strafford Region**
- Adoption of the Regional Broadband Plan and Regional Housing Needs Assessment
- Update the Comprehensive Economic Development Strategy 2011-2016
- Update the 2015-2040 Metropolitan Transportation Plan
- Carryout transportation project solicitation for the Ten Year Plan
- Continue to seek Brownfields assessment grant for the region
- Receive federal designation as Economic Development District from the Economic Development Agency providing municipalities with access to additional infrastructure and program development grants (pending EDA final action)
- Assist UNH Wildcat and COAST transit providers in development of transit routes and services
- Work with municipalities and residents to pilot the Park n Ride Toolkit
- Develop online web maps and applications for use by the public, using ArcGIS online
- Conduct culvert assessments and sidewalk inventories to support local planning efforts
- Continue to enhance water resource protection by working with municipalities to improve drinking water protection
- Educate and enhance awareness and implementation of green infrastructure
- Enhance public health in the region through participation on the Public Health Advisory Council
- Host EPA Building Blocks Smart Growth trainings with communities on walkability and complete streets audits
- Work with municipalities and businesses to attract new public and private investments to the Strafford region
- Assist citizens in the development of agricultural databases and development of production systems and capacity
- Continue to provide education and outreach on multi-hazard mitigation strategies, low impact development
- Continue local transportation planning tasks in support of safety, mobility, and access management

We look forward to working with the citizens and officials of Northwood in 2015. Thank you for the opportunity to serve you and for your continuing support of regional planning. Town Historian Report

The town historian has much to write about the year 2014. Without regard to any particular order of importance or date, the following items are worthy of inclusion in this report.

- The year began with news of the death of Ed Burtt, creator of Northwood Meadows State Park. This year marked the twenty-fifth anniversary of the purchase of the park by the State of New Hampshire. Ed attended the 20th anniversary party, held at the park in the summer of 2009.
- In February, fire destroyed the circa 1773 house located at 131 Winding Hill Road. Most recently the George Rogers home, it was unoccupied at the time of the fire. During the Civil War the home was owned by Aaron and Charlotte Boody who lost three sons, Samuel, Charles and John to the conflict. They are buried in the Harvey Lake Cemetery.
- Another old house, built about the same time, also a Cape and located at 648 First New Hampshire Turnpike has had an inside and out, roof to cellar renovation this year. During the early part of the twentieth century it was the home of cobbler “old Mister Cate” who helped to keep the neighborhood children in shoes.
- The circa 1805 Richard Hoitt buildings located at 284 First NH Turnpike, believed to be the longest residence in town, measuring 193 feet from end to end, has a new owner. The business is called Hunky Dunk & Keeping It Local Market specializing in locally grown meats, produce, breads and handcrafted gifts.
- Ma’s An Mine Family Restaurant has opened at 188 First NH Turnpike, serving breakfast and lunch daily. This old building, unique in Northwood, has had many other uses.
- The Community Hall in the Narrows, reopened in 2008, has a new group meeting regularly in the big room on the second floor. Long ago that room was home to the Northwood Grange. Now it is where rugs are braided.

Three of our churches were newsworthy this year.

- The Advent Church in the Narrows has its steeple repaired and metal is being installed on the south side of the roof.
- The Congregational Church in the Center has been chosen as a 2015 grant recipient of the New Hampshire Land and Community Heritage Investment Program (“LCHIP”). The foundation of the building and the porch are in need of repair.
- The news of the First Baptist Church in East Northwood is not so good. Now that the church no longer has a congregation, the building has reverted to a state Baptist organization. With no plans to use it as a church, the future of the historic building is uncertain. It is our oldest church, having been built before 1800.
- The future of the Johnson Field (just east of Johnson’s Dairy Bar) is also uncertain. The For Sale sign was erected in the field during the summer. Various plans to preserve the field and the view have, to date, been unsuccessful.
- With the repaving of the First New Hampshire Turnpike from The Ridge westward to Epsom, it can be said nearly all of the eight miles of that highway in Northwood has been newly paved within three years. The road was first laid out in 1800. How those early road builders would marvel at the new surface!

Town Historian Report

- There was a fatality in a head-on collision on Northwood Ridge on September 7th.
- With the help of volunteers, the new stonewall at Northwood Beach has been completed. Master stonewall builder Dan Schroth has the gratitude of the town.
- In our third year of SB2 voting rules, the figures remain about the same. 57 voted in the town deliberative session, with 53 voting in the deliberative session for the school. More than 650 voted by ballot on March 11th.
- The Northwood Fire-Rescue Squad sponsored the Bean Hole Bash again this year, the second since the revival of the late July event. Participation was good, the sun shone brightly and the beans were delicious.
- Northwood authors with new books this year were Adi Rule with *Strange Sweet Song*, Theresa LaBrecque with *Atlas Northwood's Unicorn* and Clay Sauls with *A Fictitious Life*. Adi and Theresa live in Northwood. Clay grew up here. Adi's dad (and Becky's husband), John Rule, was also published this year. His article on *The Brown Company: From North Country Sawmill to World-Leading Paper Manufacturer* appeared in the state's Historical Society's Historical New Hampshire magazine.
- Through a feature story in the *New Hampshire Union Leader*, this historian has learned the Elliott Hospital in Manchester bears the name of an early benefactor and Northwood native. Mary Batchelder Harvey Elliott, though born in Northwood, lived and died in Manchester.
- Word has been received that Ray Elmore has recently retired from a long career as an art professor at East Carolina University and that he has had an exhibit of his work at the Greenville Museum of Art. It was Ray Elmore who designed the popular and treasured poster of our year-long Bicentennial Celebration in 1973. A reminder that our 250th is not far in the future. The year to celebrate will be 2023.

As for the weather in 2014, the year began cold and stormy. Spring was slow in arriving; summer was wetter and cooler than normal. There were no recorded heat waves, though there were hot days. Fall was mild and dry. First frost came after the first of November.

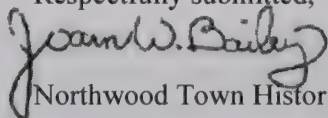

Ice-out occurred Monday, April 14th, almost a month after the unusual freeing of the lakes and ponds in 2010. In 2014 it snowed enough to cover the ground on the day after ice-out.

The most memorable weather of 2014 descended upon us on Thanksgiving Eve. More than a foot of wet, heavy snow fell, taking out power in much of south/central New Hampshire, including Northwood. Many were without electricity for as long as four days. Thanksgiving dinners were changed or postponed; turkeys were cooked in extraordinary ways.

Conversely, the year ended with above average temperatures, bare ground and ice-free lakes and ponds. On the last day of the year, ice was just beginning to cover the surfaces.

Have you experienced a nocturnal coyote serenade yet?

Northwood Town Historian

Zoning Board of Adjustment Report

The Northwood Zoning Board of Adjustment had a busy year in 2014 with 15 new cases which included 33 separate requests. The board hears all requests for relief from the Northwood Development Ordinance, including variances and special exceptions, appeals to administrative decisions, equitable waiver of dimensional requirements, and appeals to RSA 674:41 II. Each case is reviewed in open session, with notification provided to the public and abutting property owners. Each decision of the board is based on the unique characteristics and specific merits of the individual cases.

Zoning Board of Adjustment Report

In 2014 the board welcomed Matt Fowler as an alternate member. His interest on the board and his attendance has been exemplary. We were saddened at the passing of Jean Lane, who served for many years on our board. She always took the time to view the properties before hearing the applications and took her commitment to public service seriously. In later years, her husband John drove her to every meeting, so she could continue to serve her community.

There has been an ongoing need to fill alternate positions on the board. Alternates attend meetings and vote when needed in the absence of regular members. Alternates receive training and may attend workshops to learn more about their role and responsibilities. Open positions for appointment are reviewed in March. If you are interested in serving on this board, please contact either the board of selectmen or myself.

The board of adjustment meets monthly on the fourth Monday at 6:30 p.m. at the town hall, on an as needed basis, dependent on new or continued applications. Please contact the board administrator if you need information on the application process or if you have been denied an application to build, or if you wish to appeal the decision. The board administrator is available on Mondays at the town hall from 9 am to 4 pm. Messages may be left at 942-5586 ext. 205, at any time, or she may be reached by e-mail at lsmith@northwoodnh.org. A ZBA guide and application forms for the zoning board are available on the town's website under documents and forms.

I thank my fellow board members for their time and service to the town.

Town of Northwood 2015 Town Meeting Warrant

To the inhabitants of the Town of Northwood in the County of Rockingham in said State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet in the **Auditorium of Coe Brown Northwood Academy**, 907 First NH Turnpike, in said Northwood on **Saturday, January 31, 2015 at 9:00 AM** to participate in the **First Session** of the 2014 Annual Town Meeting. This session shall consist of explanation, discussion and deliberation of the Warrant Articles numbered Two (2) through Twenty Six (26). The Warrant Articles may be amended subject to the following limitations: (a) Warrant Articles whose wording is prescribed by law shall not be amended, and (b) Warrant Articles that are amended shall be placed on the official ballot for a final vote on the main motion as amended.

Second Session: The Voting Session to act on all Warrant Articles, as amended, including the proposed budget, as a result of the action of the “*First Session*” will be held at the **Parish Center at St. Joseph’s Church**, 844 First NH Turnpike, in said Northwood on **Tuesday, March 10, 2015**. The polls will be open from **7:00 AM to 7:00 PM**.

Article 1: To choose all necessary officers for the ensuing year.

Article 2: FIRE APPARATUS LEASE/PURCHASE

To see if the Town will vote to authorize the Board of Selectmen to enter into a lease/purchase agreement for the sum of **Two hundred seventy thousand (\$270,000)** for the purpose of purchasing and equipping a Mini Rescue-style Pumper for the Northwood Fire Rescue Department to replace the 1997 International (Excellence) Rescue Truck and the 2004 International (Valley) Pumper Truck, and to raise and appropriate the sum of **Fifty seven thousand eight hundred twenty-two dollars (\$57,822)** for the first of five yearly payments, and to fund the payment by withdrawing the sum of **Fifty seven thousand eight hundred twenty-two dollars (\$57,822)** from the Fire/Rescue Vehicle Replacement Special Revenue Fund. This lease does not contain an escape clause. **(3/5 majority vote required) (Recommended by**

the Board of Selectmen 3-0) (Recommended by the Budget Committee 14-0) (No tax impact)

Article 3: 2015 OPERATING BUDGET

Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$3,422,445**. Should this article be defeated, the default budget shall be **\$3,379,163** which is the same as last year, with certain adjustments required by previous action of the town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. **(Recommended by the Board of Selectmen 3-0) (Recommended by the Budget Committee 14-0) (Estimated tax impact: \$.16)**

Article 4: AMBULANCE PAYMENT

To see if the Town will raise and appropriate the sum of **Forty-eight thousand six hundred seventeen dollars (\$48,617)** for the third of five annual payments on a five year lease on Ambulance 1 and to fund this appropriation by authorizing the withdrawal of **Forty-eight thousand six hundred seventeen dollars (\$48,617)** from the Fire/Rescue Vehicle Replacement Special Revenue Fund. This lease agreement was approved at the 2013 Town Meeting and does not contain an escape clause. **(Majority vote required) (Recommended by the Board of Selectmen 3-0) (Recommended by the Budget Committee 14-0) (No tax impact)**

Article 5: DEFIBRILLATOR PAYMENT

To see if the town will vote to raise and appropriate the sum of **Thirteen thousand, three hundred eighty-four dollars (\$13,384)** for the second of three yearly payments for two defibrillators for the Northwood Fire Department, and to fund this appropriation by authorizing the withdrawal of said sum from the unexpended fund balance as of December 31, 2014. This lease agreement contains an escape clause. **(Majority vote required) (Recommended by the Board of Selectmen 3-0) (Recommended by the Budget Committee 14-0) (No additional tax impact)**

Article 6: HIGHWAY EQUIPMENT CAPITAL RESERVE DEPOSIT

To see if the Town will vote to raise and appropriate the sum of **Fifteen Thousand dollars (\$15,000)** to be deposited into the previously established Highway Equipment Capital Reserve Fund. **(Majority vote required) (Recommended by the Board of Selectmen 3-0) (Recommended by the Budget Committee 14-0) (Estimated tax impact: \$.03)**

Article 7: HIGHWAY VEHICLE PURCHASE

To see if the town will vote to raise and appropriate a sum not to exceed **Ninety five thousand nine hundred dollars (\$95,900)** for the purchase of one

truck, equipped with a dump body, plow attachments and a spreader for the Highway Department, and to fund this appropriation by authorizing the withdrawal of **Eighty-three thousand dollars (\$83,000)** from the previously established Highway Equipment Capital Reserve Fund, and the withdrawal of **Twelve thousand nine hundred (\$12,900)** from the unexpended fund balance as of December 31, 2014. **(Majority vote required) (Recommended by the Board of Selectmen 3-0) (Recommended by the Budget Committee 10-1) (No additional tax impact)**

Article 8: COST OF LIVING ADJUSTMENT FOR TOWN EMPLOYEES

To see if the Town will vote to authorize a 2% cost of living adjustment (COLA) for all town employees, and appropriate the sum of \$26,551 to cover the salary and benefit costs associated with the increase. **(Majority vote required) (Recommended by the Board of Selectmen 3-0) (Recommended by the Budget Committee 12-2) (Estimated tax impact: \$.06)**

Article 9: TOWN HALL HVAC SYSTEM UPGRADE

To see if the Town will vote to raise and appropriate the sum of **Sixty-nine thousand dollars (\$69,000)** for the purpose of upgrading the heating/cooling systems of the Northwood Town Hall, and to fund this appropriation by authorizing the withdrawal of **Forty four thousand dollars (\$44,000)** from the previously established Town Hall Improvement Capital Reserve Fund with the balance of **\$25,000** to be raised by taxation. **(Majority vote required) (Recommended by the Board of Selectmen 3-0) (Recommended by the Budget Committee 14-0) (Estimated tax impact: \$.05)**

Article 10: ROAD CONSTRUCTION/RESURFACING

To see if the town will vote to raise and appropriate the sum of **One Hundred thousand dollars (\$100,000)** to be used for the construction, reconstruction, and/or resurfacing of town roads, and the refurbishing of ditches and culverts as recommended by the Highway Advisory Committee. **(Majority vote required) (Recommended by the Board of Selectmen 2-1) (Recommended by the Budget Committee 13-1) (Estimated tax impact: \$.21)**

Article 11: LAGOON MAINTENANCE AND REPAIR EXPENDABLE TRUST FUND

To see if the Town will vote to raise and appropriate the sum of **Fourteen thousand dollars (\$14,000)**, to be placed in the Lagoon Maintenance and Repair Expendable Trust Fund and to fund this appropriation by authorizing the withdrawal of that amount from the Lagoon Special Revenue Fund held by the Northwood Treasurer. **(Majority vote required) (Recommended by the Board of Selectmen 3-0) (Recommended by Budget Committee 12-0) (No tax impact)**

Article 12: FACILITIES COMMITTEE EXPENDABLE TRUST

To see if the Town will vote to raise and appropriate the sum of **Twenty-two thousand dollars (\$22,000)** to be deposited into the Facilities Committee

Expendable Trust Fund previously established for the maintenance, improvement, repairs and replacement of general government buildings. **(Majority vote required) (Recommended by the Board of Selectmen 3-0) (Recommended by the Budget Committee 14-0) (Estimated tax impact: \$.05)**

Article 13: TRANSFER STATION EXPENDABLE TRUST DEPOSIT

To see if the Town will vote to raise and appropriate the sum of **Twenty one thousand six hundred fifty-nine dollars and sixty-one cents (\$21,659.61)**, to be placed in the existing Transfer Station Expendable Trust Fund previously established for the purpose of purchasing transfer station equipment and repairing and maintaining the transfer station buildings and to fund this appropriation by authorizing the transfer of that amount from the unreserved fund balance as of December 31, 2014. This amount is the equivalent of the amount received from the sale of recyclable materials in 2014. **(Majority vote required) (Recommended by the Board of Selectmen 3-0) (Recommended by the Budget Committee 12-0) (No tax impact)**

Article 14: APPOINTING AGENTS TO EXPEND

To see if the Town will vote to appoint the Board of Selectmen as agents to expend from the previously established Recreation Revolving Fund established in 2002. **(Majority vote required) (Recommended by Board of Selectmen 3-0)**

Article 15: MILFOIL TREATMENT AND CONTROL PROGRAM EXPENDABLE TRUST

To see if the Town will vote to raise and appropriate the sum of **Six Thousand dollars (\$6,000)** to be deposited into the previously established Milfoil Treatment and Control Program Expendable Trust Fund. **(Majority vote required) (Recommended by the Board of Selectmen 2-1) (Recommended by the Budget Committee 14-0) (Estimated tax impact: \$.01)**

Article 16: RENAMING MILFOIL EXPENDABLE TRUST FUND

To see if the Town will vote to expand the purposes of the previously approved Milfoil Treatment and Control Program Expendable Trust to include treatment and control of any aquatic invasive species and to change the name of the fund to the **AQUATIC INVASIVE SPECIES TREATMENT AND CONTROL EXPENDABLE TRUST. (2/3 Majority vote required) (Recommended by the Board of Selectmen 3-0)**

Article 23: PUBLIC SAFETY COMPLEX EXPENDABLE TRUST FUND

To see if the Town will vote to establish a **Public Safety Complex Expendable Trust Fund** under the provisions of RSA 31:19a for the purpose of a study to include a conceptual design for a Public Safety Complex and to raise and appropriate the sum of **Thirty five Thousand dollars (\$35,000)** to be placed in this fund and furthermore to appoint the Selectmen as agents to expend. This is a special warrant article per RSA 32:3, VI. **(Majority vote required) (Recommended by the Board of Selectmen 3-0) (Recommended by the Budget Committee 12-0) (Estimated tax impact: \$.07)**

Article 24 (BY PETITION): STRUCTURAL ASSESSMENT OF TOWN BUILDINGS

To see if the Town will vote to raise and appropriate a sum not to exceed \$25,000 to engage the services of a professional architectural firm and any other professions as needed to conduct a functional assessment of all Town buildings to include the library, fire stations, police station, elementary school, community center, town hall, Highway Department needs and transfer station building. The functional audit should include but not be limited to the level of compliance of each building with the appropriate current building codes at the state and local level, space needs, functional deficiencies, and strengths of the buildings in regards to the building's ability to assist the departments in their providing of services for the town. This assessment may also provide additional justification for facility related capital needs including HVAC, power, electrical, communication, computer, and security systems. This assessment should be completed and presented to the Town through the Board of Selectmen no later than October 1, 2015. **(Majority vote required) (Not Recommended by the Board of Selectmen 3-0) (Not Recommended by the Budget Committee 12-0) (Estimated tax impact: \$.05)**

Article 25 (BY PETITION): TOWN-OWNED VEHICLE POLICY

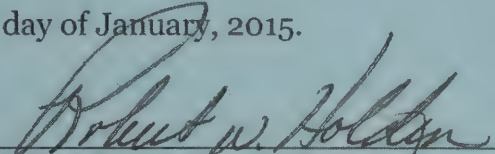

Shall we adopt a town owned vehicle policy that is not limited to but includes:

1. Town-owned motor vehicles shall only be used for official Town business. Any personal use of a town-owned motor vehicle other than for department authorized or required commuting between an employee's home and his/her Northwood workplace is strictly prohibited.
2. Passengers not directly related to official Town Business are strictly prohibited.
3. Certain Town employees may also be assigned the use of a Town-owned vehicle by the governing body for their travel directly to and from their home and Town work site, provided that such employee reside within the city limits or with 10 miles of the Town line and also provided that they are subject to respond regularly back to work or answer emergency calls after scheduled work hours.
4. A daily log is kept that includes odometer readings to and from of all trips beyond Town limits, no exceptions. **(Majority vote required)**

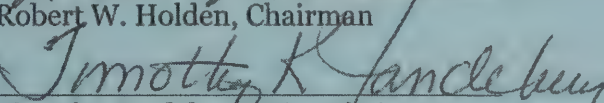

Article 26: OTHER BUSINESS

To transact any other business that can legally come before this meeting.

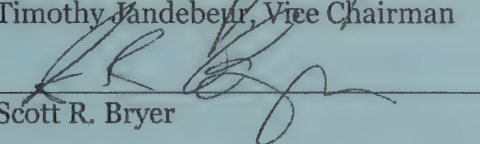

Given under our hands and seal this 13th day of January, 2015.

Trustees of Trust Funds Northwood, NH

The trustees would like to acknowledge the dedication and long years of service by one of its members who is coming to the end of his term and will not be running for reelection. Over the years Russell Eldridge has put in countless hours monitoring the investments to ensure the funds were earning both a safe return and the highest possible rate of return consistent with the trustees investment policies. We will miss his guidance and input on the board.

The Trustees of Trust Funds consists of three elected individuals serving terms ranging from one to three years. Our responsibilities consist of monitoring and selecting investment vehicles for funds placed in trust for specific purposes. Those purposes may be designated by individual residences of the town or by town warrants voted on during annual town elections.

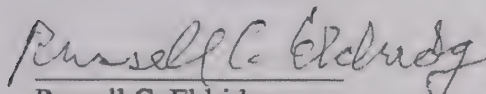

Current funds in trust fall into the following categories:

- Cemetery Common and Other Cemetery Funds – for the perpetual care of town cemeteries,
- Library Funds – for purchasing library materials for town residence,
- Expendable Trust Funds – for specific town improvements or maintenance as designated by town warrants,
- Miscellaneous Trust Funds – for specific purposes designated by individual town residences,
- Capital Reserve Funds – for town capital improvements as voted on during annual town elections, and
- School Capital Reserve Funds – for school purposes as voted on during annual town meetings.

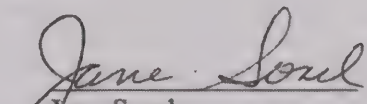

Funds are invested in a number of investments in accordance with 'The Investment Policy and Guidelines for the Trustees of Trust Funds for the Town of Northwood, NH' and the statutes of the Charitable Trust Division, Office of Attorney General for the State of NH. Our investment policy limits investments to those investment vehicles that will preserve capital while providing income to adequately meet the demands of each specific trust's objectives. Other investment polices stipulated in the guidelines include choosing stabile companies with high industry ratings, investment with an overall low risk rating, and maintaining diversification of fund assets.

The trustees meet as needed but at least quarterly to review investment earnings in relation with income needs of the trusts, invest and disburse funds in accordance with town warrants, and discuss other topics as necessary for the management of the trusts in accordance to each trust's stipulations. The annual report which follows summarizes the current activities for the various trusts entrusted to the Trustees of Trust Funds.

Town Clerk Report

2014 was a busy year with indications of a stronger economy. Whether it was from more vehicles or just newer vehicles being registered, the result was an increase of \$37,000 over the 2013 revenue for motor vehicle registrations. It also appears that the tax collections have been around 91%, which indicates the stronger economy because 2013 only realized an 89% collection rate.

We are working very hard in the office to bring ourselves out of the “paper storage” era into the electronic age. We now have the capability of processing either town clerk or tax collector transactions on both computers, reducing the waiting time for residents during busy times of the months or year when Deputy Town Clerk/Tax Collector Sharon Olsson, and I are both working. Motor vehicle renewals, dog license renewals, and now requests for certified copies of most birth, death, marriage and divorce certificates can be completed on line through the town’s website. And, if I can get everything lined up, we should be able to accept credit cards in the foreseeable future.

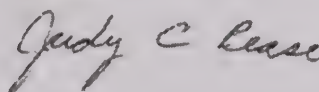

Sharon has also been diligently working on another project, cleaning up the mortgage holder information on all properties. Every time a home owner finances or refinances a property, the tax collector’s office gets notified. This means old mortgages need to be removed and new ones entered. This has been a huge task and she is better than 75% complete.

We appreciate your continued support and look forward to 2015 as a new year with new adventures.

2014 Deliberative Session Minutes February 6, 2014

To the Inhabitants of the School District of the Town of Northwood qualified to vote in district affairs:

First Session of the Annual Meeting (Deliberative):

You are hereby notified to meet at the Northwood School, 511 1st NH Turnpike, Northwood, NH 03261, on Thursday, 6th day of February 2014, at 7p.m. This session shall consist of explanation, discussion, and debate of warrant articles 2 to 9. Warrant articles may be amended subject to the following limitations: (a) Warrant Articles whose wording is proscribed by law shall not be amended; and (b) Warrant Articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

Second Session of the Annual Meeting (Voting):

FURTHER: You are hereby notified to meet at the Parish Center at St. Joseph's Church on Tuesday, the 11th day of March 2014 to vote by official ballot on Articles 1 to 8 as amended. Polls open at 7:00 a.m. and are to remain open continually until 7:00 p.m. To act upon the following articles:

Hal Kreider, moderator, called the meeting to order at 7:04 p.m. He reviewed the rules for the meeting, and recognized any Veterans present. Then Mr. Hartford led the assembly in the Pledge of Allegiance. The warrant was available electronically for the first time through a special internet access.

There were 53 voters in attendance including School Board Members: Scott Bulger, Karen Brieger, David Ruth, Tim Jandebour, and William Mello. Also present were Dr. Robert Gadowski, Superintendent SAU 44, Marjorie Whitmore, Business Administrator SAU 44, Scott Reuning, Special Education Director SAU 44 and Barbara Loughman, School District Attorney. Mr. Kreider then read the first 2 articles.

ARTICLE #1

To choose the following School District Officer:

School Board Member (3 Years)

(Vote for 1)

ARTICLE #2

“Shall the Northwood School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Eleven Million Eight Hundred Seventy Seven Thousand One Hundred Eighty Six Dollars (\$11, 877,186). Should this article be defeated, the default budget shall be Eleven Million Six Hundred Seventeen Thousand Four Hundred Thirty Six Dollars (\$11,617,436) which is the same as last year, with certain adjustments required by previous action of the Northwood School Board or by law; or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.”

The operating budget warrant does not include appropriations contained in any other warrant articles.

2014 Deliberative Session Minutes February 6, 2014

The School Board recommends this appropriation by a 5-0 vote. The Budget Committee recommends this appropriation by a 12-0 vote.

The tax impact if this article passes is -\$0.11 per \$1,000.

Ginger Dole moved to place the article on the ballot as written. Dan McNally seconded it.

Karen Brieger explained some of the items in this budget.

The article was approved by a show of cards to be placed on the ballot as written.

Scott Bulger made a motion not to reconsider this article. It was seconded by Tom Chase.

It passed by a show of cards.

ARTICLE #3

“To see if the Northwood School District will vote to approve the cost items included in the collective bargaining agreement reached between the Northwood School Board and the Northwood Educational Support Personnel Association which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year 2014-2015 – Estimated Increase \$49,277

And further to raise and appropriate the sum of Forty Nine Thousand Two Hundred Seventy Seven Dollars (\$49,277) for the 2014-2015 fiscal year such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing in the prior fiscal year?”

The School Board recommends this appropriation by a 4-0-1 vote. The Budget Committee recommends this appropriation by a 12-0-1 vote.

The tax impact if this article passes is \$0.10 per \$1,000.

Scott Bulger made a motion to place the article on the ballot as written. Karen Brieger seconded it.

Dave Ruth explained the key points of this article.

It was approved by a show of cards to be placed on the ballot as written.

ARTICLE #4

“To see if the Northwood School District will vote to approve the cost items included in the collective bargaining agreement reached between the Northwood School Board and the Northwood Teachers’ Association which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year 2014-2015 – Estimated Increase \$187,900

And further to raise and appropriate the sum of One Hundred Eighty Seven Thousand Nine Hundred Dollars (\$187,900) for the 2014-2015 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in the prior fiscal year?”

The School Board recommends this appropriation by a 5-0 vote. The Budget Committee recommends this appropriation by a 13-0 vote.

The tax impact if this article passes is \$0.39 per \$1,000.

2014 Deliberative Session Minutes February 6, 2014

Mr. Vaillancourt asked how many years in the last 10 years have we not had enough money to fund Coe- Brown tuition? Tim Jandebour explained where the money would be spent and that we have struggled at times to meet the high school tuition. Mr. Vaillancourt asked about the trend in class size. Mr. Jandebour explained that next year we trend down but we have two 60 student classes coming up. Scott Bulger said that currently we budget for additional students but in order to more tightly control the budget they would like to budget for the actual number of students. Mr. Faiella asked what happens if a student moves in mid-year? Mr. Bulger stated they would be pro-rated. Dave Ruth explained that the additional money for Coe- Brown comes from other lines in the budget, if more students move in. Ginger Dole stated that the budget committee recommended that this be done so the school could budget for known students.

It was approved by a show of cards to be placed on the ballot as written.

ARTICLE #8

To see if the Northwood School District will vote to raise and appropriate “up to” Twenty Five Thousand Dollars (\$25,000) to be placed in the Special Education Capital Reserve Fund for the purpose of meeting the expenses of educating educationally disabled children for the Northwood School District in accordance with the provisions of RSA 35:1-b, with such amount to be funded from year end undesignated fund balance (surplus) available on July 1, 2014. Current balance at 12/31/13 is \$279.77.

The School Board recommends this appropriation by a 5-0 vote. The Budget Committee recommends this appropriation by a 13-0 vote.

There is no tax impact if this article passes.

Scott Bulger made a motion to place the article on the ballot as written. Karen Brieger seconded. Karen Brieger explained the key points of this article.

Mr. Faiella stated that Mrs. Brieger was very correct in her statement that there is no additional tax impact in this article, but if the money was returned to the town there would be a negative tax impact. Mr. Jandebour explained that of all the capital reserves this is the most important due to unexpected special education costs. Rick Wolfe asked if this was going to be a yearly request? Mr. Jandebour said that if there is a surplus that is the year they would ask for it. Bill Mello explained that having a reserve allows them to maintain some transparency in the budget. Mr. Vaillancourt asked if the voters approved an article last year to allow the school to keep up to 2.5% in reserve? Mr. Jandebour stated that it maxes at 2.5% and is very specific in what it can be used for. This fund is for emergencies only.

It was approved by a show of cards to be placed on the ballot as written.

ARTICLE #9

Shall the Northwood School District raise and appropriate the sum of Forty Five Thousand Dollars (\$45,000) for the purpose of establishing an all-day Kindergarten program at Northwood School beginning with the 2014-2015 school year?

The School Board recommends this appropriation by a 5-0 vote. The Budget Committee recommends this appropriation by a 12-0 vote.

The tax impact if this article passes is \$0.09 per \$1,000.

Scott Bulger made a motion to place the article on the ballot as written. Karen Brieger seconded.

2014 Deliberative Session Minutes February 6, 2014

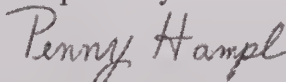

Karen Brieger explained the key points of this article.

Mike Faiella asked how long a day would a kindergartener have. Mr. Hartford explained that it would be the same length of day as the rest of the school just over 6 hours. Mr. Faiella then asked how long would the average bus ride be? Mr. Hartford stated that the longest bus ride is about 45 minutes. Mr. Faiella stated that he thought that experts might be divided on the benefits for a five year old to be in school all day. Keith McGuigan stated that some states have mandated all-day kindergarten and the studies have shown the benefits. Mr. Hartford explained what his own experience have been with an all-day kindergarten and a half day kindergarten. It is to prepare the students for first grade and everything that is expected of them. Jim Vaillancourt said that his second grade granddaughter has benefited from her experience in a full day kindergarten program. *It was approved by a show of cards to be placed on the ballot as written.*

There was a motion made to adjourn at 8:06 pm

Scott Bulger made the motion. Karen Brieger seconded. It passed by a voice vote.

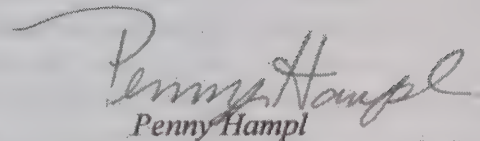

Respectfully submitted,

Penny Hampl

ARTICLE #12

To see if the Northwood School District will vote to encourage the Northwood School Board and the Northwood Teachers’ Association to enter into an early retirement incentive agreement which calls for the following changes in salaries and benefits at the current staffing level (Savings per retiring teacher shown)

Fiscal Year:	Estimated Impact;
2015-2016	(\$4,252)
2016-2017	(\$11,202)
2017-2018	(\$11,202)
2018-2019	(\$11,202)
2019-2020	(\$11,202)

And further, no additional amount to be raised and appropriated for the current year, such sum necessary for the retirement incentive required by the new agreement is contained in the Proposed Operating Budget 2015-2016 fiscal year.

This is a non-binding article but a way for towns people to show their support to Teachers, with a negative tax impact. Also a way to ask the School Board to enter into a retirement agreement with the Teachers’ Union.

And further, no additional amount to be raised and appropriated for the current year, such sum necessary for the retirement incentive required by the new agreement is contained in the Proposed Operating Budget 2015-2016 fiscal year."

This is a non-binding article but a way for towns people to show their support to Teachers, with a negative tax impact. Also a way to ask the School Board to enter into a retirement agreement with the Teachers Union.

The tax impact if this article passes is \$0 per \$1,000.

Technology Committee Software recommendations \$2000 - this supports ongoing efforts of the tech committee to identify specific instructional software needed across all grade levels to enhance instruction and improve student learning outcomes

Also included is Microsoft Open License Program for Microsoft Windows Standard 2013 for 75 computers (\$3,750) -

This represents a productivity suite (writing program, spreadsheet, presentation) program that is needed by both students and staff to create documents such as letters, memos, reports, spreadsheets, diagrams, slide presentations etc. We have been using the same version for 10 years and even though it works fine internally, we have had difficulty communicating with other agencies including the SAU (sending and receiving documents) since they use a newer software version that is not easily compatible with our version. We have done tests using Open Source programs such as LibreOffice and Open Office but have noticed a great degree of difficulty by staff and students using and interacting with those programs. The latest Microsoft Office product provides the highest level of compatibility as well as additional tools to enhance the creative experience (video and internet site embedding just as an example).

To the Residents of the Town of Northwood:

In an effort to reduce the size of town report, the Northwood School District has decided not to print the entire audit report this year in the Town of Northwood report. Please note that the audit is posted on the Town of Northwood's website at <http://www.northwood.k12.nh.us> as well as the SAU website at <http://staging.sau44.org/> and is readily available to read and review.

Sincerely,

Marjorie Whitmore

Northwood School Principal Report

To the Community of Northwood, New Hampshire,

Hello! It is with great pleasure and enthusiasm that I write to you today as the principal of Northwood School. With the blink of an eye, summer has ended and we are off and running here at Northwood School for another exciting adventure in 2014-2015. I have had the fortunate opportunity to meet many of the staff, students and families already, during the interview process in the spring, in the office over the summer, and even at Johnson's while out for ice cream. I look forward to getting to know many more students and family members within the Northwood community in the weeks and months to come.

The 2013-2014 was a very busy one for Northwood School. Throughout the year, the teachers continued the work of math expert Dr. Mahesh Sharma. Teachers in grades 5-8 were trained over four full days with an additional day offered for Special Education teachers. Teachers were given training in the language, the concepts of using hands-on materials and the procedures necessary to teach the non-negotiable skills at each grade level. Through site visits to Northwood School by Dr. Sharma, teachers could ask questions in authentic scenarios and further enhance their individual understandings as they relate to their specific grades. We will continue to see the impact these lessons will have on our students and their future success.

The Focused Monitoring (FM) team spent time throughout the year creating an action plan for Northwood School. The FM team was comprised of teachers, administrators, representatives of the Northwood School Board and community members. The purpose of Focused Monitoring is to ensure that children and youth with disabilities ages 3-21 are afforded a free and appropriate public education and are provided opportunities to learn in the Least Restrictive Environment. Districts are chosen for focused monitoring based on a review of their NECAP assessment data. By June 2014, the end of Year 1, the work of the FM team was summarized in the Focused Monitoring Action Plan for FY15, or Year 2 (2014-2015). The work being done in Year 2 serves as a roadmap for improved student performance for ALL students with a focus on students with disabilities. There will ultimately be data to share with the community to that effect. The plan identifies four

Northwood School Principal Report

overarching goals for Northwood that will serve as the impetus for change in areas of professional collaboration, curriculum development, response to intervention (RtI) and support for internal processes for enhanced communication both within and outside of our school walls. Ultimately, the success of ALL students is at the core of this effort and the action plan will be a focal point for the coming year.

Technology is an area in which Northwood saw much growth over the course of the year. We are thankful for the support of the Northwood School Board and community for the funds needed to pursue the Student Netbook Initiative for grades 7 and 8. In addition, the funds allowed us to equip teachers with SmartBoards, projectors and Apple iPads for use in their classrooms and to implement the new optical (fiber) internet connection and new building-wide wireless infrastructure.

Other highlights from the 2013-2014 year include the Safety Day in the fall, which was a collaboration between the Northwood Police Department, the Northwood Fire Department, Northwood Transportation, the Safety Committee and other area agencies, Jump Rope for Heart in March, through which we raised over \$4,000 for the American Heart Association, as well as the 6th Grade Merrowvista trip in April.

As the year came to a close, we bid a fond farewell to some valued employees, thanking them for their dedication and service to Northwood School. Special recognition goes out to former Principal Richard Hartford for his five years of leadership, commitment and support of faculty and staff as a champion for the needs of our Northwood children. Under his capable direction, the faculty and staff pursued necessary initiatives and planted seeds for future growth and development.

As we transitioned to the new school year, we opened our doors to welcome many new educators to our faculty and staff for 2014-2015 who bring a wealth of knowledge, experience and enthusiasm to our building. The Common Core State Standards remain a clear focus for schools across forty-three states and ours is no exception here in New Hampshire. With the Smarter Balanced Assessment scheduled for the spring of 2015, a key part of implementing the Common Core and preparing all students for success in college and careers, we will generate a baseline for our Northwood students and have that data to help us identify where our efforts are most needed to support the continued growth of our students. Our teachers continue to work collaboratively to address the standards through their classroom instruction. Our entire faculty and staff are committed to offering the children of Northwood a safe, challenging environment that encourages all students to aspire to excellence.

I am excited by all I have seen thus far within our K-8 school and look forward to leading the charge by immersing myself in this school community, engaging our students, supporting our teachers, connecting with families, collaborating with other school leaders and advocating for what is important to continue moving this Northwood community forward together. Thank you for your support.

Respectfully submitted,
Wendy P. Despres, Principal

Superintendent's Report
2013-14

During the summer of 2013, the community approved a retirement incentive for the teachers at Northwood School that was accepted by six veteran teachers. The retirement offer provided a win-win situation. The incentive was a wonderful "thank you" to staff for their years of dedicated service to our students. In addition, it allowed the school district an opportunity to spend the salary savings realized through the hiring of the new staff, to purchase needed equipment and supply items from a very tight budget.

Early in the school year the staff worked to collaboratively include ten new staff members. All educators were involved in professional development opportunities as we moved forward to prepare for the Common Core Standards. We also received very happy news that Ms. Rebecca Rush was awarded the New Hampshire World Language Teachers' Association, "2013-2014 Teacher of the Year Award". We all would like to again extend our sincerest congratulations to Ms. Rush for that award. Northwood School is truly fortunate to have her, as well as many other skilled teachers on staff.

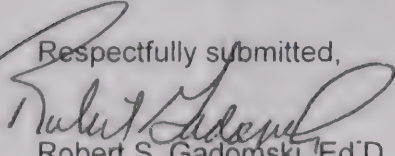

Throughout the year, a major focus was the attention to improve curriculum. Curriculum revision and development continues to be a focus, as we move forward to align with the Common Core. In addition, multiple ongoing professional development opportunities were put into place to ensure the growth of instructional practices.

Budget development continued to be a challenge as our tax dollars were spread thin. The School Board and the Budget Committee accepted the challenge and worked collaboratively to develop a school budget that was unanimously supported by both boards. The community also supported the budget, recognizing that it was both fiscally responsible and educationally sound. The budget that was passed greatly supported the advancement of technology for the betterment of instructional practices to augment student learning. I look forward to again working to establish a responsible budget that supports academic growth for all students.

At the end of the year, we welcomed Mrs. Wendy Despres as our new school principal. Principal Despres hit the ground running, immediately working with the School Board and the school staff to set a course for continuous improvement.

I continue to be pleased to work as your superintendent. The Northwood community has much to be proud of as everyone works collaboratively for the continuous improvement of our school, for the benefit of all our students.

Respectfully submitted,

Robert S. Gadomski, Ed.D.

ANNUAL REPORT for the TOWN of NORTHWOOD 2013 - 2014 Academic Year

The Board of Trustees and Administration of Coe-Brown Northwood Academy are pleased to provide this Annual Report of the 2013-2014 school year to the Northwood School Board. We have enjoyed a long-term cooperative working relationship with the Northwood School Board and continue to work hard to ensure the educational opportunities for Northwood students are competitive, satisfying and of the highest quality. The Board of Trustees strives, through its administration, faculty, and rigorous academic and co-curricular programming, to provide the most comprehensive and challenging educational experience for Northwood students.

The following provides an overview of educational programming at Coe-Brown and the status of Northwood students.

Northwood Students Enrollment Breakdown: 2013-2014

	August 2013	May 2014
Seniors	69	67
Juniors	66	67
Sophomores	65	66
Freshmen	55	57
TOTAL	255	257

Of the total students enrolled from Northwood at Coe-Brown Northwood Academy, the following enrollment changes took place throughout the 2013-2014 school year:

Northwood Students Enrollment Changes by Class: 2013-2014

	Dismissed	Moved	Additions	Other Reasons
Seniors	0	0	0	2
Juniors	0	1	2	0
Sophomores	0	1	2	0
Freshmen	0	0	2	0

CBNA offers a traditional high school academic program, with several Honors level and Advanced Placement level courses. Northwood students took advantage of such programming in the following manner:

Northwood Students and Honors Programming: 2013-2014

EDUCATIONAL PROGRAMS

As the sending towns have increased in population over the last thirty years, so has the student body at the Academy. This has allowed us to develop new programs and educational opportunities to best meet the needs of our diverse learners. High standards of work ethic, behavior, and personal responsibility have been established and upheld by the administration, faculty and staff.

Positive feedback from students who have attended post secondary institutions, as well as their high academic performances at such places, informs us that they have felt well prepared for the challenges of college. This reflects on the academic rigor of their coursework here at Coe-Brown Northwood Academy.

The Academy continues to develop curriculum and teaching techniques for meeting the Common Core Standards and in preparation for the upcoming Smarter Balanced Assessment which will be arriving in the spring of 2015. Students at Coe-Brown continue to score in the upper percentiles of the AP examinations, NH NECAP testing, and excel in many areas outside of academia as well. We have been thrilled to have so many members of the community come to the Academy to enjoy talented performances within our athletic, music, arts, and drama programs.

The Education Committee of the Board of Trustees, which has voting representatives from Northwood and Strafford, annually reviews course offerings to ensure that they are appropriate to meeting students' needs and are in keeping with the high academic standards

set by the Board and administration. For the 2013-2014 academic year, the following courses were added to the Program of Studies:

- One World Language School Mandarin Chinese
- Family Finance
- Caring for Children
- Poetry & Performance
- Family Relations
- French III Honors
- Earth & Space Science
- NH Authors
- Heroes & Villains in Literature
- Adventure in the Great Outdoors
- Literature of the Dystopian Future

At this time of great educational reform, those representatives from the Northwood and Strafford School Boards who serve on the Education Committee have become even more important in providing a vital link between the Academy and the sending schools. These representatives influence student discipline, hiring of faculty, and assist in the coordination of educational programs. This joint participation is unique among schools that hold tuition contracts with other school districts. The Board of Trustees encourages the active participation by the Northwood and Strafford representatives. Individual faculty members, both at Coe-Brown as well as at Northwood School, have participated in a program titled “*Bridges.*” Faculty members met repeatedly throughout the 2013-2014 year in different department groups with the goal of continuing to bridge any gap in the transition from elementary to high school. Their work has been positive and effective in improving the educational experience for our students.

CO-CURRICULAR

The Academy strives to provide opportunities for students to become well-rounded adults through an intensive co-curricular program. Dozens of clubs are available for student membership, including some of our most recently created: Tri-M Music Honor Society, Film Club, and Creative Writing Club, as well as some clubs that have been in existence for most of Coe-Brown’s history such as FFA, Band, Chorus, National Honor Society, and many more. Students are encouraged to become as involved as possible. Each of these activities is monitored and evaluated to ensure a worthwhile experience that meets the Academy’s mission.

Athletic offerings at the Academy continue to evolve with our student-athletes. The athletic programs provide opportunities for students to practice self-discipline, time management, the importance of teamwork and good sportsmanship. We have continued to see great success with our student athletes, including Girls’ Cross Country Division II State Champions, Girls’ Volleyball Division II State Champions, Girls’ Indoor Track Division II State Champions, Girls’ Outdoor Track & Field Division II State Champions, Girls’ Softball Division II State Champions, Girls’ Soccer Final Four, Girls’ Basketball Final Four, and the 2013-2014 NHIAA Division II Sportsmanship Award. The new teams of Boys’ & Girls’ Lacrosse are off to a great start and will be looking forward to their second season.

As with all programs, the Board of Trustees is striving to provide first-class athletic facilities and to make them available, as appropriate, to the citizens of Northwood and Strafford. This is in keeping with the Board's commitment to make the Academy a part of the local communities. Many of you have already visited our new soccer and softball field and will see positive updates on the baseball field.

PHYSICAL PLANT

The Board of Trustees has worked to develop and implement a multi-year Master Plan to enhance the Academy's education services. This includes a review of current classrooms, pedestrian and vehicular circulation patterns, new facility needs and possible locations for these facilities. The Academy's ability to construct new facilities is based on very limited available funds that can be used for such endeavors.

Because the Academy does not receive any state funding, all capital construction must be funded through investments and the rental charge to sending schools based on the current valuation of the property. This fiscal constraint does limit the Academy's ability to construct new facilities. For that reason, each construction project is considered carefully and has been deemed necessary and vital for continued growth of the Academy.

The construction work that began in the late spring of 2013 on Smith Hall has concluded, resulting in six new classrooms, an updated atrium, and a cat-walk through the main lobby. This much needed, modernized and technology-enhanced space has been inhabited by the math department. In addition, the student kitchens and greenhouse have been improved significantly, assisting two very important curriculum areas for our students. We have been proud of the work done in our vocational areas, preparing students for careers in these practical and thriving fields.

The summer of 2014 brought a revitalization of the Main Lobby entranceway. The addition of skylights as well as historical accents fitting to the age of neighboring Pinkham Hall has created a more welcoming space for our students, faculty, community and visitors.

THE BOARD OF TRUSTEES

The Board of Trustees and its committees (Administration, Athletics, Development, Education, Facilities, Fiscal Management, & Long-Range Planning) continue to work to enhance the educational opportunities for the students. The Education Committee, with representatives from Northwood and Strafford, continues work on long-range planning goals that better address curriculum and educational needs of the students. Faculty selection is a critical part of the process to ensure exceptional staff who are not only highly qualified, but are dedicated to the educational process. The input from the Northwood and Strafford representatives plays a critical part of the process.

The Athletic Committee supports enhanced opportunities for students to participate in team and club sports. A wide variety of year-round programs and camps are also available to students. The Academy staff is working to enhance cooperation and participation with the elementary schools in both the athletic and arts areas. Parental support of these programs is important and the Committee is working on this issue in conjunction with the administration.

The Development Committee is actively working on programs that support and enhance alumni relations and fundraising activities. Although Coe-Brown Northwood Academy has full tuition contracts with Northwood and Strafford, it is still a public academy administered by a Board of Trustees which is responsible for the financial integrity of the Academy. The publication of the *VISIONS* magazine and fundraising drives are vital steps in continuing to reach out to alumni and prospective students in the process of maintaining our long-range plan. The generosity of many people has resulted in enhancements to the physical plant, educational opportunities for students and faculty and a higher level of recognition of the quality of education offered by the Academy to local students. All this has been accomplished without utilizing tax dollars.

THE FUTURE

The Board of Trustees thanks the town of Northwood for the cooperative spirit and joined efforts to best serve our high school students. We anticipate another year of the constructive and productive relationship with the Northwood School Board and between the Headmaster and Administration of Northwood School and SAU #44. The Board is committed to expanding the educational experience of its student body to best prepare them for the future challenges they will face as adults. We look forward to a continued long-term relationship with the citizens of Northwood in achieving this endeavor.
