There have been donations given and accepted as follows:

A glass case of birds from Miss Stillman.

One lot of books from will of John D. Boyden.

One lot of books from will of Miss Florence Tirrell.

One set of books, (12 vols.) from Mrs. Alfred Tozzer.

The above was very much appreciated by the Trustees and Public,

The Trustees think that it would be good economy to give the Library a coat of paint outside and there is need of paint and varnish inside and we recommend the town raise \$200 for said repairs.

SUPERINTENDENT'S REPORT

To the School Board of Tamworth:

I herewith submit my fifth annual report as superintendent of schools.

Our school record for the year ending June 30, 1927 showed an average attendance of 135, an average membership of 141 and a percent of 95. If every pupil would attend as faithfully as the majority do, we could have a percent of 97. For instance Great Hill had 99.6 percent, Chocorua had 98 percent, Whittier had 98.4 percent, Downs, 96.8 percent, and Pequaket 96 percent.

There are ten teachers in the employ of the district:

Beatrice I. Marston at Pequaket has 10 pupils

Ethel M. Gilman at Great Hill has 6 pupils

Lula M. Ball at South Tamworth has 22 pupils

Grace E. Shannon at Downs has 10 pupils

Minnie E. Gerry at Whittier has 14 pupils

Edith M. Gilman at Bennett's Corner has 10 pupils

Elsa I. Thunberg at the Primary School has 23 pupils

Edwin A. Blackey at the Grammar School has 14 pupils

Myra F. Rourke at Chocorua has 19 pupils

Ruth E. Pingree at the High School has 13 pupils

I plead for the third time that there may be a special teacher of drawing and music and also a school nurse to follow up the work of medical inspection.

Last year four of the six towns in this supervisory district had dental clinics and one town had a toxin anti-toxin clinic. In getting results the nurse is a very important factor.

High School

The high school is still under the care of Miss Ruth E. Pingree. Last June a class of five fine girls finished the two years' work and every one went on to other schools to finish the course. Ethel Elliott went to Kennett High in Conway. Marian Trask and Ethel Mason went to Brewster Academy at Wolfeboro. Leah Grace and Dorothea Ward entered Madison High School. There should be a good class to enter next fall.

Citizens of Tamworth may feel that money is well spent in supporting the high school.

School Property

Good work has been done on the school property this year.

With income from the trust fund, Chocorua building has been enlarged to include a room for special activities such as sewing and manual training. The school district installed chemical toilets at the school and covered the building with roofing.

Pequaket yard was graded, greatly improving the play ground.

Great Hill and Center schools were painted inside.

South Tamworth and Whittier were painted inside and at the latter school the yard was graded.

Revarnishing the furniture in each school has come to be a yearly procedure, and helps very much in keeping it from defacement and destruction.

During the coming year, I recommend that heaters be provided for Chocorua and Whittier; that Chocorua yard be graded; that chimneys at Chocorua and Bennett's Corner be relaid; that Downs be covered with roofing and be painted inside; that a cement floor be laid in the basement at the Center building.

Perfect Attendance

The following pupils had perfect attendance for the year ending June 30, 1927:

Ethel Elliott, High School
Lawrence E. Frost, Downs School
Alston F. Frost, Downs School
Roy E. Grace, Whittier School
Langdon Chamberlain, Chocorua School
David Fortier, Chocorua School
Horace Fortier, Chocorua School
Kennett Ross, Chocorua School
George Roberts, Chocorua School
Marguerite Hutchins, Great Hill School

Trained Teachers

Two young ladies from Tamworth graduated from Plymouth Normal School last June—Edith Gilman and Carrie Scammon. They are now teaching, Miss Gilman in this town. It is stimulating to see fruits of labor. These young ladies will have a splendid opportunity to be of service in the world. Another young lady, Frances Thompson, is taking a four-year course at Keene Normal.

It is interesting to note that both normal schools now offer four-year courses, fitting teachers for high school work as well as elementary.

We expect more Tamworth girls will enter normal school next fall.

The schools of New Hampshire are making progress. The actual number of days of school is lengthening. Trained teachers are available. Character education, as well as intellectual training, is being emphasized. We need citizens of strong noble character.

In good schools we need prompt and regular attendance, good teaching and a full year of unbroken sessions. Let each one boost the schools.

In conclusion, I wish to thank the school board, teachers, pupils and citizens for cordial support.

Respectfully submitted,

F. W. Jackson,
Superintendent.
