DEDICATION

John and Beverly Hill

The Selectmen of the Town of Warner are pleased and honored to dedicate the 1995 Town Report to John and Beverly (Savory) Hill. They epitomize the essence of public service and concern for the welfare of their neighbors and the community. Born in Warner, they can trace their heritage back through eight generations of Warner families. Neighbors while growing up, both were educated in Warner schools, graduating from Simonds Free High School in 1943 and 1945. Married in 1948, John and Bev's immediate family consist of three children and four grandchildren.

John initially worked for his father at Orton F. Hill Coal and Ice which later became Warner Fuel Company. Subsequently John and his father owned and operated the Hill Box Company for twenty-seven years. Most recently he has been over-looking Warner as the fire tower watchman on top of Mount Kearsarge, a job he held for thirteen years until retiring in 1994. The time he has devoted to the community has been exceptional: 35 years on the Warner Fire Department, 20 years as a Forest Fire Warden, Precinct Commissioner, member of the Budget Committee, Fall Foliage Festival Chairman, member of the Master Plan Committee and the Street Naming Committee. He has been a Mason with the Harris Lodge for 43 years and is a member of the United Church of Warner.

Bev, a graduate of the Elliot Hospital School of Nursing worked as a R.N. for Dr. Putnam in Warner while raising her family, caring for elderly parents, in-laws and sick friends. She has been active in school activities, Daughters of the American Revolution, Eastern Star and Rainbow Girls, 4-H Club, and the Warner Branch of the American Red Cross. Many Warner children learned to swim through the American Red Cross program organized by Bev at the Hill's cottage on Lake Winnepocket. She has also been active in the local Hospice program. Over the years, Bev, among others, has become famous for the "public suppers" at the Fall Foliage Festival, Church, the Masons and the Historical Society. Bev also was President of the Fall Foliage Festival while serving on its' Board.

Currently John is a Forest Fire Deputy Warden, a member of the Chandler Reservation Committee, a Trustee of the Simonds Free High School Fund and a member of the Kearsarge Trail Snails Snowmobile Club. Bev serves as a Trustee at the United Church of Warner, volunteers regularly for the LSRVNA well-child clinics and is a member of the Historical Society's Collection Committee. She also continues to serve her suppers.

On behalf of the citizens of Warner, we extend to John and Bev our sincere thanks for their long-standing commitment and service to our community.

SELECTMEN'S REPORT

As 1995 winds down, we are pleased to report to you that we will finish the year spending \$68,000. less than what you appropriated at Town Meeting. This, coupled with revenues being \$100,000. over what we estimated, means that we will have a surplus to offset 1996 taxes of approximately \$170,000. We are also pleased that many of you came to the School Meeting and helped change the apportionment formula. We have been struggling with this issue for many years, and although we didn't get all that we desired, we achieved some relief. For those of you that came and voted THANK YOU. In anticipating this change and to lessen the impact on future tax rates, we placed \$50,000. into Capital Reserve for new highway equipment, finished the sidewalk for Kearsarge Street Extension, built a new sidewalk for School Street, and purchased without borrowing, a new \$180,000. fire truck. We also purchased land for a new highway equipment maintenance facility and are asking that you authorize in the 1996 budget, funds to build this critically needed building. The current building is very deficient in space and does not meet the health and safety guidelines as specified by our insurance carrier and OSHA.

Progress was made on several fronts during the year. Thanks to the hard work of the highway crew and lots of volunteers, we have a swimming area that fills a void that has existed in our recreational facilities for many years. We also have a new parking lot at Riverside Park that significantly improves the safety of this busy area. The Market Basket donated the crushed gravel for the parking surfaces of both facilities.

In June we completed our 911 addressing and we are now "on-line" with the State wide Emergency 911 system. We thank all of you for your support and cooperation with this project. During the year the Town was required to write and implement Policy and Procedures for Drug and Alcohol Testing, a Joint Loss Management (Safety) Program, a Town of Warner Emergency Management Ordinance and a Hazardous Material Containment/Cost Ordinance.

We are saddened by the loss of Charlie Bean, a former Town Road Agent and a long-time, part-time employee. We pass our condolences to his family.

Finally, we would like to thank all of the Town officials, employees and volunteers who have made this Town what it is. We especially want to thank Mr. Charles Hemphill for his many years of loyal service. In 1989, we dedicated the Town Report to Charlie and at that time he had completed more than 160 years of community service. He now has added 6 more years as Almoner of the Foster & Currier Funds and we believe 166 years must be a world record! A sincere Thank You to Mr. Hemphill.

Respectfully submitted,

J. D. COLCORD, *Chairman*

**AUDITOR'S REPORT FOR THE TOWN OF WARNER
FOR THE YEAR ENDING DECEMBER 31, 1995**

February 9, 1996

To the Board of Selectmen
Town of Warner, New Hampshire

Gentlemen:

I have audited the accompanying balance sheet of the Town of Warner, New Hampshire for the year ended December 31, 1995, and the related statements of revenues, expenditures and changes in fund balances for the year then ended. These financial statements are the responsibility of the Town's Management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Town of Warner, New Hampshire, as of December 31, 1995 and for the year then ended in conformity with the generally accepted accounting principles.

Respectfully submitted,

L. Patrick Kelly
Certified Public Accountant

TOWN CLERK'S REPORT

Another year has past! The snow arrived early in '95 and by the time you read this report, you will no doubt be looking forward to spring. (Unless you are a winter sport enthusiast.) The Town Meeting in March was a record-breaker, lasting only two hours. All articles passed.

Also in March, the office received a Darius Computer and a Hewlett Packard Laser Printer (FREE) from the State of New Hampshire thru the State's Vital Record Improvement Fund. Warner is now on line with Concord's Vital Record Program and hopefully will be adding the dog and registration program this year.

Dog licenses remain the same - \$6.50 for each altered/spayed dog and \$9.00 for non-altered/spayed. Dog owners 65 years of age and older pay \$2.00 for the first dog and the regular fee for any additional dog(s). Per RSA 466:13, all dogs must be licensed by April 30.

Please be aware....New dog control laws have been amended and passed. (RSA 436) Veterinarians are being required to mail a copy of all shot records etc. to the clerks' offices throughout the State. Notices will be mailed to owners of dogs not yet licensed. Those failing to license their dog(s) may be subject to a \$25.00 penalty per dog. Further information on the dog control law may be obtained by calling the office during working hours.

On November 21, yours truly was sworn in as President of the New Hampshire City and Town Clerks' Association by the Honorable William M. Gardner, Secretary of State. The New Hampshire City and Town Clerks' Assoc. was originated in 1925. Dedicated to develop, exchange and disseminate information, ideas, recommendations, resolutions and techniques relating to the offices of the clerk of our respective cities and towns, and to foster and encourage a higher degree of professionalism among clerks. Warner can now be added to the prestigious list of Towns whose clerks have held the office of presidency.

As Municipal Agent, all plates: passenger, motorcycle, farm, agriculture, tractor, trailer, as well as, State decals are available at our office. Please bring the current year's registration to the office at renewal time.

Judy and I extend to all, our best wishes for your health and happiness for the year 1996, and we look forward to seeing you in the office.

Respectfully submitted,

Jeanne C. Hallenborg, *Town Clerk*

THE STATE OF NEW HAMPSHIRE

WARRANT FOR THE TOWN MEETING

THE POLLS WILL BE OPEN FROM 8:00 A.M. TO 7:00 P.M.

To the Inhabitants of the Town of Warner, New Hampshire in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Warner Town Hall in said Warner, NH on Tuesday, the 12th day of March, next at 8:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

The following Zoning Amendments are the condensed versions of the full zoning changes that are being proposed and recommended by the Planning Board. The complete version is available at the Planning Board office, the Selectmen's office and will be available at the polls on Town Election day, March 12, 1996.

2. To see if the Town will vote to amend the existing zoning ordinance as follows: To amend the zoning map by extending the commercial-1 (C-1) zone adjacent to Exit 9 of I-89 northerly along North Road and easterly along Main Street (Route 103) for the Town property (Highway Garage) as shown on Map 14 Lot 6 and as shown on the proposed zoning map on display in the Warner Town Hall lobby.(Recommended by the Planning Board.)
3. To see if the Town will vote to amend the existing Flood Damage Prevention Ordinance and rename it as: the Town of Warner Flood-plain Development Ordinance. (Recommended by the Planning Board.)
4. To see if the Town will vote to amend the existing Height Regulation of the Zoning Ordinance for the Town of Warner (Page 5, Paragraph I) to read:

"The Board may authorize a "Special Exception to the height" instead of a "variance to the height."
(Recommended by the Planning Board.)

ADJOURN TO WEDNESDAY, MARCH 13, 1996 AT 7:30 P.M.

5. To see if the Town will agree to pay 25% of the \$2 to \$3 Million Dollar estimated cost to close the Hopkinton-Webster landfill, as requested by the towns of Hopkinton and Webster. If approved, fund requirements will be included in the 1997 Town Budget.

6. To see if the Town will vote to approve the following salary schedule for 1996. The salaries are included in the individual budget line items and in the bottom line of the budget.

Selectmen/\$2496.00 ea.	\$ 7,488.00
Treasurer	3,120.00
Overseer of Public Welfare	900.00
Town Clerk	20,253.00
Tax Collector	16,640.00
Deputy Tax Collector	200.00
Trustee--Trust Funds	300.00
Animal Control Officer	1,500.00
Building Inspector	2,900.00
Health Officer	400.00
Moderator/per day	50.00
Assistant Moderator/per day	50.00
Ballot Clerks/ea./per day	10.00
Supervisors of the Checklist/per hr.	6.00
Emergency Management Director	250.00
Asst./Emergency Management Director	150.00
Conservation Commission Secretary	350.00
Fire Chief	1,000.00
First Deputy Fire Chief	500.00
Second Deputy Fire Chief	500.00
Fire Clerk	500.00

(Recommended by the Budget Committee and included in the Budget.)

7. To see if the Town will vote to raise and appropriate the sum of \$4,400 (Four Thousand Four Hundred Dollars) to purchase a motor vehicle computer software program for the Town Clerk.(Submitted by petition.)(Not recommended by the Budget Committee and not included in the Budget.)

8. To see if the Town will vote to raise and appropriate the sum of \$100,000 (One Hundred Thousand Dollars) and place said sum in a Capital Reserve Fund for a new highway equipment maintenance facility.
(Recommended by the Budget Committee and included in the Budget.)
9. To see if the Town will vote to raise and appropriate the sum of \$100,000 (One Hundred Thousand Dollars) for the purchase of a new highway plow truck and sander.
(Recommended by the Budget Committee and included in the Budget.)
10. To see if the Town will vote to raise and appropriate the sum of \$1,615,312 (One Million Six Hundred Fifteen Thousand Three Hundred and Twelve Dollars) which represents the bottom line of the posted budget as recommended by the Budget Committee (said sum is inclusive of all articles included by the Budget Committee.)
11. To see if the Town will vote to adopt, as an Ordinance, implementation of an Emergency Management Office to serve as the coordination element for Town-wide emergency actions, made by the Selectmen on November 15, 1995, pursuant to RSA 107, the provisions of which have been published at length and herein incorporated by reference.
12. To see if the Town will vote to adopt, as an Ordinance, the creation of procedures and fees for control and containment of hazardous materials, made by the Selectmen on December 15, 1995, pursuant to RSA 31:39, the provision of which have been published at length and herein incorporated by reference.
13. To see if the Town will vote to authorize the Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting such gifts and no acceptance shall be deemed to bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.
14. To hear reports of the officers of the Town heretofore chosen and Committees appointed and pass any vote relating thereto.
15. To see if the Town will vote under RSA 31:39 to permit the Board of Selectmen to adopt bylaws on behalf of the Town of Warner until the next annual meeting.

16. To transact any other business that may come before the said meeting.

Given under our hands and seal, this the 7th day of February, in the year of our Lord nineteen hundred and ninety-six.

**WARRANT OF WARNER VILLAGE WATER DISTRICT
ANNUAL MEETING
1996**

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Warner Village Water District in the Town of Warner, in the County of Merrimack, in said State, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said Warner on Tuesday, the 19th day of March next, at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose one Commissioner for three years.
3. To choose a Clerk, Treasurer and other agents or officers for the ensuing year.
4. To hear reports of the District Officers and Committees as printed in the Town Report for the preceding year and pass any vote relating thereto.
5. To authorize the Commissioners to apply for, receive and expend, only after a public hearing, any and all grants which may be available for water and sewerage systems of the District or for any study as may be required or appropriate relative to the operation or improvement of said systems.
6. To authorize the Commissioners to accept gifts and grants on behalf of the District.
7. To authorize the Commissioners and District Treasurer to borrow money in anticipation of taxes, water and sewer rents on the note or notes of the Warner Village Water District.
8. To raise and appropriate the sum of \$31,000 (Thirty-One Thousand Dollars), said sum currently in surplus, to be placed in the WVWD CapitalEquipment Capital Reserve Fund previously established for the replacement of capital equipment and to appoint the Commissioners as agents of said fund. (Recommended by the Commissioners and Budget Committee and included in the budget.)
9. To raise and appropriate the sum of \$16,663 (Sixteen Thousand Six Hundred Sixty-Three Dollars), said sum currently in surplus, to pay off the lease/purchase of the 1995 Ford Pick-up Truck. (Recommended by the Commissioners and Budget Committee and included in the budget.)

10. To raise and appropriate the sum of \$259,596 (Two Hundred Fifty-Nine Thousand Five Hundred Ninety-Six Dollars for the operation, maintenance and improvement of the District's water and sewerage systems which sum represents the bottom line of the posted budget as recommended by the Budget Committee.

11. To transact any other business that may legally come before the said meeting.

Given under our hands and seal, this the 9th day of February, in the year of our Lord, nineteen hundred and ninety-six.

1995 BUDGET COMMITTEE REPORT

The Budget Committee started a new procedure in June of 1995. In order to do a better job we decided to meet with the Board of Selectmen and the Warner Village Water District Commissioners on a regular basis throughout the year. As a result of this we are now able to see a broader picture of the town's and precinct's financial affairs.

This fall we had a joint meeting of budget members from Bradford, Hopkinton, Salisbury, and Sutton with Edward Rainville from the Department of Revenue Administration. The knowledge gained that night has been invaluable.

One comment that is frequently made about the Budget Committee is confusing and we would like to take this opportunity to clarify it. Warrant Articles are recommended by the Budget Committee and included in the budget **BUT** that recommendation does not always mean that it was a unanimous vote. On the budget form you will see the column where money is recommended by the budget committee and another column where money is not recommended. Again, these amounts may be by a majority vote and not a unanimous vote.

We would like to thank the individuals that attended our meetings this past month and a half. Your questions and input were greatly appreciated and did influence some of our votes.

Respectfully submitted,

Barbara Annis, *Chairwoman*

**WARNER FIRE DEPARTMENT ANNUAL REPORT
FOR THE YEAR ENDING DECEMBER 1995**

1995 was an average year for calls and alarms with a total of 223. Warner saw 3 multiple alarm fires this year, 2 - 3 alarm fires and a 5 alarm fire to end the year at WPI on December 29th. I would like to take this opportunity to again thank all the people and agencies for the great support the Fire Department receives during the year for all our efforts, as well as, the major calls. Please continue all efforts of fire prevention by inspecting and cleaning chimneys and inspecting and cleaning smoke detectors and related equipment for fire suppression.

The cab and chassis for the new fire truck was delivered to Valley Fire Equipment in Bradford in mid year. At this time the body is being built and we can expect delivery in early February 1996.

The E-911 system went on-line in July and so far there have been no major problems with the system. Please, if you have not done so yet put your assigned number on your property so that it can be seen easily driving up the road. It is very important that the numbers be in place and able to be seen when we respond to your location. If you have any questions as to location or size of numbers contact any Fire or Rescue member for advice.

Warren Lapham and Vicki Abbey resigned on the Fire Department and Dennis Inman resigned from the Rescue Squad. On behalf of the Town of Warner, I would like to thank them very much for all their years of service to the Town.

1995 Summary of Calls and Alarms

Vehicle Fire	4	Other/Misc. Fire	13
Service Calls	23	Structure Fire	<u>3</u>
Smoke Investigation	3	Total	223

Respectfully submitted,

Richard D. Brown
Chief of Warner Fire Department

**REPORT OF THE TOWN FOREST FIRE WARDEN
AND STATE FOREST RANGER**

Spring and summer of 1995 was once again a very dry season. The Town of Warner, along with the whole State of New Hampshire grew increasingly nervous as each day brought hot weather and windy conditions.

In July, we had temporary relief with a good rain but two weeks later we were once again in a very dry condition. While our surrounding towns were very busy with grass and brush fires, we were very fortunate not to have any related fires.

Once again, with your help, the people of Warner were spared any major fires. Our good luck was mostly due to everyone following the State and Town regulations by obtaining permits when available and by being extra careful.

A special thanks to the Deputy Wardens who spent many hours writing permits and keeping an eye out for any potential fire danger.

Remember, any fire requires a permit unless there is an adequate amount of snow cover on the ground. This winter is a good time to burn those brush piles before spring dry season returns.

FOREST FIRE STATISTICS - 1995

	State	Town

TO REPORT A FIRE ONLY, CALL 456-2233

Richard S. Chase
Forest Ranger, District 2

L. Ernest Nichols
Forest Fire Warden

WARNER POLICE DEPARTMENT

The Warner Police Department experienced another busy year in 1995, with a 24% increase in overall calls for service. The Department also experienced a noticeable increase in assault, criminal mischief, domestic violence and juvenile/alcohol related incidents. Burglary activity has again decreased in 1995.

The Department implemented a Child Safety Seat Loaner Program in 1995. This program was done as a public service in the interest of safety, and in an effort to increase public awareness. Information is available at the Warner Police Department.

This year we also provided the children of Simond's Elementary School, Warner Headstart and the Warner Kindergarten with safety reflective Halloween bags to ensure added safety while trick or treating. The Department also coordinated a Walk-A-Thon to benefit St. Judes Children's Hospital and on behalf of the Department I would like to thank all of the participants for contributing to this great cause.

Special thanks to Robert Dumong for the many volunteer hours he spent working on the Warner Police Department's surplus vehicle.

On behalf of the Warner Police Department, I would like to express our appreciation to all the residents of Warner, the Board of Selectmen, Highway and Fire Departments for your continued assistance and support throughout the year.

Respectfully submitted,

William E. Chandler
Chief of Police

ANIMAL CONTROL OFFICER'S ANNUAL REPORT

Rabies is way down from last year but we do expect it to increase again. Please report all dog bites and make sure your dogs and cats are up to date on their shots. Also be sure to license your dogs on or before April 30th of each year.

I would like to thank Woodlawn Kennel and the Warner Police Department for their help and support. To report animal complaints call **456-3432** or **456-3433**.

Thank you for your continued support of VNA services. In 1995, we provided more than 4,200 visits in Warner, 7 days a week/24 hours a day.

All of the appropriated funds from the town of Warner have been used to provide home care visits, hospice volunteer training and supervision, and well child clinic visits to people who had no insurance or inadequate insurance or funds. Other visits were subsidized by donations or paid by commercial insurance or from state and federal grant funds.

We depend heavily on the selfless support of volunteers and employees who contribute hours to the success of our programs. For them and our Trustees, we are grateful. Seven VNA employees live in Warner as does Henry Bothfeld, VNA Trustee.

HIGHWAY DEPARTMENT REPORT

In between plowing snow and sanding ice storms the highway department started work on Dimond Lane and it was finished in early spring.

In March the sand was put in at the Silver Lake Beach area. The 504 yards of sand for the beach was donated by John Hill. Some of the site clearing and all of the hauling of the beach sand was done by volunteers on weekends. My thanks to everyone who helped. After spring clean-up we constructed a large parking lot at Riverside Park and went back to Silver Lake to build a parking lot, recreation area, building site and septic system. Another section of Poverty Plains Road was widened and will hopefully be asphalt surfaced in 1996.

A little over 6800 feet of Newmarket Road was ditched and the old tar surface was ground up with a pavement grinder. This allows the old tar surface to be used again and to be regraded when necessary. With the drought all summer, the dirt surface did not pack as well as we had hoped and it kept the grader busy on it all summer. Approximately 1000 feet of guard rail was installed on the section that was finished two years ago. More work is planned for the '96 season.

A sidewalk up School Street was constructed and some road widening was also done at the same time. Lawn work and some retaining walls will have to be finished in the spring. A right-of-way on Tom's Pond Road was given to the Town by Mrs. Edith Rumrill and is greatly appreciated.

The following is a list of the roads that had surface work done to them this past year: Annis Loop, Pumpkin Hill Road, School Street, Tom's Pond Road and two sections of Schoodac Road.

I would like to welcome Bobby Dumong to the department and I would also like to thank everyone for their continued support, it is a pleasure working for the town.

Respectfully submitted,

Allan N. Brown, *Road Agent*

**TRUSTEES OF THE PILLSBURY FREE LIBRARY
ANNUAL REPORT 1995**

During 1995 the staff and the Board of Trustees have focused their attention on digesting the newly constructed addition which was completed in early 1994. The emphasis has been on getting the new library facility into operation as a greatly strengthened community service. Resources for all ages have been added in available books for circulation and reference, computer systems, programs for groups and research services. A computerized catalog search facility and an audio listening center are being considered.

Necessarily, considerable attention by both staff and board has been directed to completing the physical facility, adding needed refinements and acquiring new furnishings. We hope that this effort will be successfully concluded in 1996. Although much has been accomplished in these areas several tasks remain. Major retrofitting of a malfunctioning heating system has been successfully completed; a partial correction of excessive solar gain from the skylight was made with further steps planned as of this writing. Part of the first stage of the landscape plan has been implemented with the planting of four trees (magnolia, dogwood, evergreen and maple), the remainder being scheduled as the seasons and available funds will allow. The windows of the original Pillsbury structure have been rehabilitated and painted. A large dent has also been made in the furnishings acquisition program including tables and chairs, shelving, display space and TV/VCR equipment suitable for individual or group viewing.

For 1996 ongoing maintenance problems will be addressed; furnishings acquisition will be completed; programs for adults, adolescents and younger children will be strengthened. In the latter areas a film series, guest speakers and possibly musical presentations are under consideration. Some events are already being scheduled. In prospect then is an integrated service capability that will hopefully fill a community need and capitalize on the magnificent physical resource of the new library facility.

To have successfully accomplished this much so far for the town's library was made possible by the generosity and personal efforts of a great many persons, families and business enterprises. The Board of Trustees wishes to state its gratitude to all with extraordinary thanks and to express its dedication along with that of the staff to insuring that the Pillsbury Free Library will be able to offer exceptionally high quality services to the Warner community for the next hundred years as it has for the century just passed.

Respectfully submitted,

Victor M. Kumin, *Chair*
Board of Trustees

REPORT OF THE TREASURER
PILLSBURY FREE LIBRARY
For the year ended December 31, 1995

**PILLSBURY FREE LIBRARY
LIBRARY DIRECTOR'S REPORT**

1995 CIRCULATION

Adult and teen books	7,549
Children's books	6,677
Magazines	1,472
Audio and video recordings	947
Interlibrary Loan	<u>432</u>
Total	17,077

In 1995 the library added 960 books, 56 audio books, 5 children's readalongs, 3 music cassettes and CD's, 38 videos, 2 magazine and newspaper subscriptions, 10 public use software programs and CD-ROMS, and 1 microfilm. Many of these were donations. We lost and removed 608 books, 4 music recordings, 1 video, and 4 magazine subscriptions. This brings the total estimated holdings to 15,284 books, 114 adult audio books, about 762 music and children's recordings, 101 videos, 138 filmstrip sets, 69 microfilm reels, 19 public use computer programs and 72 magazine and Newspaper subscriptions. Through inter-library loan service 303 items were borrowed from other libraries and 129 were lent out to other libraries.

During 1995 we added 178 new borrowers registered, and lost 61. This brings our total registered borrowers to 1615, including Magdalen College Students.

We held a total of 82 programs attended by a total of 1028 people, including our regular story times for 3 year-olds, 4-6 year-olds, Head Start, Kearsarge Children's Center, and summer programs for elementary school children. We participated in the State-wide children's summer program theme which was "Saddle Up a Good Book".

The book discussion group meets once a month at the library and welcomes new members. Other programs for adults included an evening with author Roy Morrison, a talk by Dick Violette, a WW II film, and our first lecture sponsored by the Frank Maria Lecture fund. In 1996, we look forward to holding many more programs for adults and young adults. The Christa McAuliffe Planetarium Pass, funded by the Warner Woman's Club, is also available for any Warner resident or library card holder. Call or stop in to reserve a chance to save up to \$16 on Planetarium admission by using the pass. The Library's meeting room is available free of charge for the use of any public group, any day of the week. Please call or stop in to book the room.

In January we will have been in the building for two years but we are still adapting to the new space and its potentials, adding furniture, shelving and equipment. Notable new items of furniture include historical-collection glass-fronted cabinets made by Ted Blachly of Sutton, a reading table funded by the Warner Men's Club, glass doors on the display cases in the Meeting Room (funded by M.J. Ekstrand), a children's reading corner sofa, funded by MCT, Inc. and the renovation of the old shelving area by Steve Cermak (funded by Warner Fall Foliage Festival).

New equipment includes a large-screen TV and a VCR for use in public programs and by groups using the meeting room (funded by MCT, Inc). The Computer Center, which can be used free by any Library card holder, has been receiving a great deal of use. We hope to make Internet access available in 1996, thanks to the generosity of MCT, Inc.

In February our Library Helper, Rita LaBombard, moved to Concord but we were fortunate to have been provided with the very capable Lynn Sullivan in her place, thanks to funding provided by Community Action Program's Senior Community Service Employment Program.

In closing, I wish to extend a big thank you as always, to all the volunteers who donated hours of general help to the library in 1995, especially our committed weekly helpers Fern Lampron, Peg McLaughlin, Marilyn Andrade, "Shep" Bartlett, and Barbara Mailhot. Our warm thanks also to the Warner Friends of the Library, who ran the Fall Foliage Festival Booksale, put up seasonal decorations, organized the winter holiday program of music and refreshments, and participated in the Town's "Festival of Trees" display. If you are interested in joining the fun for future activities, please contact the Library.

Respectfully submitted,

Staff of the Pillsbury Free Library
enjoy the Simond's School
Halloween Party.

Nancy Ladd
Library Director

1995 WARNER FALL FOLIAGE FESTIVAL REPORT

The 1995 Warner Fall Foliage Festival was a success in spite of the rain on Saturday. Crowds on Sunday were exceptional and a major comeback was achieved. As far as revenues were concerned, our Friday night "one price rides" also helped to make up for a poor Saturday.

The Board of Directors would like to thank everyone who volunteered, to make this years' Festival a success and hope that the same community pride will continue for years to come.

We were able to distribute \$13, 871. to the following Town organizations.

- | | |
|-------------------------------|---|
| 1. Warner Parks & Recreation. | \$ 750. For new bleachers |
| 2. Warner Town Clerks' Office | \$ 500. For restoration of Town records |
| 3. Pillsbury Free Library | \$ 900. For an atlas stand |
| 4. Kearsarge Childrens Center | \$ 650. For electrical work |
| 5. Warner Mens Club | \$ 550. Towards new "Warner" signs |
| 6. Warner Police Department | \$1,471. For new base radio |
| 7. Town of Warner | \$3,000. Towards the kitchen remodeling |
| 8. Kearsarge Trail Snails | \$1,000. For trail maintenance |
| 9. Fall Foliage Festival | \$3,000. Towards the building CD |
| 10. Fall Foliage Festival | \$2,050. For equipment - tents/lighting |

Respectfully submitted,

Richard J. Stanley
President 1996

1995 EMERGENCY MANAGEMENT ANNUAL REPORT

In July of 1994, I assumed Dick White's position as the Emergency Management Director for the Town of Warner. Donna Butler was appointed as the Deputy Director in March of 1995 to assist with Emergency Management functions.

Emergency Management activities can include anything from natural disasters, such as winter storms, floods, hurricanes, earthquakes, etc. to man made causes such as Hazardous Materials spills. We will continue to work with the New Hampshire Office of Emergency Management as well as all the Town departments in planning and dealing with these disasters.

In December of 1994, a resident of Kearsarge Mountain Road was provided with sand bags during the heavy rains. 1995 continued to be a very active year. Both Donna and I were appointed members of the Capital Area Emergency Planning and Response District. This committee, made up of representatives from the 18 communities in the Capital Area Fire Mutual Aid System, was formed to deal with Hazardous Material incidents, as well as, natural disasters. We have also attended various State sponsored seminars and training sessions. Additionally, three exercises were conducted during 1995; a hurricane, winter storm and a simulated Hazardous Material spill.

Public education and training remains a high priority. In 1995, an Information Center was established at the Pillsbury Free Library. The Information Center contains handouts to help you plan for natural and man made disasters, should they occur. Please feel free to stop by and pick up any of this material. Donna and I attended State certified courses in Awareness, Operations, and Decontamination Hazardous Materials during the year. I also attended an Exercise Design and an Exercise Evaluation course sponsored by the Federal Emergency Management Institute and taught by the State Office of Emergency Management.

As part of the continued planning for Hazardous Material spills, letters were sent out to all Warner businesses requesting updated information on Hazardous Materials manufactured, transported, stored or used within the community. This information has been compiled and was provided to the Fire Department, as well as, the Regional Planning and Response District.

I would like to thank Donna, the Selectmen and all the Town departments for their support and cooperation during this past year.

Respectfully submitted,

Edward F. Mical,
Emergency Management Director

1995 PLANNING BOARD ANNUAL REPORT

The Warner Planning Board experienced an active and productive year in 1995. We approved four (4) sub-divisions, three (3) lot line annexations and two (2) site plan reviews. We anticipate a continued growth in activity in 1996.

We have initiated the State of NH House Bill #390 regarding Voluntary Merger which allows any owner of two (2) or more contiguous pre-existing approved or subdivided lots or parcels to merge them for municipal regulation and taxation purposes. We are pleased to have completed two (2) merger transactions in 1995.

We said good-bye to Amy Parker of Central New Hampshire Regional Planning Commission, we certainly appreciated all of her efforts working with us on our amendments to the Site Plan Review Regulations this year. We welcome Lindley Kirpatrick to CNHRPC, who did a tremendous job helping us create a proposed substitute model flood plain ordinance and assisting us with pending changes to our existing excavation regulations..

A special thanks to the residents of Warner for their input and support throughout the year, and the Central Regional Planning Commission staff for their continued guidance. May 1996 be a happy, healthy and prosperous year for all.

Respectfully submitted,

Neale Carlson, *Chairman*

Nancy Martin, *Vice-Chairman*

The Historical Society is committed to being part of the progressive development of Warner while at the same time preserving Warner's past. In December, in response to increasing activity, the Society hired Darleen Mimnaugh as part-time Office Manager. She is at the Main Street house each Tuesday afternoon between the hours of 1-4 p.m. as well as volunteers Beverly Hill, Margaret Courser, Mildred Stewart, and Elsa Brandt (pictured below).

Popular programs during 1995 included the Society's traditional summer concert and the Christmas Open House. For the new year anticipated programs will feature Warner's past, including deed research back to the original grantors, and exploring old neighborhoods, cemeteries, and abandoned roads.

Thanks to Evie Joss and her volunteers, the Barn Sale again enjoyed a most successful year, providing a major source of the Society's annual operating income. In addition, the Barn Committee was happy to be able to supply some clothing to a local family when their home burned. Donations of items for resale are welcomed throughout the year. For information or to make arrangements, call Evie Joss at 456-3662. See you when we re-open on Memorial Day weekend.

The Warner Historic Resource Inventory project (WHIRS) which involves the photographing and cataloging of all structures in town, has been completed, and a report will be presented to the Planning Board. Pictures of many of the structures may be seen at the Society or in the History of Warner book, available at the Main Street house. Photos and other documentation of WPI's building, the former Henniker Crutch Factory, recently destroyed by fire, are a fine example of the value of the WHIRS project.

The Society's collections continue to grow as memorabilia of Warner's past finds its way to the Main Street house. Anyone holding photos, journals, diaries, and scrapbooks are encouraged to call Rebecca Courser at 456-3997 or Darleen Mimnaugh at 456-2437. Your support and interest in the Society are welcome. Please drop by the Main Street house on Tuesdays from 1-4 p.m. to visit with the staff and learn about the evolving history of your town.

Left to Right:
 Beverly Hill; Office Manager-
 Darleen Mimnaugh; Elsa Brandt;
 Magaret Courser

Respectfully submitted,
 Royal Latuch, *President*

TRUSTEES OF TOWN CEMETERIES ANNUAL REPORT

The Trustees of the Town Cemeteries are responsible for the maintenance, repair, and improvements to the 30 cemeteries in the town. Some of these are small family plots located in presently undeveloped sections of Warner, as well as, the New Waterloo Cemetery located on Route 103 west of town.

The combination of interest from perpetual care trust funds and money from the Town of Warner allow us to hire a part-time custodian, pay the American Legion to do a yearly clean-up before Memorial Day and to pay for small maintenance jobs that must be hired out to individuals.

This year, following retirement of our long time custodian, the mowing was put out to bid and after a tour of the cemeteries with the 8 prospective bidders, Northstar Maintenance of Warner was selected.

The annual cemetery workday was held on April 23rd at the Coal Hearth Cemetery where we completed the work started the previous year. We raked, hauled brush, and collected bushels of acorns and ended the morning with a tour of the Poor Farm Cemetery.

This year we welcome Corey Nunn and Jayne Greenlun to the board and we wish to express our thanks to retiring member Rebecca Courser for her many years of faithful work. Our thanks, as well, go to the American Legion for its fine spring clean-up and to Wes Hays of Northstar Maintenance for efficient and scrupulous attention to the cemeteries.

An annual clean-up day will be announced for later this spring and we welcome the help of anyone interested in a morning of invigorating labor, fresh air, and jovial company.

Respectfully submitted,

Anna M. Allen
Gerald B. Courser
Robert Shoemaker III
Jayne A. Greenlun
Corey Nunn
Trustees

CHANDLER RESERVATION COMMITTEE REPORT

The Chandler Reservation Committee met at different times during the year to discuss on-going projects. One project, the new access road off Howe Lane, had some additional work done on it this year. Some additional ditching and the placement of some crushed gravel in the steep portion of the road, improved the road base so large trucks can access the log landings that were built. It is hoped that the road will be utilized this year. Steve Lord, the town's consulting forester, is presently marking trees in an area at the end of the road in preparation for a planned timber sale in 1996. The area has a considerable amount of low grade pine along with a fair amount of cordwood type timber.

In October, Allie Mock and Richard Cutting located the site of a former steam mill setting on the Reservation. The site is located fairly well up on one of the Mink Hills in a valley where water runs and was used for the steam mill. This mill is believed to be the one that produced the lumber that was sent down a lumber slide. Slabs from the old mill were still visibly piled up. Two pieces were brought down and are now on display in the Historical Society building on Main Street.

The ski-tow trail was mowed this year as was the adjacent trail that goes to the old tower site on Chandler Mink. Mowing was also done on the road that goes to the Osgoodite's. This road, off Bean Road, is also the entry-way to the "White Trail" that also leads to the old tower site.

Respectfully submitted,

John R. Hill
Richard M. Cutting
Gerald B. Courser
Allison P. Mock

1995 WARNER CONSERVATION COMMISSION REPORT

The Warner Conservation Commission is charged by State statute with developing an inventory of natural resources in the Town and advising other town boards on the protection of those resources. We also advise the New Hampshire Wetlands Board on permit applications to fill or dredge wetlands, lakes, ponds, rivers or streams within the Town.

A natural resource inventory looks at the wide spectrum of natural resources that make Warner an attractive place to live and which must be conserved so that future generations enjoy the same opportunities. These include forest resources, prime agricultural lands, wetlands and surface waters, rare plant and/or animal communities and wildlife habitat.

In 1995, the Conservation Commission contracted with the University of New Hampshire's Complex Systems Research Center to create a number of natural resource maps that will assist the Conservation Commission, Planning Board and Selectmen when making decisions that impact Warner's environment. The subjects to be displayed on these maps were selected after consultation with the Planning Board to ensure that the information will be helpful to them in their future deliberations. This is the first phase of a project that we anticipate will last several years.

During the past year we have become concerned about proposed changes in federal legislation that could impact the quality of Warner's environment. Representatives of the United States Fish and Wildlife Service presented information on proposed changes to the Endangered Species Act and possible implications of federal "takings" legislation. Working with Conservation Commissions from surrounding towns we sponsored a public meeting to help us all gain a better understanding of these proposed changes. In early 1996, we hope to meet with our congressional delegation to hear their position on these proposals and to discuss the concerns of people from the area.

In the coming year we will continue to provide Warner citizens with informative programs about environmental regulations and issues that affect us all. Through the generosity of John Hill, the Conservation Commission and the Selectmen have acquired a considerable area of conservation land along the Warner River that will help to protect important groundwater resources and provide habitat for many wildlife species. I would like to take this opportunity to thank Jim McLaughlin who stepped down as Chair of the Commission after 3 years. During his tenure the Conservation Commission accepted its first conservation easement and began a series of public programs on Warner's environment and the issues that affect it. Thank you Jim for all your hard work.

Respectfully submitted,

Richard A. Cook, *Chairman*

1995 WARNER TRANSFER AND RECYCLING STATION REPORT

We are now offering a paint collection recycling service, with this program you can dispose of unwanted paints on a regular basis. Please see Dan or Varick for details.

If you are a commercial business it is now illegal to throw your spent fluorescent light bulbs in the trash. These light bulbs have mercury, phosphorous and metals that are harmful to the environment. We have boxes to collect them for recycling and we encourage all household residents to recycle them also.

The Household Hazardous Waste Collection Day collected from 62 Warner households this year. As a result of having on-going collection programs such as: paint, used oil and oil filters, fluorescent bulbs, CFC's and batteries, we will now be holding a household hazardous waste collection day every two years instead of yearly. **Please keep in mind that there are some things we cannot take.** If you find you have something to dispose of, and you have questions, we will be glad to help you with whatever information we might have.

We applied for and received a grant from the State of New Hampshire for \$1,500. to improve our used oil collection system.

The 1995 Gross Annual Tonnage (GAT) was set at 1125 tons and we produced 1196.97 tons of trash exceeding it by 71.97 tons. The GAT is set at 1450 tons for 1996 with the price per ton dropping from \$40.00 to \$39.00. 250 Tons have been added for Market Basket and they will reimburse the Town for their disposal.

The following statistics are for the materials taken out of the waste stream and recycled:

Metal and steel cans	123.	tons
Cardboard	128.	tons
Newspaper	52.	tons
Plastics	12.	tons
Aluminum cans & foil	4.23	tons
Textiles	5.	tons
Glass (approx. weight)	50.	tons
Wet Cell batteries	142	
Used Oil	2,200.	gal.
Used Oil filters	6 - 55 gal.	Drums
CFC's taken from refrigerators & A/C's	59 lbs.	

All residents must have valid transfer stickers on their vehicles in plain sight, this allows us confirmation of residency and lessens the work for the attendants. I would again like to thank our volunteers who help throughout the year.

WARNER TRANSFER AND RECYCLING STATION REPORT CONT'D.

As the Town continues to grow, it becomes more important every year to recycle as much as possible. We ask that each of you do your part to help in our recycling efforts.

Respectfully submitted,

Allan N. Brown, *Superintendent*
Warner Transfer and Recycling Station

TRANSFER AND RECYCLING STATION STATISTICS ANNUAL REPORT END OF YEAR 1995

**COMMUNITY ACTION PROGRAM
BELKNAP-MERRIMACK COUNTIES, INC.**

Over the past seventeen years, the Kearsarge Valley Community Action Program has been the focal point of social service delivery in this area, providing help when needed to the income eligible and elderly, as well as to the community at large.

As perhaps you are aware, Community Action Program Belknap-Merrimack Counties, Inc. generates funds through the mobilization of available federal, state and local monies. Support for the local Area Center is derived from a combination of federal appropriations and local tax dollars. This combination allows the Kearsarge Valley Community Action Program to provide a variety of services to the residents of your community, from the development of programs which meet local needs, to outreach, referral and direct assistance.

In 1995 we served 1,187 Congregate Meals to 36 people and provided Fuel Assistance to 57 households; 265 people received three days of food from the Emergency Food Pantries, 12 people received 2,247 Meals-On-Wheels; CAP Transportation provided 1,671 rides to 38 people, 52 households/99 people received USDA Commodity Foods, 10 children received services from Head Start and the Senior Companion Program provided 568 hours of visitation to 5 homebound elderly people. 4 income eligible senior citizens were employed through the Senior Community Service Employment Program and 43 people received 510 packages of food through the Commodity Supplemental Food Program. 1 household was serviced under the HOME Program totaling \$26,007.00; WIC (Women, Infants and Children) issued 422 vouchers to 39 people. The services provided to the Town of Warner in 1995 totaled \$177,029.58.

The staff of the Kearsarge Valley Area Center would like to thank the Town of Warner for your past support. With your continued interest, we will be able to continue to provide needed services to members of your community.

Respectfully submitted,

Barbara A. Chellis, *Area Director*
Kearsarge Valley Area Center

WARNER PARKS & RECREATION ANNUAL REPORT

Youth Sports

1995 brought the official formation of the newly organized Warner Youth Sports Association, known by its' shortened name, WYSA. This volunteer group has worked closely with the Warner Parks and Recreation Commission to continue to provide baseball, softball, and soccer to the youth of Warner. Some of WYSA's' goals are to provide training and support for coaches and officials, provide uniforms with the help of sponsors, and to operate concessions at sporting events.

Youth Baseball

During the April school vacation, a baseball camp was held in Warner by former Red Sox player Rick Miller. The camp was well received with plans for a second camp in 1996. Warner's 9-10 year old little league team, managed by Steve Cermak, won the Kearsarge Mountain Babe Ruth League championship. The 11-12 year old team did very well, placing second in their division championship tournament.

Youth Softball

The softball players had a successful season. The 11-12 year old All Star team included some players from Warner, and was managed and coached by Sallie Brassard and Joanne Hinnendael. They won both their district and state championship and participated in the Regional Tournament in Massachusetts.

Youth Soccer

The season started with a soccer fun day in May to register players for the fall season and the August soccer camp. A representative from North American Soccer Camps Inc. ran the fun day at Bagley Park. The soccer program expanded to include spring soccer. During August, we held our third soccer Camp with over 80 Warner youth attending. The fall soccer season had 145 players enrolled, including a kindergarten "Fun & Games" program and a 7/8th grade boys team.

Easter Egg Hunt

Parks & Rec. Sponsored a community Easter Egg Hunt. Thank you to Stephanie Brown and Kim Morgan for coordinating the well attended event.

Family New Games

A New Games afternoon was held for community members in February at the Town Hall. It was a free afternoon with cooperative games for all ages.

The Beach and Park at Silver Lake

The spring of 1995 was a very busy time getting work done at Silver Lake to open the area for swimming and picnicking. The driving force behind the project was Paul Talarico, and the Warner Selectmen. Thank you very much for your vision and dedication. There were many volunteers who worked countless hours clearing, removing brush,..... The town beach had a dedication ceremony in July. A plaque was placed on the changing house to honor Marjorie Newman who was on the

WARNER PARKS & RECREATION CONT'D.

committee that investigated the formation of a Warner Town beach several years ago. The area opened in June and closed right after Labor Day. The beach is not monitored by a lifeguard so young swimmers should always be accompanied by an adult.

Riverside Park

Fencing was added this year to the Babe Ruth field. A new parking area was added as you enter the park, thanks to donations of gravel by Demoulas Market Basket. We plan to build dugouts for the 1996 season.

Bagley Park

Preparations are being made to add a second large soccer field and a smaller practice field. A well was donated by Capital Well, so the players could have water and the field can be watered. Thank you to the Dragon family.

Thank you to the many volunteers who have helped to provide recreation for the youth of our community, and improve and maintain our parks.

Respectfully submitted,

Faith Minton

**1995 CENTRAL NEW HAMPSHIRE
REGIONAL PLANNING COMMISSION ANNUAL REPORT**

The Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of Towns and the City of Concord in Merrimack and Hillsborough Counties. The Town of Warner is a member in good standing.

The CNHRPC aids member communities and their various boards with assistance on local plans and problems, with a focus on future developments.

During the past year there have been many times when the Commission has been asked for advice and help by various Town agencies. More than once planners from the Commission have attended meetings and offered basic information which helped formulate decisions.

Our population is growing, thus the cost of membership in the CNHRPC has increased. The CNHRPC dues for Warner are still less than amounts charged to communities in other regional areas.

The Commission is a source of information which increases daily. We are entering a period of increasing growth which will increase our use of the CNHRPC. Warner is well served to be part of the CNHRPC.

Respectfully submitted,

Nancy Nemec

Jere T. Henley

Warner Representatives

**NANCY SIBLEY WILKINS-TOWN OF WARNER
TRUST FUND REPORT**

The Nancy Sibley Wilkins-Town of Warner Trust Fund was established under Miss Wilkin's will to benefit the townspeople of Warner through causes found worthy by a board of four trustees, comprised by appointment of the Board of Selectmen, The United Church of Warner, the Warner Historical Society and a member at-large appointed by the preceding three. The fund endowment (\$100,000.) is managed by the NH Charitable Foundation. Distributions of income are by grants made from time to time as determined by the Trustees in response to grant and loan applications.

In making grants, the Trustees will give priority consideration to projects undertaken by local non-profit organizations or public agencies which the grants will:

- ...Provide seed money, bridge funding, capital improvements or leverage for grantees to become more effective or to expand services or resources in order to confer greater general benefit to the people of Warner
- ...Support exemplary programs where modest amounts available will have the greatest impact
- ...Enable grantees to build diverse sources of support without dependence upon regular grants from the Trust

In 1995, Grants were made to the Pillsbury Free Library, Explorer Scout Post #514 and Warner Parks and Recreation for the new Town beach.

**AUDITOR'S REPORT FOR THE WARNER VILLAGE WATER DISTRICT
FOR THE YEAR ENDING DECEMBER 31, 1995**

February 9, 1996

Board of Commissioners
Warner Village Water District
Warner, New Hampshire

Gentlemen:

I have audited the accompanying balance sheet of the Warner Village Water District for the year ended December 31, 1995, and the related statements of revenues and expenditures for the year then ended. These financial statements are the responsibility of the District's Management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Warner Village Water District, Warner, New Hampshire, as of December 31, 1995 and for the year then ended in conformity with the generally accepted accounting principles.

Respectfully submitted,

L. Patrick Kelly
Certified Public Accountant

WARNER VILLAGE WATER DISTRICT COMMISSIONERS' REPORT 1995

Good news for all District residents. The reduction of the availability charge and increase of the water and sewer user fees approved at the last annual meeting reduced the precinct tax by forty percent. Market Basket tie-in and operations helped us keep our costs in line.

The new back-up well is on line and operating successfully. A Community Development Block Grant paid for the back-up well and allowed us to expand the pumphouse for additional storage of chemicals and acquire new lab equipment for water testing.

Negotiations with federal and state governments led to a successful five-year renewal of our operating permit for the sewage treatment plant. Testing costs are up but nowhere near as much as before negotiating.

New dewatering reed beds were planted and are growing nicely. The District was also able to have a company come in at minimal expense as a demonstration project to dewater 56,000 gallons of sludge through a mechanical squeegee press in only eight hours. The reed bed replacement and sludge removal process is necessary on a periodic basis.

Thanks to the leadership of Jim McLaughlin, water and sewer lines were mapped. The exact locations of fire hydrants, manholes, shut-offs were located using a Global Positioning System (use of satellites to fix positions on earth), one of the great wonders of modern technology. This information was overlaid on the very accurate town-wide base maps done by the Merrimack County Telephone Company.

The District traded in its small, tan truck and sold the old, green truck and acquired a new white Ford pickup. It came equipped with a snowplow and other needed accessories.

The District was honored to have our plant superintendent, Jim Bailey, elected as a director of the Northeast Rural Water Association. NERWA is a non-profit organization that helps small water systems throughout New England plan their operations. Congratulations, Jim!

It's been a busy and interesting year, and we would like to thank all the personnel, elected, appointed and hired, for the great job they have done for the Warner Village Water District.

Respectfully submitted,

Votes Cast 388 (24%)

Legal Voters Registered 1590

ADJOURN TO WEDNESDAY, MARCH 15, 1995 AT 7:30 P.M.

The 221st Annual Meeting of the Town of Warner was called to order at 7:30 P.M. by Moderator Donald Gartrell. The attending Townspeople rose to the Pledge of Allegiance, followed by the Invocation delivered by Rev. Dr. Alan Trent, Minister of the United Church of Warner.

The Selectmen were pleased and honored to dedicate this year's Town Report to George A. Guimond..

ARTICLE 2. To see if the Town will vote to raise and appropriate the sum of \$23,600 (Twenty-three Thousand Six Hundred Dollars) to rebuild 710 feet of sidewalk on School Street. (Submitted by signed petition.) (Recommended by the Budget Committee and included in the Budget.)

Voting Yes 132 Voting No 41 Article Passed..

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of \$185,000 (One Hundred Eighty-five Thousand Dollars) for a new fire truck and to authorize the Board of Selectmen to withdraw from the Capital Reserve Fund \$70,000 (Seventy Thousand Dollars) plus interest accrued, \$22,500 (Twenty-two Thousand Five Hundred Dollars) from the New Land Account and the balance to be raised by taxation. (Recommended by the Budget Committee and included in the Budget.)

Voice vote.. Ayes in the affirmative.. Article passed..

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$37,000 (Thirty Seven Thousand Dollars) to purchase approximately 30 acres of land for a future site for a highway equipment maintenance facility. Sale of land is conditional upon the Town's agreeing to leaving the 5.5 acres in its natural state in perpetuity and installing and maintaining a sign. (Recommended by the Budget Committee and included in the Budget.)

Voice vote.. Ayes in the affirmative.. Article passed.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$50,000 (Fifty Thousand Dollars) and place said sum in the Capital Reserve Fund for Highway Equipment. (Recommended by the Budget Committee and included in the Budget.)

Voice vote.. Ayes in the affirmative.. Article passed.

ARTICLE 6. To see if the Town will vote to approve the following salary schedule for 1995. The salaries are included in the individual budget line items and in the bottom line of the budget.

Selectmen/\$2496.00 ea.	\$ 7,488.00
Treasurer	3,120.00
Overseer of Public Welfare	900.00
Town Clerk	20,253.00
Tax Collector	16,640.00
Deputy Tax Collector	200.00
Trustee--Trust Funds	300.00
Animal Control Officer	1,500.00
Building Inspector	2,900.00
Zoning Compliance Officer	1,000.00
Health Officer	400.00
Moderator/per day	25.00
Assistant Moderator/per day	25.00
Ballot Clerks/ea./per day	10.00
Supervisors of the Checklist/per hr.	6.00
Emergency Management Director	250.00
Asst./Emergency Management Director	150.00
Conservation Commission Secretary	350.00
Fire Chief	1,000.00
First Deputy Fire Chief	500.00
Second Deputy Fire Chief	500.00
Fire Clerk	500.00

(Recommended by the Budget Committee and included in the Budget.)

Voice vote.. Ayes in the affirmative.. Article passed.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$1,683,082 (One Million Six Hundred Eighty-three Thousand Eighty-two Dollars) which represents the bottom line of the posted budget as recommended by the Budget Committee (said sum is inclusive of all articles included by the Budget Committee.)

Article amended to add \$3,000.00 to the Parks & Recreation Budget.

Voice vote.. Ayes in the affirmative.. Amendment passed.

Article to read -- the sum of \$1,686,082.00..

Voice vote.. Ayes in the affirmative.. Article passed as amended..

ARTICLE 8. To see if the Town will vote to authorize the Board of Selectmen to accept the dedication of any street in accordance with RSA 674: 40-a shown on a subdivision plat approved by the Planning Board, provided that such street has been constructed to applicable town specifications as determined by the Board of Selectmen or their agent. The Board of Selectmen shall refer proposed names of roads within the Town of Warner to the Naming of Roads Committee which shall in consultation with the Warner Historical Society, recommend to the Selectmen for approval by the Town names which possess historical association with the Town of Warner. This authority is granted indefinitely until rescinded by Town meeting.

Voice vote.. Ayes in the affirmative.. Article passed..

ARTICLE 9. To see if the Town will vote to adopt as an Ordinance the Town-wide mandatory “Residential/Business Street Numbering Ordinance” made by the Selectmen on February 28, 1995, pursuant to RSA 231:133-a, the provisions of which have been published at length and herein incorporated by reference.

Voice vote.. Ayes in the affirmative.. Article passed..

ARTICLE 10. To see if the Town will vote to adopt as an Ordinance of the Town the “Dog Leash/Clean-up Ordinance” for designated Town sport/recreation areas made by the Selectmen on February 28, 1995, the provision of which has been published and herein incorporated by reference.

Voice vote.. Ayes in the affirmative.. Article passed..

ARTICLE 11. To see if the Town will vote to adopt as an Ordinance of the Town the “Prohibiting Consumption of Alcoholic Beverages on Public Streets, Sidewalks or Commons” without specific written permission of the Selectmen, made by the Selectmen on February 28, 1995, pursuant to RSA 41:11 and RSA 31:39, the provision of which has been published and herein incorporated by reference.

Voice vote.. Ayes in the affirmative.. Article passed..

ARTICLE 12. To see if the Town will vote to adopt as an Ordinance of the Town the “Blocking of Free Passage on Town Streets and Sidewalk Ordinance” without written permission of the Selectmen, made by the Selectmen on February 28, 1995, pursuant to RSA 41:11 and RSA 31:39, the provision of which has been published and herein incorporated by reference.

Voice vote.. Ayes in the affirmative.. Article passed..

ARTICLE 13. To see if the Town will vote to authorize the Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting such gifts and no acceptance shall be deemed to bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

Voice vote.. Ayes in the affirmative.. Article passed..

ARTICLE 14. To hear reports of the officers of the Town heretofore chosen and Committees appointed and pass any vote relating thereto.

Voice vote.. Ayes in the affirmative.. Article passed..

ARTICLE 15. To see if the Town will vote under RSA 31:39 to permit the Board of Selectmen to adopt bylaws on behalf of the Town of Warner until the next annual meeting.

Voice vote.. Ayes in the affirmative.. Article passed..

ARTICLE 16. To transact any other business that may come before the said meeting.

Voice vote.. Ayes in the affirmative.. Article passed.

Motion for adjournment made and seconded.. All were in favor..The Town of Warner concluded its 221st Annual Meeting (one of the shortest on record) at 9:35 P.M.

Respectfully submitted,

Jeanne C. Hallenborg
Town Clerk

**TWENTY-FIVE YEARS AGO
TOWN MEETING
MARCH 10, 1970**

Prior to the opening of Town Meeting at 9:00 A.M. the ballots were publicly counted by the Moderator L. Waldo Bigelow, Town Clerk Nellie M. Dow and the ballot clerks Ester Raudell, Alice Hemphill, Anna Allen and Jane Bliss. The total number of names on the checklist was 702 and the total number of ballots cast were 311.

Seven (7) candidates ran for the Office of Selectmen--Paul E. Violette was elected with 174 votes. Other Officers chosen were Thomas B. Henley-Treasurer, Nellie M. Dow-Town Clerk, Barbara Annis-Tax Collector, Walter P. Miner-Trustee of Trust Funds, Theodore J. Bliss and Charles H. Hemphill-Budget Committee members, Theodore J. Bliss-Chandler Reservation Committee, Anna M. Allen, Gayle L. Eastley and Mildred N. White -Trustees of Pillsbury Free Library, Maurice F. Youmans-Overseer of Public Welfare and Emil W. Allen, Jr.-Custodian New Town Cemetery.

Voting continued throughout the day. Dinners were served at Bills Place (in 1995 is the site of Cricenti's parking lot).

The polls were closed at 7:05 P.M. and discussion of the Warrant began.

The motion was made by Theodore Young that Articles 6,7,8 and 9 be taken up before Article 2 and that the question be resolved by yes and no ballots---voted yes. The reason for doing this was that all were included in the Budget and approved by the Budget Committee. In doing this each can be voted upon separately rather than be accepted as a unit in the Budget.

Article 2 To raise \$95,721.53 to defray town expenses for the ensuing year--unanimously voted following Articles 6,7,8 and 9.

Article 6 To appropriate \$8,200.00 for purchasing new highway equipment. \$2,200.00 by taxation and to borrow \$6,000.00 on notes to be paid off in the sum of \$3,000.00 plus interest annually.

Voted Yes 104 Voted No 48

Article 7 To appropriate \$2,600.00 for a new Police cruiser. The sum of \$1,300.00 to be raised by taxation. The Board of Selectmen and Treasurer were authorized to apply for an accept any Federal and State funds for the balance. The purchase not to be made until this money was secured. Edward Davis asked if the car might to American made and Betty Fredericks spoke on the need of a cruiser.

Voted Yes 119 Voted No 46

- Article 8 That the Town join with Andover, Bradford, Danbury, New London, Springfield, Sutton, Webster and Wilmot to provide a Kearsarge Visiting Nurse Association and appropriate \$1,665.00 for Warner's share. Maurice Youmans spoke in favor of the motion. The cost is \$1.25 per head.
Voted Yes 109 Voted No 56
- Article 9 Inserted by petition and not approved by the Budget Committee. Resolved that \$7,000.00 to used from Road money of Duncan Fund money to improve and surface the road leading to the ski tow. Comments were: Charles Bean questioned need of more money.
