Which leaves a surplus due the town at this date, February 15th, 1895, after paying all indebtedness, of \$1,067.87.

There has been raised in the past four years \$8,000 to pay interest on town debt and meet the \$9,000 in bonds due July 1st, 1895. There has been paid to date in the past four years, \$1,536 for coupons or interest on bonds and for one \$100 bond.

The money in the treasury is now sufficient to meet the bonds becoming due July 1st, 1895, and will be ready to

pay them, leaving a surplus on hand of \$1,067.87, to pay bills with as they become due, which makes a good showing of the economy of the selectmen for the past four years.

All of which is most respectfully submitted.

CHARLES CHILD, Treasurer.

Bath, N. H., February 15, 1895.

We hereby certify that we have examined the accounts of the Selectmen and the Treasurer for the year ending February 15th, 1895, and find them properly vouched and correctly cast, and the foregoing report is in accordance therewith.
