NOTES FROM THE SELECTMEN

As we look back over 1968, which passed so swiftly, we see a continuation of steady growth.

Interstate #89 was opened through New London in November. This makes us a link in a complex highway system, undreamed of a generation ago.

As we develop and expand, there has been a great deal of deep thought given to preserve the charm that is our New England heritage.

The Conservation Commission has acquired more land in keeping with their goal of securing sites in New London for our shared pleasure and our future.

Dr. Donald F. Bent, under the supervision of the Lake Sunapee Protective Association, and with Richard H. Johnson assisting him, tested septic systems on Lake Sunapee. A privately financed sewerage survey was made on Pleasant Lake. Many recommendations and changes came from these projects.

The Sewer Commissioners have purchased the necessary land along Lyon Brook to improve the town sewerage system and the work is being carried forward.

This was, of course the year the Planning Board, with Hans Klunder, finalized the Master Plan. The Zoning amendments, in keeping with the Plan, will be presented to the townspeople on March 11th for their consideration. The Planning Board is to be thanked for their efforts and time spent on informational hearings, so the Plan might be discussed and better understood.

All the departments have felt the push of growth and the need of augmentation. Services, equipment and personnel must grow as our town grows.

Again, in 1968 we issued 75 building permits:

- 34 new residences
- 1 Parish house
- 3 commercial buildings
- 15 garages, sheds or barns
- 21 home or business alterations
- 1 sign

We regretfully accepted the resignation of Harold E. Messer, Cemetery Commissioner, with over 40 years of service and devotion to the Town of New London. Mr. Messer is an example of the many elected and appointed boards and officials whom we thank for their continued willingness to serve.

“Our todays and yesterdays
Are the blocks with which we build.”

Henry Wadsworth Longfellow

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of New London in the County of Merrimack, in said State, qualified to vote in Town affairs:

(L. S.)

You are hereby notified to meet at the New London High School Auditorium in said New London on Tuesday, the eleventh day of March, 1969 at twelve o'clock noon to act upon the following subjects:

Article:

1. To choose all necessary Town Officers for the year ensuing.

2. To ballot with the use of the checklist on the amendments to the Zoning Ordinance proposed by the Planning Board (which are on file together with the zoning map at the office of the Town Clerk where they may be examined by all interested persons, and will also be on display on the day of the meeting at the place thereof); such balloting to be in accordance with RSA 31:63-a (supp), the polls to be open not later than noon and remain open at least 8 hours.

Note — By law, the meeting must open before voting starts.

Therefore, the Meeting and Polls will open at 12:00 noon for the consideration of Articles 1 and 2.

At 12:30 the Meeting will recess but the Polls will remain open.

The Meeting will reconvene at 7:30 P.M.

Polls will close at 8:00 P.M.

3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. This sum to include:

Note — The + or — amounts indicate any difference between the proposed and the 1968 appropriations.

	1969	1968	
Town Officers' Salaries	\$8000	\$6400	+ 1600

25. Lake Sunapee Board of Trade	900	800	+ 100
26. Dartmouth-Lake Sunapee Region Association	300	200	+ 100
27. 25% of the yearly cost of the Sewer Bond	2081.25		+2,081.25

28. To see if the Town will vote to change the schedule of salary for the Tax Collector to $\frac{3}{4}$ of 1% for the first \$400,000. of taxable personal property; $\frac{1}{2}$ of 1% for the next

\$200,000; and $\frac{1}{4}$ of 1% thereafter. The present rate is $\frac{3}{4}$ of 1%.

29. To see if the Town will vote to raise and appropriate the sum of sixty thousand (\$60,000.) dollars for the purpose of buying property known as Pleasant Lake Lodge; and to raise said sum by authorizing the Selectmen to borrow the same in the name of the Town by the issuance of serial notes or bonds, as provided in Chapter 72, Revised Laws, as amended, and for this purpose, to authorize the Selectmen to determine the time and place of payment and rate of interest of such notes or bonds and to provide for the sale of the same.

30. To see if the Town will vote to discontinue the present deadend section of Columbus Avenue leading from 103A to Interstate 89. Such land within the road limit to revert to the abutting property owners.

This article by petition

31. To see if the Town of New London will vote to raise and appropriate the sum of \$10,000 for the purpose of defraying the cost of final plans and specifications for sewerage and sewage treatment facilities for the village of Elkins, town of New London, such sum to be raised by authorizing the Selectmen to borrow the same in the name of the Town by the issuance of serial notes or bonds, under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the New Hampshire Statutes Annotated 1955 and any amendment thereto) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon and to take such other actions as may be necessary to effect issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of New London.

*This article by petition and not recommended
by the Budget Committee*

32. To see if the Town will adopt the following by-law:
"By-law regulating the use of the passway to Pleasant Lake

donated to the Town of New London by Sarah J. Elkins. Be it enacted by the Town of New London in town meeting convened: (a) The use of the passway to Pleasant Lake donated to the Town of New London by deed of Sarah J. Elkins dated October 2, 1926, and recorded in Merrimack County Registry of Deeds, Book 491, Page 239, shall be limited and restricted to persons residing in this town and their house guests; and it shall be unlawful for all other persons to use property. (b) Any person, non-resident of this town, convicted of wilful violation of this by-law or of refusal to leave and vacate such passway upon notification to do so, shall be subject to a fine not exceeding \$10.00 for each offense, to be for the use of the town.

33. To see if the Town will vote to raise and appropriate the sum of seven thousand (\$7,000.) dollars to purchase the former Mark Shepard property on Mountain Road, New London.

34. To see if the Town will vote to elect the three members of the Board of Fire Engineers by ballot, instead of appointment by the Selectmen. One member to be elected each year for a three year term.

This article by petition

35. To see if the Town will vote to authorize the Board of Fire Engineers to fill the office of Fire Chief by appointment.

This article by petition

Polls open from 12:00 Noon to 8:00 P.M.

Given under our hands and seal this 11th day of February in the year of our Lord nineteen hundred and sixty-nine.

Selectmen of New London, N. H.

REPORT OF THE BUDGET COMMITTEE

To the Voters of the Town of New London :

In accordance with the Municipal Budget Act of the State of New Hampshire, the New London Budget Committee(comprised of nine members and one Selectman) has prepared the Town Budget for the calendar year 1969. The budget is respectfully submitted in the Town Report.

The Committee called two public meetings: one on Wednesday, January 29, 1969, and one on Monday, February 17, 1969. The Committee then met in executive session at the close of each public meeting.

I wish to thank the committee members, officers and representatives of the town for their assistance and cooperation.

FLOYD P. BAILEY

Chairman

Feb. 18, 1969

	<u>\$845.25</u>
Overdraft	\$195.25

TOWN ROAD AID

Appropriation	\$ 920.39
---------------	-----------

AUDITOR'S REPORT

To the Citizens of the Town of New London, N. H.:

I have examined the financial statements of the Selectmen, Town Treasurer, Tax Collector, Town Clerk, Road Agent, Cemetery Commission, Sewer Commission, Library Treasurer, and Trustees of Trust Funds. I have compared their accounts, vouchers and bank statements of funds on deposit, and find these records to be in agreement, and believe these reports to be a true record of the town business for the year ending December 31, 1968.

LAURENCE F. PETERSEN,

Town Auditor

February 27, 1969

REPORT OF THE TRUST FUNDS OF THE TOWN OF NEW LONDON, N. H.

Income growth from investments slowed somewhat in 1968 due to two factors. The change in date of the fourth quarter dividend payment of one of the mutual funds from December, 1968 to January, 1969, decreased the year's income from that fund by the amount of that dividend (\$165.91).

The second factor was the slightly lower dividend from several of the mutual funds due to their efforts to increase their Capital Gains payments and growth of capital.

The year end marked the retirement of Harold Messer as Cemetery Commissioner. Your Trustees have worked closely with Mr. Messer over the years in harmony and with high regard. We wish him a well deserved, long and happy retirement.

Respectfully submitted,

MARY HADDAD,
ROBERT WHITMAN,
WALTER HEALD,

Trustees of Trust Funds

MARY D. HADDAD ROBERT C. WHITMAN WALTER P. HEALD

TRACY MEMORIAL LIBRARY

ANNUAL REPORT

The activities of the library, shown by the circulation figures, and the number of visitors, show a heightened interest in the library by the people of our community.

The statistics for the year's circulation are as follows:

Adult fiction	4,332
Juvenile fiction	4,335
Adult non-fiction	2,197
Juvenile non-fiction	935
Adult magazines	809
Juvenile magazines	81
	<hr/>
	12,689

We have had 10,620 visitors to the library this year.

The library has loaned the following books during the year: to New London Central School, 551; Barselle's Nursing Home, 6; Kindergartens, 93; to Springfield school, 10; and interlibrary loan, 2.

We have purchased through the State Library, and book publishers, 145 new adult books, and 166 new juvenile books. We received a gift of 50 large print books, for the use of persons with eye difficulties from the N. H. State Library, and our friends have given us 24 gift books. Columbia Broadcasting and Record Company have sent us a collection of 50 free records for circulation to our patrons. Our reading table is stocked with 47 magazines and 5 newspapers, for adult reading, and there are 2 magazines in the juvenile and youth rooms.

For use in special project work we have borrowed from the State Library 954 books, 2 magazines, 1 recording, and films. To supplement our own collection, and in answer to

special requests, we have circulated 166 pamphlets and 247 records, and have answered 8 calls for interlibrary loans.

Our library has increased its borrower's register with 95 new adult names, and with 74 new children's names.

The New London Service Organization has added the following books to the military book shelves: "The Deep Silence" by Reeman, "Hell or High Water" by Sheldon, "The Rescuer" by Maas, and "Sky Suspended" by Bassett. Our library truly appreciates the continuing faithfulness of this organization with its gifts of books each year.

Gifts from the New London Garden Club include: "Guide to Wild Flowers" by Peterson, "Book of Lawn Care" by LeFaust, and "Gardening in the Shade" by Morse. We are grateful for the continuing interest of the Garden Club in our building and grounds.

A ten-week course in cataloging, sponsored by the University of New Hampshire, and held at Keene State College, was attended by the librarians, during October and November. Attendance at this course will result in certification in library work. The staff has attended four cooperative book buying classes, the Southwest Advisory Council sessions, and New Hampshire Library Association meeting at Bedford.

In February, Mrs. Lambert resigned her position to take a new job in Washington, D.C., and Mrs. Marjorie Stevenson joined the staff as an assistant librarian in April.

During the spring, several of the grades visited the library each week to choose supplementary reading books and to become more familiar with their library.

From Aug. 5 to 17, an exhibit of pictures, documents, and medical articles concerned with the early years of New London Hospital, which was housed in this building, was on display in the auditorium. This year our hospital was celebrating its golden anniversary.

An exhibit of Currier and Ives lithographs was held during the month of July and attracted much attention from summer visitors.

A special display and book fair was featured in November in observance of National Children's Book Week. The theme of the week was "Go places with books". The auditorium decorations, done by Mrs. Catherine Lambert, included posters, mobiles, and cut-outs of the nations of the world, designed to encourage children of this age of jet travel to "go places with books". New adult and juvenile books were on display also. A film, "San Diego Zoo" was shown to the visiting children. Over 500 visitors were welcomed by the staff, of which 304 were children. The Board and staff wish to thank all interested persons who took time from their busy week to visit our fair.

The Vacation Reading Club was held during the months of July and August with Mrs. Loring Grimes again in charge. The seventy-five children enrolled were entertained the last Thursday in August with a party at which the awards were given out, and refreshments were served by the librarians and their helpers.

Special projects: the purchase of three "Quick-See" record cabinets from the Concord Public Library to better house our growing record collection. Our record circulation goes ahead very satisfactorily, and we are much pleased with the success of this new department. Our most ambitious project in 1968 was to lay rubber-backed carpeting in the youth and children's rooms on the second floor. We are delighted with its sturdy appearance, making the rooms much easier to clean, and reducing the noise to a marked degree. The outside of the building was painted during the summer months.

On December seventh, the children's room was reopened for Story Hours, with Mrs. Marjorie Stevenson in charge. This hour has always been quite popular with the pre-school group, and we hope it will continue to be well attended in the wintertime.

Again the New Year approaches, and the busy life of the library increases, as the time for reading a good book seems the most well considered thought of our many friends.

HELEN S. RAY,

Librarian

ERNEST E. WELCH,

Treasurer

MUNICIPAL COURT

The New London Municipal Court heard 261 cases: 256 of these were misdemeanors, and the remaining 5 were small claims. Total Court receipts were \$4,385.00. Of this amount \$920.00 was paid over to the State of New Hampshire; \$86.80 was disbursed for Court expenses; and \$3,378.20 was paid to the Town Treasurer. The volume of Court business was by far the largest in the history of the Court.

The 261 cases were broken down as follows: violations of liquor laws, 27; violations of Town ordinances, 19; violations of State Motor Vehicle laws, 210; there were 5 small

claims cases. One case was appealed to the Superior Court, and 4 cases were nol prossed by the State.

The Court would like to express appreciation to those who assisted in the judicial process during the absence of the presiding judge, first, when he was on an extended trip through Europe and Western Asia; and secondly, when he was incapacitated by major surgery.

As New London develops and as its relative closeness to city life increases, so do the problems of justice grow also. During the past year there were a number of cases involving serious difficulties, and we must be prepared for more of these in the future. It is to be hoped that the effort now being made in the Legislature to make the New London Municipal Court into a District Court will be successful.

J. DUANE SQUIRES,

Municipal Judge

POLICE DEPARTMENT

During the year of 1968, your Police Department handled 603 motor vehicle stops, covered 26 accidents, were involved in 187 complaints, participated in 6 try and locates, assisted 49 times ranging from helping other departments to starting cars and checked 3,913 pieces of property, finding 111 of these open.

Continuing with our public information program with the cooperation and assistance of the school, we again held a drug seminar, concentrating on the types more prevalent in this area, namely marijuana and LSD.

In the past three years the duties and responsibilities of this department have expanded enormously; for example, the

motor vehicle and pedestrian traffic has tripled at the school crossing. We have been faced with more serious crimes than this area has ever had to face before. This department has come into contact with ex-convicts and drug addicts during the course of routine duty. One of the felons was returned to state prison as a result of his activities in our town. Much of this has been brought about by the road systems in our area shortening travel time from many hours to few. As this indicates, we must stay abreast of the times and with our laws, rules and regulations as they are, this can only be done by following the adage that has become a symbol of our era, "Prevention rather than apprehension."

Respectfully submitted,

GEORGE M. EMMERTON,

Chief of Police

REPORT OF THE FIRE DEPARTMENT

Another fire safe year has passed with only one major loss last January in Elkins.

Fire Departments from two other Towns aided New London in suppressing this fire. Many thanks go to Sutton and Wilmot Fire Departments for their overwhelming support. Firemen were hampered by high winds and low temperatures, but managed to keep loss to a minimum. I feel now, after reviewing the circumstances, that if the temperature had been 20 degrees higher, the loss would have been much greater.

A five page report of the fire defenses of New London was received in the Spring from the New Hampshire Board of Underwriters. A copy of this report is on file with the Selectmen for anyone who wishes to read it. Recommendation #15 of this report asks that "consideration be given

to the establishment of a ladder company. This company should be provided with a new ladder truck, constructed and equipped by a reputable manufacturer in accordance with N.F.P.A. Pamphlet #19 (current editon). In consideration of the prevailing hazard, it would be desirable if this piece were provided with an aerial capability of not less than 75 feet."

Particular note should be given to recommendation #21 which asks that "consideration be given to the erection of a new Fire Station and that the present station be abandoned. It is recommended that the new station be located so that response distance of apparatus to high value districts does not exceed one mile and that the responses to residential areas does not exceed three miles."

The land on which the present Fire Station is located was donated to the Town by Mrs. Calvin Sargent for this purpose. The Station itself was constructed in 1928 at a cost of \$3,500.00. With the coming of heavier and longer motor vehicles, the present Station has become obsolete. The added weight of the present day equipment is much greater than that of 40 years ago. The load limit of the wooden floor at the Fire Station has been greatly exceeded and presents a very serious problem. If a new station were constructd, it should be at least 3 bays wide and 2 trucks deep. A maximum of 6 vehicles could be housed in quarters such as just mentioned. We presently have 3 pieces of fire apparatus housed in the Fire Station with no room for expansion. In the future it would be most desirable to acquire a Tank Truck, a Rescue Vehicle, and a Ladder Truck.

Recommendation #15 asks that the Town consider the purchase of a new Ladder Truck. To the Town this would represent a capital outlay of a \$40,000 to \$60,000 burden to be placed to the taxpayers. I, as Chief, feel that a good used Ladder Truck of the capacity recommended could be acquired at a substantial saving to the taxpayer, and would serve the needs of the Department for many years.

Late last fall the Kearsarge Telephone Company installed an automatic alerting system to handle fire calls only. This new system automatically alerts 10 firemen's phones when the Fire Phone Number is dialed. The Fire Phone Number in New London is 526-2222. This number is for Fire Calls only. Do not use this number for personal use. If you must call the Fire Station, please use the number listed in the Phone Book for the Fire Station

The Town should be most grateful to the dedicated men from all walks of the community who make up the New London Fire Department.

If anyone has any questions regarding the Fire Department, please feel free to contact us or me personally at any time.

Respectfully submitted,

KENNETH A. BUTLER,
Chief, New London Fire Department

NEW LONDON VOLUNTEER FIRE DEPARTMENT

Chief	Kenneth Butler
Captain	John Kiernan
First Lieutenant	Laurids Lauridsen
Second Lieutenant	Norman Champion
Third Lieutenant	William Taylor

The Fire Department answered a total of 20 alarms:

7 house fires	1 boat fire
1 car fire	6 brush fires
1 tractor fire	4 dump fires

A total of six practice sessions were held, of which four included official visits from Chief McCallister of Laconia, who instructed the company in the latest fire fighting techniques. Certificates were awarded 18 members for perfect attendance.

In September Harry Barrett, Harry Cook, Laurids Lauridsen, Dick Rodgers, George Collier, Bob Cottrill, Bill Taylor, Bill Andrews, Ken Butler and Bob Martin attended a day long fire school in Fitzwilliam, N. H.

In June Ken Butler and Norman Champion attended another day long course at Guilford, N. H. During the year five new members, Robert Brown, Harry Cook, Richard Rodgers, Joseph Hodges and George Waring were voted in and 7 members resigned or were dropped.

Proceeds from a very successful Fireman's Ball were used to purchase new firehouse furniture, pay school expenses, help defray insurance costs and other community projects. A substantial contribution was made to the New London Fire Department's Disability Fund.

A program during Fire Prevention Week under the supervision of William Andrews was held in the grammar school and at the fire house.

The new fire phone system has been installed and is now operational, insuring quicker response by more members to calls.

The radio equipment at the fire house has been boosted from 15 to 85 watts, allowing communications over greater distances.

Respectfully submitted,

GEORGE COLLIER

Clerk

REPORT OF FOREST FIRE WARDEN AND FIRE CHIEF

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young, lighted matches are an adventure, burnt fingers and a dropped match is another fire. A little older, we like to have a woodland cookout, or go out by ourselves for a smoke, but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To *never* discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish, preferably at the town dump.

If you must burn —

- a. You need a written permit from the town fire warden for *all* debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
- b. The warden is forbidden by regulation to allow burning of household rubbish on *grass* by householders between 9:00 A.M. and 5:00 P.M.

- c. Have equipment on hand to control the fire *before* you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

Forest Fire Record for 1968

State	593	349
District	36	40½
Town	0	0

GERALD GROSS
District Chief

Once again, I would like to take this opportunity to thank the townspeople for their cooperation in burning only during specified hours. The above record speaks for itself.

ROBERT G. MACMICHAEL
Forest Warden

NEW LONDON CIVIL DEFENSE

This year, as in the past, New London Civil Defense has complied with State and Federal requirements. Each Tuesday night we carried out radio drills with New Hampshire Civil Defense radio stations. Some interested residents visited our Emergency radio station and we were present to answer their questions.

I would like to take this opportunity to thank some of the persons that gave their time to New London Civil Defense. My thanks to: Harold Smith, Oscar Clark, Percy M. Thurston, Ralph Marshall, Philip Dow, Edwin Edmunds Jr., and Orville Robertson for services rendered.

Walkie Talkies were made available for sporting events. We showed a Civil Defense film on the Medical Self Help course at the American Legion. Organization leaders may obtain these films which further residents' knowledge of what to do in time of emergency.

It is planned to reorganize all our C.D. groups and advance their training when necessary. Training courses will also be made available to residents, such as the Medical Self Help course and the Red Cross First Aid course. I hope to do more during the next year to keep you informed of what to do in case of an emergency.

Respectfully submitted,

WATSON B. JOHNSTON

Director

REPORT OF THE TOWN HEALTH OFFICER

The duties of Health Officer broadly cover all those aspects of control, investigation and enforcement involved in maintaining and promoting a healthy population in a physically and esthetically healthful environment. Among the programs introduced during the last seven years to further these objectives have been the water pollution control program and the rabies control program. In addition to the above more formalized programs, the Health Officer has carried out the following responsibilities: investigation of complaints, health inspections of various kinds (camps, foster homes, etc.), submission of New London Water System samples for State examination, and local inspection of waste disposal systems.

The following have not been accomplished: collection of infectious disease statistics from the local medical commu-

nity, notification and supervision of adsorption capacity tests on platted subdivisions before approval.

The Water Pollution Control Program in 1968 was augmented by a town-financed physical inspection of all waste disposal systems on the New London shore of Lake Sunapee. This was carried out by Mr. Richard Johnson and myself under the auspices of The Lake Sunapee Protective Association in conjunction with similar inspections along Sunapee and Newbury shore lines. Of the nearly 100 properties inspected in New London, only three were found to be in a state of failure requiring corrective action to eliminate pollution hazards. Five other systems were in a questionable condition requiring future surveillance. In most cases owners were not aware of the faulty systems. Corrective enforcement has been implemented by the New Hampshire Water Supply and Pollution Control Commission. Continuation and extension of this program to include all bodies of water in the Town is highly recommended.

In order to provide for greater protection from pollution, an expanded sanitary survey of Pleasant Lake was financed by Slope 'n Shore Club as the initiator of a Pleasant Lake protective organization. This program has uncovered sources of pollution which are in the process of being eliminated.

The Town financed program of testing for sanitary water quality was also continued in 1968. Several sites have been investigated on specific request as well as the annual testing sites. There has been no appreciable general change in water quality in the past year but a few suspected areas of pollution origin have been detected and will be further investigated in 1969 to pinpoint actual sources.

As of January 31, 1969 I have resigned from the position of New London's Health Officer. This action has been necessitated by a change in professional position requiring long term absences from New London. I leave this position with

regret and with feelings of appreciation for the cooperation shown me by the townspeople and by the various selectmen under whom I have served. I trust that my successor will receive equal or even better support from the Town and its citizenry.

Respectfully submitted,

DONALD F. BENT, PH.D.
Health Officer

INFORMATION BOOTH

We hereby submit our annual report on the Information Booth for your consideration. We opened the booth Monday, July 1, and it remained open daily, except Sunday, until Saturday, Aug. 31, making a total of exactly nine weeks.

Mrs. Oscar Colburn was in attendance from 9 a.m. to 1 p.m. each day and Mrs. Harold Messer from 1 p.m. to 5 p.m. daily. No substitutes were required.

Weekly reports were sent to the State Dept. of Resources and Economic Development showing that we had visitors from 29 states, 3 Canadian provinces and 2 foreign countries. We listed 1,482 cars with 4,101 passengers, which was an increase in cars of 37% over 1967 and an increase in passengers of 54 1/3%. We also served 433 pedestrians, answered 401 phone calls and found accommodations for families who telephoned us from Indiana, Texas, etc.

People showed a greater than usual interest in our town, making inquiries about real estate, costs of homes in the area, taxes, schools, etc. Of course, we referred them to our several real estate agents. Many were lavish in their praise of the appearance of our community and the services received at the booth. Several returned to the booth to express appre-

ciation for help received *last* year. This was very gratifying to us, needless to say.

We wish to thank the owners of hotels, motels and cottages for their kind response to our needs; Kidder's Garage for research on special requests; New London Inn for keeping us supplied with area booklets; Twin Lake Villa for N.E. Heritage maps and the police, who were of service to us.

Respectfully submitted,

HELEN C. COLBURN (Mrs. Oscar)

EVELYN MESSER (Mrs. Harold)

REPORT OF THE CONSERVATION COMMISSION

The Town of New London approved item #9 in the Warrant of 1968 authorizing \$2,000 for Conservation Commission use. To this was added \$1,000, a 50% matching fund, by the Spaulding-Potter Charitable Trusts, a private foundation. These funds will be used by the Commission to fulfill its charge of preserving open spaces. It is important to continue building this fund for the acquisition of desirable open space as it becomes available.

The present project of the Commission is the establishment of a green strip the length of Lyon Brook. Already the Town has been granted a 100 foot wide right of way on New London Hospital land from County Road to Lakeside Road. This is continued across Lakeside Road on 1½ acres of wooded land purchased from the Hospital and includes the headwaters of Lyon Brook. These two areas are shown on the accompanying map. The Commission anticipates that from this beginning a green strip will eventually extend to King Ridge Road.

CONSERVATION COMMISSION 1968 FINANCIAL REPORT

Appropriation	\$2,000.00	
Spaulding-Potter Charitable Trusts Fund	1,000.00	
Individual gifts	47.50	
Interest	23.25	
	\$3,070.75	

Respectfully submitted,
 RICHARD L. EMERSON, Chairman
 ESTHER CURRIER
 HAROLD H. HOPKINS
 SALLY HARTWELL
 BEN S. DAVIS

REPORT OF THE PLANNING BOARD

During the year 1968, the Board's principal concern has been to involve a workable Master Plan which will serve as a guideline for growth in New London for the next twenty years. In this connection, the Board has held eight public hearings at which about 140 different citizens attended. In addition, a synopsis of the Master Plan was mailed to all. In a more direct way, the Board has developed a series of twenty amendments to the Zoning Ordinance as part of the Master Plan development. The townspeople will vote on these at the 1969 Town Meeting.

The Board has had a full schedule of proposed subdivisions to consider. During most months of the year, the Board has had to meet twice each month to keep on top of these matters. In all, the Board approved 32 new lots during 1968, and 38 more lots are presently in various stages of approval or consideration. In addition, the Board has handled site plan reviews and minor matters relative to zoning.

Despite this heavy work load, the Board has enjoyed full stability in its membership. For the first time in several years, there has been no resignation from the Board; a situation which contributed greatly to the successful ordering of the work load.

ALF E. JACOBSON

Chairman

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment held open hearings on the following appeals.

W. Thomas Todd requested a variance to Article V, Section F. He asked to place his house on Farwell Lane closer to

the road than the required 50 foot setback. His case was heard on April 2, 1968, and a permit was granted.

At that same hearing, Wilmer Brownell requested a variance to Article I, Section E. He wanted to build a filling station on his property on King Hill Road. A representative of the State Highway Department was present and told us that for safety reasons the Highway Department has tight controls on land so close to Interstate highways, and could not allow that land to be used for that purpose. Mr. Brownell withdrew his request.

Paul Merrigan came before the Board on April 16, 1968, with a request for a special exception to Article IV, Section B. His lot does not have frontage on any street, but does have a 50 foot right of way to Main St. Permission was given to use this land for a residence.

A request for two new bunkhouses at Camp Sunapee was heard on May 28, 1968. Anthony Shays, owner, asked for a hearing under Article IV, Sections 1, 2 and 3, for this non-conforming property. A permit was granted for two bunkhouses which are to be used for sleeping quarters only.

Herbert and Winifred Williams came before the Board on July 15, 1968, seeking a determination on the classification of their property. The Board ruled that their land be considered one lot, as stated in their deed.

Elmer Bussell, in the interest of Peter Bianchi, appealed on July 15, 1968, for a variance to Article IV, Section A. He wanted permission to erect a house on a lot on which there was an existing dwelling. The request was denied. On July 16, Mr. Bussell and Mr. Bianchi agreed to remove the kitchen from the existing dwelling, and under that condition the Board agreed to allow a house to be built.

Mr. Stuart Curtis requested a variance to Article IV, Section A. He wanted to build a house on a lot on which

there was an existing dwelling. The Board heard this request on October 15, 1968, and denied it, recommending that the existing dwelling be modified in such a way as to comply with the Zoning Ordinance.

On October 17, 1968, William Montgomery and William Steere, Jr., asked for a special exception to Article IX, Section C. They wanted permission to change the interior of Tracy Farm house into four apartments. Permission was granted.

Stuart Spaulding, President of Mobilab of New Hampshire, Inc., asked for a special exception to conduct light manufacturing on No. Pleasant St., from March 1, 1969, to Sept. 1, 1969. The Board granted him the special permit effective November 26, 1968, to October 26, 1969, with the provision that the building be removed from the site within 30 days of expiration of the permit.

Cemetery Commissioners

SEWER COMMISSIONERS REPORT

At the Town Meeting of March, 1968, it was voted to float a bond issue of \$70,000 for purchase of land, engineering cost and improvements to the New London Sewer System, the State to contribute \$40,000.00 for an experimental ridge and furrow project.

We have endeavored to do this; however, we have encountered many obstacles. The land we needed was not sufficiently defined in deeds and some not at all, which resulted in prolonged expensive surveys. Again much time was lost in negotiating for the land. There was no alternative except to acquire same, at whatever the cost.

The engineering firm was late in getting out their plans and consequently opening the bids. With an abnormal amount of snow, clearing land has been difficult. To date a partial clearing of the land has been performed for the ridge and furrow pilot program recommended by the State. A few poor and leaky manholes have been rebuilt or raised.

The State engineer insists that where infiltration exists new lines of larger size be laid with new precast manholes. From previous surveys we know that there are many roof drains, cellar drains, sump pumps, etc., that are draining into the sewer lines. This causes flooding of the plant and overworking of plant facilities. It is therefore a must that these be corrected in the near future.

The Elkins sewer project is still under study at this date.

SUPERINTENDENT'S REPORT

1968 was another busy year in the Water Department.

First, abnormally cold weather and snow removal caused a few freeze ups. Lumbering operations in Perley Town caused washouts and re-laying of culverts, new culverts, opening of ditches, to get passable roads to Morgan Pond; also construction of a new road to the reservoir.

We replaced several old two-nozzle hydrants with ones with steamer nozzles, gates and set some back of sidewalks to lessen breakage from snow plows and reduce cost of snow removal.

New construction has consisted of 800 feet of 6 inch pipe on Balsam Acres, plus one hydrant not yet completed. Also, 264 feet of six inch line on Birch Acres, along with 18 new house services.

We replaced 1,090 feet of undersized pipe with six inch and installed several new services on Lakeside Road, plus one new hydrant. We replaced 1500 feet of one inch surface line on Camp Sunapee Road with one and one-half inch line.

Lastly, we replaced 900 feet of wood main with 12 inch transite from Perley Road towards the reservoir. Here we are building a new road, a tedious job, working beside the old wood main, blasting and digging and not disrupting the water service.

A study of filtration along with construction is being made with hopes that a system can be installed to improve color and remove sediment.

Beaver operations have given us much trouble this past year. A trapper has caught several weighing up to 54 lbs. These animals will continue to give us trouble, we expect, because of their migration from several colonies in the surrounding area. Snow removal from hydrants has been time consuming this year.

PAUL B. GAY

Superintendent

THE STATE OF NEW HAMPSHIRE

PRECINCT WARRANT

To the Inhabitants of the New London Water System Precinct in the Towns of New London and Springfield, in the Counties of Merrimack and Sullivan, respectively, qualified to vote in Precinct affairs:—

You are hereby notified to meet at Whipple Memorial Hall in said New London on Tuesday, the 25th day of March, 1969, at eight o'clock in the evening to act upon the following subjects:—

1. To choose all necessary Precinct officers for the ensuing year.

2. To hear reports of the Auditor, Committees and Officers heretofore chosen and pass any votes relating thereto.
3. To choose an Auditor and/or Committees in relation to any subject embodied in this Warrant for the ensuing year.
4. To see if the Precinct will vote to raise and appropriate the sum of \$10,000.00 in addition to water revenues to help defray costs of continued construction for the ensuing year.
5. To see if the Precinct will vote to authorize the Board of Water Commissioners to borrow money in anticipation of taxes and rates, the same to be payable within one year out of such taxes and rates.
6. To transact any other business which may legally come before said meeting.

Given under our hands and seals this fifth day of March in the year of our Lord nineteen hundred and sixty-nine.

BENJAMIN H. YERXA

PAUL B. GAY

HENRY W. KIDDER

Commissioners of New London
Water System Precinct

A true warrant — attest:

Commissioners of New London
Water System Precinct

NEW LONDON HOSPITAL ASSOCIATION, INC.

ANNUAL REPORT

September 31, 1968, completed the 50th year of the New London Hospital and the 10th year in its present location. A 50th Anniversary Committee planned several events during the year. In April-May there was a series of Medical Lectures given by four members of the Medical Staff of the Hospital. In the summer the Hospital Aid Association sponsored a Golden Anniversary Bridge. The theme for Hospital Day and the parade was related to the 50th Anniversary and at the same time an exhibit at the Tracy Memorial Library showed the history of the Hospital. On October 5th a public reception was held at the auditorium of Our Lady of Fatima Church. More than 300 people attended and a 12 page Golden Anniversary Booklet was distributed. The first week of October the *Argus-Champion* published more than four pages of pictures, text and congratulatory ads about the Hospital.

During the past year a Coronary and Intensive Care Unit was established in the Hospital. Four of our nurses have been trained in use of the cardiac monitor and a monitor, pacemaker and defibrillator were installed in April. A nurse was also trained in the use of inhalation therapy equipment. As part of their 1968 contribution, the Summer Residents Association equipped this department, which is a very busy one.

An Extended Care Facility Committee was appointed and has studied the Nursing Home problem all year.

Our most successful Hospital Day ever netted \$26,674.91. The Board is very grateful to the hard-working chairman, Austin Gibson.

The Hospital deeded a right-of-way through land on

Lakeside Road to the New London Outing Club to enter Kent Woodward Memorial Park.

The Hospital gave a terminable license to the New London Conservation Commission on a 100 foot strip of land from County Road to Lakeside Rad and sold them 1.5 acres of land beyond Lakeside Road for their "Green Strip".

The following served on the Hospital Board in 1968:

OFFICERS

President	Edwin H. Keith, Sutton
Vice President	Carlton F. Barton, New London
Treasurer	John L. Ballin, New London
Secretary	Beverly R. Little, New London

DIRECTERS (Terms expire as shown)

January, 1968

John Jensen, New London
Henry Kidder II, Springfield
Walter Roberts, Newbury
Carl P. Swinnerton, Bradford

January, 1970

Dorothea Bewley, New London
Curtis Caldwell, Sunapee
Walter P. Heald, New London
Annette Rose, Wilmot

January, 1971

H. B. Harris Jr., New London
Amos Johnson, Andover
J. Duane Squires, New London
George Wells, South Sutton

REPRESENTATIVES ELECTED BY THE GROUP NAMED

Jean DeLand, New London

Appointed by Summer Residents Association

Evelyn Kennedy, New London

Hospital Aid Association President

Donald W. Clark, M.D.

Medical Staff Liaison

The following nine towns voted appropriations to the Hospital at their town meetings: Andover, Bradford, Goshen, New London, Newbury, Springfield, Sunapee, Sutton and Wilmot. The appropriations are much needed and appreciated by the Hospital.

The Hospital Aid Association, the Summer Residents Association, Colby Junior College and their third year class and many townspeople continued their active support of the Hospital and this is most welcome and appreciated. The Board is grateful to all individuals and organizations who contribute to the successful operation of the Hospital.

Respectfully submitted,

BEVERLY R. LITTLE,

Secretary

HOSPITAL AID ASSOCIATION

ANNUAL REPORT 1967-1968

President	Mrs. L. Francis Kennedy
Vice-President	Miss Alice Gaertner
Secretary	Mrs. Richard Johnson
Treasurer	Mrs. J. C. M. Tillinghast
Asst. Treasurer	Mrs. Albert Ferris
Historian	Mrs. Elmer Robinson

Among Hospital Auxiliaries in New Hampshire, the New London Hospital Aid Association is rated as a particularly active one. Almost unique in the state are well attended monthly meetings from October to June, with the active participation of nearly 75 of our 166 members. Attendance averages about 35 members.

Sewing and knitting for the annual Hospital Day Lawn Party by a dedicated group proceeds monthly. The equally active and dedicated groups who make wrappers for the sterilizers and many dozens of cancer dressings serve the needs of the Hospital as well as the American Cancer Society, the New Hampshire Division.

Last winter and spring, informal talks on the various departments of the Hospital, given by the doctors and heads of departments, proved exceedingly informative and interesting.

Members of the Association represented it at the spring and fall meetings of the New Hampshire Hospital Association and the Auxiliaries, and at the New England Hospital Assembly in Boston.

Support of the Hospital Golden Jubilee was given in the form of a Card Party in July that saw 40 tables in play in four homes of the area. The Association is most grateful to the co-chairmen, Mrs. F. Kenneth Morrison and Mrs. Voor-

hees Meding, as well as to the hostesses who opened their homes to enable us to turn over \$157.00 to the Hospital General Fund on this occasion. Through the efforts of the Association's members, both during the year and at the time of the Lawn Party, over \$2,500.00 was raised for the Hospital. Also, the Association spent \$954.00 to add new curtains to the Aid Room, making it a more cheerful place to meet, an extra dozen chairs and another table, as well as a third sewing machine, enabling the workers to be more comfortable as well as more efficient in their efforts. They also purchased 39 window shades for patient rooms. Since the Aid Association room is used by other groups, this was of benefit to the community as well as to the Hospital.

A banner year at the Barn Playhouse under the direction of Mrs. Vinita Gay and a most successful rummage sale in September, directed by Mrs. Harry Cook, enabled the Association to fulfill its budget commitments and to add to the Endowment Fund.

Faithful volunteers, chaired by Mrs. Roger Alexander, served the patients in morning and evening shifts, and a committee from the Garden Club attended the flowers of the patients twice a week.

All ladies in the area served by the Hospital are cordially invited to join with us on the first Wednesday of each month, from October to June, at 9:30 A.M. in the Hospital Aid room at the rear of the Hospital.

Respectfully submitted,

EVELYN KENNEDY (Mrs. L. Francis)

President

NEW LONDON OUTING CLUB

This year marks the 22nd anniversary of the New London Outing Club, with service to the community remaining its chief goal.

For the third year, preliminary maps of the extensive trail system planned for the area were distributed during the summer. A committee is constantly working on clearing, spotting and mapping more trails. The response of the general public to these maps remains keen.

Additional work was done on the land loaned to us by the New London Hospital for use as an athletic field behind the Professional Building on Newport Road. A wooden backstop was installed, and the field was used for Little League baseball practices and games.

The Kent Woodward Trust Fund has been used to build a regulation-size Little League ball field, and it will be completed for play when the season opens in the spring.

The New London Outing Club accepted a gift of land and has taken an option for purchase of an additional 13 acres to house a park of approximately 27 acres. We are already receiving gifts for development of additional areas within the park.

The following resume of 1968 activities indicates why we ask your support. Offered free of charge to the youngsters were:

Swimming Lessons for Children — in conjunction with the American Red Cross. 156 children participated.
Little League Baseball — 70 boys involved — 4 teams.
Square Dancing Lessons.
Ballroom Dancing.

For a nominal fee, we sponsored:
Tennis Lessons.

Tennis Clinic — for adults and children.
Tennis Tournament — for adults and children
Christmas Dance

Financial support was given to:

King Ridge Ski Club.
Pony Club.
New London High School Athletic Banquet.
New London Information Booth
Annual Ski Exchange.
Bulletin Board at the New London Post Office.

Changes in our By-Laws have warranted an official ruling by the Internal Revenue Service that The New London Outing Club is now tax-exempt.

This past year has also seen the start of an Audubon Wildlife Film Series, which was enthusiastically received.

Favorable comments also have been made regarding the Newsletters mailed at various intervals.

We urgently need your support — and suggested contributions are:

Sponsoring Membership	\$25.00
Family Membership	10.00
Supporting Membership	5.00
Single Membership	3.00

NEW LONDON GARDEN CLUB REPORT

In 1967 the New London Garden Club was invited to make its first annual report to the Town. It was comprehensive and somewhat historical in nature. By comparison the 1968 activities will seem relatively curtailed. Not true!

Each year the members of the Garden Club maintain established projects and add new ones. "Maintain" means everything from pruning, weeding fertilizing, and edging the areas in which we have invested funds as well as time and energy, to literally uprooting the burdock which is rapidly becoming entrenched in library gardens on which we have spent several hundred dollars. It also involves meeting with various local and state officials to solicit cooperation in joint efforts

Basically the Garden Club has been a "do-it-yourself" organization, but recently we have been fortunate to be able to employ professional assistance when necessary. At the present time the Club has accepted responsibility for a "vested" interest in plantings at: Bucklin Beach, the Information Booth, the Town Hall, Crockett's Corner, Norris Corner, Elkins roadside, and Williams Triangle. In addition, members care for patients' flowers at the New London Hospital, provide Christmas decorations for public buildings, and sponsor a flower table on Hospital Day.

Each year high school students are sent to Bear Brook Conservation Camp as guests of the Club, and a junior program is made available to younger children. Other activities include an annual flower show, an antiques show, and plans are under way for a home tour in 1969. The three latter endeavors provide added income for the Club as well as an attraction for summer visitors. The reputation for quality presentations in these areas is well known in garden club circles throughout the State, and is a tribute to the ability of the club members responsible for the planning and implementation of the events. All of this is indicative of continued civic orientation and service to the community.
