1992

DEDICATION THOMAS F. PARKER

On March 9, 1993, Thomas F. Parker's term as a member of the Board of Selectmen expires. For fifteen years he served as a member of the Board of Selectmen, six years on the Budget Committee and four years on the Zoning Board of Adjustment.

During his dedicated years of service, Mr. Parker's integrity, commitment and selflessness continued the fine tradition of service to the Town.

In appreciation for your efforts, we dedicate the 1992 Town Report to you, Thomas F. Parker.

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said State, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the ninth day of March next at seven (7:00) o'clock in the afternoon to act on the following subjects:

ARTICLE 1. To bring in your votes for the election of one Selectman for three years, one Fire Ward for three years, two Planning Board members for three years, one Planning Board member for two years, one Trustee of Trust Funds for two years, one Trustee of Library for three years, one Trustee of Library for one year, two Budget Committee members for three years, one Cemetery Commissioner for three years, and three Commissioners of Plante Memorial Park for one year.

Polls will open not later than 2:00 p.m. and close not earlier than 7:00 p.m., or such later time as shall be authorized by vote of the town.

ARTICLE 2. To hear and act upon the reports of Agents, Committees and Officers heretofore chosen.

ARTICLE 3. To see if the town will vote to appoint a committee to have charge of the Memorial Day exercises, or take any action thereon.

ARTICLE 4. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes, or take any action thereon.

ARTICLE 5. To see if the town will vote to raise and appropriate the sum of \$39,500.00 for the reconstruction of Collins Pond Road, or take any action thereon.

ARTICLE 6. To see if the town will vote to raise and appropriate the sum of \$15,000.00 for the reconstruction of the Templeton Turnpike between the Collins Pond Road and the Village, or take any action thereon.

ARTICLE 7. To see if the town will vote to raise and appropriate the sum of \$7,000.00 for additions, alterations and repairs to the Town recreation area, or take any action thereon.

ARTICLE 8. To see if the town will vote to raise and appropriate the sum of \$18,000.00 for alterations to the Town Hall, or take any action thereon.

ARTICLE 9. To see if the town will vote to raise and appropriate the sum of \$5,000.00 for the preparation of plans and specifications for an addition to and renovation of the Town Library, such plans and specifications to include meeting the guidelines of the so-called American With Disabilities Act, or take any action thereon.

ARTICLE 10. To see if the town will vote to raise and appropriate the sum of \$5,000.00 to be added to funds already raised, to be used for the acquisition and crushing of gravel for the Town Highways, or take any action thereon.

ARTICLE 11. To see if the town will vote to raise and appropriate the sum of \$1,800.00 to support the operation of Meadowood County Area Fire Department, or take any action thereon.

ARTICLE 12. To see if the town will vote to raise and appropriate the sum of \$28,000.00 for the replacement of the culvert at Kemp Brook on the Royalston Road, or take any action thereon.

(Not recommended by the Budget Committee)

ARTICLE 15. To see if the town will vote to raise and appropriate the sum of \$5,000.00 to be added to the Capital Reserve Fund created under ARTICLE 19 of the 1991 Annual Town Meeting for the purchase of a police cruiser, or take any action thereon.

ARTICLE 16. To see if the town will vote to raise and appropriate the sum of \$10,000.00 to be added to the Fire Department Capital Reserve fund created under ARTICLE 11 at the 1969 Annual Town Meeting for the purchase of fire department equipment, or take any action thereon.

ARTICLE 17. To see if the town will vote to raise and appropriate the sum of \$6,000.00 to create a capital reserve fund for the repair of the tennis courts, or take any action thereon.

ARTICLE 18. (By Petition) Under the authority of RSA 147:43, to see if the town will vote to establish an expendable trust fund for the purchase of equipment, materials, and/or services as needed for the improvement of buildings, grounds and equipment at the town recycling center; said funds to be taken from revenues to be generated by the sale of recyclables at the town recycling center in the amount to be approved annually by a vote of town meeting and to appoint a committee to include one selectman, the town road agent, the recycling center supervisor, and one community member at large, in accordance with RSA's 31:19a and 31:32, or take any action thereon.

ARTICLE 19. (By Petition) To see if the town will vote to appropriate \$3,500.00 from revenues anticipated from the sale of recyclables at the town recycling center to be placed in the recycling fund established by the above Article 18 for the purchase of two storage trailers and materials needed to build enclosures necessary to protect and store recyclables from the weather, or take any action thereon.

ARTICLE 20. To hear the report of the Budget Committee and pass any vote in relation thereto.

ARTICLE 21. To see if the Town will vote to establish a town forest as provided for in RSA 31:110, to include the following parcels:

- a. The Mabel Whitcomb lot, containing 77 acres and shown on Map 13, Lot 07, originally tax deeded to the town in June, 1985 and recorded in Vol 1094, Page 873 at the Cheshire County Registry of Deeds.
- b. The Whitcomb heirs lot, containing 69 acres and shown on Map 09 Lot 19, originally deeded to the town in May, 1977 and recorded in Vol 931 Page 33 at the Cheshire County Registry of Deeds.
- c. The Holman meadow containing 9.5 acres and shown on Map 10, Lot 43 and deeded to the town in May, 1989 and recorded in Vol 1291, Page 531 at the Cheshire County Registry of Deeds.

Further to authorize the Conservation Commission to manage the forest under the provisions of RSA 31:112 II, or to take any action thereon.

ARTICLE 22. To see if the Town will vote to place all proceeds from the management of the town forest into the conservation fund established under Article 29 at the 1992 annual Town Meeting, or take any action thereon.

ARTICLE 23. To see if the Town will vote to place 25% of all revenues derived from the current use change of use tax, into the conservation fund established by Article 29, at the 1992 annual Town Meeting, or take any action thereon.

ARTICLE 24. To see if the Town will vote to discontinue the unnamed Class VI highway starting at the Richmond Road at tax Map 10, Lot 79 and continuing north to the Matthews Road between Map 10, Lot 76 and Lot 77, or take any action thereon.

ARTICLE 25. To see if the Town will vote to discontinue the public way known as Baldwin Court, said discontinuance being subject to gates and bars, or take any action thereon.

ARTICLE 26. To see if the Town will vote to create the position of Deputy Town Treasurer as authorized by RSA 41:29-a, or take any action thereon.

ARTICLE 27. (By Ballot) To see if the town will vote to dissolve the Ashuelot Refuse Disposal District organized under RSA Chapter 53-B (the "District"), pursuant to the provisions of Article VI, Section 7 of the district agreement for the District and the provisions of the plan of dissolution approved by the district committee of the District, a copy of which plan of dissolution has been submitted by the District to the town, or take any action thereon.

(A 2/3 majority vote is required to approve this article)

ARTICLE 28. To see if the town will vote to authorize the Board of Selectmen to convey any interest that the town may have in and to a lot at the Woodbrook Camp and Tennis Condominium, shown on town tax maps as Map 42, Lot 01-89, to Bradley and Kathleen Trueax, the former owners, for such amount as the Board deems to be in the best interest of the town, or take any action thereon.

ARTICLE 29. To see if the town will vote to authorize the Board of Selectmen to convey any interest that the town may have in and to approximately 7.2 acres of land and buildings, shown on town tax maps as Map 13, Lot 04-02, to Shirley Carlson, the former owner, for such amount as the Board deems to be in the best interest of the town, or take any action thereon.

ARTICLE 30. Nye Berardi, the former owner, for such amount as the Board deems to be in the best interest of the town, or take any action thereon.

ARTICLE 31. To see if the town will vote to authorize the Board of Selectmen to convey any interest that the town may have in and to land and buildings commonly known as the Nonesuch Hall property, shown on town tax maps as Map 28, Lot 31, to The Trinity Baptist Church for the sum of \$800.00 provided that the town's interest would be conveyed subject to the provision that the Trinity Baptist Church will tear down the buildings on the premises, properly dispose of all waste materials, and have the lot cleared to the satisfaction of the Board of Selectmen within 90 days of transfer of title, or take any action thereon.

ARTICLE 32. To see if the town will vote to appoint a committee to have charge of Earth Day activities, or take any action thereon.

ARTICLE 33. To see if the town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the town for any public purpose, pursuant to RSA 31:95-e, or take any action thereon.

ARTICLE 34. To see if the town will vote to authorize the Board of Selectmen to convey any real estate acquired by the town by tax collector's deed or execution of real estate tax lien by the Tax Collector, such conveyances to be made by public auction, or advertised sealed bids, in accordance with RSA 80:80, or take any action thereon.

ARTICLE 35. To see if the town will vote to authorize the Board of Selectmen to trade, sell, or otherwise dispose of any unusable vehicles or equipment of any of the departments of the Town, or take any action thereon.

ARTICLE 36. To see if the town will vote to authorize the Board of Selectmen to accept town gifts, legacies and devises made to the town in trust for any purposes, as permitted by RSA 31:19, or take any action thereon.

ARTICLE 37. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the year, in accordance with RSA 31:95-b, or take any action thereon.

ARTICLE 38. To see if the town will vote to authorize the Board of Selectmen to accept the dedication of any street shown on a subdivision plat approved by the planning board, provided that such street has been constructed in accordance with the approval of the subdivision plat by the Planning Board and has been constructed in accordance with applicable town specifications as determined by the Board of Selectmen or their agent, or take any action thereon.

GIVEN UNDER our hands this 10th day of February in the year of our Lord, nineteen hundred ninety-three.

The meeting adjourned at 10:55 PM. All elected officials were sworn in as by law prescribed.

Respectfully submitted,

Jane R. Wright Town Clerk The Board of Selectmen submits the following report to the residents of Fitzwilliam:

We begin by extending our sincere appreciation to all those who have served on the various town committees, both appointed and elected. We also wish to thank local organizations serving the residents of our town. Your efforts continue to maintain and improve the quality of life in Fitzwilliam.

The Town ended 1992 in good financial condition, despite the slow economic climate. We have no long term debt, income projections have been on target, and overall spending has been well within total budgeted guidelines. The unaudited figures show an unencumbered surplus of approximately \$235,000.00. As in past years, we expect to use a portion of this to reduce 1993 property taxes.

The total dollars raised by property taxes increased during 1992 by \$44,771.00. This included increases of \$43,251.00 for the Monadnock Regional School District, \$15,918.00 for Cheshire County and \$200.00 for the war service credit accounts, and a decrease of \$14,598.00 for municipal needs. The total tax base increased by \$208,900.00 to \$146,199,775.00. This combined to result in a twenty-eight cent per thousand increase in your tax rate to \$17.68 per \$1,000.00 of assessed valuation. We should point out that the small increase in the tax base was the result of both a very slow construction, year and additional land being placed into the Current Use program.

This year the town had the distinct privilege to host the "Good Morning America" Program on ABC television. The residents of Fitzwilliam can be very proud of the image they conveyed to the rest of the nation. We commend all who contributed to put Fitzwilliam's best foot forward.

SELECTMEN'S REPORT 1992

During 1992 a considerable amount of effort was expended to update current use assessments, in accordance with the State's most recent guidelines. Categories and values were changed, but in the final analysis, there was very little change in total Current Use Assessment. In Fitzwilliam there are currently 425 parcels of land, containing 10,654.91 acres, that are assessed under the Current Use program. The Ad Valorem assessment of this land is \$14,261,300.00 while the Current Use assessment is \$978,600.00. At the 1992 tax rate of \$17.68 per \$1,000.00, this reduction in assessment equates to \$234,838.00 in additional tax revenues. Had this property been assessed at its Ad Valorem value, the tax rate would have been \$16.21 per \$1,000.00.

We are not advocating the elimination of Current Use. We feel that the program has some very positive values. This information is presented so that you can see, in dollars, the impact Current Use has on the Fitzwilliam tax rate.

What should be done to Current Use? We advocate an increase of the assessment rates on land in the program. Current assessment rates are considerably out of proportion with Ad Valorem rates. Secondly, the penalty for change of use should be increased, possibly with a sliding scale based on the length of time in the program.

New construction has continued at a very slow rate. We issued 62 building permits during 1992: 7 new single family homes, 1 commercial building and the remainder were garages, barns, sheds, decks, additions and renovations.

-

During 1992 we replaced the roof on the Bell Deck of the Town Hall steeple. This was a much needed project to preserve the building. In order to comply with federal law, space in the parking lot was designated for handicapped parking and we built a wooden ramp on the

SELECTMEN'S REPORT 1992

rear of the Town Hall to provide handicapped access to the building. This location was chosen to avoid changing the appearance of the front of the Town Hall. We also installed a snow fence on the roof of the Town Hall to prevent ice and snow from the roof falling on the ramp or parking lot and causing injury or damage. We were unable to complete repairs to the front walk before winter set in and have held the remaining funds in the capital account to continue the project in 1993.

In 1993 we want to complete the Federally required task of complying with the Americans with Disabilities Act by rearranging the space in the rear of the Town Hall to provide new rest room facilities accessible to the handicapped. The rearrangement will also allow a small additional meeting room for the use of town committees. As a separate project, we would like to add an acoustical ceiling, a carpet, and better lighting to our present meeting room in the front of the Town Hall to make a much needed improvement in the acoustics of the room enabling people to hear and understand better.

We ask you to support our ongoing road reclamation and maintenance program. In 1992 the Highway Department did a fine job of reconstructing Angier Road and a part of Old Richmond Road. We urge you to approve the plans to reconstruct part of Templeton Turnpike and all of Collins Pond Road. In 1993 our ongoing program is to provide sufficient maintenance to all roads, including recently rebuilt ones, to extend their use to the maximum before the need for rebuilding. Because our road program has often had to be cut back due to the lack of funding, we now have a lot of catching up to do. We have an urgent need to replace a culvert on Royalston Road which, if not replaced, could soon become a real hazard and possible liability to the town. We urge your approval of this culvert project. Please give your support to our Highway Department's efforts.

SELECTMEN'S REPORT 1992

We would like to request that you let us know what services you want the Town to provide and that you are willing to support with your tax dollars. For example: how extensive a program do you want the Recreation Commission to provide, do you want three full-time police officers rather than two, would you like the Town to start a town forest on land already owned by the Town and should recreational facilities such as hiking trails and camp sites be provided there? We would encourage anyone with interest to become involved in any of the Town committees or boards.

We conclude by saying it has been a distinct privilege to serve the town of Fitzwilliam as your Selectmen. We look forward to continuing to work for you during 1993 and wish all of you the very best.

Respectfully submitted,

Thomas F. Parker, Chairman Thomas B. Lacy Susan S. Link

Board of Selectmen Town of Fitzwilliam, New Hampshire

We have audited the general purpose financial statements of the Town of Fitzwilliam, New Hampshire for the year ended December 31, 1992, and have issued our report thereon dated January 11, 1993.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

In planning and performing our audit of the general purpose financial statements of the Town of Fitzwilliam, New Hampshire for the year ended December 31, 1992, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control structure.

The management of the Town of Fitzwilliam, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories.

> Budget Cash and investments Revenue and receivables Expenditures for goods and services and accounts payable Payroll and related liabilities

For all of the control categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

We also noted other matters involving the internal control structure and its operation that we have reported to the management of the Town of Fitzwilliam, New Hampshire in a separate letter dated January 11, 1993.

This report is intended for the information of the Board of Selectmen. However, this report is a matter of public record and its distribution is not limited.

BUDGET COMMITTEE REPORT FOR 1992

At last year's Annual Town Meeting, Fitzwilliam residents approved a budget of just under one million dollars. On the town floor the voters made several cuts to the proposed budget which they felt reflected the economic realities of the region. Fitzwilliam finds itself with a stagnate tax base due to the soft real estate market.

Cognizant of the present economy, the Budget Committee has constructed a budget that will maintain the quality of town services without placing an additional burden on taxpayers. We have recommended increases which reflect the national inflation rate. Any cuts made to department requests were based on dollar amounts and do not reflect elimination of particular projects.

Below is a breakdown of the tax rate as it applies to our obligations for the town, county, and school.

	Town	County	School	Tax
	Tax	Tax	Tax	Rate
1992 Assessment	\$4.40	\$1.63	\$11.65	\$17.68
% of total	25%	09%	66%	100%

The Budget Committee welcomes your input regarding the needs of the town. We strongly urge your attendance at the budget hearing and Annual Town Meeting.

Respectfully submitted,

Austin J. Killeen, Jr., Chairman

POLICE DEPARTMENT REPORT 1992

In 1992 the Fitzwilliam Police Department handled 1,058 calls for service and investigated 116 cases. Of these cases, 4 were felony cases, 24 were misdemeanors, and 74 were violations. This was an increase over last year.

There were 102 people taken into custody last year, 4 of them were felony arrests, 24 were misdemeanors arrests and there were 47 arrests for violations. Of 102 arrests, 55 persons were adults and 47 were juveniles.

The police investigated 84 motor vehicle accidents. Of these, sadly there was 1 fatality. 13 accidents involved personal injuries, 45 had property damage and 25 were under \$1,000 damage and not reportable to the State. Of the 84 accidents, 27 were on Rt 119, 35 were on Rt 12 and 22 were on town roads.

The Police Department stopped 408 motor vehicles in 1992, from these, 255 warnings were issued and 153 received summons for their violations. Out of the 408 motor vehicles stopped, 218 were stopped for speeding.

This year we intend to maintain the same level of quality service you have come to expect from your Police Department.

Our sincere thanks to you for interest and support throughout the years.

Respectfully submitted,

Scott M. Ellis Chief of Police

ROAD AGENT'S REPORT 1992

Normal summer and winter maintenance and roadside mowing were done. Cleaning and flushing of culverts was also done. Major brush cutting was completed on Upper Troy, Bowkerville and Fullam Hill Road.

The Angier Road and part of Richmond Road work was completed. These roads were reclaimed and treated with calcium chloride, and 3" of hot top was applied.

For winter time safety, a stone seal was applied to the following roads: Royalston Road from the Mass. line to the Holman Road, Rhododendron Road from the State Park to the Richmond Road, #4 Road from Stone's Mill to Rt 12, and Sunn Hill on Angier Road.

The section of Old Turnpike Road from the Anderson residence to Cross Road was dug up and 6-8" of stone was laid down and 1 1/2" of gravel was applied. This should help with the mud problem in this area. Also the replacement of a culvert and cleaning of ditches on this road near Rt 12 should help solve this same problem. More work is planned for 1993 to complete this project.

All gravel roads were graded at least 3 times and gravel applied where needed. All of the equipment and tools are in very good shape.

I have requested money in the 1993 budget to repair the Templeton Road from the Church to Collins Pond Road, and to repair Collins Pond Road from Templeton Road to the causeway. I have also requested money to replace a culvert on Royalston Road.

I would like to thank all Department Heads, Selectpersons, and Townspeople for their assistance and support throughout the year.

Respectfully submitted,

Edwin O. Mattson, Road Agent

1992 CALLS

The Fitzwilliam Fire Department responded to 185 calls in the period from December 1, 1991 through November 20, 1992, a slight decrease from the 1991 total. There were 6 structure fires, 4 brush fires, 6 motor vehicle fires, 8 chimney/partition fires, and 7 Mutual Aid calls. There were also 17 other calls involving automatic fire alarms, smoke investigations, LP gas leaks and other public assists. On the medical emergency side, there were 19 motor vehicle accidents and 118 rescue calls unrelated to motor vehicle matters. Although we continue to have our share of fires, some major and some minor, the most substantial demand by the community is on our rescue services.

PERSONNEL

As we noted last year, 7 of our members enrolled in the New Hampshire Certified Firefighter Course. All 7 completed the course and received their certification. Prior to this, 16 members of the Department had completed the same course over the last several years. Of the 31 people on the roster at the moment, 23 are certified firefighters, however, some of the personnel who are not certified firefighters are rescue service members only. They are fully certified for that type of work, whether as emergency medical technicians or advanced first aid cardholders.

Aside from the 23 certified firefighters, Fitzwilliam also has 9 emergency medical technicians, 9 individuals certified by the Red Cross in advanced first aid. 11 members are certified to operate the automatic defibrillator, and 2 members have EOA certification.

Aside from the formal training engaged in by the members who took the courses for the various types of certifications, there were monthly Fire Department drills and monthly rescue drills throughout the year.

These included training on structural firefighting (including live burns), motor vehicle accident responses, forestry and pump operations. In addition, various members took courses at the Meadowood spring and fall fire schools.

Although we are still very much a rural Fire Department, the demands made on the membership are no less than those made on fire and rescue services in more populated areas of the country. The town should be proud of the efforts made by the Department's membership to secure a high level of professionalism with the educational opportunities available.

VEHICLES

We noted last year that our first-line pumper, the 1978 Ford, and our first-line tanker, the 1978 Mack were in good to excellent condition, but both vehicles needed body work to minimize growing problems. The Budget Committee allowed enough in the budget for the smaller project of refurbishing the tanker. This project was completed at Keene Auto Body early in 1992. As a result of cost cutting and economizing in other areas, enough money was available to go ahead with the more substantial project, the refurbishing of the 1978 Ford. This project was completed in late 1992. We hope that both vehicles, with proper care, will last for several years and give good service to the town.

As a result of last year's town meeting action, the 1970 Mack pumper acquired from Rockville, Maryland by the Fitzwilliam Fire Department, Inc. membership, was turned over to the town in March. This purchase has exceeded our expectations. With the placing and service of the Mack pumper, one of the town's most reliable pieces of equipment was retired, as the 1965 International pumper was taken out of service. If the present equipment meets the town's needs half as well

as the 1965 international, the taxpayers will have been well served.

As with last year, the rescue truck, hose-reel truck and small forestry truck, as well as the forestry tanker continue to be in fair to good condition. Although we do not anticipate any changes in equipment during 1993, in our 20 year plan, we are looking forward to the replacement of the 1978 Ford in 1997. Although the rescue truck continues to give good service, it will have to be replaced soon.

1993 BUDGET

In the past, we have reviewed with you our budget and the so-called special money articles in our annual report. The special money articles could include anything from communications purchases up to vehicle purchases. In recent years, the state has revised the budget proceedings such that many items that used to be voted on separately by taxpayers at the annual meeting are now included in general budgets. Our only so-called special money article this year is a proposal to the Budget Committee for the placement of \$15,000.00 in the capital reserve fund for the purchase of a new truck in 1997.

Included in the general budget would be continuing items for replacement of protective gear. All members are required to have updated OSHA/NFPA approved gear for all calls involving fire or motor vehicle accidents. We have budgeted for the replacement of 4 more sets in 1993.

Last year we requested funds for the replacement of our monitors/pagers. The Budget Committee saw fit to recommend funds for 10 rather than 20. We are requesting funds to replace 10 more in 1993. Although the original Minitors purchased in the 1970's have given good service, they are long overdue for

replacement and the cost of repair for units that break down is often not justified. The original Minitors were all purchased by the Association, not the town. Last year and this year are the first occasions that the town has had to purchase such devices.

We also have recommendations in the budget for a substantial amount of 2 inch hose to replace the livelines on some of our pumpers, a number of items of fittings and small equipment to get all of our trucks up to standards, some additional portable radios, a replacement for the Depot base radio station and a new multi-channel radio for the rescue truck.

AUXILIARY

We thank the Auxiliary for their service and help to us during 1992. Although small in numbers, the Auxiliary has done a tremendous amount of work to raise funds and support the members during major fires and drills. We encourage any members of the community who are interested in helping to join the Auxiliary. There is no requirement that a spouse or family member has to be associated with the Fire Department. Your help would be welcome.

We would also encourage your support for the community birthday calendar. This seems to be more popular in its second year then it was in the first. We thank those community members who have advertised in the calendar and encourage townspeople to support those advertisers.

CPR

Although it was not mentioned under personnel and training, the regulations of the Department require all members be certified in CPR. This means completing the BLS course and being re-certified each year. As many of you know, the Association received tremendous

help from the Fitzwilliam Fire Department Auxiliary, Anderson Glass Company, Monadnock Lifetime Products, CR Bard, Tommila Brothers Lumber and Kennedy Publications to purchase 3 adult CPR mannequins, 2 child CPR mannequins and 1 infant mannequin. These mannequins are available for training purposes, for Department members, community CPR classes and for other departments and ambulance services in the area to use in their training programs. Many thanks to the Auxiliary and to the community minded businesses that supported this important effort.

William N. Prigge Mark Huntoon Robert S. Jackson

Total Unduplicated Residents Served: 56

In addition to the above listed activities, regularly scheduled blood pressure clinic, child health clinics, telephone consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

HOME HEALTH CARE AND COMMUNITY SERVICES, INC. Year Ending December 31, 1992

FINANCIAL REPORT

The actual cost of all services provided in 1992 with all funding sources is projected to be \$\$67,922.34.

The total cost of services provided for a partial fee, or at no charge to residents in 1992 is projected to be \$4,833.74 for home care and \$783.00 for Meals-On-Wheels.

For 1993, we recommend an appropriation of \$6,500.00 to continue home care services at the current level. We also recommend an appropriation of \$986.00 for the Meals-On-Wheels.

REPORT OF THE MONADNOCK AVDISORY COMMISSION JAFFREY, DUBLIN, MARLBOROUGH, TROY, FITZWILLIAM

The Monadnock Advisory Commission is charged by the State Legislature with advising the State of New Hampshire on management policies for lands owned and leased by the State on Monadnock, Gap and Little Monadnock Mountains, 6,866 acres of this is public land. Thousands of other acres in these Monadnock highlands are held in easements.

During 1992 the Monadnock Advisory Commission completed a management plan for these unique highlands. The plan is available to the public at the town library. The Monadnock Advisory Commission worked with the towns of Dublin and Jaffrey Planning boards to develop a new Mountain Zone around Monadnock. A part of Gap Mountain was also included in this zone in Jaffrey.

We welcome your thoughts and comments about the preservation of these highlands.

Members of the Commission are:

Jaffrey:	H.C. Royce, Peter Davis
Dublin:	Betsey Harris, Bruce McClellan
Marlborough:	Ernie Linders, James Everard
Troy:	Dave Adams, Ira Gavrin
Fitzwilliam:	Donald Crutchley, Thomas Parker

ANNUAL, REPORT OF THE CONSERVATION COMMISSION

The Fitzwilliam Conservation Commission's major project for the year has been developing the Natural Resource Inventory. This inventory is a requirement of conservation commissions under RSA 36-A:2. The inventory may include such topics as farmlands, forest resources, geologic resources, groundwater, historic sites, protected lands, recreations lands, scenic areas, and topography. Hopefully it will be completed in 1993 and copies will be available to those who are interested.

The commission wishes to thank once again Rosalyn Slavic for faithfully producing a monthly article in the Fitzwilliam Newsletter. These articles will give you a clear insight into the work of the Commission.

The Commission meets the first and third Mondays of the month at 7:30 PM in the Town Hall. The public is encourage to attend.

PLANNING BOARD

The active case load of the Planning Board in 1992 was relatively low reflecting the continuing economic conditions.

The Planning Board started the process of updating the Town's Master Plan in 1992. The Board is working on this update in conjunction with a Planning Consultant, and hope to have this project completed in 1993.

During 1992 the Board also worked in conjunction with a group of Keene State College students who completed a Wellhead Study of the town's public water supply wells.

Meetings of the Planning Board are held on the first and third Tuesday of each month at 7:00 p.m. in the Town Hall. All meetings are open to the public and we encourage your attendance and participation.

Respectfully submitted,

Terry Silverman, Chairman

HISTORIC DISTRICT COMMISSION

The Historic District Commission reviews applications for Building Permits within the Historic District for their impact on the Historic District. The objectives are:

- 1. To preserve structures and places of historic and architectural value.
- To preserve a district in the municipality which reflects elements of its cultural, social, economic, political and architectural history.
- 3. To conserve property values.
- 4. To foster civic beauty.
- 5. To maintain the existing architecture of the district.

At Town Meeting 1992, it was voted to redefine the present Historic District, reducing the District to the area within the Village Center and it's close proximity.

A Public Hearing was held in 1992 to present new rules and regulations completed by the Commission. These have been adopted and are used as criteria when reviewing all applications.

The Historic District Commission meets the first Thursday of each month at 4:00 p.m. at the Town Hall whenever there are one or more completed applications to be considered. All meetings are open to the public and we encourage your attendance and participation.

Respectfully submitted,

Charles G. Massin, Chairman

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hears appeals and administers special provisions in the Town Ordinances dealing with Variances, Special Exceptions and Administrative Decisions in order to provide for the satisfactory resolution of many of these situations without burdening the courts.

In 1992, the Board heard fourteen cases. Six were requests for Special Exceptions, all of which were approved. Eight were requests for Variances, six of which were approved, one was denied, and one was determined unnecessary to obtain.

The Board meets at the Town Hall on the third Monday of the month at 7:30 p.m. whenever there are one or more completed applications to be considered. Hearing notices must be posted in town and advertised in the newspaper. Individual notices are mailed to abuttors. The meetings are open to the public and we encourage your participation.

Respectfully submitted,

Fitzwilliam Board of Adjustment

Michael Methe, Chairman Jean Auperin, Vice Chairman James Baab, Clerk Edward Saari Daniel Baker

CODE ENFORCEMENT OFFICER'S REPORT 1992

A total of 62 Building Permits were issued, including six permits for new homes. Nine Occupancy Permits and eleven Oil Burner permits were issued. Several wood stove and chimney inspections were done, and foster homes, schools, and Day Care Centers were also inspected.

A reminder to everyone - if you have new heating equipment installed or replaced, it needs to be inspected. Also if you move or add another driveway to your property, you will need to complete a driveway permit application.

If you need assistance with our permits or have questions regarding our rules and regulations, please contact the Land Use Office at the Town Hall.

Respectfully submitted,

Edwin O. Mattson, Jr. Code Enforcement Officer

TOWN HALL AGENT'S REPORT 1992

1992 was a memorable year for Fitzwilliam. Camera crews climbed the stairs of the Town Hall tower while others shot from the top of Meadowood's tower truck as Fitzwilliam became the focus of interest of Good Morning America. Cables and power cords snaked everywhere as the bright lights on stage illuminated the historic moment.

The Town Hall was the object of much other activity this year with 28 rentals. There were dances, plays, committee meetings, and concerts along with a record turn out for the National Election.

A handicapped entrance ramp was built to access the back door and a new roof was installed on the bell deck to eliminate the water leaks.

Finally, under the lights of candles in the windows and our historic chandelier, cameras again flashed as the Emerson School Christmas program went on stage. It may not have been national television, but it sure was popular here! 1992 was a year to remember.

Respectfully submitted,

Nathaniel Haynes Town Building Agent

RECREATION COMMISSION REPORT

Overall the year 1992 turned out to be an excellent one for recreation in the Town. Program registrations continued to increase steadily, recreation facilities were improved, and two new members, Wayne Kassotis and David Duffy joined the Commission. It was with regret that the Commission accepted the resignation of Bill Pine. Bill is sincerely thanked for his years of energy and commitment.

Once again the lack of snow hindered the Winter Program. For the first time equipment was available for private use rental, in addition to the supervised cross-country ski program. This proved to be very successful and will be continued. Skiers were able to use the Temple Mountain facility and the town was represented at the Bill Koch Festival with five qualifiers, Melissa Grab, Jessica and Maura Pine, and Griff and Louie Thomas.

A new program sponsored by the Recreation Commission this year was downhill skiing at Temple Mountain after school on Fridays. Twenty youngsters took advantage of a special skiing package arranged by Curt Hamilton, and interest in this program continues to grow.

The town increased its financial support to the Troy-Fitzwilliam Baseball and Softball Association last year, and was able to host more games on the Wallace Sportsfield. Many of the town's children enjoyed playing ball in the softball, bambino, and pee-wee programs. The Commission thanks the many coaches and officers of the Association for keeping these programs alive for the youngsters.

The Third Annual Charlie Wallace Memorial 5K Road Race fielded eighty runners, ranging from the elite to those seeking a personal best and a Fun Run for children. Continuing support from local merchants and volunteers make this a family event with music, refreshments, and swimming at the Fitzwilliam Inn. We will miss Bill Pine's leadership this June 1993.

RECREATION COMMISSION REPORT

Fitzwilliam once again hosted a series of Saturday night contra dances during the summer months thanks to the initiative and talents of Carey Bluhm.

Summer Recreation broke all records for enrollment this year with 121 children registered. Despite a capable and enthusiastic staff under the expert leadership of Alison Randall, additional counselors had to be hired to take care of the large daily attendances. Three field trips were taken to Gap Mountain, Whalom Park and the Friendly Farm, each of these made possible by volunteer parent chaperones. The staff organized several fun-filled theme days. A special thanks goes to the Wallace family for the use of the Inn's pool for swimming lessons.

The soccer program continued a pattern of growth with a total of 157 children participating in three grade groupings, K-1, 1-3, and 4-6. Saturday mornings at the Wallace Field were busier than ever with an extra game each week to handle the additional two teams created at the senior level. Highlights this year included a coaching clinic given by Ferdie Adaboe, coach of Mt. Holyoke College, a field trip to Franklin Pierce College, an unbeaten Travel Team that finally turned the tables on rival Swanzey, and a soccer celebration complete with hotdogs and cider on the final Saturday. The program owes a great debt of gratitude to so many businesses and individuals for their support and participation, but especially to Carolyn Edwards who, after nurturing us through our three formative years, is stepping down as program director.

RECREATION COMMISSION REPORT

The Charlie Wallace Memorial Sportsfield's condition continues to improve steadily under the caring eyes of Nat Haynes, and an aggressive maintenance program seems to be starting to pay off. Late in the year, a scoreboard was donated by Pepsi and will be installed ready for the 1993 ball season. A set of bleachers has also been purchased for the field. The pole barn needed attention this year partly due to a rash of vandalism. A new lock had to be installed, basketball hoops replaced, and lights were placed on a timer. Gutters were also installed to begin to address the drainage and erosion problems. The aging tennis court received its annual medication and appears to be holding up reasonably well.

Finally, as is our custom, the Commission thanks all of the many adults who have invested their time, talents and commitment to youth this year, and have made Fitzwilliam a great town to play in. It should be observed, however, that with programs growing so quickly, and with many of our veteran coaches "graduating" this year, the need is even greater than usual for adults to step forward and help out with teams and programs.

The Commission looks forward to a year of expansion in 1993, and, with the town's blessing, is eager to begin developing and improving several town recreational facilities.

LIBRARIAN'S REPORT 1992

1992 was another active year at the Library. A total of 16,962 materials were loaned out to the public; an 8 percent increase in circulation. This continues a three year pattern of growth at the Library in circulation, programming, and reference.

The collection continues to grow more diverse. This year 516 books were added to the collection in addition to 75 videos and 32 magazine subscriptions. Twenty recorded books on cassette were also added this year; a new format for the Library. To create more room on overcrowded shelves and to replace outdated materials, over 400 books were discarded from the collection.

Fifty-eight programs were offered in 1992 with 1361 people in attendance. Highlights of the year were Abenacki Storyteller Michael Caduto's performance for National Library Week, an afternoon of Irish music with Love at the Endings and DISCOVER READ, the 1992 summer reading program.

During the 8 weeks of summer program, 971 books were read by 98 children. Each week a special program for participants was held and there was a high attendance at all of these including Watermelon Tales, Andy's Summer Playhouse production of Paddington Bear, Where in the World is Carmen, San Diego Night and the closing performance by UNH's Little Rad Wagon. For these programs we thank the Elliot Institute and the Friends of the Library. The Friends underwrite most of the programming held at the Library and for this we are very grateful.

Other special gifts were made possible by friends and family of Betty Collins, the Fitzwilliam Garden Club, the Library Memorial Fund, anonymous donors and Friends of the Library.

LIBRARIAN'S REPORT 1992

In 1992 all the juvenile materials were weeded, inventoried and cataloged in our ongoing conversion project. In 1993 we will begin the adult fiction with the following year earmarked for barcoding and automation of circulation. A new staff member, funded with a private grant, was hired in 1992 to help with this labor intensive project.

1993 promises to be a very busy year for staff at the Library. In addition to the inventory, the staff and trustees will also begin a planning process to help identify priorities, assess the quality of present services and better allocate resources. Our goal is to match services to community needs, interests, and priorities. This process will include a community survey. We hope that as many people as possible will participate in the survey, particularly any who are not currently users of the Library.

The trustees and myself have made accessibility to the disabled a priority in 1993. This, combined with the lack of space, has resulted in an urgent need for the Library building plan. An article on the warrant for 1993 requests the establishment of a capital reserve fund for additions and renovations to the building.

I would like to thank volunteers Judy Hancock, Harriet Underwood, Lottie Guild, and Olga Rankin for all their efforts. Thanks also goes to the Selectmen, the community and to all those who have supported the Library this year.

Respectfully submitted,

Susan M. Massin Library Director

REPORT OF THE CEMETERY DEPARTMENT 1992

It was another busy year - the grass never stopped growing. We repaired a few monuments and markers this year due to vandalism in the Village Cemetery.

Due to budget cuts, we were unable to repair the foundation of the tool house. We hope to be able to complete this project this year.

We purchased two lawn mowers and repaired the old rider machine to be used at the Pine Grove Cemetery.

In 1993 we hope to grade, lime, and seed more of the grave sites in the Village Cemetery. We will also need to enlarge the cemetery.

- In the Village Cemetery there were: 2 burials and 7 cremations
- In the Pine Grove Cemetery there were: 14 burials and 4 cremations

Respectfully submitted,

Robert Dunton Sexton of Cemetery

REPORT OF THE PLANTE MEMORIAL PARK

Very little work was done this year on the lower part of the Plante Memorial Park due to a lack of funds.

With the help of the Highway Department, we brought in several loads of loam which has been spread. A stump needs to be removed and more loam will need to be brought in to finish this project.

We would like to plant four new trees to replace the ones that were previously cut down. We would also like to finish installing railroad ties around the rest of the outside of the park. Both walks need to be replaced as the present ones are in poor condition.

We would like to thank the Fire Department for putting the Christmas lights on the Christmas tree this year, it looked very beautiful.

Respectfully submitted,

Robert Dunton, Commissioner Plante Memorial Park Memorial Day 1992 was a success once again largely due to the willing participation of many townspeople. Gathering these participants is the responsibility of the Memorial Day Committee. This committee is chosen annually from volunteers at Town Meeting. The Committee has historically been comprised of three, but certainly more members would make the workload lighter. We encourage anyone interested to raise their hand when Article 3 is read to make the first step toward helping Fitzwilliam celebrate this important occasion.

The Committee wishes to thank all those who participated in both the parade and the program itself. We thank Mr. Norm Evans, principal of Emerson School, for providing a most memorable speech at our program. We would like to thank Mac Landy and Nat Haynes, who with accompaniment by Jim Parison provided a duet for the program. Many thanks also to the Girl Scouts, Brownie Girl Scouts, Cub Scouts, AWANA'S Group and the 4-H group for their willing participation. Once again this year we thank the MRHS bank who provided the music under the direction of Mr. Phil Crotto. And finally we thank the Little Monadnock VFW for adding their esteemed presence which reminded us all of the reason why we celebrate this holiday. We thank them and all others who have served this great country in the armed forces.

Additional thanks go to Jim Kennedy for providing the convertible for transporting our WW I Veterans, Mr. Alteri Farinoli and Mr. George Con Kapff. Also thanks to the area clergy for their participation, and Bob Dunton, the Fitzwilliam Fire Department and the Fitzwilliam Police Department for their help.

Fitzwilliam School Committee 1992 Report & Recommendations

On June 3, 1992 the Fitzwilliam School Committee was charged by the Selectmen of Fitzwilliam with studying the feasibility of withdrawing from the Monadnock Regional School District and alternate means of educating Fitzwilliam children. To this end, the Board of Selectmen required the investigation of the following:

- the steps necessary to effect a withdrawal from the District and the consequences of doing so
- the alternate means of educating the children and the feasibility of these alternatives keeping in mind the impact of such factors as Special Education, transportation, State aid
- the wishes of the community, both taxpayers and residents, by means of public hearing(s) and survey(s).

Acting upon this charge the Committee met for the first time on August 18, 1992. The Board of Selectmen appointed Winthrop Brown, James Crenshaw, Mary Crooke, Lola Grab, Debbie Jackson, Susan Link, and Michael Methe to the Committee. Members selected Susan Link to serve as Chairman. Resignations were accepted from Debbie Jackson in September and from James Crenshaw in November. Winston Wright of the Monadnock Regional School Board, Dr. Betty Vandersluis, Ms. Pat Busselle of the State Department of Education, Administrator in the Office of Commissioner, and Mr. Paul Kilmister, Retired from the State Department of Education were guest speakers at Committee meetings.

The steps necessary to withdraw from the Monadnock Regional School District are as follows:

 The School Board, a Town Meeting vote, or Voters (50) may petition the School Board to conduct a feasibility study to address the restructuring of the District. Fitzwilliam School Committee 1992 Report & Recommendations

- 2. A study committee of 1 School Board Member and 1 Selectman from each town is formed to study the feasibility of restructuring. A report must be completed within 120 days.
- 3. <u>If restructuring is recommended</u> the proposal must be approved by the State Board. The proposal is to include a detailed plan for continuity of education for all students.
- 4. The restructuring proposal has to be approved by the voters at the School District Meeting.

A vote of the Town in itself is not sufficient to withdraw. There are three levels of approval in the Procedure for Withdrawal. In order to proceed with a withdrawal each of the following bodies must approve the proposal: the School Board's Study Committee, the State of New Hampshire department of Education, and the Voters of the School District.

There have been twenty (20) attempts to restructure cooperative school districts in the State of NH. Only one proposal reached the District Voters. This particular proposal was beneficial to all towns in the cooperative and therefore was voted on favorably.

Alternate means of educating the children of Fitzwilliam that were discussed by this Committee were: vouchers, corporate management of schools, affiliation with other districts by tuitioning out all or select grades, creation of a Fitzwilliam School District, and creation of a new cooperative school district with other towns. Each of these options raised questions regarding quality of education, financial obligations, and representation.

The issue of quality of education was considered a broad area subject to many interpretations. If withdrawal is pursued by the Town of Fitzwilliam, the Committee suggests that a separate Committee be formed to evaluate the quality of education of alternative plans. Fitzwilliam School Committee 1992 Report & Recommendations

Discussion of financial obligation centered on Special Education, transportation and physical structures. Consideration must be given to the cost of these if Fitzwilliam were to withdraw from the Monadnock Regional School District. These costs are not constant and can fluctuate as requirements are identified.

Transportation of all children was addressed as a financial obligation. Consideration was given to creating our own transportation company if withdrawal is effected. The question of increased liability and cost effectiveness was raised regarding this concept.

The Town of Fitzwilliam has a financial interest in all properties owned by the Monadnock Regional School District. A request was made of John Menton, Business Manager for the following information:

- a) the estimated current value of each building and all land owned by the District;
- b) the value of each building and all land at the time the District was formed or at the time acquired by the District;
- c) Fitzwilliam's interest in each; and
- d) any other information you feel would be relevant.

The information has not been received as of this date. Without this information it was not possible for the Committee to ascertain the cost of a withdrawal.

On December 15, 1992 the Committee held a public hearing to review findings and accept public comment.

A loss of representation should have a bearing on any decision regarding alternative proposals for education. Currently under the Warrant of Organization for the Monadnock Regional School District we are permitted one representative on the School Board. Vouchers and tuitioning were viewed as options permitting us limited or no representation. Fitzwilliam School Committee 1992 Report & Recommendations

Decisions regarding the future schooling of our children must not be taken lightly. As noted above, the quality of education alone is an issue of broad scope. There are additional factors to be assessed before any alternate plan is undertaken as the results are long term. At this time it is the recommendation of this Committee to remain an active member of the Monadnock Regional School District.

The Committee makes this recommendation while recognizing the existence of concerns within the community. These might be addressed through the formation of a Citizen Advocacy Group in Fitzwilliam. This group could maintain contact with the Administration, the School Board, the High School, and the Elementary School in an effort to maintain and improve communication. Although this recommendation was not within the scope of this Committee, many issues were brought forward that could be resolved through an on-going Citizen's Group.

If the Voters of Fitzwilliam wish to pursue the withdrawal of the Town from the existing Monadnock Regional School District, we strongly recommend the hiring of an outside consultant for the purpose of assessing any alternative educational plans.
