Annual Report

of

Gilmanton, New Hampshire

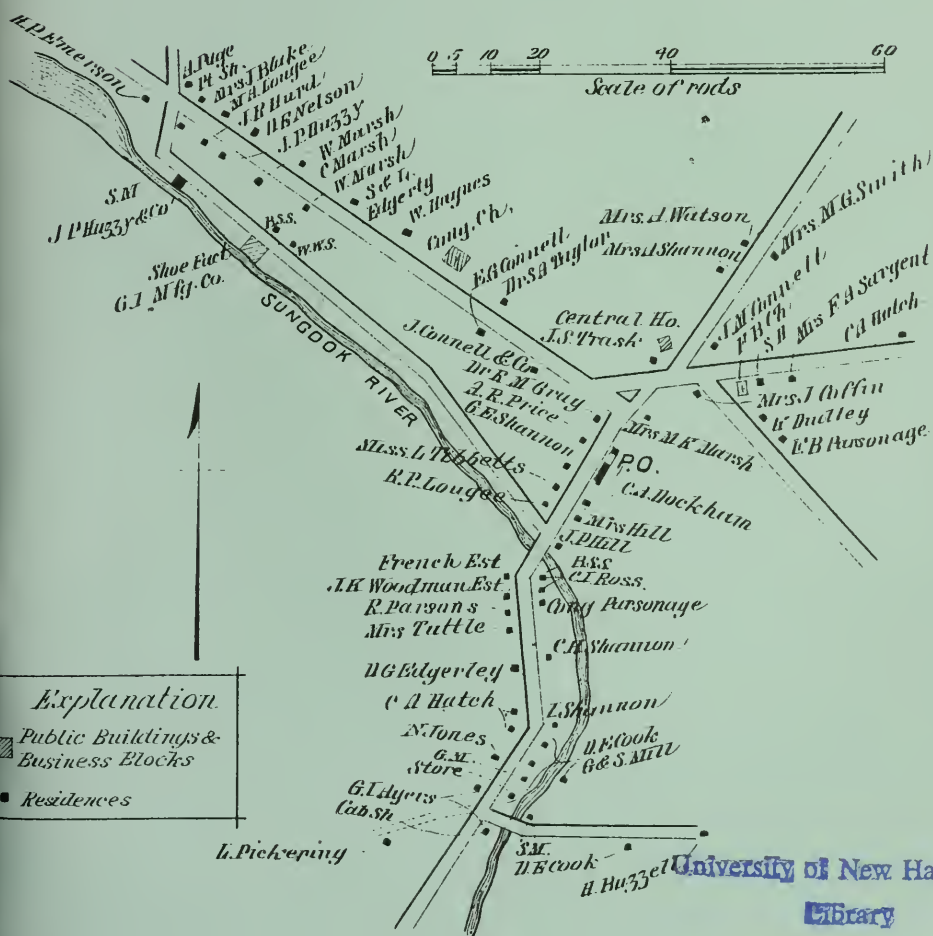

for

the year 1986

Gilmanton Iron Works

1892

TOWN OF GILMANTON BELKNAP CO.

Annual Report

of the

Town Officers

for

The Fiscal Year Ending
December 31, 1986

and of the

School District

for

The Year Ending
June 30, 1986

DEDICATION

This year's annual report is dedicated to the memory of David Fillion. Dave was a dedicated School Board member whose terms included three years as Chairman and numerous times as Vice-Chairman and Clerk. Dave also served two terms as Chairman of the School Administrative Unit Thirty School Board.

After securing his teaching degree from Plymouth State College, Dave taught at public schools in New York State, Tilton and Alton. He started teaching at the Vocational Technical College in Laconia during the fall of 1968. Dave eventually assumed the post of English Department Chairman at the Vocational Technical College and served in that capacity until 1986.

Dave was respected and loved by colleagues, students, fellow board members, and all who knew him. His dedication to education was exhibited not only through his teaching of students but through his long commitment as a School Board member.

David Fillion will be remembered in his role as a School Board member for his constant concern and effort to provide quality education for the children of our community.

TOWN WARRANT THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 10:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of Gilmanton in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Gilmanton Elementary School in said Gilmanton on Tuesday, the Tenth day of March, next at Ten of the clock in the forenoon, to act upon the following subjects:

Article 1: To choose all necessary Town Officers for the year ensuing, to vote on final amendment proposals of the Gilmanton Zoning Ordinance, and to vote on the proposed Tax exemption for the Blind.

1A: Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Gilmanton Zoning Ordinance as follows:

Amend Article V, Cluster Residential Development, paragraph 2 to increase from 25% to 50% the percentage of common land in a cluster development which must meet the definition of buildable which appears in Section 7.3b of the Gilmanton Subdivision Regulations.

If adopted, the amendment would require that a higher percentage of the land in a cluster development that is held in common be useable land (not wet or steep) capable of being used by property owners for purposes such as recreation.

1B: Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Gilmanton Zoning Ordinance as follows:

Amend the Gilmanton Zoning Map by extending the Business/Light Industrial District to include all that area on the westerly side of Route 106 from the end of the present Business/Light District to the Belmont Town line.

If adopted, the amendment would expand the area zoned for business and light industrial uses.

1C: Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000.00

THE FOLLOWING ARTICLES WILL BE ACTED UPON AT THE GILMANTON ELEMENTARY SCHOOL ON SATURDAY, MARCH 14, 1987, AT 7:30 P.M.

Article 2: To see if the Town will vote to authorize the Selectmen to incur debts for Temporary Loans in anticipation of taxes.

Article 3: To see if the Town will vote to authorize the Selectmen to accept any State or Federal monies that may be available to the Town.

Article 4: To see if the Town will vote to authorize the Selectmen to apply for, contract for, and accept any and all grants of disaster aid from the Federal and/or State governments as may become available during the year, and to expend such funds for the purposes for which they are received, and to do all things necessary for the purpose of this article.

Article 5: To see if the Town will vote to raise and appropriate the sum of One Hundred Ninety-six Thousand, Nine Hundred Seventy-eight Dollars to defray General Government Expenses which include: T.O. Salaries, T.O. Expenses, Election & Registration, Cemeteries, General Government Buildings, Reappraisal of Property, Planning & Zoning, Legal Expenses, Insurance, and FICA & Retirement. (\$196,978.00)

Article 6: To see if the Town will vote to raise and appropriate the sum of Fourteen Thousand, Five Hundred Dollars to purchase a Computer to be used for the Tax Assessment and Billing Process. (\$14,500.00)

Article 7: To see if the Town will authorize the establishment of a Capital Reserve Fund (Pursuant to Chapter 35) for the future Revaluation of the Town and raise and appropriate the sum of Twenty Thousand Dollars towards this purpose. (\$20,000.00)

Article 8: To see if the Town will vote to raise and appropriate the sum of Two Thousand Two Hundred Ninety-nine Dollars to become a member of the Lakes Region Planning Commission. (\$2,299.00)

Article 9: To see if the Town will vote to raise and appropriate the sum of One Hundred Forty-three Thousand, Four Hundred Twenty-seven Dollars to defray costs for Public Safety which includes: Police Department, Fire Department, Civil Defense, Building Inspection and Damage by Dogs. (\$143,427.00)

Article 10: To see if the Town will vote to raise and appropriate the sum of Forty-six Thousand Dollars, for the purchase of a new Rescue Vehicle. (\$46,000.00) (\$26,000 to be raised by Public Donations)

Article 11: If Article 10 passes, to see if the Town will vote to authorize the Selectmen to sell by sealed bid, or public auction and convey one 1972 GMC Rescue Vehicle.

Article 12: To see if the Town will vote to raise and appropriate the sum of Fifty Four Thousand Eight Hundred Eighty-seven Dollars, for the purchase of a front end loader. (\$54,887.00) (\$3,613.00 Not Recommended by Budget Committee).

Article 13: To see if the Town will vote to raise and appropriate the sum of Two Hundred Seventy-two Thousand, One Hundred Thirteen Dollars, to defray costs for Highways, Streets & Bridges which includes: General Highway Expenses, Highway Block Grant Aid, Summer Maintenance, Winter Maintenance and Asphalt for Sealing. (\$272,113.00)

Article 14: To see if the Town will vote to establish a Capital Reserve Fund for the pupose of replacing the Bridge which carries Stage Road over the

Suncook River, and to raise and appropriate the sum of Forty-five Thousand Dollars, for this purpose. (\$45,000.00)

Article 15: To see if the Town will vote to raise and appropriate the sum of One Hundred Three Thousand, Six Hundred Fifty Dollars, for maintenance and supervision of the Solid Waste Disposal, as required by State Law. (\$103,650.00)

Article 16: To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars, for a study of the existing dump as ordered by the State to bring the Gilmanton Dump into compliance with current regulations. (\$50,000.00)

Article 17: To see if the Town will vote to raise and appropriate the sum of Sixteen Thousand Eight Hundred Seventy-two Dollars, to defray expenses for Health and Welfare which includes: Hospitals, Ambulances, Animal Control and General Assistance. (\$16,872.00)

Article 18: To see if the Town will vote to raise and appropriate the sum of One Thousand Four Hundred Eighty-nine Dollars, for the Town's share of the Belknap-Merrimack Community Action Program. (\$1,489.00)

Article 19: To see if the Town will vote to raise and appropriate the sum of Six Thousand Three Hundred Ninety Dollars, for the support of the Lakes Region Community Health Agency, Inc. (\$6,390.00)

Article 20: To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars for the support of the Lakes Region Family Services. (\$500.00)

Article 21: To see if the Town will vote to raise and appropriate the sum of Ten Thousand One Hundred Ten Dollars to defray expenses for Culture and Recreation which includes: Libraries, Parks and Recreation, Patriotic Purposes and Conservation Commission. (\$10,110.00)

Article 22: To see if the Town will vote to raise and appropriate the sum of Eight Thousand five Hundred Thirty-one Dollars and Twenty-five Cents, for payment on Principle and Interest on Long Term Notes. (\$8,531.25)

Article 23: To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars for payment of Interest on Tax Anticipation Notes. (\$20,000)

Article 24: To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund for use as setoffs against budgeted appropriation for the following specific purposes and in amounts indicated herewith including accumulated interest or take any other action hereon:

Solid Waste	25,000.00
GIW Fire Dept.	5,000.00

26. Voted to adopt the 1985 Welfare Guidelines recommended by the N. H. Municipal Assn. as specified in RSA-165:1.

27. Voted that the Academy bell located in the belfry of the Gilmanton Academy in Gilmanton Corners shall be made accessible for ringing from the exterior of said structure by any and all persons in Celebration of Independence Day between the hours of 11:30 p.m., July 3, 1986 and 1:00 a.m., July 4, 1986, and all succeeding Independence Day Commemorations thereafter. Arrangement for ringing the bell shall be made between the Selectmen and the Fourth of July Committee. (By Petition) As Amended.

28. Voted to authorize the Selectmen to publish the names of delinquent Tax-payers in the Town Report.

29. The following resolution to Robert F. Tibbetts was given:

WHEREAS: Mr. Robert F. Tibbetts has served the Town of Gilmanton as it's Tax Collector for the past 20 years in a most loyal and devoted manner, and,

WHEREAS: Mr. Robert F. Tibbetts has this year decided after 20 years not to seek elective office, be it hereby:

RESOLVED: That we the Citizens of Gilmanton, N. H. assembled in Town Meeting this 15th day of March, 1986, do wish to take this opportunity to express our thanks and appreciation to Mr. Robert F. Tibbetts for his many years of service to the Town of Gilmanton as it's duly elected Tax Collector and that a notice of such recognition be entered into the records of this meeting.

Mr. Tibbetts was given a standing ovation by the voters of Gilmanton. The Selectmen presented Mr. Tibbetts with a plaque commemorating his service to the Town.

Amounts enclosed in parentheses are items approved by the Budget Committee.

There being no further business before the meeting, the meeting was adjourned at 9:00 p.m.

Respectfully submitted: Elizabeth R. Smithers, *Town Clerk*, Gilmanton, N.H.

Minutes of the Special Town Meeting August 16, 1986

The meeting was called to order by the Moderator at 7:00 P.M. The warrant was read by the Moderator.

Art. 1 It was voted to authorize the Selectmen to sell by sealed bid or public auction and convey one 1958 International Fire Truck and one 1971 Mack Fire Truck.

Art. 2. It was voted to authorize the Planning Board to prepare and amend a recommended program of municipal capital improvement project projected over a period of at least six years as authorized under RSA 674:5.

The meeting was adjourned at 7:12 P.M.

Elizabeth R. Smithers,
Town Clerk, Gilmanton

Minutes of the Special Town Meeting August 16, 1986

The meeting was called to order by the Moderator at 7:30 P.M. The warrant was read by the Moderator.

Art. 1 It was voted to raise and appropriate the sum of One Hundred Twenty Five Thousand Dollars, for the purchase of a fire truck for the Gilmanton Corner Fire Department. (\$125,000.00) (As amended)

Art. 2 It was voted to authorize the Town to raise and appropriate \$125,000.00 for the purpose of purchasing said fire truck as voted in Article 1, to be purchased in 1986. (As Amended)

Art. 3 It was voted to raise and appropriate the sum of \$10,000.00, Ten Thousand Dollars, for the purpose of purchasing a new stainless steel highway sander. (\$10,000.00) (As amended)

Elizabeth R. Smithers
Town Clerk, Gilmanton.

Results of Zoning Balloting

1. Are you in favor of adopting the following building and life safety codes to govern building construction in Gilmanton?

- a. The 1984 BOCA Basic Building Code, as amended;
- b. The Life Safety Code, NFPA Doc 101, 1985 Edition, as amended.

YES 266*

NO 142

2. Are you in favor of adopting an amendment to Article III, Section F. of the Gilmanton Zoning Ordinance governing signs, as proposed by the Planning Board?

(If adopted, the proposed amendment would: Add a statement of purpose: increase the size of signs allowed in the Business/Light Industrial District from 24 to 32 square feet: specify that temporary real estate signs be located only on the property for sale: clarify requirements for temporary signs for on-site work: add restrictions for nonconforming signs: and prohibit signs overhanging the public right-of-way.)

YES 295*

NO 146

3. Are you in favor of adopting an amendment to create a new Article III, Section I as proposed by the Planning Board? The new section would regulate satellite dish antennas?

(If adopted, the proposed article would require that satellite dish antennas be located in the rear yard of any lot. If a usable signal cannot be obtained from the rear yard, antennas could be located in the side yard. On waterfront lots, antennas could not be located between the dwelling and the water line.)

YES 275*

NO 186

4. Are you in favor of adopting an amendment to Article VI of the Gilmanton Zoning Ordinance governing mobile homes, as proposed by the Planning Board?

(If adopted, the amendment would make the following changes:

- a. add the term "manufactured housing" after each reference to mobile homes so that the ordinance would read "Mobile homes/manufactured housing."
- b. add a list of specific conditions under which the Board of Selectmen may grant a permit for temporary use of a mobile home/manufactured housing:
- c. require that replacements of existing mobile homes or trailer coaches comply with septic system requirements and setbacks:

d. require that temporary use of trailer coaches be limited to 120 days annually, that trailer coaches be registered, and that adequate water and sewer systems be provided.)

YES 297*

NO 156

5. Are you in favor of adopting an amendment to the Gilmanton Zoning Ordinance to create a new Article XV, as proposed by the Planning Board. The new article would regulate shore-front development?

(If adopted, the proposed article would require:

a. 100-foot minimum shore frontage for a single-family dwelling lot:

b. that shorefront common areas be set aside for backland development where the development has water access.)

YES 335*

NO 114

6. Are you in favor of adopting an amendment to the Gilmanton Zoning Ordinance that would make modifications in the text of several articles of the ordinance, as proposed by the Planning Board?

a. revise the description of home occupations in Article III, Section D:

b. revise several parking standards in Article III, Section G to conform to the standards in the Site Plan review Regulations:

c. specify in Table 1 that the term "multi-family dwellings" applies to 3 or 4 units:

d. revise Table 2 to specify that setbacks from water shall be 40 feet:

e. revise table 2 to delete the provision that front setbacks can be in line with existing buildings within 150 feet:

f. revise Article VIII, Section C to reference the new penalty provisions for zoning violations adopted by the State Legislature:

g. revise numerous definitions in Article XIV.)

YES 252*

In this year many necessary and costly repairs were made to the Library building. The roof was resingled, the chimney was repointed, the ceiling and walls in the main room were repainted, following rain damage, and nine windows were given new cords, puttied and painted, amounting to a total cost of \$2,495.67. Funds were obtained through the \$500 additional appropriation from the Town, advances from the Library Association, donations from friends of the Library and sale of dinners and food. Many thanks go to the volunteer librarians and to Mrs. Phyllis Buchanan for donating long hours and materials to clean windows and floors following repairs.

Margaret M. Burns, Trustee

Sawyer Lake Village District
P.O. Box 125, Gilmanton, N.H. 03237

The 12th annual meeting of the Saywer Lake Village District was held on March 22nd, 1986 to elect officers for the ensuing year and to act upon the budget which was voted in the amount of \$63,249.45.

Elected officials are:

Commissioners

Frank Castro (1988)

George A. Pelissier,
Building Inspector

Report of Health Inspector

A wet 1986 resulted in many complaints of failed septic systems. One foster home and one home for the handicapped were inspected. The summer also brought complaints of unauthorized trailers, outhouses, accumulation of trash and rodent complaints.

George A. Pelissier
Health Inspector

**Gilmanton Fire Department
Corners Station**

The Gilmanton Corners Station responded to 106 emergency and service calls during 1986. Of these 84 were emergencies and 22 were service calls. The following is a breakdown of these incidents:

Types of Calls

Chimney fires	10
Brush fires	20
Structure fires	2
Motor Vehicle Accidents	12
Medical emergencies	28
Mutual aid outside town	12

The Mutual Aid System was called upon 36 times to assist our department.

Day of Week Calls Occurred

Monday 6	Tuesday 11	Wednesday 10		
Thursday 6	Friday 14	Saturday 18	Sunday 19	

Times of Day Calls Occurred

1am-4am	6 Medical	1 Fire
4am-8am	2 Medical	6 Fire
8am-12noon	7 Medical	8 Fire
12noon-4pm	5 Medical	13 Fire
4pm-8pm	7 Medical	8 Fire
8pm-12midnight	6 Medical	6 Fire

*9 report times were unavailable

The Corners membership consists of 17 personnel who are cross trained in aspects of fire protection as well as providing emergency medical care. This reflects a dedicated commitment by these volunteers of over 1,000 hours of service to the community annually. These hours do not include the service of the members of the Gilmanton Iron Works Station, with whom we work closely.

A proposal that both departments are looking favorably to is that of combining both departments under one administration. It is felt that this would better coordinate the efforts of the two departments. We have proposed this concept to the Selectmen in hopes of further discussion at the town meeting.

In August the town's new fire engine is expected to arrive. It will carry 1,000 gallons of water and have a pumping capacity of 1,250 gallons per minute. This "Class A" pumper will be the initial "attack" piece for the Corners Station as well as be a complement to the apparatus at the Iron Works Station.

I would like to take this opportunity to thank former Gilmanton Corners Fire Chief, Raymond "Mickey" Daigle, for his many years of service to the community in a leadership position. His dedication and guidance has helped to steer the department in a direction that has been most beneficial for our town. "Mickey" will be staying on as a member of the department and we are looking forward to his continued support and participation.

As in the past, we are also looking forward to close working relationships with the Police Department, Public Works, and Town Fathers. This enables us to serve you, the townspeople, to our best ability.

We need YOUR participation to help us help you. Rapid notification of any emergencies should be done by calling 524-1545. This is the Lakes Region Mutual Aid phone number. They are responsible for dispatching and coordinating our communication systems.

To better protect your family in the event of a fire we encourage everyone to install a smoke detector in their residence. Installation of a detector is like putting a fireman in your home. This year let us all adopt a fireman and protect ourselves with early detection of fires, use smoke detectors, they save lives!

Respectfully Submitted,

James A. Clough, Chief

Gilmanton Corners Fire Department.

Report of Town Forest Fire Warden and State Forest Ranger

Between July 1985 and June 1986, we experienced fewer forest fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

Report of Gilmanton Fire Department

Iron Works Station

Your fire department and rescue squad responded to 141 emergencies in 1986, of which 71 were medical, 20 motor vehicle accidents, and 50 fires. These statistics substantiate our campaign to raise funds for a new heavy rescue vehicle. We are gratified with the response from the townspeople, and feel our goal is entirely attainable.

The department has obtained a forestry truck from the State Department of Resources and Economic Development which we plan to have in service by summer. It is a joint effort between the Fire Department and Hidden Valley Scout Res. The truck will be housed at the camp during the summer months, thus increasing our forest fire fighting capabilities.

These projects, along with an ongoing program of personnel training and equipment upgrading, are how the Fire Department is striving to maintain an emergency service capable of handling the needs of this rapidly growing community.

Respectfully submitted,

David H. Russell

Gilmanton Police Department

Undoubtedly 1986 was the busiest year the police department experienced since my tenure. I believe this is due in part to growth, public awareness and concerted effort by the police department to get out and know the people we serve.

An area that stretched our resources was investigative time used by the police department to pursue various criminal and non-criminal matters. One of the largest increases this year was a 41% increase in Court cases.

The breakdown in activity, listed below, demonstrates some of the serious offenses the police department investigated this year.

General Calls for Service (Alarms, susp activity, accidents, etc.)	1376
Arrests	326
Assaults	4
Burglaries	33
Thefts	27
Auto Thefts	3
Criminal Mischief	27
Sex Offenses	3
Drug Offenses	6
DWI Arrests	21
Manslaughter	1
Negligent Homicide	1
Motor Vehicle Warnings	507
Other Offenses	22

As always, we encourage the public's assistance, because without it our effectiveness diminishes. Remember, our door is always open, even if it is for a friendly conversation.

Respectfully submitted,

Maurice R. Salmon II
Chief of Police

Auditor's Report

May 15, 1986

Members of the Board of Selectmen
Town of Gilmanton
Gilmanton, New Hampshire

Dear Members of the Board:

We have examined the financial statements of the Town of Gilmanton for the fiscal year ended December 31, 1985 and have issued our report thereon dated March 27, 1986. In connection with our examination, we reviewed and tested the Town's systems of internal accounting control and operating procedures to the extent we considered necessary to evaluate the systems as required by generally accepted auditing standards. The purpose of our review of these systems was not to express an opinion on internal accounting control, and it would not necessarily disclose all weaknesses in the system.

In the following paragraphs, we present our comments and recommendations for improving specific aspects of the Town's systems and procedures. We also refer you to the appendix of this letter which explains the purpose of our review, its limitations, and the professional standards involved.

1. TAX COLLECTOR'S ACCOUNTS

A. General Overview

Our examination revealed major weaknesses in the area of accounting for tax collections. As a result, it was necessary for us to perform many additional auditing procedures in order to satisfy ourselves as to the fairness of the Town financial statements. Those additional procedures were also necessary so that reasonable amounts could be recommitted to the new Tax Collector elected in March 1986. Because of the change in the position of Tax Collector, a second audit of the Collector's accounts was required by statute covering the period of January 1, 1986 through March 11, 1986. In an effort to minimize audit costs associated with the additional procedures noted above, we combined procedures for both audit periods whenever possible.

Many of the conditions we encountered were not new to the 1985 fiscal year. Our review of audit reports by the State Department of Revenue Administration in 1980, and a certified public accountant in 1981, also revealed procedural weaknesses in the accounting system for tax collections. It appears that only a few of those findings were ever followed up on or corrected.

Many questions which arose during our audit referred to uncollected taxes of 1970 and prior years. We were concerned over the age of these receivables and, thus, what actions would be appropriate for the succeeding collector in these unusual circumstances. From a technical standpoint, it appears that many taxes receivable on the books at December 31, 1985 should have been deeded to tax sale purchasers two years and a day after the date

of the respective tax sales. Since that time, many properties have been sold or subdivided which further complicates matters.

In an effort to aid Town officials in the resolution of these deficiencies, we met with Town officials, Town Counsel, and officials from the Department of Revenue Administration to review our audit findings in detail and to discuss alternatives for what might be considered appropriate in the circumstances.

As a result of the return of tax verification notices, it appears that approximately \$20,000 had been collected in 1985 and not posted (credited) in the warrant books.

The difficult task remaining for the present Tax Collector is that of following through with current property owners regarding old unpaid balances and to close these accounts.

In light of these unusual circumstances and also to assist the new Tax Collector in understanding the duties and accounting responsibilities of the office, we have made ourselves available for ongoing technical assistance which may be required. We recommend that the Town consider providing for a formal monitoring of these accounts on at least a quarterly basis until all questionable items have been resolved and the Collector is comfortable in her duties.

B. Reports Made by Collector

Differences were noted between amounts per warrant books and amounts reported by the Collector in the Town report. In many instances we could not determine the basis of the Collector's reported amounts.

We noted errors in the posting of cash receipts to the warrant books, in that only principal amounts were posted as having been collected. Interest was not included in the total collection amounts. For this reason, individual accounts in the warrants do not cross-foot.

We determined that warrant books had not been footed and cross-footed as pages were completed. This practice is important to test the accuracy of postings and to summarize these permanent accounting records.

C. Commitments

We found that warrant books did not agree with signed warrants, in some cases, and that the Collector's report contained amounts that matched neither warrant books nor warrants.

We noted instances where resident taxes were collected without a signed warrant, and we found no evidence that amounts were subsequently communicated to Selectmen so that warrants could be issued.

We noted that second-half commitments of property taxes are prepared for the entire tax levy, less cash payments on the first-half estimate as communicated to the computer service bureau by the Tax Collector. We found no evidence that any control procedures were performed on the second-half

billings to determine that postings were verified for correctness or completeness. The cash receipts journal was not footed on a year-to-date basis, which would have facilitated this verification procedure.

Interest on unpaid balances from the first-half property tax warrants are not calculated or added to the second-half automatically by the computer service bureau. These amounts do not appear to have been collected routinely.

D. Overpayments

No record of overpayments was seen. We had to review accounts in the warrant listings on an individual basis to determine these amounts.

E. Interest and Penalties

Interest and penalties were not charged in accordance with State Statutes during the year. We estimate that substantial revenues may have been lost, because in many instances interest was not charged at all on delinquent accounts.

As previously mentioned, it appears as though interest on unpaid balances from the first-half property billing was not collected after the second billing was issued. Interest was charged from the due date of the second billing to the date of payment, instead of on the entire period for which the first-half billing was outstanding.

F. Remittances

It does not appear that all collections have been posted to the tax warrants. Analysis of the cash receipts journal revealed that approximately \$8,000 in collections had not been posted to the warrant books for 1984 and 1985 property taxes. There is still \$18,946.25 in excess credits which have not been accounted for in property taxes as follows:

Levy of 1985	\$12,013.64
Levy of 1984	5,827.39
Levy of 1983	317.00
Levy of 1982	788.22
Total	\$18,946.25

Audit confirmation of uncollected balances has confirmed that most of this variance occurred because of the failure of the tax collector to properly post all collections to the warrants.

G. Abatements

Our analysis of abatements, issued by the Selectmen during the year, revealed that we could not verify all of the postings to the resident tax warrants. It appears that the tax collector recorded abatements in the resident tax warrants prior to the approval of Selectmen.

H. Uncollected Tax Balances

Uncollected lists were not made available for audit purposes. Therefore, we found it necessary to utilize alternate methods for obtaining amounts of uncollected taxes. We footed 100% of the uncollected balances as indicated by the tax warrants rather than a normal testing of receivable accounts. We sent notices to 584 taxpayers totalling \$492,585 out of a total of \$660,072 in uncollected and unredeemed taxes as of March 11, 1986.

I. Tax Sale Accounts

a. Accounts Not Sold

We noted instances when uncollected tax accounts were not sold at tax sale according to statute. In some cases where accounts were overlooked and not tax sold, we noted that unpaid accounts in warrant books were extended as having been paid; even though amounts posted as payments did not add up to the total of taxes and interest. In other cases, we could not determine why accounts had not been tax sold since they appeared clearly as unpaid balances in the warrant books. Our auditing procedures revealed uncollected balances that had not been sold dating back to 1982, which were not reported in the collector's report.

For many of the years immediately preceding and including 1985, the tax sale was held on September 30, the last legal date to hold a tax sale. While this date is within statutory limits, it does not leave enough time to conduct a second sale, if necessary, to correct for errors like those above.

b. Amount of Sale

We noted differences between the Collector's report of sale to the Registrar of Deeds, the record of tax sales book, and the check paid by the Town for tax purchased at tax sale. We further noted that these errors could have been discovered in the normal course of business had the record of sale and the tax sale record been footed for accuracy.

We found no evidence to indicate that mortgagees were notified within statutory periods subsequent to the tax sale by purchasers.

c. Interests and Costs

In many instances, a fee of \$1.00 was included in the report of sale for each account sold. These fees appeared to be collected for most redemptions. However, they were not included nor posted to the record of tax sale. We could not determine what these fees were for.

We estimate that approximately \$3,600 in tax sale costs revenue was lost to the Town, because current statutory rates were not charged on the 1985 sale.

In many cases, interest and costs were not collected on unredeemed

balances. Technically speaking, these balances still exist and interest is still accruing on the total amount of unredeemed tax from the date of tax sale.

d. Redemptions

We found no evidence to indicate the Registrar of Deeds had been notified to release liens after full redemption. Therefore, this could be an indication that this procedure was not followed.

e. Issuance of Deeds

Collector's deeds were not issued to tax sale purchasers on a timely basis. Further, since unredeemed balances were discovered back to 1966, it appears that purchasers did not seek them in all cases.

In a number of cases, we noted that deeds were issued but not recorded in the Record of Tax Sale book.

2. BUDGETING POLICIES

We found that the Town did not budget on a "gross basis" for its Cemetery Association funds in 1985. It appears that for these funds, it has been the practice of the Town to appropriate only that portion of expenditures which are funded by General Fund revenues. The State Department of Revenue Administration requires that all expected financial activity be budgeted on the gross basis and offset as estimated revenues, any amounts which are expected to be funded by revenues other than from General Fund.

We recommend that the Town consider budgeting on a gross basis in future accounting periods.

3. ACCOUNTING RECORDS

One-write System

In 1986, the Town implemented the use of a one-write accounting system for expenditures. During our audit, we noted that the full potential of the system is not being realized, in that the ledger card aspect of the system is not used. Instead, columns in the one-write journals have been adapted for use in the same manner as the former Selectmen's book.

We recommend that use of the ledger cards be considered to further improve record-keeping efficiency and to reduce the chance of error.

4. ANNUAL AUDITS

As a result of our examination and audit findings, we felt that most, with the exception of the Tax Collector's Department, were not unusual for a first-time audit. While the Town of Gilmanton is fortunate in having a number of dedicated individuals who work very hard in managing the Town's affairs, they are not professional accountants and managers. For this reason,

financial records and procedures tend to mirror the past, instead of addressing the present and future needs of the Town. We feel that an annual audit is one way for Town management to monitor its accounting and financial reporting needs and to determine what may be cost effective measures for satisfying them. In addition to affording Town management, the public, and grant or agencies certain assurances as to the fairness of the financial statements, we view the annual audit as a critical element in the system of internal accounting control. Besides the annual monitoring of financial records and procedures, it provides an ongoing opportunity to have a professional accountant at the Town's disposal for consultation during the year.

For the above reasons, we recommend that the Town consider a policy of providing for an annual professional audit of its records.

In closing, we would like to thank the administration and staff for their courtesy and assistance extended to us during the course of our examination. If after you have had an opportunity to review our comments and recommendations, you have any questions or need assistance in modifying or implementing any procedures, we would be happy to meet with you at your convenience to discuss them.

Very truly yours,

CARRI — PLODZIK — SANDERSON

AUDITOR'S OPINION

Members of the Board of Selectmen
Town of Gilmanton
Gilmanton, New Hampshire

In accordance with the laws of the State of New Hampshire (R.S.A. Chapter 41 Section 36), we have examined the books, records and accounts of Robert F. Tibbetts, Tax Collector of the Town of Gilmanton, New Hampshire for the period January 1, 1986 to March 12, 1986, and as a result of our examination submit the following attached exhibits as listed in the accompanying table of contents.

Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records as we considered necessary in the circumstances.

In our opinion, the accompanying exhibits present fairly the activity in the accounts of Robert F. Tibbetts, Tax Collector, arising from cash transactions for the period then ended on a basis consistent with that of the preceding year.

April 9, 1986

Conservation Commission Report

In the past year the Conservation Commission has finished one project and begun research on others. We also had a number of dredge and fill cites to view.

The underground Fuel Storage Survey yielded incomplete data but was helpful in publicizing the possible dangers of underground tanks. We now have on file a record of the age of many of the tanks in town. Also, all those in the town we talked to were monitoring their tanks in some way. Anyone who was overlooked for some reason who has an underground fuel storage tank is encouraged to contact a Commission member.

Currently we are beginning an extensive project to see if the Town will choose to designate any of the Wetlands in the Town as Prime Wetlands. This is not a Wetlands ordinance, but rather a method to give special status of public review to any such designated areas before development can occur. Part of our requested budget increase reflects mapping and other costs for this project.

The Commission also wants to purchase water testing equipment to begin a yearly program to monitor the water quality of our major lakes and ponds. This would be done by Commission members several times a year.

We appreciate your support as one of the ways to conserve many of the outstanding natural features we all love in Gilmanton.

William Foster, Chairman

Gilmanton Planning Board

The Town of Gilmanton is experiencing rapid growth, and the planning board has undertaken steps to cope with an increasing workload while meeting its obligation to regulate development within the terms of the zoning ordinance and subdivision regulations. During 1986, 108 lots were approved. This compares to 34 in 1985. The building inspector reports approximately 62 permits for new home construction in 1986 (compared to 35 in 1985).

This rapid growth raises the question of whether Gilmanton should consider growth management regulation in order that the demand for services will not outstrip the Town's ability to meet the needs of its residents. In order to adopt a permanent growth-management provision, state law requires that the town develop a capital improvements program and update its master plan. The planning board requested and the town approved at the special Town Meeting in August, authority to prepare a capital improvements program in accordance with RSA 674:5. An ad-hoc committee, headed by Sally Hartman, has convened to assist the planning board in this project. Areas of study include schools, roads, police and fire departments and town buildings. Whether or not the Town decides that a growth management ordinance is appropriate, the capital improvements program will assist the budget committee in preparing its recommendations to the town so that major expenditures are anticipated and evaluated.

The planning board has also considered with the selectmen ways to expand the business industrial zone. Gilmanton's location, away from major transportation corridors, makes it unlikely that attractive major taxpaying entities will locate in town. The burden of municipal services, therefore, falls largely on the residential property taxpayer. No resolution of this problem has been identified.

The planning board has held regular meetings each month on the second Thursday at the Town Hall throughout 1986. The board has also held special meetings and work sessions, and has conducted on-site inspections of proposed subdivisions. Regular meetings will continue to be on the second Thursday. If necessary the Board will adjourn to complete its agenda on the following Tuesday, but will accept no new agenda items.

Members of the Planning Board include John Dickey, John O'Shea, George Twigg, Morton Young and Gordon Russell. Bruce Marriott is selectmen's representative on the board. Alternates are Bob Camp, Donald Kelley, and David Allen. Candy Daigle is our secretary. Without her assistance, the Board simply could not function.

Respectfully submitted,

Carolyn Baldwin, Chairman

January 27, 1987

Lakes Region Planning Commission

Donald Kelley has joined me as commissioner from Gilmanton for the Lakes Region Planning Commission. I have the honor to serve as Chairman of the Commission for the current year.

The Commission's current focus is on the rapid growth of the region and the pressures such development brings. The staff is assisting Towns with master plan update and capital improvement program development. The first "circuit rider" planner has been hired through the commission for the Town of Belmont and the City of Franklin. Such shared services are becoming increasingly attractive as the Region's towns try to cope with the more complex administration and delivery of services required by development and growth.

The state has increased its support of regional planning, from almost nothing before 1984 to \$10,000 per year in 1985 and 1986. A larger appropriation is requested in 1987-8 as State demands increase for regional information and planning input, and both statutes and court decisions require consideration of regional needs in Town planning and land use regulation. A major Commission project for the current year is an update of the regional land use plan, prepared nearly a decade ago. This information will assist Gilmanton and other towns to assess their growth rates in light of trends throughout the Region and to plan for projected future needs.

The Commission has assisted Gilmanton in getting started on its Capital Improvements Program; has sponsored the annual municipal law lecture series, attended by several members of town boards; has developed a model shoreland protection ordinance; and has prepared a report on regional transportation, including the road network, traffic volume, highway adequacy, and air and rail transport.

As growth pressures increase, the importance of wise land use policy and implementation will become ever more evident. Through the Regional Planning Commission, Gilmanton works with 27 other member towns to understand and serve regional interests and address issues of common concern.

Respectfully submitted,

Carolyn Baldwin
Commissioner

New Hampshire Humane Society Report

January 7, 1987

Office of Selectmen
Chief of Police
Town of Gilmanton
Gilmanton, New Hampshire 03237

Dear Town Officials:

The 1986 totals of the number of animals from the town of Gilmanton brought to the N. H. Humane Society shelter are as follows:

By your Animal Control Officer:

Dogs and Puppies	4
Cats and Kittens	<u>1</u>
TOTAL	5

From Gilmanton Residents:

Dogs and Puppies	22
Cats and Kittens	<u>55</u>
TOTAL	77

Total number of Dogs, Pups, Cats & Kittens from the town of Gilmanton	82
--	----

Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442-A, the Rabies Control Act for holding stray dogs.

Every town has stray animal problems. We encourage the town of Gilmanton, and especially the Animal Control Officer, to use our services more in 1987.

Sincerely,
Fritz T. Sabbow
Executive Director

GILMANTON PARKS & RECREATION COMMISSION

This year the Gilmanton Parks & Recreation Com. installed a Route-about slide and fencing over the back stop. The Baseball field was fertilized. A Father and Mother's Softball game was held with great success as well as a winter carnival. The swingset that was purchased will be installed at the Academy in the Spring. We also contributed toward the shed addition to the pole barn.

A successful outing was spent at Wallis Sands with 50 children, some parents and Park & Recreation Commission attending. We hope to arrange another Wallis Sands outing in 1987.

A concert was sponsored by the Parks & Recreation in July with great success.

Plaques were purchased for Little League.

We, the Parks & Recreation Commissioners, feel we have had a successful and progressive year. We would like to extend our appreciation to the volunteers who have helped on our projects. With continued volunteer help, we look forward to an even better year in 1987.

Sincerely,

Gary Lines, Chairman
Barbara Bohannon, Sec.
Nancy Lines
Dick Gilmore

Regular Meeting School Board - Second Monday of Each
Month at 7:30 P.M.

1986 ANNUAL SCHOOL DISTRICT MEETING

Town of Gilmanton

Gilmanton Elementary School March 20, 1986

at 7:30 P.M.

Pursuant to the attached Warrant, a meeting of the School District was held at the time and place therein stated.

Meeting called to order by the Moderator, George Roberts and the Warrant was read.

1. Voted and seconded that the salaries of the School Board and other officers of the district for the 1986-87 school year shall be as follows:

Moderator	10.00
District Clerk	10.00
Chairman of Board	260.00
Members of Board	230.00
District Treasurer	300.00

2. Voted and seconded that the reports of Agents, Committees, and other officers, be accepted as printed in the 1985 Town Report.

3. Voted and seconded that since there were no other committees chosen that we pass to Article 4 on the Warrant.

4. Motion made and seconded that the Budget be taken by groups as printed in the Town Report, voice vote-motion passed.

5. Motion made by Susan Roberts and seconded by Herman Kardinal, Jr. that the District raise and appropriate the sum of \$1,470,096. for the support of schools, for salaries of School District officers and agents and to pay for statutory obligations

of the District. Voice vote-motion passed as amended. Total with amendment \$1,482,596.

6. Motion made by Herman Kardinal, Jr. and seconded by Anne Onion to amend Article 4 to add the sum of \$12,000. to be raised and appropriated for the purpose of paying professional fees for planning and other items and services necessary for and incident to studying space need.

Motion made and seconded that the amendment to Article 4 read: add the sum of \$12,000. to be raised and appropriated for the purpose of paying professional fees for planning and other items and services necessary for and incident to studying space needs and that an educational study report of other options be included. Voice vote-motion passed.

7. Motion made and seconded that since there is no other business to come before the meeting the meeting shall be adjourned. Voice vote-motion passed.

Meeting adjourned at 8:40 p.m.

Respectfully submitted,

Jean F. Munsey,

Gilmanton District Clerk

SCHOOL WARRANT 1986

The State of New Hampshire

To the inhabitants of the School District in the Town of
Gilmanton qualified to vote in district affairs:

You are hereby notified to meet at the Gilmanton School in said
District on the 20th day of March, 1986, at 7:30 p.m. in the
afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and
truant officer, and fix the compensation of any other officers or
agents of the district.

2. To hear the reports of the Agents, Auditors, Committees of
Officers chosen and pass any vote relating thereto.

3. To choose Committees in relation to any subject embraced in
this warrant.

4. To see what sum of money the district will vote to raise and
appropriate for the support of schools, for salaries of school
district officers and agents, and for the payment of statutory
obligations of the District.

5. To transact any other business which may legally come before
this meeting.

Given under our hands and seals this 10th day of February, 1986.

Susan Roberts, Chairperson A true copy of Warrant: Attest:

Will Dockham David Fillion

LETTER FROM THE SCHOOL BOARD

Dear Fellow Citizens:

On behalf of the School Board it is again my pleasure to report to you on the 1986-87 year of the Gilmananton School District.

Our professional and support staff continue to meet the challenge that our community has set - an academically demanding and disciplined school system. Our children have worked hard and have created a student body that all of us can be justly proud of.

There are several areas I would like to bring to your attention that occurred this year.

1. Instrumental Music and Choral Program. This program under the excellent leadership of our music teacher, Mr. Breton, has surpassed our expectations. Over 50 students are involved in the instrumental program and an excellent middle school chorus has emerged.

2. Health Program. Our professional staff has been busy evaluating a health curriculum program for grades K-8 which we hope to implement in the near future.

3. Social Studies. As part of our textbook review program, the social studies program will be updated in the coming year.

4. At our 1986 Gilmananton School graduation 7 members of our 8th grade grading class received the Presidential Academic Fitness Award for outstanding academic achievement.

5. All of us are proud that our principal, Mr. Brunelle, was the 1986 recipient of the N.H. Elementary School Principal of the year award. Mr. Brunelle represented Gilmananton and New Hampshire well in Washington, D.C. when he received his award.

6. Most important of all has been Gilmanton's children, who have continued to exhibit positive attitudes, academic achievements and pride in their school and community. Their accomplishments and conduct continue to be a positive reflection of our community.

7. Your School Board is continually working to set and meet goals to enhance our system as well as give our taxpayers the best value for money spent.

1986-1987 has also been one of intensive work for the Board and the Educational Options Committee. Last March at the School District meeting, the public voted for the formation of a committee to evaluate and propose educational options for the students of Gilmanton. After seven months of in depth work this report will be presented at the School District meeting on March 19, 1987 at 7:30 p.m. at Gilmanton School. At this time you will be asked to vote on the options. This is an extremely important vote, your decision will determine the education of our middle and high school students for the next several decades.

Copies of this report have been and are available at various public buildings in the town. Public hearings have been held on this report and we hope you have attended and had your questions answered and offered comments.

1986-1987 has been an exciting, worthwhile and demanding year. We look forward to serving you in the year to come.

Respectfully, submitted,

Susan M. Roberts

School Warrant
The State of New Hampshire

To the inhabitants of the School District in the Town of Gilmanton qualified to vote in district affairs:

You are hereby notified to meet at the Gilmanton School in said District on the 19th day of March, 1987, at 7:30 p.m. in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and truant officer, and fix the compensation of any other officers or agents of the district.

2. To hear the reports of the Agents, Auditors, Committees of Officers chosen and to hear the report of the Education Options Committee concerning the following:

- a. Cooperative middle high school district with Barnstead School District, endorsed by the Budget committee, Educational Options Committee, and School Board
- b. Construction of a Gilmanton High School
- c. Addition of six classrooms and gymnasium to the Gilmanton School
- d. Addition of twelve classrooms and gymnasium to the Gilmanton School
- e. Area Middle School Agreement (grade 6, 7, and 8) with the Gilford School District.

And pass any vote relating thereto.

3. To choose Committees in relation to any subject embraced in this warrant.

4. To see if the District will vote to create a cooperative school district planning committee consisting of three qualified voters from the Town of Gilmanton, one of whom shall be a member of the Gilmanton School Board and shall be appointed by said School Board; the remaining two members to be appointed by the School District Moderator. See RSA 195:18 I.

5. To see if the District will authorize the School Board to make application for and receive in the name of the District such funds as may be available from any source, and to authorize the School Board to expend such funds in accord with the provisions of RSA 198:20-b.

6. To see if the District will vote to raise and appropriate the sum of \$30,000.00 for the purchase of 15.2 acres, more or less, from George Roberts, Sr. which real estate is adjacent to land currently owned by the School District.

7. To see if the District will raise and appropriate the sum of \$20,000 or some other sum as the deficit appropriation for the 1986-87 School District budget.

8. To see what sum of money the District will vote to raise and appropriate for the support of schools, for salaries of school district officers and agents, and for the payment of statutory obligations of the District.

9. To transact any other business which may legally come before this meeting.

Given under our hands and seals this 9th day of February, 1987.

ACCOUNTANT'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board

Gilmanton School District

Gilmanton, New Hampshire

We have examined the general purpose financial statements of the Gilmanton School District and the combining, individual fund, and account group financial statements of the School District as of and for the year ended June 30, 1986, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, the general purpose financial statements referred to above present fairly the financial position of the Gilmanton School District, at June 30, 1986, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year. Also, in our opinion, the above present fairly the financial position of each of the individual funds and account groups of the Gilmanton School District, at June 30, 1986, and the results of operations

of such funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole and on the combining, individual fund, and individual account group financial statements. The accompanying financial information listed as supporting schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Gilmanton School District. Such information has been subjected to the auditing procedures applied in the examination of the general purpose, combining, individual fund, and individual account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements of each of the respective individual funds and account groups, taken as a whole.

A. BRUCE CARRI, CPA

August 27, 1986

CARRI - PLODZIK - SANDERSON

Miscellaneous Expenses	
Expendible Supplies	
Lipson	21.00
Hallsmith	1,029.75
Weeks Concord	54.00
Winnisquam Printing	180.00
Total of Expenses	\$37,058.13

There were a total of 25,548 lunches served with milk and an additional 13,725 $\frac{1}{2}$ pints of milk used by students at a charge of 15¢ and 1385 free $\frac{1}{2}$ pints of milk served to students which were paid for by the Gilmanton Lunch Program.

Lunches were served 180 days with an average daily participation of 142. Each lunch cost an average of \$1.37 to serve. This does not include the value of Government USDA Foods used. The program utilized about \$3206.00 wholesale value of Government USDA Foods.

In view of the increased food and milk prices we were fortunate not to raise our lunch and milk prices. The kitchen staff headed by Joanne Patch and ably assisted by Brenda Sanville work very hard to control expenses and have certainly been responsible for the success of the program.

Elizabeth R. Smithers
School Lunch Director
