

2023 Annual Town Report
Town of Randolph, New Hampshire

January 1st through December 31st 2023

The 2023 Annual Town Report is dedicated to

John Karl Scarinza

John was a dedicated community leader, particularly in Randolph. He was incredibly proud of his role in the creation and continued management of the now 12,000-acre Randolph Community Forest. John was a true steward of the land and was happy that the RCF would be part of his legacy. He served as chairman of the Randolph Forest Commission, Randolph Planning Board, and Coos County Planning Board. He was a member of the County Conservation Commission Board, past president of the Randolph Mountain Club, and a founding member of the North Country Safety Council Foundation. He spent countless hours working on projects to benefit the community at large.

One of John's greatest passions was maple sugaring. Every spring, John tapped 600 trees and boiled the sap in the sugarhouse on US Route 2. In 2020, Scarinza's Sugarhouse won the Carlise Award for best syrup in NH. John said that of his many awards and commendations, this was the one he was most pleased with. John loved having visitors at the sugarhouse and being able to share the magic of sugaring with others.

John was a masterful, animated storyteller! Without much prompting, he'd launch into a wonderful story about policework, town events, or a joke on himself that had everyone laughing.

Town of Randolph, New Hampshire
2024 Town Meeting WARRANT

POLLS WILL BE OPEN FROM 11 AM UNTIL 7 PM

To the inhabitants of the Town of Randolph in the County of Coos in said State, qualified to vote in Town affairs: You are hereby notified to meet in the Town Hall in said Randolph on Tuesday, *the 12th of March, 2024*, next, at *five thirty* of the clocks in the afternoon to:

1. Choose by ballot all necessary Town Officers.
2. To see if the Town will adopt a petitioned amendment to the Randolph zoning ordinance (Land Use Ordinance) which would allow free-standing solar arrays as a permitted use, without the need for a special exception. (By Ballot Vote) (See page 9 for more information about this amendment.)
3. To see if the Town will adopt Amendment No. 2, as proposed by the Planning Board for the Randolph zoning ordinance (Land Use Ordinance) to remove kennels as a use allowed by Special Exception and to eliminate the associated conditions for kennels. This would result in future kennels being prohibited. (By Ballot Vote) (See page 9 for more information about this amendment.)

4. Raise and appropriate \$65,250 for **EXECUTIVE EXPENSES** to include:

Selectmen's Assistant & Office Expenses	\$ 45,250
Town Officers' Stipends	\$ 20,000

5. Raise and appropriate \$107,550 for **GENERAL GOVERNMENT** to include:

4100 General Government	
4140 Elections & Registrations	\$ 7,950
4150 Financial Administration	\$ 5,750
4152 Revaluation of Property	\$ 14,800
4153 Legal Expenses	\$ 9,800
4155 Personnel Administration	\$ 12,750
4191 Planning & Zoning	\$ 7,700

12. Raise and appropriate \$ 101,104 For **DEBT SERVICE** to include:

4700 Debt Service	
4711 – Principal – Long Term Note	\$ 65,104
4721 – Interest – Long Term Note	\$ 36,000

13. To see if the town will vote to raise and appropriate \$20,000 and place it in the **Highway Heavy Vehicle Capital Reserve Fund**. *(The Selectmen Recommend Passage of This Article.)*

14. To see if the town will vote to raise and appropriate \$65,000 and place it in the **Roads and Bridges Expendable Trust**. *(The Selectmen Recommend the Passage of this Article.)*

15. To see if the town will vote to raise and appropriate \$10,000 and place it in the **Expendable Trust for Town Buildings**. *(The Selectmen Recommend Passage of This Article.)*

16. To see if the town will vote to raise and appropriate \$10,000 and place it in the **Fire Equipment and Protection Expendable Trust Fund**. *(The Selectmen Recommend Passage of This Article.)*

17. To see if the town will vote to raise and appropriate \$5,000 and place it in the **Expendable Trust for Town Recreation Facilities**. *(The Selectmen Recommend Passage of This Article.)*

18. To see if the Town will vote to raise and appropriate the sum of \$20,000 and place it in the **Energy Efficiency Capital Reserve Fund**. *(The Selectmen Recommend Passage of This Article.)*

19. To see if the Town will vote to raise and appropriate the sum of \$5000 (\$357.14 per enrolled child) for the purpose of supporting the Gorham Community Learning Center in Gorham. (14 Children Enrolled). *(Placed on the Warrant by the petition of 15 Randolph residents.) (The Selectmen Recommend the Passage of this Article.)*

20. To see if the Town will vote to designate as Town Forest land a parcel of land measuring 52.83 acres, more or less, previously being part of the Town of Randolph Tax Map R-11 Lot 3, and now being part of Randolph Tax Map R-11 Lot 13, as approved by the Randolph Planning Board on November 2, 2023, and recorded at the Coos County Registry of Deeds as Plan # 4914, said parcel is now owned by the Town of Randolph, having been donated to the

Town by John and Mary Brown for the purpose of inclusion in the Randolph Community Forest.

21. To see if the Town will vote to discontinue completely a portion of Durand Road, formerly known as Old US Route 2 per RSA 231:43. The portion to be discontinued completely, currently a part of a Class VI public highway, is described as follows:

Beginning at a point at the centerline of Durand Road, GPS 44°22'30"N 71°16'13"W , located on the eastern end of Durand Road, Tax Map R11, Lot 5 owned by Broadacres Realty Trust. (The Selectmen Recommend Passage of This Article.)

22. "To see if the Town will vote to adopt the Randolph Community Power Plan, to authorize the Select Board to implement the plan, and to take all action in furtherance thereof, pursuant to RSA 53-E. *(The Selectmen Recommend Passage of This Article.)* (See page 10 for more information about this amendment.)

23. To see if the Town will accept the following Resolution:

"Whereas, the Town of Randolph welcomes all people regardless of age, gender, race, religion, sexual identity, expression, and orientation, or any other variable that makes us who we are.

Whereas, the Town of Randolph has a responsibility to all its residents to keep them safe from discrimination, harassment, or from those who want to marginalize others for being different than themselves through prejudice and bigotry.

Now, therefore, be it resolved by Town of Randolph Select Board that the Town of Randolph will welcome all to our community and that our Town services, amenities, and properties are available to all who live here and to our visitors passing through, following guidelines and policies that apply equally to all persons.

We are committed to promoting a secure, welcome, and safe environment.

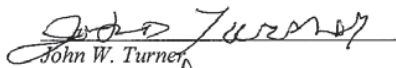

We are committed to modeling respectful dialogue."

24. Transact any additional business that may legally come before this meeting.

BOARD OF SELECTMEN

Michele Cormier, Chair

John W. Turner

Paul A. Jadis

Town of Randolph - 2024 Land Use Ordinance Amendments

Background:

- Randolph adopted the Land Use Ordinance (Zoning Ordinance) in 1988. Over the years, the Ordinance is amended at Town Meeting to address state laws and land uses that emerge and change over time.
- The Ordinance establishes land uses that are permitted and those that require a special exception from the Zoning Board of Adjustment (ZBA). The two Land Use Ordinance amendments proposed for 2024 involve uses that are currently allowed by special exception.
- Uses that are permitted by special exception have to meet criteria listed in the Ordinance. The Zoning Board of Adjustment (ZBA) determines if the criteria are met and grants (or denies) special exceptions. A special exception is required before the use is established. To be granted a special exception, the applicant needs to demonstrate that the site is an appropriate location, the use is compatible with the character of the area, property values in the area will not be reduced, there will be no nuisance or hazards generated, and the site has adequate facilities to accommodate the use (see Section 4.04 of the Land Use Ordinance for the full list of criteria).

2024 Proposed Amendments (voted on by ballot):

Article 2: Are you in favor of the following petitioned amendment to the Randolph zoning ordinance (Land Use Ordinance) as follows: To see if the town of Randolph will adopt a change to the Land-Use Amendment by removing section 4.03 M, which allows free standing solar arrays by Special Exception only, and to include free standing solar arrays simply as an allowed use under section 4.02 of the Land use ordinance? (The Planning Board approved this amendment.)

This proposed amendment would allow free-standing solar arrays to be a permitted use. Free-standing solar arrays previously were a permitted use, but changed to a use by special exception in 2020. Free-standing solar arrays are a structure so a building permit is required and they need to meet all required setbacks from property lines. 27 residents filed a petition with the Planning Board to request that free-standing solar arrays once again become a permitted use. After a public hearing, the Planning Board agreed to approve the proposed amendment which now is to be voted on by the Town's residents in order to adopt the amendment.

Article 3: Are you in favor of the adoption of the amendment proposed by the Planning Board for the Randolph zoning ordinance (Land Use Ordinance) to remove kennels from Article IV, Section 4.03, as a use allowed by Special Exception, and to eliminate the associated conditions for kennels in Article IV, Section 4.04.F.? If this article is approved, it would ban the keeping of kennels in the Town of Randolph.

Since 1988, kennels have not been a permitted use, but rather a use by special exception. In 2023, the Land Use Ordinance was amended to 1) define a kennel as "The use of a property to keep more than 5 dogs or 8 other small domestic companion animals over six months in age, for any purpose.", and 2) add additional criteria for kennels. If adopted, the 2024 amendment would eliminate kennels as a use by special exception and, therefore, future kennels would be prohibited. Any existing kennels that have already been granted a special exception are allowed to continue provided that all terms of the approval and the Ordinance are met.

Randolph Power Plan Warrant Article #22

To see if the Town will vote to adopt the Randolph Community Power Plan, finalized February 13, 2024, to further authorize the select board to develop and implement Randolph Community Power, and to take all action in furtherance thereof, pursuant to RSA 53-E.

Explanation:

A Community Power Plan as regulated by RSA 53-E offers a more flexible electricity procurement mechanism than NH utilities and thus is expected to provide lower electricity rates. Additionally, the Plan will provide access to innovative energy initiatives and offerings as they are developed.

With the adoption of the **Randolph Power Plan**, Eversource will continue to maintain the lines distributing the power and bill residents as they do now. Residents, who **do not have** special contracts (i.e. net metering, third-party supplier, or a business agreement) and do not elect to opt out of the program, will be switched to the lower price per kwh with Community Power Coalition of NH (CPCNH.) Residents already on a third-party supply or a net metering contract will be given the option to join. Businesses and municipal buildings could also “opt-in.” Residents can “opt-out” of the program without cost at any time online at www.cpcnh.org. The Town of Randolph may withdraw from CPCNH prior to entering into a cost-sharing agreement without any financial obligation and may withdraw at any time thereafter subject to the terms, conditions, and continuing obligations specified in the cost-sharing agreement. The Plan specifies that the **default** residential power will be purchased from CPCNH at a lower price than Eversource or it will not move forward.

If approved at the town meeting, the select board will seek the Public Utilities Commission approval for the **Randolph Power Plan**, secure the Eversource Electric Load Data for Randolph, and negotiate a cost-sharing agreement with CPCNH as early as August of 2024 to provide **Granite Basic default power** to the community. At least 30 days before the program launch all electric customers will be mailed notifications that will include the initial fixed rate Randolph Community Power service compared with the Eversource supply rate.

2023 Selectmen's Report

At a Town Meeting last year, the voters approved the improvement of about 1/3 of Durand Road and that is the big news for 2023. After a slight hiccup over language and timing, this bond issue was finally approved at a special meeting held in June. We are grateful to the town voters and taxpayers for supporting the project. As a result, the new section of Durand Road is smooth and handles water flow much better than in the past. We would like to send out a special thank you to the Lowe family for allowing the contractors to use the edge of their parking lot as a staging and storage area during the project. As a part of the total reconstruction project, a new turnaround was built at the east end of Durand Road and the loop section which serves the Penney family farm will be discontinued at a gate. This will be voted on at the Town Meeting 2024.

On the subject of roads, we are also pleased to have given a shim coat to High Acres Road, which has long been a project on our radar. This is only a fix but will help the road hold up better until we can rebuild it. Late-year storms took a toll on several of our gravel roads and a significant section of Randolph Hill Road. These repair projects are scheduled for the summer of 2024.

We also have a new road agent this year, Paul Kenison, from Jefferson. He stepped into some big boots after the retirement of Kevin Rousseau who served us for many years.

The Fire Dept is also the new owner of a used fire tanker truck which we picked up from the Town of Derby Line Vermont. The tank is all plastic, so we should never have a problem with rust again.

The board has been participating in pursuing the placement of toilet facilities at the Appalachia parking lot on Route 2. Working with a number of partners, this project is still in the planning stages, but it appears to be moving toward a cooperative effort to:

- 1, in the short term, provide portables for the summer season, and
- 2, construct a facility for longer term use.

Maintenance will be shared among 5 or 6 organizations with the initial construction to be funded by a federal recreation grant. No agreements have yet been signed, but negotiations are taking place.

A police committee, which was formed in 2022 circulated a survey in 2023 and held a public meeting to get feedback from the towns' people. This committee is exploring options and we expect to receive a recommendation from them, most likely after further public meetings. This is timely as we have regretfully accepted the resignation of Kevin Rousseau serving in our police dept effective Jan 1, 2024. Thank you, Kevin.

At the Town Meeting in 2022, a committee was formed to study potential energy improvements and make recommendations to the town for better energy efficiency. This committee has continued its work into 2023 exploring a solar array for the Town Hall and evaluating estimates for LED streetlights and heat pumps. Thank you very much for your continued efforts.

Based on research provided by new Planning Board chair June Rowan, the town has established a fee schedule for all applications to the Planning and Zoning Boards. This is effective Jan 1, 2024.

2023 Selectmen's Report

The application fees cover the cost of certified mailings to abutters, advertising, and additional public hearing costs. No application will be considered complete without the payment of these fees.

See other reports in this Town Report regarding the acquisition of lands for Town Forest and the participation of Randolph in a Community Power Agreement.

Big news is the Bicentennial of the Town of Randolph which occurs in 2024. In a cooperative effort with the Randolph Foundation, the town is financially supporting a number of celebration events to take place in 2024. This will include a 2024 calendar, an update of the "150 Years of Randolph," a documentary movie, special picnics, the comeback of "Woodspring-stock," banners, a parade, and a quilt.

Respectfully Submitted,

Michele Cormier, Chair

John W. Turner

Paul A. Jadis

This is to certify that on May 3, 2023 we completed an examination of the books, vouchers, bank statements and other financial records of the Tax Collector, Town Clerk, Treasurer, Selectmen, Trustees of the Trust Funds, Library Trustees, Conservation Commission and Forest Commission for the fiscal year ending December 31, 2022 and found them to be correct and in order.

Land Use Amendment Results

Randolph Town Election – March 14, 2023

To see if the Town will vote to adopt the amendments to the town zoning ordinances (land Use Ordinance) as proposed by the Planning Board as follows:

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the town zoning ordinance (Land Use Ordinance) as follows:

Amendment No. 1 would amend Article IV Permitted Uses by adding language to clarify that any use not specifically listed in the Zoning Ordinance is prohibited.

YES _____ 73 _____

NO _____ 16 _____

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the town zoning ordinance (Land Use Ordinance) as follows:

Amendment No. 2 would amend Article IV by moving “Church, parish house, or other religious use” from the list of uses that require a Special Exception from the Board of Adjustment to the list of uses that are allowed by right in order to comply with the new state law (RSA 674:76) that prohibits restricting the use of land or structures for primarily religious purposes.

YES _____ 68 _____

NO _____ 18 _____

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the town zoning ordinance (Land Use Ordinance) as follows:

Amendment No. 3 would amend Article III by adding a Definition for “kennel” a use currently allowed with a Special Exception from the Board of Adjustment, to mean keeping more than 5 dogs or 8 other small domestic companion animals over six months in age for any purpose. Would also amend Article IV by adding some special exception criteria specific to kennels regarding noise, waste management, and food storage.

YES _____ 76 _____

NO _____ 13 _____

Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the town zoning ordinance (Land Use Ordinance) as follows:

Amendment No. 4 would amend Article IV to require the operation of a group of seasonal rentals to have a Special Exception from the Board of Adjustment like other tourist accommodations and lodging units. Would also add Definitions to Article III for “Seasonal” and “Transient”

YES _____ 74 _____

NO _____ 14 _____

New Hampshire 911 CARES

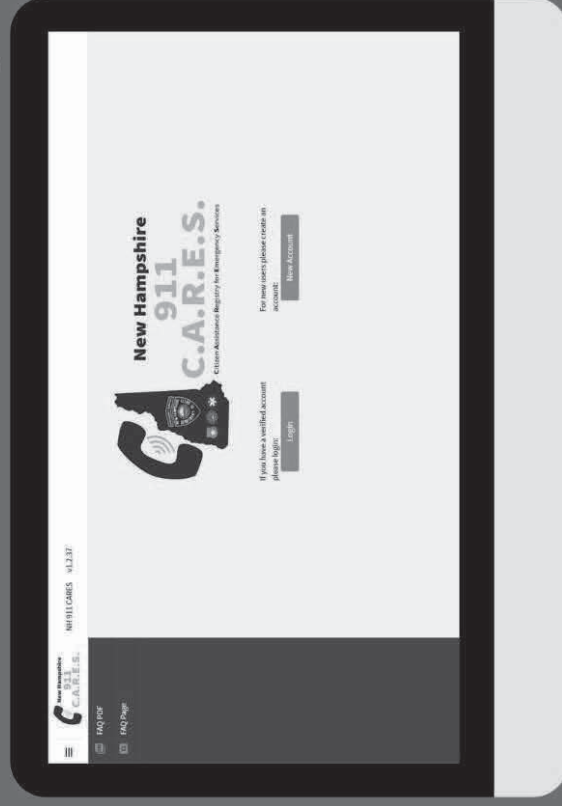

New Hampshire 911 CARES is a program which allows individuals to register specific medical conditions under their phone number.

That way if you ever needed to call 911 from one of the registered phone numbers, the 911 dispatcher would be able to see the name, physical address (not necessarily the location of the caller), and medical condition of the CARES Individual and relay that information to first responders before they arrive on scene.

The 911 CARES database can be accessed by going to cares.desc.nh.gov. If you do not have access to a computer / internet, paper forms can be requested by calling 603-271-6911 and mailed to:

NH Department of Safety – DESC
ATTN: 911 CARES Program
50 Communications Drive
Laconia, NH 03246.

Town of Randolph, New Hampshire
2023 Town Meeting WARRANT

POLLS WILL BE OPEN FROM 11 AM UNTIL 7 PM

To the inhabitants of the Town of Randolph in the County of Coos in said State, qualified to vote in Town affairs: You are hereby notified to meet in the Town Hall in said Randolph on Tuesday, *the 14th of March, 2023*, next, at *five thirty* of the clocks in the afternoon to:

1. Choose by ballot all necessary Town Officers.

(see attached results)

2. To see if the Town will adopt Land-Use Amendment No. 1 as proposed by the Planning Board to say that any use not specifically allowed is prohibited. (by Ballot Vote)

(see attached results)

3. To see if the Town will adopt Land-Use Amendment No. 2 as proposed by the Planning Board to reclassify religious uses as allowed by right. (by Ballot Vote)

(see attached results)

4. To see if the Town will adopt Land-Use Amendment No. 3 as proposed by the Planning Board relating to the operation of kennels for dogs. (by Ballot Vote)

(see attached results)

5. To see if the Town will adopt Land-Use Amendment No. 4 as proposed by the Planning Board to require a group of seasonal rentals to be subject to the same special exception rules as are applicable to other tourist accommodations. (by Ballot Vote)

(see attached results)

6. To see if the town will vote to raise and appropriate the sum of \$4,800,000 for the Durand Road Reconstruction and to authorize the issuance of not more than \$4.800,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; (*The Selectmen recommend the passage of this article*). (3/5 ballot vote required).

[EXPLANATION: This warrant article asks the town to approve the borrowing of an amount not to exceed \$4.8 million to be paid over 20 years, at an interest rate of 4.0% with annual payments of \$353,192 of which \$100,000 will be applied from the Town Road Expendable Trust fund

resulting in annual payments of \$253,192. This amount will allow the full-depth reclamation of Durand Road, including culvert replacements and truck turnarounds at each end of the road. The tax impact is \$3.28 per thousand. For example, if your property is assessed at \$100,000, the increase in tax per year will be \$328; if your assessment is \$300,000, the increase in tax per year will be \$984.]

NOTE: all discussion on this article will be combined with that of article 7

Motion to accept:by Mark Kelley; 2nd by Barbara Turnbull Majority **YES**

7. To see if the town will vote to raise and appropriate the sum of \$1,900,000 for the Durand Road Reconstruction and to authorize the issuance of not more than \$1,900,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; (*The Selectmen recommend the passage of this article*). (3/5 ballot vote required).

[EXPLANATION: In the event, the prior article does not pass, the Town will be asked to approve the borrowing of an amount not to exceed \$1.9 million, to be reduced by \$500,000 from the Town Road Expendable Trust fund resulting in total borrowing of \$1.4 million to be paid over 10 years, at an interest rate of 3.65%. This will require annual payments of \$169,613. This amount will allow for the reconstruction of Phase I, an area from the western intersection of the cross road from Route 2 and Durand Road to approximately 467 Durand Road, and an area from Cold Brook Road to the Ravine House lawn area. The tax impact is \$2.20 per thousand. For example, if your property is assessed at \$100,000, the increase in tax per year will be \$220; if your assessment is \$300,000, the increase in tax per year will be \$660].

Motion to vote by secret ballot on article 6: by Mike Radice; 2nd by Guy Stever Majority **YES**

25. To see if the town will vote to raise and appropriate the sum of \$5,000 for the purpose of supporting the **Gorham Community Learning Center in Gorham**. *(Placed on the Warrant by the petition of 15 Randolph residents.) (The Selectmen Recommend the Passage of this Article.)*

Motion to accept: by Guy Stever; 2nd by Edith Tucker Majority **YES**

26. To see if the town will vote to readopt the provisions of NH RSA 72:28 II standard or optional Veterans Tax Credit and the provisions of NH RSA 72:28-b, All Veterans' Tax Credit. If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or an officer honorably separated from services and is not eligible for or receiving credit under RSA 72:28 or RSA 72:35. If adopted, the credit granted will continue to be \$ 100 the same amount as the standard or optional veterans' tax credit voted by the Town of Randolph under RSA 72:28. *(The Selectmen Recommend the Passage of this article.)*

Motion to accept: by Kathleen Kelley; 2nd by Tim Sappington Majority **YES**

27. Transact any additional business that may legally come before this meeting.

Michele Cormier called for a big Thank you to Kevin Rousseau for all his years of service to the Town of Randolph as Road Agent.

Michele also asked for volunteers to open and close the pool this summer.

Kathleen Kelley said there has been a grant for internet and to reach out to her for more information.

Paul Jadis thanked everyone for attending and for their contributions to this meeting and those in the past. All are welcome to attend selectmen meeting time.

Guy Stever called for a Thank You to the Selectboard for all they do.

Randolph Public Library Report 2023

Highlights at the Library in 2023 included presentations by many of Randolph's talented friends and residents, including musical performances at "Library After Hours" by Paul Cormier and the band *Fluer de lis*, Thomas Strayhorn, Reuben Morris, and Barry and Julianne Johnston. Authors Sue Wemyss, Randy Meiklejohn, Christine Woodside, Ray Keifetz, and Bruce Kirmmse, donated and/or read from their new books.

Other programs and activities included the annual *When Will the Seven Break?* contest which concluded with the winner June Hammond Rowan declared on May 31, the children's summer reading program, an electric vehicle showcase, a presentation by Andrew Vitz and Marja Backerman discussing current research on Whip-poor-wills, various children's programs during the year, and the annual Book and Bake Sale. The Mildred Horton Book Group continued to meet monthly in the White Mountain Room and this year received a grant for an NH Humanities Perspectives Book Discussion which included the purchase of books and a discussion facilitator.

Through memberships, collaboration, and cooperation, the library continues to participate in many organizations. The Great North Woods Libraries (Fortier Library at White Mountains Community College, Gorham, Berlin, and Randolph), offered 4 excellent programs from January through April, including one funded through a grant by the NH Humanities to Go program. The NH State Library provides access to membership to the NH Downloadable Book Consortium and the Interlibrary Loan program. The North Country Library Coop allows for many opportunities for professional development such as workshops on Practical AI: What Librarians need to know about Artificial Intelligence, How to Support Homeschool Families at the Library, Social Media Design, and Citizen Science as well as much-needed collaboration among colleagues.

The collection continues to grow with new book purchases and donations. Other purchases included a new portable projection screen, a one-year membership to the Fairbanks Museum in St. Johnsbury, Vt. for patrons to use for free admission to the museum and various programs, and a digital subscription to *Consumer Reports*.

Library statistics include:

Library visits - 1,218

Circulation 1,872

Interlibrary loans totaled 289

NH Downloadable books 899 audiobooks and 352 ebooks.

Randolph Public Library Report 2023

In December 2023, Romik Developers from Berlin NH completed the insulation upgrade project recommended through our recent energy audit. Funding was provided by a \$7,108 grant from the Association for Small and Rural Libraries in 2022 and additional Library funds.

Generous donations received this year included memorial donations given in memory of Nancy Penney, who was a long-time supporter and advocate of the Library, a donation from the Porches of Randolph fundraiser, and various individuals. The Friends of the RPL continue to provide funding and support for Library programs over and above the Town allocated funds. We are grateful for the hard work of outgoing Friends' Co-chair Anne Forsyth who was able to help pull the group together and move it forward during and after the pandemic.

It has once again been a pleasure to be your Librarian, working together with the Library Board of Trustees; the Friends of the Randolph Public Library; Katharine Turnbull, Assistant Librarian, and volunteers. I would also like to thank the other Town employees who work next door in support of the Library in so many ways including Linda Dupont, Anne Kenison, and our Select Board members. Thanks also to Paul Kenison and Michelle Berwick who keep our building safe and inviting for all of our patrons and visitors.

We look forward to a very special and busy 2024 - the year of the total solar eclipse and Randolph's 200th birthday! Stay tuned.

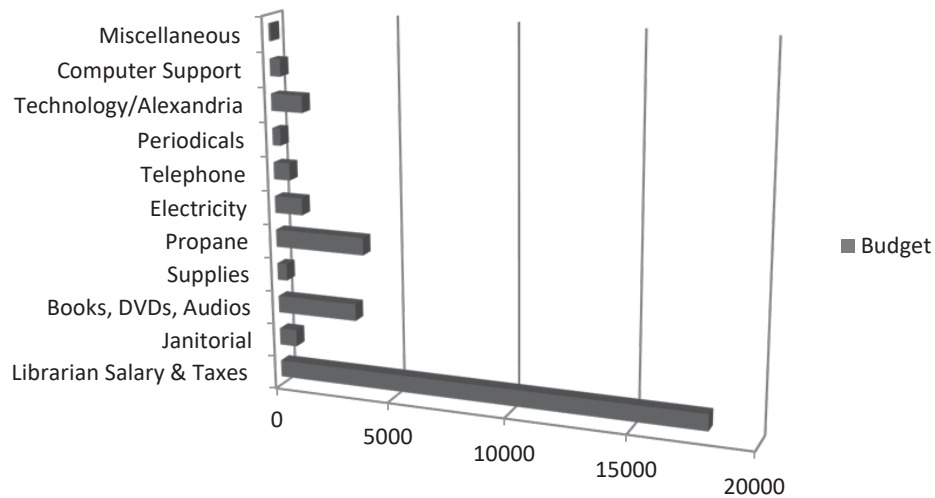

*Respectfully submitted,
Yvonne Jenkins, Librarian*

2023 Randolph Police Report

I wish to thank residents for calling the Police line and reporting cars, trucks, and other suspicious activities. It is important to report to the local police questionable activities, so they may be investigated.

It was a tough decision, but on January 1, 2024, I retired from the Randolph Police Department. I would like to take this opportunity to thank the town and townspeople for supporting G. Alan Lowe, John Scarinza, and myself through the many years of service we provided.

Kevin Rousseau

The Residents of Randolph would like to thank Kevin for his many years of dedicated service to the Town of Randolph in his role in the Randolph Police Department.

We wish him all the best in his new endeavors.

RANDOLPH FIRE DEPARTMENT 2023 REPORT

The Randolph Fire Department had a quiet year in 2023. There were no structure or brush fires in Randolph. The majority of the department's calls continue to be for assisting the ambulance in motor vehicle accidents. This year we assisted the towns of Gorham and Jefferson through mutual aid. The Town of Gorham continues to be our major source of assistance through North Pac. We continue to be a member of North Pac Mutual Aid System which is a system where we can call other fire departments from this group to assist Randolph when needed.

The fire department is excited about the purchase of a used tanker truck to replace an outdated truck we had. This will enable to reach fires in areas that are difficult to have water sources.

The fire department was able to do our firehouse pancake breakfast in August. This continues to be a huge success and continues to be a fundraiser for the fire department's annual children's Christmas Party.

The department continues to hold a Santa ride which is a visit from Santa in the fire truck with a special gift. The library continues to support our ride-along by providing a book for each child. This has become a tradition that we all look forward to. The firefighters enjoy getting together to wrap the gifts and assist Santa in decorating their firetruck and having Santa ride along with them. The number of children receiving a present from Santa has been increasing which all of us enjoy.

Again, I would like to thank members for their continued support and dedication to the town and their department.

As a reminder, the town has chimney brushes which are available for use by anyone in town and can be obtained at the fire department. Another important safety tip for all homes is to remember to change the batteries in your smoke detectors. A good way to remember to do this is at the daylight time changes. Another good investment for your home is the purchase of a carbon monoxide detector. Have a fire-safe year in 2024.

Respectfully submitted,

Dana Horne, Randolph Fire Chief

Report of Forest Fire Warden and State Forest Ranger

This past year we observed wet weather in late spring and throughout the summer. This led to reduced wildfire activity throughout the state and allowed many of our state firefighting resources to respond to Nova Scotia and Quebec to assist our Canadian neighbors with their record wildfire season. We were also able team up with local fire departments and provide many wildfire trainings throughout the state.

This time of year, we see fires caused by the careless disposal of woodstove ashes. Before dumping your woodstove ashes, you should place them in a covered metal container until they are out cold. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Even with the lower wildfire threat in New Hampshire in 2023, properties within the Wildland Urban Interface were still impacted, with 8 structures threatened and 3 destroyed by wildfires. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe! We ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: **Always Be Careful** with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2024 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services. You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdf/. For up-to-date information, follow us on X and Instagram: [@NHForestRangers](https://twitter.com/NHForestRangers)

Randolph Conservation Commission 2023 Annual Report

The Randolph Conservation Commission is responsible for the proper utilization and protection of natural resources, including watershed resources of the Town. The commission conducts research, obtains information, and takes appropriate action to ensure the protection and safe utilization of such resources as required by RSA 36-A:2.

During 2023, in addition to matters routinely referred to the Commission as required by law-for example matters concerning land development, protection of wetlands, and water courses-the Commission met to discuss possible landowner wetlands violations necessitating filing a complaint with the Department of Environmental Services. This complaint led to the landowner making changes to their property in accordance with current environmental laws.

The commission also accepted a generous donation of land from John and Mary Brown which, if voted on in the affirmative at town meeting, will be added to the Randolph Community Forest.

Movement on the possibility of a wildlife crossing in Bowman continues. NH Audubon is taking the initiative with funding of studies to find the best alternative given the topography of the area. In December there was the first public meeting held at the Randolph town hall where representatives from McFarland Johnson, the engineering firm hired to complete the study, gave a presentation, took questions, listened to concerns of townspeople and those living along Route 2 in Bowman who may be directly affected by the construction and impact of the wildlife crossing. The next step for the engineering firm was to meet with the NH Department of Transportation to get their input.

The intent of the project would be to upgrade an existing culvert with a structure large enough for moose to travel under the highway. This proposal has the blessing of the NH DOT and the project as structured would come at no cost to the residents of Randolph. Once constructed the underpass would be treated by NHDOT as a structural component of the roadway and they would be responsible for maintenance and repair.

Respectfully submitted,

Gary Newfield, Chairman Conservation Commission

Nathan Peters, Walter Graff, Jen Barton-Scaranza, Phil Guiser, Brandy Capozello

Cemetery Commission Report 2023

The Cemetery Commission continues to have two ongoing problems.

- There are many plots in the Hill Cemetery that do not have granite corner markers, which are required. These are essential to permanently mark the boundaries between plots.
- There are still some glass decorations and jars with flowers being left on graves. The glass breaks and poses a serious hazard to people mowing and trimming. The broken glass is also a hazard to animals and people walking in the cemetery.

We continue to clear the brush both overhead and at ground level. The woods are determined to encroach.

Suzie Santos manages the purchasing of new plots. Please contact her regarding availability and locations.

For other questions, you can contact any member of the Commission.

Respectfully submitted,

Bill Arnold

Ray Aube

Susie Santos

2023 Forest Commission Report

2023 marked one of the most significant changes in the Randolph Community Forest, since its inception in 2003, with the passing of John Scarinza. As with other organizations and boards in Randolph, he leaves big shoes to fill, but no organization speaks to his commitment to the Town as the Randolph Community Forest. John was involved during the negotiations that took place leading up to the eventual purchase from Hancock Timber Resource. He was one of the leaders of the effort to raise money to protect these lands and maintain the character of our town. It's only fitting as we develop the third

Stewardship Plan for the long-term management of the Community Forest, that we recognize the success of the past twenty years under his leadership.

The largest project of 2023, was the improvement of native brook trout habitat along the Pond of Safety Road. With the help of the Randolph Foundation and the National Resource Conservation Service, an agency of the US Department of Agriculture, the Randolph Community Forest was able to install four short concrete bridges or bottomless culverts. This was a multi-year project, that was first mentioned in the 2019 Forest Commission report. These bridges and bottomless culverts replaced metal culverts that prohibited the natural passage of native brook trout, amphibians, and wildlife from crossing safely and spawning in the stream head.

Under the watchful eye of David DeGruttola of LandVest, the construction work began in late June. JML Construction, from Errol, moved equipment to the job site and began doing some preliminary road work. The first week in July, the concrete components from Dirigo Timberlands arrived on six tractor trailer loads and placed in the parking lot. Over the next three weeks, the old culverts were removed, grades set, and assembly of each of the four bridges and bottomless

2023 Forest Commission Report

culverts took place. Final gravel approaches were established and the project was completed at the end of July.

Forest management activities on the Community Forest in 2023 generated \$53,304.35 of income from 1,133.48 gross cords of wood pulpwood and sawlogs combined). This equates to a value of \$47.00/gross cord. Forest management activities occurred in the Compartment 2 area of the Community Forest but was abbreviated as warm Spring weather came earlier than normal. In addition to Logging, Maple Sugaring, from a lease agreement with Fuller Sugar House in Lancaster, generated \$26,095.68 from 21,216 taps. Following his busy Spring sugaring season, Dave Fuller was able to complete the installation of additional taps, bringing his total to 25,000 taps on 723 acres. This volume of taps was delayed by the damage created by the Forest Tent Caterpillar deforestation, which attacked a large portion of Maple trees in the orchard.

Annually, there is regular maintenance projects that must be monitored. One of these projects is

mowing wildlife openings and roadsides to ensure that roadside ditches that channel water away from the roads are not overtaken by vegetation and that the forest doesn't encroach on the open fields so important to wildlife. This activity takes place in late August and continues through early Fall.

2023 Forest Commission Report

In late December, the heavy rains, which caused great damage in Gorham and throughout the North Country, did not overlook our Community Forest. The volume of water was too much for the roadside ditches to channel, and in the steeper sections of the road, culverts were overrun. This caused rutting in the road as well as undermining culverts. The new bottomless culverts were spared from any damage, demonstrating the benefits of the new improvements.

In the 2020 Forest Commission report, it was noted that John and Mary Berry had donated 102 acres of land to be managed by the Randolph Forest Commission. We are delighted to report that 52.83 acres abutting this property has been donated by John and Mary Brown to also be managed by the Randolph Community Forest. This property helps protect portions of The Diagonal, Bee Line and Burnbrae Path, in addition to part of Carlton Brook, bordering on Mossy Glenn. We thank John and Mary for thinking of the future of Randolph with their wonderful gift.

As we write this report, the Third Stewardship Plan will be making its way through the approval process and implemented when approved. Upon completion, this document, which will be available to download on the RandolphForest.org website. It will serve as the management plan for our 11,500 acres Community Forest, for the next 10 years.

Respectfully submitted by the Randolph Forest Commission:

Mark Kelley, Chair, Laura Brocket, Walter Graff, Tim Mather, Nathan Reid, David Willcox

Randolph Planning Board

– 2023 Report -

The Planning Board oversees land use and development projects. The Board's guiding document is the Master Plan, and land use regulations are formed from the goals established in the Master Plan. 2023 involved several important planning projects including an update to the Master Plan. The Plan was last adopted in 2016 and updates were discussed in 2018 and 2019, but, due to a variety of reasons, a revised Master Plan was not officially adopted. In 2023, the Planning Board worked on a number of revisions based on comments from 2019 and also some more recent updates. A public hearing was held on the revisions in November and a revised Master Plan officially adopted. The Master Plan is available on the Town's website.

In the Summer of 2023, the Board updated and revised the applications for Subdivisions and Site Plan Review. These applications are used when property owners want to divide their land or develop a commercial or multi-family use. The new forms provide clarity about the information required to be submitted with an application in a digital fillable format. The new forms are also available on the Town's website.

The Planning Board also revised its application fees. The Board has to follow many state laws for applications for subdivision and site plan review including noticing the public and abutters. The new fee structure establishes a modest amount that is to be paid by the applicant to cover the costs incurred by the Town. This process ensures that fees are collected when the application is filed to help reduce the administrative effort in collecting fees during the application review and approval process.

The Randolph Land Use Ordinance is adopted by voters at Town Meeting. In 2023, we received a petitioned warrant article regarding making free standing solar arrays a permitted use. Currently, they are permitted by special exception, which means property owners have to apply to the Board of Adjustment to demonstrate they meet the criteria set in the Ordinance. This has been an ongoing issue for the Town with several amendments to the Ordinance made in recent years. The Planning Board will include their recommendation as part of the warrant article for this amendment. Kennels have also been raised as a land use issue and, based on public input, the Board will be deciding if changes in Land Use Ordinance are recommended.

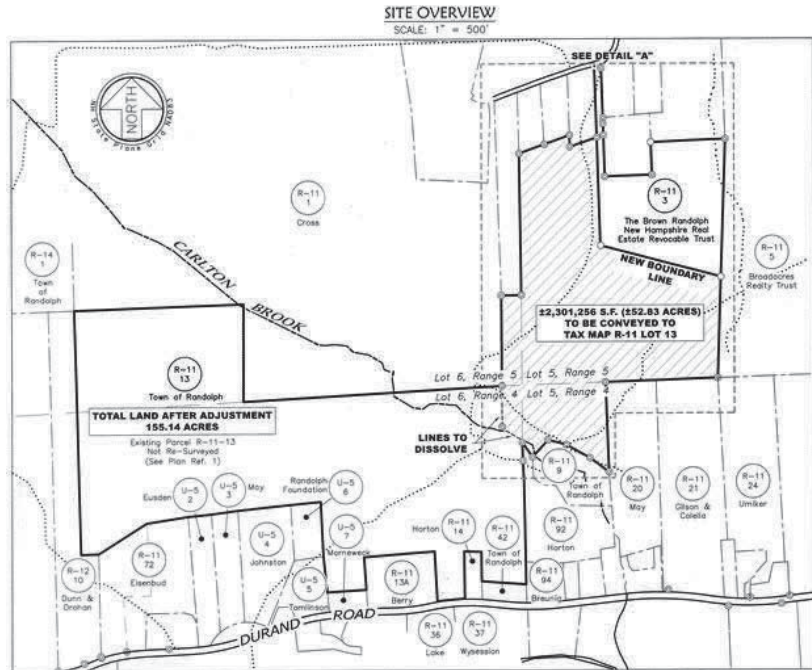

Two applications were submitted and approved by the Planning Board this year. In the spring, the Board approved a two-lot subdivision of the Phinney property on Pasture Path Road. In the fall, a lot line adjustment from the Brown family off High Acres Road was approved. This application resulted in the transfer of 52.83+/- acres from the Brown's property to the Town of Randolph's R11 Lot 13 property. This generous donation of land around and north of Mossy Glen and will protect much of the Bee Line and Diagonal Trails as well as a large area of forest. Approval of this lot line adjustment and acceptance of the land by both the Conservation Commission and the Select Board follows the land use goals in the Master Plan.

Randolph Planning Board

– 2023 Report -

The Randolph Planning Board also has a unique responsibility with the Randolph Community Forest. While the Randolph Forest Commission oversees the management of the Community Forest, Planning Board hosts hearings on the annual budget and agreements with activity managers who provide recreational and other benefits on the forest. The Planning Board met with the Randolph Forest Commission in December to discuss the annual budget and a hearing held in January 2024. We anticipate a hearing in the spring of 2024 to discuss the agreement for glade skiing in the area around Mt. Crescent.

Brown Family/Town of Randolph Lot Line Adjustment (off High Acres Rd.)

In 2023, the Planning Board lost long-time member and chair John Scarinza. We are grateful for his many years of service to the Board and his leadership in so many land use aspects of the Town. In May, June Hammond Rowan was appointed to the Board and was also voted by the Board to serve as chair. As 2023 was also a year of transition, we want to thank Linda Dupont for helping with many administrative tasks, Shelli Fortin for her work in writing meeting minutes, and planning consultant Tara Bamford for her guidance and years of experience helping the Planning Board.

The Planning Board looks forward to a productive year in 2024. We thank all community members who have attended meetings and provided comments. We always welcome your input and suggestions.

June Hammond Rowan, Chair

Robert Ross, Vice Chair

Tim Mather

Kevin Rousseau

John Turner, Select Board representative

William Demers, Alternate

After three years of planning, it's finally here -- Celebration 2024 -- Randolph's 200 birthday. The actual date of the birthday is June 16 for that is the date Randolph's Charter was signed and the town came into existence. By now all of you should have received your Bicentennial Calendar and shortly all of you will be receiving Judy Hudson's *Randolph, NH Celebrates 200 Years* which will continue the history begun by George Cross and added to by Mary Edgerly for The Sesquicentennial in 1974.

The Celebration Committee extends our profoundest thanks to the Town of Randolph and The Randolph Foundation which are generously sponsoring the Bicentennial festivities. There will be events beginning this spring and extending throughout August and a Celebration Weekend on August 2nd – 4th. Over 100 wonderful volunteers are involved in bringing all this to you. We hope to see you there.

We have created a **Randolph NH 2024 Bicentennial** Facebook page that you can look up and follow to learn more about details and dates as they become available! That page will serve as a central information source for the 2024 celebration, along with the Mountain View and the Randolph Weekly. Questions about the Bicentennial can also be directed to randolphat200@gmail.com.

During May – August 2024, Bicentennial events will include a Woodspringstock concert over the Memorial Day Weekend, an Incorporation Day event, a bicentennial exhibit, community quilt displays, a bicentennial film, and a return of the Rendezvous. Other features will be a Bicentennial postmark, the presentation of a LIDAR project, and a competition with hiker dudes where all contestants/families will have the chance to decorate one of the hiker dudes which we will then display at The Ravine House site.

The August 2nd – 4th Celebration Weekend will include community dinners, music, a parade, games and activities, a square dance, a tennis tournament, a Durand Lake 60th birthday party, various presentations, a church concert, and a 50/50 raffle.

There will be fabulous Bicentennial items for all! For sale will be a commemorative medal, Bicentennial hats and shirts, and hiker signs that households can personalize and display. Steve Teczar's logo will be for sale in two formats and there are still magnets, golf shirts, and calendars for sale

The one important fact that all of us need to remember is that tickets for the two dinners must be purchased in advance so we can give the caterers a count -- there will be no tickets available at the door. News of how to do this will follow,

Respectfully submitted,

*Sarah Gallop and Guy Stever
Co-Chairs*

Calendar of Events for Celebration 2024

- March 16th Courtesy of the RMC, Bicentennial merchandise and Celebration Weekend dinner tickets will be for sale at the Cabin Fever Reliever square dance.
- May 25th Woodspringstock — a music celebration featuring the Al Hospers' Band with Country Comfort as the pre-show group. — will be held at the Bradley's farm. Bicentennial merchandise and Celebration Weekend dinner tickets will be for sale. Time: TBD.
- June 16th Incorporation Day Party — a celebration of the actual 200th anniversary of the Town of Randolph's incorporation. Hosted by the Friends of the Randolph Public Library, the event includes a presentation by Judith Hudson on her new book *Randolph at 200* at Town Hall. Bicentennial merchandise and Celebration Weekend dinner tickets will be for sale.
- Jun/Jul/Aug Bicentennial Exhibits — community-sourced displays of memorabilia at Town Hall
- July 4th Courtesy of the RMC, Bicentennial merchandise and Celebration Weekend dinner tickets will be for sale at the Fourth of July Tea at the Kelley's barn.
- July 12th Last day to purchase Celebration Weekend dinner tickets. They will not be available at the door as the caterers need an advance headcount.
- July 20th Revival of the Rendezvous — picnic lunch at Castleview Rock on Mt. Crescent
- July 29th Community tennis tournament starts — Ravine House courts -- details to follow.
- Aug 2nd – 4th Bicentennial Celebration Weekend!
- Friday: Durand Lake 60th Anniversary event, dinner provided by Rek'lis followed by contra dancing with *Better Late Than Never*.
 - Saturday: Parade, games & activities, buffet dinner provided by The Chalet, film premiere, at the Ravine House site
 - Sunday: Concert at the Randolph Church, softball game
- Aug 24th Closing concert featuring three renowned acoustic guitarists at Town Hall

More events will be added to the schedule! All Celebration 2024 event details will be listed in the Mountain View and the Randolph Weekly, and posted on <https://www.randolphevents.org/>. Information will also be on Facebook at Randolph NH 2024 Celebration and the Town of Randolph website.

Broad Band Committee Report

Within three months, Randolph residents will be invited by Fidium Fiber to install 1GB of internet to their homes. Fidium Fiber installation and related modems will be free this one time. The residents of thirty-five northern NH towns will have this same opportunity funded in part by \$40,000,000 from the Federal Infrastructure grant program.

The "dark fiber" was installed years ago through an auction that the FCC manages but does not manage well. The dark fiber of Spectrum, Consolidated Communications, First Light, and others follow most of Rt. 16, RT 2, and RT 3 in Coos County.

Randolph homes are now served primarily through Spectrum, offering cable and DSL internet access. Some residents have chosen Starlink, Hughes Net, Dish, and other internet service providers.

The good news is that with competition in rural communities, like Randolph, residents will have more leverage when they make service calls. The state has assured the Broadband Committee that the fiber will provide 2 Gbps and cost about the same as the average cable service.

Internet connection will still be a challenge due to:

1. Downed trees can affect the fiber lines.
2. Modems and routers need to be upgraded every five years.
3. Wiring within and outside the house may be affected by rodents.
4. The computer used to access the internet may need an upgrade.

But with fiber, the internet speed will greatly improve residents' ability to use telemedicine, take online classes, apply for college, manage a small business, watch movies, and Facetime with friends and family.

Randolph's Broadband Committee participates in the Coos County Broadband Committee. The priority of the County Committee is to improve cell coverage and emergency service communication within the county and advocate for the small pockets of Coos County homes with no or very slow internet.

Sincerely submitted,

*Kathleen Kelley
Michael Radice*

2023 Police Committee Report

Just before Christmas of '22, I was asked by the Selectmen to form a committee "...to look at the future of the police department, whether that be dissolution, continuation, contracting with a neighboring community, county or state departments, or a combination of these. "

An *ad hoc* committee was formed consisting of *myself, Paul Cormier, Regina Ferreira, and Robert (Bob) Harris*. We first met on May 4th at the Town Hall to discuss strategy. We decided to gather police-relevant data from Randolph, Carroll, Jefferson, Gorham, and Shelburne. We compiled those data and developed a survey that was sent using the property tax address database. This survey was sent in July. The objective of the survey was to determine the level of police presence the citizens desired, but perhaps more importantly, the level of funding that should be provided to sustain that police presence.

Committee members held meetings with the police department personnel of Gorham, Carroll, and Jefferson to try and gain insight into the construction and funding of their departments. Survey results were tabulated and presented at a public meeting held at the Town Hall on December 11th. The survey data were presented and a fairly robust discussion followed regarding the level of police protection desired by those in attendance, their greatest concerns regarding safety and response times, and the funding levels they thought appropriate.

Both the survey responses and the public meeting indicated that the citizens of Randolph desire a modicum of police presence, a rapid response when needed, ie via a 911 call, and to keep the expenses to a minimum.

Since the public meeting, committee members have met with Gorham Police Chief Willhoite to discuss services that the Gorham PD could provide to Randolph and get an estimate of the associated expenses. We are currently developing a formal letter to Chief Willhoite outlining the services that Randolph desires. This letter may then develop into a Memorandum of Agreement or draft contract that could then be presented to the Randolph Selectmen and the Gorham Town Council.

Please note that the committee has not made a formal recommendation to the Randolph Selectmen yet, but expects to do so in early 2024.

Respectfully submitted,

David L. Ruble

Chair, Randolph ad hoc Police Committee

Randolph Community Power Plan Committee Report 2023

As energy costs were skyrocketing and Randolph residents were paying the price for over-reliance on natural gas and a lack of proactive energy policy, the select board assigned Kathleen Kelley to study community power aggregation and participate in REEP. Over the year, Kathleen reported back to the select board options for reducing the cost per KWH by adopting a Randolph Power Plan specifying the purchase of power from the Community Power Coalition of NH (CPCNH).

In 2023 CPCNH launched a power supply service, giving cities and towns market power and the ability to develop local, cost-effective projects to benefit their communities. With 50 municipal and county members representing ~30% of the state choosing CPCNH as the default energy supplier for Member communities, CPCNH will have an annual cash flow of \$100,000,000 in electricity sales in 2024. Within a few short years, CPCNH could become the largest energy supplier in the state, larger than Eversource! The Selectboard evaluated Community Power as a particularly transformative opportunity to take charge of energy supply procurements, gain economies of scale, access top national expert support through CPCNH, and contract for / finance development of cost-effective local projects. If approved at the town meeting, the Randolph Power Plan will contract with CPCNH early in the summer of 2024 to provide default power to the residents of the community.

The selectboard process for developing this innovative solution included:

1. Establishing a Randolph Energy Efficiency Program (REEP) charged with reducing municipal building electricity demand and to evaluate cost reduction programs;
2. Participating in the Androscoggin Valley Energy Collaborative (AVEC);
3. Seeking information from Clean Energy NH (CENH);
4. Signing a Joint Powers Agreement with (CPCNH), and appointing Kathleen Kelley as CPCNH Member Representative and Bill Demers as the Alternate Member Representative; and;
5. Reviewing the draft **Randolph Power Plan**. Collaboratively with the help of the AVEC, CPCNH, CENH, and other municipal energy committees, Kathleen Kelley drafted the **Randolph Power Plan** for the select board to consider. CPCNH was chosen as the power supplier after careful consideration of for profit power brokers and suppliers.

There are no taxpayer funds required for running the Randolph Power Program. The cost to operate the program is recovered through revenues associated with electricity sales and is non-recourse to taxpayer general funds. Randolph may withdraw from the CPCNH before entering into a cost-sharing agreement without any financial obligation and may withdraw at any time thereafter subject to the terms, conditions, and continuing obligations specified in the Cost Sharing agreement with CPCNH. Residents, businesses, and municipal organizations already on alternative power supply contracts will be given the option to join. Community Power offers customers a menu of options, allowing them to prioritize lower costs, clean energy, and/or innovative products and services.

CPCNH will offer a menu of options, allowing residents to prioritize lower costs, clean energy, and/or innovative products and services. Below are the KW rates in cents available through CPCNH compared to the rate of Eversource.

Period	CPCNH Granite Basic Cents/KWH	CPCNH Granite Plus Cents/KWH	CPCNH Clean 50% Cents/KWH	CPCNH Clean 100% Cents/KWH	Eversource Cents/KWH
4/2023-7/2023	15.8	16.2	16.9	19.1	20.221
8/2023-1/2024	10.9	11.3	12.3	15.2	12.582
2/2024-7/2024	8.1	8.4	9.4	12.4	8.285

One town CPCNH member of 8,000 residents, has enjoyed buying power from CPCNH since spring of 2023 and has reaped over \$1,000,000 savings for community residents as well as has a savings fund of \$125,000 for the town's future energy efficiency programs.

Sincerely,

Kathleen Kelley and Bill Demers

Randolph Energy Efficiency Project (REEP) Report 2023

The Randolph Energy Efficiency Project (REEP) group met each month in 2023 and continued working on projects from 2022. REEP said goodbye to member Cathy McDowell who moved to Maine and welcomed new member Annie Colella. The top priority is the future installation of a free-standing solar array behind the Town Hall/Library building to offset the existing electric utility bills.

Solar Proposals

REEP and the Select Board developed and sent out a Request for Proposals (RFP) in November and received inquiries from 2 Solar Contractors. The proposals will be reviewed in January of 2024 and REEP will make a recommendation to the Select Board to move ahead with the project in spring or early summer 2024. The majority of the funding will come from the Energy Efficiency Capital Reserve Funds. REEP continues to seek other potential funding sources if any additional funds are needed, as well as for future projects.

Grants

On behalf of the Town, REEP submitted a grant application to the 2023 Catalyst Program of the Northern Border Regional Commission to cover many of the projects outlined in the Town energy audits but unfortunately did not receive any funding.

Energy Savings

Average monthly electricity usage for the Town Hall/ Library building was computed for the most recent 5-year period, 2018-2022. The monthly electricity bills for 2023 were then compared to these numbers in consumption and in the cost that would have been incurred had we used the average consumption instead. The results indicated a 38.6% savings for the year or \$1,765 savings. The actual total spent was \$2,670 whereas the expected expenditure based on current pricing and previous use would have been \$4,435. These savings were a result of the LED lighting upgrades completed in 2022.

Street Lights

At the recommendation of REEP, the Selectboard has contracted with Affinity LED Lighting to furnish and install 11 Smart Ready LED streetlights, replacing the outdated and costly mercury lights, which will result in additional energy savings for the Town.

Insulation Upgrade

The major energy audit recommendation for insulation upgrades at the Library was completed in December 2023 by Romik Developers in Berlin, NH. This project was funded by a grant of \$7,180 from the Association for Rural and Small Libraries received at the end of 2022 and an additional \$2,000 from Library funds.

Randolph Energy Efficiency Project (REEP) Report 2023

Clean Energy NH

We wish to again acknowledge and thank Melissa Elander, Clean Energy Circuit Rider of Clean Energy NH for attending all REEP meetings and providing us with invaluable resources and expertise. We look forward to continuing with both existing and future projects in 2024.

Respectfully submitted.

REEP Members:

Yvonne Jenkins, Chair; Annie Colella, Paul Cormier, Howie Wemyss, Rick Umiker.

ANDROSCOGGIN VALLEY REGIONAL REFUSE DISPOSAL

DISTRICT 2023 ANNUAL REPORT OF DISTRICT

Our Materials Recycling Facility processed a total of 1,044.99 tons of materials, for the period January 1, 2023, through December 31, 2023, representing \$123,652.86 of marketing income to the District. Recyclables shipped to market included: aluminum – 23.63 tons; newspaper/magazines – 45.25 tons; corrugated cardboard – 459.14 tons; PET plastic – 82.05 tons; HDPE plastic – 43.38 tons; tin – 42.64 tons; mixed office paper – 44.29 tons. In addition, 304.61 tons of glass were processed for reuse.

Our Transfer Station recycling income totaled \$76,816.07. Recycling at the Transfer Station consisted of 787.22 tons of wood that was processed through a grinder, 456.10 tons of scrap metal; 161.82 tons of leaf and yard waste and 442.11 tons of brush which was chipped. In addition, 670 refrigerators/air conditioners; 295 propane tanks; 6,156 tires; 54,379 feet of fluorescent bulbs; 888 fluorescent U tubes and HID lamps; 1,380 ballasts; and 49.73 tons of electronics were recycled. We also received 1,355 gallons of waste oil which was used in our waste oil furnace to heat the recycling center. The District owns and operates the Recycling Center and Transfer Station.

District Officers are: Chair Linda Cushman of Jefferson; Vice Chair Yves Zornio of Gorham and Secretary-Treasurer Michael Rozek of Berlin. Other District Representatives: David Roy of Randolph, Randy Fortin of Milan, Alan Rossetto of Northumberland, Stephan Gilman of Stark, Christopher Holt of Dummer, Robert Th  berge for the Co  s County Unincorporated Places and Scott Rineer of Errol.

The District conducted its thirty-first Household Hazardous Waste Collection Day on June 10th. The collection was held at the District Transfer Station with 323 households participating. The 2024 Household Hazardous Waste Collection will be held on Saturday, June 15th, at the District Transfer Station, 100 West Milan Road, Berlin.

2023 was the twenty-first year of operations for the AVRRDD Mt. Carberry Landfill. Since purchasing the landfill in December 2002, no assessments have been made to the District municipalities for Mt. Carberry Landfill operations, with income raised through landfill tipping fees covering operating expenses. The landfill is operated, under contract with the District, by Cianbro Corporation.

No assessments will be made to the member municipalities for the 2024 AVRRDD Budget.

Respectfully submitted,

Lisa G. Riendeau

Gorham Community Learning Center

123 Main Street, Gorham, NH 03581

The Gorham Community Learning Center and GCLC-Little Huskies are dedicated to caring for and educating our students in a safe, comforting environment. We serve children from ages 6 weeks to 12 years old from Gorham, Randolph, Shelburne and surrounding communities. We develop age-appropriate curriculum and learning environments to enhance and encourage educational success in all age groups. We pride ourselves with high-quality staff that are trained to educate and care for the children.

Highlights from 2023:

- We opened our first satellite site at the Edward Fenn Elementary School in July. This Pre-K program is designed to work collaboratively with the Ed Fenn to prepare the children for kindergarten the following year. We are able to serve 20 children, ages 4-5 at this site. Children have the opportunity to eat in the cafeteria, participate in assemblies and school events and attend gym, music, library and STEAM. They are also able to learn and be exposed to the school setting which will help create seamless transitions to kindergarten.
- As a result of expansion, we were able to increase our infant and toddler capacity at our main building to help meet the extreme, dire needs of our community. We were also able to increase our capacity for our preschool program, 2-4-year old's as well.
- Julianne Gooden joined our administration team as the Site Director/Lead Teacher of the GCLC-Little Huskies program. Julianne is a hardworking, passionate, crucial part of our team. We are so happy to have her!
- GCLC took over the Ed Fenn After School Program, to better serve the community and increase available slots. We currently have 36 students enrolled.
- One of our staff members, Alex Bisson, completed The Child Development Associate (CDA) Credential. This is a widely recognized credential in early childhood education administered by the Council for Professional Development. The CDA Credential guides early child care professionals as they work toward becoming qualified teachers of young children. This required her to complete over 100 hours of trainings, create a portfolio, pass a standardized test and be observed in her classroom by a validator. The Neil and Louise Tillotson Foundation made this opportunity possible.

North Country Council Regional Planning Commission and Economic Development District is one of nine regional planning commissions in New Hampshire established by RSA 36:46. The Commission's region consists of serving 50 communities and 25 unincorporated places in the northern third of New Hampshire. The Council serves in an advisory role to local governments in order to promote coordinated planning, orderly growth, efficient land use, transportation access, and environmental protection. The Council's professional staff provides transportation, land use, economic development, community, and environmental planning services; geographic information services (GIS); data collection and analysis; grant writing; grant administration; facilitation; and project management.

In 2023, the North Country Council undertook the following activities in the region:

Launched the new [website](#) in June!

Collaborated with other Regional Planning Commissions through the NH Association of Regional Planning Commissions and Director meetings in Concord.

Supported efforts and attended regional planning and municipal conferences.

Bulk ordered and distributed New Hampshire Planning and Land Use Regulation books to local land use boards (estimated savings of \$75.00 per book).

Transportation

Staff completed over 160 traffic counts during the 2023 collection season.

A major update to the Regional Transportation Plan (RTP) was approved by the North Country Transportation Advisory Committee (TAC) and Council Representatives. This update consisted of an expanded regional context, background, goals, objectives, corridor datasheets, and updated challenges & opportunities and maps section.

Staff worked with communities throughout the year on noted transportation concerns and opportunities. These included different funding options, community projects for on-call engineering support services, and coordinating meetings with local officials and other agencies.

Began the Ten-Year Transportation Improvement Plan process, including work by the Transportation Advisory Committee (TAC) to finalize the regional project priority rankings and the approval of the initial funding allocation. Two projects were submitted to the NHDOT on behalf of the region.

Staff attended 4 Governor's Advisory Commission on Intermodal Transportation (GACIT) hearings during September 2023 and presented regional projects at 3 of these meetings.

Economic Development

Coordinated 6 comprehensive Economic Development Committee (CEDS) meetings. Focusing on connecting resources in the region, learning about innovative strategies for improved economic prosperity, and sharing regional information as well as adopting [the 2023-2028 CEDS update](#) that was also adopted by the Council's Board of Directors. We welcomed the new EDA Maine and New Hampshire field representatives for a two-day tour of the region and various Economic Development projects and opportunities.

[The Regional Housing Needs Assessment](#) (RHNA) was updated and adopted by the Board of Directors. The new 5-year RHNA is complete with data, projections for the future, and, most importantly, tools! Visit our website to see more about this report!

9 communities in the region were awarded Housing Opportunity Planning (HOP) Grants for planning, demolition, and housing construction. This includes five (5) communities that have partnered with the

Council to complete Opportunity Planning Grants and make regulatory changes in an effort to reduce barriers to housing production.

Staff reviewed and responded to 3 Developments of Regional Impact over the course of the year.

The Council continued to assist the Northern Border Regional Commission (NBRC) & State of NH Bureau of Economic Affairs (BEA) in providing development assistance to potential and awarded grantees. In 2023, the Council provided pre-project development coaching assistance to over 25 NBRC applicants, assistance to 10 new NBRC grantees in getting NTP, and technical assistance to NHBEA Capacity Consultant ADG for statewide program support to over 30 NBRC active grantees.

Continued work with 3 regional employer groups to bring employer housing conversation toward action using the NH Employer Workforce Through NHFA funding.

Continued to assist Coos County with the Coos County Broadband Committee, as well as providing technical support to the Carroll County Broadband Committee

Environmental Planning

North Country Council assisted in coordinating and staffing 2 Household Hazardous Waste events for the Pemi-Baker Solid Waste District (PBSWD). There were 289 participants that brought the equivalent of 4,000 gallons of hazardous materials that were removed from the waste stream.

The Council collaborated with Saco Headwaters Alliance, NH Fish & Game, NH Geological Survey of DES and Green Mountain Conservation Group, and NH Association of Conservation Commissions for the Saco River Watershed Stream Crossing Assessment project.

Resiliency & Emergency Planning

Staff supported the development of a North Country Food and Agriculture Council made up of industry leaders, businesses and organizations who has formed a Steering Committee and hosted two annual food and agriculture summits.

Staff are facilitating the development of a North Country Climate Resiliency Resource Guide for businesses and communities through a collaborative effort the Council is providing for regional environmental, education, and outdoor organizations and businesses working on climate resiliency.

North Country Council is providing support and facilitation for the newly formed North Country Arts and Culture Collaborative that is bringing together leadership, businesses, and organizations within the Arts and Culture industry to develop a strategic plan to support the arts and the creative economy.

Mapping and Data Analysis

North Country Council developed ArcGIS Online Hubs to be a resource for the region. The Hubs offer spaces to find grants, funding opportunities, and data resources that are applicable to the North Country. Users can find funding opportunities and data resources related to community & economic development, environmental, housing, transportation, business, arts & culture, and more!

Provided mapping and data services to communities throughout the region in support of project development and funding opportunities.

December 1, 2023

Chairman & Members of the Board
Randolph Board of Selectmen
Durand Road
Randolph, NH 03593

Dear Chairman and Members of the Board:

Northern Human Services' The Mental Health Center in Berlin respectfully requests that the Town of Randolph continue its support of this agency through an appropriation in the amount of \$339.00 at the 2024 Town Meeting. This amount represents a \$1.00 per capita contribution based on figures from the most recent census. These funds will be used exclusively for the support of outpatient services provided through The Mental Health Center.

Over the past several decades this agency has provided mental health services to hundreds of people living, working, raising families and going to school in the Androscoggin Valley area. Outpatient mental health services are not funded by state or federal dollars. They are expected to support themselves through client fees, third-party insurance payments, and through local support such as contributions from towns, cities and United Way. Although the Healthcare Marketplace has increased the number of area residents with health insurance coverage, we continue to see individuals with high deductibles and co-payments. In order to make these services affordable to all persons in need of them, we continue to offer hardship reductions to those whose financial situations warrant this assistance. Your present and past appropriations have enabled us to follow this practice and your support this year will assure its continuance. We see these services as the backbone of our community's mental health efforts and as essential in the prevention of more serious emotional, social and community problems.

We fully appreciate the pressures, financial, social and emotional, that all sectors of our local communities are experiencing at this time. These pressures are resulting in a significant increase in persons seeking our services at a time in which there has been severe erosion of the local resources that are available to support providers such as us. More than ever we need your ongoing assistance to continue to provide your citizens with the care they are seeking.

Please advise me as to what, if any, additional steps I need to take to insure that this item appears in the warrant. I would be happy to come before you and/or the Budget Committee to more fully discuss this request and to respond to any questions that you might have regarding it and the services provided by this agency.

On behalf of the Randolph residents we serve, I thank you in advance for your consideration of this request.

Sincerely,

Donald Bazzell
Director of Behavior Health

DB/lf

September 12, 2023

Town of Randolph
130 Durand Road
Randolph, NH 03593

Dear Selectmen,

I hope this letter finds you well. Included please find our FY24 request for a municipal donation of \$820 from the town of Randolph, as well as an explanation of how the agency uses funds from municipalities.

Beginning in fiscal year 2021, we now request donations under one application for Tri-County Community Action Program, Inc., according to a formula based on a per capita per municipality rate. The request supports **all** of the programs we offer in a municipality. In the town of Randolph those programs are: Fuel and Energy Assistance, Housing Stability Services, USDA/TEFAP Food distribution, Transportation Services, Head Start, Weatherization, Guardianship services, and 211 Homeless Call Response. Our goal in this methodology is to streamline our requests, provide all the municipalities we serve with a standard formula that is consistent, fair and equitable and also supports all of the services we provide in that community.

Municipal funds are a critical form of support for Tri-County Community Action Program and the many services we provide. Our Federal and State grants require that we contribute a percentage of cash funds to a project, also known as “match”. The match required may be anywhere from 20% to 50% of a total grant award. The rules regarding what funds may be used as match are stringent and often must come from unrestricted dollars. The agency simply is not eligible to receive Federal and State grant funds and put them to work in our communities without unrestricted dollars to serve as match. Municipal funds are what we count on to meet match dollar requirements and fill funding gaps for services.

Historically, Randolph has been very supportive of Tri-County Community Action Program and the services we provide. We are grateful for that support. The staff and I look forward to the opportunity to answer questions you may have regarding our request and the services we provide to residents of Randolph.

Thank you for your consideration of our application.

All the Best,

Jeanne Robillard, CEO
Tri-County Community Action Program, Inc.
30 Exchange Street, Berlin NH 03570
603-752-7001 www.tccap.org

Tri-County Community Action Program provides opportunities to strengthen communities by improving the lives of low to moderate income families and individuals.

North Country Home Health & Hospice Agency

2023 Annual Report – Town of Randolph

North Country Home Health & Hospice Agency provides quality services that include Hospice, Home Health, Palliative, and Long-term care. Within these services we also provide nursing, rehabilitation, social services, and homemaking in 51 towns, covering all of Coos County and northern Grafton County and we've expanded our territory south to Plymouth, NH. In 2023, for the Town of Randolph, we visited 2 patients on Long-Term Care and Palliative Care 7 times, provided Home Health services to 4 patients over 58 visits, and cared for 3 patients on Hospice Care over 193 visits. Our providers visited your friends and neighbors in your community over 260 times in 2023 to provide vital care.

Hospice Care is centered on improving the quality of life for patients and supporting their caregivers in realizing goals and wishes. Our dedicated team, including physicians, nurse practitioners, nurses, social workers, home health aides, spiritual counselors, and volunteers, collaborates with patients to manage pain, address emotional and spiritual needs, and provide necessary medications and equipment. Beyond end-of-life care, we offer family and caregiver education, short-term inpatient treatment for challenging symptoms, and bereavement counseling for surviving loved ones. Choosing hospice is not a surrender, but a decision to focus on quality of life, offering a unique, compassionate approach that diverges from the traditional medical model.

Home Health Care plays a pivotal role in addressing the growing healthcare needs of our community. Our proficient clinical team adeptly monitors health issues and delivers disease management within the familiar confines of patients' homes, mitigating the necessity for more expensive healthcare alternatives like hospitalization or long-term institutional care. With a primary focus on restoring patients to their baseline, our dedicated nursing team and therapists work collaboratively. Given the heightened strain on hospitals over the past year, we've operated at an elevated capacity to alleviate their burden, creating space for much-needed beds. This increased demand has introduced a higher acuity of Home Health patients, presenting a unique challenge that we're committed to addressing with unwavering dedication.

Long-Term Care is committed to delivering essential home health aide, homemaking, and companion services to individuals facing challenges in performing vital activities of daily living independently, including bathing, dressing, meal preparation, and household tasks. These services are particularly designed to assist those with physical, medical, or mental limitations, enabling them to maintain their independence. Our focus is to support the elderly and disabled, facilitating their ability to stay in the comfort of their homes while averting hospital readmissions and preventing the need for long-term institutionalization. By addressing these fundamental needs, we strive to enhance the quality of life for those we serve.

2023 Annual Report – Town of Randolph

Our Palliative Care Program, launched as a pilot in 2019, has rapidly expanded from its initial 5 patients to now encompass 112 active patients. Distinguished by its primarily home-based approach, our Advanced Practice Registered Nurses (APRNs) and Social Workers engage with patients in their homes to delve into discussions about their serious illnesses, advanced care planning, code status, goals, wishes, and, most importantly, what holds significance for them. While the program targets individuals with serious illnesses, it doesn't necessitate terminal conditions, as Hospice does. Recognizing the broad spectrum of patients in need, especially in our service territories, NCHHHA fills a crucial gap between Home Health services for recovery and Hospice services for terminal cases. Palliative Care acts as a vital bridge, offering support for those with serious illnesses who may not be ready for Hospice services yet.

The team at the North Country Home Health & Hospice Agency, along with our esteemed Board of Directors, expresses profound gratitude to the Town of Randolph for their unwavering support of our agency. This steadfast commitment enables us to fulfill our mission of delivering services to individuals, irrespective of their ability to pay. Our dedication extends to providing essential services in the Town of Randolph, ensuring that clients and their families can reside in the familiarity of their homes within a safe and supportive environment. By doing so, we aim to enhance overall health outcomes within the community and uphold our commitment to fostering well-being in the lives of those we serve.

Respectfully,

Ren Anderson, Senior Manager of Philanthropy & Community Engagement

STATE OF NEW HAMPSHIRE
Executive Council

JOSEPH D. KENNEY
EXECUTIVE COUNCILOR
DISTRICT ONE

STATE HOUSE ROOM 207
107 NORTH MAIN STREET
CONCORD, NH 03301
(603) 271-3632

The year of 2023 saw a rise in inflation both statewide and nationally. The hot topics continue to be housing, workforce, childcare and food security. This year also saw a lot of storm damage in July and December which has required a lot of roads, bridge infrastructure and trail repair around the state.

Many of my priorities have been directed at economic development, outreach to the business community, mental health system improvement, and food security. This Councilor has been an advocate for a northern New Hampshire food warehouse to enable food pantries to replenish in a timely manner and to provide fresh produce and meats.

The Governor's Office for Emergency Relief and Recovery (GOFERR) and the Executive Council provided \$15.4 million to Strafford County to support the building of a new nursing home. Strafford County Commissioners and Legislative Delegation continue to work on the project. The Council approved the transfer of the Old Rochester Courthouse to the City of Rochester in the exchange of land on Rochester Hill Road to build a \$17.5 million Rochester District Courthouse.

The Governor's Advisory Commission on Intermodal Transportation (GACIT) had completed its work in 2023, and the NH Legislature and Governor will approve of its findings in 2024. This Councilor conducted 8 public hearings around the district to hear input from the public and regional planning commissions on transportation and infrastructure concerns.

The Governor and Council approved \$20 million of the American Rescue Plan Act to fund the community center grant program, administered through the Community Development Finance Authority. The two round programs have been completed, dozens of projects around the state have received funding and construction is ongoing.

Between January to December 2023, the Executive Council confirmed 8 judicial candidates to the Circuit, Superior and Supreme Court levels. Additionally, 3 other judicial candidates received public hearings in December and will be up for confirmation in January 2024. The Council confirmed a new Chief Justice of the Superior Court, a new Commissioner of Health and Human Services, a new Insurance Commissioner, and a new Department of Environmental Services Deputy Commissioner.

The total contract items reviewed by the Executive Council were approximately 2,919 to include 5 late items over the course of 22 meetings. Of the 231 confirmations of board and

commission positions, 55 were from District 1. On July 19th the District 1 on the road meeting was held at the Rotary Arts Pavilion in Dover, NH in honor of the 400th Celebration.

The sale of the Laconia State Property is scheduled for early 2024. The Council has been an active participant with NH Administrative Services to make sure all aspects of this purchase and sales agreement is completed and thorough. State officials continue to work on retention and recruitment of businesses to our state.

The Governor and Council are always looking for volunteers to serve on the dozens of state boards and commissions. If you are interested, please send your resume to Governor Chris Sununu, State House, 107 North Main Street, Concord, NH 03301 attention to Director of Appointments/Liaison or call at (603) 271-2121. A complete list of all state boards and commissions are available at the NH Secretary of State website: www.sos.nh.gov/redbook/index.htm

My office is open to requests for state constitutions, tourist maps, consumer handbooks, etc. I periodically email my weekly schedule and Wrap Up Newsletter. If you would like to be included on this list, contact me at joseph.d.kenney@nh.gov. I also have an internship program for college students. My office number is (603) 271-3632. I am always available to old and new friends. Please stay in touch.

Serving you,

Executive Councilor

Joe Kenney

Welcome to Randolph, whether you are a new resident or returning after a time away!

We want to make sure you have some of the information you need to get settled in and comfortable here right away.

Publications from the Randolph Foundation will give you a sense of the community and its happenings:

- Mountain View—mailed quarterly
- Blizzard—mailed monthly from September to June
- Weekly—distributed each Friday during July and August (you can pick it up from distribution boxes around town or at the library)

Current and past issues can be viewed at **randolphfoundationnh.org** on the publications tab. To add your name to the mailing list, email Linda Dupont at selectmen@randolph.nh.gov. Information about other events sponsored by the Foundation can be found on their website as well.

Annual events of note - open to the public

- Town meeting, 2nd Tuesday in March at 5:30 pm
- GRS Cooperative School District Meeting in March, FMI visit www.sau20.org
- Fourth of July Tea – Randolph Mountain Club sponsors this July 4th afternoon event
- Randolph Church services – Sundays, July to Labor Day Weekend, 10:30 am
- Firemen's Pancake Breakfast – 3rd Saturday in August
- Charades Picnic – a Randolph Mountain Club event 3rd Saturday in August (for over 100 years!)
- Mildred Horton Book Club – 4th Monday of the month
- Town Christmas Party – be sure to contact Santa's elves if you have children under 10 (elves can be reached through the Selectmen's office)
- Caroling Party – Caroling to neighbors followed by a potluck get-together
- Christmas Eve Carol Service – 4:00 pm Christmas Eve at the Randolph Church

Library hours are varied to provide convenient access for residents, currently M/W 1-5pm and Saturday 10-12. Free wi-fi for patrons with their own laptops, and computers for those without will connect you to the world-wide web. Check out the extensive selection of best sellers, audio CDs, movies on DVD, and extensive White Mountain and Randolph history. The library also sponsors a number of activities, such as movie nights, children's story times, and book discussions. Visit www.randolphnhpubliclibrary.org to access resources and find out more. Phone: 603-466-5408.

Lifeline is an emergency service provided to full-time and seasonal residents. See Randolph Foundation website for more information or to sign up.

Local Fire – Randolph's volunteer fire department receives back-up support from surrounding communities. Dial 911 for an emergency.

Local Police -- In an emergency dial 911 for assistance. Randolph receives support from Gorham and the State Police when necessary.

Recreation opportunities abound in Randolph, no matter the season. • The Ravine Pool site has swimming in the dammed pond during the summer (NOTE: NO lifeguard on duty, carry in carry out trash). • Durand Lake is a beautiful walk and you may see some wildlife. • The clay tennis court is maintained for summer play—if you are not familiar with clay courts, be sure to read the signs. • The Presidential Rail Trail is off-limits to motorized vehicles other than snow machines (when there is adequate snow cover), and is a perfect place for family bike rides or walks during the spring, summer, and fall. • The Randolph Mountain Club maintains 100 miles of trails and organizes twice-weekly hikes during the summer months. • Appalachia Trailhead is also nearby, and offers many miles of hiking trails, as well as access to the trails that lead to AMC Madison Spring Hut and the RMC Cabins and shelters on Mt. Adams. • Visit the new Community Forest Interpretive Trail at the very end of Randolph Hill Road. • Snowshoeing, skiing, canoeing, hiking, relaxing, swimming--you name it, you can probably do it here in Randolph!

Recycling is the first Saturday of the month. Place your separated items at the roadside by 7 am. You can find info about items collected and how to sort them at www.avrrdd.org.

Schools – The town of Randolph is part of the Gorham Randolph Shelburne Cooperative School District, with students attending the Ed Fenn Elementary for K-5, and Gorham Middle High School for 6- 12. Call the Ed Fenn School at 603-466-3334 or GMHS at 603-466-2776 to register your child for school. For other questions, call the Superintendent’s office at 466-3632 or visit www.sau20.org. Children’s and youth sports and other programs are available through the Town of Gorham’s recreation department. Visit www.Gorhamnh.org, and choose Parks & Rec under the “Departments” tab.

Town Clerk and Selectmen’s office hours – Life here in Randolph is a little more relaxed, and that lifestyle is reflected in our town office hours. The Town Clerk (for car registrations and titles, dog licenses, etc.) is open on Monday from 9-11 am, and Wednesday evenings from 7-9 pm. The Selectmen’s office is staffed from 9 am to noon Monday through Friday. Phone for both is 603-466-5771. The website is randolph.nh.gov Call ahead to determine the current protocol for visitors.

Trash day is Tuesday. Place your bagged trash in a container at the end of your driveway by 7 in the morning. DO NOT leave it out overnight—you may attract bears, ravens, raccoons, and other wild animals. Dump permits can be acquired through the selectmen’s office.

Voter registration is done through the Town Clerk’s office. See the note above regarding hours.
