Financial.

The Treasurer's report shows the resources of the district and the disbursements by the several departments for the fiscal year ending February 15, 1910.

There is a balance in the hands of the Treasurer of \$886.13.

These foregoing amounts together with the other resources of the district will be sufficient to meet all financial requirements of the schools for the coming year.

We recommend that the district, at its annual meeting, make appropriations out of the money on hand to satisfy all its statutory obligations not otherwise provided for.

Attendance.

There has been a decrease this year in the per cent. of attendance of 1.30 points, and an increase of seventy in the number of tardinesses. The record of the two previous years gave some cause for encouragement. The per cent. of daily attendance was increased 6.63 points, and the number of tardinesses decreased nearly one-half. The poorer showing this year may perhaps be caused in part by the deep snows and severe winter weather. Other causes not under control of the home may have contributed their share. But we believe that in nearly every case of irregularity the parent is primarily at fault.

In last year's report we said, "It seems only just to state that in a greater number of instances the attendance is excellent, and that a large per cent. of tardiness (almost as bad in effect as absence), and of absence is due to the apathy of a small number of parents." We would now emphasize this. A large fraction of this year's absences is chargeable to not more than four families, while one family has a debit of 110 tardinesses out of the 342 registered.

Attention is called to the excellent record in the Piscassic division. The year's attendance of seven pupils of this school has been perfect. Another began school life at the

commencement of the fall term and has not been absent or tardy since.

The per cent. of attendance for the winter term is 100.

Roll of Honor.

Not absent or tardy during the year: H. Arthur Smith, Edwin C. Smith, D. Perry Smith, Gertrude M. Smith, D. Beatrice Smith, Florence A. Smith, Esther Brown, Stuart McDonald.

During two terms: Earle E. Smith, Herman Patridge, Gladys Bean, Orin A. Swain, Thomas Herlihy.

During one term: Eva Donovan, Eva S. Patridge, James Gray, Dorothy A. Coon.

Respectfully submitted,

CHRISTOPHER A. POLLARD,
