Dedication Town of Belmont 2000 Town Report

Gerd Stewart
1933-2000

The 2000 Town Report is dedicated in memory of Gerd Stewart. Her many years of service to the citizens of Belmont as Town and School Treasurer were appreciated. She served on many boards and commissions in the Town and her participation was always beneficial.

The Board of Selectmen is honored to dedicate this Town Report to Gerd Stewart.

SECOND SESSION

Town of Belmont, New Hampshire

Annual Meeting Warrant March 18, 2000

You are hereby notified to meet at the Roland S. Kimball Auditorium, Belmont Middle School, Belmont, New Hampshire on the 18th day of March next at 10:00 o'clock in the forenoon to act upon the following subjects:

The 2000 Town Meeting was called to order by Moderator Steven Fournier at 10:00 am.

The Pledge of Allegiance was led by the Moderator and a prayer was offered by former Town Clerk/Tax Collector, Doralyn Harper.

The Oath of Office was given by the Moderator to the following newly elected town officials:

Selectman, 3 years	Reginald Caldwell
2 years	Doralyn M. Harper
Town Clerk/Tax Collector, 1 year	Carol A. Lacasse
Sewer Commission	Ward Peterson
Planning Board, 3 years	Jonathan W. Pike
1 year	Clayton Shibles
Budget Committee, 3 years	Robert Bordeau
	Leslie E. Roberts
	David Morse
Budget Committee, 1 year	Mark Condodemetraky
Zoning Board of Adjustment	Pleasant Oberhausen
	John Scott
Cemetery Trustee	Judith Pilliod
Supervisor of Checklist, 3 years	Nikki J. Wheeler
Supervisor of Checklist, 2 years	Donna Shephard
Trustee of the Trust Funds	David R. Caron
Trustee of the Public Library	Frankie M. Pugh

The head table was introduced and the rules of the meeting laid down by Moderator Fournier. If someone wishes to speak, they must first state their name. All comments must be addressed to the Moderator and must be limited to three minutes. All amendments must be presented to the Town Clerk in writing and all motions must be made in a positive manner (yes means yes and no means no). He asked that all non-residents identify themselves and reminded them they are not permitted to vote.

Town Administrator, Donald McLelland read the Dedication of the 2000 Annual Report to former Town Clerk/Tax Collector, Doralyn M. Harper and outgoing Selectman Donna Cilley presented her with roses in appreciation of her years of service to the town.

Article #1. To hear and act upon the reports of Boards and Committees.

Article 1 was read by the moderator.

Motion to accept made by Albert Akerstrom, seconded by John Thomas.

There was no discussion.

Motion passed unanimously by voice vote.

Article #2. To see how the Town will vote to expend the income from the John M. Sargent Trust Fund.

Article was read by the moderator.

Motion to accept made by Albert Akerstrom, seconded by John Thomas.

There was no discussion. Motion carried by voice vote.

Sargent Fund, 2000 Disbursement as follows:

St. Joseph's Food Pantry	\$495.00
Shaker School Dist for Prom/Grad	890.00
Belmont Old Home Day	240.00
Belmont Baseball Organization	890.00
Cub Scouts	190.00
Boy Scouts	190.00
DARE Program	640.00
Girl Scouts	390.00
Heavenly Sonshine Daycare	190.00
Baptist Church Food Pantry	495.00
Belmont Recreation	290.00

\$4900.00

Article #3. To see if the Town will vote to raise and appropriate the sum of two hundred and twenty-five thousand (\$225,000) for the reconstruction of highways, said appropriation to be funded by \$130,988 from Highway Block Grant funds provided by the State of New Hampshire, the balance of \$94,012 to be raised from general taxation and further to designate this as a non-lapsing appropriation.

(The Budget Committee recommends **\$225,000** and the Board of Selectmen support this recommendation.)

Article was read by the Moderator.

Motion to accept made by Albert Akerstrom, seconded by Gary Flack.

There was no discussion.

Motion passed unanimously by voice vote.

Article #4. To see if the Town will vote to change the name of an existing Highway Department Equipment Capital Reserve Fund to the Chipper Capital Reserve Fund and to raise and appropriate the sum of seven thousand five hundred (\$7,500) to be placed in this fund and further, to designate the Selectmen as agents to expend money from this fund. (2/3 vote required)

(The Budget Committee recommends **\$7,500** to be placed in this fund and the Board of Selectmen support this recommendation.)

Article was read by the Moderator.

Motion to accept made by Albert Akerstrom, seconded by John Thomas.

There was no discussion.

Motion passed unanimously by hand vote.

Article #5. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing a Truck and Sander for the Highway Department and to raise and appropriate the sum of forty thousand (\$40,000) to be placed in this fund and further, to designate the Selectmen as agents to expend money from this fund.

(The Budget Committee recommends **\$40,000** to be placed in this fund and the Board of Selectmen support this recommendation.)

Article #5 was read by the Moderator.

Motion to accept was made by Albert Akerstrom, seconded by Gordon Bartlett

There was no discussion.

Article passed unanimously by voice vote.

Article #6. To see if the Town will vote to raise and appropriate the sum of ninety thousand (\$90,000) for the purpose of purchasing a loader for the Highway Department.

(The Budget Committee recommends **\$90,000** and the Board of Selectmen support this recommendation.)

Article #6 was read by the Moderator.

Motion to accept was made by Albert Akerstrom, seconded by Gary Flack.

There was no discussion.

Article passed unanimously by voice vote.

Article #7. To see if the Town will vote to raise and appropriate the sum of twenty thousand (\$20,000) to be placed in the already established Winnisquam Fire Department Ambulance Replacement Capital Reserve Fund.

(The Budget Committee recommends **\$20,000** to be placed in this fund and the Board of Selectmen support this recommendation.)

Article #7 was read by the Moderator.

Motion to accept was made by Albert Akerstrom, seconded by Diane Marden.

There was no discussion.

Article passed unanimously by voice vote.

Article #8. To see how much money the Town will vote to raise and appropriate, exclusive of all special and individual warrant articles.

(The Budget Committee recommends **\$3,404,044** and the Board of Selectmen recommend **\$3,411,544**.)

The Moderator referred to Article #8, General Budget.

Motion to accept made by Steve Jesseman, seconded by Gary Flack.

Moderator Steven Fournier turned the floor to Budget Committee Chairman, Ronald Mitchell who moved to amend Article #8 (General Budget) by \$35,809, the amount to be added to the following lines in the General Budget.

Executive Office - Engineering Services	\$15,809
Culture & recreation - Ground Improvements	\$10,000
CO Environmental Contingency	\$10,000

Mr. Mitchell stated the tax impact of the amendment would be \$.62/thousand.

Motion to amend was seconded by Kenneth Knowlton.

There was no additional discussion. Motion to accept amendment passed by voice vote.

Motion to move Article #8 was made by William Ekberg, seconded by John Thomas.

Article #8, amended to total \$3,439,853, passed unanimously by voice vote.

Article #9. To see if the Town will vote to raise and appropriate the sum of two thousand (\$2,000) to be placed in the already established General Cemetery Maintenance Fund governed under the provisions of RSA 31:19-A for the purpose of cemetery maintenance, said amounts to be expendable at the discretion of the Cemetery Trustees.

(The Budget Committee recommends \$2,000 and the Board of Selectmen support this recommendation.)

Article #9 was read by the Moderator.

Motion to accept made by Albert Akerstrom, seconded by Thomas Murphy.

There was no discussion.

Article passed unanimously by voice vote.

Article #10. To see if the Town will vote to raise and appropriate the sum of eleven thousand seven hundred and fifty (\$11,750) to be placed in the already established Winnisquam Fire Department Radio Replacement Capital Reserve Fund and further, to designate the Selectmen as agents to expend money from this fund.

(The Budget Committee recommends \$11,750 to be placed in this fund and the Board of Selectmen support this recommendation.)

Article #10 was read by the Moderator.

Motion to accept made by James Pilliod, seconded by John Thomas.

There was not discussion.

Article passed by unanimous voice vote.

Article #11. To see if the Town will vote to raise and appropriate the sum of twenty five thousand (\$25,000) to be placed in the already established Economic Development Non-Capital Reserve Fund.

(The Budget Committee recommends \$25,000 to be placed in this fund and the Board of Selectmen support this recommendation.)

Article #11 was read by the Moderator.
Motion to accept was made by Albert Akerstrom, seconded by Shirley Marden.

There was no discussion.
Article passed by unanimous voice vote.

Article #12. To see if the Town will vote to raise and appropriate the sum of two hundred sixty eight thousand one (\$268,001) for the operation and maintenance of the Sewage Collection and Disposal System for the ensuing year.

(The Budget Committee recommends \$268,001 and the Board of Selectmen support this recommendation.)

Article #12 was read by the Moderator.
Motion to accept was made by Albert Akerstrom, seconded by Gordon Bartlett.

There was no discussion.
Article passed by unanimous voice vote.

Article #13. To see if the Town will vote to raise and appropriate the sum of two hundred thirty three thousand four hundred twenty six (\$233,426) for the operation and maintenance of the Water Distribution and Treatment System for the ensuing year.

(The Budget Committee recommends \$233,426 and the Board of Selectmen support this recommendation.)

Article #13 was read by the Moderator.
Motion to accept made by Albert Akerstrom, seconded by Thomas Murphy .

There was no discussion.
Article passed by unanimous voice vote.

Article #14. To see if the Town will vote to raise and appropriate the sum of nine thousand sixty seven (\$9,067) for the purchase of new fire/ambulance/rescue equipment and further to authorize the withdrawal of said amount from the Fire/Ambulance Equipment and Apparatus Fund previously established in accordance with RSA 31:95,C.

(The Budget Committee recommends \$9,067 and the Board of Selectmen support this recommendation.)

Article #14 as read by the Moderator.
Motion to accept was made by Gary Flack, seconded by Thomas Murphy.

There was no discussion.
Article passed unanimously by voice vote.

Article #15. To see if the Town will vote to enter into a two-year contract for the purchase of a new Fire Department Tanker with a cost of \$211,960 in year one and \$14,640 in year two, and to further raise and appropriate the sum of \$211,960 for the first year's payment for that purpose, said appropriation to be funded by \$30,000 plus interest from the Fire Truck Capital Reserve, \$14,640 to be raised by general taxation and the balance from the Fire/Ambulance Equipment and Apparatus Fund previously established in accordance with RSA 31:95,C.

(The Budget Committee recommends **\$211,960** and the Board of Selectmen support this recommendation.)

Article #15 was read by the Moderator.

Motion to accept was made by Thomas Murphy, seconded by Diane Marden.

There was no discussion.

Article passed by unanimous voice vote.

Article #16. To see if the Town will vote to enter into a two-year contract for the purchase of Fire Department Radios with a cost of \$37,191 in year one and \$37,191 in year two, and to further raise and appropriate the sum of thirty seven thousand one hundred ninety one (\$37,191) for the first year's payment for that purpose.

(The Budget Committee recommends **\$37,191** and the Board of Selectmen support this recommendation.)

Article #16 was read by the Moderator.

Motion to accept was made by Thomas Murphy, seconded by Richard Gray.

There was no discussion.

Article passed by unanimous voice vote.

Article #17. To see if the Town will vote to raise and appropriate the sum of twenty two thousand five hundred (\$22,500) for the Town of Belmont's share of the costs of renovations for the Mutual Aid Dispatch Center.

(The Budget Committee recommends **\$22,500** and the Board of Selectmen support this recommendation.)

Article #17 was read by the Moderator.

Motion to accept was made by Albert Akerstrom, seconded by Thomas Murphy.

There was no discussion.

Article passed by unanimous voice vote.

Article #18. To see if the Town will vote to raise and appropriate the sum of thirty five thousand (\$35,000) for the purpose of Police Department Renovations.

(The Budget Committee recommends **\$35,000** and the Board of Selectmen support this recommendation.)

Article #18 was read by the Moderator.

Motion to accept was made by Albert Akerstrom, seconded by Gordon Bartlett.

Discussion: Philip Wardner questioned the need for renovations since the building in question was totally renovated only a few years ago.

Chief Nielson stated the proposal is to lengthen the building for additional storage and to address safety issues.

Mostly volunteer labor will be used on this phase.

The interior work will entail moving walls to create office space and a dispatch center. The cost will be approximately \$15,000. The work will be hired out as it is more specialized.

There was no further discussion.

Article passed by unanimous voice vote.

Article #19. To see if the Town will vote to approve the cost item included in the collective bargaining agreement reached between the Town of Belmont and the American Federation of State, County, and Municipal Employees, AFL-CIO, Council 93, Local 534 for the term April 1, 2000 to March 31, 2002, which calls for the following increases in salaries and benefits:

Year	Estimated Increase	Year	Estimated Increase
2000	\$40,737	2001	\$20,916

and further to raise and appropriate the sum of forty thousand seven hundred thirty seven (\$40,737) for the 2000 fiscal year, such sum representing the costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year.

(The Budget Committee recommends **\$40,737** and the Board of Selectmen support this recommendation.)

Article #19 was read by the Moderator.

Motion to accept was made by John Thomas, seconded by Steven Jesseman.

There was no discussion.

Article passed by unanimous voice vote.

Article #20. To see if the Town will vote, if article #19 is defeated to authorize the governing body to call one special meeting, at its option, to address article #19 cost items only?

Moderator Fournier moved to Table Article #20.

Seconded by John Thomas

There was no discussion.

Article #20 was tabled by voice vote.

Article #21. To see if the Town will vote to raise and appropriate \$3,000 for the purpose of a preliminary architect study and drawing for an addition to the Belmont Public Library, and to authorize the Belmont Library Trustees to withdraw said amount from the Duffy Fund.

(The Budget Committee recommends **\$3,000** and the Board of Selectmen support this recommendation.)

Article #21 was read by the Moderator.

Motion to accept was made by Albert Akerstrom, seconded by Jonathan Pike.

There was no discussion.

Article passed by unanimous voice vote.

Article #22. To see if the Town will vote to raise and appropriate the sum of thirty four thousand eight hundred (\$34,800) for additional renovations to the Belmont Mill and to authorize the transfer of that amount from the 1999 undesignated fund balance (surplus). It is the intention of this article to recapture rents paid by tenants of the Belmont Mill to facilitate such improvements.

(The Budget Committee recommends **\$34,800** and the Board of Selectmen support this recommendation).

Article #22 as read by the Moderator.

Motion to accept was made by Albert Akerstrom, seconded by Kenneth Knowlton.

There was no discussion.

Article passed by unanimous voice vote.

Article #23. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of Library Building Improvements, and to raise and appropriate the sum of twenty five thousand (\$25,000) to be placed in this fund and further, to designate the Selectmen as agents to expend money from this fund.

(The Budget Committee recommends **\$25,000** and the Board of Selectmen support this recommendation.)

Article #23 was read by the Moderator.

Motion to accept the article as made by Thomas Murphy, seconded by David Morse.

There was no discussion.

Article passed by unanimous voice vote.

Article #24. To see if the Town will vote to designate a portion of Fred Friends Road (formerly Mile Hill Road) beginning at the intersection of Dutile Road and continuing northerly to the intersection of Horne Road as a "Scenic Road" as prescribed in RSA 231:157. (This article submitted by Petition.)

Article #24 was read by the Moderator.

Motion to accept the article was made by Kenneth Knowlton, seconded by David Morse.

Selectman Ward Peterson presented a letter from abutter Timothy Bartlett (see next page) who opposed the article. He also stated that the Board does not support the article at this time.

Kenneth Knowlton spoke to the intention of the petition - keeping the rural quality of the area. Magnus McLetchie also spoke in favor of the petition.

Suzanne Roberts, representing the Belknap County 4H Foundation and the 4H Fair Association, stated that they are opposed to the designation.

Selectman Donna Cilley stated the Selectmen could not support the article because all of the aubutters are opposed to the Scenic designation.

Kenneth Knowlton spoke of the success of the Scenic designation on Cotton Hill Road.

William Goetz of Cotton Hill Road stated that the residents of Cotton Hill Road supported the designation and signed the original petition.

There being no further discussion, a voice vote was taken. Article #24 was defeated.

Article #25. To transact any other business that may legally come before the meeting.

Moderator Steven Fournier recognized our State Representatives John Thomas and James Pilliod.

The floor was opened to additional business.

William Ekberg noted that our Annual Town Meeting has become considerably shorter in recent years and perhaps we should consider having it on Tuesday evening as other towns do. After a short discussion period, the Moderator took a straw vote of those present which showed most people prefer to have the Meeting continue to be held on Saturday.

Mark Condodemetraky presented a copy of a non-binding Proclamation regarding the proposed Route 140 Bypass (copy attached).

Various citizens spoke both for and against the proclamation. Town Administrator, Donald McLelland stated there will be at least four months of debate on the routes. The Planning Board and Selectmen will be looking for public input.

State Representative, John Thomas announced there will be a Legislative Hearing on Route 11/Route 140 on April 4th at 7:00 PM at the Middle School Auditorium.

Motion to move the question was made by Albert Akerstrom, seconded by Claude Patten.

A straw vote was taken. Those in attendance voted in favor of the petition.

Town Administrator, Donald McLelland reminded those assembled that the town is currently undergoing a complete reevaluation and remapping and urged town residents to complete the Census Surveys promptly.

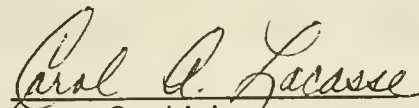

Newly elected Selectman, Doralyn Harper thanked out-going Selectman, Donna Cilley for her nine years of dedicated service to the Town of Belmont.

Albert Akerstrom moved to adjourn, seconded by Michael Jesseman.

Motion carried by voice vote, the Annual Belmont Town Meeting was adjourned at 11:15 AM. Approximately 100 voters and 6 non-voters attended the meeting.

There are 3712 registered voters in the Town of Belmont.

A TRUE RECORD, ATTEST:

Carol A. Lacasse
Town Clerk

THE STATE OF NEW HAMPSHIRE

BELKNAP, SS.

SUPERIOR COURT
00-E-077

IN RE: TOWN OF BELMONT

DECREE FOR SPECIAL TOWN MEETING

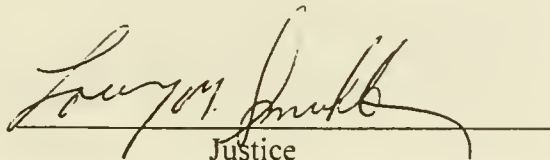

The above entitled petition came before the Court for hearing and the Court, having considered the evidence, finds that an emergency has arisen in the Town of Belmont which may require an immediate expenditure of money.

It is hereby ordered, adjudged and decreed that the Selectmen of the Town of Belmont are hereby authorized to hold a Special Town Meeting at 7:00 p.m. August 29, 2000 at the Belmont Middle School Auditorium, for the purpose of acting upon the article set forth in the accompanying petition, and the Special Town Meeting shall have the same authority as that of the annual Town Meeting.

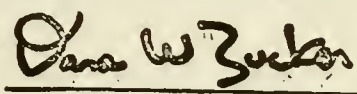

The above approval is conditioned upon compliance with all statutory requirements relating to posting and notice which control such a Special Meeting.

This decree is made solely for the purpose of permitting the Special Town Meeting to be held, and it is not to be construed nor interpreted in any other manner nor for any other purpose whatsoever.

Date: June 20, 2000

SPECIAL TOWN MEETING
TUESDAY, AUGUST 29, 2000

AT A LEGAL MEETING OF THE INHABITANTS OF BELMONT, COUNTY OF BELKNAP, STATE OF NEW HAMPSHIRE ON TUESDAY, AUGUST 29, 2000, AT 7:00 O'CLOCK IN THE AFTERNOON, THOSE PRESENT AND QUALIFIED TO VOTE, ACTED UPON THE FOLLOWING SUBJECTS:

ARTICLE 1: To see if the Town will vote to authorize the Selectmen to purchase the property located at 16 Sargent Street (Tax Map 21, Lot 69 - formerly 10 Sargent Street) owned by The Lakes Christian Center for use as a town building and further to raise and appropriate the sum of ninety-nine thousand (\$99,000.00) for the purpose of purchasing and renovating the property for town use.

(The Board of Selectmen recommends this article. The Budget Committee recommends this article.)

ARTICLE 2: To transact any other business that may legally come before the Meeting.

Town Moderator, Steven Fournier opened the meeting at 7:00 o'clock and led the Pledge of Allegiance. He asked that any non-voters identify themselves. There were four (4).

ARTICLE 1 was read by the Moderator. Motion to accept was made by Ronald Mitchell, seconded by Albert Akerstrom.

Moderator Fournier asked for questions or discussion. There was none.

He asked that the voters vote by a show of hands.

The results of the vote were: 25 YES
0 NO

Article 1 passed unanimously.

ARTICLE 2 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by John Thomas.

There was no other business.

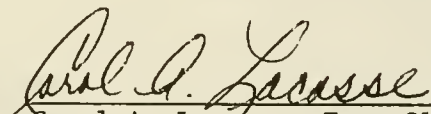

Motion to adjourn was made by Albert Akerstrom, seconded by John Thomas.

Motion passed by voice vote.

The Meeting was adjourned at 7:04 o'clock in the afternoon.

There were 29 people in attendance.

A true copy, attest:

Carol A. Lacasse, Town Clerk
Belmont, New Hampshire

SELECTMEN'S ANNUAL REPORT 2000

The Town of Belmont is continuing to move forward into the new millennium, the "progress" begun in 1999 will continue to focus on the future of Belmont, and it's citizens.

The long-awaited Revaluation and Tax Mapping projects were completed in November, and tax bills were mailed in December. Although many of you saw an increase in your property value, the Town's tax rate did decrease by \$1.42 per \$1,000 as a result of the Revaluation. The Computerized Mass Appraisal System (CAMA) is up and running at Town Hall, using a public access computer system to view property assessment records. The CAMA system will allow the Town to update property values based on sales analysis more frequently than in the past.

The Board of Selectmen will be working with the Planning Board and other boards and commissions to create a Capital Improvements Program and to update the Town's Master Plan in the upcoming year; as taxpayers and citizens of Belmont, we encourage your participation in this process.

We had the opportunity this year to negotiate the purchase of the former Lakes Christian Center at the corner of Fuller and Sargent Streets. After a successful completion of the transaction and with minor renovations, the building was opened as the Corner Meeting House.

After considerable debate, discussion and public meetings, the Board of Selectmen and Planning Board recommended a compromise B2 plan to the New Hampshire Department of Transportation for the upgrade of Route 140. The plan was accepted by the DOT and is now scheduled for the next phase of engineering and planning in 2001-2002. Anticipated construction will be in 2004-2005. We wish to thank everyone involved in the meetings and discussions for their assistance in agreeing to the compromise plan.

After several years of planning and construction, the Belmont Town Beach was opened on July 4th weekend. The beach is a prime property on Lake Winnisquam and will give all of our residents an opportunity to enjoy the benefits of living in the Lakes Region.

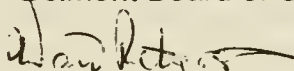

You are being asked to consider funding additional staff for the Fire Department in the 2001 proposed budget. This will allow the department to operate 24-hours per day, 7-days per week, providing needed coverage nights and weekends. Your consideration and support of this funding request is appreciated.

We would like to thank the Department Heads and all employees for their continued support and efforts on behalf of the Town.

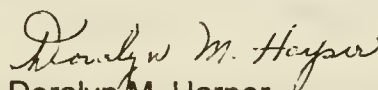

Although the changing New Hampshire times, continuously toss obstacles in our way, we the Board of Selectmen, will work hard to improve Belmont's infrastructure and services. We look forward to serving you in 2001, and we thank you for your support in 2000.

Respectfully submitted,

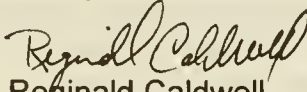

Belmont Board of Selectmen

Ward Peterson, Chairman

Doralyn M. Harper

Reginald Caldwell

BELMONT POLICE DEPARTMENT

ANNUAL REPORT FOR 2000

The Town of Belmont is a growing and prosperous community. Providing, high quality, police services is an ever increasing challenging each year. We look forward to that challenge with great anticipation and excitement. We believe our commitment to service and community will help lead the way.

The Criminal Activity of the Town has remained level for the past year, while there has been a large increase in the Motor Vehicle Activity. The number of times you have called for service has decreased slightly in the past year.

We were fortunate in 2000 to fill two vacant Patrolman positions with Judy Woodbury and Dwane Gannon. Judy has lived in Belmont for a number of years and knows well what her town wants in a Police Officer. Dwane Gannon came to us from Tilton, where he had serve that community for 5 years. We were also fortunate to promote David Estes to Sergeant. Sgt. Estes has been a Police Officer in Belmont for the past 13 years. We have been able to place Officer Richard Bryant at the Belmont High School and Officer Sean Sullivan at the Belmont Middle School, with the assistance of two Byrne Grants from the State of New Hampshire Department of Justice. These two School Resource Officers have been received very well by the students, teachers and parents.

During 2000, members of the Police Department have been very active in: Rotary, Belmont Youth Program, Belknap County Teen Center, Greater Laconia Crimeline, D.A.R.E., Youth Baseball, Belknap County Domestic Violence Coalition, Driver's Education, Buckle Up America, Belmont Police Department Relief Association, Belmont Recreation and Alternative Transportation Team, Belmont Appreciation Day, Belmont Safety Committee, Bicycle Patrols, and numerous others.

As we began to wrap up 2000, we also finished the renovations and addition to the Police Department. We were able to create a Dispatch Center, more office space, a Community Policing Room, Garage, Booking Room, Evidence Room, Armory and Storage Room. These changes and additions will make the Police Department much easier and safer to work in as well as bring the building up to the State Safety Codes.

If you have any questions, concerns, comments or requests please don't hesitate to contact the Police Department. If you would like to see what we have done to your Police Department, please stop in and see us.

Pg. 2

Your police department now has the following members:

David C. Nielsen, Chief of Police. Serving since February 1981.
Brian J. Loanes, Lieutenant. Serving since July 1980.
Mark B. Lewandoski, Sergeant. Serving since April 1978.
David L. Estes, Sergeant. Serving since February 1988.
Steven H. Crockett, Patrolman. Serving since April 1981.
Richard A. Bryant, School Resource Officer. Serving since July 1986
Charles B. O'Connor, Patrolman. Serving since December 1988.
Richard W. Mann, Patrolman. Serving since September 1993.
William J. Whitcher, Patrolman. Serving since November 1998.
Sean P. Sullivan, School Resource Officer. Serving since February 1999.
William H. Wright, Patrolman. Serving since December 1999.
Dwane S. Gannon, Patrolman. Serving since April 2000.
Judy Woodbury, Patrolman. Serving since September 2000.
Lori A. Walker, Administrative Assistant. Serving since May 1987.
Ava M. Dungelman, Secretary Dispatcher. Serving since December 1998.

Members of the Explorer Post:

Tim Brunelle, Karl Ulrich, Marshall Bennett, Josh Brody, Chris Tibbetts, Ryan Kennedy, Hillary Ciampi, Rick Hutchinson, Mike Blanchette, Kevin Cram, Steven Zackowski, Garrett Pollman, Pearl Bushnell, Ryan MacRae, Hans Chapman. Advisors of the Explorer Post: Sgt. Mark Lewandoski, Officer Sean Sullivan, Cindy Sullivan, and Officer William Wright.

Respectfully submitted by:
David C. Nielsen, Chief of Police

BELMONT FIRE DEPARTMENT

Albert Akerstrom, *Chief* • Richard K. Siegel, *Deputy Chief*

BELMONT FIRE DEPARTMENT

2000 ANNUAL REPORT

As in 1999, this year has been a very busy year for the Belmont Fire Department. Even with the small decrease in the total calls, our personnel put in just under 5,000 hours responding to emergency calls, training and service calls. With the new technology and techniques and new products changing from day to day, our personnel have to put in many hours in training to keep up on their skills that are needed. The following is a breakdown of calls for the year ending December 31, 2000.

	<u>1999</u>	<u>2000</u>	<u>% of Calls</u>
Fire Calls	259	194	23.3%
Medical Calls	483	501	60.8%
Mutual Aid Calls	54	58	7.1%
Service Calls	48	72	8.8%

During the year 2000 two members of the department took a Paramedic course at Elliot Hospital in Manchester. These two people spent 8-16 hours per week for almost one year to become a Paramedic. The cost for the course was just over \$5,000.00 per person and each person paid for the course out of their own pocket. We also had four members of the department attend a Firefighter Level II course at the State Fire Academy and these people are now qualified to become fulltime personnel in any community within the State of New Hampshire. When we hire our new personnel, I can assure you that these people will get the first opportunity at these new jobs. I have always said that if we have the people that qualify for the job we should hire from within.

Even with the decrease of local fire calls, our fire loss during the year 2000 was much higher than 1999. With a lot of hard work between the Fire Department, Police Department and the State Fire Marshal's Office, we were able to solve the cause of three structure fires that we had this past summer. In all three fires, young juveniles were the cause of the fires.

BELMONT FIRE DEPARTMENT

Albert Akerstrom, *Chief* • Richard K. Siegel, *Deputy Chief*

On January 9th, we took delivery of our new 2,500 gallon Tanker from Pierce Fire Apparatus. All members of the department have gone through classes on the new truck and as soon as we get the equipment that is needed on board the truck will go into service. If we have good weather at the 2001 Town Meeting, we are going to have the truck in the parking lot so everyone can see it.

At this time I would like to thank the Board of Selectmen, Budget Committee Members, Department Heads, our Town Administrator and the citizens of Belmont for their support.

Respectfully Submitted

Albert J. Akerstrom III
Fire Chief

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at www.dred.state.nh.us.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department BEFORE using portable outdoor fire places and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing ANY outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

WINNISQUAM FIRE DEPARTMENT

The Winnisquam Fire Department answered 437 calls for aid during the past year. This was an increase of about 40 calls over the previous year, and an increase of over 80 calls in the last two years. Our primary district is Winnisquam Lake area of the Towns of Belmont and Sanbornton, and of the Tilton-Northfield Fire District, plus the Blackbrook Road area of the Town of Meredith. The breakdown of our calls in the year 2000 showed the following responses:

	Belmont	Tilton	Sanbornton	Winnisquam	Mutual Aid
Medical	66	62	28	46	2
MVA/Medical	19	24	8	0	1
Fire-Structure	15	7	5	0	12
Fire-Other	33	13	13	0	3
Fire Alarms	51	3	17	0	0
Service	0	0	1	4	0
Other	1	2	1	0	0
Totals	185	111	73	50	18

As has become the pattern for those fire departments that cover fire and medical calls, our responses show that over 60 percent were for ambulance, with either medical or trauma related problems. Answering this challenge, we are fortunate in that 25 members of our department include two Paramedics, three EMT-Intermediates, and eleven EMT-Basics, with one additional member now taking the basic course.

We wish to express our appreciation to those at the annual meetings last year that supported our request for a new ambulance. It provides us with a more adequate work area for treating patients in advanced life care en route to the hospital, and because of its up-to-date design, to keep it in compliance with today's infection control standards.

With the new ambulance last year, the new Engine put into service in 1998, the refurbishing of our 1981 Engine several years ago, and securing from the State a larger 4 wheel drive military vehicle several years ago to replace the small Jeep, our vehicles are all in good condition, and we should not have to be looking for replacement for any of them for about 10 years. However, by concentrating on bringing our vehicles up to date over the past few years, we have deferred much needed maintenance on our buildings and property. We are looking to replace our dug well with a drilled well this year and pave the parking area next year. We have reserved some monies from last year's budget, which added to monies in this year's budget for building repairs, we plan to refurbish the outside of the building this coming summer.

On behalf of all our members, may I again extend out thanks to all who have supported us at Town and District Meetings, through donations, and by coming to the dinners and other fundraisers that we put on.

Richard W. Gray, Chief

Visors were put on the remaining sports lights to help reduce the nighttime glare for the neighbors. Vandalism to the lighting system was repaired. Thank you Hutchins Electric for an excellent job.

The first step was taken to provide the Skate/Bike Park with safe, maintenance free, high performance equipment. We enlisted professional help in the design and construction of the park. Limited funds allow us to do only a little each year but in the end the taxpayers will save money and more importantly, liability! By finishing the design layout as planned, we can insure that Belmont's state of the art facility is not only first class but also very safe and inexpensive to maintain. We simply must discourage the youngsters from using unstable and unsafe makeshift equipment. Therein lies the danger. If we continue as planned, there will eventually be no room for rickety apparatus and we can all rest assured that our Skate/Bike Park is as safe as it can be.

PROPOSED IMPROVEMENTS FOR 2001:

Fifteen thousand dollars (\$15,000) was requested in the 2001 budget for delivery and placement of a heavy duty, maintenance free half pipe for the Skate/Bike Park.

PROPOSED IMPROVEMENTS FOR 2002 AND BEYOND:

Continue with the original proposal for the skate/bike park that was presented to town officials in 1990. The final stages of this project is to fill the Bike/Skate area with safe and maintenance free equipment.

Between the Bike/Skate park and the horseshoe pits is a grassy area that it currently unused. I would like to upgrade this area with picnic tables and allow the kids to access it from the Bike/Skate section. A raised platform attached to the backside of the half pipe would act as an observation deck for activities and provide walking access down stairs to the grassy picnic area.

The basketball courts need attention. We are looking to address drainage problems, add lighting and upgrade that section of the park.

Thank you to the following people and organizations for their help with the accomplishments at Sargent Park:

The Selectman, Budget Committee, Town Administrator, Police Department, Fire Department, Highway Department and all at the town offices. Thank you Dr. Bailey for returning our hockey balls that end up on your lawn. Thank you to the taxpayers of Belmont. After all, that's where it starts and we should all be aware of where the funds come from. While we're on the subject of money, no thanks to the vandals and irresponsible children who seem to think it's cool to trash and damage valuable public property. They only degrade the image of the park and their age group. They undermine the efforts and hard work of caring volunteers.

We must say thank you to the founding members and associates of the Belmont Youth Program for the work that they have done and the accomplishments that they have made at Sargent Park in the year 2000. Thanks to their diligent, caring and persistent efforts, the success of the Friday night kids program and beyond has been quite remarkable. They have solicited donations from area businesses and individuals and they have publicly recognized and thanked these people for their generosity. The BYP members have guided the kids to be more responsible and they have tirelessly helped to clean the park, remove and replace equipment and organize activities. They have

encouraged parents to participate in the Friday night program along with their children. Some now stay, help out and have fun with the kids as well. This has become a unique opportunity for adults and kids to bond and work together for a common cause without the usual friction that occurs between parents and children. The Belmont Youth Program members are (in alphabetical order): Tom and Cindy Carroll, Brian Loanes, David and Debbie Nielson (and all at the Belmont Police Department), Kim Ortakales, Joe and Nancy Walsh, Chairman Phil Wardner, and a special thank you to former member Teri Wardner.

Rob Court, Chairman

BELMONT CONSERVATION COMMISSION ANNUAL REPORT - 2000

The Conservation Commission looks back on a busy organizational year and forward to a exciting year fulfilling their statutory purpose to assist the community in the proper utilization and protection of natural resources and in the protection of watershed resources.

In 2000 the Commission developed and adopted Administrative Procedures as well as Wetlands Project Guidelines to assist property owners through the wetlands application process. A library of Best Management Practice Sheets for projects in and adjacent to wetlands is also being developed to provide additional information and assistance to owners and project contractors. Questions on applications may be directed to the Land Use office in the Town Hall.

In September, Lissy Bennett and Katie Harbilas, students at the Belmont Elementary School, approached the Commission with very serious concerns about the loss of a large pond area within the Town Forest that had drained the previous spring when a dam breached. As a result, the Commission has met with the Natural Resource Conservation Service in regards to developing a plan to replace the pond at a somewhat lower, more easily maintained level. In addition to simply voicing their initial concerns, Ms. Bennett and Ms. Harbilas have continued their involvement to resolve this problem by attending the site view made by the Commission and by encouraging neighbors in the area adjacent to the Town Forest to commit their assistance to the proposed work. The Commission would like to commend both Lissy and Katie for their participation in and commitment to the restoration of this important community asset.

The Belmont High School Cross Country Team has also developed a training and competition trail through the Town Forest and the Commission is pleased to see that community use and appreciation of the forest is increasing. Additional projects to provide walking and educational trails and parking areas are being considered by the Commission.

In the upcoming year the Commission will begin the process of developing a Natural Resource Inventory for the community. This inventory will identify the type and location of natural resources such as surface and ground waters, soils, slopes, wetlands and agricultural lands within the community. The process will incorporate known resources, but the Commission will be asking citizens to assist by providing information and comment during the inventory process. The inventory will also be a very integral part of the upcoming Master Plan update. Once resources are inventoried, community input will be used to assist the Commission and other municipal Boards in developing processes and educational programs that assure that the resources that are valued by the community and that ensure the health and prosperity of the community are adequately protected.

Two articles will be placed on the 2001 Town Meeting Warrant for consideration by the voters. The first will allow the Commission to have up to three alternate members. Currently the Commission consists of seven members, many of whom also represent the Commission on other municipal boards as well as groups such as the recycling and trails committees and Project SERVE (Students for Environmental Volunteerism & Education).

The second article will be to deposit all of the Land Use Change Tax annual revenues into the existing Conservation Fund. Currently annual revenues up to \$5,000 are deposited into the fund. These revenues are collected when a parcel that is under Current Land Use is taken out of Current Use and developed. Depositing that one-time fee into the Conservation Fund will increase the effectiveness of the community to permanently protect important resources through the purchase of conservation easements or significant lands.

The Board would like to thank Brian Watterson and Fred Wheeler for their many hours of assistance to the Commission, and welcome Magnus McLetchie to the Commission.

Kenneth Knowlton, Chairman
John Peterson
Magnus McLetchie

Mark Lewandoski, Vice Chairman
Nancy Wederski
Ward Peterson, Selectmen's Rep

General Assistance
2000 Annual Report

The total General Assistance budget this year was \$87,588.38. This is a moderate decrease over last year's budget.

The Town of Belmont continues to maintain a philosophy that Town General Assistance is a fund of last resort. Applicants must have exhausted all other economic resources to be granted town assistance.

The General Assistance Department continues to work with the working poor, medically and mentally disabled and our senior population who are unable to pay for their basic needs. We experienced a larger number of working poor single moms this year. With the growing complexity of cases, much time is spent identifying barriers, problem solving, facilitating information and utilizing outside referral sources.

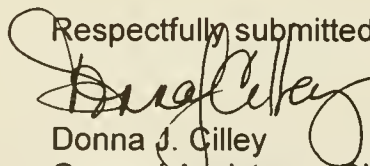

The lack of affordable housing, daycare, prescription and medical expenses are not balancing the increased cost of living. In what is being classified as a strong economy and a booming employment market, this department has not seen a substantial decrease in the overall amount of services provided.

The Town's goal will always be to assist its' residents to take control of their lives, improve their job skills, and help transition to self sufficiency.

This past holiday season the General Assistance Department received many gracious donations from local businesses, to assist with Thanksgiving and Christmas food baskets. The Department also worked with the Belmont High School Career Visions Class, and the Belmont Police Department Toys for Tots program providing Christmas for thirty needy families.

As always, I would like to thank our local Church Community for their continued support and outside social service agencies that have assisted our residents in time of need.

Respectfully submitted,

Donna J. Gilley
General Assistance Director

BELMONT WATER DEPARTMENT - 2000 ANNUAL REPORT

This year saw a 5% increase in the number of customers served by the water system. No major changes were made since it normally runs at much less than capacity and is in generally good condition.

The long range plan to install a third well is moving forward slowly. The tentative site (near Pout Pond) has proven to meet all requirements to date. Selection of a contractor is the next step. It is hoped that construction can begin this Summer.

The reservoir tank, while still working well at this time, will need to be recoated inside and out in the next few years.

It has been the policy of the Water Department to hold costs (and our prices) to a minimum. Each year expenses rise, however, so that at some point not enough income is put aside for future equipment replacement. We may be close to such a point and will consider a small rate increase soon. A planning consultant is being hired (jointly with the Sewer Department and the Board of Selectmen) who will advise us on this.

While serving as a member of the Water Commission does not pay a salary, it is a rewarding way to contribute to town government. Protecting the water resource and distributing it efficiently is vitally important. Please consider an appointment to this commission if you are a Belmont citizen, and especially if you are a water customer too.

Charles Hampe, chairman

members: Fred Greene
David Rolfe

5th Annual Household Hazardous Waste Collection Day

This year's annual event was held at the Fire Station and as always the LAST Saturday in July which was July 29, 2000. The Board of Selectmen would like to thank all Belmont residents who participated in the Annual Household Hazardous Waste Collection Day. There were 153 participants that brought their contaminants for proper disposal. Not all of whom are from Belmont. The big question on the surveys this year was, "Do you think your town should financially support a permanent HHW facility?" Eighty percent of you said YES. It may be time now to be thinking about this for our future.

Contamination of our natural environment is a very real threat from the improper disposal of household hazardous waste. Many of the common products that we purchase and use daily in our kitchen, bathrooms, and our yards are considered household toxins and can cause respiratory problems, burns, poisoning, nausea, headaches, and dizziness if handled incorrectly. The 2000 collection results were as follows:

<u>Town</u>	<u># Participants</u>	<u>Materials</u>	<u>Collected</u>
Belmont	90	Oil-based Paints, solvent's & thinner	5 - 55 gallon drums
Gilmanton	52	Paint for recycling	2 - 55 gallon drums
Tilton/Northf	4	Sludge	3 - 55 gallon drums
Sanbornton	5	Resin & adhesives'	4 - 55 gallon drums
Barnstead	1	Aerosol Cans	2 - 55 gallon drums
Alton	1	Pesticides	1 - 55 gallon drums
		Household Cleaners	2 - 55 gallon drums
		Flourescent Bulbs	20 - 8' Boxes
		Recyclable Oil	500 gallons
		Automotive Batteries	32
		Propane Tanks	12 Gas grill size

This annual event is organized by the Lakes Region Planning Commission with the help of local volunteers, and is made possible by financial commitment of participating communities and matching grant monies from the NH Department of Environmental Services. We look forward to next year's event and will welcome your call to volunteer on July 28, 2001. If you can spare about three hours of time on this amazing event full day, please call Brenda at the Town Hall. The Board of Selectmen would like to recognize those individuals and thank them for their contribution of volunteering in helping to make our environment safe.

BELMONT ZONING BOARD OF ADJUSTMENT ANNUAL REPORT - 2000

The Zoning Board met monthly during 2000, holding a total of 31 hearings. The following actions were taken:

Appeal of Administrative Decision – Granted: Boudreau – Hoadley Rd.

Equitable Waivers – Granted: MacIntosh(3) – Province Rd.

Special Exceptions – Granted: Mile Hill LLC – Laconia Rd, Provencal – Durrell Mtn Rd, Harper – Moonshine Dr, Foss – Highcrest Dr, Hamel – Stark St, Aucoin – Gardners Grove Rd, McLelland – Johnson St, Daisey(2) – Hoadley Rd, Taylor – Wildlife Blvd, Harbilas – Ladd Hill Rd, Langton(2) – Mallards Landing Rd.

Special Exceptions – Withdrawn: Rogers – Hurricane Rd.

VariANCES – Granted: Aubertin – Farrarville Rd, Connors – Lakeside Dr, Brown(2) – Morgan Rd, LaRoche – First St, Harbilas – Ladd Hill Rd, Blanchette – Province Rd, Pisani(2) – Mallards Landing Rd, SVD Realty Corp(2) – Horseshoe Dr, Mastenbrook – Morway Ln.

VariANCES – Denied: Mastenbrook – Morway St, Michaud – Robin Blvd., Aucoin – Gardners Grove Rd, Route 140 Properties – Concord St.

During 2000 the Board spent a considerable amount of time researching the issue of the use and placement of treated soils, meeting with applicants as well as representatives of the Natural Resource Conservation Service and Environmental Soil Management, Inc. As a result they have made recommendations to the Planning Board for consideration as amendments to the Zoning Ordinance to better regulate the use of treated soils within the community.

The Board welcomed new alternate member, Brenda Paquette, and urges anyone interested in serving as an alternate member on the Board to contact the Land Use Office in the Town Hall.

BELMONT PLANNING BOARD ANNUAL REPORT - 2000

The number of applications and board meetings for 2000 remained fairly consistent with prior years:

	<u>2000</u>	<u>1999</u>	<u>1998</u>	<u>1997</u>
Subdivisions	08	05	05	09
Site Plans	13	16	25	16
Boundary Line Adjustments	07	11	06	01
Lot Mergers	05	08	03	0
Approval Extensions	05	04	04	05
Revocation Approvals	0	0	0	02
Informal Discussions	04	09	13	10
Abutters' and Public Hearings	38	55	66	43
Meetings & Work Sessions	28	26	25	21

The Planning Board spent considerable time reviewing options for improvements to Rte 140. Several work sessions, community meetings and meetings with NH DOT were held to develop an alternative that balanced traffic with overall community needs. A B2 Community Alternative plan was submitted to NH DOT for consideration. In December DOT indicated that the B2 plan had been accepted and that the project limits would be extended westerly to the Northfield Town Line, as requested by the Town. DOT will begin detailed engineering of the proposal, holding additional public informational meetings as they proceed with the design. The Planning Board also reviewed projects on Rte 107, Rte 106 and Rte 3.

The Board hosted regional workshops for Earth Excavation and FEMA Flood Hazard Mitigation. Several evaluations were made of community gravel site reclamation projects.

The Board welcomed returning member C. Patten and new members J. Pike, W. Brunkhardt, G. Bolduc & J. Marden during 2000. D. Pugh and W. Brunkhardt were appointed as Belmont's representatives to the Lakes Region Planning Commission, and the Board has a representative serving on the LRPC Technical Advisory Committee for the development of the region's highway recommendations to NH DOT.

The Board would like to thank the voters for passing all of the zoning amendments on the March 2000 ballot. In the upcoming year, the Board is looking at amendments to regulate Telecommunication facilities, Treated Soils, Floodplains and Impact Fees. Amendments to both the Site Plan and Subdivision Regulations for soils, cluster development, telecommunication facilities, and utility structures are also underway.

The Land Use Office staff worked closely with the mapping firm in developing the new community tax maps along with a new street map that was made available during 2000. A new zoning map will soon be available at the scale and accuracy available with the new tax map system. The Board would like to express its thanks to the folks at the Belmont Senior Center for their assistance in preparing the new street maps for distribution. Street maps are available at the Town Hall and a copy was sent to all local businesses that have joined the Belmont Business Index.

Efforts are currently underway to update the Capital Improvements Plan to reflect the existing financial status of the community and to address outstanding objectives in the existing Master Plan.

During the upcoming year, the Board will begin the process of updating the Master Plan which is the long-range plan intended to guide the growth and development of our community. Over the next two years, the Board will be encouraging interested individuals to take part in subcommittees to assist in development of the plan and will also be seeking input from residents and other members of the community through methods such as community meetings and questionnaires to define goals and objectives for upcoming years. Please take a moment at that time to share your vision for Belmont over the next decade, identifying values and objectives to assure that Belmont will remain a great Town in which to live, work and vacation.

TOWN OF BELMONT
CODE ENFORCEMENT OFFICER REPORT FOR 2000

The Code Enforcement Department started off the new millennium with an outstanding year in 2000. The number of building permits issued was the department's highest total since zoning came into effect in 1986. LRGHealthcare Rehab, Super Clean Coin-op and Laundry, and Tricia's Craft Room have opened in Belmont. Town improvements included the completion of the Public Works facility, a new bathhouse at the Belmont Town Beach, and an addition to the Belmont Police Department.

The following permits were issued in the year 2000:

TYPE OF CONSTRUCTION	2000	1999	INCREASE/ DECREASE
Single Family	26	21	+5
Demolition	5	1	+4
Replacement	9	4	+5
Convert From 2 to 1 Unit	0	1	-1
Convert From 1 to 2 Units	0	1	-1
In-Law Apartments	1	0	+1
Two Family	1	0	+1
Multi-Family - Number of Buildings	1	0	+1
Number of Units	6		+6
Manufactured Housing Units - New	44	41	+3
Replacement Units	20	24	-4
Manufactured Housing Units Removed	4	10	-6
Residential Additions/Alterations	118	87	+31
Accessory Buildings (Garages, Sheds, etc.)	62	44	+18
Public Buildings	1	2	-1
Public Building Alterations	2	0	+2
Commercial/Industrial	2	7	-5
Commercial/Industrial Alterations	6	10	-4
Demolition	11	5	+6
Other - (Signs, Pools, etc.)	18	21	-3
Permits (Electrical, Plumbing, Mechanical, Occupancy)	23	6	+17
TOTAL PERMITS	334	261	+73

TOTAL COST OF CONSTRUCTION:

Residential - \$6,774,738.00 + Commercial/Industrial/Educational - \$287,100.00 = **TOTAL-** \$7,061,838.00

In Belmont's Service,
Gary G. Boisvert
Code Enforcement Officer

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF BELMONT IN THE COUNTY OF BELKNAP, IN THE STATE OF NEW HAMPSHIRE, QUALIFIED TO VOTE IN TOWN AFFAIRS.

You are hereby notified to meet for the 2001 Annual Town Meeting of the Town of Belmont to be holden in two sessions as follows:

FIRST SESSION

The FIRST SESSION shall be holden at the Roland S. Kimball Auditorium, Belmont Middle School, Belmont, New Hampshire on the 13th day of March next, between the hours of 8:00 o'clock in the forenoon and 6:00 o'clock in the afternoon, to act upon the following subjects:

1. ELECTION OF ALL OFFICERS.

THE PLANNING BOARD SUPPORTS AND RECOMMENDS ALL OF THE FOLLOWING AMENDMENTS:

2. Are you in favor of the adoption of Amendment #1 for the existing town Zoning Ordinance as proposed by the Planning Board?

Adopt local regulations for the use and placement of treated soils as defined by NH Env-Wm 3203.11. Do not permit the use of treated soils on residential lots. Allow the use of treated soils in the Commercial and Industrial Zones only.

YES NO

3. Are you in favor of the adoption of Amendment #2 for the existing town Zoning Ordinance as proposed by the Planning Board?

Define "Modular Building" in conformance with NH RSA 205-C:1.XI.

YES NO

4. Are you in favor of the adoption of Amendment #3 for the existing town Zoning Ordinance as proposed by the Planning Board?

To restrict the residential use of recreational vehicles located on the same lot as a principal residence to no more than 45 days in any twelve month period, or to six months if the unit is attached to approved water and sewage disposal facilities.

YES NO

5. Are you in favor of the adoption of Amendment #4 for the existing town Zoning Ordinance as proposed by the Planning Board?

Clarify the definition of "Frontage" to include Class I or II State Highways, Class V Town Streets, and Approved Private Streets.

YES NO

6. Are you in favor of the adoption of Amendment #5 for the existing town Zoning Ordinance as proposed by the Planning Board?

Amend the existing Telecommunications Ordinance by including title and definitions from the new State Law, RSA 12-K, Deployment of Personal Wireless Service Facilities.

YES NO

7. Are you in favor of the adoption of Amendment #6 for the existing town Zoning Ordinance as proposed by the Planning Board?

Clarify that manufactured housing units may only be used for dwelling units.

YES NO

8. Are you in favor of the adoption of Amendment #7 for the existing town Zoning Ordinance as proposed by the Planning Board?

Define "Commercial Vehicle" to include vehicles registered as a commercial vehicle and/or used for commercial purposes.

YES NO

9. Are you in favor of the adoption of Amendment #8 for the existing town Zoning Ordinance as proposed by the Planning Board?

Authorize the Planning Board to impose impact fees for a development as a condition of approval of applications for subdivision and site plan review.

YES NO

10. Are you in favor of the adoption of Amendment #9 for the existing town Flood Plain Ordinance as proposed by the Planning Board?

Adopt clarifications to existing flood map data within the Ordinance as recommended by NH Office of State Planning and correct reference to NH Wetlands Bureau.

YES NO

SECOND SESSION

Town of Belmont, New Hampshire

Annual Meeting Warrant March 17, 2001

You are hereby notified to meet at the Roland S. Kimball Auditorium, Belmont Middle School, Belmont, New Hampshire on the 17th day of March next at 10:00 o'clock in the forenoon to act upon the following subjects:

Article #1. To hear and act upon the reports of Boards and Committees.

Article #2. To see how the Town will vote to expend the income from the John M. Sargent Trust Fund.

Article #3. Shall we modify the elderly exemptions from property tax in the Town of Belmont, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, \$45,000; for a person 75 years of age up to 80 years, \$60,000; for a person 80 years of age or older \$75,000. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$18,500, or if married, a combined net income of less than \$26,500; and own net assets not in excess of \$50,000 excluding the value of the person's residence. (Ballot vote required.)

Article #4. To see if the Town will vote to raise and appropriate the sum of one hundred and forty-one thousand one hundred and seventeen dollars (\$141,117) for the reconstruction of highways, said appropriation to be funded by \$141,117 from Highway Block Grant funds provided by the State of New Hampshire, and further to designate this as a non-lapsing appropriation.

(The Budget Committee recommends \$141,117 and the Board of Selectmen support this recommendation.)

Article #5. To see if the Town will vote to discontinue the Winnisquam Ambulance Capital Reserve Fund established in 1999. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund. (Majority vote required).

(The Budget Committee recommends this article and the Board of Selectmen support this recommendation.)

Article #6. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of demolishing the Power Generator House and to raise and appropriate the sum of twenty thousand dollars (\$20,000) to be placed in this fund and further, to designate the Selectmen as agents to expend money from this fund.

(The Budget Committee recommends \$20,000 to be placed in this fund and the Board of Selectmen support this recommendation.)

Article #7. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of Town Building Exhaust Systems and to raise and appropriate the sum of eighteen thousand dollars (\$18,000) to be placed in this fund and further, to designate the Selectmen as agents to expend money from this fund.

(The Budget Committee recommends \$18,000 to be placed in this fund and the Board of Selectmen support this recommendation.)

Article #8. To see how much money the Town will vote to raise and appropriate, exclusive of all special and individual warrant articles.

(The Budget Committee recommends \$4,211,894 and the Board of Selectmen recommends \$4,204,894.)

Article #9. To see if the Town will vote to raise and appropriate the sum of two hundred fifty seven thousand eighty dollars (\$257,080) for the operation and maintenance of the Sewage Collection and Disposal System for the ensuing year.

(The Budget Committee recommends **\$257,080** and the Board of Selectmen support this recommendation.)

Article #10. To see if the Town will vote to raise and appropriate the sum of three hundred six thousand six hundred fifty one dollars (\$306,651) for the operation and maintenance of the Water Distribution and Treatment System for the ensuing year.

(The Budget Committee recommends **\$306,651** and the Board of Selectmen support this recommendation.)

Article #11. To see if the Town will vote to raise and appropriate the sum of thirty nine thousand four hundred fifty dollars (\$39,450) for the purchase of new fire/ambulance/rescue equipment and further to authorize the withdrawal of said amount from the Fire/Ambulance Equipment and Apparatus Fund previously established in accordance with RSA 31:95,C.

(The Budget Committee recommends **\$39,450** and the Board of Selectmen recommends **\$40,350**.)

Article #12. To see if the Town will vote to raise and appropriate the sum of nineteen thousand five hundred sixty two dollars (\$19,562) for the purchase of a new Fire Department Tanker and further to authorize the withdrawal of said amount from the Fire/Ambulance Equipment and Apparatus Fund previously established in accordance with RSA 31:95,C. This payment is year two of the two-year contract authorized under Article 15 of the 2000 Annual Town Meeting.

(The Budget Committee recommends **\$19,562** and the Board of Selectmen support this recommendation.)

Article #13. To see if the Town will vote to raise and appropriate the sum of ninety thousand dollars (\$90,000) to purchase a new Highway Truck and Sander, said appropriation to be funded by \$40,000 plus interest from the HD Truck and Sander Capital Reserve fund, \$50,000 to be raised by general taxation.

(The Budget Committee recommends **\$90,000** and the Board of Selectmen support this recommendation.)

Article #14. To see if the Town will vote to raise and appropriate the sum of eighteen thousand dollars (\$18,000) to purchase a new Chipper for the Highway Department,

said appropriation to be funded by \$7,500 plus interest from the Chipper Capital Reserve fund, \$10,500 to be raised by general taxation.

(The Budget Committee recommends **\$18,000** and the Board of Selectmen support this recommendation.)

Article #15. To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000) for the purpose of constructing a Bathhouse at the Belmont Town Beach.

(The Board of Selectmen recommends **\$15,000** and the Budget Committee does not support this recommendation.)

Article #16. To see if the Town will vote to raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be placed in the Library Building Improvements Capital Reserve fund already established.

(The Budget Committee recommends **\$25,000** and the Board of Selectmen support this recommendation.)

Article #17. To see if the Town will vote to authorize the Selectmen to purchase the property located on Mill Street (Tax Map 122 Lot 006) owned by Public Service of New Hampshire and further to raise and appropriate the sum of ten thousand (\$10,000.00) for the purchase, said appropriation to be funded by the previously established Economic Development Non-Capital Reserve Fund.

(The Budget Committee recommends **\$10,000** and the Board of Selectmen support this recommendation.)

Article #18. To see if the Town will vote to deposit 100 percent of the revenues collected in accordance with RSA 79-A (Land Use Change Tax Penalties) in the conservation fund in accordance with RSA 36-A:5, III as authorized by RSA 79-A:25 IV.

(The Board of Selectmen recommends this article and the Budget Committee supports this recommendation.)

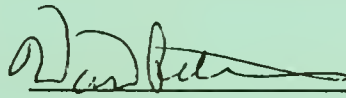

Article #19. To see if the Town will vote to establish three alternate member positions on the existing Belmont Conservation Commission in accordance with RSA 36-A:III. Initial terms for alternate members shall be one, two and three years, so arranged that the term of one alternate shall expire each year. Upon expiration of the initial term, successors shall be appointed for terms of three years each. Alternate members shall be appointed in the same manner as full members.

Article #20. To see if the Town will vote to completely discontinue as a Town road that portion of the Old Province Road which extends from the intersection with Route 107 at parcel 27 and or 28 on Tax Map 13 in a generally easterly and southerly direction up

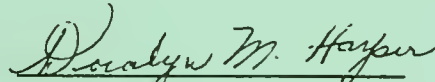

Marsh Hill, so-called, to a point at the southerly boundary of parcel 35 and at the end of the current traveled way of Hicks Road, providing to the Town sufficient right-of-way for drainage and maintenance of Hicks Road; and to further authorize and direct the Selectmen to take such action as may be necessary or appropriate to confirm and affirm this discontinuance pursuant to RSA 231:43 or other applicable law. (This article submitted by Petition.) (Please note that Tax Map 13 Lot 27 is now known as Map 204 Lot 32; Map 13 Lot 28 is now known as Map 204 Lot 33 and Map 13 Lot 35 is now known as Map 204 Lot 36.)

Article #21. To transact any other business that may legally come before the meeting.

Given under our hands and seal this the 7 th day of February in the year of our lord two thousand and one.

Ward Peterson, Chairman

Doralyn M. Harper

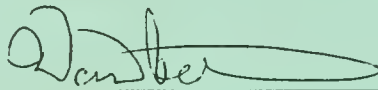

Reginald Caldwell, Vice-Chairman

Belmont Board of Selectmen

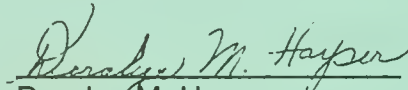

A True Copy of Warrant – Attest
Ward Peterson
Doralyn M. Harper
Reginald Caldwell

Belmont Board of Selectmen

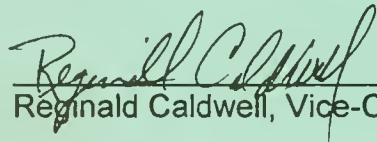

We hereby certify that on the 20th day February, 2001, we posted an attested copy of the within Warrant at the place of meeting named herein and posted a like copy at the Belmont Town Hall, the Belmont Post Office, the Lochmere Post Office and Sarge's Store, all being public places in said Town.

Ward Peterson, Chairman

Doralyn M. Harper

Reginald Caldwell, Vice-Chairman

Belmont Board of Selectmen

Report of the Trustees of the Cemeteries for 2000

This past two years has brought new life to one of our oldest cemeteries. As was reported here last year we were awarded a large sum of money from the Pardoe Foundation to restore the Prescott Cemetery. The work contracted for by these funds is completed.

Two head stones were replicated, and are a work of art. Another head stone was replaced and is a close copy of the original. Two headstones were reset and are now plumb. The entrance was relocated to ease maintenance and a picket gate was installed at this new entrance. The area has been seeded in late 2000 and we will see the results of this in the spring. There is a little more work to be done here and then it may look as good as it did over a 100 years ago.

We thank Laconia Monument, Abacromby's Lawn Care and Envirofab Inc. not just for their fine work but also for their help in the Prescott Cemetery and other cemeteries in Belmont.

Possibly you have seen the new fence at the Dow Cemetery at the corner of Province Rd. and Hoadley Rd. With the removal of the surrounding trees it was safe to spend the money to replace the dilapidated fence which stood there for many years.

After hearing from taxpayers the Budget Committee placed \$2000.00 in our '01 budget for the Perkins Rd. Cemetery. There is much work needed there and we have already spoken with two local companies to get work started.

It is possible that the Randlett Cemetery may have some beautification started this year as an Eagle Scout project.

Continuing thanks to Brenda Paquette for keeping we Trustees out of the hole in regard to our budget.

Respectfully submitted,

Bill Ekberg
Norma Patten
Judy Pilliod

BELMONT CIVIC PROFILE 2000

Belmont has accomplished many things in the last few years, building on the good works of earlier times. There has been a new Master Plan developed about every decade since the early 1970's.

Currently the town is working to develop a new Master Plan to guide the Town's progress for another few years. The Town Office, Selectmen and Town Planners have invited all citizens and organizations to take part. Please take time to get involved. It is important to share your ideas about what should be preserved, what needs fixing, and how to accommodate changing community needs.

The Civic Profile of 1995 was part of a planning process, coordinated by the UNH Cooperative Extension Service and the Office of State Planning. It identified issues that were important to the more than one hundred people who participated. Neighbors and fellow citizens have to make decisions while working on various Boards, Commissions and Committees. It is tough to make those decisions without your input. The 2001 effort to revise the Town Plan offers another process for effective communication and goal setting.

Issues identified in 1995, revised periodically, and evidenced frequently include: Communications, Image, Pride and Values, Leadership, Economic Development, Citizen Participation, and Youth Opportunities and Education.

Image, Pride and Values volunteers have recently renewed their commitment to ADOPT A HIGHWAY roadside clean-up. Those who join together for fun and community service are appreciated.

The Belmont Better Times published four issues of its town newsletter in 2000 and has scheduled the first issue of 2001 to be in all 03220 zip mail boxes before School and Town Meetings. Editors Steve and Jane Jesseman remind us that the more news you give us, the easier it is to have a publication that interests you. Special thanks to all who submit articles, advertise, share good news, look out for happenings at school, town and in the neighborhoods, as well as keyboard, edit, organize for mailing, and all the other chores involved in this volunteer effort. Telephone 524-5435 to report news or volunteer to help.

THANKS TO ALL FOR YOUR PARTICIPATION AND SUPPORT

Cathy Sweeney

Sue Roberts

BELMONT FIRE DEPARTMENT

Albert Akerstrom, *Chief* • Richard K. Siegel, *Deputy Chief*

December 31, 2000

The year 2000 was a very quiet year for Emergency Management for the Town of Belmont. During the year we have been working with the state to upgrade our Emergency Plan for the town and this should be finished sometime during the spring of 2001. Again as in the past years, we have been able to purchase many items through the State and Federal Surplus Program. Items were purchased for just about every department in town. We purchased over \$4,200.00 worth of items for \$1,043.00.

I would like to thank the Board of Selectmen, Budget Committee Members, Department Heads, Town Administrator and the Citizens of Belmont for their support.

Respectfully Submitted

Albert J. Akerstrom III
Fire Chief

Public Works Department

Annual Report 2000

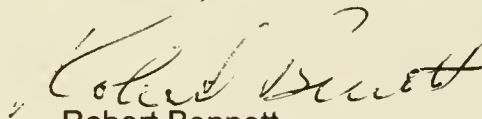

This has been a very busy year for the Public Works Department. We moved into our new facility on Hurricane Road and completed several road projects. Mile Hill Road, Dutile Road, and Middle Route were complete rebuilds, and Church Hill, Gale Street, High Street, Seavey Road and Concord Street were overlays. We finished the shoulders on Brown Hill and rebuilt the drainage on Mile Hill as well as installed many new culverts. We constructed a sander shed at the new facility and established a used oil recovery center.

The Department has several pieces of equipment including a Champion Grader, Ford Backhoe, Caterpillar Loader, three International Dump Trucks with snowplows, wings, and sanders, a L-8000 Ford Chassis with snowplow, wing and sander, a F-350 Ford one-ton with snowplow and a F-250 Ford pickup with snowplow.

Our goal in the winter is to provide safe travel as soon as possible following a storm with the proper use of antiicing and deicing chemicals following a strict regard for groundwater and roadside vegetation. Our goal in the summer is to protect the pavement we have in place by sealing it, and continuing to rebuild, recondition and reconstruct as many roads as funds allow.

I would like to thank the Town's people for their support this past year, the Selectmen for their cooperation, the Town Administrator; and most of all, the men who work for the Department, if it was not for them, we would be nowhere (thanks guys).

Respectfully Submitted,

Robert Bennett
Public Works Superintendent

Belmont Old Home Day

Belmont Old Home Day 2000 held on August 12th was a huge success! The theme was "Life's a Beach Party", commemorating the start-up of the new town beach on Lake Winnisquam. Honored were Steve Jesseman and the Beach Committee for their endeavors in bringing the dream of Belmont having its own beach to fruition.

Crowds thronged the Main Street and Library Lawn early, visiting the Pancake Breakfast and the many vendors and crafters, then lining the street to watch the Old Home Day Road Race and Fun Run.

Children's games and races were well attended and there was a long line of youngsters waiting for their turn at the Tractor Pull.

The Parade was magnificent; with many civic organizations and family groups submitting floats depicting their version of "Life's a Beach Party".

The afternoon hours were filled with many attractions, including the Horseshoe Competition, the Antique Tractor Show & Tell and the Belmont Fire Department Barbecue.

In the evening at Bryant Field there was music, contests, dancing, and rides on the RE-MAX hot air tethered balloon. Then Pete Poire and crew put on a fantastic fireworks show; in fact outdoing their previous performances with the best display of fireworks ever seen in this area!

This was a day to feel fortunate and proud to be a resident of the Town of Belmont and to see civic organizations, community businesses and leaders and neighborhood groups showing their pride in their community.

The Old Home Day Committee thanks Chairman Tony Brown and each and every volunteer that worked to make the day the success that it was. A big thank-you to Chief Nielsen and Belmont Police Department, Chief Akerstrom and Belmont Fire Department, the Providian Bank and the Town of Belmont.

We hope you will plan to attend Old Home Day 2001 on August 11th. We promise to keep trying to make it bigger and better! If any of you have a good idea or would like to help out, please give someone a call; we will welcome you with open arms. Meetings will be starting up in the near future.

Respectfully submitted,

Pat Crockett
Belmont Old Home Day Clerk

Report of the Sewer Commission

Again, 2000 proved to be a year without major expenses. Since the system has been in place since July of 1982, we do expect equipment breakdowns will begin within the next few years.

Engineering in the Silver Lake area has been completed for future expansion. When the construction of this line is complete, the water quality of Silver Lake and the rivers below it will improve and be protected for years to come.

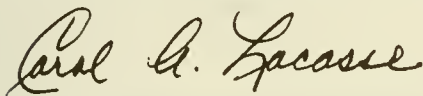

Respectfully submitted,

Richard A. Fournier, Chairman
Belmont Sewer Commission

2000 Summary of Lands in Current Use

Total Acres in Current Use	8,962.979
Total Acres Withdrawn in 2000	5.85
Total Parcels in Current Use	594

Notice to All Current Use Owners and New Applicants

2001

The Town of Belmont will be forwarding to each of you a copy of your Current Use categories as indicated in our Tax Assessment records during the upcoming year. As a result of the Revaluation and Tax Mapping projects, we have found that there may be discrepancies, which we need to address. Your cooperation in reviewing the information and notifying our office of any changes will be greatly appreciated. The Assessing Office is open Monday – Friday from 8:30 a.m. to 5:00 p.m.

We now have internet access for the Public. You are invited to come in and use the computers.

Audio books are very popular and we have them.

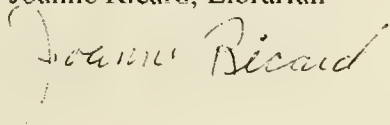

Many thanks to Trudy Brown and Sheila King for a very successful Story time this past summer.

A lot of new and interesting books have been purchased for you.

We still have inter-library loan, if we don't have a certain book that you want, we can get it from another Library.

Support your Library, it is really a very important part of your community.

Joanne Ricard, Librarian

It is once again a privilege to report to the people of this large Northern Council District 98 towns and four cities spread throughout Coos, Grafton, Carroll, Belknap, and Sullivan Counties.

The constitutional and statutory responsibilities of the Executive Council are within the Executive Branch of your New Hampshire State government. Our role is much like a board of directors of a large company. We are charged with carrying out the laws and budget passed by the New Hampshire House and Senate. The Governor and Council employ 294 Commissioners and Directors to administer over 100 departments and agencies to carry out the details of the laws and budget of your State government. The Council has an overall supervisory role in assisting citizens, business, agencies, towns, cities, and counties in effectively working with State government.

Preparing for the coming two-year term that I have been elected to as one of your public servants, I share with you the following ideas and requests:

- If anyone is interested in making a volunteer contribution of their time and talent on a Board or Commission through the appointment process of the Governor and Council, please contact my office or Kathy Goode, Council Liaison, Governor's Office, State House, Concord, NH 03301, Tel. 271-2121, and ask for the appointment list for 2001. As your Councilor, I am always looking for people to serve on a multitude of Boards and Commissions in your State government.
- The Governor's Advisory Commission on Intermodal Transportation (five Executive Councilors and the Commissioner of Transportation) will be holding hearings around the State on citizen and regional planning commission recommendations for improving our highway system throughout New Hampshire. If you have suggestions on a needed improvement, please send them

to your regional planning commission or to my office soon so they may be given consideration.

- The Regional Health Planning District Councils continue to meet and consider major changes in the health maintenance system for citizens both at the local and state levels. Anyone wishing to serve on your region's District Health Council should contact my office or Lori Real, Director of Planning Research at NH Health and Human Services Department, Tel. 271-4235..
- As one of your elected officials, I would urge your town and region to be in constant contact with our New Hampshire Congressional Delegation to let them know of your ideas, concerns and desires. I am interested in promoting projects to send to Senators Smith and Gregg and Congressmen Sununu and Bass. They are effective in their committee assignments and should always have a list from back home in New Hampshire to advance in our nation's Capitol.
- I recommend use of the NH Webster System. It is the official state locator for your New Hampshire State Government at <http://www.state.state.nh.us>. A complete directory of phone numbers and addresses of all state agencies is listed for your convenience. Utilize your local Town/City Library to access the Webster System which is administered and maintained by the New Hampshire State Library.
- My office has available a handy 800 toll-free phone card of organizations for rural areas.
- Always know my office is at your service. Contact me anytime!

INDEPENDENT AUDITOR'S REPORT

To the Board
Town of Belmont
Belmont, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Belmont as of and for the year ended December 31, 1999, as listed in the table of contents. These general-purpose financial statements are the responsibility of the Town of Belmont's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amounts that should be recorded in the General Fixed Assets Account Group are not known.

In our opinion, except for the effect on the general-purpose financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Belmont as of December 31, 1999, and the results of its operations and the cash flows of its proprietary funds and non-expendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was performed for the purpose of forming an opinion on the general-purpose financial statements of the Town of Belmont, taken as of whole. The accompanying individual and combining fund statements and schedules are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, are fairly stated, in all material respects, in relation to the general-purpose financial statements taken as a whole.

TOWN OF BELMONT
NOTES TO FINANCIAL STATEMENTS
December 31, 1999

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Town of Belmont (hereinafter referred to as the "Town" or "Government") have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to government units, except as disclosed. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the GASB's generally accepted accounting principles applicable to the Town, and the Town's conformity with such principles, are described below. These disclosures are an integral part of the Town's financial statements.

A. THE REPORTING ENTITY

The Town of Belmont is a *local government* governed by an elected Board of Selectmen. As required by GAAP, specifically *Statement #14 of the Governmental Accounting Standards Board, "The Financial Reporting Entity,"* these financial statements are required to present the Town of Belmont and its "*component units*" (if any). A *primary government* is defined by the GASB as any state government or general-purpose local government. Additionally, a primary government may also consist of a special-purpose government (such as a school district) that meets all of the following criteria: (a) it has a *separately elected governing body*; (b) it is *legally separate*; and (c) it is *fiscally independent* of other governments.

A *component unit* is defined by the GASB as a legally separate organization for which *the elected officials of the primary government are "financially accountable."* The primary government is financially accountable if it appoints a voting majority of the organization's governing body *and* (1) it is *able to impose its will* on that organization *or* (2) there is a potential for the organization to provide *specific financial benefits to, or impose specific financial burdens on,* the primary government. A primary government may also be financially accountable if an organization is *"fiscally dependent"* on the primary government. *Fiscal independency* is defined by the GASB as the ability to complete certain *essential fiscal events without substantive approval by a primary government*; (a) determine its budget without another government's having the authority to approve and modify that budget, (b) levy taxes or set rates or charges without approval by another government, and (c) issue bonded debt without approval by another government. *Based upon the application of these criteria, the following is a brief review of each potential component unit addressed in defining the Town's reporting entity.*

SHAKER REGIONAL SCHOOL DISTRICT. The District is excluded from the Town's reporting entity. The District is not a component unit of the Town since the District *meets the specific GASB #14 definition of a "special-purpose" local government*

FIRE AND POLICE "AUXILIARIES " Any auxiliary non-profit organization or activity is excluded from the Town's reporting entity. Auxiliaries are not component units of Towns since (a) the Town's elected officials are *not financially accountable* for them and (b) they are *not fiscally dependent* on the Town.

RELATED ORGANIZATIONS. A related organization is an organization for which the Town is accountable because it appoints a voting majority of the board, but is not financially accountable. In such circumstances accountability flows from the notion that individuals are obliged to account for their acts, including the acts of the officials they appoint; sometimes, however, appointments are not substantive and others may have oversight responsibility for those officials after appointment. *The Town has no reportable related organizations.*

JOINT VENTURES. A joint venture is a legal entity or other organization that results from a contractual arrangement and that is owned, operated and governed by two or more participants as a separate and specific activity subject to joint control, in which the participants retain (a) an *ongoing financial interest* or (b) an *ongoing financial responsibility.*

JOINTLY GOVERNED ORGANIZATIONS. The State of New Hampshire provides for the creation of regional multi-governmental arrangements that are governed by representatives from each of the governments that create the organization. Although these organizations may appear similar to joint ventures - in that they provide goods and services to the citizenry of two or more governments - they do not meet the definition of a joint venture because there is no ongoing financial interest or responsibility by the participating governments. *The Town has no jointly governed organizations to disclose in accordance with GASB #14.*

TOWN OF BELMONT
NOTES TO FINANCIAL STATEMENTS
December 31, 1999

B. BASIS OF PRESENTATION - FUND ACCOUNTING

The accounts of the Town are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The Town has created several types of funds and a number of discrete funds within each fund type. Each fund is accounted for by a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, expenditures/expenses. The individual funds account for the governmental resources allocated to them for the purpose of carrying on specific activities in accordance with laws, regulations, or other restrictions. *Funds are classified into three broad fund categories: Governmental, Proprietary and Fiduciary funds. Each fund category, in turn, is further divided into separate fund types described as follows:*

Governmental Funds

Governmental funds are used to account for most of a government's programs and activities, including the collection and disbursement of earmarked monies (*special revenue funds*), and the acquisition or construction of general fixed assets (*capital projects funds*) or the accumulation of resources for the payment of principal and interest (*debt service funds*). The general fund is used to account for all activities of the government not accounted for in some other fund. The presentation format of the general-purpose financial statements includes all governmental fund types; funds with account balances or transaction activity for the year ended December 31, 1999 are clearly identifiable.

Proprietary Funds

Proprietary funds are used to account for activities *similar to those found in the private sector*, where the determination of net income is necessary or useful to sound financial administration. Goods or services from such activities can be provided either to outside parties (*enterprise funds*) or to other departments or agencies primarily within the Town (*internal service funds*). The Town had Water and Sewer proprietary funds to report on for the year ended December 31, 1999.

Fiduciary Funds

Fiduciary funds are used to account for the *assets held on behalf of outside parties, including other governments, or on behalf of other funds within a government*. When these assets are held under the terms of a formal trust agreement, either a nonexpendable trust fund or expendable trust fund is used. The terms "*nonexpendable*" and "*expendable*" refer to whether or not a government is under an obligation to maintain the trust principal. Agency funds generally are used to account for assets that the government holds on behalf of others. The Town generally reports agency, nonexpendable and expendable trust funds.

Account Groups

General fixed assets are not capitalized in the funds used to acquire or construct them. *Instead, GAAP requires that capital acquisition and construction are reflected as expenditures in the governmental funds, and the related assets are to be reported in the General Fixed Assets Account Group.*

All *purchased fixed assets* are to be valued at cost where historical records are available and at an estimated historical cost where no historical records exist

Donated fixed assets are to be valued at their estimated fair market value on the date received.

Public domain ("infrastructure") general fixed assets consisting of parking lots, walkways, curbs and gutters, drainage systems and lighting systems are not required to be capitalized, as these assets are immovable and of value only to a government.

Assets that should be reported in the general fixed assets account group are not depreciated.

The Town does not maintain a record of its general fixed assets and accordingly, a General Fixed Assets Account Group, required by Generally Accepted Accounting Principles (GAAP), is not included in these financial statements.

Long-Term debt is recognized as a liability of a governmental fund primarily when due. For other long-term obligations, including compensated absences, only that portion *expected to be financed from expendable available financial resources* is reported as a fund liability of a governmental fund. The remaining portion of such debt and other obligations are reported in the General Long-Term Debt Account Group.

The General Fixed Asset and Long-Term Debt Account Groups are not "funds." They are concerned only with the measurement of financial position and not with results of operations.

TOWN OF BELMONT
NOTES TO FINANCIAL STATEMENTS
December 31, 1999

C. BASIS OF ACCOUNTING

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. *All governmental funds and expendable trust funds are accounted for using a current financial resources measurement focus.* With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

All proprietary funds and nonexpendable trust funds are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the balance sheet. *Fund equity* (i.e., net total assets) is segregated into contributed capital and retained earnings components. Proprietary fund-type operating statements present increases (e.g., revenues) and decreases (e.g., expenses) in net total assets.

The modified accrual basis of accounting is used by all governmental fund types, expendable trust funds and agency funds. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Miscellaneous fees and revenues are recorded as revenues when received in cash. Investment earnings are recorded when earned (when they are measurable and available). *Expenditures are recognized in the accounting period in which the fund liability is incurred*, if measurable, except principal and interest on debt service and other long-term obligations, which are recognized when due to be paid.

The accrual basis of accounting is utilized by proprietary fund types and nonexpendable trust funds. Under this method, revenues are recorded when earned and expenses are recorded when incurred.

The Town may report *deferred revenue* on its combined balance sheet when a *potential revenue does not meet both the "measurable" and "available" criteria for recognition in the current period or when resources are received by the government before it has a legal claim to them (such as grant monies)*. In subsequent periods, when both revenue recognition criteria are met, or when the Town has a legal claim to the resources, the liability for deferred revenue is removed from the combined balance sheet and revenue is recognized.

D. BUDGETS

Governmental revenues and expenditures are controlled by a formal integrated budgetary system which is substantially consistent with both Generally Accepted Accounting Principles (GAAP) and applicable State finance-related laws and regulations which govern the Town's operations. *The Town budget is voted on at the Annual Town meeting. During the year, appropriations may be transferred between line items, but total expenditures may not exceed the total approved budget (with the exception of emergency items which require approval by the New Hampshire Department of Revenue Administration under RSA 32). At year end, all unencumbered "annual" appropriations lapse. Other appropriations which have a "longer than annual" authority (such as special warrant; grant or capital related activities) may carry over at year end if the governing body intends to continue or complete the special purpose for which the funds were established.* The New Hampshire Department of Revenue Administration utilizes the adopted Town budget, and other county, school district and (sometimes) precinct tax assessment information, to calculate, determine and establish the annual tax rate of the Town. *State legislation also requires balanced budgets and, in most cases, the use of the beginning General Fund unreserved fund balance to reduce the amount of taxes to be raised. For the Town fiscal year ended December 31, 1999, \$55,000 in beginning General Fund Unreserved fund balances was used to reduce taxes.*

TOWN OF BELMONT
NOTES TO FINANCIAL STATEMENTS
December 31, 1999

E. ENCUMBRANCES

Encumbrances accounting is utilized in the governmental funds to account for commitments relating to unperformed contracts for goods and services. *Encumbrances outstanding at year end are reported as reservations of fund balance and do not constitute expenditures or liabilities of the governmental fund, but are carried forward to supplement appropriations of the succeeding year.*

F. CASH, CASH EQUIVALENTS AND INVESTMENTS

Cash and equivalent accounts include amounts in demand and savings account deposits as well as short-term investments (such as certificates of deposits) with a maturity date within three months of the date acquired by the Town. Investments, if any, are stated at cost (for equity instruments) or amortized cost (for debt instruments).

G. DUE TO AND DUE FROM OTHER FUNDS

Interfund receivables and payables arise from interfund transactions and are recorded by all funds affected in the period in which the transactions are executed. *Quasi-external transactions* are accounted for as revenues, expenditures or expenses. Transactions that constitute *reimbursements* to a fund are recorded as expenditures/expenses in the reimbursing fund and as reductions of expenditures/expenses in the fund that is reimbursed. Nonrecurring or permanent transfers of equity are reported as *residual equity transfers*. All other interfund transfers are reported as *operating transfers*. *Individual interfund balances at December 31, 1999 were as follows:*

FUND	<u>Due From</u>	<u>Due To</u>
General Fund	\$ 177,318	\$ -
Special Revenue Funds	-	6,186
Proprietary Funds	-	34,110
Trust and Agency Funds	-	137,022
	<u>\$ 177,318</u>	<u>\$ 177,318</u>

H. INVENTORIES

Inventories are accounted for utilizing the *purchase method*. Under this method, *inventories are recorded as expenditures when purchased*. When inventory amounts are material (significant) at year end they are to be reported as assets of the respective fund and are to be equally offset by a fund balance reserve.

TOWN OF BELMONT
NOTES TO FINANCIAL STATEMENTS
December 31, 1999

I. FIXED ASSETS

Fixed assets and accumulated depreciation of the Water and Sewer Enterprise Funds of the Town of Belmont were as follows:

	<u>Enterprise Funds</u>		<u>Total</u>
	<u>Water</u>	<u>Sewer</u>	
Land	\$ -	\$ 15,009	\$ 15,009
Infrastructure	963,549	4,886,944	5,850,493
Moveable Equipment	<u>24,213</u>	<u>9,727</u>	<u>33,940</u>
	987,762	4,911,680	5,899,442
Less: Accumulated Depreciation	<u>424,664</u>	<u>1,478,032</u>	<u>1,902,696</u>
	<u>\$ 563,098</u>	<u>\$ 3,433,648</u>	<u>\$ 3,996,746</u>

Fixed assets of the Water and Sewer Enterprise Funds, Proprietary Fund Types, are valued at cost. Depreciation has been provided over the estimated useful lives using the straight-line method. Depreciation expense for the year ended December 31, 1999 was \$114,038. The estimated useful lives used are 4 - 5 years for moveable equipment and 40 - 75 years for infrastructure.

J. LONG-TERM OBLIGATIONS

Long-Term obligations of the Town are reported in the *General Long-Term Debt Account Group*. Expenditures for debt service and other long-term obligations (including compensated absences) are recorded when they are due, or when they are expected to be liquidated with the expendable available financial resources of a governmental fund.

TOWN OF BELMONT
NOTES TO FINANCIAL STATEMENTS
December 31, 1999

K. COMPENSATED ABSENCES

Town employees are sometimes entitled to certain *compensated absences* based, in part, on their length of employment. In accordance with *GASB Statement #16, "Accounting for Compensated Absences*, *compensated absences that are expected to be liquidated with expendable available financial resources are reported as an expenditure and a fund liability of the governmental fund that will pay it. Amounts of such compensated absences that are not expected to be liquidated with expendable available financial resources are reported in the general long-term debt account group (and no fund liability or expenditure is reported for these amounts).*

The *calculation of compensated absences can include (a) vacation leave* that is attributable to past service in which it is probable that the Town will compensate the employee through paid time off or cash payment at termination or retirement, and (b) *vested sick leave* in which it is probable that the Town will compensate the employee through cash payment conditioned on the employee's termination or retirement calculated under the "vesting method." The *calculation also includes the incremental cost of any item associated with compensation payments such as the employer share of social security, Medicare and retirement.*

L. FUND EQUITY

For *governmental funds: the unreserved fund balances* represent the amount available for budgeting future operations; the *reserved fund balances* represent the amounts that have been legally identified for specific purposes and are not appropriable for expenditure; and the *designated fund balances* represent tentative plans for future use of financial resources. For *governmental and other funds*, equities *can be reserved for endowments* (the principal balances of nonexpendable trust funds plus any unspent income balances), *reserved for encumbrances* (commitments relating to unperformed contracts for goods and services), *reserved for continuing appropriation* (commitments relating to unperformed non-lapsing appropriations) or *reserved for inventory* (recorded at year end, if material, under the purchase method) or *prepaids*.

M. MEMORANDUM ONLY - TOTAL COLUMNS

The combined general-purpose financial statements include total columns that are described as memorandum only. Data in these columns do not present financial position, results of operations or cash flows in conformity with generally accepted accounting principles. Interfund transactions have not been eliminated from the total column of each financial statement.

TOWN OF BELMONT
NOTES TO FINANCIAL STATEMENTS
December 31, 1999

2. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Legal Debt Limit

Per state statute, *the Town may not incur debt at any one time in excess of 1.75% of its locally assessed valuation (as last equalized by the Commissioner of the New Hampshire Department of Revenue Administration)*. As of December 31, 1999, the Town had a *net equalized valuation* of \$278,831,915, and a legal debt limit of \$4,879,559. *For the year ended December 31, 1999, the Town had not exceeded its legal debt limit.*

Deposits and Investments

The Town Treasurer is authorized by State statutes to invest *excess funds*, with the approval of the Selectmen, in

- *obligations of the United States Government,*
- *savings bank deposits of banks incorporated under the laws of the State of New Hampshire,*
- *certificates of deposit of banks incorporated under the laws of the State of New Hampshire or in national banks located within the states of New Hampshire or Massachusetts, or,*
- *"participation units" of the New Hampshire Public Deposit Investment Pool established under RSA 383:22.*

The receiver of such public funds to be deposited or to be invested in securities shall, "prior to acceptance of such funds," provide a collateralization option (represented by exclusively segregated securities defined by the Bank Commissioner as qualifying under RSA 386:57) for such funds in an amount "at least equal to" the amount to be deposited or invested in securities.

For the year ended December 31, 1999, the Town was in compliance with these applicable deposit and investment state laws and regulations.

Risk Management

The Town is exposed to various *risks of loss* related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. *The Town purchases commercial insurance coverage for all general insurance risks, property liability risks and for the protection of assets and workers compensation. Settled claims, if any, have not exceeded the Town's coverage in any of the past three fiscal years.*

Claims, Judgments and Contingent Liabilities

Grants

Amounts received are subject in later years to review and adjustment by grantor agencies, principally the federal and state governments. At such time, any disallowed claims, including amounts already collected, may constitute a liability of the Town and the applicable funds. *At December 31, 1999, the Town believes that disallowed expenditures, if any, based on subsequent review will not have a material effect on any of the individual funds or the overall financial position of the Town.*

TOWN OF BELMONT
NOTES TO FINANCIAL STATEMENTS
December 31, 1999

3. CASH AND INVESTMENTS

Deposits. At December 31, 1999, the *carrying amounts* and *bank balances* with financial institutions of the Town's cash deposits are categorized by "credit risk" as follows:

Category 1 Deposits that are insured by the Federal Deposit Insurance Corporation (FDIC) or collateralized by securities held by the Town (or its agent) in the Town's name.

Category 2 Deposits that are uninsured and collateralized by securities that are held by the pledging institution's trust department (or agent) in the Town's name.

Category 3 Deposits that are uninsured and uncollateralized or collateralized by securities that are held by the pledging institution's trust department (or agent) but not in the Town's name.

	Category			Carrying Amount	Bank Balance
	1	2	3		
General Fund	\$ 2,468,993	\$ -	\$ -	\$ 2,244,155	\$ 2,468,993
Special Revenue Funds	119,064	-	22,744	142,689	141,808
Proprietary Funds	1,010,846	-	4,748	1,013,945	1,015,594
Trust and Agency Funds	42,285	-	-	40,328	42,285
	\$ 3,641,188	\$ -	\$ 27,492	\$ 3,441,117	\$ 3,668,680

Investments. *Investments* made by the Town, including "repurchase agreements," if any, are summarized below. The investments that are represented by specific identifiable investment securities are classified as to "credit risk" by the three categories described below.

Category 1 Investments that are insured or registered, or securities held by the Town (or its agent) in the Town's name.

Category 2 Investments that are uninsured and unregistered, with securities that are held by the counterparty's trust department (or agent) in the Town's name.

Category 3 Investments that are uninsured and unregistered, with securities that are held by the counterparty, or by its trust department (or agent) but not in the Town's name.

4. LONG-TERM DEBT

General Obligation Debt

The Town can issue general obligation debt instruments to provide funds for the acquisition and construction of major capital equipment, infrastructure and other facilities. *General obligation debt instruments are "direct government obligations" and consequently are a pledge of the full faith and credit of the Town.* General obligation debt instruments currently outstanding, are as follows:

	Interest Rates	Principal Balance
Long-Term Debt Account Group		
1988 - \$215,000 Mill Renovation Bond	5.23%	\$ 193,500
1999 - \$160,000 Town Beach Bond	5.33%	160,000
1999 - \$150,000 Highway Garage Bond	5.33%	150,000
		-
Long-Term Debt Account Group Subtotal		\$ 503,500
Sewer Proprietary Fund		
1984 - \$1,030,000 Village Sewer Bond	Var	\$ 275,000
		-
Sewer Enterprise Fund Subtotal		\$ 275,000
Total General Obligation Long-Term Debt		\$ 778,500

Annual debt service requirements to maturity for general obligation debt are as follows:

Fiscal Year	Principal	Interest	Total
2000	\$ 107,500	\$ 49,891	\$ 157,391
2001	107,500	41,553	149,053
2002	107,500	34,685	142,185
2003	107,500	26,385	133,885
2004	107,500	18,256	125,756
After	241,000	36,030	277,030
	\$ 778,500	\$ 206,800	\$ 985,300

Changes in Long-Term Liabilities

During the year ended December 31, 1999, the following changes occurred in liabilities reported in the General Long-Term Debt Account Group:

	1/1/99	Additions	Reductions	12/31/99
General Obligation Debt	\$ 215,000	\$ 310,000	\$ 21,500	\$ 503,500
Compensated Absences	\$ 20,930	\$ -	\$ 478	\$ 20,452

TOWN OF BELMONT
NOTES TO FINANCIAL STATEMENTS
December 31, 1999

5. PROPERTY TAXES

Property Tax Calendar

The Town is responsible for assessing, collecting and distributing property taxes in accordance with state legislation. The property tax year is from April 1 - March 31. Unpaid property taxes may be liened (following statutory notification and procedural guidelines) as soon as 30-days after the final bill (or installment) is due. Unpaid taxes are assessed interest at a rate of 12% up to the "lien date," at which time the rate increases to 18 %. Two years from the execution of the real estate tax lien the Tax Collector may execute to the lienholder a "deed" of the property subject to the real estate tax lien and not redeemed (paid).

Property Taxes Receivable

Property taxes receivable at December 31, 1999 consist of the following:

Property Taxes Uncollected	\$ 591,564
Property Taxes Unredeemed	550,931
Other Property Related Taxes	<u>3,878</u>
	\$ 1,146,373
Less: Allowance for Doubtful Accounts	<u>10,000</u>
Property Taxes Receivable, Net	<u><u>\$ 1,136,373</u></u>

Revenue Recognition

The Town recognizes property tax revenues when they are levied (i.e., after a warrant for collection is committed to the Tax Collector by the Board of Selectmen). This is a GAAP departure (from *GASB Statement #1* generally, and specifically *NCGA Interpretation -3 "Revenue Recognition - Property Taxes"*). Under GAAP, certain disclosures are required of property tax revenues that are not received during the period, or within 60-days thereafter, that are recognized as receivables without a corresponding reserve. The Town believes that this application of GAAP to its property tax revenues would result in misleading financial statements since such GAAP application would reduce fund balance by the amount of uncollected property taxes; concurrent with a GAAP requirement to record an expenditure (and payable) for the amount due to the local education authority (such amount based solely on a share of the uncollected property taxes). This GAAP departure as applied to New Hampshire town was addressed by the GASB in 1984. The GASB, in responding to an inquiry on this matter, provided justification for the departure from the 60-day rule due to the unique legislation in the State of New Hampshire regarding the Town's responsibility for (and expenditure recognition of) intergovernmental payments to the local education authority (school district). This justification has been reviewed and accepted by the New Hampshire Department of Revenue Administration (which requires GAAP-based regulatory reporting) and has been established as a widely prevalent practice followed by most New Hampshire towns.

TOWN OF BELMONT
NOTES TO FINANCIAL STATEMENTS
December 31, 1999

6. PENSION PLAN

Plan Description. The Town contributes to the New Hampshire Retirement System (NHRS), a cost-sharing multiple-employer defined benefit pension plan administered by the NHRS Board of Trustees. The plan provides service, disability, death and vested retirement allowances to plan members and beneficiaries. Benefit provisions are established and may be amended by the New Hampshire State legislature. The NHRS issues a publicly available financial report that includes financial statements and required supplementary information for NHRS. That report may be obtained by writing to New Hampshire Retirement System, 4 Chenell Drive, Concord, New Hampshire 03301.

Funding Policy. Plan members are required to contribute 5.0% of their covered salary and the Town is required to contribute at an actuarially determined rate. The Town's contribution rates for the year ended December 31, 1999 were 3.14% for Group I Employees, 2.48% for Group II Policemen, and 4.87% for Group II Firemen, as applicable. The Town contributes 65% of the employer cost for police and firemen employed by the Town and the State contributes the remaining 35% of the employer cost. The Town contributes 100% of the employer cost for general employees of the Town (if applicable).

Per RSA-100:16, plan member contribution rates are established and may be amended by the New Hampshire State legislature and employer contribution rates are determined by the NHRS Board of Trustees based on an actuarial valuation. The Town's contributions to the NHRS for the years ending December 31, 1999, 1998, and 1997 were \$55,196, \$44,227, and \$37,056, respectively, equal to the required contributions for each year.
