Selectmen's Report

1999 was a mixed year. The impact of the new State Property Tax was very disappointing. The imposition of that tax in its entirety rather than over 5 years was frustrating. We spent a lot of time in Concord, along with your elected Representatives to oppose that tax or, at least, minimize its impact. As you realize, the Supreme Court ruled that the "phase in" component was unconstitutional. What the long term of this state tax means is very unclear. It will, in our opinion, be self defeating in the long run. As that state rate increases, more communities will become "donor" communities and other "receiving" communities will get fewer dollars. The leadership in Concord failed basic economics.

Nevertheless, the municipal budget finished "in the black" and the new school opened for its first year of operation (See the Village District Report). The flood damage of 1998 to the Town roads was repaired. We also were able to pave the steep section of Dick Brown Road and repave the north section of Whittemore Point Road. All the culverts were upgraded to larger diameter to accommodate greater storm run off. We also finished repairs associated from the 1998 ice storm, cleaned up the roadsides and fixed the Class VI roads to act as emergency lanes for forest fire protection. In retrospect, we were fortunate to come out of those events in such good shape given the severity of the storms. We spent close to \$ 1,000,000 to repair that damage and ended up with the municipal rate dropping in those two years and better roads as a result!

The Y2K issue was a non event for most. We had to replace most hardware and upgrade our software to avoid that problem. Most of our "stuff" was quite old and was need of upgrading. We had the usual hassles associated with upgrading, but no serious issues.

We are proposing a modest budget for your review. The Town is in excellent financial shape. Debt is low. Most of our debt will be paid off between 2003 and 2005. That includes the bond issue for the new school building and a fire truck. We are proposing to purchase a new plow truck for the highway department with a sander body and plow. The current truck is a 1982 model and in excess of 200,000 miles. It will become a "summer truck" and semi retired. We are also recommending to erect a metal storage build, rebuild the existing salt shed, and replace the garage doors on the highway and fire department buildings with new fiberglass insulated doors.

This summer, we will use the TRA road funds to seal the balance of Whittemore Point Rd, Pine St., Scott Drive, Kingwood Lane, Meadowbrook Rd, Alpine Rd, Foxtail and part of Dick Brown Road. Any remaining funds will be used to prepare the gravel section of Dick Brown Road to Poole Hill for paving in the near future. That would include paving to the bridge on John Smith Hill Rd. (Assuming no natural calamities occur to drain the budget)

This summer, we will start an update of all property assessments. It will be done on a part time basis and take the next 3 summers to complete. All towns will be forced by the State to revisit their assessments given the nature of the State Property Tax. The current system of valuations varies greatly from community to community. The State is rushing to patch this mess. This is because many donor communities have challenged the State property tax on its methods. (We are one of those communities challenging the State Property Tax) We announced two years ago that we should plan for this update. It has been ten years since the last revaluation. Our assessments are in good shape and this approach will improve them. This will save a lot of costs. It will cost \$15,000 per year. For comparison, the 1988 reassessment cost \$65,000. An outside independent assessor will conduct this update. **As before, you will have the opportunity to review any changes with the assessor before they are implemented.** The assessor will be visiting your property this summer. Your cooperation will be greatly appreciated.

We have increased the budget for the Incinerator District by \$10,000. The State regulatory agencies are passing new rules that will force us to modify the facility. Bridgewater and Hebron are setting a capital reserve to raise \$100,000 to upgrade this facility over the next few years.

A “pet gripe” of most cities and towns is the increasing regulatory burden passed by the State. Well meaning legislators pass laws intended to improve things. By the time the “administrative” rules are written, the net effect is that the costs are borne by the local communities and paid by the local property tax. Very seldom does the State send money to offset the added costs. Likewise, added standards by Police Standard, Fire Standards and other agencies are designed for full time, large city departments. What is necessary in Manchester probably is overkill in small communities like ours!

There are two zoning amendments for your consideration. One is a clarification from last year which proposes to reduce the size of the Commercial Zone on RT. 3A. The other deals with lots which may be divide by a zoning boundary and how to deal with that type of lot. These are recommended by the Planning Board.

We have a new Road Agent!. As many may know, Don Atwood has left to take a position as Director of Public Works in New Hampton. Lawrence (Larry) Gilpatric has taken his place and brings to the job a great deal of experience. He and his wife Sandy live in Town on River Road. He is has been a member of the Fire Department for many years and is the Forest Fire Warden. We are pleased to welcome Larry to the Bridgewater Team.

Thank you all for your support,

Terence Murphy

Maurice Jenness Jr.

Henry Woolner

Selectmen

TOWN WARRANT
STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF BRIDGEWATER IN THE COUNTY OF GRAFTON
IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Town Hall in said Bridgewater on Tuesday, the fourteenth day
of March, 2000 next at twelve of the clock in the noon to act on the following subjects:

Polls to be opened from 12 Noon to 6:00 p.m.

1. To choose a Selectmen for three (3) years and all other necessary town officials.
2. To see if the Town will vote to raise and appropriate the sum of \$601,669 which represents the operational budget. Said sum does not include warrant articles. (Majority vote required.)
3. To see if the Town will vote to appropriate the sum of \$35,000 for capital improvements to erect a building, refurbish garage doors and to authorize the issuance of not more than \$35,000 of note for not more than 5 years in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue and negotiate such notes or bonds to determine the rate of interest thereon. (2/3 ballot vote required.) Recommended by the Selectmen.
4. To see if the Town will vote to appropriate the sum of \$78,000 for the purchase of a highway truck, plow and sander body, and to authorize the issuance of not more than \$78,000 of notes for not more than 5 years in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue and negotiate such notes or bonds to determine the rate of interest thereon. (2/3 ballot vote required.) Recommended by the Selectmen.
5. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purchase of new high band radios for the fire department and to authorize the issuance of notes for not more than 5 years in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue and negotiate such notes or bonds to determine the rate of interest thereon. (2/3 ballot vote required.) Recommended by the Selectmen.
6. To see if the Town will vote to appropriate the sum of \$2,500 for capital improvements to the cemeteries and to authorize the Trustees of the Trust Funds to transfer \$2,500 from the trust fund to the general fund for such improvement. Recommended by the Selectmen.
7. To see if the Town will vote to authorize the Selectmen to convey to Bridgewater-Hebron Village District for use for public school purposes, for no consideration, a certain parcel of land consisting of 1 acre, more or less, on Route 3A, being Lot 1 Map #0111-0001-0000 on a plan entitled "Subdivision for Arthur T. King" and recorded at the Grafton County Registry of Deeds in Book #2320. Said parcel was donated to the town by Arthur and Ruth King and under the terms of their deed to the town the land will revert to the town if ever ceases to be used for school purposes. Recommended by the Selectmen.

8. Resolution: Be it resolved that New Hampshire's natural, cultural and historic resources throughout the state and particularly those in the town of Bridgewater as:

The Old Town House
Sawhegenit Falls
Pemigewasset River
Fuller's Mill at Clay Brook
Bridgewater Hill School

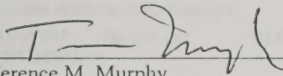

Town Forest
Newfound Lake
Old Home Cemetery
Webster Cave
Emerson Cemetery

State Coach Road
Dick Brown Pond Road
River Road School
Pasquaney Inn
Webster Tavern

are worthy of protection and, therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources. Recommended by the Conservation Commission.

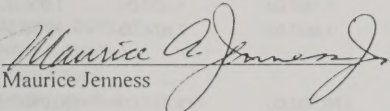

9. To transact any other business that may legally come before the meeting.

Given under our hand and seals, this 21st day of February in the year of our Lord two thousand.

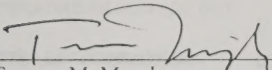

Terence M. Murphy

Henry Woolner

Selectmen
of
Bridgewater

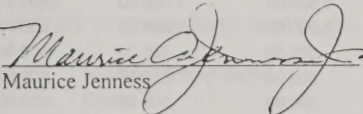

Maurice Jenness

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Bridgewater
Bridgewater, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Bridgewater as of and for the year ended December 31, 1999 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Bridgewater has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Bridgewater, as of December 31, 1999, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

The Unaudited Supplementary Information on page 19 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and do not express an opinion on it. In addition, we do not provide assurance that the Town of Bridgewater is or will become year 2000 compliant, the Town of Bridgewater's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Town of Bridgewater does business are or will become year 2000 compliant.

*Town of Bridgewater
Independent Auditor's Report*

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Bridgewater taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Bridgewater. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

TOWN OF BRIDGEWATER, NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1999

As prescribed by law, within 18 months of the date assessed, the Tax Collector places a lien on properties for all uncollected property taxes. The lien on these properties has priority over other liens and accrues interest at 18% per annum. If property is not redeemed within the 2-year redemption period, the property is tax-deeded to the Town. During the current fiscal year, the Tax Collector placed a lien on April 16 for all uncollected 1998 property taxes.

Taxes receivable at December 31, 1999, are as follows:

<u>Property Taxes</u>	
Levy of 1999	\$ 226,005
<u>Unredeemed Taxes (under tax lien)</u>	
Levy of 1998	12,099
Levy of 1997	9,121
Levy of 1996	812
Levy of Prior Years	879
Yield Taxes	532
Less: Allowance for estimated uncollectible taxes	<u>(2,000)</u>
 <u>Net Taxes Receivable</u>	 <u>\$ 247,448</u>

D. Other Receivables

Receivables as of December 31, 1999, are comprised of intergovernmental receivable of \$21,033 in the general fund.

E. Interfund Receivables/Payables

Individual fund interfund receivable and payable balances at December 31, 1999 are as follows:

	<u>Interfund Receivable</u>	<u>Interfund Payable</u>
General Fund	\$	\$ 935,174
<u>Agency Fund</u>		
Property Tax	<u>935,174</u>	<u> </u>
 <u>Totals</u>	 <u>\$ 935,174</u>	 <u>\$ 935,174</u>

Pauline E. Havens, Treasurer

POLICE DEPARTMENT

During 1999 the Bridgewater Police Department was several changes in personnel. In March, 1999, Chief Gickas resigned his position and became a part-time officer. As many of you already know, the position was filled by myself. In June, 1999, Officer Gilmore resigned, after he was elected Chief of Police in Alexandria. In September, 1999, Officer Craig Campbell joined our Department. Officer Campbell has previously been employed by the Barrington Police Department as a full-time officer. He has attended and completed the NH Police Academy.

Crimes against persons were low for 1999, with only one assault reported. Burglaries also continue to be low. There were no traffic accidents reported involving death or serious injury. The most reported problems this year seemed to be thefts, vandalism and dog complaints.

The people are our eyes and ears. If you see something that you think should be looked into please call us.

Emergency	911
Urgent but non-emergency	1-800-564-6911
Non urgent	744-6745

I would like to thank those of you who took the time to introduce yourselves to me over the last year and the many of you that helped me in one way or another. Thank you for your continued support.

Respectfully submitted,

George W. Hill
Chief of Police

FIRE DEPARTMENT

The Bridgewater Fire Department spent what I would call a "routine" year that saw 49 calls for various types of emergencies. These calls ranged from storm related emergencies to structure fires within and outside of our town. I was encouraged to see that our roster increased this year with the addition of several new members. As I have mentioned in years past, membership is our greatest need and we always welcome inquiries from interested individuals who are curious about the Fire Department. Joining the Department does require the sacrifice of an individual's time, but the value of helping fellow residents in our area cannot be measured. Please contact any member if you are interested or stop by the Station on a Monday evening.

As always, fire safety is a great concern for us. Please be sure that your house or apartment is equipped with operating smoke detectors in several locations. You should also commit to changing the batteries on a regular anniversary date each year. Additionally, if you burn wood, be sure that your wood stove meets or exceeds all safety standards and that you have your chimney checked and cleaned at least annually. Finally, be sure that your 911 rural number is clearly visible on your house with reasonably large numbers for the use of all emergency services to quickly identify your property. We look forward to a fire safe year 2000.

Andrew S. Denton, Chief
Bridgewater Fire Department

Forestry Fire Report.

Good news for this year. No forest fires! While this is always good news, we all need to be vigilant with respect to outdoor fires. This is especially important since the Ice Storm of 1998 left a tremendous amount of wood slash on the forest floor to act as a significant fuel source.

Please file for a fire permit for outside burning. You can leave a message at the highway department, or contact any of the deputy wardens. You can also leave a message at the Town Offices.

We are currently working with the Department of Forestry and the Fire Department for new forestry equipment through a State forestry grant. This would include a slide in tank and pump for a pickup; a four wheel ATV to access remote sites and other related equipment. Combined with prior grants to reclaim Class VI roads as emergency fire lanes, we are in good shape.

Please be careful with fires.

Larry Gilpatric, Forest Fire Warden

Brigewater - Hebron Village District Report

This year witnessed the opening of the new school. This event went very smoothly thanks to the community efforts of all. Likewise, the transition for the children went equally well due to the efforts of parents and teachers.

Finances:

The Village District seems to be on target based on current analysis and future projections. The present tax of .79 is below our initial predictions of \$1.25/1000. Next years rate will increase by less than \$.05 cents. Remember, the bond issue will be retired in early 2004!

Thanks to private donations and community labor, the new playground was installed late fall. (Savings: \$30,000) To those who donated and/or helped, thank you! The school computer network is underway. The network infrastructure is completed and the individual computers will be installed shortly. We plan to start installing computers in the library and complete the computer lab later this year.

Bridgewater-Hebron Village District receives a Charitable Non-Profit Status (501-C3)

We have raised about \$25,000 of private funds for this project. About half has been expended thus far. We are currently working on additional grants to complete the lab. We have received a challenge grant of \$5000 in the memory of Frank O'Neil. We have also received about \$ 2000 toward that portion of that grant. If you are interested, please consider a tax deductible contribution toward this project. This lab will also be used as a community resource to conduct adult classes in technology. For information on a tax deductible contribution, please call the Treasurer, Hank Woolner at 744-5055.

For those interested, the lab uses an IBM Netfinity server using MS Windows NT networked to APPLE Imaes which can run as a native MAC or use Windows 98. In short, the infrastructure in the building can support either APPLE or PC's which will give the greatest flexibility for the future. All can access the Internet.

Additional News:

Mr. & Mrs. King donated another parcel of property to the Town of Bridgewater to be donated to the Village District. We are proposing to purchase the Westcott property which is now surrounded by the school on both sides and the building towers over her property in the rear. The land and building are on RT. 3a across from the store and in the commercial zone. Because of the fields, lots, pond, and state restrictions, the existing campus has very little room for additional parking, outbuildings and the like.

This proposal will require a deposit of \$24,000 and a final payment of \$ 75,000 in 2005. The owner will remain on the property and will retain the mortgage for that period for a 2% per year interest rate. *We have also received a \$20,000 donation for this purpose.* It is a good investment for the District. The location of the school building relative to Mrs. Westcott home was unfortunate but required by the State. In addition, this summer, we had to install a drilled well on this property, as the construction of the roads may have drained the existing surface well. Please support this article at the District meeting on March 21, 2000.

School Building Collaborations:

Our community school has offered space to a number of activities. The BCC has used the Gym for a basketball league, volleyball for adults has started and other activities have been initiated in the evenings. Community members have commented on how nice it is to have a neighborhood school.

It has been a great year due to the efforts of both communities

Terence Murphy, Bridgewater
Derry Riddle, Hebron
William White, Hebron

2. Services were funded by: Federal and State programs 44%, Municipalities, Grants & Contracts, County and United way 14%, Contributions 19%, In-Kind donations 19%, Other 2%, Friends of GCSCC 2%.

**BRISTOL COMMUNITY CENTER
1999 REPORT TO THE TOWN OF BRIDGEWATER**

The Staff of the BCC wishes everyone a Happy & Healthy New Year. This year has been a great year at the BCC. We had a new ceiling and lights installed in Tapply Hall and the Nursery School room. This has made a tremendous difference. We had some major furnace problems this year and had to have these attended to. We would like to thank Shirley Yorks for the wonderful landscaping work that she has done on the outside of the building. She has put in endless hours and made the outside of the building a place to be proud of. We also thank Doug Lamos for the time he put in repairing the stone wall in the front of the building. We are in the process of applying for Grants and fund-raising money to fix the outside wall of the Archery range to stop the leaking we have experienced in the downstairs for many years.

The BCC has been a busy place with record numbers attending our programs in 1999. We added a Pre-Camp Open House Program to assist working parents. We continue to offer our Teen Open House Program on Tuesday evenings with a growing number of teens attending each week to play pool, basketball, ping pong, computers or watch movies. We have also begun a Cooking Time during this program where the teens can cook a meal to serve all participants. Also new this year was Yoga, Beginner Wrestling, Ballroom & Line Dancing, Acting Programs and Guitar Lessons. *During the course of a normal week at the BCC over 1,000 people come through our doors for the many programs offered.*

Bridgewater residents participated in many programs offered during 1999. They were offered Archery, Baseball, Basketball, Dances, Teen Open House, After School Open House, Karate, Junior High Basketball, Baseball & Softball, Umpire Clinics, Red Cross First Aid & CPR, Hunter Safety, Boy Scouts, Girl Scouts, Tot Time, SHARE, Volleyball, Summer Programs, Haunted House, Ghost Walk, Easter Egg Hunt, Father & Daughter Valentines Dance, Carnival Queen, Jack Frost & Miss Snowflake, Soccer, Gymnastics, TOPS, Tai Chi, Craft Classes, Senior Citizen Lunches and trips and Santa's Village, Yoga, Softball Pitching Clinics, Acting Classes, Wrestling, Guitar Classes, Dance classes and more.

We want to thank the Newfound Area School District for their continued support of the BCC and its programs. We hold many of our programs and practices at the local schools to accommodate our growing numbers. We are now using the Bridgewater Hebron Village School for our Basketball program and it is a wonderful facility to have available for the kids and adults. Our Soccer Program has more than doubled in the last few years. We are grateful for their appreciation of the importance of Recreation in the Newfound Area.

In ending the BCC wishes to thank the many Bridgewater volunteers that have donated their time and energies by working in our sports leagues, helping with our Haunted House, Santa's Village and our numerous other fundraising and youth activities. Thank you all!! We couldn't do it without you.

Respectfully submitted,

Leslie Dion, Director of Recreation
