Annual Report

2003

Dedication 2003

Chief David Nielsen

Chief Nielsen came to the Town of Belmont in 1981 as a Patrolman after having served with the Waterville Valley Police Department. Throughout his years in Belmont, Chief Nielsen rose through the ranks and was promoted to Chief of Police in 1998.

Over the years, he committed himself to the community, becoming involved in such programs as Buckle Up New Hampshire, Special Olympics, the Belmont Police Department Honor Guard, bicycle rodeos, scouting, school programs and hosting senior dinners to name a few.

Under his leadership, the department worked on more and more community policing programs and instituted Friday Night Park Nights, the Belmont Police Explorer Post, police bicycle and motorcycle patrols, highway safety grants to patrol areas that were of concerns to the citizens in Belmont as well as instituting the School Resource Officer program in our schools.

Chief Nielsen also had a life long commitment to the Old Man of the Mountain. Growing up with the Old Man he brought community members up on the face to help with its preservation. Chief Nielsen was appointed as the official Caretaker of the Old Man until its demise in May of 2003.

Chief Nielsen's dedication to law enforcement, the community, and the department are evident by his actions, programs, and visions. We join all of the residents of the community in wishing Chief Nielsen a wonderful retirement and thank him for his 22 years of dedicated service to the Town of Belmont.

Chief Albert Akerstrom

Chief Akerstrom's decision to return to his home-town Department after progressing thru the ranks with the Laconia Fire Department was a moment of success for Belmont. His expertise and involvement with every aspect of the fire service is respected and honored in the region and throughout the State.

Under his direction and guidance the Belmont Fire Department has worked diligently to become an effective, efficient and caring organization that provides a level of service to this community that is unequalled in the region.

Serving chicken at the barbeque, making his point across the budget table, directing emergency operations; at a celebration or a tragedy Chief Akerstrom epitomizes the true meaning of leadership and community.

Joking — Teaching — Sharing — Supporting
Dedicated to his typewriter and finding the best deal

Chief Akerstrom's dedication to the fire service, the community, and the region are evident by his actions and words, but may truly be judged by the support, loyalty and friendship of those that have had the opportunity to know him, work for and with him.

We join all of the residents of the community in wishing Chief Akerstrom a wonderful retirement and hoping that those opportunities continue long into Belmont's future.

PLANNING BOARD AMENDMENTS TO BELMONT ZONING ORDINANCES:

Question 2: Are you in favor of the adoption of Amendment #1 for the town Zoning Ordinance as proposed by the Planning Board?

No enclosure not originally manufactured or built for the purpose shall be used as dwelling space, commercial or non-commercial workspace, or animal or human shelter.

YES	267
NO	181

Question 3: Are you in favor of the adoption of Amendment #2 for the town Zoning Ordinance as proposed by the Planning Board?

Adopt an Adult Entertainment Ordinance to restrict the location and establish minimum operational standards.

YES	329
NO	126

Question 4: Are you in favor of the adoption of Amendment #3 for town Zoning Ordinance as proposed by the Planning Board?

Amend the Ordinance to allow for remedies and penalties provided under applicable law for enforcement of the ordinance.

YES 331
NO 106

Question 5: Are you in favor of the adoption of Amendment #4 for the town Zoning Ordinance as proposed by the Planning Board?

Convert the existing Ordinance numbering system from Roman numerals (i.e. I, II, III) to Arabic numbers (i.e. 1,2,3).

YES 364
NO 83

Question 6: Are you in favor of the adoption of Amendment #5 for the town Zoning Ordinance as proposed by the Planning Board?

Replace the term "Telecommunication" with "Personal Wireless Service" to be consistent with State law. Create a separate article within the Ordinance for the existing Personal Wireless Services Section and re-number the remaining articles as necessary.

YES 373
NO 74

Question 7: Are you in favor of the adoption of Amendment #6 for the town Zoning Ordinance as proposed by the Planning Board?

Restrict the height of free-standing signs and billboards to 25'.

YES 369
NO 84

Question 8: Are you in favor of the adoption of Amendment #7 for the town Zoning Ordinance as proposed by the Planning Board?

Change references for "cluster" subdivision to "open space" subdivision.

YES 333
NO 112

Question 9: Are you in favor of the adoption of Amendment #8 for the town Zoning Ordinance as proposed by the Planning Board?

Lots that have been part of a subdivision or boundary line adjustment within the prior 12-month period are not eligible for subdivision under the cluster (open space) subdivision ordinance.

YES 297

NO 139

Question 10: Are you in favor of the adoption of Amendment #9 for the town Zoning Ordinance as proposed by the Planning Board?

Eliminate specific minimum parking requirements currently contained in the Ordinance with the intent of placing those minimum requirements within the Site Plan Review Regulations instead.

YES 314

NO 124

Question 11: Are you in favor of the adoption of Amendment #10 for the town Zoning Ordinance as proposed by the Planning Board?

Limit the size and type of structure allowed on approved campground sites.

YES 339

NO 113

Question 12: Are you in favor of the adoption of Amendment #11 for the town Zoning Ordinance as proposed by the Planning Board?

Delete the specific reference to "Rental Cottages".

YES 253

NO 150

Question 13: Are you in favor of the adoption of Amendment #12 for the town Zoning Ordinance as proposed by the Planning Board?

Allow hotels and motels in the Industrial Zone by special exception?

YES 321

NO 113

Question 14: Are you in favor of the adoption of Amendment #13 for the town Zoning Ordinance as proposed by the Planning Board?

Regulate "membrane" enclosures as structures for all applicable purposes such as obtaining a building permit, meeting setbacks, and allowable uses. Membrane enclosures are tarp or fabric or plastic-covered frame buildings typically used for garages or storage buildings.

YES 246
NO 184

Question 15: Are you in favor of the adoption of Amendment #14 for the town Zoning Ordinance as proposed by the Planning Board?

A variance from the Zoning Board of Adjustment would be required to change from one preexisting nonconforming (grandfathered) use to a different preexisting nonconforming use.

YES 261
NO 161

Question 16: Are you in favor of the adoption of Amendment #15 for the town Zoning Ordinance as proposed by the Planning Board?

Clarify that a preexisting nonconforming lot which does not meet current zoning requirements as to minimum required lot size and/or minimum frontage, may be used for building purposes when other minimum requirements are complied with.

YES 295
NO 127

Question 17: Are you in favor of the adoption of Amendment #16 for the town Wetland Ordinance as proposed by the Planning Board?

Establish minimum setbacks from the closest edge of parking lots and/or parking areas to public waters, prime wetlands, ponds, rivers, brooks, streams, seasonal streams, and wetlands of any size.

YES 332
NO 96

Question 18: Are you in favor of the adoption of Amendment #17 for the Belmont-Adopted residential building code (1992 CABO 1 & 2 Family Dwelling Code) as proposed by the Planning Board?

Amend the required ceiling height to be consistent with the NH State Building Code.

YES 346
NO 87

Question 19: Are you in favor of the adoption of Amendment #18 for the Belmont-adopted residential building code (1992 CABO 1 & 2 Family Dwelling Code) as proposed by the Planning Board?

Amend the required stairway dimensions to be consistent with the NH State Building Code.

YES 353
NO 78

Question 20: Are you in favor of the adoption of Amendment #19 for the Town Building Code as proposed by the Planning Board?

Designate the Town's Code Enforcement Officer as the enforcing authority for all building codes applicable in the town.

YES 339
NO 93

Question 21: Are you in favor of the adoption of Amendment #20 for Town Building Code as proposed by the Planning Board?

Designate the Belmont Zoning Board of Adjustment as the board of appeals for all building codes applicable in the town.

YES 329
NO 99

Question 22: Are you in favor of the adoption of Amendment #21 for Town Building Code as proposed by the Planning Board?

Authorize the Board of Selectmen to establish a schedule of fees related to the issuance of building permits in accordance with NH RSA 674:51 III(d).

YES 294
NO 134

SECOND SESSION

Town of Belmont, New Hampshire

Annual Meeting Warrant March 15, 2003

The 2003 Annual Town Meeting of the Town of Belmont, in the County of Belknap, In the State of New Hampshire, was called to order at 10:00 o'clock in the forenoon by Moderator Steven Fournier.

The Pledge of Allegiance was led by Fire Department Explorer, Jennifer Siegel. Selectman Doralyn Harper recognized other Fire Department and Police Department Explorers in attendance and summarized the services they provide their respective departments.

A community blessing was offered by Father Albert Tremblay, Jr., of St. Joseph Church. He commented that it was the original blessing offered by Bishop Carroll at the inauguration of George Washington.

Town Moderator Steven Fournier administered the oath of office to the following newly elected town officials:

Reginald Caldwell, Selectman
Arthur C. Stewart, Sewer Commissioner
Claude Patten & Jon Pike, Planning Board
John H. Olmstead & Brenda Paquette, Zoning Board of Adjustment
Linda Frawley, David Landry & Mark Roberts, Budget Committee
John Rowe, Cemetery Trustee
Nikki J. Wheeler, Supervisor of the Checklist
Frankie Pugh, Trustee of Public Library.

Donna J. Cilley, Budget Committee was sworn in following the meeting by Carol Lacasse, Town Clerk.

Selectman Ward Peterson recognized Call Fireman Bradley Lawrence for 541 hours of service. He also requested other call firefighters stand for recognition.

Doralyn Harper, Selectman Chair, read the dedication of the 2002 Annual Town Report to retired Fire Chief and long time town volunteer, Robert Bordeau who passed away in December, 2002. Present at the dedication were Mr. Bordeau's son, daughter, granddaughter and great-granddaughter.

Town Officials seated at the head table were introduced.

Moderator Fournier read the Moderator's Rules and asked that non-registered voters stand to be recognized. There were five (5) non-registered voters present.

Article #1. To hear and act upon the reports of Boards and Committees.

Article 1 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by Eric Wilking.

There was no discussion. Motion passed by voice vote.

Article #2. To see how the Town will vote to expend the income from the John M. Sargent Trust Fund.

Article 2 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by John Flynt.

The proposed allocation of the \$3500 Sargent Fund for the year 2003 is as follows:

St. Joseph's Pantry	\$320.00
Shaker School District for Prom Grad	\$635.00
Belmont Old Home Day	\$175.00
Belmont Baseball Organization	\$635.00
Cub Scouts	\$140.00
Boy Scouts	\$140.00
Dare Program	\$455.00
Girl Scouts	\$280.00
Heavenly Sonshine Daycare	\$140.00
Baptist Church Food Pantry	\$320.00
Belmont Historical Society	\$50.00
Belmont Recreation	\$210.00
Total	\$3500.00

There was no discussion, article passed by voice vote.

Article #3. To see if the Town will vote to raise and appropriate the sum of three hundred and seventy thousand dollars (\$370,000) for the purpose of the Silver Lake Sewer Project said sum to be offset by the Sewer Fund unexpended balance.

(The Budget Committee recommends **\$370,000** and the Board of Selectmen support this recommendation.)

Article 3 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by John Flynt.

George Condodemetraky questioned the 'unexpended balance'. Selectman Ward Peterson replied there is a balance of \$996,000 in the fund.

Article 3 passed by voice vote.

Article #4. To see if the Town will vote to raise and appropriate the sum of one hundred and fifty-four thousand seven hundred and twenty dollars (\$154,720) for the reconstruction of highways, said appropriation to be funded by \$154,720 from Highway Block Grant funds provided by the State of New Hampshire.

(The Budget Committee recommends **\$154,720** and the Board of Selectmen support this recommendation.)

Article 4 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by Diane Marden.

There was no discussion. Article passed by voice vote.

Article #5. To see if the Town will vote to restrict the first \$100,000 of annual future revenues from ambulance billings (Comstar) to be deposited in the Fire/Ambulance Equipment and Apparatus Fund; any additional annual revenue for ambulance billing will be deposited in the Town's General Fund. (Majority Ballot Vote)

Article 5 was read by the Moderator. Motion to accept was made by John Flynt, seconded by Albert Akerstrom.

Town Administrator, Donald McLelland, Sr., spoke to the Article. He explained The Ambulance Fund was started in 1986 with \$1939.20. Between the years 1997 and 2002, it has grown from \$51,000 to \$146,820.

Fire Chief Albert Akerstrom spoke against the Article.

Eric Wilking spoke against, stating that these funds are earmarked for the replacement or purchase of Ambulance and Fire Equipment and having this fund grow avoids serious tax impact when a new ambulance or fire truck are needed.

A motion to table the Article was made by Thomas Murphy, seconded by Eric Wilking.

Vote to table the Article was made by hand vote. Article 5 was tabled.

Robert Stevens spoke regarding reconsideration.

Moderator Steven Fournier stated he would accept motions to restrict reconsideration after Articles 8 and 21.

Article #6. To see if the Town will vote to discontinue the elected Board of Sewer Commissioners and to vest the duties and powers of the Sewer Commission in the Board of Selectmen pursuant to RSA 149-I. As required under RSA 669-17-b, this article shall not take effect, and the current Board of Sewer Commissioners shall continue to hold office, until the annual Town election in 2004.

Article 6 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by Eric Wilking.

Selectman Ward Peterson spoke to the Article. He stated Mitch Manseau was hired as a consultant to study the efficiency of the Water and Sewer departments.

George Condodemetraky spoke in opposition to the Article. He stated he was on The original Sewer Commission with Richard Fournier. He also stated that Mr. Fournier's expertise as an engineer was valuable to the Commission and expensive to replace. He also stated that the monies collected by the Sewer Department should not be co-mingled with town funds as they should be retained for maintenance of the sewer system.

Ward Peterson spoke in rebuttal and Arthur Stewart stated that there is an RSA Which prohibits the monies from being used by the town.

The article was defeated by a voice vote.

William Goetz inquired how Fire Department and Sewer funds are administered. Ward Peterson advised the funds are invested by the Town Treasurer.

Town Treasurer, Nikki Wheeler advised the town investments program is through The Bank of New Hampshire. It can be accessed at any time funds are needed without penalties and currently yields 1.7%.

Article #7. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of Town Frequency Equipment Upgrade and to raise and appropriate the sum of thirty-five thousand dollars (\$35,000) to be placed in this fund and further, to designate the Selectmen as agents to expend money from this fund.

(The Budget Committee recommends **\$35,000** to be placed in this fund and the Board of Selectmen supports this recommendation.)

Article 7 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by Eric Wilking.

Ronald Mitchell of the Budget Committee spoke of the necessity to erect an additional antenna to improve communications in the town "dead spots".

There was no further discussion. Article passed by voice vote.

Article #8. To see if the Town will vote to raise and appropriate the sum of five million one hundred eighty nine thousand five hundred twenty dollars (\$5,189,520), which represents the operating budget and is exclusive of all special and individual warrant articles.

(The Budget Committee recommends **\$5,189,520** and the Board of Selectmen supports this recommendation.)

Article 8 was brought to the floor by Moderator Steven Fournier. Motion to accept was made by Albert Akerstrom, seconded by Lincoln Noel.

Ronald Mitchell, Chairman of the Budget Committee gave an overview of the proposed budget. If all articles pass the total budget for 2003 will be 6,555,897, a decrease of 66,700 or 1% of the 2002 Budget (6,622,602).

Pleasant Oberhausen spoke of poor economic times. He made a motion to amend Article #8.

Motion to amend Article 8 – To place a 5% cap on salary increases for salaried employees earning \$38,000 or more in 2002.

William Goetz seconded the amendment.

Several voters spoke both for and against the amendment.

Town Administrator, Donald McLelland stated the salary adjustments were made after several salary studies were made by the town to bring town employee in line with other communities. He asked that taxpayers be fair and to consider the services they are receiving.

Greta Olson-Wilder asked which employees are salaried and which are hourly. She believes the 5% cap is reasonable and is in favor of the amendment.

The question was moved by Michael Jesseman, seconded by Donald McLelland, Sr..

The Amendment was defeated by a hand vote of 39 in favor and 64 against.

The original Article 8 passed by voice vote.

A motion to restrict reconsideration of articles #3 to #8 was made by Michael Jesseman, seconded by William Goetz.

Motion carried by voice vote.

Article #9. To see if the Town will vote to raise and appropriate the sum of two hundred forty-four thousand nine hundred and five dollars (\$244,905) for the operation and maintenance of the Sewage Collection and Disposal System for the ensuing year, said sum is to be offset by user's fees.

(The Budget Committee recommends **\$244,905** and the Board of Selectmen support this recommendation.)

Article 9 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by Kenneth Knowlton.

There was no discussion.

Article passed by voice vote.

Article #10. To see if the Town will vote to raise and appropriate the sum of one hundred forty-seven thousand and eighty dollars (\$147,080) for the operation and maintenance of the Water Distribution and Treatment System for the ensuing year, said sum is to be offset by user's fees.

(The Budget Committee recommends **\$147,080** and the Board of Selectmen support this recommendation.)

Article 10 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by Dana Chase.

There was no discussion. Article passed by voice vote.

Article #11. To see if the Town will vote to raise and appropriate the sum of one hundred and five thousand eight hundred and eighty six dollars (\$105,886) for the purchase of new fire/ambulance/rescue equipment and to fund this appropriation by authorizing the withdrawal of said amount from the Fire/Ambulance Equipment and Apparatus Fund previously established in accordance with RSA 31:95,C.

(The Budget Committee recommends **\$105,886** and the Board of Selectmen support this recommendation.)

Article 11 was read by the Moderator. Motion to accept was made by Renee Jesseman, seconded by Thomas Murphy.

Elson Moody asked about funding for the Winnisquam Fire Department. He was Informed that his question was not relevant to this article.

There was no further discussion. Article passed by voice vote.

Article #12. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town of Belmont and the American Federation of State, County, and Municipal Employees, AFL-CIO, Council 93, Local 534 for the term April 1, 2003 to March 31, 2005, which calls for the following increases in salaries and benefits:

Year	Estimated Increase	Year	Estimated Increase
2003	\$ 45,786	2004	\$ 47,806

and further to raise and appropriate the sum of forty five thousand seven hundred eighty six dollars (\$45,786), which represents the additional costs attributable to the increase in salaries and benefits for the first contract year over those of the appropriation at current staffing levels paid in the prior fiscal year.

(The Budget Committee recommends **\$45,786** and the Board of Selectmen support this recommendation.)

Article 12 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by Kenneth Knowlton.

There was no discussion. Article passed by voice vote.

Article #13. Shall the Town of Belmont, if article #12 is defeated, authorize the governing body to call one special meeting, at its option, to address article #12 cost items only?

Article #13 was deemed non-applicable following the passage of Article #12.

Article #14. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of town Drainage Projects and to raise and appropriate the sum of sixty-five thousand dollars (\$65,000) to be placed in this fund and to fund this appropriation by authorizing the transfer of \$33,000 from the unexpended fund balance as of December 31, 2002 with the balance of said appropriation (\$32,000) to be raised by taxation, and further to designate the Selectmen as agents to expend from this fund.

(The Budget Committee recommends **\$65,000** and the Board of Selectmen support this recommendation.)

Article 14 was read by the Moderator. Motion to accept was made to Albert Akerstrom, seconded by Michael Jesseman.

There was no discussion, article passed by voice vote.

Article #15. To see if the Town will vote to raise and appropriate the sum of fifty-six thousand dollars (\$56,000) to be placed in the Police Vehicles Capital Reserve Fund previously established.

(The Budget Committee recommends **\$56,000** and the Board of Selectmen support this recommendation.)

Article 15 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by Diane Marden.

There was no discussion. Article passed by voice vote.

Article #16. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be placed in the Conservation Fund previously authorized in accordance with RSA 36-A: 5, I, and to fund this appropriation by authorizing the transfer of that amount from the unexpended fund balance as of December 31, 2002.

(The Budget Committee recommends **\$10,000** and the Board of Selectmen support this recommendation.)

Article 16 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by Michael Jesseman.

Nikki Wheeler asked for clarification.

Kenneth Knowlton of the Conservation Commission spoke of the goals of the Master Plan. The Conservation Commission is trying to maintain undeveloped, unspoiled lands. The Conservation fund is used to purchase those properties which may become available.

Judith Pilliod spoke in favor of the article.

Article 16 passed by voice vote.

Article #17. To see if the Town will vote to raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be placed in the Library Building Improvements Capital Reserve fund already established.

(The Budget Committee recommends **\$25,000** and the Board of Selectmen support this recommendation.)

Article 17 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by Dawn Kidd.

There was no discussion, article passed by voice vote.

Article #18. To see if the Town will vote to raise and appropriate the sum of two thousand (\$2,000) to be placed in the already established General Cemetery Maintenance Fund governed under the provisions of RSA 31:19-A for the purpose of cemetery maintenance, said amounts to be expendable at the discretion of the Cemetery Trustees.

(The Budget Committee recommends **\$2,000** and the Board of Selectmen support this recommendation.)

Article 18 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by Kevin Nugent.

There was no discussion, article passed by voice vote.

Article #19. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of Town Bridge Repair and Maintenance and to raise and appropriate the sum of twenty thousand dollars (\$20,000) to be placed in this fund and further, to designate the Selectmen as agents to expend money from this fund.

(The Budget Committee recommends **\$20,000** and the Board of Selectmen support this recommendation.)

Article 19 was read by the Moderator. Motion to accept was made by Diane Marden, seconded by Kevin Nugent.

There was no discussion, article passed by voice vote.

Article #20. To see if the Town will vote to raise and appropriate the sum of sixty thousand dollars (\$60,000) to be placed in the non-capital reserve account previously established for the purpose of Information Technology.

(The Budget Committee recommends **\$60,000** and the Board of Selectmen support this recommendation.)

Article #20 was read by the Moderator. Motion to accept was made by Renee Jesseman, seconded by Douglas Ellis.

There was no discussion. Article passed by voice vote.

Article #21. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of Sidewalks and to raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be placed in this fund and further, to designate the Selectmen as agents to expend money from this fund.

(The Budget Committee recommends **\$25,000** and the Board of Selectmen support this recommendation.)

Article 21 was read by the Moderator. Motion to accept was made by Diane Marden, seconded by John Flynt.

Judith Pilliod questioned the article.

Town Administrator, Donald McLelland spoke regarding the article.

Linda Frawley asked if it were possible to explore other funding. Budget Chairman, Ronald Mitchell explained that grants require that engineering be done prior to the application for the grants.

There being no further discussion, the Article passed by voice vote.

A motion to restrict the reconsideration of Articles #9 to #21 was made by Albert Akerstrom, seconded by Thomas Murphy.

Motion passed by voice vote.

Article #22. To see if the Town will vote to send the following resolution to the New Hampshire General Court: Resolved, in its first two years of operation, the Land and Community Heritage Investment Program (LCHIP) has helped communities throughout New Hampshire preserve their natural, cultural and historic resources and, therefore, the State of New Hampshire should maintain funding for LCHIP in its next biennial budget.

Article #22 was read by the Moderator. Motion to accept was made by Kenneth Knowlton, seconded by Lincoln Noel.

There was no discussion, article passed by voice vote.

Article #23.

Whereas, New Hampshire residents pay the 12th highest cost of insurance in the country; and

Whereas, the cost of health insurance premiums for families has increased by 45% over the past three years; and

Whereas, 100,000 New Hampshire residents have no health coverage and 77% of them have a full-time worker at home; and

Whereas, due to these rising costs almost half of New Hampshire's small business cannot afford health coverage for their employees, therefore be it resolved

That we, the citizens of Belmont, New Hampshire, call on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses, and health care providers to ensure that:

- Everyone, including the self-employed, unemployed, un- and underinsured, and small business owners has access to an affordable basic health plan similar to what federal employees receive;
- Everyone, including employers, consumers, and the state, local and federal government makes a responsible and fair contribution to finance the health care system;
- Everyone receives high quality care that is cost efficient and medically effective; and
- That these efforts help control the skyrocketing cost of health care.

(This resolution submitted by Petition and is non-binding and represents no fiscal impact.)

Article #23 was read by the Moderator. Motion to accept was made by Albert Akerstrom, seconded by Diane Marden.

There was no discussion. Article passed by voice vote.

Article #24. To see if the Town will vote to discontinue completely that portion of Hicks Road, so-called, that crosses the land now or formerly owned by the Town of Belmont (Map 204 Lot 32) and land now or formerly owned by Peter G. & Heidi Lawrence (Map 204 Lot 33). The remainder of Hicks Road will continue as a Class V & Class VI Public Highway.

Article #24 was read by the Moderator. Motion to accept was made by Donald Mclelland, seconded by Albert Akerstrom.

There was no discussion. Article passed by voice vote.

Article #25. To transact any other business that may legally come before the meeting.

Linda Frawley moved that the Health Care study be re-convened and suggested Tom Clairmont and Mark Condodemetraky be asked to participate. Seconded By Mark Condodemetraky.

Representative James Pilliod stated Article #23 is referred to a "feel-good resolution " and he supports the Health Care Commission.

Elson Moody spoke in favor.

There was no further discussion, article passed by voice vote.

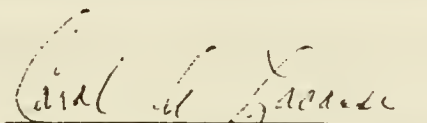

Donna Cilley stated we elect Representatives. They should communicate with Town officials more frequently. She requested that Representatives meet with Selectmen to provide information regarding important legislation.

There being no further business before the assembly, Moderator Fournier made a motion to adjourn, seconded by Kenneth Knowlton.

Motion passed by voice vote. The 2003 Belmont Town Meeting was adjourned at 12:48 o'clock in the afternoon.

There were approximately 150 registered voters and 5 non residents.

A TRUE RECORD, ATTEST:

Carol A. Lacasse, Town Clerk

TOWN OF BELMONT, NEW HAMPSHIRE
SPECIAL TOWN MEETING
DECEMBER 2, 2003

The Special Meeting of the Town of Belmont, in the County of Belknap, in the State of New Hampshire, was called to order at 7 o'clock in the afternoon by Moderator Thomas Garfield.

The Pledge of Allegiance was led by Moderator Garfield.

Rules of Order per the Moderator's Handbook were laid down for the Meeting.

Article 1 was read by the Moderator:

Article #1: To see if the Town will vote to authorize the Board of Selectmen to purchase the property now owned by Richard and Nancy Siegel and located at 147 Main Street (Tax Map 122, Lot 2) for the use of the town, to raise and appropriate the sum of \$170,000 for that purpose, and to authorize the withdrawal of that amount from the Town's unexpended general fund balance, with no amount to be raised by taxation.

(The Board of Selectmen recommends \$170,000 and the Budget Committee does not support this recommendation.)

Following the reading of the Article, Town Administrator Donald McLelland, Sr. stepped to the podium. He thanked Mr. Garfield for stepping in for former Moderator Steven Fournier and stated he was pleased with the attendance.

He spoke to the article and the various reasons the Board of Selectmen were in favor of the purchase.

The Article was moved by Albert Akerstrom, seconded by Jeffery Marden.

Discussion of the Article was opened to the gathering. Various people spoke in opposition of the article, citing lack of long term cost estimates and planning.

Motion to move the question was made by Selectman Doralyn Harper.

Voice vote to move the question was unanimous.

The Moderator again read the Article and stated that a ballot vote would be held and gave voting instructions.

The Polls were opened at 7:32 PM and closed at 8:32 PM.

There was a total of 182 votes cast:

31 YES
151 NO

Article 1 failed to pass.

There being no further business before the Meeting, motion to adjourn was made by Kenneth Knowlton, seconded by George Condodemetraky.

The meeting was adjourned at 8:39 PM.

Selectmen's Report

2003

The year 2003 has been a busy year for your Board of Selectmen.

Our Planning board is working on the Capital Improvement Plan in conjunction with the Lakes Region Planning Commission, which will entail a lot of work from all those involved. This instrument will be a very useful tool in the next six years.

Vincent Baiocchetti became Chief of the Belmont Police Department in July 2003 following the retirement of long-time Chief David Nielsen. Chief Nielsen began many initiatives during his tenure as Chief and under Chief Baiocchetti's leadership the department is continuing to thrive. The Department has received several grants to improve communication equipment from the Federal Government, as well as funds from the State of New Hampshire for DWI patrols. We welcome "Vinnie", and would like to thank the members of the Belmont Police Department for their dedication to the safety and well being of the community.

Our Public Works Department completed an extensive reconstruction of Leavitt Road in 2003 utilizing State Highway Block Grant funds and funds appropriated at the 2003 Annual Meeting. We wish to thank the Department for a job well done. We will continue to annually support the upgrade and maintenance of our Town roads.

The Town-wide valuation was completed in 2003, and new values were reflected in your fall tax bill. It is a very difficult time in the State of New Hampshire, as property values continue to rise due to the real estate market, and funding is cut by the State of New Hampshire for education; leaving the local taxpayer to assume the burden in their tax bills. In 2003, the Shaker Regional School District lost approximately \$800,000 in funding from the State, which was made up in your local tax bill. Although we did see a significant decrease in the tax rate from \$29.98 in 2002 to \$23.99 in 2003, everyone felt the impact of the loss in State funding. We will continue to strive to maintain proportionality in our property assessments in Belmont so that every taxpayer pays only their fair share of taxes. If you have any questions regarding your property assessment record, please feel free to stop by the Assessor's office, or call 267-8300 ext. 24.

As many of you may know, long-time Fire Chief Albert Akerstrom retired on January 30, 2004, and Deputy Chief Richard Siegel was promoted to Chief. We welcome Chief Siegel and wish he and the Department the very best as they move forward to a new era of leadership.

There are two articles on this year's Town Meeting Warrant that has been inserted by Petition. Article #3 will ask the voter's to support a \$275,000 bond for the purpose of purchasing a tract of land suitable for establishing a recycling facility, including environmental impact, site planning, engineering and preliminary site preparation and all other costs reasonably associated with the project. This article is not supported by the Board of Selectmen or the Budget Committee, and we ask the voters to give serious consideration to the impact of this article if it is passed; it is a two-phase project with total costs estimated to be about \$650,000. Article #7 is a request for the formation of a Heritage Commission. The Belmont Historical Society and some members of the Conservation Commission submitted this article.

Belmont Town Offices are open Monday through Friday from 7:30 a.m. to 4:00 p.m. We have an open door policy and your comments and concerns are very important to each and every one of us. Please visit our Web site at www.belmontnh.org to view minutes of meetings, special notices, assessment information, and new this year; our Annual Town Report will also be available for viewing.

We would like to thank the Town Administrator, Department Heads, employees and volunteers for their continued support and efforts on behalf of the Town. Your dedication is greatly appreciated.

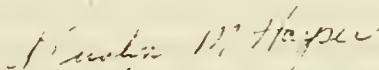

The Belmont Board of Selectmen will continue to work hard to make Belmont a better community to live in.

Thank you for your support in 2003.

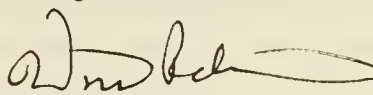

"We learn from the past, as we look to the future."

Sincerely,

Board of Selectmen

Doralyn M. Harper, Chairman

Reginald Caldwell

Ward Peterson, Vice Chairman

Belmont Police Department

In Officio Virtus Probitasque

Virtue and Honesty in Duty

2003 POLICE DEPARTMENT ANNUAL REPORT

2003 was a year of change for the Belmont Police Department. The most significant was that after 22 years of service to the Town of Belmont, with the last 5 years as Chief, David Nielsen retired from law enforcement on July 18, 2003. Chief Nielsen was an established figure in the Town and his contributions to the town and the department will be missed. We wish him luck in his retirement and thank him for his continued contributions that helped make Belmont a safer place to raise a family.

I would like to take this time to thank Chief Nielsen, both personally and professionally, for the years of friendship and help that he has given to me over the years.

William Wright was promoted to the department's first ever, Corporals position. The position of Corporal is an entry-level supervisor and Cpl. Wright will work as a shift supervisor.

Ofc. Sean Sullivan, our Middle and Elementary School Resource Officer has successfully completed the Drug Abuse Resistance Education (D.A.R.E.) program, and started teaching the redeveloped 10-week program to our 5th graders in January.

We have made internal changes to the police department in hopes that it will run even more efficiently than before. Each department member, both sworn and civilian is encouraged to take an active part in making suggestions or implementing changes that will help the department.

You may have also seen the new look to the department. Following guidelines, the officers themselves researched and designed uniforms that are safe and comfortable for daily wear yet one that portrays a sharp and professional image. The officers should be commended on doing an excellent job. The uniforms are dramatically different from what the town and the department is used to however, we have received numerous positive comments about the change.

Some of these changes have resulted in us being more visible on the street, taking a pro-active approach in areas that you, the townspeople, have voiced some concerns. We will continue to work hard in reducing the complaints that we receive from the citizenry. With that, I would urge all of you to help us help you. Please call us when you see something that does not appear to be right. We would much rather get called and find out it is nothing, than not get called and find out it was something. You may contact us at anytime at 267-8350 or the Greater Laconia Crime Line at 527-1717.

The statistics for the department are as follows:

Year	Accidents	Arrests	Calls for Service	DWI	MV	Offenses
2003	214	424	8,101	43	3496	1067

While there is a slight drop in the calls for service and the offenses, our felonies have more than doubled. We had 52 felony cases or offenses in 2002 as opposed 115 felony offenses in 2003. This increase also represents an increase in man-hours and resources.

As I stated before, the normal activity, and the demands from the general public are increasing and the department still rises to the challenge.

You will also notice our new motto "*In Officio Virtus Probitasque*". Literally translated it means, **Virtue and Honesty in Duty**. We strive every day to improve ourselves and perform to the high standards that are being set, allowing us to provide quality services to the citizens that we serve.

Our Explorers are also an outstanding group of young men and women. Under the leadership of Ofc. Sean Sullivan and his assistant civilian staff, these people have helped us tremendously during events such as Old Home Day, NASCAR races and Timberman Triathlon to name a few. At a recent awards dinner, held in Gilmanton, the Belmont Police Explorers and their leaders, walked away with 8 out of the possible 9 awards given by the Daniel Webster Council. These Cadets are a credit to the department, the town and most of all, to themselves. Some of these cadets also attended a rigorous 1-week live-in academy held in Manchester.

The Police and Fire Department, in conjunction with the Belknap Mall, held our first Public Safety Expo, which brought Fire, EMS and Law Enforcement units from around the region to the Belknap Mall. This allowed residents and visitors to see static displays as well as live demonstrations of the emergency services in the area. This was a great success for our first year and we will look to host another one in 2004.

We also hosted the BBQ and the Christmas dinner for the Seniors at the Senior Center. Both meals were another success. The department has some programs planned for 2004. We, along with some other town departments and community organizations are planning such events as blood drives, senior dinners, another public safety expo and a women's safety seminar to name a few. These programs and others are currently in the planning and development stages and we will be bringing them forth later this year.

In closing, I would like to thank the town's people for the confidence and support that you have shown your police department.

Respectfully Submitted,

Chief Vincent A. Baiocchetti
Vinnie Baiocchetti III
Chief of Police

BELMONT FIRE DEPARTMENT

Albert Akerstrom, *Chief* • Richard K. Siegel, *Deputy Chief*

2003 ANNUAL REPORT

The year has been the busiest year in history of the Belmont Fire Department. In the past, our busiest year showed us responding to 1,028 calls in 2001. This year we responded to a total of 1,144 calls, which is an increase of 152 calls over last years total of 992. This 13.5% increase shows that the town is growing and our services are being used more and more. The following is a list of calls for 2003. This year we had many back-to-back calls where both the call personnel and fulltime personnel were used at the same time.

INCIDENT	2002	2003	% of Calls
Fire Calls	212	208	18%
Medical Aid	618	628	55%
Mutual Aid Calls	103	162	14%
Service Calls	59	146	13%
	<u>992</u>	<u>1,144</u>	<u>100%</u>

In 2003 our fire loss was very low as it has been over the past three years. More people are calling the fire station requesting information on different fire codes and we are also being asked for home inspections to make sure that what they are doing meets the fire codes. With the increase of new homes being built, we are doing many oil burner and chimney inspections. I believe that these inspections have made a big difference in our fire loss.

The big increase in calls this year has been our Mutual Aid Calls and our Service Calls and our Service Calls. We had an increase of 59 Mutual Aid Calls and an increase of 87 Service calls over last year. Out of the 628 Medical Calls this year, 314 were non-transport calls.

The members of the department have put in a lot of hours during 2003 and I would like to thank them for all of the hard work that they have done. Personnel of the department put in 1,424 hours just on emergency and service calls; this is an average of 4 hours per day for the year. They also put in over 1,100 hours in training. Because of the increase in calls we also added five more call personnel to the department

At this time, I would like to thank the Board of Selectmen, Budget Committee Members, Department Heads and our Town Administrator for their support of the Fire Department

Respectfully Submitted

Albert J. Akerstrom III

WINNISQUAM FIRE DEPARTMENT

The officers and members of our all volunteer fire-rescue department would again like to extend our thanks for the continued support of the officials and residents of the Towns of Belmont and Sanbornton, and the Tilton-Northfield Fire District. Our operation is one of only three or four private fire departments in the State, certified by the State Fire Marshall. We operate under contract to the towns, working under the direction and authority of the Fire Chief of the town to which we are called. We were toned for 474 calls during the year 2003, an increase of almost 10% over the previous year.

A breakdown of the calls by type and location is as follows:

	<u>Belmont</u>	<u>Sanbornton</u>	<u>Tilton-Northfield</u>	<u>Mutual Aid</u>
Medical	86	65	53	5
Auto Accidents	28	17	23	3
Fire - Structure	10	4	5	8
Fire - Other	18	14	23	3
Alarm - No Fire	51	18	6	1
Other	<u>10</u>	<u>8</u>	<u>8</u>	<u>7</u>
Totals	203	126	118	27

We presently have 25 members, of which 11 are Licensed Emergency Medical Technicians, including four at the Intermediate Level of Advance Life Support. We are always open to new members. If interested contact us. About 60% of our calls were for medical problems or automobile accidents, situations that require Ambulance Response along with an Engine, so our EMT's were called upon for 280 of our calls in 2003. This is about the average in those department that have an ambulance.

We were fortunate in that in each of the past two years, we have been awarded a matching grant from the Federal Emergency Management Agency (FEMA). The grants provide 90% of the cost, with the department responsible for the remaining 10%. With the money from the 2002 grant, we were able to purchase 12 new sets of turnout gear and two new cold water suits for ice rescue. The 2003 grant provided money for a Thermal Imaging Camera, which allows us to "look into" the walls at a house fire to locate hot spots that could cause further damage. The cost of the items covered in the two grants was over \$30,000.

We operate with two engines, one built in 1980 the other in 1998, a 1997 ambulance, a four-wheel drive forestry unit on loan from the State, and our 1976 fire boat, which is the only fire/rescue boat in the water on Lake Winnisquam. All of the equipment is in good shape, except for the fire boat, which at almost 30 years old, is getting "tired", and hopefully can be replaced in 2005.

You are invited to stop by our fire station, located by the Winnisquam Bridge, and see our equipment. While we don't have a crew on duty at the station, there are often some members there who will be glad to show you around. We've had the building painted and the roof replaced over the past few years, as well as had drainage installed and paving for the parking area. The hall is available without charge for any community group, and to private parties for a minimal fee.

Richard W. Gray, Chief

Belmont Conservation Commission

Annual Report—2003

In 2003, the Belmont Conservation Commission continued to focus on “...**preserving the rural character of Belmont.**” On May 14, 2003, we held a forum at the Corner Meeting House titled ***Saving Open Space in Belmont.*** Invitations were sent to Tioga River abutters and owners of large land parcels. (The public was invited through public notices of this program.) Featured speakers were Dijit Taylor of the Center for Land Conservation Assistance, and Phillip Auger of the Rockingham County Cooperative Extension Service. Ms Taylor presented ***The Dollars and Sense of Open Space*** slide show, and Phil spoke on the voluntary land conservation options that are available to protect open space. Attendance was high and many questions were answered concerning the open space issues faced by New Hampshire towns and the citizens residing within them. This is the first of a number of forums that are being planned by the by the Commission. The next one will be held this spring and will be announced well beforehand. As always, the public is invited to any of these programs.

The Conservation Commission has recently met with UNH students from the 2004 Senior Project who will be conducting a wildlife inventory along the Tioga River watershed, the Rhodora Bog and Pout Pond areas. These four students are natural resource majors who will each devote between 90 and 100 hours within the three months of this project. This is one of the last remaining parts of Belmont's Natural Resource Inventory that needs to be completed. We were fortunate to have been chosen for inclusion in this year's program.

The Conservation Commission would like to acknowledge the many year of volunteer service given by John “Skip” Peterson, who left last year. We would also like to welcome new member John Peverly and alternate member and Ginger Wells-Kay.

The Conservation Commission still has openings for alternate members. The commission encourages any interested individuals to contact the Land Use Office for information as to how to become a member. No prior land use experience is necessary.

Ken Knowlton, Chairman

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF BELMONT IN THE COUNTY OF BELKNAP, IN THE STATE OF NEW HAMPSHIRE, QUALIFIED TO VOTE IN TOWN AFFAIRS.

You are hereby notified to meet for the 2004 Annual Town Meeting of the Town of Belmont to be holden in two sessions as follows:

FIRST SESSION

The FIRST SESSION shall be holden at the Roland S. Kimball Auditorium, Belmont Middle School, Belmont, New Hampshire on the 9th day of March next, between the hours of 8:00 o'clock in the forenoon and 7:00 o'clock in the afternoon, to act upon the following subjects:

1. *Election of Officers*

2. *Are you in favor of the adoption of Amendment #1 for the town Zoning Ordinance as proposed by the Planning Board?*

Adopt an interim growth management ordinance to be in effect until March 8, 2005. The Ordinance will place a moratorium on new residential subdivisions and residential site plan (multi-family) development. It will give the Town a period of time in which to complete the Capital Improvements Program and to review and analyze other data available during the upcoming year to develop a growth management ordinance to address unusual circumstances of growth. Building permits will not be restricted for lots of record shown by deed or recorded subdivision plan prior to January 12, 2004, or shown on a plan accepted or approved by the Planning Board prior to January 12, 2004, and still in compliance with RSA 674:39.

3. *Are you in favor of the adoption of Amendment #2 for the town Zoning Ordinance as proposed by the Planning Board?*

The measurement for front setbacks shall include the distance from the extreme limit of a structure to the edge of a private access road that serves more than two lots.

4. *Are you in favor of the adoption of Amendment #3 for the town Zoning Ordinance as proposed by the Planning Board?*

Stairs that serve as access to a building, and that do not extend more than 6' do not have to comply with setbacks.

5. *Are you in favor of the adoption of Amendment #4 for the town Zoning Ordinance as proposed by the Planning Board?*

List the options available for ownership of common open space that is created as the result of an open space subdivision.

6. Are you in favor of the adoption of Amendment #5 for the town Zoning Ordinance as proposed by the Planning Board?

Clarify that a plan submitted for the purpose of showing possible future phases of an open space development is only conceptual. Future phases of the development will be subject to all Regulations, Ordinances and modifications required by the Board at the time they phases are submitted as a formal application.

7. Are you in favor of the adoption of Amendment #6 for the town Zoning Ordinance as proposed by the Planning Board?

When calculating the number of possible lots in an open space development, the total acreage for proposed roads as well as any other acreage that will not be part of a lot or the open space shall be deducted prior to calculating that density.

8. Are you in favor of the adoption of Amendment #7 for the town Zoning Ordinance as proposed by the Planning Board?

In the Residential Single-Family, Residential Multi-Family, Rural and Village Zones the total number of free standing signs per tax lot shall be reduced from 3 to 1, and the total combined square footage of freestanding signage per tax lot shall be reduced from 300 square feet to 100 square feet. Combine the total number of and total square footage of freestanding signs and billboard when calculating maximum per tax lot allowable numbers/size. Place ordinance standards in table format.

9. Are you in favor of the adoption of Amendment #8 for the town Zoning Ordinance as proposed by the Planning Board?

Amend the expiration time for variances and special exceptions. Allow a one-time, one-year extension for good cause shown for approvals that have not been substantially acted upon within two years of the original approval.

10. Are you in favor of the adoption of Amendment #9 for the town Zoning Ordinance as proposed by the Planning Board?

Amend existing standards for agricultural animals regulated by this ordinance to provide for wetlands and groundwater runoff protection, to require the use of the Best Management Practices of the NH Department of Agriculture, and to allow normal operating agricultural procedures following those Best Management Practices.

11. Are you in favor of the adoption of Amendment #10 for the town Zoning Ordinance as proposed by the Planning Board?

Define "elderly" as it relates to age-restricted housing, as units occupied by persons 62 years of age and older.

12. Are you in favor of the adoption of Amendment #11 for the town Zoning Ordinance as proposed by the Planning Board?

Update the Administration, Enforcement and Penalty section of the Zoning Ordinance.

13. Are you in favor of the adoption of Amendment #12 for the town Zoning Ordinance as proposed by the Planning Board?

Amend the road design standards for open space subdivisions to promote the purpose and objectives of the ordinance and conform to the requirements of the subdivision regulations.

14. Are you in favor of the adoption of Amendment #13 for the town Wetlands Ordinance as proposed by the Planning Board?

Update the Administration, Enforcement and Penalty section of the Wetland Ordinance.

15. Are you in favor of the adoption of Amendment #14 for the town Wetlands Ordinance as proposed by the Planning Board?

Convert the existing Ordinance numbering system from Roman numerals to Arabic numbers.

BUDGET OF THE TOWN/CITY

OF: BELMONT

BUDGET FORM FOR TOWNS WHICH HAVE ADOPTED
THE PROVISIONS OF RSA 32:14 THROUGH 32:24

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2004 to December 31, 2004

or Fiscal Year From _____ to _____

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below.

This is to certify that this budget was posted with the warrant on the (date) _____.

BUDGET COMMITTEE

Please sign in ink.

 (See Supplemental Schedule With 10% Calculation)

SECOND SESSION

Town of Belmont, New Hampshire

Annual Meeting Warrant March 13, 2004

You are hereby notified to meet at the Roland S. Kimball Auditorium, Belmont Middle School, Belmont, New Hampshire on the 13th day of March next at 10:00 o'clock in the forenoon to act upon the following subjects:

Article #1. To hear and act upon the reports of Boards and Committees.

Article #2. To see how the Town will vote to expend the income from the John M. Sargent Trust Fund.

Article #3. To see if the Town will vote to raise and appropriate the sum of two hundred seventy five thousand dollars (\$275,000) for the purpose of purchasing a tract of land suitable for establishing a recycling facility, including environmental impact, site planning, engineering and preliminary site preparation and all other costs reasonably associated with the project and further to authorize the issuance of bonds or notes in said amount in accordance with the provisions of the Municipal Finance Act, RSA Chapter 33 and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon and to take any other action or pass any vote relative thereto, provided that all income earned from temporary investments of said bonds or notes shall not be expended for the purpose of this article, but shall be deposited in the Town's general fund, further, to authorize the Selectmen to apply for, accept and expend, without further action by the Town Meeting, any funds which may become available at any time for this project from the State, Federal or other Government unit or private source. (A 2/3 Ballot Vote is required)

(The Budget Committee does not support this article. The Board of Selectmen does not support this article.)

Article #4. Shall we modify the elderly exemptions from property tax in the Town of Belmont, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, \$50,000; for a person 75 years of age up to 80 years, \$65,000; for a person 80 years of age or older, \$80,000. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$21,500, or if married, a combined net income of less than \$29,500; and own net assets not in excess of \$75,000 excluding the value of the person's residence.

Article #5. Shall we modify the Optional Veteran's Tax Credit in the Town of Belmont, to be as follows: \$300.00 to be subtracted each year from the property tax on the veteran's residential property.

Article #6. Shall we adopt the optional tax credit pursuant to RSA 72:29-a for the surviving spouse of a person who was killed or died while on active duty in the armed forces of the United States or the armed forces of certain governments associated with the United States? The tax credit shall be in the amount of \$1,000 for the annual taxes due upon the surviving spouse's property, whether residential or not, if the surviving spouse is a resident of Belmont.

Article #7. To see if the Town will vote to establish a Heritage Commission in accordance with the provisions of RSA 673 and RSA 674 and to authorize the Selectmen to appoint five citizens as members of said commission in accordance with the provisions of RSA 673:4-a and RSA 673:5. This article submitted by Petition.

Article #8. To see if the Town will vote to raise and appropriate the sum of one hundred and fifty-five thousand three hundred and ninety eight dollars (\$155,398) for the reconstruction of highways, said appropriation to be funded by \$155,398 from Highway Block Grant funds provided by the State of New Hampshire.

(The Budget Committee recommends **\$155,398** and the Board of Selectmen support this recommendation.)

Article #9. To see if the Town will vote to raise and appropriate the sum of five million three hundred seventy nine thousand one hundred twenty eight dollars (\$5,379,128), which represents the operating budget and is exclusive of all special and individual warrant articles.

(The Budget Committee recommends **\$5,379,128** and the Board of Selectmen supports this recommendation.)

Article #10. To see if the Town will vote to raise and appropriate the sum of two hundred seventy seven thousand sixty-eight dollars (\$277,068) for the operation and maintenance of the Sewage Collection and Disposal System for the ensuing year, said sum is to be offset by user's fees.

(The Budget Committee recommends **\$277,068** and the Board of Selectmen support this recommendation.)

Article #11. To see if the Town will vote to raise and appropriate the sum of one hundred forty-two thousand four hundred nineteen dollars (\$142,419) for the operation and maintenance of the Water Distribution and Treatment System for the ensuing year, said sum is to be offset by user's fees.

(The Budget Committee recommends **\$142,419** and the Board of Selectmen support this recommendation.)

Article #12. To see if the Town will vote to raise and appropriate the sum of seventy seven thousand two hundred and three dollars (\$77,203) for the purchase of new fire/ambulance/rescue equipment and to fund this appropriation by authorizing the withdrawal of said amount from the Fire/Ambulance Equipment and Apparatus Special Revenue Fund previously established in accordance with RSA 31:95,C.

(The Budget Committee recommends **\$77,203** and the Board of Selectmen support this recommendation.)

Article #13. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be placed in the Town Drainage Projects Capital Reserve Fund previously established.

(The Budget Committee recommends **\$10,000** and the Board of Selectmen support this recommendation.)

Article #14. To see if the Town will vote to raise and appropriate the sum of eighty-six thousand dollars (\$86,000) to be placed in the Police Vehicles Capital Reserve Fund previously established.

(The Budget Committee recommends **\$86,000** and the Board of Selectmen support this recommendation.)

Article #15. To see if the Town will vote to raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be placed in the Library Building Improvements Capital Reserve fund already established.

(The Budget Committee recommends **\$25,000** and the Board of Selectmen support this recommendation.)

Article #16. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000) to be placed in the already established General Cemetery Maintenance Fund governed under the provisions of RSA 31:19-A for the purpose of cemetery maintenance, said amounts to be expendable at the discretion of the Cemetery Trustees.

(The Budget Committee recommends **\$2,000** and the Board of Selectmen support this recommendation.)

Article #17. To see if the Town will vote to raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be placed in the Town Bridge Repair and Maintenance Capital Reserve fund already established.

(The Budget Committee recommends **\$25,000** and the Board of Selectmen support this recommendation.)

Article #18. To see if the Town will vote to raise and appropriate the sum of fifty nine thousand dollars (\$59,000) to be placed in the non-capital reserve account previously established for the purpose of Information Technology.

(The Budget Committee recommends **\$59,000** and the Board of Selectmen support this recommendation.)

Article #19. To see if the Town will vote to raise and appropriate the sum of thirty thousand dollars (\$30,000) to be placed in the Sidewalks Capital Reserve fund already established.

(The Budget Committee recommends **\$30,000** and the Board of Selectmen support this recommendation.)

Article #20. To see if the Town will vote to raise and appropriate the sum of thirty thousand dollars (\$30,000) to be placed in the Town Building Exhaust Capital Reserve fund already established.

(The Budget Committee recommends **\$30,000** and the Board of Selectmen support this recommendation.)

Article #21. To see if the Town will vote to raise and appropriate the sum of forty thousand dollars (\$40,000) to be placed in the Highway Department Heavy Equipment Capital Reserve fund already established.

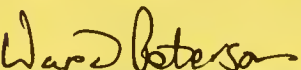

(The Budget Committee recommends **\$40,000** and the Board of Selectmen support this recommendation.)

Article #22. To transact any other business that may legally come before the meeting.

Given under our hands and seal this the 10th day of February in the year of our lord two thousand and four.

Doralyn M. Harper, Chairman

Reginald Caldwell

Ward Peterson, Vice-Chairman

Belmont Board of Selectmen

General Assistance

Annual Report 2003

Given the falling economy in 2003 families are in an endless economic struggle to pay for absorbent housing costs. They are utilities, food, clothing, transportation, health care and childcare, medication and various other basic needs. It's not difficult to understand why many individuals become discouraged when they encounter continuous barriers to programs that fail to recognize simple economic realities. The General Assistance Office has had to become aggressive in implementing new strategies to assist those confronting day-to-day crises.

However, everyday we face new challenges of crisis varying from long-term job loss to some of the highest numbers of homelessness and families in transition that the town has ever seen.

With the growing complexity of cases, much time is spent identifying barriers, problem solving, facilitating information and utilizing as many outside referral sources available.

The Town of Belmont continues to maintain the philosophy that Town General Assistance is a fund of last resort. All applicants must have exhausted all other economic resources to be granted town assistance. It is and always will be the goal of the General Assistance Department to help it's residents gain control over their lives and help them transition through very challenging times.

As always, I would like to thank our local Church Community for their continued support, outside social service agencies, St. Vincent DePaul and a very special thanks to the Grevior family of Grevior Furniture for always being there when we need them.

Respectfully submitted,

Donna J. Cilley
General Assistance Director

Water Department

2003 Annual Report

With no major projects in 2003, it was business as usual for the Water Department. Except for a couple of small water line breaks and one large break near route 3 the year went smoothly. The scheduled 5-year maintenance (this includes back flushing and cleaning) of well #1 was completed in the fall, which will help this well to continue to produce water at an acceptable rate.

One of the main goals of the Water Department in 2003 was to work more closely with the Public Works Director and to keep the DPW updated with the daily activities of the Water Department. This communication should benefit both departments as the Water Department projects and operations can affect the Public Works. We will continue to expand on this relationship in 2004.

There are no major projects planned for 2004 although there are several projects being planned and should be finalized for work to be done in 2005.

Respectfully submitted,

Donald P. McLelland Jr., Chairman
Rod Pearl

8th Annual Household Hazardous Waste Collection Day
MARK YOUR CALENDAR'S – LAST SATURDAY IN JULY 9:00AM TO NOON

The Board of Selectmen would like to thank all Belmont residents who participated in the Annual Household Hazardous Waste Collection Day. There were 128 participants that brought their household contaminants for proper disposal. Sixty-two of the participants had never contributed to the collection in the past years.

In addition to hazardous material, old computers and monitors were also collected from Belmont residence only. Proof of residency was required as there was an additional cost to the Town for the proper disposal of the 47 pieces of electronic equipment collected.

There was a total of 1,015 gallons of hazardous material collected within our community. 150 gallons of used waste oil was collected to heat our Highway Department building. In totaling up this year's surveys, fifty percent of our participants are still willing to support a fee added to the cost of hazardous products to help pay for their proper disposal.

Contamination of our natural environment is a very real threat from the improper disposal of household hazardous waste. Many of the common products that we purchase and use daily in our kitchen, bathrooms, yards and garages are considered household toxins and can cause respiratory problems, burns, poisoning, nausea, headaches, and dizziness if handled incorrectly. The 2003 collection results were as follows:

Town	# Participants	Materials Collected	
Belmont	90	Oil-based Paints, Solvents & Thinner	5 - 55 gallon drums
Gilmanton	27	Paint for recycling	4 - 55 gallon drums
Sanbornton	4	Resin & Adhesives	2 - 55 gallon drums
Tilton\North	7	Aerosol Cans	2 - 55 gallon drums
		Pesticides	3 - 55 gallon drums
		Household Cleaners	1 - 30 gallon drums
Fluorescent Bulbs			7 - 8' Boxes
Fluorescent Bulbs			6 - 4' Boxes
Mercury			1 - 5 gallon
Oxidizer			1 - 30 gallon
Recyclable Oil			150 gallons
Automotive Batteries			33

This annual event is organized by the Lakes Region Planning Commission with the help of local volunteers, and is made possible by financial commitment of participating communities and matching grant monies from the NH Department of Environmental Services. We look forward to next year's event and will welcome your call to volunteer on July 31, 2004. If you can spare about three hours of time on this amazing event full day, please call Brenda at the Town Hall.

The Board of Selectmen would like to recognize those individuals and thank them for their efforts of volunteering in helping to make our environment safe.

Richard Siegel, Site Coordinator	Brenda Paquette, Site Coordinator
Phyllis Buchanan (Gilmanton Coordinator)	
Pleasant "Bill" Oberhausen	Dana Chase Jenni Siegel
Bob Bennett (Public Works Director)	Donna Shepherd Marshal Bennett
Diane Marden	George Condodemetrakys
Bradley Lawrence	Hillcrest Pizza

A special thanks to Belmont Fire Department for the use of their facility.

Belmont Recycling Committee
2003 Annual Report

The Belmont Recycling Committee is moving forward, Thanks to the diligent work of the members. After much discussion with the Selectmen; we came up with an five year plan to start recycling in the Belmont area. Our 5 year plan is to bring Belmont into the 21st century and to be voted on in March.

PHASE I : March 2004 - March 2006

Purchase Site	\$160,000
Environmental Assessment	\$8,000
Site Planning & Engineering	
Survey & Civil Engineering	\$10,000
Permits	
Solid Waste	\$13,000
Site Specific	\$3,000
Wetlands	\$3,500
NH DES	\$4,000
Design & Engineering for	
Building	\$32,000
Site work for Utilities, water	
Concrete pacts	\$35,500
Miscellaneous	\$6,000

Cost Of Phase I : \$275,000

PHASE II : March 2006 - March 2008

Construct Building (50x100)	\$300,000
Purchase Bailers (two used)	\$17,000
Purchase Glass Crusher	\$21,000
Purchase Skidder & Accessories	\$26,000
Miscellaneous Tool & Materials	\$11,000

Cost OF Phase II : \$375,000

TOTAL COST PHASE I & PHASE II \$650,000

If approved by the tax payers; we will begin as soon as the ground thaws. The recycling committee plans to get the necessary site work started to set-up basic recycling again.

We thank the opportunity to present our vision of Recycling in Belmont. The only town in the Lake Region which does not have recycling.

My thanks to the members:

Pleasant W. Oberhausen

Chairman: Pleasant W. Oberhausen

Co-Chairman: William Brown

Secretary: Jennifer Despres

George Condodemetraky

Dean Bennett

Ann Bennett

Arthur Stewart

Magnus McLetchie

BELMONT ZONING BOARD OF ADJUSTMENT ANNUAL REPORT - 2003

The Zoning Board met monthly during 2003. Applications increased to 48. The following actions were taken:

Special Exceptions – Granted:

Stanley - Union Road, Bloom – Nancy Drive (2), Sawyer – Paquette Drive, Mitiguy – Breck Shore Road, Broadway North School of the Performing Arts Realty, LLC – Daniel Webster Highway, Chapman – Dutile Shore Road (3), Michaud – Dolphin (2), Martines – Pinecrest Drive, Corriveau – Fred Friend Road, Dalton – Middle Route, Harris – Brown Hill Road, Thibault – Mallard's Landing Road, Moulton – Mohawk Way, Mirski – Mile Hill Road, Loud – Gardner's Grove Road, Loving – Holiday Lane, Watson – Peter Court, Mirski – Mile Hill Road, Donovan – Dutile Road.

Variances – Granted:

Bloom - Nancy Drive (3), Sawyer – Paquette (2), Waterford Realty Trust – Linda Drive, Sottak – Linda Drive, Martines – Pinecrest Drive, Thibault – Mallard's Landing Road (6), Mansur – Leisure Lane, Belknap Subaru – Daniel Webster Highway, McGinness – Windsor Way, Whiston – Wildlife Boulevard (2), Boska – Breck Shore Road, Lescarbeau – Sunset Drive (2), Caravona – Gardeners Grove Road, Mirski – Mile Hill Road, Stowell – Linda Drive.

Special Exception – Denied: Kaye – Jefferson Road.

The Board notes with regret the resignation of long-term member and chairman, Donald Pugh. Don has been an active member since 1992 and has helped to guide the Board's process to assure fair and reasoned results for the community. There are currently four openings for alternate members. The Board encourages interested individuals to contact the Land Use office for further information. No prior land use experience is necessary.

Please feel free to comment or inquire on Zoning or other Land Use issues through the Belmont Land Use Office, 143 Main Street, P.O. Box 310, Belmont, NH 03220, (603) 267-8300x19, (603) 267-8307-fax, landuse@belmontnh.org.

Thank you for your continued support,

John Olmstead, Chairman
Norma Patten
Pleasant Oberhausen

Peter Harris, Planning Board Rep.
Brenda Paquette
Pauline Eastman, Alt.

**BELMONT PLANNING BOARD
ANNUAL REPORT - 2003**

The Planning Board and the Land Use Office remained very busy during 2003.

	<u>2003</u>	<u>2002</u>	<u>2001</u>	<u>2000</u>	<u>1999</u>
Subdivisions	8	8	8	8	5
Commercial/Ind. Lots Created	0	0	0	0	2
Residential Lots Created	24	8	12	32	9
Residential Lots Eliminated	0	0	0	2	0
Sites Created (Mfg Home Parks, etc.)	0	0	0	28	0
Units Created (Multi-Family, etc.)	0	15	2	1	1
Residential converted to other	0	0	0	0	0
Site Plans	8	17	17	13	16
Boundary Line Adjustments	7	3	6	7	11
Lot Mergers	6	1	3	5	8
Approval Amendments	1				
Approval Extensions	5	6	5	5	4
Earth Excavation	0	1	1	0	0
Informal Conceptual & Design Review Discussions	13	3	7	4	9
Abutters' and Public Hearings	66	54	46	38	55
Meetings & Work Sessions	22	29	25	28	26

Approvals for new non-residential construction included a new retail complex of 3,200 and 6,000 square foot buildings, a new commercial/industrial complex of 52,000 and 55,000 square foot buildings, a new truck repair facility, and a modular home sales facility. Also approved were expansions for an existing retail/service business and an existing self-storage facility.

During the review of open space subdivisions during 2003, an open space area of 70 acres was permanently preserved off Leavitt Road. A fire hydrant cistern will also be installed to support emergency fire suppression activities in the area.

In March, the voters supported amendments to the zoning and wetlands ordinance as well as updating the municipal building codes. Amendments included restricting the areas in which Adult Entertainment businesses can locate, limiting the height of free-standing signage and establishing minimum setbacks from water bodies and wetlands for parking lots.

A Master Plan Summary document was produced and distributed by the Board to highlight the results of the 2002 Master Plan. The Summary was mailed to all mail recipients in the community and included in copies of the 2002 Town Report. Additional copies are still available in the land use office. As part of the ongoing Planning initiative, the Board continued its discussion on growth and the protection of resources in 2003. Meetings were held with Lakes Region Planning Commission, private consultants and the Conservation Commission.

The Regional Aquifer study committee, consisting of Belmont, Northfield, Tilton and the Lakes Region Planning Commission completed their final report, which will shortly be available in its full as well as summary form. The report has many recommendations for the protection of this important resource. The Board has continued with this project by supporting the successful application for a NH DES Water Source Protection Grant to develop a Best Management Practice handbook to be used for activities that occur on the aquifer. Work will begin on this project during 2004.

The availability of additional maps on the land use website provides convenient access to information for the public. Both the street and zoning maps have recently been added. By using the convenient zoom-in or graphic selection tools on your computer you can easily enlarge any section of the map for printing and viewing.

The Planning Board has begun the update of the Capital Improvements Program (CIP) to support the Vision and Goals the Community voiced in the Master Plan. The CIP is scheduled to be completed this spring and is one of the documents required by State law before the community can consider some of the permanent measures that might be necessary to manage how growth occurs within Belmont and to assure that growth does not outpace our ability to provide for the services it requires.

For 2004, the Planning Board is recommending that the voters enact a 1-year moratorium on subdivisions that create new residential building lots. The Board feels the upcoming year is very crucial in providing the community with the time to position itself to best manage future growth and to prepare for the impacts of that growth. Also during the upcoming year the Conservation Commission will be developing further information on the location and scope of natural resources that are important to preserve.

As Belmont grows and we continue to experience the arrival of new residents, it becomes a much more complex task to meet the diversity of needs that such growth demands. The focus of the Planning Board must be on long-term planning; however the demand is that those plans also meet the immediate needs of the community. With the guidance of the Master Plan and the continued participation of citizens, Belmont can continue to be successful in both efforts.

There are currently two openings for alternate members on the Board. No prior land use experience is necessary, and the Board encourages interested individuals to contact the Land Use office for further information.

For assistance or further information on these or other land use issues, please feel free to contact the Belmont Land Use Office, 143 Main Street, P.O. Box 310, Belmont, NH 03220, (603)267-8300x19, (603)267-8307-fax, landuse@belmontnh.org.

Thank you for your continued support,

Peter Harris, Chairman
Ward Peterson, Selectmen's Representative
Clayton Shibles
Jeffrey Marden

Jonathan Pike, Vice Chairman
Claude Patten
Gary Flack
Christopher Gilbert, Alt.

CODE ENFORCEMENT OFFICER REPORT FOR 2003

For the year 2003, the Town of Belmont experienced an 18.23% increase in permits issued from 2002. New businesses, such as "Winnisquam Self-Storage", "Line-X Bed-Liners", "Dunkin' Donuts", "Broadway North for the Performing Arts", and "Frenchy Family Restaurant" opened in Belmont. Sandy Ledge Apartments also opened its doors for 11 units. There was a \$2,561,189.00 increase in residential construction costs and a \$1,626,822.00 decrease in commercial/industrial construction costs.

The following permits were issued in the year 2003:

<u>TYPE OF CONSTRUCTION</u>	<u>2003</u>	<u>2002</u>	<u>INCREASE/DECREASE</u>
RESIDENTIAL			
1. Single Family	45	36	+9
Demolition	0	0	0
Replacement	4	3	+1
Convert From 2 to 1 Unit	0	0	
Convert From 1 to 2 Units	0	0	
In-Law Apartments	0	2	-2
2. Two Family	0	0	
3. Multi-Family - Number of Buildings	3	1	+2
Number of Units (not included in permit total)	14	3	+11
4. Manufactured Housing (MFG) Units - New	10	14	-4
MFG Replacement Units	19	13	+6
MFG Unit Replaced with Stick-Built Unit	0	1	-1
MFG Units Removed	8	1	+7
MFG Units Relocated	0	0	0
Park Model	1	1	0
5. Residential Additions/Alterations (w/ Pools)	126	112	+14
6. Accessory Buildings (Garages, Sheds, etc.)	85	68	+17
PUBLIC			
7. Public Buildings	1	1	0
Public Building Alterations	1	0	+1
COMMERCIAL/INDUSTRIAL			
8. Commercial/Industrial	7	6	+1
Commercial/Industrial Alterations	7	8	-1
9. Demolition	8	6	+2
10. Other - (Signs, etc.)	19	30	-11
11. Permits - (Electrical, Plumbing, 9 - Occupancy)	49	18	+31
TOTAL PERMITS	393	321	+72

TOTAL COST OF CONSTRUCTION:

2003 - Residential - \$11,123,127 + Commercial/Industrial/Educational - \$1,159,449 = TOTAL - \$12,282,576
 2002 - \$8,561,938 + \$2,786,271 = TOTAL - \$11,348,209

In Belmont's Service,

Gary G. Boisvert
Code Enforcement Officer

Trustees of the Cemetery Report 2004

In 2003, the Cemeteries could have paid for their maintenance if there was a way to bale the grass that was cut. Everything was green and beautiful.

Although we no longer have Judy Pilliod as a Trustee an equally capable John Rowe has succeeded her.

Be sure to ride by the Perkins Road Cemetery and observe the changes. Enormous stumps have been removed and the work areas have had loam and seed put down. The rusted fence has been replaced with a rail fence and everything looks great.

The Highland Cemetery on Church Hill now has the picket fence on the backside so the fence work is complete there. The gate, which is sagging, has most likely been re-engineered by this time (at no cost) and will be replaced when warm weather is in abundance.

Work has progressed at the Bean Hill Cemetery and the additional projects there will be finished this year.

A very large part of Belmont's history is contained within the walls and fences of our 25 old cemeteries. Because of this fact we plan to continue to repair and/or replace age-damaged headstones and improve their overall appearance.

Again this year we give our thanks to Brenda Paquette, Envirofab Fencing, Laconia Monument and Abacromby's Lawn Care for always doing more than they are expected to do for our cemeteries.

Sincerely,

Trustees of the Cemetery

Bill Ekberg
Norma Patton
John Rowe

Town of Belmont
Department of Public Works
2003 Annual Report

Last winter was one for the record books with plenty of cold conditions and a lot of snow, at times we didn't think spring would arrive at all. Weather like last year's puts a strain on the budget also on men and machinery, but as always we handled it with little problem.

We completed the improvements on the corner of Leavitt Road and reconstructed/resurfaced the complete road; we reconstructed Pine Grove Road completely. We started the construction of the new salt/sand shed with the site prepared, foundation erected and backfilled; the building will be started in January 2004. We completed as much routine maintenance as time and manpower would allow. We will be reconstructing more roads this Spring/Summer improving the bases and resurfacing.

The department has been servicing most on the Town vehicles and is working nicely.

The department has been supported by other Town Departments and we will continue to appreciate their support and cooperation and we will continue to support them as well.

I would like to thank the Selectmen, Town Administrator, Town residents and most of all the men who work long and hard hours to make it safe traveling for others. Thanks and many thanks, they work hard under extreme conditions, poor visibility.

Please if you see us working have patience, slow down, give us a break, and respect the equipment for its size and weight, we are only trying to help you.

Our goal, as always, is to protect the road pavement we have and to continue to rebuild, reconstruct and resurface as many roads as time and funds allow. In the winter to provide a safe traveling as soon as possible through the proper use of antiicing and deicing chemicals to insure we protect our groundwater and maintaining roadside vegetation.

Respectfully Submitted,

Robert W. Bennett
Director of Public Works

Belmont Old Home Day 2003

On Saturday, August 9th, the Town of Belmont held a Mardi Gras celebration that New Orleans would surely be proud of! It was an exciting day spent with family, friends and neighbors. However, in the back of everyone's mind were ongoing concerns of foreign and domestic terrorism. With that in mind, it seemed a fitting day to take time out for a unique dedication... the dedication of the new Belmont Veteran's Memorial Park.

At our first meeting, we discussed ideas for this year's theme. As the night wore on (and the ideas got crazier), we decided to go with the general party theme of "Mardi Gras". Our eight-month journey was spent assuring many people that there is a family side of "Mardi Gras". This annual event of celebrations is steeped high in traditions, with grand balls, colorful parades, and magnificent costumes.

The week prior to Old Home Day was filled with rain. We scanned television, radio and websites looking for a forecast of sun. Miraculously, Saturday arrived, pancakes were eaten, races were run, (children's) tractors were pedaled, and the rain stayed away!

A local band, Hurricane Road, set the party mood playing everyone's favorites just prior to the grand parade. Leading the parade on an antique fire truck were our grand marshals, Fire Chief Albert "Tykie" Akerstrom, and recently retired Police Chief David Nielsen. What's a "Mardi Gras" parade without beads? We had ordered 2,000 strands of beads in traditional "Mardi Gras" colors of purple, green and gold to throw from floats and pass out along the parade route. Many of the parade entries were also in the spirit and tossed numerous strands of beads. The very old to the very young were sporting their colorful beads well into the evening.

Following the parade, all eyes were on the new Veterans Memorial Park. It was started in the spring, however, suffered some setbacks due to vandalism. Many friends, family and fellow Scouts helped Alan Bartlett to finish this part of his Eagle Scout project so that we could give it the high profile dedication ceremony that it deserved. We also tried an Amateur Talent Show this year, on the bandstand next to the Memorial. It drew a good crowd and will be back next year as an event!

Once the sun went down, many people watched and listened in awe at the Moose Mountain Jazz Band on Bryant Field. Now that was jazz music! The Greased Pole, an Old Home Day tradition, dared children and adults alike to climb the pole and grab the cash! As we anxiously awaited the start of the fireworks, the committee members started to feel a few raindrops. It must have been our quiet chants of "Please don't rain, please don't rain, ..." that kept it at bay until the last spark of shimmering colors fell. Once again, the Old Home Day fireworks were just spectacular!

Special thanks to the Old Home Day Committee and the many volunteers that help us pull off such an enjoyable day, year after year. This includes the Town Hall employees, the Fire Department, the Police Department, and Public Works, as well as the many businesses that donated their time, services and financial support. See you on Saturday, August 14th for celebration 2004!

Gretta Olson-Wilder
Old Home Day Committee

BELMONT SEWER COMMISSION
2003 ANNUAL REPORT

The Silver Lake Sewer Project was completed this year. The total cost of the project was approximately \$1.2 million. The Commission is now completing the paperwork to receive the State portion of the project funding. A bond in the amount of \$572,500.00 at an interest rate of 4.25% was procured. The yearly payments after the State's funding will be approximately \$24,000.00 per year for 30 years. A number of properties have hooked up to the system, with the rest required to be hooked up by June 1, 2004.

A sewer rate was established for the Silver Lake area at \$150.00/year for capital cost, \$40.00/year for maintenance cost and zero for flow cost for a total cost of \$190/year. The state average for sewer cost for a typical residential unit for 2002 was \$390/year. The sewer rate for the balance of the Town is just the \$40.00/year maintenance cost. The Sewer Commission is paying other operating costs and the flow cost from its reserves. The reserves are being used to give back to the existing users the excess funds that have accumulated over the years.

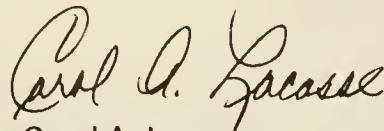

Respectfully submitted,

Richard A. Fournier, Chairman
Arthur Stewart

TOWN CLERK'S REPORT -- 2003

Auto Registrations (10,037 registrations)	1,061,821.00
Municipal Agent Fees	21,187.50

RSA 79-A:1 Declaration of Public Interest.

It is hereby declared to be in the public interest to encourage the preservation of open space, thus providing a healthful and attractive outdoor environment for work and recreation of the state's citizens, maintaining the character of the state's landscape, and conserving the land, water, forest, agricultural and wildlife resources. It is further declared to be in the public interest to prevent the loss of open space due to property taxation at values incompatible with open space usage. Open space land imposes few if any costs on local government and is therefore an economic benefit to its citizens. The means for encouraging preservation of open space authorized by this chapter is the assessment of land value for property taxation on the basis of current use. It is the intent of this chapter to encourage but not to require management practices on open space lands under current use assessment.

BELMONT PUBLIC LIBRARY
Belmont, New Hampshire

Library Report 2003

2003 Circulation

New Patrons	261
Book Circulation	9,776
Interlibrary Loan	1,325
TOTAL CIRCULATION	11,362

2003 has been a fantastic year for the Belmont Public Library. A significant increase in circulation statistics indicates how busy the Library has been. We anticipate 2004 to be a very exciting year.

Both books and furniture have been moved several times to give the Library a more open look. Books and audio books, along with the Internet computers, continue to be our hottest commodities.

Seasonal story times, the summer reading program and performances by local storytellers have been popular attractions. An increased interaction with the Belmont schools has been a positive step for the Library and the community.

Many patrons renewed their Library cards in 2003, and a record number of citizens of all ages received a card for the first time. This, along with the shortage of shelf space, strongly suggests the need for an addition to the Library. We are asking for your help in a grassroots effort in 2004.

Thank you to all my patrons, Trustees, the Belmont Selectmen and Administration for your support in 2003.

Respectfully submitted,

Mary L Bognaski

*Executive Councilor
District One*

Report to the People of District One By Ray Burton, Executive Councilor

It is a pleasure to report to you now in my 25th year of serving the 98 towns, 4 cities and Coos, Carroll, Grafton, Sullivan and Belknap counties of New Hampshire. All together there are 249,000 people who I consider my customers, clients and constituents. It has always been a pleasure to respond, as my duties within the Executive Branch of your state government mandate, to inquiries for information, relief and assistance as provided in NH state law and budget. It is an honor to serve you as a public servant.

Below are listed several documents that are available to citizens and I find them to be a valuable NH resource.

The 2003-2004 state telephone directory of state departments and personnel. This 180 page directory includes TDD access numbers, office information, coordinators, map of location of state buildings, legislative listings, judicial branch listings, department listings, personnel listing and a topical listing. This is available for a cost of \$6.00 plus \$2.50 postage. Make checks payable to the State of New Hampshire, or order on line at www.gencourt.state.nh.us/visitorcenter. The entire directory is available at <http://www.state.nh.us/government/agencies.html>

The 2003-04 NH County Directory of all NH County officials is free and available by calling (603) 224-9222. This is also on the web at www.nhcounties.org

Also available at no cost from the Secretary of State Office at 271-3242 or at elections@sos.state.nh.us, or mail at Secretary of State, State House Room 204, Concord, NH 03301 are the following publications:

The NH Election Procedural Manual for 2004-2005
The NH Election Laws for 2004-2005
The NH Political calendar for 2004-2005

The duties of the NH Executive Council, The NH Tour Guide book, the official tourist map and the NH Constitution are always available from my office at 271-3632 or 747-3662 or ray.burton4@gte.net

As long as I'm around as one of your elected officials never ever feel you are alone in your hour of need. Contact me anytime!

LAKES REGION PLANNING COMMISSION

2002 -- 2003

The Lakes Region has changed tremendously in the past 20 years. Homes and businesses have expanded along major roadways, and many of our communities have experienced dramatic change. This growth has resulted in a number of regional challenges. The Lakes Region Planning Commission (LRPC) is the area organization established to address the effects of growth at both the local and regional level. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. The Commission offers diverse direct and support services ranging from technical assistance, geographic information systems, and transportation planning, to land use and environmental planning, and economic development. The LRPC is primarily funded from local, state, and federal resources. We are contacted several times daily for answers to local issues. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our goal remains to provide support and leadership to the governments, businesses and citizens of the Lakes Region.

Here are some of our services performed on behalf of Belmont and the region in the past fiscal year:

- ❖ Provided information to local officials regarding the regional subdivision project as well as build out analysis.
- ❖ Assisted local officials with statutory information regarding time requirements for planning boards to make decisions about applications, and explained the Development of Regional Impact Statute.
- ❖ Attended a meeting with the Planning Department to talk about conservation and cluster subdivision regulations, and offered to provide GIS data as requested and available.
- ❖ Attended a Planning Board workshop meeting that focused on growth management issues.
- ❖ Met with the Belmont Task Force and the NH Department of Transportation as part of the Route 140 upgrade project.
- ❖ Ordered for the Belmont Planning Board thirty-five copies of the 2003-2004 N.H. Planning and Land Use Regulation Books at considerable savings.
- ❖ Co-hosted and organized three public Municipal Law Lectures where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issues. Recent lectures included: Growth Management and Smart Growth, Effective Enforcement of Local Land Use Decisions and Regulations, and Nonconforming Uses and Vested Rights. We also prepared for the 2003 Law Lectures, in partnership with the NH Municipal Association.
- ❖ Completed and distributed the Lakes Region Demographic Profile; a comprehensive compilation of key socioeconomic indicators from the US Census, and other data sources.
- ❖ Convened several meetings of the LRPC Transportation Technical Advisory Committee (TAC) to enhance local involvement in transportation planning and project development. The TAC usually advises the LRPC on projects are of regional significance.

- ❖ Initiated the start of the Lakes Region Bicycle and Pedestrian Plan. This planning effort will help provide a blueprint for the location of local bike and pedestrian routes.
- ❖ Hosted a National flood Insurance Program Workshop for Local Officials that provided an overview of the National Flood Insurance Program and training for local officials.
- ❖ With assistance from the Community Development Finance Authority (CDFA) SEED Capacity Grant, LRPC completed a number of work products including the Demographic Profile, coordination with area economic development organizations and Main Street communities, and the computerization of town-level economic development data.
- ❖ Reviewed project proposals through the NH Intergovernmental Review Agreement that provides the region and local communities an opportunity to respond to applications seeking state and federal aid. LRPC reviewed many proposals having a combined investment total greater than \$16 million in the Lakes Region.
- ❖ Conducted over 160 traffic counts and several road inventories around the region, in cooperation with the NH Department of Transportation.
- ❖ Continued technical support to the Pemigewasset River Local Advisory Committee, in cooperation with the NH Department of Environmental Services.
- ❖ Convened four area Commission meetings that featured Natural Resources Planning: a Lakes Region perspective. The presentations were followed by facilitated discussions that identified issues and innovative natural resource initiatives.
- ❖ Planned the 18th annual household hazardous waste collection in the Lakes Region. In FY-04, two consecutive Saturdays were designated as collection days for the 24 participating communities. An estimated 20,000 total gallons of waste were collected, containerized, and transported to EPA approved end-of-life locations around the country.
- ❖ Updated the annual Development Trends in the Lakes Region, a survey of subdivision, housing construction, industrial, and commercial development.
- ❖ In consultation with the Transportation Technical Advisory Committee (TAC), LRPC prepared, adopted, and submitted to the NH DOT the latest regional recommendations for Transportation Enhancement Funding.
- ❖ Represented the region on several committees including: the NH Transportation Enhancement Advisory Committee, the Statewide steering committee to update the NH Airport System Plan, the Belknap County Economic Development Council, the Northern Rail Task Force, among others.
- ❖ LRPC also continues to assist start-up efforts of the recently opened Lakes Region Household Hazardous Product Facility.
- ❖ Secured funding from the NH Emergency Management Bureau to assist local communities with the preparation of all hazard management plans.

November 21, 2003

To the residents of Belmont:

Genesis Behavioral Health is very grateful to the Town of Belmont for your 2003 appropriation. This funding helped Genesis cover the costs of providing mental health care to residents of your town who are unable to pay the full cost of their services.

During Fiscal Year 2003 (ending June 30, 2003), a total of 198 Belmont residents came to Genesis to find help for their mental health problems. Their ages break down as follows:

Ages 1 to 17	84
Ages 18 to 59	103
60 & over	<u>11</u>
Total	198

From this total, 35 residents did not have the resources to cover the costs of their services in full. This "charity care" totaled \$25,524. Your town appropriation helped cover a portion of those costs.

Since 1966, Genesis Behavioral Health has provided mental health services for residents of the Lakes Region. Services are provided to children in schools, at home and in special programs designed to help the children practice the skills they need to improve their lives. Elders may receive services in their homes, group homes or nursing homes. Our Gatekeeper Program trains community volunteers to be alert to elders living alone who may need assistance. The Genesis Community Support Program provides services for adults living with life-long mental illnesses. Finally, individual therapy for adults and children can help address issues causing distress as well as provide guidance towards positive behaviors. Genesis emergency services are available 24 hours a day, every day of the year.

It's a fact. One out of five Americans will experience some kind of mental illness every year. Residents seeking mental health care are urged to call Genesis in Laconia at 524-1100.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Coughlin", written in a cursive style.

Michael Coughlin

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Belmont, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Belmont, New Hampshire for the year ended December 31, 2002, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town of Belmont, New Hampshire's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As more fully described in Note 1, the general purpose financial statements referred to above do not include the financial statements of the General Fixed Asset Account Group, which should be included to conform with accounting principles generally accepted in the United States of America. The amount that should be recorded in the General Fixed Asset Account Group is not known.

As described in Note 1, the Town has recognized tax revenues of \$827,960 in its General Fund which were not be received in cash within sixty days of year end as required by accounting principles generally accepted in the United States of America (GASB Interpretation 3). Town officials believe, and we concur, that the application of this accounting principle, which would result in a decrease in the undesignated General Fund balance from \$1,100,415 to \$272,455, would give a misleading impression of the Town's ability to meet its current and future obligations.

In our opinion, except for the effect on the general purpose financial statements of the omission described in the third paragraph, the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of Belmont, New Hampshire as of December 31, 2002, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Belmont, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

Vachon, Chubb & Co., PC

TOWN OF BELMONT, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS
December 31, 2002

NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Town conform to accounting principles generally accepted in the United States of America for local governmental units, except as indicated hereinafter. The following is a summary of significant accounting policies.

Financial Reporting Entity

The Town of Belmont, New Hampshire (the "Town") operates under the Town meeting form of government and performs local governmental functions as authorized by State law.

The accompanying financial statements of the Town present the financial position of the various fund types and account groups, the results of operations of the various fund types, and the cash flows of the proprietary fund types and similar trust funds.

The financial statements include those of the various departments governed by the Board of Selectmen and other officials with financial responsibilities elected by the Town meeting, principally the Water and Sewer Commissioners, Library Trustees and the Trustees of Trust Funds. There are no additional organizational units that meet criteria for inclusion in the financial statements as defined by the Governmental Accounting Standards Board.

Fund Accounting

The accounts of the Town are organized on the basis of funds and account groups, each of which is a separate accounting entity. The operations of each fund are accounted for through a set of self-balancing accounts, which comprise it assets, liabilities, fund equity, revenues and expenditures/expenses. Accordingly, interfund receivables and payables have not been eliminated.

Individual funds and account groups summarized in the financial statements are classified as follows:

Governmental Funds

General Fund - used to account for all revenues and expenditures, which are not accounted for in other funds or account groups.

Special Revenue Funds - used to account for specific restricted revenues and expenditures for various purposes. The Belmont Town Library Fund, Conservation Fund, Drug Forfeiture Fund and the Ambulance Fund are accounted for as Special Revenue Funds.

Proprietary Fund Types

Proprietary Funds are used to account for the Town's ongoing activities, which are similar to those often found in the private sector. The measurement focus is upon determination of net income, financial position and cash flow.

TOWN OF BELMONT, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 2002

Enterprise Funds - These funds account for the operations of the Town's Water and Sewer Departments, which provide service on a user charge basis.

Fiduciary Funds

Assets are held by the Town in a fiduciary capacity or as an agent for individuals, private organizations, and other governmental units, and/or other funds for various purposes. Receipts and expenditures of each fund are governed by statutes, local law, or the terms of the gift.

Trust Funds - Non-expendable funds are accounted for and reported as proprietary funds since capital maintenance is critical. Expendable trust funds (Capital Reserve funds) are accounted for in essentially the same manner as governmental fund types.

Agency Funds - Under State law, the Trustees of Trust Funds hold the capital reserve and other funds of the Shaker Regional School District. These are accounted for as agency funds. The Town also accounts for certain performance deposits in its agency funds.

Account Groups

Account groups are not funds; they do not reflect available financial resources and related liabilities, but are accounting records of general fixed assets and general long-term obligations. The following is a description of the account groups of the Town.

General Fixed Asset Account Group - The Town does not record the acquisition of fixed assets in the General Fixed Asset Account Group, as required by accounting principles generally accepted in the United States of America. Fixed assets acquired or constructed for general government services are recorded as expenditures in the fund making the expenditure. Funds used to acquire general fixed assets and/or debt service payments on borrowings in connection therewith are accounted for as expenditures in the year payments are made.

General Long-Term Debt Account Group - This group of accounts is used to account for all outstanding long-term obligations of the Town except for those recorded in Proprietary Fund Types.

Basis of Accounting

The accrual basis is used for the proprietary funds and the non-expendable trust funds. The measurement focus of these funds is determination of net income, financial position and cash flows ("capital maintenance" focus). The Town has elected not to follow the FASB pronouncements issued subsequent to November 30, 1989 in accounting and reporting for its proprietary operations.

Governmental funds and expendable trust funds utilize the modified accrual basis whereby revenues are recorded when susceptible to accrual, i.e., both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures, other than interest on long-term debt, are recorded when the liability is incurred, if measurable.

TOWN OF BELMONT, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 2002

In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of revenues. In one, monies must be expended on the specific purpose of the project before any amounts will be paid to the Town; therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to purpose of expenditure and are usually revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible to accrual criteria are met.

Licenses and permits, charges for service and miscellaneous revenues (except investment earnings) are recorded as revenues when received in cash because they are generally not measurable until actually received. Investment earnings are recorded as earned, since they become measurable and available. (See *Property Taxes* for property tax accrual policy.)

During the course of normal operations, the Town has transactions between funds, including expenditures and transfers of resources to provide services, construct assets, and service debt. The accompanying governmental fund and enterprise fund financial statements reflect such transactions as transfers. Non-expendable trust funds reflect these transactions as revenues and expenses.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Significant estimates include the allowance for uncollectible receivables.

Budgetary Data

The Town budget represents departmental appropriations as authorized by annual or special Town meetings. The Selectmen may transfer funds between operating categories, as they deem necessary. The Town adopts its budget under regulations of the New Hampshire Department of Revenue Administration that differ somewhat from accounting principles generally accepted in the United States of America in that the emphasis is on the entire governmental unit rather than on the basis of fund type. Special revenue budgets are adopted only to the extent they interact with the general fund. Budgetary information has only been presented for the general fund, as it is not meaningful for the other funds.

Following is reconciliation between the budget presented for reporting purposes and the adopted budget:

Total appropriations voted at March 16, 2002	
Town Meeting	\$ 6,622,601
Police & Fire Grants (RSA 31:95B)	9,202
Perspective Differences:	
Water Enterprise Fund	(221,410)
Sewer Enterprise Fund	(1,235,850)
Timing Differences:	
Appropriations continued from 2001	127,763
Appropriations continued to 2003	(93,123)
General Fund Budget (Exhibit C)	<u>\$ 5,209,183</u>

TOWN OF BELMONT, NEW HAMPSHIRE**NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)**

December 31, 2002

State law requires balanced budgets but permits the use of beginning fund balance to reduce the property tax rate. The Town applied \$200,000 of its undesignated fund balance to fund the 2002 budget.

Total Columns on Combined Financial Statements

Total columns on the general-purpose financial statements are captioned "Memorandum Only" to indicate that they are intended only to facilitate financial analysis. Data in these columns do not present financial position, results of operation, or cash flows in conformity with accounting principles generally accepted in the United States of America.

Assets, Liabilities and Fund Equity

Cash - Statement of Cash Flows - For purposes of the statement of cash flows, the following accounts are considered to be cash:

	Water Enterprise Fund	Sewer Enterprise Fund	Non- Expendable Trust Funds	Totals
Cash	\$ 87,023	\$ 885,779	\$ 18,607	\$ 991,409
Investment in pool plus account		27,679		27,679
Totals	<u>\$ 87,023</u>	<u>\$ 913,458</u>	<u>\$ 18,607</u>	<u>\$ 1,019,088</u>

Investments - Investments are stated at their fair value. Certificates of deposit with maturity greater than ninety days from the date of issuance are classified as investments.

Taxes Receivable - Taxes levied during 2002 and prior and uncollected at December 31, 2002 are recorded as receivables net of reserves for estimated uncollectibles of \$61,670.

Utility Plant in Service - The assets of the Water and Sewer Enterprise Funds are capitalized at cost and are being depreciated over forty to seventy-five years for infrastructure and four to five years for movable equipment, under the straight-line method of depreciation.

Due to Other Governments - At December 31, 2002, the balance of the 2002 property tax appropriation due to the Shaker Regional School District was \$2,747,145.

Revenues, Expenditures and Expenses

Property Taxes - Taxes are levied on the assessed value of all taxable real property as of the prior April 1st (\$334,095,706 as of April 1, 2002) and were due in two installments on July 1st and December 1st. Taxes paid after the due dates accrue interest at 12% per annum. Current collections for the period ended December 31, 2002 were 91.9% of the tax levy.

The Town collects taxes for the Shaker Regional School District, Belknap County and Westview Meadows Village District, independent governmental units, which are remitted to them as required by law. The Town also collects State of New Hampshire Education taxes, which are remitted directly to the school district. Total taxes appropriated during the year were \$6,072,447, \$756,534 and \$8,013 for the Shaker Regional School District, Belknap County and Westview Meadows Village District, respectively.

TOWN OF BELMONT, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 2002

These taxes are not recognized as revenues in these financial statements. The Town bears responsibility for uncollected taxes.

As prescribed by State law, the tax collector obtains tax liens on properties which have unpaid taxes in the year after taxes were due for the amount of unpaid taxes, interest and costs. These priority tax liens accrue interest at 18% per annum. If the property is not redeemed within the two-year period, the property is tax deeded to the Town.

The net 2002 receivables collected prior to March 1, 2003 of \$827,960 have been recognized as tax revenue in the General Fund, which is not in accordance with accounting principles generally accepted in the United States of America. Town officials have decided that compliance with accounting principles generally accepted in the United States of America (GASB Interpretation 3), which would reduce the General Fund balance from \$1,100,415 to \$272,455 could make these financial statements misleading. This understatement might give the user of these financial statements a misleading impression about the Town's ability to meet its current or future obligations. Under existing State law, the Town will either receive full payment or acquire legal ownership of property in lieu of payment in 2005. Prior history indicates that a substantial portion of overdue taxes are paid before this date.

Compensated Absences - Full-time employees accrue sick leave days at a rate of one and one quarter days per month, cumulative to a maximum of 90 days. No payment for unused sick leave is made upon termination. Town employees earn vacation at 5-25 days per year dependent on length of service. Vacation can only be accrued up to 10 days. Provision has been made in these financial statements for accrued/unused vacation.

NOTE 2--STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Compliance with Finance Related Legal Provisions - The Town has no material violations of finance related provisions.

NOTE 3--RISK MANAGEMENT

The Town is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. During 2002, the Town was a member of the New Hampshire Municipal Association Property-Liability Insurance Trust, Inc. (NHMA-PLIT) and the New Hampshire Public Risk Management Exchange (PRIMEX). The Town currently reports all of its risk management activities in its General Fund. These Trusts are classified as "Risk Pools" in accordance with accounting principles generally accepted in the United States of America.

The Trust agreements permit the Trust to make additional assessments to members should there be a deficiency in Trust assets to meet its liabilities. Accounting principles generally accepted in the United States of America require members of pools with a sharing of risk to determine whether or not such assessment is probable and, if so, a reasonable estimate of such assessment. At this time, the Trusts foresee no likelihood of an additional assessment for any of the past years.

Claims expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. These losses include an estimate of claims that have

TOWN OF BELMONT, NEW HAMPSHIRE**NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)**

December 31, 2002

been incurred but not reported. Based on the best available information there is no liability at December 31, 2002.

NOTE 4--CASH AND INVESTMENTS

The Town's investment policy for Governmental Fund Types requires that deposits and investments be made in New Hampshire based financial institutions that are participants in one of the federal depository insurance programs. Deposits are limited to demand deposits, money market accounts and certificates of deposit in accordance with New Hampshire State law (RSA 41:29) or the New Hampshire Public Deposit Investment Pool (NHPDIP), an external investment pool. Responsibility for the investments of the Trust Funds is with the Board of Trustees.

The NHPDIP is not registered with the United States Securities and Exchange Commission as an investment company. The NHPDIP was created by state law and is administered by a public body of state, local and banking officials.

At year-end, the carrying amount of the Town's deposits was \$4,126,035 and the bank balance was \$4,288,084. Of the bank balance, \$4,258,099 was covered by insurance programs and \$29,985 was uninsured and uncollateralized.

The Town's investments are categorized to provide an indication of the level of risk assumed by the Town of Belmont. Category 1 includes investments that are insured or registered or for which the securities are held by the Town or its agent in the Town's name. Category 2 includes uninsured and unregistered investments for which the securities are held by the broker's or dealer's trust department or agent in the Town's name. Category 3 includes uninsured and unregistered investments for which the securities are held by the broker or dealer, or by its trust department or agent but not in the Town's name.

	Category			Carrying Amount
	1	2	3	
Certificates of deposit	\$ 16,362			\$ 16,362
Corporate stocks	230,414			230,414
	<u>\$ 246,776</u>	<u>\$ -</u>	<u>\$ -</u>	246,776
NHPDIP				446,361
Mutual funds				<u>623,558</u>
Total Investments				<u>\$ 1,316,695</u>

Investments in the NHPDIP and mutual funds are not investment securities and, as such, are not categorized by risk.

NOTE 5--UTILITY PLANT IN SERVICE - PROPRIETARY FUNDS

The following is a summary of changes in Water and Sewer Enterprise Fund fixed assets and accumulated depreciation for the year ended December 31, 2002:

NOTE 6--EMPLOYEE RETIREMENT PLANS

New Hampshire Retirement System

Plan Description

The Town contributes to the New Hampshire Retirement System (NHRS), a cost-sharing multiple-employer defined benefit pension plan administered by the NHRS Board of Trustees. The plan provides service, disability, death and vested retirement allowances to plan members and beneficiaries. Benefit provisions are established and may be amended by the New Hampshire State legislator. The NHRS issues a publicly available financial report that includes financial statements and required supplementary information for NHRS. That report may be obtained by writing to New Hampshire Retirement System, 4 Chenell Drive, Concord, New Hampshire 03301.

Funding Policy

Covered public safety and general employees are required to contribute 9.3% or 5.0% of their wages respectively, and the Town contributes at an actuarially determined rate. Town's contribution rates for police officers, firemen, and general employees were 5.33%, 6.61%, and 4.14%, respectively. The Town contributes 65% of the employer cost for public safety officers employed by the Town and the State contributes the remaining 35% of the employer cost. The Town contributes 100% of the employer cost for general employees of the Town. On-behalf fringe benefits for public safety employees (GASB Statement #24) contributed by the State of New Hampshire have not been recognized, as amounts are not material to the financial statements.

Under RSA-100:16, plan member contribution rates are established and may be amended by the New Hampshire State legislature and employer contribution rates are determined by the NHRS Board of Trustees based on an actuarial valuation. The Town's contributions to the NHRS for the years ending

TOWN OF BELMONT, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 2002

December 31, 2002, 2001, and 2000 were \$93,985, \$81,288, and \$68,141, respectively, equal to the required contributions for each year.

NOTE 7--CHANGE IN LONG-TERM DEBT

The following is a summary of the changes in the long-term liabilities of the Town of Belmont for the year ended December 31, 2002:

Type	Balance 01/01/02	Additions	Retired	Balance 12/31/02
General Obligation Debt:				
General	\$ 398,500		\$ (52,500)	\$ 346,000
Sewer	165,000		(55,000)	110,000
Compensated Absences	52,572		(8,427)	44,145
Total	<u>\$ 616,072</u>	<u>\$ -</u>	<u>\$ (115,927)</u>	<u>\$ 500,145</u>

General Long-term Obligations - General obligation debt payable at December 31, 2002 consists of the following individual issues:

Proprietary Fund Types:

Sewer Enterprise Fund:

\$1,030,000, 1984 Village Sewer bond, due in
annual principal installments of \$55,000, through
2004, interest varies \$ 110,000

General Long-Term Debt:

\$215,000, 1988 Mill Renovation bond, due in
annual principal installments of \$21,500, through
2008, interest at 5.23% 129,000

\$160,000, 1999 Winnisquam Beach bond, due in
annual principal installments of \$16,000, through
2009, interest at 5.33% 112,000

\$150,000, 1999 Highway Garage bond, due in
annual principal installments of \$15,000, through
2009, interest at 5.33%
105,000
346,000
\$ 456,000

All debt is issued as general obligation debt as a direct obligation of the Town, for which its full faith and credit are pledged, and would ultimately be payable from taxes levied on all taxable property located within the Town.

TOWN OF BELMONT, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 2002

Summary of Debt Service Requirements to Maturity

The annual requirements to amortize all outstanding long-term obligations as of December 31, 2002 including interest of \$80,670, are as follows:

Year Ending <u>December 31,</u>	General Long-Term Debt <u>Obligations</u>
2003	\$ 133,885
2004	125,756
2005	65,260
2006	62,482
2007	59,706
2008-2009	89,581
	<u>\$ 536,670</u>

NOTE 8--INTERFUND BALANCES

Interfund balances at December 31, 2002 were as follows:

	<u>Fund</u>	Interfund <u>Receivables</u>	Interfund <u>Payables</u>
General Fund		\$ 43,955	
Trust and Agency Funds:			
Expendable Trust Funds			\$ 43,955
Total		<u>\$ 43,955</u>	<u>\$ 43,955</u>

NOTE 9--NET WORKING CAPITAL

The net working capital for the Water Fund and the Sewer Fund as of December 31, 2002 is \$123,569 and \$939,666, respectively.

NOTE 10--FUND BALANCES

General Fund - Designated

Appropriations for certain projects and specific items not fully expended at year end are carried forward as continuing appropriations to the next year in which they supplement the appropriations of that year. At year end, continuing appropriations are reported as a component of fund balance and are as follows:

General government	\$ 61,626
Public safety	10,347
Highway and streets	11,500
Culture and recreation	9,650
	<u>93,123</u>
Less: Revenues not susceptible to accrual	<u>(10,347)</u>
	<u>\$ 82,776</u>

TOWN OF BELMONT, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)

Lamprey Cemetery	8,094	1,866	9,960
Swain scholarship	2,464	595	3,059
Unallocated income		17,761	17,761
	<u>\$ 758,656</u>	<u>\$ 139,591</u>	<u>\$ 898,247</u>

Unreserved - Designated

Expendable trust fund balances designated for subsequent years' expenditures are as follows:

Capital Reserve Funds:	
Town building exhaust	\$ 140
Belmont Highway	25,008
Library building improvements	76,740
Recycling facility	1,101
Police Vehicle	492
Digital camera software	5,001
	<u>108,482</u>
Expendable Trust:	
Cemetery maintenance	8,815
Economic development	79,840
Homeland defense	20,008
Information technology	6,608
	<u>115,271</u>
	<u>\$ 223,753</u>

NOTE 11--GASB STATEMENT 34

In June 1999 the Governmental Accounting Standards Board unanimously approved Statement 34, Basic Financial Statements – and Management's Discussion and Analysis –for State and Local Governments. Significant changes include a Management Discussion and Analysis section providing an analysis of overall financial position, results of operations, financial statements prepared using full accrual accounting and a change in the fund financial statements to focus on major funds. The general provisions of Statement 34 are required to be implemented by the Town of Belmont no later than the fiscal year ending December 31, 2004.
