To the full detailed report preceding, we are adding the following condensed statement so that the voters may see at a glance, the amount of each item of the Budget, as well as the total amount recommended.

We recommend that the amount of \$2,800.00, appropriated in 1920, for a cinder sidewalk from Church street to Hannafords corner, be used to construct a cement sidewalk beginning on the southernly side of Main street, at the corner of Church street, and extending towards the Upper Village.

There is in the treasury about \$7,000.00, balance from the sale of the Cascade Water & Sewer bonds. This, with the \$3,000.00 which we recommend, will give \$10,000.00 with which to put the town water into the Cascade school house, and to make a start towards installing a suitable sewer system on Cascade Hill.

We recommend that if an appropriation is made for the construction of a permanent road on lower Main street, the Selectmen have suitable specifications drawn up, and call for sealed bids for such construction.

We recommend that a committee be appointed to erect the permanent Honor Roll, substantially in accordance with a plan which has been placed in the hands of the Selectmen.

We have tried to consider the needs of all parts of the town. We have also had to consider the desirability of keeping the tax rate within 3 per cent of the valuation. This we believe can be done if the appropriations are made in accordance with our recommendations.

I desire to call the attention of the citizens to the fact that whenever any public entertainment has been held for the good of the public with no admission charge, there has been no charge made for the use of the Opera house, with the exception of the Fish and Game Club entertainment and supper for which a nominal charge was made for the use of dining rooms, kitchen, police court rooms and Opera house. I have endeavored to operate the same for the general benefit of the town as a whole and to obtain the most revenue possible to take care of the expenses incident to the maintenance of the building. If you will look over the Town Report for the year ending 1920 you will find that the expense of the Town building was \$5,712.24 including the following items: heat, \$1,400, interest on bonds, \$2,500. Detail No. 5, \$1,812.24.

Respectfully submitted,
 HARRY G. NOYES,
Manager of Opera House.

Report of District Nurse

We are entering on our fourth year of district nursing service, and the work is growing steadily.

One thousand six hundred and twenty nursing visits were made

during the year just closed. These visits consisted of general bedside nursing, surgical dressings and care of small injuries and sores, mostly among school children.

From June 1, to Oct. 1 babies were weighed and mothers were advised as to feeding etc., every Tuesday afternoon at the nurse's rooms. This work will be resumed the coming summer.

The physical examination of the school children by the school physician, assisted by the nurse, showed many defective cases which are being followed up and the need of treatment for the correction of these defects is being presented to the parents.

In weighing the school children it was found that many of them were underweight, and a plan to serve milk to them during the recess period was discussed with the Superintendent of schools and with the teachers of the Ann Lary school. The Superintendent brought the matter before the Board of Education which approved the plan. The committee of the District Nursing service, at its meeting, showed its approval and cooperation by donating the sum of \$50.00 to supply the milk and utensils for serving it until the matter can be brought up at the coming town meeting.

The nurse has been giving practical talks and demonstrations on Home Hygiene and care of the sick, at the High school one afternoon each week, when possible, to a class of girls studying Domestic Science.

We wish to thank all those who contributed clothing (especially infants clothing) and other supplies during the past year.

Respectfully submitted,

ANNE GORMAN,

District Nurse.
