Remarks

The schools are shorter this year than common on account of less money coming from the state. And if we wish to accept state aid, we must maintain at least thirty-two weeks of school in the year; and also we must raise more money in order to do this. We think that the schools have been very satisfactory this year with the able staff of teachers, showing marked advancement in all schools. Wishing to thank the parents for the support given me while on the board, I take this opportunity of doing so.

CHARLES H. BROWN,
Chairman School Board.

The school board of Wentworth recommend to the district that the following amount be raised and appropriated as follows:

High school tuition	\$200 00
Scholars' supplies	100 00
Officers' salaries	100 00
Flags and appurtenances	50 00
	<hr/>
Whole amount to be raised	\$450 00

EUGENE C. DOWNING,
META DOWNING,
School board of Wentworth.
