- Researched and presented Trustees of the Cemeteries information regarding purchase of hand tools, chain saw and safety equipment.
- Worked with families and funeral directors to coordinate purchase of plots and interments.

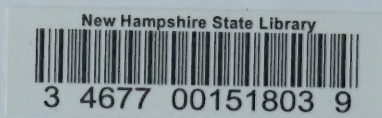

2011 Objectives:

- Clean and clear out brush and debris along the back border of the Lower Cemetery in preparation for the installation of new fence.
- Clear brush from the stone wall that separates the old and new sections of the Upper Cemetery.
- Back fill sunken plots.
- Straighten head stones/monuments that require attention to avoid damage
- Install new donated fence in the Upper Cemetery.
- Normal spring, summer and fall maintenance

These lists are things I have accomplished during 2010 and plan to accomplish in 2011. We continue to map out the cemeteries so that going forward we will have better records to keep track of plots and interments.

- Had tree removal and limbing completed in Upper Cemetery, still additional work to be done

A special thank you to Bruce and Ginger Cheeney for working so closely with the Trustees and the Sexton on behalf of the Town of Langdon.

All in all, the Trustees, Shelly Barnes, Doug Beach and Gina Beach feel this was a productive year. We are extremely pleased with the work of the Sexton, Curt Barnes and feel that our cemeteries are being maintained with the dignity and respect as our funding will permit.
