TOWN WARRANT.

THE STATE OF NEW HAMPSHIRE.

[L. S.] To the inhabitants of the town of Salem qualified to vote in town affairs:

You are hereby notified to meet at the town house, in said Salem, on the second Tuesday of March next, at 10 o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers and agents for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the year ensuing.
3. To see if the town will vote to raise any more money for the repairs of highways than the law requires.
4. To see what method the town will vote to adopt to facilitate the collection of taxes.
5. To hear the reports of agents, auditors, committees or officers heretofore chosen, and pass any vote relating thereto.
6. To see if the town will vote to authorize the town treasurer to hire, with the approval of the selectmen, such

sums of money as he may need for general purposes in anticipation of taxes.

7. By request. To see if the town will vote to raise the sum of \$100, or any part thereof, for the use of Gilman E. Sleeper Post, No. 60, G. A. R., to be expended in the observance of Memorial Day in the year 1907.

8. By request. To see what sum of money the town will vote to raise for the support of the Salem free public library.

9. By request. To see if the town will vote to macadamize a portion of its highways.

10. By request. To see what action the town will take in regard to buying machinery for building macadam roads.

11. By request. To see if the town will vote to repair the private road on the shore of Canobie Lake.

12. By request. To see if the town will vote to accept of Joseph Marston the sum of \$100 as a perpetual fund, the income to be expended for the care of said Marston's lot in Pine Grove Cemetery.

13. By request. To see if the town will vote to accept of Martha Welch the sum of \$50 as a perpetual fund, the income to be expended for the care of said Welch's lot in Pine Grove Cemetery.

14. By request. To see if the town will vote to accept of Ellen S. Bennett the sum of \$100 as a perpetual fund, the income to be expended for the care of said Bennett's lot in Pine Grove Cemetery.

15. By request. To see if the town will vote to extend

its electric light line down Pleasant Street to the house of Ezra B. Hall, and raise money for the same.

16. By request. To see if the town will vote to extend its water pipes into Pine Grove Cemetery, and raise money for the same.

17. By request. To see if the town will vote to repair two culverts and the highway from Merrill's Corner to the house of Stephen Webster, and raise money for the same.

18. By request. To see if the town will vote to instruct the selectmen to have the town house lighted by electricity, and raise money for the same.

19. By request. To see if the town will vote to fix the pay per hour for labor on the highway.

20. By request. To see if the town will vote to put in two hydrants between the house of Leslie Colburn and car barn.

21. By request. To see what action the town will take in regard to printing the town history.

22. By request. To see if the town will vote to raise \$800 to purchase a combination hose and chemical for Salem Hose Co., No. 2.

23. By request. To see if the town will vote to raise money to complete Hose House No. 2 in said town.

24. To see if the town will vote to accept and adopt the provisions of an act to enable the town of Salem to fund its debt by the issue of bonds exempt from taxation, passed at the present session of the General Court. Approved February 20, 1907.

Given under our hands and seal this 23d day of February, 1907.

REPORT OF WATER COMMISSIONERS.

In submitting our second annual report of the Salem Water Works, we wish to state that although article No. 17 was acted upon favorably at our last annual town meeting, no appropriation was made to carry out the work, consequently no work has been done. We desire to call the attention of the citizens that in making extensions to our system a careful consideration should be given to the income to be derived from such extensions.

Our fixed interest charges are now four per cent. on \$50,000, with the additional expense of maintenance.

We should suggest for consideration by the citizens the matter of making an appropriation each year to establish a sinking fund with which to meet the notes given for the purchase of the water works. During the year fifteen new services have been added.

KIMBALL M. McLAUGHLIN,
ARTHUR C. HALL,
Water Commissioners of Salem.

REPORT OF BOARD OF HEALTH.

SALEM, N. H., February 15, 1907.

The board has received but few complaints from the unsanitary condition of buildings this year. We have visited all of the public buildings in town and in general have found them in good condition.

With reference to the schoolhouses, will say that we have given them our special attention and feel that we have accomplished something towards a betterment of their sanitary condition. If the parents will assist the teachers and board of health by trying to impress upon the children the importance of this subject, we think still more may be accomplished.

Some fault has been found because the board of health has not been more strict in its quarantine orders. Yet in all cases where we have received notices we have posted cards and given careful instructions, and if these had been followed there could be no occasion for anyone finding fault. Let us hope in the future that our citizens will be a little more careful about disobeying their quarantine orders; if not, it may be the duty of the board to adopt some other measures, which, while not so pleasant to the board, will be more effective to those concerned.

During the past year there have been reported seven cases of diphtheria; two of typhoid fever; five of scarlet fever. There have been two deaths from tuberculosis and one from diphtheria. There have been 34 deaths from all causes in 1906.

Population of Salem in 1900, 2,041.

Death rate per 1,000 population, 16.65+.

SALEM FREE PUBLIC LIBRARY.

LIBRARIAN'S REPORT.

To the Board of Trustees of the Salem Public Library:

Gentlemen: The thirteenth annual report of the library, showing its work for the year ending February 15, 1907, is herewith presented.

The year's growth.—The whole number of books reported last year was 1,986; the number of accessions since then has been 52, comprising 50 volumes obtained by purchase, and 2 gifts, making a total now in the library of 2,038. This does not include the public documents and reports, of which there are 336 bound volumes and 832 paper covers and pamphlets.

The year's circulation.—During the year 4,942 volumes were issued for home use, a decrease from last year of 246. About the same number of books have been sent to the Depot Village as last year, a little over one third. The circulation at North Salem has decreased by nearly 300. The largest number issued in one month was 623, in March; the smallest number, 324, in October. The largest number in one day, 136, March 17; the smallest number, 64, September 15. Average per day, 95.

REPORT OF TRUSTEES.

The trustees of the Salem Free Public Library herewith submit their annual report for the year ending February 15, 1907 :

Organization was effected at the beginning of the fiscal year as follows: Chairman, Clinton L. Silver; clerk, Daniel A. Abbott; treasurer, Lorenzo F. Hyde.

In this, the thirteenth annual report of the library trustees, we desire to say that the interest in the institution still continues, and the trustees believe that the people of the town appreciate the efforts of the library officials to place in the hands of its patrons books and publications of a high standard of excellence, which may be read by every member of the family with satisfaction and profit.

A well-selected lot of books has been added to the library during the year, embracing a variety of subjects, including "Our Country" by Lossing, 8 volumes, and "The Masterpieces and History of Literature," 10 volumes,—valuable works of history and reference.

No draft has been made on invested funds for current expenses or the purchase of books the past year.

The roof of the library building has been shingled, at a cost of \$100. Additional shelf room has also been provided at a small expense. A few repairs on the interior of the building will be needed the present year.

The trustees would recommend an appropriation of \$150 for the support of the library the coming year, in addition to the amount required by law.

Our thanks are due the librarian, Mrs. S. A. Cluff, and all others who have contributed in any way to the success of the library.

Incorporated with this report will be found a list of books added during the year.

CLINTON L. SILVER,
DANIEL A. ABBOTT,
LORENZO F. HYDE,

Trustees of Salem Free Public Library.

THE STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town School District in the Town of Salem, qualified to vote in district affairs:

You are hereby notified to meet at the town hall on Saturday the sixteenth day of March, 1907, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a treasurer for the ensuing year.
4. To choose a member of the school board for the ensuing three years.
5. To see what sum of money the district will vote to raise for the support of schools in addition to the tax required by law.
6. To see if the district will vote to raise the sum of one hundred and forty dollars (\$140.00) to reinsure its schoolhouses.
7. To see what sum of money the district will vote to raise for the purchase of land adjacent to No. 8 schoolhouse.
8. To see what sum of money the district will vote to raise for the repairing, enlarging or rebuilding No. 8 schoolhouse and shed.
9. To see what sum of money the district will vote to raise for digging a well on the grounds of No. 10 schoolhouse and furnishing a pump for the same.
10. To see what sum of money the district will vote to raise for laying a new floor in No. 4 schoolhouse.
11. To see if the district will vote to dig a well at No. 3 schoolhouse and raise money for the same, the sum thus raised to include a pump for the well.

To hear the reports of agents, auditors, committees, or officers, heretofore chosen, and pass any vote relating thereto.

To choose agents, auditors, and committees, in relation to any subjects embraced in this warrant.

Given under our hands, at said Salem, this twenty-third day of February, 1907.

FRANK D. DAVIS,
CLINTON L. SILVER,
SETH M. PATTEE,

PUBLIC SCHOOLS.

Fellow Citizens:

Your schools have been maintained 31 weeks during the fiscal year just closed. No expert supervision has been given your schools. We believe your schools should be under the special direction of some person who has made the art of teaching and school management a study, a person who can give aid to the teacher and supervise the general work of each school. The "right man in the right place" would, we believe, be a help to your schools.

We think every teacher in the town has shown deep interest in her work, and has tried to do what she could to advance each pupil. We regret that there are so many pupils who are frequently tardy or absent. This is not only detrimental to the pupil, but to the entire school as well. We earnestly hope that in the future parents will coöperate with teachers in lessening this evil.

The interest of school funds has been received and used as follows: That of No. 2 school fund (\$14.68) in part payment of transportation of the children in the jurisdiction of said school. That of No. 3 school (\$9.31) in extending the length of the school one week. That of No. 10 school (\$12.91) by adding eight days to the winter term. This is in addition to the number of weeks given by the town.

Your attention is respectfully and urgently called to the situation that exists in No. 8 division. The present school building is not adequate to accommodate the number of pupils now attending; besides, the outlook for the future bespeaks the need of much more room, either by adding to the present building or erecting a new one within the jurisdiction of this school. The shed connected with No. 8

schoolhouse should be resingled and further repairs made to the extent of about seventy dollars (\$70.00). We would recommend that fifteen or twenty feet of land in the rear of No. 8 schoolhouse be purchased and ten feet be added to the building.

This is estimated to cost, with land, foundation, re-shingling and clapboarding the entire building, painting and a new hard wood floor, not far from \$450. Then the question arises whether it would be better to erect a building large enough to accommodate the pupils or to make repairs as suggested.

Since there are only three pupils in No. 7 school, it seems unwise to continue this school, but rather to pay the cost of transportation to the schools in the Depot Village, which can be done much cheaper than to continue the school.

New seats and desks have been placed in No. 5 schoolhouse. No. 10 schoolhouse has been resingled and painted and other repairs made. Wells have been dug at Nos. 4 and 10 schools. (See report of committee on wells.)

Your schools were shortened three weeks on account of the state aid that has been your good fortune to receive for a few years past being withheld and given to some other town.

We believe that your schools should be in session at least 34 weeks. That it may be possible to do this, it seems necessary to raise the sum of \$4,000 above the tax required by law.

Twenty-two pupils from your school district are attending school at Methuen High and Tilton Seminary at a cost of \$40 per pupil.

Respectfully submitted,

FRANK D. DAVIS.

CLINTON L. SILVER.

SUPERVISOR OF MUSIC.

HAVERHILL, MASS., February 2, 1907.

To the School Board of Salem, N. H.:

In submitting a short report of the musical progress of your schools I take great pleasure in being able to say that the interest in the subject noted in my previous reports still continues. The children of the grammar grades, both at the Centre and at the Depot, were given new song books at the beginning of the fall term, and are now taking great delight in three-part singing, without the aid of instruments, which is a feature never before attempted by them. The pupils of the intermediate grades at the Depot have quickly mastered everything their book contained in part singing and called for more. They were loaned a book of three-part songs, and have since that time copied and learned several quite difficult selections from it, which they sing delightfully. And so it is in other parts of the town, they are outgrowing their books and are asking for more pretentious work. New material is needed in the North Salem school, No. 4, where the children, large and small, are taking a decided brace, and are already too familiar with the songs of their books for the best future success. Good two-part singing is also being done at some of the other outlying schools. The little people of the first and second grades at the Depot are doing really phenomenal work, reading readily in four or five keys and learning many new songs with the greatest ease and accuracy. Wherever the teachers are really trying to do something in music the children are responding heartily, and improvement is noted. Good discipline is apparent in all the schools, which is a great help to the teacher of music.

Respectfully,

W. E. HARTWELL,
Supervisor of Music.
