2013 ANNUAL REPORT DEDICATION

Joan Read

For recognition of years of faithful service to this town and our community- Joan served as the Town Clerk since 1978. While she worked as clerk, the office remained in a part of her home. Stoddard became the last office of its kind in the state. Many years she was the bus driver for the Stoddard School system. Her involvement in the Stoddard Congregational Church has also included year's active in and as president of the Woman's Fellowship.

Barbara Rockwell

Born in Massachusetts, Barbara moved to Stoddard with her husband, Earl, 52 years ago. She raised two children, Steven and Kathy, who both live in Stoddard. Barbara has five grandchildren and nine great grand children. After many years of working at home and working jobs in the insurance industry and manufacturing she retired.

Since retirement Barbara has become increasingly involved in volunteer work. She served as the Town Librarian for many years. She was an active member of the CEO of years as well as the Stoddard Garden Club. She has been a participant in the Red Hatters, the Nelson-Rip-Out-Club, is involved in the

Senior Luncheon program, as well as many of the fundraiser dinners in town. Barbara is an active member of the Stoddard Congregational Church. For a number of years she has volunteered to drive others to their doctor of hospital appointments and visits a number of former residents now in nursing homes.

She continues to be an active person in activities in town and is know to many as the "Roadrunner."

Lina Vaillancourt

Lina and her husband, Emile, started coming to Stoddard in 1956, purchasing land on Highland Lake. They spent weekends and summers camping, deciding in 1960 to build a home. Lina worked in Stoddard for many years doing housekeeping. She served as President of the PTA, a 4H leader-teaching girls sewing for which she received an award.

Lina volunteered her time and sewing talents to make curtains for the Town Hall windows and gold stage curtains. She also did the Church's curtains along with the Davis Library. Lina was a member of a local sewing group called the Rip-Out for many years.

For twenty years Lina served as an Assistant Librarian, and also worked on the voter checklist. She assisted with many activities for the bi-centennial, making period costumes.

Lina has two sons, Leonard and David, who is currently Stoddard's Police Chief and provider of highway maintenance. She is also the current holder of the Boston Post Cane.

IN MEMORIAM

Kenneth C. Hill
1936-2013

After retiring from a career with the U.S. Government, Ken and his family moved back home to New England and settled in Stoddard. He was born in Greenfield, MA and his grandfather was born in Marlborough, NH.

Ken was always searching for ways to contribute to the town. He served on the check-list for awhile and was available to assist them with computer issues.

Aware of the difficulties some residents had finding rides to medical appointments he and two of his friends started the Stoddard Medical Transport Service. For five years they drove people to Keene, Peterborough, Manchester and Lebanon. All trips completely free of charge. Many folks benefited from this help.

He loved New England with its changing seasons and lived here for twenty years to the day.

PUBLIC NOTICE TO STODDARD RESIDENTS AND PROPERTY OWNERS

[RSA 674:39-aa.VI]

Pursuant to Chapter 206 (HB 316) of the 2011 Legislative session, and RSA 674:39-aa, notice is hereby given to all Stoddard residents and property owners that any involuntarily merged lots may be restored to premerger status upon the owner's request to the Board of Selectmen. This notice is posted at the Stoddard Town Offices and the Stoddard Town website, and shall remain posted through December 31, 2016. Notice shall also be published in the Town's Annual Reports through the 2015/16.

Town of Stoddard

Boards & Departments

SELECTMEN'S ANNUAL REPORT

To begin, I would like to thank all the residents of Stoddard for the privilege of being able to serve you as a Selectman and as the Chairman of the Board of Selectmen.

We had a record breaking cold winter and although we didn't break a record for snowfall, we certainly had an adequate amount of snow.

As stated in this report, we are asking the voters to allow us to complete the Town Hall Project. This would involve finishing the new bathrooms which will be handicapped accessible and completing the kitchen facilities.

Renovations and improvements to the Gould House are complete and we are finally done spending money on that project. We are able to use the meeting room in the Gould House, which has a total capacity of fifteen people. There are two offices and a functional basement.

This year, the Trustees of the Davis Memorial Library are asking for funds to renovate the building. In this year's budget, they are looking for an amount of \$30,000.00 for a well, septic system and architectural work. In the following year, they need additional funds for the extension to the building, which will include a handicap accessible restroom, children's area and book storage.

Work is going to begin at the Recycling Center to improve safety for residents while entering and exiting the facility.

Thank you to the Planning Board for the hard work they have done to hopefully get cell service for the Town of Stoddard.

Our most heartfelt thanks go out to all who volunteer their time and efforts in serving on Boards and Committees. It is because of their selfless giving to their community, we are able to accomplish our goals.

A very special note of gratitude to our Fire & Rescue Department, Fire Wardens, Emergency Management and Police Department for their hard work in keeping the residents of Stoddard protected and for making our community a safe place to live.

Lastly, we thank you, our citizens for your support and help. When a community shows care and concern for their town, a great deal can be accomplished and our town is enriched.

Sincerely,

Stephen J. McGerty, Chairman
Board of Selectmen

PLANNING BOARD REPORT

The Planning Board has met on a regular basis throughout the year. In July 2013, Dian Matthews presented to the Board the Developable Lot Study that she and Terry McMahon, a former Planning Board member, had been working on. It was a big project, and the Board appreciates having these data. The study looked at the steepness of slopes, and this will be helpful when planning development.

Other routine business was a minor sub-division, voluntary lot line merger, and lot line adjustment. When working on the lot line adjustment it became evident that the language in the ordinance was not clear, so the Board has added clarification to that ordinance, and you will be voting on that addition in May. In addition the State of New Hampshire has issued a Notice regarding involuntarily merged lots. You will find that Notice on another page in the Town Report.

After more than two years of gathering information, writing, re-writing, and checking different sources, and as you read this, the Planning Board will have presented a new Telecommunications Ordinance to the Town. Our goal has been to get cell-phone coverage to the Town, without destroying the unique features of Stoddard, which we all appreciate. The ordinance is more extensive than the old one, because so many eventualities needed to be covered.

A sub-committee of the Planning Board has been working on updating the Master Plan. Many of the goals that were set in 2005 have been achieved, and will be removed. Then we need to update or modify our goals. This is a work in progress, and at some time in the future there will be an opportunity for public input.

The Planning Board has been working short one board member. Not enough residents put their names on the ballot for this position last year. The Board is grateful for the people who did sign up, and are willing to serve their town, and we hope next election will bring the Board up to six members.

Thank you all for your support. Do let us know of issues you consider important to the future planning of Stoddard.

Respectfully,

Chris Madden

TOWN CLERK'S REPORT 2013-2014

It has been another year of transition for our office. The first anniversary of the move to the Town Hall occurred in January. This has been a year of construction and change. Working with the carpenters, and the electricians, who have changed the face of the inside of the building was a real experience. They did a great job of maintaining the floors and keeping things neat around them at the end of the day. Only rarely did we have to compete with music and or power tools. Now the space is looking great. If you haven't checked out the hall, stop by and see the improvements.

We now have updated our offices as well with a new fax phone line and an additional upgrade to phone and Internet services. All of our historical records are held in fireproof files and we have heat in our front hallway so we are nice and warm in this winter weather as are all that come to see us.

We have completed our first year of registering boats here in town, and that seems to be a nice convenience for all, along with additional revenue to the town. Many of our residents are taking advantage of our mailer program for the renewal of their registrations, which also seems to be working smoothly.

There is a new sign for the office outside the Town Hall. It was a gift from the Historical Society to the town, we thank them for that. Again, thank you to all who have had to be patient with out improvement time, we should be working up to speed at this point.

Respectfully submitted,

Linda Clark
Stoddard Town Clerk

The year 2013 has been another great though very busy year for the Stoddard Police Department. I would like to thank Officer Dominic Busto as well as animal control officer Margo Santoro for their cooperation and dedication to the Stoddard Police Department. Their help has been greatly appreciated in making our community safe.

Continued increase of patrol this year, has benefitted the safety of our citizens. Over 150 motor vehicle stops were made this year, the majority being on Route 123.

We would like to remind everyone to remain safe while travelling on our roads and to follow all speed limits; this will keep our community safe. With weather conditions changing and becoming warmer more bikers, motorcyclists, pedestrians and animals will be travelling our roads.

We would like to thank the citizens of Stoddard for their continued support and assistance. If there is ever an emergency, please call 911. You can also contact dispatch directly by calling (603) 355-2000. For any non-emergency issues, please call the Stoddard Police Department at (603) 446-3597.

Respectfully submitted,

David Vaillancourt, Constable/Police Chief

STODDARD FIRE & RESCUE AND EMERGENCY MANAGEMENT REPORT

The Stoddard Fire & Rescue department call volume for the January to December 2013 time frame were: 49 fire, 53 medical, 17 motor vehicle accidents, 5 mutual aid calls, for a total of 124 calls for 2013. This is the highest number of incidents in the history of the department.

The dry hydrant on Pitcher Mountain Farm located on RT.123N was replaced in the fall. Thank you, Steve Rokes, for volunteering his time and equipment along with Joe Sarcione, Steve McGerty, Brian Michaud and Mark McKeen. This is not an easy task as it took over 8 hours to install the dry hydrant. A dry hydrant is a water source used to draft water. We will be installing a dry hydrant at Cold Spring Pond and Island Pond sometime this fall. We are investigating installing a dry hydrant or hydrants in Hidden Lake.

The Stoddard Fire & Rescue association established a scholarship in the memory of Honorary Fire Chief Shannon J. Sarcione and is named **The Shannon J. Sarcione Memorial Scholarship**: Is available to a student who is a resident of Stoddard. This \$500.00 scholarship will be awarded to a student with financial need who displays academic excellence, commitment to serving others and who is active in their school and community. Candidates must be planning to enroll in one of the following: a two or four year college, university, vocational or trade school.

Welcome new members James Smith, Jeffery Schafer, Samantha and Sean Brewer. James is a State of NH Certified Firefighter I, Sean is a State of NH Certified Firefighter II and Emergency Medical Technician and Samantha is an Emergency Medical Technician. Jeffery also has experience in the fire service.

The Board of Selectmen and the Fire & Rescue department have agreed that the Fire Chief will be the Town's Emergency Manager and the Deputy Chief will be the Deputy Emergency Manager. The department would like to Thank Dick Gariepy - EMD and Arnold Antrak - Deputy EMD for their years of service to the Town of Stoddard.

FEMA did approve the Town's "Hazard Mitigation Plan." During 2014/2015 the Emergency Management Team will be updating the Town's "Emergency Operating Plan". The department would like to Thank the community for their continued support.

Respectfully Submitted,
Chief P.J. LaMothe

STODDARD COMPLIANCE OFFICER REPORT 2014

To repeat the first paragraph of my 2012 report:

ARTICLE 1 - Purpose and Authority

For the purpose of promoting the health, safety and general welfare of the Town of Stoddard, to *protect the value of property*, and to preserve the rural character of the Town of Stoddard, pursuant to the authority conferred by relevant provisions of RSA 672-677.

To date, 26 Building Permits have been approved and more are expected before the fiscal year ends June 30, 2014. There were at least 17 site inspections beyond the building permits. Meetings occurred with town council regarding interrogatories for an upcoming Superior Court date on town & state violations. There was also a meeting with the First Circuit Court Judge to issue an Administrative inspection warrant, which was served.

I discovered two properties with several violations that are coming into compliance. The first property is a 40 acre lot that was receiving the benefit of 100% Current Use Taxation allowed without structures. This property has a cabin type structure with inadequate sewage disposal. The original tax assessment was \$56 for the year, and now the annual tax assessment is \$488 and compliance is due early this summer.

Another property consisted of 66 acres and was 100% in Current Use. I found that there was no Building Permit, a trailer and a cabin type structure on the property. The owner was paying \$56 a year in Current Use and now the yearly tax bill is \$773 as a portion of the Current Use property falls out of Current Use and the owner will be paying the Town of Stoddard \$3,500 as a Current Use penalty. His sewage disposal issue will be resolved this summer. Both owners have been very co-operative bringing their properties into compliance.

If you have any questions about Town Zoning or state laws pertaining to building etc. feel free to give me a call and if I can't give you an answer ~ I will obtain legal opinion from NH Municipal Association.

In conclusion, the Selectmen's minutes of September 17, 2012, approved the per diem fine of \$275 for Zoning violations effective October 1, 2012, per RSA 676:17. Various permits are available on line or at the Town Offices or call me at 446-7778. Thank you all for your cooperation in helping keep Stoddard the beautiful place it is.

Harry R. Power
Stoddard Compliance Officer

TRUSTEE OF TRUST FUNDS REPORT

The Report of the Trust Funds included in this Town Report itemizes the current balance of each account in the custody of the Trustees from July 1, 2013 to March 31, 2014. At the end of this Fiscal Year (July 1, 2013 - June 30, 2014) this report will be updated as required by the State of New Hampshire to reflect the condition of investments in a fiscal year. The following is to give information in regard to the activities that have occurred in respect to these funds.

Three Year Step CDs - These investments have now expired. In an effort to gain the biggest return on all investments, with approval of the Board of Selectmen, the following accounts were invested in a 5 Year Annuity with Bankers Life and Casualty:

Cemetery Fund - CDF #1 & #2, Town Cemetery - CD
Town Parks and Recreation
Sweetwater Trust
Capital Reserve Funds - School District; Land & Buildings/Improvement
Granite Lake Dam Repair

The funds in this Annuity are listed on the report under "How Invested" - "CD/ANN".

Previously these investments were receiving between .035 and .40% in interest. The new Annuity Fund is receiving 1.55% interest. Ten percent of the total Fund may be withdrawn after one year. Each year that percentage increases by 10% until the fifth year when any amount may be withdrawn. 1.55% is not a great rate by any means, however, it is much better than what the investments were receiving.

The General Cemetery Fund remains in a Now Account. The Emerson and Ruth McCourt Mt. Stoddard Road Cemetery Fund is in a Money Market Account. This account is designated only for the repair and maintenance of headstones in the Mt. Stoddard Road Cemetery.

The investment for the School - Extraordinary Tuition, remains in a regular CD. No funds have been withdrawn from this account.

The Stoddard Rocks funds, raised from taxation, has been invested in a Money Market account. The Sweetwater Trust fund is invested in the Annuity Fund.

The State of NH only requires the Trustees of Trust to hold public meetings once a year. The Trustees met on August 4, 2013 at the Gould House. Members of the public are invited to attend. Notices of meetings and subsequent minutes are posted at the Town Hall, Post Office and Town Clerk's office.

DAVIS PUBLIC LIBRARY REPORT

It has been yet another great year for the Davis Public Library. Over the year, our collection has been continuously updated each and every month, with a wide variety of new and interesting titles in both books and film. This year we began lending fishing poles, generously donated by Paul Krampfert and thanks to the other donations made through the year there are now 8 poles available! We also recently introduced comic books to our collection. AS our collection grows so does our patronage continues to as well with 57 new patrons this year!

This year we held several events all through the year. In April, during National Library Week, we had several events including bookmark making, envelope making and a drawing party. For Earth Day, we showed the movie Lorax. May marked National Photography Month, which we celebrated with a photo hike up Pitcher Mountain. In June the summer reading program began and there were 34 participants in the program! Participants won prizes for their hard work including a Mill Village Store ice cream, Twinkle Town mini-golf and a Toad Stool gift card, with great thanks to the Friends of the Library. The Friends of the Library held the Book Sale in July with more earnings than ever before! Following in August, we had a kid's summer reading by local authors Rich and Sandra Neil Wallace. The Friends of the Library graciously donated books for the children to have signed by the authors. Then in September we offered 3 weeks of art classes taught by Stoddard's own Mary Ann D'Amato, followed by an art show at the end of the month. For October, we held both pumpkin decorating and pumpkin carving events in celebration of the season. We also had trick or treating at the library, where we saw a lot of great costumes. In November we had a Fairy making event, which are currently on display in the children's room. November also marked the start of The Davis Public Library Month Photo Project. Each month there is a different topic of focus for photography, at the end of the month you submit your favorite photo pertaining to the topic, to be put on display in the library with all of the others of the month. It can be a new photo that you go and seek out in the world or one from your past. Previous topics have been: Bridges, Lights and Snow Scene.

Our current and continuous display in the library is the photographs from the Davis Public Library Monthly Photo Project. Earlier in the year, in September we had a display of lovely art pieces made by children from Mexico, who were taught by Stoddard's Mary Ann D'Amato. In October, we had a handmade lantern display of beautiful ceramic lanterns that illuminated the library at night. In the children's room the summer readers built a great gnome garden, which continues to grow.

As many may know, we are a no-fine library. This year we began a program called Food for Fines. We ask that patrons donate non-perishable food items for their overdue materials to benefit the Community Kitchen in Keene, to be distributed to people in our surrounding area.

The book club meets monthly, with the great thanks to the wonderful Leigh Fosberry! Leigh organizes and runs the book club at the library. There have been many great titles of both fiction and non-fiction chosen by the members. If you're interested in joining, stop by the library and pick up a book today.

"The roots of all goodness lie in the soil of appreciation for goodness." Dalai Lama

The Davis Library would not be what it is today without the Friends of the Library. We couldn't thank everyone enough for all that they do. The Friends have an active role in supporting and promoting The Davis Public Library. The book sale this year was the best yet. The group has sponsored, funded and supported several events this year including the Civil War Music performance, Halloween Trick or Treat at the Library, Affordable Care Act Information Session, book donations for local author reading attendees, the Book Pal program, an Astronomy Program at the James Faulkner School, and our Summer Reading program. Keep on the lookout for an upcoming silent auction this summer! In addition to making these wonderful programs available to the community, the Friends have made many donations to improve the library for its patrons including a new computer, power protectors, book and DVD donations along with library passes to McAuliffe & Strawberry Banke. The Friends have provided patrons with a membership to NH downloadable book consortium, making free e-books and audio books available anywhere you are. Yearly contributions were generously made to Children's Literacy Foundation and NH Humanities Council.

On top of all these tremendous opportunities, the Friends of the Library have donated funds for an architectural fee for the proposed addition to the Library. Our tiny library has come a long way since it was first built in 1949. Over the 65 years since the library has been opened, we have grown immensely from our patronage, the staff and volunteers, diverse programming, our collection and the recourses we provide. This year we have proposed a library addition that integrates plumbing. These aspirations of growth have been formulated with the utmost thanks to the Davis Public Library Addition Committee, for their time and dedication to forming a proposal for an addition that would be both reasonable and beneficial for the residents of Stoddard. When the library grows, so does the community.

Trustees of Davis Public Library

"Why We Want The Davis Public Library To Have An Addition"

The 'Friends', the 'Library Trustees' and the members of the 'Addition Committee' have been working in concert with an architect, to create plans to add space and facilities to our beautiful 'little' library. The Davis Public Library has served our community well since 1949. It is a beautiful representation of the times, but, we need more space, and an indoor handicap accessible toilet facility. *'Nine-hundred and twenty-nine'* patrons have library cards and use the library. With an average number of patrons seen at about *'two-hundred and five'* a month, more during warm months, less during cold, we are outgrowing our space. We also rotate books, or 'get' rid of the older books to buy new, due to lack of space. An addition would enable us to expand the *book and media* collection. The 'Friends' have a book sale every year so space is also needed for *'dry, book storage'*. The 'Friends', 'Library Trustees' and the 'Book Club' also use the library for their monthly meetings. Our *'librarian also needs a more functional space'*. Most important of all would be to have a *'safe, warm, indoor bathroom that will be usable by all of our patrons and friends'*, bringing us up to building code compliance.

Our talented librarian has many great ideas that she has been implementing with our patrons. Some have involved crafts that would have been more comfortable to do if the children had somewhere to *'clean up'* afterwards. We are handicapped accessible for our disabled patrons but not for their bathroom needs. Honestly, would *anyone* want to use the 'out-house' during this weather?

This small addition to our Library has the potential to serve residents more comfortably and to add to the attractiveness of our Town. We realize that this project may be a tad ambitious for this year's budget, so we were thinking that a start-up plan for this year would be to get the engineering and remainder of architect's plans done and paid, and to put in the septic and the well, for potable water, with the remaining project addition budget put on next years warrant.

Thank you from the,
'Friends', 'Trustees', and the 'Addition Committee Members'

2013-14 ANNUAL REPORT OF THE CONSERVATION COMMISSION

Year in Review:

2013 was a relatively quiet year for the conservation commission, due in part to a small agenda and a lack of discretionary time by con com members (in particular, the chair).

The Olde Home Days raffle had the most successful year yet. Once again, Andorra Forest & Paul Crosby donated the cord of seasoned wood. Andorra summer field tech Radko Bachvaroff, Paul Crosby, Ernest Getty, and myself cut and split 4-foot logs in a two hour effort in early June, using equipment made available by Loveland Forestry.

The raffle raised \$1,235 dollars from the community, thanks to the efforts of Dale & Debby Smith of Mill Village Store, for pre-selling tickets and for Cathy and Ernest Getty of Rapid City, SD (they spend parts of their summer at their 2nd generation camp on Highland Lake) who have been stellar performers in ticket sales the past two years, working the parade crowd like no others; AND helping to process the cordwood into stove wood lengths. Additionally, Cathy & Ern have helped out with trail work and planting flowers at the trailhead parking lot.

Dick and Carol Briere were the 2013 winners of the cordwood raffle (Dick was a former con com member for many years.....and his previous service had nothing to do with his lucky win!!).

On Sunday of Olde Home Days, we had our first con com sponsored field trip for the town. Eleven folks joined con com member Scott Semmens and myself for the 4+ mile round trip on a very warm July afternoon.

Two new members were added to the conservation commission this year: Antioch Graduate Student Merrilee Frable, a new resident on Mt. Stoddard Rd; and long-time resident and former member of the Select Board, Brenda Bryer. We welcome their arrival and look forward to their input and assistance! Their addition brings the commission membership to five.....the first time in several years.

We approached Laura White, a teacher at the Faulkner Elementary School, to discuss ways of engaging school aged kids with the new town forest. We plan to have an inaugural field trip in June of 2014.....one that we hope to build upon.

2014 Planned Projects

- We plan to step up work on the trails going to Stoddard Rocks and around Pioneer Lake. We need trail volunteers. If you would like to be added to the e-mail list for trail workers, contact Geoff Jones by phone (446-3439) or better yet: email me at geoffreytjones@gmail.com
- Hold the 4th annual "Cordwood for Conservation" to raise money for the annual stewardship fund for Pioneer Lake/Stoddard Rocks. You can make a tax deductible gift

with a donation to the Town of Stoddard/Town Forest Stewardship Fund c/o the Selectman.

- Have an Olde Home Days Weekend hike to Stoddard Rocks (and beyond)
- Follow us on the town website

Please NOTE: The conservation commission meets on the 3rd Wednesday of each month (provided there is an agenda worthy of our time), 7:35 p.m. (after Yoga) at the Town Hall!

Respectfully submitted,

ZONING BOARD REPORT 2013-2014

The Zoning Board of Adjustment is charged with making decisions for special exceptions and variances within the parameters of the Community Planning Ordinances. (CPO) These ordinances should be reexamined on a regular basis for changes needed to both retain the rural character of Stoddard and provide for businesses, which add to the tax base.

Last June a settlement was reached with New Cingular Wireless (AT&T) ending the case in Federal Court. AT&T agreed to withdraw their application for a tower on Melville Hill without prejudice. The phrase “without prejudice” means that AT&T can submit a new application for a tower on the same site. This is felt to be unlikely because Section 106 of the FCC regulations allows the sovereign Indian nation to protect their sacred sites. Melville Hill is deemed sacred by the Lakota-Sioux because they believe the daughter of Dr. Eastman, a Lakota Sioux, who established and ran a camp in the area, is buried in an unmarked grave on the hill.

Things to remember when planning any addition or changes to waterfront property:

- A buffer zone of 50 feet from the high water mark must be left undisturbed to reduce siltation into the water. The introduction of silt and fertilizer into the lake, gradually disturbs the ecosystem thereby reducing the quality of the water;
- Additions of buildings, decks and other alterations may have other restrictions. Consult the Community Planning Ordinances for definitive information. They are on the Stoddard web site;
- “Grandfathered” does not mean you are exempt, but instead you may need a variance before proceeding with any alterations;
- A State Shoreland Permit is required for many alterations on the waterfront. Please obtain the permit before applying to the ZBA. More information is available @ www.des.nh.gov/espa

CEMETERY COMMISSION REPORT 2013-2014

The care and improvement in our (5) five cemeteries continues.

Our new caretakers: James "Bob" Curnutte, who cares for New Town, New Dow and Robb Cemeteries and Rollin Paight, who cares for the Old Dow Cemetery, have done an outstanding job. Thank you gentlemen!

Trees continue to be a problem: New Dow had a large limb fall from a maple tree this past fall, just missing several headstones, by inches. New Town had another large elm removed this past winter. Thankfully, Frank Stuckey does our tree work carefully and skillfully with his new assistant, Dale Smith III. Thank you for your great work gentlemen!

Our thanks also goes to Peterborough Marble and Granite Works, John Kaufhold and his men, who repaired and reset the many headstones in the New Town Cemetery, with funds provided for this cemetery by the generosity of the Emerson Ruth McCourt Charitable Trust. This trust was given in 2006 for preservation and repair of headstones in the New Town Cemetery.

Again, when visiting your loved ones in our cemeteries, please feel free to call our attention your suggestions for improvements. We appreciate your caring and concerns.

This year we have sent owners of cemetery plots a new set of rules regarding planting at the headstones, due to the increased cost of cemetery care. Please observe the new planting rules. Mowing is expensive and anything in the way of the mower will be removed. Thanks again for your consideration.

Respectfully,

Mary Lou Stymest, Chairman

**CONTOOCCOOK AND NORTH BRANCH RIVERS
LOCAL ADVISORY COMMITTEE
(CNBRLAC)**

FORWARD

In 1988, the NH state legislature responded to the increasing and competing uses of our rivers by creating the NH Rivers Management and Protection Program (RMPP). The purpose of the program is to protect our state's significant river resources for the benefit of present and future generations through a unique combination of state and local resource management and protection.

A unique feature of the RMPP is the opportunity for cities and towns to participate, through local river management advisory committees, (LAC). An LAC is appointed for each designated river. Each LAC is comprised of representatives from each riverfront municipality and is responsible for developing a local river corridor management plan and reviewing and commenting on activities affecting the river that require state or federal permits.

Up to two representatives are permitted for each town. In Stoddard, Ruth Ward and Paul Krampfert are these representatives. The river system is the Contoocook and North Branch Rivers, hence the name of our non-profit group is the Contoocook and North Branch Rivers Local Advisory Committee (CNBRLAC).

A brief summary of the accomplishments of the Contoocook and North Branch Rivers Local Advisory Committee (CNBRLAC) in 2013 follows:

EDUCATIONAL AND PUBLICITY ABOUT THE RIVER

CNBRLAC has a power-point program on the history of the river, a large display board, a video of the river set to Vivaldi's Four Season music, a scrapbook of pictures and historical articles about the river, and a brochure available for display at community functions. If you would like to use the display or have a program presented in your town or at a regional organization, contact our chair, Michelle Hamm at mhamm@mpm.com. We will continue to educate local municipalities and landowners on the importance of the management plan.

SIGNS ALONG THE RIVER

CNBRLAC has bought and posted NH Protected River signs in Bennington, Henniker, Greenfield, Peterborough, Hillsboro, Rindge and Contoocook. We have also purchased a set to put near the double stone arch bridge in Stoddard. A sign was put up a few years back, but disappeared.

MONITORING AND CLEAN-UP ALONG THE RIVER

We continue to monitor various sites along the Contoocook and report the information back to NHDES as part of their Voluntary Rivers Assessment Program. (VRAP). Several towns hosted cleanup days along the river and several of the LRAC members participated in these various clean ups efforts.

WEED WATCHER PROGRAM

A representative from NHDES trained the committee members on how to identify various invasive species along the river corridor. The CNBLRAC will be participating in the NHDES weed watcher program in 2014 and will report their findings back to the DES River Management Division.

ADVISING TOWNS ON BUILDING IN THE RIVER CORRIDOR

We continue to advise towns concerning the shoreland protection act, best management practices for the development of land along the river, and dredge and fill permits.

We welcome new members. Our monthly meetings are held the third Monday of each month, usually at 7:00 p.m. at Monadnock Paper Mill in Bennington, and are open to the public. For more information please contact Michelle Hamm at 588-8255.

Paul Krampfert and Ruth Ward
Stoddard representatives.

CNBRLAC serves the towns of: Antrim, Bennington, Boscawen, Concord, Contoocook, Deering, Greenfield, Hancock, Henniker, Hillsborough, Hopkinton, Jaffrey, Penacook, Peterborough, Stoddard, and Rindge.

HEALTHCARE, HOSPICE AND COMMUNITY SERVICES

Report to the Town of

STODDARD

2013/14

Annual Report

In 2013/2014, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Stoddard. The following information represents activities in Stoddard during the past twelve months.

Service Report

Services Offered	Services Provided
Nursing.....	258 Visits
Physical Therapy.....	38 Visits
Occupational Therapy.....	82 Visits
Medical Social Work.....	13 Visits
Home Health Aide.....	7 Visits
Chronic Care.....	1,009 hours
Health Promotion Clinics.....	13 Clinics

Prenatal and well child care, hospice services and regularly scheduled “Nurse Is In” clinics, including foot care, are available to residents. Town funding partially supports these services.

HCS also offers the Age In Motion(AIM) program in Stoddard; AIM is an exercise program designed primarily for older adults. AIM promotes exercise for balance, flexibility, and to build strength, preventing falls and enhancing older residents’ ability to stay independent. Home Healthcare, Hospice and Community Services also sponsors the monthly Friendly Meals for senior citizens at the James Faulkner Elementary School. No town funding is involved in the Friendly Meals program.

Financial Report

The actual cost of all services provided in your fiscal year 2013/2014 with all funding sources is \$131,099.00. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services not covered by other funding have been supported by the town’s appropriation.

For fiscal year 2014/2015, we request an appropriation of \$800.00 to be available for home care services and \$1,200.00 for the Age In Motion program in Stoddard.

For information about HCS services, residents may call (603) 352-2253 or visit www.HCSservices.org

HIGHLAND LAKE UNIFIED ASSOCIATION

The Highland Lake Unified Association is a non-profit organization dedicated to establishing an awareness, understanding and appreciation of Highland Lake and the responsibilities associated with preserving the environment of the lake.

The association is responsible for the volunteer water collection and transporting the specimens for testing by the state, the weed watch program and the highly successful Lake Host Program. The water testing team use their own fishing boats and the weed watch team use their own canoes, kayaks and other small boats looking for invasive plants.

During the 2013 boating season the lake hosts examined over 2,400 boats and trailers both entering and leaving the boat ramps during 12 weekends, which included 10 fishing tournaments. During 2013 importance was given to the washing of boats and trailers ridding them of hitchhiking exotic plant and animal life. Asian clams and zebra mussels have been found in a few New Hampshire lakes.

We are now preparing for the 2014 boating season and will be seeking additional funds. New Hampshire Lakes is trying to obtain funding for the Lake Host Program but with no Federal or State funding they will be relying on private grants. This being so, as more lakes apply for funding from New Hampshire Lakes our share of the allotment will be reduced. Without the Lake Host program, Highland Lake is open to infestation by invasive plants and animal life making the lake inhabitable for fish and other plant life. With such an infestation there would be no boating, fishing or swimming. Property values would be reduced considerably. Eradication of milfoil and other exotic species is extremely expensive. The Lake Host Program is the first line of defense in protecting Highland Lake.

During 2013 with the help of the town of Stoddard providing \$6,000 (six thousand), the town of Washington \$500 (five hundred), road associations, and the generosity of our members we were able to cover the program for the season. Thank you all for your generosity.

I wish you all a good 2014 season.

Joseph P. Van Schaick, President
Highland Lake Unified Association

THE LAKE HOST PROGRAM AT GRANITE LAKE

Since 2004, paid and volunteer Lake Hosts have educated boaters and performed courtesy boat inspections to prevent the introduction of Aquatic Nuisance Species into the lake. In the past 3 years, our lake hosts have prevented the introduction of an invasive species into the lake when inspecting a boat. Once it was Milfoil and once it was Curly Pondweed.

The threat to our lakes has expanded from non-native plants to include Zebra Muscles and Asian Clams, hence the term Aquatic Nuisance Species. Once these non-native entities get into our lakes they rapidly reproduce since they have no natural predators. The quality of the water and therefore boating, fishing and swimming is negatively affected. Removal is very expensive and very difficult.

We use the financial contributions of NHLakes, the Towns of Stoddard and Nelson and the Granite Lake Association to maintain the program. The paid staff are 8 students who staff the ramp from 6am to 6pm weekends and holidays from mid May to mid September. Monday through Friday local residents volunteer their time as Lake Hosts.

As of this season, the Managing/Point Person position of the Granite Lake Lake Host program will be Anita Flanagan, a Nelson, Munsonville resident. I will return to being a Lake Host.

Angel Nicoletti,
Outgoing Managing/Point Person of the Lake Host Program at Granite Lake.

WATER SAMPLING ON HIGHLAND LAKE 2013

The water sampling crew sampled for the following parameters ph, Turbidity, Total Phosphorous and Conductivity at the selected inlets and at the north and deep spots. Chlorophyll-A, Acid Neutralizing Capacity and water clarity were also checked at the deep spots. Samples were taken three times during the summer and sent to DES in Concord. The results were compiled and published in their yearly report.

The first sampling occurred on June 23, 2013. This is usually done with a DES biologist but due to budget cuts we are on a schedule for every other year. The samples were taken at the following areas North Inlet, Barden Brook and the North deep for the Washington end of the lake. For the Stoddard end of the lake samples were checked at Pickerel Cove, Carr Brook, Rice Brook, Kennedy Brook, Dead Brook and south deep spot. Water clarity was 2.7 meters at the North end and 2.58 meters at the South end using the secci disc.

The second check was done on August 5, 2013 and the clarity was 2.58 meters at the North end and 2.65 meters at the South end.

The third check completed on September 8, 2013 gave an improved clarity with the North end at 3.87 meters and the South end 2.65 meters. We were pleased to see, along with the usual wildlife, an eagle and an osprey at the South end. We made a view scope to be used with the secci disc and checked clarity for the Kent State annual secci disc event.

The sample results are within parameters of past years and overall the lake is in good shape.

*2013 Town Meeting
Minutes*

TOWN OF STODDARD, NH
TOWN MEETING
MAY 14, 2013

To the inhabitants of the Town of Stoddard in the County of Cheshire in the State of New Hampshire, qualified to vote in Town affairs: You are hereby notified to meet at the James Faulkner Elementary School Lucy B. Hill Community Room in said Stoddard on Tuesday, the fourteenth (14th) day of May 2013, next at eleven of the clock in the forenoon (11:00AM) to act upon the following articles:

The Polls will be open from 11:00 AM to 7:00 PM.

Article 1: To choose by ballot all necessary Town Officers for the ensuing year.

FURTHER; you are hereby notified to meet at the James Faulkner Elementary School, Lucy B. Hill Community Room, in said Stoddard on Tuesday, the twenty-first (21st) day of May 2013, next at seven of the clock in the evening (7:00 PM) to act upon articles 2 through 31.

Deputy Moderator Richard Nicoletti was sworn in to conduct the business of the meeting. The meeting was opened by Pastor Ben Ayer with prayer. The head table was introduced, and Joe Sarcione was recognized to lead the Pledge of Allegiance to The United States of America. There was then a call for a moment of silence for those this town has lost in the past year.

Linda Clark, Town Clerk was recognized to do a brief presentation to Joan Read in her absence, our former Town Clerk, for all of her previous years of service to the town.

Motion PJ Lamothe made a motion to move Article 31 to be considered due to the possibility that the department might be called out before that article came up for consideration. Motion seconded by Joe Sarcione **Motion is adopted.**

Article 2: To see if the Town will vote to raise and appropriate the sum of \$331,061 for general municipal operations. This article does not include special or individual articles addressed. **Majority vote required. Recommended by the Board of Selectmen.**

Motion made to accept as written by Dick Gariepy, seconded by Dick Briere.

Dick Gariepy then moved to amend the article to allow the selectmen to appoint a committee of 3 as an advisory board.

Seconded by Dale Smith.

Discussion followed. George Davenport feels the board should not be appointed but elected as is the wish of the town previously.

John Cirello asked why the board needed to be abolished.

Dick Gariepy reported that as Chair of the committee a 9 member board has proven to be cumbersome, and difficult to get a quorum to gather to conduct business.

After further discussion, Dick Gariepy requested a withdrawal of his amendment, Dale Smith agreed.

Dick Gariepy then moved a new amendment. To reduce the members to an elected position in the current year to be a 6 board membership and in the coming year of 2014 to further reduce the board to a 3 board membership that is elected. The current elected board would continue to exist as it currently is with the 6 elected existing members.

Seconded by John Cierello.

No further discussion

Article 30 is adopted as amended by majority vote.

Article 31: Shall the Town vote to adopt the provision of RSA 154:1(b) for the selection of a Fire Chief, which states: "A fire chief appointed by the local governing body, or by the town or city manager, if any, with firefighters appointed by the local governing body or manager upon recommendation of the fire chief" or take any other action in relation thereto. **Submitted by petition.**

Discussion followed. P J Lamothe stated that in 1995 the wording of the town warrant was such that this choice by selectmen was left as an option. The current RSA 154:1 III has a slightly different wording. She moved to amend this article to read as that RSA is written.

Shall the town vote to adopt the provision of RSA 154:1 III. A municipality may choose a form of fire department organization different from those set forth in paragraph I, including the election of fire chief, fire officers of firefighters, or all such persons, by the firefighters.

Seconded by Terry McMahon.

GRANITE LAKE VILLAGE DISTRICT ANNUAL MEETING REPORT

State Of New Hampshire

Granite Lake Village District Annual Meeting Report State of New Hampshire

John Halter, moderator, called the meeting to order at 9:06 A.M. April 20,2013 and read the warrant as follows:

To the inhabitants of the Granite Lake Village District in the towns of Nelson and Stoddard NH, located in Cheshire County who are qualified to vote in Village District Affairs, you are hereby notified that the annual meeting of the Granite Lake Village District will be held at the Chapel-by-the-Lake in Munsonville, NH, Saturday, April 20, 2013 at 9:00 A.M. to act on articles 1-6 including election of officers.

Article 1. To choose one commissioner for a term of three years and to see who the inhabitants of the District will elect for the offices of auditor, treasurer, moderator, clerk, each for a term of one year. Nominated for commissioner, Brian Pratt; auditor, John Halter; treasurer, Barbara Ropiecki; moderator, John Halter; clerk, Sally Ripley. The article was appropriately moved and seconded - vote was affirmative.

Article 2. To see if the District will vote to raise the sum of \$5,000. to add to the *Capital Reserve Fund for dam maintenance/repair/ replacement established Dec.2008.*

Phil Hamilton explained that sometime soon the facing will need to be jackhammered off the dam and new concrete put on. The current footings will not permit another layer.Phil said he thought it would cost about \$35,000. Barbara Ropiecki said we have \$25,512.15 in capital reserve already. The article was appropriately moved and seconded - vote was affirmative.

Article 3. To see if the District will vote to appropriate the sum of \$2,000.(from last year's budget surplus) to design and build a safe walkway over the dam for the purpose of helping in raising/ lowering the flashboards. Leonard commented that someone could get up on it and fall in the water; John Halter assured him that it is beyond the fenced area. The article was appropriately moved and seconded - vote was affirmative.

Article 4. To see if the District will vote to raise and appropriate the sum of \$1700. to defray Village District expenses. Barbara summarized the various fees (NH Municipal Association \$400., Dam registration \$400., Chapel \$300, brush cutting \$50.) and office needs. The article was appropriately moved and seconded- vote was affirmative.

Article 5. To see if the District will vote to raise and appropriate that sum of \$750. to pay for liability insurance for one year.

Barbara said that's what it has been for several years and that once again, the amount has been locked in for 3 years. The article was appropriately moved and seconded- the vote was affirmative.

Article 6. To see if the District will vote to hold its annual meeting on April 19, 2014 at 9:00 A.M. at the Chapel-by-the-Lake in Munsonville, NH. the article was appropriately moved and seconded.- the vote was affirmative.

A vote to adjourn was moved and seconded and voted affirmative. meeting over about 9:30 A.M. Sally Ripley reminded Phil to speak about lowering the lake earlier in the fall. Phil spoke about the need to bring the water level down earlier so that the lake trout eggs would not get left up on shore when the water went down. The group of landowners appeared to approve, and the board left the decision to be made how much to lower the lake to the Fish and Game Dept. and the dam bureau. The F&G Dept. wants 12" left on the spillway and the dam bureau wants the water level at the level of the spillway.

Respectfully submitted,

Sally Ripley, Clerk

Property Valuations

The following pages represent the assessments as of April 2014. These assessments will all change prior to the issuance of the final tax bill, normally due in December. The Town will be completing the final year of a five-year cyclical revaluation cycle. It is anticipated that most assessments will be reduced since our overall equalization ratio places us with values at 118.1%. When new values are established a new listing will be made available.
