REPORT OF SCHOOL ADMINISTRATION

To the School Board and Citizens of Washington:

I am pleased to submit my first annual report as Superintendent of Schools.

In June, the operetta, "Jack-in-the-Beanstalk" was presented by the entire school at the graduation exercises at the Town Hall. The graduates, Roberta Barker and Charlene Fletcher, gave their class history. After receiving their diplomas, a reception was held for the graduates.

The following pupils were enrolled on February 1, 1952 at the Center School:

Grade I	Philip Barker, Carrol Cilley, Richard Chase, Lura Monroe, Rose Fredette.
Grade II	Beverly Barker, George Otterson, Kathryn Otterson, Robert Porter.
Grade III	Richard Cilley, Janice Fletcher, Ralph Otterson, Muriel Rolfe.
Grade IV	Stanley Monroe, David Otterson.
Grade V	Vivian Barker, Ethan Chase.
Grade VI	Gwendolyn Barker, Benjamin Otterson.
Grade VII	Louis Tucker.
Grade VIII	Frederick Otterson.

The following pupils were enrolled on February 1, 1952 at Hillsboro High Schools:

Grade IX	Roberta Barker, Charlene Fletcher, Richard Clafin.
Grade XI	Jean Crane, Harry Drew, Theodore Drew.

The following table gives the probable school enrollment for the next seven years. The figures cannot be exact because families move in and out of town. Also some of the students may not stay in school all the way through high school.

GENERAL REPORT

I believe the people of Washington know what an unusually fine school they have. Few one-room schools in the country are more comfortably arranged or better equipped than your Center School. Beyond this the spirit of controlled freedom in which your children are taught is very near the ideal of American Education. A great deal of credit is due Miss Hoyt for her ability to help students develop self confidence, self respect and self control. The citizens of Washington have been generous in providing for their school. They should take a good deal of satisfaction in knowing that the equipment is being efficiently used and well taken care of.

The trip to Boston which the students took, under the direction of Kenneth Jewett; was a developing experience to be remembered for a lifetime. Much sound learning has been based upon the new interests developed on this trip.

Through the cooperation of school parents a hot lunch program has been established. The upper room of the school has been redecorated and very nicely equipped to prepare and serve the noon meal. Some surplus commodities and federal funds are available to help with this project. The menus for the school lunch program are planned in advance each month by a committee of women of the community. Mrs. Nichols secures the foods required and prepares the meals at the kitchen area upstairs in the schoolhouse. About two-thirds of the children are now eating at school.

The schoolhouse has truly served as a community center during the past year. An adult class in handicrafts was conducted by Mr. Jewett. The Fire Department have held monthly meetings. Several card parties and suppers have been enjoyed. Church services have been held during the winter months on Sunday afternoons and two talking pictures have been presented on Saturday evenings.

In closing I would like to express my appreciation for the hearty welcome extended to me by your school board, teacher, students and citizens as I enter upon my duties in your town.

Respectfully submitted,

J. HAROLD MOODY,
Superintendent of Schools.
