## SCHOOL REPORT.

---

In presenting our annual report for the past year, we can say, that with the exception of one division, the high standard of former years has been maintained.

The attendance has been good, and parents have manifested a greater degree of interest in the welfare of the schools than ever before. Most of our teachers have taught several years and brought to their work the benefit of long experience in their profession. We hope to retain them another year. No change in text books has been made and none is needed.

We have been pleased to meet the parents and friends at the closing examinations; it would be a good thing to visit often, and thus encourage the teacher to even greater effort in the pupils' behalf.

We thankfully remember the many favors received in the discharge of our duties.

Respectfully submitted,

GEORGE F. ELLSWORTH,  
DENNIS R. CHASE,  
EDITH A. SMITH,

School-Board of Deering.
