REPORT OF THE BOARD OF SELECTMEN

Many property owners are concerned, and rightly so, over the unusually high tax rate increase for the 1983 year, amounting to \$4.92 per thousand of evaluation. This was the result of less State aid, increases in the school and County taxes, and additional Town capital expenses for the ladder truck and the municipal facility sinking fund. The Town operation costs were within one percent of the previous year.

In 1977 the courts decreed that the Town pay Sutton landholders around Kezar Lake \$165,000.00 in damages because it was alleged that the treated sewer effluent into Lyon Brook diminished the recreational value of the Lake. New London has long discontinued sewer treatment, but even so, the Kezar Lake people want to be compensated for continuing damage. In the past year the State has partially treated the Lake to lower the algae and turbidity. Nature has also taken a hand and the Lake has been brought back to a high level of clarity. The Town has offered to pay the cost of completion of the State treatment procedure to compensate for any lingering faults in the Lake quality; it is hoped that this generous offer will be accepted.

Our 'dump' or solid waste disposal area is becoming filled and an alternative must be found. Small incineration plants have been studied, but are costly to build and to operate. The State has assigned the Town to the "Sullivan County Regional Refuse Disposal District." However, the plans for a large incineration unit in Claremont have been disrupted, so no specific alternative is awaiting decision. I should warn that any proposal will be costly and will require that each household separate cans, bottles, and other non-combustibles from their waste.

Following the decision of the last Town Meeting to establish a sinking fund for a municipal facility an Ad Hoc committee to study the Town's needs was appointed; it is composed of Priscilla Ohler, Jim Granger, Wade Weathers, Dan White and John Woodward. The committee is charged with recommending to the Town how best to serve the combined space needs of the Standing Boards and Committees, the Police and Dispatch Departments, the Fire Department and the Town Officers, some of whom necessarily work out of their homes. Our present space has become very crowded and future needs must be anticipated. The work of the committee is well underway and many alternatives are being considered; the Committee recommends that the fund already established be augmented this year.

Beginning in 1984 taxes will be collected semi-annually, thereby keeping receipts more current with expenditures and thus reducing borrowing costs.

Many townspeople were concerned and strongly expressed their feelings about the serious degeneration and decay of the Town flagpole and for a time it seemed that no one in the whole United States could be found to paint it. A public expression of thanks should be expressed to those good citizens whose courage took them to the top of this structure and to the Fire Department's contribution of our new ladder truck.

It gives me pleasure to acknowledge the fine support given to me, to the other Selectmen and to the Town by those many employees who have faithfully given their services, and maybe more especially to the members of Committees and Board who have been generous with their time and wisdom, and with no compensation other than that which comes from the satisfaction of public service.

Respectfully submitted,
WILLIAM G. DODGE,
Chairman
Board of Selectmen

NOTICE TO PROPERTY OWNERS

All property owners must file by April 15, 1984 an Inventory of Taxable Property and Exemption form with the Board of Selectmen completely filled out. Failure to do so, will result in a penalty of \$10.00 to \$50.00.

NOTICE TO CURRENT USE APPLICANTS

Owners of land classified as Current Use must indicate on the Inventory form whether any changes in the use of the land have been made.

New applicants must fully complete a Current Use application form with a map showing clearly the land to be considered for Current Use. All applications and maps must be on file with the Board of Selectmen by April 15, 1984.

ABSTRACT OF ANNUAL TOWN MEETING 1983

THE STATE OF NEW HAMPSHIRE

NEW LONDON, N.H.

TOWN WARRANT

To the inhabitants of the Town of New London in the county of Merimack, in said State, qualified to vote in Town affairs:

(L.S.)

You are hereby notified to meet at the Whipple Memorial Hall in said New London on Tuesday, the thirteenth day of March next at 11:00 o'clock to act upon the following subjects:

- ARTICLE 1. A. To choose all necessary Town Officers for the year ensuing.
- B. To vote by ballot on amendments to the New London Zoning Ordinance.

Note — By law, the meeting must open before the voting starts. Therefore, the meeting and polls will open at 11 o'clock for the consideration of Article 1, Parts A & B.

At 12:00 noon the Meeting will recess but the polls will remain open until 7:00 p.m. The meeting will reconvene at the Kearsarge Middle School Auditorium on Saturday, March 17, 1984 at 1:00 p.m., to act upon Articles 2 through 31.

ARTICLE 2. To see if the Town will vote to raise and appropriate the following sums for the ensuing year to defray Town charges.

	1983	1984
Town Officers Salaries	24,250	26,250
Town Officers Expenses	42,734	43,847
Town Hall and Other Buildings	40,950	29,150
Election & Registration	1,000	3,500
District Court Expenses	44,188	—
Social Security & Retirement	43,145	46,000
Insurance	39,855	41,600
Planning Board	1,400	2,400
Zoning Board of Appeals	260	260
Vital Statistics	250	250
Street Lighting	16,000	16,000
Local Welfare	6,000	6,000
State Aid Welfare	12,000	12,000
	<hr/> 272,032	<hr/> 227,257

(\$2.73 per thousand)

ARTICLE 3. Cemetery Commission 11,000 9,500
 (11¢ per thousand)

ARTICLE 4. To see if the Town will authorize the Trustees of the Trust Funds to establish a Town Trust Fund for the purpose of General Cemetery Maintenance in the amount of \$12,704.00, said funds representing the sale of Town property (grave lots in Town cemeteries) and that the said Trustees be further authorized to add to the fund as additional lots are sold.

ARTICLE 5. To see if the Town will authorize the Trustees of the Trust Funds to establish a Town Trust fund for the purpose of General Cemetery Maintenance in the amount of \$12,153.65, the said amount being the amount of excess income presently available.

ARTICLE 6. To see if the Town will vote to raise and appropriate the following amounts for the Highway Department.

Highway General Maintenance	8,750	9,200
Town Maintenance	180,730	197,391
Road Improvement	<u>17,500</u>	<u>17,500</u>
	206,980	224,091

(\$2.69 per thousand)

ARTICLE 7. To see if the Town will vote to authorize the Selectmen to spend Highway Block Grant Aid funds, estimated to be in the amount of \$33,528.00 for the maintenance, construction and reconstruction of Class V Highways.

ARTICLE 8. To see if the Town will vote to raise and appropriate the following sums for Public Safety Departments.

Police Department	104,867	104,763
Dispatch	53,098	56,169
Fire Department	29,400	27,600
Civil Defense	<u>1,200</u>	<u>1,600</u>
	188,565	190,132

(\$2.29 per thousand)

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to establish a Capital Reserve Fund for the future purchase of a Fire Truck and/or Pumper for the Fire Department. (11¢ per thousand)

(By Petition)

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$9,000.00 for a High Pressure Air-Fill Station for use by the Fire Department.

(By Petition)

**(NOT RECOMMENDED BY BUDGET COMMITTEE &
BOARD OF SELECTMEN)**

ARTICLE 11. To see if the Town will vote to raise and appropriate the following sums for Culture and Recreation.

Library	38,378	51,340
Recreation	11,990	12,125
Memorial Day	300	300
Conservation	5,000	5,000
Chamber of Commerce	2,400	2,400
History & Archives	1,000	1,000
	<u>59,068</u>	<u>72,165</u>

(89¢ per thousand)

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the painting of the front and two ends of the Tracy Memorial Library.

(By Petition) (2¢ per thousand)

ARTICLE 13. Damages and Legal Expenses 10,000 10,000
(12¢ per thousand)

ARTICLE 14. Town Dump Maintenance 51,880 50,029
(60¢ per thousand)

ARTICLE 15. Care of Trees 8,000 8,000
(10¢ per thousand)

ARTICLE 16. New London Hospital 15,000 12,000
(14¢ per thousand)

ARTICLE 17. New London Health Department 2,500 2,750
(3¢ per thousand)

ARTICLE 18. New London Ambulance 12,801 12,464
(15¢ per thousand)

ARTICLE 19. To see if the Town will vote to raise and appropriate the following sums.

Kearsarge Visiting Nurse	5,832	5,530
Community Action Program	<u>1,345</u>	<u>1,345</u>
	7,177	6,875

(8¢ per thousand)

ARTICLE 20. Sewer Maintenance 123,816 124,431

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$2,500 for maintenance and updating of the Town tax maps.

(3¢ per thousand)

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for revaluation pick-up work on Town assessments.

(4¢ per thousand)

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$60,000.00 for a reappraisal of all taxable property in the Town of New London for tax assessment purposes. The Selectmen are authorized to receive such funds from Federal, State or private sources which may be made available to offset the cost of the reappraisal.

(72¢ per thousand)

NOT RECOMMENDED BY THE BUDGET COMMITTEE

ARTICLE 24. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act for use as a setoff against the following item:

Purpose:	Reappraisal	25,550
----------	-------------	--------

(60¢ per thousand)

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$2,127 to become a municipal member of the Upper Valley Lake Sunapee Council.

(By petition) (2¢ per thousand)

ARTICLE 27.

Interest on Temporary Loans	75,000	25,000
-----------------------------	--------	--------

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$500.00 to support the Lake Sunapee Business Association.

NOT RECOMMENDED BY THE BUDGET COMMITTEE

ARTICLE 29. To see if the Town shall vote to designate Davis Hill Road as a scenic road under the provisions of RSA 231 157 & 158.

(By Petition)

ARTICLE 30. To see if the Town will authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money: provided: (1) that such grants and other monies do not require the expenditure of other Town funds, (2) that a Public Hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies, and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of Town monies, all as provided by RSA 31:95-b.

ARTICLE 31. To see if the Town will vote to authorize the Board of Selectmen and the Town Treasurer to incur debts from time to time during the 1984 fiscal year to an aggregate amount not exceeding the 1983 tax levy, for temporary loans in anticipation of 1984 taxes, and to issue notes of the Town therefore, and to refund same, all as provided in the Municipal Finance Act. The Selectmen and Town Treasurer to be authorized to sell such notes.

ARTICLE 32. To see if the Town will vote to accept the provisions of the Sullivan County Regional Refuse Disposal District agreement and the provisions of Sections 1 to 10 inclusive of Chapter 53B of the revised statutes annotated and become a member of said District conditional upon the Districts continued development of an energy recovery facility and payment of \$7,980 as the Town's share of the 1984 budget.

(9¢ per thousand)

Given under our hands and seal this thirteenth day of February in the year of our Lord nineteen hundred and eighty-four.

WILLIAM G. DODGE,
Chairman
ALF E. JACOBSON
MARILYN B. ANDREWS

A true copy of Warrant - Attest:

Commencing in 1983, New Hampshire Towns and Cities were allowed to have N.O.W. accounts and also the new Money Market Accounts. Previously, only School districts were permitted these accounts. In other words, New London could only earn interest income by means of Certificates of Deposit and a Savings Account paying 5¼%.

The new accounts have made possible the use of otherwise non-productive cash in the Town's checking account. In 1983, this income amounted to \$10,633.00.

Respectfully submitted,

BENJAMIN BUCKLIN

Treasurer

REPORT OF THE AUDITOR

To the Citizens of the Town of New London, N.H.

I have examined the financial statements of the Selectmen, Town Treasurer, Tax Collector, Town Clerk, Road Agent, Cemetery Commission, Sewer Commission, Library Treasurer and Trustees of the Trust Funds. I have compared their accounts, vouchers and bank statements of funds on deposit, and find these records to be in agreement, and I believe these records to be a true record of the town business for the year ending December 31, 1983.

ANNA MAY EBERHARDT

Auditor

NEW LONDON CEMETERY COMMISSION

During the year 1983, there were 22 interments; 12 in Old Main Street; 9 in Elkins; and 1 in the West Part Cemetery. Of this total, 6 were cremations.

In the southern section of the Old Main Street Cemetery a considerable number of old tablets and monuments were reset and straightened, which greatly improved the general appearance of the old section of this cemetery.

New plots have not as yet been laid out in the new addition to Old Main and the West Part Cemeteries, but will be available in the summer of 1984.

REPORT OF THE NEW LONDON CENTRAL DISPATCH

This year the New London Central Dispatch received a total of 15,894 telephone calls, this is over 2,000 more than last year.

We would like to remind everyone that the universal emergency number 911 is in operation and must be used for Police, Fire and Medical EMERGENCIES only. Continue to use 526-2626 for routine calls. Telephone stickers are available at the police station. Thank you for your continued cooperation.

Respectfully submitted,

WALTER A. RENEY,
Chief

CIVIL DEFENSE — 1983 REPORT

This year the Kearsarge Amateur Radio Club contacted Civil Defense wanting to set up a radio at the Town Hall. After meeting with representatives from the Club and State Civil Defense, it was decided that a radio could be set up and used. Part of the use of the radio would be for emergency transmissions during times when other means were not available. These radio operators or "Hams" as they are best known can relay messages around the world.

Another project that I was involved in this past year was working with other agencies getting the light on top of Mt. Kearsarge turned back on. This light has been out for a few years and was missed by several different groups in the area. One group being the fire department using it for a reference while fighting fires in the woods. The Mutual Aid Fire Organization now has a permit to operate the light and it should be on this summer.

Again I would like to hear from anyone interested in Civil Defense or with ideas to keep the town ready to handle any emergencies.

Respectfully submitted,

STUART F. SIDMORE, JR.
Director of Civil Defense

REPORT OF THE NEW LONDON CHAMBER OF COMMERCE

The New London Chamber of Commerce is pleased to report that the Information Booth continued to fulfill a very worthwhile purpose during the summer of 1983.

A total of 1,705 people visited the booth between June 25 and September 5 and 83 telephone calls were received from other individuals seeking information about our Town.

Due to the successful Sunday openings in 1983, the Information Booth will again be open seven days a week during the 1984 summer and will be operated by Macy Doherty and her staff.

Two new improvements to the booth were made in 1983. A new "Accommodations-Information" sign for the roof was purchased by the Chamber and was painted and installed by Peter Stanley, and an outside water faucet was installed for easier maintenance of the grounds around the building.

The New London Garden Club deserves a special thanks for a job very well done maintaining the beautiful plants and flowers around the booth, a service they have rendered for many years.

In our effort to provide speakers with messages which seemed appropriate and important to our members, we heard from the legal profession, the Planning Board, and New Hampshire Public Utilities Commission during the past year. Besides hearing from these individuals, the Chamber also directed one of the most extensive Christmas promotions in years. The theme of our promotion was "An Old Fashion Christmas" and 34 local businesses participated, 27 of whom remained open the four Thursday evenings in December prior to Christmas. Included in the activities, a horse drawn cart and "New London Chamber of Commerce Christmas decorating contest", with separate classes for business and homes. Cash prizes for the contest totalling \$300.00 were donated by the Chamber in the name of the winners to the local charity of their choice.

In 1984, the New London Chamber of Commerce intends to continue its attempts to provide activities and promotions appropriate for our organization and the townspeople, as well as to provide information about our Town to all interested parties.

For your continued support of the local business community, we are indeed grateful.

Respectfully Submitted,

David Lantz, *President*
New London Chamber of Commerce

REPORT OF THE TOWN HEALTH OFFICER

During the past year New London has continued to experience more building and land subdividing than the State average. Each building lot has been checked in terms of soil, pits and percolation tests. Each new septic design has met present standards. This past spring the Town experienced many 20-30 year old septic system failures. All of these failed systems were brought up to present standards.

The lakes in New London have been tested as to water quality, and continue to remain high in that respect.

Extensive monitoring of the new Town septage pit has begun as of this fall.

Again, I would like to thank all the residents for their help in maintaining a healthful environment in New London.

Respectfully submitted,

PETER E. MITCHELL,
Health Officer

ANNUAL REPORT NEW LONDON CONSERVATION COMMISSION

Year-round use of Town Footpaths maintained by the New London Conservation Commission increased in 1983. Over 2,300 visitors registered at the popular Philbrick-Cricenti Bog, which was further protected by the addition of approximately six acres of dry woodland adjoining the bog. The land was given by Carlton Barton in exchange for a lot on County Road originally deeded to the Town by James C. Cleveland.

The traditional NLCC snowshoe/X-C ski excursions during February and March and the Spring Walks during May and June also attracted many new participants.

Now in addition to the other 16 miles of trails, two new footpaths have been laid out beside streams with interesting waterfalls: one, along Dura Crockett Brook, is a loop from the Webb trail on Morgan Hill, the other, beside Hunting Brook, leaves Shaker Road a short distance beyond the New London - Sutton town line. Both are shown on the revised (1984) footpath map available from the Town Clerk and local stores.

Other Conservation Commission work projects included clearing of scenic views of Lake Sunapee from the hill on Phillips Preserve, new

trail markers on all trails, and in the Low Plains Natural Area a beaver pipe to regulate the water depth of the pond, new signs and a revised self-guiding map of the area.

VERNON ADAMS '84

REPORT OF THE NEW LONDON DISTRICT COURT

From January 1, 1983 to December 31, 1983, 3,326 cases were entered in the New London District Court. The breakdown of the cases was as follows:

Motor Vehicle Violations	2,809
DWI - First Offense	55
DWI - Second Offense	4
Other Violations	44
Misdemeanors	81
Felonies	8
Juvenile Cases	14
Domestic Violence Cases	5
Civil Cases	31
Small Claims Cases	275
TOTAL	3,326

The 1983 Legislature passed a high number of laws which affect District Courts in the State.

The major legislation was House Bill 200 which changed the financing of District and Municipal Courts from the local towns and cities to the State. Although this will not result in savings to New London, it will result in savings to many towns and cities where the cost of running the Courts has far exceeded the revenues received by them from the Courts. The new law should also result in more uniformity in the administration of the District Courts around the state.

There were many changes in the laws dealing with driving while intoxicated, including a new law which makes it an offense to drive with

a blood alcohol level of .10% or greater, regardless of the manner in which you drive.

Another change in the law which has not received much public attention is the increase of the maximum penalty for violations (which include most traffic offenses) from \$100 to \$500. Also, with a few exceptions, the decisions of District Courts on violations are now only appealable directly to the New Hampshire Supreme Court, whereas in the past a defendant had a right to a completely new trial in the Superior Court from which he or she could then appeal to the Supreme Court.

How these changes and others passed by the legislature will work out is difficult to determine, but hopefully they will not only enhance the efficiency of the District Courts, but also the quality of justice meted out by them.

In another vein, Special Justice Gerald Carney and I attended all judicial education sessions put on this past year by our State Judge's Association, including an excellent two day program this month on abuse and neglect of children, perhaps the most difficult area of the law with which we deal.

Also, in November, I was fortunate to be able to take part in a two week educational session for Special Jurisdiction Judges at the National Judicial College in Reno, Nevada, which was attended by approximately 300 judges from all over the country. The schedule was rigorous with classes from 8 to 5 every day, but the courses were excellent and the interchange of ideas with judges from other states particularly worthwhile.

Respectfully submitted,
F. GRAHAM McSWINEY
Justice

BOARD OF FIRE ENGINEERS

Francis Chandler
Laurids (Bud) Lauridsen, Jr.
James Granger

The 100' Seagraves Ladder Truck arrived in the Spring. This piece of Fire equipment has been needed for many years, and was put to instant use.

Mutual-aid Towns are to be thanked for their assistance over the year. Without their help some tasks would not be possible.

The Fire Department budget for 1984 has been decreased. The one item we are very interested in acquiring is the High Pressure Air Purification System. This unit fills our air bottles that we breathe. As in the past, if we ran out of air at a fire, or after, we had to dispatch a Fireman to Newport or Newbury to have the bottles filled. The total unit costs around \$9,000.00 and the Firemen are willing to donate one-half, or \$4,500.00 to support the project.

The Fire Department is still in need of more space. The Committee assigned to look into future needs of New London is recommending another article for monies to be added to the Capital Reserve fund started last year. I hope that you will support their recommendation.

Respectfully submitted,

DOUGLAS MATHEWSON, II, *Chief*

ANNUAL REPORT OF THE NEW LONDON GARDEN CLUB

“The New London Garden Club was founded in 1928 by Dr. Anna Littlefield with the following purpose in mind; to encourage and aid in all civic beautification; to protect and perpetuate desirable plants and birds; to promote and encourage a knowledge and love of gardening and horticulture; to stimulate an interest in all people to work with and for nature.”

In keeping with this tradition the club's Civic Beautification Committee, has continued to maintain twelve planted areas throughout New London.

The entire club participated in the traditional making of thirty five Christmas wreaths to decorate public buildings, as well as the preparation of baskets of decorative greens for delivery to shut-ins. Members continue to care for patient's plants at the New London Hospital.

During 1983 we planted white pines to provide a screen for the town maintenance shed on South Pleasant Street, in cooperation with Robert Fraley, tree warden, and assisted by matching funds from the town.

Our first annual townwide plant exchange was held at the Information Booth in June, and we are looking forward to another this year.

We are grateful for the continued cooperation of the New London town officials. We particularly express our appreciation for the cooperative spirit of the selectmen in providing a water supply at the Information Booth, and to William Green, road agent, for setting up and dismantling the flower boxes in front of the fire station as well as watering the new plantings at the maintenance shed this past summer.

Garden club meetings are held throughout the year, some of which are open to the public.

The club has 125 members and is a member of the Dartmouth-White Mountain District, New London Region, New Hampshire Federation of Garden Clubs, Inc. and National Council of State Garden Clubs, Inc.

Respectfully submitted,

EDNA L. NELSON

President 1983-84

REPORT OF THE TOWN HISTORY AND ARCHIVES COMMITTEE

Archival activities and expenditures during 1983 have been largely in the field of preservation of our existing collections.

Investment in acid free file folders and work in rearranging and labeling the manuscript materials have been a major effort. Linda Brown of the Fernald Library has spent some 50 hours on this work, at the same time separating newspaper clippings, photographs and other memorabilia.

Another important project involves the first volume of the Town Clerk's Records, 1779-1808. This old leather bound book which includes the copy of the original charter of the Town has been in poor condition for some time. The History & Archives Committee voted to have this important volume cleaned and repaired at the New England Document Center in North Andover, Massachusetts.

The photograph collection of the New London Historical Society and a part of the Town Archives have received preservation treatment also. Mylar sleeves have been purchased by the Society, and Pauline Roos has spent many ours sorting, identifying, classifying and placing the prints in these plastic containers. This photograph collection is frequently consulted and used for research by individuals, businesses and town organizations.

There is in process a revision of the inventory of the entire archival collection.

Interested persons are encouraged to visit the Archives and are invited to let me know of their interest. Also historical manuscripts, photographs and memorabilia about New London families, organizations and town activities are welcomed either as gifts or on loan for reproduction.

Respectfully submitted,

MILDRED CROCKETT TUNIS

Town Archivist

NEW LONDON RECREATION COMMISSION

Our goals this year were to have a successful swim program and to coordinate the town's recreation programs. With a great deal of effort and hard work by many people, our goals were achieved.

Due to a very capable staff, our program improved from last year. We had a total of 211 children in both sessions with 86 children passing onto a new level. Our beach party at the conclusion of each session brought together families throughout the Town and proved to be one of the summer's highlights. Through the generosity of our townspeople to the Red Cross, the Red Cross was able to donate \$500 towards our swim program. With continued support from the town and the Red Cross, we hope to maintain our high degree of quality and effectiveness.

In May, the Friends of Recreation, the Recreation Commission, and the New London Outing Club directors met to see how we might better coordinate our efforts to provide the town with a more complete summer recreational program. One change is the incorporation of the Arts & Crafts program with the beach program. This enables the Friends to experiment with other ideas to reach more people. Through the efforts of many people, each summer more programs will be developed to better serve the needs of all the people in the town. The success of the Triathlon ignited everyone to pull together for the benefit of all, and is a good example of what the future holds in store for the town.

We anticipate the return of many of our former staff to provide the continuity that is needed to make each program a success. We look forward to meeting the challenges the upcoming summer will have.

Respectfully submitted,

PEG GAY, *Chairman*

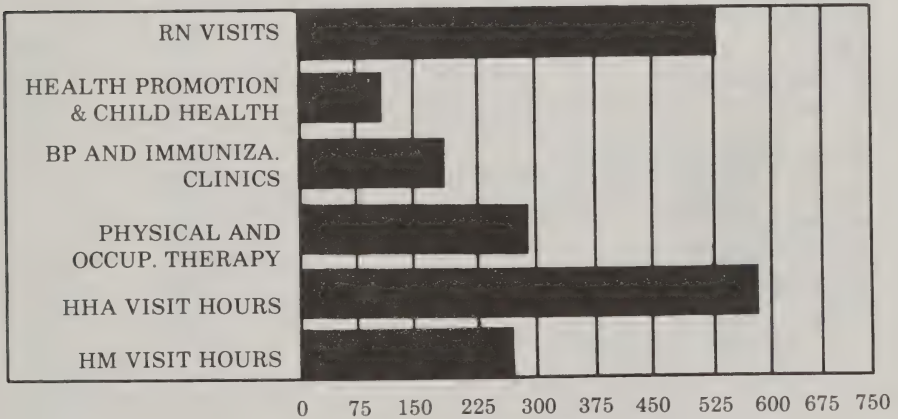

“HEALTH BEGINS AT HOME”

**KEARSARGE VISITING NURSE ASSOCIATION
ANNUAL REPORT OF SERVICES**

During 1983, the Kearsarge Visiting Nurse Association has continued its growth in services to the towns of Andover, Bradford, Danbury, New London, Newbury, Springfield, Sunapee, Sutton, Warner and Wilmot. We are proud of the professionalism of our staff which now totals 17 and two new services of Speech Therapy and Social Services. The enrollment in our Child Health Clinic totals 170 children from birth to 6 years of age. The opening of an office in Bradford has been a success and very much appreciated by the communities in our southern catchment area. We have expanded our services without asking for an increase in town appropriations for the *fifth* year in a row.

The graph represents the visits made to your town during 1983.

If you know of someone who needs help, please call us in New London 526-4077 or Bradford at 938-2022 for a free evaluation visit. We are a Medicare Certified Agency and will be happy to help you answer any questions you may have regarding home health care.

Robin Gallup, RN
Co-Director

Tanya Wilkie, RN
Co-Director

Representatives from your town on our Board of Directors are:
Mr. Edward Olney
Dana Stanley, RN
Marilyn Pike, RN

**REPORT OF
THE NEW LONDON POLICE DEPARTMENT**

In 1983 your Police Department handled the following activities:

	1983	1982
Arson	4

WALTER A. RENEY,
Chief

REPORT OF THE PLANNING BOARD

The New London Planning Board held twenty-four (24) regular scheduled meetings in 1983, and also met in executive session at intervals to work on the new Land Subdivision Control Regulations.

Action was taken in the following categories:

- 14 Subdivisions
- 5 Annexations
- 16 Site Plan Reviews
- 1 Condominium Conversion
- 1 Planned Unit Development

In addition, the Board met with representatives of the Chamber of Commerce and scheduled a joint meeting with Selectmen and members of the Zoning Board of Adjustment to discuss the Zoning Ordinances.

One new member was appointed to the Board: Sydney Crook replaced Wesley Nichols whose term had expired. Marilyn Andrews served as Selectmen's representative to the Board.

This report gratefully acknowledges the full efforts of each member of the Board during 1983.

Respectfully submitted,

BRYANT E. HOFFMAN

Chairman

New London Planning Board

ROAD AGENTS REPORT

1983 was a normal year for the Highway Department.

Everett Park, Hillcrest Rd., part of Gay Farm Acres, Hastings Landing, Sherman Rd., Wilmot Rd., Bog Rd., Country Club Lane, Simpson Rd., part of Burpee Hill and part of Seamans Rd., by Colby-Sawyer College, were re-surfaced.

Old County Rd. had rocks dug out, ledge blasted, brush cut back, was widened and then graveled.

Boulders were dug out of Bog Rd. before re-surfacing.

New culverts were put in on North Pleasant St. and Hastings Landing.

Four wells were drilled at the septage site, for monitoring the ground water pollution.

Respectfully submitted,

WILLIAM D. GREEN
Road Agent

SEWER COMMISSION REPORT

In order to point up the importance of the infiltration work that is to be done this coming Spring I would like to give some figures and facts that took place the first fourteen days of the months of December 1983.

On December 2nd we had $\frac{1}{2}$ " of rain, December 5th 7" of snow, December 6th 1" of rain, December 12th 1" of rain, December 13th $1\frac{58}{100}$ " of rain and December 14th $\frac{7}{10}$ " of rain. Our rates of flow (in other words water that we pumped at the George's Mills Station) for these dates is as follows: on December 12th 235,500 gallons, on December 13th 254,000 gallons, on December 14th 978,900 gallons and on December 15th 914,800 gallons. This sort of condition points up the fact that we are spending far too much money pumping ground-water/surface water that is infiltrating the pumps. Possibly there are still some storm drains being pumped into our system also. We not only pay to pump this fluid out of the New London area, we also pay to pump it up over the hill in George's Mills and to the Town of Sunapee to treat our sewage, or our effluent, on a per gallon basis. We should be able to substantially reduce our cost of operation after the Spring contract to correct the infiltration problems is completed.

It is the feeling of the Commissioners that barring any unforeseen circumstances our rates should be reasonably stable for the foreseeable future, and that hopefully all of the problems with the pumps have been substantially resolved by the end of this year.

Arthur Dorley, *Chairman*

ANNUAL REPORT 1983
TRACY MEMORIAL LIBRARY

As indicated by the number of registered members and the circulation figures Tracy Memorial library appears to be a major source of continuing education, reference and entertainment for our community.

New registrations for 1983 came to 519 (418 adults and 101 children) making our total membership 2,166. Circulation for 1983 was 37,071 which indicates an increase of 3,063 over the circulation for 1982. According to the statistics compiled by the New Hampshire State Library for 1982 New London had the highest per capita circulation among towns of approximately 3,000 population. The number of books purchased during the year came to 1,444.

The building has been insulated and the fire alarm system has been installed as authorized by warrant article. The bronze plaque over the front door was restored to its original appearance by a gift from Mrs. Jane Wood.

The Friends of Tracy Library continues to give generous financial support which enables the library to provide extra services and reading material not included as part of our budget. A portion of the money received from the Friends will be used to construct shelving and to purchase a table and chairs for the audio visual equipment in the Children's Department. New shelves will also be installed behind the circulation desk. Many library programs were sponsored by the Friends including Great Decisions, several children's activities and a book discussion group.

Our library is fortunate to have a large number of dedicated volunteers who give their time to assist our capable staff with a variety of jobs.

We appreciate the continued support of the citizens of New London and we invite anyone who is not a member of the library to register in order to make use of our fine book collection and services.

REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

1983 STATISTICS

	<u>State</u>	<u>District</u>	<u>City/Town</u>

NEW LONDON - SPRINGFIELD
WATER SYSTEM PRECINCT

★ ★ ★ ★ ★ ★ ★ ★

REPORT TO THE VOTERS - 1983

Nineteen eight three may well be remembered as a drought year in the New London - Springfield area. Dug wells ran dry, deep artesian wells curtailed their yield, and the water level in Morgan Pond sank close to its lowest recorded level. As November came our water supply stood 47½ inches below the dam spillway and there remained little more than 3 feet of water above the outlet stand-pipe.

Consumption during the early summer reached a record 450,000+ gallons per day--close to three times normal daily usage. Your Commissioners were forced to appeal for voluntary water conservation and only the fine response by consumers saved the day! Daily water consumption was curtailed and controlled until favorable rains in November led to recovery of a full pond as the winter season arrived.

This was a true emergency and an emergency with no easy solution. Combined with the continued requirement that the Precinct either upgrade, or abandon, its surface water source, it becomes even more essential that alternate sources of potable water be located and developed. Fortunately, modern geohydrological techniques have led to increased accuracy in locating, pin-pointing, and developing underground water sources, whether in fractured rock formations or in gravel/sand aquifers.

The proposed budget for 1984 recommends that funds be raised for first-stage exploration for suitable underground water sources within the Precinct's boundaries. If preliminary study indicates the availability of potable water in sufficient quantity, funds may be requested in future years for further development. The initial step can no longer be delayed--it must be taken now to preclude the possible loss of surface water supply in a future lean year, and to meet requirements established by the USEPA and the New Hampshire Water Supply & Pollution Control Commission.

The Municipal Services Division, Dept. of Revenue Administration, New Hampshire, has advised the Precinct that the purpose of Capital Reserve Funds, first established in 1979, was improperly worded. The problem arises from administrative failure to state the specific purpose for which such funds were earmarked. Corrective action is set forth in an Article of the Warrant.

Construction of the addition to the Precinct's office/shop/warehouse was completed within budget and provides essential space for administrative work and Commissioners' meetings. Responding to a directive from the NHWSPPCC, contingency funds in the amount of \$554.00 were spent to purchase a portable, stand-by, chlorinating unit --thus insuring that all water introduced into the system will be chlorinated under all foreseeable conditions.

The 1983 financial report indicates that the Precinct is operating within its income and that Precinct taxes are used for capital improvements. The increase in insurance costs was a one-time result of resetting insurance policies to coincide with semi-annual cash flow. At the same time all policies were placed under a single carrier, with the result that annual costs will be actually reduced while coverage is increased to reflect inflation during past years. The 1983 tax rate of \$0.076 per \$100 assessed valuation is considered reasonable and charges for water furnished customers are among the lowest in the state.

Mention must be made of the outstanding manner in which Mr. Richard K. LaPorte performed his duties during the time our Superintendent was hospitalized and recovering from surgery. He not only performed all regular duties, but also worked seven days a week and held himself available for emergencies around the clock. The dedication of Precinct employees goes far to insure quality of service to our customers.

The interest and support of the voters is welcomed. Indeed, it is essential to the efficient operation of the Precinct. Much can be accomplished by united effort--much must be undertaken in the future.

JOHN F. CLOUGH, Chairman
ROBERT B. HARRISON, Commissioner
JAMES A. CRICENTI, Commissioner

JAMES E. BEWLEY

★ ★ ★ ★ ★ ★ ★ ★

NEW LONDON - SPRINGFIELD
WATER SYSTEM PRECINCT
NOTES TO FINANCIAL STATEMENTS

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies employed in the preparation of these financial statements:

The income accounts of the New London-Springfield Water System Precinct are maintained on a cash basis, recording income as it is collected. The income accounts are converted to an accrual basis at year end.

Expense records are recorded only when cash is involved. The expense accounts are converted to an accrual basis at year end.

The inventory of supplies is priced at cost. Based on a physical inventory taken once a year, the increase or decrease in inventory value is charged or credited to supply expense. The normal policy of the Precinct is to maintain an approximately uniform level of supplies inventory.

The utility plant in service and equipment are stated at undepreciated cost. Gifts or contributions of water facilities are recorded at fair market value at the time received. Assets disposed off or abandoned are written off at cost against the appropriate asset account and charged to the General Fund balance or Contributions in Aid, depending on the original source of the asset.

NOTE 2: PRECINCT TAX

The Precinct tax according to state regulations has no restrictions. The income from this tax is used primarily to pay principal and interest on outstanding debt, and to pay for plant and equipment. The tax is reported as other income to avoid distortion of the gain or loss from water operations.

NOTE 3: LONG-TERM DEBT

The Precinct has authorized prepayments on its loan balance in excess of the agreed repayment schedule. RSA 34 states that payments on long-term debt must conform to the agreed repayment schedule.

NOTE 4: CONTRIBUTIONS IN AID

Contributions in aid in 1983 were \$637 for new connections paid by owners and contributed to the Precinct.

NOTE 5: CONTINGENCY EXPENSE

Unforeseen expenses were \$554 in 1983 to purchase an auxiliary chlorinator unit which was state mandated.

DONALD J. MITCHELL
Certified Public Accountant

January 23, 1984

To the Commissioners of the
New London-Springfield Water System Precinct

I have examined the balance sheet of the New London - Springfield Water System Precinct as of December 31, 1983 and 1982, and the related statements of revenue and expense and changes in financial position for the years then ended. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the financial statements referred to above present fairly the financial position of the New London - Springfield Water System Precinct as of December 31, 1983 and 1982, and the results of its operations and the changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours,

/s/ DONALD J. MITCHELL
/t/ Donald J. Mitchell, CPA

NEW LONDON - SPRINGFIELD
 WATER SYSTEM PRECINCT

PRECINCT WARRANT

TOWNS OF NEW LONDON & SPRINGFIELD

To the inhabitants of the New London - Springfield Water System Precinct in the towns of New London and Springfield in the counties of Marrimack and Sullivan respectively, qualified to vote in Precinct affairs:

You are hereby notified to meet in Whipple Memorial Hall in said New London, New Hampshire, Tuesday, March 20, 1984, at 3:00 PM to act on the following subjects:

[NOTE: By law the meeting must open before the voting starts. Therefore, the meeting and the polls will open at 3:00 P.M. At 3:15 P.M. the meeting will recess but the polls will remain open until 8:00 P.M., at which time the meeting will reconvene to act on Articles 2 through 6.]

- ARTICLE 1: To choose all necessary officers for the coming year.
- ARTICLE 2: To set salaries for all officers for the coming year.
- ARTICLE 3: To see if the Precinct will vote to raise and appropriate the following sums for the ensuing year to defray Precinct charges:

	<u>ACTUAL</u> <u>1983</u>	<u>BUDGET</u> <u>1984</u>
Salaries, benefits, taxes	45,113	49,551
Maintenance	2,000	3,500
Utilities	2,496	3,000
Supplies	5,592	6,500
Insurance	8,521	6,500
Administration	1,314	2,000
Audit	1,500	1,500
Election expense	434	500
Legal expense	250	
Equipment	2,467	2,500
Contingency fund	554	800
Principal, long-term debt	42,000	19,000
Interest, long-term debt	6,034	3,500
Interest, short-term debt	25	500
	<u>118,300</u>	<u>99,351</u>

- ARTICLE 4: To see if the Precinct will vote to change the purpose of the Capital Reserve Fund as of this date so that it reads: A Capital Reserve Fund is established pursuant to RSA 35:1 II, for the purpose of financing all or part of the cost of acquiring a back-hoe for use in Precinct operations."
[RSA 35:16. Change may be authorized by vote of two-thirds of all the voters present and voting at an annual meeting.]

ARTICLE 5: To see if the Precinct will vote to raise and appropriate the sum of \$6,000.00 for the purpose of locating and determining the adequacy of an underground source of potable water capable of meeting the Precinct's requirements and located within an economically justifiable distance of the Precinct's system.

ARTICLE 6: To see if the Precinct will vote to authorize the Commissioners to borrow money through short-term notes (less than one calendar year) in anticipation of tax receipts.
