This piece of road is 18 feet wide and 1,300 feet long. The state's estimate on the job is a little over \$2,300.00. I have completed the job so far without costing the town only \$2.96 over the appropriation, and there is the brush to burn and banks to grade. I would suggest that the town raise \$150.00 to complete the job.

OLD HOME DAY ACCOUNT

By the Secretary and Treasurer, Norman J. Langmaid
1941

On August 6th seventeen interested citizens of Chesterfield met at the Town Hall to make plans for the observance of Old Home Day, and to form a new Chesterfield Old Home Day Association. The following Officers and Chairmen of Committees were elected for the year: Chairman of Old Home Day Association, Albert E. Berry, with E. J. Winslow acting as Co-Chairman and presiding at our Old Home Day, Wednesday, August 20th; Secretary and Treasurer, N. J. Langmaid; Sports Committee, Newton Darling; Decorations Committee, Mrs. Jesse Olgibie; Dance Committee, Floyd Fuller; Program Committee, E. J. Winslow. Twenty-six members now belong to this Association. A very successful Old Home Day was held—the various events being well planned to bring enjoyment to young and old alike. The financial account is as follows:

REPORT OF TRUSTEES OF TOWN LIBRARIES LIBRARIAN'S REPORT

To the Chesterfield Library Trustees,

The annual report is herewith presented:

With the year ending Jan. 31, 1942 we find a total circulation of 5,633 volumes loaned through the library system, Spoford 1,041, West Chesterfield 1,526, the central library 3,066. These figures show the value of the library to the community.

We are very proud of the recent gift to the library from the Friedsam Foundation Fund, of 3 large Webster dictionaries with tables, one for each branch, a set of encyclopedia Britannica, a typewriter and table, a fire screen, besides the oil burner for the furnace. These are all gifts which increase the efficiency of the library.

Early in the school year the upper grades started having a one-half hour class in reference work at the library each week.

Miss Ruth Morris, the substitute librarian, attended the Library Summer school for 2 weeks.

Mr. Morris Friedsam gave 20 years of National Geographies which are now at the book bindery. These will add about 40 volumes to the non-fiction department.

To the patrons register 36 names have been added. The active list is 138 borrowers, 100 residents, 38 summer residents. Total of all branches 233.

From the Beckley & Hamilton Trust Funds the book "Lincoln Library of Essential Information" was purchased. It has been a valuable aid in the reference department.

The 50 years of Town Reports given by Mr. Post were bound in 9 volumes.

Total number of books added during the year was 298 volumes.

New books, 219; adult fiction, 71; juvenile fiction, 90; adult non-fiction, 34; juvenile non-fiction, 21; reference 3; gifts, 81; fiction, 60; non-fiction, 12; reference, 9.

We have 50 borrowers; of these 35 are regular readers and 15 summer residents.

There has been on the average of one exchange of books a month with the central library.

REPORT OF THE BOARD OF HEALTH

One case of scarlet fever developed in town and was under quarantine several weeks and had to have all supplies delivered. Also had one case of measles reported, two school children were exposed and they were kept from school several days to prevent the disease from getting into the school. One case of chicken pox was reported, and all children exposed were kept from school so that it was kept from spreading. Doctors are required to report all cases of communicable diseases to the health officer and if in case of sickness all parents would report all suspected cases it would help to prevent the spread of diseases.

Owing to the building of a new road from the Yeager four corners to the Stone House near Spofford Lake the old town dump had to be moved to another location temporarily, after the road is finished another place will have to be provided.

The beach near the outlet of the lake and the beach near Camp Marquette were supervised by Mr. Frank Whorfe and seemed to be satisfactory.

Twenty-two milk licenses were issued. Ten of which were issued to buy and sell milk and cream at two dollars each as follows: Fred Perkins, Henry Chickering, Paul Penning, Clifford Tuttle, John Ball, John Redding, Byron A. Davis, William Manch, Harry Nosek and Wheeler and Taylor of Keene, N. H.

Respectfully submitted,

HAROLD E. RANDALL,

Health Officer.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Chesterfield:

I herein submit my ninth annual report as superintendent of schools.

We are at war today. We must not underestimate the dangers to the heritage due to our boys and girls, viz. the enjoyment of free speech, free religion and ideals of a dynamic democracy. It is our duty to develop the true type of American citizen. Therefore, we must clarify our vision of objectives in American education and search out the roads that lead to these objectives. From a psychoanalysis the three main thoroughfares that lead to our goal are (1) the intellectual which rests on the solid foundation of skills in our fundamentals must be enriched and extended; (2) the emotional feelings for the home, the parents, the school, the town and all American institutions must be strengthened; (3) the younger generation must be taught to choose wisely between success and failure, between right and wrong. Finally may our boys and girls go forth from our schools imbued with a firm conviction that there is a God and that He will prevail over the warring nations of the world. This is our objective.

Never before in American history have the boys and girls offered more challenges than today. They bid us to look forward, to the morrow. They bid us to exercise our greatest care and love for those around and about us. They bid us be strong, active and fearless and practice moderation and consideration in our dealings with others.

Teachers, parents and citizens the younger generation is looking to you for guidance through these trying times.

As the heavenly planets move majestically through a sky studded with stars and shedding their reflected light over a universe so you as leaders move among the boys and girls of this generation. Let the scintillations from your characters and teaching direct and guide them to a higher level of life.

This generation expects your strong moral and financial support. Let us give it.

**SCHOOL DISTRICT MEETING OF THE TOWN OF
CHESTERFIELD, N. H.**

Town Hall, March 11, 1941

The meeting was called to order at 2.10 p. m., by the Moderator, Daniel Schlichting, and the Warrant was read by the Clerk.

The Articles of the Warrant were disposed of in the following manner:

Article 1. To choose a Moderator for the coming year. The motion was made and carried that the clerk cast one ballot for Daniel P. Schlichting for Moderator. This was done and Daniel P. Schlichting was declared elected as Moderator for the coming year. The Oath of Office was administered by the Clerk.

Article 2. To choose a Clerk for the ensuing year. Moved and carried that the Moderator cast one ballot for Norman J.

Langmaid for Clerk. This motion being carried in the affirmative, it was done. Mr. Langmaid was declared elected as Clerk for the ensuing year. The Oath of Office was administered by the Moderator.

Article 3. To choose a Member of the School Board for the ensuing three years. The motion was made and carried that the member of the School Board be elected by ballot. The ballot box was prepared and the voting took place with the following results:

The number of votes cast,	107
Number necessary for choice,	54
Pauline Record received,	69
Flossie Williams received	37
Mrs. Record received,	1

Pauline Record, has been declared elected to the School Board for three years, the Oath of Office being given by the Moderator.

Article 4. To choose a Treasurer for the ensuing year. Moved and carried in the affirmative that the Clerk cast one ballot for Evelyn L. Winn for Treasurer. This was done, and having received all votes cast, Evelyn Winn was elected Treasurer and took the Oath of Office administered by the Moderator.

Article 5. To Determine and Appoint the Salaries of the School Board and Truant Officer, and fix the Compensation of any Officers or Agents of the District. Moved and carried affirmatively that we pass over this Article.

Article 6. To hear the Reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto. Under this article, Mrs. Clinton Farrington, representing a Committee chosen at the last P. T. A. meeting, brought before the voters of the School District the idea of a new, central, consolidated School to be located in Chesterfield Center, and which would take the place of the three school buildings which we have at present. There being no motion nor comment, the matter was passed over. Under this Article, Agnes Chickering reported for the Committee on the use of the Australian Ballot in School District Elections. Competent legal advice had been

obtained. It was reported that such a procedure would involve a lot of time and expense, with necessary permission to be obtained from Concord. It was thought that this new method would be no more satisfactory than the one already in use.

Article 7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this Warrant. The motion was made and carried affirmatively that the Town Auditors serve as the Auditors of the School District.

Article 8. To see if the District will make any alteration in the amount of money required to be assessed for the ensuing year for the support of Public Schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report. The motion was made and supported that the sum of \$15,101 be accepted as our School Budget to be raised this year.

Article 9. To see if the Chesterfield District will authorize the School Board to purchase a pump for West Chesterfield Well and raise the sum of \$25.00 for same. The motion was made and carried affirmatively by voice vote that the \$25.00 be raised for the pump for West Chesterfield.

Article 10. To transact any other business that may legally come before this meeting. There being no other legal business to transact under this article, the motion was made to adjourn. This was carried in the affirmative by voice vote, and we stood adjourned at 2.40 p. m.

REV. NORMAN J. LANGMAID,
District Clerk.
