This line was laid to comply with instructions from the State Board of Health. 219 feet of 4" Cast Iron and 651 feet of 2" Galvanized pipe was laid on this job at a cost of \$967.72, which was charged to extensions. This item was charged to extension instead of renewal for the reason that the old line which was renewed was the property of the Contoocook Mills Corp.

On School St. a new line of 8" Cast Iron pipe was laid to replace the old cement 6" line. 1700 feet of pipe was laid on this street besides a re-arrangement and addition to the hydrant, making for better fire protection. The cost of laying this street was \$5,317.50, divided as follows: Renewal, \$1,309.00 (the cost of the old cement line); excess renewal \$4,008.50

## TOWN SCHOOL REPORT

---

To the School Board of the Hillsboro Town School District:

The ninth annual report of your Supt. of Schools is hereby respectfully submitted. It refers to the school year 1926-1927.

All our teachers had previous experience in our schools. The list follows:

Mrs. Grace M. Crane	Upper Village
Mrs. Marion Evans	Bear Hill
Mrs. Georgianna Gile	Merrill Diistrict
Mrs. Nellie Mellen	Goodell District
Mrs. Gladys Murdo	Flat District
Miss Susan Pierce	Center
Mrs. Elmar Evans	Lower Village

At the close of the Fall term Mrs. Nellie Mellen resigned, and Miss Pierce took her place at the Goodell School. The Center School was closed and the children transported to the Flat School. We paid all teachers \$720, except the Lower Village teacher who received \$900.

Three years ago one of our teachers had the highest form of State Certificate but now four of them, Mrs. Crane, Mrs. Gile, Mrs. Mellen and Mrs. Murdo, have certificates. It must be remembered that all of this data is given for the year which closed some time ago, namely on June 30th, 1927, and since then some changes have been made. All but one of our teachers have kept up with the best in educational progress by attending summer school, but so far as I have been able to determine none have attended summer school since 1919. I recommend that a slight salary bonus be given the teacher for the year following attendance at a summer school. This would encourage such attendance and help defray the expenses. We pay our teachers an average of \$750 per year while the average for the state is \$1,006.65. The average cost per pupil for this district is \$63.67, while 190 of the State's 250 districts have a higher average cost, running up to as much as \$577.82 in one district.

The enrollment has been as follows, except that pupils have made several changes from one school to another. The total number of different pupils is 144, and in case where the pupil has changed from one school to another he is counted in the first school.

Upper Village	39
Lower Village	38
Merrill	21
Flat	16
Goodell	14
Bear Hill	11
Center	5

The enrollment for the past four years has been respectively 131, 131, 135, and 144.

Our total enrollment of 144, added to 2 who go to the Hillsboro Special Grammar School, and 22 in the High school, and 1 in college total 169, but from that number we must subtract 3 non residents in our schools, giving 166 pupils living in our district and attending school.

The grade enrollment is 1st grade 35, 2nd 18, 3rd 15, 4th 17, 5th 29, 6th 13, 7th 9, and 8th 8.

There were 283 cases of tardiness, a poor record. This poor record is entirely due to one school, where there were 224 cases of tardiness, 14% more cases in that one school than there were in the whole district the year before. Close attention to this matter will result in improvement. There were absolutely no cases of tardiness in the Goodell, Bear Hill and Center School, although the record for the Center School was for but one term.

The percent of attendance was Center 97%, Bear Hill, Flat and Merrill 96%, Goodell 94%, Lower Village 92%, Upper Village 88%.

The Roll of Honor for Perfect Attendance had only four names last year, but it has seven this year, namely:

Daniel Dodge	Harley Fowler
Isabel Dodge	Fletcher Ryley
Alice Ryley	Beatrice Rowe
Elwin Smith	

This is the fourth consecutive year in which Alice and Fletcher have had perfect attendance. We gladly recognize such close attention to school duties.

The Medical examination was given as usual, and the work was faithfully followed up by the District Nurse.

Teachers' records show that there were 6 visits paid to the schools by the members of the Board, 148 by the Supt., and 340 by parents and others. This increase in the number of visits by parents is appreciated. The number of parents' visits range from 18 at Bear Hill to 80 at the Merrill School. The Merrill School has been the banner school in this respect for three successive years.

The Graduation Exercises were held in Fuller Hall at 2 P. M. June 16, 1927, with the following program:—

Invocation	Rev. John Wellwood
Vacation Song	Bear Hill School
Essay—Some of New Hampshire's Beauties	Fletcher W. Ryley
Essay—Thomas Edison	Wesley Bumford
Drum Solo	Alden D. Colburn
	Accompanied by Mrs. L. L. Evans
History of the Upper Village School	Carl Johnson
Recitation, Contentment	Frances Gould
Sailing Song	Bear Hill School
Essay, Luther Burbank	Evelyn Stafford
Recitation, The Song of Marion's Men	Alice DeShan
Recitation, American Flag	Julia Wilt
Presentation of Diplomas	Supt. A. A. Holden
Benediction	Rev. John Wellwood

The names of the eight graduates appear on the program.

The necessary repairs were made on the school buildings and notable improvements and additions were made to the Upper and Lower Village School Grounds. This is intended to be followed up by changes in our school buildings so that eventually they may all be more hygienic and better lighted.

Respectfully yours,

A. A. HOLDEN,  
Supt. of Schools.

## REPORT OF THE BOARD OF EDUCATION

---

We present herewith the Report of the Board of Education for the year ending June 30, 1927.

In our last report we itemized the cost of the new high school building. There is at present \$188.38 remaining unexpended in the building account.

The following amounts for the school year, commencing July 1, 1928, are our estimates of the required expenses.

High School	\$9,265 00
Elementary School	9,570 00
District Officers	215 00
Superintendent's Salary	400 00
Per Capita Tax	556 00
Payment of Debt	4,000 00
Interest on Debts	3,155 00
Administrative	50 00
Other Obligations	414 00
Total	<hr/> \$27,625 00

We expect about \$2,000 income in addition to the amount raised by taxation, and for that reason we recommend that the sum of \$25,700.00 be appropriated for the school year commencing July 1, 1928.

This is an increase over the amount asked for last year because we wish to have an additional teacher in the High school and an additional teacher in the grades. The cadet system has not worked out to our satisfaction, and we feel that it is much wiser to engage regular teachers hereafter.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the Board of Education of the Hillsboro Special School District, the report of the Supt. of Schools, for the year 1926-1927 is herewith respectfully submitted:

All but one of our last year's teachers returned to us this year. Miss Dorothy Flint of Plymouth, N. H., a graduate of the Plymouth Normal School, with graduate work at Boston University, took the position of teacher of Latin and English held last year by Miss Mabel Shaw. Six of our teachers have certificates and five have licenses.

Following is a list of our teachers, with the number of years of teaching experience they have had in this district, placed after their names:

Harold C. Bowley, Headmaster	3
Myrtie K. Brooks, commercial subjects	5
Lena Conant, now Mrs. Ball, Music	5
Grace Crosby, 7th, 8th grades	1 1-3
Eva Doble, 6th, 7th grades	13
Emily Flanders, 4th, 5th grades	13 1-3
Dorothy Flint, High school	0
Marjorie Hutchinson, High school	1
Edith Messer, Drawing	5
Cora Scruton, 1st, 2nd grades	16
E. Estella Shedd, 3rd, 4th grades	2

Keene Normal School sent us four cadet teachers, seniors, who remained with us nine weeks each. Only four of our eleven teachers report having taken any summer course of study. Such work is very important. It sustains interest and enthusiasm in the work, and keeps the teachers informed as to the latest methods of teaching her subjects. On the other hand a faithful teacher is weary at the close of the year. To encourage summer school work I recommend a slight addition to the

salary of a teacher who attends summer school, that addition being only for the year following such attendance.

Our total enrollment was 329, divided as follows:

Grade	Boys	Girls	Total	Tuition
1	26	23	49	2
2	19	9	28	0
3	13	15	28	0
4	21	20	41	0
5	14	17	31	3
6	11	12	23	0
7	17	5	22	2
8	8	11	19	2
9	11	25	36	(
10	2	14	16	( 46
11	8	12	20	(
12	4	12	16	(
Totals	154	175	329	55

The total enrollment for the past four years has been 285, 303, 306 and 329, an increase of 15.4 per cent in three years.

The highest percent of attendance was 97.76 in Mrs. Doble's room, the highest for several years. The average for all our schools was 96 percent. Our tardiness record is improving, 156 this year compared with 239 last year. Each room did well averaging from .11 cases per pupil in Mrs. Doble's room to .9 cases per pupil in the High school. I am sure that careful attention to this matter will result in still greater improvement.

Following is a very long roll of honor for perfect attendance:

High School—Evelyn Hoyt, Erlene Murdo, Ilene Murdo, Arlene Travis, Velma Kelso, Rial Rowe, Edward Fleming, Norman Murdo, Charles Butler, Elgin Colby, Archie Cote, William Otterson, Harold Stafford, Doris Bailey, Louise Young.

Mrs. Flander's room—Alice York.

Mrs. Doble's room—Arthur Jackson, Harry Jordan, Harold Mosley, Harriette Coxon, Kerwin Ellsworth, Emma Yeaton.

Mrs. Scruton's room—Marion Buswell, Emma Lambert, Julia Holley, Norma Lacey, Frank Camara, Nellie Carara, Mary Holley, Thalia Ryder, Sofa Bonder, Paul McAdams, Melvin Severance, Julia Zeludancz.

Miss Shedd's room—Vurlyne Ellsworth, Marjorie Lambert, John Risnik, Mary Camara, Raymond Stinson.

Miss Crosby's room—Maurice Cote, Olive Colby, Rosamond Cole, Carol Richardson, Robert Herrick.

Teachers' records show 10 visits by members of the Board of Education, 427 by parents and others, and 333 visits by the Superintendent.

From a report of the State Board of Education it appears that 55 New Hampshire high schools cost more per pupil for instruction than does ours, and only 28 cost less per pupil. The cost in different districts ranges from \$87.54 per pupil to \$401.64, our per pupil cost in the high school being \$119.36. Of the 246 districts in the state having elementary schools, only one has a less cost per pupil than ours. With that in view we have already added an extra teacher and a cadet teacher, and I recommend a regular teacher in place of the cadet for next year. Of 250 districts in the state 67 spend less per \$1000 of equalized valuation, and 182 spend more than we do. These amounts range from \$1.29 per \$1000 valuation to \$28.68. We spend for education \$7.85 per \$1000 valuation.

The following is also gathered from the report of the State Board of Education for the year under consideration. The average salaries for teachers and superintendents in this state compared with what we pay is as follows:

Position	State Average	Hillsboro's Average
Superintendent	\$3564 20	(part of) \$3400 00
Headmaster	2031 29	2100 00
High school women	1412 35	1216 67
Elementary, women	1006 65	1010 00

It seems that Hillsboro would gladly pay as much as the average. In the case of the Headmaster and elementary teachers we pay about the state average, while for the others we pay considerably less than the state average.

The scholarship was awarded to Miss Erlene A. Murdo who attends the Keene Normal school.

Miss Gile followed up the medical examination carefully.

When the term opened in January, the new high school building was opened for use, and teachers and pupils found it vastly more convenient than their quarters in the old building. The gymnasium especially has been regularly used and appreciated.

Mr. George W. Haslet insisted upon the acceptance of his resignation from the school board, much to the general regret. He had been a member of the school board for many years, most of the time, as its Chairman, and much of the success of the schools is due to him, and the credit for it is cheerfully given by his co-workers, who are one and all, appreciative of his faithful services and friendly interest.

The Grammar School Graduation exercises were held in the old high school room, on Friday afternoon, June 17th. The Honor pupils being Rosamon Cole, John Holden, and Olive Colby. The high school graduation exercises were held in the Opera House on Thursday, June 16th, Warren Colburn being the Valedictorian and Ilene Murdo the Salutatorian.

Respectfully submitted,

A. A. HOLDEN,  
Supt. of Schools.
