Daniel Klein, Board Member, 2024

Oyster River Local Advisory Committee

Eric Fiengenbaum, 3/2025

**RECORD OF TOWN MEETING
MARCH 8, 2022**

Moderator Donald Goodnow called the Annual Town Meeting of the Town of Madbury, County of Strafford, and the State of New Hampshire, to order on Tuesday, March 8, 2022, at 7:30 PM, at Moharimet Elementary School. The polls were open at the Madbury Town Hall on Tuesday, March 8, 2022, from 11:00 AM to 7:00 PM. The following ballot clerks were in attendance:

Diane Green, Diane Hodgson, Joan Melvin, Sandra O’Neill,
Katrin Siegels, Joan Sundberg, and Jennifer Wilhelm

Moderator Goodnow explained his expectations for the deliberative session to the assembled citizens (approximately 60). He introduced the Board of Selectmen, Town Clerk, Town Administrator, and thanked everyone who helped organize the day, run the election, and set up for the town meeting at Moharimet Elementary School.

The Moderator then asked everyone to stand for a moment of silence for those Madbury citizens who passed away in 2021 and to remain standing for the Pledge of Allegiance. Those deceased include:

Yvette Bosse, Robert Clark, Robin Constantino, Wallace Dunham,
Marcia Erickson, Gary Gage, Jesse Gangwer, Leslie Gearwar,
Linda Hollister, Catherine Jewell, Elizabeth Kittle, Christine Kokolis,
Margaret Lee, Robert Longtin, Estelle Loranger, Marion Pingel, Charles
Stoddard, Doree Townsend, Madalaine Whitehouse

Town Clerk Lisa Amarosa led the Pledge of Allegiance.

The Moderator reviewed the rules of order.

ARTICLE 1: The following Town Officers were elected by Official Ballot on March 8, 2022: (sample ballot on file)

Selectman for the ensuing three years.....	Mark Avery
Town Clerk/Tax Collector for the ensuing three years	Lisa Amarosa
Moderator for the ensuing two years.....	Donald Goodnow
Treasurer for the ensuing year.....	Deborah Ahlstrom
Supervisor of the Checklist for the ensuing six years	Kathleen O’Shea
Auditor for the ensuing two years	Linda Stewart
Library Trustee for the ensuing three years	Marie O’Neill
Trustee of the Trust Funds for the ensuing three years	Judith Engalichev
Cemetery Trustee for the ensuing three years	Sandy O’Neill

ARTICLE 2: To vote to amend the Town Zoning Ordinance:

Amendment 1: Are you in favor of the adoption of the amendment to the existing Town Zoning Ordinance, as proposed by the Planning Board, to add a definition of condominium and to update the definition of subdivision in order to correct an oversight that currently prevents Madbury from regulating condominium development? Recommended by the Planning Board. (Majority vote required)

YES (194) NO (22)

ARTICLE 3: Jim Davis of Mill Hill Rd. moved, and Marcia Goodnow of Garrison Ln. seconded, a motion authorizing the Selectmen to choose all other town officers. (Majority vote required)

Hearing no discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 4: Selectman Bruce Hodsdon moved, and Deb Ahlstrom of Drew Rd. seconded, a motion to see if the Town will vote to raise and appropriate the sum of One Million Nine Hundred Fourteen Thousand Four Hundred Fourteen Dollars (\$1,914,414) for general municipal operations. This operating budget warrant article does NOT include appropriations contained in any other warrant articles. Recommended by the Board of Selectmen. (Majority vote required)

Selectman Hodsdon spoke in support of the motion. He reflected on the financial difficulties caused by inflation over the past year. He explained that, along with the operating budget, if all articles are passed it represent a total increase of 8% for the town's budget. He believes this is an appropriate and realistic increase.

Michael Williams of Pendexter Rd. asked for an explanation of the increase in the road budget.

Selectman Hodsdon said that last year a warrant article for the third phase of the Hayes Rd. paving project was passed for approximately \$140,000.00. This year they plan on paving the beginning of Nute Rd. and feel it will be completed within this year, so they added it to the road budget instead of giving it its own article.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 5: Selectman Janet Wall moved, and Bevie Ketel of Moharimet Dr. seconded, a motion to see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000) to add to the existing Bridge Repair and Maintenance Capital Reserve Fund established in Article 5 at the 2013 Town Meeting for the purpose of repairing and maintaining town bridges. Recommended by the Board of Selectmen. (Majority vote required)

Treasurer Deborah Ahlstrom spoke briefly about capital reserve funds and why they are used. She explained that capital reserve funds are a way for towns to save for future spending, such as for the purchase of a new fire truck. The funds are allowed to be turned over the Trustees of the Trust Funds who invest them and make sure they are being used appropriately.

Selectman Wall explained that the Nute Road bridge was rebuilt last year with the state paying 80% and the town paying 20%. The bridge was completed on time and on budget. The town is now focused on other bridges and culverts, especially the Johnson Creek culvert on Freshet Rd.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 6: Road Agent Joseph Moriarty moved, and Betsy Renshaw of Town Hall Rd. seconded, a motion to see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to add to the existing Hayes Road Repair and Repave Capital Reserve Fund established in Arti-

cle 15 at the 2016 Town Meeting for the purpose of repairing and repaving Hayes Road. Recommended by the Board of Selectmen. (Majority vote required)

Road Agent Joseph Moriarty explained that the bulk of the work will be on Hayes Road this year. Extensive work on the base of the road has been completed over the last 3 years and it is prudent to apply a top layer to add to the longevity of the road.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 7: Selectman Bruce Hodsdon moved, and Selectman Fritz Green seconded, a motion to see if the Town will vote to raise and appropriate the sum of Eighty Thousand Dollars (\$80,000) to add to the existing Public Works Development Capital Reserve Fund established in Article 9 at the 2020 Town Meeting for the purpose of building a facility and initiating equipment purchases. Recommended by the Board of Selectmen. (Majority vote required)

Selectman Hodsdon said this fund is an attempt to prepare Madbury for the future. Money has been set aside in the past to build the public safety complex and the new library. He said Madbury needs to be prepared for a public works facility and equipment in the future when the town's current contractor retires. He is hoping that a committee will be formed next year to start the legwork for the planning, pricing and finalization of expenses.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 8: Selectman Janet Wall moved, and Joan Sundberg of Nute Rd. seconded, a motion to see if the Town will vote to raise and appropriate the sum of Thirty-five Thousand Dollars (\$35,000) to add to the existing Government Buildings Repair Capital Reserve Fund established in Article 5 at the 2012 Town Meeting for the purpose of major repairs to town government buildings. Recommended by the Board of Selectmen. (Majority vote required)

Selectman Wall said the exterior of the town hall was repainted in 2021 and several small repairs were made to the interior. She said there are still interior issues that need to be addressed, such as new carpeting and interior painting. She also said the town hall needs repairs to the roof to ongoing stop leaks.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 9: Jim Davis of Grounds Maintenance moved, and Garrett Ahlstrom of Drew Rd. seconded, a motion to see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) to add to the existing Grounds Maintenance Equipment Capital Reserve Fund established in Article 4 at the 2012 Town Meeting for purchasing grounds maintenance equipment. Recommended by the Board of Selectmen. (Majority vote required)

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 10: Fire Chief Tom Perley moved, and Jeff Lanza of Nute Rd. seconded, a motion to see if the Town will vote to raise and appropriate the

sum of Ten Thousand Dollars (\$10,000) to add to the existing Fire Communications Capital Reserve Fund established in Article 18 at the 2018 Town Meeting for the purpose of participating with other departments in the region to upgrade the communication system. Recommended by the Board of Selectmen. (Majority vote required)

Fire Chief Perley explained that more money is needed due to delays from other participating communities and the fact that costs have increased since 2018. He said the system is currently in the process of being implemented.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 11: Fire Chief Tom Perley moved, Assistant Fire Chief Jim Davis moved seconded, a motion to see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to add to the existing Fire Equipment Capital Reserve Fund established in Article 8 at the 1994 Town Meeting, and repurposed in Article 14 at the 2013 Town Meeting for the purpose of the purchase of fire equipment. Recommended by the Board of Selectmen. (Majority vote required)

Sandy O'Neill of Moharimet Dr. said she hopes that everyone votes for this, especially given the fact that the fire department is having a hard time finding volunteers. She said she is very grateful for the service.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 12: Selectman Fritz Green moved, and Morgan Smith of Freshet Rd., seconded, a motion to see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) to add to the existing Police Equipment Capital Reserve Fund established in Article 6 at the 2010 Town Meeting for the purpose of purchasing police equipment. Recommended by the Board of Selectmen. (Majority vote required)

Selectman Green said these funds will be used for the purchase of the next police cruiser in about four years.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 13: Justin Corrow of Nute Rd. moved, and Betsy Renshaw of Town Hall Rd. seconded, a motion to see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to add to the existing Recreational Facilities Capital Reserve Fund established in Article 5 at the 2010 Town Meeting for the purpose of planning and development of recreational facilities within the town. Recommended by the Board of Selectmen. (Majority vote required)

Justin Corrow said the Recreation Committee is planning to add another loop to the town's fitness trail located at Tibbetts Field.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 14: Selectman Fritz Green moved, and Jay Moriarty of Mill Hill Rd. seconded, a motion to see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000) to add to the Property Revalua-

tion Capital Reserve Fund established in Article 6 at the 2009 Town Meeting for the purpose of the revaluation of town properties. Recommended by the Board of Selectmen. (Majority vote required)

Selectman Green explained that revaluation is required by the state and said Madbury has hired Avitar Associates to do the revaluations.

Karen Matta Oshima of Moharimet Dr. asked how often the state requires revaluations. Selectman Green said it is required every five years.

Mike Anderson of Champernowne asked why this isn't just included in the municipal budget.

Treasurer Deb Ahlstrom said this is a perfect example of using a capital reserve to spread the payments out evenly instead of having taxes impacted every five years when the revaluation occurs.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 15: Selectman Janet Wall moved, and Chuck Goss of Cherry Ln. seconded, a motion to see if the Town will vote to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000) to add to the Purchase of Property and/or Easements Capital Reserve Fund established in Article 7 at the 2018 Town Meeting for the purpose of purchase of property and/or easements. Recommended by the Board of Selectmen. (Majority vote required)

Selectman Wall explained that this fund gives the town the ability to purchase land that may be in the town's best interest for recreation, development or conservation purposes. She recalled past purchases made by the town using these funds.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 16: Selectman Fritz Green moved, and Jim Davis of Mill Hill Rd. seconded, a motion to see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to add to the existing Iafolla Rec- lamation Capital Reserve Fund established in Article 4 at the 2010 Town Meeting for the purpose of reclamation of land purchased by the Town from the Estate of Michael Iafolla. Recommended by the Board of Selectmen. (Majority vote re- quired)

Selectman Green explained that the town has been saving \$5,000.00 per year since 2010 for a future park at the location of the Pike hydro-mining site. Since the town is not sure when the property will become available, the selectboard would like to lower the amount to be set aside annually and use it for maintenance of the property.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 17: Administrator Eric Fiegenbaum moved, and Ric Erickson of Moharimet Dr. seconded, a motion to see if the town will vote to establish an Information Technology Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing computer hardware, software, and related services to meet the technology requirements of the Town, and to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to add to

this fund; and further, to name the Board of Selectmen as agents to expend from Information Technology Capital Reserve Fund.

Recommended by the Board of Selectmen. (Majority vote required)

Administrator Fiegenbaum explained that this is a new capital reserve fund. He said there are nine computers located at the town hall, all of which are nine years old or older. He explained that the majority are running Windows 10 which will expire in October of 2025. He said Windows 11 implements a hardware security module and that none of the town's current computers have a provision for this new module.

Danielle Heaton of Moharimet Dr. said \$2,500.00 does not sound like enough money.

Administrator Fiegenbaum said he thinks starting the fund now and putting money aside each year will be sufficient in conjunction with using other available funds located in each of the operating budgets.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 18: To hear a report from the Board of Selectmen regarding the Solar Array project approved in Article 10 at the 2020 Town Meeting and reaffirmed in Article 16 at the 2021 Town Meeting.

Selectman Fritz Green called attention to page 34 of the town report. He pointed out an article about the solar array project report. He said the town has received funds to cover the entire project which will take place this year.

Beth Goss of Cherry Ln. asked about the location of the solar array. She is concerned about the aesthetics of the solar array in the field near the safety complex.

Selectman Fritz Green said they are planning to put the solar array as close to the safety complex as possible while avoiding the wetland on the property.

ARTICLE 19: Administrator Eric Fiegenbaum moved, and Tom Crosby of Hayes Rd. seconded to see if the town will vote to authorize the Conservation Commission to retain the unexpended portion of its 2022 appropriation as authorized by RSA 36-A:5, said funds to be placed in a conservation fund account held by the municipal treasurer (RSA 41:29).

Recommended by the Board of Selectmen. (Majority vote required)

Administrator Eric Fiegenbaum explained that the Conservation Commission is the only budget group that can carry over unspent funds. He said the unspent funds will go to the Conservation Fund if approved.

Hearing no further discussion, the Moderator called for a voice vote.

PASSED

ARTICLE 20: To hear the reports of any Town Committees, Boards, and/or Commissions, and act on any motion thereto.
Nothing was reported.

ARTICLE 21: To transact any other business that may legally come before the meeting.

Selectman Green presented a certificate of appreciation to Selectman Bruce Hodsdon on behalf of the selectboard in recognition of his retirement. He reminded people that this is the second time Selectman Hodsdon has retired from

the position, as he had returned to help the board when they were in need of someone with experience. Selectman Green said that there have been many projects completed over the last four years including the building of the new library and the new town shed. He said Selectman Hodsdon was not the only player in making those happen, but he was a major player.

Selectman Wall spoke about the end of an era with the retirement of Selectman Hodsdon and presented him with a gift to symbolize his efforts to secure funds for a future Madbury Public Works Department.

Selectman Hodsdon said he has been working for the town for over 30 years. He said it doesn't happen alone and that the town is lucky to have those who work for it. He thanked all of the people who make Madbury what it is and he received a standing ovation.

Fire Chief Tom Perley announced that 2022 marks the 75th anniversary of the Madbury Volunteer Fire Department. He talked about the history of the fire department and how it was formed. He said the first fire fighting equipment in Madbury was approved at the town meeting held on March 11, 1947. He continued to reminisce about the history of the fire department and spoke of resident Willard Sanders, who joined the Madbury Fire Department after graduating from high school and served his entire life. Mr. Sanders passed away in 1995 after serving as a firefighter, lieutenant, assistant chief, and as director of the association. Chief Perley explained that a significant donation was made to the Madbury Fire Department in 2016 when Willard's wife, Marilyn (Hale) Sanders, passed away. He told the townspeople that a John Deere Gator UTV has been purchased with the funds and he invited them to view it outside the building after the town meeting. He then presented the keys to Selectman Bruce Hodsdon.

Karen Matta Oshima announced that Madbury Day will return in 2022. The date has been set for Saturday, September 10, and volunteers are needed.

Ric Erickson of Moharimet Dr. shared information about Ready Rides, a program that provides rides to residents unable to drive themselves to medical appointments. Mr. Erickson believes there are many people in town who could use this service but are unaware of its availability. He asked the townspeople to spread the word to people who may benefit from Ready Rides.

Michael Williams of Pendexter Rd. moved, and Deb Ahlstrom of Drew Rd. seconded, a motion to adjourn the meeting.

Moderator Goodnow adjourned the meeting at 8:45 PM.

Lisa Amarosa, Town Clerk

Accepted by the Board of Selectmen on July 1, 2022

Madbury Trustees of the Trust Funds: Diane Hodgson, Robyn Gault, Judy Engalichev

**WARRANT FOR TOWN MEETING
TOWN OF MADBURY, NEW HAMPSHIRE
MARCH 14, 2023**

**To the inhabitants of the Town of Madbury, County of Strafford, and
the State of New Hampshire qualified to vote in Town affairs:**

**You are hereby notified to meet at the Town Hall, 13 Town Hall Rd.,
in said Madbury on Tuesday, the fourteenth day of March, 2023
at 11:00 a.m. o'clock in the morning
for the purpose of voting on Articles 1 and 2,
and at the Madbury Town Hall
at 7:00 p.m. o'clock in the evening for action on Articles 3 through 23.**

**The polls, which open at the Town Hall at 11:00 a.m. for the purpose
of voting on Articles 1 and 2 will close at 7:00 p.m.**

Article 1: To choose the following Town Officers: (Majority vote
required)

- A Selectman for the ensuing three years
- A Treasurer for the ensuing year
- An Auditor for the ensuing two years
- A Trustee of the Trust Funds for the ensuing three years
- A Cemetery Trustee for the ensuing three years
- A Library Trustee for the ensuing three years

Article 2: To vote to amend Town Zoning Ordinances as recommended
by the Planning Board (Majority vote required)
Are you in favor of the adoption of the amendment to the existing town Zoning
Ordinance, as proposed by the Planning Board, to update Madbury Zoning
Ordinances Article XXI, Flood Hazard Area Overlay District?

Article 3: To choose all other Town Officers. (Majority vote required)

Article 4: To see if the Town will vote to raise and appropriate the sum of
Two Million One Hundred Thirty Thousand Seven Hundred Twenty-three
Dollars (\$2,130,723) for general municipal operations. This operating budget
warrant article does NOT include appropriations contained in any other war-
rant articles. Recommended by the Board of Selectmen. (Majority vote re-
quired)

Article 5: Shall the town readopt the Optional Veterans Tax Credit in
accordance with RSA 72:28, II, for an annual tax credit on residential property
of \$500? Recommended by the Board of Selectmen. (Majority vote required)

Article 6: To see if the Town will vote to raise and appropriate the sum of
One Hundred Five Thousand Six Hundred (\$105,600) for the purpose of hiring
a consultant to complete a Fire Department needs assessment, develop a plan,
and assist in negotiating any agreement for future fire protection. This special

warrant article will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the plan is completed or by December 31, 2024, whichever is sooner. Recommended by the Board of Selectmen. (Majority vote required)

Article 7: To see if the Town will vote to raise and appropriate the sum of Eighty Thousand Dollars (\$80,000) to add to the existing Bridge Repair and Maintenance Capital Reserve Fund established in Article 5 at the 2013 Town Meeting for the purpose of repairing and maintaining town bridges. Recommended by the Board of Selectmen. (Majority vote required)

Article 8: To see if the Town will vote to raise and appropriate the sum of Eighty Thousand Dollars (\$80,000) to add to the existing Public Works Development Capital Reserve Fund established in Article 9 at the 2020 Town Meeting for the purpose of building a facility and initiating equipment purchases. Recommended by the Board of Selectmen. (Majority vote required)

Article 9: To see if the Town will vote to raise and appropriate the sum of Thirty-five Thousand Dollars (\$35,000) to add to the existing Government Buildings Repair Capital Reserve Fund established in Article 5 at the 2012 Town Meeting for the purpose of major repairs to town government buildings. Recommended by the Board of Selectmen. (Majority vote required)

Article 10: To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) to add to the existing Grounds Maintenance Equipment Capital Reserve Fund established in Article 4 at the 2012 Town Meeting for the purpose of purchasing grounds maintenance equipment. Recommended by the Board of Selectmen. (Majority vote required)

Article 11: To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to add to the existing Fire Equipment Capital Reserve Fund established in Article 8 at the 1994 Town Meeting, and repurposed in Article 14 at the 2013 Town Meeting for the purpose of the purchase of fire equipment. Recommended by the Board of Selectmen. (Majority vote required)

Article 12: To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) to add to the existing Police Equipment Capital Reserve Fund established in Article 6 at the 2010 Town Meeting for the purpose of purchasing police equipment. Recommended by the Board of Selectmen. (Majority vote required)

Article 13: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to add to the existing Recreational Facilities Capital Reserve Fund established in Article 5 at the 2010 Town Meeting for the purpose of planning and development of recreational facilities within the town. Recommended by the Board of Selectmen. (Majority vote required)

Article 14: To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000) to add to the Property Revaluation Capital Reserve Fund established in Article 6 at the 2009 Town Meeting for the pur-

pose of the revaluation of town properties. Recommended by the Board of Selectmen. (Majority vote required)

Article 15: To see if the Town will vote to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000) to add to the Purchase of Property and/or Easements Capital Reserve Fund established in Article 7 at the 2018 Town Meeting for the purpose of purchase of property and/or easements. Recommended by the Board of Selectmen. (Majority vote required)

Article 16: To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000) to add to the existing Iafolla Reclamation Capital Reserve Fund established in Article 4 at the 2010 Town Meeting for the purpose of reclamation of land purchased by the Town from the Estate of Michael Iafolla. Recommended by the Board of Selectmen. (Majority vote required)

Article 17: To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to add to the existing Information Technology Capital Reserve Fund established in Article 17 at the 2022 Town Meeting for the purpose of purchasing computer hardware, software, and related services to meet the technology requirements of the Town. Recommended by the Board of Selectmen. (Majority vote required)

Article 18: To see if the town will vote to establish a Master Plan Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of covering consulting and other costs associated with the review, revision, updating, and amending of the Town's Master Plan and to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to add to this fund; and further, to name the Board of Selectmen as agents to expend from said fund. Recommended by the Board of Selectmen. (Majority vote required)

Article 19: To see if the town will vote to establish a Conservation Donor Trust as an Expendable Trust Fund per RSA 31:19-a for the purpose of depositing private donations accepted by the Board of Selectmen to be used for the proper utilization and protection of the natural resources and for the protection of watershed resources, such as the stewardship of wildlife habitats, forests and waterways, the development of interpretive information, and trail enhancement; and further, to name the Madbury Conservation Committee as agents to expend from said fund. Recommended by the Board of Selectmen. (Majority vote required)

Article 20: To see if the town will vote to establish a Contingency Fund in accordance with RSA 31:98-a for the current year of 2023 for unanticipated expenses that may arise and further to raise and appropriate Nineteen Thousand Dollars (\$19,000) to put in the fund. This sum to come from General Fund Unassigned Fund Balance; there is no impact on taxes. Any appropriation left in the fund at the end of the year will lapse to the general fund. Recommended by the Board of Selectmen. (Majority vote required).

Article 21: To see if the town will vote to authorize the Conservation Commission to retain the unexpended portion of its 2023 appropriation as authorized by RSA 36-A:5, said funds to be placed in a conservation fund account held by the municipal treasurer (RSA 41:29). Recommended by the Board of Selectmen. (Majority vote required)

Article 22: To hear the reports of any Town Committees, Boards, and/or Commissions, and act on any motion thereto.

Article 23: To transact any other business that may legally come before the meeting.

Given under our hands and seal the 17th day of February in the year of our Lord, Two Thousand and Twenty-three.

Frederick W. Green

Mark Avery
Board of Selectmen

Janet G. Wall

Strafford County, SS Town of Madbury and the State of New Hampshire. Personally appeared before me, the above mentioned Selectmen, and took oath to the above statement.

Lisa Amarosa, Town Clerk/Tax Collector

We certify that on the 27th day of February, in the year of our Lord, Two Thousand and Twenty-three, we posted a copy of the warrant at the Town Hall, Library, and the Town Clerk's Office being three public places in the Town of Madbury, as required by law.

Frederick W. Green

Mark Avery
Board of Selectmen

Janet G. Wall

Strafford County, SS Town of Madbury and the State of New Hampshire personally appeared before me, the above mentioned Selectmen, and took oath to the above statement.

Lisa Amarosa, Town Clerk/Tax Collector

BOARD OF SELECTMEN

The relaxing of COVID-19 guidelines saw the Selectmen resume their normal meeting schedule of Friday mornings and the first and third Monday evenings of each month. The Selectmen continued meeting in the larger meeting room, but gravitated to the smaller conference room unless guests or a public hearing of wide interest was scheduled. As with other board and commissions, mask wearing was optional and respected.

Madbury's town solar array was commissioned on September 8, 2022 and is producing electricity. The 75kW AC system was designed by ReVision Energy to produce the equivalent amount of electricity used by Madbury's current town buildings. Funding came from the Coronavirus State and Local Fiscal Recovery Funds program, a part of the American Rescue Plan, and two grants from the Wentworth Family Trust Gift.

After several years of considering a number of alternatives to deal with ice dams and water leaks in the town hall, a decision was made to apply a closed cell foam insulation to the attic in town hall. The project was completed just as snow fell and it was immediately clear that insulation reduced the heat loss and no ice dams have been reported. Buildings and Grounds is pleased they no longer have to rake snow off the roof.

Noting that the current snow plowing contract ends in 2025 and the contractor may not renew, the Selectmen thought it time to begin to exploring alternatives to how the town will handle public work tasks in the future. Recent Town Meetings have funded a capital reserve account to partially address a change, but what that change will be needs to be explored. In late September, a postcard requesting volunteers for a public works exploratory committee (PWEC) was sent to all Madbury postal addresses. About 15 residents responded, and the Selectmen selected 5 (3 full and 2 alternate members) residents to join 4 town staff to comprise the committee. The PWEC is tasked with researching options such as continuing with contracted operations, establishing a department of public works, partnering with other towns, or other options as it might see fit to recommend. The committee began its work through public meetings in November.

In partnership with the State Department of Transportation, the town moved forward with the effort to replace the red flagged Freshet Road bridge over Johnson Creek. Eighty percent of the funds will come from the State's bridge aid program, with the town left to come up with the remaining twenty percent. There is already a capital reserve fund in place and preliminary engineering and survey studies are expected in early 2023.

A Community Development Block Grant application for the Bunker Lane Condominium Association to upgrade an undersized and aging water infrastructure, which was supported by the town, was awarded. There are several other components to the project, but other than some administrative duties the town is not involved with the funding.

The town accepted unanticipated road funds to be spent in 2022 from the State. With input from the Road Agent a decision was made to use the funds to redesign the Cherry Lane "Y" intersection with Town Hall Road.

It was nice to see the return of Madbury Day. Thanks to Karen Matta Oshima for getting the community day started again, and to all those that stepped forward to make it happen. It can only get bigger and better.

There was an impressive turn out to the Water Resources Board partnership with the State to encourage private well testing. Most of Madbury is on private well and septic and the concern and attention of the residents to their wells is important as responsibility relies with them.

The Selectmen proposed, in the 2023, budget not to fund the mosquito monitoring program it has undertaken for many years. No neighboring towns monitor. The Conservation Commission plans to undertake an education and outreach effort regarding protection from insects which carry diseases.

Respectfully,
Frederick W. Green, Janet W. Wall, Mark Avery

ROAD AGENT

The Town's two larger projects in 2022 were Nute Road and Cherry Lane.

Both the town and Eversource had their sights on Nute Road early in the year. Eversource came to the Planning Board, through the scenic road public hearing process, to request the removal and trimming of trees on both Nute Road and Cherry Lane. The town had plans to grind and pave a little less than one mile of Nute Road. After the tree work, culverts and ditches were cleaned, stumps were pulled and preparations were made for the grinding and paving which was accomplished at the end of May.

Madbury, like other cities and towns in New Hampshire, received an additional allotment of funds to be spent in 2022 for unplanned projects along with the State's annual contribution to the funding of local road projects. After a public hearing, the Selectmen decided to use the additional road funding to reconfigure the intersection of Cherry Lane and Town Hall Road. A sharp curve, poor visibility and a narrow "Y" intersection made for a less than an ideal situation. Both of these roads are town roads, although the State does maintain Town Hall Road for access to the Bellamy Reservoir Dam. Phase 1 was the intersection. Phase 2, yet to be fully discussed, may involve a utility pole relocation and a blending of drainage and landscaping with the abutting cemetery.

A section of Miles Lane was repaved to deal with some maintenance and wear issues. Eversource contributed to the project because of some heavy traffic which happened from work they did at their substation.

Madbury was not alone in having difficulty securing equipment and manpower for the annual mowing of our road shoulders. Our normal ROW contractor was not able to come to town, so a minimal amount of brushing was done at intersections based on line of sight considerations.

Respectfully,
Joseph Moriarty, Road Agent

WENTWORTH FAMILY TRUST GIFT

When Carl Wentworth passed away in 2014 he left a generous Trust Fund to the town titled the Wentworth Family Trust which he and his wife Dorothy had established. It provides scholarship funding for the benefit of Madbury residents with financial need intending to pursue post secondary education with input from the Town's School Board Representative, and it directs the Board of Selectmen to provide a prioritized list of projects each year to the Trustee that meet the criteria "... *for the use of the Town of Madbury and or its inhabitants for charitable, educational and recreational purposes to the benefit of the Town of Madbury and its inhabitants and for the acquisition, repair and or replacement of maintenance, fire safety or other equipment necessary or desirable for the safe, efficient operation of the Town of Madbury.*"

The Board of Selectmen reviewed submissions and provided the following list of projects to Charter Trust, who approved them for 2022 disbursement:

- \$9,000 - Additional steel bookcases and other furnishings for the new Madbury.
 - \$11,622.38 - Solar Array. The final piece of funding for the ground array to provide a sustainable approach to the energy needs of the municipal facilities.
 - \$777.62 - Copier/scanner to be used for town boards and commissions for wide format printing.
-

\$21,400.00 - Total funds approved for the Town of Madbury.

Additionally, Charter Trust approved the School Board Representative's recommendation for: \$6,000, Scholarships. A single scholarships and awarded to a Madbury student graduating from high school and pursuing post secondary education.

\$27,400.00 - Grand Total Disbursed in 2022

You can view a Madbury Town Report dedication page to the Wentworths here: townofmadbury.com/1988AnnualReportDedicationWentworths.pdf

You can view a video of an interview with Carl Wentworth talking about the Kingman Farm here:

If you have Wentworth Trust Gift project ideas, you can find more information at: townofmadbury.com/FTG.html as well as an idea submission form and deadlines.

POLICE DEPARTMENT

The Madbury Police Department experienced many challenges and many successes during Calendar Year 2022. The COVID-19 epidemic presented challenges to all of us as individuals and, given the political, environmental, and economic issues, businesses and services were confronted with even more challenges. This Department was no exception. We were confronted with staffing issues previously never encountered; and "yes", COVID-19 was a part of this challenge. However, hardly a day passed where we didn't read, hear, or watch the news reports of crimes being perpetrated against people, property, and businesses and the related issues that police throughout the US were being confronted with.

While we have not experienced the type or magnitude of challenges mentioned above, we have seen a serious decline in the number of men and women seeking an entry level opportunity to building a career in Law Enforcement. Other contributing factors are the fact that we are a "Part Time Police Department". This provides an excellent opportunity to enter the law enforcement field, become a Certified Police Officer, and gain hands-on experience in an environment that fosters professional growth with "limited exposure to danger". (I say "limited"; however, any time an officer puts on the uniform, badge, and side arm, danger remains a distinct possibility.) Also, police operations are a quasi-military entity where rank and position, manage the operations, duties and responsibilities of the officer (s) under their charge. This is sometimes not understood by persons considering a law enforcement career and it has been and remains a factor relating to potential applicants.

I mentioned that this Department is a part-time operation vs. a 24/7 operation and all our officers are part time. When not on duty they are either employed with another police agency, performing military duties, and/or working on a college education. As such we are proud to state that our part time officers are extremely well trained, educated, and do an extremely good job. During the times when a Madbury Police Officer is not on duty, the New Hampshire State Police provide coverage.

Because of the type police department we are, officers in many instances will transition to a larger, full time police operation. While this represents a bit more of a challenge to us in terms of recruitment and retention, we value the many successes we've had in being the catalyst in helping develop top notch career police officers. My staff and I join together in wishing these two outstanding officers great success in their transition. They are:

Officer Matthew Kelly: Transitioned as a Full Time Officer with the Brentwood PD

Officer Cassandra Brown: As a member of the Army National Guard she was reassigned to the Franklin Guard Unit and will pursue her Law Enforcement Career in conjunction with her National Guard duties and assignments.

Other operational enhancements include:

Selective enhancements to our telephone communications and internal security systems.

Minor improvements and elimination of glitches to our police files and records system.

Continuing priority police oversight and enhancement of intervention re-

sponses and tactics as relate to local educational entities.
 Volunteer staff officers and employees working during off duty hours painting, cleaning and beautifying the inside and outside of the Department building.
 Completion of all Police Standards and Training requirements.

I'm proud of and pleased to report that your Police Department consistently met and successfully addressed whatever the challenge that surfaced this past year. This achievement would not have been possible without the support of the various Town Department Managers and Staff. In addition, the insight, trust, and support of the Selectpersons played a major role in keeping Madbury solvent, well maintained, and a safe, resident focused quality place to live and raise a family. I'm proud to be your Police Chief, I value the support and positive relationship my Officers and I are privileged to receive, and I pledge to continue keeping the Town of Madbury one of the "brightest stars" in New Hampshire.

With respect and appreciation,
 Joseph E. McGann, Jr.
 Chief of Police

PLANNING BOARD

With the expiration of Covid Emergency orders that allowed boards to conduct business and form quorums via Zoom, we returned to Town Hall this year for strictly in-person bimonthly meetings. Three rather large projects occupied much of our time during 2022.

In late 2021, LandCare proposed to update their existing site plan to include the expansion of their operation from one to two lots at 282 Knox Marsh Road (Tax Map 9, Lots 3 and 4). Both lots are subject to Wet Area Conservation, lying within the Shoreland, Aquifer and Wellhead Protection and Floodplain overlay districts. Working over many months with the Planning Board, LandCare relocated storage units, redesigned both foot and vehicle traffic routes over the lots, and moved elements of their business back from the Bellamy River in compliance with both state and local set-back regulations. In October, the board brought this to conclusion with the granting of two Conditional Use Permits.

A proposed four unit subdivision at 14 Huckins Road similarly required a Conditional Use Permit for wetland crossings to the proposed house lots. This request was subsequently reduced to three lots, and the permit was granted in October. During this process, the engineers for the applicant created a Homeowner's Informational Packet which explains in detail best practices for building and residing surrounded by wetlands and in proximity to the reservoir.

Finally, 10 Lee Road LLC continues to refine their proposal to replace and enlarge the third building at the rear of the two historic white houses on the corner of Madbury Road. This will roughly double the number of rental units at that site.

There were two residential applications granted: a lot line adjustment between the Gangwer properties at 105 Perkins Road, and a lot line adjustment and waiver of the subdivision requirement for underground utilities at 8 Jenkins Road.

Government/utility applications were granted for tree work done by Ever-source in January and by the Madbury Road Agent in April. In May, the board held an advisory public hearing with Revision Energy for what is now the operating solar array at 334 Knox Marsh Road.

Buildable land is increasingly scarce in Madbury, and as our work this year reflects, much of it falls within wetland and floodplain protection overlay districts. Stronger storms and increases in groundwater flooding are predicted in the coming years; the New Hampshire Flood Smart Seacoast Project predicts a one foot sea level rise by 2050 and a two foot rise by 2100. Sea level rise translates to groundwater rise, which means an expansion of our Madbury wetlands. The board has looked at how our ordinances need to be updated in order to protect residences from flood damage and to ensure that critical facilities, including roadways, remain accessible. A request to approve proposed changes to Zoning Ordinance Article XXI, Flood Hazard Overlay District appears on the March ballot.

Finally, our existing Master Plan, written in 2003 and entitled "Looking Towards 2010", is in serious need of revision. A motion to create a capital reserve fund for Master Plan development through the fiscal year 2028 will be offered during the upcoming town meeting.

We welcomed Andy Losee to the board in October, and appreciate the new

perspective he brings to the board. His addition allows Bevie Ketel to be our alternate.

We encourage and welcome your attendance at our meetings any time: we meet on the first and third Wednesdays of each month at 7 pm in the Town Hall. You can visit our website at www.madburynh.org and/or sign up for our email list at MadPlanBoard@gmail.com.

Respectfully Submitted,
Marcia Goodnow, Chair; Madbury Planning Board

FIRE DEPARTMENT

I would like to thank the citizens of Madbury for their continued support over the past year.

This year we welcomed Nate Reynolds and Joe Young as members of the department.

We continue to promote the use of the states online Fire Permit service, you may now obtain a Fire Permit online at: www.nhfirepermit.com. Please note that all burning laws must still be followed or your permit may be voided. Seasonal Permits are now available through this site as well. Renters must secure written permission of the property owner, and be able to produce that letter along with a copy of the permit if requested.

We are always in need of volunteers. The United States is experiencing a severe shortage of fire service volunteers, and the Madbury Fire Department is no exception, if you have an interest in Emergency Service or helping your neighbors, please come and talk to us. Even if you don't feel that responding to emergencies is for you, we could use help around the station making sure that our equipment is always ready.

Respectfully Submitted,
Thomas Perley, Fire Chief

MADBURY PUBLIC LIBRARY

Library Mission

The beginning of the Madbury Public Library's mission statement refers to our goal of being the "center of community." Every year since the new building opened in 2019 and through the 2020-2021 pandemic, we've wondered whether we would ever reach that goal. During 2022, we finally began to glimpse what our ideal normal might look like: A place for families and caregivers to bring young children...and stay for the entire morning. A place to browse through our new books...and settle into an armchair to read or write or just hang out for the afternoon. A place to come for a meeting...and linger for a picnic or a hike. Here's a look at the progress we've made this year.

New Natural Play Space

Thanks to an ARPA (American Rescue Plan Act) grant and significant additional funds from the Friends of the Library, altogether totaling nearly \$25,000, we have a natural play space that's perfect for our youngest visitors. The site work was completed in early summer and the equipment delivered in August followed by installation by a heroic and very skilled group of community volunteers (noted by name at the end of this report) just in time for the Grand Opening on Madbury Day, September 15. On that Saturday we held the first outdoor story time at the Lorraine Morong Story Circle. We also unveiled more than ten pieces of play equipment. More than 200 of you, of all ages, seemed to have a very good time exploring this new space.

Oyster River Community Read

ORCR has been held every other year since the committee's formation in 2017. This year's two-month long program, which took place between mid-September and mid-November, focused on the ideas from Eric Klinenberg's book *Palaces for the People: How Social Infrastructure Can Help Fight Inequality, Polarization, and The Decline of Civic Life*. The author spoke at UNH and programs featuring different aspects of the theme were presented in the towns of Durham, Lee, Newfields, and Newmarket. A panel discussion with area librarians and both the State and Assistant State Librarians, was held at the Mill Space in Newmarket. One discussion was about increased cooperation among libraries and you will likely see the fruits of our brainstorming in 2023. In addition, just before Thanksgiving we held our annual joint NH Humanities program with the Madbury Community Club. This year, in keeping with the community read's theme, we learned about community cookbooks can show us about women's lives during the previous century.

For Children and Teens

Story Time with Jacky & Kayla

Jacky Le Houllier, who joined our staff in 2021, has become a popular host of pre-school story times, which are held during most of the year on Mondays and Thursdays at 10:30. Kayla offers Yoga Story Time, alternating with Tots & Blocks, Wednesdays at 11:00. In addition we welcome kids of all ages to After-School Lego Club.

Summer Reading

During the summer of 2022, 73 of you helped us explore "Oceans of Possibilities," the year's theme. The Squam Lake Natural Science Center taught us about aquatic critters, Wildlife Encounters brought their raptors and reptiles to the library lawn, and we had musical fun with Steve Blunt, Mr. Aaron, and the Toe Jam Band. And let's not forget the High Flying Frisbee Dogs, who brought an audi-

ence of more than 200 to Little River Park in Lee. We held ten story times that featured oceans, sea creatures, the beach, and yoga. See you soon for Summer Reading 2023, when the theme will be “All Together Now.”

Adults

In addition to Community Read, we hosted 14 different kinds of programs for adults, including 68 individual meetings, which served 589 patrons. These numbers were off from previous “normal” years (2019, for example), but we look forward to even more in-person programs in 2023.

A Grant from the Wentworth Family Trust

Thanks to a generous gift of \$10,000 from the Wentworth Family Trust, we purchased three desktop computers, two laptops, a monitor, a laser color printer, and audio visual equipment for the Community Room, all from Lenharth Systems of Barrington. We appreciate the ongoing contributions of the Wentworth Family Trust, which has helped us make our interior (furniture, shelving in both the children and adult areas, tables and chairs for the Community Room) as beautiful as it is.

Friends of the Library

Have you ever had a friend who, no matter what comes up, is always willing to support you? That’s what the Friends of Madbury Library are to us. Whether it’s the ARPA-funded Natural Play Space or the Wentworth-funded shelving or technology projects, they are there to offer the extra money we need, whether that’s a little or (often) a lot. In 2022 they once again funded our children’s programs—School Vacation weeks and Summer Reading—and also paid for materials for our new Story Trail sign holders (built by Eagle Scout Andrew McEwan). Thank you to the 2022 officers: Anne Marple, president; Pat Bartholomew, who served the first part of the year as vice president; Daphne Chevalier continued as secretary; Jennifer Goldberg continued in key role of treasurer. Thanks to all the members who worked on fundraisers!

Library Statistics Collection

The library collection consists of 10,239 books, audiobooks, and DVDs. In 2022 circulation of these physical items was 11,278, a 5.7% increase over 2021 and a 26% increase over 2018, which was the last time we weren’t either moving (2019) or in the middle of a worldwide health crisis (2020). Why is circulation of physical items significantly greater in 2022 than in previous years? It’s the building.

Downloadable EBooks and Audiobooks

Through the library’s annual subscription to the New Hampshire Download Library, we have access to more than 13,346 audiobook titles (34,889 copies) and 17,444 eBook titles (39,147 copies). In 2022 our patrons downloaded 2,771 items, including 1,183 audio, 1,545 eBooks, and 43 magazines. This represents an 5.04 % increase over 2021.

Interlibrary Loans

During 2022, we loaned 620 items to other libraries (55% increase over 2021) and borrowed 484 items (45% increase) for Madbury patrons.

Attendance

6,384 of you walked through our front door in 2022. (A 39.7% increase over 2021!) 2,423 attended our library programs. In 2023 we look forward to resuming off-site story times, such as those we’ve held in the past at Little Tree Education,

and possibly resume our book group at Carriage Hill Assisted Living. We were not able to count everyone who walked on the Story Trail, sat at the picnic table, or played in our new natural space, but we know many enjoyed our outdoor amenities.

As you can see reading this report, 2022 was a record-breaking year at the library. Thank you for supporting our budget at Town Meeting. Your enthusiasm for the new Madbury Public Library building motivates us to share it even more in 2023.

Respectfully Submitted,
Susan Sinnott, Director

ZONING BOARD OF ADJUSTMENT

The Madbury Zoning Board of Adjustment had a busy year handling multiple applications and appeals.

In January, the board heard an appeal of an administrative decision for a property on Jenkins Road (Map 11, Lot 14C). The applicant was requesting to overturn a decision made by the building inspector regarding the installation of underground utilities. The matter was postponed twice to allow the applicant and board to research the proper course of action. After discussion, the board decided to deny the appeal based on the lack of Zoning Board authority to make decisions on the matter.

In May, the board heard an application for a Special Exception relating to the replacement, and expansion, of a residential structure on a preexisting, non-conforming lot located on Lee Road (Tax Map 8, Lot 9). The applicants are planning to replace an existing building with a new, larger building. The board approved the application, pending Planning Board approval, and with several conditions relating to the public good.

In August, the board heard applications for three separate variances relating to two adjacent properties on Knox Marsh Road (Map 9, Lot 3 and Lot 4). The applicants are seeking to rearrange the storage on their grounds and turn a temporary work shed (in place for Covid) into a permanent shed. After discussion the board approved the variance requests pending final site plan approval by the Planning Board.

In October, the board heard an application for a variance for a property on Nute Road (Tax Map 4, Lot 15). The applicant was seeking a variance for the required 200 feet of frontage required by the ordinance. After discussion, the board voted to deny the request. The applicant filed an appeal within the required 30 days and the request was discussed in December. The board felt that the correct decision had been made and that a rehearing was not necessary.

Respectfully submitted,
Matt Bacon, Chair

CEMETERY TRUSTEES

The trustees have been working diligently to maintain the appearance of the cemetery this year. The shed has been repaired, reroofed and painted. A spring clean-up occurred along with some tree trimming. The Memorial Garden received periodic sprucing up and raking.

Also, many flat stone markers and footstones that had sunk below the turf line over the years were raised and re-set.

Because we are a rural community, the gardens have sustained some deer and other animal damage. It is becoming increasingly difficult to plant vegetation that does not seem to attract deer. The heat and dryness of this past summer also took a toll on some of the plantings. Trustees would be grateful to accept hardy perennial plants such as yarrow, day lilies, and coreopsis in the spring and early summer to brighten the Memorial Garden.

Cemetery records have been regularly updated and the trustees are excited about the launch of an online resource/webpage for people to research available lots and the location of burials. This resource will be valuable to both potential patrons of the cemetery, and also the present and future trustees. This page can be found by clicking on the Cemetery trustees link under government on the Town of Madbury website.

There have been eight (8) lots licensed this year and six (6) burials. Inquiries about lots can be directed to the town administrator, who will pass the information along to one of the cemetery trustees. Generally, contact will be made within 24 hours.

The rules concerning the cemetery are posted on the town website. Trustees ask your cooperation in following the rules, particularly those that restrict dogs and bikes in the cemetery. Trustees would be happy to address any concerns or questions regarding the cemetery.

Respectfully submitted,
Sandy O'Neill
Roderic Hutton
Susan Gong

WATER RESOURCES BOARD

The Madbury Water Resources Board (WRB) concerns itself with issues of water quality and quantity in Madbury and the watersheds of the region. The many areas of interest are guided by the Town's Master Plan which has identified water as an important resource.

The Board commented on three Conditional Use Permits. The comment was positive for the Eastman's at 8 Jenkins Rd. for a 340 square foot impact to a wet area for a driveway crossing. The applicant had chosen the least impacting location for a lot of record.

Our comments for a four lot subdivision for Schwartz at 14 Huckins Rd. were to minimize wetland impacts by using shared driveways and to consider improving the interconnectedness of the wetlands and ecosystem functions. The discussion included best management practices for stormwater and the use of use of salt and fertilizer applications. The applicant ultimately removed one of the proposed lots rather than accepting shared driveways.

Two LandCare properties on Route 155, which abut the Bellamy River, came under site plan review by the Planning Board (PB). There had been some incursions into wetland and shoreland setbacks. After numerous PB meetings and several plan iterations, a final proposal was offered by the applicant. Some comments from the WRB became moot when the Zoning Board of Adjustment granted requested variances. The PB approved the final plan with a number of conditions and a timeline for compliance.

Member Pat Bickford attended the meetings of the Seacoast Commission on Long-Term Goals and Requirements for Drinking Water. Several member towns presented overviews on their water systems. The Commission also heard from the NH Department of Environmental Services (NHDES) on regional water issues and funding opportunities. Madbury agreed to be the first host site for a Commission initiative to test private drinking water wells in the Seacoast region. On September 22, the NHDES held a very well attended workshop at the Madbury Town Hall where water contaminants and testing procedures were discussed. Ninety test kits were distributed and eighty-four samples were returned for analysis. The WRB plans to present the summarized results in 2023. Separately, two town owned wells were re-tested with results being consistent with previous testing.

For Madbury Day, new board member Michele Martin secured an interactive watershed model where both young and old could learn how water interacts with different land uses and contaminates. Member Giana Gelsey wrote an article for the Madbury Musings noting the concern with naturally occurring radon in water and air, noting that the State was offering a free method for residents to test for radon.

The board encourages any resident with interest to consider volunteering for the Board or simply to attend our meetings and participate in the discussions. The Madbury Water Resources Board meets on the last Tuesday of the month at 7:00 pm at the Town Hall.

Respectfully submitted,
Garret Ahlstrom, Chair

CONSERVATION COMMISSION

The Conservation Commission followed and provided comment on a number of applications for Conditional Use Permits which came before the Planning Board (PB) in 2022. We responded favorably on a driveway crossing for Eastman on Jenkins Road, where the property owner had minimized wetland impacts, but needed a crossing to access a dry area for a new house location.

We followed LandCare's site plan review before the PB. Consisting of two properties abutting the Bellamy River, there had been un-reviewed expansion and a change of use. On applicant's first proposal, we were not in favor of a walkway through and parking areas next to wetlands. We also spoke in favor of the need to protect the riparian habitat and stormwater buffers afforded by the town's shoreland ordinance. A revised plan, which reduced impacts to wetlands, the shoreland, and included a stormwater treatment component was given approval from the PB and Zoning Board of Adjustment.

On a four lot residential subdivision on Huckins Road, we commented on a conditional use permit requesting three driveway crossings over wetlands. The property abuts the Bellamy Reservoir, which supplies 60 percent of the drinking water supply for Portsmouth. With the applicant, we discussed best management practices regarding impervious area, proper use of salt and fertilizers, and easily implemented stormwater management practices. As promoted by the NH Department of Environmental Services, we suggested that there be a shared driveway for two of the three new lots. The applicant ultimately removed one of the proposed lots and was granted approval by the PB.

The newly re-formed Seacoast Chapter of the New England Mountain Biking Association came to the Commission to discuss trail conditions behind the Town Hall. The trail system ownership includes the Town, the University of New Hampshire, and the Hayes and Grimes properties (both with conservation easements). The Commission policy has been to support trail use for all appropriate users which offer protections to wildlife and plant habitats. The bikers proposed the replacement of a boardwalk which protects wetlands and the enhancement of a more challenging section of trail. It is hoped that the placement of some mixed gravel will slow erosion and make the trail nicer for hikers, bikers and cross-country skiers. The section is near the beginning of the trail system and should be an improvement for all.

We continued with our annual mowing of an open field on the town owned Bolstridge forest even though inflation caused an increase in costs.

After some inquiries by residents who expressed a desire to make donations to conservation efforts in Madbury, we discussed municipal options with the town treasurer. We settled on a Conservation Donor Trust, which is a preferred way to accept and hold donations from individuals. We will bring the proposal to the 2023 Town Meeting.

Respectfully submitted,
Eric Fiegenbaum, Chair

BUILDING INSPECTOR

Building Permits Issued Between Jan 1, 2022 and Dec 31, 2022

Date	Project	Owner	Location	Est. Cost
1/10/2022	Create bedroom on first floor	Stevens, Victoria HM	240 Littleworth Rd	\$20,000

10/3/2022	36x24 garage as outlined	Roy, Jerry C	36 Moharimet Dr	\$50,000
10/17/2022	Re trim and side home	Mcewan Family Rev Trust	80 Perkins Rd	\$40,000
10/27/2022	Bathroom upgrades ,shower install	Blinn Avery Living Trust, 2021	4 Madbury Woods	\$1,500
11/17/2022	First floor remodel	Eily, Walter	15 Moss Lane	\$30,000
11/28/2022	Remodel kitchen and bath	Kelley, Eric S	2 Cole Circle	\$70,000
12/15/2022	Add solar array to home	Vanasco, Steven & Lara	96 Hayes Rd	\$38,000
12/29/2022	Add accessory apartment above garage	Burke, Christine Marie	182 Madbury Rd	\$40,000
12/29/2022	Trenching as outlined	Atlantic Broadband	Townwide	\$0

Electrical Permits Issued Between Jan 1, 2022 and Dec 31, 2022

Date	Project	Owner	Location	Est. Cost
1/3/2022	25 panel solar array	Burke, Christine Marie	182 Madbury Rd	\$24,600
1/10/2022	Electrical upgrades to pump station	Portsmouth, City Of	60-62 Freshet Rd	\$460,000
1/20/2022	Remodel electrical	Stevens, Victoria HM	240 Littleworth Rd	\$15,000
2/7/2022	Add electrical for car charger	Purple Chair Interiors, LLC	23 Nute Rd	\$1,200
2/7/2022	Add range outlet	Siegels Revocable Trust	339 Knox Marsh Rd	\$250
2/7/2022	New home electrical	Berube, Cameron M	12 Jenkins Rd	\$17,000
2/10/2022	New home electrical	Garvey & Company, Ltd	5 Madbury Woods	\$12,000
2/17/2022	Mini split electrical	Martin, Emilie J	2 Sarah Paul Hill	\$0
3/10/2022	Add 29 solar panels to home	Jackson, Jamie	11 Tasker Lane	\$41,000
3/14/2022	Electrical upgrades	Forget, Brendan	11 Fern Way	\$9,500
3/14/2022	Electrical upgrades	Foster, Jessica	22 Moharimet Dr	\$8,000
4/4/2022	New home electrical	Eastman, Parker L	8 Jenkins Rd	\$19,000
4/21/2022	Add bathroom	Santos, Patrick E	5 Hoyt Pond Road	\$1,000
4/25/2022	Addition electrical	Martin, Emilie J	2 Sarah Paul Hill	\$1,000
4/25/2022	Addition electrical	Cooley Trust, Allison P	31 Nute Rd	\$12,000
5/2/2022	Add electrical for Mini split system	Hoff, Douglas J	88 Hayes Rd	\$600
5/5/2022	Remodel electrical	Coldstream Properties, LLC	316 Route 108	\$500
5/9/2022	Add ground mount solar array 34 panels	Lanza, Susan Lynn Piepho	23 Nute Rd	\$55,648
5/19/2022	Bathroom electrical	Beaudoin, Lisa J	117 Piscataqua Bridge Rd	\$3,500
5/26/2022	Mini split electrical	Streeter, Paul L	1 Madbury Woods	\$800
5/26/2022	AC electrical	Horr, Andrew F.	21 Mill Hill Rd	\$800
6/6/2022	270 panel ground mount solar array	Madbury, Town Of	334 Knox Marsh Rd	\$0
6/16/2022	Change service panel to 100 amp	Darling, Sarah Anne	1 Bunker Lane Mhp	\$6,700
6/16/2022	Add circuit for ac	Darling, Sarah Anne	1 Bunker Lane Mhp	\$2,880
6/16/2022	Add electrical to garage	Rhoades, Nancy	5 Sarah Paul Hill	\$3,000
6/16/2022	27 module solar array	Green, Tobin	18B French Cross Rd	\$31,200

Electrical Permits Issued Between Jan 1, 2022 and Dec 31, 2022

Date	Project	Owner	Location	Est. Cost
6/20/2022	New home electrical	James, Benjamin S	4 Mill Hill Rd	\$25,000
6/20/2022	Add 20 solar panels to home	Childs, Katherine Ann	2 Andrew Way	\$3,000
6/20/2022	New home electrical	Tauriello, Daniel G	65 Cherry Lane	\$26,000
6/30/2022	Addition electrical	Card, Michael V	356 Route 108	\$2,500
8/15/2022	Add 50amp feed to garage	Maftai, Danut C	7 Garrison Lane	\$1,400
8/15/2022	Upgrade service to 100 amp	Underwood, Peter A	34 Freshet Rd	\$4,496
8/18/2022	Kitchen electrical	Foster, Jessica	22 Moharimet Dr	\$3,500
8/25/2022	Install New gas piping	Lanza, Susan Lynn Piepho	23 Nute Rd	\$5,780
8/25/2022	Permit is closed, new contractor	Hutton, Roderic L	26 Mill Hill Rd	\$26,785
8/29/2022	16 module ground mount solar array	Hutton, Roderic L	26 Mill Hill Rd	\$26,785
9/8/2022	Add solar arrays to barn and garage roofs	Avery, Devin Blinn	80 Cherry Lane	\$63,000
9/19/2022	Add 11 solar panels to existing array	Martin, Emilie J	2 Sarah Paul Hill	\$19,309
9/19/2022	Add 6 solar panels to existing array	Bartholomew, Patricia A	21 Cherry Lane	\$7,000
10/3/2022	Add ev charger to home	Sant, Heidi	26 Moharimet Dr	\$1,000
10/27/2022	Electrical upgrades	Davis, Micum S	181 Drew Rd	\$2,825
11/3/2022	Electrical power to home	Temple, Kevin C	279 Littleworth Rd	\$5,000
11/14/2022	Mini split mechanical work	Lanza, Susan Lynn Piepho	23 Nute Rd	\$15,000
11/14/2022	Electrical for generator	Abbott, Louise M	38 Huckins Rd	\$8,000
11/17/2022	Replace electrical panel w/200 amp panel	Froning, Thomas E	1 Freshet Rd	\$2,000
11/17/2022	Electrical upgrades	Elly, Walter	15 Moss Lane	\$4,500
12/1/2022	Add 30 amp circuit for sauna	Jordan, Casey C.	7 Madbury Woods	\$2,000
12/5/2022	Add generator to home	Boryszewski Trust, Deirdre	49 Moharimet Dr	\$4,000
12/15/2022	Electrical for 50 panel solar array	Vanasco, Steven & Lara	96 Hayes Rd	\$0
12/15/2022	Electrical for kitchen and bath Remodel	Kelley, Eric S	2 Cole Circle	\$6,000
12/15/2022	New home electrical	Temple, Kevin C	279 Littleworth Rd	\$18,000
12/29/2022	Electrical upgrades	Moriarty, Joseph B	28 Fitch Rd	\$1,000

Mechanical Permits Issued Between Jan 1, 2022 and Dec 31, 2022

Date	Project	Owner	Location	Est. Cost
1/10/2022	New heat and ac replacement	Madbury, Town Of	334 Knox Marsh Rd	\$9,145
2/7/2022	Add 2-1000 gallon lp tanks & gas piping	Portsmouth, City Of	60-62 Freshet Rd	\$2,000
2/7/2022	New home plumbing	Berube, Cameron M	12 Jenkins Rd	\$24,000
2/7/2022	New home mechanical	Berube, Cameron M	12 Jenkins Rd	\$24,000
2/17/2022	Add 2 Additional 100 gallon tanks	Fisher Lipari Rev. Trust Of 20	3 Mill Hill Rd	\$0
2/17/2022	Mini split mechanical	Martin, Emilie J	2 Sarah Paul Hill	\$20,280
2/17/2022	Mini split	Beagen Family Rev Trust 2021	22 Moharimet Dr	\$8,420
3/3/2022	Add lp gas tank	Diharce, Robert C	19 Moss Lane	\$300
3/3/2022	New propane boiler and water heater	Swartz Erik, E	12 Garrison Lane	\$16,215
3/3/2022	Install Minisplit	Streeter, Paul L	1 Madbury Woods	\$15,210
3/14/2022	New home hvac system	Ossoff, Susan Trust	46 Mill Hill Rd	\$34,000
3/24/2022	Add ac unit to home	Morse, Sr. Rev Trust, James C	8 Moharimet Dr	\$10,000
3/28/2022	New home hvac system	Eastman, Parker L	8 Jenkins Rd	\$38,000
4/7/2022	Add Mini splits	Holovich, David J	6 Fancy Hill	\$14,000
4/21/2022	Replace 5 ton ac unit	Horr, Andrew F.	21 Mill Hill Rd	\$11,625
4/25/2022	Remove oil burner	Martin, Emilie J	2 Sarah Paul Hill	\$600
4/25/2022	Addition electrical	Cooley Trust, Allison P.	31 Nute Rd	\$5,500
4/28/2022	Add gas log to fireplace	Diharce, Robert C	19 Moss Lane	\$350
5/5/2022	Add Mini split to home	Hoff, Douglas J	88 Hayes Rd	\$12,750
5/5/2022	Add central ac	Goss li, Charles L	6 Cherry Lane	\$6,200
5/23/2022	Replace oil fired boiler with propane	Dunham Revoc Tr 1992, Wallace	1 Moharimet Dr	\$12,275
6/2/2022	Install 325 gallon lp tank	Foster, Jessica	22 Moharimet Dr	\$750
6/16/2022	Change service panel to 100 amp	Darling, Sarah Anne	1 Bunker Lane MHP	\$16,090
6/16/2022	Set 300 gallon lp tank	Berube, Cameron M	12 Jenkins Rd	\$2,000
6/30/2022	Add 45' gas piping to home	Eastman, Parker L	8 Jenkins Rd	\$300
7/7/2022	Add lp tank and gas piping for generator	Dennett, Scott P	16 Fern Way	\$667

Mechanical Permits Issued Between Jan 1, 2022 and Dec 31, 2022

Date	Project	Owner	Location	Est. Cost
7/14/2022	Add tankless water heater to home	Zhang, Hang	6 Garrison Lane	\$3,900
7/21/2022	Add Mini split to home	Jacobsen, Lorna H	97B Hayes Rd	\$13,100
8/22/2022	Add 58 gallon lp tank and 40' piping	Cooley Trust, Allison P	31 Nute Rd	\$1,000
9/1/2022	Replace existing boiler	Corrow, Justin H	22 Nute Rd	\$6,000
10/3/2022	Add geothermal and ac to New home	Garvey & Company, Ltd	5 Madbury Woods	\$52,633
11/3/2022	Add 40' of gas piping & space heater	Plante, Zachary D	1 Garrison Lane	\$500
11/14/2022	Mini split mechanical work	Lanza, Susan Lynn Piepho	23 Nute Rd	\$15,000
11/17/2022	Gas piping	Mcnelly, Carolyn	2 Long Hill Circle	\$3,850
11/28/2022	Add 120 gallon lp tank	Abbott, Louise M	38 Huckins Rd	\$0
12/29/2022	New home gas piping	Garvey And Company, Ltd	5 Madbury Woods	\$25

Plumbing Permits Issued Between Jan 1, 2022 and Dec 31, 2022

Date	Project	Owner	Location	Est. Cost
1/10/2022	Plumbing related to first floor bathroom	Stevens, Victoria HM	240 Littleworth Rd	\$10,000
2/7/2022	New home plumbing	Berube, Cameron M	12 Jenkins Rd	\$21,000
3/14/2022	Bathroom plumbing	Beaudoin, Lisa J	117 Piscataqua Bridge	\$5,500
3/28/2022	New home hvac system	Eastman, Parker L	8 Jenkins Rd	\$25,000
4/21/2022	Add bathroom	Santos, Patrick E	5 Hoyt Pond Rd	\$3,000
4/25/2022	Addition electrical	Martin, Emilie J	2 Sarah Paul Hill	\$1,400
5/2/2022	Gas line hookup for new stove	Burzon, Edward C	1 Sarah Paul Hill	\$100
7/14/2022	New home plumbing	Garvey & Company, Ltd	5 Madbury Woods	\$38,500
11/14/2022	Bathroom plumbing	Swartz Erik, E	12 Garrison Lane	\$9,275

The replacement boardwalk on Hicks Hill courtesy of the Seacoast Chapter of the NE Mountain Biking Association, with support from the Conservation Commission.

The Natural Play Space equipment for the Library was delivered in boxes and it all needed to be assembled. Children’s Librarian Kayla Morin-Riordan put out the call for volunteers. In no particular order, thank you to Rebecca, Robert, Kathy, Andrew, and James McEwan; Kurt and Cal Kimball; Walter and Cian Elly; Alex and Mike Morin; Jim Dunn; Bob and Noreen Gaetjens; the Mendenhall family; Marie, Cormac, Ciara, Cormac, and Caitlin O’Neill; Ric Erickson; the Rogers Family; Amy Covell; Kerry Cronin; Greg Ross; Jean Dill; Lorna Jacobson; Emily Cantwell; Frank, Grace, and James; and Boy Scout Troop 154.

DRAGON MOSQUITO CONTROL

Severe droughts impact the lives of every living thing from humans to wild animals, your lawn and garden, ponds and streams and the creatures that rely on that water. Mosquitoes live in shallow, stagnant water during part of their lifecycle so their numbers were down due to the drought this past summer. The only benefit of the drought was that NH had a year without significant wide-spread mosquito-borne disease. Catch basins and backyard containers were the main sources of mosquitoes during the latter half of the season.

The New Hampshire State Lab in Concord tests mosquitoes and confirmed there were eight West Nile Virus (WNV) positive mosquito batches from Manchester and Nashua. No human or veterinary cases of WNV were identified in New Hampshire. No Eastern Equine Encephalitis (EEE) was detected. Mosquitoes from Hampstead and Atkinson tested positive for Jamestown Canyon Virus.

Adult mosquitoes were monitored at four locations throughout Madbury. Mosquitoes were collected in light traps, identified to species, and select species were sent to the State Lab where they were tested for diseases July 1st through October 15th. No disease was detected in mosquitoes collected in Madbury during 2022.

Field work begins in April when mosquito larvae are found in stagnant water such as marshes, red maple and cedar swamps, woodland pools and other wet areas. Dragon has identified 80 larval mosquito habitats in town. Crews checked larval habitats 346 times during the season. There were 43 treatments to eliminate mosquito larvae. Dragon uses a naturally occurring biological product called Bti to control mosquito larvae in wetlands. Bti will not harm people, pets and other animals, aquatic life or other insects. In addition, 67 catch basin treatments were made to combat disease carrying mosquitoes. Dragon used Natular, an organic biological product, to control mosquitoes in catch basins.

Without standing water, mosquitoes can't survive to maturity and spread disease in large numbers. By eliminating standing water around your home during the season, you play an important role in keeping yourself, your family, your pets, and your neighbors safe from mosquito-borne disease.

Respectfully Submitted,
Sarah MacGregor

STRAFFORD REGIONAL PLANNING COMMISSION

Strafford Regional Planning Commission works with municipalities, statewide organizations and other partners to provide technical assistance with planning documents, outreach, projects and regulations. SRPC creates a space for stakeholders to connect, share information, and engage with important planning initiatives.

2022 Accomplishments:

(Value of each service provided at no additional cost to the town is in parentheses)

- Developed amendments to the Town's flood hazard overlay district to be placed on the ballot for Town Meeting in March 2023, and created complementary outreach materials to generate community engagement. (\$2,680)
- Completed a community assessment related to strengths and opportunities for age-friendly considerations in the eight AARP livability domains as part of SRPC's Communities for Healthy Aging Transitions (CHAT) project. (\$600).
- Conducted three bike/pedestrian counts to support local recreation and planning efforts. (\$600.00).
- Conducted two NHDOT and three supplemental traffic counts to support local and statewide planning efforts. (\$300.00)
- Ordered New Hampshire Planning and Land Use Regulation books for local land use boards (\$121.50).

2022 Regional Accomplishments

- Completed the annual update to the Comprehensive Economic Development Strategy.
- Convened bi-weekly calls of the Seacoast Economic Development Stakeholders. Applied for and began administration of a Collaborative Economic Development Regions grant from NH BEA to support continued facilitation of the group and implementation of workforce development programming.
- Expanded and updated the Regional Data Snapshot, an annual document that contains many data metrics and maps referenced in our core planning documents and support local planning efforts.
- Completed Brownfields assessment and cleanup planning activities for the 2019 EPA Area-Wide Assessment grant. Applied for a new Area-Wide Assessment Grant to begin in October 2023.
- Expended SRPC's CARES Act Economic Recovery and Resiliency grant through programming activities including promotion of funding opportunities, and technical assistance for local businesses through the Community Technical Assistance program and the record digitization initiative.
- Solicited, ranked, and submitted new transportation projects for inclusion in the SRPC Metropolitan Transportation plan and Statewide Ten-Year Plan.
- Created an interactive arts and culture inventory map for regional attractions on SRPC's ArcOnline platform.

- Partnered with Rockingham Planning Commission to develop a Resilient Land Use Guide that provides a set of model land use regulations to assist municipalities taking steps to adapt to climate change and coastal hazards
- Partnered with the NH Coastal Adaptation Workgroup (CAW) and CAW partners to conduct a needs and opportunities assessment with upper watershed communities related to extreme weather and the long-term impacts of climate change.

Goals for 2023

- Finalize the Regional Housing Needs Assessment.
- Complete SRPC’s first Active Transportation plan, which will address bicycle and pedestrian access, infrastructure, connections, and safety.
- Complete SRPC’s first Congestion Mitigation plan, which will take traffic/land use data and present corridor-focused information that will assist with potential congestion mitigation projects.

Madbury Commissioners: Tom Crosby, Mark Avery

Selectmen accept donation of a new utility all-terrain vehicle (UTV) from the Madbury Voluntary Firefighters Association. (l to r, Selectman Janet Wall, Select Chair Fritz Green, Fire Chief Tom Perley, Selectman Mark Avery)
