Feb. 17, 1931

During the past year a considerable sum has been laid out on the plumbing. Because of the nearness of the High School it was felt that the system should be made as near perfect as possible. The dilapidated stove in the kitchen has been replaced with a new one.

At the present time the library, the Red Cross, the Grange, the Woman's Club, the Isaac Walton

League, the Farm Bureau, the Center Ossipee Fire Precinct and various political organizations use the Community House and Hall. No charge is made for rent or lights, the only requirement being that each organization furnish its own fuel and leave the building in good condition.

SUPERINTENDENT'S REPORT

To the School Board of Ossipee:

I herewith submit my fifth annual report as superintendent of schools, it being the twelfth in the series of such reports.

The free public school is still our grand heritage from the liberty-loving pioneers. If our democracy is to continue, our schools must train citizens for honest and wise participation in self-government. Ossipee is to be commended for so liberally supporting its schools. The buildings are in good condition, the teaching staff is efficient, the pupils are fine boys and girls.

Following is a list of schools and teachers:

High School, Walter W. Cook, University of New Hampshire. (Mr. Cook is on leave of absence.

Leroy Jackman, Boston University, is substituting.)

Grammar School, Edith G. Kelley, Plymouth Normal School.

Assistant, Elsie S. Sylvester, Portsmouth Training School.

Intermediate, Ruth B. Ackerman, Keene Normal School.

Primary, Dorothy M. Langley, Plymouth Normal School.

Special, Florence W. Pearson, Plymouth Normal School.

West Ossipee, Lilla M. Moulton, Keene Normal School.

Water Village, Marie Nixon, Plymouth Normal School.

Ossipee Corner, Hazel M. Merrill, Summer Normal School.

Granite, Doris Fortier, Plymouth Normal School.

Only two changes have occurred since the last report. This speaks well for the quality of work done by the teachers, and also for the continuity of our work. It is much better for the schools when good teachers can be retained for a series of years.

I would urge again this year that parents and other citizens give more attention to visiting the schools and noting the classroom work. Parents should see that pupils attend every day and apply themselves diligently. A few pupils do not attend regularly unless forced to do so. These do not receive the maximum benefit from the school.

At present there are 174 pupils in Ossipee Public Schools. Out of this number we ought to be sending a larger number to college and normal schools. Each succeeding year demands more workers with advanced education.

During the year ending June 30, 1930, we had an average attendance of 177, an average membership of 186 and a percent of 94.9.

Schools having a percent of attendance of 95 or over are as follows:

Intermediate	97.1 percent
Water Village	97 percent
West Ossipee	96.8 percent
Special	95.9 percent
Grammar	95.6 percent
Granite	95.6 percent

Promotions

The following pupils were promoted from the eighth grade last June: Grammar School: Esther

Adjutant, Arthur Colby, John Eldridge, Ralph Eldridge, Lois Huckins, Priscilla Perkins, Marion Welch, Perley Williams.

Ossipee Corner: Janet Gregory.

West Ossipee: Ruth Lord.

Granite: Lillian Currier, Frances Meloon, Russell Wagenfeld.

The following completed the two years of high school work: Monroe Wilcox, Ruth Libby and Dorothy Brown.

Medical Inspection

The health work is going on as usual. A dental clinic was held last summer under the direction of the nurse, Miss Barber. A Toxin Anti-Toxin clinic and also an eye clinic are planned for this spring. Health is of very great importance. Parents should see that physical defects are corrected.

Parents should plan to avail themselves of the clinics which are so often arranged. All children who plan to enter the first grade next fall must be vaccinated. Parents should attend to this before school opens in September.

Repairs and Improvements

Ossipee is keeping its school property in good condition. During the summer vacation the Center building was much improved by cleaning, painting and varnishing. Improvements were made in the yard and a drain put in near the corner of the building. Under the direction of Mr. Hill, as a member of the school board, aided by the generosity of leading citizens, playground equipment was provided which

is greatly enjoyed by the pupils of the school. Equipment is also being provided for the other schools.

During the year each rural school has been provided with a manual training bench and a few tools so that projects can be worked out. The boys are enjoying this arrangement very much. Each school also has a victrola and some records for calisthenics and music appreciation. More equipment of this kind should be provided at the Center next year. Pupils should have an opportunity to use hands as well as heads in securing an education.

During the summer West Ossipee building was painted inside and the yard partially graded. Screens were provided and also fine adjustable curtains.

At Ossipee Corner the windows were changed so that the children now have light from the left side as is proper. A bookcase was built and some painting done .

All floors were oiled and furniture varnished.

For next year special attention should be given to the lower part of the Center building, all yards should be better graded and beautified. Water Village building should be painted outside. Adjustable seats are needed at Granite and West Ossipee.

Special appropriation should be made for a coal pit at the Center. It is wasteful to leave coal unhoused and handle it twice.

Since the last annual meeting, the school district has suffered the loss of a devoted member of the school board. Dr. E. W. Hodsdon's place was left vacant a few days after the close of the last March meeting. As superintendent of schools I wish to express appreciation of Dr. Hodsdon's unselfish and

loving service for the welfare of the children of Ossipee. He was the retiring member of the board and his place will be filled by the regular election of a member for three years.

On September 1, James N. Pringle succeeded Ernest W. Butterfield as State Commissioner of Education. Our state has met with a distinct loss in the departure of Mr. Butterfield who for ten years had guided the schools so successfully during the period of transition and growth under the new state law. However, we are pleased that he has an entirely worthy successor.

Mr. Pringle comes to the position of commissioner with a full knowledge of conditions which he, as deputy, has had a large share in developing. We are glad to welcome Mr. Pringle, believing that the school welfare in New Hampshire is under safe, conscientious, and wise direction.

Roll of Perfect Attendance
1929-30

Intermediate School: Harold B. Helm, Dorothy A. Hill, Virginia M. Hill, Arthur P. Loud, Emma M. Loud, Lillian F. Wasson.

Grammar School: Priscilla M. Perkins, Paul E. Snow, Wendell Thompson.

Ossipee Corner: Ralph W. Emerson.

Primary School: Donald Pearson.

West Ossipee: George Stevens.

As superintendent of schools I wish to express appreciation for cordial support in the school work.

Respectfully submitted,

F. W. JACKSON
