For the fiscal year ended June 30, 2023

Prepared by:
City of Portsmouth, Finance Department
Director of Finance and Administration, Judie Belanger

The Government Finance Officers Association of the United States and Canada (GFOA) has given an Award for Outstanding Achievement in Popular Annual Financial Reporting to the City of Portsmouth, NH for the Fiscal Year ended June 30, 2022. The Award for Outstanding Achievement in Popular Annual Financial Reporting is a prestigious national award recognizing conformance with the highest standards for preparation of the state and local government popular reports.

In order to receive an Award for Outstanding Achievement in Popular Annual Financial Reporting, a government unit must publish a Popular Annual Financial Report, whose contents conform to program standards of creativity, presentation, understandability, and reader appeal.

An Award for Outstanding Achievement in Popular Annual Financial Reporting is valid for a period of one year only. This is the City of Portsmouth’s 6th PAFR Award. We believe our current report continues to conform to the Popular Annual Financial Reporting requirements, and we are submitting it to GFOA to determine its eligibility for another Award.
To the Citizens of Portsmouth,

I am pleased to present the Popular Annual Financial Report (PAFR) for the year ended June 30, 2023. This report, prepared for the non-financial reader, includes valuable information on the City’s financial well-being. It highlights various programs and accolades which affirm why Portsmouth is a great place to live, play, work and visit. This PAFR represents our commitment to maintaining clear and consistent communication with you as we look to stay connected and engaged.

This report documents how City Council policies are implemented as a means to achieve established goals for taxpayers and to clearly explain the financial strategies and tactics applied to accomplish that work. Thanks to long-standing municipal financial policies that have served us well and continue to provide the foundation for the City's AAA bond rating with Standard & Poor's, Portsmouth has once again finished the fiscal year in a strong financial position.

In making strategic financial decisions such as the establishment of our rate stabilization policies, the timing of bonding and holding the line on rate increases and property tax revaluations, Portsmouth taxpayers were insulated from increases seen in other communities. These tactics were especially critical in FY23, where the limited supply chain and contractor availability made it prudent to advance projects that could be realized and adjust those that could not. Careful examination of each Department’s budget requests, opportunistic use of ARPA and other COVID-relief funds and grants, and the implementation of practical efficiencies wherever possible allowed us to keep the tax rate in check.

The City, specifically our Finance Department, was again recognized for excellence in financial reporting. The Government Finance Officers Association awarded its Triple Crown to commend the Department for the clarity and professionalism of the City Budget, the PAFR and the Annual Comprehensive Financial Report. Our priority is to report the budget and the City’s financial affairs to you in a transparent and easily-understood manner, and to provide extensive detail through links to online documents and guides for those who wish to understand in greater detail how City finances work.

On behalf of the Finance Team led by Director Judie Belanger, I am proud to work in support of the City Council’s focus on a culture of cost management among all employees while maintaining the same level of services that directly support our high quality of life here in the great City of Portsmouth.

I am grateful to the City Department Heads and their staff who work to prepare budgets that allow us to deliver City services diligently and faithfully. We continue to withstand the effects of global economic uncertainty thanks in large part to the City’s long-standing, financial practices and to the professional, loyal, hard-working and dedicated City staff. It is my honor to be the leader of this exceptional organization.

Sincerely,

Karen S. Conard, City Manager

Property Tax Levy, Assessments, and Equalization

Property Tax Levy and Taxes

The City Council annually adopts a budget that consists of program-related operating and non-operating appropriations. Estimated Revenues (from fees/fines/etc.) are then subtracted from the annual appropriations resulting in a Tax Levy.

The Tax Levy is the amount of money that the City must raise through property taxes.

The Tax Rate is set annually in the fall by the State of New Hampshire. Once the tax rate is set, the formula to calculate what your property tax is as follows:

\[
\text{Property Assessment} \div 1,000 \times \text{Tax Rate} = \text{Property Taxes}
\]

The Tax Rate is set annually in the fall by the State of New Hampshire. Each year the New Hampshire State Department of Revenue Administration (DRA) performs a statistical study of all of the State’s municipal valuations. The study utilizes sales data to adjust all municipalities to 100% market value. This process is called equalization.

**Equalized Tax Rate**

What is Equalization?

Each year the New Hampshire State Department of Revenue Administration (DRA) performs a statistical study of all of the State’s municipal valuations. The study utilizes sales data to adjust all municipalities to 100% market value. This process is called equalization.

How is Equalization Used?

The State of New Hampshire utilizes the Equalized Value of each Town or City in order to proportionately share common tax burdens such as County Taxes and State Education Property Tax.

Police Department

Meet Mason the Comfort Dog
In FY23, the Portsmouth Police Department welcomed Mason the Comfort Dog. Mason is a 14-month-old male, black American Labrador Retriever who comes to the City from a non-profit organization called Hero Pups. Hero Pups provides comfort, emotional support, service, and therapy dogs to first responders and Veterans. Mason was sponsored by AT&T FirstNet. His handler is Detective Rochelle Jones.

Job Description
Mason will help boost morale for police officers, City personnel, and their families and be available for victim interviews to reduce stress. In between, he’ll make appearances at community events, schools, assisted living facilities, and wherever else he is needed that is within his responsibilities.

Things to Remember When Interacting with Mason
Feel free to pet Mason. Please refrain from giving him commands. Please do NOT give him treats (his handler gives him plenty). He will gladly accept toys.

If anyone would like to contact Mason or has a request for an appearance, please email: Masonthecomfortdog@portsmouthnhpd.gov

Fire Department

FY23 Accomplishments
Portsmouth Fire Department received the gift of a 1920 LaFrance Chemical Fire Truck from the Friends of Italian Americans and Bayberry Vintage Autos.

As part of the City’s 400th Anniversary, the Fire Department, the Federal Fire Society and the Mechanic Fire Society hosted three open house events to showcase history of the Fire Service through photographs, artifacts, early fire engines, and informal talks.

The Fire and Information Technology (IT) Departments collaborated on a project to connect all of the Fire Stations together using large screen computer monitors. This system is used for training, allows for live briefing from the shift commander for large/complex events, and sharing of Incident Action Plans.

School Department

Mary C. Dondero Elementary School was recognized as a 2023 National Blue Ribbon School, which recognizes exemplary achievement in education by honoring high-performing schools.

New Franklin Elementary School was named #2 best elementary school in the state of New Hampshire by US News & World Report.

Portsmouth School District was rated #6 in Best School Districts in New Hampshire according to Niche (www.niche.com). Niche also ranked the Portsmouth School System:
• #1 School System in Rockingham County
• #10 Best School District for Athletes in NH
• #13 Best Places to Teach in NH

I am pleased to present the City of Portsmouth’s Popular Annual Financial Report (PAFR) for the Fiscal Year ended June 30, 2023. The PAFR is intended to increase knowledge throughout the community of Portsmouth’s financial condition using a readily accessible and easily understandable report.

This report extracts and summarizes financial information from the Annual Comprehensive Financial Report (ACFR) that may be most informative to the citizenry of Portsmouth, and other interested parties, and is not intended to conform to Generally Accepted Accounting Principles (GAAP).

The PAFR provides pertinent information regarding expenditures, revenues, fund balance, debt service, and capital asset investments for Governmental and Proprietary Funds. It does not include information on all City’s Funds or Component Units.

The Annual Comprehensive Financial Report (ACFR) is presented in accordance with Generally Accepted Accounting Principles (GAAP) and includes additional financial statements, note disclosures and required supplemental information, citywide initiatives, accomplishments, and statistical data. The complete audited ACFR is available on the City’s website at http://files.cityofportsmouth.com/finance/FY23/ACFR23.pdf.

The interactive PAFR is available on the City’s website which offers the ability to “click” on various links identified throughout this publication. Please visit http://files.cityofportsmouth.com/finance/FY23/PAFR23.pdf.

It is my hope that you find this report helpful and easy to read. I welcome any questions, comments, and/or suggestions regarding this document.

| **Fund Balance**                          | The excess of an entity’s assets over its liabilities also known as excess revenues over expenditures or net assets. Fund Balance can be further segmented as follows:  
  - Non-spendable – Represents fund balance not available to be spent or legally required to be maintained intact.  
  - Restricted – Represents fund balance that is restricted by creditors, grantors, contributors, or laws and regulations of other governments.  
  - Committed – Self-imposed limitations set in place prior to the end of the period.  
  - Assigned – Represents intentional constraints placed on resources utilized in subsequent periods for capital outlay projects and non-recurring expenditures.  
  - Unassigned – Represents fund balance that is available for any purpose. |
| **General Fund**                          | Chief operating fund of the government.                                                                                                         |
| **Overlay**                               | An appropriation to fund potential tax abatements.                                                                                            |
| **State Revolving Loan Fund (SRF)**       | A fund administered by the State for the purpose of providing low-interest loans for investments in water and sanitation infrastructure.     |

### GOVERNMENTAL FUNDS:
- General Fund—Account for all general operating expenditures and revenues. This is the City’s largest fund and primarily funded from property taxes.
- Special Revenue Funds—Proceeds of specific revenue sources that are restricted for a specific purpose.
- Capital Funds—Capital projects for City infrastructure improvements.
- Debt Service Funds—Principal and interest payments on a special assessment bond.
- Permanent Funds—Resources that are legally restricted to the extent that only earnings (not principal) may be used for purposes that support the reporting government’s programs.

### BUSINESS-TYPE OR ENTERPRISE FUNDS:
- Water Fund—Production, delivery, and storage of safe water supported primarily with user fees.
- Sewer Fund—Collection, transportation, and treatment of wastewater supported primarily with user fees.
Statement of Net Position presents information on all City funds’ assets and liabilities, deferred inflow/outflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator as to whether the City’s financial position is improving or deteriorating.

At the close of the fiscal year, the City’s total net position of $293.9 million represents an increase of $26.1 million or 9.7% from FY22.

Net Investment in Capital Assets is the largest portion of net position and reflects our investment in capital assets (e.g. land, buildings, machinery and equipment), less any related debt used to acquire the assets that is still outstanding. As of year-end, net investment in capital assets is $278.2 million, an increase of $9.7 million from FY22. These capital assets are used to provide services to citizens.

Restricted Net Position of $23.6 million represents 8% of resources that are subject to external restrictions on how they may be used.

Unrestricted Net Position is the remaining amount of net position not restricted for a specific purpose. There are two reporting mandates from Governmental Accounting Standards Board (GASB): 1) Net pension liability representing the City’s share of the New Hampshire Retirement System’s unfunded liability and 2) Other Post-Employment Benefits (OPEB) liabilities. This resulted in an ending balance in Unrestricted Net Position of a negative $7.8 million. [Detailed information regarding these liabilities can be found in notes 21 and 22 (pages 83-94) of the Fiscal Year ended June 30, 2023 ACFR.]

Unassigned Fund Balance Ordinance

The unassigned portion of the fund balance represents available resources that can be spent for future needs.

The City Council adopted in Fiscal Year 1998 the “Unassigned Fund Balance Ordinance.” In Fiscal Year 2013, the ordinance was amended mandating that the City will maintain an unassigned fund balance of between 10% and 17% of general fund appropriations.

Unassigned fund balance at the end of the fiscal year was $18,168,568 or 13.72% of the final general fund budget. This is an increase of $1,011,767 or 5.9% from prior year.
The City invests in capital improvements each year. The chart to the right depicts a 3-year history of capital expenditures to purchase, construct or improve infrastructure Citywide. These projects are funded through annual appropriations, bonds, loans, grants and other capital contributions.

**PORTSMOUTH IS A “AAA” BOND RATED COMMUNITY**

**In June 2023, Standard & Poor’s Rating Group (S&P) affirmed the City’s AAA bond rating for the thirteenth consecutive time.**

A bond rating is a grade given to bonds issued that indicates a community’s credit worthiness, similar to your own personal credit score.

A “AAA” rating represents the highest credit rating available and translates to significant savings to you as the taxpayer through reduced interest rates on bonds which funds major capital projects.

At the end of FY23, debt for Governmental activity totaled $260.6 Million (excluding unamortized premiums). This represents a reduction of $1.25 million from last year’s total debt of $261.9 million. The net decrease is primarily attributable to:

- Reduction of outstanding debt principal of $22 million
- Issuance of General Obligation (GO) bonds of $20.7 million

---

**Long-term Debt**

- Municipal: FY23 $66,931,500, FY22 $58,733,600, FY21 $58,619,200
- School: FY23 $36,012,500, FY22 $37,998,300, FY21 $43,311,300
- Water: FY23 $32,341,500, FY22 $35,514,028, FY21 $31,716,156
- Sewer: FY23 $125,382,354, FY22 $129,670,279, FY21 $52,408,089
Enterprise Funds – Water & Sewer Funds

An Enterprise Fund establishes a separate accounting and financial reporting mechanism for municipal services for which a fee is charged in exchange for goods and/or services to the public. The City of Portsmouth has two Enterprise Funds: Water Fund and Sewer Fund and each are accounted for separately.

How is my water & sewer rate established?
The City’s water and sewer rate structure is a two-tiered inclining rate, meaning the first 10 units (a unit of 100 cubic feet of water or 748 gallons) of water consumed each month is billed using one rate, and water consumed greater than 10 units per month is billed at a higher rate. Since the large volume users have a greater impact on the water system, a second tier at the higher rate captures the additional costs incurred to serve them.

Did you know the City offers Water & Sewer Assistance Programs
The City offers Water and Sewer payment assistance for qualifying customers who are residential homeowners or tenants. Information regarding these programs can be found on the City’s Website at https://www.cityofportsmouth.com/public-works/water-and-sewer-assistance-programs or call our billing department at (603) 610-7248 or (603) 610-7237.

Did you know the City offers new toilet and washing machine rebates for qualifying appliances? - For more information visit https://www.cityofportsmouth.com/publicworks/residential-toilet-and-washing-machine-rebate-program-additional-information
The Water and Sewer funds are reported on the proprietary fund financial statements and use the full accrual basis of accounting similar to the private sector. Each report equity as net position. The Statement of Revenues, Expenses, and Changes in Net Position for FY23 and FY22 is displayed below for comparison.

The total net position for the Water and Sewer Funds at the end of the year increased by $4.3 million for a total of $144.8 million. The Water Fund increased by $1.5 million, and the Sewer Fund increased by $4.4 million. Key elements of the changes include:

- Operating revenues over operating expenses of $2.9 million represent a decrease of $1.6 million from the prior year. Charges for services in the business-type activities experienced an increase of $1.8 million. The Water Fund experienced an increase in operating revenues of $677,390 or 7% and the Sewer Fund experienced an increase in operating revenues of $1,143,582 or 6.7%, both primarily as a result of rate increases.

- Non-operating revenues of $5.5 million represent an increase of $4.7 million primarily due to an increase in investment interest rates and a first-year payment of a 30-year State Aid Grant (SAG) for the Peirce Island Waste Water Treatment Facility (PIWWTF) State Revolving Fund (SRF) Loan.

- Non-operating interest expense increased by $417,447 to $4.7 million.

- Capital contributions and intergovernmental revenues decreased $548,640 from prior year primarily from the one-time principal forgiveness in FY22 of $4.1 million and the first year of the PIWWTF SAG of $2.2 million in FY23.
Next Year’s FY24 Budgets

At the time of publication of the PAFR for year ending June 30, 2023, Fiscal Year 2024 is underway, and the budget document is available for review at the Public Library, City Clerk’s office as well as on the City’s website. The document describes the strategy implemented to continue the services, critical infrastructure needs, and fiscal stability of the City.
