REPORT OF SUPERINTENDENT OF SCHOOLS

To the Members of the School Board:

This report for the year ending June 30, 1924, is the fifth in succession which I have the honor of presenting to your Board.

ORGANIZATION

Two changes, as shown below, were made necessary in the staff of teachers. At the close of school in June, Miss Sara B. Pope, formerly at Putney Hill, accepted a position as teacher of history in the Saint Mary's School in Concord. Miss Beatrice H. Small of the Bashan school engaged in teaching in Grafton, Vermont.

A progressive music course under the direction of a trained supervisor was introduced in all the schools.

(X) Three cases of double registration.

HEALTH

The following is the report of medical inspection made by Dr. L. H. Cogswell in November, 1923.

No. of pupils examined	29
No. of teachers examined	3

	Cases found	Treatments secured since last report
Defective vision	1	
Defective hearing	3	
Defective teeth	24	6
Hypertrophied tonsils	5	
Pediculosis	2	2
Unvaccinated	6	

There is a marked improvement over last year in the general physical condition of the children. With the one exception, defective hearing, there was a reduction of all defects. The nutrition of the children, as indicated by weight, was shown to be excellent. The fact that, after some improvement, three-fourths of the school children have defects in teeth indicates that the emphasis should be placed upon some definite follow-up work in the homes.

INSTRUCTION AND PROMOTION

In addition to the regular work in arithmetic special drills have been given the four upper grades by the use of self-keyed number cards. These are productive of both speed and accuracy, and extend intensive drill in the processes of addition, subtraction, multiplication and division as applied to integers, fractions and mixed numbers.

The New Aldine Series and the Winston Readers have been added to the basal reading of the first four grades.

Systematic instruction in music under the direction of a trained supervisor has proved of distinct value to all grades of the several schools.

In June, Evelyn Colby and Sarah Mock completed successfully the examinations for graduation from the eighth grade and are attending the Penacook High school.

CONCLUSION

I want to express my appreciation of the constructive criticism and co-operation of the school board and other citizens of Webster. I also want to commend to you the teachers who are builders with a vision and, last but not least, the faithful janitors who keep comfortable and tidy the physical environment of your schools.

Respectfully submitted,

GEO. H. HARMON,
Superintendent of Schools.
