# Town of Barnstead New Hampshire

## 2018 Annual Report

**Pictured above: (left to right) Officer Trevor Jessie, Officer Jonathan Marshall, Governor Chris Sununu, Chief Paul Poirier, Lt. Doug Trottier, Sgt. Tim Connell, Officer Derik Bettencourt. (Missing: Officer Jason Leavitt, Officer Patrick Ryan, Officer Kurt Swett, Prosecutor Anthony Estee and Administrative Assistant Patricia Lizotte).**

The Town of Barnstead would like to thank all the people involved in building our new police station; especially the volunteers, who gave their time to see the project through to completion. A very special thank you to our own Building Inspector Fab Cusson for overseeing this from start to finish. While it is impossible to name everyone, the following is a list of contractors that participated- the majority of which were local:

B&S Septic Services; Bethal Builders; Capital Well Co.; Colonial Garage Door Co.; Cybertron Inc.; Diamond Signs & Graphics; Earth – Northeast Earth Mechanics; Erik Robinson Landscaping & Construction (Daniel Chagnon, Daniel Dame, Nevin Drew, Angelo Esquivel, Joseph LaBrecque, Jerry Locke & Jeff Rollins); Fiorentino Spray Foam Insulators; Frank Bramante; Green Oak Realty Development; Groen Construction; Hillsgrove Plumbing Heating A/C; Howe Home Improvement; Huckleberry Propane & Oil; Jennifer Cash; Karen Schacht; KDL Mold Solutions; Lank Excavating; May-Day Seamless Gutters; Nathan Burke, Nathan Vachon Electric; New England Antenna Service; NH Correctional Industries; Northwood Drywall; Prospect Mountain Fire & Security; Rawnsley Masonry; Rich Peters Painting; RM Abbott Builders; Rock Solid CCTV & Access; Varney Engineering; WM Smith Contracting and Wolcott Construction.

**A dedication ceremony and open house was held on Saturday, November 10, 2018 and on November 24, 2018 a cornerstone dedication was held in accordance with centuries old Masonic Ritual.**

## THIS TOWN REPORT IS DEDICATED TO CYNTHIA L. TREADWELL

For 31 years of faithful service and unquestionable dedication to the  
Town of Barnstead and State of New Hampshire.  
Assistant/Deputy Town Clerk-Tax Collector 1987 - 1999  
Town Clerk-Tax Collector 1999 - 2018

Chairman Richard Duane presents Cindy with a plaque at her retirement celebration.

Secretary of State William Gardner honored Cindy for her years of service.

## 2018 Citizen of the Year

This year's recipient of the Barnstead Citizen of the Year award is Paul A. King. Paul is a long-time resident of Barnstead; he and his wife settled in town in the late 1960's. Paul was a member of Barnstead Parade Fire Company that later became Barnstead Fire Rescue, Inc. While a member of the Barnstead Parade Fire Company, he was active with his training as a firefighter. When a call came in, he was usually the first one at the station. He also was active in fundraising each year including the Fourth of July celebration and the ham and bean suppers. He was active in helping Santa Claus visit young families on Christmas Eve throughout town. Paul also operated an automotive repair shop for many years in the Parade and was well known for helping many a person with repairs. Congratulations Paul for all your efforts over the years.

# Selectmen's Report

Selectman Gordon Preston resigned at the end of April for health reasons, after tirelessly serving our Town for many years. The Selectmen accepted letters of interest to fill his position, where upon Ed Tasker was appointed to fill the remainder of Mr. Preston's term until March 2019.

Cynthia Treadwell, Barnstead's Town Clerk/Tax Collector for over 31 years, and Brian Tedcastle who fought fires and saved lives in our town for over 21 years, retired this year. The Selectmen thank them for their invaluable years of service to our town and wish them all the best. Mary Clarke moved into the Town Clerk/Tax Collector's position upon Cindy's retirement. Patty Berubee, who had previously been hired and trained for the position, filled that vacancy of Deputy Town Clerk/Tax Collector. Therefore, the transition in that office happened seamlessly with little disruption to Town residents.

A new roof on the Library was completed in November. Thank you to Rick Simoneau for gathering bids and overseeing this project.

Dave Kerr stepped down as Road Agent in June. The Selectmen wish to thank him for his time and effort. For three months Ed Tasker worked as liaison between the Selectmen and the Highway Department. Andy Sylvester was then hired as Road Agent to fill the remainder of the term which expires March, 2020. Many projects were completed in 2018. The Varney Road paving project was finished; Beauty Hill East and North Barnstead Road were shimmed and overlaid with new pavement.

The Selectmen acquired 10 Shackford Corner Road in exchange for the former Police Station. By doing so, our Town now owns 1.5 acres of land behind the Town Hall and Fire Station that connects to our 19.2 acre parcel which our new Police Station is built on. This opens up many possibilities for our Town moving forward. Our Police Department moved into their new home in October. Under the supervision and management of Fab Cusson, our Town's new Police Station was proudly designed and constructed almost exclusively by members of our local community. The Selectmen wish to sincerely thank all those involved in this unique project.

Respectfully submitted by your Board of Selectmen,

Rick Duane, Chairman ~ Sean Dunne, Vice-Chairman

Priscilla Tiede ~ Edward Tasker ~ Lori Mahar

"I never considered a difference of opinion in politics, in religion, in philosophy, as cause for withdrawing from a friend."

-Thomas Jefferson

# STATE OF NEW HAMPSHIRE

## Town of Barnstead

### Warrant for 2019 Annual Meeting

**THE POLLS WILL BE OPEN FROM 7:00 A.M. to 7:00 P.M.**

To the inhabitants of the Town of Barnstead in the County of Belknap in said state, qualified to vote in Town Affairs:

**You are hereby notified to meet at the Barnstead Town Hall in said Barnstead on Tuesday, the Twelfth (12<sup>th</sup>) day of March, next at 7:00 a.m. of the clock in the forenoon, to act upon the following subjects:**

1. To choose all necessary Town officers for the year ensuing.

2 Selectmen	3 year terms
1 Town Clerk/Tax Collector	3 year term
1 Library Trustee	3 year term
1 Trustee of Trust Funds	3 year term
2 Planning Board Members	3 year terms
2 Budget Committee Members	3 year terms
1 Overseer of Public Welfare	1 year term
  
2. To vote by official ballot on amendments to the Barnstead Zoning Ordinance, as proposed by the Barnstead Planning Board, as follows:
  1. Are you in favor of the adoption of question #1, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To revise Article 12, Section 12-16 of the Zoning Ordinance - Growth Management Regulation, to change the Sunset date from April 1, 2019 to April 1, 2024.
  
  2. Are you in favor of the adoption of question #2, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows;

To revise Article 2, "a" Section 2-1 – Definitions, to add "Steep Slope – Land area where slope is equal to or greater than 15 percent". And to add "Fire Cisterns – Fire Cisterns are an underground water storage tank with a capacity determined by and built to the specifications of the Town of Barnstead using NFPA 1142 as a guide. Fire Cisterns are designed to be reliable year-round water sources for firefighting.
  
  3. Are you in favor of the adoption of question #3, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To revise Article 2, "a" Section 2-1 – Definitions, to revise Flood Hazard Area to read "Flood Hazard Area: That portion of land as designated on the most current FEMA Flood Insurance Rate Maps."

4. Are you in favor of the adoption of question #4, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To add Article 4-4, Steep Slope protection to insure protection of the Town's infrastructure and the natural resources.

5. Are you in favor of the adoption of question #5, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board as follows:

To add Article 15, Barnstead Floodplain Management based on the Model Flood Plain Management Ordinance promulgated by the New Hampshire Office of Strategic Initiatives, Flood Plain Management Program.

3. Shall we adopt the provisions of RSA 40:13 (known as SB2) to allow official ballot voting on all issues before the Town of Barnstead, New Hampshire on the second Tuesday of March. Passage requires a 3/5 majority vote of those voting. (Submitted by Petition).

**The second session for the purpose of discussing and voting upon the remaining articles of the Town Warrant shall be held on Saturday, March 16<sup>th</sup>, 2019, at 9:00 a.m. at the Barnstead Elementary School.**

4. To hear the Reports of Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto.
5. To see if the Town will vote to discontinue a portion of the Class VI road entitled Olde Farmington Road on the Town's maps beginning at a point of approximately 2,183 feet from the intersection of North Road and continuing through to the Alton Town Line. (Recommended by Selectmen 4-1).
6. Shall the Town vote to adopt the provisions of RSA 72:28-b All Veterans' Tax Credit? If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or an officer honorably separated from service and is not eligible for or receiving a credit under RSA 72:28 or RSA 72:35. If adopted the credit granted will be \$500, the same amount of the standard or optional veterans' tax credit voted by the Town under RSA 72:28. Due to the unknown impact this will have on the tax rate, if adopted, the credit will be phased in over a 3 year period as follows; \$165 credit for the year 2019, \$330 for the 2020 year and \$500 the 2021 year. If passed by majority vote, the credit takes place beginning April 1, 2019. (Recommended by Selectmen 4-0). (Tax rate impact: unknown).

7. To see if the Town of Barnstead shall adopt New Hampshire's All Veterans' Tax Credit (pursuant to NH RSA 72:28-B) Majority vote required. Submitted by Petition. (Tax rate impact: unknown).
8. To see if the Town will vote to raise and appropriate the amount of Eighty Five Thousand Five Hundred Fifty Dollars (\$85,550) for the second payment of the 5 year lease purchase agreement as passed at the 2017 Town Meeting for the Fire Pumper. This lease agreement contains an escape clause. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0) (Recommended by Budget Committee 7-0). (Tax rate impact: 14 cents per \$1000 of assessed valuation).
9. To see if the Town will vote to raise and appropriate the amount of Seventy Thousand Dollars (\$70,000) for the purpose of purchasing two (2) defibrillators for the Fire Rescue Ambulance and to authorize the withdrawal of Seventy Thousand Dollars (\$70,000) from the Fire Rescue Vehicles Special Revenue Fund created for this purpose (current balance \$202,665). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0.) (Recommended by Budget Committee 7-0). (Tax rate impact: 0 cents).
10. To see if the Town will vote to raise and appropriate the amount of Seventy Thousand Dollars (\$70,000) to be placed in the Bridge Construction Capital Reserve Fund (current balance \$336,328). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 7-0). (Tax rate impact: 12 cents per \$1000 of assessed valuation).
11. To see if the Town will vote to raise and appropriate the sum of Three Hundred Thousand Dollars (\$300,000) to be placed in the Road Paving and Maintenance Expendable Trust Fund (current balance \$40,796). Two Hundred Thousand (\$200,000) to be raised by taxation and One Hundred Thousand (\$100,000) to come from fund balance (surplus). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0) (Recommended by Budget Committee 6-1). (Tax rate impact: 34 cents per \$1000 of assessed valuation).
12. To see if the Town will vote to raise and appropriate the amount of Seventy Five Thousand Dollars (\$75,000) to be placed in the Highway Department Heavy Equipment Capital Reserve Fund (current balance \$128,769). Fifty Thousand (\$50,000) to be raised by taxation and Twenty Five Thousand (\$25,000) to come from fund balance (surplus). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 5-2). (Tax rate impact: 8 ½ cents per \$1000 of assessed valuation).
13. To see if the Town will vote to raise and appropriate the amount of Fifty Thousand Dollars (\$50,000) to be placed in the Fire Rescue Expendable Trust Fund (current balance \$141,017). Twenty Five Thousand (\$25,000) to be raised by taxation and Twenty Five Thousand (\$25,000) to come from fund balance (surplus). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0) (Recommended by Budget Committee 7-0). (Tax rate impact: 4 cents per \$1000 of assessed valuation).
14. To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to be placed in the Barnstead 300 Year Celebration Expendable Trust Fund

(current balance \$10,239). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 7-0). (Tax rate impact: 1/2 cent per \$1000 of assessed valuation).

15. To see if the Town will vote to discontinue the Parks & Recreation Building Capital Reserve created in 2005. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund (current balance \$48,000) (Majority vote required). (Recommended by Selectmen 5-0).
16. To see if the Town will vote to establish a Parks & Recreation Facility Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of saving monies for the renovation, construction or maintenance of a building, facilities, and grounds for the Parks & Recreation Department and to raise and appropriate the sum of Forty Eight Thousand Dollars (\$48,000) to be placed in this fund, with this amount to come from general fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 7-0). (Tax rate impact: 0 cents).
17. To see if the Town will vote to raise and appropriate the amount of One Dollar (\$1.00) to be placed in the Historical Society Building Capital Reserve Fund (current balance \$63,744). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 3-1). (Recommended by Budget Committee 7-0). (Tax rate impact: 0 cents).
18. To see if the Town will vote to raise and appropriate the sum of One Hundred Twenty Five Thousand Dollars (\$125,000) to be placed in the Public Safety Building Capital Reserve Fund (current balance \$33). One Hundred Thousand Dollars (\$100,000) to come from taxation. Twenty Five Thousand to come from fund balance (surplus). This is a special warrant article per RSA 32:3, VI. (Recommended by 4-0). (Recommended by Budget Committee 5-2). (Tax rate impact: 17 cents per \$1000 of assessed valuation).
19. To see if the Town will vote to raise and appropriate the sum of One Dollar (\$1.00) to be placed in the Emergency Preparedness Expendable Trust Fund (current balance \$45,192). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 7-0). (Tax rate impact: 0 cents).
20. To see if the Town will vote to raise and appropriate the amount of Ten Thousand (\$10,000) to be placed in the Municipal Computer and Equipment Expendable Trust Fund (current balance \$23,432). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 7-0). (Tax rate impact: 1 ¾ cents per \$1000 of assessed valuation).
21. To see if the Town will vote to raise and appropriate the amount of Thirty Six Thousand Dollars (\$36,000) to be placed in the Milfoil Treatment Expendable Trust Fund (current balance \$13,982). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 7-0). (Tax rate impact: 6 cents per \$1000 of assessed valuation).

22. To see if the Town will vote to raise and appropriate the amount of Ten Thousand Dollars (\$10,000) to be placed in the Cistern Construction and Maintenance Fund (current balance \$23,981). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 7-0). (Tax rate impact: 1 ¾ cents per \$1000 of assessed valuation).
23. To see if the Town will vote raise and appropriate the amount of Twenty Five Thousand Dollars (\$25,000) to be placed in the Police Vehicle Revolving Fund (current balance \$2,271). Said funds to come from fund balance (surplus). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 7-0). (Tax rate impact: 0 cents).
24. To see if the Town will vote to modify the elderly exemptions from property tax in the Town of Barnstead, based on the assessed value, for qualified taxpayers, to be as follows per RSA 72:39-b:
- For a person 65 years of age up to 75 years of - \$30,000; for a person 75 years of age to 80 years - \$40,000; for a person 80 years of age or older - \$50,000.
- To qualify, the person must have been a New Hampshire resident for at least 3 consecutive years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married to each other for at least 5 consecutive years. In addition, the taxpayer must have a net income in each applicable age group of not more than \$30,000, or if married, a combined net income of less than \$45,000, and own net assets not in excess of \$75,000 excluding the value of the person's actual residence and the land upon which it is located up to the greater of 2 acres or the minimum single family residential lot size specified in the local zoning ordinance. (Recommended by Selectmen 4-0).
25. To see if the Town will vote to approve the annual Lease Agreement between the Town and Butler Bus Company for the purpose of leasing the town-owned land on South Barnstead Road to Butler Bus Company to allow the parking of Butler's school buses. Butler Bus pays property taxes on that portion of the property that is used. (Recommended by Selectmen 4-0).
26. To see if the municipality will vote to raise and appropriate the Selectmen's recommended sum of \$4,295,391 for general municipal operations. The Budget Committee's recommended sum is \$4,215,930. This article does not include appropriations by special warrant articles and other appropriations voted separately.
27. To transact any other business that may legally come before this meeting.

## INDEPENDENT AUDITOR'S REPORT

To the Members of the Selectboard and Management  
Town of Barnstead, New Hampshire

**Report on the Financial Statements.** We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Barnstead, New Hampshire as of and for the year ended December 31, 2018 and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.<sup>1</sup>

**Management's Responsibility for the Financial Statements.** Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from materials misstatement, whether due to fraud or error.

**Auditor's Responsibility.** Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Town's procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we express no such opinion. An audit also includes evaluation the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluation the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

**Opinions.** In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Barnstead, New Hampshire, as of December 31, 2018, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Report on Required Supplementary Information.** Management has not presented a *Management's Discussion and Analysis* of the financial statements. Although it is not required to be part of the basic financial statements, accounting principles generally accepted in the United States of America requires it along with the budgetary and pension information presented in the

section marked *Required Supplementary Information* to be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Report on Combining and Individual Fund Statements and Schedules.** Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the Town of Barnstead, New Hampshire's basic financial statements. The accompanying schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly presented in all material respects in relation to the basic financial statements as a whole.

*Paul J. Mercier, Jr. cpa for*  
**The Mercier Group**, a professional corporation  
Grantham, New Hampshire  
February 14, 2019

<sup>1</sup>Please refer to the full set of GAAP financial statements on file with the Selectboard and not the individual reports and schedules published in the Town Report.

# Assessor's Report

Due to the change in the real estate market and 2018 being the year that the New Hampshire Department of Revenue conducts a review of Barnstead's assessing practices, the Town decided it was necessary to update all property values for the 2018 tax year. The new assessments are reflected on the December 2018 tax bill. The total valuation for the Town increased from \$448,988,627 in 2017 to \$594,780,446 in 2018. This increase resulted in our tax rate decreasing from \$28.90 in 2017 to \$22.25 per thousand in 2018.

The NH DRA has determined the equalization rate for 2018 to be 102%. If any taxpayer feels their property's equalized assessment does not reflect the market value of the property, they may file an abatement by March 1, 2019. When filing your abatement application, only valid arms length transactions may be used as comparables. Foreclosure, bank sales, and family sales are not considered valid sales. The abatement applications are available in the Selectmen's Office or online at [www.nh.gov/btla](http://www.nh.gov/btla).

The deadline for submitting all exemption and tax credit applications is April 15 for the tax year applied for. These include the elderly and blind exemptions, as well as Veterans' tax credits. If you feel you qualify for any of these, as of April 1, 2019, stop by the Selectmen's Office to fill out an application.

In 2019 the Town has continued its contract with R. B. Wood & Associates. A representative of the assessing firm is available on Wednesdays for any taxpayer questions.

Respectfully submitted,

Rod Wood, CNHA CMA  
Real Estate Appraiser Supervisor  
R. B. Wood & Associates

# Building Inspector's Report

2018 produced 26 new homes in Barnstead; a decrease by 8 homes from the previous year. A total of 36 new home permits were allotted for 2017, leaving 10 permits unused for 2017. Any leftover permits from 2018 will not roll over into the 2019 new home permit allotment.

On Sept. 19, 2017 due to the severe water shortage issue for those connected to the Pennichuck Water Company system in Locke Lake Colony, the Barnstead Selectman unanimously voted to place a hold on the further issuance of building permits in Locke Lake Colony. This hold will continue until such time as the water shortage can be resolved. One exception to this ruling was made for those who had the ability to legally site a well along with a NH D.E.S. approved septic system on their property; the well will supply sufficient water to the residence. For those who own land in Locke Lake Colony with hopes of building a new home in LLC, please keep in mind until the Selectman determine the water shortage has been resolved, or unless you can drill your own well, no building permits for new homes can be issued in LLC. This ban does not prohibit existing residents in LLC from obtaining other building permits for repairs, additions, garages etc.

If you live in Locke Lake Colony, Birchwood Hideaway or any other association with deeded restrictions, it is your responsibility to obtain the appropriate permits through your association. The Town of Barnstead Building Department does not approve permits on behalf of private associations, nor enforce association rules, regulations or deed restrictions.

New homes permits allowed for 2019 were calculated as follows:

The total target dwelling units (TDU) per the assessing office as of 12/31/18 was 2369.

As per Section 12-7 of the Town of Barnstead Zoning Ordinance:

$$\text{TDU } 2369 \times 1.5 = 35.54$$

Questions regarding rounding fractional numbers, whether to round down if less than .5 or up over a whole number. Legal clarification was provided to the Town administration. It was determined anything over a whole number would require rounding up to the next highest whole number.

With this, 2019 will allow for 36 new home permits.

In 2018, a total of 551 permits were issued including 29 Certificates of Occupancy and Certificates of Completion. This is an increase of 8 building permits from the previous year.

The total revenue collected in 2018 by this office was \$41,385.00

If you are planning to make any structural improvements, additions, electrical and/or plumbing changes to your home, a permit is required before any work commences. The Barnstead Building Inspector position is a part-time position so please call 603-269-4071 x 110 or the Building Inspector's cell at 603-235-6469 to schedule appointments. The Building Inspector is also available

every Tuesday evening (unless otherwise noted) between 5:00pm and 7:00pm for walk-ins or e-mail at [BuildingInsp@Barnstead.org](mailto:BuildingInsp@Barnstead.org) – no appointment is necessary. Please keep in mind that Tuesday evenings can be very busy and a reply by e-mail may take a few days.

Please remember if you have a current active building permit you must call for periodic inspections as laid out in your inspection checklist which includes a final inspection. Upon every satisfactory final inspection, a certificate of completion or occupancy is issued, and this certificate will then prompt us to close your existing permit and its associated file(s). Those who do not call for a final inspection may receive a letter generated from the Building Department requesting a permit renewal at the end of the 12 month period the permit was active.

If you are installing a wood or pellet stove, water heaters, heating systems or propane tanks, fuel lines (either new or swapping out), a mechanical permit is also required. These inspections are done by the Barnstead Fire Inspector Rodney Boyd.

Barnstead uses the International Building and Residential Codes 2009, International existing Building Code (IBC & IRC), Plumbing Code, Life Safety 101, and the Fuel Gas Code. The 2014 NEC was adopted on January 1, 2015. This adoption date coincides with a new Ruling of the State Electrical Board (RSA 319-C:6-c) to require all licensed Electricians to acquire Continuing Education hours relating to the 2014 NEC before January 1, 2015.

Respectfully submitted,

Fab Cusson, Building Inspector/Code Enforcement Officer

# Conservation Commission Report

The Barnstead Conservation Commission would like to take this opportunity to thank the community for its support, and report on the various activities undertaken in 2018, on behalf of the Town. The Commission continues to focus its efforts on maintaining conservation and recreation parcels under its management and control, as well as work to develop new conservation easements across the community, for the purpose of proper utilization and protection of the natural resources and the protection of watershed resources of the Town.

As a follow-up to the 2017 Annual Report regarding the damaged cabin on the Harrison Woods Natural Area off Gilmanton Road, it was determined that the cabin was damaged beyond repair. The insurance money funded the demolition of the camp, and is expected to fund some type of memorial shelter, easier to maintain, and to be enjoyed by users of the property. Recommendations as to what should replace the old cabin would be appreciated.

The Commission continued annual work projects on Town lands under its care, including the Harrison property where an access road and limited trail system are maintained to Upper Suncook Lake, and a 5-acre grassland area is maintained through occasional mowing and control of invasive shrubs – an increasing challenge. In addition, management of the Town Beach area, in concert with the Barnstead Recreation Department, is an annual priority. We thank public volunteers that help each spring getting the facility ready for summer beach activity.

The Commission continues to work with the Bear-Paw Greenways group, a land trust from Deerfield. As a member community of the Bear-Paw group, we have utilized their expertise in land protection projects in the past and expect to coordinate further with them in the coming year. To that end, we are looking for a Barnstead resident to represent the Town on Bear-Paw boards or committees. This person would not have to be a Commission member.

The Barnstead Conservation Commission also remains an active contributor to the Belknap Conservation Coalition (BRCC). This area is an important asset available to the residents of Barnstead, and includes the headwaters of the Suncook River, Mount Major, and Gunstock Mountain.

As we point out every year, the Conservation Commission is seeking new members. Our membership is currently low enough to affect our ability to tackle new projects, as well as meet the responsibilities required of the various parcels under the commission's management and control. The Commission meets every month, September through May, with the occasional summer work sessions, as needed. So, please consider participating in the Commission or simply attending meetings to see what it is all about. Any one is welcome at our regular meetings on the first Wednesday of each month at 7:00 at the Town Hall. Please contact Jim Fougere with any questions or comments you may have.

Respectfully submitted,

Jim Fougere, Chairman 269-4264

# Emergency Management Report

In an increasingly complex and fiscally challenging world, Town Officials, Responders and the Emergency Management Director (EMD) strive to coordinate efforts during disasters in order to save lives, reduce suffering, restore essential services and minimize the damage caused by natural and man-made events.

The EMD's role is to facilitate community response planning and preparation efforts, coordinate operations of Town departments during a disaster, liaison with New Hampshire Homeland Security and Emergency Management (NH HSEM) and adjoining communities, and pursue funding and other resources to reduce the effects of disasters and optimize respond efforts.

There were no storms or other disasters that qualified for public mitigation grant funding in 2018, however there was still plenty to do finalizing paperwork required to receive mitigation funds from storms in 2017 (March and October). This process was successfully completed (thanks to Lisa Magerer in the Town Hall for collecting and submitting the material) and the Town received over \$42,000 to reimburse staff time, administrative costs, road material and stumpage removal costs.

No disaster response effort can be successful without communication assets. While our day to day equipment is adequate, a communication plan for disasters should include equipment that is interoperable and define measures that provide for redundancy. During 2018 several of our departments took steps to improve their communications capabilities. The Emergency Manager met this challenge through the establishment of a Town Government Emergency Telecommunication Service (GETS) account. This program provides priority dialing service over landlines and mobile phones for responders during emergency and disaster events. In the future as we respond to events priority dialing can be requested.

In 2018 the EMD began the process to update the Town's Hazard Mitigation Plan. This 5-year plan must be completed, approved and on file with State Emergency Management in order for the Town to apply for any FEMA grant program funds. The process includes: a review of our community profile, hazard identification and risk assessment, updating our critical facilities list, conducting a capabilities assessment, and finally, identifying, prioritizing and implementing projects that could reduce the effects of natural and man-made disasters.

The planning committee met three times in 2018 and will complete its work in the first quarter of 2019. Fire, Police, Highway, School and SAU representatives, Selectmen, and a Planning Board representative have all contributed to the plan. This project is funded through a FEMA grant.

The EMD represented you at many state storm and incident conference calls, as part of the Winnepesaukee Public Health Region (WPHR) planning team, at school and town safety meetings, and at various trainings and meetings with NH Homeland Security and Emergency Management (NHHSEM).

In 2018 the new Police Station was designated as the Alternate Emergency Operations Center. As a result of this Emergency Operations Plan change, the Police Department was eligible, and then applied for, FEMA grants for equipment and a generator; the grant applications are still pending.

# Emergency Management Report

During 2019 the EMD will work with Town Officials and Department heads to:

1. Continue an “All Community” preparedness awareness program
2. Liaison with school department staff, state, county and adjoining towns to better coordinate mutual aid
3. Coordinate with State exercise staff, Town Officials and Department heads to conduct a multi-agency tabletop exercise, a review of our Emergency Operations Plan and an EOC activation drill
4. Review the current Regional Shelter Agreement with Prospect Mountain High School and the Town of Alton
5. Update and submit for approval the annual Letter of Agreement with Butler Bus Company to provide emergency mass transportation
6. Establish and equip an Emergency Management materials trailer
7. Implement and monitor projects identified and prioritized in the Updated Hazard Mitigation Plan

Emergency preparedness and response happens at many levels, but none is more important than the efforts our citizens make to prepare themselves and their families. If you need assistance making your home safer or your family more resilient, do not hesitate to contact the Emergency Manager.

Respectfully submitted,

Wayne W. Santos  
Emergency Management Director

# Barnstead Fire Rescue

2018 began with us finishing several projects that proved to be very time consuming. We accepted delivery, outfitted, and trained on the new Engine 1. This apparatus was designed with our day to day responses in mind, with every tool and item mounted in a manner to allow proper deployment, accountability, and care that is needed. This apparatus has been utilized first due to all fire calls, not only for in town emergencies, but to assist other communities when requested. We also continued to assist our dispatch center, Lakes Region Mutual Fire Aid, in evaluating communication concerns that have plagued us in recent months. The dispatch center staff tested numerous transmit sites in our area, with our staff evaluating signal strength. After improvements to the sites, we are happy to report a much more reliable and effective radio network. The final major project was the acquisition of the new SCBA air packs that were purchased with an AFG grant from FEMA. After much training and familiarization, all department air packs were replaced with new.

We have seen our fair share of staffing struggles this year with injuries and illnesses stretching coverage quit thin. We continue to encourage new members, as well as ways to ensure staff retention. We are pleased to welcome some new members that are a direct result of our Explorer Program. Cameron Drew and Kyle Holmes have completed the Certified Firefighter 1 program at the NH Fire Academy. Welcome aboard Cameron and Kyle!

We also saw the retirement of Full Time FF/EMT Brian Tedcastle. Brian spent his entire career here in Barnstead, and although we are sad to see him go, we couldn't be happier for him and his family.

We have seen an increase in the need to assist our citizens with fire safety planning and education. Our fire reports show a significant decline in homes with Smoke and CO detectors. This, along with the fact that house fires burn much more rapidly than they did 10 or 20 years ago can only remind us that we are fortunate to not have suffered a loss of life incident recently. My plan is to increase our Fire Prevention Program to include identifying grants or corporate sponsors to assist us in funding a program to provide detectors to our citizens with our staff assisting in installation. That, along with increased community awareness should help us reverse this trend and put us in a safer position.

In closing, I would like to thank all of our supporters, and of course you, for supporting our efforts to provide for a safer community.

Respectfully submitted,  
Shawn Mulcahy, Fire Chief  
Barnstead Fire Rescue

# Barnstead Firefighters Association

Barnstead Firefighters Association (BFA) was formed in 2011 to provide additional support and aid to the town's Fire Rescue Department, at no cost to the taxpayers. Consistent with that goal, the Barnstead Firefighters Association has engaged in a number of activities during calendar year 2018 that lent support to the Barnstead municipal Fire Rescue Department.

## Retirement Congratulations

Barnstead Firefighters Association would like to sincerely thank and congratulate firefighter Paul King on his retirement after giving fifty years of service to Barnstead Parade Fire Company No.1 and to Barnstead Fire Rescue. A retirement celebration was held in February 2018, as part of the Barnstead Fire-Rescue Department awards dinner.

Shortly after Thanksgiving 2018 another long-term member of the Barnstead Fire-Rescue community also retired. Barnstead Firefighters Association congratulates Brian Tedcastle and thanks him twenty-eight years of fire rescue service that he has provided to the citizens of the Town of Barnstead. Brian provided six years of volunteer firefighter service with the Center Barnstead Fire Company. Following his volunteer service, in 1997 he was hired as one of the first two full-time employees of the then newly-established Town of Barnstead Fire Department. Subsequently, Brian served twenty one years as a town employee in that capacity. BFA congratulates him on his service and his retirement.

The Barnstead Fire-Rescue community also lost two more highly valued long-term members when former Deputy Chief Ronald Verville and former Captain Paul Doucette both decided to retire in 2018. Each of these gentlemen provided years of dedicated service to the Barnstead community. BFA thanks them for their service and wishes each the best in their future endeavors.

## Road Race

BFA sponsored the sixth annual Barnstead Firefighters Association road race on August 18, 2018. We were pleased to note that participation at the 2018 race was higher than for the previous year's race. The August day was a beautiful day for a road race and runners were very enthusiastic about their participation. The race raised \$1,105.00 for the Association. The 2019 road race is yet to be scheduled. Once it is scheduled, pre-registration and on-line registration information will be announced.

## Gilmanton-Barnstead Fire Explorers

The positive highlights of calendar year 2018 for the Barnstead Firefighters Association are related to the achievements this year by our Fire Explorers. Barnstead Firefighters Association, in conjunction with Gilmanton Firefighters Association, sponsors the annual membership for the Gilmanton-Barnstead Fire Explorers Post 900 - 901.

For the fifth year in a row, we are extremely proud to announce that our Explorers won the Outstanding Post of the Year award for the state of New Hampshire in 2018. Post 900 – 901 was selected as the number one post out of fifty one Fire Explorer posts across the state. In addition, this year one of our Explorers was selected as the number one Fire Explorer in the State of New Hampshire. Barnstead resident Explorer Garrett Mullen received the award. When presented with the award, Garrett was described as being motivated and responsible. He was also

described as providing leadership for the group by stepping up to help the newer Explorers learn about firefighting and teamwork.

Congratulations to all our Explorers and to Garrett Mullen for their achievements.

The Gilmanton-Barnstead Fire Explorers is an organization that enables teenagers to learn teamwork skills, organizational skills and firefighting expertise by teaching them firefighting work practices. The Explorer organization is open to any teen aged fourteen to eighteen. Teens interested in joining the organization can telephone Barnstead Fire Rescue Station 2 at 269-4121.

### Explorer Graduates

The success and the value of the Explorer program were further emphasized in 2018 when the Barnstead Fire-Rescue Department announced that two Explorer graduates would be joining the Department as certified firefighters. Cameron Drew and Kyle Holmes were Explorers with the Gilmanton-Barnstead Post 900 – 901. When they turned eighteen years old, they applied to the Town of Barnstead to be on the Fire Department. Each of these young men attended the New Hampshire Fire Academy and successfully completed the Firefighter 1 program. Congratulations to Firefighter Cameron Drew and Firefighter Kyle Holmes.

On a related note, it should be reported that Firefighter Kyle Holmes was the first recipient of the Jake Weber Scholarship. This is a scholarship that is awarded by the Barnstead Firefighter Association to any Barnstead resident graduating high school who plans to continue education toward a firefighting or emergency medical response career. Information concerning application for the scholarship can be obtained by contacting Barnstead Fire-Rescue personnel at the Center Barnstead Fire Station.

# Report of Forest Fire Warden

George R. Krause, II Warden

Deputy Wardens: Shawn Mulcahy, John Drew, Gary Doucette, Roscoe Tasker Jr., Nicholas Rott

This past year we were fortunate enough to have favorable weather conditions in the spring and summer which limited the amount of wildfire activity throughout the state. Barnstead Fire-Rescue and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers' fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2018 season threatened structures and one structure was destroyed, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

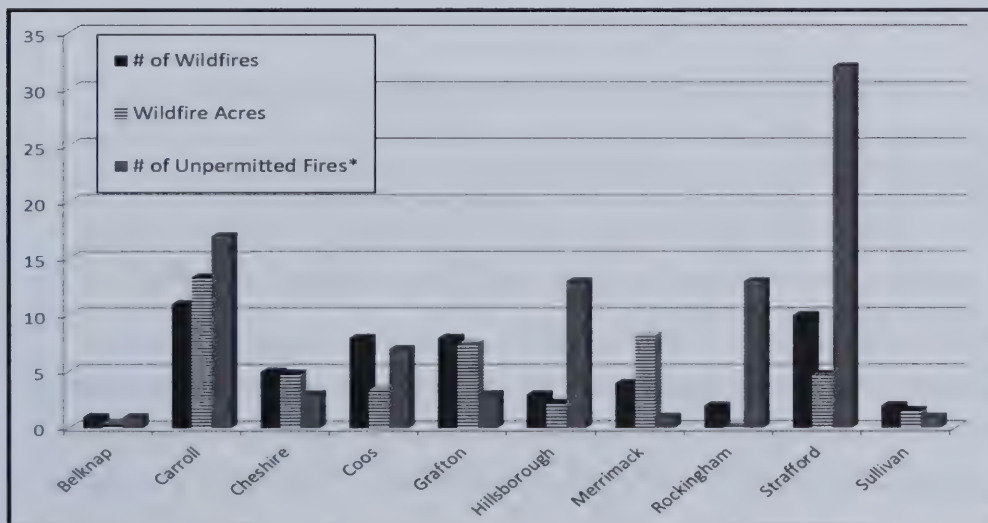

In 2019, we will be recognizing Smokey Bear's 75<sup>th</sup> birthday! Dressed in a ranger's hat, belted blue jeans, and carrying a shovel, he has been the recognized wildfire prevention symbol since 1944. The NH Forest Protection Bureau and local fire departments will be celebrating Smokey Bear's 75 years of wildfire prevention throughout the year. Smokey's message has always been about personal responsibility – remember his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. **“Remember, Only You Can Prevent Wildfires!”**

As we prepare for the 2019 fire season, please remember to contact Barnstead Fire-Rescue Station #2 603-269-4121 to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in Barnstead and may be obtained by visiting [www.NHfirepermit.com](http://www.NHfirepermit.com). The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or [www.des.nh.gov](http://www.des.nh.gov) for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdfl.org](http://www.nhdfl.org).

## 2018 WILDLAND FIRE STATISTICS

(All fires reported as of December 2018)

Year	Number of Wildfires	Wildfire Acres Burned	Number of Unpermitted Fires*
2018	53	46	91
2017	65	134	100

# Health Officer Report

Health officials have a critical role in effective local and regional environmental and public health systems and are responsible for three critical functions.

- Our first role is to enforce applicable New Hampshire Laws and administrative rules (i.e. regulations), as well as local ordinances and regulations.
- The second critical function is to serve as a liaison between state officials, local elected officials, and our community on issues concerning local environmental and public health.
- The third is to be a leader and active participant in efforts to develop regional environmental and public health capacities.

Below is a list of the most common roles of the Barnstead Health Officer:

We may be called upon to assist the DHHS, Bureau of Communicable Disease, to act as liaisons to local citizens by linking them to state, local and federal resources. We will distribute or display materials / health alerts produced by local, state and national partners. Generally we post all health alerts as they come in on the Town Bulletin Board located next to the Town Clerk's window.

We conduct sanitary investigations into complaints and public nuisances that may endanger public health including a buildup of garbage, dead animals (and their burial), insects, unsanitary living conditions, rodents, and safe drinking water inspections. We will inspect septic systems to determine if a system has failed and, when necessary, coordinate with the NH Department of Environmental Services to certify septic system failure. The Health Dept. along with the Building Dept. can also be the enforcement of NH RSA 48A Minimum Housing Standards for rental units as per Section 3-5 of the Barnstead Zoning Ordinance.

Though more rare, we also conduct the inspection and give approval to schools, and/or facilities used to provide Childcare and Foster Care homes. Water tests are also taken as needed of public/private water supplies suspected of being unsafe, per directives from the NH Department of Environmental Services.

In early 2018, we received an influx of mice and rat infestation calls. If you are experiencing a rat infestation, below are a few tips that can help you:

- \*Keep all trash sealed in metal containers. Empty containers at the waste facility as often as possible.
- \*Seal up all food in your house.
- \*Thoroughly inspect your home for any openings, cracks or separations where rodents can enter.
- \*Seal all possible points of entry including stuffing the area surrounding any pipes or small holes...
- \*Set traps.
- \*If you are having any difficulties in resolving the problem on your own, we highly recommend you call an exterminator before the problem worsens and damage ensues.

If you have a public health concern, Fab can be reached directly by phone or text (603) 235-6469, or Mary Jane can be reached at (603) 269-4071 x 111.

Respectfully submitted,

Fab Cusson, Health Officer  
MaryJane Dascoli, Deputy Health Officer

# Barnstead Historical Society

The Barnstead Historical Society continues to be grateful of donations from the public of artifacts that help grow its collection of Barnstead's past.

We continued to provide half of the funding to provide ancestry.com access at the Oscar Foss Memorial Library. This is a valuable resource for anyone investigating their roots and we urge you to use this service, which is provided by the NH State Library at a discounted rate.

We continue to sell refreshments at two concerts held on the Parade Grounds each summer. We enjoy our visits with all who stop by for a cookie or cold drink!

Steve Winchester joined us in August to share his plans for the old Center Schoolhouse on Route 126. He talked about many of the items he found, including a once-thought lost combination to a safe belonging to the Fire Department. Members who attended the school gave him insight as to how the building was set up for use as both a one-room school house, as well as a two-room schoolhouse when a partition was added. We are all impressed with the work he has done to date and wish him the best of luck!

The Society continues to partner with the Library to apply for funds from NH Humanities to bring in speakers. In September, architect Thomas Hubka provided input on *Big House, Little House, Back House, Barn: The Connected Farm Buildings of New England*. Connected farm buildings are unique to our area. Mr. Hubka used case studies that show how farmers converted their typical separate house and barns into connected farmsteads. In October, Jeremy D'Entremont told the history of New England's historic and picturesque lighthouses primarily focusing on the colorful and dramatic stories of lighthouse keepers and their families with *New England Lighthouses and the People Who Kept Them*. Both events were well attended. Information on *Humanities to Go* programs offered by NH Humanities can be found at [www.nhhumanities.org/humanitiestogo](http://www.nhhumanities.org/humanitiestogo). We welcome your input on future programs.

Three display cabinets were purchased in November and, with permission from the Board of Selectmen, are located in the Town Hall. These cabinets allow us a secure space to share with the public items from our collection. We encourage anyone doing business in the town office to take a look at the items in the cases on either side of the window to the kitchen and to the left of the stage.

With no Old Home Day event in 2018, our main fundraising effort was our 3<sup>rd</sup> annual Christmas Sale held on December 8 at the Town Hall. This year, we included participation by crafters and vendors. In all, eight tables were filled with everything including Avon products, books, baskets, candles, knitted items, baked goods, Color Street nail products, and more. The Society held a

raffle that included a wreath and gift certificate towards a tree at Neva Dun Farm, maple syrup donated by Bill Carpenter, a holiday basket and Poinsettia, donated by our members. Delectable lunch items were provided by our own Marjorie Terry, along with Mulled Cider from Duane Family Farm. The day was a huge success and we thank all who participated and hope to continue this as a yearly tradition in 2019.

Officers for 2018 were elected at our final meeting in October are as follows:

Denise Adjutant, President	Ken Pitman, Vice President
Marjorie Terry, Treasurer	Betsey Webber Secretary
Sandy Burt, Nancy Carr, and Lance Tasker, Board of Directors	

We appreciate the support the Society has received from the Board of Selectmen with housing the display cabinets, allowing the use of the second floor area above the town hall for storage and work space for our collection, and use of the Town Hall for our events.

We look forward to bringing forward new and exciting events in 2019!

# Barnstead Milfoil Control Committee Report

Suncook River operations began to make a dent in the milfoil infestation during the summer of 2018. The 12x16 foot barge was in place and two milfoil harvesting guns were installed; one for shallow water plants and one for divers working in water greater than 3 feet deep. Over 200 hours of dive work and support personnel removed over 2 tons of semi-dry milfoil. The picture on the right shows one week of removal as well as the area nearest to shore where the plants were removed. Barnstead received from DES \$5,462.38 for our 2018 milfoil operations.

Because the milfoil had become so dense over the winter of 2017, it took most of the summer to just clear part of the Broads area between the East shore and the main channel leading to the dam. It was clear that the density of milfoil was almost beyond the ability of divers to effectively remove it fast enough so the River could be used for boating and fishing in 2018. The second picture of the Barge was after the plants begin to sink for the winter. This shows exactly what we are working for....to get a clean Suncook River with no variable water milfoil so it can become an ideal location for boating and fishing activity. If we don't, it will gradually fill in with weeds and become a marsh like the one in front of the River View Motel at the Alton traffic circle.

All of us on the BMCC are excited to tell you about a new herbicide ProcellaCOR that is now available for treatment of NH water bodies. It is practically non-toxic, expensive (~\$1000/acre), completely kills variable water milfoil (unlike the previous herbicide), and works at very low concentrations (10 oz/ acre).

Because of its cost, the BMCC is following a program to use divers to remove plants in the Suncook River that are near the main and secondary currents where herbicide may not be effective. Divers in the Suncook Lakes and Locke Lake will be managing areas where the plants are sparse, but growing. We plan to do test areas in both Locke Lake and Lower Suncook Lake in areas that have dense plants with a lot of silt or rocks that have been very difficult to eradicate by divers. Comparing the treatment area to the actual kill area will help form procedures for future treatments. Both the Suncook Lake Association and Locke Lake Association will be sharing in the costs for the treatments this year. Our budget will pick up \$5000 for Suncook Lake and \$6000 for Locke Lake.

The Town of Barnstead has been awarded \$9905 by DES for our treatment and diver removal of milfoil on our water ways for 2019. The current account balance and the yearly warrant article will support the ProcellaCOR treatments and the diver activity.

## Barnstead Milfoil Control Committee Report

Because the Suncook River milfoil increased its density during last summer's hot weather, we feel it is best to prepare for using ProcellaCOR in future years to remove all of the milfoil from the River by using divers to clear out the areas near the main channels. This will mean that the majority of the Broads area and both coves will remain infested with milfoil and significant lily growth where boats can not maneuver unless we treat it with the old cheaper herbicide. Using Clean Amine herbicide will permit quick access to the water way, and will keep the milfoil growth in check for 2-3 years. This will permit time to raise money with succeeding warrant articles to treat sections of the river each year until it is complete while permitting any seeds in the ground to germinate into plants so they can be killed with the new herbicide. We are asking for an additional \$20,000 to treat 40 acres of the Broads, Crooked Run and Trestle Cove and treat the lilies early this summer. With ProcellaCOR, we finally may have a tool to rid milfoil from our waters.

A critical need for removing milfoil from any water body is finding it. Up to now, divers had to be pulled behind a boat using a SCUBA Tow to locate it. But water turbidity which limits visibility and boat location are critical to finding plants. Since milfoil can grow in water as deep as 20 feet, a simple but easy to use method that provides visibility over a wide area was needed. A group on Suncook Lake headed by Craig Westlake has been working to accomplish this. It is an LED light bar on the stern of the boat that works under water which illuminates a wide area when used at night. Visibility is so good, that the exact locations of plants on the bottom of the lake can easily be seen from the deck of the boat. Operational improvements are slated for this summer's work, but we are working to use it this summer to locate all of the plants in the water and record their GPS coordinates. As it is improved to being easy to move, we hope to be able to use it in the future to manage milfoil plants that pop up in all of the water bodies in Barnstead.

**We again ask for volunteer help** even if you can only spare several hours a week or a few hours a month, especially if you live along or near the Suncook River. We need people to help with providing a safety person on the barge while the diver(s) are in the water, to help pilot and work the suction harvester on the barge, to help move the barrels containing the milfoil to a pickup location for the Town road crew, and to help with the paper work of logging the divers activity, plant areas that were worked, and writing up a short daily activity sheet for our records. Tenders are always needed to support milfoil bag retrieval from divers using canoes or kayaks and as milfoil spotters and segment retrieval during diver operations.

Please see our page on the Town's web site, call the Town Hall, or email us at [Bmcc603@gmail.com](mailto:Bmcc603@gmail.com).

Respectfully submitted,

Barnstead Milfoil Control Committee

## Cemetery Trustees

Barnstead has over 100 cemeteries and burial grounds. The three largest, Riverview, South Barnstead and Old Parade, are maintained by private associations. Funds donated for perpetual care of specific lots are held in trusts managed by the Trustees of the Trust Funds. Other funds are provided in the Town Operating Budget for routine maintenance.

In the past, Stuart “Twink” Merrill provided the majority of the support for the old cemeteries. With his passing in 2017, the Trustees soon realized locating many of these small lots was a daunting task. In the fall of 2017 and again in the spring of 2018, Trustees traveled the many old roads in Town with Twink’s hand-drawn map searching for clues. Those which are visible directly on the road are the easiest to find for obvious reasons. Those hidden on a Class VI road or in the middle of someone’s tree line have been more difficult to locate. Using records from the NH Old Graveyard Association and volunteer entries at [findagrave.com](http://findagrave.com), we have located many of the cemeteries.

Tree removal and stone repair are the two main areas that are needed. Trees are the number one detriment to these old cemeteries. One tree can completely (and has in many instances) obliterate multiple head stones. We are hoping to move forward with tree removal at many of the cemeteries with the easiest access in 2019.

If you have a cemetery near your property, we urge you to contact the Town Office to make sure we have it in our inventory. Likewise, before undertaking repairs on your own, please contact the Town Office.

Respectfully submitted,

Karen Montgomery, Treasurer Trustee

## **2018 Annual Report**

2018 was an exciting year for the Oscar Foss Memorial Library. We celebrated our first Comic-con and Block Party events, added several new programs to our schedule, included vinyl albums and STEM bags in our catalog, and increased the library traffic and use of our meeting room.

### **Circulation**

The Oscar Foss Memorial Library circulated 24,145 items in 2018. We registered 158 new patrons for a total of 3,212 registered users. Books are still the number one circulated item followed closely by DVDs and adult audio books. We added 1,977 new items bringing our collection size to 15,613 items. NH Downloadable books continue to circulate steadily with no change in checkouts. The library has also added STEM bags to our circulation and has seen a steady use of our vinyl albums and record player!

### **Community Partnerships**

The Oscar Foss Memorial Library continues to be involved with the After School and Summer Learning Program for Elementary and Middle school youth grades K-8, also known as the Barnstead Adventure Zone. Barnstead was selected as a recipient of the 21st Century Community Learning Center project through the Department of Education in 2014. The library provides programming and space for students visiting the library from the Barnstead Adventure Zone. New programs are being created for the 2019 sessions.

The library worked with the Barnstead Elementary School several times this year. We had our Summer Reading Kick-off in June, a table at the Literacy Fair, we sponsored an ice cream bar at the Hampstead Player's Beauty and the Beast performance, we collaborated on a Candidate's Night in October, and school librarian Phil Giunta was our Santa Claus this year for our Holiday Story Hour. We also held a winter clothing drive to benefit the school and collected canned goods for the Barnstead Food Pantry.

The Barnstead Historical Society and the Oscar Foss Memorial Library collaborated to host two NH Humanities Council presentations. *Big House, Little House, Back House, Barn: The Connected Farm Buildings of New England* and *New England Lighthouses and the People Who Kept Them*.

We worked with OSG Paintball during our Comic-con to host a fun filled Family Nerf Battle.

The library was a regular guest at the Barnstead Farmer's Market and participated in the Barnstead Parks and Recreation Fishing Derby and Trunk or Treat.

We were happy to work with various volunteer members of the community this year to offer community member led programs and weekly yoga classes.

The library meeting room enjoyed much use from community members and organizations in 2018, with 332 non-library sponsored programs and meetings with a total attendance of 5,845 for the year.

The Library hopes to focus on more collaborations in 2019 to better share our skills and services with the entire community!

## Library Programs

**Adult:** This year the Oscar Foss Memorial Library hosted 145 library-sponsored adult programs, with a record 2,435 people attending those events. Some of the programs offered included Yoga at the Library, Flowered Hair Combs with Unless Flower Farms, and Understanding Bobcats in NH with NH Fish and Game. Our monthly Adult Book Club continues to be a successful program. The Friends of the Oscar Foss Memorial Library are currently on hiatus due to low membership and would love some new members! The library will be working to increase membership and volunteer participation in 2019. Contact the library for more information on how to become a Friend.

**Children and Teens:** There was a grand total of 207 youth and family library programs held this year, with total attendance at 2,957 participants! Overall, there was an increase of 25% over last year's total program participation. This year we added several new programs along with our other ongoing and annual programs.

We continue to run the very successful Story Hour program on Wednesdays at 10am. We also hold a regular Teen Writer's Group that meets the first Thursday of the month at 6:30pm and the Teen Advisory Group which meets monthly on the last Thursday from 6:30-7:30pm. The Teen Writers will be working with library staff this year to create a quarterly newsletter that will include art and photography from teens and writing from the older students in the BAZ club. We also hold a monthly Family Movie Night. In addition to these ongoing programs, families enjoyed other fun events like Fancy Nancy Tea Party, Prom Makeover, Harry Potter Anniversary Party and a Create Your Own Graphic Novel workshop with Marek Bennett. We are excited about our programs and delighted to see participation continue to grow!

2018 was a great year for our Summer Reading Program. This year's theme was "Libraries Rock!" so we focused on programs that promoted music including a Songwriting Workshop, 90's Name That Tune, and Musical Chalk Graffiti. We also invited the middle school students and teens to participate in an OFML House Cup. They were sorted into summer reading "houses" that competed to earn points by completing books, activities, and community service to win the OFML House Cup and a chance to plan a party at the library!

There is always something happening at the Oscar Foss Memorial Library. Be sure to like us on Facebook!

Rebecca Cowser, Alternate Trustee

Ann Cwik, Alternate Trustee

## Overseer of Public Welfare

This office is responsible for the care of the town's people. We make sure that they are warm, have power and their rent and/or mortgage is up to date. We assist families when there is a death in the family. We help the homeless families find suitable housing.

I have been elected to this position for the past 10 years. I love the work and the people I work with each and everyone of them. I try to be creative in solving their problems and that can be very rewarding.

I work hard to stay within my budget and hope that the work I do is done in a professional manner.

I hope to continue in this position as long as the people want me.

Respectfully submitted  
Elaine Swinford

## Parks & Recreation Commission

The Parks & Recreation Commission, Kate Crary, James Bemis, Judy Stowell, Jennifer Blair, and David Allen wish to extend their sincere appreciation to the Citizens of Barnstead who voted at Town Meeting, March 2018, to fund a part time Parks & Recreation Coordinator position on the Town staff.

There is a long and wonderful history of volunteer led Parks & Recreation activities, and having 13 hours a week of staff time starts Barnstead Parks & Recreation on a new phase.

Here are some of the things we accomplished this year:

- We hired a Parks & Rec Coordinator last summer. Her enthusiasm and hard work was starting to generate results when she decided the job was more than she could handle along with full time college and another part time job. We expect to hire a new coordinator right after Town Meeting.
- We organized a very successful Fishing Derby on September 18 on the Locke Lake Pond next to Wheeler Road. About 30 families participated. Many fish were caught and released. A good time was had by all. The mist floating off the pond at 7 am was breathtakingly beautiful. We so appreciated the cooperation of the Locke Lake Association and Board in making the pond available.
- We collaborated with the Barnstead Elementary School PTO to sponsor Mr. and Mrs. Santa at the PTO Holiday Extravaganza. Over 50 children had their picture taken on Santa's lap, courtesy of Jen Blair and ImaJenation Photography.
- We recruited additional volunteers to snow blow and flood the ice rink. A big shout out to Grandey West, Andy Stowell, Andrew Gallant, and Ian West for the wonderful and timely work they are doing. If you do not have skates, we have several pair in the ice rink shed; come see if one fits you.
- We did a lot of thinking and talking about what Parks & Recreation can be/do for our Town.

Some of the ideas we are working on for 2019 are as follows:

- More activities for kids and the young at heart of all ages. Seniors, Moms and Dads, we are thinking about you, your children and grandchildren.
- Fire & Ice, ice fishing, field trips, swimming lessons, horse shoes, and Senior lunches.
- We will be inviting you to help us continue to design a family friendly park in the area behind and around the ice rink, i.e. climbing, water play, sand activities, picnic facilities, and more.
- The ice rink is a unique asset in our Town that we can really build on. It needs some repair and could be upgraded. One end has sunk 8" below the other so it needs to be leveled out. We will be working on a plan for improvements/upgrades and will be asking for public input.

There are several groups in Barnstead doing activities and sports for young residents. Part of our job is to support these groups; that is the goal of our "Recreation Barnstead" Fair to be held March 9<sup>th</sup>. Sometimes we can collaborate together as we did with Mr. and Mrs. Santa.

Would you like to be part of one of these projects? Do you have a special skill you could share with your neighbors? In order to do more, we need more volunteers. With a coordinator, we can make your job as a volunteer a little easier. Find us on Facebook or write us at [barnsteadparks@gmail.com](mailto:barnsteadparks@gmail.com).

# Barnstead Planning Board Annual Report

The Planning Board had a busy year with the approval of 5 minor sub-divisions, 5 lot line adjustments, 11 conceptual consultations, 2 change of use and 6 site plan reviews for new businesses in town. There were no major sub-divisions in 2018

We have also spent several meetings and work sessions reviewing the Zoning Ordinance for the town. The Planning Board has worked with several different concerned citizens to address known planning needs for the town. These items will be warrant articles on the upcoming ballot in March of 2019.

The Capitol Improvements Plan (CIP) Committee met again over the fall months to review the needs and wants of all the town departments and the two SAU offices. The purpose of the CIP is to help the town plan for future capitol expenditures such as large equipment or buildings. The CIP Committee met with all department heads and both school SAU's to update the comprehensive guide to the town's spending over the next six years. The Planning Board approved the CIP and it was forwarded to the Selectboard Office and the School Board and SAU's for use in their budget planning. The CIP committee will resume meeting over the summer months to update the plan. If you are interested in helping the CIP committee please contact the Planning Board.

The Planning Board meets at 7:00 PM the 1st Thursday of every month at the Town Hall and all meetings are open to the public. Work sessions are held at 7:00 PM the 3rd Thursday of the month on an as needed basis.

Fax: (603) 269-4282

---

## 2018 Annual Report

### Submitted by Chief of Police Paul A. Poirier

To the honorable Board of Selectmen and the citizens of Barnstead, as your Police Chief I submit the 2018 Barnstead Police report on behalf of the men and women of the Barnstead Police Department who proudly serve our community.

In 2018 the community of Barnstead came together and rallied around the Barnstead Police Department showing their support for the agency and its members by building a much needed police department building. After much planning and many meetings the town agreed to build a 3224sf facility consisting, Emergency Operation Center (EOC), sally port that doubles as a workout/fitness area (garage), evidence room, armory, interview rooms, detective area and administrative offices. The building was equipped with state of the art surveillance systems, bulletproof glass and walls in selected areas of concern, as well as, extra storage space for files and equipment. The new police department was built to meet all federal and state American with Disabilities Act Standards (ADA). Also, the facility was thought out for the future needs of the department as it starts to move towards accreditation, designed to meet the professional gold standards of the Commission on Accreditation for Law Enforcement Agencies (CALEA). Of course none of this would have been possible without the support of our citizens, board of selectmen, budge committee and the capital improvement committee.

The new Barnstead Police Department was built primarily by local contractors, many who donated time, materials and/or gave the town a reduced price for their services. The echoing sentiment was that many of the contractors who stepped up wanted to be part of an important project in their own hometown that they could say they helped build, a building they could be proud of, built for Barnstead by the people of the community. In order to help this project come to fruition, the BOS solicited the help of our own Building Inspector and local contractor Fab Cusson who quickly "took the bull by the horns" by working with the Police Chief and the Board of Selectmen on the design process. Fab Cusson was also the project manager seeing the project from start through finish. The total cost of the project came in under budget at \$365,000; this amount had already been set aside in the Capital Reserve Account which meant no new taxes were raised to fund the project.

The Police Department itself has had another successful year continuing with its robust community policing programs and expanding others in order to close the gap and reach the older demographic of our community. We are proud of our community outreach programs and want to thank all of our community partners who help make our programs such a success.

The Barnstead Police Department and its Officers have been extremely busy this year covering shifts and calls, around the clock for the Pittsfield Police Department, who like the Barnstead Police Department several years ago were down to only a few officers. Barnstead Officers worked tirelessly to assist the community of Pittsfield to keep their citizens safe and secure.

In addition, Barnstead Police answered over 7,000 calls for service in our community in 2018. There were 1,581 motor vehicle stops on the roadways and 218 arrests resulting in hundreds of criminal charges, misdemeanors and felonies.

As your Police Chief, I stand committed to providing the community with the best service available. You have a professional Police Department with officers and civilian employees who are here to "Serve and Protect with dignity honor and respect." As always, I believe to gain peoples trust you must be transparent in everything that you do. I have an open door policy and encourage citizens to contact me with any questions you may have. If you have an idea for a community service program or something you would like to see us doing to improve the quality of life in our community or the services that we provide, please contact me so that we may discuss your ideas. Partnerships are the keys to success!

Respectfully submitted,

Paul A. Poirier, Police Chief

# Road Agent Report

The Highway Department had a challenging year. Dave Kerr retired in May, Selectman Edward Tasker filled in until a new Road Agent could be appointed to complete the term. Andrew Sylvester was appointed to the position in September 2018. An Administrative Assistant, Patty Berubee, has been working one day a week to assist with residential concerns, organizing, tracking equipment and materials, plus costs associated with the department.

There were three large paving projects completed this year: Varney Road was top coated; North Barnstead Road and Beauty Hill Road both received a shim and overlay.

A few gravel roads were addressed as well. Many roads got small amounts of crushed bank gravel to rectify issues.

The wet summer brought its own challenges to the Town's gravel roads. The Highway Department responded repeatedly to storm washouts throughout the summer months. This led to the re-evaluation of storm water drainage. Concentration was on culverts and ditches to improve drainage. Tree cutting in the Town's right-of-way was another activity high on the list of priorities. The elimination of trees helps with visibility of travelers on the road, storm water control, allowing ditches to be made, and snow plowing, so snow can easily be kept off the road. Additionally, a 2005 International Dump Truck was added to the fleet this year.

One of the Highway Department's goals this year is to improve communications between the residents in Town and our working members. Stop by the "Town Shed" at 23 Beauty Hill Road, if you have a question or concern; if we are here and able, we are more than happy to assist you.

Respectfully submitted,

Andrew Sylvester, Road Agent

Patty Berubee, Administrative Assistant

Ken Archambault

Dan Beauregard

Adam Cook

Peter Teloian

# Supervisors of the Checklist

The Supervisors of the Checklist started the New Year with its first meeting January 23rd to update the checklist for the upcoming Annual Town and School elections and meetings.

At the March Elections, the Supervisors were at the poles to register and accept “Same day Voters” and update the checklist to include the new registered voters for the meetings that followed. 545 voters came out to cast their votes. We also attended and assisted at both Town and School Meetings.

The Supervisors met June 5<sup>th</sup> to register new voters and to accept Change of Parties. On June 9<sup>th</sup> the Supervisors met to register new voters for the Special School Meeting.

The Special School Meeting scheduled for June 18<sup>th</sup> was postponed to June 25<sup>th</sup> due to power failure, both were attended by the Supervisors. 405 Voters attended this meeting.

The Supervisors met August 30<sup>th</sup> to register voters and update the checklist for the State Primary.

We attended and assisted at the State Primary on September 11<sup>th</sup>, again registering and accepting “Same Day Voters” and updating the checklist. 727 Voters cast their votes.

October 24<sup>th</sup> we met again to register voters and update the checklist to prepare for the General Election.

At the November 6<sup>th</sup> General Election, the Supervisors attended and assisted registering and accepting 150 “Same Day Voters” and updating the checklist. 2008 Voters cast their ballots at this election.

The 2018 year came to an end with the filing of our completed checklist with the State Archives.

Please remember as you come in to register to vote, that you must bring proper ID to present to the Supervisors or the Town Clerk. You may register with the Town Clerk during normal business hours or with the Supervisors at our work sessions.

Patricia Berubee  
Deputy Town Clerk/Tax Collector

## Town Clerk/Tax Collector's Report

For the first time since 1999, there is a new Town Clerk/Tax Collector. Cynthia "Cindy" Treadwell retired from the position on May 31, 2018. Upon her retirement, Mary Clarke was appointed Town Clerk/Tax Collector and Patricia "Patty" Berubee was appointed as Deputy. Cindy served the community for 31 years, beginning as a part-time employee in the office. When the Town Clerk/Tax Collector resigned in 1999, Cindy was appointed to the position and continued to serve until her retirement. Cindy worked tirelessly to serve the townspeople and she was always accommodating, whether it was staying late to register a vehicle, or coming in on a day off to do a marriage license. Over the last 30 years there were many technological changes that Cindy was always willing to embrace if it meant better service for the Town and its residents. She will be missed.

While it won't be Cindy returning your call, we have left her voice-mail intact, so please don't be concerned that you have reached a wrong or disconnected number.

There are a few of things you should be aware of in regards to the Tax Kiosk:

- We do not process the payment until it hits our bank, so it may still show as unpaid, but as long as you have a confirming e-mail don't be concerned.
- There are different charges for tender types. We recommend that you use your checking account to make the payment with a charge of 95 cents. Other methods of payment have a convenience charge of nearly 3%.
- If your payment is rejected by your financial institution or credit card company, the \$15 fee imposed on us will be added to your account.

As always, if you have any questions or concerns, please call or come by the office. We are open Monday, Wednesday, Thursday, Friday 8:30 AM - 4:30PM and Tuesdays from 11:30AM until 7PM, we don't usually close for lunch. We are closed the third Wednesday of each month.

Respectfully submitted,

Mary Clarke, Town Clerk-Tax Collector

Patricia Berubee, Deputy Town Clerk-Tax Collector

# Zoning Board of Adjustment

The function of the Barnstead Zoning Board of Adjustment (ZBA) is to review applications from property owners seeking relief from requirements of the Barnstead Zoning Ordinance. Relief can be sought by applications for variances, special exceptions, or equitable waivers. In addition, the ZBA can consider appeals by property owners regarding land use administrative decisions made by other boards or Town Officials.

Applications for relief are granted based on the information provided in the application presented, the testimony given at a public hearing, the observations of the Board Members at site visits and findings by the Board that all criteria for the application has been met.

The following are cases that were approved before the Board in 2018:

1. variance to allow installation of a temporary residential manufactured housing unit
2. variance to allow improvements to an existing carport which is attached to a historic barn
3. variance to allow the construction of a home on a pre-existing lot which does not meet current wetlands setbacks
4. variance to allow a garage to be constructed 15' from a boundary line on the property.

The Zoning Board held two (2) meetings in regard to an appeal of an Administrative Decision. The appeal was ultimately withdrawn in favor of a private settlement.

The members of the Zoning Board of Adjustment are appointed for a three (3) year term by the Board of Selectmen. The membership consists of five members and up to five alternate members.

Respectfully submitted,

David Brown, Chair

Richard Duane, Vice Chair

Sean Dunne, Selectmen's Representative

Thomas McCarthy, Member

Gary Mullen, Member

Steven Vail, Member

Mary Clarke, Alternate Member

Joanie Foss, Alternate Member

# BCEP Solid Waste District

[www.bcepsolidwaste.com](http://www.bcepsolidwaste.com)

## A Message from the District Committee

Changes continued to steer the direction of the District for 2018. Recyclable markets continue to pose stricter guidelines for contamination levels and material management is paramount to ensure an outlet for post-consumer products. The impact is being felt globally with large backlogs of material with nowhere to go and prices plummeting regionally too, with mixed paper now going out at a cost. Plastics recycling is also undergoing major changes here at the facility. More and more vendors are revising their specifications to only include the highest grade of plastic, resulting in more and more plastic products being diverted into the waste stream. Economically, for the District to sustain a healthy revenue stream, the upper recycling floor will be transitioning to accommodate three bins for plastic disposal based on type. Doing so affords the District to sell at the highest rates. Updates are in the annual brochure, on the website, posted on social media community pages and printed in the Suncook Sun.

As a result of the trash compactor fire in May, a Safety Training workshop and site inspection was held by our new Liability Insurance carrier Primex. This led to many safety improvements, increased signage and modified traffic patterns inside and outside the facility. This cooperative approach led to a safer environment for staff and patrons of the facility alike.

We are always mindful of balancing the costs of operating the facility and holding the line on taxes. The District Committee meets the last Thursday of each month (except Nov. & Dec.) at the District facility at 7:00 PM. The November meeting is usually the Thursday before Thanksgiving, while the December meeting is posted in the Suncook Valley Sun and at the District facility. The Public is encouraged to attend and participate.

## LAKES REGION PLANNING COMMISSION

103 Main Street, Suite 3

Meredith, NH 03253

(603) 279-8171

www.LakesRPC.org

# Lakes Region Planning Commission

The Lakes Region Planning Commission (LRPC) is a voluntary organization of 30 member municipalities, within one of the 9 regional planning areas established by state legislation. Regional planning commissions strive to respond to and shape the pressures of change in a meaningful way, both locally and regionally, through communication, joint initiatives, and planning.

With a regional planning area covering over 1,200 square miles in Belknap, Carroll, Grafton, and Merrimack Counties, the LRPC's professional staff provide regional planning services in the areas of transportation, land use, economic development, watershed management, and natural resource protection; local technical assistance with master plans, capital improvement plans, hazard mitigation plans, ordinance review, and circuit rider consulting; GIS mapping services; data collection and analysis; and guidance and review of Developments of Regional Impact.

In May 2018, we expanded our boundaries with the transfer of the Town of Plymouth to our planning region. After Plymouth's request to change planning regions was approved by New Hampshire's Office of Strategic Initiatives and an Executive Order issued by the Governor, we welcomed Plymouth as our newest municipal member.

### Barnstead's Representatives to the LRPC

Commissioners:

David Kerr

Transportation Technical Advisory Committee:

David Kerr

### LOCAL ACTIVITIES — Barnstead Highlights

- ◆ Enabled Town electricity savings of \$2,290 through our Regional Electricity Aggregation initiative.
- ◆ Provided assistance with Culverts Inventory reporting through SADES (Statewide Asset Data Exchange System) and created updated maps.
- ◆ Provided review and guidance regarding the Route 28/Barnstead Road intersection improvement.
- ◆ Created GIS maps for Quantitative Assessments of Bicycling Suitability transportation project.
- ◆ Provided GIS mapping assistance for other requests including projects related to Destination Points, zoning, and parcels.
- ◆ Reviewed Barnstead's Solid Waste District (BCEP SWD).
- ◆ Facilitated the bulk purchase and distribution of the NH Planning and Land Use Regulation books to the Town at a substantial discount.

### REGIONAL SERVICES — 2018 Highlights

- ◆ **Regional Purchasing Initiatives** | Created the opportunity for participating towns and school districts to save combined totals of \$159,938 in Electricity costs and \$10,123 in Oil & Propane costs by initiating a program to reduce individual town costs using the power of aggregate purchasing. While each town signs their own contracts directly with the chosen supplier, the more that participate, the greater the potential savings. We continue to research potential shared services and future cooperative buying opportunities, based on member input, on items such as Catch Basin Cleaning, School Bus Transportation, and Cell Phone Service.

- ◆ **Economic Development** | Pursued workforce development and growth opportunities for the region in coordination with regional economic development groups including Belknap Economic Development Council (BEDC), Capital Region Development Corporation (CRDC), Franklin Business and Industrial Development Corporation (FBDIC), Grafton County Economic Development Council (GCEDC), and Wentworth Economic Development Corporation.

**Brownfields**—Provided environmental assessment and consulting on brownfields properties, including the former Laconia State School, to encourage redevelopment through the EPA Brownfields Program.

**Northern Border Regional Commission (NBRC)**—Provided grant administration for NBRC grant projects in three communities.

- ◆ **Developments of Regional Impact** | Responded to numerous requests for reviews on Developments of Regional Impact, prepared draft comments, discussed with staff and municipal planners, corresponded with state and local officials, reviewed relevant state statutes, and provided updated LRPC guidelines to members through their Commissioners.
- ◆ **Education** | Convened 6 area commission meetings, including an annual meeting with over 120 people, and a legislative night. Meetings featured guest speakers covering a variety of topics: Economic Development: From Brownfields to Whitewater Parks; Route 16 Corridor Study Panel; Understanding the Developments of Regional Impact Process; and Becoming Age-Friendly Communities. Co-hosted a legislative reception with Lakes Region Community College for Commissioners and Legislators to discuss legislative priorities. Recognized 9 individuals from 7 municipalities with awards across 3 categories at our Annual Meeting for outstanding service to their communities. Continued to expand LRPC website content.
- ◆ **Solid Waste** | Provided technical training and educational programs for solid waste managers and local officials through a USDA Solid Waste & Water grant award and applied for FY20 grant funding. Coordinated the 32nd annual Household Hazardous Waste Collection among 8 locations and 25 participating member communities.
- ◆ **Transportation** | Completed Franklin to Concord regional Transit Study creating a regional transit feasibility study template to use in the future.

**TAC** (Transportation Technical Advisory Committee)—coordinated and conducted monthly meetings of the Commission’s technical advisory committee on Transportation to enhance local involvement in regional transportation planning and project development.

**Scenic Byways Advisory Committee**—Continued working with the Lakes Region Tour Scenic Byway Advisory Committee to spur economic development and preserve regional scenic quality and visitor experiences.

**Public Transportation**—Provided assistance to the Carroll County Regional Coordinating Council and the Mid-State Regional Coordinating Council.

**RSMS/SADES**—Assisted communities with Road Safety Management Systems (RSMS) analysis and conducted culvert and catch basin inventories.

**Road Safety Audits**—Coordinated with NHDOT Safety Engineer and municipal officials to establish Road Safety Audits in several communities.

**TIP** (Transportation Improvement Program) & **TYP** (Ten Year Plan)—Worked with member towns and NHDOT to prioritize transportation improvements in the region.

**Traffic Counts**—conducted over 144 annual traffic counts around the region.

- ◆ **Watershed Management** |

**Pemi Watershed**—Provided technical and administrative support to the Pemigewasset River Local Advisory Committee (PRLAC); coordinated and staffed monthly meetings; and maintained their website. PRLAC is a state-chartered advisory committee under NH RSA 483, the Rivers Management & Protection Program (RMPP).

**Lake Waukewan and Lake Winona Watershed**—Completed Restoration Plan review and created hazardous spill/flow map.

**Squam Lakes Watershed and Winnisquam Watershed**—Provided contractual services to Squam Lakes Association for facilitation, analysis, and recommendations for Phase I of the Squam Lakes Watershed Plan and to NH Department of Environmental Services for the Winnisquam Watershed Plan Phase I.

## 2018 HOUSEHOLD HAZARDOUS WASTE COLLECTION

### By the Numbers...

➤ One regional planning commission • One summer • One day of downpours .....	<b>1</b>
➤ Number of dates .....	<b>2</b>
➤ Locations .....	<b>8</b>
➤ Participating communities .....	<b>25</b>
➤ Years of collections .....	<b>32</b>
➤ Tons of hazardous substances properly disposed .....	<b>35</b>
➤ Percentage of NH's surface water contained within the Lakes Region.....	<b>40</b>
➤ Number of volunteers (80+).....	<b>80</b>
➤ Estimated number of vehicles .....	<b>1,600</b>
➤ Estimated number of households.....	<b>1,700</b>

**Protecting the Lakes Region of New Hampshire..... Priceless**

The LRPC thanks the people of the Town of Barnstead for their recognition and support of regional planning.

Respectfully submitted,

Jeffrey Hayes, Executive Director

**STATE OF NEW HAMPSHIRE**  
**Town of Barnstead**  
**Warrant for 2018 Annual Meeting**

**THE POLLS WILL BE OPEN FROM 7:00 A.M. to 7:00 P.M.**

To the inhabitants of the Town of Barnstead in the County of Belknap in said state, qualified to vote in Town Affairs:

**You are hereby notified to meet at the Barnstead Town Hall in said Barnstead on Tuesday, the Thirteenth (13<sup>th</sup>) day of March, next at 7:00 a.m. of the clock in the forenoon, to act upon the following subjects:**

1. To choose all necessary Town officers for the year ensuing.

			<b>VOTES</b>
1 Selectmen	3 year term	LORI MAHAR	152
1 Treasurer	3 year term	MARJORIE J TERRY	488
1 Library Trustee	3 year term	SUZANNE ALLISON	490
1 Library Trustee	2 year term	JANE D WESTLAKE	478
1 Trustee of Trust Funds	3 year term	JUDITH FORSYTH	482
2 Planning Board Members	3 year terms	NANCY A CARR	355
		SHAREN HODGDON	245
2 Budget Committee Members	3 year terms	WILLIAM HAYNES	262
		BRUCE GREY	261
1 Overseer of Public Welfare	1 year term	ELAINE SWINFORD	459
1 Moderator	2 year term	VERNON HIPKISS	499
1 Supervisor of Checklist	6 year term	JESSIE L FIFIELD	489

2. To vote by official ballot on amendments to the Barnstead Zoning Ordinance, as proposed by the Barnstead Planning Board, as follows:

1. Are you in favor of the adoption of Question #1, as proposed by the Planning Board for the Town of Barnstead Zoning Ordinance as follows:

In Article 4, Section 4-2 to add: Section 4-2.08 Wetland Lots. There must be fifty (50) feet between the nearest edge of any building and the high water line of any fire pond, pond, river, stream, brook or other wetland as defined in Article 2.

**PASSED YES-288 NO-217**

2. Are you in favor of the adoption of Question #2, as proposed by the Planning Board for the Town of Barnstead Zoning Ordinance as follows:

In Article 12, Section 12-8.03 to delete the words “except under conditions established in Sections 12-8.04 and 12-11 each calendar year.”

In Article 12, Section 12-11 to delete this section.

In Article 12, Section 12-12 to delete this section.

**PASSED YES-272 NO-198**

**The second session for the purpose of discussing and voting upon the remaining articles of the Town Warrant shall be held on Saturday, March 17<sup>th</sup>, 2018, at 9:00 a.m. at the Barnstead Elementary School.**

3. To hear the Reports of Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto.

**PASSED VOICE VOTE**

4. To see if the Town will vote to raise and appropriate the amount of Six Hundred Fifty Thousand Dollars (\$650,000) (gross budget) for the purpose of building a new Public Safety Building for the Police, to include architect services, engineering services, cost of construction and contingencies, and to authorize the issuance of not more than Six Hundred Fifty Thousand Dollars (\$650,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest, maturity and other terms thereon; 2/3 ballot vote required. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 7-1). (Tax rate impact: 0 for 2018) (2019 Estimated payment: \$103,000 – Estimated Tax rate impact: 19 ½ cents per \$1,000 of assessed valuation).

**FAILED DUE TO LACK OF 2/3 SUPPORT**

5. To see if the Town will vote to raise and appropriate the amount of Eighty Five Thousand Five Hundred Fifty Dollars (\$85,550) for the first payment of the 5 year lease purchase agreement as passed at the 2017 Town Meeting for the Fire Pumper. This lease agreement contains an escape clause. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0). (Tax rate impact: 19 cents per \$1000 of assessed valuation).

**PASSED YES-216 NO-63**

6. To see if the Town will vote to raise and appropriate the amount of Fourteen Thousand Six Hundred Eighty Five Dollars (\$14,685) for the purpose of purchasing Twelve Portable Radios for the Police Department. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 03 cents per \$1000 of assessed valuation).

**PASSED VOICE & HAND VOTE**

7. To see if the Town will vote to change the Road Agent's position from an elected position to an appointed position as allowed by RSA 231:64. If the Town so votes, the change will not take place until 2019, at which time the current elected position is up. (Recommended by Selectmen 5-0).

**FAILED NO-138 YES-110**

8. To see if the Town will vote to raise and appropriate the amount of Seventy Thousand Dollars (\$70,000) to be placed in the Bridge Construction Capital Reserve Fund (current balance \$269,414). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-

0). (Recommended by Budget Committee 8-0). (Tax rate impact: 16 cents per \$1000 of assessed valuation). **PASSED VOICE VOTE**

9. To see if the Town will vote to appoint the Selectmen as agents to expend from the Bridge Construction Capital Reserve Fund. (Recommended by the Selectmen 5-0). (No tax impact). **PASSED VOICE VOTE**

To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to be placed in the Barnstead 300 Year Celebration Expendable Trust Fund (current balance \$7,578). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 1/2 cent per \$1000 of assessed valuation). **PASSED VOICE VOTE**

14. To see if the Town will vote to raise and appropriate the sum of One Dollar (\$1.00) to be placed in the Parks & Recreation Building Capital Reserve Fund (current balance \$47,028). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents). **PASSED VOICE VOTE**

15. To see if the Town will vote to raise and appropriate the amount of One Dollar (\$1.00) to be placed in the Historical Society Building Capital Reserve Fund (current balance \$63,254). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents). **PASSED VOICE VOTE**

16. To see if the Town will vote to raise and appropriate the sum of One Dollar (\$1.00) to be placed in the Public Safety Building Capital Reserve Fund (current balance \$264,803). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents). **PASSED YES-161 NO-46**

17. To see if the Town will vote to raise and appropriate the sum of One Dollar (\$1.00) to be placed in the Emergency Preparedness Expendable Trust Fund (current balance \$64,965). This is a

special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents). **PASSED VOICE VOTE**

18. To see if the Town will vote to raise and appropriate the amount of Ten Thousand (\$10,000) to be placed in the Municipal Computer and Equipment Expendable Trust Fund (current balance \$35,535). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 2 ½ cents per \$1000 of assessed valuation). **PASSED VOICE VOTE**
19. To see if the Town will vote to raise and appropriate the amount of Sixteen Thousand Dollars (\$16,000) to be placed in the Milfoil Treatment Expendable Trust Fund (current balance \$24,201). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 3 ½ cents per \$1000 of assessed valuation). **PASSED VOICE VOTE**
20. To see if the Town will vote to raise and appropriate the amount of Four Thousand Dollars (\$4,000) to be placed in the Library Computer Expendable Trust Fund (current balance \$397). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 01 cent per \$1000 of assessed valuation). **PASSED VOICE VOTE**
21. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be placed in the Cistern Construction and Maintenance Fund (current balance \$13,647). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-1). (Recommended by Budget Committee 8-0). (Tax rate impact: 2 ½ cents per \$1000 of assessed valuation). **PASSED VOICE VOTE**
22. To see if the Town will vote in favor of the establishment of an additional \$5.00 motor vehicle registrations fee collected from all vehicles, both passenger and commercial, with the exception of all-terrain vehicles, antique motor vehicles and motorcycles, for the purpose of supporting a Municipal and Transportation Improvement Fund and to establish a Municipal and Transportation Improvement Capital Reserve Fund, under the provisions of RSA 261:153, VI for the purpose of funding wholly or in part, improvements to roads and culverts, including engineering and right-of-way acquisition costs. Further, to name the Selectmen as agents to expend from said fund. Said additional fee to begin on April 2, 2018. (Recommend by Selectmen 4-1). (No tax impact). **FAILED VOICE VOTE**
23. To see if the Town will vote to establish a Police Vehicle revolving fund pursuant to RSA 31:95-h, for the purpose of purchasing new or used police vehicles and/or the repair of existing police vehicles as needed. All revenues received for police vehicles from the cruiser fee charged to outside agencies when doing police details will be deposited into the fund and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the town's general fund balance. And further to raise and appropriate the sum of Twenty Two Thousand Dollars (\$22,000) to be added to this revolving fund with said funds to come from the unassigned fund balance. The town treasurer shall have custody of all moneys in the fund and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which

the fund was created. (The \$22,000 in funds represent the revenue collected from the police special details in 2017). (Recommended by Selectmen 5-0) (Not Recommended by Budget Committee 6-2). (No tax impact). **PASSED WITH AMENDMENTS, VOICE VOTE**

24. To see if the Town will vote to raise and appropriate the amount of Twelve Thousand Nine Hundred Fifty Dollars (\$12,950) for the purpose of creating the position of a part-time Parks & Recreation Department Coordinator who would report to the Board of Selectmen. This amount includes salary and all associated costs for a partial year beginning April 2018 and if approved, will become part of the next year's operating budget. This is a special warrant article by petition per RSA 32:3, VI (a). (Not Recommended by Selectmen 5-0) (Not Recommended by Budget Committee 8-0). (Tax rate impact: 03 cents per \$1,000 of assessed valuation).

**PASSED WITH AMENDMENTS, YES-120 NO-83**

25. To see if the Town will vote to allow the operation of keno games within the town. Submitted by petition. (Not Recommended by Selectmen 5-0). **PASSED VOICE VOTE**

26. To see if the Town will vote to approve the annual Lease Agreement between the Town and Butler Bus Company for the purpose of leasing the town-owned land on South Barnstead Road to Butler Bus Company to allow the parking of Butler's school buses. Butler Bus pays property taxes on that portion of the property that is used. (Recommended by Selectmen 5-0).

**PASSED VOICE VOTE**

27. To see if the municipality will vote to raise and appropriate the Budget Committee's recommended sum of \$4,054,588 for general municipal operations. The Selectmen's recommended sum is \$4,068,639. This article does not include appropriations by special warrant articles and other appropriations voted separately. **PASSED VOICE VOTE**

**FINAL AMENDED BUDGET \$4,054,588**

28. To transact any other business that may legally come before this meeting.

We hereby certify that we gave notice to the inhabitants within named, to meet at time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named, and a like attested copy at Barnstead Parade Post Office, Ctr. Barnstead Post Office, Barnstead Town Hall and Barnstead Elementary School being a public place in said Town, on the 21<sup>st</sup> day of February, 2018.

**A true copy of Warrant – Attest:**
