REPORT OF LIBRARIAN

Feb. 1, 1931 to Feb. 1, 1932

One hundred and sixty books have been added to the shelves the past year.

The circulation has increased due to book reports and lack of work.

Miss Annable, the state librarian of Concord, N. H., visited our library in August, and was very much pleased with the selection of books we had, especially the non-fiction.

Gifts of books received from Miss Hanscom and Mr. George Peabody are appreciated by the librarian and trustees.

The borrowers have been more careful in returning books on time and so have received less fines.

Books taken out the past year as follows:

Juvenile,	1,825
Fines received,	\$6 35

There have been during the past year from Feb. 1, 1931 to Feb. 1, 1932, four general alarms and twenty still alarms. The general alarms were as follows:

1. Victor Rantilla, house, May 7
 Inside of ell part of house damaged. Loss about \$100.00. Probably caused by spontaneous combustion.
2. Mike Stone, bath house, May 17
 Cause unknown. Total loss before any possible aid could be given.
3. Platts Box Shop, barn, October 23
 Frame structure gutted. Burned roof off brick part. Cause unknown. Fire had tremendous start before discovered. Excellent work done by the department in preventing a more disastrous fire. One fireward hurt.
4. Fred Frazier, house, October 30
 Total loss before aid could be called. Probably caused by tramps. House had been unoccupied.

Our records show twenty chimney fires. This is a much better record than last year and we appreciate the co-operation the citizens have given us in taking care of their chimneys and helping reduce the number of fires from this cause. REPORT OF SUPERINTENDENT OF SCHOOLS

To the Troy School Board :

I submit herewith my fourteenth annual report as Superintendent of Schools, this being the thirty-second in the series under union supervision.

The enrollment of the Troy schools for the fall term of 1931 was 247, the smallest for many years. The high school enrollment shows an increase over last year, being 39 this year where it was 37 last year.

The table submitted below may be of interest in showing the enrollment of the high school, elementary grades, and total registration for all schools since 1920.

School year	Grades IX-X	Elementary Grades	Total
1920-21	13	319	332
1921-22	20	317	337
1922-23	24	296	320
1923-24	23	324	347
1924-25	27	319	346
1925-26	39	316	355
1926-27	36	319	355
1927-28	37	299	336
1928-29	38	280	318
1929-30	35	259	294
1930-31	37	235	272
1931-32 (Fall term)	39	208	247

This table shows that the high school grades enroll three times as many pupils as the same grades did in 1920-21, although the total enrollment is eighty-five less than that year.

The total registration for all schools reached its highest point in the two years 1925-26 and 1926-27, of 355, but since 1927 there has been a steady decrease.

Two changes in the teaching force occurred at the opening of the present school year. Miss Charlotte Woodbury gave up her position as teacher of the sixth grade in the primary building to return to New York where she had previously taught, and Miss Runnells was released from her position in the fifth grade as she was married during the summer vacation.

Miss Hope M. Rosell of Concord, a graduate of the three year course at Keene Normal school was chosen to succeed Miss Woodbury, and Miss Esther M. Boyden of Troy, also a Keene graduate, with two years of teaching experience was selected for the fifth grade.

Miss Harris has been carrying on her work as school nurse in a very satisfactory manner. The pupils in all the schools are having the benefit of effective follow-up work.

I feel that Troy is fortunate in being able to retain Mrs. Whitcomb as supervisor of music. The work in this department is of lasting benefit, and is thoroughly appreciated by practically all the pupils.

Teacher changes in Troy have been few during the past several years, and I think the public is sometimes inclined to forget the sustained and loyal work done by these teachers in our schools year after year. Perhaps more frequent visits on the part of the parents would give them a clearer idea of just what this work means.

In making up your school budget for the next school year I realize that the school board has given careful consideration to the financial situation existing at the present time, and have tried to lower the amount that the tax payers must raise without reducing the efficiency of the schools, and without losing any of the State aid to which the school district is entitled.

Troy has been able, since State aid was first available in its present form in 1919, to secure a considerable amount each year because the school district has been able to meet the conditions under which State aid is granted. Since 1921 the maximum allotment to any school district has been \$6,000. The following table shows the amount which Troy School District has received since 1919.

School Year	Amount of State Aid
1919-20	\$4,698 00
1920-21	6,088 91
1921-22	5,916 08
1922-23	6,000 00
1923-24	4,879 69
1924-25	4,966 06
1925-26	5,891 97
1926-27	4,642 17
1927-28	6,000 00
1928-29	5,193 56
1929-30	4,508 43
1930-31	4,368 85
1931-32	4,102 98
	\$67,256 70

The amounts shown above for the past thirteen years might easily have been considerably less if the school had been less carefully administered.

The important question that has been considered in making the budget for the coming year has been how to reduce the total amount to be raised by taxation in Troy without losing State aid which the school district should have.

During the present school year Troy, with the other towns in the 28th supervisory union, has arranged to have the schools in session a full school year of 180 school days. The effect of this ruling is that our teachers will teach thirty-seven weeks

at the same salary for which they formerly taught thirty-six weeks. This, together with the smaller salary paid the two new teachers has already reduced the monthly pay-roll over \$104.00 as shown in the statistical table.

At this time I desire to thank the school board, teachers, pupils, and all interested parents and citizens for their co-operation during the past year.

Very truly yours,

LEWIS S. RECORD,

Superintendent of Schools.

East Jaffrey, N. H., February 2, 1932.
