2018 Annual Report

Remember, Celebrate, Imagine

July 5, 1869—July 5, 2019

Railroad crew at Gardner's Grove. Originally known as Sawyer's Cove, the town's rechristening celebration was held here on July 5, 1869.

View of the north end of the Village showing South Church, Hall's store and the Reuben Hoyt residence. The remains of the old store building which burned around 1890 are seen in the right foreground. It was in the hall over this store that the 1859 and 1869 town meetings were held.

Thank you.....woof woof!

We would like to take the opportunity to spotlight two Belmont businesses who have given generously to the care and feeding of our canine Officer. As most of you know, Vito, joined the force in 2014, and has worked and lived with his handler, Sergeant Evan Boulanger since that time. Vito is specially trained for Drug Detection, Search and Rescue and Criminal Apprehension. Veterinarian Dr. Brian Tierney and Osborne's Agway, have provided Vito's medical care and food since he joined our department. We cannot thank them enough for their generosity.

TOWN OF BELMONT VOTER'S GUIDE

Guide to the Second Session of the 2019
Town Meeting

Tuesday, March 12, 2019,
7 am to 7 pm, Belmont High School
Gym

Dear Belmont Residents:

This year marks the Town of Belmont's 11th experience with the Official Ballot Voting process that is commonly known as "SB2". The first session of the annual Town Meeting was held on Saturday, February 2nd. At the Deliberative Session, the voters in attendance were presented with the articles on the warrant as proposed by the Board of Selectmen and the Budget Committee. Each of the articles was discussed and only one article was amended by those present. All other articles will remain in their original format and will be placed on the official ballot. You may cast your ballot on Tuesday, March 12, 2019 from 7 am to 7 pm in the Belmont High School Gym, 265 Seavey Road. All registered voters are eligible to participate in the process. A picture ID is required to vote. Unregistered voters may register at the polls with proof of residency and picture ID.

We realize that sometimes lengthy legal language required by law to write various warrant articles can be confusing to voters who have not been actively involved in the debate that created the article. To help voters, we have prepared the ensuing Voter's Guide for your use. This guide will be available at Town Hall and online via the Town's website (www.belmontnh.org) Should you have any questions, regarding the information contained in the guide, please do not hesitate to contact the Town Administrator Jeanne Beaudin (267-8300, ext. 124) for further information.

Tax impact information listed in the guide will not be listed on the ballot. We have provided this information here to give voters an idea of what the individual items will cost if voters approve the item. The tax impact information listed in the voter's guide is simply an estimate based on a current snapshot in time using information and revenue projections that are available today including total assessed value prior to the completion of the Revaluation. However, the actual tax rate will not be set by the NH Department of Revenue Administration (NHDRA) until September or October, using actual information that is available then including new assessed values established in 2019.

In closing, we would like to "Thank you" for the opportunity to represent you, and we appreciate your consideration as we work together to maintain Belmont as a great community in which to live.

Sincerely,

Belmont Board of Selectmen
Ruth P. Mooney, Chairman
Jon Pike, Vice Chairman
Claude B. Patten, Jr., Selectman

Mark Mastenbrook

Town Clerk/Tax Collector, three-year term (vote for one):

Cynthia De Roy

Treasurer, three-year term (vote for one):

Alicia Segalini

Ballot Question #2:

To see if the Town will vote to raise and appropriate the sum of Three Million One Hundred Thousand Dollars (\$3,100,000) for the purpose of construction of an Iron and Manganese Treatment Facility including engineering costs, acquisition of land or interests in land and all other costs reasonably associated with this project. This appropriation is to be funded by a grant in the amount of One Million Five Hundred Thousand Dollars (\$1,500,000) from the Drinking Water and Groundwater Trust Fund, and further to authorize the issuance of a bond or note in the amount of up to One Million Six Hundred Thousand Dollars (\$1,600,000) from the Drinking Water and Groundwater Trust Fund in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. Future bond payments are anticipated to be funded through Water User Fees and Taxation by inclusion in the budget. **(3/5 Ballot Vote Required)** (The Budget Committee recommends **\$3,100,000** and the Board of Selectmen support this recommendation.)

The proposed water treatment plant was recommended in an engineering study dated April 2018. Alternatives of new sources were considered as part of the study so the most cost-effective solution could be identified. New sources were anticipated to require Iron and Manganese treatment so it was more cost effective to treat the existing sources since the new sources would require significant infrastructure for transmission. In addition to the treatment facility, there will be improvements to Well #1, which is aged and in need of repair. New energy efficient motors and VFD's will be installed and the building will be improved for better insulating value.

As discussed at the Deliberative Session, there are options for the future repayment of the debt associated with this article. They include the 3 options in the chart below:

Water Users	Water Users & Tax Base	Tax Base
\$4.77 per 1,000 gallons	\$4.07 per 1,000 gallons	\$.18 cents per \$1,000
Plus \$62.48 per quarter	Plus \$63.24 per quarter	Of assessed value or
Average bill \$441 Per. yr.	Average bill \$376 Per. Yr. +	\$36 annually on a \$200,000 home
	.09 Cents per \$1,000 Of assessed value or \$18 annually on a \$200,000 home	

The article must pass by a 3/5 vote, if it fails, the town will lose the grant funding and low interest loan for this coming year, and we would have to reapply for funding; there are no guarantees that future funding will be as generous to the Town.

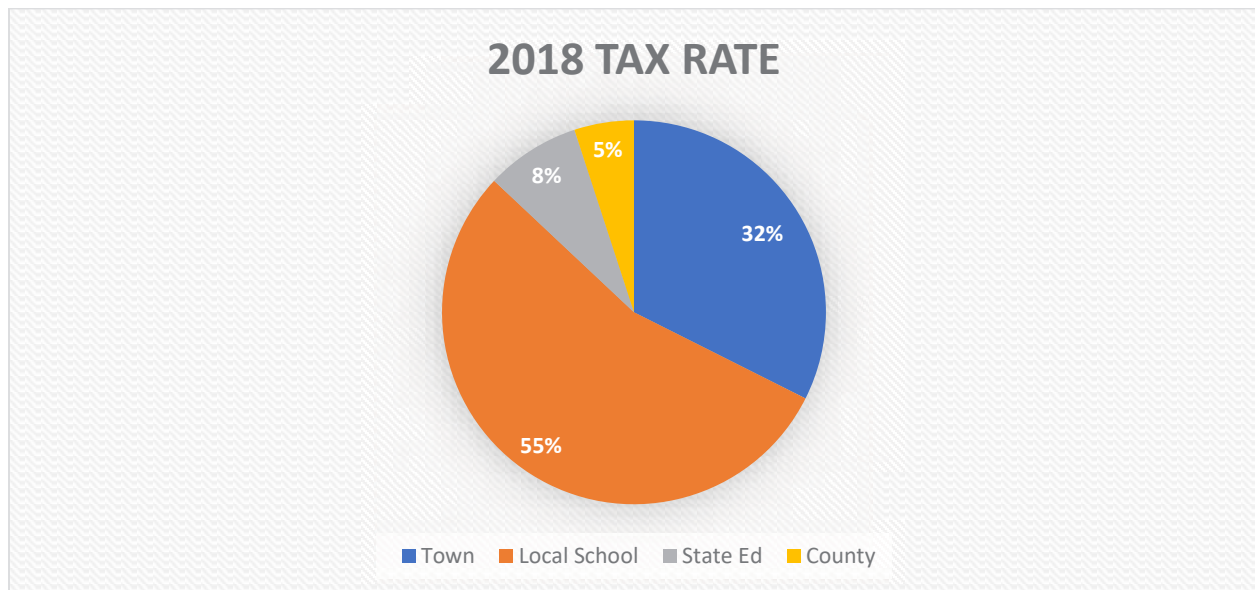

2019 Tax and/or Water Fee Impact: \$0.00

Ballot Question #3:

To see if the Town will vote to rescind the following bond authorizations approved but not issued, March 11, 2014 Town-wide Water Meter Replacement Project, \$76,145.46. A 3/5 majority vote is required. (The Budget Committee and Board of Selectmen recommend this article.)

The purpose of this article is to clear unissued bond authorization from the Town's Balance Sheet. The amount borrowed was less than estimated due to lower project costs.

2019 Tax Impact: \$0.00

Ballot Question #4:

To see if the Town will vote to amend the vote taken on Article 7 at the 1999 Annual Meeting to restrict all revenues from ambulance billings to be deposited in the Special Revenue fund known as the Fire/Ambulance Equipment and Apparatus Fund to instead restrict all but the first \$131,000 of revenues from ambulance billings received during the 2019 budgetary year to be deposited in the Special Revenue fund known as the Fire/Ambulance Equipment and Apparatus Fund. The first \$131,000 of revenues from ambulance billings will be deposited in the Town's General Fund to defray the cost items identified below. This restriction shall only be effective for the 2019 budgetary year **(A 2/3 Ballot Vote Required)**.

Training Expenses	\$3,000
Medical & Supply Expenses	\$28,000
Ambulance Billing Fees	\$25,000
Overtime	\$40,000
Telephone	\$2,000
Conferences & Dues	\$1,000
Office Expense	\$12,000
Vehicle Repair & Parts	\$8,000
Fuel	\$12,000

In 2011 the Town began authorizing a portion of the revenues received from ambulance billing to offset the expenditures directly related to the Fire Department and operation of the Ambulance. Revenues accumulated from billings through December 31, 2018; \$671,103.78.

2019 Tax Impact: \$0.00

Ballot Question #5:

To see if the Town will vote to raise and appropriate the sum of Four Hundred Thousand Dollars (\$400,000) for the cost of an Ambulance for the Fire Department and further to fund this appropriation by authorizing the withdrawal of Four Hundred Thousand dollars (\$400,000) from the Fire/Ambulance Equipment and Apparatus Special Revenue Fund previously established in accordance with RSA 31:95, c. (Majority ballot vote required.) (The Board of Selectmen recommends **\$400,000** and the Budget Committee supports this recommendation.)

The Belmont Fire Department would like to replace a 2008 GMC 4500 with a Horton (Box) Patient compartment area with a new ambulance. With the increased call volume, and more patients being transported to Concord Hospital for treatment, our current ambulance has had a lot of use. The reliability of our ambulance is becoming a problem, as more maintenance is required more frequently, in efforts to resolve problems that keep arising with it. A new ambulance, with a warranty, would be more reliable and provide a better service for the patients we serve in the Town of Belmont, and the surrounding towns. In replacing the ambulance, Belmont Fire would also be updating the equipment on the ambulance to keep up with the standard of care and technology. Some of the updated equipment would consist of a Zoll X Series cardiac monitor/defibrillator, a Stryker Power Cot with Self Loading, a Lucas Autopulse chest compression device, and auto extrication tools such as a cutter and spreader/cutter.

2019 Tax Impact: \$0.00

Ballot Question #6:

To see if the Town will vote to raise and appropriate the sum of Sixty-Two Thousand One Hundred Seventeen Dollars (\$62,117) for the fourth year's payment on the long term lease/purchase agreement entered into in 2016 for the purchase of a new pumper truck for the Fire Department, and to fund this appropriation by authorizing the withdrawal of said amount from the Fire/Ambulance Equipment and Apparatus Special Revenue Fund previously established in accordance with RSA 31:95, c (Created 1994/Amended 1999). **The Town is obligated by the terms of the lease/purchase agreement, as well as the super majority ratifying that agreement in Article 4 at the 2016 Town Meeting, to make these yearly payments.** (The Budget Committee recommends **\$62,117** and the Board of Selectmen supports this recommendation.)

2019 Tax Impact: \$0.00

Ballot Question #7:

Ballot Question #8:

To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the deliberative session, for the purposes set forth herein, totaling Seven Million Six Hundred Ninety-Six Thousand Four Hundred Fifty-Six Dollars (\$7,696,456)? Should this article be defeated, the default budget shall be Seven Million Six Hundred Twenty-Two Thousand Six Hundred Seventy-Eight Dollars (\$7,622,678) which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13 X and XVI, to take up the issue of a revised operating budget only.

Note: This warrant article (operating budget) does not include appropriations in ANY other warrant article.

(The Budget Committee recommends **\$7,696,456** and the Board of Selectmen recommend \$7,694,456.)

Ballot Question #21:

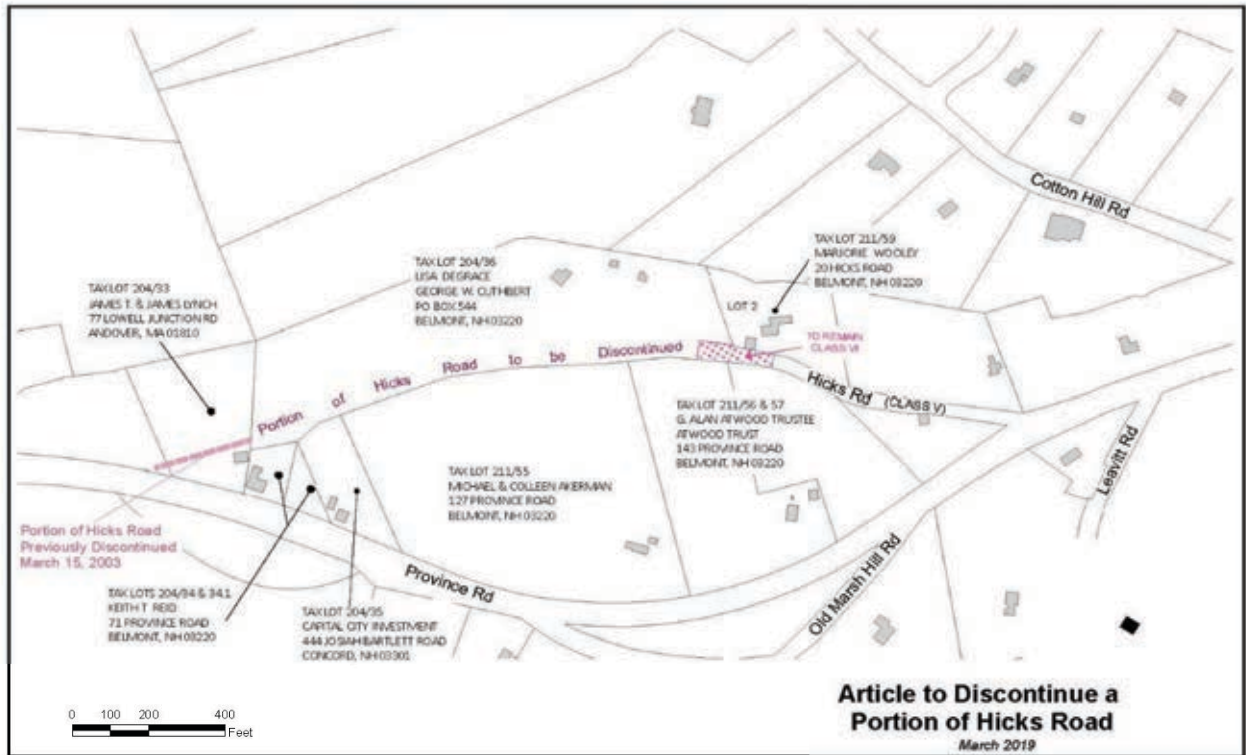

To see if the Town will vote to discontinue completely a portion of Hicks Road, so-called, formerly known as Old Province Road. The portion to be discontinued, currently a part of a Class VI public highway, is described as follows:

Beginning at a point at the centerline of Hicks Road, so-called, 90' northwesterly of an iron pipe at the northwesterly corner of Lot 2, now or formerly owned by Marjorie Wooley, as depicted on a Subdivision of Land owned by Robert P. & Shirley Coyne, Marsh Hill, Belmont, New Hampshire, by Ronald M. Mitchell Associates, dated March 11, 1977, and recorded at the Belknap County Registry of Deeds in Plan Book 62 Plan 21, said point near the existing gate;

Thence running along the centerline of said Hicks Road in a generally northwesterly direction, 1230' ± to a point on the property line of land now or formerly of James T. Lynch and James Lynch at the end of said Hicks Road as it was discontinued by vote of Town Meeting, March 15, 2003 (Article 24).

This article was amended at the Deliberative Session and the amended language is included above. Below is a map of the proposed discontinuance.

BALLOT QUESTIONS

Ballot #2. To see if the Town will vote to raise and appropriate the sum of Three Million One Hundred Thousand Dollars (\$3,100,000) for the purpose of construction of an Iron and Manganese Treatment Facility including engineering costs, acquisition of land or interests in land and all other costs reasonably associated with this project. This appropriation is to be funded by a grant in the amount of One Million Five Hundred Thousand Dollars (\$1,500,000) from the Drinking Water and Groundwater Trust Fund, and further to authorize the issuance of a bond or note in the amount of up to One Million Six Hundred Thousand Dollars (\$1,600,000) from the Drinking-Water and Groundwater Trust Fund in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. Future bond payments are anticipated to be funded through Water User Fees and Taxation by inclusion in the budget. **(3/5 Ballot Vote Required)**

(The Budget Committee recommends \$3,100,000 and the Board of Selectmen support this recommendation.)

Belknap Range Conservation Coalition

**Belknap Range
Conservation Coalition**

2018 Annual Report (October 2017 to October 2018)

The Belknap Range Conservation Coalition (BRCC) is a non-profit organization whose mission is to promote the conservation of open space, responsible stewardship, and low impact public enjoyment of scenic, natural, recreational and historical resources of the Belknap Mountain Range. Participating members include individuals/conservation commission members from the project area towns of Alton, Belmont, Gilford and Gilmanton as well as dedicated individuals who share an avid interest in the many resources that the Belknap Range provides. Conservation organizations with participating members include: UNH Cooperative Extension; Society for the Protection of NH Forests; Lakes Region Conservation Trust; Belknap County Sportsmen's Association; Belknap Range Trail Tenders (BRATTS); Gilmanton Land Trust; New England Forestry Foundation and the Belknap County Conservation District. The town of Barnstead has also supported the BRCC with a membership.

Along with working to protect the largely unfragmented natural landscape that makes up the Belknap Mountain Range, the BRCC also educates the public about the significance of the resources of the Belknap Mountain Range; develops, promotes, and implements methods and strategies for ensuring the long-term protection and responsible stewardship of these resources; and promotes opportunities for low impact public enjoyment and recreation. The BRCC strives to facilitate cooperation and communication among conservation organizations, municipalities, other governmental entities and area landowners, and helps coalition members secure funding, technical assistance and other resources for carrying out programs in support of this mission.

During the year, the Directors met monthly at the Gilman Museum in Alton. The monthly meetings offer important opportunities for members to share information about parcels within the focus area. At these meetings we focused on sharing information on parcels of land that may be available for conservation in the Belknaps. We are monitoring several such parcels and are supporting contacts with landowners who might be willing to participate in a land conservation project. At the annual meeting in October 2018, the current officers, Chairperson-Russ Wilder, Vice-Chairperson-Bruce Jacobs, Secretary-Lisa Morin and Treasurer-Nanci Mitchell, were reappointed.

On April 22nd – Earth Day - BRCC members along with volunteers from the Society for the Protection of New Hampshire Forests (SPNHF), helped to clean up the trails on Mount Major. An information table was set up to inform hikers of conservation organizations' work to conserve and steward land in the Belknaps. These organizations included member organizations of BRCC - SPNHF; Lakes Region Conservation Trust (LRCT); Belknap County Sportsmen's Association; Belknap Range Trail Tenders (BRATTS); and the New England Forestry Foundation (NEFF).

On August 25th, BRCC, along with LRCT, conducted a 5-mile hike on Piper and Belknap Mountains. Russ Wilder, BRCC Chairperson and LRCT Trustee, lead 13 participants on this moderate/strenuous hike and shared his knowledge of the historic and natural heritage of this area. We were joined by BRCC member Matt Tarr, PhD, Associate Extension Professor-Wildlife Specialist UNH Cooperative Extension Service. Matt helped us understand the ecology of the forest types we were hiking through and identified plants along the way.

Other activities/items of interest include:

- Don Hughes continued as Webmaster to maintain the website (belknaprange.org) and has been doing a great job.
- Assisted with Stewardship issues and working with the BRATTS who have volunteered time to work on trail rebuilding and maintenance.

Belknap Range Conservation Coalition

- Supported the Forest Society at the Annual Earth Day event in April and assisted with the Society's Mount Major Outdoor Classroom (MMOC) for elementary and middle school students.

Fourth Graders and Chaperones from Little Harbor Middle School, Portsmouth, enjoy lunch on the top of Mount Major as part of SPNHF's Mount Major Outdoor Classroom on October 5, 2018

BRCC continues to monitor management activities on the newly acquired parcels and we continue to pursue additional conservation possibilities in the Belknap Range. Columbus Day weekend was again extremely busy this year. Mount Major continues to be one of the most hiked mountains in New Hampshire. BRCC, in conjunction with the Forest Society and LRCT, is helping to implement a management plan that will improve the outdoor experience on the acquired parcels and to address impacts to the trail system that has seen so much heavy use over all these years.

For more information on the BRCC, please contact the Belknap Range Conservation Coalition at PO Box 151, Gilmanton IW, NH 03837 or email us at info@belknaprange.org.

Belmont Conservation Report

For the first time in many years, the Commission is complete with all vacancies filled, including full and alternate members. We were sorry to say goodbye to Ken Knowlton after faithfully serving on the Commission for nearly 20 years, and to Ben Crawford who has moved to another town. Lynne Lowd is now a full member and we welcomed 3 new alternate members: Bobbie Jean Bennett, Michelle Youtsey-Dunn and Terry Threlfall, Jr.

The highlight of 2018 was the wildlife planting, and plaque dedication for Peter Pierce at the Sanborn Farm conservation property last June. Conservation members, along with family members, as well as Rick Ball, Belmont's Land Use Technician, installed over 70 wildlife plantings. Blueberries, wild grapes, hazelnut, and wild roses were among the plants chosen for their wildlife, and human value. At last check, over half of the plantings have survived despite some interesting weather challenges. Following the planting, with Peter's family members present, a plaque affixed to a large boulder on the top of the knoll in the field was dedicated to Peter Pierce. Two White oaks were planted to flank the memorial for shade and hard mast. Peter was a devoted outdoorsman, and was instrumental in the upkeep and maintenance of the field on the property.

The Commission sponsored 2 Belmont high school students, Mercede McIntyre, and Rebecca Camire, to attend the "Saving Special Places" conference last April in Alton. The students found the experience to be beneficial in increasing their knowledge regarding environmental topics. The Commission will sponsor 2 more Belmont High School students for this year's conference.

Our community outreach project was hosting a program "Climate Change in NH: Connecting the Dots", presented by Sherry Godlewski from NH DES. Sherry did a great presentation, combined with humor, factual studies, and an excellent visual presentation. She discussed how New Hampshire can meet the challenges of a changing climate. Topics such as food crop and property impacts, costs associated with weather disasters, effects on wildlife and human health, ongoing studies, and simple steps that can be taken to mitigate these changes, were covered in a very informative hour. The Conservation Commission extends its thanks to Ken Knowlton, Woody Fogg, Ron Mitchell, Leslie E. Roberts LLC, Belmont Rotary and American Legion for their extensive work on the installation of the second covered bridge on the Village Rail Spur Trail. The pleasant, flat, 2mile trail begins on Depot Street, behind the mill and follows portions of the Tioga River, woods, and wetlands. Through a cooperative effort with the Corliss Farm specially designed gates were installed to ensure trail access for humans while allowing cattle to cross the trail from pasture to pasture.

The red pine scale harvest in the Town Forest has been on hold due to uncooperative weather. In preparation for the heavy equipment, ledge pack has been installed on the shared road/driveway at the upper entrance on Wildlife Blvd. The insect infestation can only be dealt

with by harvesting the trees. Danger from falling limbs due to rotting, along with enabling transmission of the insect to other healthy trees makes the timber harvest essential for safety, and protection of our natural resource, not to mention that there is some value in the timber.

Conservation member, Lynne Lowd, continues to be active with the Winnisquam Watershed Network's (WWN) Volunteer Lake Assessment program. The WWN is a non-profit organization that addresses a variety of water quality issues: cyanobacteria, milfoil, road salting, analysis, wetlands, lake ecology, and aquatic species. During the summer of 2018, 605 gallons of milfoil were hand harvested by specially trained divers from Belmont's Winnisquam waters. Silver Lake is another Belmont water body that has been affected by invasive milfoil growth. Alternate member, Terry Threlfall, is the president of the Silver Lake Association, and that association has recently joined the WWN. This partnership will provide supportive methods to ensure that Belmont's water bodies remain as thriving and healthy ecosystems.

Last year's Jeff Marden memorial scholarship was awarded to Joe Boles. He is attending graduate school and majoring in recreation therapy. Congratulations to Joe! The Commission will present its annual scholarship again in 2019. The scholarship is awarded to Belmont students who are pursuing a degree related to the environmental studies.

Ongoing projects such as blazing trails, removal of invasive species, monitoring conserved properties and updating stewardship plans are part of our mission to ensure that Belmont residents have access to natural lands for their enjoyment today and for the future. We thank our community for their continued support!

Peter Pierce Memorial Dedication

American Legion Charles Kilborn Post #58 2018 Annual Report

Our Post continues its long history of supporting our town. We donate hundreds of dollars annually to local food pantries, provide college textbook grants (similar to scholarships) and other awards to graduating Belmont High School seniors, support the local Boy Scout and Girl Scout Troops, place flags on all veterans' graves in town, organize and fund the Memorial Day parade and speaker, have provided the granite memorial bench at Penstock Park and two benches in front of the library, and worked to install two covered bridges across the Tioga River behind the Belmont Mill and behind Great Brook Village as part of the Village Rail Spur Trail, among our other contributions.

This year has seen more of the same. We continue to donate \$500 apiece to the Belmont Baptist Church Food Pantry and to the St. Joseph's Church Food Pantry and to award \$350 college textbook grants to two deserving Belmont High School graduating seniors, as well as Good Sportsmanship Trophies to two outstanding students. We sponsored an outstanding BHS Junior to attend Boys State to learn by doing how Federal, state and local governments work. Our Post hosts an Oratorical Contest at BHS, with the winner going on to the District contest and possibly to the State contest. Contestants must speak on particular parts of the US Constitution, demonstrating a solid understanding of this most important document. We also provide speakers when asked for the Veterans Day programs at both Belmont High School and the Middle School.

Once again, our Post organized the Memorial Day parade and ceremonies and donated to the Belmont High School Band, the Fire and Police Relief Associations, the Scout Troops and several other participants in thanks for their support. Thanks to Tony Brown for again providing the PA system. We also provide an ice cream cone to any child who attends the parade. The Post also keeps the flags at the Veterans Memorial, the Library and our schools in good condition, replacing them when needed.

As we do every year, our Post replaced the American flags at all veterans' graves at all the cemeteries throughout Belmont. The Girl Scouts and Boy Scouts are invited to help us with this sacred duty. We hope it instills in them a better understanding of the importance of the sacrifices made to preserve our freedoms.

This year, we were again able to purchase two cases of the famous Girl Scout cookies our Belmont Girl Scout units sell and arranged to hand them out to troops traveling through Pease Air National Guard Base as they deployed overseas. The troops love Girl Scout cookies and enjoy getting them.

We also made our usual \$200 donation to the NH Veterans Home Residents Benefit Fund to help ensure every veteran living there got some Christmas gifts. We also visit some veterans who are medically confined to their homes, bringing a little cheer and companionship to them. When the Town of Belmont hosted a Windham Swing Band concert at Belmont High School in December, we picked up some veterans from the NH Veterans Home to join us at the concert and share with us the dessert variety bar put on by Gretta Olson-Wilder and crew during the concert. The vets thoroughly enjoyed the music and talked about how much they liked being invited. We will continue to invite them to future concerts.

The Post holds a flag retirement ceremony on Flag Day in June of each year. Worn out flags may be dropped off at the Belmont Fire Department any time during the year. The blue fields with stars are saved and given to the Pease Greeters who greet every single flight of service men and women

deploying overseas or returning through Pease Air National Guard Base and Tradeport. The greeters cut out the individual stars, sew borders around them and then present one to each service member traveling through Pease. Our Post also supported the Pease Greeters with a \$500 donation and many of our members have gone to Pease together to join in greeting a number of flights. We invite any Belmont resident to join us on these trips.

The Belmont Senior Center in the Mill allows us to meet there without charge, but we support them with a \$50 monthly donation anyway in thanks for the privilege. This helps out with some of the programs they put on and is especially beneficial now, in light of all the cutbacks in government spending which have severely impacted our Senior Center. They also invited us to join with them to share in a very nice Veterans Day brunch and country music session at the Senior Center, which we thoroughly enjoyed.

Members of our Legion Post were joined by Granite United Way Day of Caring volunteers for a service project on 12 September. Together, we cleared new growth and some dead trees from the riverbank on both sides of the Tioga River from the Rt. 140 bridge to the covered bridge installed three years ago. We also cleared some distance along the West side of the river downstream of the covered bridge. This opened more of the nice view of the river and covered bridge and uncovered another stone retaining wall and terrace no one knew was there.

In addition, on that Day of Caring, we got a whole busload of student United Way volunteers from The New Hampton School who worked with us for several hours in the rain clearing the new growth from the area opened up years ago between Penstock Park on Main Street and the Tioga River. This opens up another stretch of the river to view.

Thanks also to Belmont Public Works for sending over a chipper and crew to work with us to dispose of the large piles of brush and branches. That left the area all cleaned up and ready for the next phase of work. This project seemed like another opportunity to help the Belmont Revitalization Committee and the Town of Belmont to further the improvement of the downtown area.

For three weeks during January and February, Post members joined with Ron Mitchell (now also a member of the Post), Ken Knowlton and Mark Roberts and his sons Matt and Jeff to install the longer second section of covered bridge further down the river behind Great Brook Village. Now that this second bridge is complete, our town has two miles of beautiful trail with two river crossings winding through quiet wooded landscape along the Tioga River to South Road. This will eventually connect to Rt. 140 by the Coca Cola plant and then along Rt 140 to tie into the Lakes Region trail complex running from Meredith to Franklin.

This project would not have been possible without the commitment by Mark Roberts and his sons of their expertise, cranes and other equipment and the donation of much of their time. They were a real pleasure to work with and have given our town yet another project we can enjoy and be proud of.

Our Public Works crew also helped with this project all along. They 'brush hogged' the entire two-mile length of the trail, excavated the footings for the bridge abutments, hauled in gravel, placed ramps and stone retaining walls on both ends of the bridge, installed conduit for the lighting and graded

American Legion Charles Kilborn Post #58 2018 Annual Report

the path from the Tioga Pavilion by the Mill down to the first covered bridge. DPW Director Craig Clairmont also arranged for the paving of that path and the installation of the lighting.

Our Town Land Use Technician, Rick Ball, also played a significant role in this project, arranging for the fencing, signage and gates. He also helped with surveying, layout, grant preparation and many other things. Our Town Administrator, Jeanne Beaudin, secured the second recreation grant for this project and made many other arrangements. Rod Pearl & Sons was hired to install new cedar shingles on the bridge roof and did a nice job. Belmont Rotary Club also committed volunteers to help clean up the bridge site of old shingles, construction debris and brush after the bridge was completed and painted most of the siding on the bridge.

To summarize, we got a really neat project done at little to no cost to the taxpayers of Belmont through the efforts of many people all working together. All included, around 800 hours of volunteer labor was committed to this project. Post 58 was pleased and proud to be a part of that. It is what we are all about - "still serving".

This year, we have continued to be active supporters of the Pease Greeters, Camp Resilience for veterans, Veterans Count and Liberty House and have donated \$500 to each of these very worthwhile organizations. We have made numerous trips down to Pease Tradeport to join the Pease Greeters in meeting flights of deploying or returning service men and women. Any one is invited to join us for these trips. Just contact one of the officers listed below to find out the date and times of upcoming trips.

Among other fund-raising efforts, we embroidered the American flag and the words "These Colors Don't Run" on over one hundred T-shirts of varying sizes and colors. We sell these, along with commemorative dog tags, military themed bracelets, flag pins and poppies at our booth during Old Home Day. The Belknap Mall has also allowed us to set up a booth by the Shaw's Market during the periods around Memorial Day and Veterans Day, as has Wal-Mart in Tilton. On Old Home Day, we also raffled off tools generously donated by Lowe's and Home Depot, a \$500 auto discount from Young's Auto Sales, gift cards from The Wine'ing Butcher, Rusty's Towing and Service, Belmont Irving Station, The Tilton Diner, Brookside Pizza/The Tap, Rossi's Pizzeria and Fratello's, and a unique wooden lamp and shade hand-crafted by Post member Mo Gouin. The proceeds from all these fundraising activities go toward the many charitable and public service endeavors we undertake.

Post 58 is also active at the District level. Both District Vice Commanders, the Judge Advocate, the Service Officer and the immediate Past District Commander are members of our Post -- the highest level of participation of any of the Posts in our District.

In recognition of our Post's exceptional growth, high level of participation and the depth of our community service and involvement, we were awarded a National Post of Excellence Award by the Commander of the American Legion. Our Legion Post thanks the Town of Belmont for all the support and encouragement we receive and for the excellent working relationship we enjoy with our Fire, Police and Public Works Departments, with our schools and with the staff and the Board of Selectmen in Town Hall. All that makes what we do a real pleasure.

Post 58 welcomes new members. Any veteran receiving a property tax exemption is eligible to belong to The American Legion. The dates of service required are the same for both. We could certainly

use more members as there are a number of upcoming projects on which our Post would like to help our Town. Just show up at one of our meetings in the Belmont Senior Center, 2nd floor of the Mill, on the first Tuesday of each month at 7 PM. We will welcome you with open arms and take care of the rest of the process. We are hoping to see many more of our Belmont veterans in 2019.

The weather put a damper on some of the special events held throughout 2018. Cold temperatures prevailed for the 6th Lakes Region Leprechaun Leap held in March. Participants enjoyed the competition of the morning but didn't stick around long to socialize after the race due to a nice stiff wind blowing down by the Belmont Mill finish line. Thankfully, mid-May saw better weather, and we were able to hold another Community- Wide Yard Sale Day to help our residents purge some unwanted items from their homes.

The last few Memorial Day Weekends have not been that warm, so I hoped I would sneak out a better day for a new event toward the end of June. Mother Nature did not cooperate though for a unique Hobby/Demo Day! Line dancing instruction, fly tying, gardening, karate demonstration, balloon twisting, wool spinning, jigsaw puzzles, and more were available for visitor interaction. The Bail Jumpers band entertained with classic country music.

Finally, in late July, we had a wonderful summer evening to enjoy a performance by the B Street Bombers band. The pavilion was decorated with summer floats, paper lanterns, colorful pails and shovels, and other summer-themed items, and everyone enjoyed the free popcorn!

Throughout 2018, various civic groups and Town Hall Administration started assisting with planning special events for Belmont's 150th celebration in 2019. In October, we held an event to celebrate the fall season and to kickoff our special year. Selectmen Mooney opened the event with remarks to explain the separation of Belmont from the town of Gilmanton in 1869. Guests were encouraged to visit the 1st bridge installed over the Tioga River to learn more about the history of the area. The 2nd bridge was installed this past year, and the trail actually extends past that bridge on to South Road. It's a nice, peaceful trail for a walk or bicycle ride. Kids enjoyed the inflatable obstacle course, face painting, and hay pile. The game Corn Hole was a fun addition, as well as the free Apple Pie, Pumpkin, and Vanilla ice cream. A Scavenger Hunt was created for the special occasion, with copies available at Town Hall throughout 2019 so that individuals can take the challenge at their leisure. The band, Stolen Thunder, made up of some 'local boys' provided a wide variety of upbeat music for the afternoon.

To celebrate the holiday season, a performance by the Windham Swing Band was held at Belmont High School. Similar to my concerns all year, we had a stormy day for the event; however, it did not keep the crowd away. The music was so uplifting and full of holiday spirit, and the free trifle dessert bar was a big hit. Several guests also had their picture taken using the 150th celebration frame. Check out all of the fun pictures we've taken so far with the frame, and attend one of our upcoming events in 2019 to "get framed" <http://www.belmontnh.org/belmontanniversary.asp>.

It is so special that we are here to celebrate the milestone of 150 years (Sesquicentennial). I am hoping that residents get involved in the events scheduled throughout the year and learn more about the town's beginnings back in the mid-1800s. Events will be posted on the Town of Belmont's website as plans are finalized, so check back often.

If you have any questions or would like more information for the events planned for 2019, please contact me at 603-998-3525 or email me at events@belmontnh.org.

Belmont Heritage Commission **2018 Annual Report**

The *Belmont Heritage Commission* works to promote Belmont's historic and cultural resources through planning with individuals, businesses, town boards and other civic minded groups. We are eager to help restore and maintain Belmont's heritage from the past, for our present and for the future of the town.

We continue to be indebted to *Wallace Rhodes* who gave the town and the *Belmont Heritage Commission* so much before his passing. His dedication and knowledge of Belmont and its history is especially cherished as we celebrate Belmont's upcoming 150th year. We dedicated this year in his honor to continuing community involvement and educating all ages about the history and heritage of Belmont.

Vicki Donovan (chair) and Priscilla Annis (secretary) welcome new members: Claire Bickford, Jack Donovan, Diane Marden, and Sonny Patten Jr., (representing selectmen). This year the *Heritage Commission* began inviting a student representative to our meetings in order to involve the future generation to learn about the importance of knowing their towns heritage. This year we welcome Raine Wilkins, a junior at *Belmont High School* as our first representative.

Members: Priscilla Annis, Vicki Donovan

Sonny Patten and Jack Donovan

Commission Members Claire Bickford, Diane Marden, Vicki and Jack Donovan with Award Recipients Linda Frawley and Everett Weeks.

Community Heritage Awards were presented this year with the *Board of Selectmen*. It was a privilege to publicly thank two community members for longtime contributions to the Town. Recipient *Linda Frawley* received the Preservation Town History and Heritage Award, and *Everett Weeks* the Preservation and Agricultural Traditions Award. Respectfully, both honorees have given many many years of dedicated service to Belmont.

The Oxford English Dictionary defines 'heritage' as property that is or may be inherited; valued things such as historic buildings that have been passed down from previous generations; and relating to things of historic or cultural value that are worthy of preservation.

In November, the Heritage Commission began collaborating with the Historical Society to combine our efforts to highlight and celebrate the 150th. Since the words heritage and historic go hand in hand it is fitting that both groups are working together to celebrate 2019, a special year for Belmont.

A few highlights of our year include.....

- In May, a member of the Belmont Heritage Commission attended the Lakes Region Heritage Commissions' Meeting. The meeting, held in Center Harbor provided informative and resourceful information for Heritage Commissions from Ashland, Belmont, Brookfield, Center Harbor, Laconia, Moultonborough, New Hampton, Wakefield, and Wolfeboro.
- The Heritage Commission set up a booth during the Belmont High School Fall Craft Fair displaying information about Belmont and its history as well as to inform the community of the upcoming 150th celebration and scheduled events.
- The Heritage Commission is working toward assisting the Belmont Elementary School with their Artist in Residence project in conjunction with the 150th.

Our main goal for 2018 was to continue our efforts to reach out to the Belmont Community to document the town's history and heritage through photos, video, artifacts and written information especially as we enter the year of Belmont's Sesquicentennial.

We ask community members to contact us at events@belmontnh.org with any stories, photos or written documentation they may have. The photo below is from Everett Weeks of his family's farmhouse from 1919!

Maybe the old house you live in has a story to tell.

Belmont's Heritage is your heritage and we thank you for your support of the Commission.

Happy 150th,
Vicki A. Donovan

Belmont Old Home Day 2018

“Go the Distance”

50th Running of the Belmont 10-Mile Road Race

This summer's Old Home Day marked a special occasion. We celebrated the 50th running of the Belmont 10-Mile Road Race. What started out as a small road race decades ago has stood the test of time. Many runners that participated in the past (for some, several years), came back to help us celebrate this milestone. Winners for this year's big race were Matt Sawyer, Eliot ME (1:01:17) and Ariel French, Framingham MA (1:21:40). The 30th running of the Tioga Fun Run also had a nice showing of individuals and families.

Watching the weather forecast leading up to that Saturday, we were hoping to somehow dodge the rain showers expected to hit. We were not so lucky, and had to make adjustments for the planned activities. Despite the rain, vendors were plentiful and brought a wide variety of items for shoppers to browse. The pancake breakfast was well-attended and provided a wonderful gathering place for the early morning risers.

The Back 2 Back band played hits from the '70s up through the current decade from the bandstand. Crowds thinned out before the afternoon parade due to a rain shower that came along shortly before the parade kickoff. For those loyal parade-watchers though, it was a treat to have the Belmont High School Marching Band, Moulton's Band, and the NH State Police Association's Pipes and Drums providing a nice array of music.

Each year, the chicken barbecue inside the Fire Station truck bays serves as a wonderful backdrop for families and friends to enjoy the meal and share stories. It's a tradition that also goes back decades. The Old Home Day Committee is so appreciative for the many hands that it takes to continue this tradition.

Our day wrapped up with a lively performance by the Scott Spradling Band up on Bryant Field before another spectacular fireworks show. It's always satisfying to have out-of-town guests comment that "Belmont's fireworks are the best!" We agree.

Old Home Day 2019 will be part of the town's 150th anniversary celebration, so please make plans to participate in the day scheduled for Saturday, August 10.

Best Regards,

Belmont Old Home Day Committee

Parks & Recreation

The Town of Belmont Department of Parks and Recreation oversees Sargent Park, Leslie Roberts Town Beach and the Winni Trail, providing year round recreation opportunities. The recreation department has one full time director and several program coordinators that oversee individual programs as needed. We employ 16 seasonal staff at our town beach, park and summer camp. Our programs are offered at our recreation function room, Sargent Park, Shaker School District facilities and a number of offsite locations. Our partnership with area recreation offices allows us to offer more programs by pooling our instructors and cost.

This years programs, trips and partnerships:

- Gunstock Outreach Ski and Snowboard Program
- Cross Country Ski Lessons at Bolduc Park with Gilford and Laconia Recreation Departments
- Men's Basketball at Belmont Middle School
- Preschool Playgroup and Adventure Playgroup
- Celtics Game Boston, Gilford Recreation Department
- Strength and Stretch Classes for Adults
- Yoga Classes for Adults and Teens
- Boston Flower Show, Moultonborough Recreation Department
- Golf Lessons at Bolduc Park, Gilford and Laconia Recreation Departments
- Youth Tennis League, Gilford and Laconia Recreation Departments
- Basketball Travel Teams for 3rd and 4th graders
- Sailing Lessons, Gilford, Laconia, Meredith Recreation Depts. and Lake Winnepesaukee Sailing Assoc.
- Discounted Amusement Tickets to Area Attractions, New Hampshire Recreation & Park Association
- Challenger Soccer Camp at Bryant Field
- New England Aquarium and Museum of Fine Arts Trip, Moultonborough Recreation Department
- NH Fun Pass Books for Sale, New Hampshire Recreation and Park Association
- Co-Ed Youth Basketball Clinics
- Summer Camp at Belmont Middle School
- Swim Lessons at Leslie Roberts Town Beach
- Trunk or Treat, Belmont Rotary and First Baptist Church
- Belmont Night Out, Belmont Police and Fire Departments
- Soccer for 3-5 year olds at Bryant Field
- Boston Holiday Theatre and Shopping Trip
- Belmont Village Caroling, Cookies and Crafts, Belmont Elementary PTO

Belmont Parks and Recreation charges fees for our programs, the fees offset the cost of administering them and the equipment they require. Our programs have been very popular often filling to capacity with a wait-list. This year we were asked to offer a new event for Halloween, our first Trunk or Treat was a huge success and we've decided to make it an annual event. The event was held at the Belmont Tioga Pavilion on the Sunday prior to Halloween. Belmont Rotary gave out refreshments and the First Baptist Church assisted with donated pumpkins for our carving area. Children and adults dressed in costume paid visits to our many decorated vehicle trunks for treats. In addition to our evening ongoing yoga and strength classes we have added a Saturday morning yoga class which has been very popular with patrons.

In it's 13th year our summer camp was filled for all but one of the weeks. Our program was shortened to 6 weeks this year due to school ending later in June, running from July 2 to August 10. This year Courtney Knowles returned as the Camp Director with Alex Conway as our Assistant Camp Director. Courtney and Alex both started as Camp Counselors with the program before taking on director positions. We are fortunate to have their experience and expertise with our program. This summer we again added a few new counselors to our group of returning staff. Once again the feedback from campers and parents was very positive with most counting the days until camp starts! Please see the following page for photos from our summer camp and other programs this year.

Belmont Parks and Recreation is able to offer a number of programs due to the cooperation we receive from the Shaker Regional School District which is greatly appreciated. Thank you to all our employees and volunteers for their assistance with our programs and events. We are always interested in offering new programs to the community and appreciate your suggestions and assistance.

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Belmont, New Hampshire

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Belmont, New Hampshire (the Town), as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Belmont, New Hampshire, as of December 31, 2017, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, schedule of funding progress for other post-employment benefits, schedule of changes in the Town's proportionate share of the net pension liability, and schedule of Town contributions on pages i-viii and 36-41 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Belmont, New Hampshire's basic financial statements. The combining nonmajor governmental fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining nonmajor governmental fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining nonmajor governmental fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

TOWN OF BELMONT, NEW HAMPSHIRE MANAGEMENT'S DISCUSSION AND ANALYSIS Year Ending December 31, 2017

Presented herewith, please find the Management Discussion and Analysis Report for the Town of Belmont, New Hampshire for the year ended December 31, 2017. The responsibility for accuracy of the data, the completeness and fairness of this documentation (including all disclosures) rests with management. To the best of our knowledge and belief, the data contained herein is accurate in all material aspects. This report and its content have been designed to fairly present the Town's financial position, including the results of operations of all the funds of the Town. All the disclosures necessary to enable and to assist the reader in acquiring an accurate understanding of the Town's financial activities have been included.

The Town's management is responsible for establishing accounting and internal control structures designed to ensure that the physical, data, informational, intellectual, and human resource assets of the Town are protected from loss, theft and misuse, and to ensure that adequate accounting information is maintained and reported in conformity with generally accepted accounting principles (GAAP). Management also strives to ensure that these assets are put to good and effective use. The internal control structure is designed to provide reasonable assurances that these objectives are attained.

Overview of the Financial Statements

The financial statements presented herein include all of the activities of the Town of Belmont, New Hampshire using the integrated approach as prescribed by GASB Statement 34.

This discussion and analysis is intended to serve as an introduction to the Town of Belmont, New Hampshire's financial statements. The basic financial statements are comprised of the following three components:

1. Government-wide financial statements
2. Fund financial statements
3. Notes to the basic financial statements

Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the Town's finances, in a manner similar to most private-sector companies.

The statement of net position presents information on all of the Town's assets, deferred outflows of resources, liabilities, and deferred inflows of resources, with the remaining difference reported as net position. Over time, increases and decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The statement of activities presents information showing how the Town's net position changed during the most recent year. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

Auditor's Report

TOWN OF BELMONT, NEW HAMPSHIRE MANAGEMENT'S DISCUSSION AND ANALYSIS Year Ending December 31, 2017

The government-wide financial statements have separate columns for the following two fund types:

Governmental activities – Represent most of the Town's basic services.

Business-type activities – Account for the Town's water and sewer operations and receive the majority of their revenue from user fees.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain the control over resources that have been segregated for specific activities or objectives. The Town uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The Town maintains three fund types: governmental, proprietary and fiduciary funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of expendable resources, as well as on balances of expendable resources available at the end of the fiscal year. Such information may be useful in evaluating the Town's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, our readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between the governmental activities statement of net position and statement of activities.

The Town maintains several individual governmental funds. Information is presented separately in the governmental fund balance sheet and the statement of revenues, expenditures and changes in fund balances for the General Fund and Permanent Funds, which are considered major funds. Other governmental funds are aggregated and reported as nonmajor governmental funds.

The Town adopts an annual appropriation budget for its governmental funds. A budgetary comparison has been provided for the General Fund to demonstrate compliance with this budget.

Proprietary funds provide water and sewer services to customers and charge a user fee. They are presented on the accrual basis of accounting.

Fiduciary funds are used to account for resources held for the benefit of parties outside of the Town. Fiduciary Funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the Town's own programs.

Notes to the Basic Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Net Position, end of year	<u>\$ 6,233,830</u>	<u>\$ 6,175,136</u>

The main funding source for the business-type activities is charges for services, which provided for over 100% of the expenses for both fiscal years 2017 and 2016. Overall net position increased by \$58,694 from the previous year.

Governmental Funds

The focus of the Town's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Town's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the year.

General Fund and Budgetary Highlights

The General Fund is the main operating fund of the Town. At the end of the current fiscal year, the General Fund had a fund balance of \$2,558,908 on the modified accrual basis of accounting, an increase of \$343,931. This increase is primarily due to unexpended highway block grant funds received during the year of \$373,272. These amounts are reflected in the increase in restricted and commitment components of fund balance. Additionally, the Town used \$350,000 of beginning fund balance to offset the current year tax rate which, after adjusting for the affect of the highway block grant revenues and expenditures, led to current year actual expenditures and other financing uses exceeding actual revenues and other financing sources. As a result, the unassigned fund balance at year end of \$281,588 decreased from the prior year balance by (\$92,256).

During the year, the original budget for appropriations decreased by (\$401,298), while the budget for revenues increased by \$120,187. Changes to the original budget are the result of approved appropriations and revenues being carried forward to the 2018 budget, as well as net additions to both revenues and appropriations for unanticipated funds accepted per RSA 31:95-b.

Permanent Funds

Permanent funds account for resources that are legally restricted to the extent that only earnings and not principal may be used for purposes that support the Town's programs. At December 31, 2017, a balance of \$2,313,153 was non-spendable for principal and \$350,596 was restricted for income. The total fund

Auditor's Report

TOWN OF BELMONT, NEW HAMPSHIRE MANAGEMENT'S DISCUSSION AND ANALYSIS Year Ending December 31, 2017

balance in the permanent funds increased \$266,150 from the prior year, due to current year investment earnings in excess of expenditures for cemetery maintenance and library repair/restoration projects.

Nonmajor Governmental Funds

At December 31, 2017, the Nonmajor Governmental Funds had a total fund balance of \$897,195 which represents a decrease of (\$13,819) from the prior year, primarily resulting from Ambulance Fund transfers to the General Fund in excess of charges for services and interest revenue of \$37,273, offset by revenues recognized in the remaining nonmajor governmental funds with minimal expenditures in the current year.

Proprietary Funds

The focus of the Town's proprietary funds is on total economic resources, and changes to net position, much as it might be for a private-sector business. The Town's proprietary funds (Water and Sewer Funds) had total unrestricted net position of \$1,543,241 at December 31, 2017, which increased by \$102,051 or 7% from 2016.

Capital Assets

The Town of Belmont considers a capital asset to be an asset whose costs exceed or equal \$15,000 and has a useful life of greater than one year. Assets are depreciated using the straight-line method over the course of their estimated useful life. During the year the Town's net capital assets for governmental and business type activities increased and decreased by a total of \$294,035 and (\$255,228), respectively. Significant additions during the current year included fire department equipment and vehicles, police department vehicles, and several road projects. Additional information on capital assets can be found in Note 3 of the Notes to the Basic Financial Statements.

Long-Term Liabilities

During the year ended 2017, the Town had a net decrease in general obligation debt payable for governmental activities of (\$112,209) due to scheduled payments made on existing debt obligations. General obligation debt for business-type activities decreased during the year by (\$208,036) due to scheduled payments made on existing obligations, including bond premium amortization and principal forgiveness. Capital leases payable for governmental activities decreased during the year by (\$96,791), due to current year proceeds of \$44,632, less scheduled payments of (\$141,423). The compensated absences for governmental activities had a net increase in activity of \$783 for the year.

Under GASB Statement #68 – *Accounting and Financial Reporting for Pensions*, the Town reports a net pension liability, as well as the related deferred outflows and inflows of resources related to pension. The Town's portion of the unfunded liability as of December 31, 2017 is \$7,164,046 for governmental activities and \$128,570 for business-type activities, for a total liability of \$7,292,616.

GASB Statement 45 requires the Town to account for other post-employment benefits (OPEB) on an accrual basis rather than a pay-as-you-go basis. Although the Town is not required to fund this contribution, it is recognized as a liability in these financial statements. The net OPEB obligation as of December 31, 2017 is \$827,630 for governmental activities and \$31,983 for business-type activities, for a total liability of \$859,613.

December 31, 2017

Total Fund Balances - Governmental Funds (Exhibit C)	\$ 6,119,852
Amounts reported for governmental activities in the statement of net position are different because:	
Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds	15,303,965
Property taxes are recognized on an accrual basis in the statement of net position, not the modified accrual basis	1,183,045
Deferred outflows of resources and deferred inflows of resources that do not require or provide the use of current financial resources are not reported within the funds:	
Deferred outflows of resources related to net pension liability	1,145,502
Deferred inflows of resources related to net pension liability	(298,379)
Long-term liabilities are not due and payable in the current period and, therefore, are not reported in the funds. Long-term liabilities at year end consist of:	
Bonds payable	(586,619)
Note payable	(297,000)
Capital leases payable	(623,502)
Accrued interest on long-term obligations	(12,579)

TOWN OF BELMONT, NEW HAMPSHIRE

Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balances of Governmental Funds to the Statement of Activities

For the Year Ended December 31, 2017

Net Change in Fund Balances - Governmental Funds (Exhibit D)	\$ 596,262
Amounts reported for governmental activities in the statement of activities are different because:	
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlays exceeded depreciation expense in the current period.	294,035
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	(22,033)
Repayment of bond and note payable principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.	112,209
Repayment of principal on capital leases is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.	141,423
Proceeds from capital leases are reported as other financing sources in the governmental funds, but capital lease obligations increase long-term liabilities in the statement of net position.	(44,632)
In the statement of activities, interest is accrued on outstanding debt, whereas in governmental funds, an interest expenditure is reported when due.	564
Some expenses reported in the statement of activities, such as compensated absences and other post-employment benefits, do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds.	(78,665)
Governmental funds report pension contributions as expenditures. However, in the statement of activities, pension expense reflects the change in net pension liability and related deferred outflows and inflows of resources, and does not require the use of current financial resources. This is the amount by which pension expense exceeded pension contributions in the current period.	<u>(234,570)</u>

Cemetery Trustees Report — 2018

In 2018 we continued our commitment to work on safety issues that we have. Our main project was the removal of all the large pine trees at the Judkins/Hunt Cemetery located on the corner of Union and Hurricane Roads. We hired Mathew Bouchard and his company Northeast Top Notch Landworks of Loudon NH to do this project. They cut down and removed the trees as well as did stump grinding and the Belmont Police Department did our traffic detail to get the project done. They did an exceptional job and were fun to work with.

Our maintenance procedures were rewritten with a goal to make us more aware of problem areas in a timelier manner as well as help us with long term planning of extensive projects that need to be tackled in the future. Our goal is for the cemeteries we maintain look the best they can be at all time. We thank Mike Ciampi for his work this year to make this goal move forward.

As always you can email us at belcem2015@gmail.com with any concerns or comments. We can now be found on Facebook at BelmontNHcemeteries. Please join us and follow as we post photos and post updates about upcoming projects as well as what may be happening in town.

As always, we thank the tax payers of the Town of Belmont for all that they do to help make our job easier.

Sharon Ciampi would like to thank the voters of the Town of Belmont for reelecting her for another 3-year term. She truly loves the work the trustees do for the cemeteries.

Facility Strategy Committee 2018 Annual Report

The Belmont Town Facility Strategy Committee was established by the Board of Selectmen in June 2017 to respond to citizen interest in a long-term strategy for all town-owned buildings. Committee members include Tom Garfield, Donna Hepp, Carmen Lorentz and Pret Tuthill. Collectively, the Committee offers experience in engineering, design, planning, finance and community development. During 2018, the Committee completed its review of town building information and recognized they were building upon the good work of past community discussions, building committees and studies for over three decades.

Building upon Past Community Efforts

The Committee reviewed ideas from the community shared in a 1995 Civic Profile and a 1996 Plan NH Charette focused on the Belmont Mill and another in 2010 focused on the Village District. Other community efforts: the 2001 Strategic Plan Committee, Belmont Master Plan, Town Hall Study Committees in 2002--4 and a 2013 Property Assessment Committee provided great background. A number of past Town study committee members shared their insights. Past engineering studies and design proposals for the Mill, Town Hall and Library proved very helpful. The historic character of Belmont Village is also significant. Belmont's Library (built in 1927) is on the National Register of Historic Places and the Factory Village District was determined eligible for the National Register of Historic Places in 2002. The 1833 Belmont Mill reconstructed in 1997 through strong community commitment, a federal grant and public donations after a devastating fire and 1908 Bandstand renovated in 2016 are both on the State Register of Historic Places (designated in 2015 and 2016 respectively). Town Hall was originally built as a store and opera house in 1895. The Police Station building (constructed about 1940) housed the Fire Department until 1995 when a new station was built. The Bank Building was built in 1940 and the Corner Meeting House, originally a church, dates to 1900. Both the Bank and Corner Meeting House were purchased by the town in 2012. Over the years, new construction was proposed for Town Hall and the Police Department several times.

Tours and Community Discussion

The Facility Strategy Committee hosted public tours of town-owned buildings and community meetings in 2017 and 2018 to update Belmont residents on what they'd learned and seek feedback. The Committee determined that the majority of town-owned buildings including the Fire Station and Public Works Department have adequate space and room for future adjustments. Other buildings are relatively new or recently renovated like the Village Bandstand. The Committee found safety and congested conditions at the Police Station, Town Hall and the Library, while the Belmont Mill and Bank Building are underused and need a decision on their long-term purpose. To complete a 20 year strategy for town buildings, the Committee concluded that assistance was needed to fill key information gaps. The Committee needed a 20 year projection of town building space needs and to determine the condition and feasibility of renovating the Police Station and Bank Building for future use.

Facility Strategy Committee 2018 Annual Report

Space and Feasibility Study

Voters supported a ballot measure in March to conduct a Space and Feasibility Study to assist the Facility Strategy Committee in filling key information gaps. Funding of \$65,000 was approved to conduct the study. Proposals from eight well-qualified architecture and engineering firms were considered and Lavallee Brensinger Architects (LBA) was selected to do the study. LBA has significant experience with municipal buildings in New England with an office in Manchester. During 2018, LBA completed a 20 year space needs projection for Belmont's police department and town hall functions based on municipal building standards. A report on building conditions for the Police Station and Bank Building were also completed using expertise in structural engineering, HVAC, electrical and plumbing systems and site design. Draft options for housing the Police Department and Town Hall were developed to be shared at a Community Meeting in January 2019. A post card invitation was sent to Belmont residents to encourage their participation in the Community Workshop.

Next Steps for the Facility Strategy

The Space and Feasibility Study will be completed in April 2019. The Facility Strategy Committee plans to complete a proposed Belmont Facility Strategy in the Fall of 2019 and will conduct community workshops and listening sessions to seek guidance and suggestions. The next step is to share options for the Police Station and Town Hall and seek community feedback to determine the best option to study in more detail. These options include a "test fit" to determine how space for programs/Departments could be placed in a building. In Phase 2, this preferred option will be displayed in greater detail with a basic design layout and include a more fine-tuned cost estimate for construction/renovation. With that in hand, the Committee will begin to develop a full strategy for all town-owned buildings that considers which buildings need investment for future use, alternatives for phasing this work and how it could be funded over time. The Committee will update and seek feedback at key steps along the way with the community, Selectmen and Town committees.

Getting Involved - The Facility Strategy Committee is a citizen effort which actively seeks suggestions and participation from the community. In addition to monthly updates in the Town newsletter and articles in local papers, there's a contact list for those interested in regular updates. The Town website includes links to a virtual tour of town buildings prepared by Lakes Region Public Access Television. The website also has links with proposed options for the Police Department and Town Hall and past engineering studies and proposals for town buildings. For more information about getting involved, contact Donna Hepp at dhepp3@gmail.com.

Belmont Medical Center

Dirty Dog Lady

Redevelopments

The former Summit Health building has been redeveloped into Belmont Medical Center which includes the Belknap Family Health practice relocated from the Belmont Mill and also additional practitioners from the Laconia LRGHealthcare organization. A great redevelopment of a previously vacant abandoned agricultural building transformed into The Dirty Dog Lady dog grooming and day-care center. *Photos Rick Ball*

The Planning Board and Land Use Staff would like to acknowledge with great sadness the passing of William Tobin. Bill's wonderful smile, funny stories and willingness along with his wife, Faith, to assist the Town from time to time over many, many years for building inspections and other related matters assured our residents received great service on their construction projects. Thank you, Bill.

Zoning Amendments

The Board appreciates the support of the voters on the 2018 amendments which included Boat Storage, Warehousing/Self Storage, Commercial Dwelling Units, Accessory Dwelling Units, Aquifer and Signs.

Board Duties

- Completed an update of the 1992 Driveway Regulations-clarifying when a permit is necessary, what constitutes a complete application, temporary accesses, cites to the Zoning Ordinance, when paved aprons are required, stormwater control, stonewalls, compliant mailboxes, Dig Safe and enforcement
- Completed the annual update of the Capital Improvements Program used to assist the Selectmen, Budget Committee and Voters in making sound financial decisions for the Community
- Continued a department-wide process to “Lean” the land use activities and processes
- Reviewed open files on Terra Firma & Medine Holdings; made findings that both approvals had expired; jointly this eliminated 41 proposed single-family building lots from the Town’s inventory of buildable lots.

Construction and Reconstruction projects status

- Storage, Storage, Storage!
 - Northland continues toward completion of their 39,200sf interior/exterior storage facility at 73 Daniel Webster Highway
 - Winnisquam Marine completed their 38,605sf interior/exterior boat storage facility at 566 Laconia Road
 - Vault Motor Storage’s 125,410sf interior storage construction completed at 52 Higgins Drive
 - AE Mitchell commenced construction of their 43,600sf interior storage at 26 Laconia Road
 - 603 Storage has applied for 15,350sf of interior storage on Gilmanton Road
- Superior Fence site expansion construction was completed
- Belmont Medical Center

Planning Board Report - 2018

- Dirty Dog Lady grooming

These projects represent businesses new to the community as well as expansions, improvements and relocations of existing Belmont businesses. The Board welcomes these business commitments and investments in the community.

- BBE Realty, whose 6-lot and 37-lot open space phased subdivisions off Sargent Lake Road have been under development since 1988 is very near completion of the interior road system; the Selectmen will soon consider accepting the road as a public highway

Membership and Staff: With the 2018 elections, the Planning Board welcomed returning member Rick Segalini and new member Gary Grant. The Board thanks all of the department heads and town staff who support the Land Use office and provide such great assistance on the matters that come before the Board.

Community Participation: The Board encourages residents and property owners to participate in projects proposed in the community. Your input is invaluable to the Board in making good decisions. Don't hesitate to contact the Land Use office or attend a meeting to provide your input.

Planning Board Alternate positions are available and the Board encourages citizens to volunteer at www.belmontnh.org/docs/ords&apps/MembershipAppl.pdf to serve on an elected or appointed municipal board.

Additional Information: More information on Planning Board, minutes, schedules, Frequently Asked Questions, business resources, data files, regulations and ordinances, reports, application forms, Customer Satisfaction Surveys, and a list of both elected and appointed positions can be accessed at the Land Use Office, 143 Main Street, PO Box 310, Belmont, NH 03220, (603)267-8300 x 119, (603)267-8307(Fax), by e-mail to landuse@belmontnh.org, and on the Town's website at www.belmontnh.org. Lakes Region Planning Commission

The Lakes Region Planning Commission (LRPC) is a voluntary organization of 30 member municipalities within one of the 9 regional planning areas established by state legislation under RSA 36:45. Regional planning commissions strive to respond to and shape the pressures of change in a meaningful way, both locally and regionally, through communication, joint initiatives, and planning.

With a regional planning area covering over 1,200 square miles in Belknap, Carroll, Grafton, and Merrimack Counties, the LRPC's professional staff provide regional planning services in the areas of transportation, land use, economic development, watershed management, and natural resource protection; local technical assistance with master plans, capital improvement plans, hazard mitigation plans, ordinance review, and circuit rider consulting; GIS mapping services; data collection and analysis; and guidance and review of Developments of Regional Impact.

In May 2018, we expanded our boundaries with the transfer of the Town of Plymouth to our planning region. After Plymouth's request to change regions was approved by New Hampshire's Office of Strategic Initiatives and an Executive Order issued by the Governor, we welcomed Plymouth as our newest municipal member.

Belmont's Representatives to the LRPC

Commissioner:

George Condodemetrakys

Transportation Technical Advisory Committee:

Rick Ball, Candace Daigle (*Alternate*)

Highlights of the LRPC's activities over the past year are listed below.

LOCAL ACTIVITIES — Belmont

- ◆ Enabled Town electricity savings of \$3,238 through our Regional Electricity Aggregation initiative.
- ◆ Belmont served as one of 8 host sites in our Summer 2018 Household Hazardous Waste Collection at a substantial group savings enabling residents to safely dispose of their household hazardous waste to protect the groundwater that our region depends on for drinking water, domestic use, and tourism.
- ◆ Facilitated the bulk purchase and distribution of the NH Planning and Land Use Regulation books to the town at a substantial discount.

REGIONAL SERVICES — 2018 Highlights

- ◆ **Regional Purchasing Initiatives** | Saved participating towns and school districts a total of \$159,938 in Electricity costs and \$10,123 in Oil & Propane costs by initiating a program to reduce individual town costs using the power of aggregate purchasing. While each town signs their own contracts directly with the chosen supplier, the more that participate, the greater the potential savings. We continue to research potential shared services and future cooperative buying opportunities, based on member input, on items such as Catch Basin Cleaning, School Bus Transportation, and Cell Phone Service.
- ◆ **Economic Development** | Pursued workforce development and growth opportunities for the region in coordination with regional economic development groups including Belknap Economic Development Council (BEDC), Capital Region Development Corporation (CRDC), Franklin Business and Industrial Development Corporation (FBDIC), Grafton County Economic Development Council (GCEDC), and Wentworth Economic Development Corporation.

Lakes Region Planning Commission Report

Brownfields—Provided environmental assessment and consulting on brownfields properties, including the former Laconia State School, to encourage redevelopment through the EPA Brownfields Program.

Northern Border Regional Commission (NBRC)—Provided grant administration for NBRC grant projects in three communities.

- ◆ **Developments of Regional Impact** | Responded to numerous requests for reviews on Developments of Regional Impact, prepared draft comments, discussed with staff and municipal planners, corresponded with state and local officials, reviewed relevant state statutes, and provided updated LRPC guidelines to members through their Commissioners.
- ◆ **Education** | Convened 6 area commission meetings, including an annual meeting with over 120 people, and a legislative night. Meetings featured guest speakers covering a variety of topics: Economic Development: From Brownfields to Whitewater Parks; Route 16 Corridor Study Panel; Understanding the Developments of Regional Impact Process; and Becoming Age-Friendly Communities. Co-hosted a legislative reception with Lakes Region Community College for Commissioners and Legislators to discuss legislative priorities. Recognized 9 individuals from 7 municipalities with awards across 3 categories at our Annual Meeting for outstanding service to their communities.
- ◆ **Solid Waste** | Provided technical training and educational programs for solid waste managers and local officials through a USDA Solid Waste & Water grant award and applied for FY20 grant funding. Coordinated the 32nd annual Household Hazardous Waste Collection among 8 locations and 25 participating member communities.
- ◆ **Transportation** | Completed Franklin to Concord regional Transit Study creating a regional transit feasibility study template to use in the future.

TAC (Transportation Technical Advisory Committee)—Coordinated and conducted monthly meetings of the Commission’s technical advisory committee on Transportation to enhance local involvement in regional transportation planning and project development.

Scenic Byways Advisory Committee—Continued working with the Lakes Region Tour Scenic Byway Advisory Committee to spur economic development and preserve regional scenic quality and visitor experiences.

Public Transportation—Provided assistance to the Carroll County Regional Coordinating Council and the Mid-State Regional Coordinating Council.

RSMS/SADES—Assisted communities with Road Safety Management Systems (RSMS) analysis and conducted culvert and catch basin inventories.

Road Safety Audits—Coordinated with NHDOT Safety Engineer and municipal officials to establish Road Safety Audits in several communities.

TIP (Transportation Improvement Program) & **TYP** (Ten Year Plan)—Worked with member towns and NHDOT to prioritize transportation improvements in the region.

Traffic Counts—Conducted over 144 annual traffic counts around the region.

◆ **Watershed Management** |

Pemi Watershed—Provided technical and administrative support to the Pemigewasset River Local Advisory Committee (PRLAC); coordinated and staffed monthly meetings; and maintained their website. PRLAC is a state-chartered advisory committee under NH RSA 483, the Rivers Management & Protection Program (RMPP).

Lake Waukewan and Lake Winona Watershed—Completed Restoration Plan review and created hazardous spill/flow map.

Lakes Region Planning Commission Report

Squam Lakes Watershed and **Winnisquam Watershed**—Provided contractual services to Squam Lakes Association for facilitation, analysis, and recommendations for Phase I of the Squam Lakes Watershed Plan and to NH Department of Environmental Services for the Winnisquam Watershed Plan Phase I.

2018

Selectmen's Corner

We begin 2019 with a reflection back on 2018 and our accomplishments and struggles. The Board after many years of doing things “the way they have always been done” decided to try a new perspective on road reconstruction and we look forward to the reconstruction of Hurricane Road in 2019. Last summer we issued a Request for Proposals for the reconstruction of Hurricane Road however we did not provide engineered plans as we have in the past, but asked the contractors to provide a strategy for the work. Busby Construction, a well-known firm in area, and one who has done other projects for the Town was the successful bidder and were awarded the project. Survey and tree work were begun this past fall and construction will begin in earnest in the spring using a design-build concept. Our goal is to use this method going forward to help keep the cost of the projects down by eliminating costly engineering.

This past year at the request of a number of concerned citizens, the Town drafted a Fireworks Ordinance which was adopted and took effect January 1, 2019. The new ordinance requires individuals wishing to display NH Permissible Fireworks within the Town to obtain a written permit from the Fire Chief or his designee.

We worked closely with the Westview Meadows Homeowner's Association during 2018 to apply for and receive a grant from the Community Development Block Grant program to make necessary repairs to their community water system. We anticipate work to begin this spring on the project. In addition, we assisted Sunray Shores Water District to correct a procedural error in their District's formation therefore solidifying their ability to operate and maintain their community water system.

We participated in the “kick-off” event for Belmont's 150th Birthday Celebration and we look forward to the exciting events planned during the coming year. This year's Town Report highlights a number of old photos representing Belmont's history.

The revaluation will be completed in 2019 and property owners will be receiving letters in mid-summer advising you of your new value. Opportunity will be given for you to discuss your value with a representative from the appraisal firm conducting the revaluation if you desire, before the tax rate is set in the fall and bills are sent.

We worked closely with department heads this year to maintain close to level funding in the proposed 2019 budget; and when offsetting grant and bond revenues are applied, the overall increase is .11%. We appreciate the hard work undertaken by our department heads and their staff.

We would like to thank Candace Daigle for her dedicated service to our community for 28 years; Candy will be retiring in May and her commitment to planning and zoning as well as the

numerous other duties she absorbed will be difficult to replace. We wish her well in her well-deserved retirement.

We look forward to continuing to serve you as your Selectmen; we encourage you to attend our meetings or watch us live on www.livestream.com/belmontnh. We would like to also remind everyone that we are on "Facebook" so please like our page; we will continue to post meeting notices and other points of interest to the community.

Sincerely,

Belmont Board of Selectmen

Town Clerk/Tax Collector

Town Clerk's Corner

The Town Clerk's office is very diverse in its responsibilities. We are usually the first contact for residents whether in person or over the phone. We direct people to whatever department within the Town that can help them or any other agencies outside the town within our knowledge if the need arises. More specifically, we are responsible for all auto registration, dog licensing and vital record transactions both over the counter and online. We are also the record keepers for the Town dating as far back as 1742.

Our office also conducts business for many other departments within the Town. We accept all money for other departments as well as prepare a general ledger report to reconcile with the Finance Director.

In addition to our daily duties on behalf of the Town of Belmont, we are also responsible to conduct every aspect of elections. This includes everything from securing the voting location to reporting the election results to State and local agencies at the end of election night and everything in between for all Town, State and Federal elections.

We have prepared the following information pertaining to what we do here in our office.

AUTO REGISTRATION:

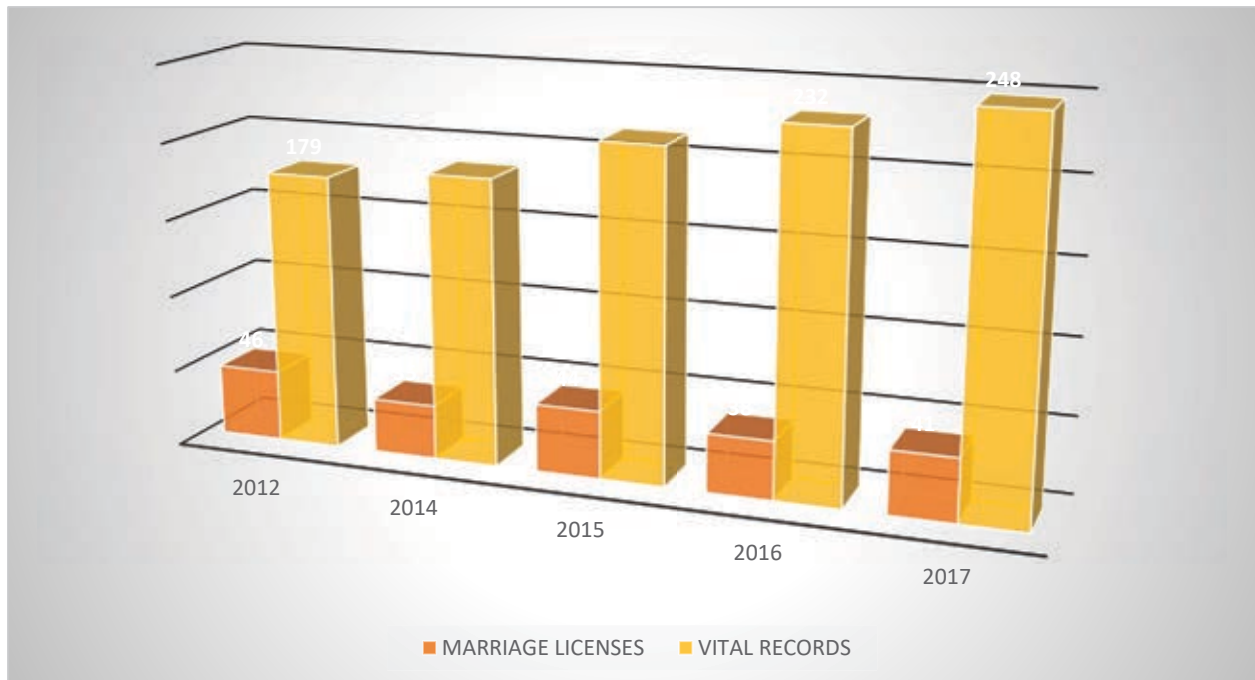

We have seen a steady increase in last five years in the revenue collected by the Town Clerk's Office from Auto registrations. We attribute this increase to new residents from in and out of state, as well as great deals on new vehicle leases offered from auto dealerships. We are processing new, renewal and transfer registrations daily. It is reasonable to say that each of the three clerks in our office produce an average of two new title applications resulting from the private sale of vehicles per day, which does not include the new registrations we process for the majority of residents who buy their vehicles at dealerships and come to us with a title application in hand. A lot of time is spent with residents explaining options they have with registrations and what documentation is required to complete transactions.

Town Clerk's Corner

We also process new and renewal registrations for the many businesses with fleets of vehicles housed in the Town of Belmont including, but not limited to; Coca-Cola, Nutter Enterprises, GMI Asphalt, as well as smaller businesses such as landscape companies, etc. All the registrations for the municipality such as police cruisers, fire trucks, and public works vehicles including new, renewal and transfers are processed through our office.

We have taken on the task of boat registration in conjunction with Winnisquam Marine who is our boat agent. While boat registrations don't generate a lot of revenue for the Town, we decided that, for the convenience for our residents, we should include this in our services. Residents now have the option to renew their boat registrations here at Town Hall instead of solely with the State of New Hampshire so the Town collects the agent fees for each registration that we process.

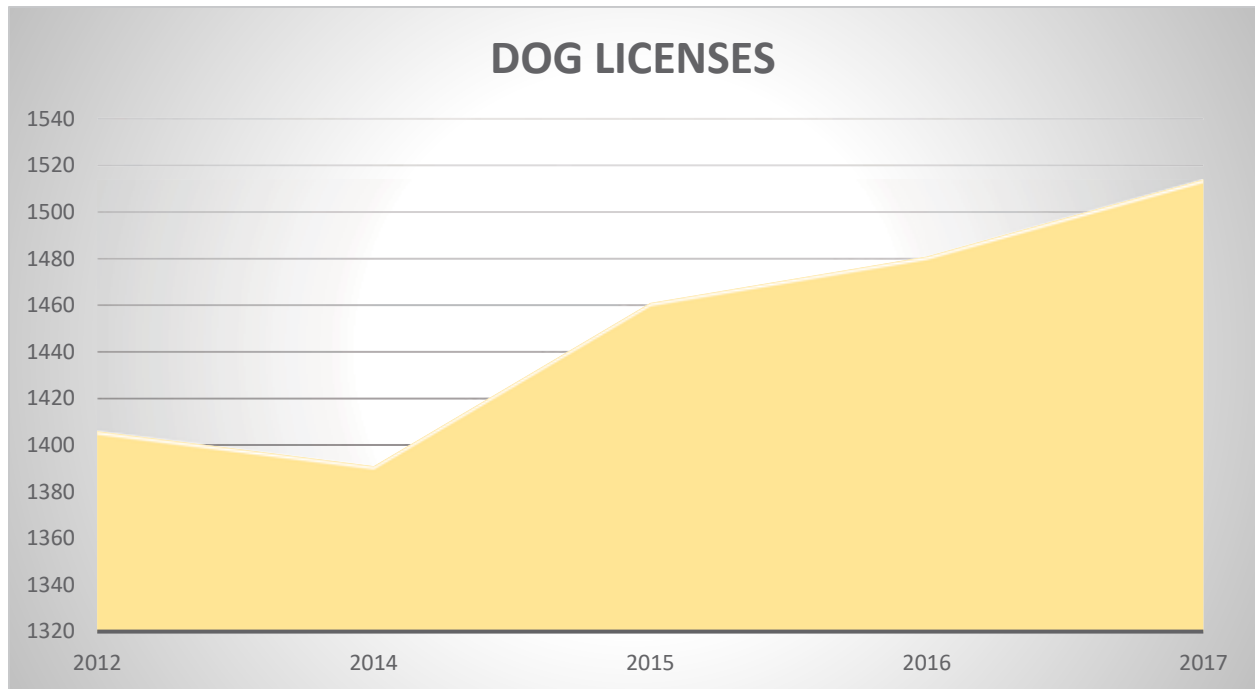

VITAL RECORDS:

The Town Clerk's office is the keeper of all town records, as well as older records for Gilmanton, dating back to 1742. We provide certified copies of Birth, Death and Marriage records as well as process Marriage Licenses. The average amount of time spent gathering information for and processing a marriage license is about 30 minutes.

The graph above denotes the number of vital record searches as well as the number of marriage licenses we have processed over the last 5 years or so. As you can see, the numbers have stayed relatively consistent over this time period with a gradual upswing from 2012-2017.

Town Clerk's Corner

DOG LICENSES:

It is the state law that all dogs residing in a town be licensed by the Town Clerk. The above chart references the increase in the number of dogs we license today compared to 5 years ago.

We spend a substantial amount of time dealing with processing dog licenses. It all starts with ordering the projected amount of tags for the year as well as other supplies such as paper and reminder postcards. We go out of our way to remind residents to renew their dog's license, mostly by asking if they have a dog to license when they stop by our office to conduct business. We post reminders around the office as well as in the monthly newsletter.

Deliberative Session Minutes — 2018

TO THE INHABITANTS OF THE TOWN OF BELMONT IN THE COUNTY OF BELKNAP, IN THE STATE OF NEW HAMPSHIRE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

FIRST SESSION

You are hereby notified to meet for the First (Deliberative) Session of the Annual Town Meeting, to be held at the Belmont High School, 255 Seavey Road, Belmont, New Hampshire on the 3rd day of February 2018, being a Saturday at 10 o'clock in the forenoon. The First (Deliberative) Session will consist of explanation, discussion, and debate of each of the following warrant articles, and will afford those voters who are present the opportunity to propose, debate and adopt amendments to each warrant article, except those articles whose wording is prescribed by State law.

The First (Deliberative) Session of the Annual Town Meeting held at Belmont High School, Belmont, New Hampshire on the 3rd day of February 2018, being Saturday was called to order at ten o'clock in the morning. Moderator Alvin Nix introduced himself to the attendees.

Moderator asked attendees to stand for the Pledge of Allegiance.

Moderator Nix introduced the officials at the head table as follows: Ruth Mooney, Chairman Board of Selectmen; Jonathan Pike, Vice-Chairman Board of Selectmen; Claude "Sonny" Patten, Board of Selectmen; Ronald Mitchell, Budget Committee Chairman; Jeanne Beaudin, Town Administrator; Cynthia DeRoy, Town Clerk/Tax Collector and Jennifer Cashman, Deputy Town Clerk/Tax Collector. Moderator Nix also introduced Alicia Jipson, Assistant Town Administrator and Michelle Stanyan, Town Clerk/Tax Collector office clerk.

Moderator Nix asked attendees to keep the meeting orderly, amicable and asked that there be no debates on the floor, that all questions or comments be directed to the Moderator and advised that today's meeting is being video recorded.

During this meeting the Moderator may ask a non-resident or Town Official to speak to clarify warrant articles. Non-residents were asked to identify themselves by a show of hands and advised that they were not allowed to amend any articles.

Moderator Nix advised that we do not follow the Roberts Rules but we are going to follow common sense rules for today's meeting. Moderator Nix declared that amendment requests must be submitted in writing and be legible and signed by the resident. Some articles cannot be amended and voters will be advised if we cannot. No articles will be removed from the warrant. Residents discussing articles must come up to the microphone and announce their name and street address.

Deliberative Session Minutes — 2018

Selectman Chairman Ruth Mooney welcomed the audience and spoke about the Town's portion of the budget and that it was down one and a half percent. She mentioned the influx of commercial businesses helping keep individual tax burden down. She also recognized and thanked the town employees.

Article #1. Article #4. Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board for the town Zoning Ordinance as summarized below?

Accessory Dwelling Unit-Amend Art. 8.F of the existing Ordinance to prohibit Accessory Dwelling Units (ADUs) as additions to manufactured homes, recreational vehicles, and where one or more single-family units are already attached such as condominium developments and duplexes. Prohibit the condominium sale of an ADU separate from the principal unit.

George Condodemetraky, 194 Gilmanton Rd, spoke against prohibiting additions to manufactured homes as stated in the amendment. Moderator Nix stated that by law we cannot amend zoning articles. Peter Harris, Chairman of the Zoning Board was asked to explain the article. Denise Naiva, 27 Swallow Rd asked for a definition of manufactured home. P. Harris and Selectman Mooney provided their definition of manufactured home. Mark Roberts, 87 Hackett

Deliberative Session Minutes — 2018

Rd added to discussion. Selectman Pike noted that he agreed with George. Discussion did continue relative to this article; Town Planner Daigle was asked to speak.

Upon no further discussion, Article automatically moved to ballot.

Article #5. Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board for the town Zoning Ordinance as summarized below?

Subordinate Dwelling Unit-Amend Art. 5, Table 1, delete Art. 13.F.1, and add a definition to Art. 15 of the existing Ordinance to allow one subordinate dwelling unit on a lot with a primary business use in the Commercial & Industrial Zones and require a Conditional Use Permit for occupancy by other than the business owner (e.g. business manager or security person).

Upon no discussion, Article automatically moved to ballot.

Article #6. Are you in favor of the adoption of Amendment #5 as proposed by the Planning Board for the town Zoning Ordinance as summarized below?

Snow Dump-Amend Art. 7.C.14 of the existing Ordinance to clarify that a “snow dump” regulates snow brought to a lot from off-site.

G. Condodemetraky, spoke of his experience with snow being dumped on his property by abutters.

Upon no further discussion, Article automatically moved to ballot.

Article #7. Are you in favor of the adoption of Amendment #6 as proposed by the Planning Board for the town Zoning Ordinance as summarized below?

Signs-Amend Art. 4.I.4 of the existing Ordinance to allow internally illuminated signs.

D. Naiva, Swallow Rd, asked for definition of internally illuminated signs. P. Harris responded. Candace Daigle, Town Planner gave definition.

Upon no further discussion, Article automatically moved to ballot.

Article #8. Shall the Town vote to adopt the provisions of RSA 72:81 to allow a new construction property tax exemption for commercial and industrial uses as defined in Article 5 Table 1 of the Town of Belmont Zoning Ordinance last amended March 16, 2017. The exemption shall apply only to municipal and local school property taxes assessed by the municipality and shall exclude state education property taxes and county taxes. The exemption shall be as follows: 50% of the increase in assessed value attributable to construction of new structures, and additions, renovations, or improvements to existing structures and shall run for a maximum period of 6

Deliberative Session Minutes — 2018

years following the new construction. If adopted by the Town, the percentage rate and duration of the exemption shall be granted uniformly within the Town to all projects for which a proper application is filed. This vote adopting RSA 72:81 shall remain in effect for a maximum of 5 tax years; provided, however, that for any application which has already been granted prior to expiration of such 5-year tax period, the exemption shall continue to apply at the rate and for the duration in effect at the time it was granted.

Carmen Lorentz, 60 Cotton Hill Rd spoke against this Article. TA J. Beaudin clarified article. Pret Tuthill 84 Cotton Hill Rd asked how school taxes are exempted. TA J. Beaudin responded that the language is stated in the RSA. Ken Knowlton, 128 Lamprey Rd asked if a study has been done in other towns. TA J. Beaudin responded that the exemption is new in 2017 as adopted by the legislature. G. Condodemetraky, Gilmanton Rd stated he is opposed to this article. Sheila Cunningham, 51 Sun Lake Dr asked for background on why this article is presented and stated her concern that this would shift the tax burden to individuals. Selectman Mooney responded. C. Lorentz offered further explanation. S. Cunningham commented further about burden on emergency services.

Upon no further discussion, Article automatically moved to ballot.

Article #9. Shall the Town vote to discontinue completely, a portion of Pond Road, so-called, in Belmont with the title in the land to revert to the Sunray Shores Water District. The portion to be discontinued is described as follows: Beginning at a point on the southerly sideline of Pond Road, so-called, and the land now or formerly of Butler Family Realty Trust, 17'± southeasterly from the angle point of said Pond Road; thence turning and running southeasterly along said Pond Road 71'±, crossing over the Sunset Canal, so-called, and along land now or formerly of Shawna Collarullo to a point 127.5'± from the intersection of said Pond Road and Linda Drive, so-called; thence turning at right angle northeasterly 33' to a point on the sideline of Common Land of the Sunray Shores Water District; thence turning and running northwesterly and parallel with the first course 71'± along the Common Land, crossing over said Sunset Canal, and along land now or formerly of Gerald and Beatrix Clark to a point 11'± southeasterly of an angle point in said Pond Road; thence turning at a right angle running southwesterly 33' to the point of beginning. Said portion of Pond Road containing a footbridge to be completely discontinued with ownership reverting to the Sunray Shores Water District.

Ron Mitchell, Union Rd asked who would be responsible for the bridge and if it would be removed. Richard Ball, Land Use Technician responded that the article came about because the Sunray Shores Association had asked for permission to improve the bridge and it was determined at the time they would need the Town's permission. The purpose of this article is to discontinue this small portion of the road with ownership of the bridge reverting to the Sunray Shores Water District.

Deliberative Session Minutes — 2018

Upon no further discussion, Article automatically moved to ballot

Article #10. Shall the Town vote to discontinue completely, a portion of Hackett Road, so-called, in Belmont with the title in the land to revert to the abutting property. The portion to be discontinued is described as follows: Beginning at a point on a stonewall at the southeasterly corner of land of Clive and Alison Roberts on the sideline of Hackett Road, so-called; Thence running along the stonewall and said Hackett Road, in a southwesterly direction 237'± to a rebar set in the ground at the end of the wall at the sideline of Gilmanton Road (also known as NH Route 140), so-called; Thence turning and running along said Gilmanton Road in a southeasterly direction 233'± to a point; Thence turning and running along a curve to the left having a radius of 25' a distance of 39'± to a point; Thence turning and running in a northeasterly direction 48'± to the point of beginning. Meaning and intending to describe a roughly triangular parcel 7,180± ft² in area, a portion of Hackett Road to be discontinued and attached to the land of Clive and Alison Roberts and to become a part of Tax Lot 240/003.

Upon no discussion, Article automatically moved to ballot.

Article #11. Shall the Town vote to rescind the following bond authorizations approved but not issued, a 3/5 majority vote is required.

March 15, 2008	Pleasant Valley Roadway, Water and Drainage	\$40,982
March 13, 2012	Sewer Pump Station (5) Replacement	\$179,196
March 13, 2012	Belmont Village Water Line Replacement	\$76,679
March 12, 2013	Belmont Village Phase II Water Line Replacement	\$14,939

(The Budget Committee and Board of Selectmen recommend this article.)

G. Condodemetrakys stated he had a problem with this article. TA J. Beaudin responded that bids came in less than anticipated and this was unexpended debt authority that needed to be cleared from the Town's balance sheet.

Upon no further discussion, Article automatically moved to ballot.

Article #12. Shall the Town vote to raise and appropriate the sum of Sixty-Five Thousand Dollars (\$65,000) for the purpose of a Space Needs and Feasibility Study; funding for this article is to come from the Municipal Facilities Capital Reserve Fund previously established in 2006. No amount of money will be raised by taxation under this article.

(The Budget Committee recommends **\$65,000** and the Board of Selectmen support this recommendation.)

Deliberative Session Minutes — 2018

Ken Knowlton, Lamprey Rd. commended volunteers involved. Asked if budget subcommittee could handle this research instead of putting out money. Selectman Pike stated that the selectmen support the committee, however, he thinks the money asked for is excessive. C. Lorentz, Cotton Hill Rd, member of the committee, spoke for the amount of money proposed. Selectman Pike discussed previous studies and asked why it would have to be redone. C. Lorentz responded explaining that a newer and different study needs to be done. G. Condodemetrak, Gilmanton Rd congratulated committee. Pret Tuthill, Cotton Hill Rd responded concerning bidding. Mike Sylvia, Farrarville Rd, commented on other endeavors of this type and showed concern with the monetary amount as well. Donna Hepp, 181 Leavitt Rd, committee member, spoke on committee stance on the amount of money proposed. C. Lorentz commented further about committee's standpoint. Denise Naiva, Swallow Rd spoke about conditions of buildings used for town facilities in approval of article. Selectman Mooney spoke with suggestions on alternatives. Beth Anderson, 30 Mountain View Terrace spoke that this article represents a starting point and commended the committee.

Upon no further discussion, Article automatically moved to ballot.

Article #13. Shall the Town vote to amend the vote taken on Article 7 at the 1999 Annual Meeting to restrict all revenues from ambulance billings to be deposited in the Special Revenue fund known as the Fire/Ambulance Equipment and Apparatus Fund to instead restrict all but the first \$171,400 of revenues from ambulance billings received during the 2018 budgetary year to be deposited in the Special Revenue fund known as the Fire/Ambulance Equipment and Apparatus Fund. The first \$171,400 of revenues from ambulance billings will be deposited in the Town's General Fund to defray the cost items identified below. This restriction shall only be effective for the 2018 budgetary year (Majority Ballot Vote Required).

Training Expenses	\$3,000
Medical & Supply Expenses	\$26,000
Ambulance Billing Fees	\$22,000
Overtime	\$40,000

Fuel	\$7,400
Kitchen Renovations – Fire Station	\$50,000

Clive Roberts, 98 Berry Rd, spoke on amounts listed. Selectman Pike responded with explanation of amounts listed.

Deliberative Session Minutes — 2018

Upon no further discussion, Article automatically moved to ballot.

Article #14. Shall the Town vote to raise and appropriate the sum of Nine Hundred and Fifty Thousand Dollars (\$950,000) for the cost of a Quint Fire Truck for the Fire Department **and further to fund this appropriation by authorizing the withdrawal of Two Hundred and Fifty Thousand dollars (\$250,000) from the Fire/Ambulance Equipment and Apparatus Special Revenue Fund previously established in accordance with RSA 31:95, c; the balance of Seven Hundred Thousand Dollars (\$700,000) is to come from the Assistance to Firefighters Grant program. In the event the Town does not receive the grant; this appropriation will not be funded.** (Majority ballot vote required.)

(The Budget Committee recommends **\$950,000** and the Board of Selectmen supports this recommendation.)

Jake Grafton, Seavey Rd, asked for a committee for long term plans for equipment. Selectman Mooney explained this vehicle will replace ladder truck that is old and in ill repair replacing two vehicles for the one vehicle. Mike Newhall, Deputy Fire Chief gave information on the new proposed vehicle.

Upon no further discussion, Article automatically moved to ballot.

Article #15. Shall the Town vote to raise and appropriate the sum of Sixty Two Thousand One Hundred and Seventeen Dollars (\$62,117) for the third year's payment on the long term lease/purchase agreement entered into in 2016 for the purchase of a new pumper truck for the Fire Department, and to fund this appropriation by authorizing the withdrawal of said amount from the Fire/Ambulance Equipment and Apparatus Special Revenue Fund previously established in accordance with RSA 31:95, c (Created 1994/Amended 1999). **The Town is obligated by the terms of the lease/purchase agreement, as well as the super majority ratifying that agreement in Article 4 at the 2016 Town Meeting, to make these yearly payments.**

(The Budget Committee recommends **\$62,117** and the Board of Selectmen supports this recommendation.)

Upon no discussion, Article automatically moved to ballot.

Article #16. Shall the Town vote to expend the income from the John M. Sargent Trust Fund for the purposes recommended by the Sargent Fund Committee?

2018 AMERICAN RED CROSS REPORT – BELMONT, NH

New Hampshire and Vermont Region

The American Red Cross of New Hampshire and Vermont is on call to help our community 24 hours a day, 7 days a week, and 365 days a year. A local Red Cross volunteer is often the first "neighbor on the scene" after a disaster strikes – offering a hot cup of coffee, a warm blanket, and a glimmer of hope to those in need. Supported primarily by volunteers, the Red Cross provides emergency support for victims of fire, flood, and other disasters as well as instruction in health, safety, and aquatics courses. Whether we are helping one family recover from a devastating home fire, providing emergency shelter and supplies to hundreds of families after a major disaster, or food and water for first responders, we have historically been a vital part of the local community.

2018 was especially busy across our region and the Red Cross provided vital services to our community.

- Responded to 269 disaster incidents in our region, providing essential support to 1,469 individuals. We did not respond to any disasters in Belmont, but we were on the scene at 6 disaster events throughout Belknap County, and we provided services to 41 individuals.
- Collected 90,447 pints of blood and blood products at over 3,400 drives. 4 of these drives were in Belmont where we collected 94 pints of life-saving blood.
- Empowered more than 1,000 trained volunteers to assist their neighbors during times of need. 3 of our amazing volunteers call East Belmont home.
- Trained 24,541 people in our various health and safety courses, including 84 courses throughout Belknap County, where 682 of your friends, neighbors, and colleagues were taught lifesaving skills, including First Aid and CPR.
- Installed 3,157 free smoke detectors in homes and worked with families to create fire-evacuation plans. Through this initiative, one home in Belmont was made safer this year.
- We connected 875 military members with their families and loved ones with the help of our Service to the Armed Forces department, including 37 Belknap County residents who are currently serving, as well as veterans and their families.
- We are proud to have an efficiency rating of 91%, meaning .91 cents of every dollar goes directly to support the programs and services provided by the American Red Cross.

Since the Red Cross is not a government agency, we rely on individuals, businesses and local communities to support our efforts in helping to prevent, prepare for, respond to, and recover from emergencies. To that end, we are asking each community for a donation in support of our work. We would greatly appreciate your support in the amount of \$4,000.00 for next year. Your partnership will help ensure that the American Red Cross has the resources to support communities throughout Vermont and New Hampshire when they need it most.

If you or someone you know experiences a fire, flood or other disaster and needs assistance, please call (802) 660-9130 option 1, anytime 24/7.

Sincerely,

Rachel Zellem, Development Specialist

Court Appointed Special Advocates (CASA) of New Hampshire 2018 Town Report Town of Belmont

Mission: Court Appointed Special Advocates (CASA) of New Hampshire strives to protect the rights of our state's most vulnerable children to live, learn and grow in the embrace of a loving family. Our purpose is to provide well-trained and caring volunteer advocates for abused and neglected children who come to the attention of New Hampshire's courts through no fault of their own.

Last fiscal year (July 1, 2017 – June 30, 2018) our volunteer advocates served 17 children from the Town of Belmont. Currently, we have 5 volunteer advocates residing in Belmont. Our volunteer advocates speak for abused and neglected children's best interests in New Hampshire's family court system- including Laconia Circuit Court, the court that serves children from the Town of Belmont.

	Statewide	Laconia Circuit Court	Town of Belmont
Children served in Fiscal Year 2018	1,411 children	99 children	17 children

The Town of Belmont's funding is critical in helping to support children and families in your area as we continue to meet head-on the challenges presented by the opioid crisis. These include not only an increase in the numbers of cases we are being asked to take, but also in the complexities within the cases. Both factors have contributed to an increased need for volunteers. The success of our program is measured by having the capacity to serve more children than in years prior and minimizing cases turned down due to the lack of volunteer availability. We can only meet our goal of serving 100% of the children in need by successfully retaining existing advocates and recruiting additional volunteers to our program.

Although the goal of a CASA volunteer advocate is to ensure that victimized children are placed in stable and permanent homes, there is still a constant flux of children in and out of the child protective system. These children are often relocated multiple times throughout the course of an abuse/neglect case- moving from one foster or relative home to another and transferring schools multiple times a year. Your support helps children who are in a relative placement or foster home in the Town of Belmont, children who use the Belmont school system, or children with relatives/caretakers in Belmont.

Central New Hampshire VNA-Hospice Report to the Town of Belmont, 2018

Central New Hampshire VNA & Hospice is a nonprofit home health and hospice agency serving Belknap and Carroll Counties. The agency provides professional healthcare services in people's homes to allow them to recover from illness or injury, manage a chronic disease or receive end-of-life care in the peace and comfort of their own homes. We are proud to note that the agency has been providing services to the communities in the Lakes Region for over 100 years.

We are grateful to the Town of Belmont for their continued financial support. We were privileged to provide the residents of Belmont with services from all of our programs during the last year. The Agency's staff made 39,598 home visits during FY 2018. Of those 3439 were made to Belmont residents. These numbers include services provided in our pediatric health care, home health care, certified hospice end-of-life care, and flu shot clinics.

In addition to home health & hospice services, the agency provides free community events including blood pressure clinics and healthcare education such as the importance of advanced care directives. The agency also participates in the Winnepesaukee Public Health Council and Emergency Preparedness Teams where we focus attention on the safety needs of homebound residents within the region.

We encourage Belmont residents to contact us when they have home care needs or questions. We are also happy to speak to community groups about the kinds of care we provide. We can be reached at 524-8444, and we are on the web at www.centralvna.org. We thank you for your continued support, and we encourage you to give us a call.

Letter from our Executive Director

New Hampshire home care agencies, including the Visiting Nurse Association of Franklin, have been losing money in the wake of years of inadequate Medicaid reimbursement rates and cuts to Medicare, along with the rising costs of services and goods.

Many of our funding sources have been cutting back for several years now, not only Medicare and Medicaid, but also grants and community funds, town and county appropriations, and United Way donations. Our agency has been stretched to meet an increase in demand with reduced resources. We just cannot keep up with the demand for services while reimbursement rates fail to cover the cost to deliver care. Inadequate rates do not allow us to keep up with our costs for staff, benefits, gas, insurance and other expenses.

Medicaid reimbursement rates have never kept up with the cost of delivering care. Despite modest increases since 2006, Medicaid reimbursement rates for skilled nursing care and short home health aide visits are currently 40 to 60 percent below cost. In the past, we used surpluses in our Medicare program to cover shortages in other programs. Today, Medicare surpluses have shrunk as Medicare reimbursement rates continue to be cut, diminishing our ability to underwrite state programs and offer free care.

In addition to Medicaid, some state-funded programs, such as homemaker services and adult in-home care, are paid at very low rates, requiring providers to underwrite the programs with other funds. When those other sources shrink, we must evaluate whether we can continue to offer the services.

Inadequate reimbursement rates also hamper our ability to offer competitive wages and benefits. Adequate reimbursement rates are necessary to hire qualified staff to deliver quality care.

We are making every effort to make sure that we can continue to provide care to those in need of essential healthcare services. While all of the care we have been delivering is important to our clients, limited funding would force us to prioritize.

Your contributions allow us to continue to provide the needed services to residents in your community. Please read on and see how your contributions are helping us make difference

Sincerely,

Tabitha Dowd, MSN RN LSSGB

BEREAVEMENT PROGRAM UPDATE

Franklin VNA Hospice programs are intended to help individuals, families, or groups of similarly bereaved people. The goal of all bereavement interventions is the easing of the grieving process and the prevention or mitigation of the harmful consequences of bereavement. The VNA has implemented many different approaches this fiscal year. The major approaches to helping the bereaved are mutual support, bereavement counselor, community resources, and spiritual care.

General Assistance Report

Under New Hampshire RSA:165 the Town of Belmont is mandated to relieve and maintain residents who are poor and unable to support themselves.

The Welfare and General Assistance Department preforms last resort crisis management by means of assisting residents regain control over their own lives resulting in financial responsibility. A large number of office hours are re-educating and training individuals in self-sufficiency and utilization of other resources such as; State Cash Assistance, Food Stamps, APTD, Medicaid and Medicare, Child Care Assistance, NH Housing Emergency Assistance, CAP's Fuel Assistance, Substance Misuse Programs and Treatment Support Referrals, along with internet based Medical and Prescription Programs, and internet Job Search Opportunities.

Based on RSA:165 Town assistance is granted only when all other State, Federal and Economic Resources have been exhausted.

Community Action's funding was again sustained in 2018, a real positive form of relief to our more vulnerable residents. This relief assists with holding the line or decreasing heating, electrical and food budgetary lines. A small example of the cost savings, 276 Belmont households were served through the fuel assistance program, a cost savings of more than \$293,000. Also, more than 875 households utilized the USDA food program at another huge cost savings. A huge thank you to this organization for all their hard work, time, patients and respect given to our residents.

Homeless individuals, substance misuse and mental health issues skyrocket in 2018. It was everyone's hopes that the number of challenged individuals would make a more positive turn in 2018, but our hopes were depleted. Trackable numbers of Homeless and Opioid overdoses continue to be astounding. This population is a very challenging population to house or get immediate services for. Most homeless shelters are dry shelters, making housing next to impossible. The homeless problem is not isolated to just Belmont it continues to be a national and state-wide crisis, a crisis that's lacking transitional housing and recovery support systems. The department utilized shelters when available along with campgrounds and rooming houses. An enormous amount of time doing research, social work and networking is what represents today's positive outcomes.

Despite our hard work and diligence of staying within the bottom line of the budget we continue to always remain concerned with unanticipated State and Federal program adjustments and possible cuts which ultimately results in down shifting at the local level. However, Governor Sununu has promised to continue to make substance misuse, transitional housing and mental health treatment his top priority in 2019.

On a more positive note, thank you to The Belmont Police Explorer post for making Christmas special to our less fortunate children, our local Church Communities for their Food Pantries and Holiday support, and all the local and private donations received during the year. We are truly thankful and honored to have such wonderful people helping and taking pride in our community, thank you.

Respectfully Submitted,

Donna J Cilley
Welfare & General Assistance Director

Request for Belmont Allocation in Fiscal Year 2019: \$10,000.00 (level-funded request)

Lakes Region Mental Health Center (LRMHC), formerly Genesis Behavioral Health (GBH) is designated by the State of New Hampshire as the community mental health center (CMHC) serving the 24 towns that make up Belknap and southern Grafton Counties. LRMHC provides Emergency Services 24 hours a day, 7 days a week, to anyone in the community experiencing a mental health crisis, regardless of their ability to pay. Additionally, LRMHC provides individual, group and family therapy; mobile crisis teams in the event a tragic event occurs that impacts a community at large, psychiatry; nursing; community support programs for people with severe and persistent mental illness; care management; community-based supports; housing; supported employment; substance use disorder treatment; and specialty services and evidence-based practices for children and their families, including trauma-focused therapy, art therapy and play therapy. Child Impact seminars are offered in Laconia and Plymouth for divorcing families. LRMHC owns two handicapped accessible vans and provides transportation services to patients in the greater Plymouth and Laconia areas as a means to enhance access to care in this rural area.

Founded in 1966, LRMHC provides comprehensive, integrated mental health treatment for people living with - and recovering from - mental illness and/or emotional distress. In Fiscal Year 2018, LRMHC's 190 employees served 4,067 children, adults and families. During this same time period, we provided over \$1.2 million of charity care.

In Fiscal Year 2018, **386 residents** of Belmont received services from Lakes Region Mental Health Center, and **107** of these individuals utilized Emergency Services; a 34% increase in ES utilization over 2017. LRMHC provided **\$82,130** in charitable care to Belmont residents. The age breakdown is as follows:

	Patients Served-Agency	Charitable Care in \$	Patients Served-ES
Children (0 to 17 years)	144	\$4,615	36
Adults (18 to 61 years)	213	\$67,500	63
Elder (62 + years)	29	\$10,015	8

LRMHC is requesting **\$10,000** this year; which is a level funded request from last year. Your continued support will help us ensure the provision of 24/7 Emergency Services to people in crisis, as oftentimes emergencies are attributable to lack of health insurance and/or the financial resources necessary to seek preventative care. For many, Emergency Services at LRMHC are the gateway into treatment. Access to timely and effective treatment supports recovery, and minimizes further harm to the patient, the community, and other systems of care.

An investment from Belmont will be leveraged with appropriations from other communities to offset the tremendous cost of staffing the Emergency Services program round the clock. It will help us expand mental health services and increase awareness. Similar to a municipal police or fire department, Emergency Services is a safety net for *all* residents of your town, not just those utilizing the service. Your appropriation will ensure the provision of this essential service for the residents of your community and reduce the burden on your town.

What is a Mental Health Emergency?

A mental health emergency is a sudden change in the mental status of an individual due to a one-time event or as the result of a pre-existing mental illness. Events causing a mental health emergency can include loss of job, divorce, natural disaster or the sudden loss of a loved one. A mental health emergency can occur at any time to anyone, regardless of age, gender or class. Symptoms of a mental health emergency can include, but are not limited to:

- Suicidal or homicidal thoughts
- Feelings of desperation or anxiety
- Delusional thoughts
- Risk of harm to self or others

What are Emergency Services?

Emergency Services are provided by LRMHC in accordance with regulations governing community mental health centers in the State of New Hampshire. Services include access 24 hours a day, 7 days a week, to Master's level clinicians and psychiatrists by individuals of all ages, hospitals, schools, police and others experiencing or dealing with a mental health emergency. The goal of Emergency Services is to reduce the individual's acute psychiatric symptoms, decrease risk of harm to self and others and assist in returning the individual to pre-crisis level functioning. Emergency Services are provided through a 24-hour emergency hotline, mobile crisis response, crisis stabilization, assessments and evaluation and voluntary/involuntary hospitalization. Services are provided in person, over the telephone and via telehealth to ensure rapid access to care.

How does the town benefit? Why should you invest in Emergency Services?

Sadly, today we have a greater understanding of the devastating effects of a mental health crisis. We may get a glimpse of it in when a tragic event affects our own community: a horrific crime, a suicide, the aftermath of an accident. The role of the LRMHC Emergency Services team is not simply to work with the individual in crisis, but to work with the community in its wake. This may include meeting with emergency responders as they cope with a difficult case or with school children and teachers as they mourn the loss of a classmate and student.

An investment from the town will be leveraged with appropriations from other communities to offset the tremendous cost of staffing the Emergency Services program round the clock. It will help us expand mental health services and increase awareness. Similar to a municipal police or fire department, Emergency Services is a safety net for ***all*** residents of your town, not just those utilizing the service. Your appropriation will ensure the provision of this essential service for the residents of your community and reduce the burden on your town.

On behalf of New Beginnings – Without Violence and Abuse, I would like to thank the citizens of the Town of Belmont for their on-going support. Your 2017-18 allocation has enabled our agency to continue to provide trauma informed direct services including 24-hour crisis intervention, long term support and assistance, and outreach and prevention education to people whose lives have been affected by domestic and sexual violence and stalking in all of Belknap County.

Our organization operates a full-time shelter with a food pantry and material goods; staffs a 24-hour crisis line; provides 24-hour advocacy at hospitals and police stations; provides court and social service advocacy; and offers non-judgmental support and advocacy on a one-to-one basis as well as in peer support groups. New Beginnings has programming for children and teens that have witnessed and experienced violence, including resiliency-based programs. Though we serve a small county, the need for services is great. We are available to do a Primary Prevention Programing at the Belmont school system. We had advocates in Belknap County courts each working day of this budget year. New Beginnings is the only domestic and sexual violence crisis center serving Belknap County, offering support and advocacy to **730** individuals in FY17-18, including **76** residents of the town of Belmont and resulting in **14,686** individual services. These services are provided by staff advocates and by our volunteers, who donated over **18,000** service hours.

New Beginnings plays a significant role in the greater community. We facilitate outreach activities and offer education programs to businesses, clubs and groups. We also facilitate age-appropriate prevention programs for students in kindergarten through college, including topics such as conflict resolution, bullying, healthy relationships, and dating and sexual violence. We participate in many committees and commissions, including the Belknap County Family Violence Prevention Council, a task force made up of community members and professionals initiated by the Governor’s Commission to take a stand against domestic and sexual violence in our county. New Beginnings partners with law enforcement through the Lethality Assessment Program (LAP), to reduce the rate of domestic violence homicides in Belknap County and ensure service provision to victims receiving police response. Advocates participate in the local Sexual Assault Resource Team (SART), a comprehensive collaboration of Belknap County Professionals dedicated to promoting efficient and victim-centered services in sexual assault cases; improving conviction rates and engaging victims’ services focused on their health and healing. New Beginnings staff has studied Adverse Childhood Experiences (ACE Study) research and deliver trauma informed direct services.

We are 1 Of 13-member programs of the NH Coalition Against Domestic and Sexual Violence (NHCADSV), promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The coalition is the evaluating body and administrator of state and federal grants and contracts that provide federal and state funding for member programs.

Sincerely,

Kathy Keller

WAYPOINT
Formerly Child and Family Services of NH

Our Mission: Empowering people of all ages through an array of human services and advocacy

Our programs are based on current research, balanced with experience, creativity, and clinical skill. We go wherever the clients need us to be, with a majority of services being delivered in the home or in community settings. We travel 910,000 miles annually, tackling the most complex problems facing families today. Our services are designed to improve functioning, communication and relationship skills, reduce anxiety and low self-esteem, and resolve personal issues or family dilemma.

We provide services to Belmont residents thanks to the annual allocation provided by the town of Belmont. Town support, along with other funding sources, is critical to our being able to offer a wide range of services to children, individuals, and families without regard to income. Last year we served 19 Belmont residents through three programs (Family Counseling, Camp Spaulding, and Parent Aide) and provided over 273 hours of direct service. Programs utilized by Belmont residents:

Family Counseling: For children, youth, adults, couples, and families. Help with child behavior challenges, problems in school, divorce, step-family adjustment, family violence, relationship conflicts, emotional complaints, stress, self-defeating behaviors, addictive behaviors, loss, trauma, anxiety, phobia, and compulsions.

Camp Spaulding: Is an overnight, co-ed adventure program for low-income youth aged 7-15. Camp Spaulding provides all the traditional activities of camp while also focusing on the unique needs of our youth and working with them to empower, grow, and expand their experiences and opportunities.

Parent Aide: On and off-site supervised visits to help maintain the parent-child bond, provide emotional support, community resources, parenting education, and strategies for families involved in child protective services.

Thank you for your continued support and providing Belmont residents with the programs they need.

Public Works and Utilities

2018 Annual Report

The past year has been a productive year which kept the department busy, whether it be the Highway crew with a busy winter season, road maintenance operations or road projects, the department worked diligently to meet the needs of the Town.

In 2018 we completed a number of road repair and maintenance projects on Gardner's Grove Road, Noyes Road, Railroad Ave, South Road, and Wildlife Blvd. Work on those roads included drainage work along with asphalt maintenance shims. I am also happy to say that the walkway from the Slippery Rock Bridge to the Mill was constructed and paved, accent lighting was also added along the walk way.

Hurricane Road reconstruction project was bid on and awarded to Busby Construction. Tree and stump removal started this year and is now complete for the drainage work to begin in the spring of 2019.

Winter 2018 started off mild, leaving us needing to establish road bans earlier than normal and the need to keep them posted longer. Summer started dry but was followed with weekly heavy rains which continued late into the fall, leaving the department to battle continuous washouts.

The Public Works Department would once again like to take an opportunity to thank the Belknap County Department of Corrections and the New Hampshire Department of Corrections for their support this past year; the inmates who worked for us through the DOC's work release program, were a huge help to the Town. The inmates helped with downtown cleanup, roadside trash pickup, beach cleanup, and various building maintenance projects throughout the Town. We look forward to continuing to work with this great program.

Last year we reported that the Town had started working with Pennichuck Water to oversee our water quality testing and reporting. Pennichuck still continues to oversee this

Public Works and Utilities

function. Town staff is actively involved in hydrant flushing, gate maintenance, meter reading, and the day to day operations of the Water Department.

Our Sewer Department continues to maintain over 20 miles of gravity and force main sewer lines. There are eight pump stations that are checked daily and require regular maintenance. The Town of Belmont continues to be an active member of the Winnepesaukee River Basin Project.

I would like to thank my staff for their continued hard work and dedication to the department. I would also like to express my appreciation to all other departments in Town for their assistance and cooperation throughout the year.

Sincerely,

Craig Clairmont

OFFICE OF CODE ENFORCEMENT

2018 ANNUAL REPORT

The Office of Building Inspector /Code Enforcement worked with local businesses and residents to issue Certificates of Occupancy/compliance completing just over 1,400 inspections for the year. Permit totals for 2018 remained high at 176, consistent with prior years. All indications seem to point towards 2019 being a year of steady activity in both commercial/industrial and residential permits.

Single Family Home permits were steady in 2018 issuing 11, 1 permit was issued for tear down and rebuilds and 11 permits were issued for “Ground up” Construction considered to be “New Growth”.

Commercial Structure permits saw a decline in 2018 with no new ground up activity. Construction of Vault motor storage was completed and the Certificate of Occupancy issued in early fall. Several businesses in town completed renovations and modifications within their existing buildings.

The Office of Code Enforcement has been active in 2018, with 21 complaints split between Zoning and Health. The level of enforcement in general has remained Steady with a few properties being forwarded to Town Counsel for legal action.

The Office of Code Enforcement also completed the following;

- 5 Junk Yard renewals
- 9 Change of Tenant
- 173 Utility Permits
- 84 Aquifer Inspections

Respectfully,

Steven J. Paquin

2018 ANNUAL REPORT

Personnel Changes

On September 28th Fire Chief Ken Erickson retired from the Belmont and Laconia Fire Departments, ending a career that saw him in the Lakes Region for 17 years, and in the fire service for 40 years. His knowledge and dedication to the community and fire service will be missed. With the blessing of the Select board choosing to keep the Intermunicipal Agreement with the City of Laconia intact, Kirk Beattie was named to succeed Chief Erickson and was sworn in as Belmont Fire Chief on December 17th.

The fire department had the privilege to hire two new full-time firefighters. In January Pete Latucky was hired to replace Jake Poulin who left to join the Keene Fire Department and in December Nathan Manville was hired to replace Jon Harry who left to go to the Manchester Fire Department. Both FF Poulin, and FF Harry returned to hometown fire departments to continue their careers, the Belmont Fire Department wishes them the best of luck in their futures. FF Latucky and FF Manville will have great careers with us.

In December, Deputy Chief Newhall was promoted to the rank of Assistant Fire Chief. Also, this year, FF Bryan Fenn completed his probation. Congratulations to both of these department members.

Major Fire

On November 21st (night before Thanksgiving) a 5-alarm fire destroyed a house, ell, and large barn located at 702 Province Road. Temperatures were hovering just above zero which added to the need of calling in a significant amount of resources. Aid was sent from more than 20 fire departments to battle the blaze. Belmont Police and Public Works Departments aided the Fire Department as well. Many people from the community offered assistance that night, helping both the firefighters' rehab and stay warm, as well as aiding the family with recovering and caring for their many farm animals.

Year End Review

The fire department ended another busy year with a total of 1532 emergency incidents. Although only slightly less than a 3% increase from last year, it is a 22.5% increase from 2015. That is a significant increase in 4 years. The trend of increasing requests for emergency services is something that most communities are dealing with, and Belmont is no different. I am expecting to see our yearly rate of calls continuously increase.

Response Time Analysis

For fire departments to be effective, we must safely arrive at the scene of an emergency in the best time possible. In the event of a building fire, or medical emergency or motor vehicle accidents with serious injury, this need for quick response times are heightened. For 2018 we arrived at 50% of all our calls within 6 minutes of the time dispatched. As incident numbers go up so to will simultaneous calls for service. This affects response times.

Training

In 2018 companies conducted 411 training classes for 1,082 hours of training. This is for our fulltime and call personnel. These classes include firefighting, technical rescue, water supply, as well as refresher training for our Advanced EMT's and Paramedics, and many other topics.

Many hours were spent training our newest members in all aspects of the fire department, and the fire service in general. These trainings, often let by senior personnel within the department is vital to ensuring we are always providing the highest quality services possible.

Fire Department

Conclusion

The Belmont Fire Department is comprised of many highly trained, and extremely dedicated personnel. These members are continuously out in the public helping with many of our town-wide events, in the schools for fire drills and other safety driven proceedings, and engaged throughout the community in many other ways. This dedication shows the pride the membership has for the community they protect.

Belmont Fire Department also works closely with our elected and appointed officials, as well as every other department within the town. This is not only a positive sign for the fire department, but also shows globally how well everyone in the town works together for our citizens.

Moving into 2019, I would offer anyone who has questions, or for anyone who wants to know more about your, fire department to stop by and see what we do, and help us provide you with the best fire and emergency medical services possible.

Respectively submitted,

Forest Fire and Emergency Management Report

Forest Fire Report

In 2018 Belmont Fire Department handled 12 brush/woods fire related incidents in the town and mutual aid. There were no large incidents. This was the trend in the region for the year.

Emergency Management

There were no major events for 2018 that were classified under emergency management related incidents. The town was able to continue with financial reimbursement paperwork with FEMA related to the march and October 2017 storms. The final reimbursement numbers are close to being completed.

Through a state grant, the fire department secured a multi-purpose trailer for emergency scenes. The trailer has an area for personnel to work from, as well as a large stock of barricades, and cones. This asset will be used by multiple town departments including long duration fires or police events, and for any significant storm that passes through the area.

Annual Report 2018

The Belmont Police Department would like to start off by saying “Thanks” to the community that we serve. Your continued support of this department is truly appreciated, and the men and woman often reflect about the support received from the community and the Board of Selectman. We have a very busy department served by very dedicated, well trained community responsive employees who do their best to make the town you live in, as safe as possible.

We also made several changes in the rank structure of the Police Department. These changes were made necessary to better accommodate the ever-changing call volume and to better support the supervision within the department. Promotions were given to Lieutenant Richard Mann a 25-plus year employee to Captain, Master Sergeant Stephen Akerstrom a 17 plus year employee to Lieutenant, Detective Raechel Moulton a 13 plus year employee to Det. Sergeant, Corporal Evan Boulanger to the rank of Sergeant a 10-year employee, and then Officer Matthew Terry was promoted to the rank of Corporal. We also have two employees who reached milestones. Administrative Assistant Lori Walker recorded her 30th year and Chief Mark Lewandoski completed 40 years with the town of Belmont.

During 2018 four employees of the police department moved on to further their careers. This allowed us to hire four new employees and the first being, Officer Michael Clark who transferred to us from the Pittsfield Police Department, Officer Brian Warburton who transferred from the Allenstown Police Department, and newly certified Officer Josh Landry who graduated the NH Police Academy on December 14th who transferred from the computer technology field and Mitchell Flournoy who joined us from the Williamson County Sheriff's Office in Franklin Tennessee.

The police department has been very busy in part due to the drug crisis that NH is experiencing. Though we are a small town by comparison we share the same issues as those much larger. In 2017 we investigated 81 drug related offenses. In 2018 that number skyrocketed to 235 offenses. We are committed to attacking this issue at its core. We are also thankful to the watchful eye of our residents who report suspicious activity regardless of how

Police Department Report

meaningless they may feel the activity is. This is very helpful in our monitoring and investigations. (See something, say something)

As a result of exhausting investigations, the police department filed 134 Felony level charges resulting in a 76+ referrals for prosecution to the County Attorney. We are still holding approximately 24 drug related warrants until laboratory testing is completed.

There were some notable cases in 2018. We had the Burglary and Robbery at All Boat Repair. This resulted in five (5) arrests with some already convicted. Burglary/Assault on Dupont Road, suspect indicted, unlawful entry to a home where the intruder requested sexual acts, indicted. There were many drug cases resulting in indictments, and several vehicles were seized and subsequently searched by search warrant.

Finally, our K-9 program has been a huge success. K-9 "Vito" has been with the department for five (5) years now. He is handled by now Sergeant Evan Boulanger who spends 24 hours a day with him. If you have attended the National Night Out hosted by the police department in August, you would see the bond that these two have. K-9 "Vito" has been deployed over 60 times not to include demonstrations. He has assisted in searches of schools, Belknap County Jail, area towns and Belmont. He received the "Case of the Quarter" award for tracking and finding an armed felon on Old State Road. He tracked and found a parole violator on Elaine Drive, located a wanted person hiding in a hidden room in a house on Woodland Drive and was recognized by commendations from the US Marshall's Office and the Laconia City Council. K-9 "Vito" is a huge asset to the Town of Belmont.

We would also like to share with you, that Officer Michael Clark was recognized by the New Hampshire Highway Safety Agency at their annual conference in December for his outstanding contributions in DUI enforcement. Officer Clark was the sole recipient of this award for local law enforcement statewide. We thank him for his continued efforts in keeping our streets safe.

Lakes Region Household Hazardous Waste Collection 2018 Annual Report

The 2018 Lakes Region Household Hazardous Waste (HHW) Collections were held on July 28th and August 4th at eight different locations where households from 25 participating communities were able to safely dispose of hazardous waste products. There were nearly 1,700 regional households that took advantage of this opportunity and more than 35 tons of hazardous products were disposed of ensuring that these materials will not enter our drinking water or the environment, on which our local economy is so dependent.

Belmont's site serviced 166 households with over 1,500 gallons of waste. Our site also collected 30+ batteries along with 150 gallons of used motor oil for the use in our used oil furnace at the highway department. Please only drop off uncontaminated motor oil only, if you are not sure include it with the hazardous waste collectors.

More and more Lakes Region communities have been participating in the year-round unused medication collections through local police departments. There is a collection container in the lobby of the Belmont Police station.

The next Lakes Region Household Hazardous Waste Collections will be held on the last Saturday in July (07/27/2019) in Belmont and first Saturday in August (08/03/2019) in other towns. All residents and property owners in participating communities are encouraged to take this opportunity to safely dispose of your household hazardous products.

For a list of hazardous products and some less toxic alternatives you can check with your local coordinator, LRPC (279-8171) or visit the <http://www.lakesrpc.org/serviceshhw.asp> website for details and on Facebook <https://www.facebook.com/Lakes-Region-Planning-Commission-LRPC-1944727235794854/>

We would like to thank the Lakes Region Planning Commission staff and especially David Jeffers, Regional Planner, for his steadfast efforts in coordinating these collection events each year.

We appreciate the efforts of the more than 8 local and more than 80 regional volunteers and municipal staff whose assistance in publicizing and staffing the collection sites make these regional collections successful.

The Belmont Board of Selectmen would like to recognize those individuals who have volunteered, and encourage you to volunteer to keep Belmont a clean and safe environment:

RSA 79-A:1 Declaration of Public Interest. It is hereby declared to be in the public interest to encourage the preservation of open space, thus providing a healthful and attractive outdoor environment for work and recreation of the state's citizens, maintaining the character of the state's landscape, and conserving the land, water, forest, agricultural and wildlife resources. It is further declared to be in the public interest to prevent the loss of open space due to property taxation at values incompatible with open space usage. Open space land imposes few if any costs on local government and is therefore an economic benefit to its citizens. The means for encouraging preservation of open space authorized by this chapter is the assessment of land value for property taxation on the basis of current use. It is the intent of this chapter to encourage but not to require management practices on open space lands under current use assessment.
