2021 ANNUAL REPORT
2022 Warrant and Budget

The 2021 Town Report Dedication

It is the people in Webster that makes the community a home. This year the Town lost some very special citizens. The report this year is dedicated to three of those special citizens Faith Anderson, Cyndel Sue Roberts Donoghue, and Robert Drown, Sr.

Faith Anderson

Faith Anderson was a mainstay in the Webster Community for many years. She was a Supervisor of the Checklist for the town and a Trustee of the Webster Historical Society. She was a leader and supporter of the Merrimack County Oxbows-4H club and was secretary/treasurer of the NE Ox Teamsters Association.

She was an active member of the Webster Congregational Church and served as Treasurer. Her contribution to the public dinners, especially her roast pork dinner, is well remembered by many. She was a familiar face at the Webster Congregational Church booth at the Hopkinton fair.

She will be long remembered for her contributions to the Town.

Cyndel Sue Roberts Donoghue

Cyndel Sue Roberts Donoghue was born on August 12, 1994 and passed away from natural causes on March 2, 2021. She was a vibrant, energetic soul who crammed a lot into a life that was cut too short.

352.07426
W39

2021
C-1

Cyndel would light up a room with her smile and sense of humor. She was a natural born leader and for anyone who knew her, there was never any doubt about what was on her mind. She had a strong sense of right and wrong and always ready to lend a hand.

At an early age, Cyndel developed a passion for animals. She had a variety of pet, including sheep, alpacas, birds, cats, and dogs. She worked for a time at the Blackwater Veterinary Services in Salisbury NH and was known to sneak a stray pet or two into her family home on occasion. She also had a natural gift for floral design and shared her talents and creativity with many through weddings, funerals, and other occasions.

In her teens, Cyndel realized her true calling was in the field of fire services. Having grown up in a firefighting family, she was encouraged to become an Explorer with the Salisbury Fire Department in 2011. Her passion for education led her to obtain numerous certifications including Pro-Board Firefighter 1 & Firefighter 2, Pro-Board Fire Inspector, and National certification as an Emergency Medical Technician. Most recently she had finished her degree in Fire Science from Lakes Region Community College and obtained certification as a Fire Investigator. She worked her way up the ranks with the Webster Fire Department becoming a Fire Lieutenant in 2015, Deputy Fire Warden in 2016, and Captain in 2018. For most of the department Cyndel was the "Go To" for just about everything. As Captain, Cyndel brought her energy & enthusiasm to the department's training program.

At the time of her passing, Cyndel was working at the State Fire Marshall's Office as a State Building Permit Coordinator and part owner of Roberts Greenhouse. She was a rock for her family and friends and left an impression on everyone she met.

Growing up in Webster, Cyndel was taught the value of living in small, rural community. She loved Webster and had planned on settling into a life of community and volunteer service with her partner, Emery Eaton.

NH STATE LIBRARY

Robert "Bob" Drown, Sr.

MAR 10 2022

Bob passed away on December 15, 2021. Bob, his parents and brother moved to Webster in 1944 to what is currently known as the Drown Farm. It was also known as Great Ash Farm for many years, named for the large ash tree that stood in front of the farmhouse.

He took over the farm from his father in 1956, with a small herd of Ayrshires, which has now increased to over 150 head of mainly Holsteins and Jerseys. In past years he sold cordwood and hay to many people in and around Webster.

Bob was very passionate about his farm and worked in the fields until October of 2021.

In addition, he owned and operated Drown Transportation for many years, safely transporting many Webster and Salisbury kids to meet Merrimack Valley buses for transportation to the middle and high school. He would then make a run to pick up and deliver the elementary kids to the schools.

Bob was active in the community, serving the town in many capacities over the years. He served on the selectboard for a total of 13 years. He also volunteered on the Town Hall Building Committee, Landfill Committee, as president of the Old Home Day Committee and as Fire Warden on the Webster Fire Department. He also was active with Merrimack County Farm Bureau as a Board Member and President.

He was a man who was committed to his family, his farm, and his Town. He left a legacy in the community that will be missed by family and friends.

Report from the Select Board

This past year has been one of recovery and rejuvenation. While we all hoped, prayed, and dare we say expected, that Covid would end...it never did. Thankfully our Emergency Services of Police, Fire, and EMS are often given kudos from neighbors and have been able to handle the challenges. We have recovered from the continuing pandemic and the shutdowns, and hit the ground running by working together. While the virus adapts and lives on, so do we all, and so does the town.

In fact, the start of year shutdowns allowed our new and returning staff to get fully up to speed at an amazing rate, organize their work spaces and records, optimize several work flows, and push projects forward. Importantly, they have worked to make sure the town is able to get, and use, as much federal and state money as possible, so we can continue to keep our taxes low while maintaining and upgrading our town. They also negotiated through several legal concerns with the Select Board, following the paths of least litigation and the best interests of the town.

Projects, projects, projects! There have been so many of them on the "to do" list for so long. This year recovered from them languishing for what some would call "forever", and moved forward with a rejuvenated effort. Unfortunately there are a couple projects that hit detours, such as White Plains Bridge and the new Sand Shed access road, but those are back underway and expected this coming year. Long standing projects such as the town hall stoves, emergency lights, emergency fire suppression, town hall water, town hall and library parking lot pavement, the school as an emergency shelter, the code inspector position, securing digital access, code compliance projects, MOU updates with the school district, contract negotiations and renewals, and many others were completed this year. We would be remiss not to mention the unexpected items that needed work too, such as replacing a failed well pump, pulling a large tree out of the town hall roof, legal concerns, town owned property that burned, and keeping our small schools intact. Thankfully, while it has kept us all very busy, all of this has also been managed and is complete!

If you sense a theme here, you're absolutely correct. Recovery, rejuvenation, and completion. Following this theme, it was a breath of fresh air to continue rebuilding the relationship between the Town of Webster and the Pillsbury Lake Village District. This allowed us to work

together, with them replacing and upgrading their water main on Concord Drive, and the Town rebuilding and upgrading the road. Speaking of roads, this was also a year to get road work done, which had previously been delayed by request of the board in the prior year. Our Road Agent juggled the multiple tasks and did a fantastic job catching back up and completing it all.

The Select Board has endeavored to push projects on transparency, openness, and access as well. Webster now has a YouTube channel, with streams or recordings of most meetings. The town policies have been gone through and either updated or reaffirmed. Town hall continues down the path of easier access and ADA compliance. Of course, another long standing item has been records retention. Thanks to the major efforts of our Town Clerk and Administrators, the records retention committee exists, and a policy is now in place.

It is especially thanks to the many volunteers that our town does so well. Some are elected. Some work on boards, committees, and commissions. Some are involved and informed citizens. We are proud to say that this highly active state of civic engagement, especially civil debate, makes Webster strong! There are, however, open positions where help is needed, so please let any of us know if you have an area of interest.

Overall, while some topics have been challenging, it has been a pleasure to serve and represent the Town of Webster. We look forward to our bright future together!

- Chairman David Hemenway

Moderator's Rules

Webster Town Meeting

At Town Hall in the Grange Hall Saturday, March 12, 2022

Community Principles: The Moderator will plan and organize an efficient and effective meeting where every participant will treat every other participant with respect and courtesy.

1. Any voter who wishes to address the meeting will first be recognized by the Moderator and will then state his or her name and address.
2. The Moderator will take the articles in order as they appear on the Warrant unless the Moderator announces the intent to take Articles out of order.
 - a. The Moderator will consider each Article as follows:
 - b. The Moderator will announce the Article number and the subject of the Article.
 - c. The Moderator will read the entire article.
 - d. The Moderator will recognize an individual for the purpose of making a positive motion relating to the subject matter of the Article.
 - e. The motion must be seconded prior to any further discussion.
 - f. The person making the motion will be given the first opportunity to speak to the motion.
 - g. The Moderator will aim to follow a 3 minute time limit for each person who wishes to speak on the motion, but maintains flexibility to allow a person to finish sharing their thoughts.
 - h. The Moderator will allow only comments or discussion pertaining to the Article on the floor.
3. All questions to the Select Board, other town officials, or other meeting participants will be directed through the Moderator.
4. Each voter who desires to speak on an article will be given a chance to do so before any voter is given a second opportunity to speak on the same issue.
5. Each motion and amendment will be stated by the Moderator before being voted upon.
6. Only one amendment to a motion will be allowed on the floor at any one time. No amendment to an amendment will be allowed; such proposals will be dealt with as subsequent amendments after the first amendment has been voted upon.
7. Reasonable discussion on both sides of a motion will be allowed before a "call for the question" will be accepted by the Moderator.
8. Any amendment to financial amounts must be stated in dollars. Percentage figures must be converted to dollar amounts to be accepted by the Moderator.
9. A motion to pass over an article until a specific time or until action has been taken on some other designated article will be accepted.
10. A motion to table or to pass over an article indefinitely will not be accepted. The Moderator expects every article to be voted upon since people have been warned of the business in advance.
11. Upon appeal of any ruling of the Moderator, a majority vote of those attending town meeting will prevail.
12. At any time during the meeting these rules may be altered by majority vote of those in attendance.
13. The Moderator is able to explain any motions that affect the main motion such as "Restricting Reconsideration", "Laying on the Table", or "Amending a Motion".

2022
WARRANT

Webster

The inhabitants of the Town of Webster in the County of Merrimack in the state of New Hampshire qualified to vote in Town affairs are hereby notified that the Annual Town Meeting will be held as follows:

First Session of Annual Meeting (Official Ballot Voting)

Date: **Tuesday, March 8, 2022**
Time: **10:00 am**
Location: **Webster Town Hall**
Details: **945 Battle Street, Webster, NH 03303-7306**

Second Session of Annual Meeting (Transaction of All Other Business)

Date: **Saturday, March 12, 2022**
Time: **10:00 am**
Location: **Webster Town Hall**
Details: **945 Battle Street, Webster, NH 03303-7306**

GOVERNING BODY CERTIFICATION

We certify and attest that on or before **February 18, 2022**, a true and attested copy of this document was posted at the place of meeting and at the **Webster Public Safety Building** and that an original was delivered to the **Webster Town Clerk**.

Name	Position	Signature

Normandie Blake	Select Board - Member	
Marlo Herrick	Select Board - Member	

2022 Town Warrant

Town of Webster, New Hampshire

**THE POLLS WILL BE OPEN
FROM 10:00 AM TO 7:00 PM
TO ACT ON THE FOLLOWING ARTICLES**

To the inhabitants of the Town of Webster in the County of Merrimack in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Webster on Tuesday, the 8th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year. **(BY BALLOT)**

(BY BALLOT)

2. **Are you in favor of the adoption of the Wetlands and Watershed Protection Ordinance, an amendment to the existing Zoning Ordinance, as proposed by the Planning Board?**

The purpose of the ordinance is to: protect clean water for current and future Webster residents; maintain drinking water quality; reduce stormwater and flood impacts; provide a habitat for plants and animals; and preserve the quality of life for Webster citizens. Current existing uses and activities are largely grandfathered, as are legal nonconforming uses, structures, and lots, with some conditions. These rules will be in addition to NHDES regulation.

This ordinance establishes two districts with buffers for each district. The buffer is a strip of vegetative land that protects the wetlands and water bodies from destruction and pollutants by regulating the uses and activities allowed in the buffer. The districts are depicted on the map attached to the ordinance.

The Level 1 District consists of the 25 most important wetlands, ponds, and rivers; other wetlands and surface waters equal to or greater than two acres in size that have certain functions; and vernal pools. The Level 1 District includes a buffer of 100 feet from the edge of the wetlands and surface waters.

The Level 2 District includes all wetlands and surface waters that are greater than a quarter acre in size and that are not included in the Level 1 District, plus a buffer of 50 feet from the edge of the wetlands or surface waters.

For existing lots less than two acres in size, the applicable buffer is 50 feet from the edge of the wetlands or surface waters.

The ordinance is administered by the Planning Board and includes procedures and requirements for applications, conditional use permits, waivers, mitigation, and enforcement.

The proposed ordinance supports the goals of the Webster Hazard Mitigation Plan and the Master Plan.

You are hereby notified and warned that the Annual Business Meeting will be held as follows:

Date: March 12, 2022

Time: 10:00 A.M.

**Location: Grange Hall
945 Battle Street
Webster, New Hampshire 03303**

3. To see if the Town will vote to raise and appropriate the sum of **\$1,637,400** for general municipal operations. This article does not include appropriations contained in special or individual articles addressed separately. (Majority vote required)

The Select Board recommends 3 to 0

4. To see if the Town will vote to raise and appropriate the sum of **\$364,500** to be added to the following established Capital Reserve Funds under RSA 35:1. (Majority vote required)

Medical Equipment	6,000
Fire Department Air Packs	20,000
Emergency Apparatus	65,000
Fire Department-Mobil Communications	10,000
Police Cruiser	21,000
Highways and Roads	125,000
Bridge/Culvert Improvements	75,000
Public Safety Building	5,000
Town Hall Improvements	5,000
Town Office Equipment	5,000
Webster/Hopkinton Transfer Station	4,000

Fire Department Dry Hydrant Repairs	2,000
Fire Department Bunker Gear	2,500
Highway Equipment	7,500
Police Equipment	1,500
Highway Land/Building Fund	10,000

The Select Board recommends 3 to 0

5. To see if the Town will vote to raise and appropriate **\$226,000** to be added to the following established Expendable Trust Funds per RSA 31:10-a. (Majority Vote Required)

Road Preservation	200,000
Technology Fund	5,000
Forest Fire	2,000
Fire Department Equipment	5,000
Highway	5,000
Legal (Webster)	1,000
Compensated Absences	1,000
Municipal Property Maintenance	5,000
Welfare	1,000
Police Vehicle Maintenance	1,000

The Select Board recommends 3 to 0

6. To see if the Town will vote to establish a contingency fund for the current year under the provisions of RSA 31:98-a for unanticipated expenses that may arise and further to raise and appropriate the sum of **\$15,954** to put into the fund. This sum is to come from the unassigned Fund Balance. Any appropriation left in the fund at the end of the year will lapse to the General Fund. This is an Individual Warrant Article (Majority vote required)

The Select Board recommends 3 to 0

7. To see if the Town will vote to raise and appropriate the sum of **\$10,000** to help offset the cost of the bond for "Funds to Repair Dam" passed at the Pillsbury Lake Water District Meeting held August 5, 2006. (Majority vote required)

The Select Board recommends 3 to 0

8. To see if the Town will vote to raise and appropriate the sum of \$37,000 for the purchase of a 2022 Police Cruiser and related equipment, with \$37,000 to come from the Police Cruiser Capital Reserve Fund created for that purpose. This is a special Warrant Article (Majority Vote Required)

The Select Board recommends 3 to 0

9. To see if the Town will raise and appropriate the sum of \$5,000 for the purpose of ongoing restoration/painting of the Old Meeting House.

Submitted by Petition

10. To Transact any other business that may legally come before this meeting.

Notes Regarding the 2022 Proposed Budget

As has been the practice for the last few years these notes are intended to assist the voter in understanding the components of the proposed budget. It will resemble notes in previous reports except for any changes to the operating budget that are noted in the appropriate categories.

EXECUTIVE:

This category includes expenses that relate to the cost of overall administrative expenses. It includes stipends and salaries for administrative functions. The two salary lines in this budget are for the Town Administrator and Assistant Town Administrator/Land Use Coordinator. Stipends in this section are for the Select Board and the Town Moderator. The remaining lines are for expenses relating to administrative functions.

Software Subscriptions

Avitar software for Assessing, Tax Collector and the Town Clerk. Accufund the Town's financial software, GIS mapping portal, website support and subscriptions relating to the Town's computer system such as Microsoft and the software for computer security.

Contracted Technology

This section is mostly for IT services. In 2021 the Town changed IT vendors which is why the budget in this line was lowered.

Technology Equipment

This line covers the cost of computer equipment needing updating or replacing. It is expected that any computer replacement will be to a minimum in 2022.

ELECTIONS, REGISTRATIONS & VITAL RECORDS

These lines are where the Town Clerk's stipend, Assistant Deputy Town Clerk's wages and election expenses appear. This budget is driven by the number of elections expected per year.

FINANCIAL ADMINISTRATION

Stipends for the Tax Collector, Treasurer, Deputy Tax Collector, Deputy Treasurer and Financial Administrator are listed in this category as well as related expenses for those functions.

REVALUATION OF PROPERTY

This covers the contracted services expense for property revaluation and assessing. Revaluation is done on a five year continuing cyclical process. Revaluation line is to cover the annual cost for the revaluation of the Town. The annual revaluation work covers the update of ¼ of total properties in town each year for four years. If a valuation changes in this period, it is due to updates to the physical characteristics of the property. The final fifth year is for the update of all properties to current market value. That is scheduled for 2023.

In addition to the revaluation work there is also annual general assessing to be performed. These include updates to properties, subdivisions or other. It was decided to budget for general assessing separately from the revaluation line to properly reflect the costs.

LEGAL EXPENSES

As the title suggests these are costs for our legal expenses usually provided by Town Counsel.

PERSONNEL ADMINISTATOR

The Town's portion of FICA, Medicare and Retirement are listed here.

PLANNING & ZONING

Planning & zoning expenses are in this category. Legal expenses as related to planning & zoning, and our dues to the Central New Hampshire Regional Planning Commission.

GENERAL GOVERNMENT BUILDINGS

These are the maintenance costs for the Town's physical plant, which include the Town hall, the Public Safety Building and the salt shed. Costs for repairs, maintenance and utilities are also included.

CEMETERIES

This area contains the stipend for the cemetery trustees and maintenance expenses of the Town's cemeteries.

INSURANCES

The line covers costs to insure the buildings, automobile liability and related expenses for employees.

POLICE

The Town has been very aware of the need to provide competitive wages for the Police Department. That is why there is a significant increase in the Police wage lines. The increase to the contract services line is to address the cost of Police Dispatch.

AMBULANCE

This cost is based on the amount paid to the Town of Hopkinton for ambulance services.

FIRE

Officer stipends were increased this year to adequately cover that cost. There was also a new category to computer-based incident reporting in the amount of \$1,000. This will make reporting accurate for the department as well as timely.

CODE ENFORCEMENT

These lines are for Life Safety enforcement and septic review costs. These lines are basically a pass through as the amounts are reflected in the revenues by the fees for inspections. The Town has changed its method in this category. The result is similar to the past. All fees and requests for inspections go through the Town and not directly to the Life Safety Code Inspector.

EMERGENCY MANAGEMENT

This category speaks for itself. In the event of an emergency this category covers the cost of the Emergency Management Director and related costs.

OTHER PUBLIC SAFETY

This line has been used in the past to cover any costs to replenish supplies that would be depleted in the event of a major incident with the Town.

HIGHWAYS AND STREETS

This budget had been level funded for the past few years. Increases were applied to the labor lines, and also for more realistic budgets for calcium chloride and fuel for rental equipment.

HIGHWAY BLOCK GRANT

The budget is offset from the annual road grant money received from the state. These funds are generally used items such as road side mowing and for the purchase of salt/gravel and winter sand.

SANITATION AND SOLID WASTE DISPOSAL

This is the cost for our share of the operation of the Webster/Hopkinton Transfer Station. The Town of Hopkinton's proposed budget for the Transfer Station shows this to be a reasonable expectation of the 25% responsibility for the Town of Webster.

HEALTH

The stipend paid to the Health Officer and Deputy Health Officer has increased. The health officer has devoted many hours in the past few years to serious health issues. Funds to support the Franklin Visiting Nurse Association and Court Appointed Advocate for Children (CASA) are in this budget. Both agencies have supported Webster residents in need.

WELFARE

The budget is for the Town's welfare administration.

COMMUNITY ACTION PROGRAM

This is the Town's contribution to the Community Action Program which remains the same. They have been very helpful to Town Residents in need and offer many programs such as fuel assistance to residents.

PARKS AND RECREATION

This is to cover the maintenance cost of the Town's parks. The budget shows a small decrease.

WEBSTER YOUTH SOCCER

Webster Youth Soccer is now joined with Merrimack Valley. The Town did not contribute last year since the organization changed and there is no budget planned for this year.

WEBSTER FREE PUBLIC LIBRARY

This is the Town's portion for the operation of the library. This shows a decrease as the remainder of the library's budget is offset by investments.

PATRIOTIC PURPOSES-OLD HOME DAY

The donation to the Old Home Day committee.

PENACOOK COMMUNITY CENTER

This is the annual contribution for the curriculums offered. This includes the Senior Center, Day Care Center and Afterschool programs. We were advised at the Public Hearing that Penacook Community Center is now part of the Boys/Girls Club of Concord. There was a donation planned but as in the case with Youth Soccer this donation will not be made unless requested.

ENERGY COMMITTEE

The Energy Committee budget shows an increase that is to cover the cost of membership in Community Power Coalition of NH.

CONSERVATION COMMISSION

There is no change to this budget

LONG TERM DEBT

The Town's long-term debt is for the bond on the Public Safety Building. This bond will mature in 2022. This is the final year for the bond.

SHORT TERM DEBT

The budget has \$1.00 as a place holder in the event it is necessary to borrow in anticipation of property taxes.

SUB TOTAL OF OPERATING BUDGET

The sub-total of the 2022 budget is \$1,637,400 which is a .77% increase from last years operating budget of \$1,624,580. This total does not include the warrant articles for funding of Capital Reserve Funds and Expendable Trust Funds or the individual warrant article for the Pillsbury Lake Bond.

CAPITAL OUTLAY

There is one item in capital outlay this year. It is the warrant article for Pillsbury Lake Dam Building Assistance. This is an annual warrant article and is the Town's contribution towards the bond payment for repairs to the Pillsbury Lake Water District Dam. This bond matures in 2026.

VOTED FROM FUND BALANCE

There is a warrant article to establish a contingency fund for unanticipated expenses that may arise during the year that are not provided for in the annual budget. These funds would come

from the Town's Unrestricted Fund Balance. The Town can use up to 1% of its operating budget for this purpose.

TRANSFERS TO CAPITAL RESERVE FUNDS

The Town has saved money for its large projects for the past several years. This is a very good tool to keep the tax rate stable. Funding for Capital Reserve Funds are for a specific purpose and the fund is set up as such. Capital Funds are usually established to fund a particular project that may be several years in the future. The Capital Improvement Program Committee (CIP) makes recommendations to the Select Board for items to be included. The recommended amount this year of \$364,500 is an increase of \$82,500 from last year. This is mainly due to the change of contribution to the Highways and Roads Capital Reserve Fund.

EXPENDABLE TRUST FUNDS

Expendable Trust Funds are usually established to address immediate needs that may arise during the year for specific purposes. The recommended amount requested this year is \$226,000 as is the case in the Capital Reserve Funds this increase was driven by a requested increase to the Road Preservation Expendable Trust Fund.

TOTAL OVERALL BUDGET

The overall amount to be raised by taxes this year is \$2,237,900, if all warrant articles pass. The warrant article for the Police Cruiser is offset by the withdrawal from the Capital Reserve Fund and the contingency funding is from the fund balance and is not raised by taxes this year. This amount is an increase of .81% from 2021. This is before Town revenues are applied to reduce the amount to be raised by taxes.

**PILLSBURY LAKE VILLAGE DISTRICT
ANNUAL MEETING WARRANT**

To the inhabitants of Pillsbury Lake Village District, Town of Webster, Merrimack County, State of New Hampshire, who are qualified to vote on District affairs, you are hereby notified that the Annual District Meeting will be held Wednesday, the 16th day of March 2022, at 6:00pm at the Webster Town Hall, 945 Battle St., Webster, N.H.

Voting on Article 1 shall be conducted by ballot. The polls will open at 6:00 p.m. and close no earlier than 7:00 p.m.

Article 1. To vote for the following District offices: Commissioner for a term of three years; Commissioner for a term of two years; Moderator for a term of one year; Clerk for a term of one year; and Treasurer for a term of one year. If you are interested please send an email to the clerk to be placed on the ballot.

Article 2. To see if the District will vote to raise and appropriate \$44,950 or the operating expenses for the district:

Commissioners Stipends	\$9000
Clerk Stipend	\$1000
Treasurer Stipend	\$6000
Moderator Stipend	\$50
Auditor	\$10,000
Legal Fees	\$50
Building Maintenance	\$1000
Property - Plowing/Mowing	\$3500
Insurance	\$4500
Office Expenses	\$3500
Permit to Operate Dam	\$400
Parks and Recreation	\$500
Property Maintenance - equipment	\$500
Electricity	\$2000
Gas	\$2000
Water	\$950

Total Article 2 **\$44,950**

Article 3. To see if the District will vote to raise and appropriate the sum of \$27,978 for the Water Filtration SRF Loan Payment for 2022. Final Payment will be on 06/01/2028
(Commissioners Recommend)

Article 4. To see if the District will vote to raise and appropriate \$120,000 for the purpose of operating the water department. (estimated 30% is to come from taxation)
(Commissioners Recommend)

Water Distribution & Treatment

Electricity	\$15,000
Gas	\$1,500
Licensed Operator Service	\$30,600
Telephone	\$1,400
Water Meter Software	\$2,500
System Maintenance	\$66,500
Water Testing	\$2500

Total Article 4 **\$120,000**

Article 5. To see if the District will vote to raise and appropriate the sum of \$25,969 for the Dam Repair Bond payment for 2022. It is anticipated that \$10,000 will come from the Town of Webster. Should the town's article not pass, the entire amount will come from taxation. This article is non-lapsing until 12/31/2023. Final payment will be on 01/15/2028
(Commissioners Recommend)

Article 6. To see if the District will vote to raise and appropriate the sum of \$2500 to be added to the Deweeding Capital Reserve Fund. (Commissioners Recommend)

Article 7. To see if the District will vote to raise and appropriate the sum of \$25,000 to be used for the purchase of playground equipment and landscape materials for the purpose of rebuilding the playground. And to authorize the municipal officials to apply for, obtain and accept any Grants or other forms of aid and assistance which may be available for said project. This article is non-lapsing until 12/31/25. (Commissioners Recommend)

Article 8. To see if the District will vote to raise and appropriate the sum of \$2000 to be added to the Land Survey Capital Reserve Fund. (Commissioners Recommend)

Article 9. To see if the District will vote to raise and appropriate the sum of \$30,000 for repairs to the clubhouse. This article is non-lapsing until 12/31/25. (Commissioners Recommend)

Article 10. To raise and appropriate \$40,000 for the purchase and construction of a new well for the water system. And to authorize the municipal officials to apply for, obtain and accept any Grants or other forms of aid and assistance which may be available for said project. (It is anticipated that 40% will come from grant money). This article is non-lapsing until 12/31/25.

Article 11. To transact any other business that may come before this meeting.

Given under our hands on this 9th day of February, Two Thousand Twenty-Two by the Commissioners of Pillsbury Lake Village District.

A true copy of Warrant - Attest:

Respectfully submitted:

Lisa Robinson, Commissioner

John Goodwin, Commissioner

Allison Marks, Commissioner

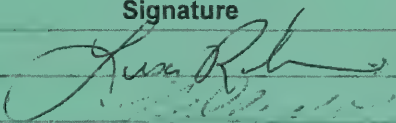

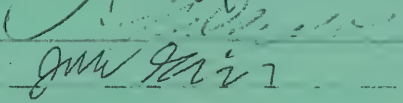

**Proposed Budget
Pillsbury Lake**

For the period beginning January 1, 2022 and ending December 31, 2022
Form Due Date: **20 Days after the Annual Meeting**

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Webster
Webster, New Hampshire

We have audited the accompanying financial statements of the governmental activities, major fund, and aggregate remaining fund information of the Town of Webster as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unmodified and adverse audit opinions.

Summary of Opinions

<u>Opinion Unit</u>	<u>Type of Opinion</u>
Governmental Activities	Adverse
General Fund	Unmodified
Aggregate Remaining Fund Information	Unmodified

Basis for Adverse Opinion on Governmental Activities

As discussed in Notes 1-B and 13-B to the financial statements, management has not recorded the long-term costs of retirement healthcare costs and obligations for other postemployment benefits for the single employer plan in the governmental activities. Accounting principles generally accepted in the United States of America require that those costs be recorded, which would increase the liabilities, decrease the net position, and increase the expenses of the governmental activities. The amount by which this departure would affect the liabilities, net position, and expenses on the governmental activities is not readily determinable.

Town of Webster
Independent Auditor's Report

Adverse Opinion

In our opinion, because of the significance of the matter described in the "Basis for Adverse Opinion on Governmental Activities" paragraph, the financial statements referred to above do not present fairly the financial position of the governmental activities financial statements of the Town of Webster, as of December 31, 2020, or the changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Unmodified Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the major fund and aggregate remaining fund information of the Town of Webster as of December 31, 2020, and the respective changes in financial position and the respective budgetary comparison for the general fund, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Management's Discussion and Analysis – Management has omitted a Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by the missing information.

Required Supplementary Information – Accounting principles generally accepted in the United States of America require that the following be presented to supplement the basic financial statements:

- Schedule of the Town's Proportionate Share of Net Pension Liability,
- Schedule of Town Contributions – Pensions,
- Schedule of the Town's Proportionate Share of the Net Other Postemployment Benefits Liability,
- Schedule of Town Contributions – Other Postemployment Benefits, and
- Notes to the Required Supplementary Information

Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information – Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Webster's basic financial statements. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual fund schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Fund Balance Retention

Enterprise Funds and Current Year Bonds	\$0
General Fund Operating Expenses	\$6,056,369
Final Overlay	\$8,440

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

23B	Net Valuation without Utilities, Adjusted to Remove TIF Retained Value			\$217,381,710

2021 TREASURER'S REPORT

The Treasurer serves as overseer of Town funds. Pursuant to NH RSA 41:29, the Town Treasurer shall have the custody of all moneys belonging to the Town, and shall pay out the same only upon orders of the Select Board. The Town of Webster holds accounts at Franklin Savings Bank, Boscawen, New Hampshire office, an RSA required federally insured bank. The General Operating Account funds transfer into a sweep account every night which protects the funds to the highest degree and offers the highest possible interest rates. Funds are then released into the General Operating Budget as needed.

The Town Treasurer keeps all suitable books in both electronic and paper format. All bank accounts are reconciled with the Financial Administrator's work monthly. These reconciliations are submitted to the Town auditors for examination at the close of each fiscal year.

Treasurer's Report General Operating Account

Balance reported on January 1, 2021	\$1,475,440.32
Balance on December 31, 2021	\$1,883,458.80

I express my gratitude for a smooth transition, and support from Bruce Johnson. I am indebted to Melissa John for stepping up to serve as Deputy Treasurer. Thank you to Dana Hadley, Wendy Pinkham, Michele Derby, and Karen King for their collective body of financial work for our town and with me as I transitioned from Deputy Treasurer to Treasurer in September.

Respectfully submitted,

Michele L. Tremblay
Webster Treasurer, appointed September 7, 2021

TOWN CLERK'S REPORT

For Year Ending December 31, 2021

Webster's Town Election was held on March 9 and saw a low voter turnout (282 ballots cast). There were no candidates on the ballot and no write-in campaign for the 2-year Trustee of Trust Funds position. Judith Jones, with just three write-in votes, was elected. Keep this in mind when you write in your neighbor as a joke, you could be electing them. Town Meeting was scheduled for April 17 and held outside in the courtyard behind the elementary school. Shortly after the meeting began, it started raining and a motion was made to move into the school's gym/cafeteria. All voters but one, the Moderator, voted to move inside. We donned our masks, remained socially distant, and we were able to complete the business of the town quickly.

Every 10 years, the Supervisors of the Checklist in each city and town in the State of New Hampshire are required to conduct a verification of the voter checklist. RSA 654:39 requires the supervisors of the checklist to review their voter list for any voter that did not vote in any election in the past four (4) years and has a registration date that is on or before November 3, 2020 (the last state general election). Voters that met this criterion (110) were sent notices stating they would be removed from the checklist and would be required to reregister. Only two voters registered and remain on the voter checklist; 108 names were removed. This could mean the voters have moved from town; but in seeing the list, it could also mean they met the criteria above to receive a letter and did not respond timely. You can always register to vote in the Town Clerk's office, at a session of the Supervisors of the Checklist or on Election Day. A big shout out to our Supervisors of the Checklist, Sarah Chalsma, Nancy Webster and Jennifer Heath-Stillwell for the extra time needed to complete this requirement.

My goal has been to provide online services to residents. We are finalizing this option and plan to "go-live" in January 2022. You will be able to renew your motor vehicle and dog registrations online and pay with a credit/debit card or by check.

My three-year certification program is turning into a five-year program. It was cancelled for a second year due to Covid. I would like to thank the residents of Webster for their continued support. I so enjoy the journey we have experienced.

Respectfully submitted,

Michele Derby
Town Clerk

Sadly, we lost a long-time election official in 2020. Harold Janeway served as Moderator for 23 years and I had the extreme pleasure of working with him in my early years as Town Clerk. His calm presence and quick wit will certainly be missed. He popped in to serve as Assistant Moderator at the March 2019 election.

My last year of a three-year certification program was again cancelled due to Covid-19. It is always a learning experience and a pleasure to guide you through your business.

Respectfully submitted,

Michele Derby

Town Clerk

VOTER CHECKLIST: Every 10 years, the Supervisors of the Checklist in each city and town in the State of New Hampshire are required to conduct a verification of the voter checklist. RSA 654:39 requires the supervisors of the checklist to review their voter list for any voter that did not vote in any election in the past four (4) years and has a registration date that is on or before November 3, 2020 (the last state general election). Voters that met this criteria were sent notices stating they will be removed from the checklist and are required to re-register. 107 names were removed from Webster's voter checklist due to this process. This could mean the voters have moved from town; but in seeing the list, it could also mean they met the criteria above to receive a letter and did not respond timely. You can always register to vote in the Town Clerk's office, at a session of the Supervisors of the Checklist or on Election Day. A big shout out to our Supervisors of the Checklist, Sarah Chalsma, Nancy Webster and Jennifer Heath-Stillwell for the extra time needed to complete this requirement.

TOWN CLERK'S SUMMARY

WEBSTER FREE PUBLIC LIBRARY

ANNUAL REPORT OF THE TRUSTEES FOR 2021

Our hope in our 2020 Annual Report was that things would return to normal by the end of 2021. COVID stayed with us throughout the year, though, so we had a quieter than usual year, and returning to normal practices took place in small increments. We began the year still sanitizing and social distancing, and still holding our meetings via Zoom. We did not have any performers or speakers this year.

In June, our Wednesday evening hours resumed, we stopped limiting the number of persons in the library at any one time, and we recommenced in-person trustees meetings at the library. We stopped requiring masks in July and our Summer Reading Program once again took place in the library. Our Free Friday Films started up again in September.

Sadly, in December, rising COVID rates necessitated a return of our mask requirement.

We refurbished our garden this year, to the enjoyment of the butterflies as well as our human visitors. We acquired two Chromebooks for patrons to check out. And, after an absence of many years, we brought back a puzzle collection to the library.

Our librarian applied for and received an American Rescue Plan Act of 2021 (ARPA) grant, which was used to purchase a scanner for preserving and digitizing local history materials, and to purchase Playaway Launchpads to support STEM education for children.

We wish to thank the following people who donated generously to the library this past year: Chris and Summer Dawe for their donation in memory of Janice and Frederic Dawe, Marylou and Phil Desmarais, and Judith O'Donnell. Thank you, also, to everyone else who supported the library with their donations of time, materials, or money.

We added 54 names to our patron files and removed 62, giving us a total of 451 registered borrowers. 1437 people visited the library during the year. We added 501 books, audiobooks, DVDs, and other materials and removed 463, leaving us with 11,359 materials. Our library members checked out 4302 books, audiobooks, DVDs, magazines, museum passes, and equipment, and downloaded 3579 audiobooks, eBooks, magazines, movies, television shows, music, and comics. We loaned 247 materials to other libraries, and borrowed 172.

Our most popular book in 2021 was *Klara and the Sun*, by Kazuo Ishiguro, and our most popular DVD was *News of the World*.

By borrowing materials from the library, our members saved \$60,693 over the cost of purchasing them.

Respectfully submitted,

Nancy Picthall-French, Chair
Martin Bender, Treasurer
Leslie Collins, Secretary

Road Agent Report

Routine maintenance was of utmost importance in 2021 as we had to take a bit of a hiatus in 2020 due to the COVID pandemic. The usual grading of gravel roads and cold patching of paved roads continued, and the routine ditching, shoulder work, and roadside mowing received more attention to get us back on track. The maintenance of both the White Plains Road Bridge and Clothespin Bridge was more frequent. We look forward to having the White Plains Road Bridge repaired in 2022.

Road Construction on Concord Drive and Penacook Circle was planned with the Pillsbury Lake Water District to save money while the new water lines were installed. This road project has been completed.

2021 continued to be a challenge for all of us. I would like to take this opportunity to thank the Board of Selectmen, Webster Police Department, Webster Fire Department, Webster Town Hall Employees and Committee Members and all the Webster residents who have supported me and my family through this very tragic year. We are eternally grateful.

Respectfully,

Emmett Bean, Road Agent

Webster Volunteer Fire Department

Department Officers:

Fire Chief - Emmett Bean

Deputy Chief - Robert F. Drown III

Captain - Ben Smith

Captain - Emery Eaton

Lieutenant - Greg Taylor

Lieutenant - Cameron Lorden

The challenges of the Covid 19 pandemic are still present and we ask that all Webster residents remain vigilant in promoting health and staying safe. The Fire Department completed 2021 with 220 calls for service. We have had a quiet year for brush fires but have experienced motor vehicle accidents with one fatality, building fires – three, rescues, mutual aid to neighboring towns, along with routine fire alarm activations.

On February 24, the Webster Fire Department was dispatched to a working building fire on 225 Deer Meadow Road with occupants trapped. As tragic as this could have been, due to the quick reaction of a passerby, the timely reaction of our members, their training and the mutual aid support from the surrounding towns made the outcome the best it could be.

Webster's fire department is an extremely capable department with twenty-six members including our two fire explorers. Weekly meetings consist of 1 night per month at our firehouse for Truck check, EMS training, Fire training, and Business meeting. We are fortunate as a town to have volunteers that are willing to go above and beyond, as they continue their certifications and volunteer their time.

Members who have completed classes in 2021 include:

Deputy Robert F. Drown III completed an Instructor Class.

Lieutenant Greg Taylor completed his EMR Class.

Fire Fighter Chris Conary completed Fire Fighter 1 and 2.

Fire Fighter Lynn Weaver completed Fire Fighter 1.

EMT Amanda Weaver completed her EMT Class.

Fire Explorer EMR Carter Costello completed his EMR

This year was especially tragic for our firehouse with the loss of Captain Cyndel Donoghue. Captain Donoghue had done so much in her short life and her passion and dedication for the Webster Fire Department goes beyond words. Cyndel will continue to be missed. Captain Donoghue's family set up a training fund for eligible people who will continue their education in the Fire Service. A huge thank you goes to all who supported this fund, as well as all the support to our Fire Department and Cyndel's family. The Capt. Cyndel Donoghue Fire Training Fund has already assisted three applicants as they move toward their goal of service.

We are extremely grateful for all the Mutual Aid Support that we receive from the surrounding area. The Webster Police Department for all their support and great working relationship. The NH Fire Marshall's Office for their support, service, and friendship. Thank you.

May 2022 be a better year for all.

Respectfully,

Emmett A. Bean, Fire Chief

Welfare Report

This year was hard on the Town's welfare coffers. We ended 2021 over budget by \$2,863.25 spending a total of \$5,063.25. This represents assistance given to three clients involving nine people. All cases were to take care of housing expenses. The current real estate situation of high rent and limited availability of rentals certainly impacts the person just "making it".

There is a provision in New Hampshire Law RSA 165:31 that requires someone to participate in a work program to pay back the amount owed to the Town. There are exceptions in the law that excuses certain people due to circumstances. I am pleased to say that one client is participating in the work program. This is a person who is working to help themselves out of a situation. For me, that is what it is all about.

I am lucky that I can gather advice as to how to handle cases from New Hampshire Municipal Association and the New Hampshire Welfare Administrators of which I am a member. Many of the members work for larger communities and have handled many difficult cases. They helped me this year with a complicated case. They are always willing to chat and offer wise counsel.

In closing, I will repeat what I said last year about all the assistance given to us by the Community Action Program and the staff at our local office in Warner. They help with Fuel and Electric Assistance and offer financial counseling to clients. I cannot end my report without mentioning the Webster Food Pantry. They do an excellent job to help provide for food needs in the community.

Respectfully Submitted,

Dana I. Hadley

D.A.R.E.
to keep kids off drugs

Emergency Dial 911

Citizens of Webster, the following is the 2021 Annual Report for the Webster Police Department.

The core mission is to serve the community by proactively patrolling roadways and responding to calls for service. The officers patrolled 43,106 miles and conducted 921 motor vehicle stops. This resulted in 87 summons and 834 warnings. Fifty-eight suspects were arrested which brought forward 131 charges. The Town's officers also responded to 1,815 calls for service over the past year.

Due to the Covid restrictions our D.A.R.E. program celebrated a small graduation at the Webster Elementary School. A special thanks to Deputy Stacey Fiske of the Merrimack County Sheriff's Department and the staff of the Webster Elementary School for their continued dedication in making this program a success. This was the twenty second year of the D.A.R.E. program being taught to our students.

The department also participated in another long-standing program offered by the Drug Enforcement Administration: Drug Take Back Day. This program is hosted twice a year and provides an opportunity for the community to properly dispose of expired and unused medications (human or animal). Approximately 30 people dropped off their unwanted medications totaling about 55 pounds. The collected medications are incinerated and converted into clean, renewable energy. A better alternative than falling into the wrong hands or polluting our water.

I would like to take this opportunity to thank the members of the Webster Police Department for their commitment to the citizens of Webster: Lieutenant Mitchell, Sergeant Sparks, Officer Westgate, Officer Wyman and Officer Raffaely. Thank you to Michele Derby for all her duties as our Administrative Assistant, as well as Town Clerk. Thank you to Emmett Bean, our Fire Chief and Road Agent along with the first responders and highway crew for all their hard work and commitment to our citizens. To the Selectboard and staff in the Town Office for all they do in keeping our Town running efficiently.

Respectfully Submitted,

Stephen P. Adams
Chief of Police

Cemetery Report

The cemetery trustees would like to remind people about the rules and regulations concerning the cemeteries.

- Lots are available to Webster residents and taxpayers with a fee of \$250.00. Once a plot is purchased, corner markers must be installed.
- Non-residents are admitted for burial in existing lots belonging to relatives at the request of the family providing there is space available.
- No new permanent shrubs or plants are allowed in any cemeteries. The reason being is they make the maintenance of the cemeteries more difficult.
- All grave openings of the cemetery are the responsibility of the Trustees.
- Waterproof vaults are required for the interment of a casket burial.
- All burials are discontinued once we have snow and/or the ground is frozen. Generally, we don't start burials until after May 1st depending on weather and ground conditions.
- Please DO NOT throw any trash over the fences. The land over the fence is private property.

The cemetery plans to fix down stones this year (however that is always a project) and grind the stumps at Riverdale. Clough Sanborn Hill Cemetery is cleaned up yearly.

If you have any questions or concerns, please contact any one of the following trustees.

Report of Forest Fire Warden and State Forest Ranger

Despite a brief flurry of wildfire activity across the state this spring, the summer and fall months saw weather conditions which kept the fire danger consistently at low levels. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

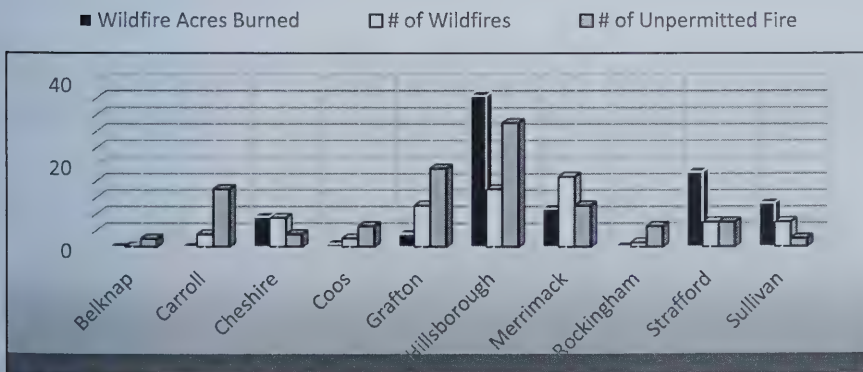

The long lasting drought effects in Coos County are showing some minor signs of improvement but a good portion of northern Coos remains in the abnormally dry category with the northeastern portion still remaining in moderate drought. While the drought conditions have improved, we expect some areas of the state may still be experiencing abnormally dry or drought conditions this spring. For this reason, we ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: **Always Be Careful** with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2022 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdf/. For up to date information, follow us on Twitter and Instagram: **@NHForestRangers**

2021 WILDLAND FIRE STATISTICS

(All fires reported as of December 01, 2021)

1	81	25	0	7	1	4	2	41

*Miscellaneous includes power lines, fireworks, electric fences, etc...

2021 ANNUAL REPORT TO BOARD OF DIRECTORS

The 2021 annual report is prepared for the Board of Directors of the Capital Area Mutual Aid Fire Compact as a summary of general activities and events occurring through December 31, 2021. It is also provided to the Town offices of the Compact's member communities for information and distribution as desired.

The Compact serves 23 communities in 4 counties. The Compact's operational area is 817 square miles with a resident population of 148,595. The Equalized Property Valuation in the area we protect is over 18.4 billion dollars. We also provide and receive mutual aid responses with communities beyond our member area.

The Compact continued to feel the impacts of the pandemic during 2021. Call volume increased in the fall as the pandemic spread. The pandemic limited our training opportunities, our ability to meet as a group and the ability of our vendors to complete projects.

The Compact provides 24/7 emergency dispatch service to member communities. This service is contracted with the City of Concord Fire Department's Communications Center under the direction of dispatch supervisor Captain Elisa Folsom. A detailed activity report by town/agency is attached.

During 2020 we selected a vendor, signed a contract and began the process of replacing our Computer Aided Dispatch (CAD) software with a new cloud-based CAD. At the end of 2021 our CAD vendor announced that they were unable to deliver us a working CAD and that they were suspending any further development of their product. We begin 2022 with another search for a CAD vendor that can meet our needs.

The 2021 Compact operating budget was \$ 1,369,319. Funding for all Compact operations is provided by the member communities. We continue to apply for State and Federal Grant Funds when available.

During 2018 we received a Homeland Security Grant in the amount of \$387,415.00 to replace the existing dispatch console equipment. Work on that project began in 2019 and was expected to be completed during 2020. Work extended into the final weeks of 2021, due to delays caused by the pandemic. This grant funded project is now complete and we are awaiting the final reimbursement from the State.

The Compact and Hazmat Team have received over 3.65 million dollars in grant funding since 1999. These funds have been used for communications improvements, training and equipment. The direct benefit that your community has realized from these grants is made possible by your participation in the regional service that we provide.

During 2021 efforts were made to secure funding for a Class B foam response unit and a supply of Class B foam for all Compact fire agencies. This would improve our ability to respond to flammable liquid fires. It would replace the legacy Class B foam that many agencies had. That foam has been determined to be an environmental and health hazard. The Compact applied for Directed Funding from the Federal Government through Senator Shaheen's office. We were not successful in acquiring those funds. A grant application was made to the 2022 Homeland SHSP program. We will find out in 2022 if we were successful with this application.

During 2021 several communications projects were undertaken. In cooperation with Lakes Region Mutual Fire Aid and the State of NH, our microwave link between Belknap Mountain and Mount Kearsarge was replaced with a more robust system. This should be more resistant to damage at these ice prone sites than our old system and it can carry more traffic allowing us to share this resource with the State & Lakes Region.

The microwave link between Wolf Hill and Craney Hill was reprogrammed and relicensed to provide better performance. The radio antenna on Gould Hill was relocated due to an expansion of that tower.

As Chief Coordinator, I responded to 611 incidents, a 12% increase over 2020. In addition to responding to provide command post assistance at those mutual aid incidents, I also aid all departments with response planning, updating addressing information, and I represent the Compact with several organizations related to public safety.

Compact officers serving during 2021 were:

President, Chief Jon Wiggin, Dunbarton
Vice President, Deputy Chief Ed Raymond, Warner
Secretary, Chief Guy Newbery, Concord/Canterbury
Treasurer Chief Jeff Yale, Hopkinton

The Training Committee activities spent another year on hold due to the pandemic.

The Central New Hampshire Hazmat Team represents 58 Capital Area and Lakes Region communities and is ready to assist or respond to hazardous materials incidents in our combined areas. The Team responded to 17 hazmat incidents during 2021.

Please visit the Compact website at <https://www.capareafire.org/> for incident photos, news, scheduled events, training info, SOGs and department profiles.

All departments are encouraged to send representation to all Compact meetings. Your input is needed. The Compact was created for the mutual benefit of member communities and active participation is a necessity to ensure the needs of all are being met.

I invite anyone with questions or comments to contact me. I thank all departments for their cooperation. Please contact any Compact officer or the Chief Coordinator if we may be of assistance.

Respectfully submitted,
Keith Gilbert, Chief Coordinator

Planning Board Annual Report

2021 Was a productive year for the Planning Board. The Planning Board reviewed and approved two subdivisions and two site plans. Applications and permits were also processed for fifteen driveways and four building permits. The Planning Board has also finished its work on the Wetlands and Watershed Ordinance. The final language of the ordinance was approved in December after several public hearings. The Ordinance now goes to the Town for a ballot vote at the upcoming election in Mach.

In April, Chairperson Susan Rauth retired from the Board. She has been on the Planning Board for the last fifteen years and had been the Planning Board Chair since 2014. The Planning Board was sad to see her go and thanked her for her service to the community. In May, the Board welcomed two new members Susan Youngs and Adam Mock. The Board also welcomed its newest Select Board Ex-Officio Member Marlo Herrick.

The Planning Board developed the Capital Improvement Program (CIP) with a Subcommittee comprised of Planning Board members, Town administrative personal, and citizen volunteers. The Subcommittee discussed and identified the capital needs of the Town with the various department heads for the next six years. These capital projects recommendations were provided to the Select Board to use in the budget process.

Members of the Planning Board are still working with the committee appointed by the Select Board to develop the Memorandum of Understanding with Olivewood Energy. The committee is currently waiting for additional plans from Olivewood Energy and these plans are expected in the first quarter of 2022.

Thank you to the members of the Planning Board and all the town volunteers and staff for your continued commitment to improving our community.

Respectfully Submitted,

Craig Fournier, Chair

Webster Conservation Commission

Annual Report 2021

The Webster Conservation Commission Mission:

“... to help to preserve the rural character of Webster with an emphasis on maintaining clean water, productive agricultural land, managed and unmanaged forest land, and other open spaces. We will help the town manage the pressures for continued growth by promoting creative practices to protect open space, encourage biodiversity and habitat protection and conserve natural resources”.

Consistent with our mission, the Webster Conservation Commission (WCC) spent most of this past year collaborating with the Planning Board on a final draft of the Wetlands and Watershed Protection Ordinance. Conservation of wetlands and surrounding habitat is vital for the ongoing protection of our clean water as well as our bountiful wildlife. In addition, wetlands provide protection from flooding and mitigate the impact of drought – especially important as large storms and other weather-related events become more common.

This past year also provided an opportunity for the WCC to engage with the Boscawen Water District which decided to auction off property located on Walker Pond in Webster. We were outbid but the high bidder hopes to conserve the 32.4 acres along the Pond, so we all will benefit in the end! We recognized how important it is to build the Conservation Fund for future land protection opportunities that may arise.

For the 8th year Sally Embley coordinated a town-wide roadside clean up around Earth Day which is always a successful effort. Looking forward to a post-pandemic time, we hope to offer more in-person educational events including wetland and wildlife talks and hikes through some of our lovely town and open land. We will be updating the maps of our trail system which will be available at Town Hall.

Respectfully submitted,

Chris Schadler, Chair, Webster Conservation Commission

Appointed Members: Betsy Janeway, Mary Jo MacGowan, Sally Embley, Isabel Brintnall

Alternate Members: Bob Quinn

ENERGY COMMITTEE

Solar power continues shining in Webster with the Town's municipal solar array generating more electricity than the Town uses.

The Energy Committee works on all energy related issues affecting the Town. This includes monitoring and maintaining the municipal solar array site, pursuing further energy efficiencies, planning for future replacements and upgrades, and monitoring Deer Meadow Solar's progress. Some members are on the Select Board's Solar subcommittee for the Deer Meadow Solar project, and all members have offered input.

The Energy Committee is moving forward with Aggregate Power (aka Community Power), with the Town now members of the Community Power Coalition of New Hampshire and Committee members on their Board of Directors. You can expect to hear more about this in the coming year, and see the fruits of the Committee's efforts in this regard on next year's ballot. We are aiming to offer all Webster residents both less expensive, and more green, electricity once the plan is ready to be voted on.

The Energy Committee continues to save the town money while that is in progress, with more LED light fixture upgrades installed, further reducing the electric demand charges that we pay. The next large efficiency leap will likely come from more energy efficient HVAC systems for the Public Safety Building when replacement becomes appropriate.

The Committee continues to work on maintaining the solar array and finding additional improvements and savings related to the Town's energy needs and usage. We always welcome the public and new members, and anyone interested in joining the committee is encouraged to attend a meeting or contact any of the members listed below.

Energy Committee

Chairman: Martin Bender	George Cummings
David Hemenway	Jere Buckley
Dee Blake	Ron Leland
	Tricia Illaqua

Community Action Program

The mission of Community Action Program is to work with low-income families, the elderly and those with handicapping conditions to assist them in their efforts to become or remain financially and socially independent. The Agency accomplishes this task by providing a broad array of programs that are locally defined, planned and managed. During the past year, we have provided \$33,533.26 in services through the area center. In Webster, we help with fuel and electric assistance, and food from the Warner Emergency Food Pantry. (Now under Warner Connects) We also work hand-in-hand with other organizations to meet the needs of our residents. For those who are unable to come to the CAP office, we visit their homes and assess how we can help them. A portion of our funding that allows us to offer these services comes from the towns we serve.

Service Description	Units of Service	Household/Persons	Value
Fuel Assistance	14 applications		\$ 18,501
Electric Assistance		18 households	\$ 5,983.94
UCARES Covid	1 homes	3 people	\$ 2,500
USDA Commodity Food	85 cases		\$ 3,473.32
Emergency Food Pantry	705 meals	135 People 47 households	\$ 3,525

Information and Referral - CAP provides utility, landlord/tenant, legal and health counseling as well as referrals for housing, transportation and other life concerns. These support/advocacy services are not tracked.

Webster has been very supportive of our efforts over the years, and we are thankful for the Town's continued commitment to our programs. For more information, please contact us at 456-2207.

Respectfully submitted,
Beth Heyward, Community Services Director

2021 Annual Report from the Currier & Ives Scenic Byway

The Currier and Ives Scenic Byway is a 40-mile long state-designated route that passes through the towns of Salisbury, Webster, Warner, Hopkinton, and Henniker. It is part of the New Hampshire Scenic & Cultural Byways Program administered by the NH Department of Transportation (NHDOT). The Currier & Ives Scenic Byway Council is a volunteer organization with representatives from each of the five Byway towns. Byway Council members are appointed by their town's Select Board.

During 2021, the Council began an outreach program called Byway Spotlights, where the Council partnered with local businesses or organizations to highlight their valuable contributions to our Byway communities. These spotlights were shared on social media with the

new hashtag #BywaySpotlights and can be found on the Byway's webpage at <https://currierandivesbyway.org/byway-spotlights/>. For the program's inaugural year, the Salisbury Fire and Rescue Department and the Henniker House Bed & Breakfast were featured. The Byway Council would also like to thank all the businesses and organizations located along the Byway that support the Council on a continuing basis. If any businesses would like to be featured on #BywaySpotlights, please reach out to us for more information.

The Byway Council is currently working with NHDOT to install Byway Wayfinding signs along Rt. 103 and Kearsarge Mountain Road in Warner. This has been a long-term goal of the Council since the route extension was added in 2017. Wayfinding signs have already been installed along the other portions of the byway route for many years. It is anticipated that the signs will be installed in Warner in 2022.

The Byway Council would like to thank all of its volunteers and the staff and residents of our five towns for their continued support throughout another challenging year. While our outreach shifted to be more web-based this year, it is our hope that we will see more of you all face to face in 2022!

Byway Wayfinding Sign in Webster

The Currier & Ives Byway Council is currently looking for volunteers. Local residents, businesses owners, or others affiliated with the community are welcome. The Council meets quarterly on a rotating basis among the five Byway towns. Meetings are open to the public, and all interested parties are welcome. Information is available on the Byway website at www.currierandivesbyway.org.

The Town of Webster's Byway Council Representative is John Clark. The Central NH Regional Planning Commission provides administrative support to the Byway Council and can be reached at cnhrpc@cnhrpc.org.

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

28 Commercial Street, Suite 3, Concord, NH 03301
(603) 226-6020 www.cnhrpc.org

Established in accordance with state law, the Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 20 communities in Merrimack and Hillsborough Counties. Craig Fournier, Russell Tatro and Susan Roman (Alternate) are the Town's representatives to the Commission.

CNHRPC's mission is to comply with State statute (RSA 36:47) by preparing and adopting regional land use and transportation plans and a regional housing needs assessment. CNHRPC evaluates developments of regional impact (RSA 36:54-58) and provides data, information, training, and high-quality, cost-effective services to our member communities. CNHRPC also provides technical assistance services, including zoning ordinance development, grant writing assistance, circuit rider assistance, plan review services, local master plan development, capital improvements program development and guidance, hazard mitigation planning guidance, and Planning Board process training. CNHRPC advocates for member communities and assists and encourages them in both municipal and regional endeavors.

In 2021, CNHRPC undertook the following activities in Webster and throughout the Central NH Region:

- Provided technical assistance as requested, including assistance regarding zoning ordinance updates.
- Initiated the development of the Regional Housing Needs Assessment that is scheduled to be completed in 2022 in coordination with the NH Office of Planning and Development and the other eight NH regional planning commissions.
- Provided continued hazard mitigation plan development and implementation assistance in communities throughout the region.
- Coordinated the activities of the CNHRPC Transportation Advisory Committee (TAC). In 2021, CNHRPC held five TAC meetings. The CNHRPC TAC participated in the development of the Long Range Transportation Plan and the update to the CNHRPC Transportation Improvement Program concurrently with the NHDOT 2023-2032 Ten Year Plan Update.
- Conducted over 200 state and local traffic counts throughout the region.
- Assisted the Currier and Ives Scenic Byway Council with its member towns of Henniker, Hopkinton, Webster, Warner, and Salisbury. Additional information can be found at currierandivesbyway.org.
- Continued to lead on regional trails planning, particularly on rail trails and primary trail corridors that span the region and state, but also with municipal trail systems that span neighboring communities.
- Provided coordination assistance to the CommuteSmart NH program that works to support transportation demand management services and rideshare coordination across the state using newly implemented Agile Mile transportation demand management (TDM) software.
- Maintained a Geographical Information Systems (GIS) database for the region and each CNHRPC community. CNHRPC is ready to serve a wide range of GIS services to member communities using this GIS data, software, and existing map templates. GIS data is obtained from a range of sources, or is developed by CNHRPC.

For additional information, please contact the CNHRPC staff or visit us at www.cnhrpc.org. CNHRPC Commission meetings are open to the public and interested citizens are encouraged to attend.

UNH COOPERATIVE EXTENSION MERRIMACK COUNTY

UNH Cooperative Extension serves residents in each of Merrimack County's 27 towns with diverse programming through 4-H, Nutrition Connections, Food & Agriculture, Community & Economic Development, Natural Resources, and Youth & Family Resiliency. Extension is the public outreach arm of the University of New Hampshire, bringing information and education into NH's towns, helping to make individuals, businesses, and communities more successful and keeping NH's natural resources healthy and productive.

Food & Agriculture: We support the county's agricultural industries, including producers of fruits, vegetables, ornamental plants, and livestock, through workshops and trainings, diagnostic services, applied research, and one-on-one consultations. An ongoing programmatic highlight is the peach and nectarine variety trial being hosted at Apple Hill Farm in Concord. On-farm collaborative research allows for productive, collaborative learning that ultimately benefits the larger agricultural community. Jeremy DeLisle oversees the progress and data collection of the planting, measuring fruit size, cold hardiness, average harvest date, incidence of bacterial disease issues, and will be conducting taste testing in conjunction with point-of-sale opportunities. The cold hardiness portion of the trial is being conducted in cooperation with researchers from the University of Maine Cooperative Extension. 2021 was the first year of data collection for cold hardiness, and plans are in place to conduct a second year of testing in the winter of 2022. Additionally, UNH Extension Merrimack County is partnering with NH Conservation Districts, NRCS and Xerces Society on a grant funded project to expand our weather station network across the state and conduct on-farm trials investigating the feasibility of utilizing insect exclusion netting to control spotted winged drosophila, the major insect pest of blueberry in NH. The weather station component allows for the collection of on-farm data to be uploaded to the Network for Environment and Weather Applications (NEWA), which creates models and data sources which provide farmers with decision making tools helping them better make crop management decisions.

Natural Resources: Our natural resources team provides research, education, and stewardship throughout the state with a "boots on the ground" approach, extending state-wide programs in forestry and wildlife, natural resource development, land and water conservation, and marine fisheries. This year, 1,075 Merrimack County residents received one-on-one education from woodlot visits, telephone calls, and email correspondence. At least 607 County residents participated in-person, outdoors, educational events: Tree Farm Field Days, NH BioBlitz walks, Tree Id Walks, Invasive Plant Control workshops, Wildlife Tracking field tours, White Pine Management workshops, and Forest Ecology Field Tours for Middle School Science Classes. This year's educational offerings were augmented by a wide variety of virtual meetings and Facebook Live webinars (<https://www.facebook.com/nhwoods.org>) to comply with the COVID-19 restrictions and to provide residents with virtual learning opportunities. Volunteers from the N.H. Coverts project (496 volunteers) and the Natural Resource Stewards program (457 volunteers) contributed 34,252 hours conserving and managing natural resources in Merrimack County.

Community and Economic Development (CED): The CED team provides programming and technical assistance to communities, businesses, and nonprofit organizations around New Hampshire. The CED team's work focuses on revitalizing main streets, retaining and growing local businesses, supporting entrepreneurs and innovators, improving quality of life, and leveraging tourism and the recreation economy. Central to the CED team's work is engaging individuals from throughout the community in developing a vision, designing an approach, and moving to action. The Merrimack County CED played a key role revitalizing a portion of the former Beede Electric Building in Penacook and launching an 8,500 sq. ft. makerspace and shared workspace to increase entrepreneurship and innovation in the region. They worked with Northfield to launch the Foothills Foundation, an organization that plans to make the area a hub for mountain biking and recreation through collaboration, promotion, and trail building. They spearheaded a range of events to increase entrepreneurship and spur business growth.

4-H/Youth & Family: 4-H is the youth educational program of UNH Cooperative Extension that

provides youth the opportunity to engage in hands-on learning opportunities that spark their passion for life after 4-H, while learning important life skills such as communication and leadership. Programming is delivered utilizing 4-H volunteers that involve youth in the learning process through youth-adult partnerships. For the first part of the program year, COVID-19 guidelines impacted the ability of 4-H clubs to meet in-person and perform normal activities. To support 4-H youth, leaders, and families during this time, three virtual 4-H clubs were established. Twenty-six youth from Merrimack County took part in these clubs. By the late spring, guidelines relaxed and allowed for in-person programming to resume. Members and leaders alike were happy to return to “normal”. A highlight for many of our 4-H members was being able to exhibit at the Hopkinton State Fair again. In 2021, 96 members brought their animals to exhibit during the fair, and six participated in the NH 4-H Livestock Auction. Clubs and families filled the Ruth Kimball exhibit hall with 4-H displays to showcase their work during the past year. The Merrimack County Leaders’ Association also had a successful fair selling ice cream in the 4-H Ice Cream Parlor and engaged 40 4-H members and families in this fundraiser. Despite a challenging year, Merrimack County 4-H interacted with over 400 youth and volunteers through the program.

Nutrition Connections: Nutrition Connections is a no-cost, hands-on nutrition education program that provides limited-resource families the knowledge and skills they need for better health. During this past year, Nutrition Connections was able to pivot programming to adapt to changes brought on by Covid-19. Merrimack County Extension Teachers reached youth through virtual and remote programming using curricula like Pick a Better Snack, Team Nutrition Cooks, and Families Eating Smart Moving More. Adults and families were engaged in virtual programming, like Cooking Matters at Home, Cooking Matters at the Store Tour, and Families Eating Smart Moving More. Nutrition Connections continued to seek creative ways to meet people where they are. A newsletter geared towards older adults was created and over this past year, its reach continued to grow. This monthly newsletter features recipes, resources, tips, and activities and now reaches limited-resource older adults across New Hampshire. Additionally, the Arthritis Foundation’s Walk with Ease program was adapted into a virtual format. After a successful pilot, the virtual program is now available for Extension Teachers across the state to use.

Youth & Family Resiliency: Melissa Lee, Field Specialist and Certified Prevention Specialist, provides information, programs and training grounded in research to help young people and their families succeed and thrive, such as Youth Mental Health First Aid Training and community coalition development. Melissa is working collaboratively with schools and public health partners to increase prevention and early intervention for mental health and wellness and substance misuse in communities. Since late 2020, Melissa and her teammates have brought three diverse funding streams to UNH Extension to support work in their field. Melissa is serving as Project Director for the NH Opioid Prevention Project, funded by SAMHSA, which is bringing opioid prevention education to audiences across NH. This project has focused on expanding implementation and access to the evidence based Chronic Pain Self-Management Program. Virtual access to this program is now available for community members through UNH Extension and area partners.

We would like to thank our Advisory Council that consists of 13 citizens of Merrimack County, and a representative of the County Commissioners office and County Delegation. These advisors assist Extension program staff to evaluate current programming, identify local educational and research needs, and to consider new programming across the county. Our 2020/2021 council members included: Larry Ballin, Mindy Beltramo, Lorrie Carey, Janine Condi, Ayi D’Almeida, Ken Koerber, Josh Marshall, Tim Meeh & Jill McCullough, Page Poole, Chuck & Diane Souther, Anya Twarog, State Rep. Werner Horn, and Commissioner Stuart Trachy.

Connect with us: <https://extension.unh.edu/facility/merrimack-county-office>

Franklin VNA & Hospice

Annual Report 2021

Town of Webster

Greetings to all community members and thank you for your continued support.

Franklin VNA & Hospice was established in 1945 as a Certified Non-profit Home Health Care agency to serve the residents of the City of Franklin and surrounding towns. Since that time, we have expanded our service area and added a Certified Hospice Program. As we embark on the 76th year of service, we do so with continued dedication to our community and our goal of providing quality care and education to those we serve.

Our most recent statistics show that the staff of Franklin VNA and Hospice provided 60 encounters for the residents of Webster for year ending July 31, 2021. These encounters include home health and hospice visits by skilled nurses and therapists, social work, spiritual care, licensed nursing assistants, homemaking, adult in-home care providers, as well as blood pressure and flu clinics for residents.

2021 was a challenging year for Franklin VNA and Hospice, along with the rest of the world, as we continue to navigate through the Covid-19 pandemic. Despite the pandemic our staff continued to provide exceptional care daily to patients in the communities that we serve. We worked to increase our community outreach by partnering with area facilities and organizations to provide educational programs. We also continue to offer Hospice volunteer training and bereavement support.

Medicare continues to be our largest revenue source, comprising about 75% of our business. This is telling of our community demographic which guides us as we strive to provide for the health care needs of our community. Commercial insurance rates do not cover the cost of providing services despite our efforts to work as efficiently as possible.

As we look to 2022, there are several more regulatory requirements which will be imposed upon the Home Care industry. We will experience another reduction in our Medicare reimbursement, which means that we must work to be as efficient and effective as possible in caring for our patients without sacrificing the quality of care we deliver. Franklin VNA and Hospice is fortunate to have a professional and compassionate team of clinical staff to care for our patients as well as an experienced office-based staff who ensure that the tools are there for our agency to perform well.

2021 was certainly another year of major organizational change. We have added many new faces to our staff who bring experience, compassion, and a willingness to serve our clients and

community. We pride ourselves on providing individualized quality care for all our clients. Education and empowering those in need as well as giving back to our community with clothing, food, and toiletry drives are just a few ways we continue to be present in a virtual world. We anticipate multiple changes in our community as mergers move forward and the inevitable change occurs. What will remain consistent is, Franklin VNA & Hospice's mission and our goal as an agency. Please continue to support us and choose Franklin VNA & Hospice as YOUR agency.

We remain **your community VNA** offering home health care, hospice care, skilled nursing, physical, occupational and speech therapies, medical social services, personal care and homemaking services. Thank you for supporting us through town funds, as Board members, volunteers, financial donors, and of course, through receiving services from Franklin VNA & Hospice. We are here for you! Please contact us at 934-3454 or via the web at www.Franklinvna.org for questions regarding any of our services or if you need our assistance. Let your voice be heard! Say, "I choose Franklin VNA & Hospice".

Your contributions allow us to continue to provide the needed services to residents in your community.

Respectfully submitted,

Krystin Albert
CEO

Service Summary: Webster 8/1/2020 – 7/31/2021

Visit Type:
Nursing: 31
Therapy: 28
MSW: 1

Webster in 2021

The purpose of these yearly reports is to create a written history that can be used by someone, years from now, to write a more complete history of the town. Note: Coffin's *History of Boscawen and Webster 1733-1878*, and *Webster New Hampshire History 1933-1983*. Because there was no report for the year 2020, it is imperative to start the history of 2021 by considering Covid-19 and its effects on the town, state and world. 2021 was the second year of Covid, and it's been exhausting.

Covid-19, an acute respiratory syndrome first appeared in the United States in March 2020. It quickly became a national concern when hospitals were overrun with patients, many of whom died. A shortage of ventilators, PPE and face masks put extreme pressure on hospitals, where doctors, nurses and first responders worked heroically to save lives. At the time of this writing, 265,140 people in New Hampshire have had the virus and 2,145 people have died. There have been over 800,000 deaths in the United States and 6 million worldwide.

Nothing can be written about Webster in 2021 without emphasizing the effect Covid-19 and its Omicron variant has had on the town. Subsequent to the Governor's Executive Order 2020, businesses, social organizations, the Church, and the Town Offices were closed or turned to online services. Teachers and students turned to online education. Social distancing, ventilation of indoor spaces, hand washing and hand sanitizers became the norm. People stayed home. They gardened or completed house repairs. When restrictions relaxed in mid-2021 and doors were opened, the Select Board issued a Covid-19 Public Safety Policy requiring that everyone over 2 years of age be required to wear a mask in the Town Offices and the Public Safety Building. A resurgence in late 2021 required a return to precautions. So, how has Webster coped? We are a sturdy stock, and much has been accomplished during the year.

The Select Board voted in January 2021 to use YouTube to Live Stream its meetings. Those physically present at meetings were required to wear face masks and to social distance. During the course of the year, the Select Board and Mr. Hadley completed many projects, including the updating of the Town Hall emergency lights and inspection of the emergency suppression system. Two stoves donated to the Town by the Church were installed. The water was tested and, later, a failed pump was replaced. The Town Hall and Library parking lots were paved by GMI Asphalt Paving from Belmont for \$23,565.00. There were legal concerns regarding the sale of town-owned property, and a kitchen fire in another town-owned property. For a more detailed report of accomplishments, see "Report from the Select Board." All were completed with little affect to the tax rate due to the use of federal and state funds procured by the Select Board and Mr. Hadley. The Clothespin Bridge is on target to be replaced in 2022, and once the Select Board receives an MOU from Oliverwood, the large solar project should be started.

Town meeting was held on April 17th at the Webster Elementary School with Moderator Michael Jette presiding. All warrant articles were recommended by the Select Board and all passed. Because of decreased revenues from the State, the budget was higher than the previous year. A warrant article: "The New Hampshire Resolution for Fair Nonpartisan Redistricting" passed. Questions at the end of the meeting concerned the replacement of Clothespin Bridge Road (anticipated in 2022) and the bridge near Knight's Meadow Marsh on White Plains Road.

Town Clerk Michele Derby provided service for many months from the Public Safety Building. Once moved back to the Town Hall, Michele and Russ Tatro's offices were able to remain open to the public due to plexiglass barriers that were erected to protect the citizens and employees. Residents were also encouraged to leave their transactions in the drop box or mail them in.

Police and Fire personnel continued to work for the benefit of the town. These Departments had a difficult year due to a serious house fire and a fatal car accident in March, and another building fire due to arson in September. Much is owed to these men and women for their commitment during such a difficult year. Training continued for our police force and firefighters, under the direction of Police Chief Steve Adams and Fire Chief Emmet Bean.

The Merrimack Valley School Board hired the NH School Administrators Association to conduct a Small School Study to assess the effectiveness of education in the Webster and Salisbury Elementary Schools. The intent was to ensure that students in small schools have the same academic and social opportunities as those students in larger schools. Salisbury's smallest class has 8 students; Webster has 11. Led by Mike Jette (former MVHS principal) and Bruce Johnson (retired MV Reading Specialist), a community meeting was organized with school board members and guests from Salisbury in attendance. This meeting provided an explanation of the decision process, answers to questions from the public, and the opportunity for parents to express their concerns. On October 11, the School Board decided not to consider any action that involved closing either school. This decision proves the power of public involvement in local action.

The Webster Historical Society has had a very productive year. (See their report elsewhere in this Town Report.) The Society has completed two-thirds of its ambitious renovation project with the last phase, painting the building, to be completed in 2022 at a cost of \$32,500.00. In 2021 the Society received an LCHIP grant for \$38,100.00, a NH Preservation Alliance grant for \$7,500.00, and over the past five years \$50,000.00 from the Town. Renovating old buildings is an expensive but rewarding endeavor. The Society continued to offer services to the Town by expanding its web-based archive, offering a web-based genealogy, and holding an online auction which netted almost \$9,000.00.

Under the leadership of Rev. David Richardson, the First Congregational Church of Webster continued to meet during the year by following all recommended Covid-19 protocols. The Church met outdoors, and social-distanced when indoors. The Church continues to be a beautiful, historical building that welcomes all to worship. The normally highly-attended Christmas Eve service was once again offered online. While there are only about sixty active members who continue to support the work of the Church, both financially and spiritually, there are many other people in the area who are generous when called upon. The Church sponsors the Webster Food Pantry, managed by Peg Foss, which is open on the first Wednesday of each month or by appointment. The Hopkinton Fair Food Booth is one of the biggest fundraisers, and it operated this year with reduced staff and a smaller menu. The Church wishes to express appreciation to all who contributed in any way, and especially to Terry and John Martin and to Jeanne Chwasiak, who worked countless hours at the fair. The passing of Faith Anderson in July and Sandra Starkey in September was deeply felt by those who knew and loved them.

The Webster Free Public Library continued to offer an eclectic collection - both intellectually stimulating and just-for-fun books. Due to Covid, a "Porch Pick-Up" option was created. Librarian Cathryn Clark-Dawe continually updated the collection and published the new acquisitions in the monthly Grapevine. Offerings included audio books, eBooks, Dvd's, museum and park passes - even a telescope is available

to sign out. The Library continued to offer diverse activities to residents of all ages. The Summer Reading Program and the 1000 Books Before Kindergarten Program remained popular, although smaller groups participated this year. The Library offered monthly movie night, with Marty Bender serving as “main host.” The Book Club also met monthly on zoom. A thank you to Trustee members Nancy Pitchall-French, Leslie Collins and Marty Bender who met monthly with Cathryn. Meetings are open to the public and masks are required. You may have noticed the new landscaping around the Library – a lovely addition.

There are numerous committees in Town, for example, the Conservation Commission, the Parks Committee, and the Planning Board, that would welcome additional interested members. If you would like to know more about the committees, Minutes and Agendas are available on the Town website.

The NH Audubon Society awarded the Goodhue-Elkins Award to Betsy Janeway for her outstanding contributions to educating people about NH birds and for her tireless work to protect birds and other NH wildlife. One of the highlights of the Grapevine is the highly informative and often humorous *Nature Notes* that Betsy writes each month. Many of us enjoy checking in with Betsy each month to see just what she’s been up to.

Tara Gunnigle and Jon Pearson received the 2021 First Amendment Award from the Nackey S. Loeb School of Communication. Another example of community involvement. Come and join a group.

Webster Historical Society for 2021

[Society for the Preservation of the Old Meeting House in Webster, New Hampshire]

With the ongoing pandemic, the Old Webster Meeting House remained closed to the public throughout the year, but that does not mean the Society has been idle!

Most notably, the Society has completed two-thirds of the current restoration project, guided by Dr. James Garvin, the NH State Architectural Historian from 1987 to 2011. The remaining third – the painting – will be completed in 2022.

The first such restoration was completed in 1902 by the Old Home Day Committee in conjunction with the Old Meeting House Cemetery Association when the Meeting House was already more than 100 years old.

These old buildings demand constant attention and diligent stewards!

Pandemic permitting, we are planning a Memorial Day program and a Round Robin museum tour for the school children, Open House events during the summer, a Select Board meeting and Church service during Old Home Day, an Over 80s Party, and other events. Certainly, we will have a huge celebration upon completion of the current restoration, with refreshments and a presentation of the history of the Old Webster Meeting House.

The Webster History book for the next fifty years is due in 2033. To that end, previous members wrote the town history for years 1984-2014, and the Town of Webster voted to establish a trust fund which currently has just over \$10,000. The new genealogy database/website will certainly ease reporting of the genealogy section of that book.

We welcomed a new Trustee, Michele Derby, and welcomed Elaine Lary as a returning Trustee.

C.J. Young, our Curator and Programs Chair, has spent untold hours organizing our collections and cleaning the HyMar building. She has converted this space into an inviting place to work, had larger items moved from around the 1941 firetruck so that visitors may view it, purchased new flags and had them installed, and taken courses in Curation. She is working on future displays and interactive exhibits, focused on themes like schools, the King's Trees, the Fire Department, and Grange history.

Mark Kimball, Buildings and Grounds Chair, has overseen the maintenance and repair work not only for the meeting house restoration, but also for the many issues with the HyMar building – a flooded basement and septic problems to name just two. He retained the contractor to repair the wind damage to both the meeting house and shed. Along with Ray Bailey, Mark installed new halyards, flags, and lights.

Thanks to Barb Maki's flyer in the Grapevine and Alberta Snow's Annual Appeal Letter, we have ten new members this year.

We continue to grow our digital assets, with an on-line auction, video meetings, a web-based genealogy data base, and a digital archive, in addition to our website.

Allison Eiserman, Fundraising Chair, did an amazing job organizing and implementing the 2021 online Silent Auction which netted almost \$9,000 – our best fund-raiser ever! With Society members, friends and family joining in, this project consumed over 500 volunteer hours!

In 2016, Dot Bourque created and continues to maintain the Society's website which currently has more than two dozen pages with hundreds of articles, documents, and photos. Shortly thereafter, the Society had accumulated so many scanned documents and photographs that she created the Webster Digital Archive that now contains more than 40 gigabytes of data (and growing!)—Town Reports and Town Hall Meeting minutes, scanned articles, documents, diaries, photographs starting in the late 1800's, oral histories from the 1970's, and so much more.

In 2021, Barbara Corliss created a second website to connect the digital archive's data with our people. <<https://Webster-NH.net>> This project started as Webster cemetery documentation but has grown well beyond that to include information about more than 12,000 persons, all with some connection to Webster. Search by name or browse any of several reports—burials in our four cemeteries, veterans, historical people, to name a few.

Under Jim Garvin's tutelage, we received a grant from LCHIP for \$38,100 and a grant from NH Preservation Alliance-1772 Foundation for \$7,500. In three of the past five years, the Town of Webster generously voted to provide funds totaling \$50,000 for this restoration.

To summarize some of the expenses: in 2020, restoration of all forty-two windows for \$43,040; in 2021 repair or replacement of the clapboards, sills, corner boards, thresholds, and lead flashing for windows and water tables for \$66,000. The Society accepted a bid of \$32,500 for the final third of this project. Additional financial information is available upon request.

Thank you, Webster, for your continued support! There is much to do and too few hands to do it. The Society welcomes help from everyone, no matter what your special interest or expertise is: history, buildings, genealogy, curating, bookkeeping, writing, farming, secretarial, military, management, cemeteries, furniture, fabrics, legal, grants, topography, even visiting old cellar holes and mill sites. Every little bit helps! Please send your questions and comments to this email address. <webster1860@gmail.com>

Respectfully submitted,
Dorothy Bourque, Board of Trustees Chair

REPORT OF THE WARNER RIVER LOCAL ADVISORY COMMITTEE - WEBSTER

The Warner River Local Advisory Committee (we'll just shorten that to "WRLAC") is pleased to report on our activities during Calendar Year 2021. We have statutory authority to advise state and local governments on federal, state, and local permit applications and other environmental issues within the Designated Warner River Corridor, which is ½-mile wide (¼ mile as measured outward from each river bank) as the river flows through our five riverfront towns. Webster's share of the Warner River extends from the Warner town line at Davisville to the Hopkinton town line (a nice, short ¾ river-mile with no bridges).

Calendar 2021 was a pretty quiet time on the Webster reach of our river, which is mostly calm, quiet, and unseen down the hill west of Dustin Road. There were no Webster permit applications that required our attention during 2021 (I appreciate the peace and quiet!). There was much more activity in some of the upstream river towns. We did, however, continue to monitor the progress of the DOT project to reconstruct the Route 127 Bridge at Davisville, which is currently in design (and moving slowly towards construction). When started, the construction detours will affect Webster folks who use Route 127 and Dustin Road.

Early in 2021, we finalized our Corridor Management Plan (one of our statutory mandates) with the assistance of the Central New Hampshire Regional Planning Commission and a financial grant from Department of Environmental Services. The Corridor Management Plan is our catalog of river-based resources and a (very!) long list of goals and action items that we will work to accomplish over the next several years (the action items are in Appendix B of the Corridor Management Plan on our website: www.wrlac.com). We will need the assistance of our Webster neighbors to accomplish our goals!

Our website (www.wrlac.com) is up-and-running; not bad for a bunch of volunteers! We're getting the hang of blog-posting and making our maps more interactive, and spreading the good word about the river (GO SEE!). Special thanks to Sutton's Andy Jeffrey for his toiling behind the scenes of our website. I especially like the real-time connection to the USGS river gaging station at Davisville! As we move forward from here, we expect to have additional ecological and river-related content of interest to our Webster neighbors, regardless of which of Webster's rivers you have sworn your allegiance to!

We expect to spend part of 2022 working with the Webster Selectboard, Conservation Commission, and Planning Board in revising and updating references to the Designated Warner River and WRLAC on Webster's website, and we will be working with the Planning Board to revise their land-use permit application documents (to include automatically notifying us of pending applications). We'll start that effort later in the year.

The DES-funded Instream Flow Study of the Warner River began in the fall of 2020 and continued through 2021. This Study will evaluate the historical river flows and existing habitats in the river in order

to determine the critical flows necessary to sustain fish survival and human water use. These data will be combined into an Instream Flow Water Management Plan for the Warner River, which will be a road map of how to ensure there is an adequate flow of water to preserve a healthy river ecosystem as balanced with human water needs. We hope to disseminate a brief progress report about that to our riverfront towns during 2022, as we anticipate this study will be completed in 2023 (there have been some Covid emergency delays already included in the study's time line).

One other important aspect of our Warner River duties is to provide basic water-quality monitoring at several points along the Warner River and selected tributaries during the warm months of the year. This program began in 2017 under the auspices of DES's Volunteer River Assessment Program. While the pH is usually a little low due to our New Hampshire bedrock, the other water-quality parameters indicate that the Warner River is healthy and continues to have high-quality water. Our monitoring has not detected any water-quality concerns. Our friends at Trout Unlimited (Basil W. Woods, Jr. Chapter) tell us that the brook trout are healthy and plentiful, further testament to the high quality of the river.

We began 2021 with two of your neighbors volunteering to represent Webster on the WRLAC: Susan Roman and Dan Moran. Susan has stepped down from her post (I miss her wise counsel, always, and her knowledge of buffer requirements was second-to-none!). My thanks to Dan (who also serves as our Vice Chair) for his continuing generous donations of time, energy, and good humor in helping to preserve the high quality of the Warner River. And, during the summer, we were joined by George Embley as Webster's second representative. We welcome George (who has a long history of association with the Warner River and its aquatic inhabitants through his other endeavors) and look forward to his contributions and to learning from his expertise. Please reach out to Dan, George, or me to volunteer your time and effort to help preserve and conserve the river's resources. Next: contact Dan, George, or me with any Warner River concerns. And last, come out and enjoy the Warner River! Webster's reach is remarkably remote and serene, and one of my favorites.

Respectfully submitted,
Ken Milender, Chair
WARNER RIVER LOCAL ADVISORY COMMITTEE

Webster Elementary School

2022 Annual Report

About Webster Elementary

Webster Elementary School serves students in Kindergarten through 5th grade. The Mission of Webster Elementary School is that staff and students will work collaboratively to create a safe learning environment in which they are empowered and equipped with social and academic tools to work and live with dignity in a global community.

The dedicated staff at WES work hard to embrace and model a growth mindset, and offer students many academic and social learning opportunities, including:

- DARE in conjunction with the Webster Police Department and the Merrimack County Sheriff's Department.
- Girls on the Run, coached by in-house staff.
- Maple Sugaring Education in conjunction with local 4H leaders.

Collaboration has never been so easy... Check out our new alternative seating "surf" desks.

Students and staff participate in the annual Making Strides Against Cancer Walk at WES.

WES Year in Review

Great things that happened at WES this year:

- Author Jerry Pallotta visited with help from both the WES Parent Teacher Organization and funds donated by The Salisbury Woods Haunted Barn and Trail.
- Kevin Bronson, local Conservation Officer from NH Fish and Game visited WES virtually to share his expertise on animal habitats.
- Local 4H volunteers worked with students in 4th and 5th grade to educate and involve students in the process of Maple Sugaring.
- Ziggy, Ms. Stephenie's Therapy Dog-in-Training has been making days brighter with her gentle nature and tail wags as she learns the ropes at WES.

Did You Know? Interesting WES Facts...

- All students at WES have a designated chromebook for use at school and at home when necessary.
- WES offers many before and after school activities, including: Basketball, Chess, Chorus, GOTR, Legos, Painting, Puzzle Club, Scrabble, STEM Club, Student Leadership, Team Building and Yoga.
- Are you a parent or community member interested in volunteering? Contact Mrs. Silver at bsilver@mvsdpride.org to hear how you can help!

**MINUTES OF THE 2021 TOWN MEETING FOR THE TOWN OF WEBSTER
THE STATE OF NEW HAMPSHIRE
SATURDAY, APRIL 17, 2021**

Moderator Mike Jette called the meeting to order at 1:00 pm behind the Webster Elementary School. He invited newly-elected Select Board Member, Marlo Herrick, to lead everyone in the Pledge of Allegiance. Moderator Jette noted the uniqueness of the meeting due to it being outside and masks being worn. Those unable to wear a mask were gathered in a separate area. He pointed out the two microphones set up for those voters addressing the Moderator.

Moderator Jette welcomed all service veterans to stand and be recognized for their service. Next, all Webster volunteers were asked to stand and be recognized for their time served on committees, elections or any way to support the Town. He then recognized all front-line workers and first responders for working during Covid. It was announced that the fire department was issuing fire permits to those at the meeting, if requested.

Moderator Jette called for a moment of silence separately for the loss of Harold Janeway, Captain Cyndel Donoghue and anyone lost in the past year.

Moderator Jette thanked the Select Board and acknowledged the Town Report dedication to the election officials. He stated it was his pleasure to help keep the election honest and fair in such an unusual year. Moderator Jette announced Webster's state-level Representatives as Margaret Kennedy and Natalie Wells and Senator Harold French.

Moderator Jette introduced the Select Board Chair Chris Schadler and invited her to introduce the Town staff. Select Board Chair Schadler introduced Select Board Members David Hemenway and Dee Blake. She thanked the public for supporting her during her time as Select Board Member and welcomed Marlo Herrick as the newest Board member. She then introduced the Town staff: Town Administrator, Dana Hadley; Russell Tatro, Assistant Town Administrator and Land Use Coordinator; Wendy Pinkham, Financial Administrator; Karen King, Tax Collector; Bruce Johnson, Treasurer; and Michele Derby, Town Clerk. On behalf of the Select Board she thanked the Police and Fire Departments for their consistent hard work and support during the pandemic. She recognized how grateful the Town is to have committed and giving volunteers.

Moderator Jette introduced Select Board Member David Hemenway. Selectman Hemenway made a motion to allow non-voters to speak at the meeting in order for Town employees to speak.

Moderator Jette reiterated the motion; which was seconded by Select Board Chair Schadler.

Moderator Jette called for a voice vote.

PASSED BY VOICE VOTE.

Select Board Chair Schadler made a motion for a 5-minute recess to shift the meeting into the Webster Elementary School gym.

The Moderator called for a voice vote.

PASSED BY VOICE VOTE.

The meeting was recessed at 1:11 pm and resumed at 1:19 pm in the school gym.

The Moderator invited Town Administrator Dana Hadley to make a few announcements.

Town Administrator Hadley announced the Select Board is accepting bids for the restaurant-style gas stove in the kitchen of the Town Hall. The Planning Board is looking for volunteers to serve on the Board.

Select Board Member Hemenway recognized Select Board Chair Schadler for her time as a Select Board Member. He highlighted her determination and dedication of time devoted to the Town through all the challenges that faced her.

The Moderator explained the Moderator's Rules of the meeting located in the Town Report were the same as in past years. He called for a motion to adopt the rules as listed. It was moved and seconded. The Moderator called for a voice vote.

PASSED BY VOICE VOTE.

Moderator Jette explained voters should have a wrist band and to use the yellow voter card when voting. He encouraged voters to carefully consider the process of requesting a ballot vote and whether it would change the outcome of the vote.

The Moderator read the results of the Town Election held on Tuesday, March 9, 2021. The official ballot portion of Town Meeting with 282 ballots cast:

Article 1:

To choose all necessary Town Officers for the ensuing year. **(BY BALLOT)**

OFFICE	TERM	NAME	# OF VOTES
Selectman	3 yrs	Christine Schadler	138
		Marlo Herrick (write-in)	140
Selectman	1 yr	Normandie "Dee" Blake	216
Supervisor of the Checklist	1 yr	Jennifer Heath-Stilwell	222
Cemetery Trustee	3 yrs	Darlene Cummings	147
		Craig Fournier	102
Library Trustee	3 yrs	Leslie Collins	231
Trustee of Trust Funds	2 yrs	Judy Jones (write-in)	3
Trustee of Trust Funds	3 yrs	Patricia Ilacqua	213

Article 2: The Moderator read the Article in its entirety, To see if the Town will vote to raise and appropriate the sum of **\$1,624,830** for general municipal operations. This article does not include appropriations contained in special or individual articles addressed separately. (Majority vote required)

The Select Board Recommends 3 to 0

The Moderator noted it was moved by Select Board Member Hemenway and seconded by Select Board Chair Schadler.

The Moderator opened the article for discussion with Select Board Member Hemenway explaining that the budget is up 4.18% (\$65,000) but the total expected outlay is down 1% due to a reduction in warrant article expenditures. He noted to expect reduced revenue due to reductions from the state's block grant and meals and rooms tax. Long term debt is down due to the payoff of the solar array loan. He explained increases for revaluation/assessment is due to hiring a utility assessor, which was not considered when the town changed to a new assessing company. More increases include insurance, police wages and cruiser, legal and ambulance and fire. Select Board Member Hemenway pointed out the police operating budget would have only increased 2% had the price of the replacement cruiser from an accident not been included. He explained the insurance company does not pay the dealer for the cruiser. Instead, the claim is received as revenue to the town and paid out as an expense in the police budget. This will not impact the tax rate as it is a wash.

The Moderator asked for any questions. There was no discussion and George Cummings called the question. Moderator called for a voice and card vote.

PASSED BY VOICE AND CARD VOTE.

Article 3: The Moderator read the Article in its entirety, To see if the Town will vote to raise and appropriate the sum of **\$447,000** to be added to the following established Capital Reserve Funds under RSA 35:1. (Majority vote required)

Medical Equipment	6,000
Fire Department Air Packs	20,000
Emergency Apparatus	50,000
Fire Department-Mobil Communications	10,000
Police Cruiser	19,000
Highways and Roads	200,000
Bridge/Culvert Improvements	75,000
Public Safety Building	5,000
Town Hall Improvements	5,000
Town Office Equipment	5,000
Webster/Hopkinton Transfer Station	4,000
Fire Department Dry Hydrant Repairs	2,000
Reappraisal	5,000
Fire Department Bunker Gear	2,500
Highway Equipment	7,500
Police Equipment	6,000
Highway Land/Building Fund	25,000

The Select Board recommends – 3 to 0

The Moderator noted it was moved by Select Board Member Blake and seconded by Select Board Chair Schadler.

Town Administrator Dana Hadley explained the article raises and appropriates funds to transfer into Capital Reserve Funds and held by the Trustees of the Trust Funds. He stated the balances of the Capital Reserve Funds as of the end of 2020 could be found on page 59 of the Town Report. The Capital Improvement Committee meets with department heads to address upcoming projects and works up a six-year plan; which is presented to the Select Board. He noted Webster has a healthy approach to stabilizing the tax rate and negating the need to borrow money by adding to the Capital Reserve Funds.

The Moderator opened the article for discussion.

There being no discussion, the Moderator called for a card vote.

PASSED BY CARD VOTE.

Restrict Reconsideration of Articles 2 and 3

George Cummings made a motion to restrict reconsideration on Articles 2 and 3; seconded by Karen King.

The Moderator called for a card vote to restrict reconsideration on Articles 2 and 3.

PASSED BY CARD VOTE.

Article 4: *The Moderator read the Article in its entirety, To see if the Town will vote to raise and appropriate \$138,000 to be added to the following established Expendable Trust Funds per RSA 31:10-a. (Majority Vote Required)*

Road Preservation	100,000
Technology Fund	10,000
Forest Fire	2,000
Fire Department Equipment	5,000
Highway	5,000
Legal (Webster)	6,000
Compensated Absences	2,500
Municipal Property Maintenance	2,500

Police Vehicle Maintenance	5,000
----------------------------	-------

The Selectboard recommends 3 to 0.

The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Hemenway.

Select Board Chair Schadler noted the article was the same as the previous year with two exceptions. The first was the Road Preservation line is down \$100,000 (\$100,00 is added to the Highways & Roads line in Article 3). Police Vehicle Maintenance is slightly increased due to the cruiser accident. She explained the Technology Fund was used to purchase a new server for the Police Department and will be used for a new server in the Town Hall in the near future.

The Moderator opened the article for discussion.

The Moderator called for a card vote after there was no discussion.

PASSED BY CARD VOTE.

Article 5: *The Moderator read the Article in its entirety, To see if the Town will vote to establish a contingency fund for the current year under the provisions of RSA 31:98-a for unanticipated expenses that may arise and further to raise and appropriate the sum of \$16,234 to put into the fund. This sum is to come from the Unassigned Fund Balance and no amount will be raised by taxation. Any appropriation left in the fund at the end of the year will lapse to the General Fund. This is an Individual Warrant Article (Majority vote required).*

The Selectboard recommends 3 to 0.

The Moderator noted it was moved by Select Board Member Blake and seconded by Select Board Member Hemenway.

Select Board Member Blake explained this money is 1 % of the budget and if it is not spent on an unanticipated expense, it goes back into the General Fund.

The Moderator asked for any discussion. The question of how the money would be spent was asked. Selectman Blake explained it is only spent in an emergency that is not covered in the budget.

The Moderator called for a card vote.

PASSED BY CARD VOTE.

Restrict Reconsideration of Articles 4 and 5

John Clark made a motion to restrict reconsideration on Articles 4 and 5; seconded by several voters.

The Moderator called for a card vote to restrict reconsideration on Articles 4 and 5.

PASSED BY CARD VOTE.

Article 6: *The Moderator read the Article in its entirety, To see if the Town will vote to raise and appropriate the sum of \$10,000 to help offset the cost of the bond for “Funds to Repair Dam” passed at the Pillsbury Lake Water District Meeting held August 5, 2006. (Majority vote required)*

The Selectboard recommends 3 to 0.

The Moderator noted it was moved by Select Board Member Blake and seconded by Select Board Chair Schadler.

Select Board Member Blake explained this article supports the payment to the bond taken out by the Pillsbury Lake Water District in 2006 to repair the dam and should be paid off in 2022.

There being no discussion, the Moderator called for a card vote.

PASSED BY CARD VOTE.

Article 7: *The Moderator read the Article in its entirety,*

NEW HAMPSHIRE RESOLUTION FOR FAIR NONPARTISAN REDISTRICTING

By petition of 25 or more eligible voters of the town of Webster to see if the town will vote to urge that the New Hampshire General Court, which is obligated to redraw the maps of political districts within the state following the federal census, will ensure fair and effective representation of New Hampshire voters without gerrymandering.

Additionally, these voters ask the town of Webster to urge the NH General Court to carry out the redistricting in a fair and transparent way through public meetings, not to favor a particular political party, to include communities of interest, and to minimize multi-seat districts.

The record of the vote approving this article shall be transmitted by written notice from the selectmen to Webster's state legislators, informing them of the demands from their constituents within 30 days of the vote.

Article received by Petition.

The Moderator stated it was moved by the petitioner Sally Embley and it was seconded. He invited Sally Embley to speak to the petitioned article.

Sally Embley explained gerrymandering as a "very bad practice" and stressed the purpose of the article is to promote fairness and transparency when the special Legislature committee draws the districts for the next ten years. She noted the widespread support in that 58 of 60 towns have passed the resolution.

The Moderator opened it up to discussion. Heather Fairchild stated voters should consider their vote at the polls if the current Legislators do not follow the concerns of the resolution. David Hemenway reiterated Moderator Jette's earlier comment that directly contacting our elected State Representatives is the most effective way to show support or opposition. Christine Schadler stated it was not about Republican or Democrat gerrymandering and the article says NH voters "want a more fair and transparent process."

The Moderator called for a card vote.

PASSED BY CARD VOTE.

Article 8: *The Moderator read the Article in its entirety, To Transact any other business that may legally come before this meeting.*

The Moderator opened the article for discussion.

Craig Fournier said the Planning Board is looking for new members and to contact him or Russell Tatro.

Adam Mock asked when the bridge at White Plains Road would be fixed. Moderator Jette called for an update on Clothespin Bridge, as well. Select Board Member Hemenway said the Clothespin Bridge project is on schedule with the State for 2022/2023. The Select Board is waiting for sign offs from the abutters and engineer and it can then be submitted to DES (Department of Environmental Services) for the White Plains bridge/culvert project. Adam Mock asked if the project was going out to bid if it were to go over \$10,000. Select Board Member Hemenway said there were only a couple suppliers of this type of culvert and the Board has asked for prices from them. Adam Mock asked if the work to replace the culvert would go out to bid and Selectmen Hemenway said road work first goes to the Road Agent due to his contract.

Moderator Jette noted the great partnership with the school district and thanked Chuck Houston and Robert Longval for the setup.

Jon Pearson called for transparency and answers from the Select Board and Police Chief about missing documents, paper and electronic, an on-going investigation and why the auditors have been at the Town Hall. Police Chief Stephen Adams said there is an active investigation being conducted through the County

Attorney's Office but did not know of any other investigations regarding the Town. Select Board Member Hemenway stated shredding of documents did happen before the new administration arrived and admitted some records were lost. He explained the auditors were recently at the Town Hall performing their annual audit and their report is always printed in the Town Report.

Sally Embley announced the opening day of Town-Wide Roadside Cleanup and there have been 60 volunteers through the years. Pansies were available for the volunteers.

Glen Blanchette asked why the meeting was not postponed to the rain date as noted in the Town Report. Moderator Jette explained the decision to move the meeting to the rain date would have had to be made 48 hours in advance. The weather forecast at that time did not predict rain for Town Meeting Day and the decision to hold the meeting was made the Thursday prior based on the forecast.

George Cummings made the motion to adjourn.

The Moderator called for a vote to dissolve the meeting at 2:01 pm.

PASSED BY VOICE VOTE.

Respectfully Submitted,

Michele Derby
Town Clerk

PILLSBURY LAKE DISTRICT ANNUAL MEETING – MARCH 31, 2021

Moderator Tim Robinson opened the meeting at 6:00pm and thanked all that came to attend the annual meeting for PLVD. Moderator asked that all need to be silent while we begin the meeting.

The Moderator began reading: To the inhabitants of Pillsbury Lake Village District, Town of Webster, Merrimack County, State of New Hampshire, who are qualified to vote on District affairs, you are hereby notified that the Annual District Meeting will be held on Wednesday, the 31st day of March 2021, at 6:00 p.m. at the Webster Town Hall, 945 Battle St., Webster, N.H.

Voting on Article 1 will be conducted by ballot. The polls will open at 6:00 p.m. and close no earlier than 7:30 p.m. The Moderator shared that voting on Article 1 shall be conducted by ballot.

The Moderator read Article 1. To vote for the following District offices: Commissioner for a term of three years; Moderator for a term of one year; Clerk for a term of one year; and Treasurer for a term of one year.

Do we have any nominations from the floor: There were no nominations?

The Moderator made a motion to move Article 1. Motion seconded and the Moderator shared that the white lockbox is now available for you to place your vote and the voting will remain open for an hour and thirty minutes.

The Moderator read Article 2. To see if the District will vote to raise and appropriate the sum of up to \$6,000 to repair or replace the roof for the maintenance shed that holds all districts documentation and equipment. (Commissioners Recommend)

The Moderator asked Commissioner Goodwin to explain this article. Commissioner Goodwin stated that this article was needed so PLVD can raise funds to repair the shed roof. The shed holds PLVD's equipment, tools, and documentation for the district. The roof has been leaking which has caused damage to the roof and insulation. Commissioner Goodwin explained we have received multiple quotes and can stay within budget for this.

Moderator opened for discussion. *No questions were asked.*

The Moderator made a motion to move Article 2. Motion seconded and all in favor raise hand, all opposed leave down.

The majority were in favor of the motion. Article 2 passed.

The Moderator read Article 3. To see if the District will vote to raise and appropriate \$31,810 for the operating expenses for the district:

Commissioners Stipends	\$3,000
Clerk Stipend	\$1,000
Treasurer Stipend	\$5,000
Moderator Stipend	\$50
Auditor	\$8,000
Legal Fees	\$50
Building Maintenance	\$2500
Property -plowing/mowing	\$3,500
Insurance	\$4,500
Office Expenses	\$3,500
Permit to Operate Dam	\$400
Parks and Recreation	\$500
Property Maintenance-equipment	\$1,800
Tax Anticipation Interest	\$10

Total Article 3 **\$33,810**

Moderator asked Commissioner Robison to explain this article. Commissioner Robinson explained that most items in the budget are the same compared to years prior. One change was the plowing and mowing that were combined this year. She stated most of the cost will go to plowing since the district was and is able to do a lot of the mowing and brush clearing ourselves this year saving the district money. Commissioner Robinson stated that the auditor was added in as well do to the fact that DES requires a professional audit for when loans are taken out.

Moderator opened for discussion. *Julie Cragg asked if there was a balance sheet. Commissioner Robinson stated no that what we had prepared for this meeting was presented tonight and was told we could send her one. Diane Lauffer asked a question about where the line item was for road repair due to leaks, commissioner Vasquez reminded her that would be in article 5*

The Moderator made a motion to move Article 3. Motion seconded and all in favor raise hand, all opposed leave down.

The majority were in favor of the motion. Article 3 passed.

The Moderator read Article 4. To see if the District will vote to raise and appropriate the sum of \$27,978 for the Water Filtration SRF Loan Payment for 2021. Final Payment will be on 06/01/2028 (Commissioners Recommend)

Moderator opened for discussion. *Resident Mary Lou DeAngelis asked if this is a yearly payment. Commissioner Robinson stated this is a reoccurring payment that was taken out years ago that we are just continuing to pay each year until its paid off.*

The Moderator made a motion to move Article 4. Motion seconded and all in favor raise hand, all opposed leave down.

The majority were in favor of the motion. Article 4 passed.

The Moderator read Article 5. To see if the District will vote to raise and appropriate \$143,000 for the purpose of operating the water department.

Water Distribution & Treatment

Electricity	\$20,000
Gas	\$2,000
Licensed Operator Service	\$30,600
Telephone	\$1,400
Water Meter Software	\$2,500
Alarm Monitoring System	\$500
System Maintenance	\$83,500
Water Testing	\$2,500

Total Article 5 **\$143,000**

Moderator opened for discussion. *No comments made.*

The Moderator made a motion to move Article 5. Motion seconded and all in favor raise hand, all opposed leave down.

The majority were in favor of the motion. Article 5 passed.

The Moderator read Article 6. To see if the District will vote to raise and appropriate the sum of \$25,969 for the Dam Repair Bond payment for 2021. It is anticipated that \$10,000 will come from the Town of Webster. Should the town's article not pass, the entire amount will come from taxation. This article is non-lapsing until 12/31/2022. Final Payment will be on 01/15/2028 (Commissioners Recommend.)

Moderator opened for discussion. *No questioned asked.*

The Moderator made a motion to move Article 6. Motion seconded and all in favor raise hand, all opposed leave down.

The majority were in favor of the motion. Article 6 passed.

The Moderator read Article 7. To see if the District will vote to raise and appropriate the sum of \$25,000 to be added to the Emergencies Expendable Trust Fund. (Commissioners Recommend.)

Moderator opened for discussion. Resident David Klumb asked how much was in this fund already. Commissioner Vasquez stated that we currently have \$25,000 and this if added would give us \$50,000. Commissioner Robinson stated that the funds had been depleted in the last few years and we are trying to build this back up.

The Moderator made a motion to move Article 7. Motion seconded and all in favor raise hand, all opposed leave down.

The majority were in favor of the motion. Article 7 passed.

The Moderator read Article 8. To see if the District will vote to raise and appropriate the sum of \$2,000 to be added to the Land Survey Capital Reserve Fund. (Commissioners Recommend.)

Moderator asked Commissioner Goodwin to explain this article. Commissioner Goodwin stated that this money being raised is to help raise the appropriate money needed to survey the land. This is a needed item to help the district know our boundary lines and not have any further issues

Moderator opened for discussion. *David Klumb asked how much was in the fund and how much it would cost for the total survey he remembered initially he heard it would be around 24k? Commissioner Goodwin stated we currently have \$8,073.45. Commissioner Vasquez confirmed that we are just putting money away until we are ready to do the survey. Another resident asked if this was the same property that was logged and we go in trouble for over logging into a private property. Commissioners all confirmed yes.*

The Moderator made a motion to move Article 8. Motion seconded and all in favor raise hand, all opposed leave down.

The majority were in favor of the motion. Article 8 passed.

The Moderator read Article 9. To see if the District will vote to raise and appropriate the sum of five hundred dollars (\$500) to be added to the Water Main Improvement Capital Reserve Fund. (Commissioners Recommend)

Moderator asked Commissioner Robinson to explain this article. Commissioner Robinson stated that this fund was established for water main upgrades and that we were informed that a minimum balance is required to keep this account open that is why we are putting the minimum amount of money into this account to keep it open.

Moderator opened for discussion. *David Klumb asked how much was in accounts today? Treasurer Doherty stated there is \$255.26 currently in this account.*

The Moderator made a motion to move Article 9. Motion seconded and all in favor raise hand, all opposed leave down.

The majority were in favor of the motion. Article 9 passed.

The Moderator read Article 10. To see if the District will vote to establish a Recreational Expendable Trust Fund under RSA 31:19a and raise and appropriate two thousand dollars (\$2,000) to be placed in fund, and further name the Commissioners as agents to expend from the fund until rescinded. The purpose of this fund is to be used for Recreational Equipment for our district playground and ballfield. (Commissioners Recommend)

Moderator asked Commissioner Vasquez to explain this article. *Commissioner Vasquez stated that this fund is being created to raise money through taxation for recreational equipment that is commercial and very expensive. She stated that equipment can run from \$15,000 to \$40,000 depending on what you are looking to purchase so saving for this would be needed. Resident Jamie Dow asked if we could amend the article to put the \$2340 from PLM into it. Commissioner Vasquez stated that after multiple conversations with DRA she was informed that any donation money would need to stay in our general account for one year and then be transferred over. Resident Jamie Dow disagreed with that and stated you can put it in right away at a vote with an annual meeting. Commissioner Vasquez stated she would follow up with DRA to clarify this issue.*

Sandy Estep was asking where the money was going to be put towards now that the basketball courts were in place. Commissioner Vasquez confirmed that the money would be used to upgrade the playground and rec fields.

The Moderator made a motion to move Article 10. Motion seconded and all in favor raise hand, all opposed leave down.

The majority were in favor of the motion. Article 10 passed.

The Moderator read Article 11. To see if the Pillsbury Lake Village District will accept fee ownership of the so-called Pillsbury Lake Community Center (Address: 396 Deer Meadow Road, Webster, NH; Tax Map 10, Lot 1) from Pillsbury Lake Management, Inc including all property rights to the land, building, and associated structures, for the purpose of maintaining the Pillsbury Lake Community Center for public purposes as a community center for the residents of the Pillsbury Lake Village District. (Submitted by Petition) (Majority vote required)

Moderator asked Commissioner Vasquez to explain this article. *Commissioner Vasquez stated this is what a petition warrant article and that it is written how it was presented from PLM. She stated the clubhouse was voted on at PLM meeting last August and has been something most residents have wanted to hand over to the district for years now. Commissioner Robinson suggested that because it does not include acceptance of funds to be handed over with the clubhouse then PLVD would not accept the transfer until February so that a budget can be done in March. David Klumb asked to amend article 3 to add 2k to building maintenance. Motion was made to add 2k to the building maintenance budget motion passed by majority.*

Sandy Estep asked if they were still allowed to have functions in the clubhouse this year. Commissioner Robinson stated that would be for PLM to handle since it hasn't been deeded over yet.

Julie Cragg confirmed that PLM had 21k in their general accounts but could not confirm what their yearly operating budget would be referencing that it "should" be enough to cover costs. Commissioner Robinson commented that it would be nice to have hard numbers before making these decisions.

The Moderator made a motion to move Article 11. Motion seconded and all in favor raise hand, all opposed leave down.

The majority were in favor of the motion. Article 11 passed.

The Moderator read Article 12. To transact any other business that may come before this meeting.

Results of voting

Article 1

Treasurer: Brandon Doherty
Commissioner: John Goodwin
Moderator: Tim Robinson
Clerk: Heather Doherty

After the meeting Commissioner Vasquez swore in Heather Doherty, Brandon Doherty, Treasurer and Tim Robinson Moderator.

Moderator adjourned the meeting at 7:47pm.

Respectfully Submitted,

David Vasquez Clerk
Pillsbury Lake Village District

VITAL STATISTICS

RESIDENT BIRTH REPORT For the Year 2021

Date of Birth Place of Birth	Name of Child	Father's/Partner's Name Mother's Name
