AUDREY ERICSON

Audrey Ericson is a big part of the heart of Chesterfield. There are few who don't know her and those who do know that she not only has a wealth of knowledge about the town but also has done a lot for it.

Audrey was born in Chesterfield to Imogene and Henry Chickering and lived in the house across the street from her current home. Imogene Chickering was the Chesterfield Town Clerk for 52 years, running the office out of their home with residents coming there for hunting and fishing licenses, marriage licenses, automobile registrations and dog licenses. Henry Chickering drove the mail route between Brattleboro and Keene and did deliveries from both towns to Chesterfield. Audrey worked summers and weekends at the Spofford Telephone Office during her college years. As a result of all this, Audrey knew most everyone in town.

After college, Audrey taught school for 25 years mostly in Chesterfield. There are lots of Chesterfield residents who remember her fondly as their teacher.

Joan's Pantry and the Chesterfield Historical Society are big parts of what Audrey is well known for in town. She was a founder and co-director of Joan's Pantry and she has been on the Board of Directors of the Historical Society as vice president and secretary. When it was decided that the older citizens in town needed a social luncheon to attend, Audrey was there as a founder and volunteer for the Senior Citizens' Luncheons. She was the librarian for 8 years as well as a library volunteer and trustee and has been a member of the Asbury United Methodist Church since 1944.

If that wasn't enough, Audrey has also been a volunteer for the Chesterfield Home Health Agency, the Conservation Commission, the Chesterfield Cemetery Commission, Monadnock Humane Society and Maplewood Nursing Home.

Thank you Audrey for all that you have done to make the Town of Chesterfield a home for all of us.

EDWARD CHEEVER

The year 1939 marked the start of World War II and the birth of Edward Cheever. Ed grew up summering in Keene and Chesterfield, where his family owned and operated Ware's Grove following the War. The family wintered in Florida and returned each May to operate Ware's Grove which featured kiddie car rides, a train, a drive-in theater, and a grand band stand featuring entertainers including such notables as Gene Krupa, Patti Paige, and Benny Goodman. He would start the school year in Keene, spending winter months at schools in Florida, and then returning to finish the school year in Keene. A stint at colleges in Florida and Maine convinced him higher education was not for him. He trained as a hairdresser and opened a shop in Florida.

He met his wife, Linda "Penny" Penning who is a life-long Chesterfield resident, during his summers in Chesterfield. They settled in Chesterfield after marrying in 1969. Ed had the cottage moved "down the hill" to its present location in Ware's Grove and resided there until his family negotiated the sale of Ware's Grove to the town of Chesterfield. Eventually, he and his wife moved to the stone building which houses the Chesterfield Post Office. He owned Edward's Place in the Fairbanks Plaza, a salon frequented by local residents. He also did shifts at the town post office and general store which his wife's parents owned. The Cheever's raised their three children in Chesterfield and vacationed regularly in the Miami, Florida area.

He first ventured into Chesterfield politics in 1989 when he was appointed as one of two Town auditors. The following year he was elected as Town Treasurer, a position in which he still serves. He accepted an appointment to the Supervisors of the Checklist in 1996, was elected the following year and continues to serve as a Supervisor, now the Chair, to this day. In 1997, he tried to convince the Town Selectboard to include air conditioning in the new Chesterfield Library. Although not successful, his interest in library business continued and he currently serves as an Alternate on the Library Board of Trustees. With some spare time on his hands during "retirement", he was elected to the Cemetery Commission in 2018. You can find Ed daily in his rounds locking and unlocking the cemetery gates during the summer months or tending to his gardens. Ed has shared his gardens as the site for many eighth-grade graduation and dance photos.

Thank you, Ed, for your years of dedication and service to the Town of Chesterfield.

2022 Selectboard Report

Several of the technological changes we reported on last year have continued and we are working to make town government more accessible through their use. The Happenings newsletter continues to be available by email for those who ask, but it is now also available on the Board of Selectman page of the town website. We have also opened up this newsletter to Community Events. The criteria for your event to be posted is listed on the bottom of the newsletter. Our website at www.chesterfield.nh.gov is a great resource for accessing information about the town departments. The board and several of the committees continue to make their meetings available through Zoom for those of you who wish to follow town board activities in real time.

In the spring we began a new property appraisal program. Rather than visiting all of the properties in town in one year, the appraisers will be visiting portions of the properties over four years. These visits are for the purpose of verifying the physical data of the properties. In the fifth year they will then be doing the valuation portion of the appraisals. This will relieve the pressure of getting all of the revaluation done in one year. No changes take place in the valuation of properties until the fifth year, unless you have made changes to the property that are of a nature to increase or decrease its value, such as an addition.

The Watershed Committee has been working hard on evaluating the issues surrounding maintaining and improving the condition of Spofford Lake. They will be continuing this work in the coming year. A preliminary report is available on the town website.

The board established a Gravel Roads Committee after discussion at town meeting. They are working with the Road Agent to determine plans for improving the gravel roads in town. The beginning portion of Atherton Hill Road was reconstructed last fall with the installation of Geogrid. If approved at Town Meeting work will be done on North Hinsdale Road and Zinn Road this year. These roads were chosen due to their having only one way in for residents and emergency equipment during mud season. This work is included under the article for repaving roads.

We are continuing to consider projects which qualify for use of the American Rescue Plan funds. The board is going forward with a building to house the police cruisers and some of their associated equipment where the cruisers are currently parked. The building is being funded by a donation, but drainage issues need to be addressed in the parking lot and a slab is required for the building. This should be taking place in the spring.

The board invites any of you with an interest in serving your community to consider volunteering to serve on one of the town boards or committees. Many of these boards have provisions for alternates to serve when regular members are unable to attend. Currently we are considering moving forward with a Community Power plan. This will be a new opportunity for community members to get involved.

Paragraph I. – "solar energy system" means a system which utilizes solar energy to heat or cool the interior of a building or to heat water for use in a building and which includes one or more collectors and a storage container. "Solar energy system" also means a system which provides electricity for a building by the use of photovoltaic panels. Paragraph II. – "Solar energy system" means, in addition to the definition in paragraph I, a system which utilizes solar energy to produce electricity for a building and includes all photovoltaics, inverters, and storage. Systems may be off grid or connected to the grid in a net metered or group net metered arrangement pursuant to RSA 362-A:9 or in a direct retail sale arrangement pursuant to RSA 362-A:2-a. (Majority vote required)

ARTICLE 36: Petition Warrant Article

Petition to the Town of Chesterfield, NH to replace Columbus Day with Indigenous People's Day. Whereas we celebrate the people who first called this land home; we remember the struggles and tragedies they endured; and we honor their place in and contributions to the shared story of America, therefore we the citizens of Chesterfield, NH petition the Town of Chesterfield to replace Columbus Day with Indigenous People's Day, and that the Board of Selectmen forward a copy of the petition and vote, if successful, to the governor's office and the legislature.

(Inserted by Petition)

ARTICLE 37: Petition Warrant Article

To see if the Town shall vote to amend the Town's solar tax exemption under RSA 72:61-64 inclusively, which provide for an optional property tax exemption from the property's assessed value, for property tax purposes, for persons owning real property, which is equipped with solar energy systems intended for use at the immediate site. Such property tax exemption shall be in the amount equal to 100% of the assessed value of qualifying solar energy system equipment under these statutes, with no maximum dollar amount on the exemption.

(Inserted by Petition)

ARTICLE 38: Petition Warrant Article

Are you in favor of increasing the Board of Selectmen to 5 Members? (Majority ballot vote required)

(Inserted by Petition)

ARTICLE 39: To see if the Town will vote to allow the Board of Selectmen to dispose of municipal assets by sealed bid, or by other means as deemed appropriate, or act in any way related thereto.

ARTICLE 40: To transact any other business that may legally come before this meeting.

Given under our hands and seal this 9th day of February in the year of our Lord Two Thousand and Twenty-Three.

**2022 TOWN WARRANT
TOWN OF CHESTERFIELD
STATE OF NEW HAMPSHIRE**

Proceedings of the Annual Town Meeting of the voters of the Town of Chesterfield, New Hampshire, called at the Chesterfield School Gym in said town on March 8, 2022.

Town Moderator Brad Roscoe called the Town Meeting/Town Elections to order at 9:00 in the forenoon and declared the polls open for voting by ballot for the Town Officials and to amend Zoning.

Polls were closed at 7:00pm by the Town Moderator Brad Roscoe and counting of ballots commenced. Town Meeting resumed on Saturday March 14, 2022 at the Chesterfield School.

Town Moderator Brad Roscoe called the meeting to order at 12:02pm.

A Pledge of Allegiance was led by Town Moderator Brad Roscoe.

Business part of the meeting began at 12:09pm

ARTICLE 3: Steve Laskowski spoke for the committee. He stated that the budget committee was presented with responsible budget from Selectmen and the Budget Committee supported all articles being presented except one that was deadlocked with a 6-6 vote.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of Three Million, Nine Hundred Ninety-Seven Thousand Nine Hundred Forty-Five Dollars (\$3,997,945) for the following purposes, or act in any way related thereto.

Motion: Gary Winn; Seconded: Dan Cotter

Gary Winn asked to have two amendments to ARTICLE 4 as shown below. Dan Cotter asked to separate amendments to article 4.

1st AMENDEMENT TO ARTICLE 4 - Amend line 13 Police Reimbursable Detail to \$1,700. A reduction of \$23,300 for a total appropriation of \$3,974,645.

Motion: Gary Winn; Seconded: Dan Cotter

Gary Winn stated there is a desire to change the accounting for the Police Reimbursement Detail to be a revolving fund. **Dan Cotter** spoke against removing these dollars to ensure the fund will always have sufficient funds since payments for billing could take time and costs rise. **Fran Shippee** stated if this was done that it would require an increase in the overall budget. **Leslie Frank** stated she has municipal experience and discussed example of payment and reimbursement for police details. She agreed with Gary Winn that a revolving account will have \$25,000 in it most of the time if reimbursements are timely. As long as bills are paid - that \$25,000 continues to be available or close to that amount. Therefore, no need to keep any extra amount in another account. **Gary Winn** commented that there was a small amount of income from this work, so over time the fund has the potential to slowly increase. Fran Shippee also commented could potentially grow as bill goes up. Dan Cotter commented that it won't really grow as charges also rise. The article passed by visible hand vote.

2nd AMENDMENT TO ARTICLE 4 - Reduce line 18 Highway/Town Road Maintenance by \$15,000 to \$820,994 and increase line 3 Financial Administration by \$15,000 to \$97,508

Motion: Gary Winn; Seconded: Ron Rzasa

Gary Winn stated audits were taking time. The budgeted sum originally estimated will be insufficient for the audits. Currently we do not have a public works agent - have kept the money set aside to hire someone. - we are 3 months into the year without the person. Interest in trying to keep budget and move the money around rather than increasing budget to take care of increase in costs. Question: **Kurt Roscoe** asked what do we do if we remove these monies - will this change the pay rate for a possible new hire? Answer: **Gary Winn**, the money that would have spent to pay a public works agent hasn't been spent for 2.5 months and the town has not filled the position. The funds set aside to pay for this position is still in the budget. This total amounts to approximately 25% of the salary once you factor in the amount of time it would take to take on a new hire. So there will still be sufficient funds to pay someone at the original rate, the person will simply not be paid for the entire year. The article passed by visible hand vote.

ARTICLE 4: As amended by Amendment 1 and Amendment 2

The article passed by visible hand vote.

ARTICLE 5: To see if the town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of police special details and to raise and appropriate Twenty-Five Thousand Dollars (\$25,000) to be put in the fund, or act in any way related thereto. All revenues received for police special details will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year and shall not be considered part of the town's general fund balance. The town treasurer shall have custody of all moneys in the fund and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created.

(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Fran Shippee; Seconded: Dan Cotter

Brad Roscoe discussed what this means to the police fund to have no cap. Fran Shippee stated it is easier to have monies flowing in from this revolving account rather the traditional fund set up that has inflowing monies not entering this account. Someone asked about the amended change in article 4 - this would decrease the funds in the reimbursement account by reducing it by \$23,300 dollars, not the full \$25,000. **Gary Winn** stated that some of the dollars have already been spent from this account, so can't take all \$25,000 out. **Leslie Frank** asked about how the adjustment to both IN and OUT. This led to a conversation where **Gary Winn** pointed out the following:

- Under current reimbursement detail - if the police does a traffic detail, a company is billed. This doesn't offset the expense.
- Any money taken in payment goes into the general fund. So nothing is offsetting although we do realize income.
- With a rotating fund as desired, the town/police would have more flexibility to do these jobs without having to say that they are out of money for the year.
- It will be a fund that needs to be managed. Receipts need to come in and out at approximately the same rate to keep the full funding level. From past experience this should not be an issue.
- The goal in adjusting the way the fund is handled is that this is the last time we see this deposit - it will already be in fund from reimbursements.

The article passed by visible hand vote

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of Three Hundred Forty-Six Thousand Eight Hundred Thirty-Two Dollars (\$346,832) for the purpose of reconstructing and basecoat paving of the remaining 2/3 of North Shore Rd, or act in any way related thereto, said appropriation to be partially offset by the Highway Block Grant funds provided by the State of New Hampshire in the amount of One Hundred Forty-Nine Thousand Eight Hundred Twenty-Seven Dollars (\$149,827) if the grant is not fully received, the remainder to be raised through taxation and

to authorize the withdrawal of the sum of One Hundred Eighty Six Thousand Dollars (\$186,000) from the Road Construction/Reconstruction Capital Reserve Fund, the remainder of Eleven Thousand Five Dollars (\$11,005) to be raised by taxation. This is a special warrant article per RSA 32:3 VI (d).

(Recommended by the Selectmen) (11-1 by the Budget Committee)

Motion: Kelli Hanzalik; Seconded: Ron Razasa

Kelli Hanzalik discussed the three stage plan of the road construction. Step one has been completed - step two is now up and the third step is top coating that would take place after one year of freeze and thaw. This will help with the longevity. The article passed by visible hand vote.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of One Hundred Seventeen Thousand Nine Hundred Seventy-Five Dollars (\$117,975) for the purpose of resurfacing Town roads. To be raised through taxation. This is a special warrant article per RSA 32:10 I (d).

(Recommended by the Selectmen) (10-2 by the Budget Committee)

Motion: Kelli Hanzalik; Seconded: Dan Cotter

Bart Bevis spoke and proposed an AMENDMENT TO ARTICLE 7.

AMENDMENT TO ARTICLE 7: To see if the Town will vote to raise and appropriate the same of Two Hundred Thousand dollars (\$200,000) for the purpose of resurfacing paved Town roads and reconstructing gravel Town roads by excavation, installation of geotextile fabric and replacement of material as required, or to act in any way related thereto. To be raised through taxation. This is a special warrant article per RSA 32: VI (c).

Motion: Gary Winn; Seconded: Dan Cotter

Steve Lewkowski spoke for himself only. He stated that this amendment was discussed in the Budget Committee. The discussion on the issue with gravel roads has been kicking can around for 10 years. Every year about \$10,000 is spent reapplying gravel to roads, gravel gets washed away. The geo-textile was successfully tested in Old Swanzey Rd. years ago - still survives and functions. There is a spot in the road where it doesn't get soggy and bogged down during mud season. Over a long period of time there will be a savings as well as the comfort of those living on gravel roads to travel during the mud season. **Bayard Tracy** asked why are we doing this at a town meeting rather than within the budget committee? **Gary Winn** stated that the selectman chose to get North Shore finished. No one came to a selectmen's meeting about this issue. These roads have problems - so

not against this amendment. **Dan Cotter** stated it was brought up in the Budget Committee - eventually we have to something - this arose from someone wanting to push 'eventually' to today. **Jon McKeon** stated he was not against this amendment but generally a plan would be presented and then the appropriation of the dollars would take place. **Kurt Roscoe** stated while the pricing seem high, in the long term this will come out cheaper and reduce road upkeep and damaged cars. This would also save people who live on the roads maintenance. **Greg Denzler** stated the town needs data. It seems like a good idea but where is the plan - does the Highway Department have a plan? Needs a cost/benefit analysis.

Vote for AMENDMENT as presented. COUNTING OF RAISED HANDS TOOK PLACE - FOR = 32;
AGAINST = 22 AMENDMENT FOR ARTICLE 7 CARRIED BY HAND VOTE.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of One Hundred Twenty-Six Thousand Dollars (\$126,000) to be added to the already established Highway Heavy Equipment Capital Reserve Fund, or act in any way related thereto.
(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Kelli Hanzalik; Seconded: Dan Cotter

DISCUSSION: none. The article passed by visible hand vote.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of One Hundred Twenty Thousand Dollars (\$120,000) to purchase a new 19,500 GVW Cab, Chassis and associated equipment for the Highway Department and authorize the withdrawal of the sum of One Hundred Twenty Thousand Dollars (\$120,000) from the Highway Heavy Equipment Capital Reserve Fund.
(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Kelli Hanzalik; Seconded: Gary Winn

DISCUSSION: none. The article passed by visible hand vote.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000) to be added to the already established Roadways Construction/ Reconstruction Capital Reserve Fund, or act in any way related thereto.
(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Kelli Hanzalik; Seconded: Dan Cotter

DISCUSSION: none. The article passed by visible hand vote

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of Twenty-Six Thousand Four Hundred Dollars (\$26,400) to be added to the already established Revaluation Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Gary Winn; Seconded: Dan Cotter

Karen Denzler asked what is ARTICLE 11? **Gary Winn** stated that the state requires assessments every five years. Since the assessment was just completed, this gives us another five years to do another evaluation and level off the cost by going to a five-year cycle of physical checks on properties. During the 5th year, the number crunching takes place, and reevaluation for taxation will be performed. Next year 25% of appraisals can take place, then the remaining 75% the next three years. The 5th year the information is gathered and property values are re-evaluated. Some people will see changes earlier.

Karen Denzler asked what was the current balance of this fund. The value was found and reported as \$89,000. The article passed by visible hand vote.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of Twenty-Four Thousand Dollars (\$24,000) for year one of a five year full cyclical revaluation and authorize the withdrawal of the sum of Twenty-Four Thousand Dollars (\$24,000) from the revaluation capital reserve fund.

(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Gary Winn; Seconded: Dan Cotter

Discussion? None. The article passed by visible hand vote

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of Fifty-Seven Thousand Dollars (\$57,000) to be added to the already established Town Buildings Maintenance Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Fran Shippee; Seconded: Susan Newcomer

Discussion? None. The article passed by visible hand vote

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of Fifty-Seven Thousand Dollars (\$57,000) and authorize the withdrawal of the sum of Fifty-Seven Thousand Dollars (\$57,000) from the Town Buildings Maintenance Capital Reserve Fund, to support the following, or act in any way related thereto. This is a special warrant article per RSA 32:10 I (d).

Paving of Town Hall Parking Lot	6,000
Painting of Town Office Interior	24,500
Painting of Town Hall Steeple	9,500
Painting of Library Windowsills and Trim Repair	7,500
Town Hall Siding & Paint for back side	9,500
TOTAL	57,000

(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Fran Shippee; Seconded: Dan Cotter

Susan Newcomer asked why put the funds in and then take out the same amount. **Fran Shippee** answered that the money is presently estimates for the projects, the exact amounts aren't known. The article passed by visible hand vote.

ARTICLE 15: To see if the town will vote to raise and appropriate the sum of Twenty-Nine Thousand Dollars (\$29,000) to be added to the already established Police Cruiser Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Fran Shippee; Seconded: Jeff Newcomer

Discussion? None. The article passed by visible hand vote.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of Forty-Four Thousand Dollars (\$44,000) for the purchase of a New Dodge Durango Pursuit AWD police cruiser and authorize the withdrawal of the sum of Forty-Four Thousand Dollars (\$44,000) from the Police Department Cruiser Capital Reserve Fund for that purpose, or act in any way related thereto.

(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Fran Shippee; Seconded: Dan Cotter

Discussion? None. The article passed by visible hand vote

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of Seventeen Thousand Five Hundred Dollars (\$17,500) to be added to the already established Police Department Equipment Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Fran Shippee; Seconded: Susan Newcomer

Discussion? None. The article passed by visible hand vote

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of Nine Thousand Five Hundred Dollars (\$9,500) to purchase 5 tasers, holsters and associated cartridges and authorize the

withdrawal of the sum of Nine Thousand Five Hundred Dollars (\$9,500) from the Police Department Equipment Capital Reserve Fund for that purpose, or act in any way related thereto.

(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Fran Shippee; Seconded: Dan Cotter

A resident asked what is spurring this need? **Chief Duane Chickering** stated that these tasers will replace ones that are old and parts are no longer available. **Chief Duane Chickering** has never used it - but each officer needs one. The article passed by visible hand vote.

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of Six Thousand One Hundred Dollars (\$6,100) for a dual band cruiser mobile radio and installation and authorize the withdrawal of the sum of Six Thousand One Hundred Dollars (\$6,100) from the Police Department Equipment Capital Reserve Fund for that purpose, or act in any way related thereto.

(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Fran Shippee; Seconded: Ron Rszaza

Discussion? None. The article passed by visible hand vote

ARTICLES 20 - ARTICLE 22: grouped together for vote to save time as both articles relate to Parks & Recreation.

ARTICLE 20: To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000) to be added to the already established Parks and Rec Pickup Truck Expendable Trust Fund, or act in any way related thereto. This is a special warrant article per RSA 32:10 I (d).

(Recommended by the Selectmen) (12-0 by the Budget Committee)

ARTICLE 21: To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500) to be added to the already established Parks and Rec 4x4 All-Terrain Vehicle Capital Reserve Fund, or act in any way related thereto. This is a special warrant article per RSA 32:10 I (d).

ARTICLE 23: To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) to the already established Wildland Fire Suppression Expendable Trust Fund, or act in any way related thereto. This is a special warrant article per RSA 32:10 I (d).

(Recommended by the Selectmen) (11-1-1 absent by the Budget Committee)

Motion: Gary Winn; Seconded: Susan Newcomer

Discussion? None. The article passed by visible hand vote

Article 24 and ARTICLE 25: grouped together - concerning Cemetery Trust Fund. Acquisition of a mower + truck.

ARTICLE 24: To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to be added to the already established Cemetery Truck Replacement Expendable Trust Fund, or act in any way related thereto. This is a special warrant article per RSA 32:10 I (d).

((Recommended by the Selectmen) (11-1-1 absent by the Budget Committee)

ARTICLE 25: To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500) to be added to the already established Cemetery Mower Replacement Expendable Trust Fund, or act in any way related thereto. This is a special warrant article per RSA 32:10 I (d).

ARTICLE 26: To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500) to be added to the already established ROW (Right-of-Way) Survey Expendable Trust Fund, or act in any way related thereto. This is a special warrant article per RSA 32:10 I (d).

(Recommended by the Selectmen) (12-0 by the Budget Committee)

Motion: Gary Winn; Seconded: Jeff Newcomer

Discussion? None. The article passed by visible hand vote

ARTICLE 27: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the already established Spofford Lake Control and Remediation of Invasive Species Expendable Trust Fund, or act in any way related thereto. This is a special warrant article per RSA 32:10 I (d).

(Recommended by the Selectmen) (Not Recommended by the Budget Committee 6-6)

Motion: Kelli Hanzalik; Seconded: Jeff Newcomer

Bayard Tracy discussed how the funds would be used. The DES pays for 100% of new invasives in the lake. The DES will pay up to 50% of 2nd treatment - but town residents must raise and pay the rest. Boat license fees are insufficient to manage the invasive species managed by the town. This trust will meet this need. The spending is controlled by the Board of Selectman. The total taxable assessments around the lake are 30%. Revenue is also generated by Parks & Recreation fees collected to attend the public beach and camps. Now a balance of \$79k similar to what the Spofford Lake Association will share to assist with committee's work. Received \$80k to reduce storm water

run off in the lake from Rte. 9 on boat ramp. **Dan Cotter** - opposed to this - the state owns the lake - putting money aside for the lake is akin to putting money aside to take care of Rte. 9. **Barb Koff** - residents use the lake. We should think about the lake as a resource. **Kurt Roscoe** - want to remind everyone, preventative maintenance costs less than remediation. **Jeff Scott** - Disagree with Dan Cotter about state taking care of lake. **The article passed by visible hand vote**

ARTICLE 28 and ARTICLE 29: COMBINING FOR VOTE

ARTICLE 28: To see if the Town will vote to discontinue the Parks and Rec Building Expendable Trust Fund. Said funds and accumulated interest to date of withdrawal are to be transferred to the municipality's general fund.

(Recommended by the Selectmen) (12-0 by the Budget Committee)

ARTICLE 29: To see if the Town will vote to raise and appropriate the sum of Three Thousand Seven Hundred Twenty-Seven Dollars (\$3,727) to be put in the Buildings Maintenance Capital Reserve Fund. This sum to come from unassigned fund balance. No amount to be raised from taxation. If article 28 fails, this article is null and void.

(Recommended by the Selectmen) (12-0 by the Budget Committee)

Moving separate funds and move into the building capital maintenance funds.

Motion: Fran Shippee; Seconded: Dan Cotter

The COMBINED ARTICLES 28 & 29 passed by visible hand vote.

ARTICLE 30: To see if the Town will vote to raise and appropriate the sum of Twenty-One Thousand Nine Hundred Ninety-Six Dollars (\$21,996) to support the following, or act in any way related thereto. This is a special warrant article per RSA 32:10 I (d).

Motion: Gary Winn; Seconded: Susan Newcomer

John Pieper asked if Joan's Pantry should be added to the list. **Fran Shippee** stated that Joan's Pantry doesn't need funds at this point. **Gary Winn** - there is a process to get on this list. An organization must apply and demonstrate they are serving this community. Then provide monetary dollars spent to provide the service. That is where this list comes from. Actual residents using services. We are trying to keep available for the citizens. The article passed by visible hand vote.

ARTICLE 31: Petition Warrant Article - As specified in 41:8-b "are you in favor of increasing the board of selectmen to 5 members?"

Motion: Ron Rszaza; Seconded: John Pieper

Dan Cotter stated the issue of raising the number will just make it more difficult to get people on the board not spread the work out. **Jon McKeon** has the same concerns as Dan Cotter. Trying to get people to run that are willing and committed. Increasing the board to 5 members will make it more difficult to find those people. **John Pieper** asked a question about the wording - if it passes is it a mandate? What does the yes vote mean? **Gary Winn** answered John's question - when we received this petition we asked about the wording of the article. This is the RSA wording for a 3 to a 5 board. Adopting this will adopt a 5 person board. **Susan Newcomer** asked, where are the people who put this petition together? Why aren't they standing and speaking in support of it? **Ron Rszaza** stated as a frequent visitor to BOS meetings and the chair EDC, he is aware of the selectmen's workload. He noted a three-person committee demanded a 30+ a week. **Nancy Eddy** - what happens if no one steps up? **Gary Winn** answers you would still have a quorum with 3 people. He believed it would be up to the select board to appoint people for 1 year terms. **Margaret Halpert** asked the people currently serving as selectmen - do you feel there would be a benefit from more people? Would it reduce your load?? **Barbara Girs** reminded people that if nobody ran, those serving could be someone's brother-in-law, etc... written in on a whim, or Micky Mouse. Write ins that had only a couple of votes. There needs to be people running for the offices who want to serve. Comment from resident: Still haven't heard from the person who is behind the petition. **Margaret Winn** stated she didn't start it but did sign it. We have 5 people on all the other committees - why not our selectmen? **Christine Prah** expressed the concern that we already struggle to get people running for office. With more selectmen we could get people that are not committed or have an agenda that disrupts the

board's work. **Amy LaFontaine** stated she started the petition - she saw the workload of the three selectman and hoped to spread out the work. Larger committee would mean a larger quorum of 3 rather than 2. Therefore it would be more representative of the town. **John Pieper** understands the desire to share the workload with more members. What is answer to question addressed to the existing selectman - would it help to hear their answers? **Gary Winn** stated he don't know if it will help or not. Not sure - right now it is 3 people's opinion vs. 5 people. If someone wanted to push a special interest, then a larger group would make this more difficult. He said that a Hinsdale selectman said 5 is the only way to go. He struggles where he stands on this. He sees some potential good and bad. He has heard from some if a 5 member board, some people would run - but can't guarantee. **Fran Shippee** feels unable to commit to where she stands on supporting 3 or 5. You create as much work in this job as you want. Would value the extra people to talk to, can't talk to people now to bounce around ideas. **Kelli Hanzalik** stated she is in favor of 5 selectman because it is difficult for working people to commit to the time required to do the job while having a full time job. The risk of 3 is if there is one person has a very strong personality it would be easier to convince a single person than two to vote one way. Five members would make it more difficult to have one person run the show. **Steve Laskowski** commented that this was not initiated by selectmen and agreed with Barbara Girs on the matter of write-ins, even Micky Mouse. He also agreed it is lots of work if one has a full-time job. Has anyone considered possible solutions?

- Could the town administrator take off weight of selectmen?
- If there is a need to spread the tasks out - bring people in on ad-hoc basis.
- Bring people into the government - then people will run for selectmen.
- Lost 40-60 age demographics because they are not exposed to the government. Need new blood to have same sweet town.
- Said he was afraid of selectmen speaking to each other outside of public meetings. This was a comment about Fran Shippee's comment about bouncing ideas off other selectmen.

John Pieper asked, assuming this passes and it is seen as a disaster - we can petition to go back to 3 selectmen?

- **Gary Winn** - yes - in a one year period. Not sure presently how to go backwards but could refer to RSAs on details.

Vote - paper ballot - took break while ballots were collected at 1:50pm. Town Moderator Brad Roscoe called back to order at 1:54pm. Result of paper ballot - Yes 27 No 36 1 no vote. The article does not carry.

ARTICLE 32: To see if the Town will vote to allow the Board of Selectmen to dispose of municipal assets by sealed bid, or by other means as deemed appropriate, or act in any way related thereto.

Motion: Dan Cotter; Seconded: Jeff Newcomer

DISCUSSION? None. The article passed by visible hand vote

ARTICLE 32: To transact any other business that may legally come before this meeting.

John Pieper wanted to thank the voters to approve the zoning amendment to bring Senior Housing to the town. Discussed how many votes it received. We would love to bring in small business - not in favor of strip malls - want little things for our little town. Also, need more members on the Economic Development Committee. Meetings posted on the town website. **Gary Winn** stood and asked for **Barbara Girs** to be called into the room. **Jeff Scott** went out to get her. Gary stated that the board wanted to take this opportunity to thank **Barbara Girs and Kristin McKeon** for their hard work together over the years. **Gary Winn** also added a thank you **Kelli Hanzalik** for stepping in to complete the term and encourages people to run in the future.

Trustees of Trust Funds

2022 Report

Town of Chesterfield

For the fiscal year 2022, the Town Trustees managed the deposits, withdrawals and investments of all town-created Capital Reserve and Non-Capital Reserve funds, town-created Expendable Trusts, and multiple Donor Trusts for the benefit of our cemeteries, recreational facilities, beaches, library, and school. The Trustees generate annual reports for the Town of Chesterfield, the State of New Hampshire, and the SAU29 School District.

All charitable donations accepted by the Board of Selectmen to the town are to be held in trust by the Trustees of Trust Funds. There was one new donation made to the town in 2022 for the already established Police Garage Expendable Trust.

The Trustees would like to make it known that there are additional donor trusts that can accept donations, including the Chesterfield Scholars Fund, the Vocational Scholarship fund, and the Wares Grove Recreational Facilities Enhancement fund. We would like to encourage residents and businesses to consider tax deductible donations to any of these trusts. Our two educational scholarship funds in particular are in need of funding. Both were established in good faith but with insufficient funds to provide meaningful scholarships to students attending universities or vocational programs without further contributions. If you are interested, please contact the Trustees or Board of Selectmen.

Respectfully submitted,

Christine Prah

Chesterfield Highway Department

The Chesterfield Highway Department went through some personnel changes in 2022. We are happy to be fully staffed and running smoothly.

Winter 2022 did not bring a lot of snow, which kept our dirt roads muddy longer than normal. Six (6) driveway permits were issued in 2022.

Paving was successful - we were able to resurface 2 miles of N. Shore Road, $\frac{3}{4}$ of a mile of Atherton Hill Road and just under a mile of Pinnacle Springs Road. The Town started a Gravel Road Committee which assisted in the implementation of Geotextile Fabric going in on roughly $\frac{1}{2}$ mile of Atherton Hill Road (dirt). This was done in hopes it will assist keeping mud season to a minimum in that area.

We look forward to 2023 and continuing to serve the Chesterfield community to the best of our abilities!

Bruce Adler
Road Agent

CHESTERFIELD POLICE DEPARTMENT

I am pleased to present the 2023 Chesterfield Police Department Operating Budget for consideration. In addition to the open full time police position from last year, Officer Penny Witherbee, Officer Derek Jackson and Administrator Jodi Brown resigned from the Chesterfield Police Department. As we continued to push forward into 2023, Lt. Michael Bomba has announced his impending retirement. It will be effective June of 2023. Lt. Bomba has had an amazing 26 year career with the Hinsdale Police Department as well as the Chesterfield Police Department. When Lt. Bomba was hired, he promised me he would give the Town of Chesterfield 3 years. Now, over 8 years later, he is still with us. Lt. Bomba said that Chesterfield felt like a second home for him and he loves working for the Town of Chesterfield. Lt. Bomba's career includes being a Field Training Officer, Firearms Instructor, PT Instructor and Police Lieutenant. Michael is a very dedicated and loyal police officer. He has always given us 110%. His shoes will be hard to fill, but all of us at the Chesterfield Police Department wish him well on the next chapter in his life. Good Luck Mike!!!

The hiring of new police officers and administrator continues to be a very difficult task, but I am happy to announce that we recently hired Police Officer Lance Rouse and Administrator Katherine Collins as our new team members. Lance was a police detective with the Gilford NH Police Department with extensive experience surrounding computer forensics and is an ICAC Affiliate (Internet Crimes Against Children). Katherine has extensive dispatching experience while working for a large Sheriff's Office in Georgia as well as with the Cheshire County Sheriff's Office. Katherine has hit the ground running and has already taken on the tasks that have been neglected since our past administrator's resignation. Both are welcomed assets to the Chesterfield Police Department. Please take a moment to stop by and say hello.

As mentioned in last year's report that there were sweeping changes for law enforcement in New Hampshire. One of the recommendations from the police commission included the purchase of body cameras. After extensive research, we have purchased body cameras for the police department, and they went live in January of 2023.

As we continue to be proactive in preventing criminal activity, we are fully aware of the concerns of speeding and other motor vehicle violations on our town roads as well as on Route 9. Since 2020 motor vehicle collisions have increased by 34%. This number is unacceptable, and we are doing our best by conducting directed patrol during the busy periods. There are three main areas that we are targeting on Route 9 - Stoddard Hill, Route 9/63 Intersection and Chesterfield Hill.

Solid Waste Department

Transfer Station

Another year complete!!

Please remember to sort your recycling at home to keep the lines moving at the Transfer Station.

Recycling helps the environment and everyone in town benefits from the savings. Each year your efforts increase the amount of recycling and therefore reduce the amount of rubbish sent to landfills.

We gladly accept most household waste and small construction debris. There is a fee associated with some things (see the Town website or an attendant for a full list), but cardboard, paper, glass and plastic are free to dispose of at the Transfer Station. Remember we still do not accept televisions or computer monitors, which need to be brought to an approved location. (Best buy and Keene Transfer Station accept them)

In an effort to discourage out of Town use of the Transfer Station, a new permit is required every two years for each resident. Proof of residency must be shown, and a new sticker will be issued and affixed to your vehicle. 2023 is a year of renewal for stickers. Thank you for your understanding and cooperation with these continued efforts.

Please do not hesitate to ask an attendant for assistance if you are unsure what can and cannot be recycled. Please remember that the Transfer Station is on a closed-circuit surveillance system for your safety and the safety of our staff.

A full list of what days the Transfer Station will be closed for Holidays can be found on the Town Website and in the Town Happenings email.

General

This Department acts as a resource for residents for information regarding building and property usage as written in the Chesterfield Ordinances.

Building Inspection

This function through the Building Ordinance and the State Building Code is responsible for repairs, renovations and new construction in Chesterfield. It includes plan review, permitting, rough inspections and final inspections.

Code Enforcement

This role is for local regulations concerning property uses and structures through the Chesterfield Zoning and Planning Ordinances.

Some examples of the type of items enforced: Setback infringements, Impervious coverage, Permitted property uses, and Sign violations.

Matt Beauregard

Code Enforcement Officer/ Building Inspector

Chesterfield Health Office 2022

The Chesterfield Health Officers are appointed by the NH Department of Health and Human Services as recommended by the Board of Selectmen. As health officers we are responsible for investigating failed septic systems. We are also responsible for approving homes for the placement of foster care and adoptive children as well as periodic health inspections for child day care centers.

NH-DHHS also requires periodic health inspections of Chesterfield School. Most of the time, the school health inspection will be performed in conjunction with fire & life safety inspections. The public drinking water which supplies the library and both public beaches is tested in the spring and fall for bacteria and in the fall for nitrates & nitrites.

This office signs off on septic designs for new and replacement septic systems prior to state approval. NH-Department of Environmental Services is responsible for the final system approvals for design and use.

In 2022 the following inspections were performed:

Chesterfield School

6 Foster Care and Adoptive Homes

2 Child Day Care Centers

Semiannual Public Drinking Water Supplies

Chesterfield Office of Emergency Management (OEM) – 2022 Annual Report

Ralph Petti - Emergency Management Director – Role Objectives/Responsibilities:
“Planning, directing, conducting and administering all Emergency Management Programs”

1. INCIDENTS: OEM was not called upon to respond to any disaster events this year

- We were fortunate in that the weather conditions were kind to us. In addition, there was a small plane crash in Keene and a small tornado activity just north of Spofford Lake – neither of which affected our community or our citizens. Some icy roads, flooding, etc.
- COVID, of course, was a big issue and we continued sending links to local residents for any NH Emergency Management directives in our Monthly OEM Newsletters

2. PARTNERING: OEM extended our reach both within and beyond our borders

- Keene State Emergency Management event – Met with Keene PD, FD, KSU, other resources
- Westmoreland – Collaborated with their OEM Director re: teaming, access, borders, CERT
- Local support – Provided support for Spofford Lake Association and other related groups
- Local groups – Attended meetings w/ Economic Development Comm., The Red Cross, etc.
- Attended Chesterfield meetings, as necessary, encompassing most town committees

3. DEVELOPMENT WORK: OEM continued the team’s past efforts to better prepare our town

- CERT – Citizens Emergency Response Corps – working with HSEM to create such a program
- Chesterfield School and SAU29 officials - to be a part of their planning and safety activities
- HSEM Disaster Planning interaction – with NH’s Homeland Security Emergency Mgmt group
- Southwest Regional Planning Commission - to update our Local Emergency Operations Plan
- NH Disaster Animal Response Team (DART) – taking a leadership role to protect our pets

4. FINANCIALS: Via our Town Admin, Alissa Thompson, we got every Grant dollar available

- FY’2022 BUDGET – in 2022, OEM had 10% of our Budget left with no additional spending
- FY’2023 BUDGET – in 2023, OEM asked for about 40% less funding to run OEM than in 2022
- GRANTS – Received funding via the Locality Equipment Matching Program in a 90/10 split

5. NEW OEM RESOURCES GAINED VIA GRANTS IN 2022 (Kudos to our great staff!)

- | | |
|--|---|
| * OEM/Town Telephone System | * Enhanced Emergency Supplies |
| * OEM Portable Generator | * PPP and KN95 Mask Provisioning |
| * OEM Traffic Message Board | * Coordination with local CERT teams |
| * AEDs for Police Cruisers (5) | * Promotions at Chesterfield Old Home Day |
| * CodeRED Emergency Mgmt – joining the State of NH Communications System | |

6. OUTSTANDING PERSONNEL & STAFFING – always the real key to our success

- Where would we be without our Town Staff members and OEM Volunteers??
- There are three individuals to recognize for their outstanding OEM efforts in 2022
 - * Town Administrator – Alissa Thompson – who really helped me in my first year
 - * OEM Deputy Director – John Keppler – who brought years of experience to our team
 - * Member of the Year - Cheryl Maibusch – whose passion to protect pets is inspirational

Chesterfield Parks and Rec Report 2022

2022 was a great year, we were very lucky that mostly all the Covid restrictions were lifted so all our programs that we offer could run at full capacity and no mask mandate was required. So that was awesome that we could go back to what we remembered as normal living.

Our Rec after school program helped 13 families that need care for their children 5 days a week after school. We played out on the playground and when it was raining went into the school's art room or the gym and played games and ran around the gym. It was nice seeing all the kids' faces, smiling and laughing and enjoying playing together. Thank you Chesterfield School for allowing us to use this space on rainy days.

Summer Rec Camp was very busy this summer, we had a total of 90 kids signed up with 8 counselors and assistants. The weather was amazing and we hardly had any rainy days which was nice. There were a few hot days where we just about spent the whole day swimming in the water to keep us all cool. We ended the last day of camp with Kona Ice coming and all the kids got to have a Slushie.

A community beach clean-up was held the second weekend in May at Ware's Grove Beach to help clean up the debris from the winter. We will have another community beach clean up this year as well on May 13th at 9:00 am. The beach was very busy this summer, our beach ran very smoothly with our awesome lifeguards and our snack shack was so busy. Hot weather means we sell a lot of ice cream and that is always a favorite for parents and the kiddos.

Our fall Rec soccer program was a huge success, we had 105 kids that signed up this year and we had 16 volunteer coaches. Thank you to our coaches for your time. The 4-6th graders were split up into 2 teams who once again both traveled to the Putney Tournament. Both teams ended up playing each other in the final game, with the Blue team coming in first place. I was so proud of the sportsmanship that all our kids showed at the tournament.

Yoga on the beach was offered again this summer on Sunday mornings. We also added 2 Yoga classes at the Town Hall. Age and Motion began again in the fall for our seniors which was a program that ran prior to Covid, so happy to have it back. Our newest weekly program offered is Cardio-Drumming the first class went very well.

We hosted a Parents Night Out in December, kids were dropped off for 4 hours of fun, they had lunch, shopped for gifts for their parents and siblings, they did 2 crafts and then we finished watching the Polar Express and having hot chocolate.

Looking Forward to another great year in 2023

Darlene Smith, Parks and Rec Director

Senior Meals 2022

We were able to provide a meal for our seniors on the second Wednesday in March, April, May, and June at the town hall servicing at 12.30. In July we had our annual picnic down at Ware's Grove which everyone seems to enjoy serving hot dogs and burgers along with salads and dessert. Thank you to Wayne Austin, Mike LeClaire and Phil Shaw for handling the grills for us. In August we don't do a meal, but the volunteers get together for a potluck to plan our meals for September, October, November, and December. We also do not serve in January or February. We request that people make a reservation or order takeout meals ahead of time to help us with our planning. The number to call is 603-363-9319. We would also ask that if you would like a takeout meal that you let us know ahead of time so that we can have it ready for you. We are working hard to get more seniors to attend our meals. It's a great time to get to know your neighbors and socialize while enjoying a home cooked meal. We are one of the few towns that do a home cooked meal.

We would like to thank the Town of Chesterfield for their continued support and invite anyone 55 or older to come and enjoy the hospitality. We are also very excited to finally have a working dish washer.

CHESTERFIELD CEMETERY COMMISSION

The cemetery crew performed three (3) burials and sixteen (16) cremation burials during the 2022 season.

The 2015 X-Mark 48" zero turn mower was removed from service after seven (7) seasons and 1000 (+/-) hours of use. It was traded toward the purchase of a 2022 mower of the same size and make. One new weed whacker has also been purchased.

The roadside fence at the Chesterfield West Cemetery has been reconfigured, with repairs made to the turnstiles located along it. One coat of paint has been applied. More painting is anticipated in 2023, along with repairs to the three (3) entry gates.

At the Friedsam Cemetery, Brian Warner has replaced Ed Cheever as gatekeeper - Brian also mowed the slope and field at Friedsam. A big THANK YOU to both for their efforts.

Bruce Adler and the highway crew always provide assistance whenever needed.... Sincere thanks go to them as well.

I will be returning in 2023, my thirteenth (13th) season.

Chesterfield Economic Development Committee 2022 Annual Report

In 2022, the Economic Development Committee (EDC) pursued many initiatives.

We held a Zoom Business Mixer on January 27. Attendance was small but effective with some new contacts.

We considered conceptual plans for Senior Housing, including possibly using 13 acres along Catsbane Brook across from Chesterfield Tire on Brook Street. The property fronts onto Route 9 and plans show 12 duplexes on a *cul de sac* with a separate entertainment building. Each unit would be one-bedroom, approximately 815 square feet.

We provided guidance to Michelle Phippard who has purchased the old Enchanted Café. The intended new store will have a work studio and retail shop. She is moving from a Peterborough location.

The EDC discussed and considered a number of alternatives to develop childcare/day care for the area. One possible solution may be to build a dedicated Parks and Rec Building. Chesterfield is one of the only towns in the region without one.

In July, we had an outdoor Business Mixer at Copper Cannon, with about 15 attendees associated with Chesterfield businesses. The event highlighted several local businesses and entrepreneurs, along with collecting and exchanging information among attendees on needs and services.

In September, we helped organize, set up and take down facilities for the Chesterfield Old Home Day. At the event, we sponsored a booth providing information on the EDC and its activities.

We have developed a tentative plan for moving forward with efforts to complete the remediation efforts for the Brownfield site on Route 9A. These actions included a number of conference calls and discussions, culminating with setting a date in January 2023 for an open meeting to generate public awareness and seek input from the community on alternatives for developing the site.

Our top priorities for 2023 will include advancing Senior Housing, moving forward on Phase 3 of the Route 9A Brownfield remediation project, developing childcare/day care facilities, and looking into workforce housing.

Chesterfield Public Library Report 2022

The library had a successful year with 122 new patrons joining our community. We increased the number of visitors to the library by over 50% from 2021. Patrons were able to enjoy our collection of new Books, DVD's, Audio Books, and a large selection of puzzles, with new Games, and Stem inspired building games. We have also undergone a major collection change in our Children's section as well as our Junior and Junior nonfiction sections. In 2022 1,321 titles were added and 1,424 titles were deleted. Our collection totals at the end of 2022 being 27, 136.

Generous Donations of \$1,750.00 were received by the library from our patrons which we are grateful for. We have used the money to help us start on our Collection Development project. Our community volunteers worked 298 hours shelving and covering books, which allows staff to work on other projects.

The Summer Program in 2022 was "Oceans of Possibilities", which included programs that children engaged with from Wildlife Encounters, Squam Lakes Natural Science Center; Shanty Bones Pirate Show and finally the Niles the Whale, a life size event that allowed children and adults to climb inside the Whale structure to experience just how large a whale was, as well as the anatomy of the Whale.

Children's Story hour was held weekly, as well as a middle school book club monthly. Ongoing groups such as the knit Chicks with an additional Story hour bi-weekly on Saturdays, a Makers Group, and Quilting group added at the end of December. We continue to furnish books via ILL for three book groups that meet off site.

The Friends of the Chesterfield Library once again co-hosted with the library to host the following programs: A Genealogy "Family History and Mysteries, Cameron Sutphin Solo Acoustic Performance, "A recipe for Success: Finding Women Through Community Cookbooks" virtual presentation; Games2go giant games for the April School Vacation. In September the FOCPL sold pies for Old Home Day and sponsored a grant funded trip for Seniors during foliage season to East Hill Farm. Fred Marple the Yankee humorist performance was held in

October. We are inspired by the fundraisers that the Friends have held and the community of Chesterfield have supported from a Primary Election Bake Sale to the Silent Auction. Lastly, the installation of three large permanent outdoor musical instruments with fencing completed the Children's Garden.

During 2022 the Board of Trustees undertook the responsibility of upgrading and creating new Policy and Procedures. A much-needed IT review was done, with the creation of a new IT Policy. The Library By-laws were reviewed and changed. The Patron use policy was also re done, allowing younger patrons to have their own library card.

The staff of the library are excited for 2023 as we move to add to our collection, add new programming as well as bring back some programming that was part of the Library before Covid. We invite everyone in.

2022 CCC Town Annual Report

The Chesterfield Conservation Commission continues to focus on environmental protection, educational activities, hiking trails, enhancing visual and wildlife characteristics in town, collaborating with the Zoning and Planning boards, and assisting the State of New Hampshire through the wetland permitting process.

The update of the existing Chesterfield Natural Resource Inventory (Littleton 2011) (NRI) is now complete. Moosewood Ecological LLC and the CCC presented the NRI to the public on June 27th, 2022. Copies of the updated NRI are available in the town offices, the Chesterfield Library, and online via the CCC's page on the town's website. The CCC has also had a few of the maps enlarged and printed. They include *Wetlands & Surface Water Resources*, *Groundwater Resources*, *Significant Wildlife Habitats*, *Conservation*, *Town Land*, and others. Currently, they are hanging in the town's offices. New to the NRI is an interactive Story Map that guides users through the NRI maps. Find the link to the Story Map on the CCC's website.

Old Home Day allowed the CCC to share the NRI Maps and many other educational resources with the public.

The CCC has continued to promote using iNaturalist App to document the many wild species in Chesterfield. In addition, CCC board members have spoken to other groups in town, worked with the local school, and had instructional brochures printed and made available.

In 2022, the Chesterfield Conservation Commission supported the efforts to protect Spofford Lake contributing \$6,500.00 to the successful Spofford Lake milfoil prevention program. In addition, it commended the Spofford Lake Association's work in reducing erosion and maintaining high water quality. Lynne Borofsky, Chris Oot, and Susan Donahue all serve as liaisons to the SLA.

In conjunction with Friends with the Chesterfield Library, the CCC sponsored a Zoom program *Wild Canids of NH*. presented by Susie Spikol from the Harris Center.

Preventing the spread of invasive species is always a concern. CCC shared educational activities on invasive species at the Outdoor Classroom Open House held at the Chesterfield School. In addition, flyers were printed and shared at area events on how to identify and remove the many invasive species found in town.

The CCC maintains hiking trails in the Friedsam Town Forest, James O'Neil, Sr. Forest, the Madame Sherri Forrest, and sections of the Wantastiquet-Monadnock Trail. The CCC again supported the Wantastiquet-Monadnock Coalition by renewing its membership. Many thanks to the work of the much-appreciated trail adopters for their volunteer efforts. This year's highlights in Friedsam include a new bench donated and placed at a quiet spot on the Cemetery Loop by the Chesterfield Lions. Also, volunteers added a new bridge and extension to the Sargent and Ancient Oaks Trails, and volunteers cleared a smaller loop to the Ancient Oaks Trail. Safer steps were rebuilt and relocated at the Rt 63 entrance, and volunteers placed a bench in the Upper Lot. Spring clean-up in Friedsam saw the removal of two significant trees. However, we are happy to report that three Big Trees are still alive and included in the *Big Trees of NH Revised* publication. Volunteers do the vast majority of this work with donated supplies. In addition, many of the trail signs were repaired or replaced, including the six streams protected by Zoning Ordinance 209.1.

Members of the CCC, along with the Monadnock Conservancy and volunteers, cleaned up the Summer's Cellar Hole on Stones Mill Rd. The volunteers separated glass and metal for recycling from the many truckloads of trash removed.

All members of the CCC are also members of the New Hampshire Association of Conservation Commissions.

Please view our website for information on the events, trails, natural areas, and informational links.

Ending the year 2022, the CCC members include:

Lynne Borofsky, Kathy Thatcher, Pam Walton, Bruce Jacobs, Susan Donahue, Chris Oot (alternate), and Judy Idelkope as Selectboard liaison

WELFARE DIRECTOR'S REPORT 2022

Chesterfield provided a few individuals with assistance in the form of direct welfare during 2022. The few cases that were received were emergency one-time situations.

Each year the town aids organizations through money requested by the organization and paid from the Town Budget. These organizations help residents in Town with certain needs that they cannot afford which enables the welfare budget to stay low for the Town.

Please keep in mind if you need assistance and are unsure if you qualify for assistance through the town, you can call or stop in and fill out an application. We may also be able to provide contact information to other services that may be able to assist.

Respectfully Submitted,

Alissa Thompson
Town Administrator

Chesterfield Forest Fire Warden's Report for 2022

The 2022 Forest fire season started off very wet. Then as things started drying out, we picked up a few minor calls. All in all, it was a calm year. Throughout the year the fire departments were called for some illegal burns which were mostly people burning non-conforming materials. This included couches, brush over 5-inch diameter and some building debris. A Permit is required in the State of New Hampshire for any outside burning, unless the ground is snow covered 100 feet around the burn site. If you are unsure if you need a Permit, or what you can burn feel free to call me or contact either Fire Chief in town.

As things dried out later in the spring and summer, we did get a couple calls for service. First, we assisted Hinsdale with a brush fire in Pisgah Park which took a few days to extinguish as this fire burned down into the roots of trees. and was hard to get at. Another fire we had was in the Spofford end of town, believed to be a homeless site in the woods. Luckily this was found by a subject who was scouting his hunting area, and it could have been a lot worse had he not located the fire when he did.

Thanks to everyone for your support in 2022.

December 2022

Hello Member Town,

As many of you are aware, this has been a year of challenge and change for our organization. On the heels of the greatest public health crisis in recent memory, and after several years of leading the COVID response effort for education, prevention, testing and treatment, the continued existence of our regional ambulance service was brought into question when Brattleboro town officials suddenly withdrew from our fifty-year cooperative agreement with area towns. Our commitment to you, as a citizen of our member towns, is that you will continue to receive the quality and reliability of service that has been a hallmark of this organization for decades. I am pleased to report that with the guidance of our board and the dedication of our staff, Rescue Inc is poised to continue to serve for decades to come. We are actively working to redesign and diversify our daily operations to better meet the needs of the communities we serve. Our COVID response teams have continued to provide services around the state at the same time our ambulance operations staff have managed to respond to 100% of 911 requests for service in our member towns.

We recently opened the Vermont Emergency Medical Services Academy, or “VEMSA”, in Newfane. This new facility will serve current and future first responders, as well as hospital staff and community members. VEMSA is the only academy of its kind in Vermont and supports education using high-fidelity human simulators in realistic and dynamic settings. Our education programs will develop the next generation of emergency service leaders.

Our technical rescue team, as part of Vermont’s flood rescue response, received two additional state-owned swift water boats that are in our Brattleboro station. These boats, combined with our boat located at the Putney Fire department, and the two that we have located at our Townshend station, help to provide comprehensive flood and water rescue response to the region.

We will be announcing additional new partnerships and programs in early 2023 with a focus on better health outcomes for the citizens that we serve.

Be Well,

Drew Hazelton
Chief of Operations
Rescue Inc

Chesterfield Fire Department

2022

I would like to thank the women and men of the Chesterfield Fire Department; we had a record number of calls (297) and they stepped up to the plate and did an awesome job.

This year we had 2 community projects; Chesterfield fire along with Spofford fire cooked for at Old Home Day and in December we had Santa deliver presents to children in a fire truck. We do plan on doing this again this year.

The Chesterfield Department is always looking for help, if interested come to the station on Sunday mornings between 9 and 10 and talk to the Chief.

Sincerely,

Chief Rick Cooper

Chesterfield Fire

SPOFFORD FIRE DEPARTMENT

9 Pontiac Drive
Spofford, NH 03462

It is the mission of the Spofford Fire Department to provide the highest level of emergency response to our residents and visitors to our community, 24 hours a day, 7 days a week, 365 days a year. The members of the Spofford Fire Department responded to 210 calls for service in 2022, running the gamut from building fires to lift assists.

I would like to thank all the members and their families for their dedication to the department, their hundreds of hours training and honing their craft, and their support of me in my first year as chief of department. I would also like to thank the members of the community for their support of our mission.

We are always in need of new members to join our team as firefighters or EMS providers! If you have interest or questions about the department, please reach out to me at spoffordfdc1@gmail.com.

Respectfully,

Brendan Kiniry
Chief of Department
Spofford Fire and Rescue

DISTRICT REPORT

Mission Statement of the Chesterfield School

The mission of Chesterfield School is to provide an educational program that allows each individual child the best opportunity to develop intellectually and emotionally to their fullest potential, and to become healthy, happy, responsible and productive members of our society.

It has been a wonderful return to school in a somewhat traditional fashion. COVID is still present but we have learned how to maneuver with it. This year we welcomed ten new staff members and still have several positions open. The job market is not what it used to be and we will continue to search until we find the right candidates.

Currently the school's enrollment is at 261 students. We have seen a lot of families move with the housing market and many new families with older children move in. The enrollment trends have leveled off and are hovering around the 300's. This is a healthy number for the current space we have in our facility.

There are a lot of great things happening under our roof. We are currently working to upgrade our internal wiring for technology. Thanks to ESSER funds this project will be fully funded with grant monies. Once the wiring is done we hope to have the school functioning at the level it needs to be.

Facility/Maintenance

Material shortages impacted some of our planned summer maintenance. The gym is being painted over winter break which should give that space a fresh look. The gym floor was supposed to be redone over the summer but the supplies were not available. At the end of June we will have a new floor laid.

We are in the process of replacing the fire alarm system. Phase one was completed in September and this summer the final stages will occur. We are now using a local company and have been very pleased with their service.

The kindergarten rooms received new flooring and we are continuing to explore renovations for the bathrooms in the middle school and grade 5/6 hallways. These bathrooms are the original ones from many years ago. The plumbing and design costs are impacted by the availability of supplies. We may need to break this project into two phases due to the increase in costs.

Some of you have noticed that the school’s blinking lights have not been functioning properly. We are working with the Chesterfield Police Department and the NH Division of Highways and Safety to install new signage. Once this is complete we hope that folks will remember to slow down when in town.

Lastly, I would like to introduce our new Building and Facilities Director. Mr. Ledwith has moved to Pennsylvania and his replacement is Mr. Alex Wood. Alex is from Keene and grew up locally. He previously worked at Keene State in the housing department. He lives in Keene with his wife and three children. I should also introduce our third custodian. He too is a local guy and many may recognize him. Mr. Michael Fitzgerald signed on in the fall and is working with Mr. Eric Richardson. This crew has lots of dedication and has kept an aging building in great condition.

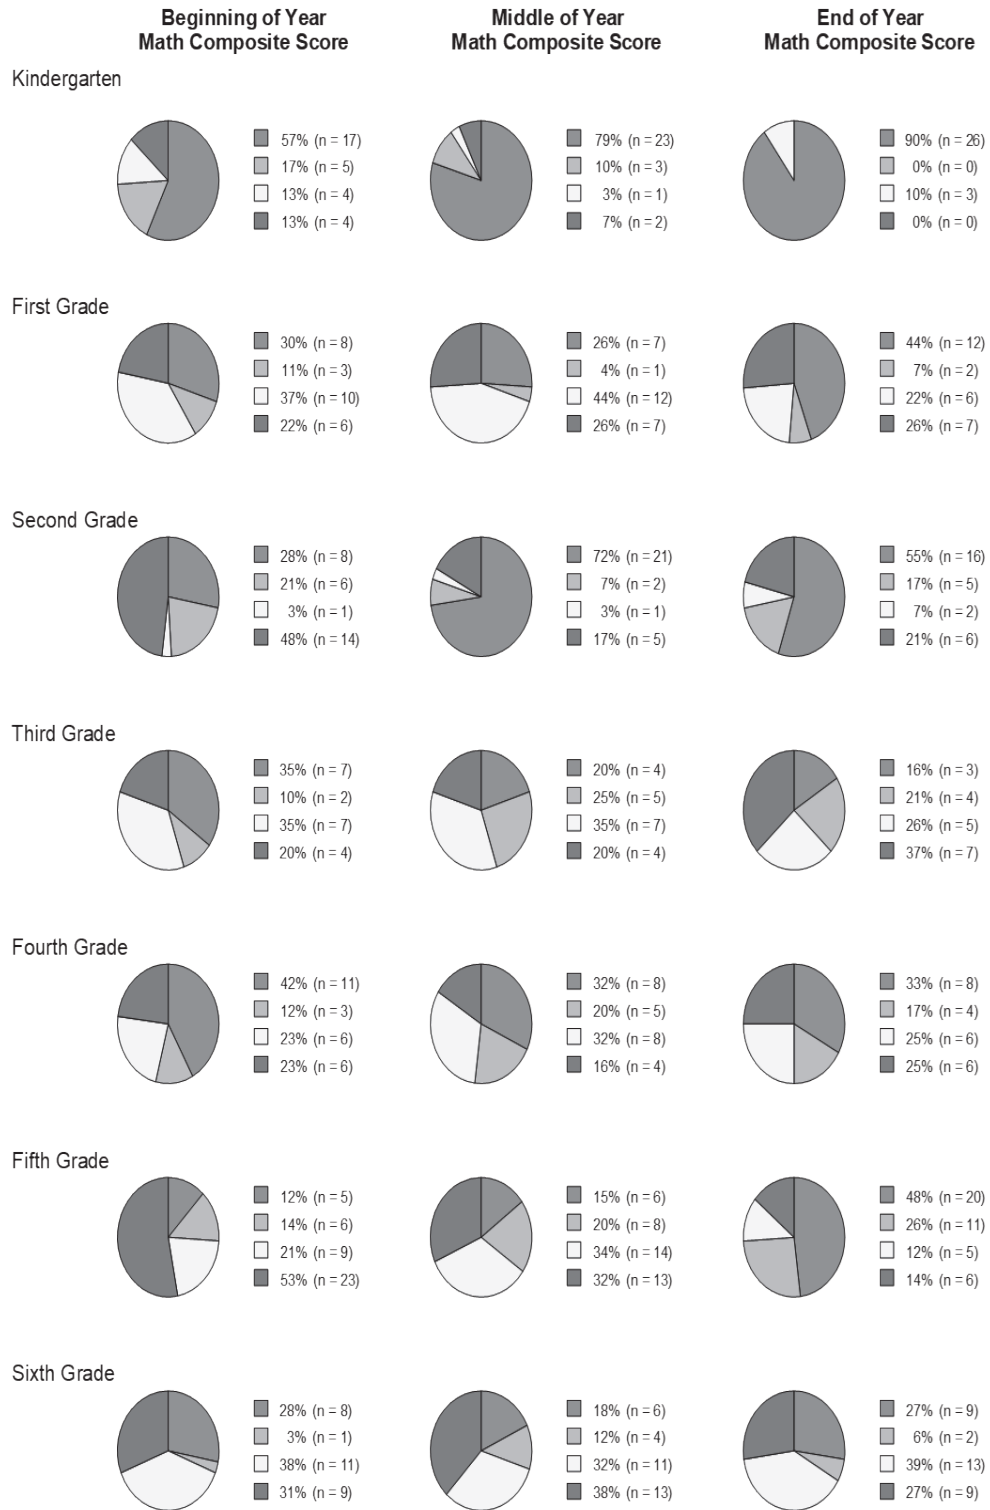

Community Support/Service/Volunteers

The **Friends of Chesterfield School (FOCS)** has seen a huge change in its officer positions. The new group has rewritten their by-laws and continues to support our students and staff in various ways. The group meets on the third Thursday of the month and welcomes everyone. Please check out their happenings at <https://www.facebook.com/FriendsofChesterfieldSchoolPTO>

The **Chesterfield Public School Foundation** is a community organization which offers significant financial support to the school. This year they have funded trips to the Colonial for grades K-8. Each grade level selects a performance to their developmental level. <https://www.facebook.com/ChesterfieldPublicSchoolFoundation>

The **Chesterfield Lions Club** continues to support our school and the students in our community. Recently they have donated funds to purchase materials for AED and CPR training for our community as well as provided funding for school lunches. They provide scholarships for graduating high school students which total in the thousands, vision screening for entering students in K and first grade. Please come and support this group at their annual Pancake Breakfast held on Super Bowl weekend at the school. You can also participate in the annual John Schlichting Memorial Golf Tournament. Visit their website at <https://www.facebook.com/profile.php?id=100064394453861>

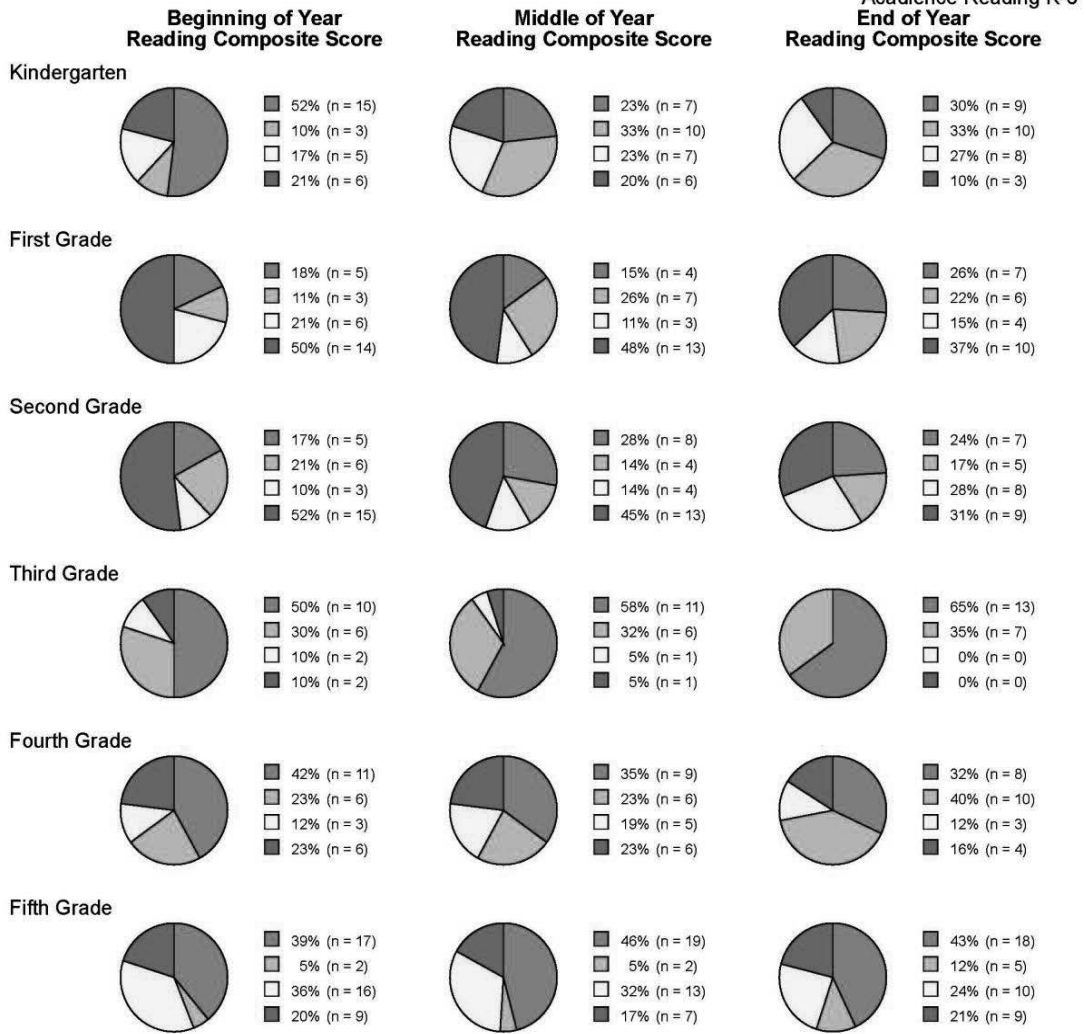

We thank all these organizations and private donors for their continued support.

Co-Curricular

Chesterfield School prides itself on the various programming opportunities it has for a small rural school. Yearbook Club, Soccer, Cross Country, Basketball, Baseball, Softball, Track, Outdoor Education Club, New Hampshire Dance Institute, Robotics Club, Math Club, Student Council and many others.

The artist in residency program continues here and this year our students created two beautiful New England Mammals. The mother Moose and her calf are located in our courtyard and can be viewed by all students daily. The artist, Wendy Klemperer has also done work with other SAU School districts. Special thanks to Melanie Fedorowicz for organizing this opportunity.

The Harris Center continues to work with our staff and for bringing outdoor education opportunities to our students. Grades K-8 have at least one unit taught by one of their teacher-naturalists. We welcome both John Benjamin and Jenna Spear to our community. In addition we have a very strong Outdoor Education Committee. Staff and representatives from Antioch New England work to support staff in providing outdoor educational experiences.

Special Recognitions and Awards

The following awards were given at graduation ceremonies in June 2022:

Post #84 Kaiser O'Neil American Legion Award- Ally Mowatt and Silas Copeland

Larry Taylor Citizenship Award- Ryan Kopcha (7th grade) and Elise Pratt (8th grade)

Presidential Awards for Academic Excellence- Mariella Antaya and Wayne Crowell

Most Improved Student- Taryn Madden

Doug Sergeant Memorial Award – Mariella Antaya and Silas Copeland

Kate Stohr Memorial Award – Ally Mowatt

2022 School Spelling Bee Champion – CJ Tustin

Runner Ups: Thomas Crowell and Katherine Kersten

One last special staff recognition goes out to Mrs. Becky Kohler. Becky serves as our school counselor. Mrs. Kohler has been selected to receive the CHART Award. The CHART Award is a special recognition for school educators who personally demonstrate and model character and resilience. Throughout COVID and in our recovery she has been a driving force aiding students and staff in being resilient. This award is given out by the New Hampshire Governor's Council on Physical Activity and Health. Congratulations to her!

Keene High School Update

Improving student behavior at KHS has been a primary focus since the community meetings last year. A safe school environment is paramount to the social-emotional and academic development of our students. The KHS school community strives to be a vibrant learning community, but breaches to the "code of conduct" have at times created uncomfortability for both students and adults. Some areas of concern since the community meetings have improved. There is less wandering in the halls and less vandalism. Other areas of concern still exist. The school administration in collaboration with the Building Leadership Council are employing different systems to stem some of the remaining issues. While this will take time and continue to be a focus, it is achievable through the concerted efforts of everyone—educators, students, and parents.

Curriculum, Instruction, and Assessment Update

As a SAU, it is integral that curriculum is cohesively aligned through rigorous competency-based expectations so our students are fully prepared to enter high school with the requisite knowledge and skills for success in all content areas. Over the past eighteen months, building administrators and teachers at the K-8 level across the SAU have collaborated to create a paradigm for teaching and learning that is transparent, rigorous, and student-centered. The comprehensive competency-based framework is being piloted at certain levels and will be entirely implemented at the start of the 2023-2024 school year. Any shifts in instructional practices are intended to

personalize learning to enable all students to concretize essential knowledge and skills in a transferable manner. Assessments provide an opportunity for students to showcase their learning through a variety of modalities. The reporting of learning will enable teachers to provide immediate intervention to close learning gaps; parents and students will have clarity around areas of strength and concern.

Learn From Home Days

Throughout the COVID-19 pandemic, we have needed to respond to a number of logistical issues that have arisen along the way. One of these practices was utilizing *Learn from Home Days* during inclement weather when school would typically be canceled. These *Learn from Home Days* allowed for school to still be held and counted. Learn from Home Days were approved by the school boards of Keene, Chesterfield, Westmoreland, Harrisville, Marlow, and Nelson. Schools utilize a variety of ways to engage with students in their learning both synchronous and asynchronous. We continue to gather feedback on *Learn from Home Days* to meet the needs of all our students whenever there is inclement weather that makes it unsafe for students to come to school.

Workforce Shortage

SAU 29, like most employers in New Hampshire and across the country, is experiencing operational challenges due to labor shortages. Over the last several years we have seen higher turnover and smaller applicant pools for open positions. Areas of critical shortage are entry-level positions, specialized teaching positions, particularly at the high school level, and related service providers such as Speech Language Pathologists and School Psychologists. To help reduce the impact of existing market conditions on the organization, Human Resources has devoted more resources to expand recruiting activities to include on-site job fairs, radio advertising, and an increased presence on social media, while continuing to explore new recruiting outlets.

In addition to labor shortages, SAU 29 is also grappling with a steady increase in staff absences over the last several years. This challenges the administrative team on a daily basis to cover absences while maintaining building services. Increased absences inevitably put additional strain on those who cover for absent colleagues. To help mitigate these conditions, Human Resources is working closely with our insurance vendors to provide programs geared toward enhancing employee overall wellness. This includes a recently released and expanded Employee Assistance Program (EAP) which provides cutting-edge benefits that comprehensively provide support across a broad spectrum of life's challenges. The Human Resources department continues to provide individualized support to employees and their supervisors as they navigate work/life balance issues.

Despite these continued, challenging times, the administrative team and our dedicated staff have demonstrated resilience, patience and perseverance and rise up to meet these daily challenges for the benefit of our students.

Chesterfield School Board

To the Chesterfield Community,

From the School Board to each and every member of our town, a big Thank You for your continued support. This is not just about the budget; it is about your time, compassion, expertise, understanding, and your never-ending willingness to step up and step in whenever and wherever there is an opportunity or a need. A community is strong because it stands together in kindness and purpose, working towards the best outcomes for our kids.

We are still finding public education in the crosshairs of political division across our state and the nation. Public School should not be a pawn in a game of power where the stated goal is using public funds for private institutions. Especially when all students are not granted access to that education. We are the place where all students are welcome, engaged and educated, with their needs being met well beyond “the 3 R’s”. The rigors and expectations from the State and Federal Government are far and wide and continue to grow; we continue to take on the unfunded mandates, with adequacy aid still below \$4,000 p/student from the state.

Yet, we move forward with excitement and energy! Our students thrive with the support of our community, the dedication of our staff and the focus of our administration on success for all students.

For those of you who follow the Annual Reports, this is an addendum to 2021 where I expressed the growing concerns and shifts being legislated. Our school board welcomes your questions and input, meeting on the second Monday of each month at 5:00pm.

With pride and thanks,

Chesterfield School District Meeting Minutes
March 12, 2022

Gary Winn, the Moderator, called the meeting to order at 10:06 a.m.

Article 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

There were no reports and no related votes.

Article 2: To see if the district will vote to raise and appropriate the amount of \$9,036,490 for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. This article does not include appropriations contained in special or individual articles addressed separately. (Majority vote required)

Moved by Steve Laskowski and seconded by Genienne Hockensmith. Laskowski, as chair of the Budget Committee, spoke highly of the school board's level funded budget. The Budget Committee gave their wholehearted support for the responsible budget. He also spoke to the lack of funding from the state of New Hampshire and the upcoming vote on the school voucher program which he feels would lower the school population, create less diversity and provide fewer opportunities for students.

Susan Newcomer spoke to the lack of additional support for the health office which has been provided in the past and recommended the \$30,000 be added to the budget for this. Sharyn D'Eon responded that the additional support in past years was required for certain members of the student population. The need is not there this upcoming year. She will speak with the school nurse and if it is felt that the help is needed, funding can come from ESSER funds received by the school. Harriet Davenport, a school nurse for 25 years, supported the idea of funding from ESSER funds.

The vote results were 44 yes and 3 no by paper ballot. The article passed.

Article 3: To see if the school district will vote to raise and appropriate the sum of \$75,000 to be added to the Capital Reserve Fund established by voters on March 5, 1994 for the purpose of major renovation/reconstruction of school buildings and related costs. Full amount to be raised from taxation. (This article is recommended by the Chesterfield Budget Committee and the Chesterfield School Board) (Majority vote required)

Moved by Genienne Hockensmith and seconded by Erin Laskowski. The vote results were 43 yes and 4 no by paper ballot. The article passed.

A motion was made by Amy Treat and seconded by Dan Cotter to restrict reconsideration on Articles 2 and 3. The motion passed by voice vote.

Article 4: To see if the school district will vote to raise and appropriate the sum of \$10,000 to be added to the Special Education/High School Tuition Fund, established by voters on March 7, 1992 for the purpose of paying future year unanticipated special education and/or high school tuitions. Full amount to be raised from

taxation. (This article is recommended by the Chesterfield Budget Committee and the Chesterfield School Board) (Majority vote required)

Moved by Genienne Hockensmith and seconded by Dan Cotter. The motion passed by voice vote.

Article 5: To see if the school district will vote to raise and appropriate the sum of \$52,500 for roof repairs outlined in the Districts Capital Improvement Plan and authorize the withdrawal of \$52,500 from the Capital Reserve Fund established by voters on March 5, 1994 for the purpose of major renovation/reconstruction of school buildings and related costs. (The Board Recommends this Article) (The Budget Committee recommends this article) (Majority vote required)

Moved by Nick Belsky and seconded by Amy Treat.

Discussion ensued about the changing the wording of this article. Funding is *for the replacement of the fire alarm system and not roof repairs*. Although the fire alarm system was the topic discussed at the Budget Committee's public hearing, the article in the school district warrant ended up listing roof repairs.

A motion was made by Genienne Hockensmith and seconded by Nick Belsky to amend "roof repairs" to "the replacement of the fire alarm system."

Margaret Winn made and Dan Cotter seconded a motion to forego a paper ballot on the motion for amendment. Motion passed by voice vote.

The motion to amend the wording of Article #5 passed by voice vote.

The vote results on the amended Article #5 were 44 yes and 2 no. The article passed.

Amy Treat made and Susan Newcomer seconded a motion to restrict reconsideration on Articles 4 and 5.

Article 6: To transact any other business, that may legally come before this meeting.

Gary Winn thanked all the people who helped get the meeting organized and everyone who attended.

Winn then recognized Ege Cordell to acknowledge a retiring school board member. She read the following resolution:

**A RESOLUTION
Adopted March 12, 2022**

WHEREAS, Nick Belsky has served the School District of Chesterfield as a school board member for six years; and,

WHEREAS, Nick Belsky served on the New Hampshire School Administrative Unit 29 School Board; the A.R.E.A. Board; the Facilities and Safety Committee; the Chesterfield Public School Foundation; and served as Liaison to both Staff and PTO; and,

WHEREAS, Nick Belsky has been a loyal advocate for the students, teachers and staff of Chesterfield School; and,

WHEREAS, Nick Belsky's commitment to Chesterfield School has been evidenced by his efforts to transform the building into a safe and more energy efficient school that is a friendly, inviting environment that will welcome students and community members for generations to enjoy; and,

WHEREAS, Nick Belsky has always conducted his duties diligently and promptly, and has given his time and expertise in a manner truly reflecting his genuine interest in the Town of Chesterfield, its children and the future; and,

WHEREAS, Nick Belsky's allegiance to education has been proven by his passionate and articulate advocacy for the nearby land purchase to create the Chesterfield School's outdoor education environment for hands-on learning and exploration; and,

WHEREAS, Nick Belsky has always been a champion of the nutritional value of tacos and is the self-proclaimed "Taco King" of the Chesterfield School District; and,

WHEREAS, Nick Belsky is experienced, knowledgeable and dedicated; he will be missed; now, therefore, be it

RESOLVED, that the School District of Chesterfield, in grateful acknowledgement of Nick Belsky's numerous contributions and six years of service, honor itself by causing a copy of this resolution to be entered into the records of the District as a permanent tribute to Mr. Belsky, and that a copy of this resolution be presented to Mr. Belsky. Peace Out.

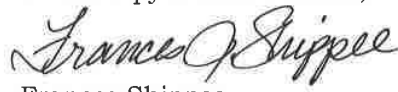

Gary Winn introduced Len Fleischer – newly elected school board member and Genienne Hockensmith, returning school board member for her 4th 3-year term.

Nick Belsky moved to adjourn the meeting and Dan Cotter seconded the motion. The meeting was adjourned at 11:10 a.m.

Respectfully submitted,

Frances Shippee
