TOWN OF MEREDITH

TOWN WARRANT.

State of New Hampshire.

To the inhabitants of the Town of Meredith qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town on the eleventh day of March, 1919, at nine of the clock in the forenoon, to act upon the following subjects:

1. To bring in your ballots for town clerk, three selectmen, treasurer, two auditors, collector of taxes, police officer and one trustee of trust funds for three years.
2. To choose all other necessary town officers.
3. To raise such sums of money as may be necessary for the repair of highways and bridges, and specify how the same shall be laid out.
4. To see what sum of money you will raise toward the maintenance of highways under state aid.
5. To raise such sums of money as may be necessary for town charges.

TOWN OF MEREDITH

6. To see how much money you will raise to defray the expenses of Memorial Day and specify how the same shall be expended.

7. To see how much the town will raise toward defraying the expenses of the Town Library.

8. To see what action the town will take relative to leasing the Town Hall.

9. To see what sum of money the town will raise for the support of firemen and protection of property in the Meredith Village Fire District.

10. To see what action the town will take in relation to the acceptance of State Aid for Highways, and to raise money therefor.

11. To see what sum of money you will vote to raise for the payment of outstanding notes against the town.

12. To see if the town will vote to continue the fish propagation work and raise money therefor.

13. To see if the town will vote to co-operate with the U. S. Department of Agriculture in exterminating the gypsy moth investigations in this section and raise money therefor.

14. To see how much the town will raise to co-operate with the state and federal government in exterminating the White Pine Blister.

15. To see what action the town will take to extend the Black Road, so called, on Meredith Neck, to Lovejoy's Sands.

16. To see if the town will vote to instruct the Selectmen

TOWN OF MEREDITH

to give a Druggist Permit for the sale of liquor for medicinal purposes, in accord with Sect. 14, Chap. 147, Session Laws of 1917.

17. To see if the town will vote to pay a sum necessary to maintain the public fountain in Post Office Square

18. To see what sum the town will appropriate for a celebration of Old Home Week, with special exercises to welcome home the men who have been in the United States Service.

19. To see if the town will require the selectmen to furnish bonds for the faithful performance of their duties, and if so in what sum.

20. To see if the town will instruct the selectmen to appoint an expert highway agent.

21. To transact any other business that may legally come before the meeting.

Given under our hands and seal this 21st day of February, 1919.

HOLLIS L. WIGGIN,
LORING S. PEASE,
CHARLES N. ROBERTS.

Selectmen of Meredith

A true copy of Warrant. Attest:

HOLLIS L. WIGGIN,
LORING S. PEASE,
CHARLES N. ROBERTS.

Selectmen of Meredith.

TOWN OF MEREDITH

SCHOOL REPORT

February 3, 1919.

To the School Board and the Voters of the Meredith School District:

It has been said that never have so many great events taken place in any one year of the world's history as in the past 12 months. Education has had its part to play in this interim and no doubt more progressive educational laws will be enacted within the next few months than has been made for the last two decades. Such problems as Americanization, health laws, federal revenue, are being discussed in Congress and the State Legislatures. It has been vividly impressed upon the American people that many phases of our educational system have fallen short and the causes must be removed.

The Meredith School Board took a progressive step in September by establishing a FOUR YEAR HIGH SCHOOL. The Department of Public Instruction has approved this school and given it an 'A' rating.

In June, Headmaster Harvey enlisted in the army, and your Superintendent immediately began to look for a man to take his place. Not until the middle of September was Mr. Lewis L. Levine secured. Mr. Levine is a graduate of Colby

TOWN OF MEREDITH

College and has received his M. A. degree from Colby College. Miss Sisson, instructor in the Domestic Arts Department, did not care for a re-election, and Miss Elsie King, a graduate of the N. H. State College, was elected to this position. Miss Fogg, who resigned in December, 1917, was again elected to teach the languages.

The High School enrollment has been the largest in the history of the school. This is due largely to the four year curricula and the large number of tuition pupils. The towns of Center Harbor, Moultonboro and New Hampton have tuition pupils not only in the High School, but the grades. The rural sections are realizing as never before the importance of a high school education and therefore are seeing to it that the boys and girls are receiving the greatest asset in life. The registration is 63 in the Senior High and 40 in the 7th and 8th grades, known as the Junior High School.

Owing to the increased registration, we had to purchase twenty extra desks and chairs. Also the assembly room was not large enough to seat the High School pupils, so movable seats were placed in the room originally fitted for a laboratory. Next year we will probably be able to secure chemicals and apparatus and will use this room for both Chemistry and Physics. Thus one can easily see that the time is near at hand when we will be working under crowded conditions.

Under supervision of the High School staff, a literary paper, "The High School Pinnacle," was issued in December. The purpose of this publication is to increase the efficiency in the English department, as well as to advertise the schools in the neighboring towns and community. Little do many of our citizens know what is actually being accomplished in our schools, and so again this year we cordially invite you to visit

TOWN OF MEREDITH

the schools and offer any criticisms toward the advancement of education.

The Program of Studies in the elementary schools has not been changed, except in the seventh and eighth grades in the village. Here we have had departmental teaching. Mr. Levine has taught science and English, Miss Dearborn music, and Miss Hardy the remaining subjects in these grades. It is hoped that we will be able to offer French in this grade the coming year.

Owing to the increased cost of labor and building material we have done as little repairing as possible. Toilet facilities for the girls have been made at the school at the Neck. This was not an expensive job but was much needed to improve the sanitary conditions in this school. At the Center School a few minor repairs have been made, but something ought to be done this coming year to improve the lighting and seating arrangements. Pupils should not be subjected to seats that are injurious to their health. Adjustable seats are very much needed in this school.

As there were only a small number of pupils in the First District on the Neck and at the Leavitt District, they have been conveyed to the village. Also the pupils in the Burleigh District have been transported to the village. Mr. Leon Chase has conveyed his boy to the Edgerly school. It is not the aim of your superintendent to recommend to the School Board transportation of pupils, unless it is an educational advantage and an economic one to the district. Usually it is not advisable to have a school with five or six pupils, for a school of this size costs from \$70 to \$75 a pupil per year, while one of twenty costs from \$30 to \$50 a pupil per year. Then again interest and competition is lacking in a small school.

TOWN OF MEREDITH

You will notice from the statistical tables that the per cent of attendance for last year was excellent. It is not often that any school can attain 100 p. c. attendance for the year. The Chemung school should be congratulated on gaining such a record. Owing to the many interruptions in our schools for the past few months, we cannot expect so high attendance percentage this year, in fact, the attendance throughout the country will be low. The local truant officer has followed up the questionable absences, and if all parents and guardians could realize the importance of their children being regular in attendance, our schools would reach a higher state of efficiency.

Due to the shortage of teachers in the manual training and agricultural lines, we were not able to do anything toward introducing the same into our schools. Certainly as soon as things somewhat adjust themselves some vocational work should be started for the boys.

The pupils of the schools have responded in many ways toward bringing the war to a close, by buying Liberty Bonds, Thrift Stamps, aiding the Red Cross, the Y. M. C. A. drives, and all other organizations that they have been asked to help. Many of the pupils did excellent work in the gardens and on the farms. A few boys had better gardens than their fathers. The estimated amount produced by the boys and girls from their gardens is \$1,200. Every pupil will again be asked, this year, to help Hoover to provide food for the starving nations of Europe.

Monthly meetings for the teachers in the village have been held during the school year, under the supervision of the superintendent. Speakers from neighboring towns have given addresses at these conferences which have been very beneficial. The school board and superintendent have also met monthly, and thoroughly discussed the school problems of the district.

TOWN OF MEREDITH

PUPILS NOT ABSENT OR TARDY

For the year ending August 31, 1918.

High School:

Marion Hubbard, Freda Hawkins, Frances Beede, Ethelyn Maloney, Abby Perkins, Dorothy Simpson.

VIII Grade:

Joseph King.

V and VI Grades:

Randolph Morrison, Harold Piper, Louise Rand.

II and IV Grades:

Claude Darling, Corabel Michaud.

I Grade:

Henry Wallace.

Edgerly School:

Arthur Nedeau.

Chemung School:

John Breed, Walter Breed, Eleanor Breed, Pearl Higgins, Grace Page, Evelyn Page.

W. H. BUKER. Superintendent.
