### STATE OF NEW HAMPSHIRE

*To the Inhabitants of the Town of Goffstown, in the County of Hillsborough, and in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at the Town House in said Town on Tuesday, the eighth day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

First—To choose all necessary officers and agents for the ensuing year, including a member of the Board of Selectmen for three years. Also to bring in your ballots for delegates to the National Conventions.

Second—To see how much money the town will vote to raise and appropriate for the Goffstown Public Library.

Third—To see if the town will vote to raise and appropriate the sum of four thousand (\$4,000) dollars, as recommended by the State Highway Commissioner for the maintenance of our State Aid Highways, the State to furnish an equal sum.

Fourth—To see if the town will vote to raise and appropriate the sum of two thousand seven hundred and fifteen (\$2,715) dollars for the construction of State Aid Road, the State to contribute two thousand thirty-six and twenty-five one hundredths (\$2,036.25) dollars additional as its share of the same, the same to be applied to the improvement of the New Boston road.

Four-one-half—To see if the town will vote to build two new concrete bridges, one over the brook near the Congrega-

tional Parsonage and the other over the Bog Brook near the town gravel bank, and to raise and appropriate money for the same.

Fifth—To see if the town will vote to raise and appropriate the sum of four hundred (\$400) dollars, the State to furnish one hundred (\$100) dollars additional, for the control of the White Pine Blister Rust.

Sixth—To see if the town will vote to allow its selectmen to hire not exceeding twenty-seven thousand (\$27,000) dollars in anticipation of its 1932 taxes.

Seventh—To see if the town will vote to allow its selectmen to renew the note for twenty thousand (\$20,000) dollars held by the Hillsborough County Savings Bank on which, January 31, 1932, there was unpaid seventeen thousand (\$17,000) dollars, at such time as the bank may require.

Seven-one-half—To see if the town will vote to raise and appropriate the sum of two thousand (\$2,000) dollars for the purpose of purchasing a Chassis, Pump and Booster Tank to take the place of our present chemical equipment, the firemen in the Precinct to contribute the sum of five hundred (\$500) dollars from their private funds in addition to the amount raised by the town for that purpose.

Seven-three-quarters—To see if the citizens of the town will vote to insure the drivers of the fire trucks against liability and property damage during the performance of their duty and raise and appropriate money for the same.

Eighth—To see what sum of money the town will vote to raise and appropriate for maintenance and improvement of the Barnard Playground.

Ninth—To see what sum of money the town will vote to raise and appropriate for improvements in our cemeteries.

Tenth—To see if the town will vote to purchase a motor road maintainer and raise and appropriate money for the same.

Eleventh—To see if the town will vote to purchase not exceeding two blade snowplows and to raise and appropriate money for the same.

Twelfth—To see if the town will vote to raise and appropriate the sum of three hundred and fifty (\$350) dollars for the purchase of two filing cabinets, one for the town clerk's use and the other for the use of the town treasurer.

Thirteenth—To see if the town will vote to discontinue a part of the highway sometimes called the Buzzell Road, from the point where it joins the Mast Road at Sawyer's Crossing, so-called, thence southerly to a point where it enters land of the heirs of William L. Roberts.

Fourteenth—To see if the town will vote to install eight (8) electric lights in Grasmere Village.

Fifteenth—To see if the town will vote to lay out and improve a portion of Pine Hill Avenue westerly from College Road to Eden Street, so-called, as shown on the plan of lots known as Pine Hill, said plan being on file at the Registry of Deeds office at Nashua, N. H.

Sixteenth—To see if the town will vote to instruct its selectmen to lay out and improve Rosemont Avenue, so-called, from the Mast Road westerly to the land of Annabel Emerson, said street being shown on the plan of lots called West Side Terrace on file at the Registry of Deeds office at Nashua, N. H., and is designated thereon as Woodbine Avenue.

Seventeenth—To see if the town will vote to instruct its selectmen to lay out and improve Fairview Street westerly from the Mast Road to the land of one Charest, as shown on plan of lots called Beacon Terrace and on file at Registry of Deeds office at Nashua, N. H. Also Fairview Street easterly from the Mast Road to Rochambeau Avenue as shown on plan of lots called Brooklawn Park on file at the Registry of Deeds office at Nashua, N. H.

Eighteenth—To see if the town will vote to instruct its selectmen to lay out and improve Eden Street westerly from the Mast Road, said street being shown on the plans of lots known as Pine Hill and Beacon Terrace, both of which are on file at the Registry of Deeds office at Nashua, N. H.

Nineteenth—To raise and appropriate such sums of money as may be necessary for the support of the poor, for the repairs of highways and bridges, and for Memorial Day and other legitimate town expenses for the ensuing year.

Twentieth—To see what action the town will take to reduce the number of Road Agents.

Twenty-first—To see if the town will vote to instruct the moderator to appoint a committee of fifteen citizens of the town, the same to be known as the "Finance Committee" to work in conjunction with the selectmen in preparing a budget for the consideration of the voters at our March elections. Five of the above committee to serve for three years, five for two years, five for one year. Five new members to be appointed for a term of three years each year hereafter by the moderator. This committee to serve without pay.

Twenty-second—To hear the reports of agents, auditors and committees and pass any vote relating thereto.

Twenty-third—To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-second day of February 1932.

CHARLES E. PHELPS,  
GEORGE L. EATON,  
LESTER CLARK,

*Selectmen of Goffstown.*

## REPORT OF THE GOFFSTOWN VILLAGE FIRE WARDENS

---

For the Year Ending Feb. 1, 1932

We, the undersigned, members of the Board of Fire Wardens of the Village Fire Precinct, desire to express our gratitude to our fellow citizens of the Town of Goffstown, for their hearty cooperation in trying to make our fire equipment and department up to date and efficient. Bear in mind, friends, that it is not our intention to ask anything unreasonable, for there is not a single member on the Board but who will have to assume his share of any taxes that may arise. Therefore, you may rest assured that any recommendation made by this Board, will be sponsored only for the welfare of one and all of our kind and generous townspeople.

During the past year the Fire Department has answered 34 calls. Twenty-six telephone calls and eight fire alarms. Of these 34 calls, 16 were for chimney fires, one electric iron, three brush, four set by freight trains, one from burning leaves, four carelessness with matches, children, one carelessness around brooder stove, two believed from carelessness in smoking and two calls to Dunbarton.

At the Harat Place on East Goffstown Road the insurance paid was \$50. April 17 the house of Mrs. Clarence Brown was discovered afire, Box 21 sounded and the fire quickly extinguished. Insurance paid \$423.

On May 26 the building on Depot St. owned by James Zises was a roaring furnace before the alarm was sounded. Fanned by a high wind four other building were set on fire, but quickly extinguished. Both buildings adjoining the Zises barn were covered with fire resisting shingles and did much

in preventing the spread of flames. Mr. Zises was bewildered, he didn't know what to do and no alarm was sounded until seen from the street by Ralph Wakefield. Insurance paid Zises \$2,720.60. Insurance paid Antinopolis, the adjoining property owner, \$175.

On Nov. 14, Box 6 was sounded for the property of E. P. and C. B. Carr on Mountain Road. This fire had made terrible headway before being discovered by neighbors, the barn being a solid mass of flames upon arrival. This was completely destroyed as were many cords of wood. Insured for \$200.

We are certainly very fortunate in having such fine assistance from the telephone company. Mrs. Caswell and her assistants are well trained and will act instantly to procure aid, or sound the alarm in case of fire. The Fire Wardens certainly appreciate their labors in the past.

## HEALTH DEPARTMENT

---

There have been twenty cases of measles and seven of scarlet fever reported to this office the past year. There was one death from scarlet fever, and one from tuberculosis. Considerable attention has been given to improvement in sewage disposal and several "dumps" have been closed.

The school house at Grasmere village was ordered cleaned during the Christmas vacation, and conditions made much better. The voters in the town district should provide at the next annual school meeting a sum of money sufficient to clean and redecorate the walls and ceilings of this school house as they are in a filthy condition.

The products of a certain food factory were forbidden sale in the stores and eating places of our town till the sanitary food laws were complied with. Most of the milk sold in town is now from tuberculin-tested cows, and the quality better. Some provision should be made to acquire the services of a public welfare nurse, a most important adjunct to the health and welfare of any town.

ROBERT M. GORDON,

*Health Officer.*

## REPORT OF THE RECREATION COMMISSION FOR CARE OF BARNARD'S PLAYGROUND

---

The Playground Commission met early in the season and to each member of the Commission was allotted a department of the care and upkeep of the Playground, namely Grand Stand, Tools, Electric Lights and Arch, Delbert E. Smith, Ball Field, Score Board, Grass and Water, Robert Matheson, Tennis Court and Pond, Alfred W. Poore, Children's Equipment and Settees, Ruth B. Luscombe, and Trees, Shrubs and Flag, Lina R. Lamson.

A new steel flag pole was purchased and set up as the old wooden pole had given out. The Boy Scouts under the direction of Mr. Harry Huntley, the present Scout Master, were directed to have charge of raising the flag for legal holidays. He appointed the following Scouts, Richard Bryant and Charles Thorp to carry out this order.

The routine work on the upkeep of the Playground was done.

The Playground Commission wishes to extend thanks and appreciation to the Shirley Club for their gift of six additional benches for the Playground.

The Boy Scouts held a successful Lawn Party at the Playground during the summer. The Legion Auxiliary also held a Lawn Party on July 3.

Community services, also picnics were held here. The Baseball Diamond and Tennis Court were well patronized. Swimming was enjoyed early in the season. During the past winter months the pond offered splendid and safe skating facilities.

In April of the past year, Mrs. Luscombe was reappointed to serve three additional years on the Commission; Guy B. Thorp succeeded Robert Matheson.

## REPORT OF TRUSTEES OF GOFFSTOWN MEMORIAL LIBRARY

---

The library work has been well taken care of during the past year by Miss Louise Marden, librarian, Miss Annie Harrington, assistant, and Miss Margaret Stark, substitute. Mrs. Dillon and Mrs. Nichols have assisted on several occasions.

Hoping to better serve the public and schools the library is being kept open Monday afternoons from 3 to 5 o'clock, instead of Fridays.

The Summer Reading Club was continued and the weekly trips to Grasmere have been made the same as last year.

The circulation at Grasmere was 902 volumes which shows an increase of 338 volumes over the year before. The extra work and expense which gives the people in and about Grasmere a better chance to get books seems justified by the increase in circulation.

We wish to thank the Unity Club, the Shirley Club, and all individuals and clubs who have contributed books, money or anything else for the success of the library.

The Carnegie Endowment for International Peace has contributed many books the past year.

We do not feel that this is a year to ask for an increased appropriation, but to keep the building in repair and operate it we should have the same amount as last year.

MARY A. WARREN, *Chairman*,  
WILLIAM E. BLAISDELL, *Sec'y*,  
RUTH B. GAGNON, *Treasurer*,

## REPORT OF CEMETERY TRUSTEES

---

The maintenance of our cemeteries during the past year has been fully up to our usual standard, and at a slight increase in expense mostly due to the longer period that they required mowing.

At Westlawn the supply of lots is becoming limited and it will soon become necessary to complete the grading about the ravine and thereby make more available.

Hillside cemetery has been improved by some grading done, there will be need of some new fencing about a portion of it in the near future and some brush removed.

The trustees wish to acknowledge the gifts during the past year to the perpetual care funds which exceed those for the year nineteen hundred and thirty by nearly two hundred dollars.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

*To the School Board and Citizens of Goffstown Independent  
School District:*

### THE TEACHER CHANGES

With the close of last year, Mr. Carroll Peavey, for four years headmaster of the High School, terminated a period of splendid service in the schools and community. To fill the vacancy thus brought about, Mr. Stanley W. Wright, of Rochester, N. H.—a graduate of New Hampshire University, 1930, was secured. Last year Mr. Wright taught in the High School at Littleton, N. H., and had charge of athletics. He had a successful year—was re-elected at an increased salary—but decided to accept the opportunity here. Under his direction the work is proceeding effectively.

Miss Marion Stearns is in charge of the Commercial Work. She graduated from Plymouth, last June, having taken the four year course in Commercial Training. Miss Stearns had a half-year "practicing teaching" as a part of her normal school training.

As last season closed, it appeared that the enrollment for this year in elementary grades 1 and 2 would be lower than usual. In view of this, it was planned to discontinue the helping work so capably done by Miss Maude Carlton. But when fall came, the number of pupils required, for best results, that this supplemental work be resumed. Miss Emma Gordon was called in for this work which occupies the morning session only. The work of this teacher, includes groups and individuals from the first four grades who profit from additional opportunity and individual attention.

Mrs. Stanley W. Wright has charge of sewing. This work includes all girls of grades 7 and 8. Mr. H. L. E. Brown, continues with the Manual Training for the boys of grades 7 and 8 and a few high school fellows.

### ENROLLMENT

#### *High School*

Seniors .....	11
Juniors .....	18
Sophomores .....	22
Freshmen .....	25
	—
	76
Special .....	2
	—
Total .....	78

#### *Elementary*

Mrs. Hattie Schellenberg, Grades 1 and 2	43
Mary Warren, Grades 3 and 4 .....	39
Mrs. Mildred Stiles, Grades 5 and 6 ....	41
Mrs. Margaret Clark, Grades 7 and 8 ...	41
	—
Total .....	164

The school population in September is shown by the Census, which is as follows for the last five years. Also of interest is the school enrollment.

	<i>Census</i>	<i>School Enrollment</i>
1927 .....	185	275
1928 .....	183	259
1929 .....	175	245
1930 .....	177	241
1931 .....	182	249

It will be noted that the school enrollment exceeds the school census figures. The census figures include children from 5 to 16 years of age, only. The enrollment includes both elementary and high school pupils. The high school includes a number over 16 years of age—also tuitions pupils from the other districts who are not included in this census. The present school population for the Town of Goffstown, which includes both the “special” and the “town” school districts, is 182 in the special and 541 for the “town” or a total of 723 children between the ages of 5 and 16 years.

### COSTS

#### *High School Costs*

For the last school year, including all the public high schools of the state, the average per capita cost was as follows:

	<i>State Average Per Pupil</i>	<i>Goffstown Special</i>
Books .....	\$3.67	\$4.99
Supplies .....	4.00	3.05
	———	———
Total .....	\$7.67	\$7.95
Per pupil instruction cost .....	\$98.93	\$90.65

#### *Elementary Costs*

For last year in the state the average costs per elementary pupil were:

	<i>State Average Cost</i>	<i>Goffstown Special</i>
Books .....	\$1.36	\$1.20
Supplies .....	1.60	1.45
	———	———
Total .....	\$2.96	\$2.65
Elementary pupil cost .....	\$83.66	\$70.26

These figures are given for information—and indicate, that in the High School, this district spend a few cents more than the “average” for books and supplies. The Instruction cost is several dollars less per pupil than the average for the state.

In the elementray costs, this district spends less than the “average” cost for books and supplies, as also in the total pupil cost. This “Pupil Cost” includes books, supplies, instruction and a few other lesser items.

#### SUPERVISION

All towns and cities in the State are included in Statewide Supervision in 60 Supervisory Unions. Goffstown Special, with New Boston and Goffstown Town and Bedford School Districts comprise Supervisory Union No. 19. Let us omit the 30 larger Unions including the larger towns and all the cities and consider the other 30 Unions of towns and areas similar to this. In this group of 30 Unions, Union 19, with 825 pupils and 35 teachers is among the highest ten. The largest number of pupils in any of these ten Unions is about 920—the largest number of teachers is 43. Of the salaries paid by these ten, the salary paid by this Union is lowest and substantially under the average for the ten.

#### PURCHASE OF SUPPLIES

In practically all the Unions the Superintendent buys the “supplies” for the schools. The largest single item is for “papers”. These papers include arithmetic paper—white composition of letter size—small white composition—yellow practice—drawing paper—and composition books, etc., etc.

These are two ways of buying. One way is to buy for each district separately—make out an order and send it to one of the several “school Supply Houses”. In a Union like this, that would mean four district orders probably sent to four different companies.

Another way is to “bunch” orders to secure buying advantages. That is, find out the requirements of each district

for various items—then combine these into one order. This makes for economy in these ways—in larger quantities the price is lower. On small orders companies do not pay freight—on orders over a certain amount they do. Price advantages too are usually secured by buying papers direct from the mills.

This second plan has been followed for years in this Union. Finding the “best place” to buying—bunching orders—ordering direct from Paper Mills with goods prepaid to whatever place desired—result in a yearly saving.

### THE HIGH SCHOOL DAY

This year the High School Day was increased by one “Period”, so that now the day consists of eight 40-minute periods. While this change was necessary in order to make a possible sufficient time to include laboratory periods in science and certain commercial subjects it affords more time for “study” here at school. Out of these eight periods many pupils spend four in classes. This allows four “study periods” at school, where the conditions are much more favorable for work than in the pupils’ homes. This isn’t any criticism of our homes—but the freedom from interruption which is an essential to “study” is hard to secure in the midst of our “family circles”. With three or four study periods, carefully planned and used, with teachers available for question or help—all pupils should find it possible to do more work at school and consequently have less to do at home in the evenings.

In most “large” High Schools the teacher has five teaching periods during the day. Just now, when curtailment of expenses is being considered, it is being suggested and properly, too, that high school teachers teach six periods instead of five. By so doing a large force of teachers can be reduced in number. Here, the teachers have been and are teaching six periods—except in one instance—and have allied duties—all teachers have obligations and duties, which over-reach the “periods” of the day.

The season in Basketball has been profitable financially, due to the splendid support received from the community. But better than that we had a fine sportsmanship group of young folks, who play because they like to play. Both girls and boys have had a good share of "wins". But win or lose, they "play the game" with the same fine spirit. The girls' team won first place in the Central N. H. League. The boys placed third—Warner being first and Hillsboro second.

A small boy may throw a small stone through a schoolroom window. But little actual damage is done. Probably no one is hurt. However, if this keeps happening the "morale" of the school will suffer and "discipline" will become more of a problem. That's one thing. But here the schools are favored by an interested community attitude, one which is essential if schools are to accomplish the work for which they are intended.

Respectfully submitted,

J. BYRON TARNEY,

*Superintendent.*

District:*

### TEACHERS AND PUPILS

Since the last report, Mrs. Mertie Michie, for some time a teacher and principal of the Bartlett School, passed away. To provide for the vacancy, Mrs. Gertrude Pingree, a graduate of Keene Normal School, with successful teaching experience, was secured. Other than this, there has been no change.

## CENSUS

The school census for this district last September found 541 children between the ages of 5 and 16 years. For the last five years the census figures are as follows. School enrollment is also given.

	<i>Census</i>	<i>School Enrollment</i>
1927 .....	468	168
1928 .....	452	168
1929 .....	480	202
1930 .....	486	236
1931 .....	541	247

The census includes children 5 years old and up to 16. The school "enrollment" is the number of different pupils registered during the year. Some of the census numbers are in High School. Some have completed grade 8 and have left school, more than 200 are enrolled in St. Edmund's Parochial School.

## HIGH SCHOOL PUPILS

A new "high" has been reached this year in the number of young people attending High School. There have been 43. Of these, 26 are in Manchester, and 17 in Goffstown. Of those in Manchester, 3 should complete the work this year, and 1 in Goffstown. Deducting these 4 from the total of 43 will leave approximately 40 who, in all likelihood will return next fall. From the present eighth grades at Parkers, Grasmere and Bartlett, there will probably be 10 or 12 who will enter High School as freshmen. It would seem as if the total next fall would be about 50.

With this in sight the item for High School tuitions in the budget has been increased from \$3,500 to \$5,000. The amount appropriated this year is not sufficient. The tuition rate in Manchester is about \$98, in Goffstown the rate is \$90 per year.

## "Costs"

In these times of "counting the cost" some items for comparison may be of interest. "Books" and "supplies" are two items in the Budget appearing from year to year. Last year some districts in the State spent over \$3.00 for books and about the same amount for supplies for each elementary pupil. A number of districts spent less than 70 cents for each pupil and less than 80 cents for supplies. This district spent \$1.10 for books and \$1.05 for supplies. The average is as follows:

	<i>State Average Per Pupil</i>	<i>This District Spent</i>
Books .....	\$1.83	\$1.10
Supplies .....	2.09	1.05
	—	—
Total .....	\$3.92	\$2.15

This district is quite below the average for the State in these expenditures.

For the State last year, the average cost per elementary pupil was \$83.66. This district's cost per pupil was \$79.68—again quite under the state average.

## PURCHASE OF SUPPLIES

In practically all the Unions the Superintendent buys the supplies for the schools. The largest single item is for "papers". These papers include arithmetic paper—white composition of letter size—small white composition—yellow practice—drawing paper—and composition books, etc.

There are two ways of buying. One way is to buy for each district separately—make out an order and send it to one of the several "school Supply Houses". In a Union like this, that would mean four district orders probably sent to four different companies.

Another way is to "bunch" orders to secure buying advantages. That is find out the requirements of each district for

various items—then combine these into one order. This makes for economy in these ways—in larger quantities the price is lower. On small orders companies do not pay freight—on orders over a certain amount they do pay freight. Price advantages too are usually secured by buying papers direct from the mills.

This second plan has been followed for years in this Union. Finding the “best place” to buy—bunching orders—ordering direct from Paper Mills with goods prepaid to whatever place desired—results in a yearly saving.

At all our schools there are pupils who find it necessary to carry lunch, as the distance is too great to allow them to go home at the noon hour. At the Bartlett school arrangements have been made so that pupils may have a hot drink along with the lunch brought from home. Plans should be further carried out so that at least during the winter months, all children might have such benefit.

To all who are endeavoring to help in creating cooperative home-and-school relationships and to the members of the School Board I extend my appreciation.

Respectfully submitted,

J. BYRON TARNEY,

*Superintendent.*

## REPORT OF SCHOOL BOARD

---

### GOFFSTOWN TOWN DISTRICT

On invitation of Mrs. Wells the Supervisory Union met on the evening of May 12 at Hi-E-Nuf farm and re-elected Mr. Tarney superintendent of schools for the ensuing year.

On the evening of June 16 a class of eleven graduates from the school at Grasmere and on the evening of June 18 a class of eight received diplomas at the Bartlett school.

We wish to thank the superintendent and teachers for their work during the year and the selectmen for favors received.

We refer to the reports of the superintendent and treasurer for additional information of our schools.

The annual meeting of the Town District will be held in the school house at Grasmere on Saturday afternoon, March 12, at two o'clock.

GEORGE E. WHITNEY,  
ROSAMOND WELLS,  
ELISABETH B. HOLT,

*School Board.*
