## DAVID OLNEY

The 2005 Annual Report is dedicated to the memory of David Olney.

David Olney understood that access to public libraries is one of the great democratizing influences of the American landscape. Through his service as Library Trustee for the Town of Kensington, from his election in 2003 until his death in 2005, David felt privileged to contribute his time and talents to promoting the presence of the library in this town. His tenure on the Board also gave him the chance to work with the central concern of his intellectual life, namely, the importance of the Bill of Rights in this society. He was instrumental in establishing the First Amendment table which stands in the Kensington Library today; toward the end of his life he still considered it his best single contribution to the common life of the town in which he lived the last years of his own.

To David Olney's family, thank you for allowing David to serve his community. He will be sadly missed.

Sincerely, The Town of Kensington

# DAVID OLNEY

The 2005 Airman Report is dedicated to the memory of David Omey.

David Olney understood that access to public illimates in one of the great democraticing influences of the American Landscape. Through his service as Library Trouce for the Town of Kanatagoon, from his electron in 2003 until his death in 2005, David fill privilegal to complete his time and telents for comming the greatest of the library in this town. His tenue on the Board also give him the chance to work with the central concern of his intellectual life, namely, the importance of the Bill of Rights in this rockey. He was instrumental in establishing the First Amendment table which stands in the Kennington Library today; towerd the end of his life he still considered in his best single countylesson to the common life of the rown in which he lived the land years of his own.

To David Glasy's family, thenkyou for allowing David to serve his community. He will be sadly mixed.

Sincooly,

#### INFORMATION FOR RESIDENTS

Because the general public is often unaware of various laws and regulations, the Town of Kensington has prepared the following list as a guideline for those considering purchase, development or construction in the town. This list is for information only and the public should consult the appropriate officials or boards for further details.

SUBJECT	LIMITATIONS	REGULATORY BODY
Scenic Roads North Road Hilliard Road Trundle Bed Lane Highland Road New Boston Road Wild Pasture Road Moulton Ridge Road Muddy Pond Road Osgood Road Stumpfield Road	NH RSA 231:158 Repair maintenance, construction or paving work done on a designated Scenic Road by the state or municipality or any action taken by any utility or other person acting to erect, install or maintain poles, conduits, cables, wires, pipes or other structures shall not involve the cutting, damage or removal of trees, or the tearing down or destruction of stone walls or portions thereof. Scenic Road designation does not affect the rights of any landowner.	Planning Board
Wetlands/Hydric Soil	No digging, filling or other flow modification or structure in wetlands as defined by Land Use Ordinances	Planning Board, Conservation Commission
Subdivision	Must meet requirements of zoning ordinances and regulations	Planning Board
Commercial/ Multifamily/Development (In Residential/ Agricultural District)	Use other than agricultural or single family dwelling requires Special Exception and Site Plan Review	Board of Adjustment, Planning Board
Home Occupation	Use of home for business requires Special Exception and Site Plan Review	Board of Adjustment, Planning Board
<u>In Law</u>	Use other than single family dwelling requires Special Exception and recording at the Registry of Deeds	Board of Adjustment,
Commercial Zone	Commercial/Industrial development in Commercial/Industrial Zone requires Site Plan Review	Planning Board

SUBJECT	LIMITATIONS	REGULATORY BODY
Building Permit	No construction until permit signed by Selectmen	Building Inspector
Occupancy Permit	No occupancy or use of new or modified building until approved	Building Inspector
Septic System	Must meet Town and State standards	Board of Health Health Officer
<u>Driveways</u>	Must have permit before work starts	State Hwy - State Town Road – Planning Board
<u>Gravel</u>	Must have permit for any new excavation	Planning Board
Signs	Size, lighting location	Planning Board
Bonfires	No burning without permit	Fire Warden
Timber Harvest	Yield Tax limits on cutting	Selectmen
Motor Vehicle Registration	Annual	Town Clerk
Dog License	Dog must have rabies shot	Town Clerk
Dog Control	Dog must be controlled on owner's property	Animal Control Officer
Town Hall/Town Park	Private functions by prior approval of Selectmen	Selectmen
Junk Cars	No more than one unregistered vehicle on lot	Code Enforcement Officer
Refuse Disposal	Weekly pick-up Tuesdays, in containers at end of driveway (See inside back cover)	Selectmen
Recycling	Curbside every other week on Tuesday	Selectmen

#### INFORMATION FOR KENSINGTON RESIDENTS

# TRASH AND BI-WEEKLY RECYCLING PICKUP EVERY TUESDAY BEGINNING AT 6:30 AM

- 1. Waste must be contained in plastic bags or trash barrels, not to exceed a capacity of 32 gallons. Cardboard boxes may not be used; these may be recycled.
- 2. Waste must be placed at the end of the driveway by 6:30 a.m. on Tuesdays.
- 3. Weight of any container must not exceed 50 pounds.
- 4. Each 32 gallon container/bag must have a Kensington trash sticker affixed to it (for barrels containing non-bagged items, affix sticker to top item in the barrel). Stickers are available at the Town Offices and Kensington Grocery. Each household will be issued 52 stickers per week to cover the "one free bag per week" rule. These may be picked up at the Town Hall beginning in December, or residents can send a self-addressed envelope with postage for two ounces (currently \$.63). Prior year's stickers not picked up will be forfeited. Additional stickers are \$1.00 each and can be purchased at either Town Hall or Kensington Grocery.
- 5. No brush or stumps will be picked up and no 55 gallon drums are to be used.
- 6. Recycling for the entire town occurs bi-weekly on Tuesdays also. The east/west division is no longer applicable. Details of what can be recycled are available at the Town Offices.
- 7. Residents may dispose of bulky items and other items that cannot be included with trash, such as motor oil, at the Raymond Transfer Station, Monday thru Saturday 8 am to 4 pm. Disposal of these items will require payment of fees. Fees and directions are posted on the Town's web site or you can call Bestway Disposal at 895-6273.

#### LICENSING OF DOGS

Each owner of a dog four months old or over must license the dog with the Town Clerk before May 1st of each year. Each dog ages 4-7 months old must have received a Rabies Vaccination. The certificate of vaccination is to be presented to the Town Clerk at the time of licensing. Each dog must wear a collar around its neck; attached to the collar a metal tag distinctly marked with its license number.

#### License fees are as follows:

Male	\$9.00	Female	\$9.00
Neutered Male	\$6.50	Spayed Female	\$6.50
Seniors Citizen's Di	scount (65 or older):	First Dog (only)	\$2.00

Penalties:

\$25.00 Fine after Mid June + Licensing Fees \$1.00 added each month after June 1<sup>st</sup> until dog is registered

#### **JUNK CAR REGULATIONS**

New Hampshire Statute requires anyone with two or more unregistered vehicles or old cars no longer intended or in condition for legal use on highways or used auto parts equal in bulk to two vehicles must obtain a license or be subject to a \$10.00 a day fine and a mandatory injunction to end the violation by Selectmen. New and used car dealers registered as such are not considered auto junk dealers but must remove junk cars from their premises within 160 days.

#### Minutes for the Deliberative Session For the Town of Kensington

#### February 8, 2006

Meeting was called to order at 7:30pm at the Town Hall by Moderator, Jeffery Brown, followed by the flag salute.

The Moderator read the opening paragraphs of the Town Warrant and explained how he would conduct the meeting and asked for all amendments to the articles to be in writing.

ARTICLE 1: To choose all necessary Town Officials for the year ensuing.

ARTICLE 2: Shall the Town of Kensington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$1,243,413 (one million, two hundred forty three thousand, four hundred and thirteen dollars)? Should this article be defeated, the operating budget shall be \$1,228,432 (one million, two hundred twenty eight thousand, four hundred and thirty two dollars), which is the same as last year, with certain adjustments required by previous action of the voters or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: This warrant article (operating budget) does not include appropriations in any other warrant article.

The Selectmen recommend this appropriation.

#### Discussion; no changes made

ARTICLE 3: To see if the town will vote to raise and appropriate the sum of \$30,000.00 (thirty thousand dollars) for the contracted services of an as needed, per diem, Town Administrator. (Contracted means that all expenses, i.e., health insurance, will be paid by the contracted individual.) Should this article be approved, this appropriation for a Town Administrator will become part of the operating budget and default budgets in years to come. This appropriation is in addition to Warrant Article 2, the operating budget article.

The Selectmen recommend this appropriation.

(Explanation: The individual would be hired by the Selectmen and duties would encompass any and all responsibilities required by law for the governing body of the town such as; zoning code enforcement, legal matters and attendance at court hearings, policy compliance, reporting compliance, grant applications, etc. This individual would not be a town manager, but would work directly under the Selectmen.)

Barbara Boudreau made a motion to have this sentence stricken from the Article "Should this article be approved, this appropriation for a Town Administrator will become part of the operating budget and default budgets in years to come."

<u>Voice Vote Did Not Carry.</u>

Amendment from George Collins to add to the Article after Administrator – and a daily time log will be kept for all work performed, and will be published in the Town Report, and reviewed at the 2007 Deliberative Session. The Administrator will become part of the operating budget and default budgets in years to come.

Voice Vote Did Not Carry.

ARTICLE 4: To see if the town will vote to raise and appropriate the sum of \$25,000.00 (twenty five thousand dollars) to conduct a Space Needs Study for municipal building expansion. (This would be a comprehensive study for the future needs of all town departments.) This appropriation is in addition to Warrant Article 2, the operating budget article.

The Selectmen recommend this appropriation.

Revisited Amendment submitted by Jim Thompson to Change the sum of \$25,000.00 to \$1.00(one dollar)

Voice Vote Defeated

ARTICLE 5: To see if the town will vote to raise and appropriate the sum of \$200,000 (two hundred thousand dollars) for town road reconstruction. This will be a non-lapsing appropriation as per RSA 32:7, VI and will not lapse until December 31, 2007. This appropriation is in addition to Warrant Article 2, the operating budget article.

The Selectmen recommend this appropriation

#### No Changes Made

ARTICLE 6: By petition of Glenn Greenwood and twenty-seven (27) other registered voters to see if the Town will raise and appropriate \$40,000 (forty thousand dollars) to complete funding required for the Town Center Enhancement Project. This money, an addition to the 2005 Town meeting appropriation, private donations, and Federal matching grants, is based on anticipated costs generated from survey and engineering studies completed since the 2005 Town meeting vote. These studies provided engineering based estimates versus conceptual costs derived in 1998 by the volunteer committee. (This was previously named "Wayside Park" and is part of the American Independence Byway Project). This appropriation is in addition to Warrant Article 2, the operating budget article.

The Selectmen recommend this appropriation

June Hampe submitted amendment for \$40,000 to be reduced to \$1.00(one dollar).

#### Voice vote was defeated

Harold Bragg submitted an amendment to add after committee. (Further, to authorize the Kensington Board of Selectmen to accept on behalf of the community, any and all available additional grant funds from any public source, whether State or Federal, and to expend those funds for the completion of the enhancement project)

Voice Vote in the Affirmative

ARTICLE 7: By petition of Eric Young and twenty-nine (29) other registered voters of the Town of Kensington, to see if the Town will raise and appropriate \$1,500.00 (one thousand five hundred dollars) for the Child Advocacy Center of Rockingham County, a service provided for the children of Kensington and the Seacoast. This appropriation is in addition to Warrant Article 2, the operating budget article.

The Selectmen recommend this appropriation.

#### No Changes Made

ARTICLE 8: By petition of Jennifer Haggett and twenty-seven (27) other registered voters of the Town of Kensington, to see if the Town will raise and appropriate \$500.00 (five hundred dollars) for A Safe Place of Portsmouth, NH, providing shelter, support, and advocacy to victims of Domestic Abuse as well as Education about abuse to students and Civic Groups. This appropriation is in addition to Warrant Article 2, the operating budget article.

The Selectmen recommend this appropriation.

#### No Changes Made

ARTICLE 9: By petition of George Collins and 75 other registered voters of the Town of Kensington: In accordance with RSA 72:39-b "Shall we modify the elderly exemptions from property tax in the Town of Kensington, based on assessed value for qualified taxpayers, to be as follows: for a person 65 (sixty five) years of age and up to the age of 75 (seventy five) years \$155,000.00 (one hundred fifty five thousand); for a person 75 (seventy five) years of age up to 80 (eighty) years \$180,000.00 (one hundred eighty thousand); for a person 80 (eighty) years of age or older \$200,000.00 (two hundred thousand)?"

To qualify the person must have been a <u>New Hampshire resident for at least 5</u> (five) years, own the real estate individually or jointly, or if such person's spouse owns the real estate, they must have been married for at least 5 (five) years. In addition, the taxpayer must have a net income of not more than \$42,000.00 (forty two thousand dollars); or if married a combined net income of less than \$49,500.00 (forty nine thousand five hundred dollars); and own net assets not in excess \$200,000.00 (two hundred thousand dollars); excluding the value of the persons residence.

Amendment submitted and seconded to add **Kensington** in front of (New Hampshire Resident for at least)
Upon further research into wording of the RSA, and in talking with the Secretary of States office this amendment was unable to be done.

Amendment defeated, per State of New Hampshire Secretary of States Office.

ARTICLE 10: To see if the Town will vote to establish a Revolving Fund for the provision of public safety services in connection with special events, highway construction, and other construction projects in accordance with RSA 31:95-h. This will allow deposit into the fund the revenues received from fees, charges or other income derived from the activities or services supported by the fund, as well as any other revenues approved for the fund. Such funds may be expended only for the purposes for which the fund was created. Revolving money may accumulate from year to year and is not considered part of the Town's general surplus. All moneys in these revolving funds must be in the custody of the Town Treasurer, who shall pay out from the fund only upon orders of the governing body. No further approval of the legislative body is required for the use of the funds.

Discussion no changes made.

ARTICLE 11: To see if the Town will vote to establish a Recreation Revolving Fund pursuant to RSA 35-B:2 II. The money received from fees and charges for recreation park services and facilities shall be allowed to accumulate from year to year, and shall not be considered to be part of the town's general fund unreserved fund balance. The town treasurer shall have custody of all monies in the fund and shall pay out the same only upon order of the recreation director (no further town meeting approval required). These funds may be expended only for recreation purposes as stated in RSA 35-B, and no expenditure shall be made in such a way as to require the expenditure of other town funds which have not been appropriated for that purpose.

Amendment submitted by Cathy Cook

To be inserted after recreation, deleting word director (committee chairperson after a consensus for expenditure is made by the recreation committee)

Voice Vote was in the Affirmative.

ARTICLE 12: To see if the Town will vote in accordance with RSA 231:64 to instruct its Selectmen to appoint an Expert Highway Agent, who, under the direction of the Selectmen, shall have the same power and perform the same duties as a highway agent elected by the town.

(Explanation: Expert Highway Agent is the term used in the RSA. The intent of this article is to more effectively enable the Selectmen to hire an individual to plan, schedule, obtain bids, oversee and ensure that comprehensive maintenance of the town's roadways is completed in a timely, cost effective, quality manner. The intent is to separate job functions for the care of Kensington roads and enable the Selectmen to contract with the best person suited for each role. This shift change in practice will work within the operating budget.)

Motion made by several and submitted by Mike Motherway to amend article after will and insert "Replace the existing Road Agent and" vote; also to replace highway agent elected with "road agent appointed".

<u>Voice Vote was in the Affirmative.</u>

ARTICLE 13: By petition of Peter C. Merrill and 25 other registered voters of the Town of Kensington: To see if the Town will adopt an exemption from taxation for Wind Powered Energy System Improvements (as defined in RSA 72:65 and allowed by RSA 72:66). This request is in accordance with the provisions of RSA 72:33, 34 and 34-A.38, for the full value of the improvements to be exempted from taxation. The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels.

No Changes Made

ARTICLE 14: By petition of Peter C. Merrill and 25 other registered voters of the Town of Kensington: To see if the Town will adopt an exemption from taxation for Woodheating Energy System Improvements (as defined in RSA 72:69 and allowed by RSA 72:70). This request is in accordance with the provisions of RSA 72:33, 34 and 34-A.38, for the full value of the improvements to be exempted from taxation. The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels.

#### No Changes Made

ARTICLE 15: By petition of Peter C. Merrill and 25 other registered voters of the Town of Kensington: To see if the Town will adopt an exemption from taxation for Solar Powered Energy System Improvements (as defined in RSA 72:61 and allowed by RSA 72:62). This request is in accordance with the provisions of RSA 72:33, 34 and 34-A.38, for the full value of the improvements to be exempted from taxation. The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels.

#### No Changes Made

The meeting was adjourned at 10:30pm, until the March 14<sup>th</sup>, 2006 elections.

Respectfully Submitted,

Kathleen T Felch

37 Residents attended.

#### **TOWN WARRANT**

#### THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Kensington in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Kensington on Wednesday, the eighth day of February 2006, at 7:30 pm for the purpose of transacting all business other than voting by official ballot.

You are hereby notified to meet thereafter at the Town Hall in said Kensington on Tuesday, the fourteenth day of March 2006, to elect officers, vote on zoning articles and to vote on all warrant articles from the first session by official ballot.

Polls will be open from 8:00 a.m. to 7:30 p.m.

ARTICLE 1: To choose all necessary Town Officials for the year ensuing.

ARTICLE 2: Shall the Town of Kensington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$1,243,413 (one million, two hundred forty three thousand, four hundred and thirteen dollars)? Should this article be defeated, the operating budget shall be \$1,228,432 (one million, two hundred twenty eight thousand, four hundred and thirty two dollars), which is the same as last year, with certain adjustments required by previous action of the voters or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: This warrant article (operating budget) does not include appropriations in any other warrant article.

The Selectmen recommend this appropriation.

ARTICLE 3: To see if the town will vote to raise and appropriate the sum of \$30,000.00 (thirty thousand dollars) for the contracted services of an as needed, per diem, Town Administrator. (Contracted means that all expenses, i.e., health insurance, will be paid by the contracted individual.) Should this article be approved, this appropriation for a Town Administrator will become part of the operating budget and default budgets in years to come. This appropriation is in addition to Warrant Article 2, the operating budget article.

The Selectmen recommend this appropriation.

(Explanation: The individual would be hired by the Selectmen and duties would encompass any and all responsibilities required by law for the governing body of the town such as; zoning code enforcement, legal matters and attendance at court hearings, policy compliance, reporting compliance, grant applications, etc. This individual would not be a town manager, but would work directly under the Selectmen.)

ARTICLE 4: To see if the town will vote to raise and appropriate the sum of \$25,000.00 (twenty five thousand dollars) to conduct a Space Needs Study for municipal building expansion. (This would be a comprehensive study for the future needs of all town departments.) This appropriation is in addition to Warrant Article 2, the operating budget article.

The Selectmen recommend this appropriation.

ARTICLE 5: To see if the town will vote to raise and appropriate the sum of \$200,000 (two hundred thousand dollars) for town road reconstruction. This will be a non-lapsing appropriation as per RSA 32:7, VI and will not lapse until December 31, 2007. This appropriation is in addition to Warrant Article 2, the operating budget article.

The Selectmen recommend this appropriation

ARTICLE 6: By petition of Glenn Greenwood and twenty-seven (27) other registered voters to see if the Town will raise and appropriate \$40,000 (forty thousand dollars) to complete funding required for the Town Center Enhancement Project. This money, an addition to the 2005 Town meeting appropriation, private donations, and Federal matching grants, is based on anticipated costs generated from survey and engineering studies completed since the 2005 Town meeting vote. These studies provided engineering based estimates versus conceptual costs derived in 1998 by the volunteer committee. (This was previously named "Wayside Park" and is part of the American Independence Byway Project). This appropriation is in addition to Warrant Article 2, the operating budget article.

The Selectmen recommend this appropriation

ARTICLE 7: By petition of Eric Young and twenty-nine (29) other registered voters of the Town of Kensington, to see if the Town will raise and appropriate \$1,500.00 (one thousand five hundred dollars) for the Child Advocacy Center of Rockingham County, a service provided for the children of Kensington and the Seacoast. This appropriation is in addition to Warrant Article 2, the operating budget article.

The Selectmen recommend this appropriation.

ARTICLE 8: By petition of Jennifer Haggett and twenty-seven (27) other registered voters of the Town of Kensington, to see if the Town will raise and appropriate \$500.00 (five hundred dollars) for A Safe Place of Portsmouth, NH, providing shelter, support, and advocacy to victims of Domestic Abuse as well as Education about abuse to students and Civic Groups. This appropriation is in addition to Warrant Article 2, the operating budget article.

The Selectmen recommend this appropriation.

ARTICLE 9: By petition of George Collins and 75 other registered voters of the Town of Kensington: In accordance with RSA 72:39-b "Shall we modify the elderly exemptions from property tax in the Town of Kensington, based on assessed value for qualified taxpayers, to be as follows: for a person 65 (sixty five) years of age and up to the age of 75 (seventy five) years \$155,000.00 (one hundred fifty five thousand); for a person 75 (seventy five) years of age up to 80 (eighty) years \$180,000.00 (one hundred eighty thousand); for a person 80 (eighty) years of age or older \$200,000.00 (two hundred thousand)?"

To qualify the person must have been a New Hampshire resident for a least 5 (five) years, own the real estate individually or jointly, or if such person's spouse owns the real estate, they must have been married for at least 5 (five) years. In addition, the taxpayer must have a net income of not more than \$42,000.00 (forty two thousand dollars); or if married a combined net income of less than \$49,500.00 (forty nine thousand five hundred dollars); and own net assets not in excess \$200,000.00 (two hundred thousand dollars); excluding the value of the persons residence.

ARTICLE 10: To see if the Town will vote to establish a Revolving Fund for the provision of public safety services in connection with special events, highway construction, and other construction projects in accordance with RSA 31:95-h. This will allow deposit into the fund the revenues received from fees, charges or other income derived from the activities or services supported by the fund, as well as any other revenues approved for the fund. Such funds may be expended only for the purposes for which the fund was created. Revolving money may accumulate from year to year and is not considered part of the Town's general surplus. All moneys in these revolving funds must be in the custody of the Town Treasurer, who shall pay out from the fund only upon orders of the governing body. No further approval of the legislative body is required for the use of the funds.

ARTICLE 11: To see if the Town will vote to establish a Recreation Revolving Fund pursuant to RSA 35-B:2 II. The money received from fees and charges for recreation park services and facilities shall be allowed to accumulate from year to year, and shall not be considered to be part of the town's general fund unreserved fund balance. The town treasurer shall have custody of all monies in the fund and shall pay out the same only upon order of the recreation director (no further town meeting approval required). These funds may be expended only for recreation purposes as stated in RSA 35-B, and no expenditure shall be made in such a way as to require the expenditure of other town funds which have not been appropriated for that purpose.

ARTICLE 12: To see if the Town will vote in accordance with RSA 231:64 to instruct its Selectmen to appoint an Expert Highway Agent, who, under the direction of the Selectmen, shall have the same power and perform the same duties as a highway agent elected by the town.

(Explanation: Expert Highway Agent is the term used in the RSA. The intent of this article is to more effectively enable the Selectmen to hire an individual to plan, schedule, obtain bids, oversee and ensure that comprehensive maintenance of the town's roadways is completed in a timely, cost effective, quality manner. The intent is to separate job functions for the care of Kensington roads and enable the Selectmen to contract with the best person suited for each role. This shift change in practice will work within the operating budget.)

ARTICLE 13: By petition of Peter C. Merrill and 25 other registered voters of the Town of Kensington: To see if the Town will adopt an exemption from taxation for Wind Powered Energy System Improvements (as defined in RSA 72:65 and allowed by RSA 72:66). This request is in accordance with the provisions of RSA 72:33, 34 and 34-A.38, for the full value of the improvements to be exempted from taxation. The State of

New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels.

ARTICLE 14: By petition of Peter C. Merrill and 25 other registered voters of the Town of Kensington: To see if the Town will adopt an exemption from taxation for Woodheating Energy System Improvements (as defined in RSA 72:69 and allowed by RSA 72:70). This request is in accordance with the provisions of RSA 72:33, 34 and 34-A.38, for the full value of the improvements to be exempted from taxation. The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels.

ARTICLE 15: By petition of Peter C. Merrill and 25 other registered voters of the Town of Kensington: To see if the Town will adopt an exemption from taxation for Solar Powered Energy System Improvements (as defined in RSA 72:61 and allowed by RSA 72:62). This request is in accordance with the provisions of RSA 72:33, 34 and 34-A.38, for the full value of the improvements to be exempted from taxation. The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels.

Kensington, NH

#### Record of the March 8, 2005 Town Meeting For Kensington, NH

#### **Town Warrant** The State of New Hampshire

To the Inhabitants of the Town of Kensington in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet thereafter at the Town Hall in Kensington on Tuesday March 8, 2005, to elect officers, vote on zoning articles and to vote on all warrant articles from the first session by official ballot.

Polls will be open from 8:00am to 7:30pm.

Article 1: To choose all necessary Town Officials for the year ensuing, the results are as follows:

SELECTMAN (3 yrs.)	Matthew Doyle	351
TAX COLLECTOR (1yr)	Carlene Wiggin	394
TOWN CLERK (1yr)	Kathleen T. Felch	390
TOWN TREASURER (1yr)	Carol Sargent	387
AUDITORS (1yr)	Dennis Roffman Arabella Tuttle Robert Batchelder Della Boswell	8 7 6 5
TRUSTEE OF THE TRUST FUNDS (2vr)	Mary Aulson	321
LIBRARY TRUSTEE (2yr)	Helen Cohen Frank Kinslow Richard Bates	35 4 3
CEMETERY TRUSTEE (3vr)	Lynne Monroe	375
GRANGE HALL TRUSTEE (3yr)	Nancy Roffman Richard Bates Carol Sargent Steve Smith	10 2 2 2

Are you in favor of adopting the mandatory State Building Code adopted by the New Hampshire legislature during the 2002 session: International Building Code 2000, Plumbing Code 2000, Mechanical Code 2000, Energy Conservation Code 2000 and the National Electric Code 1999? These codes are currently in effect and do not amend, repeal or supersede any local ordinance, bylaw, code or regulation unless such local ordinance is less stringent than the state building code. Recommended by the Planning Board.

Yes 302 No 95

Are you in favor of adopting an amendment to Article 7, Wetland Conservation District to Article 3: add the statutory definition of wetlands required by the passage of House Bill 1148, effective date July 1, 2005? The purposes of this amendment are to clarify the existing ordinance so as to retain the existing

setbacks for hydric A and hydric B soils; and to clarify that these areas are defined as hydric A and B soils rather than wetlands. To change the "wetlands" to "hydric soils" in the ordinance where the provisions concern the narrower definitions of hydric soils, in order to maintain the current setbacks and permitted uses as set forth in the ordinance.

This warrant article will not change any of the setbacks or permitted uses currently required under Kensington's Wetland Conservation District. The language of House Bill 1148 requires towns to adopt the definition of wetlands used by the state of New Hampshire, but HB also allows towns to continue to regulate the use of wet areas of land based on environmental features, such as hydric soils.

The state's definition of wetlands requires all three characteristics of wetlands for an area to be classified as a wetland: soils, hydrology, and characteristic vegetation. Kensington's current ordinance, based on hydric soils, is narrower: it is based solely on soil characteristics. For this reason, it is recommended that the provisions of the current ordinance that deal with hydric soils be maintained, and that these areas be referred to as hydric soils, not wetlands. The state definition of wetlands will be added as required but will not affect the setbacks or permitted uses based on land classified as hydric soil.

This warrant article also proposes to add a new section to required developers to retain existing vegetation in a limited section of the setback area. Additional vegetation acts as a filter and recharge area for runoff that travels to the wetland and is intended to protect and enhance water quality in the Town of Kensington's aquifers and wells.

- Amend the title of the article so that it reads: Wetland and Hydric Soils Conservation District.
- •Amend the first paragraph so that it reads:

The general purpose of this District is for regulation of wetlands and hydric soils in Kensington in such a manner as to preserve the Town's water resources for the benefit of public health, safety, and general welfare.

- •Add a new section to Article 7.2 Definition and Designation that follows section B, and reads as follows:
- C. Pursuant to RSA 482-A:2.X, "wetlands" means an area that is inundated or saturated by surface water of groundwater at a frequency and duration sufficient to support, and that under normal conditions does support, a prevalence of vegetation typically adopted for life in saturated soil conditions.
- •Amend Article 7.5 Special Provisions, part A, to replace the word wetland with the word hydric soils, so that the subsection reads as follows:
- A. Hydric B soils may be used to fulfill all but the 30,000 square feet of any building lot minimum acreage requirement provided that the non-hydric soils area is sufficient in size and configuration to accommodate all required utilities, as determined by the Town of Kensington test Pit Inspector.
- •Amend Article 7.5 Special Provisions, parts E and F, to read as follows:
- E. Where an existing structure within the **hydric soils** setback area is destroyed or in need of extensive repair, it may be rebuilt, provided that such rebuilding is completed within two years of the event causing destruction. The new or re-built structure shall not extend further in to the wetland or wetland setback area than the original footprint.
- F. Structures and uses existing at the time of the adoption of this Ordinance may be continued provided that such use shall not be expanded to further encroach upon the wetlands and hydric soils or hydric soils setback areas.
- •Amend Article 7.5 Special Provisions, to add new part G, with the following language:
- G. Existing natural vegetation in both the hydric soil A and B setback areas must be retained in a buffer setback area not less than twenty-five feet wide. Applicants may remove dead of diseased trees within this area, unless such trees have already fallen, but must retain all other existing trees or other vegetation and must ensure that this area is not cleared or mowed but is maintained as a natural buffer and is clearly marked by plastic discs mounted on trees or by visible stakes or monuments with markers or inscriptions bearing the words, "hydric soils setback area: do not mow or clear. Town of Kensington Zoning Ordinance Article 7.5G.
- •Amend Article 7.6 Special Exceptions, parts A, A.1, and A.3 to read as follows:
- A. Special exception may be granted by the Board of Adjustment for the following uses within the

hydric soils setback areas specified in Articles 7.5C and 7.5D and, If necessary, within the Wetlands and Hydric Soils Conservation District, if it can be shown that such use will not conflict with the purposes and intent of article 7.1 Proper evidence to this effect shall be submitted in writing to the Board of Adjustment.

- Streets, roads, and other access ways and utility right-of-way easements. If such location
  is essential to the productive use of land not so zoned, and so constructed as to minimize
  any detrimental impact of such use upon the Wetland and Hydric Soils Conservation
  District and the hydric soils setback areas specified in Articles 7.5C and 7.5D.
- 2. (Remains as is with no changes)
- 3. On vacant lots of record. The construction of new structures within the **hydric soils** setback areas specified in Articles 7.5C and 7.5D or within the Wetlands and **hydric soils** Conservation District, provided the structure is placed and designated to minimize the impacts on wetlands and **hydric soils**.
- •Amend Article 7.7 Procedure for Review, Parts A and B to replace the term "Wetland Conservation District" with the words "Wetland and Hydric soils Conservation District".
- •Wherever the word "wetlands" appears in any other section of this ordinance, it shall be replaced with the phrase "hydric soils".

Recommended by the Planning Board.

YES 268

NO 127

Article 4: Shall the Town of Kensington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$1,150,601.00 (one million, one hundred fifty thousand, six hundred and one dollars)? Should this article be defeated, the operating budget shall be \$1,125,404.00 (one million, one hundred twenty five thousand, four hundred and four dollars), which is the same as last year, with certain adjustments required by previous action of the voters or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: This warrant article (operating budget) does not include appropriations in any other warrant article.

The Selectmen recommend this appropriation.

YES 232

NO 175

Article 5: To see if the town will vote to raise and appropriate \$36,374.00 (thirty-six thousand, three hundred and seventy four dollars) as a third lease payment towards the purchase of a new Fire Pumper/Tanker for the Fire Department. Article 4 at the 2003 Town Meeting, authorized the Board of Selectmen to enter into a six year lease/purchase Agreement for said Pumper/Tanker. This lease contains an escape clause. This appropriation is in addition to Warrant Article #4, the operating budget article. The Selectmen recommend this appropriation.

YES 330

NO 79

Article 6: To see if the town will vote to raise and appropriate the sum of \$30,000.00 (thirty thousand dollars) for the contracted services of a per diem Town Administrator. The Town Administrator must keep daily time logs for the work preformed and the summary of the time log will be published in the Town Report. This appropriation is in addition to Warrant Article #4, the operating budget article.

The Selectmen recommend this appropriation.

YES 151

NO 255

Article 7: To see if the town will vote to raise and appropriate the sum of \$200,000 (two hundred thousand dollars) for town road reconstruction. This will be a non-lapsing appropriation as per RSA 32:7, VI and will not lapse until December 31, 2006. This appropriation is in addition to Warrant Article #4, the operating budget article.

The Selectmen recommend this appropriation.

YES 264

NO 149

Article 8: To see if the town will vote to raise and appropriate the sum of \$91,000.00 (ninety one thousand dollars) for the construction of Wayside Park across from the Town Hall as part of the American

Independence Byway Project. Of the \$91,000.00 (ninety one thousand dollars), \$45,500.00 (forty-five thousand five hundred dollars) will come from a New Hampshire Department of Transportation grant, \$35,000.00 (thirty five thousand dollars) will be raised through private donations and \$10,500.00 (ten thousand five hundred dollars) will be raised by taxation as matching grant funds. This appropriation is in addition to Warrant Article #4, the operating budget article.

The Selectmen recommend this appropriation.

YES 232 NO 174

Article 9: To see if the town will vote to authorize the Board of Selectmen to enter into a three (3) year lease agreement for the purpose of leasing two new 2005 police cruisers for the Police Department; and to raise the appropriate the sum of \$18,000.00 (eighteen thousand dollars) for the first year's payment and to purchase equipment for said vehicles. This lease agreement will contain an escape clause and is expected to cost a grand total of \$54,000.00 (fifty-four thousand dollars) with a \$1.00 (one dollar) purchase option per vehicle at the end of the lease term. These two vehicles will replace existing high mileage cruisers. This appropriation is in addition to Warrant Article #4, the operating budget article.

The Selectmen recommend this appropriation.

YES 214 NO 197

Article 10: By petition of Jane Bannister and twenty-seven (27) other registered voters: We, the residents of Kensington, petition that \$1,800.00 (one thousand, eight hundred dollars) be raised and appropriated in 2005 for "The Richie McFarland Children's Center" (\$300 for each child from Kensington receiving services in the last program year- six children served.) This appropriation is in addition to Warrant Article #4, the operating budget article.

The Selectmen recommend this appropriation.

YES 320

NO 94

Article 11: By petition of William Quimby and twenty-eight (28) other registered voters of the Town of Kensington, to see if the Town will raise and appropriate \$1,000.00 (one thousand dollars) for the Child Advocacy Center of Rockingham County, a service provided for the children of Kensington and the Seacoast. This appropriation is in addition to Warrant Article #4, the operating budget article. The Selectmen recommend this appropriation. YES 303

NO 107

Article 12: To see if the Town will vote to accept Rose Petal Lane as a Town Road. Major road work has been completed, however, the security will continue for two years from completion of the wear course. The Selectmen recommend this article. YES 243

NO 165

Article 13: To see if the Town will vote to accept Hidden Pasture Road, Palmer Green Phase II, as a Town Road. Major road work had been completed, however, the security will continue for two years from completion of the wear course.

The Selectmen recommend this article.

YES 260 NO 147

Article 14: To see if the town will vote to consider the petition of Robert O'Keefe and 25 other registered voters of the Town of Kensington; "the undersigned registered voters of Kensington, NH do hereby petition the selectmen to approve Palmer Dr. (Palmer Green- Phase III) as a town road making it eligible to receive all town services," on the 2007 Warrant as per the agreement of the minutes of the site meeting of Robert O'Keefe and town officials filed in the Town Administrators' Office.

The Selectmen recommend this article.

#### TOWN OF KENSINGTON

				Percent	
Approp.	Actual	Approp.	Default Budget	Change	
2005	12/31/05	2006	2006	More/(Less)	

The Board of Selectmen are pleased to present to the residents of Kensington the budget for fiscal 2006. The focus of the budget preparation was to realistically meet the growing needs of the community and respond to State mandates. We feel strongly that the proposed budget for 2006 meets those goals and maintains a high level of quality services.

The budget for this year reflects a net increase of 8.07% if calculated on the difference between last year's budget of \$1,150,602 and the proposed 2006 budget of \$1,243,413. However, the fire truck and the police cruiser warrant articles have been included in the 2006 budget. This means that the actual operating budge reflects a net increase of \$38,437 or a 3.44% increase.

TOTAL BUDGET	1,150,602	1,088,592	1,243,413	1,228,432	8.07

### **Board of Selectmen 2005 Report**

To the Residents of Kensington:

The Board of Selectmen appreciates your support and trust. 2005 was a productive year for the Town of Kensington with many changes taking place. Change can always be difficult but in the end can improve the quality of life for all residents.

This year the annual budget increase is less than 5%. As the Town of Kensington grows, it is important to work together and share ideas to ensure that the tax rate can be kept under control. The Board worked hard and had many discussions with department heads to ensure that the budget was realistic.

The warrant article that is important to the Selectmen this year is the Town Administrator position. This position is essential to facilitate many projects and ideas that sometimes fall through the cracks due to time limitations of the volunteer Selectmen. Having a liaison for the residents that has specific hours at Town Hall will be beneficial to accomplish and expedite many concerns. The position will work with Town Counsel on legal issues and attend hearings on behalf of the Selectmen which potentially will cut down on legal bills, keep an eye on the budget, and check in with the different department heads

Stumpfield Road was part of the road reconstruction project this year. A lot of the base and support road was rebuilt and that investment will insure a safe road for many years. The Board of Selectmen appreciates the residents' support of this project and hopefully anticipates the residents approving of the warrant article for a few more years. There are line items in the proposed budget for 2006 that reflect the benefit of this project. With the serious repair of Osgood Road, Stumpfield Road, Shaw's Hill Road and Wild Pasture in the past few years it has become obvious that less money for serious repairs needs to be put in the budget and general maintenance can be budgeted appropriately. The road reconstruction project has been able to help the condition of the town roads and will eventually contribute to the road maintenance portion of the budget.

Due to a tough 2005 winter, the Town's biggest budget challenge this year was snow removal. The Kensington budget was affected as well as many other local communities. With the help of the Administrative Assistant, Town Assessor and the Road Agent, the Town was able to work with the federal government to recoup some funds from FEMA for a couple of the blizzards. As summer approached, the Road Agent resigned and the Board was faced with the future of that position. Many discussions and research of other Towns have lead us to the proposed warrant article to change the title of the position from Road Agent to Expert Highway Agent. Currently, the Town has one person overseeing patching, general road repairs and brush/tree removal while another is overseeing the winter snow removal. This allows flexibility within the department and bids for different jobs to be submitted with more control over the road budget. The Board is optimistic that this new direction will encourage more accountability to the budget.

The Board of Selectmen would like to invite all residents to participate in our meetings, whether that be attending the meetings, submitting written comments or concerns or by reading the minutes online. The Board of Selectmen works best and most effectively with constant feedback (good or bad) from its residents.

Thank you to all Town of Kensington elected officials, employees and volunteers. Your time, dedication and enthusiasm contribute greatly to Kensington's charm and character.

Respectfully Submitted,

Stefanie Johnstone, Chairman

Mike Motherway

Dave Buxton

It was a peaceful year at the cemetery. As usual, Lorraine Hale diligently performed the routine tasks of fertilizing, seeding, trimming and mowing to maintain the grounds; to keep the grass in good condition. Ralston Tree Service maintained the larger trees. After six years and 3000 hours of mowing, it was necessary to replace the tractor mower. The new mower was purchased with funds from both the Cemetery and Recreation accounts.

### REMINDERS

Artificial flowers are not to be placed at grave sites. Wires cut accidentally by lawnmowers can cause serious injury to both the mower and the person mowing.

Christmas decorations should be removed by April 15<sup>th</sup> and Memorial Day decorations by November 1<sup>st</sup>. By following these guidelines, we hope to keep the cemetery looking well maintained.

The cemetery is closed to traffic and burials during the winter months but will reopen in the spring as soon as road and frost conditions permit. The iron gates are closed all year except for Memorial Day weekend.

### **BURIAL PROCEDURES**

Every town resident is entitled to a burial plot for free at the time of their death. Kensington is the only town in New Hampshire that we know of that has established this privilege. There are two gravesites to a plot for a couple, one for a single person.

In the event of a death, the family should contact the town office or one of the cemetery trustees. If the family has not already selected a plot, the cemetery trustees will assist them.

### Cremation

Increasingly people are choosing cremation; standard burial procedures need to be followed:

- A trustee must be notified before burial of ashes.
- The ashes must be placed in a permanent container (concrete, bronze or synthetic material).
- A burial permit must be filed with the town clerk.

### Winter Burials

Due to weather, road conditions and frozen or muddy ground, the Dearborn Cemetery will not be open for winter burials. An exception will be considered at the discretion of the cemetery trustees, taking into account the amount of snow and ground condition. The town burial vault is available for storage until Spring.

### Perpetual Care

Although the town has an annual budget to maintain the cemetery, it is not adequate to keep individual stones cleaned and in repair. This duty is the responsibility of the family, however, often there is no longer a family member residing in the town and the stones fall into disrepair. Perpetual care is a fund established to help with

this situation. The cemetery trustees suggest that families who have plots that do not yet have perpetual care established for them do so soon. The suggested amount is \$250.00 per burial gravesite.

If there are any questions, please contact one of the Cemetery Trustees:

Lynne Monroe – 778-1799 Carl Rezendes – 772-4508 Andrea Swift – 772-8866

Respectively Submitted, The Cemetery Trustees

### FIRE DEPARTMENT ANNUAL REPORT

This year the Department of Homeland Security supplied grant money to the State of New Hampshire to replace all fire department mobile radios. Kensington was fortunate to take part in this program. All apparatus now has state of the art digital radios. The next phase of this project will be replacement of portable radios.

We welcomed 3 new members this year, but are still looking for more. If you would like to help out your neighbors consider joining the department either as a firefighter or EMT. Thank you for your continued support. Citizen donations enabled us to purchase much needed equipment.

Please make sure your mailbox or house is marked clearly with your street number visible from either direction to assist us in finding your home in the event of an emergency.

Sincerely yours, Chief Charles LeBlanc

The Fire Department and Rescue Squad have had a total of 65 fire calls and 54 Ambulance and Fire/Rescue combined 35, for a total of 151 calls for 2005 with a breakdown as follows:

FIR	<u>E</u>	RESCUE
Structure Fires	4	Medical Emergencies 50
Vehicle Fires	1	Motor Vehicle Accidents 35
Vehicle Accidents	35	Mutual Aid 2
Brush-grass fires	2	Public Assist 2
Alarm activations	26	
Chimney fires	1	
Mutual Aid	7	
Illegal burns	4	
Public assist	4	
Electrical fires	2	
Furnace	2	
Power Lines Down	11	

I would also like to remind everyone that in an emergency please dial 911, and to stay on the line. Please install and check your smoke detectors regularly. Have a safe and healthy new year.

Burn Permits can be obtained from:

Fire Warden Charles LeBlanc	580-1231
Deputy Warden Myron Parsons	778-7192
Deputy Warden Robert Andrews	778-8502
Deputy Warden Alfred Felch	772-5329

Respectfully submitted Fire Chief Charles LeBlanc

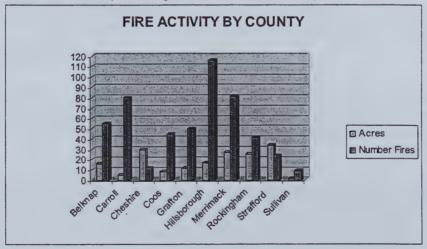

### Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or <a href="www.des.state.nh.us">www.des.state.nh.us</a> for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2217, or online at www.nhdfl.org.

Fire activity was high during the first several weeks of the 2005 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in the southern and central portions of the state. This period of increased initial attack activity prompted a 5-day ban on open burning, the first such ban in several years. Despite the dry conditions, the state's largest wildland fire was contained at 29 acres. Our statewide system of fire lookout towers is credited with keeping the fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 10 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at <a href="https://www.firewise.org">www.firewise.org</a>. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE

### **Kensington Planning Board Annual Report 2005**

The planning board had a very active year culminating with a Special Town Meeting held on November first. Many long meetings centered on the site plan review for the Boston North Group who proposed to build twenty-three single family, two story, detached, condominium, age restricted (62 and over) units. They proposed to locate the project on one lot of land mostly located in Kensington but only being accessible via the Exeter road system. The developer eventually abandoned the project, but the application had exposed what the Planning Board considered a "fatal flaw" in the current Housing for the Elderly ordinance. To avoid quick fixes that might still not correct the ordinance, the planning board asked the voters to negate the current ordinance with the promise that the board would write a new ordinance that would include the idea of affordability. The voting results of the Special Town Meeting were 258 in favor and 30 opposed. Speaking for the whole board, I would like to thank you for your support on this issue.

Other regulations changed dealt during the year were: state building codes; language changes dealing with wetland setbacks; tree conservation in new subdivisions; under ground utilities; and loop roads.

In addition to the above, other activities included: 3 lot line adjustments; two minor subdivisions; a waiver request from the tower regulations; 4 additional site-plan reviews (2 major and 2 minor); 3 consultations; 1 gravel permit; 9 driveway permits; and a public hearing on tree trimming on certain scenic roads in town by the electric company.

Currently there are three alternate positions open on the planning board. If any Kensington citizen is interested in applying for appointment, please contact Denise Gregson, the Town's Administrative Assistant or myself.

Respectively submitted:

Michael Schwotzer, Chairman

### 2005 Annual Report

Our department continues to grow with new faces; Detective Ryan Ford (fully funded through a combined State & Federal Grant) and Officer David DeRoche. Officer DeRoche is attending the New Hampshire Police Academy for 14 weeks and will graduate at the beginning of April 2006. The new cruisers have been in-service since August 2005. They look sharp (design by Captain O'Sullivan's 13 year old son). We have received lots of compliments from residents and other police agencies (a big thanks to the residents who supported the lease warrant article).

The primary goals for the department as we move into 2006 are to maintain visibility in the neighborhoods, to provide directed traffic enforcement in high accident areas, and to continue with visibility and involvement at the elementary school. The ultimate aim is for long term results in crime prevention/reduction.

Thank you for your support as we continue our professional development, and implement the most sound, state and nationally recognized practices and policies on behalf of our community.

Respectfully submitted,

Wayne M. Sheehan Chief of Police

### **Kensington Library 2005**

After many years of service to the library, first as a volunteer, and then later as Library Director, Andrea Swift decided to leave this year in order to pursue other interests. New Director Patty DiTullio joined the staff in July.

The library continued to be a busy place in 2005. We issued 55 new borrower cards this year, and loaned an amazing 10,571 items, including books, magazines, audio books, videos, DVDs, and puzzles.

The library prides itself in offering a wide selection of current bestsellers and award winning titles for both children and adults. In addition, we continue to participate actively in the State's interlibrary loan program, loaning to and borrowing from other New Hampshire libraries. This program makes millions of items statewide readily available to Kensington Library patrons.

Children's program supervisor Sue Lalime continues to offer our story time and craft program on both Tuesday and Wednesday mornings each week. This popular program had a total attendance of 909 children and caregivers during the year.

In July and August, we sponsored a summer read-a-thon, with the theme, "CampWannaRead." By reading, participants earned passes to the Children's Museum in Boston, mini-golf coupons, t-shirts, and book packs. Olivia White read the greatest number of books during the program!

We also hosted two family entertainment days as part of "CampWannaRead." In July, over 100 children and adults enjoyed a visit by UNH's Little Red Wagon Theater Group. And in August, an audience of 50 was entertained by Diane Kordas and her Rhythm-Romping Puppets.

This fall we hosted two very successful book sales, which were held in the Grange Hall, and we also sponsored a table at the annual Christmas Fair at the Legion Hall. The gas furnace in the newer part of the building was replaced in late fall, and the Social Trustees underwrote a smaller unit to supplement heat in the Children's Room.

We have one adult book discussion group that utilizes the resources of the library, and have recently begun a book discussion group just for kids, organized and led by an eighth grader. The library's meeting space is used by numerous town organizations.

We currently offer passes to the Currier Museum of Art, and the Portsmouth Children's Museum. Going on a trip? Help yourself to a book from our Giveaway shelf – these paperbacks need not be returned to the library.

Please note that the library is closed when school is cancelled. Also, the side entrance is available for patrons to use in inclement weather. Parking is available behind the fire station, but not along the fence. Because of heavy snows and weather conditions, icicles hanging from our roofline can be dangerous. It may be necessary on occasion to close off one of the entrances to the building.

Exciting plans are underway for 2006. We hope to have a fully automated circulation system and catalog within the next year, and mount an expanded website that will provide access to research databases and other resources. The goal is to improve and expand library services to all Kensington residents, while maintaining the intimacy that makes our library special.

Finally, and with great sadness, we wish to acknowledge David Olney who served as a devoted Public Library Trustee. We miss his wisdom, perspective and humor.

### Report of the Recreation Committee 2005

The Rec Committee was busy in 2005 working to continue activities that have been popular, as well as working with KYAA to upgrade the fields at the Town Park and Sawyer Field. This fall several volunteers diligently worked to create better infields and to reseed where needed. Both fields are much improved and will provide better playing surfaces. Sumac was growing into the outfield at the Town Park; all the sumac was cut, stumped and chipped. The whole area looks much bigger and neater. The stonewall area on Trundle Bed Lane at the park was cleared of all brush, vines, and other undergrowth. Each year the committee hopes to make such improvements to maximize the beauty and useable area of these sites.

In addition to upgrading the playing fields, the Rec will be purchasing a wooden play structure for young children. We have begun research on a large-scale park improvement to include a walking/fitness trail and natural playground area. Anyone interested in helping with this project please contact MaryJane Solomon, 778-3910.

The Kensington Elementary School multi-purpose room is used by people of all ages in Rec sponsored programs. Men, middle school students, and high school students have been enjoying basketball. Citizens are invited to participate in indoor walking on Monday and Friday mornings, 8:30-9:30. Soon badminton and floor hockey will be held. Log in to the Town of Kensington web site to learn about upcoming indoor activities. We encourage you to call Lili Spinosa (772-8195) with ideas, suggestions, or questions. We need people to' lend a hand" to be adult supervisors for these programs.

This is the second year that the Kensington Rec has offered the Learn to Ski program at Bradford Ski Area. The enrollment has doubled this season! John Clark has volunteered to head this program. Thinking about getting *your* child skiing next year? It's not too early to call John.

Kathy Cook and Mary Jane Solomon "came out of retirement" last summer and directed two weeks of the Summer Program at the Park. This spring we plan to send out information and registration forms much earlier than last.

The Rec and KYAA (Kensington Youth Athletic Association) are working together to provide adequate playing facilities for the soccer and baseball teams run by KY AA. John Andreasse, a newly appointed Recreation Committee, member will act as a liaison to KYAA. As a committee we are rigorously working on establishing a clear policy on the use of both Sawyer Field and The Town Park.

We were very sorry to accept the resignation of Dan Provost as a Recreation Committee member. Over the past decade he has generously given his time, equipment, and conservation and landscaping expertise to the town. He was instrumental in the construction of Sawyer Field, has sponsored special activities and served on KYAA. Thank you, Dan, for your dedication to Kensington.

The Recreation Committee depends upon volunteers to help it maintain the parks and programs. We urge interested townspeople to attend our monthly meetings held the second Wednesday of the month at 7pm at the Town Hall. Please feel free to call any of our members: John Andreasse, Donna Carter, Kathy Cook, Lorraine Petzy, Nancy Roffman, MaryJane Solomon, and Lili Spinosa.

Respectfully Submitted, Nancy Roffman

### **Kensington Conservation Commission 2005 Annual Report**

Easement Work: In 2005, work on one easement was completed and progress was made on several others. We were thrilled with the completion of a conservation easement on the Boudreau property. Our work with Mrs. Boudreau began in May of 2004 and ended in October with the purchase of the development rights on her 23.99 acres, forming a conservation area sandwiched between the Meeting House Hill Conservation Area and the Elementary School property. This land is valuable for many reasons. It enlarges an existing conservation area, protects vernal pools and a wetland home for the rare spotted turtle, allows for public foot access, and provides a site for a potential future leach field for the Elementary school. We feel KCC funds (\$268,487) were well spent on this project and are grateful that Mrs. Boudreau chose to conserve this woodland gem.

We began negotiations for a number of other conservation easements. Each of these properties contains valuable farm land and either abuts or lies near existing town conservation land. Existing KCC funds are not sufficient to purchase the development right for these properties, so it will be necessary to seek additional funding through Federal and State Grant programs.

At the end of the year, we prepared a warrant article for the March 2006 school district ballot, which asks district voters to direct the SAU 16 school board to transfer ownership of a 26 acre parcel off Route 108 to the Town of Kensington to be put in a conservation easement. KCC attempted to negotiate the purchase of this property in 2003 and 2004, but stopped pursuing the property when it was clear that the school board was looking for significantly more than the appraised value of the land. We are hopeful that the district voters will see the value in conserving this land. This land contains rare swamp white oak habitat, abuts other conservation lands, and has wetlands feeding into Great Brook, making it a key parcel to protect the health of the Exeter River Watershed and Exeter's drinking water.

Management of Existing Town Conservation Land: Charles Hodges Conservation Area: This year we continued implementing the forest management plan for the 184 acre Charles Hodges Conservation Area located between Stumpfield and Moulton Ridge Roads. A tree harvest was completed in March, the goal of which was to remove low quality tree to release the remaining healthy trees, improving both future tree harvest potential and wildlife habitat. The \$17,299 earned from this harvest was divided equally between the Charles Hodges Trust, to be used for future management work on the property, and the Society for the Protection of New Hampshire Forest, which holds the easement. In addition, with the help of Theresa Walker of the Rockingham Planning Commission, we were awarded a grant of \$11,870 from the New Hampshire Recreational Trails Program to improve trail quality, accessibility, and signage. In 2006 these funds will be expended on a gravel parking area off Stumpfield Road, 3 wooden entrance signs, and a number of wetland crossings on the trails.

Meeting House Hill Conservation Area: This property off Osgood Road was surveyed this year, with the surprising discovery that it contained an additional 3 acres for a total of 38. Because of erosion damage caused by motored vehicles, which are not allowed on the property, commission members posted usage signs clarifying allowed and disallowed activities.

Other efforts: Other work of 2005 included meeting representatives for the proposed Rolling Ridge development, addressing alterations to the salt shed that were likely to increase its environmental impact, and halting logging on a wetland. We evaluated the merits of a tree regulation proposal that would apply to developments and would give the town better control over tree removal. We supported this proposal, which was later passed by the planning board. One member participated in a biothon on the Parker easement, which is done each year on conservation lands to raise funds for Rockingham Land Trust. The biothon is a 4 hour rush to find as many species as possible. The highlight for the biothoners was the discovery of a rare blue spotted salamander.

**Thanks:** We could not do this work without the help of individuals from state and local agencies including the Rockingham Land Trust, Rockingham Planning Commission, Rockingham County Conservation District, UNH Cooperative Extension, NH Department of Environmental Services, and the New Hampshire Association of Conservation Commissions. Special thanks go to Phil Auger, Theresa Walker, Jill Robinson, Brian Hart, and Mary Currier.

We are also very grateful that the Friends of Kensington donated their remaining funds to our KCC fund to help purchase easements.

### SOUTHEAST REGIONAL REFUSE DISPOSAL DISTRICT 53-B

86 Lafayette Road P.O. Box 830 North Hampton, NH 03862 (603) 964-7116

### **ANNUAL REPORT**

\* Brentwood \* Fremont \* Hampton \* Hampton Falls \* Kensington \* New Castle North Hampton \* Rye \* Sandown \* South Hampton

This Annual Report covers the period December 2004 to December 2005. This is in accordance with Section 2.7 of the District Agreement, which states that the District Committee shall hold an Annual Meeting on the first Tuesday of December each year to receive reports, choose officers, and appoint members to the Operating Committee.

The District Agreement states that the District's fiscal year shall commence on April 1 and shall end on March 31 of each year. The District Budget covers this fiscal period.

At the Public Hearing and Annual Meeting on December 3, 2004 the District elected the following Officers to serve from December 2004 to December 2005.

Chairman Chris Ganotis

North Hampton

Secretary Alfred Felch

Kensington

Treasurer Joseph A. Melville

Hampton Falls

### FROM DECEMBER 2003 - DECEMBER 2004

This was the fourteenth year the District has conducted the Household Hazardous Waste program for the member towns. We held two collections - Hampton in the spring and Brentwood in the fall. The collection in Hampton was held on the second Saturday in May. A total of 430 cars attended the collection representing 361 households. On September 10, the collection was held in Brentwood for the sixth time. A total of 155 cars attended representing 155 households. The total cost for both collections was \$26,358. The per household cost for Hampton was \$50.32 and the per household cost for Brentwood was \$52.85. A grant from the State of New Hampshire, based on the population of the District member towns, in the amount of \$8,347. helped to offset the costs. The remainder was paid out of District funds that had been budgeted for this purpose.

For the collection in Brentwood, we contracted with Newcore Asset Services to collect T.V.'s, computer monitors, keyboards, and CPU's. The response was very good and we will again use Newcore at both our collections in 2006. Based on the continued positive response we receive to these collections, the committee feels they are a vital function of the District and should continue. Citizens in our member municipalities continue to become more educated about household hazardous waste, have become familiar with the collections, and are willing to participate. The District has budgeted funds in the 2006/2007 Budget to hold collections in the spring and fall of 2006.

The District continued its Recycling Grant Program for education and public relations. Member towns, which applied for grants, were Brentwood, Fremont, Kensington and North Hampton.

Brentwood, Fremont, Hampton, Hampton Falls, Kensington, New Castle, North Hampton, Rye, Sandown and South Hampton are currently tipping at Turnkey. In July, the current tipping fee of \$60.85 will be adjusted by the Boston CPI at January 1, 2006.

The Septage Committee and Waste-to-Energy Committee continue to be inactive.

DISTRICT ANNUAL REPORT December 15, 2005 Page Two

### **OBJECTIVES FOR THE UPCOMING YEAR**

The Administrative portion of the District will continue to be a part-time operation. The Administrative Assistant's hours are from 8:00 AM to Noon Tuesday and Thursday. The contract with Waste Management will continue to be administered by the District office.

Two Household Hazardous Waste Collections will be held in 2006. The Spring Collection will be held in Hampton on the second Saturday in May and the Fall Collection will be held the second Saturday in September in Brentwood.

Recycling education grants will again be awarded to District member towns. Recycling chairmen of the member towns are encouraged to apply for these grants. Information may be obtained by calling the District office.

We will continue to keep abreast of all refuse disposal and recycling methods, and we are always available to assist and/or answer questions from member towns and citizens. We will also continue to attend State level conferences on MSW and recycling.

Respectfully submitted,

Alfred Felch Secretary

### KENSINGTON SCHOOL DISTRICT WARRANT

To the inhabitants of the School District of the Town of Kensington, County of Rockingham, State of New Hampshire, qualified to vote upon District affairs:

You are hereby notified to meet as follows:

FIRST SESSION: At the Kensington Elementary School in said Kensington on Wednesday, February 8, 2006, at 6:00 p.m. for explanation, discussion, debate, and possible amendment of the following warrant articles:

- 1. Shall the District raise and appropriate an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$2,544,586.00? Should this article be defeated, the operating budget shall be \$2,480,344.00, which is the same as last year, with certain adjustments required by previous action of the District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board recommends \$2,544,586.00 as set forth on said budget.)
- 2. To hear reports of agents, auditors, and committees or officers heretofore chosen.
- 3. To transact any other business which may legally come before the meeting.

**SECOND SESSION**: At the Kensington Town Hall in said Kensington on Tuesday, March 14, 2006, to choose the following School District Officers: One School Board Member for a three year term, One School District Auditor for a one year term, and vote on article 1 above, as that article may be amended at the First Session; by ballot, the polls to open at 8:00 a.m. and to close no earlier than 7:30 p.m.

Given under our hands at said Kensington on this 12th day of January, 2006.

KENSINGTON SCHOOL DISTRICT SCHOOL BOARD:

Dana De Lotto Donovan

Dana De Lotto Donovan

Alice Mower

Alice Mower

### Kensington School District First Session February 12, 2005

The moderator, Robert Solomon, called the session to order at 7:06 PM. Mr. Solomon led the meeting in a salute to the flag.

Mr. Solomon read Article 1.

Article 1. Shall the District raise and appropriate an operating budget, not including appropriations voted separately, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$2,271,390.00? Should this article be defeated, the operating budget shall be \$2,189,098.00, which is the same as last year, with certain adjustments required by previous action of the District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13,X and XVI, to take up the issue of a revised operating budget only. (The School Board recommends \$2,271,390.00 as set forth on said budget.)

Mrs. McDonough noted that the increases in the budget were driven by the change in a Special Education teacher position from part time to full time, medical and retirement benefits increases, and Special Education related costs.

There were no questions or comments relative to Article 1.

Article 2. To hear reports of agents, auditors, and committees or officers heretofore chosen.

There were no reports.

Article 3. To transact any other business which may legally come before the meeting.

There was no further business.

Mrs. Mower moved to adjourn the meeting. Mrs. McDonough seconded the motion.

The meeting adjourned at 7:09 PM.

Respectfully submitted,

Margaret Ruggeri School District Clerk

### Kensington Elementary School

122 Amesbury Road Kensington, NH 03833 Telephone 603-772-5705 Fax 603-775-0502

### Principal's Report

Kensington Elementary School is one of the seven elementary schools in SAU #16. This school year, we have about 210 students in grades K-5. You may learn more about SAU #16 and KES by visiting www.sau16.org.

This 2005-2006 school year promises to be a very exciting and busy one for the whole community of KES. Once again the PTO and Enrichment Committee have put together a calendar of events/activities for staff, students and families. This extensive calendar can be found on our web site. KES just received again, the Blue Ribbon Award for the outstanding volunteer program we have at our school. We would not be able to accomplish all that we do without the help of our parent and community volunteers. This year we hope to continue to develop new ways to involve more Dads in our school and also our seniors from the Kensington community who have so much to offer our children about their life experiences. For the third year in a row, KES has received funding from the NH Council of the Arts to help sponsor our artists in residency program with Randy Armstrong and Michael Caduto this year. KES students will have a Student Council for the second year and Destination Imagination has returned to KES for a second year. The After School Enrichment classes and the World Languages classes continue as parents and Exeter High School students volunteer to share their interests and talents with the children.

The KES professional and support staff participate in ongoing professional development initiatives within the building, within the SAU and by attending outside offerings of workshops and/or college courses. Professional development is important to us as educators because it helps us to stay current on best practices, keeps us fresh and energized and keeps reinforcing the need for us to be life long learners. Through professional development, we are able to support and successfully achieve our annual school goals. This year the KES school goals include: implementing the new SAU Literacy Curriculum with consultation from the Center for Applied Child Development (CACD) at Tufts University; incorporating the philosophy of the Responsive Classroom model to promote a positive, cooperative school learning environment; developing a new mission and vision statement with the entire KES community, including values and beliefs; improving our individual technology skills and integrating technology into our grade level curriculum; and reviewing the results of student learning from various assessments to improve our instruction with children.

Kensington Elementary School is the best place to work and visit! The building is filled with smiling, happy students who really care about one another and who are ready to learn about anything at any time. The staff is friendly, dedicated, creative, knowledgeable and all love children. At the end of the day, you can see staff standing in the hallways telling stories from the day and laughing with, or seeking support from, each other. The parents spend countless hours working along side of us in the classrooms, sponsoring school wide activities that allow us to enjoy each other in a playful way, or assisting us by performing the routine tasks that must get done. The School Board helps to support all of our efforts and truly values the importance of education for all children in Kensington. We're off to a great start at KES for the 2005-2006 school year. Hopefully, you'll visit our web site to see how we grow and learn together this school year.

Barbara Guth Switzer Principal

### 2006 SAU 16 REPORT OF ADMINISTRATION

### SAU 16 MISSION STATEMENT

The SAU 16 School Districts are committed to working together to develop common standards and values that will result in graduates who are caring, productive and contributing members of society.

In August of 2005, the schools opened their doors with the following enrollments: Swasey Central School in Brentwood – 391; East Kingston Elementary School – 190; Exeter Elementary (Main Street School and Lincoln Street School) – 1019; Kensington Elementary School – 211; Newfields Elementary School – 165; Stratham Memorial School – 648; Cooperative Middle School – 1,324; Exeter High School – 1,530; and the Seacoast School of Technology – 557.

### New Exeter High School

The completion date for the construction of the new Exeter High School is on schedule for June 1, 2006. Subject to weather conditions next spring, conclusion of the remaining site work items will also be June 1, 2006.

The building envelope is now 100% enclosed and the new heating system was completed and operating in time for the beginning of the cold weather in mid-November 2005. All remaining work on the building for this winter and next spring will be concentrated on the interior of the building – floor finishes, ceilings, lighting, electrical fixtures, plumbing fixtures, technology connections, painting, casework, elevators and fixed equipment such as kitchen appliances and control systems. Movable furniture and technology equipment is scheduled to be ordered in January 2006 through a bid procurement process in time for an early spring 2006 delivery.

Due to record hurricanes, which caused heavy rainfall in the late fall of 2004 and 2005 along with record wet conditions in June 2005, site work progress this past year was severely challenged. In spite of these challenges, our contractor, SUR, and construction manager, Harvey Construction, have accomplished most of the site work planned for 2005. Short of the binder coat of pavement, the remaining parking and driveway areas are completed, as well as the sidewalks around the building and the stadium complex. Work that was completed, or deadlines for completion, are as follows:

- Three of the four remaining athletic/physical education fields, including the multipurpose, artificial surface stadium field - completed
- Running track base and the track's rubberized surface scheduled to be completed in the spring of
- Bleachers, lights and underground utilities for the multi-purpose stadium completed
- Berms for abutter screening, including tree planting along Old Town Farm Road completed
- The widening of the Route 27 entrance to the new high school, driveways and guardrails completed
- Fuel oil tank, generator and primary transformer installation completed
- Landscape plantings scheduled to be completed in spring 2006

It is fully the intent of the Exeter Region Cooperative School Board, as well as SAU 16 and Exeter High School Administration, to truly have the new high school as a resource for all students, parents and community members in the six town SAU 16. Updates of the project are shown on EXTV-Channel 22 and also displayed on our website, <a href="https://www.sau16.org">www.sau16.org</a>.

### **SAU 16 Business Office**

This has been another successful year for the SAU Business Office. The number of students served continues to expand and the total school enterprise continues to grow. As a result, the volume of transactions and processing gets larger for the Business Office team. The staff has worked to benefit from identified efficiencies and have met this challenge very well. Progress has been made with our software conversion, GASB 34 compliance, and consolidated purchasing efforts.

The accounting software conversion continues to move forward as expected. This process has been driven carefully and deliberately. SAU 16 comprises eight separate databases which are moving to the new platform according to individual schedules. Currently six sites are connecting remotely for purchasing, inquiry, and reporting through the new system. Setup and conversion of the new payroll components is underway and project completion is expected in the next year.

Satisfying the GASB 34 accounting standards remains an important ongoing priority for the Business Office. We have successfully complied with this standard in the Stratham School District and continue to work toward compliance throughout the SAU.

The Business Office maintained its commitment this year to identify and realize savings where possible through consolidated purchasing. Energy costs represent some of the greatest budgetary impact for all of the SAU 16 districts. The Business Office has actively engaged in efforts to benefit from bulk purchasing and joint contracting. Additionally, the SAU is working to leverage the services of energy brokers to control those rising costs where possible.

We appreciate the incredible contribution of Fiscal Services Manager Margaret "Peggy" Meyer to the Business Office. This was Peggy's 30<sup>th</sup> year as a member of the SAU staff. Her experience is an invaluable asset to our success and her commitment to quality is a model for the team

### **Human Resources**

During the summer of 2005, the SAU 16 Human Resources Department met with and processed employment papers for approximately 130 new teachers and support staff members. Over all, SAU 16 employs close to 1000 people working for our various school districts.

The following teachers have announced their intention to retire at the conclusion of this school year. Maureen Brown - East Kingston Elementary; Charlene Gelineau and Penny Claire – Stratham Memorial; Cyndee Dennehy - Main Street School; Tom Ball, Sue Hanson and Carol Hollingworth - Lincoln Street School; and from the Cooperative School District: Jeanne Chevalier, Linda Gaulin Coburn, Kevin Joyce, Dean Scott, Julian Whipple, Brian Wazlaw and Dick Brennan. We thank all of the retiring staff for their many years of service and dedication to the schools in SAU 16.

As a reminder, the HR Department, as do all of the departments at the SAU, serves all of the SAU 16 communities of Brentwood, East Kingston, Exeter, Exeter Region Cooperative, Kensington, Newfields and Stratham.

### **Technology and Research**

### **Technology**

The SAU 16 Technology Committee, which is comprised of representatives from each of our schools and our community, is in the process of revising the district's technology plan that will guide the implementation of technology for the next four years. The New Hampshire Department of Education requires that technology plans address the following topics: access to technology resources, technology literacy, professional development, and community collaboration. The plan will be presented to the SAU 16 Joint School Board in May 2006 for approval. The plan will then be submitted to the New Hampshire Department of Education for final approval.

Through survey research, we know that well over 90% of the families in SAU 16 have a computer with Internet access in their homes. We also know that children of the "digital generation" spend a great deal of time on-line playing games, exploring, and chatting with their friends. It is our belief that we should provide on-line information and resources for our students, parents, and the SAU 16 community. Therefore, in addition to providing news and information on our website, we are working to place useful academic information on-line so that students have 24 hours, 7 days a week access to educational resources. Toward this end, all teachers who assign homework to students have created a website that will provide students and parents with access to current homework assignments. We thank our teachers for the time they have devoted to creating and maintaining these sites in order to facilitate communication and to support learning at home.

The implementation of Open Source software in our schools has allowed us to add approximately 300 thin client computers in classrooms throughout SAU 16 without requesting additional funding for our technology budgets. Thin clients can be created from obsolete computers or purchased inexpensively. Since the software that runs on these thin client computers is Open Source, there are no associated licensing fees. Thin clients can browse the web, create documents that are compatible with commercial software, and play media files. We have found that students require virtually no additional training to use Open Source software as the applications are almost identical to commercial software applications.

We are very pleased to announce that we have been awarded a Rural Utility Services grant, which is a distance learning and telecommunications grant valued at over \$499,000. This grant will provide interactive video conferencing equipment to the Exeter Region Cooperative School District, the Great Bay eLearning Charter School, and the Seacoast Professional Development Center. Other partners in the grant who will also receive interactive video conferencing equipment include Farmington and Ossipee, New Hampshire, as well as a number of schools in northern Vermont. Interactive video conferencing provides participants with two-way television quality broadcast where participants at both ends can view and speak with each other. As a result of this project, students will be able to collaborate with scientists, participate in virtual field trips, or talk with students at schools all over the world. Moreover, schools will be able to share professional development sessions with other schools or collaborate on curriculum development projects.

### Research

The SAU 16-wide surveys of students, parents and staff members have been completed and the results have been compiled. The survey was designed to measure the perceptions of parents, staff and students in the areas of safety and academic programming and to also solicit responses on each school's strengths and weaknesses. Results of the surveys have been shared with administrators and all school boards and the results from all the surveys can be found on <a href="https://www.sau16.org">www.sau16.org</a>. These results will be used to inform on-going school improvement efforts.

By the end of the 2005-2006 school year, each school in the SAU will have an on-line school portfolio. This on-line portfolio will include information that will describe the mission and goals of each school, list demographic information, report standardized test scores and surveys, and list areas of strength, as well as, describe areas where the school is seeking to improve. The goal of this project is to create an on-line resource that describes how each school is working to meet the needs of its students and the community.

### Great Bay eLearning Charter School

The Great Bay eLearning Charter School (GBeCS) has grown to serve 72 students in grades nine and ten from the SAU 16 towns of Brentwood, East Kingston, Exeter, Kensington, Newfields and Stratham. The GBeCS is the first school district sponsored charter school in the state of New Hampshire. The focus of the school is to foster student achievement through project-based learning in a technologically rich learning environment. Earlier this fall, the New Hampshire State Board of Education granted a request to add grades eleven and twelve to the school's charter and provided an additional \$150,000 for continued development and implementation.

### Curriculum and Philosophy

### Assessment

During the fall of 2005, all students in grades  $3^{rd} - 8^{th}$  participated in the New England Common Assessment Program (NECAP) exams in reading and mathematics. Fifth graders and eighth graders participated in a writing component as well. The results of these exams illustrate how our students perform on a standardized test that is based on Grade Level Expectations at the state level. The results of these exams are not available as of this writing and will be reported to students, parents, and the community once they become available.

In addition, during the fall of 2005, our 6<sup>th</sup> -10<sup>th</sup> graders participated in the Northwest Evaluation Association (NWEA) Measures of Academic Progress. These assessments are designed to measure gains of each individual student from one testing period to the next. These standardized tests help teachers plan instruction for students, as well as illustrate to parents and students individual student growth areas. Annually in May, all of the SAU 16 schools administer the NWEA-Measures of Academic Progress to students in grades 3<sup>rd</sup> - 10<sup>th</sup>.

### Curriculum

In accordance with our state-approved Professional Development Master Plan and other SAU 16 initiatives, the following is a progress report of the 2005-2006 curriculum work.

• In August, each SAU 16 school was represented by a team of administrators, teachers, and school leaders at a two-day Data Strategies Retreat. As a kickoff to the year, each school-based team built an understanding of the process of effective data gathering, analysis, and developed action plans for the 2005-2006 school year.

### • Other activity includes:

<u>Music Task Force</u> - Our music educators have agreed to common assessments, resource materials, and curriculum units, as well as developing a proposal to provide greater equity throughout the SAU in providing instrumental, strings, and choral opportunities for students.

<u>Child and Adolescent Health</u> - This group consisting of our physical education teachers, health educators, food services directors, school nurses, physicians, nutritionists, and administrators is working on the development of policies regarding nutrition, physical activity and wellness in our schools.

<u>Grade Reporting Task Force</u> - Members of this task force include school board representatives, teachers, parents, and administrators. The task is to identify successful practices in grade reporting systems and to develop guidance for SAU schools as they consider revisions to their grade reporting systems. We have surveyed board members, administrators, and teachers regarding their beliefs in this area. As of this writing, parent surveys and student feedback opportunities are being discussed.

<u>Social Studies</u> - As of this writing, we expect that the new expectations in social studies from the state will be approved in April. The current draft is undergoing revisions; once it is released, our local committee will review how those expectations align with our recently revised curriculum.

<u>Science</u> - Grade Level Expectations from the state are nearing a final draft. Our local committee has developed vocabulary for each unit and will verify curriculum alignment for each grade once the draft is released from the state. Assessment targets for grades  $K - 4^{th}$  and  $5^{th} - 8^{th}$  are published and CMS is mapping its science units by grade level. Future work will include an action plan to clarify the curriculum span involving grades  $5^{th}$  and  $6^{th}$ .

<u>Literacy</u> - During the spring of 2006 when the NECAP results are released, this group will review the results of the test and correlate the student results to the SAU 16 curriculum, for the purpose of identifying strengths and/or gaps in our program.

Math - From grades K-12<sup>th</sup>, math teachers are continuing to develop their respective programs, supplemental materials and strategies for addressing students with diverse needs in mathematics. Teachers are visiting SAU 16 classrooms who exhibit "Best Practices". The focus of future math meetings will be sharing of "best practices in assessment" and how we report math progress to parents.

<u>Guidance</u> - Our guidance counselors are involved in a review of the core standards for SAU 16 guidance counselors. The new standards for school approval require adherence to the National School Counseling Model. Some of our counselors have volunteered to pilot these standards this year for the purpose of supervision and evaluation. We look toward full implementation for the 2006-2007 school year.

<u>Information Literacy</u> - Our school librarians, grades K-12<sup>th</sup>, are working together in adopting and promoting the national model of "Information Literacy Standards for Student Learning" with the expressed purpose of assuring that all students receive consistent preparations at every grade level. They are developing a skills matrix for implementation at each grade level throughout the SAU that will be in place for the 2006-2007 school year.

Sincere appreciation is offered to all of the school board members of SAU 16 for their continued support and dedication to the students of the seven school districts. The Boards' countless hours, dedication and efforts on behalf of collaborative educational and co-curricular excellence, is often unrecognized. Their commitment to SAU 16 students and to their communities allows SAU 16 to be recognized as one of the most outstanding educational school units in the state of New Hampshire.

Arthur L. Hanson Superintendent of Schools

(Write-In

### FOR COOPERATIVE SCHOOL DISTRICT MODERATOR

For Term Ending 2007 Election VOTE FOR NOT MORE THAN ONE

CHARLES F. TUCKER

(Write-In)

### **ARTICLES**

- 1. Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein, totaling \$43,565,480? Should this article be defeated, the default budget shall be \$43,248,367, which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board recommends \$43,565,480 as set forth on said budget.)
- 2. Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Education Association covering the four year period from September 1, 2006 to August 31, 2010 which calls for the following increases in salaries and benefits totaling:

Year	Estimated Increase
2006-07	\$ 995,183
2007-08	\$1,017,791
2008-09	\$1,079,961
2009-10	\$1,092,049

and further raise and appropriate the sum of \$995,183 for the 2006-07 school year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year? (The School Board recommends this appropriation).

3. Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Cooperative Paraprofessional Association covering the three year period from September 1, 2006 to August 31, 2009 which calls for the following increases in salaries and benefits totaling:

Year	Estimated Increase
2006-07	\$ 159,277
2007-08	\$ 70,183
2008-09	\$ 71,058

and further raise and appropriate the sum of \$159,277 for the 2006-07 school year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year? (The School Board recommends this appropriation.)

- 4. Shall the District, if Article 2 and/or 3 are defeated, authorize the School Board to call one special meeting, at its option, to address Article 2 and/or 3 cost items only? (The School Board recommends adoption of this article.)
- 5. Shall the District raise and appropriate the sum of the amount of the June 30, 2006 undesignated fund balance (surplus) up to \$475,000 for improvements to the stadium, athletic fields, and other ancillary facilities at the New Exeter High School? (This amount is interest earned on bond proceeds.) (The School Board recommends this appropriation.)
- 6. Shall the District authorize the School Board to convey the real estate located on 56 Linden Street (Tax Map 82, Lot 13) currently known as the High School Annex, formerly know as the Exeter Area Junior High School, land and buildings, on such terms (including sales price) as the School Board shall determine are in the best interest of the District? (This authorization is in addition to Article 7 and would authorize the School Board to convey this real estate whether or not Article 7 is adopted.) (The School Board recommends adoption of this article.)

### 7. On petition of Maureen Barrows and others:

Shall the District authorize the School Board to convey the real estate situated at 56 Linden Street, Exeter, NH (old Exeter AREA Junior High Land/Building Tax Map 82, Lot 13) to Squamscott Community Commons for use as a community center at a sum to be determined by the School Board upon receipt of a new appraisal of the land and buildings including demolition costs to be conveyed by an appraiser chosen by the School Board and on such terms and conditions as the School Board may determine? (The School Board recommends adoption of this article.)

8. On petition of Elizabeth Stevens and others:

To see whether the Exeter Region Cooperative School District will vote to direct the Cooperative School Board to transfer ownership of a certain 26.36 acre parcel of land that is part of the Exeter River Watershed (Exeter Tax Map 111, Lot 3, Kensington Tax Map 17, Lots 19 and 31) to the Town of Kensington, to be managed by the Kensington Conservation Commission for conservation and protected from development with a conservation easement held by a qualified Land Trust. The Kensington Conservation Commission agrees to pay \$25,000 for the timber rights, plus the transaction costs. (The School Board does not recommend adoption of this article.)

- 9. To hear reports of agents, auditors, and committees or officers heretofore chosen.
- 10. To transact any other business which may legally come before the meeting.

**SECOND SESSION:** At the polling places designated below on Tuesday, **March 14**, **2005**, to choose the following School District Officers: School District Board Member (Exeter), School District Board Member (Newfields), School District Board Member (Stratham), and School District Moderator; and vote on the articles listed as **1**, **2**, **3**, **4**, **5**, **6**, **7** and **8** as those articles may be amended at the First Session; by ballot, the polls to be open at the polling places at the hours designated below:
